Chapter 1721: I can't bear it!

Seeing the situation in front of him, Zi Ning also noticed something, and said, "Junior Brother, your friend is probably that girl, right? Is she good-looking or is Senior Sister good-looking?"

Ye Chen hadn't answered yet, the old man incarnation of the Tianman Green Bull and the Scarlet Fire Unicorn came to Ye Chen, and said, "Young Master."

As soon as he said this, Zi Ning's face changed slightly, who was still smiling.

Little Lord?

How did your younger brother become the young master?

Although the two people in front of him covered his breath, Zi Ning could still feel a strange feeling.

These two old people are definitely strong!

At least above good luck!

How could the Key Good Fortune Realm have such an attitude toward Ye Chen in the Hunyuan Realm?

At this moment, a terrifying murderous intent shot at Ye Chen!

"Haha, Ye Chen, you **** finally came out, I thought you would hide in the Demon Saint Secret Realm forever!"

At this moment, an old man rushed into the void and looked at Ye Chen.

This old man happens to be a strong man in the second-tier heaven of the evil demon palace!

Although Ye Chen was followed by two old men, and there was a woman with weird aura beside him, the strong man in the fierce demon palace didn't care at all.

After all, his strength is lower than these people, and he can't check his cultivation level at all!

Can Ye Chen of a Mixed Origin Realm be able to reach the Good Fortune Realm?

"Give you one minute, get out of the way, or else you will all leave me!"

Ye Chen stretched out a finger and said blankly!

At this moment, in his heart, he was already angry, if it hadn't been for Liang Xueyue and the others, he would have already violently murdered!

"Ye Chen, I think you haven't figured out the situation yet, the old man can suppress you with one hand now!"

The strong man in the Fierce Demon Palace was in a good mood. He originally wanted to respond to the major forces, but who knew he had caught Ye Chen directly.

This time Ye Chen could not escape with his action!

"If you haven't figured out the situation, it's probably you!"

Ye Chen's mouth showed a mocking smile, and he glanced at Niu Lao.

Tianman Qingniu nodded slightly, stood in front of Ye Chen, and slapped it!

Snapped!

With this palm, the strong of the evil demon palace has no time to escape.

The crisp sound spread all over the sea!

"Trash, you want to kill our young master?"

As soon as Tianman Qingniu's voice fell, he rushed down with a hand floating in the air! Directly suppress the strong in the evil demon palace.

It is too simple for the third-tier sky of the good fortune realm to suppress the second-tier sky!

What's more, Tianman Qingniu is an ancient behemoth. If it weren't for his cultivation base to fall, his current strength could crush everything!

This is also to blame for the strong of the fierce demon palace to underestimate the enemy, otherwise the Tianzhao Qingniu would not suppress it so quickly.

After all, the good fortune realm is in the sky, some means are still there!

The strong man in the Fierce Demon Palace was directly suppressed by Tianman Qing Niu, and Niu Lao grabbed his neck with one hand.

"act recklessly!"

Niu Lao let out a cold snort of disdain, fiery pain on the face of the old man in the Fierce Demon Palace.

Looking at so many warriors below, his old face was completely lost!

How will he raise his head in front of the strong in the Western Regions to be a man?

As for below, the warriors of the major forces have already been shocked.

When did Ye Chen have such an awesome subordinate!

Rolling the second-tier sky of the good fortune realm?

What the **** is this old man's strength!

Ye Chen's background is very clear to them, how can they follow the strong creation realm by their side?

"Ye Chen, what do you want to do, if you kill me, the Devil Palace will never let you go!"

At this time, the old man in the fierce demon palace spoke.

At this moment, his eyes were a little scared.

Ye Chen's fierce name was not just casually picked up by others, but abruptly killed!

Devil, butcher! It is Ye Chen's best pronoun!

"Do you think that if I let you go, the Demon Palace will spare me? Besides, I need the forgiveness of the Demon Palace?"

Ye Chen's eyes were full of cold light, even if the evil demon palace forgave him, he would not let the evil demon palace.

The original debt must be repaid!

What if you never die!

Ye Chen glanced at Niu Lao, the meaning is self-evident!

At this moment, Ye Chen's murderous intent was strong, and when they decided to attack Liang Xueyue, they had to consider the consequences.

"No, don't kill me, I don't want to die yet!"

The strong man in the fierce demon palace, with a look of fear on his face, he still has endless lifespan and great time, how can he die here!

Elder Niu grabbed the neck of the old man in the fierce demon palace, and used his index finger to directly cut off his vitality!

hiss!

The warrior standing below took a breath, never expected.

A strong man in the good fortune realm, kill him if he says it!

The murderers caught by these people are full of shock in their hearts, and full of excitement in their eyes!

You should be Ye Chen!

What are they warriors for? It's not that life is in your own hands.

Can tell the life and death of others in one word!

In their eyes, Ye Chen is such a person, the strong fortune realm said to kill and kill, without hesitation at all!

"Elder Niu, Elder Lin, these powerful people below who are intent on killing me will be handed over to you, none of these people will be kept!"

At this moment, Ye Chen had a murderous heart, and decided not to let it go!

Now the blood soul clan powerhouse, I don't know when will come out of the exit.

These people still want to kill them!

Niu Lao and the others are strong in the good fortune realm, rushing over like a wolf into the flock. The top gods are no different from the ants in front of them!

Ye Chen held the He Dao artifact and rushed directly over, without the top gods.

He was unscrupulous and didn't care at all.

A ghostly figure came to Liang Xueyue.

"You go to rescue them first, leave these people to me!"

Liang Xueyue turned slightly, turned around to rescue these killer disciples.

These people were not enough for him to slaughter in front of Ye Chen.

In less than five minutes, the air was full of blood.

All warriors, big and small, were slaughtered!

The killer warrior looked at Ye Chen with a look of awe!

For them, Ye Chen is their god!

...

In the distance, the Azure Sword Immortal Venerable and the Frost Sword God of the Ten Thousand Sword Emperor's Palace have been watching coldly in the corner.

When it was discovered that the powerful men of the Tianman Qingniu and the Chifire Qilin were under Ye Chen.

They were also shocked.

Zi Ning could not see through the two, but the Frost Sword God could see through!

At a glance, he realized that these two people were clones of ancient monsters.

And the background is extremely terrifying!

"Qing Jian, now, I believe what you said, Ye Chen might really be the only one to save Ten Thousand Sword Emperor Palace."

The Frost Sword God spoke.

He discovered that Ye Chen had too many secrets.

Even his strength can't be seen at all.

I am afraid that the Demon Saint's Inheritance was really obtained by a Hunyuan Realm kid.

"Since Ye Chen has come out, we should also meet him."

"Some things he can't escape."

"We can't wait either."

"Hey, but this burden is on Ye Chen's body, I can't bear it."

Frost Sword God and Azure Sword Immortal looked at each other, sighed, and finally walked towards Ye Chen!

Chapter 1722: transaction!

"Junior Brother, I'm not here during this time. It seems that I missed a lot of good scenes."

Zi Ning looked at Ye Chen in front of him, surprised.

Now she suddenly found that Ye Chen in front of her was a little strange.

She even thought, Ye Chen is really willing to be a disciple of Xuan Yuezong?

Will it be a little awkward?

Some elders of Xuan Yuezong are good luck realms.

And Ye Chen, as a disciple, turned out to be the realm of good fortune!

This is really weird.

Fortunately, Xuan Yuezong still has something that Ye Chen is interested in.

Reincarnation monument.

If there is no Xuansara Xuanbei, Zi Ning really cannot guarantee that Ye Chen is willing to go back to Xuanyuezong with her again.

"Senior Sister, I'm naturally going to Xuan Yuezong, the time is almost there, so I can't delay it any longer."

Zi Ning took a long breath, with Ye Chen's assurance, it was enough.

She just wanted to say something, she suddenly noticed something, and stared at the two people coming here.

The two people gave her the feeling-extremely threatening.

Even one of them can kill her in an instant?

Is it because Ye Chen killed their disciple and got angry?

Zi Ning approached Ye Chen, just about to take out the cold sword, but Ye Chen took the lead in walking towards the two of them, and said, "Senior Qingjian!"

Ye Chen never expected that there would be people in the Wanjian Emperor's Palace!

And it is the Azure Sword Immortal Venerable!

In the first battle of the Soul Palace, if there was no Green Sword Immortal Venerable, the consequences would be disastrous!

He always remembered this kindness!

