Chapter 191: transaction!

"Who!"

Ye Chen stood up.

This matter is related to Yunhu Villa back then, and it is extremely important to Ye Chen!

Lei Shuwei took out his mobile phone and operated it a few times. A photo was displayed on the screen.

He pushed his phone out and said seriously: "Mr. Ye, this person is called Zhong Weishan. Five years ago, he was responsible for handling special cases in Jiangcheng and even Jiangnan Province. Yunhu Villa was solely responsible for this matter. He was also the number one dead body. Time contact."

"Zhong Weishan, where is it now?" Ye Chen said.

Hearing these words, Lei Shuwei hesitated.

Xu Jiucui said: "Speaking of which, Zhong Weishan is also tragic. Three years ago, the day of his son's wedding was originally a festive event. As a result, his daughter-in-law was defiled on that day. Because of the blow, her daughter-in-law jumped into the river. Up.

His son was also angry and rushed into the Tang family in Jiangnan Province, but before he found the culprit, his son was beheaded by the strong Tang family.

Zhong Weishan double-strikes. After decades of calmness and accomplishment fell short, he used his power to retaliate against the Tang family. Although he seriously injured the Tang family, he also paid a tragic price. His cultivation was abolished, he became a useless person, and was sent to him. No. 1 Prison in Jiangnan Province. "

Ye Chen's eyes condensed: "The Tang family you are talking about is not Tang Ao, right?"

Lei Shuwei nodded: "There is only one Tang family in Jiangnan Province. Tang Ao is the head of the family and the chairman of the Jiangnan Budo Association. He is considered the top power in Jiangnan Province. How did the Zhong Weishan family provoke them?"

Alas, Zhong Weishan's life was actually not stained, but he didn't expect to move the giant Tang family when he was about to retire.

This is what I discovered after investigating Yunhu Villa recently. "

Ye Chen's eyes flashed with indifference.

He didn't think that such a thing would happen in Jiangnan Province.

Although absurd, how did ordinary people play with such top power?

Zhong Weishan is also a father no matter what, his son and daughter-in-law were killed by the Tang family, and the original happy life was destroyed. This blow was really too great.

Don't talk about using rights, even if you are struggling with your life, I guess you will have to find a way to move the Tang family.

But he underestimated the strength of the Tang Family in Jiangnan Province.

Ye Chen slapped a palm on the table, and said angrily: "How can Zhong Weishan be considered a member of the country? Does the country care about this?"

Lei Shuwei sighed: "Mr. Ye, this world is not as good as you imagined. How many unknown things are there under prosperity?"

"For things like Zhong Weishan, too much has happened in Jiangnan Province and even in China. This world is in the final analysis the world of the rights holders, without strength, no background, and only others playing you!"

"Tang Ao's son, Tang Yuanxuan, has defiled the Huanghua girl, bought all relationships and erased all evidence, what can you do? Is it possible to move the Tang family?"

"The words Jiangnan Provincial Budo Association is not a decoration. If it is not a last resort, the country is not willing to touch this level of interest."

"The martial arts powerhouse is China's scarce resource. Which one is important, Tang Ao or Zhong Weishan? For some interest groups, it is naturally Tang Ao!"

"I really want to touch Tang Ao's son, but three years have passed, and there are no evidence or witnesses. This matter is just the words of Zhong Weishan's family. How can I arrest people?"

Ye Chen suppressed the anger in his heart, and said: "Why is Zhong Weishan in Jiangnan Province No. 1 Prison?"

"He can take care of those things, so naturally he has some strength. He shouldn't do anything wrong and use public power to deal with the Tang family." Lei Shuwei explained.

"Take me to Jiangnan Province No. 1 Prison, I want to see Zhong Weishan!" Ye Chen said.

Lei Shuwei knew that Ye Chen would make this request, nodded, but still reminded: "In recent years, Zhong Weishan has changed a lot. He is very hostile and may not answer you. You must be psychologically prepared."

"it is good."

.....

Half an hour later, Jiangnan Province No. 1 Prison.

Ye Chen has the rank of major general, so naturally he can easily enter it.

Lei Shuwei arranged a dialogue room for Ye Chen.

After a short while, Zhong Weishan, with his hands and feet handcuffed, was pressed in.

The door is closed and all equipment is shut down.

This is the privilege Ye Chen can enjoy.

The dim light made the room a bit quiet.

Zhong Weishan's muddy and cold eyes looked at Ye Chen like this, as if a fierce beast could eat Ye Chen at any time!

Ye Chen took out a pack of cigarettes and shook it in front of Zhong Weishan: "Do you smoke?"

Zhong Weishan ignored it, but hit the table with two palms mixed with chains, making a sound.

Ye Chen stuffed the cigarette into his pocket, and took out a photo, put it in front of Zhong Weishan, and asked: "Do you know the two people in the photo?"

Zhong Weishan glanced at the photo and roared: "Go!"

"I don't care who you are, stay away from me!"

Ye Chen still put the photo in front of Zhong Weishan's eyes, and said lightly: "The two people in the photo are my parents. They died. They died at the Yunhu Villa five years ago. You were responsible for the case back then. "

Zhong Weishan's eyes were bloodshot, he didn't speak, but he stared at the two people in the photo.

Ye Chen continued: "My experience is similar to yours~[www.mtlnovel.com](http://www.mtlnovel.com)~ I saw my parents die in front of me, but was killed by a man who almost covered the sky with one hand. I was too weak. So weak that you don't even have the power to resist. I understand how you feel, and I understand why you hate this world."

Zhong Weishan's expression changed a little.

Ye Chen did not stop: "I have disappeared for five years. In these five years, I have suffered the heaviest torture in the world. Life is better than death. The only reason for me to live is revenge. The hostility in me is heavier than you. But I will only show this hostility to the enemy. You belong to my kind and you will not see it."

"Today, I suddenly discovered that the matter at Yunhu Villa is far from simple. You are the only clue, so I came to you."

After a long time, Zhong Weishan finally spoke: "Go, I don't know anything."

Ye Chen lit a cigarette, took a sip, his eyes filled with coldness, and suddenly said:

"There are many injustices in this world, we cannot choose, but there are some things, but you can choose.

I know what happened to you, and I also know that Tang Ao's son ruined everything about you. "

Hearing Ye Chen's words, Zhong Weishan stood up fiercely and roared: "Don't mention the Tang family to I!"

"Fuck me out! I don't want to see you!"

Ye Chen showed a cold smile at the corner of his mouth, pinched out the cigarette in his hand, and stood up.

He came to a mirror with his hands behind him.

Ye Chen in the mirror is a bit ferocious.

is even more cold-blooded.

A few seconds later, a cold voice sounded in the closed room: "Let's make a deal."

"I brought Tang Yuanxuan's head, you tell me everything about Yunhu Villa."

Chapter 192: Death!

Hearing these words, Zhong Weishan, who was on the verge of an outbreak, suddenly stopped!

His eyes are bloodshot!

is gradually becoming red!

Because even if he died, he could not forget the three words Tang Yuanxuan!

If there was no such beast, his son and daughter-in-law would not die!

He will not fall to where he is now!

The original beautiful family was destroyed by the beast of the Tang family!

His son is only 27 years old!

There is still a great future!

His daughter-in-law and her son have been in love for three years, and they have finally achieved a positive result!

Maybe a year later, he can still hold his grandson!

But all this was ruined by the animal!

He was angry, he roared!

He is extremely small in front of the Tang family!

What's the use of his struggle!

But at this moment, the man in front of him actually said that he would help him kill Tang Yuanxuan?

even came to see him!

how is this possible!

Didn't this kid know that Tang Yuanxuan's father was Tang Ao, who was famous in Jiangnan Province!

President of Jiangnan Province Budo Association!

189 on the China Grand Master List!

Who dares to provoke the whole Jiangnan Province!

"Let's go." Zhong Weishan shook his head, he almost believed it.

At this moment, Ye Chen turned around, his temperament changed, and his body curled up with monstrous evil intentions!

The eyes are like the abyss of hell!

The whole person seems to be above all things, overlooking all beings.

This is Ye Chen's true face.

"Zhong Weishan, I will ask you again! I brought you the head of Tang Yuanxuan, and you tell me everything about Yunhu Villa! Would you like it!"

His voice is like rolling thunder! Hit the depths of Zhong Weishan's soul!

Zhong Weishan trembled and almost knelt on the ground. His bloodshot eyes stared at Ye Chen tightly, and said, "As long as Tang Yuanxuan is dead, you can do anything you want me to do!"

