

## Urban Medical 171

### Chapter 171: Set foot on Jiangnan!

After Xia Ruoxue left for a while, Ye Chen and Sun Yi reacted.

Sun Yi stood up, went to the door to take a look, and then said to Ye Chen quite puzzled: "Xiao Chenzi, is something wrong with Ruoxue? She didn't even take the bag."

Ye Chen's eyes were a little dignified. After getting along for a while, he also understood Xia Ruxue.

To make Xia Ruoxue so nervous, something extremely serious must have happened.

Did something happen to the Xia family in Jiangnan province?

Ye Chen came to the balcony and dialed Ye Lingtian's phone.

Jiangnan Province is Ye Lingtian's territory, and it is undoubtedly the best to ask him about this matter.

"Hall Lord?"

"Help me investigate what happened to the Xia family recently, and reply to me as soon as there is news." Ye Chen said.

"Yes, the lord!"

The phone hung up.

Ye Chen took out a pack of cigarettes from his pocket, lit one and stuffed it in his mouth. As soon as he took a puff, the phone called, and he simply put out the cigarette in his hand.

"Hall Lord, according to the investigation, the Xia family in Jiangnan province took an old man to the Jiangnan First Hospital. It should be Xia Ruxue's grandmother who had an accident."

Hearing Ye Lingtian's words, Ye Chen frowned slightly. On the birthday party, she paid attention to Xia Ruoxue's grandmother. She was still healthy and there was no serious illness. How could something happen suddenly?

However, it is inevitable to bump into each other when he gets older, and Ye Chen didn't think much.

At this moment, Ye Lingtian continued: "Hall Master, there are still a few things to report to you."

"Say!"

"First, the Qin family in Jiangnan Province has returned from Mount Emei, and the birthday party will inevitably be passed on to them, and the Lord may be attacked at that time.

Second, the Patriarch of the Yan family in Jiangnan Province was furious and had already sent some masters to Jiangcheng. This time, he must investigate Yan Jin's affairs.

Third, the situation in Jiangnan Province has been a bit turbulent recently. I feel that several hidden forces are surging and may erupt at any time. "

Ye Chen put his hands behind him, overlooking the scenery of Jiangcheng, and said: "Jiangcheng is still too small after all, so let me come to Jiangnan Province tomorrow morning."

His current realm is almost the same, and the tombstone in the reincarnation cemetery also has a slight reaction, and it is estimated that it will be aroused in a few days.

It's time to go to Jiangnan Province.

It's not a bad thing that the time is a bit earlier.

Ye Lingtian was overjoyed, the palace lord is finally coming to Jiangnan Province!

He controls Jiangnan Province and takes the entire underground world of Jiangnan Province! It is for such a day to recruit the martial arts experts in Jiangnan Province!

The Lord is finally coming!

"Hall Master, do you need me to send a car to pick you up?"

"No, there is a car on Dragon Soul, so you don't move, don't expose it for now."

"Yes!"

The phone hung up, and Ye Chen returned to the living room.

Sun Yi obviously just finished the call.

"I will tell you something." The two said almost in unison.

Sun Yimei blinked her eyes and said with a smile: "Xiaochenzi, you speak first."

Ye Chen nodded and said, "Tomorrow I plan to go to Jiangnan Province to deal with some things."

He thought that Sun Yi would be lost, but he did not expect that Sun Yi's hands directly encircled Ye Chen's waist, as if he was very happy, and his numbing voice sounded: "Mr Shen called just now and told me that the Tianzheng Group is going to expand. To open a branch, the most important thing for the group is to stabilize the market in Jiangnan Province. He asked me if I want to go to Jiangnan Province. After all, someone needs to grasp the direction there..."

"Then, I agreed. In a few days, when the group's handover is completed, I will go over. Hehe, it seems that you can't escape my palm in this life."

Ye Chen was still thinking about Sun Yi, but now it seems that everything is the general trend!

Jiangcheng is too small after all. For Tianzheng Group to develop, it must shift its focus to Jiangnan Province or even the capital of China. This is a path that any group must take.

Now, it is undoubtedly the first step taken by Tianzheng Group.

At the very end of Ye Chen's thoughts, a pair of slender hands stretched directly to the roots of Ye Chen's thighs.

keep provoking.

Sun Yi has a blushing face, blinking big eyes, and whispered: "Xiao Chenzi, before you go, I want to squeeze you out, lest you have the mood to find another woman these days."

Ye Chen lifted Sun Yi's \*\*\*\* up, and Sun Yi's slender thighs wrapped around Ye Chen's waist.

The two embraced and went directly to the sofa.

The two kissed naked.

.....

the next day.

Sun Yi left Tomson Yipin very early because of something with Tianzheng Group.

Anyway, the two will meet soon, and there is no need to say goodbye.

Ye Chen refined a talisman in the house, placed it on the table in the living room, and left a message for Sun Yi to take with him.

Sun Yi now has the secret protection of the dragon soul, but in Ye Chen's view, this is far from enough.

Although this kind of array talisman is a one-off, its explosive power is enough to kill a great master!

can barely protect Sun Yi.

When Ye Chen came downstairs, he found Xiao Deng was already waiting at the door.

"Mr. Ye, do you leave now?"

"Yes~[www.mtlnovel.com](http://www.mtlnovel.com)~ Jiangnan Province is not too far from Jiangcheng. It takes about an hour and a half to drive on the highway.

Ye Chen looked at the scenery outside the window, and really found that Jiangcheng and Jiangnan Province were too far apart.

"Mr. Ye, Dragon Soul has a base in Jiangnan Province. If you have time, I can show you." Xiao Deng said as he drove.

This was ordered by Lei Shuwei.

Ye Chen, as the chief instructor of Dragon Soul, always wanted him to feel a bit of belonging.

Ye Chen refused: "No, take me directly to the address I gave you."

"Yes, Mr. Ye."

An hour and a half later, the car stopped at a small villa near the center of Jiangnan Province.

is named Mingcui Villa.

Seen from the facade, it must be very valuable.

Xiao Deng swallowed too, his eyes a little hot.

In Dragon Soul, although the salary is not low, far more than some high-paid office workers, he can't afford such a villa for the rest of his life.

He looked at Ye Chen, without envy, only convinced.

After all, various Ye Chen legends have been circulating in the Dragon Soul during this time!

One person overturns the entire dragon soul!

How can the residence of this top powerhouse be poor?

Ye Chen entered his fingerprint at the door, and the door opened.

He walked in and took a look at the overall decoration. They were all light and luxurious, not bad.

It seems that Ye Lingtian has already prepared for himself, so he will make this trip to Jiangnan Province for himself.

Ye Chen just wanted to call Ye Lingtian when his cell phone rang.

What surprised him was that Wu Xiangming called.

After Xia Ruoxue's birthday party, he asked Wu Xiangming to return to Jiangnan Province, and he did not see it for many days.

Chapter 172: Make things difficult!

"Mr. Ye." The voice on the other end of the phone trembled.

"what happened?"

Wu Xiangming hesitated for a few seconds, and still said: "Mr. Ye, are you in Jiangcheng now? I don't know if I should tell you something."

"I'm in Jiangnan Province, just tell me something!"

Ye Chen's tone was a bit strong, Wu Xiangming's eyebrows shot into his blood, he was sure that everyone in the world betrayed him, and Wu Xiangming would not betray him.

The other party's tone, obviously something happened!

Wu Xiangming was slightly startled when he heard the three words Jiangnan Province, and then seriously said: "Mr. Ye, the Wu Family Patriarch wants to see you, you can choose not to see you, I can still hold it here."

Ye Chen Meiyu relieved.

On the birthday party that day, Wu Xiangming stood on his side, and even shot and killed the Qin family! As a result, the conflict between Qin and Wu in Jiangnan Province escalated.

The Qin family will inevitably attack the Wu family, and the first object of accountability of the Wu family is naturally Wu Xiangming!

It is estimated that this guy is under a lot of pressure these days.

I couldn't stand it anymore today, so I called him.

He may be Wu Xiangming's last straw.

This incident started because of him, and he had predicted that the Wu family would look for himself, so why not meet.

Wu family affairs, he can't avoid it.

He still doesn't believe it, the Wu family dare not eat him!

"Tell me the address, I'll come later." Ye Chen said lightly.

