

## **Urban Medical 2011**

Chapter 2011: Not trivial!

Everyone heard the words, looked at Zhao Liang and others, and immediately made a burst of laughter. How could they not laugh?

These people ridiculed all the time and looked like others could not afford to eat. As a result, for others, the dishes in the sky area were not only affordable for others, but they could also be eaten casually. This has changed the vision and financial resources of both parties. The gap is vividly manifested.

Now, Zhao Liang and others are the real clowns!

Enduring everyone's ridicule, Song Bai and Feng Gang looked pale, thinking, this is over, I am afraid that in the future, in the college, they will not be able to lift their heads. They want to leave and immediately leave the cafeteria, but, Zhao Liang's footsteps have stopped!

He finally couldn't bear it anymore!

"Shut me your mouth!"

Zhao Liang became angry and screamed at Ye Chen, his whole body burst out again, just like that, step by step toward Ye Chen!

He did not expect Ye Chen to be so rich!

However, with the rich, the rich, with Ye Chen's strength, what is there to be afraid of if he is not from the top power? Now, dare to mock yourself so much! ?

Originally, Zhao Liang, who had been ridiculed repeatedly and was already on the verge of eruption, was already extremely angry at this time!

But Ye Chen, smiling at Zhao Liang who came by, didn't show any fear on his face!

Xie Pingping's complexion changed, and her most worried thing was finally about to happen!

Looking at what Zhao Liang looked like, it seemed that he really wanted to attack Ye Chen?

Xie Pingping knew that Ye Chen was very strong, but no matter how strong he was, he wouldn't be the opponent of Xingqiao's existence, right?

No matter how bad Ye Chen is, it is impossible for Ye Chen to cross so many realms and defeat his opponent, right?

In an instant, Zhao Liang had arrived not far in front of Ye Chen. He sneered at Ye Chen, who was still calm. His eyes flashed with coldness, and he secretly said: "Trash, I see you, I can still calm down. When!"

In the next moment, an extremely strong boundary force burst out from Zhao Liang. He raised one hand and was about to press against Ye Chen!

But at this moment, a figure stood in between Zhao Liang and Ye Chen!

Zhao Liang and Ye Chen were both taken aback.

This figure is Xie Pingping!

Xie Pingping, facing Zhao Liang's aura at this time, even if he didn't speak directly to herself, he was almost out of breath. Now, Zhao Liang standing in front of her is almost like an insurmountable one. Like a big mountain, Xie Pingping was already doing his best just to stand.

She was pale, her body trembling slightly, and she looked like a weak little rabbit standing in front of a tiger!

However, her eyes are very firm!

Zhao Liang looked at Xie Pingping coldly and said, "You, get out of the way."

Just a random sentence, but this sentence awakened Xie Pingping's heart in an instant, as if all the fear!

Zhao Liang at this time is like a god!

And now, if Xie Pingping wants to defy Zhao Liang, it is like defying God!

Xie Pingping gritted her teeth, desperately resisting the fear in her heart, as if she had tried her best to speak to Zhao Liang, "Zhao...Brother, please, don't be like this..."

Looking at Xie Pingping's tight back, Ye Chen couldn't help showing a trace of appreciation in his eyes.

He knew that with Xie Pingping's strength, facing a Star Aperture Martial Artist, what a huge pressure he had to bear.

However, even so, Xie Pingping stood in front of Zhao Liang for herself.

Zhao Liang's eyes were completely cold, and even resentment emerged!

This woman, unexpectedly, really chose that waste? Instead of yourself?

Own, lost to a waste of good luck?

How does this make the proud Zhao Liang accept?

Zhao Liang stared at Xie Pingping and said gloomily: "You, want to protect him?"

The breath on his body, faintly, began to rise.

Xie Pingping's beautiful eyes trembled, she wanted to say, yes, I just want to defend him.

However, she did not dare to say, she did not dare, not because of herself.

But she was afraid, she said so, and completely angered Zhao Liang. This would only make Zhao Liang resent Ye Chen even more!

It will only make him attack Ye Chen more crazily!

She didn't want to make Ye Chen hurt because of herself.

Therefore, Xie Pingping was silent.

Zhao Liang looked at Xie Pingping, who bowed his head with satisfaction, and suddenly showed a mean smile and said: "Pingping, if you are willing to follow me to eat in the area, I am willing, regardless of Ye Chen's disrespect to me, do you think ,how about it?"

Xie Pingping's eyes flickered, and faint tears appeared in her beautiful eyes. In her heart, she was extremely reluctant to go to dinner with Zhao Liang.

Especially at this time, she knew that doing this by herself would cause Ye Chen damage.

But what can she do?

If she rejects Zhao Liang now, Zhao Liang is angrily shot, she will definitely not show mercy to Ye Chen!

He will definitely step on Ye Chen completely and thoroughly humiliate Ye Chen!

That's the real indelible humiliation!

That kind of humiliation will stay in Ye Chen's life forever!

Xie Pingping never wanted Ye Chen to suffer such harm.

Two lines of clear tears slipped from Xie Pingping's pretty face. Just when she was about to speak, a voice suddenly sounded.

"You are you enough?"

It was Ye Chen's voice.

At the same time Ye Chen's voice sounded, the pressure on Xie Pingping's body suddenly dissipated.

Ye Chen looked at Zhao Liang indifferently. He hadn't taken any action against Zhao Liang before, but because of Chen Jiu's relationship, he didn't want to violate the academy's laws at will.

When Xie Pingping stood in front of him, he wanted to make a move, but seeing Xie Pingping's performance, he wanted to take this opportunity to exercise Xie Pingping's temperament. This would be good for her.

However, this Zhao Liang's performance was too inferior and shameless, Ye Chen finally couldn't stand it anymore.

The killing intent suddenly burst in Zhao Liang's eyes, staring at Ye Chen, and said coldly: "What did you just say to me?"

Killing intent?

A disdainful smile appeared on Ye Chen's face, and said, "What I said doesn't matter."

"Now, get out of my sight for me."

Silence, complete silence!

Everyone was shocked by what Ye Chen said!

A good fortune warrior, actually, so mocking a star-aperture warrior, let him get out of his sight?

This is no ordinary pride, ordinary madness, it can be done!

This is simply arrogance to the extreme! Don't die to the extreme!

Even the students of Shenhua Academy, everyone is extremely proud, but now seeing Ye Chen's performance, it is shocked to speak.

This is the real arrogance!

And Zhao Liang was completely detonated!

Get out of sight, he told me to get out of sight?

"Hahahaha! Okay, very good!" Zhao Liang furiously turned back, the realm spread out and instantly enveloped Ye Chen, and at the same time, he patted Ye Chen hard with one hand!

In Zhao Liang's palm, the void is constantly disappearing, with the power of destroying the world!

This trick is not trivial!

Chapter 2012: Real warning!

Zhao Liang, Ye Chen who dealt with the good fortune realm, unexpectedly used such a terrifying palm!

Everyone was slightly shocked when they saw that Zhao Liang's shot was so cruel, Zhao Liang was really angry!

With this shot, there is almost no intention to keep the hand. If this palm is slapped, with Ye Chen's cultivation level, even if he does not die, he will definitely be seriously injured!

At the same time, everyone also mourned Ye Chen.

This Ye Chen was also unlucky enough. When he ran into someone like Zhao Liang, he had almost no intention of keeping his hands on the new students. With Ye Chen's cultivation base, it is impossible to be all right, and it will definitely be miserable. .

