Chapter 181: Who is more humble!

This scene takes place between the electric light and flint.

The Qin master who has not taken a shot is a bit dazed! The pupils are enlarged! As if hell!

He thought his companion could beat this kid down with one move!

did not expect, the result was just the opposite!

This kid violently beheaded a strong Qin family who had entered the Huaxia Grandmaster Ranking!

His body trembled slightly, staring at Ye Chen firmly, and he stepped back subconsciously.

He knows very well that he is in the hands of the opponent and he has no power to fight back!

At this moment, Ye Chen raised his head, his gaze was like a sharp sword, he shot straight out, and said, "Come up and die!"

His voice seemed to come from the vast nine heavens.

no doubt! Don't resist!

How domineering this is!

At this moment, the eyes of the strong Qin family are full of fear!

What else could he do? There was no choice but to step forward!

When one meter away from Ye Chen, "Plop!" Kneel down!

ready to lead death!

There are rules in the Qin family in Jiangnan Province, as long as they belong to the Qin family, they cannot kneel to anyone except the Qin family!

But he can't care about anything.

Kneeling, may die later, if you don't kneel, you must die now! And he died miserably!

"grown ups....."

He didn't dare to look up at Ye Chen at all, he only knew that there was an evil \*\*\*\* in front of him!

The evil \*\*\*\* who can't offend!

Ye Chen looked at each other condescendingly, and asked, "Where is your Qin family?"

The person blurted out: "The Qin family is a little far away from here. In the Nanqin Mountain Villa in Jiangnan Province, I went on the Panshan Highway in the south of Jiangnan Province and walked 500 meters in there."

He doesn't know what Ye Chen is going to do, is this guy planning to kill the Qin family?

"Can your young master be in Qin's house?" Ye Chen asked.

The man shook his head again and again: "My lord, during this period of time, the Qin family has been mobilizing all its strength to invite someone out of the mountain. We just came back from Mount Emei a

few days ago and we didn't get any results. I have received news from that person again these days. Several young masters and some key figures in the Qin family all set off to Kunlun Mountain."

"There are dozens of people who left this time. This also shows the sincerity of our Qin family. The master once said that as long as this person is invited to the Qin family, the Qin family will inevitably become the first martial arts family in Jiangnan Province. Maybe not afraid of some families in the capital!"

Ye Chen's eyes narrowed slightly.

Qin Jiaji went to Kunlun Mountain? Did they invite people from Kunlun Xu?

His understanding of Kunlun Mountain is far better than anyone else.

With the Qin family's background, it is impossible to be qualified to step into Kunlun Xu.

is most likely a strong person on Kunlun Mountain, although it is not Kunlun Xu, it is also very dangerous.

Because there are some cultivators on Kunlun Mountain!

These people were expelled from Kunlun Xu for various reasons, and their strength was so powerful that they might even surpass themselves!

But these people are cold and arrogant and indifferent to fame and fortune.

Unless the Qin family offers enough attractive conditions, otherwise these people will not go down the mountain at all.

Right now, it's useless for him to go to the Nanqin Villa, and only a few people were killed.

"Do you know everyone in the Qin family, when will they come back?" Ye Chen said.

The strong Qin family shook his head like a rattle: "My lord, my status in the Qin family is average. How do you know this kind of thing? If you follow the progress of the last Emei Mountain, it will take at least half a month... It mainly depends on the big man on Kunlun Mountain. attitude....."

"I see, now, do you commit suicide or do I do it myself?"

Ye Chen looked at each other indifferently.

The Qin family powerhouse was startled. He originally thought that if he said these things, the other party would let him go, so that he could notify Qin Shao.

Let the Qin family send the strong back to Jiangnan Province to kill this son.

But he didn't expect this young man to be so cruel, he didn't plan to stay alive from the beginning.

The powerful consciousness of survival erupted from his mind, no longer hesitating, drew a dagger from his waist and pierced it directly at Ye Chen's chest!

Ye Chen sneered, stretched out a hand, and directly grabbed the dagger.

In this way, his five fingers held the sharpest part of the dagger.

But there was no drop of blood.

The strong Qin family was shocked.

Before he could react, Ye Chen's arm shook, the man's wrist was broken, and the dagger fell off.

After that, Ye Chen stepped on his feet, and the dagger seemed to condense a sharp arc, directly sinking into the person's neck.

"Puff!"

Blood bursts like a fountain.

horrified eyes fell in a pool of blood.

Ye Chen left the garden and asked Xiao Deng to deal with the corpse, and then went to Xia Ruoxue's room.

But soon, he stopped because Xia Ruoxue appeared in the living room.

And beside her stood a majestic middle-aged man.

Xia Hongye!

Xia Hongye received the news from the gate, and naturally came back as soon as possible. When he saw Ye Chen, his eyes were extremely complicated.

"Ruoxue, go back to your room."

Xia Hongye ordered.

"Dad! I won't answer."

Xia Ruoxue stood beside Ye Chen without hesitation, guarding Ye Chen firmly.

Ye Chen smiled, with a relieved expression, and said to Xia Ruoxue in front of him: "Ruoxue, go back to your room, I promise you, UU will come to you within five minutes by reading [www.uukānshu.com](http://www.uukānshu.com)."

Xia Hongye is nothing in his eyes.

And the expression in Xia Hongye's eyes just now didn't have a trace of hostility, but rather...pity.

Xia Ruoxue glanced at Ye Chen, bit her red lips, nodded, and disappeared into the hall soon.

There are only two men left in the hall.

"Your name is Ye Chen, right, sit down."

Xia Hongye made two cups of tea and put one on the opposite side.

Ye Chen nodded and sat on the sofa.

Xia Hongye glanced at Ye Chen, he found that this kid didn't have the slightest inferiority or weakness in front of him, which was extraordinary.

If there is no Qin Family, maybe he would really like to give Ye Chen a chance.

Xia Hongye took a sip of tea and said straightforwardly: "Ruo Xue and Qin Zhengyang's marriage, you should know about it."

"I know."

"The background of the Qin family, you should have learned about it from various aspects."

"Ok."

"I know your Tianzheng Group and your martial arts strength. You defeated Yuan Jingfu. According to Yuan Lao's true strength, your position on the Huaxia Grandmaster Ranking should be around 350.

I have to say, you are a young man with great potential, but do you know Qin Zhengyang's position on the Huaxia Grandmaster Ranking? "

Ye Chen did not speak, his eyes were very calm.

Xia Hongye shook his head. I don't know why Ye Chen could still do it so confidently. He put down his teacup, very serious, and said:

"Since I don't know, I tell you that Qin Zhengyang is one of the top ten martial arts geniuses in Jiangnan Province. Just a few days ago, he just killed a strong man, so now his strength ranks 199 on the Huaxia Grandmaster list! The gap with him is like heaven and earth!"

Chapter 182: Qianlong Building!

199 on the Huaxia Grandmaster List?

The gap is like heaven and earth?

Hearing these words, Ye Chen smiled, smiling very brightly.

In the eyes of others, this Qin Zhengyang may really be the pride of heaven!

entered the top 200 of the Huaxia Grandmasters list at a young age.

stood behind the extremely powerful Qin family.

The future is limitless!

But in Ye Chen's eyes, what does Qin Zhengyang count?

Aside from the reincarnation cemetery, it is impossible for Qin Zhengyang to kill him!

He is a cultivator from Kunlun Xu!

What is a practitioner?

across the world! Destroy ghosts! Kill the demon! Guards!

There is no reincarnation cemetery, he is not afraid, let alone he has a reincarnation cemetery.

There are a hundred top powers standing behind him. The people he wants to kill can't even be stopped by heaven!

Even if Qin Zhengyang is shocked to be gorgeous, even if the Qin family is overwhelmingly powerful, so what!

Even if the Huaxia Grandmasters list stands in front of him first, so what!

They are mortals after all!

will eventually turn into dust!

One hundred years later, the world will inevitably forget.

And he Ye Chen, after a thousand years, China will still have his legend!

Xia Hongye was still smiling when he saw Ye Chen at this time. He became more helpless and said: "Ye Chen, stop it, I will do my best to help you plead with the Qin family and let them let you go."

Ye Chen snorted coldly, and interrupted: "Uncle, your kindness, I take it with Ye Chen! But the Qin family's affairs, I will handle it myself! No need for your intervention."

Refused?