Wu Xiangming on the other end of the phone was startled, but persuaded Ye Chen to say, "Mr. Ye, you should think about it. My status in the Wu family is not low. They won't take me like that, but..."

Before he finished speaking, Ye Chen said: "Send the address to my phone, that's it."

The phone hung up.

Not long after, an address was sent on his cell phone.

.....

Twenty minutes later, by the Nanwu River, a Mercedes-Benz commercial vehicle stopped.

Xiao Deng glanced at the Chinese-style villa inside, and naturally knew that it was Wujia in Jiangnan Province.

"Mr. Ye, you just came to Jiangcheng and your foundation is not stable. Are you sure you want to go to Wujia?"

In the words, I was a little worried.

After all, after entering the Wu Family, the power of the Dragon Soul would not be able to intervene. If Ye Chen had any problems at that time, it would be in trouble.

I don't know if this is a blessing or a curse.

Ye Chen ignored Xiao Deng, put his hands behind him, and walked directly towards Wujia.

Two powerful men with terrifying aura stood outside the gate of Wu's house. They noticed Ye Chen with self-heating, their eyes condensed, and they said coldly, "Who!"

"Ye Chen."

Hearing Ye Chen spit out these two words, the two Wujia powerhouses took a deep breath! Even staring at the youth in front of me!

This young man is Ye Chen!

He even dared to come to Wujia!

During this period of time, the Qin family has just started fighting with the Wu family. If it weren't for the Wu family's background, maybe it would have been swallowed by the Qin family long ago!

Patriarch kept his face black all day because of this!

This guy is here now, is he looking for death?

The two of them have gathered energy, and they are obviously ready to do it!

At this moment, Wu Xiangming ran out and saw Ye Chen, very excited: "Mr. Ye."

That attitude, even the Patriarch is not qualified to enjoy it!

Wu Xiangming glanced at the two of them, and said: "Mr. Ye is the patron's distinguished guest, you two must not be rude!"

"Yes!"

The two of them instantly reduced their breath.

"Mr. Ye, come with me." Wu Xiangming said.

Not long after, Wu Xiangming took Ye Chen through the courtyard and headed towards the Wujia Hall.

"Mr. Ye, today the Wu family invited a big man to come over. After all, the conflict between the Qin family and the Wu family is intensifying. The family owner hopes to use the Jiangnan Provincial Budo Association to adjust the contradiction.

"The big figure from Jiangnan Province Budo Association has not arrived yet, so the Wu family shouldn't be too embarrassed for you today. Try to control your temper..."

Wu Xiangming confessed a lot. UU read [www.uukānshu.com](http://www.uukānshu.com) but Ye Chen didn't listen to a word.

He doesn't need to cringe in his life!

What is the Wu family in his eyes!

The door opened, and everyone was sitting in the Wujia Hall.

The atmosphere is a bit solemn.

Sitting on the top is Wu Qiyuan, the head of the Wu family! The other few should be important figures in the Wu family. Except for a young girl, the rest are old men.

The girl is Wu Xinlan, the daughter of Wu Qiyuan. She is extremely talented. She is a rare genius in the Wu family for a century. She entered the realm of grandmasters at a young age, and even entered the Chinese grandmaster list!

Wu Xinlan is also the only top genius in the Wu family.

When Ye Chen appeared in the lobby, countless cold eyes shot over!

The breath in the house is surging!

Ye Chen narrowed his eyes, glanced at the crowd, very calm.

Wu Xinlan also looked at Ye Chen interestingly, Meisou didn't have any hatred, but was somewhat interested in Ye Chen.

After all, if Wu Xiangming can set aside Wu Family's interests, this Ye Chen is definitely not a normal person.

"Are you Ye Chen?"

A few seconds later, Wu Qiyuan, the head of the Wu family, spoke with a hint of majesty in his voice.

Ye Chen didn't plan to answer at all.

Such an obvious thing, do you want to ask again? Have nothing to do when you are full?

An old man sitting next to        got upset, stood up, stretched out his hand, and pointed at Ye Chen and said: "Boy, are you deaf? Didn't you hear the Patriarch ask you!"

The old man who spoke was called Wu Cheng, Wu Qiyuan's younger brother, very strong, and ranked 324 on the China Grand Master!

Ye Chen glanced at Wu Cheng and sneered: "He asked me something, I must answer?"

Chapter 173: Wujia's attitude!

Ye Chen came to Wu's house and didn't intend to ask for any understanding in a low voice, nor did he plan to negotiate with Wu's house!

It is to release a signal, or give the Wu family a chance!

Chance to cling to yourself!

"Also, if you dare to point to me, your hand, I want it to Ye Chen!"

Ye Chen's cold voice fell.

Crazy!

Very crazy!

Who would have thought that Ye Chen would come to Wujia alone and dare to be so arrogant!

As soon as these words came out, the atmosphere of the entire Wu family changed!

Wu Cheng was full of anger. Just when he wanted to speak, Wu Xiangming came over and quickly pressed Wu Cheng's hand down.

"Lao Cheng, take a moment, Mr. Ye is just this temper. For the sake of my face, don't worry about it..."

Wu Xiangming knows Ye Chen's strength, and no one in the Wu family can stop a move from the power of the martial arts platform back then!

How can such a strong person be offended!

This time he brought Ye Chen here, hoping everyone can sit down and talk peacefully.

Who would have thought that the scene would be out of control before five seconds passed!

Wu Chengmeng shook off Wu Xiangming's hand and cursed: "Wu Xiangming, are you a \*\*\*\* member of the Wu family or this kid's dog! I'm so \*\*\*\* strange, you're also a member of the Wu family? Master, as for kneeling and licking a stinky boy like this? Give it back to Mr. Ye, bah!"

Wu Xiangming glanced at Ye Chen, his expression was a bit wrong, and he said seriously: "Wu Cheng, I am thinking about this for the Wu family! Also, if you insult Mr. Ye again, you will be sorry!"

Wu Cheng heard this as if he had eaten explosives, and said angrily: "Is it possible that you still want to do it! Do it for an outsider against the Wu family! Good! Very good! You have to do it, I will stay with you to the end!"

The atmosphere was suppressed to the extreme. At this moment, Wu Qiyuan, who was sitting on top, said: "Everyone shut up for me!"

An invisible pressure and strength swept over them, Wu Xiangming and Wu Cheng's expressions changed slightly, and they stopped talking.

Then, Wu Qiyuan looked at Ye Chen and said lightly: "Ye Chen, it's not a good thing for young people to be too crazy, maybe they will die someday."

"You also know about the Wu family and the Qin family. Although you don't know why Xiang Ming admires you so much, you can't escape this matter! You can admit it!"

There was a chill in his voice, which made people palpitate.

Not only that, but an extremely strong coercion rushed towards Ye Chen like a sea wave!

He Wu Qiyuan wants Ye Chen to surrender!

Only let this kid see the foundation of the Wu family, he will constrain!

Everyone naturally felt this terrifying coercion, and a smile appeared at the corner of his mouth.

The Wucheng eyes are even more gloomy. In his opinion, under this pressure, Ye Chen must kneel down!

Only because of Wu Qiyuan, the head of the Wu family, ranked 192nd on the Huaxia Grandmaster List! Only three places away from Tang Ao!

This kind of master's power, what qualifications do ordinary martial artists have to bear!

But something unexpected happened to everyone, Ye Chen did not retreat, nor did he kneel! It's a step!

Take a step against the coercion like a thousand feet!

One step down, Ye Chen's dantian real spirit burst out! The evil spirit of the whole body seemed to be condensed into a long sword, directly smashing into the rough sea!

tear everything abruptly with the force of destroying the dryness!

"Boom!"

The whole Wujia is shaking!

Countless teacups are broken!

Everyone's smiles suddenly solidified!

Seven or eight pairs of eyes stared at the young man in the middle of the field!

The young man with his hands behind his back and his breathless breath!

Those eyes are like cold stars, and he is proud, like a young man who can dominate the world!

Wujia Hall, extremely quiet, there is no breathing sound!

Who would have thought that the coercion of the Wu Family Patriarch was broken by this kid in one step!

One step!

Is this the legendary first person in Jiangcheng?

horrible!

Wu Xinlan opened her small mouth slightly, her beautiful eyes are full of confusion, and she never dreamed that this would be the result.