However, after an accident in the Wanjian Emperor Palace, he never saw the Azure Sword Immortal Venerable again.

Zi Ning's killing intent converged, and she walked away.

"Ye Chen, take care of your affairs first, the affairs of Xuan Yuezong are not in a hurry, I will return to Xuan Yuezong first.

"It's been a long time without any news. Zongmen is not easy to explain. I will wipe your **** first."

She knew that these two powerhouses came to the door, and Xuanyuezong's affairs might be put on hold.

Someone will talk about Ye Chen's affairs after all.

She must bear the pressure of the sect.

"Thank you sister!"

Ye Chen looked at Zi Ning's direction and remembered this love silently.

Zi Ning is so kind to him.

Even he was flattered by the goodness.

But no matter what, as long as he lives one day, Zi Ning and Xuan Yuezong will never be involved!

After bidding farewell to Zi Ning, Ye Chen and Wanjian Emperor's Palace came to a room.

The room was cut off by the formation.

Immortal Green Sword said: "Ye Chen, this is the Frost Sword God from Ten Thousand Sword Emperor Palace."

Hearing the Sword God, Ye Chen was slightly surprised, never expected that a strong man of this level would take the initiative to find himself.

"Senior Frost!" Ye Chen said seriously.

The Frost Sword God nodded, jokingly said, "Ye Chen, you really make us easy to find."

"We have been out of the Ten Thousand Sword Emperor's Palace for some time, either one step late or waiting outside."

"Your face is too great."

Ye Chen touched his nose awkwardly: "I am a better person."

The Frost Sword God didn't want to talk nonsense, and said straightforwardly: "This time we are here to find you, completely for the safety of the Ten Thousand Sword Emperor Palace."

"It has been some days since the Wanjian Emperor Palace had an accident. Although it has not been completely defeated, it has also come to life and death."

"I want to ask you, are you really sure Ice Sword Immortal Venerable is now in the Universe Killing Domain?"

"Also, are you sure to find him?"

"You are the inheritor. Logically speaking, there should be a connection between you. The Ice Sword Immortal Venerable has disappeared for too long. Although it is called the Immortal Venerable, his talent is terrifying. For so many years, if he hasn't died, his strength will definitely enter Lingwu. The pinnacle of the mainland."

"If he takes action, the crisis in my Ten Thousand Sword Emperor Palace will definitely be resolved."

"The Universe Killing Domain is too big, the deepest danger, I dare not enter."

Although Ye Chen was worried, he could only say: "I only know that the Master had an accident before and was trapped in the Universe Killing Domain."

"As for the feelings between each other, I can't guarantee either."

After all, Bingjian Xianzun's spirit has disappeared.

The Frost Sword God frowned, with a headache, before he said for a long time: "Does the Frost Sword Immortal leave you anything?"

After all, Ice Sword Immortal Venerable once took one thing away.

If there is such a thing, Ten Thousand Sword Emperor Palace also has a chance.

Ye Chen shrugged and said earnestly: "Ice Sword Immortal Venerable did not leave anything, only a word."

"What?" Frost Sword God said seriously.

If there are any secrets hidden in the words, then maybe the Ten Thousand Sword Emperor Palace still has a turning point!

"Let me guard the Ten Thousand Sword Emperor Palace."

"I am willing to go to the Ten Thousand Sword Emperor Palace with the two seniors."

Ye Chen said seriously.

Hearing Ye Chen's words, Frost Sword God was still a little disappointed after all.

He is indeed optimistic about Ye Chen, but Ye Chen is growing too slowly now!

If Ye Chen, a hundred years later, might really have time to fight those guys!

But now, it doesn't work at all.

At this moment, Immortal Azure Sword said: "Sword God, don't forget our purpose this time."

"We are here to invite Ye Chen out of the mountain. Since the Ice Sword Immortal Venerable allows Ye Chen to guard the Ten Thousand Sword Emperor Palace, he naturally has his reasons."

"We might as well take Ye Chen there, maybe there will be a turnaround!"

The Frost Sword God nodded, stood up and dropped a piece of jade pendant: "Ye Chen, then I will trouble you."

"You just came out of the secret realm. You should need to rest. It's not suitable to hurry up."

"Just rest here for a few days, deal with the matter, and wait until the state is restored, and then come to the Ten Thousand Sword Emperor Palace according to the information on the jade pendant."

"I've been outside for too long, so it's time to go back."

"Qing Jian, don't stay here either. Go to the Lingmo Valley to see if that person has left the customs. If he does, my Wanjian Emperor Palace should be better off."

Although the Frost Sword God was optimistic about Ye Chen, right now, he found that Ye Chen could do too little.

Before he came, he made the worst preparations. If the spirit demon valley awakened, relying on the love he owed to the Ten Thousand Sword Emperor Palace, it should be able to ease the crisis.

The two of Wanjian Emperor's Palace left after all.

Ye Chen saw disappointment in the eyes of the Frost Sword God.

But he didn't say anything, after all, the gap between his strength and the two was huge.

However, he holds the reincarnation cemetery and too many hole cards. If he really wants to make a move, he might really help.

Ye Chen sat cross-legged, running the God and Demon Reincarnation Art, he was thinking, first go to Xuan Yuezong to get the reincarnation monument, or go directly to the Wanjian Emperor Palace.

He glanced at the reincarnation cemetery, and the tombstone fell silent again.

Suddenly, he noticed something!

On the tombstone, there is a storage ring!

This storage ring was given to him by Chen Ling.

He didn't care at the time either.

How can I get to the tombstone of Da Neng now?

Ye Chen stretched out his hand and just wanted to take it, a long-lost voice rang from the tombstone.

"How about we make a deal?"

"I will help you solve some problems. Give me this storage ring."

"In other words, when you find my true body, give this storage ring to my true body!"

Chapter 1723: Mysterious storage ring!

Ye Chen was startled slightly, he could feel the importance of storage ring from the other's tone!

Could it be that the things Chen Ling gave him are terrifying in value?

Ye Chen hesitated for a few seconds, or said: "I don't know what your true identity is yet?"

The words fell, the tombstone flickered, and a figure appeared in front of Ye Chen instantly.

It's a man!

very young!

The whole body exudes extremely terrifying power!

It's daunting!

"I didn't want to tell you who I am, because in my eyes you are not worthy."

"But now, I have changed my mind."

"But I won't tell you my name, all you need to know is that I am a beast god!"

Yu Beast Spirit God?

Ye Chen was really shocked when he heard these four words.

Those who dare to include the word "God" in the title are absolutely terrifying!

Seeing that Ye Chen hadn't reacted yet, Yu Beast Spirit said, "I only need the storage ring."

"After that, I will consider accepting you as a disciple, and even take action at critical moments."

Ye Chen hesitated for a few seconds. Thinking about this storage ring, it seemed useless to him. It would be nice if it could be given to Yu Beast Spirit God.

He just wanted to agree, when a tingling sensation suddenly came from his forehead!

The blue light flickered!

A voice sounded like from Jiuyou!

"Boy, you give me this storage ring! No one else wants to move you! Jiuyou is up to you!"

The devil's eyes also made a sound!

At this moment, Ye Chen was stunned!

He really couldn't figure it out, that Demon Eye and Yu Beast Spirit God both grabbed this storage ring!

What is the origin of the storage ring Chen Ling gave him!

The Yu Beast Spirit God never expected that someone would obstruct him, and snorted coldly: "The evil way, what qualifications do you have to grab with me!"

"And, my body is trapped, and you don't even have the body!"

The eye of the devil is not weak at all: "If I have the body, I can destroy you with a finger!"

"Even though I am a demon, I have also been a demon who shot at Heaven!"

"God is afraid of me, you are a mere divine mind, what right do you have to talk to me!"

Yu Beast Spirit God obviously did not expect the existence of Ye Chen's eyebrows to be so terrifying.

If you dare to attack Heaven, what level of power should it be?

However, Yu Beast Lingshen was also not sure if the opponent was deliberately daunting himself.

No matter what, this thing would rather be destroyed than let the evil ways succeed!

He looked at Ye Chen and said directly: "Ye Chen, as long as you don't give this storage ring to the demon, I will help you!"

Demon Eye is obviously also unhappy with Yu Beast Spirit God, saying: "Boy, as long as you don't give the storage ring to this ant, I will still help you!"

"You are the one I chose, no one is qualified to move you!"

Ye Chen is considered to have taken it. He never expected that two great powers would fight for one storage?

The key is that Ye Chen didn't say a word, and got a lot of benefits inexplicably!