Xia Hongye was startled, then he thought about it. He knew that what he said just now unknowingly hurt Ye Chen's self-esteem. The opponent's refusal was just the last stubbornness, and said: "Ye Chen, uncle is here. I'll give you a piece of advice. Chaotic plotting, don't regret losing your life. If your life is gone, talk about the future."

"Don't you have a military background? It's best for the military to come forward to protect you. This is the best way to do it."

Ye Chen stood up, glanced at Xia Hongye, and said: "Uncle, you don't know me, please don't assert my future. Although the world is big, there is no power to make Ye Chen condescend."

In your eyes, the Qin family may be terrible, but in my eyes, there is no difference between the Qin family and the ant sentient beings. When they come back, they will kill them. "

At this moment, Ye Chen released a very strong temperament!

In Xia Hongye's eyes, it is like a peerless strong man on the top of a mountain overlooking all living beings!

"Five minutes have come, I promised Ruoxue to find her."

After speaking, Ye Chen walked away.

Only Xia Hongye, who was shocked in the living room, was left.

After a while, he reacted with a strange expression.

The Qin family is an ant?

killed?

"hiss——"

Ye Chen said so loudly! Although you are strong, can you easily erase a top martial arts family in Jiangnan Province?

Even crazy is not such a crazy method, right.

Originally, Xia Hongye still had some good feelings for Ye Chen, but now, Ye Chen's impression in his heart has fallen to the bottom.

Don't think about making progress! No one is defiant! Arrogant!

This kind of person, no matter how talented and potential, will inevitably die!

It seems that the next step is to do the psychological work of Ruoxue, this kind of person is not worthy of his daughter!

After half an hour, Ye Chen left the Xia family.

Before leaving, Ye Chen told Xia Ruoxue the address of the villa, and Xia Ruoxue also promised Ye Chen that she would find a way to find him these days.

At the door, Xiao Deng greeted him.

"The corpse was processed?"

"It's done, Mr. Ye, where are you going now? Back to the villa?"

Ye Chen shook his head, his icy eyes condensed, and said: "Go to Qianlong Building."

Xiao Deng was startled, his face turned weird!

This Qianlong Building is the site of King Nanjiang!

This man controls all the forces in the entire building!

This man controls the operation of the underground world in Jiangnan Province!

This man abruptly became a restriction on the existence of those Jiangnan families!

Not only that, but Nanjiang King's own martial arts strength is extremely terrifying, and he has cultivated a mysterious martial arts force.

It is said that it can compete with the Budo family of Jiangnan Province!

No one has seen this force.

No one is qualified to see this power!

What did Mr. Ye do here?

seemed to have noticed Xiao Deng's doubts, and Ye Chen said: "I heard that this Qianlong Building is very powerful in Jiangnan Province, so I just had to take a look."

Xiao Deng suddenly realized: "So, Mr. Ye, Xiao Deng doesn't know if he should say something wrong?"

"Say."

Xiao Deng hurriedly said: "In Jiangnan Province, there are three kinds of forces that cannot be messed with. First, the Jiangnan Provincial Budo Association, second, the top martial arts family in Jiangnan Province, and third, the Nanjiang King of the Qianlong Building."

Ye Chen got into the car directly, ignoring Xiao Deng.

He can't say that these three can't be messed with, he should take them all, one of them is his own power.

Twenty minutes later.

The car stopped near Qianlong Building, Ye Chen directly ordered Xiao Deng to leave, and then walked towards Qianlong Building.

Standing at the door of Qianlong Building, Ye Chen found that this building was extremely magnificent, far from the Tianzheng Building in Jiangcheng.

is almost a landmark in Jiangnan Province.

The few people stationed at the key door are not weak in strength, and one of them is even stronger.

Not only that, Ye Chen could clearly feel upstairs, there were a few pairs of cold eyes staring at everything below.

Once there is a turmoil, it must be killed immediately.

"This Ye Lingtian has come up with a name," Ye Chen admired.

Stop thinking about it~[www.mtlnovel.com](http://www.mtlnovel.com)~ Ye Chen made sure that no one was following, so he went inside, and soon several cold voices sounded!

"Stop!"

"Stop!"

Ye Chen just wanted to talk, a woman with a large body quickly walked out of it. When she saw Ye Chen, she greeted her with joy, and said respectfully: "Mr. Ye, you are finally here."

The moment he leaned, the fullness of his chest was looming.

"Ok."

The woman got the answer, smiled, pretty amorous, twisted her fat buttocks, and said: "Mr. Ye, please come with me."

When passing those strong gatekeepers, his expression became extremely serious, and he warned: "In the future, Mr. Ye can enter and exit the Qianlong Building at will, and no one can stop him."

The expressions of the few people changed drastically, and they nodded repeatedly, even engraving Ye Chen's appearance in their hearts.

The woman led Ye Chen through the hall and came to an elevator.

Fingerprint and iris recognition, the elevator opens.

"Mr. Ye, please."

Ye Chen walked in, then the woman pressed a button and the door closed.

The air is quiet.

The woman broke the silence, moved suddenly, half-kneeled in front of Ye Chen, respectfully said: "See the Hall Master, my name is Zheng Ke, and I am a person next to King Nanjiang. Just now to protect the true identity of the Hall Master, I did this."

Ye Chen nodded: "Get up, I understand."

After all, the people outside are not counted as the true core forces of King Nanjiang. In case of rebellion, the consequences would be disastrous.

Nanjiang King and Zheng Ke did this to protect their identity in disguise.

Chapter 183: power!

Ye Chen knew that the king of Nanjiang and his mysterious forces must be outside the door.

When this force was exposed, it was when Ye Chen became the first person in Jiangnan Province!

Five seconds later, the elevator door opened.

A strong aura and vigor surged towards him.

Ye Chen narrowed his eyes, and glanced around.

He found that this place was extremely vast, like a square.

And the center is standing with a hundred strong people!

Everyone's eyes are like knives, with their heads high and chest tall, with a strong breath of power on their bodies.

What surprised Ye Chen was that all fifty of them had stepped into the realm of masters!

is very strong!

Collect hundreds of warriors! Play free!

There are even a few people who are far superior to those strong in the Jiangnan Provincial Budo Association!

If these people are put outside, those big families will inevitably fight for it!

This...is it Ye Lingtian's mysterious power?

Ye Chen is sure that if this force is trained for some more time, it will even be eligible to fight against some top martial arts families in Jiangnan Province!

"Hall Master, please, everyone is waiting for you." Zheng Ke respectfully said.

I don't know why, her voice is trembling.

These people actually knew a few years ago that the man behind Qianlong Building was not Nanjiang King at all!

but someone else!

The King of Nanjiang has told everyone countless times that that man is their palace master!

The direction pointed by the hall master Jianfeng is their battlefield!

But for so many years, they have never seen the lord.

Everyone is curious! Everyone is looking forward to it!

And now, countless hot eyes fell on Ye Chen's body like this!

Lord! Finally appeared!

Doubt, excitement, two complex emotions entangled in their hearts.

Because the palace owner is a bit different from the imagined figure, in their opinion, the palace owner should be a middle-aged man with a terrifying breath.

But a young man was welcomed.

But this does not affect their beliefs!

A middle-aged man at the front of the crowd, with firm eyes, clenched fists, and the blood in his body seemed to be burning. It was Nanjiang King Ye Lingtian!

He waited for this moment for too long!

Waiting for this man is his life's mission!

The medal on his chest shone with a faint blood.

The pattern of the medal is very strange. It is a bloodthirsty black dragon. The black dragon seems to be hovering above the clouds and mist, covering the sky and the sun. It is a young man looking down at the top of the mountain!

And this young man is Ye Chen!

His ancestors surveyed that the family would completely disappear in a hundred years, and the only way is for him to use the secret method to break the secrets and find a purple-qi Wolongge emperor.

The ancestors used his remaining 20 years of lifespan in exchange for this medal! I only hope that the family's fortune can be completely changed!

Ye family ancestors have been passed down for a hundred years!

The emperor in this medal is also named Ye! I will meet Ye Lingtian in a hundred years! Ye Lingtian must be firmly grasped, otherwise he is a sinner of extermination!

It was not Ye Lingtian who chose Ye Chen, it was this medal that chose Ye Chen!

Ye Chen at this moment has already walked in front of Ye Lingtian. Just about to ask a question, Ye Lingtian moved!

stepped forward, and appeared in front of Ye Chen.

