

## Urban Medical 201

Chapter 201: Dragon sword, out!

Hearing Ye Chen's cold scolding, Wu Qiyuan's eyes shrank severely! The heart is like being smashed to pieces!

As the head of the Wu family, he is powerful, and he is also considered to be the top figure in Jiangnan Province!

was actually called to death by a young man!

This is simply an insult to him!

Although he knows that Ye Chen is dangerous! But no matter how dangerous it is, there is no right to threaten him!

He didn't believe it, he had been practicing since he was a child, and he was no match for a hairy boy!

Wu Qiyuan stepped forward and said coldly: "Boy, you are too mad! Your arrogance will kill you! Originally I wanted to hand you over to Tang Ao. Now I changed my attention. I would rather hand it to Tang Ao. A corpse!"

"Dead!"

With a roar, Wu Qiyuan stepped forward, and a powerful wave of air swept away!

Grand Master's might burst out!

The table behind him broke directly!

Countless sawdust is flying all over the sky!

This hand alone is enough to surpass any powerhouse Ye Chen faces!

I saw Wu Qiyuan leaping for a full three meters, and then carrying a terrifying wave of air, he slammed it down at Ye Chen!

"I, Wu Qiyuan! 192nd on the Huaxia Grandmaster List! I want to learn what your arrogant qualifications are!"

Countless vigor came toward Ye Chen like a blade.

Ye Chen's eyes have unprecedented seriousness!

He dare not take it lightly!

Although the opponent is 192, maybe the strength has surpassed this ranking long ago!

Once you underestimate the enemy, the consequences will be disastrous!

Ye Chen fiercely moved behind him, Wu Qiyuan's fist almost wiped his body!

"Boom!"

When Wu Qiyuan landed, there was a strong vibration on the ground!

extremely domineering!

There were several spider web-like cracks where his feet fell!

Shocking!

"You little beast, I want to see when you hide!"

Wu Qiyuan roared, and there was a light skill surging under his feet, and he quickly appeared in front of Ye Chen!

"Boom boom boom!"

punch after punch!

The sound of the air explosion is like a firecracker! All the flowers and trees in the entire yard were cut with energy!

Fallen leaves are flying, extremely killing intent!

Ye Chen didn't make any shots from beginning to end, all he had to do was to feel the strength of the top power in Jiangnan Province!

Tang Ao is stronger than Wu Qiyuan! He can roughly calculate Tang Ao's strength from Wu Qiyuan's body!

is of course only a rough figure.

Wu Qiyuan found that Ye Chen had been dodge, the key is not knowing why, he could not touch Ye Chen's body at all!

This feeling irritated him to the extreme!

"Aren't you \*\*\*\* crazy just now! You fought back! What are you hiding!"

Wu Qiyuan said solemnly.

After , his speed is getting faster and faster, and his sturdy fighting style has blocked all Ye Chen's retreat!

"Dead!"

He patted Ye Chen's Tianling Gai with a palm!

Ye Chen didn't dodge anymore, his true energy gathered, and he blasted out with a punch!

"Boom!"

The two forces collided instantly! A wave of devastating air is spreading in all directions!

"Crack!"

The two walls of Wu's yard were directly knocked down by air waves!

At the same time, Ye Chen and Wu Qiyuan turned back one after another.

Wu Qiyuan took six steps back!

Ye Chen took three steps back!

This scene trembled the hearts of all the Wu family members present!

Who would have thought that there should be a young man in Jiangnan province who could match the owner of the family!

Is this the \*\*\*\* mother to start practicing!

Wu Qiyuan's right hand shook slightly, and he could feel the damage caused by the counter shock just now.

The enthusiasm in his eyes disappeared, but he became extremely serious!

With a few moves, he found that Ye Chen's speed and strength were above him!

If you want to win Ye Chen, it will not be easy.

At this moment, a Wu family disciple thought of something, suddenly grabbed a long knife in the hall and threw it out!

"Patriarch, the strongest of the Wu family is sword skills!"

"it is good!"

Wu Qiyuan caught the long knife that came in mid-air and held it firmly. The extremely powerful murderous intent spread in all directions!

The momentum has more than doubled!

Those Wujia powerhouses who saw this scene had already revealed the joy of victory!

Fight your fists, Wujia is definitely not the strongest!

But fight the sword! Who in the whole Jiangnan Province dares to refuse!

The eyes they looked at Ye Chen became sympathetic.

It is estimated that in a short time, the boy's hands and feet will be cut off, even if he has his head or not!

Wu Xinlan's palms were full of sweat. She wanted to rush out to stop her, but she was pressed tightly on her shoulders by a strong Wu family.

"Miss, don't be impulsive! Patriarch must kill this son!"

Wu Xinlan bit her lip, not knowing what to say.

At this moment, Wu Xiangming on the ground tried to support himself. The pain in his waist made his whole body twitch. He glanced at Ye Chen and shouted with all his strength: "Mr. Ye, be careful of Wu Qiyuan's sword, his sword spirit Can kill!"

Before the words completely fell, Wu Qiyuan moved!

The long knife pierced the air directly, and the huge neigh made people's heart tremble!

Soon, Dao Ying slashed towards Ye Chen's shoulder!

Once it falls, the consequences will be disastrous!

Ye Chen didn't dodge in the slightest, but instead rushed past! Turning his right hand, he brushed the shadow of the knife and buckled it directly on Wu Qiyuan's wrist!

He just wanted to do it, and suddenly, another cold murderous intent swept from behind!

A master appeared behind him!

are murderous before and after!

This Wujia is really mean!

"Mr. Ye, be careful!"

Seeing that sudden figure, Wu Xiangming's face changed drastically and he almost roared!

He regretted, regretted that as Ye Chen's subordinate, he couldn't help the slightest!

Ye Chen knew that there was no way out, and under consideration, he could only have five fingers through Wu Qiyuan's wrist like a sharp blade!

In an instant, blood shot out!

At the same time, the strong man behind him slapped Ye Chen on the back!

Ye Chen spit out a mouthful of blood, and at the same time he retreated, a shadow of a knife struck his chest!

Canglong phantom body decided to swim! Although dodging a terrible blow, his clothes have been torn!

There was even a trace of blood on his chest!

Ye Chen retreated to the corner, trembling~[www.mtlnovel.com](http://www.mtlnovel.com)~ The white compassionate inside has been partially red with a trace of blood.

The blood dripped on the ground.

awful!

Only this word can be used to describe Ye Chen at this moment!

This is also the first time Ye Chen bleeds from Kunlun Xu!

The key point is that he never thought that the Wu Family Patriarch would secretly leave a hand, and that person is stronger than Wu Qiyuan!

His eyes stared at the old man who suddenly appeared.

eyes are cold, murderous boiling.

Wu Qiyuan also glanced at the old man beside him in surprise, and said, "Dad, aren't you in retreat? I will deal with it now!"

The old man waved his sleeves and snorted coldly: "Huh! If I don't come, you will definitely become the dead soul under this boy!"

As soon as these words came out, the whole Wu family was silent!

all stupidly in place!

The old man actually asserted that Wu Qiyuan was not Ye Chen's opponent!

The key old man also used the most despicable means to plot Ye Chen!

The old man took a deep look at Ye Chen, and said coldly: "Boy, I admit that you are very strong, but you are making trouble in my Wu family, right?"

"I will give you a chance, as long as you kneel to the three corpses, kowtow three heads, and then self-defeating, my Wu family is willing to let you go!"

The voice of the old man is extremely cold!

Ye Chen smiled, he licked the blood at the corner of his mouth.

The blood evil spirit on his body became stronger and stronger, he stepped out one step, the cold eyes were like the death \*\*\*\* from hell.

"Go!" Ye Chen only spit out one word, and then something unexpected happened to everyone! He even rushed towards the old man!

At the same time, a simple broken sword appeared in his hand!

Slash the Dragon Sword!

Chapter 202: Death is like wind!

This sword was obtained by Ye Chen from Lu Hanshuang.

is also the only spirit sword Ye Chen can see!

Even if it is Broken Sword, its power is still amazing! There is a hint of aura to accompany you!

Ye Chen didn't plan to use the Dragon Slashing Sword against Wu Qiyuan from the beginning.

But the Wu family's indiscriminate methods made him angry!

Today, he will use the blood of the Wu family to sacrifice this dragon sword!

The old man did not expect such an unfavorable situation, this kid even dared to make a move!

He snorted coldly, clenched his five fingers, and the long knife on the ground was directly sucked into the palm of his hand.

was held severely by him!