Although Zhao Liang's subordinates left a little bit of leeway, but this little leeway is just to prevent him from completely blasting Ye Chen into nothingness. With this move, Ye Chen's serious injury is almost unchangeable.

And what about Ye Chen?

Everyone looked at Ye Chen and saw that Ye Chen still stood calmly on the spot. He didn't know if he was shocked by Zhao Liang's realm and couldn't move, or he was completely desperate and gave up hiding.

When Zhao Liang saw this, he even sneered, taunting: "Anyone who can't escape me even if I can't get away from me, would I be ashamed to say that I get out of sight?"

Ye Chen said indifferently: "I've already given the opportunity. Since you don't know how to cherish, then you can't blame me."

As he said, he slowly raised his hand and punched him in response to Zhao Liang's horrible palm.

This punch, it seems, did not have the slightest power.

It was an ordinary, plain punch.

And Song Bai and Feng Gang couldn't help laughing when they saw Ye Chen stupid enough to meet Zhao Liang's palm and slap this soft punch.

They looked at Ye Chen's eyes, full of sarcasm.

How could Zhao Liang's palm be so easy to resist?

Zhao Liang, but a real body refiner! Moreover, in this Shenhua Academy, the body refiner who can be ranked, how terrifying his power is, you can imagine!

Its strength is enough to move mountains and seas!

Even if the monsters of the same realm are defended hard, they are not weakened at all!

His palm, the terrifying power contained, the warriors of the same realm, dare not to force it directly!

And this Ye Chen's current behavior is no different from looking for death!

On Zhao Liang's face, there was even more ecstasy. He was originally worried that Ye Chen could pass the Rising Dragon Competition. Wouldn't there be any weird means?

What he didn't expect was that this idiot was just like that, abruptly going to use his fist to touch him?

He is one of the few talented body refiners in Lingwu Continent! In the same realm, when it comes to physical fitness, he has never been afraid of anyone!

What's more, a mere cultivator?

Moreover, is it still a martial artist who doesn't even use weapons?

Zhao Liang felt ruthless in his heart. Ye Chen, even in the face of his palm, his arrogance remained undiminished, and he repeatedly ridiculed him. This time, if Zhao Liang hadn't taught him a bitter lesson, how could he be comfortable?

He must make Ye Chen seriously injured and dying! Shattered his pride and madness completely!

Seeing Zhao Liang's gradually hideous look, Ye Chen flashed a sneer on his face.

In the next moment, a strong killing intent suddenly bloomed!

In an instant, an extremely harsh, cold murderous aura swept the entire cafeteria!

All the warriors who were enveloped by this killing intent couldn't help but shudder!

From the depths of their souls, a fear of death emerged!

Everyone's eyes trembled violently, and it was hard to believe how they felt!

What a terrifying killing intent!

They are all geniuses counted in Lingwu Continent!

How could ordinary murderous spirits shake their minds?

However, this murderous aura directly awakened the fear of the devil!

And this killing intent came from Ye Chen's fist!

Among the crowd, someone exclaimed: "This is the power of the realm! The real power of the realm, the new born of this good fortune realm, unexpectedly, can use the power of the realm!"

The students of Shenhua Academy looked at Ye Chen incredulously. Even if they were all evildoers, they had never seen anyone who could display such a pure power in the realm of good fortune!

This is not something human can do at all, right?

but! The young man in front of him did it!

This is simply scary!

With a loud bang, Ye Chen's fist and Zhao Liang's palm finally collided!

The powerful impact raged in the canteen, and the huge force continued to wipe out the void, and even brought the turbulence of space into the canteen.

At the moment when the two fisted, a burst of blood burst out!

Accompanied by the loud noise, a figure flew upside down in an instant, and slammed into the canteen wall.

The wall built with extremely high-grade materials and blessed by the top Array Master of Lingwu Continent was hit by a crack!

Everyone looked at the figure that hit the wall The shock in their eyes was overflowing!

This figure is Zhao Liang!

In this battle against humans with physical strength, was he blown away with a punch?

Or was it a warrior who was almost two levels lower than himself?

How can you accept this?

And Zhao Liang's situation at this time is simply miserable!

The arm where he came out of the palm completely burst into nothingness, and his body, under the baptism of Ye Chen's great strength, was also the skeletal meridian. I don't know how much it was broken, and his body was covered with blood.

At this time, he had fallen to the ground, completely fainted, his breath was weak and dying!

This is completely crushed by Ye Chen!

At this time, everyone remembered what Ye Chen said to Zhao Liang before.

I have already given the opportunity. Since you don't know how to cherish it, then I can't blame it.

Originally, they thought that this was just Ye Chen pretending.

It now appears that that is the real warning!

Ye Chen's strength is actually terrifying to this point?

Everyone only felt that their brains were dizzy. They no longer knew what level Ye Chen's physical quality had reached.

Ye Chen retracted his hand, and the killing intent on his body quickly receded.

He stared blankly at Zhao Liang, who was lying on the ground like a puddle of mud. If he hadn't, Zhao Liang had just taken the shot and left a little bit of leeway. He didn't mean to take his own life. Now, Zhao Liang is dead.

He abides by the academy's laws and regulations, and is also based on whether the opponent has violated his own bottom line.

Others want to kill him, no matter what the law of the academy is, he will definitely kill this person.

Therefore, it can be said that the law of this academy, on the contrary, saved Zhao Liang's life.

Chapter 2013: Goodbye eternal holy king!

At this time, the waiter in the sky area also smiled politely at Ye Chen and said: "My son, the dishes are ready, please enter the box for dinner."

Ye Chen smiled and nodded. The background of the person who runs this area must not be simple. This waiter has a very high professional quality. The commotion just now did not affect her service attitude at all.

How can it be easy for a person who can train such a waiter?

Ye Chen glanced at Xie Pingping and left with his hands behind him.

Xie Pingping woke up from the shock and looked at Ye Chen extremely excitedly. For a while, she was speechless! She quickly followed in!

...

After half an hour.

After the two of them had finished eating, they just walked out of the box and saw one person standing outside the counter in the sky area with his back facing the box. Ye Chen's eyes flashed, and he recognized the owner of the back.

This person is Chen Jiu!

Chen Jiu sensed the arrival of the two of them, turned around, gave Ye Chen a stern look, and snorted coldly: "Boy, just started school, did you cause trouble for me?"

Ye Chen showed a wry smile, the one who should have come, sure enough, has come.

He was about to explain, but Xie Pingping said anxiously: "Teacher! You misunderstood, this matter is not Ye Chen's fault, it's all because of me!"

He provokes Zhao Liang because he wants to help me. Moreover, from beginning to end, it was Zhao Liang and the others who were rude to Ye Chen, and it was Zhao Liang who acted on Ye Chen without authorization..."

Chen Jiu waved his hand and interrupted: "Okay, little girl, you don't need to say much, I know what happened.

It's also the fault of our Legal Department for failing to discipline good students. Humph, Zhao Liang, the kid, would actually pester a new student. However, Zhao Liang has learned a lesson. Even if he takes the blame for this matter. .

Ye Chen, come with me. "

Xie Pingping glanced at Ye Chen with some worry. Ye Chen patted her on the shoulder and signaled her not to be nervous, and then followed Chen Jiu's pace and walked out of the cafeteria.