At the same time, he knelt on one knee, his knee hit the ground, and the strong energy even caused bursts of air around him.

This power is absolutely shocking when placed outside!

"The dark palace Ye Lingtian, see the hall master!"

"Touch! Touch! Touch!"

The strong men behind him also acted exactly like Ye Lingtian.

All kneel down!

How spectacular this picture is!

"See the Lord!"

"See the Lord!"

At this moment, almost everyone is shouting the word Palace Lord.

They have been practicing day and night in the past few years and are waiting for this moment.

is waiting for the review by the lord!

No one knows the price of their hard work!

Both physically and mentally exhausted, they all clenched their teeth!

At this moment, they are almost roaring, shouting, just want to shout out all the depression now!

The power of sound makes people feel extremely determined!

Waves of blood surged over their bodies, and their blood rushed into the sky, forming a blood dragon phantom.

Zheng Ke beside Ye Chen also knelt down, her heart seemed to be blown apart by the scene in front of her!

She can feel the blood boil all over her body!

All the powerhouses in the dark palace are the same!

Ye Chen looked at these people, his eyes a little complicated.

One hundred and two Qinguans belong to Chu in the end, and three thousand more can swallow Wu!

is talking about this group of people!

He can feel that these people are waiting for him.

Waiting for him to lead this group of people on the entire Chinese territory! Let the word Dark Palace tremble the entire China!

Ye Chen stepped forward, his hands behind him lightly raised, and said: "Everyone, get up!"

The words fell, and the sound of all brushes sounded, and every strong man in the dark hall stood like a javelin.

All eyes were directed at Ye Chen, waiting for Ye Chen's words.

Ye Chen glanced at a stone pillar standing in the center. The stone pillar was four meters high and looked like the sky. He no longer hesitated. He stepped out in one step. The anger was on his feet. He jumped up and stood directly. Above the stone pillar!

Very relaxed.

With this single hand, everyone's eyes shrink slightly and it is not difficult to step on the stone pillar, but no one can do it so easily!

Ye Chen's image instantly rose.

Above the stone pillar, Ye Chen glanced at everyone and said, "Since everyone is willing to recognize me as the master of the palace~[www.mtlnovel.com](http://www.mtlnovel.com)~ I also recognize each of you strong in the dark palace."

"You are not my subordinates, let alone my slaves, you are all my Ye Chen's brothers!"

"I assure you one thing, if any outsider dared to hurt the dark hall, I will kill his whole clan. If anyone in the world hurts the dark hall, I will kill all the people! Take this stone pillar as an oath! "

The words fell, Ye Chen stepped on his right foot! An extremely terrifying energy blasted towards the entire stone pillar!

There were cracks on the surface of the stone pillars! Like a spider web!

After that, Ye Chen leaped and came below.

The moment he landed on his feet, a loud noise broke out, and the entire stone pillar was completely shattered!

You need to know that this stone pillar is made by Zhenwu Stone, and its function is similar to the sandbag in boxing!

These dark hall powerhouses hit this stone pillar with their fists every day, practicing bones and muscles and extracting their flesh! But this stone pillar has never been broken!

But this palace master collapsed with a single kick!

What kind of power does this require?

Ten thousand catties are not enough!

"Hiss!"

Those strong in the dark hall took a deep breath, staring at Ye Chen, his body seemed to be completely petrified.

Do not move!

How domineering this is! What a majesty this is!

There were some people in the crowd who had some doubts about Ye Chen's age, but at this moment, they could only be convinced!

The king of Nanjiang nodded in the distance.

Although he has been instilling the power of the palace master to this group of people, as a martial artist, he is more or less arrogant in his heart. Seeing Ye Chen so young, he must not accept it.

Ye Chen showed his hand like this and eliminated all worries.

But, it's still the last step!

Chapter 184: The strength of King Nanjiang!

Suddenly, Nanjiang King Ye Lingtian took a step, clasped his fists in both hands, and said to Ye Chen: "Hall Master, my subordinates want to discuss with you!"

He said this sentence for a reason.

First, he wanted to know how strong Ye Chen's real strength was, and how much difference was between the two.

Second, because of deep-rooted reasons, in the eyes of this group of dark hall powerhouses, the three characters of King Nanjiang must be heavier than the hall master. This is not good for the hall master, but if the hall master defeats him, then It's the opposite!

Ye Chen didn't expect that Ye Lingtian would come here suddenly and discuss with himself?

However, for so long, he really didn't know Ye Lingtian's strength.

Everyone in Jiangnan Province said that the king of Nanjiang is terrifying. How terrible is that?

"Ye Lingtian, how do you rank on the Huaxia Grandmaster Ranking?" Ye Chen asked.

This is currently the most intuitive way to measure Chinese warriors.

Ye Lingtian shook his head and said earnestly: "Hall Master Qi, I have no interest in this Huaxia Grandmaster Ranking. However, a few months ago, I seemed to behead a strong man in the top two hundred. not very clear."

"Actually, the Huaxia Grandmasters list is not necessarily accurate, because the data of many strong players are only a few years ago. Their current strength has long surpassed that ranking, and there are some hidden masters in Jiangnan Province who have never been on the list. , But the strength is absolutely terrifying!

However, if you enter the top 100 of the Huaxia Grandmasters list, there will be specialized statistics, and this data will be much more accurate. "

Ye Chen nodded. According to this statement, Ye Lingtian's strength must be stronger than Qin Zhengyang, so it doesn't matter if it is Tang Ao's opponent.

, let's take a look at Ye Lingtian's strength today!

Ye Chen stepped out and said seriously: "Go ahead."

Those dark palace powerhouses scattered one after another, giving the palace master and Nanjiang king a huge space.

Ye Lingtian's eyes condensed, extremely serious!

He has seen Ye Chen's strength in the Budotai! Very scary!

Naturally, there is no need to release water.

He bent his knees and burst out loudly, rushing out like an arrow, carrying strong wind around him!

Very fast!

came to Ye Chen in the blink of an eye.

Hit it with a punch!

Ye Chen drew sideways, Ye Lingtian shouted angrily, and fisted to meet Ye Chen, opening and closing, tigers and tigers vigorous, extremely powerful, and they followed a completely violent route.

More importantly, the surrounding air seemed to be punched through by Ye Lingtian, and bursts of air bursts.

In an instant, Ye Lingtian overlapped his fists back and forth, blasting forward constantly, striding forward under his feet, bullying and aggressive.

Ye Chen could feel Ye Lingtian's domineering.

If he didn't break through to the aerodynamic state, I guess he was really not Ye Lingtian's opponent.

"Hall Lord, love it!"

Ye Lingtian's voice sounded!

"it is good!"

Ye Chen didn't hesitate, the Canglong phantom body surged under his feet, and he took it with a palm!

seems to tear the wind!

"Good job!"

Ye Lingtian retreated, and then swept towards Ye Chen with a sharp kick!

Ye Chen didn't dodge, changed his palms into claws, and directly clasped the opponent's ankles, and then his power exploded, and he directly threw the opponent out!

Ye Lingtian's expression changed, and at the moment when his body was about to hit the wall, he suddenly turned over, stepped on the wall, and shot at Ye Chen!

There is a footprint of three centimeters on the wall!

Horror!

"Strong Shadow Fist!"

Ye Lingtian used a killer move.

After        screamed, I saw the shadow of the fist all over the sky, as if blocking all Ye Chen's dodge routes, and there was a burst of fists in my ears!

Ye Chen narrowed his eyes, extremely calm.

The strength of this Ye Lingtian far surpasses some of the martial arts masters he killed.

It seems that the 200th place on the Huaxia Grandmaster List is a watershed!

Only the top 200 can be called the real master of martial arts!

At the moment when the Mantian Fist Shadow was about to fall~[www.mtlnovel.com](http://www.mtlnovel.com)~ Ye Chen moved, took a step, and went to meet the Mantian Fist Shadow!

In the shadow of        , only one punch is real!

boom...

The two fists intersected, making a deep sound like thunder.

In the next second, Ye Lingtian's complexion changed drastically, his blood surged, and the whole person retreated ten meters, almost falling to the ground.

Wow...

Seeing this scene, those strong in the dark hall were dumbfounded!

Jinying Fist is the strongest blow of the King of Nanjiang. Looking at the entire Jiangnan Province, no one can find the most real punch from the sky full of fist shadows!