She is about the same age as Ye Chen, but if he can only endure it under the pressure of his father, how could he take the initiative?

When was Jiangcheng's strong man so terrifying?

After a long while, Wu Qiyuan reacted and said, "Ye Chen, I admit that you are good. This is probably your arrogant capital, but don't forget, you are just a person. In this matter, The two top families in Jiangcheng are involved!

With your strength alone, you simply cannot bear it! "

Ye Chen looked indifferent, glanced at Wu Qiyuan, and said loudly: "Wu Qiyuan, I came to Wu's house today, just to tell you one thing, Qin's affairs, I will solve it myself, if you are afraid of Qin Home, just leave it to my head!"

Hearing these words, everyone's newly calmed heart made waves again.

Ye Chen is so bold!

dare to call the name of the head of the Wu family!

How many people are qualified to do this in Jiangnan Province?

The key is that he is domineering to stop all responsibility!

He wants to solve the Qin family alone? Those who don't know are really fearless!

Wu Cheng beside        couldn't stand it anymore, and said angrily: "Ye Chen, who do you think you are? Do you solve it yourself? What do you do to solve it! If you fight against the Qin family, it is undoubtedly the worm shaking the tree!

Even if the Qin family kills you, what will happen, in the end will still anger our Wu family! "

Wu Qiyuan, who was sitting at the top, looked a little green. He also slapped the table and said:

"Ye Chen, we don't know where your confidence comes from! Even if you are the first person in Jiangcheng! Even if you kill Yuan Jingfu at the martial arts platform! Even if you break my pressure! So what!

The place where you are stepping on now~[www.mtlnovel.com](http://www.mtlnovel.com)~ is not Jiangcheng, it is Jiangnan Province!

Don't think that the warriors all over the world are the \*\*\*\* you encountered in Jiangcheng!

Jiangnan Province is the beginning of the martial arts world! And you, in front of many powerful people, are just an ant, and others can destroy you with the palm of your hand!

So, put away your arrogance! Put away your ignorance! Then take Wu Xiangming, a traitor from the Wu family, and get out of my Wu family! "

After speaking, Wu Qiyuan's eyes shot at Wu Xiangming and said: "Wu Xiangming, this is something you provoke, and you are responsible for it! My Wujia misses your contributions for many years and will not kill you! But from now on, you will not From the Wu family again! Just be Ye Chen's dog! Don't give it away!"

This is the decision of Wu Qiyuan, the head of the Wu family!

is also Wujia's attitude towards this matter!

expel Wu Xiangming!

Let Wu Xiangming and Ye Chen bear the anger of the Qin family by themselves!

At this moment, Wu Xiangming's face is pale, he knew it would end this way.

After all, this time the matter is too big!

When the Qin family came back from Mount Emei, their strength soared, and Jiangnan Province is estimated to be completely changed.

And the Wu family and his relationship with him are undoubtedly self-help!

But is this really helping yourself?

Wu Xiangming glanced at the arrogant young man in the distance, and remembered the horror scene of the martial arts platform.

If the Wu family missed Ye Chen, it was tantamount to missing the opportunity to set foot on the top of China!

This young man is a dragon!

Breaking into Jiangnan Province will surely set off a \*\*\*\* storm!

Waiting for him to reach the peak, the Wu family can only look up and regret!

This is the worst move Wujia has played in so many years!

Chapter 174: Strong attitude!

Wu Xiangming raised his head, his eyes fell on Wu Qiyuan, the head of the Wu family, and he sighed deeply.

A few seconds later, he clenched his fist slightly, made up his mind, and said to Wu Qiyuan: "Since I am no longer the Wu family, I still have a few words to say."

"The biggest reason for the Wu family from its original prosperity to its current decline is actually the Patriarch. You are not sure of the countless opportunities to soar into the sky."

"Also, I may be Mr. Ye's dog now, but in the future, I'm sure that your Wu family will definitely beg my dog to come back!"

Wu Xiangming certainly used words to belittle himself.

But this is the truest thought in his heart!

At this moment, he is extremely aggrieved!

Because he was the first person to be expelled from the Wu family in a thousand years!

He is destined to become a joke in the martial arts world of Jiangnan Province!

But, he does not regret following Ye Chen!

do not regret leaving Wujia!

He wants to use his remaining life to gamble on Ye Chen's future!

He will use time to draw the faces of these narrow-minded people!

This bet is absolutely impossible for him to lose!

Hearing Wu Xiangming's words, all the Wu family laughed, laughing very loudly.

Only Wu Xinlan didn't. Her beautiful eyes looked at Ye Chen seriously.

The situation has developed in this way, but she can't see any inferiority, fear, or pretentiousness from Ye Chen, but in him, Wu Xinlan feels a sense of being above all things, overlooking all beings.

This kind of spirit has only appeared in her master.

Is this Ye Chen really not that simple?

Wu Cheng, who was beside her, laughed loudest, and pointed to Wu Xiangming's nose and said: "Wu Xiangming, I think you are getting back alive and alive. Even if China is destroyed, my Wu family will not ask you to come back. !"

"get out!"

Ye Chen glanced at Wu Xiangming and shook his head helplessly.

then turned around and said: "Let's go."

When he came to Wujia, he didn't intend to be so arrogant.

Originally because of Wu Xiangming, he still wanted to help the Wu family.

From now on, it seems that they are all engaged directly.

However, he Ye Chen is not rare for the shelter of Wu Family.

"Yes, Mr. Ye." Wu Xiangming nodded and followed Ye Chen.

At this moment, a hearty voice came from outside: "Patriarch Wu, there has been some delay on the road, I am really sorry!"

Hearing this voice, Wu Qiyuan's face was happy! He stood up quickly and greeted him at the door.

The guest he invited has finally arrived!

Although Wu Xiangming has been expelled from the Wu family, the conflict between the Qin family and the Wu family still exists.

Right now, a force is needed to stand up for peace.

In Jiangnan Province, what forces are most qualified to join forces?

Naturally, Jiangnan Budo Association!

Besides, someone from the Qin family is in the Jiangnan Budo Association!

President Tang Ao, naturally he can't invite him with his qualifications, but a vice president is still qualified to invite him.

The Wu family invited Ma Weiqi, the vice chairman.

Although his strength is weaker than him, people have the right to speak!

In the whole Jiangnan Province Budo Association, if he wants to be ranked second, he will definitely rank in the top six!

Soon an old man with gray hair appeared in everyone's sight.

is Ma Weiqi!

"Haha, Mr. Ma, looking forward to the stars and the moon, you are finally here."

Wu Qiyuan smiled and stretched out his hand.

According to the script, the two will shake hands enthusiastically before going to the lobby to discuss matters.

But when Ma Weiqi appeared at the door, he was shocked.

The whole person is even more petrified.

Even Wu Qiyuan's hand stretched out was ignored.

His eyes stared at Ye Chen who was about to leave!

Lips trembled slightly, and there was a touch of uneasy fear in his pupils.

Wu Qiyuan felt something was wrong, and awkwardly withdrew his hand. Just about to speak, Ma Weiqi moved.

Three steps and two steps came to a young man!

bowed slightly, and uttered a few words respectfully: "Mr. Ye, why are you here?"

"boom!"

This scene is like a heavy hammer on the chests of all the Wu family members!

Mr. Ye?

Actually call Ye Chen as Mr. Ye in the identity of Ma Weiqi?

still such a respectful tone!

The key is that Ye Chen beheaded Yuan Jingfu at Jiangcheng Budo Station. It is logical to say that he should completely offend the Jiangnan Provincial Budo Association!

How could anyone still call him Mr. Ye!

This is really weird.

At this moment, the entire Wu family fell into a deathly silence.

Wu Qiyuan's eyes widened, completely unbelievable.

Wu Cheng swallowed, rubbing his eyes vigorously, for fear of an illusion.

Everyone in the Wu family is like a sculpture, stupidly in place!

Even Wu Xiangming is confused.

Only Ye Chen was sober, he was only slightly surprised.

Before in Jiangcheng, he killed Cui Zhen and Su Yuanxiu, leaving only Ma Weiqi to deal with Tang Ao to delay time.

But I didn't expect that he would bump into Ma Weiqi here.

The key point is that the opponent's eyebrows were shot with a drop of blood. How dare you be disrespectful to yourself?