"it is good."

The door opened, and Ye Chen's figure completely disappeared.

Only Zhong Weishan was left in the closed space, his heart thumping.

.....

Night, ink is like paint.

The cold wind howls, like the footsteps of death!

Huatai Hotel, Jiangnan Province, Room 2203.

Outside the door, stood an old man with sharp eyes.

The old man is called Tang Haishen, a martial arts expert in the Tang family, and is ranked 251 on the Huaxia Grandmaster Ranking! Specially responsible for the safety of Young Master Tang Yuanxuan.

Patriarch Tang Ao came to get a son, so he was extremely fond of Tang Yuanxuan. Tang Yuanxuan did not like to practice ancient martial arts, so he did not force it.

directly equipped Tang Yuanxuan with one of the best family members.

Tang Yuanxuan likes beautiful women, so Tang Ao used all means to capture them for Tang Yuanxuan.

Tang Hai leaned against the door, observing everything around him, and from time to time the woman in the room groaned.

Tang Haishen shook his head and said to himself: "Some people are born with a higher starting point than others. With President Tang, Tang Yuanxuan will have almost no worries in his life. It is a pity that President Tang's strength will be inherited if Tang Yuanxuan can inherit. Half is good."

Just as he sighed, the movement in the room was already small.

is obviously over.

Tang Haishen looked at the time, and it was time to take the young master back, otherwise President Tang would be unhappy.

He was about to knock on the door when his eyes suddenly noticed something. His sharp eyes shot in one direction. At the end of the corridor, a young man with a peaked cap appeared. The young man was walking towards this side with a cold face.

As a warrior, he instinctively felt threatened.

His eyes condensed and knocked on the door: "Master, get ready, we should go home."

soon came an impatient voice: "What kind of reminder, don't you know!"

And the young man in the peaked cap on the corridor stopped suddenly, raised his head, his eyes were extremely cold.

is Ye Chen.

"Tang Yuanxuan is inside."

His voice is very flat.

Tang Haichen curled up his energy and asked, "Who are you?"

Ye Chen outlined a cold smile at the corner of his mouth, and said: "Who am I?"

"I am the killer!"

After , Tang Haishen's face changed greatly, his energy swept through his body, and he rushed out like a cheetah. At the same time, he turned his fist into a claw, as if torn the air and locked Ye Chen's chest!

This trick is the Tang family's unique skill, Tang Yin Claw! Very fast! Amazing power!

Once caught, it must penetrate the heart!

He used this trick to kill dozens of people!

Without exception, killed on the spot!

Complete ultimate move!

Tang Haishen knows very well that this is very dangerous and must not be taken lightly!

Ye Chen just watched Tang Hai sinking in, without any reaction.

Seeing that Tang Yin's claws were about to touch Ye Chen's chest, he finally moved!

The space of the corridor seems to be filled with a special air current!

In the next second, Ye Chen's right hand was firmly clasped on Tang Haishen's wrist like this!

Tang Hai's expression changed, "How is it possible!" He wanted to withdraw his right hand, but found that all his power seemed to sink to the bottom of the sea!

no longer hesitated, his right foot swept gusts of wind and swept towards Ye Chen!

"You are protecting Tang Yuanxuan, and you probably wiped a lot of his ass. In that case, die."

The words fell, Ye Chen's right hand broke out!

Tang Haishen's wrist was directly crushed by Ye Chen's five fingers!

Blood broke out!

At the same time, Ye Chen slammed Tang Hai's right foot with a sharp punch!

"Crack!"

Tang Haishen's right foot was directly fractured!

Tang Hai panicked, he found that regardless of strength and aura, this peak cap youth was a crushing level!

When did Jiangnan Province appear such top masters!

He subconsciously wanted to run, but found that Ye Chen's hand had clasped his neck!

A strong energy erupted and directly hit the door of the hotel!

Broken door! Sawdust is flying!

And Tang Haichen also saw Ye Chen's face clearly~[www.mtlnovel.com](http://www.mtlnovel.com)~ His pupils were dilated, and he pointed at Ye Chen and said, "You are Ye..."

Before the words were finished, Ye Chen's strength fell, and Tang Haichen was completely dead!

Everything that suddenly got up made the room silent.

The man and woman on the bed were scared and speechless.

Ye Chen shot an air needle, directly on the woman's chest, and the woman fell into a coma instantly.

Only Tang Yuanxuan wearing underwear is left in the whole room!

Tang Yuanxuan glanced at Tang Haishen who was lying in a pool of blood, completely panicked, he shrank to the corner, and said angrily: "You...what are you going to do! My dad is Tang Ao, president of the Jiangnan Budo Association!"

Ye Chen looked at Tang Yuanxuan with cold eyes and shouted angrily: "Three years ago, you remember the Zhong Weishan family!"

Hearing Zhong Weishan, Tang Yuanxuan's eyes were full of horror. Just about to speak, Ye Chen had already appeared in front of him and put his foot on him!

"Zhong Weishan has what I want, so-I'll kill you!"

"Crack!"

Tang Yuanxuan's ribs are all broken!

is vomiting blood!

"You can't... kill me, my dad is..."

Ye Chen snorted coldly: "Even if Tang Ao comes, I can't save you! Ye Chen wants his life too!"

Hearing the words 'Ye Chen', Tang Yuanxuan's pupils dilated! Before he could react, Ye Chen's five fingers were already on his head!

"Crack!" With a sound, his neck was twisted! The head was taken off by him abruptly!

Blood is getting stained!

Chapter 193: kowtow!

Ye Chen knew very well that killing Tang Yuanxuan was equivalent to officially making Tang Ao an enemy.

But he didn't plan to let Tang Ao go, so what if he was an enemy.

He tore a part of the curtain, wrapped his head directly, and then pulled the peak cap to the lowest point and disappeared into the hotel.

Not long after Ye Chen left, the comatose woman on the bed gradually opened her eyes. When she saw a headless corpse lying beside her, the whole person was terrified to the extreme and screamed!

The voice resounded throughout the hotel.

Tang Family in Jiangnan Province.

Tang Ao paced back and forth in the yard. He glanced at the time and frowned.

It's eight o'clock in the evening, so Tang Yuanxuan should be back!

He asked Tang Haishen to bring Tang Yuanxuan back early today.

But at this point, there is still no movement.

He made several calls, but no one answered!

An ominous premonition kept entwining in his heart.

"When Tang Hai sinks back, he will inevitably be punished heavily, and he has no idea of time!"

Tang Ao shook his head, and just about to sit down, the phone on the table rang.

"Master..." A familiar voice came from the other end of the phone, it was Tang Yuanxuan's driver.

"What's wrong! Don't send Yuan Xuan back yet!"

Tang Ao's tone was a little angry.

"Master, master he..."

The voice on the other end of the phone was a little flustered.

Tang Ao narrowed his eyes, realizing something was wrong, and said, "Is this kid making trouble outside again? Which family girl is the one who has caused the trouble this time?"

"You let him answer the phone! The sky is falling, and I'm still holding it down!"

"You \*\*\*\* talk!"

Tang Ao's voice was cold, his patience was limited.

The person on the other end of the phone was taken aback and couldn't care about anything anymore, saying, "Master, Tang Hai is dead, and the young master is dead too! The young master's head is gone!"

"Boom!"

Hearing these words, Tang Ao's body swept a terrifying wave of air!

In an instant, the teacup on his right hand shattered!

Furniture in the surrounding area of five meters is all shattered!

"What the \*\*\*\* are you talking nonsense to Lao Tzu!"

An angry roar sounded!

The sudden blow, like a heavy hammer, hit Tang Ao's heart fiercely! It seemed to shatter his heart!

His son is dead!

impossible!

is impossible!

No one in Jiangnan Province is qualified to touch his son!

nobody!

The voice of the driver on the other end of the phone trembled: "Master...it's true! Master, come and take a look at Huatai Hotel! Something really happened!"

Tang Ao stepped forward, and a thin hole was cracked in the ground!

is a footprint of tens of centimeters!

"If you dare to deceive me, I swear, your family will die!"

After speaking, Tang Ao squeezed the phone directly!

Ten minutes later, Tang Ao appeared at the Huatai Hotel in Jiangnan Province.

The hotel police siren was made, and the surrounding area has been cordoned off.

Tang Ao's face was extremely gloomy!

"Sorry, no one can go in here..."

As soon as the two law enforcement officers spoke, they found a coercion covering it!