When the two walked out of the canteen, Ye Chen asked Chen Jiu curiously, "Teacher Chen, where are we going?" Hearing what Chen Jiu said just now, it should be right to not pursue Zhao Liang, why did he call him out again What?

Chen Jiudao: "Boy, you severely injured Zhao Liang in one blow. You are well-known in the academy. If I'm right, you disappeared during this period of time, right?"

Chen Jiu once tried Ye Chen on the God Fire Ladder. He knew that Ye Chen at that time, although he should have the strength to defeat Zhao Liang, but he would never be as easy as he is now, crushing Zhao Liang with one blow. of.

At that time, Ye Chen, I'm afraid, will have to go through a battle before he can barely win.

But, how long hasn't seen him, Ye Chen's strength has been so greatly improved!

Although Chen Jiu didn't express anything on the surface, he was shocked in his heart!

Ye Chen didn't deny it, nodded and said: "When I went to deal with that matter, some accidents happened. Between life and death, strength has improved again."

Chen Jiu nodded, was silent for a moment, and suddenly asked, "Boy, what bloodline is on your body?"

Ye Chen paused when he heard the words, and looked at Chen Jiu somewhat unexpectedly.

Chen Jiu smiled and said, "Are you weird why I ask?"

"Hehe, you don't really think that I am just the pinnacle of the star aperture, right?"

"You know, the tutors in the academy are at least half-step closed."

After the words fell, Chen Jiu's momentum suddenly rose!

Ye Chen's eyes widened!

It turns out that Chen Jiu has been hiding his breath!

He is a strong one to close the door thoroughly!

Chen Jiu withdrew his breath and smiled slightly: "The water in Shenhua Academy is very deep. Students or disciples cannot be measured by realm. You are the best example."

"Of course, the teacher is the same."

"You have to remember that there are still some people in the academy who deliberately hide their breath. This kind of people cannot be underestimated."

"I don't want you to cause trouble, just for this reason."

"By the way, I want to ask you something, did you go to the universe to kill the domain?"

Ye Chen's face was solemn when he heard Qiankun Killing Domain.

Shenhua Academy has always been in contact with the Kingdom of God, is it possible that the Kingdom of God is here?

If this is the case, he may have to leave immediately.

Chen Jiu saw something, and solemnly said: "A major event has happened to the universe of Lingwu Continent, and the people of God's country are furious."

"The power is investigating, and the biggest suspect under investigation is a young man."

"Fortunately, the other party did not master the portrait."

"You keep letting me do these things these days, I think about it, now it seems that this matter is really related to you."

"But you don't have to be nervous, since I brought you, I won't let the people of the kingdom of God take you away."

"Moreover, it is not that simple for people from the Kingdom of God to bring people in person. The rules there are truly terrifying."

Ye Chen thought of something and asked: "Can't the people of the kingdom of God come in person?"

Chen Jiu obviously didn't want to talk more about this topic with Ye Chen, and interrupted directly: "Don't talk about the kingdom of God remember not to mention it."

"There are two taboos in Shenhua Academy."

"One is the Kingdom of God that I mentioned to you just now, and the other is the legend of a monument from the Shenhua Academy."

When Ye Chen heard the next sentence, his eyes lit up, he was sure that what Chen Jiu was referring to was the flame stele in the samsara mysterious stele!

Chen Jiu saw that Ye Chen was not right, so he didn't intend to continue the conversation, and said directly: "Stop talking, you can sort it out, the dean of our college wants to see you."

Dean?

Right now, Ye Chen was also a little surprised.

Shenhuo Academy, this kind of power, what kind of status is the dean who manages this academy, one can imagine, I am afraid, even if it is the supreme power of the Lingwu Continent, it must treat this dean with three points. ?

And such a person wants to see himself?

However, Ye Chen didn't show too many different colors, and followed Chen Jiu towards the depths of the academy.

Soon after, the two of them came to a high tower. After reaching the high tower, Chen Jiu said to Ye Chen: "Ye Chen, the dean is waiting for you at the top of the tower. Next, you Go up by yourself."

Ye Chen nodded and said, "Okay, thank you for your guidance."

After Chen Jiu left, Ye Chen walked towards the tall tower. Although the tall tower was not short, but at the speed of Ye Chen, it reached the top level in an instant.

At this time, the door in the top room was open.

In the slightly quaint room on the top floor, an old man with long white hair, dressed in a white robe of the Graduate School of Theology, with several pockets hanging on his belt, was playing chess.

And there was an old man sitting opposite him!

The old man holds Heizi and intends to fall!

However, when Ye Chen saw the old man, his eyes widened!

Isn't this old man the eternal holy king who haunts him?

Chapter 2014: Take control of 9 You, fight against the capital of the Kingdom of God!

This old guy is actually playing chess with the dean of Shenhuo Academy!

The Eternal Saint King didn't look at Ye Chen at all, and fell directly behind, smiling: "Old fellow, you have lost again."

"Is that true artifact..."

The dean of Shenhua Academy snorted coldly, and threw out a storage ring: "Here you are."

"I have something to do, don't send it!"

The eternal holy king put away the storage ring, smiled, stretched out, took a sip of wine, and then his eyes fell on Ye Chen's body: "Old guy, your Shenhua Academy is getting worse and worse, good fortune one Can the stratum boy enroll in school too?"

Ye Chen almost vomited a mouthful of old blood when he heard the eternal holy king's complaint.

This guy hasn't forgotten a few words to belittle himself?

However, judging from the words of the eternal holy king, the dean did not know his relationship with the eternal holy king.

"No more nonsense, believe it or not, I stole all your wine?" the dean of Shenhua Academy said coldly.

The Eternal Saint King smiled and disappeared before the two of them.

Only the Dean and Ye Chen remained in the entire house.

Ye Chen's gaze fell on the dean, and his pupils shrank suddenly!

He could not feel any breath from this old man!

This white-haired old man who manages the Shenhua Academy is actually a great power in the Supreme Void Realm!

At this moment, the dean also turned around and looked at Ye Chen with a smile.

Ye Chen politely said to the old man: "Student Ye Chen, I have met the dean."

The dean looked at Ye Chen, his eyes flashed, and suddenly he laughed happily and said:

"The Chichen Divine Vein is really the Chichen Divine Vein! For many years, our Shenhua Academy hasn't had a student with a rare Divine Vein. Ye Chen, your arrival can be said to our Shenhua Academy. It is of extraordinary significance!"

Ye Chen's expression changed.

Isn't the Chichen divine vein hidden? Why was it discovered by the dean?

Does that mean that the secret of the dust stele has been exposed?

Ye Chen pretended not to understand, "What is the Dean's Chichen Divine Veins?"

The dean took a deep look at Ye Chen and said, "My name is Ge Qing, you know, I am the dean of Shenhua Academy."

"As for why I can see the blood in your body, there is naturally a reason."

"Since you don't know the Chichen Divine Veins, then I will tell you that the Chichen Divine Veins first came from a strong man in the Kingdom of God."

"But that strong man has no descendants, so the Red Chen divine veins completely disappeared."

"From the moment you entered the academy, the spiritual pulse formation of my Shenhua Academy changed."

"It's a pity that the Red Chen Divine Veins in you are relatively weak...This is the biggest regret."

Ye Chen sighed.

The reincarnation monument is not exposed.

"Ye Chen, the original intention of the establishment of the Shenhua Academy was that the Kingdom of God selected the Lingwu Continent's talents."