Even if Tang Ao is here, he must respectfully address him as Mr. Ye.

Because only one thought of him is enough to destroy Ma Weiqi!

Ye Chen ignored Ma Weiqi and left Wujia directly!

As if treating Ma Weiqi as air!

very disdain!

How many forces in Jiangnan Province want to curry favor with Mr. Ma of the Jiangnan Budo Association, but this kid actually has this attitude?

The key Ma Weiqi has never had a temper at all!

After waiting for Ye Chen and the others to leave for a few seconds, Ma Weiqi reacted~[www.mtnovel.com](http://www.mtnovel.com)~ and asked, "What is Mr. Ye doing in your Wujia?"

Mr. Ye again!

If it is a slip of the tongue once, then the second time is a solid truth.

Wu Qiyuan's face turned weird, and he could only say: "No...nothing."

Ma Weiqi narrowed his eyes, as if thinking of something, but without breaking, he walked directly towards the hall.

Wu Qiyuan looked at Ma Weiqi's back, lost in thought.

Could it be that Ye Chen really has any means to fail?

Mr. Ye?

In the martial arts world, there can only be two kinds of people who are called Mr., one is the top person in a certain aspect!

The other is someone who is strong enough to convince people!

"It seems that Ye Chen's information needs to be investigated..."

Wu Qiyuan murmured.

.....

Mercedes-Benz.

Ye Chen looked at Wu Xiangming interestingly and asked, "Now that you have left the Wu family, what are your plans for the future?"

"I am free now, everything depends on Mr. Ye." Wu Xiangming said seriously.

"Okay." Ye Chen nodded, "You will follow me from now on and listen to my orders!"

After speaking, Ye Chen took out ten pills and a small notebook and handed them to Wu Xiangming.

"Since you chose me without hesitation, I will naturally let the Wu family fail to climb up to you!"

"First, you take one of these ten pills every three days, and your cultivation speed will be at least three times faster!"

"Second, this Fajue should be a gift from me. From now on, you will throw away all the junk martial arts in your mind and practice this judging!"

"Third, I promise you that within a month, the Wu family will put down their figure and beg for your protection!"

Chapter 175: The Qin family threatened!

Wu Xiangming looked at the pill in Ye Chen's hand, and his body trembled.

These are ten pills!

Practice three times faster!

Putting this thing on the auction floor is definitely a priceless treasure!

But Ye Chen gave it to him without hesitation.

His gaze slowly moved down, and then landed on the small notebook again.

is written with a few words like a knife-"Shen Yan Jue"

Although I don't know how this mentality is, Ye Chen's words are very clear.

The Wu family's exercises are \*\*\*\* martial arts!

What is really awesome is the content on that little book!

At this moment, his eyes are a little red, which is a sense of belonging!

He was implanted with essence and blood by Ye Chen. He was a slave himself, and he had to listen to any words.

Raid: Shadow Legends! Play Now!

But Ye Chen never regarded him as a slave!

Compared to Wujia, he is not like a dog by Ye Chen's side, but like a living person!

A person with an independent personality!

He took the pill and the exercises, clenched his fists slightly, and said every word: "From now on, my Wu Xiangming's life is Mr. Ye's!"

Ye Chen did not speak, but closed his eyes.

He knows very well that Wu Xiangming's foundation and talent are very good, and he now needs to train several masters around him.

Wu Xiangming is the best candidate.

That's why he gave him the pill and "Shen Yan Jue".

Also, he has sent someone to send the Baicao Ding to Jiangnan Province, so the pill may be invaluable to others, but it is like candy to him.

As for "Shen Yan Jue", this is just an influential exercise of Kunlun Xu. It can be placed in Huaxia or Jiangnan Province. It is definitely the top exercise!

is enough to make Wu Xiangming's strength soar!

Right now, he at least wants Wu Xiangming's strength to surpass Wu Qiyuan!

This is also a guarantee for the people around him.

Although the Nanjiang King is strong and powerful, it is Ye Chen's power in the dark after all.

must be hidden.

Once exposed, it must be when Ye Chen trembles the entire Jiangnan Province!

.....

The First Hospital of Jiangnan Province.

VIP ward.

Xia Ruoxue looked at her grandmother who was extremely pale in front of her, and did not sleep all night.

Grandma's body was still very tough on the birthday party.

A full physical examination is performed almost every week, and there is no problem with all the index data. How can it suddenly fall?

The key doctor can't tell the cause, so he can only observe by infusion.

Her eyes were swollen and she cried all night. After all, she was brought up by her grandparents since she was a child.

Grandpa's death was a big blow to her, and her grandma is also unconscious, which is undoubtedly a bolt from the blue.

At this moment, Xia Mu came in and said concerned: "Ruoxue, you have stayed all night, go home and rest first. I'll take care of it here."

Her face is full of guilt.

If the old man was not taken back to the villa, then Master Qin would not be cruel.

For a moment, she didn't even want Xia Ruoxue to marry that Qin Zhengyang!

This kind of insidious and cunning generation will only ruin Xia Ruxue's happiness!

But does she have the right to choose? The Xia family couldn't provoke the Qin family at all.

Although the Xia family is a big family in Jiangnan Province, but compared with the martial arts family Qin family, it is far behind.

Sometimes she even wondered if Ye Chen had a top family standing behind her.

That way, she can contend with the Qin family, and she will give Ruoxue to him without hesitation.

But things backfired. Even though Ye Chen is very good, his life experience is still too humble.

This kind of person is not qualified to be compared with Qin Zhengyang.

Xia Ruoxue glanced at her mother behind her, and asked, "Mom, why did grandma suddenly become like this? The more I think about it, the more weird it becomes. Why can't the hospital find out the cause?"

Mother Xia's face was a little flustered, and she stubbornly said: "I...I don't know very well, so I suddenly fainted. After all, your grandmother is too old."

Of course she did not dare to say what Qin Zhengyang did, otherwise, with Ruoxue's stubborn character, she would definitely go to the other party to settle accounts!

Then things will be out of hand.

Xia Ruoxue glanced at Mother Xia suspiciously. She knew very well that her mother must have something to hide from her, otherwise it would not be the attitude.

Is it possible that the grandmother's coma has another reason?

Stayed in the hospital for a few more hours, Xia Ruoxue's exhaustion continued to hit, after all, from yesterday to now, she has not rested yet.

Grandma cannot wake up in a short time, she can only ask the driver to send her back to Xia's house.

Rest for a few hours before returning to the hospital to guard grandma.

Summer House Villa.

Xia Ruoxue dragged her tired body back home, took a sip of water, and just about to go upstairs, a cold voice sounded.

"You finally came back."

Xia Ruoxue stunned, her neck stiffened and turned to one direction, only to see an evil young man in casual clothes standing not far away!

When she saw this person, her face turned pale inexplicably!

Qin's third master, Qin Zhengyang!

Xia Ruoxue reacted and subconsciously wanted to go upstairs, only to find a strange force restraining her.

She can't move!

Qin Zhengyang walked step by step, and when he walked in front of Xia Ruoxue, he stopped.

"Why do you want to run when you see me, am I so scary?"

Xia Ruoxue's eyes were filled with a trace of fear, and she shook her head:  
"No...no~[www.mtlnovel.com](http://www.mtlnovel.com)~ Qin Zhengyang sneered, and the next second, he directly stretched out his hand and grabbed Xia Ruoxue's neck, and lifted it slightly.

Xia Ruoxue's body was suspended instantly, and a feeling of suffocation came.

Fortunately, Qin Zhengyang quickly let go and put Xia Ruoxue down.

"You are my fiancée, how can I do it?"

Xia Ruoxue covered her neck and coughed a few times. Her angry eyes stared at Qin Zhengyang and said, "This is the Xia family, what are you going to do!"

"You are my fiancée of Qin Zhengyang! Don't I even have the right to take a look! If it weren't for my practice, you might have become my slave!"

Xia Ruoxue was startled and did not continue to speak.

Qin Zhengyang snorted coldly and turned his back: "The Xia family? What's in the eyes of the Qin family! This time I come, just want to remind you three things. First, during this time, you'd better not take a half step out of Jiangnan Province, if you take one step, you and the people around you will be separated from each other forever!"

Threat!

Naked threat!