"There is a way to heaven, you don't want to go, and there is no way to hell, you just want to come. In that case, I will use your life to give justice to the three Wujia people!"

The old man's long knife shook, and the crisp weapon rang, and he waved it a few minutes in front of him, and the sword was overflowing!

is terrifying!

The old man glanced at Ye Chen who was passing by, and directly cut off the long knife in his hand!

A faint arc suddenly came into being, and Ling Lie's sword aura slashed towards that figure!

"A broken sword is a weapon! It's ridiculous!"

In the next second, a terrifying power rushed over!

The old man's smile is completely frozen!

Because, he felt a sword aura that seemed to destroy the heavens and the earth actually surged like a tide.

This kind of feeling has caused a trace of fear in my heart.

He didn't care about anything, so he blocked it with the long knife in his hand!

"Clang!" Shout!

The long knife in the hands of the old man broke into pieces directly!

And the broken sword in Ye Chen's hand, tearing the air, with the sword intent to destroy the dry, slashed down!

At this moment, the back of the old man is soaked!

A sense of death continues to spread.

The old man can't take care of everything, so he just retreats back!

"Tear!"

That's too late!

The sword aura condensed by Broken Sword tore the clothes on his chest, not only that, but also left a deep blood mark!

is exactly the same as the wound on Ye Chen's body!

is even heavier!

The old man walked back ten steps before he stopped, and he almost fell to the ground.

Wu Qiyuan wanted to go to help, but was directly pushed away by the old man.

The old man stabilized his figure, his eyes fixed on the young man not far away.

But the young man's eyes made him feel a blood surge.

What kind of look is this?

indifferent and cold.

does not contain any emotions that humans should have.

is like the ancient true god.

Stormy waves were set off in his heart. Just now, in the battle between Ye Chen and Wu Qiyuan, he found that Ye Chen's strength was terrifying, but the power of his double fists should not be able to oppose him.

But as soon as this sword came out, this kid's power was raised to the extreme!

I thought that in a head-on confrontation, his strength was enough to crush!

did not expect a head-on confrontation, the opponent's sword intent completely crushed him!

What's the source of this kid? He has only been in retreat for a year, and Jiangnan Province turned out to be such an evil evildoer?

His eyes suddenly fell on the Broken Sword in Ye Chen's hand, and a trace of spiritual energy and evil spirit wrapped around Broken Sword.

"This...this is the spirit sword!" He almost exclaimed.

He finally understands why his long knife broke! Why didn't you lose! With this level of spirit sword, what qualifications do you have?

The old man's eyes were hot, and he obviously thought that it was the spirit sword that made Ye Chen's strength rise to this level.

If he gets this sword, his strength will definitely rise!

At this moment, Wu Qiyuan on the side also opened his mouth and said: "Dad, there are many secrets in this son, and he has the source of the pill! If you take this son, the Wu family will definitely reach the peak!"

Wu Qiyuan even handed out a pill to show the old man.

The old man glanced, his pupils shrank instantly, and it was actually a fresh medicine pill, then he looked at Ye Chen, only fanatic!

This secret, only Wujia is qualified to enjoy it!

The old man didn't care about the wounds on his body, his momentum climbed, his fingers grabbed, and a long knife appeared in his hand. He said to Ye Chen, "I want the medicine and spirit sword on your body!"

In the next second, the old man bends his knees and suddenly releases him, rushing towards Ye Chen like a tiger!

"I, Ye Chen's thing, do you dare to watch? In that case, I want your life!"

Ye Chen's eyebrows are extremely calm.

With the tips of his fingers, there is a slight air current.

The air current is attached to Broken Sword, and there is a faint shadow!

The eyes are extremely cold.

The sword just now, he just cut it casually! Want to try the power of this dragon sword.

His strongest is not his fists and power!

His true power lies in his sword intent!

The sword intent brought out from the Kunlun Void!

In the blink of an eye, the old man had appeared in front of Ye Chen, and the long knife in his hand fell rapidly, leaving a death arc in the air!

This knife is too fast, and it's almost impossible for the master to avoid it!

A smile cracked at the corner of the old man's mouth: "Little thing, you can't mess with any martial arts family in Jiangnan Province! I want your hands!"

At this moment, the old man suddenly discovered something. He noticed Ye Chen from the outside, but the other party didn't have the slightest fear, instead he showed a smile!

That smile is like a demon from hell!

with blood, it is extremely chilling!

"You shouldn't offend me, you really shouldn't."

Utter words.

Suddenly, Ye Chen moved!

The blood condensed all over his body burst out, and at the same time, the dragon sword in his hand burst to the extreme!

There was a flame in vaguely!

Yes~[www.mtlnovel.com](http://www.mtlnovel.com)~ is the flame!

At this moment, not only the old man was stunned, but everyone present was stunned!

They are ancient warriors, they have never seen such a method!

What is the origin of this kid!

Break the sword flames, burn out the sky.

Ye Chen at this moment, what is the difference between the gods descending to earth!

At this moment, everyone feels that their hearts are burning endlessly by a flame!

They dare not even breathe!

Wu Qiyuan bit his lip, trying to determine if he was dreaming, but the blood pouring out of his mouth told him that this was not a dream!

All this is true!

Unspeakable fear appeared in everyone's eyes! This fear engulfed them all!

The old man noticed something was wrong, and subconsciously wanted to run, but it was too late! He could only yell: "Everyone in the Wu family obeyed the order and tried their best to kill this son!"

He has no choice! There is no chance of winning against the kid with the help of the divine sword!

Only more wins less!

Wu Qiyuan and many Wu family masters reacted and rushed towards Ye Chen, killing intent to skyrocket throughout the Wu family!

But they have not yet approached Ye Chen, Ye Chen has already condensed a sword intent in his hand, and the sword intent seems to split a flame! With Ling Lie and monstrous power, head towards the old man!

"I have a sword, I can cut your head!"

Suddenly, a loud roar came out of Ye Chen's mouth.

Numerous cold murderous intent seemed to lock the old man, the old man just wanted to dodge, but realized that it was too late.

He felt a cold in his neck, and subconsciously stretched out his hand to cover it, his death bursting like fireworks.

Blood spray!

Chapter 203: No one can stop!

"Pattern!"

The head of the old man fell directly on the ground, his pupils were ferocious, and the blood gradually stained the whole earth!

At this moment, those Wujia powerhouses stopped.

They stared at the head and headless body of the old man on the ground, their breathing stopped!

The heart seems to burst!

Old man Wu is dead! The most terrifying existence of the Wu family is dead!

There are many myths circulating in Jiangnan Province that Mr. Wu died in the hands of a young man!

Fuck!

Wu Qiyuan saw this scene, but also subconsciously stepped back!

His eyes shrank, and then he looked at Ye Chen, only horrified and fearful!

The youth in front of him seems to be high in the clouds, overlooking everything, and they are not in the same class as their Wujia!

There was some regret in his heart!

Thousands of things shouldn't be, absolutely wrong, just offend the kid in front of you!

While this person waved his hand, he could destroy their Wu family!

Wu Qiyuan suddenly looked at Wu Xiangming, and everything suddenly came to nothing!

Why would Wu Xiangming be willing to betray the Wu family and kill a strong Qin family because of the young man behind it!

Wu Xiangming has been giving the Wu family a chance!

If the Wu family successfully stood in line with this relationship, it would undoubtedly be on a huge ship!

Who would have thought that a broad road in Wujia would be ruined in his own hands!

At this moment, Wu Qiyuan had a deep sense of regret in his heart.

Mixed feelings.

Right now, even his father is no match for this kid!

What can he do!

Kill Ye Chen? What did he use to kill! Do you use dreams?

In the distance, Wu Xinlan's beautiful eyes were horrified, and she covered her mouth with her hand, trying not to let herself scream!

But she still can't help it!

Her legs are soft, and her body is soaked. This is a fear of death!

She knew it would end this way, why didn't they listen!

Everyone's eyes are fixed on the young man!

Because this young man will decide the life and death of Wu Family!

Ye Chen retracted the Dragon Slashing Sword, with his hands behind him, a powerful breath covering the entire Wu family!

"Everyone in the Wu family, kneel down!"

His voice turned into thunder and shook, directly hitting the minds of the Wu family.

"Pump!"

All the Wujia powerhouses around Ye Chen knelt down!

What choice do they have!

Such a domineering strong, what are they fighting against!

Wu Xinlan's legs softened and her face became pale, and she also knelt down.

There is only one Wu Qiyuan left on the field!