"Boom!"

The two of them turned over, their bodies twisted a bit!

Tang Ao tore the cordon directly, and desperately came to the hotel room where the accident occurred!

When he saw Tang Haishen's corpse, he shook his heart!

something really happened!

His hand uncovered the white cloth of the second body!

Tang Ao's eyes were bloodshot when he saw the headless body under the white cloth!

"Who is it! Who dares to kill my son of Tang Ao! Who is it!"

Tang Aomeng hit the wall with a punch!

The wall was smashed through!

Grandmaster's wrath, who can bear it!

.....

Jiangnan Province No. 1 Prison.

Ye Chen brought the wrapped head to the prison.

The prison changed a batch of posts. When he saw what Ye Chen was holding in his hand, his eyes condensed, and he asked: "What are you holding in your hand! Open it!"

Ye Chen glanced at the two of them, and without talking nonsense, he threw out the certificate in his pocket!

When the guards saw the certificate, their expressions changed and they let them go.

Ye Chen came to the enclosed space again.

Zhong Weishan didn't sleep, he was holding hands and feet, waiting inside.

The dim light, mottled light and shadow cast on Zhong Weishan's face, a bit hideous.

Zhong Weishan knew that it was the man in the day who wanted to see him.

Until now, he still didn't believe Ye Chen's words.

He knows the situation in Jiangnan Province, he knows what Tang Ao's power means.

No one dared to touch Tang Ao's son.

nobody!

Because of offending Tang Ao, it is tantamount to offending most of the martial arts families in Jiangnan Province.

Huaxia is on the surface of technological and economic development, but anyone who can really touch something understands that Huaxia is actually in the hands of a group of ancient warriors.

These people are powerful, and they can destroy a family or an industry.

"Crack--"

The iron door opened.

A cold and arrogant young man walked in, with a package in his right hand.

Zhong Weishan was breathing quickly, his bloodshot eyes staring at the package.

Because of the size of the package, it just happens to fit a head!

For decades, Zhong Weishan has not been as excited as this moment.

"What you want!"

Ye Chen threw his arm, and the package landed directly in front of Zhong Weishan.

Zhong Weishan stretched out his hand~www.mtlnovel.com~ He wanted to touch, but he realized that his hand was shaking badly at the moment.

He glanced at the young man not far away, expressionless, completely devoid of the hostility and killing intent after murder.

Zhong Weishan gritted his teeth, no longer hesitated, directly stretched out his hand and opened the package.

The next second, he was stunned! The eyes widened to the extreme! Shocked in fear! With anger in shock!

Because the head in front of me is Tang Yuanxuan!

Even if it turns to ashes! He recognizes it too!

This beast, personally ruined two families!

This beast pushed him into the abyss!

He thought he would never see the brutal retribution in his lifetime!

but did not expect that this retribution will finally come!

Zhong Weishan couldn't help it anymore and started to cry!

He suppressed these tears for three full years!

Putting aside all identities, he is just an old father!

In the past three years, he didn't dare to cry once, even when he closed his eyes, it was this beast's face!

Who can understand him!

At this moment, his tears and nose are coming out, and he even cries like a child.

Five minutes later, Zhong Weishan felt all the restraints on his body disappeared, and he looked at the young man not far away with red eyes!

stood up directly! Dragging the chain to Ye Chen's front!

"Plop!" Kneeled on both knees!

"Boom boom boom!"

'S head hit the floor hard.

"Thank you!"

Thousands of words are only in these two words!

Ye Chen stepped on it, as if an air current was emerging from the ground, abruptly supporting Zhong Weishan.

"You don't need to kneel on me. As I said before, this is a transaction. I just want to know about Yunhu Villa."

Chapter 194: The man in the dark!

Zhong Weishan woke up and nodded sharply: "Okay! I will tell you everything I know."

Ye Chen did not speak, with his hands behind him, waiting for Zhong Weishan's answer.

Zhong Weishan glanced at Ye Chen complicatedly, and said with emotion: "Back then, I knew that a boy from the Ye family fell into Dongqian Lake. I thought he was dead, but he didn't expect that he would come back alive."

Zhong Weishan saw that Ye Chen did not respond, so he moved to the topic:

"Five years ago, I was in charge of investigating some special cases in Jiangnan Province. The incident at Yunhu Villa was the strangest thing I encountered in those years."

"Go on." Ye Chen narrowed his eyes and said.

"When it happened, I happened to be handling another case in Jiangcheng, so I rushed over. The people at the banquet were dispersed. When I saw your parents, they were seriously injured."

Ye Chen was startled, turned around, and questioned: "What are you talking about! Very badly injured? Not dead yet?"

Zhong Weishan nodded, then shook his head, seeming to be a little tangled.

A few seconds later, he said: "Actually, they are dead. The two have almost no breathing, and their heartbeats have almost stopped. But judging from some symptoms, there may be a silver lining."

"Did you take them to the hospital?" Ye Chen said loudly, his tone obviously a little excited.

"Of course, I took them to the hospital the first time, but the result of the hospital was naturally a death certificate."

Ye Chen's eyes are very complicated. He has great medical skills, knowing that the hospital's death certificate can't explain much!

As long as he wants, he can save nine of ten patients who have issued a death certificate!

"Mr. Ye, the matter is not over. The most weird thing has happened. The body should have been handed over to a forensic doctor. However, a man suddenly appeared in the hospital. The man took a special document and said that he wanted to take away the two corpses. hour."

"Half an hour later, he sent the corpse back again, but I don't know why, so he issued a document stating that the corpse does not require forensic examination and it is recommended to be cremated directly."

"At that time, I felt as if a pair of big hands were controlling everything. I didn't immediately cremate, and notified some of the Ye family's family and friends, but I don't know why, no one was willing to handle the cremation. Just when I had a headache, a girl came. I went to the hospital, saying that I can be the family member of the Ye family..."

Hearing this, Ye Chen connected everything together.

This girl is naturally Sun Yi, and he has a general understanding of the rest.

But the biggest doubt appeared, why did that strange man take the body away for half an hour?

also had special documents.

What is the research value of the corpse of the dying person?

Moreover, Ye Chen is sure that the body returned by the man must not be the corpse of his parents after half an hour!

Even the other's tone is more like evidence of destruction.

After all, once cremated, the parents will disappear into the world in name.

It is impossible to find evidence anymore.

Zhong Weishan hasn't finished his explanation yet, so he continued:

"I feel something is wrong with Yunhu Villa, so I have been investigating through various channels during the past few years. During the period, I found an interesting thing. This man once met your mother in a coffee shop. Only halfway through the conversation, the two quarreled, and your mother threw herself away with a tough attitude."

"I originally saved the monitoring of that coffee shop, but I didn't expect that the file disappeared from my computer the next day. I went to the coffee shop. Again, the file was lost! Not only that, but a day later, I saw the man again! The man only dropped a threat. If I investigate the matter again, my whole family will die!"

"Later, for the sake of my family, I stopped investigating. This is everything I know about Yunhu Villa."

Ye Chen did not speak.

He was lost in thought. Zhong Weishan could not lie to himself. According to him, this man became the most critical existence after his parents had an accident.

And my mother actually knew this man.

"You have a picture of this man, or can you roughly draw this man?" Ye Chen said.

Zhong Weishan knew that Ye Chen would say this, and said: "I wanted to investigate this man, but found that as long as he appeared, the surveillance information would be erased, but I should be able to draw the person's appearance."

Ye Chen asked people to fetch paper and pen~www.mtlnovel.com~Zhong Weishan drew directly from memory.

Although it is a portrait, Ye Chen can vaguely imagine what the other person looks like.

"This portrait is not enough. I will find a way to get you out of this prison. Then there will be a dedicated person to dock with you. I hope to get the true face of the other party through 3D modeling. Can you do it?" Ye Chen said.

Zhong Weishan thought for a while, nodded and said, "There should be no problem. When I was still in that position, I often touched this one."

"it is good."

Ye Chen left the prison, and made a call to Ying Qing, so that Ying Qing sent someone to answer the matter.

.....

At the same time, in a mansion in the capital.

A middle-aged man is sitting cross-legged, his breath continues to condense, and there is a huge stone under him.

Aura continuously gushes out of the stone and penetrates into the man's body.

The man's breath continued to rise, and there was a shock from the whole house!

If Zhong Weishan were here, he would definitely find that this middle-aged man was the one who threatened him!

Suddenly, there was a knock on the door outside the house.