But the lord found it!

not only found it, but also forced Nanjiang King back dozens of steps!

Everyone's eyes widened, and they looked at everything unexpectedly in disbelief.

Ye Lingtian smiled! He hasn't had such a hearty fight for a long time!

"Come again!"

He rushed out like a tiger descending a mountain!

awe-inspiring!

But as soon as Ye Chen's body was approached, a powerful force blasted out. His figure was thrown high, and the whole person flew back to the sky, and his head hit the wall fiercely. surface.

His eyes were horrified, this smash, absolutely something went wrong!

At this moment, a black shadow appeared and directly buckled his shoulders, his power exploded, and his figure fell firmly to the ground.

That dark shadow is Ye Chen!

In the first battle, Ye Lingtian was defeated, completely defeated.

Ye Chen gasped slightly, his forehead was already covered with sweat. After coming to China, this battle was the most difficult for him.

If it weren't for him to lead too much in martial arts and combat experience, maybe he could only tie with Ye Lingtian.

Ye Lingtian suppressed the shock in his heart and knelt down fiercely: "Thanks to the Lord for your mercy!"

Chapter 185: I can save!

"Get up, this is a discussion in itself, I didn't collect too many hands, your strength is very good, you don't have to be called the King of Nanjiang." Ye Chen praised.

Then, Ye Chen took out an elixir, handed it to Ye Lingtian, and said: "You should feel better after taking this elixir."

"Thanks, the lord."

Ye Lingtian took the pill and took it directly. The fragrance of the medicine overflowed. He felt that his injury was not only relieved, but his strength also improved a lot.

He just wanted to talk, Ye Chen said: "Give me paper and pen, and then arrange a quiet place, I will give you some opportunities."

Ye Lingtian's eyes were happy, and he quickly said, "Yes, the lord."

For Ye Chen, Ye Lingtian cared more about the former than Wu Xiangming.

And the stronger the King of Nanjiang, the more terrifying when this atrocious soldier breaks out!

So, what he has to do now is turn Ye Lingtian's weakness into an advantage! Luo Yuntian, the strong man of the first tombstone, gave him many martial arts, which are very suitable for Ye Lingtian's domineering style!

Ye Lingtian took Ye Chen to a secret office, Ye Chen directly wrote down two martial arts and a mental technique, and then handed them to Ye Lingtian.

"In the coming days, you will learn these three things as soon as possible. If you don't understand, you can call me." Ye Chen explained.

Ye Lingtian glanced at the three pamphlets, his arms trembled, and his eyes were bloodshot.

He knows the value of the three books in his hand!

He also knows very well that once he masters these three books, his strength will reach a terrifying point!

"Also, you will no longer be an ancient warrior in the future. Remember, you are a cultivator. As for the division of realms, I have already written them on it. Body Tempering Realm, Kaiyuan Realm, Pneumatic Realm, Separation Realm, True Realm Realm, Spiritual Tour Realm, each of these six realms is divided into nine levels!

There are some similarities between ancient martial arts and practice. You don't need to start from scratch. At present, your realm should be around the peak of Kaiyuan realm, and strive to break through the pneumatic realm as soon as possible! "

Ye Chen took out another twenty pills and gave them to Ye Lingtian.

"Hall Master!" Ye Lingtian didn't know what to say.

Such a valuable thing, he deserves it!

Ye Chen smiled: "You are the right arm of my Ye Chen, and the brother I care about. If you are strong, the dark temple is strong! Jiangnan Province is too small, what you have to do is to strengthen yourself and lead the dark temple to the capital! To conquer China, this strength is not enough now."

"Subordinates understand!"

Ye Lingtian heard Ye Chen's words, his fists clenched, and his eyes flashed firm.

After explaining everything, Ye Chen left.

After leaving Qianlong Building, he wanted to make a call to Xiao Deng, but found that there was an unread WeChat message on his phone.

I opened it and found that Xia Ruoxue had sent a coordinate half an hour ago. The coordinate showed the First People's Hospital of Jiangnan Province.

At Xia's house just now, Ye Chen mentioned that he wanted to see her grandmother, and asked Xia Ruoxue to send her coordinates when she arrived at the hospital. The other party apparently did so.

Xia Ruoxue should be in the hospital now.

Ye Chen didn't plan to find Xiao Deng anymore, so he took a taxi and went directly to the hospital.

.....

Ten minutes later, Jiangnan Province First People's Hospital, VIP ward area.

Ye Chen brought some fruits to the ward, and saw that Xia Mu and Xia Ruoxue were both there.

Xia's mother was a little haggard, she lost her former arrogance, her dark circles were very heavy, and she obviously didn't sleep well in some days.

"Mom, Ye Chen come to see grandma." Xia Ruoxue said softly, for fear of her mother being angry.

But unexpectedly, Xia Mu did not fluctuate in the slightest. She glanced at Ye Chen and nodded: "I'm interested."

Ye Chen put down the fruit, his eyes fell on the old man on the hospital bed.

At the banquet, he paid attention to Xia Ruoxue's grandmother. There was no major physical problem, and it was logically impossible to have an accident in a short time.

But right now, he found that the old man was hanging in one breath, and he might be killed at any time!

Ye Chen frowned, stretched out his hand and held it directly above the old man's pulse.

Seeing this scene, Xia Ruoxue and Xia Mu were stunned, what is this guy doing?

Take your pulse?

Although Xia Ruoxue has been with Ye Chen for many days, she never knew that Ye Chen was good at medicine.

"What are you doing?" Xia Mu's expression was a bit wrong.

After all, the doctor explained that it is best not to touch the body of the elderly, otherwise there may be accidents.

Ye Chen ignored it, and a chill gradually appeared in his eyes.

He knows the problem!

The old man was not sick at all, but was blocked by someone with a special breath!

abruptly turned a living person into a living dead!

This kind of witchcraft can't be found by the best testing equipment in the hospital!

Ye Chen released his hand, looked at Mother Xia, and said earnestly every word: "Who was the last person to contact before grandma went into a coma!"

Mother Xia was startled, her face was a little pale, Qin Zhengyang was the first thing she thought of in her mind!

But once she said it, Xia Ruoxue would definitely become more resistant to Qin Zhengyang.

According to Ruoxue's personality, she would definitely not agree to the marriage contract with the Qin family! Even the possibility of shaking is gone!

She could only shook her head and said: "Ruoxue's grandmother... has always been with me, she... she didn't touch anyone."

Ye Chen sneered: "Auntie, do you still have to lie at this time? She is not only Xia Ruoxue's grandmother, but also your mother!"

"If you tell the reason, I can save her."

His tone is full of no doubt!

Mother Xia's eyes widened, her body trembled, and she grabbed Ye Chen's hand: "You...what did you say, can you rescue her?"

Xia Ruoxue is also surprised~[www.mtlnovel.com](http://www.mtlnovel.com)~ She knows that Ye Chen's martial arts is very strong, but she never knew that this guy can also medical skills!

"I Ye Chen is responsible for what I said, provided that you tell the real reason!" Ye Chen said.

Xia Ruoxue looked at her mother and asked, "Mom, is grandma really doing this because of other things?"

She had long felt something was wrong, but her mother kept saying that her grandmother had a physical problem, and she didn't pursue it. After all, her grandmother is getting older.

At this moment, Mother Xia stared at Ye Chen, she believed Ye Chen's words.

Because up to now, what this kid said has almost come true, not to mention this kid can't make fun of Grandma Ruoxue's life.

She hesitated for a few seconds, but still said: "Qin Zhengyang injured it."

Before the threat of Qin's family and mother's life, she chose the latter without hesitation.

Xia Ruoxue was stunned when she heard the next three words, and immediately her face turned pale! More mixed with a trace of anger!

Although the Xia family cannot compete with the Qin family, Xia Ruoxue would not marry Qin Zhengyang even if she died!

What qualifications does this kind of scum match her!

At this moment, Ye Chen was also burning with anger in his heart!

It's Qin Zhengyang again!

Does this brute have to torture even an old man!

If it weren't for Qin Zhengyang to go to Kunlun Mountain, he would have escaped.

Ye Chen can guarantee that he will leave for Qin's house immediately, torturing Qin Zhengyang alive to death!

He suppressed his anger, took out a few silver needles from his pocket, and shot them directly!

Right now, the most important thing is to save people!

Moreover, he not only wants to save people today, but also fights against Qin Zhengyang in the air!

