## Chapter 2: Beauty relief!

At this moment, the whole hall is as silent as death.

Everyone looked at the somewhat flimsy young man dumbfounded.

"Nima, is this filming?"

"Let me go, what kind of monster is this special mother?"

"This...killed...killed!"

The little beauties at the front desk were even more scared and hid directly behind them. In their opinion, the two security guards of the group are already terrifying, but this young man who sells goods is even more terrible!

The point is, they didn't even see this guy making a move!

Ye Chen glanced at the two security guards who had fainted and shook his head helplessly. Then he went to the waiting area of the lobby and sat down on the sofa. He even picked up a magazine and looked at it. People who are okay.

"By the way, do you know when Xia Ruoxue will be down?" Ye Chen put down the magazine and suddenly looked at the men in suits and leather shoes sitting beside him.

The few partners who had originally planned to wait for Xia Ruoxue stood up from the sofa and ran outside.

They don't want to die!

"Hey, I won't hurt you, as for? Forget it, wait a while." Ye Chen shook his head and continued to look at the magazine in his hand.

.....

The security department of Huamei Group knew about the incident for the first time, responded quickly, and quickly transferred more than a dozen security guards.

A dozen security guards were fully armed, holding an explosion-proof shield in his left hand and an electric baton in his right hand, directly surrounding Ye Chen.

The security captain Xu Qiang also arrived in time, glanced at the glass outside and the two injured security guards, frowned, and then came to Ye Chen.

Xu Qiang is a retired special force, and he was one of the best in the Southeast Military Region, but when he saw Ye Chen, he instinctively felt a slight threat.

This is a death intuition that has been on the verge of life and death all year round!

Xu Qiang took a step forward and tentatively said: "This gentleman, you are making trouble in the Huamei Group like this, okay. We have already contacted the Jiangcheng police, and the armed special police will come over soon."

Ye Chen raised his head, glanced at Xu Qiang, and said lightly: "You should be the leader of those two guys, don't you know the specific situation? I just want to sit here and wait for someone."

Xu Qiang shook his heart. He also knew the personalities of the two security guards. He had always used his identities to show off his prestige. Obviously, he was kicked to the iron plate today.

But what about this young man in front of me? Seeing that this guy looks confident, is there someone in the group?

Xu Qiang calmed down a bit, and asked, "This gentleman, I don't know who you are waiting for? I can help you inform."

Ye Chen raised his eyebrows for joy, and quickly said, "Xia Ruoxue."

Almost instantly, Xu Qiang's face changed. If it was someone else, he could really tell. But Xia Ruoxue is different!

As the president and CEO of Huamei Group, she is the daughter of the Xia family, the first family in the province, and the first of the three flowers in Jiangnan Province! How can you see it casually!

And Xia Ruoxue said that she would never see her without an appointment!

The youth in front of me is dangerous to some extent! Never let him see President Xia!

"Sir, I'm sorry, Mr. Xia is not here today. If you have any issues, you can leave your contact information and I can tell them on your behalf." Xu Qiang said.

Ye Chen knew very well that Xia Ruoxue was on it. This time, he deliberately made a big noise to get her out, so he would definitely not let Xu Qiang tell him.

"I have nothing to do this afternoon, just sit here, Huamei Group won't even let you sit down."

Xu Qiang saw Ye Chen's intention at a glance, and snorted coldly: "Sir, you are toasting and not eating fine wine. If that's the case, then I'm sorry. Do it, take this kid!"

The words fell, more than a dozen security guards went towards Ye Chen, and at the same time, Xu Qiang turned his fists into claws and took Ye Chen's vitals!

He knows very well that the man on the sofa is very dangerous! Must kill!

Ye Chen still held the magazine, his expression was indifferent, and he didn't take the person in front of him seriously.

Just when Xu Qiang was about to touch Ye Chen, a cold voice sounded:

"Wait a minute!"

Hearing this voice, everyone stopped, and a woman soon emerged from the crowd.

The woman's big wavy black hair has the right texture, and her slender thighs wear black stockings, showing her perfect figure. The white shirt and the knee-length skirt made her look inviolable like a goddess.

But the most attractive sight is the pair of unusually tall breasts. The plump and round \*\*\*\* made her shirt rise to the limit, but there is no drooping appearance, giving a thrilling visual impact.

The appearance of the woman almost made everyone present bewildered! Because her appearance is unparalleled in the entire Huamei Group except Xia Ruxue.

Xu Qiang's face was also reddish, and he lowered his head, respectfully saying: "Director Sun."

Sun Yi did not answer, but stared at Ye Chen tightly.

There was some surprise and surprise in the eyes.

And Ye Chen is the same!

The light shines in his eyes!

It is like a wild beast eyeing its prey!

Because he knows this woman in front of him!

Sun Yi! That Ye Chen is one of the three women who have been lingering dreams for the past five years!

Many years ago, the two had been at the same table for a year, and then went to high school. Due to the disparity in status, the two broke off contact.

Ye Chen thought that the two would not have too much intersection in this life, until the Yunhu Villa incident happened, after he was rescued by the master in Dongqian Lake, he went to the Ye family again.

At that time, the Ye Family Courtyard was sealed by the court! The Ye Family has become the existence of everyone in Jiangcheng!

At that time, all the families announced that they had broken up with the Ye family and would not contact the Ye family!

At that time, Jiangcheng large and small enterprises jointly invaded his father and created the Tianzheng Group. UU reading [www.uukanshu.com](http://www.uukanshu.com)

At that time, there was not even a person who established a reputation for their family of three!

Almost everyone is shrouded in the shadow of the man in the capital.

Except for one person, that is his junior high school classmate Sun Yi!

Sun Yi went to the mortuary of Jiangcheng No. 1 Hospital to get the bodies of the Ye family and his wife. He went to the crematorium for cremation and set up a tombstone for Ye Family Sankou in Tiandang Mountain.

A woman who has no power to bind a chicken, a woman who has nothing to do with the Ye family, just resisted the rumors and fear, so that the dead souls of Ye Chen's parents could rest in peace.

Not only everyone does not understand, even Ye Chen does not.

Ye Chen He De, how can he meet such a good girl to pay for him!

.....

I don't know how long it took, Sun Yi smiled and smiled at Ye Chen, smiling like a flower.

This smile made all the men present both envious and jealous.

Sun Yi is the dream goddess of countless men in the Huamei Group!

After one year, Sun Yi received hundreds of love letters, but without exception, they were all rejected!

Even this year, she hardly smiled at any man!

But at this moment, she actually smiled at a hillbilly?

Why is this hillbilly?

Sun Yi looked at Ye Chen interestingly, and said: "It seems that I am dazzled. I almost thought you were my former classmate. Let alone, you really look alike."

After all, five years have passed, Ye Chen has changed so much that most people really don't recognize it.

After finishing speaking, Sun Yi patted Xu Qiang on the shoulder, and said: "Captain Xu, don't embarrass him. If he wants to wait, let him wait for a while."

Xu Qiang nodded and stopped talking.