But Ye Chen also got an important message from it.

The Eye of the Devil once attacked Heaven! Even the Dao of Heaven must be afraid?

What is the origin of this demon eye?

Ye Chen didn't think much anymore, silently put away the storage ring, and then retired.

He was very curious about the origin of the storage ring Chen Ling gave him.

It seemed that he had to go to Tianling Island, even if it wasn't for Chen Ling, he also promised the Spirit Phoenix family for him.

"Ye Chen, where are we going now?"

Liang Xueyue saw that Ye Chen had finally come out, and said.

Ji Lin didn't wake up now, she must be following Ye Chen.

There was a cold wind outside, and the three thousand hairs on her head fluttered.

"Go to an island!"

This place can no longer stay, the army of the Blood Soul Palace will come out of the Demon Saint Secret Realm sooner or later.

There are also strong men of the Spirit Phoenix clan on Tianling Island, he can't ignore it!

"Okay, I'll go with you!"

When Liang Xueyue's voice fell, Ye Chen took a surprised look.

He originally thought that Liang Xueyue would leave after the Demon Saint Secret Realm.

"Why not?"

Liang Xueyue gave Ye Chen a fierce look.

Ye Chen cried and laughed, then smiled and said, "No, you are naturally happy to follow a beautiful woman like you!"

In the Demon Saint Secret Realm and his party, Liang Xueyue's strength has reached the seventh level of the Hedao Realm.

For Ye Chen, it is also a big help!

The group soon came to Tianling Island.

On the island, Ye Chen found a place to let the Sect Sect disciple wait here first.

Naturally, the less people know about the Spirit Phoenix Clan, the better.

This time Ye Chen only took Niu Lao and asked the Chi Fireworks Qilin to stay and sit down just in case.

Ye Chen and Niu Lao came to the city and decided to find out the news first.

The two found a tavern and sat down in a remote corner.

There are not many people in the tavern, but it is a good place to get information.

The warriors around were talking about recent events.

What interests Ye Chen most is that a power appeared on Tianling Island some time ago, which is extremely mysterious, but I heard that there are existences that are even more terrifying than the strong fortune realm.

Ye Chen raised his brows, and I was afraid that the mysterious force that appeared was the Spirit Phoenix Clan.

Ye Chen had said to the Linghuang clan that if he wanted to leave, he would go to the Chen family.

The seal was broken, and the secret realm might have the greatest impact on the Spirit Phoenix Clan.

They can't stay there anymore Although Ye Chen told them to go to the Chen family at the beginning, they are still the monster race, and they have enemies with the top human race.

It's best to avoid contact with human race as much as possible!

Originally, Ye Chen was ready to leave when he found out the news, but he heard the martial artist say that Chen Ling was about to be executed.

Ye Chen frowned, angrily swept across, but it was well hidden.

"Speaking of which, Ms. Chen Ling is also pitiful. She originally had a puppet in the realm of Harmony, which can be an existence that countless people look up to on Tianling Island."

"It's a pity that the old immortal puppets of the Chen family who want to be in harmony with the Dao realm do not know what means they used to completely control it."

"The situation didn't last long, hey."

"This may be fate."

...

Ye Chen probably understood some things about the Chen family, and the murderous aura in the whole person could no longer be controlled.

"boom!"

The tables in the entire tavern exploded, and the tavern was crumbling.

This is also the reason Ye Chen controlled, otherwise this tavern would collapse in an instant.

"Boy, what do you want to do!"

At this time, a warrior slapped the table and looked at Ye Chen angrily.

But when he saw Ye Chen's fierce eyes, he was too scared to say a word.

"Old Niu, let me go to Chen's house!"

He wants to see, whoever dares to touch Chen Ling, anyway, his friend will kill him!

The speed of two people does not take long to reach the Chen's house.

Ye Chen and Niu Lao stood in front of the door of the Chen family.

"You two get out of here! This is not a place for you to stay."

In the recent period, the status of the Chen family on Tianling Island has risen. Except for the newly emerging forces, no one can threaten the Chen family.

The Chen family's guards naturally have eyes higher than the top!

Chapter 1724: Get angry!

Ye Chen frowned, and then slapped it directly!

"Fuck!"

With two slaps down, Ye Chen directly took the two guards away.

At the moment of flying, lift up your foot and kick directly on the gate.

boom!

One foot down, the door is torn apart!

"Who dares to be presumptuous in our Chen family!"

At this time, there was a roar from inside Chen's house.

A burly man appeared in front of Ye Chen.

Ye Chen glanced at the visitor, a mocking smile appeared at the corner of his mouth.

The person here is not someone else, but Chen Ling's father, Chen Gui!

When Chen Gui saw the visitor's first glance, there was a look of fear on his entire face.

He knew the person in front of him too well.

This man is back!

The Chen family was able to become the current big family, all because of the man in front of him.

"Master Ye, why don't you tell me when you come back?"

At this moment, Chen Gui had a sad look and a bitter smile on his face.

Seeing Ye Chen's bad appearance, he already guessed something.

This time Ye Chen might be here for Chen Ling.

"Chen Gui, I don't want to talk nonsense now, tell me where Chen Ling is!"

Even if it was Chen Ling's father, Ye Chen didn't give a good face at all.

"Master Ye, this matter is different from what was said outside, and our Chen family can't help it!"

If possible, Chen Gui is also willing to save his daughter.

Ye Chen didn't speak, and waited quietly for the following.

"Since Chen Xiaoxiao left the family, I don't know what means he used to hook up with a powerful son."

"Their power, our Chen family is not an opponent at all."

"My lord, you'd better run away, they are top gods with half-step good fortune realm."

Ye Chen smiled without saying a word, just a half-step good fortune, he really didn't pay attention to it.

Even if there were no Niu Lao them, Ye Chen would not be afraid by himself.

"This matter, I will naturally investigate it clearly, it's just a top god, it's nothing to worry about!"

Ye Chen smiled disdainfully, and then roared out: "Chen Xiaoxiao, get out of me!"

In a word, the whole Chen family shook the mountain, as if collapsed at any time.

In a dungeon of the Chen family, Chen Ling shrank in the dark dungeon, covered in scars.

When she heard the voice outside, her eyes brightened.

That godlike man, he is back!

Just thinking of the man Chen Xiaoxiao brought back was too powerful.

How could Ye Chen alone be the opponent of the top gods!

She was confused and hoped that Ye Chen would leave her alone and leave quickly!

Ye Chen's words made all the Chen family members hear clearly.

At this moment, Ye Chen and Niu Lao waited quietly at the door.

No one can survive if he dares to hurt his friends!

Time passed by, and Chen Xiaoxiao walked out at this moment, with a man still following her.

The man was wearing a golden robe and was full of noble arrogance. When he saw that Ye Chen only had the third layer of the Hunyuan realm, his mouth showed a smile of disdain.

A garbage in the Primal Realm can be killed at will!

When Chen Xiaoxiao saw Ye Chen's first glance, he showed a bit of resentment, and there was a hint of fear in his heart.

"A Hunyuan realm ant dared to scream, knelt down and kowtow, the young master is in a good mood, maybe I can leave you a whole body!"

Chen Xiaoxiao was aside, holding Ma Cang's hand with one hand, and lying on his chest, making an intimate gesture.

The movement of the Chen family has attracted the onlookers of countless warriors, who are hiding in the dark, watching a good show.

Ye Chen's great name, they all knew that he destroyed the overlord of Tianling Island by himself.

Needless to say, Ma Cang, the son of a half-step good fortune realm powerhouse, is enough for anyone on Tianling Island to look up.

Ye Chen sneered at the corner of his mouth, and said nothing in the face of Ma Cang's clamor.

The trash on the second floor of the Hedao Realm, the courage that doesn't know where it comes from clamoring!

The spiritual energy in Ye Chen surged, and then he slapped it over!

This slap Ma Cang originally wanted to avoid, but he found that his breath was completely locked.

Can't move at all!

Snapped!

With a slap in the face, Ma Cang fell to the ground, his right half of his face swollen, blood overflowing from the corner of his mouth!

The scene suddenly fell silent!

How could it be possible that the second floor of the Hedao Realm was slapped by the Hunyuan Realm!

The person hiding in the dark is completely stunned!

Ma Cang's face was gloomy, and he was slapped in the Hunyuan realm in the Dao Realm, which was a shame!

Seeing this scene, Chen Xiaoxiao became dumbfounded, and hurriedly came to Ma Cang, trying to help him up.