Chapter 186: Wound people in the air!

I saw the silver needle shot on Grandma Xia Ruoxue's body.

trembling constantly.

is even more sizzling voice.

At the same time, Ye Chen pinched his fingers, and a faint qi flowed at his fingertips.

Xia Ruoxue and Xia Mu naturally couldn't see the true energy, but at the moment when Ye Chen shot the silver needle, they believed that Ye Chen could heal.

Whether a person is genuine or not, the temperament can be displayed.

As for whether there is such a \*\*\*\* as Ye Chen said, you can only see the result!

Ye Chen closed his eyes, let go of the spiritual sense on his body, and slightly controlled the silver needle.

In the next second, the silver needle inserted in Grandma Xia Ruoxue's body actually moved!

"how is this possible?"

Seeing this weird scene, Mother Xia's eyes widened, and her heart throbbed, completely changing Ye Chen's senses!

changed from disdain to surprise, and from surprise to fear!

She had heard of a magical acupuncture method before, and thought it was just a legend. Now it looks exactly like the one in front of her!

Her eyes fell on Ye Chen.

Who is this kid?

Where did he learn this heaven-reaching technique?

Ye Chen didn't stop, and took out a few silver needles again. The silver needles fell one after another, forming a formation. At the same time, Ye Chen moved vigorously around the direction of the silver needle!

"Using Qi to protect needles?"

Xia Mu could no longer suppress the inner vibration, exclaiming.

Hearing the movement, Xia Ruoxue looked at her mother curiously, and whispered: "Mom, what is Qi Yuzhen?"

Mother Xia thought for a while, but in the end she didn't speak, because she didn't know where to start.

In the history of China, this is just a legend!

Ye Chen didn't pay attention to the two behind him at all. For him, this was just the beginning!

The human body is itself a huge magnetic field!

Using the magnetic field as the core, build an array on the body!

Use infuriating energy to revitalize this formation!

This is the strongest technique Ye Chen has learned over the years!

Even a person who has half of his foot in the ghost gate can be pulled back!

"five four three two one....."

Ye Chen counted silently, and when the count reached one, his eyes condensed, and one pointed to Grandma Xia Ruoxue's eyebrows!

Billowing infuriating infuriating surging through the eyebrows!

Soon, Ye Chen found a cloud of black air on Grandma Xia Ruoxue's chest!

His eyes were very cold, and all his true energy was directly surging toward the black energy!

"Break me!"

Those black qi clearly felt something was wrong and wanted to escape, but it was too late!

Ye Chen had already condensed the formation on the body of Xia Ruoxue's grandmother, waiting for this black energy!

The moment the black qi burst out of Grandma Xia Ruoxue's body, the closely arranged silver needles and true qi seemed to form a large white net!

trapped the black air!

There is nowhere to escape!

"If you want to go, bring my present to the beast in Kunlun Mountain!"

With an angry shout, Ye Chen forced a drop of blood and shot directly on the black energy.

In an instant, the black gas burned as if it had encountered something extremely terrifying.

Very painful!

In just a few seconds, the black gas was burned out!

An unpleasant smell came from the ward.

Ye Chen exhaled a foul breath, put his hands behind him, and looked in the direction of Kunlun Mountain!

He smiled, the arc of his mouth was like death staring at the prey!

.....

At the same time, deep in Kunlun Mountain.

Dozens of people from the Qin family stood outside a quaint courtyard, waiting anxiously for something.

The heads are crowded and it is quite spectacular.

Everyone has sincerity written on their faces.

In ancient times, Liu Bei visited the thatched cottage three times, so he would do Liu Bei once in the Qin family!

Not far away, a wicked young man was sitting cross-legged, running his true energy, obviously intending to practice while waiting.

He is exactly Qin Zhengyang, one of the ten geniuses of Jiangnan Province!

Suddenly, Qin Zhengyang noticed something, his eyes opened, and a touch of astonishment filled his face!

His blood was surging, he wanted to suppress something, but he couldn't suppress it at all. He couldn't help it anymore, spit out a mouthful of blood with a "pop!"

pale to the extreme! The body even fell to the ground!

Weakness to the extreme!

Several elders from the Qin family apparently discovered something, and quickly gathered around.

"Master!"

"Master, what's wrong with you?"

Just when they were going to help Qin Zhengyang, a shocking roar of the earth!

"Who the hell! Who the \*\*\*\* broke Lao Tzu's spells! Who the \*\*\*\* is it!"

Qin Zhengyang's face is terrifying to the extreme, and he only works on one person!

That is Xia Ruoxue's grandmother.

The master handed it over to him in order to control some people, and even the master said repeatedly that no one in China could break this kind of magic!

But the spell before him was broken, not only that, but he also suffered a backlash, and his cultivation base fell sharply!

His internal organs were all invaded by a force, and he couldn't recover after ten days and a half months.

The cost is painful!

An accident happened in Jiangnan Province!

Someone tried to rescue Xia Ruoxue's grandmother~www.mtlnovel.com~Damn it!

"Zhengyang, what's the matter?"

A middle-aged man came over, his face full of concern.

Qin Zhengyang stood up, wiped the blood stains on the corners of his mouth, quickly took out his mobile phone, and dialed his two subordinates guarding the Xia family.

He wants to know what happened in Jiangnan Province!

But I made several calls, but they couldn't get through!

He felt a little bit in his heart, he knew that not only did someone destroy his spells, but he also killed his men.

"Damn, who is going to deal with me, Qin Zhengyang!"

His voice was chilly.

"Zhengyang, why are you hurt, tell me." Father Qin showed seriousness on his face.

Qin Zhengyang glanced at his father in front of him, nodded, and told his father Qin all this.

After hearing this, Father Qin's eyes filled with anger, and said: "I will send someone to investigate this matter. There are still a few people stationed at the Southern Qin Villa. I will let them investigate the affairs of the Xia family! The Xia family should not have this ability. Obviously the work of an expert."

Qin Zhengyang shook his head and said, "Although I don't know who that person is, I can break through my spells, and my strength is definitely not weak. The Qin family will check it out. It is useless. The core

Qin family disciples are here. ... Dad, that person must die immediately, otherwise he might have left Jiangnan province long ago when we return to Qin's house!"

Father Qin narrowed his eyes, thinking of something, and said: "In that case, our Qin family will pay some price this time. Let the Blood Plum Palace do this."

Qin Zhengyang's eyes lit up. He knew how hot the blood plum palace was, and nodded, "Okay!"

Chapter 187: Against me!

The First People's Hospital of Jiangnan Province, VIP ward.

Ye Chen exhaled a long breath, and he did everything he needed to do.

He also found that the face of the old man on the hospital bed had become ruddy. He wanted to give her the pill, but found that the pill in his pocket was too powerful. The old man's body might not be able to bear it, so he could only give up.

Xia Ruoxue walked to Ye Chen's side and said softly: "Ye Chen, can grandma really wake up?"

Ye Chen smiled and said, "I promised you, when did I not do it?"

Xia Ruoxue just wanted to talk, when she noticed that the grandma on the hospital bed coughed a few times, her eyes were happy, and she rushed over.

Mother Xia was also quite excited, her voice trembling: "Mom, you... are you awake?"

The old man on the hospital bed opened his eyes, a gleam of light flashed through those muddy eyes, and stretched out his hand: "Water..."

Xia Ruoxue quickly poured a cup of warm water, and cautiously raised the old man to his feet: "Grandma, drink quickly, slow down."

After the old man finished drinking the water, his eyes fell on Ye Chen's body.

Although she was in a coma just now, she knew some things!

Even everything that happened in the ward these days, she could clearly feel it.

She wanted to give feedback to others, wanted to move her body, but found it impossible!

This feeling is like being imprisoned in the dark, which is extremely uncomfortable.

Ye Chen came over, and when he wanted to talk, the old man on the hospital bed planned to get up and kneel in front of Ye Chen.

This is a life-saving grace, nothing in return!

"Mr. Ye, be worshipped by me..."

Ye Chen quickly supported the old man, not letting her kneel down, and said: "Grandma, what are you doing, I am Ruoxue's friend, shouldn't you help me? You kneel on me like this, but you're shameful of me! "

Xia Ruoxue also supported her grandmother, and persuaded: "Grandma, Ye Chen is his own, you don't need to be like this, let alone he still owes me a favor. He slept with me last time..."