"It's hard for a poor family to have a noble son. Shenhua Academy doesn't want that. I know you are from a low martial plane, but the potential in you is incomparable to any genius in Lingwu Continent."

"By the way, there is one thing you may not know. In the entire Lingwu Continent, the Kingdom of God has established four academies, and our Shenhua Academy has actually been the bottom of the four academies in recent years."

Ye Chen was surprised when he heard this. He had seen the strength of the contestants of the Thang Long Competition. He believed that most contestants, if they were placed on the Lingwu Continent, would be enough to be called evildoers, and every year, The Shenhua Academy, which has gathered the most outstanding 49 people among those geniuses, turned out to be the weakest among the four academies?

How strong should the geniuses of the other colleges be?

However, Ge Qing's wry smile disappeared quickly, he patted Ye Chen on the shoulder excitedly and said:

"However, now with you, our Shenhua Academy can finally be proud! Those old guys in the Academy, don't always show off in front of me, in your Academy, there is a genius with the blood of the Kingdom of God?

Humph! Now, my Shenhua Academy also has it! "

Ye Chen couldn't help showing a helpless smile. It turns out that what Ge Qing said is related to his own existence, which can make him show off in front of other deans. This peerless strong man with a too weak cultivation base, his temperament is like a little Children are average.

Really a fight with the eternal holy king.

Ye Chen looked around, and did not find the flame stele of the Reincarnation Profound Stele here.

He wanted to ask the dean directly, but the two didn't know each other. Once he asked about Yanbei, he would be expelled from the college immediately.

Ge Qing suddenly reduced his smile and said to Ye Chen with a slight seriousness: "Ye Chen, I heard that you were in the cafeteria and you seriously injured the second-grade Zhao Liang with one blow?"

Ye Chen raised his eyebrows. This old dean, when he brings up this matter, is he to be punished?

However, he answered honestly: "Yes, I hurt him."

Zhao Liang blamed himself, and Ye Chen thought that he had no reason to lose in this matter.

Ge Qing nodded and said thoughtfully: "Zhao Liang, who severely injured Star Aperture with a single blow, presumably, your strength is at least comparable to the existence of Star Aperture Peak, right?"

Not bad, not bad It's really a monster! "

Ye Chen looked at Ge Qing with some uncertainty, not knowing what he wanted to do.

Na Ge Qing suddenly looked at Ye Chen with a grin, and said, "Okay! This kind of strength is almost enough, Ye Chen, do you know that there is a place on our Lingwu Continent called Demon Domain?"

Ye Chen was startled.

The Demon Emperor of Demon Eye once ruled the Demon Realm.

And before the Devil Emperor fell asleep, let him have the opportunity to go to the Demon Realm many times!

More importantly, there is one person in the Shenhua Academy who holds something of the Devil Emperor.

Is this person the dean?

Ye Chen looked at Ge Qing's smile, always feeling that there was a hint of bad intentions in the smile. However, Ge Qing's words still aroused his interest. He said: "Dean, I heard that the Demon Realm is one of the Demon Race The land, there are many monsters in the periphery. The top forces in the four regions of the east, west, north and south of the Lingwu Continent have been fighting against the demon realm all the year round..."

Ge Qing nodded: "That said, but there is something you may not know."

"In the Demon Realm, there is also an existence that is not weaker than the Kingdom of God."

Ye Chen was startled: "Aren't we weak with the kingdom of God?"

Ge Qing said: "The emperor of the Demon Territory fell, the Demon Territory fell apart, and hundreds of forces rose up, but among them, only two were truly powerful.

One is the demons controlled by Jun Mochen.

As for the other one, that is what I want to tell you, the Nine Netherworld Kingdom. "

"The Nine Nether Kingdom is the former life of the Demon Emperor who controlled the Nine Nether before his death. It is more mysterious than the Demon Race."

"In ancient times, the foundation was not weaker than the kingdom of God..."

"It's a pity that when the Devil Emperor died, Jiuyou didn't want to be manipulated by others. He set up a closed formation and named himself the country of Jiuyou."

"Ten thousand years, the Nine Nether Kingdom has secretly grown to an extremely terrifying existence."

"Rumors say that controlling Jiuyou is equivalent to having the capital to fight against the kingdom of God!"

Chapter 2015: The invitation of the Netherland!

Hearing these words, Ye Chen looked at Ge Qing in surprise: "Dean, isn't Shenhua Academy an institution of the Kingdom of God... You seem to be wrong."

Ge Qing smiled knowingly: "There is nothing wrong with it. The Kingdom of God is no longer the Kingdom of God."

"The original intention was established by the kingdom of God, but now, most people want to draw a clear line from the kingdom of God."

"Since the Ye Family of the Kingdom of God..."

Ge Qing's voice stopped abruptly.

"There are some things you should know less about."

"Continue to talk back to the Nine Nether Kingdom, the strength of the Nine Nether Kingdom warriors is far beyond the average Lingwu mainland warriors. They practiced according to the standards of the ancient times..."

And soon after, it was the 18th birthday of the princess of the Nine Nether Kingdoms. According to convention, the top strength of the Lingwu Continent, the Kingdom of God, and the deans of the four major academies, will also lead With the elite disciples in the academy, they went to celebrate each other's birthday. "

princess?

Ye Chen had countless doubts in his mind and curiously said: "This princess is the daughter of the Devil Emperor in your mouth?"

Ge Qing sighed: "If the Devil Emperor's daughter is in power, I am afraid that the Demon Domain will not fall apart, and Jiuyou will not be independent."

"Unfortunately, the Devil Emperor's daughter is missing."

"No one knows where it is."

Ye Chen said again: "President, you told me the Nine Netherworld Kingdom of Demon Realm, why on earth?"

Ge Qing suddenly raised his hand, and a token inscribed with the fire seal pattern fell into Ye Chen's hands: "During this period, you can use this token to receive whatever you need to improve your strength. Come with me to the Nine Nether Kingdom."

Ye Chen's eyes flickered, and Ge Qing deliberately asked about his strength before letting him go with him to the Nine Netherworld Kingdom. It seemed that this trip to the Nine Netherworld Kingdom was not a simple birthday.

However, Ye Chen didn't care too much, and he did care about this Nine Nether Kingdom.

He must go to the land of the Devil Emperor!

The Ice Sword Saint King had been rescued by him, and it was considered an extra amulet.

If the Devil Emperor recovers his true body, does that mean he can walk sideways on the Lingwu Continent?

Even the Devil Emperor is the most qualified to oppose the existence of the kingdom of God!

Demon, no matter how sooner or later he must go!

Secondly, in the Shenhua Academy, in exchange for various resources, students need to complete the corresponding tasks. Ge Qing gave him this token, which can save him a lot of effort.

Ye Chen put away the token and nodded to Ge Qing: "Okay, the student understands."

Seeing Ye Chen's promise, Ge Qing's smile became thicker, and he waved his hand and said, "Okay, it's okay, you should go back first. When that time comes, I will notify you before heading to the Nine Nether Kingdom. "

Ye Chen said goodbye and left the top of the tower.

And just as Ye Chen left, a shadow appeared beside Ge Qing, and in the shadow, there was a vague figure.

The figure said to Ge Qing: "Dean, as usual, shouldn't you take two third-year students and one second-year student to the Nine Nether Kingdom? Now, you give this new student named Ye Chen a quota. Do you want to cancel the quota for second-year students?"