The knee of the head of the Wu family represents the last dignity of the Wu family!

As soon as he knelt, he surrendered on behalf of the Wu family!

"I let you kneel, dare you not kneel!" Ye Chen's indifferent voice sounded!

Cover it with a trace of coercion!

Wu Qiyuan couldn't help it anymore, spit out a mouthful of blood!

Then his knee hit the ground fiercely!

also knelt down!

If he runs away, he may still have a chance.

But seeing the old man beheaded, the deepest line of defense in his heart has collapsed!

This scene is extremely shocking.

The Wu Family was once considered the top martial arts family in Jiangnan Province. Even though it has declined, it is not something ordinary people can contend with!

But at this moment, everyone Qi Qi actually knelt in front of a young man!

Very surrender!

This is the weak and strong food of the Chinese martial arts world!

The law of survival anywhere!

The weak, no one has mercy!

But the strong, everyone surrenders!

"Mr. Ye, we know we were wrong, please let Mr. Ye spare our lives!"

Those strong from the Wu family kowtowed one after another to survive!

At this moment, they don't want any dignity! Just survive!

"Noisy!"

Ye Chen shot a few wind blades in his hand, and the sharp wind blades directly penetrated the necks of those people!

They didn't even have the power to struggle, and fell directly into a pool of blood!

Wu Qiyuan's eyes shrank, and he never thought that this son would be so murderous without blinking!

Is he really willing to destroy the entire Wu family?

Ye Chen walked towards Wu Qiyuan step by step, and when he came to Wu Qiyuan, his footsteps stopped.

"I once gave you Wujia a chance, but you didn't cherish it."

"You shouldn't move Wu Xiangming, let alone mess with me."

Wu Qiyuan knew very well that according to the decisiveness of the youth in front of him, he would definitely not survive!

He doesn't plan to beg for mercy either!

He raised his head, looked at Ye Chen with cold eyes, and said, "Ye Chen, what if you killed me! You have offended Tang Ao, and you still cannot escape death!"

"Although Tang Ao is ranked 189 on the Huaxia Grandmaster Ranking, this is already a few years ago. As far as I know, he got a chance two years ago! His strength has risen so much! It is far from what you can resist! Very strong ~www.mtnovel.com~ but it angered Tang Ao, you must live no more than three days! Haha!"

"You talk too much nonsense!"

Ye Chen stretched out his hand and directly clasped Wu Qiyuan's neck. Just about to do it, a beautiful shadow came over and knelt directly in front of Ye Chen.

"Mr. Ye, please spare my father's life! I am willing to be a cow and a horse for you!"

is Wuxinlan!

Wu Xinlan has a very good figure, coupled with an angelic face, and can't stand up to some stars, the key is that there is a trace of heroic spirit in the other party.

"Being a cow or a horse?" Ye Chen said lightly.

"Yes, as long as Mr. Ye is willing to let go of my father, I am willing to serve Mr. Ye forever." Wu Xinlan gritted her teeth.

She has no choice.

She has enough confidence in her figure and appearance, hoping to save her father's life.

Ye Chen glanced at Wu Xinlan, extremely indifferent: "Let Wu Qiyuan go? It is absolutely impossible!"

"Crack!"

Wu Qiyuan's neck was directly broken! The vitality is gone!

completely dead!

This is Ye Chen's principle, even if the Heavenly King Lao Tzu comes, he can't let Wu Qiyuan go!

Wu Xinlan sighed helplessly when seeing his father's accident, but there was not much sadness.

All this is the father's own fault. Although she hopes to save her father, it is clear that Ye Chen is not one of hers. How could she listen to her opinion!

Who will let go of his enemies!

glanced at the corpses of the Wu family, Ye Chen fell on Wu Xinlan's body.

It's cold and bone-eroding.

As long as he thinks, this girl will surely die!

He doesn't kill women, but he doesn't raise an enemy either!

Chapter 204: Jiang Jianfeng!

At this moment, Wu Xiangming was afraid that even the innocent Wu Xinlan would suffer, so he quickly pleaded:

"Mr. Ye, the young lady is different from the Uganda family. When I had an accident, the young lady had been talking to me, and the young lady had been preventing Wu Qiyuan from dealing with Mr. Ye. The subordinates begged Mr. Ye to let her go..."

It is true that Wu Xinlan has been doing this all the time, but her strength is so small that Wu Qiyuan would not listen.

"You give me a reason not to kill you." Ye Chen said lightly.

Wu Xinlan's beautiful eyes turned, she naturally wanted to live, thinking for a few seconds, and then she said:

"First, my strength is not enough to kill you, I can never kill you.

Secondly, the Wu family is my only power. Without the Wu family, I would be nothing.

Third, although the Wu family has a normal relationship with other families in Jiangnan Province, as far as I know, there is an umbrella in the capital. If I live, I can guarantee that you will not be threatened by the umbrella of the Wu family or even the capital. "

Ye Chen narrowed his eyes, and a drop of blood condensed in his hand: "You are willing to accept this blood. Only in this way can I let you go."

Wu Xinlan looked at the drop of blood, gritted her teeth and said: "Yes!"

In the next second, blood shot into her forehead.

After that, Ye Chen stopped paying attention to Wu Xinlan, but walked towards Wu Xiangming, who was seriously injured.

came to Wu Xiangming and looked at this scarred body again. Ye Chen sighed. Wu Xiangming not only broke many bones on his body, but also his face was bloated and twisted. He was beaten like this alive.

is already a useless person.

"Thank you Mr. Ye for avenging his subordinates, but the circumstances of the subordinates may no longer be able to serve Mr. Ye."

Wu Xiangming has a trace of determination and pain in his eyes.

"I am a useless person, let my subordinates fend for themselves."

Ye Chen condensed a real energy in his hand, and pointed it on Wu Xiangming's body!

Then a warm current slowly penetrated into Wu Xiangming's limbs.

"With me, Ye Chen, you can't be a waste! You will definitely recover in three days!"

Wu Xiangming felt the warm current, and found that the injuries on his body were surprisingly reduced a lot.

His eyes widened, he didn't know what kind of miracle Ye Chen was doing now!

After a short while, Ye Chen stood up and said to Wu Xinlan, "Get me paper and pen."

"Yes, Mr. Ye..."

Wu Xinlan hurriedly went to the room to get some paper and pen. Then Ye Chen wrote down a prescription and told Wu Xinlan: "You follow the prescription to the best Chinese medicine store in Jiangnan Province to get the medicine, and give Wu Xiangming three times a day. , Because Wu

Xiangming can't move his body, so he can only stay here, and you will be responsible for the next few days!"

"Senior Wu used to be my training partner, and is considered Xinlan's half master, Xinlan naturally did his best."

Wu Xinlan was a little puzzled, hesitated for a few seconds, and then said: "Mr. Ye, do you really need to send Senior Wu to the hospital? The equipment in the hospital may be better. My Wu family happens to know a genius doctor..."

Before he finished speaking, Ye Chen waved his sleeves and said in an unquestionable tone: "In front of me, no one is qualified to be called a genius doctor."

Ye Chen confessed a few words to Wu Xiangming and left.

He believed that Wu's follow-up matter, Wu Xinlan would definitely handle it properly.

It's just that the Wu family was destroyed by him. It is estimated that some people in Jiangnan Province will be even more sleepy today.

.....

Ye Chen returned to the villa area, and he found a black SUV just parked not far away.

He glanced, and soon the window opened, and Ying Qing appeared in his sight.

"Mr. Ye."

Ye Chen nodded, guessing that Zhong Weishan should have the result, so he opened the car door and went inside.

The space inside is quite spacious, similar to a mobile workstation with two computers running.

and Lei Shuwei is among them.

Ye Chen sat down and said, "Zhong Weishan has simulated the portrait?"

Lei Shuwei nodded, and handed over a photo in his hand.

"According to Zhong Weishan's memory, the person in this photo should be 90% similar to the mysterious man who appeared in the Yunhu Villa case."

Ye Chen took the photo, glanced at it, something was wrong on his face.

From the last portrait, he couldn't find much.

But seeing this three-dimensional composite photo, he found that the mysterious man was a bit like his mother.

It's just that their temperaments are completely different.

One is gentle and the other is indifferent.

The man's eyes were extremely arrogant and bullying, as if no one could enter his eyes.

Lei Shuwei naturally saw Ye Chen's reaction. He explained: "Some experts from the Dragon Soul Academy of Sciences think that this person and your mother should be related by blood.