"Go away, bitch!"

Ma Cang hit Chen Xiaoxiao's cheek with a fist, then stood up by himself, looking at Ye Chen fiercely.

He took out a sword, flew towards Ye Chen, and killed Ye Chen with one sword!

Ye Chen didn't become surprised. When he was only ten centimeters away from Ma Cang, he raised his leg and kicked it out!

"Puff!"

Kicked on Ma Cang's abdomen and saw him fly out and fell to the ground!

At this time, anyone with a discerning eye can see that Ye Chen has completely abused Ma Cang and Dao.

Ma Cang is arrogant but it is not a fool to be able to cultivate to the level of harmony.

Ye Chen's kick just now made him feel unmatched.

If Ye Chen really wants to kill him, I am afraid he is already a dead person!

"You are indeed good at strength, but my father is a half-step fortune. If you kill me, my father will never forgive you!"

Ma Cang knew that if he continued the fight, he would just take his own shame.

"What is your father!"

Ye Chen's words caused the martial artists hiding in the dark to completely cause an uproar.

Ma Cang's father was an infinitely close to the powerhouse of the Immortal Venerable.

Could it be that Ye Chen's combat power could kill the Immortal Venerable?

What a joke.

Everyone felt it was a joke, and the top **** was not comparable to the second-tier Hunyuan realm.

There is a huge difference between the two!

Ma Cang's face was completely dark. Before he moved out of his father's reputation, he would sell some face more or less.

"Give you a chance to call your father over! I am waiting here!"

This time, Ye Chen plans to get it right once and for all, he doesn't have the time to be here!

Ma Cang knew that he could not solve the matter today!

He took out a rune and smashed it directly, and soon his father would come over.

The entire Chen family did not dare to take a mouthful, everyone was waiting.

The top gods who made half-steps on Tianling Island are completely godlike existences!

As time passed bit by bit, and ten minutes passed, everyone suddenly felt a dull breath.

All the warriors felt depressed, and in front of Ma Cang, a middle-aged man appeared.

This person is Ma Chenghai, dominating the Raksha Sea, has been robbing martial artists in the sea!

In Luochahai, there are not many strong people, he is a top god, and he is free enough.

Chapter 1725: Swear to heaven!

The moment Ma Chenghai appeared, he looked around and knew what was going on.

"Father, you must call the shots for me!"

At this time Ma Cang stood up and came to his father!

As soon as Ma Chenghai appeared, his courage grew.

Few can threaten his father's existence in Luochahai!

"This person doesn't take you seriously at all!"

Ma Cang pointed at Ye Chen with an arrogant expression in his eyes.

Ma Chenghai didn't speak at this time, but instead glanced at Old Niu behind Ye Chen, frowning.

"Your Excellency, I don't know who it is. If there is anything offended, Ma will definitely make compensation here!"

Ma Chenghai's words completely shocked everyone!

Does this mean you are soft to Ye Chen?

"Your son dared to lock my friend in the dungeon, abolish his dantian, and cut off his hands. It's over!"

Facing Ma Chenghai, Ye Chen didn't have any look of fear on his face.

"Your Excellency, did you do this a bit deceitful!"

Ma Chenghai looked at Ye Chen with a gloomy look at this moment!

What is the difference between letting his son abolish his dantian and cut off his arms, and become a disuse?

He is just this son!

"What if I deceive others too much!"

Ye Chen said, arrogant and domineering!

In this world, as long as you are strong, no one will say you!

Ma Chenghai's face has completely dimmed, and no one has dared to provoke his majesty for so many years!

"I want to see, what right do you have to be arrogant!"

Originally, Ma Chenghai cared about the old man behind Ye Chen, but now he has bullied him.

If he is scrupulous, who will put him in his eyes!

Ma Chenghai's aura burst out, and he flew towards Ye Chen suddenly, clenched his fists and rushed towards Ye Chen.

The power of the top **** was huge, but Ye Chen stood still, not even moving.

Chen Xiaoxiao and Ma Cang in the distance looked excited when they saw this scene.

How can Ye Chen resist the top gods?

When Ma Chenghai was only ten centimeters away from Ye Chen, Old Niu came directly to Ye Chen, and then raised a hand lightly.

"Young Master, some people don't deserve to dirty your hands!"

boom!

A slap fell suddenly, but everyone was dumbfounded in the next scene!

Ma Chenghai was like a dead dog, his aura on his body was like a deflated ball, crashing to the ground!

Severely injured in one blow!

Ma Chenghai lay on the ground, vomiting blood from the corner of his mouth, and looked at Old Niu with fear.

Being able to kill him in one hit is definitely a strong man in the good fortune realm!

Only the strong in the good fortune realm can defeat the top gods so easily.

Ma Chenghai's entire face changed drastically, and in front of the strong fortune realm, he didn't even have the right to escape.

Ma Cang's face was pale, his father was defeated by one move, how could it be possible?

This time he knew that he had provoke someone who shouldn't be offended!

"Now do you think I am qualified?"

Ye Chen's words made Ma Chenghai's mouth show a wry smile.

"My lord, see if the dog is bewitched by the enchantress at a young age, can you let him go!"

Ma Chenghai looked imploring, anyway, he was such a son!

Ye Chen looked at him, did not speak, with a thoughtful look on his face.

"It's not impossible to want me to let him go, but you need to submit to me!"

Since Ye Chen wants to form a power, the strong is indispensable!

The strength of Ma Chenghai's top **** is worthy of him.

If not, Ye Chen had already let Old Niu slap him to death.

Ma Chenghai showed a look of embarrassment, if he became someone else's subordinate.

If he wants to be at ease at that time, I am afraid it is impossible!

"Old Niu!"

Ye Chen frowned and said directly!

At this time, Old Niu was standing in front of Ye Chen, his whole body pressed towards Ma Chenghai.

A murderous intent burst out of Old Niu!

"No, no, I am willing to surrender!"

At this time, Ma Chenghai hurriedly spoke, and felt the murderous aura on Niu's body, shaking his whole body in fright.

No one wants to die, he is no exception!

"Let go of the spirit in your mind."

Ye Chen's inheritance from the Demon Sage in the past few days knows a secret method that can control the life and death of others with a single thought.

Otherwise, Ye Chen wouldn't think of subduing Ma Chenghai.

With Niu Lao by his side, he was not afraid that Ma Chenghai would dare to deceive.

Ma Chenghai honestly let go of the spiritual thoughts in his mind, Ye Chen separated a ray of spiritual thoughts into his mind.

Ye Chen could feel that as long as his mind moved, Ma Chenghai could be killed.

Now Ma Chenghai's life and death are all under his control.

"My lord, look at my son!"

Now Ma Chenghai felt like crying in his heart.

Originally, he was thinking about making things happen, and then he could just find a chance to run away, who knew that life and death were not in his own hands.

"As for your son..." Ye Chen looked at Old Niu.

Niu Lao naturally understood Ye Chen's meaning, and Ma Cang instantly turned into a **** mist when he stepped on it.

"Ye Chen, you lied to me!" Ma Chenghai's face was grim, he wanted to do it! But I found that I was not qualified to do it!

Ye Chen can ruin him with a single thought!

"I didn't make a move Is there a problem?" Ye Chen said lightly.

Afterwards, Ye Chen glanced at Chen Xiaoxiao.

At this moment Chen Xiaoxiao suddenly knelt in front of Ye Chen, crying and said, "My lord, please forgive me!"

Bang bang bang!

Chen Xiaoxiao kept kowtow, bruises all over her forehead.

"Master Ma, please help me."

Chen Xiaoxiao held Ma Chenghai's arm with one hand.

"roll!"

Ma Chenghai kicked her out directly.

If it weren't for Chen Xiaoxiao, how could he be like this?

All this is because of the **** Chen Xiaoxiao.

Not to mention that Ye Chen didn't kill her, Ma Chenghai wanted to kill her.

Originally, Ye Chen didn't care about Chen Xiaoxiao's life or death, and had already let her go.

Who knows how to cherish.

Ye Chen raised his hand and slapped it out.

Chen Xiaoxiao's strength is only in the Divine King Realm, it is impossible to be Ye Chen's opponent.

With a palm down, Chen Xiaoxiao spit out a mouthful of blood and closed his eyes, completely losing his breath.

"Ye Chen!"

At this time Chen Ling ran out, unable to hold back his eyes anymore, tears streaming out.

When Ye Chen conquered Ma Chenghai, the Chen family had long ordered to release Chen Ling immediately.