Xia Ruoxue's eyes were full of anger. Just about to speak, Qin Zhengyang continued: "Secondly, the wedding date that was originally scheduled for five months will be invalidated. I am impatient. This time I will go to Kunlun Mountain to find someone. When I come back, it must be the day you pass the door!"

"Third, that little \*\*\*\* named Ye Chen in Jiangcheng, who moved my Qin family, he will not survive for three days!"

After finishing speaking, Qin Zhengyang stepped on his feet, swept away with an extremely strong energy, and directly slammed Xia Ruoxue's delicate body against the wall.

Xia Ruoxue only felt a burning pain in her back.

"Xia Ruoxue, you'd better not play tricks on me. If I come back and find that you have done anything that makes me unsatisfied, your Xia family will wait to disappear from Jiangnan Province!"

Chapter 176: Unexpected visitor!

When Xia Ruoxue reacts, there is no shadow of Qin Zhengyang in the living room!

Her beautiful eyes stared at the open window, her slender fingers clenched tightly, biting her teeth, and said every word: "Qin Zhengyang, even if I die, I won't be your woman!"

.....

Ye Chen returned to Mingcui Villa.

He asked Wu Xiangming to find a three-bedroom apartment near the villa to live in first.

During this period of time, he wanted Wu Xiangming to practice that exercise to a great extent!

and surpassed Wu Qiyuan in two months!

If you can't do it, you are not qualified to follow him.

Although Wu Xiangming felt a little impractical, he gritted his teeth and agreed when he thought of the top-level exercises and pill.

With his current strength, he is indeed not qualified to stay with Ye Chen!

Ye Chen always felt that the villa was empty, and it was a bit deserted without two women.

Fortunately, Sun Yi came to Jiangnan Province in a few days.

As for Xia Ruoxue, Jiangnan Province itself is her territory, she wants to come, naturally easier.

So, he called Xia Ruoxue, and planned to ask about his grandmother's condition.

With his medical skills, wanting to treat Xia Ruoxue's grandmother is naturally simple.

But I don't know why, Xia Ruoxue's mobile phone has not been answered.

Ye Chen frowned and stopped thinking about it. He planned to call again later. If he doesn't pick up again, he will visit the Xia family himself.

Then, he took out the black stone, closed his eyes, and continued to practice.

The practice of the past few days has allowed him to step from the first level of the aerodynamic realm to the second level, and strive to break through the third level in a few days.

It is estimated that when the third floor is reached, the second stone stele should be able to be completely moved.

don't know, which power will be this time.

The black stone was suspended above Ye Chen's head, and the terrifying aura was released!

have poured into Ye Chen's Dantian!

A strong sense of fullness swept over, and Ye Chen's cultivation level gradually rose!

Since the black stone deprived of the power of that mysterious jade pendant, for Ye Chen, the speed of cultivation has become faster!

even far surpasses Kunlun Xu!

I practiced for six full hours. It was late at night when a sudden doorbell rang, Ye Chen opened his eyes, and a ray of light flashed.

He slowly exhaled a foul breath and got up to open the door.

He just moved to the villa, and now it's big night, why does someone ring the doorbell?

This place is only known to Nanjiang King Ye Lingtian and Dragon Soul Xiao Deng.

He has let Xiao Deng leave, so naturally it cannot be Xiao Deng.

Besides, these two people will definitely call in advance if they find themselves.

With doubts, Ye Chen directly opened the door, a black shadow rushed in, and then the door closed suddenly.

Ye Chen's complexion changed, and there were people who dared to enter his residence privately!

Looking for death!

Infuriating energy was swept in his hand, and he grabbed the shadow with one claw!

Just when the five fingers were about to clasp the black shadow, the black shadow fell directly to the ground.

Ok?

He didn't even touch him, so he fell?

Touch porcelain?

Ye Chen's eyebrows flashed with a trace of doubt, and he retracted his hand, glanced casually, and was surprised to find that it was a masked woman.

The key woman was also seriously injured.

Ye Chen snorted, grabbed the woman on the ground, opened the door, and planned to throw it out!

He is not a refugee camp here, so naturally he won't take in such a woman of unknown origin!

Just as he was about to throw it out, the injured woman opened her eyes and grabbed Ye Chen's arm with one hand.

"Please, just let me stay for a while, those people are coming soon."

Ye Chen looked indifferent, and refused: "Impossible."

then directly threw the woman out, and even commanded: "If you dare to take another step, I promise you don't even have the right to live."

It's not that Ye Chen is indifferent. Ye Lingtian told him that the situation in Jiangnan Province has been very turbulent recently~[www.mtnovel.com](http://www.mtnovel.com)~ There are many hidden forces that have been revealed.

This woman appeared in his villa in the middle of the night. Although the other party was seriously injured, she had too many doubts.

Once taken in, the subsequent troubles are simply unpredictable!

In this society, kindness is not wrong! But many people die of kindness, and this sentence is not wrong!

Just as Ye Chen was about to close the door, a pair of slender hands stretched in!

The key to the opponent's palm actually has a pill!

The rank is extraordinary.

"Use this pill for you! Just stay one night!"

The woman's voice sounded.

She can feel the extreme weight of her wound, and her consciousness is also a little groggy!

may pass out at any time!

She has no choice!

As for why so many villas have chosen this place, it is entirely because she perceives an extremely strong breakthrough breath in this villa!

must be an ancient warrior! And the strength is not weak!

The owner of the villa must be an extremely noble existence in Jiangnan Province!

As long as she hides inside, no one dares to search!

This is her only chance!

But who could have imagined that this man is so incomprehensible!

The key attitude is extremely tough!

In desperation, she could only take out the pill, hoping that the other side would take the pill for the whole night.

No ancient warrior can refuse the temptation of this medicine.

Just as she swore, a cold voice sounded: "I'm not interested in pill! Also, if you don't let go, you will regret it."

The woman's face changed, her beautiful eyes were confused!

This guy is not even interested in pills?

What a joke!

Chapter 177: Identity!

The woman glanced behind her, there were already some footsteps and engine noises, and it was obvious that the group was coming!

She can't take care of everything, so she drew a broken sword engraved with simple patterns from her waist and handed it up.

"I use this sword to change your shelter, how about it!"

Ye Chen just wanted to close the door, when he saw the sword in the woman's hand, his eyes shrank slightly.

Spirit sword!

Although it is cut off, the rank is definitely not low!

The key is that he has a way to fix it!

A message left by Luo Yuntian, the evil fist sect, there is the method of breaking the sword and recasting!

The Soul Crusher is the only weapon he has seen in China at present, but it is not the most suitable!

And the spirit sword in front of him is too important to Ye Chen!

is even worth his risk to save another person!

No longer hesitate, Ye Chen swept in a real spirit, holding the broken sword in his palm, then he violently grabbed the girl outside the door and threw it directly onto the sofa.

"Boom!"

The door closed and everything returned to silence.

As if nothing happened!

In the house.

The girl exhaled, her chest rising and falling.

is temporarily safe.

Now it's up to the man to see if he can block the group of people.

Ye Chen's eyes fell on the masked woman's body, and he found that the other party's body was very bloody, and there was some strength on his body, and he was injured again.

It was preliminarily concluded that the other party should have killed someone, and his status should not be low.

"Take off your mask and let me see your face." Ye Chen sat on the sofa and said lightly.

'S tone was plain, but there was no doubt about it.

The black-clothed woman snorted coldly: "Why! I have already given you the sword, this is a fair deal!"

"Noisy!"

Ye Chen waved his arm gently, and in the next second, the thing on the girl's face completely disappeared, revealing a beautiful face.

The woman's long hair curled up suddenly fell, her black hair like ink fell straight down her waist, and her eyebrows and green eyebrows had a pair of thick and long eyelashes, and her nose was tall and narrow with a hint of indifference.

She bit her lip with almost no trace of blood, and Xue Xue's face appeared pale.

has an ethereal and arrogant temperament.

I have to say that the other party is a beauty, and it can even be said that compared with Xia Ruoxue, each has its own merits.

What surprised Ye Chen the most was that there was a blooming red plum mark on the other's eyebrows!

is like an Aoxue red plum, instantly eclipsing everything around him.

In China, there should be very few people with such a mark on the eyebrows, after all, this is the 21st century.

The woman glared at Ye Chen, obviously a little angry.