The middle-aged man opened his eyes, his sharp gaze shot out, and the huge spiritual stone under him was directly shattered!

"Come in!"

He scolded, and the door was opened by an invisible force!

The breath of the whole room surged, making people palpitate.

A thin man walked in and knelt in front of the middle-aged man: "Mr. Jiang, the subordinate has something important to report."

"what's up?"

The middle-aged man stood up, straightened his clothes, and a torrent of weather spread.

The thin man said directly: "Just today, in Jiangnan Province No. 1 Prison, someone saw Zhong Weishan."

Chapter 195: big earthquake!

The middle-aged man's expression changed, his eyes filled with coldness, and he said, "After so many years, who will see him again?"

The lean man hesitated for a few seconds, then respectfully said: "According to the information from the gate, it is the major general of China-Ye Chen."

The middle-aged man didn't take it seriously when he heard the first few words. The major general was nothing to him, but when he heard the two words Ye Chen, his Gu Jingbubo's face showed a hint of horror.

This shock has not disappeared for a long time.

The name        seems to have awakened his most disdainful memory for many years!

"Ye Chen? Is it Jiangcheng that evil kind? That evil kind is not dead?"

The lean man nodded: "The subordinate originally thought it was the same name, so he deliberately investigated it, and it turned out that it was the Ye family trash who fell into the Dongqian Lake! Not only did this trash not die, it also changed, and it turned into Jiangcheng martial arts. The first person, not only that, he also beheaded Yuan Jingfu, who was among the top 400 on the Huaxia Grandmasters list, at the Martial Arts Platform! Now, inexplicably, he has become the youngest major general in the Republic... It's weird..."

Check out new PVP arena battles!

Hearing this sentence, the middle-aged man didn't feel surprised. Instead, he sneered: "It seems that this wicked species has gotten some chance, the top 400 of the Huaxia Grandmaster list, hehe, this kind of garbage, no matter how lucky it is, It will only tarnish the blood of our Jiang family!"

The lean man glanced at Mr. Jiang and asked, "Do you need someone to kill Ye Chen?"

The middle-aged man shook his head: "It's not necessary to kill him. This kind of evil is unnecessary for us. It is estimated that this guy will not live long after stepping into Jiangnan Province... Just pay attention."

"Yes, Mr. Jiang!"

The lean man quickly withdrew.

Only the middle-aged man is left in the whole room. His eyes looked in the direction of Jiangnan Province through the window, and said lightly:

"I thought you were dead, but now it seems that you really live like a cockroach. Every one of your family lives is very hard, interesting, and really interesting. However, with your cultivation base, you still pay. Want to find out about the Yunhu Villa? The mere ants still want to shake a giant tree? They are looking for death!"

.....

Ye Chen returned to the villa and found that the living room light was still on.

There was even the sound of TV.

Ye Chen opened the door and soon saw the two girls on the sofa fall asleep leaning on the sofa.

Besides Sun Yi, Xia Ruoxue also came to the villa.

This feeling made Ye Chen return to the life of Jiangcheng.

There are vegetables wrapped in plastic wrap on the table.

should have been reserved for him by the second daughter.

Seeing this scene, Ye Chen's inner softness was also touched.

There is no trace of evil spirits, only gentleness.

Xia Ruoxue's long eyelashes trembled slightly, and when she noticed something, she opened her eyes violently. When she saw Ye Chen standing not far away, she woke up Sun Yi angrily.

"Xiao Yizi, the \*\*\*\* is back! We finally went to the kitchen and made a few dishes. This \*\*\*\* didn't answer the phone, and he was back so late! Come and come... we said we were good to serve!"

Sun Yi also woke up, smiled, and went directly to the table to get the dishes: "I'll take it to warm up, Xiaochenzi, you are getting fatter... Ruoxue is very angry, you can figure it out."

As soon as Ye Chen wanted to speak, Xia Ruoxue said: "Forget it, for your sake of waking up my grandmother, I forgive you once, go to dinner, look at you, thin, I think you are already hungry. Sun Yi is almost full of snacks. I wanted to celebrate the housewarming tonight, but I didn't expect you to be so uncooperative."

Ye Chen touched his nose and said with a smile: "It was a little delayed to deal with some things, have you been waiting for me?"

Of course Xia Ruoxue didn't admit it, and said nonchalantly: "What do you think about you? I just watched a movie with Xiao Yizi, so we won't wait for you, eat and eat..."

.....

The villa is very warm, but the outside of the villa is completely turbulent!

The entire Jiangnan Province martial arts world seems to usher in a major earthquake!

Because the son of Tang Ao, the president of Jiangnan Budo Association, was beheaded!

There is not even a complete body!

The method is extremely cruel!

The key is who dares to do this!

At this moment, the Jiangnan Provincial Budo Association is brightly lit.

emergency meeting.

This time, almost most of the martial arts family in Jiangnan Province came.

and each breath is terrifying to the extreme!

Not only the martial arts family, but also some consortium families in Jiangnan Province, including the Xia family and the Zhou family.

All the people inside, together, almost control the entire Jiangnan Province.

The atmosphere on the court was extremely solemn.

A pair of eyes didn't dare to look at Tang Ao on the stage.

Tang Ao is notoriously old and good!

'S love for his son is almost going to heaven!

But just today, his son is dead!

Tang Ao's face was almost ashen. Although he didn't speak, an angry color enveloped the audience!

Not long after, Tang Ao spoke, almost roaring out:

"My son Tang Yuanxuan was beheaded! You should all know it, right!"

The words fell, Tang Ao really couldn't help it, slapped a palm on the marble platform in front of him, and the stone platform was directly turned into powder!

billowing smoke and dust, covering everyone's sight!

After a few seconds, the smoke cleared, and Tang Ao's iron-green face scanned the audience: "I have an emergency meeting today. There is only one request! Use everyone's strength to help Tang Ao find the murderer! I will torture him to death by myself! Cut off the heads of his family!"

He pressed a button~[www.mtlnovel.com](http://www.mtlnovel.com)~ A photo appeared on the big screen behind him instantly!

That is the back of a young man with a peaked cap!

is very vague.

But you can vaguely see the young man with a package in his right hand!

He Tang Ao is sure it is his son's head!

After the incident, he checked all the surveillance, and they were all erased in advance!

The only clue is this back photo!

was accidentally photographed by someone shooting a landscape!

Tang Ao pointed to the back of the man in the photo and said, "I want you to use all your strength to help me find this man! Any man who wears this suit today will be caught by me!"

"Not only that, there is no man who has any overlap with this back figure. There is no alibi. Bring them all!"

"I, Tang Ao, would rather kill a thousand by mistake, and I don't want to let one go!"

Hearing these words, the strong off the court were all startled.

This Tang Ao is too crazy, even if he wants to kill him from behind?

How many people can bear the anger of the lion in Jiangnan Province!

"Also, since this person can easily kill Tang Haishen, he is very likely to be on the Huaxia Grandmaster list! Now, any Huaxia Grandmaster list similar to this figure will also be brought! No matter what the background of the other party! No matter what the opponent's rank!"

Xia Hongye under the stage listened to Tang Ao's roar, but his eyes were staring at the photo.

Because the back of this man in the photo is so familiar!

He seems to have seen it!

Regardless of body shape and posture, they are all too familiar.

His head turned quickly, and suddenly, a cold and proud face appeared in his mind!

Ye Chen!

Chapter 196: The storm swept!

Looking at the back in the photo, Xia Hongye's brows turned into Sichuan.

Ye Chen's martial arts strength, he roughly knows, and Yuan Jingfu is at the same level.

The 350th on the Huaxia Grandmaster List is the top!

And Tang Haishen next to Tang Ao is 251!

The gap is like a chasm.

He shook his head, he should think too much.

Ye Chen doesn't have this strength, he is probably awkward to face the Qin family now.

Even though he thought so, he still sent some messages to Xia Ruoxue.

If Xia Ruoxue and Ye Chen stay together at night, then this may be ruled out.

After        hit the side, Xia Hongye's face changed a little!

Ye Chen actually just came back!

Is it really him?

His forehead is covered with sweat, and the shirt underneath is soaked.

Zhou Fulu next to Xia Hongye also narrowed his eyes.

He came to this meeting on behalf of the Zhou family. When he saw the back in the photo, he also thought of Ye Chen the first time.

With this back view, people from the Jiangnan Provincial Budo Association naturally couldn't contact Ye Chen.

But anyone who has had contact with Ye Chen will find that Ye Chen's walking momentum and posture are completely different from those of outsiders!

is extremely easy to distinguish!