The voice suddenly stopped.

I missed my mouth!

Xia Ruoxue's body became stiff, not only that, but Xia Mu and the old man were a little confused.

A few seconds later, the old man in the hospital bed reacted, with a smile in his eyes, patted Ye Chen's hand, and said excitedly: "Doctor Ye is good, much better than that beast of the Qin family... Ruoxue, Grandma supports you and Ye Chen. Grandma is getting older. It would be better if she could hold a grandson..."

Xia Ruoxue's white face was flushed to the extreme.

"Grandma...what are you talking about! Ye Chen is so bad..."

Her voice became lighter and softer, even Yu Guang looked at Ye Chen, and when she found that the latter was looking at her smilingly, her face was flushed to the base of her neck.

.....

Five o'clock in the evening.

Ye Chen walked out of the First People's Hospital of Jiangnan Province. The old man just woke up, Xia Ruoxue and Xia Mu naturally wanted to accompany him.

Originally, the old man planned to let Xia Ruoxue send Ye Chen to him, but how dare Xia Ruoxue happen to this kind of thing.

Ye Chen didn't force it, so he directly called Xiao Deng and asked him to pick him up.

While in the car, Ye Chen received a text message from Xia Ruoxue, saying that he would move to the villa tomorrow.

This time, no one in the Xia family dared to stop it. It is probably Xia Ruxue's grandmother who supported her.

Twenty minutes later, Ye Chen returned to the villa, and just opened the door of the villa, his eyes were cold, a wind blade condensed in his hand, and he shot it out!

There are people in the villa!

He is the only one living at the moment, and it is impossible for anyone else to appear!

Just then, a cold voice sounded: "I looked at my body yesterday, and turned my face so quickly that I didn't recognize anyone? Men really are not a good thing."

Ye Chen closed the door, and naturally found an indifferent beauty sitting on the sofa.

Lu Hanshuang!

To his surprise, Lu Hanshuang broke his wind blade easily.

It seems that the strength of this girl is not weak.

Ye Chen sat on the sofa, watching Lu Hanshuang interestingly.

Today, Lu Hanshuang didn't wear a black shirt. Instead, he was wearing a pair of white slacks, a pair of sports shoes, and a white sweater. Although ordinary, he wore the other party's body, but it set off the other party's temperament and figure vividly.

"I remember I said, you can't step into this villa anymore."

Ye Chen said lightly.

The other party broke his rules, even if it was a beauty, Ye Chen would not pity Xiangxiyu.

Lu Hanshuang sketched a smile at the corner of his mouth and stood up: "I, Lu Hanshuang, don't like to owe favors, but I owe you three. You can't escape."

"Today, I am here to pay my first love."

After speaking, Lu Hanshuang turned on the phone to record.

During the recording, a conversation came soon.

Twenty seconds later, the recording ends.

Lu Hanshuang glanced at Ye Chen, then said: "I am becoming more and more interested in you. The Qin family paid such a high price to buy your life, so that you will not survive tonight."

"Originally, I was curious about who had the strength to make the Qin family so angry, but when I found out that the person in the VIP ward was you, I took the initiative and killed another person. When your scapegoat, protect Killed you."

"You said, is this a favor?"

Lu Hanshuang thought that Ye Chen would be grateful to him, but found that Ye Chen shook his head and said coldly: "Lu Hanshuang, you are too self-righteous. Please figure out one thing. It is not the Qin family who wants to kill me, but I want Destroy the Qin family.

If your Blood Plum Palace accepts this task and provokes me, I can guarantee that you will end up just like the Qin family.

Then it will be the Hall of Blood Plums, which will not survive tonight! "

Ye Chen's voice was extremely chilly~www.mtlnovel.com~Lu Hanshuang was dumbfounded, and his expression was extremely strange.

Who would have thought that this guy actually threatened the Blood Plum Palace!

Blood Plum Palace is the number one killer organization in the Chinese martial arts world!

There are countless strong people!

As long as you pay a sufficient price, all the strong in China can be killed!

Even if it fails, the Blood Plum Palace will send a stronger martial arts killer to deal with you!

The most important thing is that there is a top 30 strongman in the top 30 of the Huaxia Grand Master in the Blood Plum Palace!

provokes the blood plum palace, there is only one dead end!

The Patriarch of the Xu family who she killed yesterday is a martial arts expert with a good status!

"Ye Chen, don't be arrogant, please make it clear, I am saving you!" Lu Hanshuang said.

"Help me?" Ye Chen's eyes suddenly fell on a door, and he said coldly, "Sorry, no need!"

After       , Ye Chen turned into an afterimage and appeared directly in front of the door, his true energy exploded, and he punched out!

The gate shattered and sawdust was flying all over the sky.

A man is hiding behind the door!

The man obviously didn't expect Ye Chen to find himself, and no longer hesitated, a short knife appeared in his hand, and his energy was billowing, and he cut directly towards Ye Chen's chest!

high speed!

But Ye Chen is faster!

His five eagle-like fingers clasped directly on the man's neck, blood spurted, and a thousand catties exploded!

"Boom!"

There was a loud noise, and the man was smashed to the ground abruptly! Flesh and blood!

"Lu Hanshuang, remember! Against the sky, there are exceptions. Against me, there is no life!"

Chapter 188: Ants!

Lu Hanshuang's face changed drastically!

She stared at the man with blood on the ground!

Because this man is also from the Hall of Blood Plum!

This time, Qin Jia has done two-handed preparations!

Not only did she take over the task, but someone else also took over the task of killing Ye Chen!

The key, how did Ye Chen discover it?

He obviously just entered the house!

There was a painful groan from the man on the ground. He felt that the bones behind him were falling apart, and blood was constantly oozing out.

He stared at Ye Chen fiercely, and with a short knife, he wanted to wipe Ye Chen away, but a big foot fell!

stepped directly on his arm!

"Crack!"

The bones of the arm broke directly!

"what!"

The man screamed again, but soon his voice stopped abruptly.

Because Ye Chen's right hand had already clasped his neck, he abruptly lifted the opponent up.

"Who sent you here?"

Ye Chen's voice was like ice.

Let this man feel like facing the abyss, like falling into an ice cave.

The man's face turned pale and gradually turned blue. The feeling of suffocation made him feel extremely painful. He struggled desperately, but found that he couldn't escape.

His eyes are bloodshot.

He wanted to talk, but he couldn't.

At this moment, Ye Chen noticed that there was a blood plum vaguely under the man's stay in the sea, exactly the same as the blood plum on Lu Hanshuang's eyebrows!

He turned his strength in his hands, and directly smashed the man to the ground again.

"Crack, click."

There was another sound of broken bones.

"This man came with you? Is this what you call save me?" Ye Chen said lightly to Lu Hanshuang.

Lu Hanshuang's face was pale, she glanced at the man and shook her head fiercely.

"I don't know the existence of this guy! Damn it! This guy actually took the same task!"

The man on the ground was breathing heavily, his face pale to the extreme.

Who would have thought that the person to be killed this time was so terrifying!

He has no power to be hostile at all!

Suddenly, his cold eyes looked at Lu Hanshuang and said angrily: "Lu Hanshuang, do you know what you are doing? You actually broke the rules! If the organization knows you will die!"

"I advise you to kill this man immediately, otherwise you will not be able to protect yourself!"

The last sentence was almost uttered by his roar!

Ye Chen glanced at the man on the ground, and stepped directly on the other person's body: "You are too much nonsense. Those who want to kill me are dead, and you are no exception."

Ye Chen suddenly exerted his strength, and under one foot, this man would definitely become a dead soul!

At this moment, Lu Hanshuang reacted and quickly said, "Don't kill him!"

"If you kill him, the Blood Plum Palace must know that the mission he performed failed. At that time someone will come to investigate the matter thoroughly. If you know that you killed him, the matter will be in trouble. The Blood Plum Palace will send a stronger expert. Come chasing you, this is a nightmare for you! You can't escape the claws of the Blood Plum Palace!"

This is Lu Hanshuang's biggest worry!

Otherwise, she would also be willing to kill this man!

Ye Chen hesitated for a few seconds. If this is the case, there is no need for this Blood Plum Palace to exist.

Seeing that Ye Chen didn't do anything, the man on the ground thought that Ye Chen was jealous of the blood plum palace chasing him madly.