Also, we also found this person's information through the Dragon Soul database comparison. "

Ye Chen was startled, his eyes shot out like a sword, and he said solemnly: "What is his name? Where is he! I want to see this person immediately!"

Lei Shuwei shook his head, his face a little helpless: "The database of Dragon Soul only found one piece of information, and that is his name-Jiang Jianfeng!"

"The rest of the information is all blank. I checked this person through the dark web and other channels, and there is no real information."

"This person's information should be completely protected."

Ye Chen said the name in his mouth, his brows frowned.

"Jiang Jianfeng...My mother's name is Jiang Yanrong, and her surname is Jiang~[www.mtlnovel.com](http://www.mtlnovel.com)~ and they are so similar. It seems that there is a relationship."

In Ye Chen's impression, his mother is gentle and generous, with almost perfect personality, and has always been very affectionate with his father.

But there is one thing, since he was a child, it has been a grudge in his heart.

That is, he has no grandparents, and has never seen any of his mother's friends or relatives.

When he was a child, he asked his mother, and her mother always smiled and said that she was born in a small mountain village far away and it was not convenient to go home.

The topic is always transferred by my father at this time.

It's like parents don't want to touch any sad past.

He also noticed countless times that his mother would stare at the northern sky of Jiangcheng in a daze, tears in the corners of his eyes.

is very painful and uncomfortable.

And now, Ye Chen found that he followed the case of Yunhu Villa in the past, and the white mist was removed layer by layer.

and caught a big net! Under the big net is the past that has been sealed in dust for many years!

All these years of confusion are in it!

Why did the unknown source of Long Ye destroy the Ye family in Yunhu Villa!

Why were the bodies of their parents taken away!

Who is this man named Jiang Jianfeng!

Where is the north that my mother can see!

What happened to the parents!

At this moment, there was a evil spirit around Ye Chen, because the hostility against the Wu family just now had not disappeared, this evil spirit was even stronger.

In an instant, the atmosphere in the car changed.

Lei Shuwei and Ying Qing desperately resisted this momentum, but it was useless at all!

To them, it was like a pair of big hands holding their throats mercilessly. As long as Ye Chen thought about it, they would definitely die!

Chapter 205: Ye Chen's arrangement!

"Mr. Ye..."

Ying Qing couldn't help but speak.

If this continues, he and the chief will have trouble.

Ye Chen was relieved, and quickly reduced his momentum.

"I was a little lost thinking about things just now." Ye Chen explained.

Then he thought of something, looked at Lei Shuwei, and asked: "What is the specific situation when you said Jiang Jianfeng's information is completely protected?"

"Mr. Ye, there are only two situations in which China will completely protect information.

First, the identity of this person is extremely special to China, and Mr. Ye's information is also thoroughly protected.

Second, this person comes from a special Chinese martial arts family. "

Ye Chen nodded, he speculated that it should be the latter.

At this moment, he still has a few doubts in his mind. Since this Jiang Jianfeng comes from the martial arts family, why does his mother have no basis in martial arts?

Didn't even have the qualifications to save his life?

Also, it seems that the family behind the mother should not be weak.

And the other party obviously knows about Yunhu Villa!

Now that I know, why not take action when the tragedy happened?

Want to take away the corpses of the parents to play a trick to hide from the sky?

"In fact, there is another message. I don't know if I should tell Mr. Ye..." Lei Shuwei hesitated.

Ye Chen raised his head, his eyes shot a cold light: "Say!"

Lei Shuwei gritted his teeth and said: "No. 9 on the Huaxia Grandmaster List, also named Jiang Jianfeng!"

"Boom!"

Hearing this sound, Ye Chen felt as if he was hit with a heavy hammer in his heart!

No. 9 on the Huaxia Grandmaster List!

What is this concept!

is almost the top powerhouse in China!

During this period of time, from the perspective of some of the powerhouses that Ye Chen killed, he was definitely able to make the top 200!

The real explosive strength may be around 150!

But if he is now faced with the existence of No. 9 on the Huaxia Grandmaster Ranking, he knows that he is undoubtedly defeated.

But he has a heaven-defying existence like the reincarnation cemetery!

Now the second tombstone can be moved!

Even the third seat has already had a slight reaction!

When he set foot on the capital and really faced Jiang Jianfeng, what else did he count!

Even if the first person on the Huaxia Grandmasters list stood in front of him, Ye Chen was not afraid at all!

Behind those strong people may stand a top Chinese martial arts family!

hundreds of strong!

And Ye Chen, there are a hundred ancient powers standing behind him!

Crush all beings!

Ye Chen suddenly burst into a powerful confidence, looked at Lei Shuwei and Ying Qing, and ordered: "If you find any news about Jiang Jianfeng, you must tell me the first time."

"Okay, Mr. Ye!"

"Is there anything else?" Ye Chen asked.

At this moment, Ying Qing said, "Mr. Ye, there is one more thing. Do you remember the people from the Archipelago National Martial Emperor who beheaded in Jiangcheng?"

Ye Chen thought for a while, nodded: "Remember. Why, these people are not giving up, come to China to look for me?"

Ying Qing shook his head: "During this time, there has been news from the island country that Wuhuangshe may take action against China in the near future. I suspect that this group of people will be detrimental to Mr. Ye."

Ye Chen sneered, his voice extremely indifferent.

directly opened the door and said lightly: "If this Wuhuang Society dares to step into China, I will let them feel what fear is!"

After speaking, the door closed, leaving only the breathing of Lei Shuwei and Ying Qing.

.....

At the same time, Jiangnan Province Budo Association.

Tang Ao stayed up all night.

This year was originally a happy day, and his 60th birthday is also recently.

As a result, who would have thought that during this period of time, I don't know why, the situation in Jiangnan Province has become like this!

Even his precious son is dead!

The key is to find someone in the city, but the murderer can't be found! !

In fact, some people still found that the back was Ye Chen. After all, he was always outside, but when those people found out that they wanted to tell their superiors, they were killed by the strong hidden hall behind.

Although Ye Chen said that he does not need the protection of the dark palace, the Nanjiang King Ye Lingtian has been wiping Ye Chen's \*\*\*\* silently.

This is also what a subordinate should do.

It was because of the dark palace's move that Tang Ao had no good news all day!

He is almost crazy!

"Snapped!"

Tang Ao slapped a palm on the table, and even cursed at a person from the martial arts association below: "Are you all \*\*\*\* trash! I searched the entire Jiangnan Province and found a few boys with similar builds!"

I want a murderer! Not these goods! "

The faces of the people under the stage were pale, no one dared to speak.

Tang Ao suppressed the anger in his heart and continued: "I will give you another three days. If you can't find it anymore, everyone will get out of the Jiangnan Budo Association!"

Hearing these words, everyone took a deep breath!

This Tang Ao's monstrous anger, in the end, they actually came to bear it.

At this time, a vice president cared: "President Tang, don't get angry, your 60th birthday will be yours in a few days, and we will definitely give you an explanation before then!"

Tang Ao became even more popular: "Don't mention anything to Lao Tzu's 60th birthday, I don't have any sons, and I didn't even find his head! I won't find my 60th birthday!"

When the words fell, an old man stood up and quickly said: "Chairman Tang, don't you know, haven't you noticed that the Jiangnan Provincial Budo Association has been having troubles, first Yuan Jingfu, and then the other vice presidents missing? , And then there was an accident with the nephew, Chairman Tang did not notice that his hands were pushing everything..."

Hearing this babbled sentence, Tang Ao calmed down a bit, took a serious look at the old man, and asked, "What do you want to explain?"

The old man said solemnly: "Chairman Tang, this year is the birth year, and everything must be bad in the birth year. The only way to break this evil situation is to use the method of happiness, and the most suitable way is undoubtedly the 60th birthday!"

The ancient warrior himself believed in this kind of metaphysics. UU Reading [www.uukanshu.com](http://www.uukanshu.com)

Hearing these words from the old man, Tang Ao nodded. If so, his fortune really needs to change.

If this continues, he simply cannot bear it!

He hesitated for a few seconds, and then said: "Just listen to the old man, let's do it for the birthday, and it will do on a small scale. Although Yuanxuan has an accident, I shouldn't be like this, but if you don't break this evil situation, it will be really troublesome."

Suddenly, a staff member of the martial arts association hurried in, holding a box in his hand.

"Chairman Tang, a man sent this box in just now, saying that he must give it to you, and he said he wished you a sixtieth birthday in advance."

Tang Ao condensed his eyes and glanced at the box, which was quite delicate. He nodded and said, "Let it go."