Now I only hope that Ye Chen's anger will not vent on their Chen family.

The warrior hidden in the dark has already left, and Ye Chen can't provoke him if he teleports the big clans!

Who dares to provoke Ye Chen is no different from death!

Ye Chen hugged Chen Ling, glanced at the injuries on her body, and frowned.

At this moment, Chen Ling had no good place at all, and his whole body was covered with scars.

Ye Chen frowned and glanced at Ma Chenghai.

Ma Chenghai shook his head quickly: "My lord, I really don't know about this. I dare to swear to God."

Chapter 1726: The land of killing!

After finishing speaking, he looked at Chen Ling: "Miss Chen, I didn't know you knew Master Ye Chen, or you would give me a hundred courage and dare not take action against you!"

Chen Ling was obviously a little confused, but seeing Ma Chenghai's appearance, he knew that all of this might have something to do with Ye Chen.

"No...nothing!"

Chen Ling glanced timidly, not daring to say anything.

"The Chen family is alive or dead, and it is now in your hands."

Ye Chen frightened everyone in the Chen family with a word.

They didn't doubt that a ruthless person like Ye Chen absolutely did what he said.

Now the fate of their Chen family is in the hands of Chen Ling.

Chen Ling thought for a while, then said, "Ye Chen, forget it, no matter what, the Chen family has supported me for so many years."

"But in the future, I will consider leaving the Chen family."

Chen Ling was still too kind after all, and she knew that she was nothing in the face of family interests.

The recent ups and downs have also allowed her to grow a lot.

"it is good!"

Since Chen Ling didn't plan to make a move, Ye Chen didn't need to struggle.

Ye Chen thought of something, called Chen Ling to the room, and curiously said: "Chen Ling, what is the origin of the storage ring you gave me back then?"

"Storage ring?" Chen Ling suddenly thought of something and said: "I don't know the specific use of this thing, but I once heard a terrifying grandfather say that the secret in this storage ring, It is very important to the strong above the Star Aperture Realm."

"It seems that the strong at that level can control the origin."

"The old grandfather's words are too complicated for me to understand."

Ye Chen's eyes shrank, and he didn't force it.

It seemed that Storage Ring could only know its true effect when he stepped into the Star Aperture Realm.

Ye Chen arranged Chen Ling and Ma Chenghai with the Chen family and decided to go to the Linghuang Clan first.

The Chen family naturally didn't dare to say anything more, and offered Chen Ling and the others as if they were ancestors.

Ye Chen and Niu Lao finally came to the Spirit Phoenix Clan after half an hour on the road.

...

Unobstructed along the way, I came to the hall to discuss some things with Ling Lao.

If he wanted to help the Spirit Phoenix Clan, his strength alone would be too small after all.

Forces must be formed.

Killing Sect is too small now and must have enough time to grow.

But to form a power, to find a place of power, Ye Chen didn't even think about it at present in the Western Regions.

After all, in the Western Regions, he has too many enemies.

The growth of the killing sect requires a safe place.

He is no longer alone when he forms forces, and he can run away at any time as before.

"Ye Chen, Luochahai is a good place."

At this time, the old man spoke directly in the hall.

There are not too many powerhouses in the Raksha Sea, and there are countless sea beasts on the entire sea.

Even if someone wants to do it, it's not easy.

For Ye Chen, developing in Luochahai is currently a good choice.

Ye Chen thought for a while and nodded slightly.

Ye Chen didn't intend to occupy Tianling Island.

The main Tianling Island does not have too many supplies, and the ground is too small.

Ye Chen thought of Ma Chenghai. He must know a lot about his development in Luochahai for so many years.

"Old Ling, during this period of time, you will first prepare for migration, and when I find the island, I will arrange for someone to pick you up."

Elder Ling nodded, and now Ye Chen has Elder Niu by his side, so he can rest assured.

After Ye Chen and Niu Lao left, they came to Chen's house and called Ma Chenghai directly in a room.

After Ma Chenghai came over, Ye Chen directly told him his thoughts.

"My lord, there are many islands in the Rakshasa Sea at present, the biggest is the Blood Fiend Island, but there are three overlords on the Blood Fiend Island, and they are all powerful in the good fortune realm. The things these people do, the way of heaven cannot pass. Very cruel, hey."

Ye Chen didn't say much, the three good fortune realms one level, Niu can solve it by himself.

"You have been a pirate for such a long time, call all your men over and attack Blood Fiend Island immediately."

Ye Chen made up his mind and decided to go to Blood Fiend Island. As for the Blood Soul Palace, he was not worried.

The most important thing in the Blood Soul Palace is the mainland, and Luo Shai will not take it in his heart.

Currently, he needs a piece of land to create the Killing Sect, and Blood Fiend Island is the best place.

Ye Chen woke up from the practice and saw Ma Chenghai as soon as he went out.

Seeing Ye Chen, Ma Chenghai walked over with a vigorous step, and said respectfully: "My lord, at present, there are two strong men in the fifth level of the Hedao Realm and five of the first day of the Hedao Realm."

Ye Chen nodded slightly, believing that Ma Chenghai had already told them.

He didn't need to say anything about his own words.

As for the Hunyuan Realm, Ma Chenghai did not say, I believe there are many.

It is also a good force in Raksha Sea!

Ye Chen summoned the forces of the Killing Sect, and currently there are fifteen people in the He Dao Realm.

As for the Hunyuan Realm, there are so many.

Ye Chen looked at everyone and said casually the rules for killing the sect.

At present, killing the sect is not too perfect, but he is not in a hurry.

It would be great if Ye Lingtian were in Lingwu Continent Up to now, among Ye Chen's many subordinates, Ye Lingtian knew him best.

It's a pity that Ye Lingtian is still in Kunlun Xu now.

Ye Chen naturally didn't know that Ye Lingtian and Sun Yi had already arrived in Lingwu Continent.

...

Ye Chen came to the Blood Fiend Island, and he glanced at it was indeed a hundred times that of Tianling Island.

Behind Ye Chen, Ma Chenghai and Liang Xueyue followed behind. Not only that, nearly a thousand people in the Primordial Realm were aggressive.

When they appeared outside of the Blood Fiend Island, the shock of the forces, large and small, hurriedly went back to report to the family.

For these small forces, Ye Chen had no interest at all.

This time his main goal is the strong fortune realm, the overlord of the Blood Fiend Island.

From Ma Chenghai's mouth, it was learned that the three overlords of Blood Fiend Island each occupied one side and became three major families.

Ye Chen and the others were aggressive, and all the big and small forces avoided wherever they went.

After all, Ye Chen has strong good fortune around him, and there are also many strong people in the Dao Realm, and the small forces dare not stop it.

At the moment they came to Huo's house, Ye Chen stood at the door, followed by Mr. Niu.

Old Monster Huo wore a bright red dress, not only that, his hair was all red.

"I don't know who is your Excellency, what is coming to my Huo Family?"

Old Monster Huo is currently the Patriarch of the Huo Family, and his strength has reached the realm of good fortune.

In the entire Rakshasa Sea is a famous strong.

"How about subduing your Huo family?"

Ye Chen and the others wanted to stand on the Blood Fiend Island, and they had to let the three big families surrender.

What's more, these three big families don't know how many things that hurt the world and the truth, Ye Chen's move is also regarded as the people's harm.

"Your sir, the tone is too big, my Huo family is not bullying."

Old Monster Huo squinted his eyes, his eyes gradually becoming cold.

"Old Niu, you come to deal with Old Monster Huo, as for the rest, leave it to us!"

Chapter 1727: Motogenyuki!

As soon as Ye Chen's voice fell, Old Niu nodded beside him, and rushed over directly.

"kill!"

Ye Chen waved his hand, and all the warriors behind rushed out!

War broke out in an instant!

The Huo Family has occupied the Blood Fiend Island for thousands of years, and for the first time someone dared to attack the Huo Family.

Ye Chen held the Hedao artifact and faced a strong man in the Sixth Floor of Hedao Realm.

"Years kill the sword!"

Ye Chen roared, and then burst out a ray of sword light.

The law of time continued to show around him.

An extreme sword light, like lightning, suddenly descended in front of the sixth-tier heavenly powerhouse in the Hedao realm.

boom!

A frightening aura suddenly erupted in the surroundings. At this moment, Ye Chen's figure moved and appeared in front of the sixth-tier Heavenly Expert in the Hedao Realm, and cut his neck with a sword.