He laughed coldly, rather hideously, and said to Ye Chen: "Boy, now know who you have offended, dare to provoke the blood plum palace, you are looking for death! Now kneeling in front of me begging for mercy, I might consider... "

Before he finished speaking, Ye Chen stepped on it! A hole appeared in the man's chest for an instant, and he spit out a mouthful of blood, enveloping him with endless death.

Before he died, an indifferent voice sounded in his ear:

"I said, if the Blood Plum Palace still dares to provoke me, erase it!"

His pupils were dilated, and he couldn't imagine that the Blood Plum Palace, which made countless martial arts powers frightened, was so unbearable in front of this young man!

erase?

Are you eligible to erase!

Lu Hanshuang's beautiful eyes showed deep fear.

She knew very well that the man on the ground was completely dead.

Under one foot, Ye Chen and Liangzi of the Blood Plum Palace were completely knotted.

Is this guy crazy?

completely ignore the consequences?

Your kick requires you to pay the price of your life!

After doing all this, Ye Chen returned to the sofa, took out a pack of cigarettes, drew out one, and held it directly in his mouth.

The sparks flickered, and the smoke swirled around instantly.

Lu Hanshuang just wanted to speak, Ye Chen said: "Since you are from the Blood Plum Palace, take this person's body away, and I don't want the villa to have a drop of blood from your Blood Plum Palace trash."

His voice is very flat, but with a feeling of indisputability.

Lu Hanshuang has a pretty face.

Who would have thought that Ye Chen killed someone by himself and actually wanted her from the Blood Plum Palace to clean the corpse.

Is it possible that I am her servant?

"Ye Chen, don't think you saved me, you can order me like this, you have already sent yourself to a dead end about the Blood Plum Palace."

"You don't even know how terrifying the offending forces are!"

"You will live in the shadows all your life. Until the moment you die, you will understand how ridiculous what you are doing!"

Lu Hanshuang said every word.

said it was a reminder, but more of a threat.

If Ye Chen didn't save her, she wouldn't talk so much nonsense.

Ye Chen glanced at Lu Hanshuang, and UU read [www.uukanshu.com](http://www.uukanshu.com) and said: "After handling the corpse, remember to close the door and not send it."

"You--" Lu Hanshuang was almost furious!

Even so, she still cleans up the body silently.

She knows the methods of the Blood Plum Palace, this man is dead, she must do everything possible to erase all the evidence.

At least let Ye Chen live a few more days.

She didn't want to owe Ye Chen any favor.

Once the three favors were paid off, she left Jiangnan Province and didn't want to have any intersection with Ye Chen.

At the moment when the door of the villa was closed, Lu Hanshuang's hand stopped. She glanced at Ye Chen who was sitting on the sofa, and said, "I helped you find a scapegoat and deal with the corpse. It should be a favor, Blood Plum Palace. Over there, I will hold it back. If you can't hold it, you can do it yourself."

After speaking, she disappeared into the dark night.

After Lu Hanshuang left, Ye Chen dialed Ye Lingtian's phone.

"Hall Master, what is your order?" Ye Lingtian's respectful voice sounded.

"How much do you know about an organization called Blood Plum Palace?" Ye Chen asked.

After all, knowing oneself knows the enemy well.

This Blood Plum Palace is a time bomb after all, and must find a chance to solve it.

Ye Lingtian on the other end of the phone was startled, and asked quickly: "Hall Master, did the Blood Plum Palace provoke you?"

"Kill a killer from the Blood Plum Palace."

Ye Lingtian pondered for a moment, and then said: "Blood Plum Palace is China's top killer organization. Because the characters fail, they will send stronger killers. This is also a headache for countless martial arts experts. It has 36 branches in China. , Jiangnan branch is controlled by a person named Ling Feng.

'S subordinates met this person once, the other party is cruel, and the martial arts is very strong, but compared with the palace master, it is like an ant. "

Chapter 189: Turnaround!

"Hall master don't need to be afraid of this person, if the blood plum palace does not have long eyes and offends the hall master, the subordinates are willing to take the dark palace strong to destroy the Jiangnan branch of his blood plum palace!"

Ye Chen nodded and continued to ask: "What if the people in the Jiangnan branch of the Blood Plum Palace fail? What will they do?"

Ye Lingtian was startled, and he hesitated for a few seconds before saying: "This is the most troublesome place. The real power of the Blood Plum Palace is in the capital, which is also the headquarters of the Blood Plum Palace. Once the branch can't be dealt with, the headquarters will inevitably send a top powerhouse to take action. "

"understood."

"Hallmaster, do you need to do something in the dark hall?"

"No need."

The phone hung up.

Ye Chen's eyes were full of coldness, and it was up to him to see if the Blood Plum Palace would continue to trouble him.

If there are no longer eyes, then there is no need for this Blood Plum Palace.

"Capital? Top powerhouse? In front of me, Ye Chen, so what!"

Ye Chen took out the black stone, sat cross-legged, and entered the cultivation state. Today, he will break through the third layer of the pneumatic realm.

As long as you have absolute strength, no matter how tricky people or things are, you can split them with one sword!

The black stone was suspended in Ye Chen's body, and the aura that had absorbed the jade pendant was released frantically!

In an instant, the whole villa is full of aura!

Ye Chen took two pills, and a powerful medicinal effect burst in the Dantian!

Numerous auras from the outside world are pouring into his body!

Ye Chen ran the nine-day Xuanyang Jue, a golden light rushed out of his body, like a dragon!

Dragons roared from the top of the villa, and then the light went towards Ye Chen's head!

Time is flowing slowly, and Ye Chen's aura is getting more and more terrifying.

When the Dantian energy was at its peak, Ye Chen roared, "Broken!"

Countless infuriating rushes toward a bondage!

First time, failure!

The second time, still failed!

Ye Chen's clothes are all soaked!

The third time, "Boom!"

His body is like a big wave rushing, and a strong breath breaks through all constraints like a bamboo!

That \*\*\*\* was torn apart instantly!

Countless auras cover the whole body, so refreshing to the extreme!

Ye Chen opened his eyes, and his realm steadily stayed on the third layer of the pneumatic realm!

"A little bit faster than expected."

He exhaled a suffocating breath and found that it was three o'clock in the morning, he came outside, a wind blade condensed from his fingertips and shot out!

A huge tree a hundred meters away collapsed!

"It seems that the further you go to the back, the greater the improvement brought by a small state."

Then, Ye Chen returned to the room on the third floor, took a shower, and lay on the bed.

Holding the black stone in his palm, he instantly appeared in the reincarnation cemetery.

The only tombstone shining brightly has been completely revealed.

is obviously motivating.

He also discovered that this time it was no longer the three words Chen Qingcang, but-Blazing Fire Sect, Chen Qingcang!

There is a small line below.

"I can burn everything with one hand!"

Ye Chen could feel that the coercion contained in this tombstone was stronger than that of Luo Yuntian!

As for whether that sentence was bragging, he didn't know.

Although he was very curious about Chen Qingcang in his heart, Ye Chen still held back and did not move.

He knows very well that every power in the cemetery of reincarnation has only one chance to be mobilized.

Once activated, it may disappear after a few hours and plunge into reincarnation.

This kind of strong player is his biggest hole card, and he can't use it unless he is a last resort.

After all, Luo Yuntian is powerful, he has seen it before.

Ye Chen put away the mysterious stone, closed his eyes, and fell into sleep.

.....

At 8 o'clock the next morning, a beautiful figure appeared at the door of the villa.

The woman dragged the suitcase with a small bag diagonally across her waist, and she happened to be strangled in the gully on her chest. She was extremely hot and she was Sun Yi!

In the days to come, Sun Yi will be responsible for the business of the Tianzheng Group in Jiangnan Province, and naturally, he will come to Jiangnan Province to do the construction work earlier.

Tianzheng Group is undoubtedly on fire, and even more so!

is on the hot search list almost every day!

Not only that, from the time the product was released to the present, almost all products are out of stock when they are online!

The price on the black market is even more than a few times higher!

Tianzheng Group has become a star enterprise in Jiangnan Province and even China!

Because Ye Chen had told Sun Yi the door password on WeChat before, Sun Yi dragged the suitcase in.

She put the suitcase away, and went upstairs cautiously.

Soon ~www.mtlnovel.com~ She came to Ye Chen's room, the door was hidden, she opened the door gently, just about to surprise Ye Chen, a pair of big hands directly wrapped her waist.

held her in his arms.