Every birthday, some people give him various things in order to cling to him.

I didn't expect that this year, some ants would act so quickly.

The staff member just wanted to put down the box, Tang Ao sniffed the tip of his nose slightly, and he even smelled a special smell.

He changed his mind and ordered: "Bring things here!"

"Yes!" The staff member carefully put the box on the table in front of Tang Ao.

Tang Ao stretched out his hand and opened it directly with a hint of curiosity!

The next second, everyone's eyes were filled with panic!

Breathing stopped!

The staff member even sat on the ground, completely wet!

and Tang Ao is even worse! He was so full of blood, he spits out a mouthful of blood on the spot!

his face is extremely pale!

Just because this so-called gift turned out to be his son's head!

Very ferocious head!

Chapter 206: Hunter-Ye Chen!

Tang Ao actually noticed that the gift was wrong from the beginning!

But I never thought anyone would be so bold as to send his son's head to the Jiangnan Provincial Budo Association!

The key to the \*\*\*\* 60th birthday!

Threat!

Naked threat!

This is to make him unable to live his 60th birthday!

"Puff!"

Tang Ao spit out blood again when he thought of this!

Although he is extremely strong! It is also the president of Jiangnan Province Budo Association!

But no one has ever dared to threaten him like this!

"President!"

"President!"

Those from the Jiangnan Provincial Budo Association hurried to help Tang Ao, but he was pushed aside by Tang Ao!

"Snapped!"

Tang Aoqiang resisted the pain on his body and slammed his fist on a wall! This is the only way he can vent his anger!

"Boom!"

A load-bearing wall was directly interrupted by Tang Ao! Countless bricks fly out!

billowing smoke and dust surging throughout the meeting room!

In the next second, Tang Ao grabbed the staff member who had brought the gift in, and even suspended his body!

"Tell me, who brought this thing here, and where did he go!"

The staff was so scared that he could hardly speak. He pointed to the outside, and said with a trembling voice: "He... he took sunglasses... and went to Nagahama Road."

"Boom!" The staff member was directly thrown out, smashed on the wall, and vomited a mouthful of blood.

is almost dead!

At the same time, a gust of wind swept across the conference room, and Tang Ao rushed out, carrying his horrible anger!

Half an hour later, Tang Ao came back with a black face, his eyes were bloodshot.

It's terrifying.

Tang Ao took a deep breath, looked at the crowd, and said, "It seems that that kid is declaring war on me! Good! Very good! I want to see who can have the last laugh!"

Just then, the phone on the desk rang.

This call usually only rings when something major happens in Jiangnan Province.

Tang Ao's eyes hesitated!

didn't even have the thought of reaching out.

He is really scared, too much has happened in Jiangnan Province these days!

so many that he has no courage to answer this call!

The key is that so many things have happened around him, he can't find the focus at all!

is like a punch on a ball of cotton!

Sometimes he even wondered, when did the change of Jiangnan Province begin?

After hesitating for a few seconds, he still picked up the phone.

"This is Tang Ao, what's the matter?"

Soon, Tang Ao's face changed, and his eyes were full of chills.

His lips trembled slightly, and he said to the people of the Jiangnan Provincial Martial Arts Association below him: "Wujia in Jiangnan Province-was destroyed."

one second.

Two seconds.

The meeting room is terribly quiet.

There is no breathing sound anymore.

Everyone's eyes widened, like a sculpture, stupidly in place!

hiss...

When the reaction came over, everyone took a deep breath!

Wu home was destroyed!

Fuck!

This is the former top family in Jiangnan Province!

Although it has fallen over the years, there is Wu Qiyuan and the old man Wu, who dares to destroy the Wu family!

Even though 10,000 people didn't believe it, things still happened.

The key point is too weird at this time.

Yesterday, the son of Tang Ao was cut off.

Today, Wujia in Jiangnan Province was destroyed!

Is Jiangnan Province going to change the sky?

Tang Ao glanced at everyone, and still said, "If I hadn't guessed, the person who killed the Wu family should be the same person who killed my son. This person almost ignored the rules of Jiangnan Province and almost provoke the whole. The martial arts world of Jiangnan Province!"

"From now on, all families and forces in Jiangnan Province have launched an emergency alert! The whole city is searching for the person behind!"

"Also, we don't know what this kid is called at the moment, let's just code it-the hunter!"

"From today, the martial arts world of Jiangnan Province will be the enemy of hunters!"

"I want to see who is hunting who!"

Tang Ao almost roared the last few sentences.

.....

Mingcui Villa.

Ye Chen just lay on the sofa when he called.

is Ma Weiqi from Jiangnan Budo Association.

Ye Chen outlined a smile at the corner of his mouth, and said lightly: "Tang Ao received something?"

Ma Weiqi's mouth twitched slightly and nodded: "I received it. He also vomited two mouthfuls of old blood on the spot. This is the first time I have known Tang Ao in so many years."

"However, Mr. Ye, you have to be prepared. Tang Ao became more angry because he couldn't find you. He even gave you a code name called the hunter. He even threatened the martial arts community in Jiangnan Province and the hunter as enemies. ... things are really getting bigger and bigger, do you want to stop Mr. Ye..."

"Hunter? Interesting."

Ye Chen was in a good mood, and said: "Is Tang Ao's birthday party still held?"

Ma Weiqi nodded: "It should be held, Mr. Ye, do you really want to do that... Will something happen... After all, Tang Ao's current strength is likely to advance dozens of places on the Huaxia Grandmaster list, and by then There are many strong people, and you want to deter others, your method is too extreme..."

Ye Chen sneered: "I'm going to tell everyone in Jiangnan Province on that day-whoever blocks me will die, it is not a pity to die!"

The phone hung up.

Ye Chen looked at the time and found that Sun Yi and Xia Ruoxue had not come back.

He simply took out the Dragon Slashing Sword~[www.mtlnovel.com](http://www.mtlnovel.com)~ In Wujia today, he witnessed the power of the Dragon Slashing Sword with his own eyes.

Besides, this is just a broken sword!

Broken sword is so powerful, if this sword is recast, it will be terrifying!

Ye Chen didn't understand refining tools, but in part of the information Luo Yuntian gave him, there was the method of breaking swords and recasting!

He touched the Dragon Sword, a faint suffocating aura overflowed, and the palm of his hand was cut before he touched it.

"Although I have the method of breaking swords, I need a lot of materials and it is a little troublesome, but Ye Lingtian should be able to handle most of them."

"The trickiest thing right now is probably the main material of this dragon sword. I don't know what material it is made of."

Ye Chen murmured.

The words fell, Ye Chen found something, his eyes filled with coldness.

"Didn't I say that you are not allowed to step into the villa!"

At this moment, a beautiful figure appeared in front of Ye Chen.

is Lu Hanshuang from the Blood Plum Palace.

Lu Hanshuang's black hair like ink fell straight down his waist, and underneath his eyebrows and green eyebrows were a pair of thick and long eyelashes, and the bridge of his nose was tall and narrow, with a hint of indifference.

She just stood like this, but it was like a winter plum in bud, which made people have the desire to conquer.

Lu Hanshuang glanced at Ye Chen for a few seconds, and said: "I'm just here to tell you that the Blood Plum Palace will not do anything to you for a short time. I will suppress the news. But if this matter reaches the blood plum in Beijing The palace headquarters, with my strength, it may not be able to hold it down."

Ye Chen was startled, his eyes cast an interesting look at Lu Hanshuang.

Between the words, Ye Chen could feel that Lu Hanshuang's position in the Blood Plum Palace should not be low.

Otherwise, according to the forces of the Blood Plum Palace, they must have sent people to chase and kill themselves endlessly.

Chapter 207: Swordsmanship!

Lu Hanshuang saw that Ye Chen didn't speak, so his eyes fell on the broken sword in his hand.

She knew in her heart.

"Ye Chen, are you planning to recast this sword?"

Ye Chen didn't get rid of Lu Hanshuang right now, after all, the Dragon Slashing Sword was obtained from Lu Hanshuang.

Maybe the other party knows something about this sword.

Ye Chen said, "Lu Hanshuang, where did you get this sword?"

Lu Hanshuang stared at Ye Chen with beautiful eyes, did not answer, but said: "I want to answer, yes, I want to know one thing."

Ye Chen was a little angry, how dare this woman bargain with him?

Although he doesn't kill a woman, he can make her regret it!

But in order to recast this sword right now, he doesn't care about her for the time being.

"Say!"

"Wu Family Miemen and the son of Tang Ao were beheaded, does it have anything to do with you?"