Ge Qing smiled and said: "Yes, among the second-year students of the college, there are no talents who are very good at it. Naturally, it is more appropriate to take Ye Chen."

"Moreover, I always feel the aura on this child is familiar and threatening."

"Even, it can threaten me."

You Ying's eyes widened.

Ge Qing of the Supreme Void Realm actually felt threatened by a good luck realm kid?

If this is said, the entire Lingwu Continent and even the Kingdom of God will be shaken!

Is it because of blood?

That You Ying looked at Ge Qing's appearance, and said: "Dean, you don't just want to show off Ye Chen's thin Red Dust veins in front of other deans, and you want to take Ye Chen to the Nine Nether Kingdom. Right?"

Hearing this, Ge Qing smiled and said: "How could it be? Although those old guys in the academy use the geniuses in their academy to run on me every time, how can a person such as me have the idea of revenge?"

Then You Ying shook his head and said, "You are not afraid of doing this, second grader, do you have any comments?"

Ge Qing shrugged indifferently and said, "Students, let the students solve it."

At this time, after Ye Chen left the tower, he did not immediately return to the dormitory, but walked towards the Wanbao Pavilion of the Shenhua Academy. Xuanyan evolved to flame materials of the corresponding level.

Although the Yanbei has not been whereabouts, he must be in the academy!

You must prepare for refining and conquering the Yanbei!

After arriving at Wanbao Pavilion and browsing through the list of flame materials in Wanbao Pavilion, Ye Chen couldn't help but be shocked secretly!

This Shenhua Academy is two grades higher than Xuan Yuezong and Ten Thousand Sword Emperor Palace's background collection!

Even the top powers can't match it!

However, those relatively cherished materials and the contribution points required for exchange are also embarrassing.

Although the Shenhua Academy is a place full of opportunities, if there is no strength, everything will be nothing more than spectacles. You can see it, you can't touch it. However, Ye Chen has the token that Ge Qing gave him. , It saves a lot of trouble.

Following Feng Qingyang's guidance, Ye Chen chose Jiuyuan Earth Dragon Fire, Burning Stone Real Fire, Black Lion Spirit Flame and other powerful flames...

Suddenly, Feng Qingyang said in Ye Chen's mind: "Boy, these flames are almost enough. Next, you need a material with water properties, called Absolute Cold True Liquid."

Ye Chen was taken aback when he heard this, and couldn't help asking: "Senior Feng, we want to evolve Profound Flame, do we need water attribute materials?"

Feng Qingyang smiled and said: "Many people think that to strengthen flames, only fire-attribute materials are needed, but they don't understand the principle of priming. Believe me, you want Xuan Yan to keep up with the breakthrough this time. The blood burning tactics in the future will definitely need the help of this Absolute Cold True Liquid."

Ye Chen nodded, did not say anything, played with the token in his hand, and walked towards the water attribute area.

At this moment, behind Ye Chen, three figures suddenly flashed out.

A person wearing a green robe, a high crown, and an elegant manner, his face is considered handsome, just a pair of triangular eyes, with a faintly cold color, which makes people quite uncomfortable.

The other two, one in animal skins, beards, bronze skin complexions, very strong, with beards, they look extremely rough.

The other person was pale as paper, dressed in a black robe, and looked sick and sick soon.

After these three appeared, the elegant warrior looked at Ye Chen's departed back, his eyes flashed: "Brother Tu, Brother Huo, the freshman of the good fortune realm just now, seems to have received a lot of high-level fire attribute materials."

The sickly warrior coughed twice and nodded: "Yes, if I read it correctly, it is the Jiuyuan Earth Dragon Fire, the Burning Stone Real Fire, the Black Lion Spirit Flame..."

This sickly and weak warrior actually seemed to know these spirit fires so well that he actually said the names of these spirit fires one by one!

Chapter 2016: Strong!

The burly warrior squinted: "Nine Yuan Earth Dragon Fire? Isn't this what I need? I wait for the points of the three people, and they will not be enough to exchange for a share. How can this kid Get a hand?"

The sick and weak warrior glanced at the burly man, and said lightly: "This is not what I can know, but Huo has confidence and I will not be wrong about Huo."

The elegant man smiled and said, "I have confidence in Brother Huo's eyesight."

As he said, he looked at the direction Ye Chen was leaving, and his eyes flashed: "It seems that we have to "discuss" with the junior brother of this good fortune realm, let him help us, and take the nine yuan earth dragon Fire, let us use it first.

Otherwise, without the dragon fire here, that matter would be a lot of trouble for us. "

When the burly man heard this, a trace of tyranny flashed in the bull's eyes. He clenched a fist with one hand and the bones made a burst of crackling noise. He laughed and said, "I think this little junior should not object to helping us. Kind brother, right? Hahahaha."

Although the sick and weak man did not speak, he did not mean to object.

Confucian warrior, seeing that everyone had no opinion, he smiled and nodded, a cold light flashed in the triangular eyes.

The three of them walked towards the area where Ye Chen was.

And at this time, Ye Chen finished redeeming the Absolute Frost True Liquid and just walked out of Wanbao Pavilion. Suddenly, he stopped and turned to look at the three people who came out of Wanbao Pavilion.

He felt very clearly that the three of them had followed him in secret since they were in the pavilion.

Ye Chen said to the three: "Three, follow me, what's the matter?"

Ye Chen found the three of them, and a hint of surprise flashed across their faces, but they didn't care too much. What if they found out?

With Ye Chen's strength, do they need to worry about being discovered?

Anyway, now they have left Wanbao Pavilion, they had to come forward and call Ye Chen.

Under the leadership of the elegant man, the three came to Ye Chen's body, and the elegant man smiled at Ye Chen:

"Hello, this junior, I'm Chen Ke in the second grade, this one wearing animal skins is Tu Yuan, this black robe is Huo Jiu, the three of us have one thing, I want to discuss with Junior Brother."

Ye Chen's gaze swept over the three of them. These three, with Chen Ke's highest cultivation level, reached the peak of the ninth level of the Star Aperture. They were a bit more terrifying than the Zhao Liang he had seen before, and, Huo Jiu and Tu Yuan also had the cultivation base of Star Aperture Seven-layer Heaven.

That Huo Jiu, faintly gave Ye Chen a strange feeling. He seemed to be sick, but his body seemed to be burning with extremely strong fire!

These three people are not weak!

However, Ye Chen just glanced at them lightly, then turned around and said:

"I have something to do, I can't help you all."

He has no interest in the so-called help of these three people, and he is almost certain that these three people, without any good ideas and need help from others, will follow each other sneakily like this?

Moreover, it was obvious that the other party, after leaving the Wanbao Pavilion, he did not worry about revealing his behavior at all. What does this mean?

This means that the reason why these people did not immediately call Ye Chen in Wanbao Pavilion was because they were worried that if there was any conflict in Wanbao Pavilion, they would not be able to deal with Ye Chen!

Doing that will undoubtedly provoke the instructor who is in charge of managing Wanbao Pavilion, but after Wanbao Pavilion, it is different.

Even if you really do something to Ye Chen, you will be punished by the Ministry of Law and Discipline, and you will not be stopped or even punished on the spot like in Wanbao Pavilion.

Such a person, Ye Chen, naturally has no interest in helping them!