Ye Chen turned around and pressed Sun Yi under him severely.

Sun Yi pouted and said unhappy: "I planned to give you a surprise, but you knew I was back, huh!"

Ye Chen smiled, not to mention the entire villa, he could clearly perceive the movement outside.

He had discovered that Sun Yi was downstairs a long time ago, otherwise the door would not be hidden.

Ye Chen did not speak, and directly kissed Sun Yi deeply.

"Did you miss me?" Sun Yi broke free of Ye Chen and said seriously.

"Of course I do."

Sun Yi's long eyelashes blinked, her white arms slid to the roots of Ye Chen's thighs, and then she held them tightly: "Where do you miss me the most? Is this here?"

"Guess." Ye Chen was so provoked by Sun Yi, there was a moment of lust.

Soon, the firewood was dry, and there was no \*\*\*\* between the two of them, and a physical battle started...

.....

At noon, the two people got up.

Sun Yi got dressed and was very satisfied. He smiled and said to Ye Chen: "In the past few days when I was away, I found that you have lost weight. My palace will cook lunch for Xiaochenzi. After all, Xiaochenzi contributed a lot to the exercise just now. Big....."

Just as Sun Yi was about to leave, she suddenly caught the photo on the table.

The photo of        is five years ago.

In addition to Ye Chen, there is a rather handsome middle-aged man and a gentle young woman.

is obviously Ye Chen's parents.

"Xiao Tatsuko, is this your family portrait?"

Ye Chen was taken aback, glanced at the photo, and nodded complicatedly.

Chapter 190: The dusty dossier!

This is the high-definition version restored by Ye Chentuo's Dragon Soul by special means.

This villa always lacks the feeling of home, and this photo can remind him of something constantly.

Once King Nanjiang or Dragon Soul found out the specific whereabouts of the Dragon Lord in the capital, he immediately set foot on the capital!

Sun Yi always felt something was wrong, frowned and picked up the photo and looked at it carefully.

Ye Chen stood up, came to Sun Yi's side, and asked: "What's wrong? Isn't I not handsome in the photo?"

Sun Yi did not speak. After all, Ye Chen's parents are dead, and getting involved in this topic might make Ye Chen sad.

But this photo is too weird.

After hesitating for a long time, Sun Yi pointed to a spot on the photo and said, "Xiaochenzi, does your mother have a hemorrhoid on her neck? Or is it dirty?"

Ye Chen took a look and said seriously: "Since she was young, she has had a hemorrhoid on her neck. What's wrong?"

"It's weird." Sun Yixiu frowned, "It shouldn't be."

A few seconds later, Sun Yi looked at Ye Chen and said, "Xiao Chenzi, I feel something is wrong, because I handled your parents' bodies five years ago, and I personally brought them to cremation, but I clearly remember There was no mole on her neck at the time..."

Ye Chen was startled, Sun Yi's words were like a bolt from the blue!

"You...can't your memory be wrong?" Ye Chen grabbed Sun Yi's hand.

Sun Yi thought for a while, and shook her head like a rattle: "No, because I was in close contact with a corpse for the first time, but I was actually afraid of death, so for me, the impression was very deep. For a while, this was what I dreamed about every day. Picture!"

"You said that before the accident, your mother clicked on this hemorrhoid? Because the appearance is indeed the same as in the photo!"

Ye Chen didn't speak, his eyes had unprecedented solemnity!

The mole on my mother's neck was still there that day at Yunhu Villa!

Sun Yi was the last person to touch their bodies!

At the moment, Sun Yi's answer is only two possibilities!

First, the corpses of the parents were dropped!

Second, the parents may still be alive!

Ye Chen really couldn't figure out who would drop the bodies of his parents.

If your parents are still alive, you will definitely know about the Tianzheng Group. If you find that the legal person of the Tianzheng Group is Ye Chen, you will naturally come to yourself!

He felt cold from his back, the things at Yunhu Villa back then were far less simple than imagined!

Sun Yi felt that Ye Chen needed to be quiet, so he stuck out his tongue and said, "Xiaochenzi, I'm going to cook first, so don't think too much..."

After Sun Yi left, Ye Chen directly dialed Lei Shuwei's number.

"Lei Shuwei, where are you now? I want to see you right away! Also, I need all the details of Yunhu Villa back then!"

Lei Shuwei on the other end of the phone was startled. If someone else talked to him in such a tone, he would have hung up long ago, but it was Ye Chen.

Although it is strange, but hearing Ye Chen's extremely serious tone, he knew something was wrong.

stopped hesitating, and said directly: "I will let Xiao Deng pick you up, see you at the base in an hour."

"it is good."

Ye Chen went downstairs and talked to Sun Yi about going out, and Sun Yi ordered a bowl of delicious noodles.

She happened to be going out this afternoon, because Shen Haihua will come to Jiangnan Province to connect with the provincial government later.

Soon, Ye Chen received a call from Xiao Deng.

As soon as he was about to go out, he found that Xiao Deng was stopping a girl from entering the villa area.

"What's wrong?" Ye Chen said.

The words fell, and the woman turned around. What surprised Ye Chen was that he knew him!

Chu Shuran!

Why is this \*\*\*\* woman here?

How does she know here?

Xiao Deng came over quickly and said to Ye Chen: "Mr. Ye, this woman must see you, she also said that she knows you..."

Ye Chen snorted coldly: "I don't know."

After speaking, he was ready to get in the car.

Seeing that Ye Chen was about to leave, Chu Shuran rushed over, knelt in front of Ye Chen, hugged Ye Chen's legs, and said, "Ye Chen, you... how can you not know me? "

"We are classmates in high school. You once said that you liked me. We have met a few times this month. Although it is a bit unpleasant, I know you must still have me in your heart, right?"

Chu Shuran had no choice.

His father offended the Meng family of Jiangcheng's martial arts family for one thing.

Now that the Jin family and the Jiang family have disappeared, the Meng family's authority in Jiangcheng is extremely terrifying!

The Meng family threatened to destroy the Chu family, and the only one who could stop the Meng family was Ye Chen!

And their Chu family knew very well that the Meng family did it for Ye Chen!

After all, of the three major martial arts families in Jiangcheng, two of them have disappeared, and they have some connections with Ye Chen!

Ye Chen is now the first person Jiangcheng deserved!

In order to protect itself, the Meng family showed good wishes to Ye Chen, the first thing that naturally came to mind was to take the Chu family to operate!

She has no choice.

Ye Chen glanced at the opponent, lifted his right foot and kicked the opponent directly.

Chu Shuran fell directly a few meters away, blood overflowing from the corner of his mouth.

"If I see you appearing in my villa again, let me kill you!"

.....

Two o'clock in the afternoon, Dragon Soul base.

Special meeting room.

Ye Chen met Ying Qing and Lei Shuwei.

Ying Qing put a bunch of secret files in front of Ye Chen~[www.mtlnovel.com](http://www.mtlnovel.com)~Mr. Ye, this is all the details of the original Yunhu Villa that the Dragon Soul grasped. "

"Thanks." Ye Chen said.

Hearing these two words, Ying Qing and Lei Shuwei were both startled!

Does this evil \*\*\*\* still say these two words?

Fuck!

This is harder than a comet hitting the earth!

The two looked at each other, and both saw the shock in each other's eyes!

Ye Chen completely ignored the two of them, and opened up all the contents of the dossier without any details.

Twenty minutes later, Ye Chen raised his head, looked at Lei Shuwei, and asked: "Back then, were you sure that my parents were dead?"

Lei Shuwei's expression changed to be extremely strange: "Mr. Ye, all death reports have been issued, is this still false?"

"But I found out that someone might have replaced my parents' bodies!"

Ye Chen's cold voice sounded!

"what!"

Lei Shuwei and Ying Qing's faces changed dramatically!

Although surprised, it is clear that this is not impossible.

For some special death row prisoners, if they are useful to the military, they will use means to hide from the sky!

even gave each other a new identity!

But the Ye family couple, are they too weird.

No one would do this! What's more, what means is necessary to hide from the sky in front of so many people?

Ye Chen told Sun Yi's discovery again, and Lei Shuwei frowned even more.

After a few seconds, he thought of something, looked at Ye Chen, and said: "Mr. Ye, this incident was not handled by Dragon Soul back then. The contents of the dossier are only networked data. If Mr. Ye really wants to know some of the data from that year Details, you need to find someone!"