Ye Chen kills at the sixth level of Hedao Realm!

The corner of Ma Chenghai's mouth couldn't help but twitch. Originally, he had been following Ye Chen, just because he was afraid that someone might kill Ye Chen.

Currently he is the grasshopper on the rope with Ye Chen.

If Ye Chen died, he would not survive either!

Only seeing Ye Chen's strength, he was completely relieved.

Fighting broke out, casualties continued, and the ground was stained blood red.

The sound of killing continued, and after half an hour of fighting, a figure suddenly fell!

"Patriarch!"

At this time, a top **** of the Huo family spoke in grief.

Boss Huo has completely lost his breath now, only ten minutes.

Their Patriarch is dead!

The strong man on the killing sect's side saw that his morale was high, as if he had been beaten in blood.

As for the Huo family, there is only fear left in their hearts, their strongest is dead.

There is no hope of winning in this battle.

"Surrender, we surrender!"

Ye Chen's eyes were cold, and he looked at everyone.

"Ready to go to the next family!"

...

At the same moment.

In a large hall, a middle-aged man sitting above had a sad expression on his face.

This person is no one else, but Duanmuyan, the strongest of the Duanmu family.

The Duanmu family has long been informed that the Huo family has been destroyed.

Duan Muyan's strength is equal to that of Old Monster Huo. Even Old Monster Huo is not an opponent, so how can he be an opponent.

"Patriarch, Ye Chen is coming over now, we must make a decision as soon as possible."

One of the elders spoke.

All the elders basically wanted to surrender Ye Chen.

After all, there is a saying that is good, it is better to live than to die!

"Hey, let's surrender our Duanmu family."

Duan Muyan said these words, as if the whole person was a hundred years old.

His Duanmu family has lived on Blood Fiend Island for thousands of years, and now he wants to surrender to other forces, and Duanmuyan's current mood can be imagined.

After Ye Chen came to the Duanmu family, Duanmuyan readily surrendered and took out the family treasures.

After planting the Soul Brand, Ye Chen was completely relieved.

As for the third force, Ye Chen had not yet stepped into it, and he took the initiative to surrender.

The dust settled.

Ye Chen arranged one of the highest peaks on the Blood Fiend Island to create the Killing Sect.

Ye Chen specially arranged an array to serve as the protector of the killing sect.

"Young Master, everything about killing the sect is now formal, but it requires too many resources."

At this time, Ma Chenghai spoke. The people who kill the sect currently need to practice, and resources naturally become a problem.

"Young Master, I suggest arranging manpower to dig blood mines."

At this moment Duan Muyan stood up and said.

The blood mine is a unique mineral resource on the Blood Fiend Island. The Duanmu family used to mine minerals and sold them to the Western Regions.

"For resource matters, don't worry about it. Mining blood mines will leave you responsible for Duanmuyan."

Ye Chen now has a lot of resources in his hands and can hold on for a while.

At present, there are only three strong good fortune realm killers, and there are still many gaps in the face of the major forces in the Western Regions.

Blood Fiend Island, Ye Chen did not regard it as a long-term development, one day he would attack the Western Regions.

Ye Chen took out resources and threw them to everyone, arranged some things, and left.

He has too many things on his hands now.

The killing of the sect was handled properly, and he should also deal with the affairs of the Ten Thousand Sword Emperor Palace and Xuan Yuezong.

...

At the same time, the Northern Territory.

Thousands of sharp swords are inserted on the Qiandao mountain peaks, and the sword energy surrounds each mountain.

Inside the Palace of the Emperor of Ten Thousand Swords, the Flame Sword God, Frost Sword God and others were scarred.

The Soul Palace, the Hundred Immortal Palace, and the Sacred Dragon Family have sent many powerful stars in the Aperture Realm! There is even a stronger presence!

This time they vowed to destroy the Ten Thousand Sword Emperor Palace. Recently, the Ten Thousand Sword Emperor Palace suffered heavy losses.

Losing five swordsmen, they couldn't hold on to this situation.

Demise will happen sooner or later!

"Sect Master, open the heavens and general spirit array!"

The Frost Sword God looked at the Flame Sword God sitting above and directly spoke.

In the current situation, the Ten Thousand Sword Emperor's Palace will be destroyed, and only the forbidden ground formation can delay a period of time.

When Qingjian Immortal Venerable finds that guy, there may still be some chance.

As for Ye Chen, Frost Sword God has not considered it.

Now they need time!

The Flame Sword God did not speak, but fell into contemplation.

"Sect Master, what are you still hesitating about, the disciples of my Ten Thousand Sword Emperor Palace cannot die in vain, and their blood cannot flow in vain, even if they pay the price!"

The current situation is too late for them to hesitate, life and death are only between a single thought.

"it is good!"

The flame sword god, roared, the heavens descending spirit formation is the forbidden formation of the Ten Thousand Sword Emperor Palace.

If you want to activate, you need everyone's essence and blood, and even deplete your cultivation base. If you don't have a last resort, you will never use it.

If you want to activate the formation, you need a stone of origin to be able to activate, the ancestors of the Ten Thousand Sword Emperor Palace, just in case, specially left one in the forbidden area.

The forbidden area of the Wanjian Emperor's Palace is not only the resting place of the ancestors, but also the existence of a stone of origin.

Having made up their minds, the Flame Sword God and the Frost Sword God no longer hesitated and came to the forbidden area.

There was a twilight atmosphere in the forbidden area, these were the ancestors of the Ten Thousand Sword Emperor's Palace, where they sat.

"The thirty-fifth generation of suzerain, let the sect into a dilemma, in order to save the imperial palace, ask for the stone of origin!"

The Flame Sword God knelt down in front of a tomb. This is the resting place of the ancestor who founded the Palace of the Emperor of Ten Thousand Swords.

The Origin Stone has been stored in it.

Hum!

There was a shock from the ground, and in front of the tomb, a gap appeared with a bright green light.

A crystal clear stone contains terrifying energy.

The Flame Sword God stood up, held the Origin Stone, knelt heavily on the ground, and knocked down!

"To save the imperial palace, never give up!"

If the Ten Thousand Sword Emperor's Palace were to be destroyed, what face would he have, and then go to see the ancestors under Jiuquan.

The Flame Sword God and others left, walked out of the palace, and the battle continued to erupt.

The corridors of the palace were stained with scarlet blood and the smell of blood filled the air.

The disciples of the Wanjian Emperor's Palace had missing limbs and legs, and even blew themselves before death.

Mutilated bodies can be seen everywhere, like **** on earth.

Chapter 1728: The heavens will rise up!

As soon as the Flame Sword God and the Frost Sword God came out, the soul hall and the Holy Dragon Family's Conferred God Realm powerhouse appeared directly!

"The Frost Sword God, your Ten Thousand Sword Emperor Palace will be destroyed.

On the side of the Sacred Dragon family, a strong man in the Conferred God Realm spoke.

With the three top forces shooting, Wanjian Emperor's Palace could not survive.

"Hahaha, my Ten Thousand Sword Emperor Palace warrior, why are you afraid to die, want us to take refuge, are you worthy!"

The Frost Sword God sneered, none of the warriors in their Ten Thousand Sword Emperor's Palace were silly.

"Hmph, toast and not eat fine wine, you will destroy your Ten Thousand Sword Emperor Palace today."

The powerhouses of the three top forces wanted to make a move. The Flame Sword God threw the Origin Stone, and the entire palace erupted with a dull sound.

"Ten Thousand Sword Emperor Palace disciples, all return to the palace!"

The Flame Sword God roared, and the whole person flew into the void. Not only that, the Frost Sword God and the other powerful men, without exception, all stood in the void.

The disciples of the Ten Thousand Sword Emperor Palace heard the order one by one and returned to the palace.

The Flame Sword God and they looked at each other with a fierce expression.

Stabbed!

They took out the swords in their hands and forced out a drop of blood.

The blood entangled the entire palace, with a deafening explosion, shocking Jiu Xiao.

Huh!

Sword God of Flames, Sword God of Frost, a group of strong fortune realms, spouted blood!

The whole person's cheeks are getting paler and paler, looking extremely weak.

What is a ban? The existence of taboos!

It takes everyone's blood to use the formation!

"For the Ten Thousand Sword Emperor's Palace, never hesitate to die!"

In the void, a deafening sound resounded across the sky, and his eyes were full of unyielding expressions.

A strong man in the fifth layer of the good fortune realm, overwhelmed, fell from the void, completely without alive.