Seeing Ye Chen turn around and leave, the three Chen Ke couldn't help being taken aback!

What is this kid doing?

Facing the request of the three seniors of the Star Aperture Realm, it was just like this, and he refused without giving any face?

Besides, the three of them were treated as if nothing, turned around and left?

Who gave him the courage?

The three of them looked at Ye Chen's back, their expressions were a bit ugly.

Ye Chen's behavior, undoubtedly, does not mean the slightest respect to them. When have they been treated like this by a warrior with a lower realm?

They are students of Shenhua Academy!

They are placed on the entire Lingwu continent, they are all extremely dazzling geniuses!

was actually despised by a fellow of good luck?

How can some of them accept this? Among the three, Tu Yuan's character is extremely hot!

When Tu Yuan just joined the Shenhua Academy, he was fighting with people because of quarrels, and if he didn't agree with him, he severely injured the opponent. If he was not stopped in time, he might have to kill the opponent directly!

Although Tu Yuan was severely punished by the Ministry of Law and Discipline after the incident, he has now restrained a lot, but when he was exposed to such a naked provocation by Ye Chen, how could he be able to bear it?

Immediately, Tu Yuan shouted violently: "Who let you go? Stop it for Laozi!"

After that, he moved behind Ye Chen and grabbed Ye Chen with his big hand!

Tu Yuan sneered in his heart, a waste of good fortune, in front of me, is so arrogant?

After the previous lesson, he didn't dare to seriously hurt Ye Chen, but with this catch, if Ye Chen was caught by him, he would have to suffer a bit!

Tu Yuan, like Zhao Liang, is also a body refiner known for his power.

But!

Unlike Zhao Liang, Tu Yuan's talent for body refining is much higher than Zhao Liang!

He came from a rare tribe on the Lingwu Continent, called the Tiantu tribe. This tribe lived in an extremely harsh environment, full of monsters, beasts and beasts in a wasteland, where no ordinary animals could survive!

If the people want to survive, they can only continue to hunt monsters, monsters!

The reason why the Tiantu clan can survive in such an environment is because their physiques are extremely tough!

Even, it can be compared to monsters and monsters!

Tuyuan is a rare genius in the Tiantu clan. His talent can only be described as horror. When Tuyuan was seven years old, he would tear a monster in the Divine King realm. It's in half!

It's a pity that although Tu Yuan's physical talent is terrifyingly strong, he can only be regarded as a general genius above his cultivation comprehension. Otherwise, his achievements are limitless!

But, even so! Tu Yuan is such a huge force, is definitely not trivial, even Zhao Liang, who is well-known as a body refiner, will definitely not dare to compete with him in the face of Tu Yuan!

It is conceivable that Tu Yuan was angry, even with a single claw, what a huge power!

Chen Ke smiled, already waiting to see this arrogant boy, trembling and fearful under Tu Yuan's grasp, at that time, he would definitely taunt the other party well.

After all, he Chen Ke is not a magnanimous person.

And Huo Jiu, he looked at Ye Chen coldly. Although he didn't like Tu Yuan's character, Huo Jiu still admired the strength of this guy, and as for the new student?

There is no strength, but still so defiant, what is the difference between looking for death?

Huo Jiu has no interest at all for this kind of person.

Right at Tuyuan, when one hand was about to reach Ye Chen's shoulder, the three suddenly felt a golden light flashing in front of them.

Originally, Ye Chen, who was about to be caught, turned around at an incredible speed, glanced lightly at the big hand of Tu Yuan he had caught, and raised his hand like lightning. He held Tu Yuan's hand and patted it gently.

Everyone was shocked in their hearts when Ye Chen used that weird body technique and turned around. That speed was too fast!

Even Tu Yuan was a little worried. At the speed of the opponent, maybe he would be avoided by the opponent when he caught it.

Chapter 2017: rude!

However, the next moment, everyone was slightly taken aback.

Then, in their eyes, there was a strong ridicule!

Is this guy really an idiot?

His speed is indeed fast to frightening, fast to shocking.

Chen Ke and several people all felt that Ye Chen was a little scornful. Such a fast speed is quite rare even in the Star Aperture Realm.

However, Ye Chen's next performance almost made them laugh!

This guy faced Tu Yuan, a warrior who was full of muscles and was obviously known for his strength. He didn't use his speed advantage, wandering around with him, or temporarily evading and retreating. Instead, he directly used his own hand, to block Tu Yuan's hand?

Chen Ke's triangular eyes flashed with a look of gloat. He couldn't wait to see Ye Chen's hand, which was shot by Tu Yuan. He didn't know that this proud new student was in the pain of severed hand. If you want to be mocked by yourself.

Daoxin, will it all be broken?

Thinking of this, Chen Ke suddenly became a little excited, hitting others, breaking the other's Dao heart, watching the other party fall into despair, and look helpless, but what he likes most!

Huo Jiu looked at Ye Chen contemptuously, shook his head, and looked away. What he hates most is the kind of brother who relies on the power behind him. In the battle, he does not even have his own advantage. The trash who knows how to play, he really doesn't bother to look at it, and he feels sick at first sight!

Tu Yuan's face is even more hideous. This kid is really too ignorant. Hopefully, the shattered hand bones can let him learn a lesson.

The next moment, Tu Yuan's hand slammed into Ye Chen's hand, and there was a soft sound.

This soft sound made a few people stunned. In the air, there was dead silence, and time seemed to be still!

Only Ye Chen still maintained a calm expression.

Chen Ke and Huo Jiu both looked at Tu Yuan's hand in disbelief, but it was Tu Yuan himself that was the most shocking!

His hand was patted open by Ye Chen with such a light patting!

This? How is this going?

Tu Yuan looked at his hand in confusion, and did not understand what happened.

How did Ye Chen pat his own hand away?

He stared at his palm blankly, completely scratching his head.

Just now, although he didn't use his full strength in this catch, but the power contained in it, can a good fortune warrior be able to shoot it at will?

Besides, he didn't feel too much power from Ye Chen's hands?

Tu Yuan couldn't help but stared at Ye Chen with bull's eyes, and said in a puzzled manner: "Boy, what demon technique did you use?"

Ye Chen glanced at him indifferently. Although Tu Yuan's power was strong, his control was not enough. If he met his own power, his understanding far exceeded the opponent, and he also mastered the immortal body. In front of the warrior with the demon body, it will only be easily suppressed.

What's more, Ye Chen's power is far better than the opponent.

However, Ye Chen made a move just now, but didn't fully use his own power. He only used a small part of his power, coupled with his own control of power, and easily slapped Tu Yuan's hand away.

The reason why he didn't use his true power was because he didn't want Tu Yuan to be injured.

To be precise, I don't want to violate the law of the college.

After all, he had just seriously injured Zhao Liang. If he broke the law so quickly, even if Chen Jiu didn't pursue it, he himself would feel a little embarrassed.

He looked at Tu Yuan and said faintly: "This is nothing, but how many people did this to me, is it a bit too much?"

I should, I have no obligation to help you? And if you do this, aren't you afraid of being punished for breaking the school's laws and regulations? "

A few people were taken aback when they heard the words, and then they all looked relaxed, looking at Ye Chen with a mocking smile!

They just thought that Ye Chen might have something! After all, Tu Yuan's hand could not be slapped away by anyone.

But now, they don't think so anymore.

Because, Ye Chen, in front of them, confessed!