And the back in the photo looks too much like Ye Chen!

He didn't dare to stretch out. He planned to call Ye Chen and ask about the situation when the meeting was over.

As a friend, he didn't want Ye Chen to be behind him.

Tang Ao's anger is not something ordinary people can bear.

If Ye Chen really killed Tang Ao's son, let alone his own life worrying, the Xia family and even the Zhou family would be implicated!

This is the fury of the master!

In addition, Ma Weiqi next to Tang Ao naturally discovered who the back figure is in the photo.

There was a storm in his heart, and he couldn't think of Ye Chen who dared to touch Tang Ao!

What the \*\*\*\* is just beheading!

This is nothing short of smoking Tang Ao's face!

But even if he knew it was Ye Chen, he didn't dare to say anything, his eyebrows shot Ye Chen's blood, and he was destined to be his servant in this life.

betrayed Ye Chen, his soul is destroyed!

He glanced at Wu Qiyuan, the head of the Wu family not far away, after all, the back of Ye Chen leaving the Wu family that day was exactly the same as in the photo.

Fortunately, Wu Qiyuan just felt a little familiar, did not think of Ye Chen, did not speak, and there should be no danger for the time being.

At this moment, Tang Ao appeared beside Ma Weiqi and said coldly: "Ma Weiqi, as the vice chairman, you will be the responsibility of finding this son! Are you confident?"

Ma Weiqi's face changed, and he quickly said seriously: "I watched Yuanxuan grow up! Yuanxuan's accident, I will find the culprit behind the scenes at all costs!"

"Okay!" Tang Ao slapped Ma Weiqi on the shoulder, "I'll give you three days! You must find this person! This person should still be in Jiangnan Province, even if you go through the entire Jiangnan Province, you must do it. I found it!"

"Yes, chairman!"

.....

wee.

The villa was silent.

Ye Chen is practicing cross-legged, the whole room is full of spiritual energy, and his cultivation level is gradually rising.

Soon, his phone rang, Ye Chen interrupted his practice, his eyes were a little unhappy, who would dare to call his own phone at night.

He held his five fingers, and the phone appeared in his palm. To his surprise, it was Ma Weiqi of the Jiangnan Budo Association!

The call is connected.

"Mr. Ye, I have posted the photo on your mobile phone. Tang Ao held an emergency meeting today. In the next few days, he will use the power of the province to find the person in the photo! Mr. Ye, be careful."

"Also, I feel that the Wu family will be suspicious of you, remember to pay attention."

The phone hung up.

Ye Chen glanced at the photo sent by the mailbox, without the slightest expression.

What can a single back view show?

What if Tang Ao found out about him!

The second tombstone in the reincarnation cemetery can be moved. Tang Ao is nothing but nothing!

It's just that his current focus is on Yunhu Villa.

Of course, Ye Chen would not actively use the second tombstone to kill Tang Ao.

This is his biggest hole card.

If the other party comes to die, then he can't help it.

Soon, Zhou's phone also called. Ye Chen took a few casually and turned off the phone.

He entered the cultivation state again.

Tonight, doomed to sleepless.

Tang Ao's top influence is demonstrated.

Mysterious people holding a photo appeared on the streets, hotels, and communities in Jiangnan Province.

Ye Chen's back figure is almost known by most people.

Countless men of the same figure were forcibly taken away!

There is no law at all!

At this moment, the power of the president of the Jiangnan Budo Association has been exerted to the extreme!

.....

At the same time, Wujia, Jiangnan Province.

Even in the early hours of the morning, Wu Qiyuan held an emergency family meeting.

All the Wujia core tribesmen are here.

Wu Qiyuan said straightforwardly: "This time, Tang Ao's affairs are going to be a lot of trouble. If any family has made merits in this matter, it will be absolutely profitable and harmless! Compared with Tang Ao's identity, Mr. Ma's identity is less influential. Too much! If our Wu family makes a contribution in this matter, the Qin family will definitely not dare to move us!"

"When you look at the photos on the screen, I always think this kid is a bit familiar, but he can't tell. UU看书www.uukanshu.com"

Everyone in the Wu family glanced at the back in the photo, and the first reaction was that they were familiar!

Wu Xinlan opened her small mouth slightly, her beautiful eyes were full of horror, Ye Chen came to the door that day, she paid more attention to it, and naturally recognized Ye Chen for the first time.

Ye Chen killed Tang Ao's son?

She was a little pale. Although she didn't believe it, from the attitude of Ye Chen that day, it seemed that it was really his style of behavior!

Is this guy going to die?

At this moment, Wu Cheng slapped the table and reacted: "Patriarch, isn't this guy the arrogant kid who came to our Wu family that day! Fuck, it's 100% this kid!"

Wu Qiyuan suddenly suddenly! He finally understood why he was familiar!

Yes, Ye Chen!

But as the head of the family, he is naturally impossible to act impulsively.

"Just a back view, not necessarily Ye Chen, but that kid broke through my coercion that day, in terms of strength, he could really kill Tang Haichen, now I need to determine one thing, a few hours ago, in the end doing what!"

Wu Qiyuan analyzed.

Wu Cheng sneered and said: "Patriarch, what's so troublesome, this son looks like a picture, just tell Tang Ao directly! Tang Ao's character will never make this kid feel better, even if it wasn't him, it would be impossible to escape death!"

I'm \*\*\*\* upset with this kid and Wu Xiangming's dog! "

Wu Qiyuan shook his head, looked at Wu Cheng, and said: "You think you have confirmed the identity of this son, and then give him to Tang Ao and directly tell Tang Ao who he suspects, the former or the latter, which Tang Ao will thank? "

Wu Cheng's eyes lit up and said: "Of course it is the former! Sending the enemy home, Tang Ao is equivalent to owing us a great favor from the Wu family!"

Chapter 197: 1 blood word!

Wu Qiyuan thought for a few seconds, glanced at everyone in the Wu family, and said: "Who wants to take this son? Whether it is him or not, we must interrogate it! If it is really this son, we will abolish this kid. Hands and feet, and then personally give it to Chairman Tang!"

"This son has lost a lot of our Wu family, and even offended the Qin family. I didn't want to embarrass this son. Now it seems that everything is destined!"

With a gloomy smile on the corners of Wu Cheng's mouth, he directly asked for instructions: "Patriarch, leave this to me! I will take this back!"

Wu Qiyuan's eyes condensed, after thinking about it, he changed his mind and said: "This son is not so easy to deal with. You can't hold it alone, and that traitor Wu Xiangming might also protect this person."

Check out new PVP arena battles!

"Let's do it, Wu Yong, Wu Cheng, you two prepare, first bring that Wu Xiangming! Wu Xiangming should know how much about this matter, and when everything is determined, it will not be too late to take down that kid!"

At this moment, Wu Xinlan said, "Dad, it's not so good. Wu Xiangming and Ye Chen have nothing to do with our Wu family anymore, is it a bit too much to deal with them by force like this..."

Wu Qiyuan's eyes shot at Wu Xinlan, and said seriously: "Xinlan, you are still young, and some things are still unclear. People do not destroy themselves, and society is sinister. If two unrelated people die, they can To save the Wu Family, or to make the Wu Family stronger, this choice does not require any consideration!"

"But Dad, Wu Xiangming was once a member of the Wu family, and he has made great contributions to our Wu family..." Wu Xinlan said.

Wu Qiyuan waved his sleeves, angrily: "You said it used to be! Now Wu Xiangming is someone else's dog! What if he is killed! His life is worthless in my eyes!"

"Wu Cheng, Wu Yong, don't hurry up!"

"Yes, Patriarch!"

Wu Xinlan looked at the two distant figures and sighed, wondering if the Wu family made the right move.

I don't know why, she always has an unknown premonition.

.....

Tinglan Community, 3 buildings.

Wu Xiangming has been in the house for several days.

I even order takeaway for meals, and I haven't even visited the door.

He took the pill and kept practicing according to the "Shen Yan Jue" given to him by Ye Chen.

At first I found that this exercise was very complicated, and it was completely different from the Wujia exercise.

It can even be said that all the exercises on the market are different!

But when he cultivated to the back, he found that his strength had soared more than three times!

He is sure this is the baby of the baby!

In addition to Ye Chen's pill, he felt that there was a bright road in front of him!

At this moment, he is sitting cross-legged, and there is a faint air current all over his body. Although it is very weak, it runs through his body!