The realm of the Frost Sword God fell from the eighth level of the Star Aperture Realm to the fifth level, and I was afraid that he would not be able to return to the peak in this life.

The realm of every strong man is falling, do they regret it? For the Ten Thousand Sword Emperor's Palace, why not die?

The formation covered thousands of miles. In the Wanjian Emperor's Palace, the wind was strong and the vegetation withered and quickly turned into yellow sand.

A round of blood moon hangs in the sky!

It seems to have swallowed all life!

This formation is not a last resort and will never be used!

And now, for the Ten Thousand Sword Emperor Palace, it is a last resort!

...

The warriors of other forces thousands of miles near the Ten Thousand Sword Emperor's Palace fled frantically one by one, and they did not dare to stay any longer.

"The heavens will rise up!"

A group of powerful people roared in unison, and a blood-colored light curtain appeared in a radius of thousands of miles.

Where the light curtain is shrouded, the flying sand and the stone, the soul hall and the holy dragon family, the strength of the strongest people, has been declining!

"No, get out!"

The existence of a Conferred God Realm in the Soul Palace was shocked, and this formation was able to suppress their strength.

The strong men of the Soul Palace, the Holy Dragon Family and the Baixian Palace, dare not stay long.

The powerhouses of their Conferred God Realm, in just an instant, the realm directly suppressed the transformation realm.

Existence beyond the realm of creation is suppressed without exception!

Whoosh whoosh!

Above the void, a number of figures fell, the flame sword gods and their auras were weak, their blood was lost too much, and their origin was damaged.

It is impossible to return to the fallen state! Only stay in place for a lifetime!

For the warrior, it is undoubtedly worse than death!

It's just that they can't die. If they die, where will Ten Thousand Sword Emperor Palace go?

"My lord, what should we do now?"

Outside the formation, a strong fortune realm spoke.

"This is the forbidden formation of the Ten Thousand Sword Emperor's Palace. Unless the Origin Stone completely consumes energy, the formation will break without attack."

The powerhouses of the three top forces are well-informed and naturally understand the origin of the formation.

It is extremely difficult to deal with the Emperor's Palace of Ten Thousand Swords now. Once they enter the formation, they are suppressed to the good fortune realm, and the threat of death will be great.

"In the current situation, the Ten Thousand Sword Emperor Palace is just lingering, leaving a part of the strong to guard and keep attacking. The rest of the strong will go back!"

"Damn, we counted everything, but we didn't count this level!"

If they stay there, it doesn't make any sense anymore, leaving behind a part of the strong in the good fortune realm, turning around and leaving.

These are all powerful people in the good fortune realm, and it's okay to enter the formation, gather all the forces and warriors, and constantly want to break through the Ten Thousand Sword Emperor Palace.

The departure of the Conferred God Realm powerhouse gave Ten Thousand Sword Emperor Palace a chance to breathe, but they had to attack in the face of the Great Fortune Realm powerhouse.

Suddenly, Wanjian Emperor's Palace was miserable, and only hoped that Immortal Venerable Qingjian would find that person.

This is their only spiritual sustenance!

At least it can ease the current battle situation a bit, and not be so embarrassed!

As for Ye Chen?

They didn't put hope on Ye Chen at all!

Ye Chen is certainly connected with Bingjian Immortal!

But what they need is the Ice Sword Immortal Venerable who has cultivated to the top!

As for the Hunyuan Realm, what can it help them?

Even with the blessing of the formation now, it can only appear in the realm of good fortune!

But it's not a small Hunyuan Realm that can be shaken!

Chapter 1729: Goodbye Eternal King

At the same time, Blood Fiend Island.

Ye Chen naturally didn't know everything about Wanjian Emperor's Palace.

Killing disciples are enough to be placed here.

At the moment the killing sect is too weak, only dormant is the kingly way.

Ye Chen is very clear about the top power he will confront in the future.

Even if he is against the sky and strong, he will be a person after all.

Killing the sect is an opportunity, but also a beginning.

He will order the strong one day to crush all the existence that is blocking him.

Aura.

Blood Spirit Race.

Soul Palace.

Even the blood soul clan.

He will not be afraid from now on.

Everything was ready, Ye Chen glanced at Ji Lin who was in a coma, ready to embark on the road of Wanjian Emperor's Palace.

Ji Lin should be safe to stay on Blood Fiend Island.

I only hope that when he returns from Blood Fiend Island, Ji Lin can wake up.

Just when Ye Chen was about to leave, suddenly, he noticed something and suddenly turned behind him!

"Who!"

Hold the Blood Demon Sword directly in the palm of your hand!

Ye Chen could feel an extremely powerful aura appearing behind him!

This breath crushes everything!

Even holding the Blood Demon Sword in his hand, he was not sure if he had a chance to survive.

"Boy, I am an unarmed old man, why are you nervous?"

A lazy voice suddenly sounded.

What surprised Ye Chen was that in the distance, under a giant tree, an old man was leaning against the giant tree, holding a gourd jug in his hand, his face flushed, and he obviously drank a lot.

The eternal holy king!

Ye Chen never expected that Elder Yong would appear at this time.

There are too many doubts in his mind.

"Older Yong, why are you here?" Ye Chen said excitedly.

The eternal holy king stretched out and stood up swayingly: "You kid, want you to get a reincarnation monument, unexpectedly ran here."

"But it's not bad, the Demon Saint's Blood Demon Sword is actually in your hands."

"In the world, there are only three people who are most suitable for the Blood Demon Sword, and you are one of them."

"This is an opportunity that is hard to touch."

"As for the Reincarnation Xuanbei, your progress is actually faster than I thought. I thought it would take a year or two. Now it seems that as long as you return to Xuanyuezong, you should get it soon."

"As expected of the blood of reincarnation."

Ye Chen touched his nose, and was a little embarrassed to be praised like this: "Forever old is too good, just luck."

The Eternal Saint King took a sip and handed the flask to Ye Chen: "Sometimes, luck is also part of strength."

"But your luck is indeed against the sky, I didn't choose the wrong person."

"Also, this Blood Fiend Island is simply born for you."

"And I appear today, not for anything else, but for this **** island."

"As for the affairs of the Ten Thousand Sword Emperor Palace and Xuan Yuezong, don't worry, this matter is more important than anything right now!"

Ye Chen was slightly startled, but did not take the hip flask.

He never expected that the eternal holy king appeared here, it turned out to be Blood Fiend Island!

There seems to be no secret in this island!

The Eternal Saint King yawned and walked in one direction staggeringly: "If it wasn't for the things in it that were too important, I wouldn't come here myself."

"Fucky boy, come with me!"

Ye Chen naturally followed.

The two came to a cave covered by huge rocks.

The flask in the hands of the eternal holy king turned slightly, and a drop of wine oozes out, instantly turning into a water sword, breaking the extremely hard stone.

This scene completely shocked Ye Chen.

What is the cultivation base of this eternal holy king? A drop of alcohol can create this kind of power, which is tens of thousands of times stronger than a thousand soldiers burst!

"Don't be in a daze, I don't care about losing it."

The eternal holy king instantly entered the cave.

Ye Chen came inside, surrounded by gloomy lights and some blood crystals.

When I went deep six kilometers, I felt a huge wind and wanted to blow them in.

Until seven kilometers, the eternal holy king felt the wind and waved casually.

boom!

With a dull loud noise, the surrounding soil exploded, and there was a faint light.

"go!"

Ye Chenyi is a master of boldness, with such a strong person by his side, there is no fear at all.

When the two rushed in, a dazzling light burst out suddenly.

After a while of blindness, Ye Chen opened his eyes.

"this is....."

The moment Ye Chen opened his eyes, he was stunned by the surrounding scenery.

There are dense woods around, and even some monsters, but the moment they saw Ye Chen and the others, they fled.

"Don't look like you haven't seen the world, this place is left by the ancient strong."

"I know them too, back then... forget it, don't say it, you can't understand it after you say it."

"You control the Blood Fiend Island, it is also fate."

"This secret should be unlocked by you."

The eternal holy king said lightly.

After speaking, the eternal holy king seemed to be sleepy, so he directly found a grass and lay down.

"This place, you can go in alone. I drank too much. Squint for a while."

Ye Chen: "..."

In desperation, Ye Chen could only go deep alone.

Everything inside is unknown.

But since the eternal holy king brought him here, there must be a reason!

"Roar!"

At this time, there was a roar of monsters terrifying breath, which was shocking.