But she is very clear that with her current strength, she has no right to speak at all.

At this moment, there were rapid footsteps in the villa area, and the doors of surrounding villas were knocked hard by those people.

The woman looked a little flustered, looked around, and said to Ye Chen: "Where is there a place for Tibetans in your place? They will definitely come in and search for it later! Take me to hide!"

Ye Chen's eyes were very calm, and he took a sip of tea, and said lightly: "You are sitting on the sofa, they dare not come in."

The woman was startled, listening to the closer and closer footsteps, she quickly said: "But the strength of those people..."

Before he finished speaking, there was a heavy knock on the door.

There was even a hostile voice outside!

"Open the door!"

"Open the door to me!"

The woman's face was pale to the extreme, biting her red lips, staring at Ye Chen firmly.

seems to be saying, see what you do!

Ye Chen calmly put down the tea cup in his hand, stood up, and walked directly toward the door.

The door opened, and Ye Chen disappeared in the house.

Outside the door.

Ye Chen looked at the five or six men with ugly faces in front of him.

There is a good breath in these men, probably in the half-step transformation state, and one of them is even the master state.

He glanced around, there were people searching several villas, and the breath was almost the same.

It seems that the person who killed the woman in the house should be a strong man in the martial arts family, otherwise it would not attract so many strong men to investigate.

"Boy, have you seen a woman with a mask?"

The middle-aged man in the realm of the grandmaster opened his mouth, his voice was very impatient.

Ye Chen shook his head: "No."

"Since there isn't, then you get out of the way and we can go in and search for it! It won't take you too much time."

The other half-step-turned-inch man also spoke, his tone was strong and arrogant.

After speaking, he stretched out his hand, planning to open the door.

But soon he grabbed his wrist with one hand, no matter how hard a man with a small head, he couldn't get away!

"My house, how can \*\*\*\* like you step into it!"

Ye Chen's voice resounded in all ears, extremely cold.

The man with a short head obviously didn't expect the other person to have this attitude, and cursed: "What the \*\*\*\* are you, do you know..."

hadn't finished speaking, "click!" With a sound, his arm was twisted abruptly!

Then, Ye Chen kicked out and kicked the opponent directly.

The opponent flew directly five meters away! Smashed heavily to the ground! Spit out a mouthful of blood!

"This place is a realm, whoever dares to step in, kill him!"

"I don't want to say it a second time."

Ye Chen took a step and glanced at everyone coldly!

At this moment, the others dare not breathe.

Ye Chen's words, there is no concealment!

makes people feel the boundless majesty and domineering.

The middle-aged man knew that he had encountered a hard stubble~www.mtlnovel.com~ his tone eased a little, and he said to Ye Chen: "Little brother, we are from the Xu family in Jiangnan Province. The owner of the family was killed by a woman tonight. The woman disappeared when we arrived in this villa area. Naturally, we have to conduct door-to-door inspections. If we can't catch the woman, we will not have a good relationship. Please be considerate."

I thought that when I talked about the Xu family in Jiangnan Province, the other party might show some face, but I didn't expect Ye Chen to stay still. He even took out a document from his pocket and shot it out!

The middle-aged man was startled, and quickly reached out his hand to catch the certificate, but the next second, on top of the certificate, a strong wave of air surged, and his body took a step back unconsciously, his blood surged, as if The internal organs have been hit!

After finally stabilizing his figure, he opened the certificate in his hand, his eyes widened!

Because there are a few words written on it-the rank of Major General Ye Chen!

The seal is directly China's highest authority!

Although they are strong in the Jiangnan Xu family, in front of a major general, they dare not offend at all!

A Chinese major must have the military standing behind him! Stand the armed forces of the entire China!

More importantly, this young man in front of him was so young that he was awarded the rank of major general!

How terrible is the background behind !

Who dares to search his villa!

is just looking for death!

The middle-aged man set off a stormy sea in his heart, and hurriedly put away the certificate carefully, and handed it to Ye Chen with both hands, apologizing: "This chief, I'm really sorry, I'm sorry to disturb you..."

"Get off." Ye Chen only spit out one word.

"Yes Yes Yes."

The middle-aged man arched his waist, winked at everyone, and then disappeared at the door of the villa.

Chapter 178: Who is this man!

After everyone left, Ye Chen put the certificate in his pocket and walked towards the house.

Originally thought that the certificate Lei Shuwei gave him was useless, but he didn't expect to save a lot of trouble at the critical moment.

It seems that the national power is still very strong.

Ye Chen came to the house and saw the pale woman again.

The opponent's breath is already a bit weak.

I don't know how this guy got here all the way.

Although the woman was weak, her beautiful eyes stared at Ye Chen, full of curiosity.

She naturally heard the conversation outside.

These powerful Xu family are so jealous of this young man, is it possible that this person has a lot of origin?

The key is that this young man is only in his twenties.

She has almost all the information and photos of all young talents in Jiangnan Province and even Beijing.

There is no such young man!

Is there anything left?

Just when she was puzzled, Ye Chen had already arrived in front of the woman and said lightly: "What is your name?"

The woman was startled, her eyes had a hint of hostility. Just when she wanted to make up one, Ye Chen said in a casual way: "I said my real name."

After hesitating for a few seconds, the woman still said honestly: "Lu Hanshuang."

"Okay." Ye Chen nodded, and then said astonishingly, "Lu Hanshuang, take your clothes off."

As soon as this words came out, Lu Hanshuang's beautiful eyes flashed with anger, and he subconsciously pulled out a short knife, carrying bursts of energy towards Ye Chen!

"Looking for death!"

How could her Lu Hanshuang be defiled by such a person!

But the short knife hadn't fallen, she was clasped by Ye Chen's wrist, and then Ye Chen flicked the short knife fiercely, and the short knife flew out and hit the wall directly.

Immediately afterwards, Ye Chen's undoubted voice sounded: "For the sake of your sword, I won't kill you. But you figure out that your body injury has already damaged your internal organs. If you don't treat it again, you will undoubtedly die! "

"I don't want your corpse to defile my villa!"

Hearing such indifferent words, the killing intent in Lu Hanshuang's eyes stopped.

Because she can feel how much her body hurts!

Just now in the Xu family, she dealt with ten strong Xu family alone, even though she killed seven, she was still seriously injured!

Not only that, she also hit a poisonous arrow on the lower part of her chest!

If it weren't for her high cultivation level, most people would have died of poisoning long ago!

At this moment, a strong convulsive intention erupted in her internal organs!

Very painful.

Even if she has a pill, she can't survive tomorrow!

"Can you really save me? You can heal?" Lu Hanshuang said with a trembling voice.

She knew very well that the youth in front of her was her only life-saving straw.

Ye Chen stood up and stared at Lu Hanshuang interestingly, without speaking.

His strongest is not martial arts, but medical skills!

Lu Hanshuang could see the extremely powerful confidence in Ye Chen's eyes. She bit her lip, no longer hesitating, and directly unbuttoned her clothes.

The snow-white and plump pride was exposed in Ye Chen's sight.

Then, Lu Hanshuang stretched his hand to his back again, and silently released the last restraint.

A pair of white rabbits jumped out instantly.

But Ye Chen's eyes didn't fluctuate at all, but stared at a wound that started to darken.

Lu Hanshuang is a little shy, her sensitive parts have never been exposed to any man.

I don't know why, but at this moment, I feel a different kind of feeling in my heart.

"If you can cure me, my Lu Hanshuang owes you three favors."

Ye Chen ignored Lu Hanshuang and fetched some herbs and silver needles from the second floor. After that, a trace of real energy condensed from his \*\*\*\* and directly hit the injured part of Lu Hanshuang.

In an instant, black blood was forced out.

When the black blood was completely forced out, Ye Chen pinched a dozen silver needles and shot out!

accurately inserted into Lu Hanshuang's various points.

Yinzhen kept trembling, and Lu Hanshuang only felt an electric current flow through his body.

Ye Chen crushed the medicinal materials again, forced the juice out, and dripped it on Lu Hanshuang's wound.

Because of his sensitive position, his fingers always touch Lu Hanshuang's soft chest inadvertently.

This made Lu Hanshuang's white face climb into a touch of red.

Her legs were subconsciously clamped, and she felt a touch of comfort that she had never had before.