Ye Chen has not started the battle now, he has already carried out the Ministry of Law and Discipline.

Which powerhouse would use the Ministry of Law and Discipline and the instructor to suppress people before the battle?

This is clearly the behavior of the weak!

Tu Yuan sneered. He was still wondering how Ye Chen slapped his hand. Now, he just treated him as a bad condition. Ye Chen and the blind cat ran into a dead mouse.

And Chen Ke, even further behind, fanned the flames and said:

"This brother, what makes sense, Brother Tu, or else, forget it?"

After all, you have suffered from the disadvantages of the Ministry of Justice, and you should understand the horror of the Ministry of Justice better than us. Or, don't make any more moves. "

Chen Ke's triangular eyes flashed with a sly light. He understood that Tu Yuan was very strong, and the most annoying was that other people's affairs were related to the Ministry of Justice. See him.

And this is the best way to stimulate him!

As expected, when Tu Yuan heard Chen Ke's words, he immediately shouted in anger:

"What did you say? You mean, I am afraid of the Ministry of Justice? Do you think that I am like this rubbish, if I have nothing to do, I will be taken out of the Ministry of Justice?"

Ministry of Justice, I didn't take it seriously! "

After finishing speaking, he turned to Ye Chen fiercely, since Chen Ke said so, then he must teach Ye Chen even more!

Tu Yuan said solemnly to Ye Chen:

"Boy, how rude are you waiting for me, so rude, I will not bear it, Ministry of Law? You want to go there to file a complaint, just go, like you, conflicts, do not want to rely on your own strength to resolve, Always find the elders.

The trash who seeks shelter from a tutor, Lao Tzu, is the most despised. Do you think that I will let you go if I take it out of the Ministry of Law and Discipline? The more trash you are, the less I will let you go! "

This is the truth of Tu Yuan. He made up his mind from the beginning in the academy. No matter what he was beaten, he didn't have any idea of going to the Ministry of Law and Discipline. He thought it was a villain!

has always thought that Tuyuan, who survived in the harsh wasteland, has long been accustomed to being suppressed by all kinds of powerful enemies and devastated by all kinds of monsters. Could there be a Ministry of Law and discipline that can help him?

Naturally not, even his people would not help him!

On the wasteland over there, the weak are not qualified to survive!

As a nation above the wasteland, Tuyuan's pride is that as a man, no matter what difficulties he encounters, all he depends on is himself!

So, for those guys who always lifted out of the Ministry of Justice, he sincerely looked down!

And Ye Chen, after hearing Tu Yuan say this, instead, his eyes lit up!

He looked at Tu Yuan with a smile on his face and said lightly: "So, even if we have a fight, you will not report to the Ministry of Law and Discipline?"

Tu Yuan was taken aback for a moment. Is this kid stupid?

I had a fight with him. I was injured. I need to find the Legal Department to defend myself. Obviously, he?

How can I be so stupid and put myself in the hands of the Ministry of Law and Discipline?

Of course he won't report to the Ministry of Legal Affairs!

Besides, even if he suffered a loss, he would not look for the character of the Ministry of Justice. This is the dignity of the wilderness barbarian.

However, he still replied casually: "Nonsense, how could I go to the Ministry of Legal Affairs?"

The smile on Ye Chen's face became even thicker. He looked at the two people behind Tu Yuan and continued to ask: "So, the two of them won't report to the Ministry of Legal Affairs?"

Tu Yuan frowned and said, "You kid, what do you want to say?"

At this time, still want to pretend to be crazy and be stupid, and get through it? None of us will report to the Ministry of Legal Affairs! Do you understand? Satisfied? Nonsense, is that enough? "

said, he didn't have the patience to continue the conversation with Ye Chen, suddenly stretched out his hand again, and grabbed it at Ye Chen!

This time, the power of Tu Yuan's shot is completely different from just now!

That big hand faintly shook the space, and the space was distorted wherever the big hand passed!

Chapter 2018: Crouching Tiger, Hidden Dragon

Chen Ke looked good at the show. Sure enough, after stimulating Tu Yuan, this Huang Yuan guy began to be a little serious. This time, Ye Chen's luck was against the sky, he couldn't get out of Tu Yuan's palm. Up!

However, Huo Jiu, who was on the side, really focused his eyes, because he discovered that when Tuyuan shot again, with unmatched strength, when he grabbed Ye Chen, Ye Chen's expression was still so indifferent and completely There is no trace of fear!

Even, still smiling, still faintly, a little excited?

What is going on with this kid?

Ordinary martial artists, under the power of this grasp, I am afraid, are they going to tremble?

And Ye Chen, why is he always calm and calm?

He just turned off Tu Yuan's palm, could it be because of good luck?

Ye Chen faced Tu Yuan's shot this time, with a hint of affirmation on his face, he nodded slightly and said, "This time, it was not bad."

Tu Yuan's palm contains no longer pure power, but also contains a kind of wild power.

Presumably, this is the power that Tuyuan realized in the process of fighting and surviving in the wasteland?

This power still gave Ye Chen a hint of appreciation.

is not bad? This kid is really crazy!

laughed at the Tu Yuan that Ye Chen had caught, and said grimly:

"Really? That's a good catch, I don't know, can you stop it? But don't let you get hurt? If it is hurt, I will not be responsible for you."

"Injured?" Ye Chen's complexion restored his indifference, and his strength was concentrated in his hands!

"It hurts me, it's still far away."

One punch!

is fighting with the body again?

Chen Ke shook his head and looked at Ye Chen, just like looking at a fool. Good luck once is good luck, and good luck twice is almost impossible. Ye Chen, hasn't learned his lesson yet?

Tu Yuan's eyes were bloodthirsty and cruel.

This time, it's not as simple as smashing hand bones. Ye Chen's whole person will be seriously injured and dying?

This is still the result of stopping the power in time when he hits the opponent. If he doesn't reduce the power, he is afraid that Ye Chen's whole person will instantly become nothingness.

next moment.

With a loud bang, Ye Chen's fist and Tu Yuan's palm slammed together!

space, burst instantly!

At the same time, Chen Ke and Huo Jiu were both sluggish!

how is this possible! ?

Ye Chen's fist, how could it be so strong?

But this is not over yet!

A scene that surprised them even more, soon appeared before their eyes.

There was a crisp sound, as if there was something broken.

Immediately, Tu Yuan's huge body flew up and flew backwards!

With a bang, Tu Yuan slammed into the wall of Wanbao Pavilion behind him, and a crack appeared on the entire wall.

Ye Chen slowly withdrew his hand, looked around nonchalantly, and let out a sigh of relief. Fortunately, no one was around here. He had just taken a shot. Only a few people present should have seen it. In this way, it should not be. It caused such a huge sensation when he defeated Zhao Liang.

Chen Ke and Huo Jiu looked at Ye Chen with trembling eyes.

What happened just now?

Their brains have been completely confused.

Ye Chen, actually defeated Tu Yuan?

And, did you use your physical body to touch and defeat the opponent?

The most terrifying thing is that Ye Chen only took one blow!

This guy is a warrior in the good fortune realm!

At this time, there was a blood stain on his hand, and the bones of the hand were shattered. The big hand that looked like cast iron, Tu Yuan, who was now hanging softly beside him, let out a groan.

Ye Chen's eyes flashed, this Tu Yuan was indeed talented, and his physique was much better than Zhao Liang.

The blow he had just now was not much worse than the power he used to deal with Zhao Liang.