When Ye Chen saw the monster beast, he looked shocked.

This monster turned out to be a clan of Heaven-defying War Apes.

The Heaven-Defying War Ape in front of him brandished a wooden stick, with blood-red eyes, looking at Ye Chen and the others.

The strength of this Heaven-defying War Ape is not strong, only the strength of the peak of the Hunyuan Realm.

Ye Chen had a fiery look in his eyes.

Since there can be a war ape against the sky, there will naturally be a race.

If he can conquer these heaven-defying war apes, it will definitely be a great help in the future.

"Guyu Lingshen, do you have any means to subdue the monster?"

At this time, Ye Chen asked Yu Beast Spirit God in the reincarnation cemetery.

However, Yu Beast Spirit God obviously did not intend to reply Ye Chen.

Ye Chen smiled slightly and said: "In that case, I'll leave it to Demon Eye..."

As soon as these words came out, the tombstone in the reincarnation cemetery moved slightly, and a voice came slowly:

"I have this Yuju Jue here, you can practice."

The level of Yu Beast Spirit God, this method is still there.

After getting Yu Beast Jue Ye Chen took a look, and found that it is easy to practice and does not need to be complicated.

Ye Chen practiced for ten minutes, then separated a trace of soul power into the mind of the Heaven-Defying War Ape.

At this moment, Ye Chen felt that he had a connection with the Heaven-Defying War Ape.

"Tell me, where is your site!"

Ye Chen said at this moment.

As a top bloodline, Heaven-defying War Ape already has a hint of wisdom in the Hunyuan realm.

Roar!

Heaven Guards War Ape pointed his finger, Ye Chen sat directly on its shoulder.

The Heaven-against War Ape ran on the ground and rushed into the woods. After an hour, Ye Chen felt the breath of many monsters.

At this time, the Guardian War Ape stopped and pointed forward.

Chapter 1730: Temple of Reincarnation

Ye Chen swept away with his spiritual thoughts, and found that all inside were from the Heaven-defying War Ape clan, and the strongest was not in the He Dao state.

He can deal with it alone!

The breath of Ye Chen's human race attracted the Heaven-defying War Ape race in an instant.

The strength of these Heaven-Defying War Apes is not strong at all, Ye Chen can solve it with casual shots.

After solving the Heaven-Defying War Ape Clan, Ye Chen planned to continue checking, but found that the Heaven-Defying War Ape Clan had a look of fear in his eyes.

Ye Chen frowned, knowing that the Heaven-Defying War Ape had a top bloodline, and there was nothing that could scare them.

Unless it is the bloodline of the dragon or ancient beast level.

"Something seems to be wrong."

Ye Chen felt a trace of coldness at this moment.

His strength, even Baidu below zero, he will not feel cold.

Suddenly, Ye Chen's eyes shrank, and he saw a group of warriors in armor carrying a coffin.

It's just that the breath of these warriors is extremely weird!

It turned out to be a divine mind body!

And very strong!

Why is there a mind body in this place?

The weird thing is still carrying a coffin?

"who!"

At this moment, those warriors looked towards Ye Chen's direction!

When Ye Chen heard this, his heart sighed. This place was full of unknowns. Naturally, he couldn't love fighting, so he ran directly towards the position of the Eternal Saint King.

Ye Chen ran away quickly, but found that these warriors were chasing after him, and the speed was getting faster and faster, I was afraid that it would not take long to catch up with him.

Seeing the martial artist getting closer and closer, Ye Chen gritted his teeth and stopped.

Since you can't escape, you can only fight!

Ye Chen clenched the long sword in his hand, raised his legs, and slashed over.

Facing this sword, the warrior had no expression, or even avoided it at all.

Stabbed!

With one sword going down, the bodies of these warriors turned into two halves, but they reorganized in an instant.

At the moment of reorganization, he fisted out.

This fist hit Ye Chen's abdomen, and a huge force impacted his body from the outside to the inside.

Ye Chen frowned slightly.

These divine thoughts are not weaker than the power of divine thoughts in the reincarnation cemetery!

And this power is obviously above the realm of good fortune!

Where is the eternal holy king bringing him here!

With just a punch, Ye Chen knew that he was not an opponent at all.

Ye Chen stepped back two steps away from these warriors.

At this moment, the figure of the warrior disappeared in place, and suddenly came behind Ye Chen.

The warrior raised his arm and patted Ye Chen's back with his fingers.

Click!

Two punches made Ye Chen seriously injured.

hiss!

Ye Chen endured the pain and wanted to stand up, suddenly grabbing the clothes on his back with one hand.

He wanted to break free, but another warrior put the spearhead on Ye Chen's throat.

Ye Chen gave a wry smile. Now that he is arrested, whether he can survive or not, I don't know at all.

The key is that these warriors are all above the realm of good fortune!

What the **** is the eternal holy king doing?

I've been like this, still not coming out?

After these warriors caught Ye Chen, they returned to the spot, opened the coffin and threw him in directly.

boom!

With a muffled sound, the coffin was directly covered, and Ye Chen's eyes were pitch black.

He originally thought that the coffin contained corpses, but who knew there was nothing inside.

These warriors continued to move forward. Ye Chen didn't know where to go. He originally wanted to open it. Who knew that the coffin lid was too heavy to open with his strength.

Along the way, Ye Chen didn't know how long he was walking, and suddenly the coffin lid was opened.

Ye Chen was caught by these warriors, looked up around and found a huge ship.

The ship is dilapidated, and it looks a bit old.

On the ship, there were rows of warriors standing.

Pedal!

At this time, there was a sound of footsteps.

Ye Chen looked up and found a burly man walking over, wearing gold armor, his eyes exuding piercing light.

"The Hundred Battle Spirit King, people have been brought here, let's retire first!"

One of the warriors, kneeling on one knee, spoke respectfully.

"allow!"

As soon as the Baizhan Lingwang's voice fell, these warriors left neatly and disappeared in a blink of an eye.

"You smell of that guy's alcohol, I'm afraid that guy brought it."

"Come with this king!"

The Baizhan Spirit King glanced at Ye Chen, and then strode forward.

Ye Chen frowned. It was obvious that this guy knew the Eternal Saint King.

Is this the opportunity that the eternal holy king said?

Ye Chen took a look, gritted his teeth and followed.

In the current situation, one can only take one step at a time!

Ye Chen followed the Hundred Fighting Spirit King behind him and came to the ship. At a glance, it was full of warriors, patrolling in an orderly manner.

After walking for three minutes, the Hundred Battle Spirit King came to a room and stopped for two steps!

"In!"

The Baizhan Spirit King stood on the left, looking at Ye Chen with a pair of eyes.

Without hesitation, Ye Chen stepped out and walked into the room.

Now that he has come here, the Hundred Fighting Spirit King wants to kill him, without any conspiracy.

When I entered the room, the originally dark room suddenly lit up.

Ye Chen glanced at and found that there was a table around, a rattan wooden chair beside it, and a white-clothed man sat on top of him, with an elegant atmosphere on his body, with a smile in his eyes.

"Welcome to the time boat, sit down!"

The man in white waved his hand, and a rattan wooden chair appeared next to Ye Chen.

Ye Chen stepped forward and sat down, and he was at ease when he came, and there was no fear in his heart.

Sitting on the rattan wooden chair, silently, the white-clothed man said at this moment: "You are the sixth person to come to the Samsara Ship. As for the first five people are already dead."

Ye Chen frowned but didn't speak. Since the white-clothed man called him, he definitely didn't just want to kill him.

"You were brought by that guy."

"That guy had a gambling deal with us, and he even threatened that his people could break everything."

"I want to see if you deserve that guy's confidence!"

When Ye Chen heard these words, he wanted to scold the Eternal Saint King.

He thought it was a chance for Yong Lao to bring him here!

The result is for this inexplicable bet? ?

Can you be more selfish.

"You can come here, and it's that guy who shows that he has the qualifications to challenge, and then it's up to you to live or die!"

Ye Chen was silent, he didn't know what the situation was now.

The white-clothed man who appeared suddenly didn't know what identity, but from his words, it was not difficult to hear that he had no choice.

"Boy, I know you have a lot of questions in your heart, but when you pass, I will tell you everything."

As soon as the white-clothed man's voice fell and he waved his big hand, the surrounding scenery suddenly changed.

Originally a wooden house suddenly turned into a towering palace, but Ye Chen stood outside the palace.

The temple of reincarnation is written on the outside, and the majestic atmosphere also reveals a period of quaint years.