Suddenly, he noticed something and suddenly opened his eyes!

"Boom!"

The door was kicked open, and the two men appeared directly in front of Wu Xiangming!

is Wu Cheng and Wu Yong!

Wu Xiangming stood up, his eyes filled with coldness, and he scolded, "I have no contact with the Wu family anymore. What did you break into my house for?"

Wu Cheng smiled, glanced at Wu Xiangming, and said, "Oh, isn't this the dog raised by that kid, so hard, you are still cultivating at this point! Leaving the Wu family, you have worked hard to become stronger."

Suddenly, Wu Yong, who had not spoken, noticed something, and turned into an afterimage, with his fingers spread out, and a few pills appeared in his hand!

Ye Chen gave Wu Xiangming!

Wu Yong's eyes fell on the pill, his eyes became fiery, and then he stared at Wu Xiangming and said, "Where do you get these pill!"

He discovered that this pill is not only rich in fragrance, but also not long after the pill pattern was refined!

This Wu Xiangming must have a great opportunity!

Wu Xiangming chuckled in his heart, burning with anger, stepped forward, and rushed to grab the pill!

This is given to him by Mr. Ye, it must not be obtained by outsiders!

Wu Yong looked at Wu Xiangming who was rushing in, and sneered: "In Wujia, my strength is far better than you. What qualifications do you have to dare to grab the things in my hand, get out!"

Wu Yong punched out!

Wu Xiangming didn't care about anything, he was not Wu Yong's opponent at all, he could only subconsciously run the "Shen Yan Jue", and a trace of true energy gathered on his fist!

"Boom!"

A powerful force broke out!

There is a crack in the ground!

Both of them took five steps back!

Wu Xiangming smiled and looked at his fist in horror!

Mr. Ye did not lie to him!

This "Shen Yan Jue" is simply a fetish!

Wu Yong and Wu Cheng's eyes widened, like sculptures, stupidly in place!

Just a few days! Wu Xiangming is so strong!

Wu Yong was the first to react and looked at Wu Cheng and said, "Wu Xiangming definitely has an unknown secret! Wu Cheng, do it together! Take down this traitor!"

"Good." Wu Cheng's eyes were also hot.

In the next second, two figures rushed out!

Wu Xiangming's face is wrong, so he can only bite the bullet!

Suddenly, the shadow of the fist was everywhere, and all the furniture in the room was destroyed!

Although Wu Xiangming's cultivation base has risen sharply, he is facing two Wujia masters! He gradually lost the battle!

"Boom!"

Wu Cheng slapped Wu Xiangming's chest with a palm!

The latter's body directly smashed through a wall!

Wu Xiangming just wanted to get up, Wu Cheng's big feet have already stepped on Wu Xiangming's body!

Wu Xiangming spit out a mouthful of blood, his face pale to the extreme.

"Say, who gave you these things!" Wu Yong said coldly.

"Bah!" Wu Xiangming spit out a mouthful of blood, which gradually stained their faces!

Unyielding!

Wu Cheng has long been uncomfortable with Wu Xiangming~[www.mtlnovel.com](http://www.mtlnovel.com)~ He punched the latter's face directly, and Wu Xiangming's entire face was almost deformed!

"Aren't you willing to be that kid's dog? You asked that kid to save you, damn! Come on, tell me where these pills come from!"

"Also, where is the little beast Ye Chen now!"

Wu Xiangming spit out a mouthful of blood again, staring at Wu Cheng with cold eyes, and said word by word: "Mr. Ye, don't be insulted! No one is entitled to insult!"

"If you offend Mr. Ye, you must be prepared to endure Mr. Ye's burning anger! The Wu family will be destroyed!"

Wu Cheng stepped on Wu Xiangming's body again, and said with a smile: "Fill the \*\*\*\* anger of burning the sky, I might as well tell you that Ye Chen can't protect himself! Whether he can survive tomorrow is unknown! "

"Don't talk nonsense, answer our questions quickly!"

Wu Xiangming turned his head and resisted the pain on his body, without frowning!

It is impossible for him to betray Ye Chen!

"Fuck, pretend to be proud? I \*\*\*\* make you proud!"

Wu Cheng fiercely kicked out, full of energy! It hit Wu Xiangming's waist directly!

"Crack!" With a sound, the bone broke directly!

After that, Wu Cheng stepped on Wu Xiangming's face again, and said coldly: "I broke the most important bone in your body. You're a \*\*\*\* useless person in your life. I want to see it. You keep saying Mr. Ye, are you willing to save you this waste dog!"

"take away!"

Wu Xiangming was dragged away ruthlessly by the two!

But they didn't know at all, Wu Xiangming just resisted the pain in his body, shaking his fingers, and leaving a black character on the ground!

This black character is cold!

There is endless death!

Chapter 198: Threat!

the next day.

Jiangnan Province, Mingcui Villa District.

Ye Chen opened his eyes and exhaled a suffocating breath. The overnight practice has greatly improved his cultivation.

Although there is still some distance from the fourth layer of the Pneumatic Realm, there is the heaven-defying aura of the reincarnation cemetery, plus the medicine, the speed is obviously much faster.

is even far faster than the practice speed in Kunlun Xu.

After Ye Chen got up, he found that Sun Yi and Xia Ruoxue had left long ago. It should be dealing with the Tianzheng Group in Jiangnan Province.

The two reached a consensus last night. Because Sun Yi came to Jiangnan Province for the first time, Xia Ruoxue took some business matters with him.

After all, in terms of economy and commerce, no one in Jiangnan Province can be on the same level as the Xia family.

Ye Chen finished the breakfast prepared by Sun Yi, called Ying Qing, and asked about Zhong Weishan. He thought that with the strength of the dragon soul, Zhong Weishan should be released, but he didn't expect things to be a bit tricky.

After all, Zhong Weishan abused his power at the beginning, and his identity was somewhat special. Even if the dragon soul is connected with the upper department, it can only shorten the period of imprisonment to the greatest extent. It is impossible for Zhong Weishan to think of it in a short time.

There are national laws and family rules.

Fortunately, Ying Qing prepared Plan B and sent some Dragon Soul technicians directly into Prison One. Today, he should be able to simulate the man's simulation picture.

Ye Chen is relatively relieved to deal with Qing.

Then, Ye Chen thought of something, called Ye Lingtian, and asked how Ye Lingtian's progress was.

Ye Lingtian on the phone looked excited. Those three exercises and martial arts seemed to have made him discover the new world. Although he had to abandon all the previous training systems, he was shocked to find that no matter how strong and fast, he had been qualitatively improved!

After that, Ye Lingtian talked about the recent situation in Jiangnan Province. Tang Ao's eyes were almost everywhere on the street. The whole Jiangnan Province was extremely turbulent. In just one night, 36 young people had disappeared. These people were all the same regardless of age or body. It can be seen that Tang Ao is determined to find the murderer this time.

Ye Lingtian asked Ye Chen to pay more attention these days. It is better not to go out as a last resort.

Hanging up Ye Lingtian's phone, Ye Chen called Wu Xiangming again, wanting to ask how the progress of the practice of "Shen Yan Jue" was, but found that he had made three calls in a row, all showing the shutdown state.

Ye Chen frowned. He asked Wu Xiangming to rent a house in the Mingcui villa area and stand by while practicing. Logically speaking, the other party's phone should be turned on 24 hours a day, and the phone should be kept by his side.

Why don't you answer his phone right now?

Ye Chen didn't think too much, it is estimated that the other party is in a state of cultivation breakthrough.

Two more hours later, Ye Chen called Wu Xiangming again, still shutting down!

Ye Chen felt something wrong.

He closed his eyes tightly, and there were two special drops of blood floating in the sea of knowledge!

This blood is Ma Weiqi and Wu Xiangming!

While Wu Xiangming's blood has weakened a bit, it is obvious that something has happened!

Ye Chen's face changed slightly, and he took a coat and walked towards Tinglan Community.

The two places are very close, and Ye Chen arrived in a minute's walk.

The moment the elevator door opened, Ye Chen felt something was wrong.

Tinglan community has one elevator and one household, so when the elevator opens, Wu Xiangming's residence is directly opposite.

At this moment, Wu Xiangming's door has been blasted open, and there is a mess inside.

Ye Chen walked in, his eyes extremely solemn.

The wall broke, the table shattered, and there was a fine crack on the ground.

There are countless blood stains on the ground.

Shocking.

Obviously, a battle broke out here, and the breath is not weak.

Wu Xiangming should have been beaten and taken away.