"Hmm~"

She even yelled out subconsciously, and the moment she made the sound, she quickly covered her mouth.

Ye Chen shook his head helplessly, took out an elixir, and threw it over: "Take her, then rest for the night, and leave the villa tomorrow morning. You and I owe nothing to each other."

turned around and left after speaking.

As a man, of course he wants to take a few more glances. The key point is that Lu Hanshuang's chest shape is very good, but the voice of the other party has already given him a hint of physical reaction.

If you don't leave, he may be embarrassed.

Only Lu Hanshuang, who was bare-chested, remained in the living room, her star-like eyes stared at the pill in her hand.

She finally understood why the opponent's eyes were so disdainful when she handed out the pill at the door just now.

Because the pill that this man possesses is much higher than his own, whether it is grade or pill pattern!

More importantly, this pill is actually fresh!

just a few days after refining!

No one knows how shocked Lu Hanshuang is at this moment!

Who is the man who lives in this villa?

Terrifying martial arts forces!

The flesh and bones of the dead!

The identity that made the Xu family in Jiangnan province fearful!

plus the extremely precious pill in her hands!

When did Jiangnan Province have such a character?

.....

The next day, Ye Chen opened his eyes from the practice, and slowly exhaled a turbid breath.

He came downstairs and glanced at the living room, and found that Lu Hanshuang was nowhere to be seen~[www.mtlnovel.com](http://www.mtlnovel.com)~ but there was a note on the table, and he glanced at the content on the note.

"The three favors I owe you, Lu Hanshuang, will pay you back."

Gone.

Ye Chen didn't take it seriously, instead he took out the broken sword.

As soon as the broken sword was released, a strong aura spread to the surroundings. He held it in the palm of his hand and waved it lightly.

A fierce sword intent shot out!

"Boom!"

The set of tables worth tens of thousands collapsed.

"A broken sword can have such power. If it is recast, it will be extremely terrifying. Yesterday's deal will not lose.

Since you are destined, let me ask you to cut the dragon sword! I hope it won't be long before I can use you to kill the Dragon Lord in the capital! "

Ye Chen's eyes showed a touch of coldness.

A few seconds later, Ye Chen's cell phone rang.

He glanced at the caller ID, it was Xia Ruoxue.

He put away the Dragon Slashing Sword and directly pressed the answer button.

"Ruoxue, why couldn't I call you yesterday, I just arrived in Jiangnan Province, should you do your best as a landlord?"

Ye Chen thought that Xia Ruoxue would readily agree, but he didn't expect that the other party's tone trembled.

seems to be afraid of something.

"Ye Chen, you... why did you come to Jiangnan Province! You shouldn't come!... No matter what happens, don't go out these days! Promise me not to go out, OK?"

Ye Chen condensed his eyes and felt something was wrong: "Is someone threatening you?"

"No...no..." Xia Ruoxue on the other end of the phone was very wrong.

"I will come to Xia's house in half an hour."

After Ye Chen finished speaking, the phone hung up.

## Chapter 179: Jiangnan summer house!

Ye Chen put on a jacket, and just about to call Xiao Deng to pick him up, there was another knock on the door.

Lu Hanshuang?

This was Ye Chen's first reaction.

He opened the door, but saw a burly man with a peaked cap.

"Hall Master."

There was a low voice from the man.

is obviously Nanjiang King Ye Lingtian.

Ye Chen quickly invited Ye Lingtian over, and said in surprise: "Why are you here?"

Ye Lingtian took off his hat and said respectfully: "The subordinates should have come to see the Lord yesterday, but they were delayed because of some things."

"I didn't mean that. I asked you what did you come to do with me today? Did something happen?" Ye Chen said, "You are my hidden strength in the dark. It is better for us to rarely see anything. You can use the phone for anything. "

Check out this new online game!

Ye Lingtian nodded, and continued: "Subordinates understand! But after all, Jiangnan Province is the territory of subordinate Ye Lingtian. The lord is here, so I will naturally do my best to be a landlord."

"Also ask the Lord of the Palace to follow me to the Qianlong Building. Brothers all want to see the Lord!"

Ye Chen just came across. Although he became the Lord of the Palace inexplicably, the power and prestige of King Nanjiang in Jiangnan Province are all useful to him.

He is actually very curious about Ye Lingtian and the strength of the power behind him.

According to the time to get along, Ye Chen knew that Ye Lingtian's strongest power had not yet been revealed!

I don't know any power or family!

They are like dormant behemoths. Once they erupt, they will inevitably tremble the entire Jiangnan Province.

Ye Chen narrowed his eyes, and promised: "Okay, I need to go to Xia's house now, and I will naturally come to your Qianlong Building after I go."

Ye Lingtian was overjoyed, and quickly said, "Thank you, the lord of the palace!"

"Yeah." Ye Chen nodded, suddenly thinking of something, and asked, "Is there any news about the Beijing Dragon Lord who asked you to investigate?"

Ye Lingtian shook his head: "After all, it is difficult for the subordinate's power to infiltrate the capital. Six powerful men were sent to the capital to investigate Long Ye, but none of them came back alive."

"The subordinates are unfavorable, please also the Lord to punish!"

"The subordinates are willing to set off to the capital tomorrow in person to investigate this dragon!"

Ye Chen fell into deep thought. It seemed that Lord Long and Jingcheng were not as simple as they thought.

The clues are all broken.

He looked at Ye Lingtian and ordered: "You put this matter aside first, Jiangnan Province can't live without you, King Nanjiang! You just need to send some people to knock on the side, well, you don't want to stay in my villa to avoid others. Suspicious."

"Yes, my subordinates are waiting for the Lord in Qianlong Building!"

"Ok."

After Ye Lingtian left, Ye Chen dialed Xiao Deng's phone and asked the other party to drive to pick him up and go directly to Xia's house in Jiangnan Province.

.....

At the same time, Jiangnan Province, inside a mysterious hall.

A young girl is sitting cross-legged, and countless auras are surging around her.

Aura penetrated into the girl's body one by one.

There is an aloof red plum mark on the girl's eyebrows.

is very special.

If Ye Chen were here, he would definitely recognize that this woman was the Lu Hanshuang he saved yesterday.

Suddenly, Lu Hanshuang opened his eyes, and a strong wave of air waved in all directions.

She exhaled a sulky breath and murmured: "What is the origin of that fellow's pill? It actually promotes my cultivation."

After a short while, there was a knock on the door.

"Come in." Lu Hanshuang's voice was icy.

An old woman came in, holding a document in her hand.

"Is the person I asked you to investigate, is there any whereabouts?" Lu Hanshuang asked eagerly.

The old woman nodded, handed the documents in her hand to Lu Hanshuang, and said: "This son is Ye Chen, Jiangcheng Ye's family. Five years ago, at a banquet at Yunhu Villa, Ye family was destroyed and his father and mother were killed. , This son was also pushed to the bottom of Dongqian Lake, life and death unknown. Everyone in Jiangcheng thought that this son was dead.

But five years later, this son unexpectedly came back to life. He founded Tianzheng Group and Budotai beheaded Yuan Jingfu. He was the veritable first person in Jiangcheng. "

Lu Hanshuang had some doubts on his face.

She thought this kid was the top person in Jiangnan Province, but she didn't expect to be the first person in Jiangcheng for a long time?

Compared with Jiangnan Province, Jiangcheng is completely one land, one sky, and there is no comparison at all!

But if this son can kill Yuan Jingfu, it means that his position in the Huaxia Grandmaster Ranking should be around three hundred and fifty, or even higher.

"The five years this kid disappeared, do you know where he went?" Lu Hanshuang said.

The old woman shook her head: "This is also the strangest place. This kid has been completely evaporated in the past five years. There is no clue. The key is just five years. How can a notorious waste in Jiangcheng become a martial arts expert? There are too many doubts."

Lu Hanshuang was lost in thought. For some reason, remembering the picture of herself exposed in front of Ye Chen, her white face climbed up with a hint of red glow: "You get out first, help me pay attention to this person, and don't take it this way. Revealed the news to those people."

"Subordinates know."

.....

Xiajia in Jiangnan Province.

The Mercedes Benz stopped slowly.

Two strong men with strong breath came over ~www.mtlnovel.com~ and asked: "Hello, please show me your pass and invitation."

Xiao Deng rolled down the window and replied, "No."