Lu Hanshuang, as a member of the Hall of Blood Plum, naturally knows what happened in Jiangnan Province these days.

Seeing that figure in the photo, she thought of Ye Chen for the first time.

Although Ye Chen is very strong, it is obviously not so easy for him to destroy the Wu family.

This is also the biggest doubt in her heart.

"I killed it."

Ye Chen's voice slowly fell.

seems to be talking about a trivial thing.

He thought the other party was asking something terrible.

Although Lu Hanshuang was mentally prepared, he couldn't help taking a breath after hearing Ye Chen's personal confession.

Even looking at Ye Chen's eyes became a little horrified.

This kid is so strong that he easily killed the top family in Jiangnan Province!

Lu Hanshuang secretly breathed a sigh of relief. Fortunately, she had no enemies with him.

"It turns out that you are the hunter who made many forces in Jiangnan Province fearful... It seems that you had no shame in killing the powerhouse of my blood plum palace that day. It seems to me a big deal, but in your eyes, maybe just a small thing."

Lu Hanshuang said to himself.

"Now you know, shouldn't you tell me about Dragon Slashing Sword?" Ye Chen said.

"Zhanlong Sword?" Lu Hanshuang came to his senses and glanced at Broken Sword, and knew that this was the name Ye Chen gave to this sword. She didn't talk nonsense, and said directly: "This sword was accidentally obtained when I killed someone. I hid this sword well before my life, and I knew it was so valuable, so I kept it with me. Over the years, I have been investigating the origin of this sword, and I finally got a little eyebrow.

She glanced at Ye Chen and found that the other party was staring at herself with great interest.

It seems that this sword is right!

She continued to speak: "This sword was made by Zhu Hongxi, a sword-making genius two hundred years ago, for three years! For this sword, he worked hard! But when this sword was made, he was also affected. Backlash, did not survive.

After that, the sword disappeared. No one knew where it went or whose hands it fell into until I discovered it. But at that time, the sword was already a broken sword. I had thought about finding someone to recast it. This sword, but it needs too many things, and even no swordsmith in China can compare with Zhu Hongxi.

After , I put the matter on hold. Ye Chen, if you want to recast this sword, I can give you an effective message. The main material for Zhu Hongxi to create this sword is extremely rare. You may not find the second one in China, but Zhu Hongxi In fact, his descendants have leftover materials from the original forging the sword. "

Ye Chen was overjoyed and asked quickly: "Where are Zhu Hongxi's descendants now?"

Lu Hanshuang turned his beautiful eyes, and said lightly: "Jiangnan Province-Zhu's family."

Hearing these words, Ye Chen thought of Zhu Rende and Zhu Zixuan in Jiangcheng for the first time.

If he remembers correctly, the Zhu family in Jiangcheng is a collateral of the Zhu family in Jiangnan province!

But isn't the Zhu family a family of Chinese medicine? How did you fiddle with the sword?

As if perceiving Ye Chen's doubts, Lu Hanshuang explained: "On the surface, Zhu's family in Jiangnan Province is the largest medicinal material supplier in Southeast China, and it is also a well-known family of Chinese medicine practitioners. In fact, it is not that simple. .

The Zhu Family in Jiangnan Province seems harmless to humans and animals, but in fact, those top martial arts families dare not provoke them.

Do you know why? "

Lu Hanshuang looked at Ye Chen's suspicious color, and the corners of his mouth slightly raised.

Ye Chen did not speak.

Lu Hanshuang continued: "The ancestors of the Zhu family have forged personal weapons for countless strong men. Only this relationship is in it, who dares to move the Zhu family!"

After saying this, there was a sudden movement outside the door, apparently Xia Ruoxue and Sun Yi were back.

"I'm leaving, you can do it yourself."

Lu Hanshuang disappeared directly into Ye Chen's sight.

After a short while, the door opened. Sun Yi glanced at Ye Chen on the sofa, then looked around, and asked: "Xiaochenzi, why did I hear a girl's voice outside just now?"

Xia Ruoxue also frowned and went inside the house and glanced, but found no one.

"You kid won't secretly bring a woman in in the villa, right."

Ye Chen smiled and looked at the second girl: "Since the villa came in, you two big beauties~[www.mtlnovel.com](http://www.mtlnovel.com)~Do I still need to bring a woman in?"

Sun Yi and Xia Ruoxue's cheeks are slightly red.

"You are poor, but you are telling the truth."

Ye Chen talked with the second daughter for a long time, then went to the balcony on the third floor to smoke a cigarette and dialed Zhu Rende's phone.

It is estimated that Zhu Rende and Zhu Zixuan should still be in Derentang.

Soon, the phone went through.

"Mr. Ye?" Zhu Rende's respectful voice came from the other end.

"Well, Mr. Zhu, how are you doing?"

"Thanks to Mr. Ye who has been taking care of him, his health is fine. By the way, I heard that Mr. Ye has gone to Jiangnan Province? I can get together if I have a chance someday."

Ye Chen was startled, and said quickly: "Are you also in Jiangnan Province?"

"Exactly, in the last few days it is the clan association of Zhu's family in Jiangnan Province. Zixuan and I are both in Zhu's family in Jiangnan Province."

Ye Chen was overjoyed, and quickly said: "Don't change the day, just now, where are you, I will come to you."

Zhu Rende's face changed slightly. Although strange, he ordered a tea room near Zhu's house in Jiangnan Province and sent the address to Ye Chen.

After half an hour, fragrant tea room.

When Ye Chen arrived in the box, he found that Zhu Rende and Zhu Zixuan had arrived long ago.

"Mr. Ye." The two said respectfully.

Ye Chen nodded, sat down, exchanged a few words with the two of them, and then said about the Dragon Slashing Sword.

Of course, some important content is omitted.

Zhu Rende raised his eyebrows, a little surprised, and asked, "Mr. Ye, do you want the materials for making swords?"

"Yes, I don't want it, it must be."

Ye Chen couldn't always hold a Broken Sword, whether it was for now or in the future, the Dragon Slashing Sword must be recast.

Chapter 208: Embarrassed!

Zhu Rende thought for a while, and then said: "Mr. Ye, there was indeed a sword-making genius born from the Zhu family's ancestors. I have actually heard of the sword-making materials you said, but this is a treasure of the Zhu family. To outsiders."

"Also, this thing should be in the charge of the current head of the Zhu family. This head of the Zhu family has a temperament. It is impossible to get something from him!"

"But since Mr. Ye needs it so much, the old man will try to find a way to inquire, but if it is not successful, I hope Mr. Ye will not mind."

Zhu Rende never thought that Ye Chen would dare to watch that Zhibao.

The material used to forge the Dragon Slashing Sword is not ordinary.

Otherwise, it is impossible for the Zhu family to keep guarding for hundreds of years.

Now Ye Chen's move is undoubtedly grabbing food.

Ye Chen saw Zhu Rende's embarrassment, and said: "Old Zhu, if I exchange pills or other valuable things, will the patriarch agree? Big families are profit-oriented, as long as there are enough benefits, Even the stubborn mouth will be pried."

"This..." Zhu Rende hesitated.

What Ye Chen said is not unreasonable. If Ye Chen really wants to get that thing, this method may not be completely unworkable.

And he knew that Ye Chen had a big secret, maybe there was something that could make the patriarch's heart move.

"Well, Mr. Ye, I will introduce you to you, but recently it was a clan association, which may not necessarily be successful, and my status in the Zhu family in Jiangnan province is not high... If the clan leader does not see you, there is no way..."

Ye Chen nodded: "I don't want to force it, I'm old."

.....

Ten minutes later, Zhujia, Jiangnan Province.

Surrounded by Chinese-style buildings, the villas are opened up.

In the middle of the villa group is a huge garden square.

Looking at the entire Jiangnan Province, this is definitely a big deal.

Because it is a clan club, the Zhu family is very lively.

Zhu Rende took Ye Chen for a long time before coming to a gate, and then confessed to Ye Chen: "Mr. Ye, wait a while, I'll ask."

After finishing speaking, Zhu Rende walked over and said to the two strong men standing outside the door: "Two adults, I am Zhu Rende from Jiangcheng's sideline. I have something to report to the patriarch, and I will ask the adults to report it."

The two men released their aura, glanced at Zhu Rende, and said coldly: "What's the matter, just tell us!"

Zhu Rende thought for a while, and said: "I want to introduce a young talent to the patriarch, and I would like to ask the adults to report it."

