

URBAN MEDICAL GOD

Chapter 18: The shock cannot be added!

Xia Ruoxue held the conference table with both hands, looked at Su Na, and questioned: "Su Na, what you said is true or false, which Director Sun exactly?"

Suna was overjoyed. She knew that the time for revenge was up, and she snorted coldly: "Of course it is true. What Sun Yi told me just now. If you don't believe me, ask Sun Yi.

After speaking, she raised her chin and looked at Sun Yi condescendingly, her eyes full of playfulness.

Everyone's eyes fell on Sun Yi, but Sun Yi was a little dazed.

She has a good formula for Zhu Yan Dan, but Ye Chen wrote it blindly.

How can such a deceptive formula come out?

She glanced at Suna, who was gloating, obviously intending to see her making a fool of herself.

How to do?

Is she going to be a joke of Huamei Group from today?

Xia Ruoxue stared at Sun Yi closely, and said excitedly: "Sun Yi, do you really have the formula of the beauty-retaining pill? Get it out! As long as it is true, I will immediately promote you to vice president! Plus 30% of the equity. !"

Sun Yi was shocked, she never expected the president to be so willing! These things are worth at least one billion!

But she doesn't have any formula for Zhan Yan Dan, all he has is just a torn napkin!

Xia Ruoxue saw that Sun Yi refused to act for a long time, and said displeased: "Do you think these conditions are not enough? In that case, you can make a price!"

"No..." Sun Yi stood up and quickly explained, but she really didn't know where to start. In desperation, she could only close her eyes and took out the primary Yan Yan Dan formula in her pocket and put it in front of Xia Ruoxue.

"I'm sorry... President... This is just a joke made by my friend..."

Xia Ruoxue ignored it. She glanced at some broken tissues on the table and her face changed.

Is this the formula of Zhu Yan Dan?

A formula worth a billion?

Nima, actually written on a torn napkin?

It's really impossible to treat her president as a fool!

Not only Xia Ruoxue, everyone here is a little angry!

Sun Yi, is this planning to sprinkle salt on the wounds of the group? Fool people with a torn tissue?

Just as Xia Ruoxue was about to have an attack, the medical expert Xu Lao rushed over. He just saw a few lines of formulas, the key is that this formula seems to have a cosmetic effect!

Regardless of everyone's reaction, Xu Lao carefully held the tissue and looked closer.

The more he looked, the redder his face became.

When he got to the back, his entire hands trembled, and a tear fell on his wrinkled face!

A few seconds later, Xu Lao yelled in complete disregard of his image:
"This...this is really Zhanyan Dan! This is true! My God, I can see this kind of baby in my lifetime! I die without regrets. Up!"

Because of being so excited, Xu Lao started to breathe shortly, and his whole person almost fainted.

Holding the broken napkin carefully, he trot to Sun Yi and said excitedly:
"Director Sun, where did you get this prescription? Can you tell me? I want to see the person behind this prescription! I beg you! Can I kneel down for you?"

At this moment, everyone's brains seemed to have an explosion!

Then, they were all dumbfounded! Completely confused!

If this one is broken, it cannot be broken again. The napkin that will not be picked up on the ground is actually a formula worth billions!

This is a billion!

Zhu Yan Dan? Is there really a beauty pill in the world?

Fuck, it's real or fake!

What happened in the conference room, who would believe it!

As for whether Mr. Xu will lie, everyone here is not worried at all!

Because Mr. Xu comes from a medical family and is like a hero!

It is impossible to sell yourself for money!

will not kneel down to meet the person behind!

This scene is really shocking.

It's so shocking!

can't breathe shocked!

Su Na was breathing fast, she couldn't believe it, her entire face was almost distorted, and her mouth was even more muttering: "It's impossible... absolutely impossible, how can this **** have the formula of Zhuyan Dan...it must be fake !"

It must be Sun Yi to say that the most embarrassed one! At this moment, she seemed to be sluggish!

Her eyes were staring at the tissue, her mouth opened so that she could swallow an egg.

"Is this true? Ye Cheng gave me the Zhanyan Dan? How could it be possible?"

Old Xu's eyes were filled with fire, and excitedly said: "Director Sun, you... Ye Cheng that you said is the one who gave you the formula... You... can you take me to see him, I beg you Go! I really beg you!"

After finishing speaking, Xu Lao knelt in front of Sun Yi with a handful of old bones!

This scene happened so tangibly, and those who didn't believe it were speechless!

A generation of medical masters all knelt down, how could this be fake!

Sun Yi just woke up and quickly helped Xu Lao up: "Xu Lao, don't do this, I can't bear it..."

Old Xu raised his head, and said with a trembling voice: "Will you take me to see the Master Ye?"

Ye Cheng's lonely back suddenly appeared in Sun Yi's mind, and her ears rang out her ruthless accusation against Ye Cheng today. She couldn't wait to draw a big mouth immediately!

It turned out that the ridiculous thing was not Ye Chen, but herself.

Why, why was she unwilling to believe him at the time?

But why did Ye Chen exchange such an expensive thing for three thousand yuan?

Is he crazy?

Still, he likes me, is this a token of love for me?

Sun Yi's head is very messy at the moment, and she is going crazy.

Xia Ruoxue woke up from the shock, coughed lightly, and said: "Old Xu, are you really sure this formula is useful?"

Xu Lao quickly said: "President, I dare to bet with my life, it must be useful! And this formula is a hundred times better than Lixing Beauty Group products! But..."

Xia Ruoxue was most afraid of this kind of turning words, and said coldly: "Say it in one breath!"

Old Xu continued: "But this formula seems to be damaged. It's not clear that there is a medicine in UU Read www.uukanshu.com..."

Xia Ruoxue's face changed drastically, and she quickly questioned Sun Yi: "Director Sun, what's going on!"

Just as Sun Yi wanted to speak, a middle-aged man stood up and pointed to Su Na and said, "President, I know about this. Before you came, Director Su of the Public Relations Department snatched this formula from Director Sun. Step under your feet! If you didn't come in time, this formula might be ruined!"

As soon as these words came out, everyone looked at Su Na!

Everyone's eyes are filled with fire and anger!

This is a formula that concerns the life and death of the group, this woman actually used it to step on it? You can't die!

Xia Ruoxue's eyes were cold and she wanted to attack, but she still suppressed her anger. She directly said: "Su Na, did you know that you almost killed our Huamei Group! Well, from now on, you are no longer the director of Huamei Group! Get out of the meeting room right away!

Also, if something happens to this prescription, I promise that the group will hold you criminally liable!

You better pray that this prescription is okay! "

After speaking, Xia Ruoxue turned and left!

Seeing that the president is gone, Mr. Xu and a few people in the R&D department can't help it! This woman is a treasure that spoils China! The **** person even rushed over and slapped Suna's face with a slap!

"Batch! See what you do!"

Xu Lao was also angry with his old bones, trembling and cursing:

"It turned out to be you femme fatale, you dare to ruin this baby, do you know what it means if this thing breaks! My ineffective son happens to be working for the Ministry of Culture, just wait!"

For a while, Su Na was attacked by the crowd, and the entire conference room was messed up.