The two strong eyes condensed, and said coldly: "Since there is no pass and invitation letter, please leave! This is the Xia Family in Jiangnan Province!"

Just as Ye Chen sitting behind wanted to talk, Xiao Deng took out a certificate from the car and handed it over.

"This is my identity. The highest authority in China allows me to enter and exit any place in China! Your Xia family is no exception!"

"If you are sure to stop, let Xia Hongye be responsible for all consequences!"

The two were startled. They had been in Xia's house for so many years, and it was the first time they saw such a powerful driver!

The key is the military background!

The two were unpredictable, so they made a call to confirm Xiao Deng's information. After a while, the door opened, and a strong man who guarded the door smiled: "Comrades, please, please, I was offended just now, and..."

Before I finished speaking, the window was closed and the car drove directly into Xia's house.

The strong Xia family glanced at Ye Chen in the back seat and took a hard breath.

The drivers are so awesome, what a big man is sitting behind!

After getting out of the car, Ye Chen went directly to the villa. He glanced in several directions, and he could clearly feel several pairs of eyes staring at him.

is very bad.

is probably the strong one in the Xia family.

Ye Chen ignored it and sent a text message to Xia Ruoxue—I'm here.

Not long after, Xia Ruoxue hurriedly walked down and opened the door of the villa, her eyes a little flustered.

She glanced around, saw no one, and quickly pulled Ye Chen in.

The door is closed.

"You come with me."

Chapter 180: Find it!

Xia Ruoxue took Ye Chen to the room on the third floor.

Judging from the dress and the photos on the wall, it should be Xia Ruoxue's boudoir.

Ye Chen smiled: "Ruoxue, this is the first time I have come to your Xia family, so you took me to your room, isn't it a bit too fast?"

Xia Ruoxue gave Ye Chen a white look, and complained: "Why are you really here in Xia's house? It's an extraordinary period. If you come to me like this, something big will happen!"

"Extraordinary period?" Ye Chen frowned, "Ruoxue, I guess someone threatened you, Jiangnan Provincial Budo Association? Or Wu Family? Or Qin Family?"

Xia Ruoxue's beautiful eyes shrank slightly when she heard the words Qin Family.

Ye Chen had the answer in his heart.

"Ruoxue, if you believe me, just tell me the address of the Qin family, and I will relieve all these troubles."

Ye Chen's voice is beyond doubt.

There is no fear.

Xia Ruoxue was startled, her mouth slightly opened, her beautiful eyes filled with confusion.

Of course she would like to believe in Ye Chen, after all, all the people who dealt with Ye Chen fell down this way.

But that was in Jiangcheng, not Jiangnan Province.

Ye Chen just came to Jiangnan Province, maybe he didn't even figure out the situation here. If he went to Qin's house rashly, something would happen.

She didn't want Ye Chen to have an accident.

I really don't want it.

I don't know when it started, Xia Ruoxue's cold heart, a figure appeared.

was gradually occupied by this figure.

She knew it was Ye Chen.

She had asked countless times that Ye Chen could be born in Jiangnan Province, and had the power to compete with the Qin family, or a family.

In this way, she would choose to tear the marriage contract without hesitation and stand behind Ye Chen!

But all this is just a bubble.

Ye Chen is only one person, what does he use to face the Qin family, the top martial arts family who has been lying in Jiangnan Province for so many years?

No matter how strong Ye Chen is, no matter how strong it is, it's impossible!

Facing the Qin family, there is only one dead end.

This has nothing to do with trust, but a cold truth.

"Ye Chen, during this period of time, the Qin family seems to be using all its strength to find someone in Huaxia, so they should not have time to deal with you. Or else, are you going abroad to relax during this period of time?" Xia Ruoxue thought for a while. Very serious.

The Qin family's power is mainly in Jiangnan Province. If Ye Chen goes abroad, it is obviously the safest.

Ye Chen shook his head helplessly.

Although he doesn't know how strong the Qin family is in Jiangnan Province, it is impossible for the other party to kill him.

Xia Ruoxue does not believe that she is normal.

After all, Xia Ruoxue didn't know that she was the chief instructor of Dragon Soul.

I didn't know that the king of Nanjiang, feared by countless people in Jiangnan Province, wanted to call him the Lord!

I don't know that he is in charge of the reincarnation cemetery against the sky!

did not know that there were a hundred ancient powers standing behind him!

Even if he confessed to Xia Ruoxue now, the other party probably wouldn't believe it.

In that case, I can only speak with strength.

Let him go to the Qin family by himself.

At this moment, Ye Chen's eyes condensed, and he noticed something, and said to Xia Ruoxue: "I'll talk about this later, you wait for me in the room, I'll get something in the car."

Xia Ruoxue felt something was wrong, but couldn't tell, nodded: "Okay."

The door closed.

Ye Chen saw two middle-aged men appear on the stairs.

The eyes of the two were cold and filled with hostility.

He originally thought these two people belonged to the Xia family, but now it seems that they are obviously not.

"You should be here for me, since that's the case, let's go out and say, I don't want blood to be contaminated with Xia's villa, it will scare Ruoxue."

Ye Chen's voice was very flat, as if there was no trace of fluctuation.

After finishing speaking, he walked towards the outside of Xia's house.

The two middle-aged men were startled, they looked at each other and nodded.

Qin Shao asked them to stare at Xia Ruoxue and pay attention to anyone she touched.

Xia Ruoxue is the young grandmother of the future, so you must not offend it.

If you don't do it in the Xia family, it is naturally the best choice.

Not long after, Ye Chen came to the garden behind Xia's house.

The environment is very quiet, and several servants of the Xia family were also distracted by Xiao Deng for various reasons in advance.

The two middle-aged men with strong aura stopped, their eyes staring at Ye Chen who turned his back to them with a trace of coldness.

"Who sent you to monitor Ruoxue?" Ye Chen said.

The two middle-aged men were startled and sneered: "Boy, you should know whose woman Xia Ruoxue is?"

"I know." Ye Chen said lightly.

The two nodded. It seems that this kid also knows about the marriage of Qin Xia's family. Just about to talk, Ye Chen turned around and continued: "Ruoxue is my Ye Chen's woman."

The air suddenly became quiet.

Those two are completely dumbfounded! Is this kid looking for death?

actually said that Xia Ruoxue is his woman!

A few seconds later, the two of them reacted, and their faces were full of anger!

"Qin Shao's woman, you dare to move, I think you are looking for death!"

In the next second, one of them burst out! The place left a deep footprint!

It can be seen how terrifying power is!

His hands are like eagle claws, and he grabs Ye Chen fiercely!

With this catch, he has the confidence to burst Ye Chen's heart!

The fingertips are even more vigorous!

Very deterrent!

Ye Chen raised his head, glanced at the rushing figure faintly, and said quietly: "I just don't know the address of Qin's house~[www.mtlnovel.com](http://www.mtlnovel.com)~ You came in time."

The eagle claws of the strong Qin family are about to be snapped.

suddenly.

Ye Chen moved.

Ye Chen directly lifted his right hand, also in the form of an eagle's claw, protruding fiercely, terrifyingly accurate, and his true energy continued to overflow!

The fallen leaves around        are flying around Ye Chen!

looks like the wind is blowing!

But at this moment, there is no wind at all!

Very weird!

"Let you see what the real eagle claw is!"

"Crack!" With a cry, Ye Chen cut off the opponent's wrist directly, and even buckled it tightly!

The power burst out!

In the next second, the wrist of the Qin family expert suddenly burst open!

Five fingers scattered away!

This scene made that person feel horrified!

What a strong power! There was even a small meaning in his heart!

"Not good! This one is very strong!"

He just wanted to retreat, Ye Chen didn't give the opponent a chance at all, his face was fierce.

I saw Ye Chen take a step and directly grabbed the opponent's neck!

lifted up fiercely!

His body was off the ground instantly!

Then, suddenly dropped!

The strong Qin family wanted to struggle, but found a terrifying pressure covering his whole body!

He is not even qualified to move!

"Boom!"

His body hit the ground fiercely!

The internal organs are shaking!

He kept spitting blood out of his mouth, and wanted to talk, Ye Chen stepped on it!

His head collided with the earth violently, as if the whole head was about to split apart!

screamed, there was no life on the spot!

There is only a breeze and death in the entire garden!