The eyes of the two immediately fell on Ye Chen's body not far away. Although Ye Chen's temperament was extraordinary, he was really too young.

Even if the status is unusual, it should be the elders behind to see the patriarch.

This is obviously a bit contemptuous.

So, the two directly refused and said: "Zhu Rende, the recent clan meeting, what did you bring an outsider to Zhu's house!"

"Also, the patriarch has more important things in it, so please don't disturb! That's it! Get out!"

Although the two are the goalkeepers, they don't pay attention to Zhu Rende at all, and their attitude is very tough.

Zhu Rende knew that this would be the result, said a word of thanks, and returned to Ye Chen.

"Mr. Ye, I guess I won't see that person today. Or Mr. Ye will go back today. When I see the patriarch, I will report the matter to him?"

Ye Chen nodded, this is the family behind Zhu Rende anyway, and he doesn't need to make trouble.

Just when Ye Chen was about to leave, the door opened and a young girl walked out.

The girl is probably in her twenties, she is tall and peachy, she has a light body, and her words and deeds are dignified and elegant.

The black hair is like lacquer, the skin is like jade, the beautiful eyes are eager, and there is an indescribable charm between the smiles.

She is like a peony flower in bud, beautiful but not demon, gorgeous but not vulgar, beautiful and charming.

Zhu Zixuan noticed Ye Chen's eyes and whispered: "Mr. Ye, you probably have heard of the three major beauties in Jiangnan Province."

Ye Chen nodded, he remembered Xia Ruoxue was one of them.

I don't know who made this comment, but based on Xia Ruoxue's appearance and figure, it is indeed a great country in Jiangnan Province.

Zhu Zixuan continued: "In addition to the Miss Xia you know, there are two more, and the woman who came out is one of them. Her name is Zhu Ya. If you look at her seniority, she should be called Aunt Ya, although her seniority is very large, But she should be only one or two years older than Mr. Ye..."

"Zhu Ya is very good at dealing with people and things. In Jiangnan Province, it is widely praised. Not only that, Zhu Ya has a high status in the Zhu family of Jiangnan Province. Even the patriarch sometimes listens to this person's opinion~ [www.mtlnovel.com](http://www.mtlnovel.com)~ Oh." Ye Chen didn't have much mood swings, but his eyes were a little high.

At this moment, Zhu Rende thought of something, and interjected: "Mr. Ye, why didn't I think that if this person wants to see you, maybe it is really possible for you, but Zhu Ya has a weird temper, and most people want to see her. It's hard."

The words fell, and Zhu Ya had already walked towards this side with light footsteps.

When they came to Ye Chen and Zhu Rende, they stopped, and the beautiful eyes seemed to have found something interesting. They stretched out their hands and said with a smile: "Ye Chen?"

what!

At this moment, Zhu Rende and Zhu Zixuan are confused!

Who would have thought that Zhu Ya, who was aloof, would know Ye Chen?

Still taking the initiative to say hello?

The two gatekeepers not far away were also staring at Ye Chen, completely unbelievable.

Not only them, even Ye Chen felt something was wrong.

He didn't even remember that he had met this person, even if he had a bit of fame in Jiangcheng, but it was Jiangnan Province.

Ye Chen didn't stretch out his hand, staring at the girl in front of him, a little confused.

Zhu Ya smiled: "I really admire my name for a long time. During this time, I have heard your name and I have heard that the cocoon is coming. Bai Libing highly praises you... I was thinking about when to ask you out. Drink something, I didn't expect it to be so coincidental today."

Ye Chen just came across.

It seems that Bai Libing and Zhu Ya have an extraordinary relationship.

is also right. Although Bai Libing is in Jiangcheng, her background is very special.

His father Bai Lixiong is the commander-in-chief of the military region, and it is normal for someone at this level to know Zhu Ya.

Chapter 209: 1 is worthless!

Zhu Ya glanced at Ye Chen, her beautiful eyes flowed, and she said lightly: "It's still early, how about a cup of coffee? As far as the front is concerned, I have never invited a boy to drink coffee. It is not a gentleman to refuse a girl."

Zhu Ya said this because she was curious about the man in front of her.

Originally, Ye Chen's identity would not interest her at all.

Even if Ye Chen is very strong in martial arts, and he is the number one in Jiangcheng, it is nothing in her eyes.

But from Bai Libing's words, she knew a lot about Ye Chen.

even knew that Ye Chen was the chief instructor of Dragon Soul! China's youngest major general!

It is impossible for the leader above to make such absurd decisions under pressure for no reason.

Obviously, Ye Chen deserves China to do this.

is worth his lonely throw!

As for why, that is where Zhu Ya is interested in her.

She even sent someone to investigate Ye Chen comprehensively.

Five years ago, a waste that everyone spurned.

Five years later, let the dragon soul strong suppress and surrender!

In the past five years, where did Ye Chen go?

"it is good."

Ye Chen would naturally not refuse. According to Zhu Zixuan, Zhu Ya is currently the only way to obtain materials for the Dragon Slashing Sword.

Not long after, the two came to the second floor of a cafe.

The environment is very quiet.

sat face to face.

Zhu Ya stirred the coffee in front of him, and said: "You come to Zhu's house, what should you ask for?"

Ye Chen's eyes condensed, and he curiously said: "You are direct, what if it is not?"

"This is the Zhu family's clan association these days. Only people from the Zhu family will appear around here, but now that you are here, doesn't it mean that you have asked for the Zhu family?"

"I, Zhu Ya, always do things so straightforwardly. Let's talk about it, if you can help me, I will do my best even for Bailibing's sake."

Since the other party is so direct, Ye Chen didn't plan to circumscribe, and said: "I know that your Zhu family used to cast a sword. I need the raw materials for this sword."

Zhu Ya's eyes didn't have the slightest surprise, she took a sip of coffee elegantly, and said: "My Zhu family used to be a good sword-making family, but the swords made by our Zhu family have thousands of handles. I don't know which one you need. The material of the sword."

In the next second, the Dragon Slashing Sword appeared in Ye Chen's hand!

As soon as the Dragon Slashing Sword came out, an aura overflowed.

There is even a touch of evil spirit entangled.

"Pattern!"

The coffee in Zhu Ya's hand fell on the ground.

The coffee even gradually stained her white dress.

In her beautiful eyes, she was staring deeply at the dragon sword.

That beautiful face is full of surprises and shocks...

"Poxuan sword! How can it appear in your hands!"

Zhu Ya couldn't help it anymore, exclaiming, and subconsciously reached out to grab Ye Chen's sword, but was stopped by Ye Chen.

"I have a habit. There is only one kind of person who touches my sword, and that is the dead person."

The cold voice sounded, and Zhu Ya couldn't help but shudder, completely awake.

Looking at Ye Chen again, there was a touch of jealousy in her eyes, and said: "Ye Chen, I'm really sorry, this sword is very important to my Zhu family, so I'm so gloomy!"

The Zhu family has been looking for this sword for hundreds of years!

But I didn't expect that Po Xuan Sword would come out! And it became a broken sword!

Her grandfather once left a sentence before his death: Po Xuan came out, the emperor returned!

She tried to calm herself, and then seriously said: "Ye Chen, would you like to give this sword to my Zhu family? My Zhu family is willing to take it at any price! Any! No less than two billion yuan!"

Maybe it's not sincere enough, Zhu Ya continued: "On the basis of this price, you can also mention other conditions! Even if my Zhu family owes you favors!"

Zhu family's favor, almost can save the life of any strong! Far more valuable than these two billion!

Zhu Ya at this moment even forgot the request Ye Chen just made, because this sword is too important to the Zhu family!

Ye Chen's eyes became cold, and he refused, "I don't lack money, you should know."

"Also, the favor of your Zhu family, in my opinion, is worthless!"

He doesn't like others watching him, no matter what the relationship between this sword and the Zhu family is.

belongs to him now, and no force is entitled to deprive him.

Zhu Ya frowned when she heard Ye Chen's arrogant words.

Dare to say that the Zhu family's favor is worthless, and it is estimated that only the youth in front of him.

Although she was a little angry in her heart, she still smiled: "Ye Chen, it may be that I was a little excited today. I apologize to you. The conditions I just made have room for negotiation at any time. You have ten days. Consider time."

"Also, it is impossible to want the raw materials for this sword that you mentioned just now! For the Zhu family, this is a kind of belief."

Before , she took the initiative to invite Ye Chen to drink coffee. In fact, she really wanted to befriend Ye Chen, and wanted to know Ye Chen more comprehensively.