At this critical time, who is going to take Wu Xiangming away?

Is it the Qin family?

Ye Chen asked Ye Lingtian to keep an eye on the Qin family. The Qin family is still in Kunlun Mountain and there is no sign of returning to Jiangnan Province.

Nan Qin Shanzhuang, it is impossible for someone to deal with Wu Xiangming.

Suddenly, Ye Chen's eyes shrank, he squatted down, and there was a \*\*\*\* "black" character on the ground!

Although the font is crooked, Ye Chen can be sure that it was left by Wu Xiangming!

And it was left behind in a time of extreme despair and pain!

Wujia!

Ye Chen's eyes were filled with coldness.

Seeing Wu Xiangming's face, he didn't deal with Wujia.

I didn't expect that after Wu Xiangming was expelled from the Wu family, these guys hadn't even planned to let Wu Xiangming go!

It depends on the owner to hit a dog!

Besides, Wu Xiangming is not Ye Chen's dog at all! But his men!

It seems that there is no need for Wujia to exist!

.....

Jiangnan Province, Wujia.

Wu Xiangming was lying on the ground like a useless person, with blood constantly spitting out the corners of his mouth, his weakness was extremely weak.

Wu Qiyuan glanced at Wu Xiangming complicatedly, and sighed.

Although this person is a traitor, he was once a member of the Wu family.

Unexpectedly, Wu Cheng and Wu Yong were beaten like this. The methods were cruel.

Wu Qiyuan looked at the two of them, and said coldly: "I only said to bring this person, why are you making such a heavy shot?"

Wu Cheng smiled awkwardly: "This Wu Xiangming is just a dog now. What is the difference between a dead dog and a living dog."

"The key point is that this dog doesn't cooperate at all, not just the position of the little beast, even..."

Suddenly ~www.mtlnovel.com~ Wu Cheng thought of something, glanced at Wu Yong, and said, "Hurry up and get that thing out."

Wu Yong reacted and quickly took out a few pills from his pocket.

Wu Qiyuan's face changed as soon as the pill came out!

He stretched out his hand fiercely, snatched the pill from Wu Yong's body, looked at the pill pattern on it, and said excitedly: "This...this pill is so fresh!"

He didn't care about anything, he directly took one, and in the next second, a strong medicinal scent spread through his body!

Wu Qiyuan is immersed to the extreme!

"Good! Good! Good!"

Wu Qiyuan said three good times, opened his eyes sharply, grabbed Wu Yong's hand, and asked, "This pill is even more terrifying than the rare pill left by the ancestors of the Wu family. In the end... How did you get it?"

"Once the Wu family has mastered the source of this pill, it will definitely become the No. 1 martial arts family in Jiangnan Province! Then what will Tang Ao and Qin Family count for!"

His breathing is a bit short!

At this moment, he doesn't even care about Ye Chen's affairs. For him, this pill is the greatest value!

"Quickly, this pill, where did you come from!"

Wu Qiyuan's fiery eyes stared at Wu Yong.

Wu Yong and Wu Cheng glanced at each other, and their eyes fell on Wu Xiangming on the ground.

"Patriarch, we got this pill from him. At that time, we were desperate to know the source of the pill, so we beat this guy like this. But this guy's mouth is too hard to say anything."

Wu Qiyuan took a deep look at Wu Xiangming on the ground, knelt down, shook the pill in his hand, and said seriously: "Wu Xiangming, where did this pill come from? If you tell me, I am now Just take you to the hospital, maybe your body is still saved."

Chapter 199: I killed it, how!

Wu Xiangming did not vomit a word, still resolute!

Wu Yong thought of something and continued: "Patriarch, I also found one thing yesterday. I haven't seen it for a few days. Wu Xiangming's strength is much stronger. I doubt he has a great opportunity!"

Wu Qiyuan nodded and continued to say to Wu Xiangming, "As long as you tell me where your chances come from, I promise that the Wu family will not only find a way to cure you, but also want you to return to the Wu family. !"

Wu Xiangming laughed suddenly, blood constantly oozing from the corner of his mouth, and his eyes were determined: "Wu Qiyuan, there are some things you are not qualified to watch, or when the Wu family will be destroyed in your hands, it might be possible! My family is the first family in Jiangnan Province. Now this field is all because of your narrow vision!"

Raid: Shadow Legends! Play Now!

Wu Qiyuan's face was a little angry. Just about to do something, a young girl came out.

"Dad, what are you doing?"

Wu Xinlan walked in, but her face changed a lot when she saw Wu Xiangming like this.

This is going to torture people!

Although she knows that martial arts is a way of life, death is inevitable, but she does not want her father to torture others like this!

The key torture is Wu Xiangming!

Wu Xiangming used to be her accomplice, and he was open-minded! She has admired and even admired since she was a child!

Being tortured by her father to this point, she really can't stand it anymore.

"Dad, why have you become like this?"

After speaking, Wu Xinlan was about to call 120, but her cell phone disappeared before the call was made.

appeared in Wu Qiyuan's hands.

was then directly pinched by Wu Qiyuan.

His eyes looked at Wu Xinlan, and he said solemnly: "I did this for the Wu family, Xinlan, if you dare to intervene, immediately confine yourself to practice!"

Wu Xinlan's face changed, and she stopped talking, she could only take out a handkerchief and wipe the blood from the corner of her mouth.

Wu Xiangming glanced at the girl in front of him and nodded, very complicated.

Wu Qiyuan continued to question: "Wu Xiangming, I advise you to tell me the origin of this pill! The refining time of this pill is no more than a month, you must know the whereabouts of the pill master! As long as you tell me, what do you want? , Our Wu family will be satisfied!"

"Bah!" Wu Xiangming spit out blood and said coldly, "Wu Qiyuan, don't think about it!"

Wu Qiyuan wiped the blood from his face, his eyes were cold, and when he was about to talk, his phone rang as a text message.

He glanced at the text message, his expression turned gloomy, and he reached out and patted Wu Xiangming's almost distorted face: "Wu Xiangming, Wu Xiangming, I wonder if you have heard the words Mingcui Villa. ?"

Wu Xiangming's expression changed when he heard Mingcui Villa! Unexpectedly, Mr. Ye's address was still found!

Damn it!

He stared at Wu Qiyuan steadily, and roared: "Wu Xiangming, you don't even know how terrifying the existence you provoke! Mr. Ye wants to destroy the Wu family, it's just a matter of one hand!"

"Destroy my Wu family with a hand? Haha!"

Wu Qiyuan laughed!

Wu Cheng, Wu Yong and the rest of the Wu family all laughed!

Although the Wu family has fallen, the deadly camel is bigger than the horse!

The Qin Family and Tang Ao wanted to easily destroy the Wu Family, it was impossible! Not to mention a nasty kid!

Wu Qiyuan stood up, looked at a few people, and said coldly: "Wu Ting, Wu Yong, Wu Cheng listened! Since Wu Xiangming refused to say it, you should go to Mingcui Villa and arrest the little beast! I am We need to see if something happened to the dog owner, will this dog say something to protect the owner!"

"Yes, Patriarch!"

Wu Xinlan glanced at her father's hideous face, somehow, there was an ominous premonition in her heart.

She didn't want her father to deal with Ye Chen.

Because Ye Chen always gave her an illusion of extreme danger.

Although the partner is young, the feeling is too strong.

The three masters of the Wu family just planned to leave, just at this moment, a loud noise shook the entire Wu family!

"Boom!"

I saw the Wujia gate directly twisted and deformed, and even the strong inertia caused the gate to fly to the living room! Smashed the ground fiercely!

blocked the way of those three people!

Not only that, but two bodies full of blood were thrown in directly!

are the two masters outside Wujiamen!

The two masters of the key, their chests were almost pierced!

is terrifying!

Seeing this scene, everyone's face changed!

Someone dared to make trouble in Wujia!

Soon, the figure of a young man appeared in front of everyone!

The young man is cold and indifferent, with his black hair scattered and unruly, his eyes flashing like an abyss.

The nose is straight and straight, and the lips seem to be thin.

He stood arrogantly like this, with his hands behind him, his whole body seemed to be wrapped with a faint suffocation~[www.mtlnovel.com](http://www.mtlnovel.com)~ An invisible aura seemed to make everyone in Wujia feel unable to breathe!

is Ye Chen!

Ye Chen's gaze fell on the ground like Wu Xiangming, who was like a man!

An anger rolled up! Go straight to the whole body!

He took a step, and there was a slight trembling on the ground.