But now the appearance of this sword has changed everything.

Any interests and emotions, in front of this sword, cannot be mentioned!

Ye Chen is far less valuable than this sword!

Ye Chen stood up, glanced at Zhu Ya, and said, "It seems that there is no room to talk about this matter. In that case, leave."

Just when Ye Chen was about to turn around and leave.

"Boom!"

A loud noise came directly!

The next second, the glass window shattered directly!

A high-speed bullet shot towards Zhu Ya's eyebrows!

All this happened between the electric light and flint.

Zhu Ya felt a cold crisis crawling up her body~www.mtlnovel.com~ She wanted to dodge, it was too late!

Her pupils dilated.

At this moment, an air current swept in!

The powerful wave of air even overturned the entire table, and Zhu Ya's cheeks hurt by the strong wind.

One hand covered her forehead!

is Ye Chen!

All this happened too fast, and Zhu Ya's brain was almost blank now.

Ye Chen spread out his palms, and with a sound of "ding!", a bullet fell directly on the table.

Zhu Ya is completely clear, she realized everything in an instant, and someone assassinated her!

Without Ye Chen, she would definitely die!

However, Ye Chen actually caught the high-speed sniper rifle bullet!

What is this concept!

The top ancient warrior can catch bullets, yes!

But it is absolutely impossible to be as relaxed as Ye Chen!

What's even weirder is that Ye Chen was several meters away from him just now!

A sense of fear crawled into her heart!

does not come from bullets!

but from the cold and proud young man in front of him.

No longer thinking about it, Zhu Ya dialed a call, her eyes became cold, and she only said one sentence on the phone: "I was sniped at the TEYC coffee shop. Within ten minutes, brought the killer to me. , Otherwise your body will appear in front of me!"

The phone hung up.

Then, Zhu Ya looked at Ye Chen and said gratefully: "Thank you, I owe you a favor, if you didn't..."

Ye Chen didn't even care about the other party's plan. He stuck his pocket and went outside.

When he was about to go downstairs, he left a word.

"Your favor is worthless in front of me."

Chapter 210: Threat!

Hearing Ye Chen's words, Zhu Ya was stunned on the spot.

Her favors are worthless?

How many powerful and top families want to please themselves?

In the end, this kid doesn't care at all?

If you change to someone else, she must think that the other person is trying to catch, but all she sees in Ye Chen's eyes is disdain!

Correct! Just disdain!

She thought she was going crazy!

No one has ever made her feel so upset.

She sat on the sofa aside, closed her eyes and rubbed her temple with her right hand, as if waiting for something.

ten minutes later.

The two Zhou's subordinates came to Zhu Ya with a man with all broken hands and feet.

"Miss, the man has already been brought!"

"Kneel down!"

The two forced the man to the ground.

At this moment, Zhu Ya seemed to be a different person, exuding coldness. She looked at the man in front of her condescendingly and said: "Why are you killing me? Who sent you? I only have these two questions."

The man raised his head and glanced at Zhu Ya, his eyes were bloodshot, and he spoke a few weird words.

Hearing this voice, Zhu Ya's face changed slightly: "It seems that it is the group of Southeast Asians. The other party breached the contract first. Our Zhu family just used some means, so I can't hold back so quickly? If it wasn't for Ye Chen, I It might be in the hands of you guys."

"I hate threats. Our Zhu family hates threats very much."

Zhu Ya stretched out his hand, and a strong Zhu family realized something and handed Zhu Ya the dagger around his waist.

The next second, the dagger disappeared.

I saw Zhu Ya's hand gently wiped in front of the man.

In an instant, the Southeast Asian's pupils dilated and he looked at Zhu Ya in horror.

He had no idea that a beauty would kill someone like this!

"Boom!"

His body fell in a pool of blood.

Another Zhu family expert carefully handed over a towel.

Zhu Ya took the towel, wiped her hand carefully, and then ordered: "First, then dispose of this corpse."

"Secondly, send the masters of Zhu's family to fly to Southeast Asia overnight. Those partners, no matter who they are, don't keep one!"

She pressed her lips tightly, her face was full of resentment.

Dare to offend her, usually there is only one end, and that is death!

"Yes, miss!"

.....

Ye Chen left the coffee shop and called Xiao Deng directly and asked him to pick him up.

While waiting at the intersection, he was surprised to find a few more powerful auras around him.

It seems that the strength of this Zhu family is indeed extraordinary.

I used to think that the Zhu family was only doing some medicinal material business, but I didn't expect that there was this layer of knowledge behind it.

It seems that the water in Jiangcheng is not so shallow, maybe Wujia is just one of the small fish.

There must be a giant crocodile sinking in the deepest place.

Soon, the car stopped in front of Ye Chen, and Ye Chen got into the car.

Xiao Deng went to the villa.

"Mr. Ye, the chief asked me to remind you that Jiangnan Province has been turbulent recently. There is nothing important. It is best not to go out, otherwise it will be troublesome." Xiao Deng reminded while driving.

Ye Chen didn't speak, and closed his eyes.

There are still a few days before Tang Ao's 60th birthday.

The show has just begun.

It is impossible for Ye Chen to cringe.

If Tang Ao really finds himself, it will only advance his death date.

But in the past few days, nothing happened. He didn't plan to go out, and it was time to practice.

Just as Ye Chen thought about it, a phone call came in.

is from Sun Yi.

"What's wrong, Xiao Yizi?"

Ye Chen said.

Sun Yi on the other end of the phone heard Ye Chen answer the phone and sighed: "Ye Chen, where are you now? Can you come to Huayuan International Trade Building? Tianzheng Group has some minor troubles..."

"Ruoxue is not with you?"

Ye Chen frowned. With Xia Ruoxue's ability, some things should be handled.

Sun Yi replied: "Ruoxue went back to Xia's house to deal with something, but the phone call was not made. Mr. Shen just left and was still on the plane. He can't be contacted temporarily... Don't ask, come here, OK, Huayuan International Trade Building Fifteenth floor."

"Okay, you are waiting there."

Ye Chen hung up the phone and asked Xiao Deng to turn around and drove to Huayuan International Trade Building.

According to his understanding, Sun Yi rented a whole floor in Huayuan International Trade Building these days.

Temporarily regard this as the address of Tianzheng Group's branch in Jiangnan Province, and Tianzheng Group will build a building in Jiangnan Province in the future.

During this period, Sun Yi was responsible for the affairs of Tianzheng Group in Jiangnan Province.

It was better to have Xia Ruoxue and Shen Haihua, but when something serious happened and other people couldn't be reached, Sun Yi could only call herself.

Besides, I am the helm of Tianzheng Group, and it's not very good to be the shopkeeper all the time.

.....

At the same time, Huayuan International Trade Building.

15th floor, Tianzheng Group.

Sun Yi's office.

Sun Yi sat on the chair, frowning at the young man in front of him.

The young man's eyebrows are like arrows, with a hint of arrogance, he leaned on the sofa and put his feet on the table like this ~www.mtlnovel.com~ is extremely uncivilized.

Two straight men stood beside him. Although they did not release their breath, they gave Sun Yi a sense of threat.

Seeing Sun Yi put down the phone, the young man said lightly: "Anyone who can talk is here?"

"He's on the road." Although Sun Yi was a little unhappy, she still said.

The young man nodded, his eyes kept shooting on Sun Yi's proud figure, somewhat greedy.

He looked at his watch and said, "Since your Tianzheng Group wants to mix in Jiangnan Province, you must need an umbrella. Lei Zhe can provide you with this level of protection so that you will not be disturbed in Jiangnan Province."

"I don't want much. I only need 20% of the shares. Of course, this 20% of the shares must have voting rights."

His tone is very indifferent, as if talking about an extremely ordinary thing.

'S tone is full of confidence and domineering, very strong.

As if the other party did not agree to his terms, there would be some consequences.

Sun Yi's eyes widened, she stood up, her face full of anger: "Mr. Lei, our Tianzheng Group has never planned to sell shares! Even if you pay a higher price, we will not consider it."

Lei Zhe lit a cigarette, took a sip, and smiled: "Miss Sun should have misunderstood something. My Lei family does not plan to pay, but you gave me 20% of the Lei family's shares."

"It seems that Ms. Sun doesn't know much about business. Many enterprises in Jiangnan Province will give some power or family stocks for development, so that the enterprise can develop in a long and stable manner.

Otherwise, a group like you that came up from a small place may really not survive in Jiangnan Province. This is advice.

Of course, you can also understand it as a warning! "

Threat!

Naked threat!