His eyes, which are like freezing ice, glanced at everyone present, "Who did it? Stand up!"

His voice is like the vastness of nine days, with supreme pressure!

Undoubtedly!

No refutation is allowed!

No one from the Wu family spoke, and was completely suppressed by Ye Chen's aura!

Ye Chen is another step!

A deep footprint appeared on the ground!

"Who did it! Stand up!"

The second time!

Ye Chen is extremely strong at this moment!

All the people of the Wu family must bear his Ye Chen's utter anger!

Wu Qiyuan reacted, his old face blushed, his dignified Wu family Patriarch was actually bluffed by a stinky boy!

He glanced at Ye Chen and said coldly: "Smelly boy, I just wanted to send someone to find you, but I didn't expect you to come here by yourself!"

"Did you kill Tang Yuanxuan, the son of Tang Ao!"

Ye Chen raised his head, his eagle-like eyes shot out and took another step!

"I killed it, how!"

Hearing these words, more than a dozen people present were silent!

Ye Chen's voice kept shaking in their hearts, setting off waves after waves!

They didn't expect that Ye Chen would admit it so easily!

Is this kid crazy!

Even if he really killed him, what right does he have to be so unscrupulous!

He offended Tang Ao!

Chapter 200: Lead to death!

Wu Qiyuan sneered: "Since you admit it yourself, that would be great!"

Ye Chen ignored Wu Qiyuan at all, but took another step!

At this step, a huge crack appeared in the ground in front of him!

is like drawing a line for Wujia!

One side Wujia! One side hell!

"I'll say it one last time, who did it! Stand up!"

The third time!

awe-inspiring!

above all things!

Wu Cheng was overwhelmed by this atmosphere, stood up directly, and cursed: "I did it! What the \*\*\*\* can you do with Laozi!"

Ye Chen's fierce gaze fell on Wu Cheng's body, and said: "Okay! Now that you have stepped forward! It was you who abolished yourself or I, Ye Chen, to do it. If I abolish you, you are not allowed to fight back. If you fight back, I will fight hard. If you fight hard, I will kill you. If you fight back, I will destroy your Wu family!"

Threat!

Naked threat!

Who would have thought that a young man would single-handedly enter the Wu family!

still dare to threaten the extermination!

Wu Family is one of the top martial arts families in Jiangnan Province!

is so arrogant!

Wucheng feels like a big hand is strangling his throat, it is extremely uncomfortable!

"Dead crap, you \*\*\*\* die!"

Wu Cheng rushed towards Ye Chen! Like an angry lion!

His whole body seemed to be carrying a storm, and his strength made the small gravel around him fly!

Ye Chen glanced at the opponent faintly, and said: "Since you fight back, then I will do it!"

At the same time, Ye Chen threw a punch! There is no false move in this punch!

Under the movement of infuriating energy, it reaches ten thousand catties!

His arm curled up bursts of air currents and evil spirits, which was terrifying!

Wu Cheng's eyes trembled, and under a punch, he actually felt a touch of cold crisis!

This feeling is like a poisonous snake biting his body!

He subconsciously wanted to dodge, but it was too late!

Two punches collided together!

A burst of destructive force broke out!

"Boom!"

Although there is no sound of broken bones!

But something stranger happened!

Wu Cheng's right arm burst out! Turn into a blood mist!

Blood is gradually staining Wu Cheng's face!

Wu Cheng screamed with a fierce face, the strong pain even made him want to go crazy!

But the pain has just begun, Ye Chen's fist did not stop at all!

hit Wu Cheng's body sturdily!

Wu Cheng's chest suddenly heard the sound of bone cracking!

Ye Chen turned his fist into a palm and snapped it!

"Boom!"

Wu Cheng's body hit the ground heavily!

Dust splashes!

"Ah!" Wu Cheng couldn't bear it anymore, and he screamed, still vomiting blood!

Ye Chen glanced at Wu Xiangming's wound, his eyes became cold, and his big feet directly stepped on Wu Cheng's waist!

A tooth for a tooth!

"Kakkaka!"

Bone broke again! Even some bones have been inserted into Wu Cheng's vitals!

At this moment, Wu Cheng's eyes are only fear!

Devil! madman!

All this happened so fast!

Wu Yong and Wu Ting not far away finally reacted and rushed towards Ye Chen: "Boy, looking for death! My Wu family dare to move!"

Ye Chen ignored the two, looked at Wu Cheng, and said in a cold voice: "I also said that if you make a heavy hand, I will kill you! No one can save you!"

Ye Chen rolled up a burst of energy under his feet and stepped on it directly! Pierced Wu Cheng's chest!

Wu Cheng's eyes widened, and there was no vitality in an instant!

Wu Yong and Wu Ting, who rushed by, saw this scene, their expressions changed drastically, who would have thought that Ye Chen would not only dare to enter the Wu family alone! Dare to kill people in front of so many people in the Wu family!

Do you want to die!

"Since you want to die, our Wu family will fulfill you!"

A short knife appeared in the hands of the two of them, and they cut directly at Ye Chen!

Ye Chen snorted coldly, stepped out, the phantom body of Canglong decided to swim!

Wu Ting and Wu Yong's knife instantly slashed on the afterimage! The two of them looked stagnant!

I never thought Ye Chen was so fast, like a ghost!

Just as the two were looking for Ye Chen's figure, a strong wind swept in! One hand directly clasped Wu Ting's wrist!

"Crack!" With a sound, the wrist broke, and the short knife fell directly, and was caught by Ye Chen's other hand!

Ye Chen held the handle of the knife, and the short knife was really angry! Killing intent broke out! An arc of death tore the air directly across Wu Ting's neck!

The next second, blood sprayed, and Wu Ting's body fell straight down.

Wu Yong couldn't think of it at all, Wu Ting could not hold back even a single move, his eyes were full of horror, he didn't dare to think about it, he could only gather all his strength and slash towards Ye Chen!

However, anomaly has emerged!

The air in front of him seemed to condense suddenly, forming a wall of air!

No matter what, his knife can't cut it!

His pupils are round, almost desperate!

"Zhen Qi freezes the wall! Cultivator! You turned out to be a Cultivator!"

Ye Chen naturally wouldn't give the other party the power to speak, and shot a short knife in his hand, piercing the air!

The powerful wave of air is going towards Wu Yong like a short knife!

Wu Yong's body hits and flies!

"ding!"

Accompanied by the sound of meat entering, it is clearly visible!

Wu Cheng's body was actually nailed to a wall!

The key knife hasn't penetrated into the wall seven or eight centimeters!

This is a solid wall!

is like the art of death!

At this moment, the whole Wu family fell silent.

There is a tremor of horror in everyone's eyes!

There are even some masters with similar cultivation skills to the three, their bodies trembling!

Sweat on the back, soaking wet!

Starting from Wucheng, Wu Ting and Wu Yong fell one after another!

It's not even ten seconds!

Three first-class masters of the Wu family were killed easily?

The key death is terrible!

What a joke!

Even Wu Qiyuan, the head of the Wu family, couldn't do it so easily!

An icy sense of death crawled into everyone's hearts!

They looked at Ye Chen as if they had seen a devil~[www.mtlnovel.com](http://www.mtlnovel.com)~ Ye Chen glanced at the crowd, and walked towards Wu Xiangming on the ground step by step.

Several Wujia powerhouses who were originally around Wuxiangming dispersed in an instant!

Even Wu Qiyuan, the head of the Wu family, took two steps back.

Ye Chen glanced at Wu Xiangming, and found that the other party was seriously injured, even a waste person!

He suppressed the anger in his heart, took out a pill, and fed it to Wu Xiangming's mouth.

Wu Qiyuan and many masters of the Wu family saw this scene, and they were completely surprised!

The pill was originally from this kid! All the secrets behind Wu Xiangming are related to this son!

But even if they know what, do they dare to do it?

dare not at all!

The entrance of the pill, Wu Xiangming finally felt a little better.

"Mr. Ye, his subordinates are incompetent..."

Wu Xiangming trembling voice, quite ashamed.

"You only practiced "Shen Yan Jue", if you give you another month, none of these people can touch you!"

Because the important bones were broken, Ye Chen couldn't help him up, so he stood up, and his sharp eyes shot towards Wu Qiyuan!

The culprit!

"Wu Qiyuan, don't kneel down yet! Lead to death!"

A sound of scolding resounded throughout the Wu family!

This sound is like thunder, bursting into the hearts of everyone in the Wu family!