And what is the result of Zhao Liang?

his arm disappeared, and he was in a coma and dying.

But now this Tu Yuan just shattered his hand bones, and the injury was not light, but he did not lose consciousness. Even under this kind of injury, Tu Yuan would still be able to stand up and continue fighting.

"Ahhhhh!!!" Tu Yuan raised up to the sky and let out an inhuman roar, and he rose up unaffected by such an injury!

He can't accept it!

I was beaten and flew by a martial artist of good fortune realm?

That wasteland tribe, the unique mad blood in their bones, completely broke out under the anger of Tuyuan!

Tu Yuan's breath broke out instantly, and it turned out to be much stronger than before!

When Huo Jiu and Chen Ke saw this, their expressions changed!

Tu Yuan, this is, has entered a frenzied state!

Tuyuan like this, fights, but never ends!

Like that, whether Ye Chen wins or Tu Yuan wins, the other side's fate will be extremely miserable. If it really develops into that, it is not. Simply being punished by the Ministry of Law and Discipline, you can end the matter!

Huo Jiu couldn't help turning his head, and shouted at Ye Chen: "Boy! Hurry up, Tu Yuan is in this state, it's going to work hard!"

This is not the case, the Tuyuan who grabbed you just now is comparable!

If you do not leave, the consequences will be unthinkable! Go! At your speed, you should be able to get rid of him! "

Chen Ke's complexion also turned gloomy, this time It's really not eating chicken and rice!

However, even Chen Ke focused on the overall situation. Now, he can't care about torturing others and enjoying the pain of others. This kind of distorted interest is no longer necessary. If you don't stop Tu Yuan, give Ye Chen some time to escape. If so, Ye Chen would probably be killed by Tu Yuan.

Even if Ye Chen is really a super evildoer, he is stronger than Tu Yuan. Facing such a Tu Yuan, does Ye Chen still have the strength to keep his hands?

Keep your hands in battle, that's something that can only be done if the strength exceeds the opponent by several levels!

Then, even if Ye Chen could defeat Tu Yuan, he would have to kill Tu Yuan.

Whether it is Ye Chen or Tu Yuan, if one of them dies, then, let alone enjoy the pain of others, I am afraid that when the time comes, the most painful one will be yourself!

The Ministry of Law and Discipline, when no one is dead, it's okay. If any student died, it would be a very terrifying existence!

Even Chen Ke was absolutely unwilling to be involved in the death of the Shenhua Academy student. At this time, he shouted to Huo Jiu: "Brother Huo, join hands to block him and fight for this kid to escape!"

Huo Jiu nodded and gave a low drink. A burst of red flames surged from his body, and the extremely high temperature instantly distorted the nearby air.

And the flame, faintly, turned into a giant bird!

Ye Chen's eyes flashed, Huo Jiu's fire is not weak.

Chapter 2019: stimulate!

Chen Ke's face was dignified. Although his cultivation level was one level higher than Tu Yuan, he was not sure of victory in the face of Tu Yuan who was in a frenzied state. What's more, he still couldn't really win. The killer against Tuyuan!

But, the mad Tu Yuan does not manage so many wisely!

Facing such an opponent, even with Huo Jiu's help, Chen Ke couldn't guarantee how long he would be able to block Tuyuan.

A breath of awe-inspiring radiated from Chen Ke's body. Behind him, there appeared a vague figure wearing a Confucian robe holding a scroll. This figure exuded a faint divinity!

At the same time that the figure appeared, Chen Ke also had an extra volume in his hand, which was quite similar to the one held by the figure.

And this scroll, with its tyrannical aura and long-distance, is actually an artifact that has been passed down for so many years!

Chen Ke was holding the scroll, sweating on his face, and his body was trembling slightly, and his spiritual power turned wildly. Obviously, it was extremely difficult to manipulate the scroll with his cultivation.

Huo Jiu glanced at Chen Ke's situation, and immediately waved his hand. The flame on his body turned into a burning bird and galloped towards Tuyuan. He and Chen Ke had joined hands many times, so naturally he knew this. At that time, all he had to do was to buy time for Chen Ke!

Facing the firebird that was coming to him with extremely high temperature, Tu Yuan let out a roar like a wild beast. The next moment, behind him, a phantom also appeared. That phantom, vaguely, turned out to be , A tribal totem!

As soon as this totem appeared, it quickly merged into Tu Yuan's body. On his skin, Taoist lines appeared in an instant. This totem seemed to have been inscribed on Tu Yuan's body!

With the blessing of this totem, the breath of Tu Yuan, once again skyrocketed!

slammed a punch at the flying firebird!

There is another explosion! Sparks are overflowing!

The front of Wanbao Pavilion, instantly turned into a sea of flames!

Huo Jiu, couldn't help but back up a few steps, and looked at Tu Yuan, who was in the sea of fire, walking towards Ye Chen step by step.

The Firebird was blown out by Tu Yuan with one punch!

At this time, Chen Ke, who was standing next to Huo Jiu, finally shouted, the scroll in his hand flashing with dazzling golden light!

This ancient artifact was finally successfully inspired!

The scroll exudes a strong aura, and a golden inscription flies up, flying towards Tu Yuan!

Tu Yuan's blood-red eyes narrowed. Now, although he has lost his mind, his fighting consciousness has not been weakened at all. On the contrary, it has strengthened a lot!

He instinctively felt that this rune was a great threat to him!

Tu Yuan's aura condensed, and when he was about to receive this rune, the aura around him suddenly condensed.

Chen Ke and Huo Jiu looked at each other, and left one after another!

Originally, the mad Tuyuan, they couldn't guarantee how long they would be able to withstand it. The current Tuyuan is even more so!

Now they can only retreat temporarily.

However, after struggling for so long, that weird good luck kid, should he leave here too?

At his speed, although the time just now was not too long, it should have been able to escape to a safe place.

Chen Ke and Huo Jiu both breathed a sigh of relief, their bodies suspended in the air, looking towards the ground where Ye Chen was originally.

The next moment, both of them changed their faces! The body suspended in the air also shook for a while, almost falling from the sky!

What did they see?

The guy in the good fortune realm, unexpectedly, didn't escape at all!

Besides, it's fortunate to stand still in place, waiting for the mad Tuyuan to come over!

Chen Ke had an expression of crying but no tears. He had already thought about how cruel he would be treated by the Ministry of Justice. This Ye Chen is really too arrogant, too big, right?

In this case, still standing still without knowing how to advance or retreat?

If it were the original, before Tu Yuan advanced, Chen Ke still had a glimmer of hope for Ye Chen to defeat Tu Yuan, now, after Tu Yuan advances Ye Chen has only one ending!

That is, die!

Chen Ke couldn't help yelling to Ye Chen:

"Boy, you \*\*\*\* run! What are you still doing? You can't. At this point, you still think you can defeat Tuyuan?"

I admit, you are very strong and incredible, but people still have to be self-aware! Tu Yuan now can even rival the warriors of the late Star Aperture stage. Its strength is so terrifying to this level. Don't you understand? "

Just when Chen Ke and Huo Jiu were about to take the risk of blocking Tu Yuan again and gain a chance for Ye Chen to escape, Ye Chen's indifferent voice came from the square.

Ye Chen watched the terrifying Tu Yuan walking step by step, his expression unchanged, his hands on his back, the wind was calm, and his mouth faintly said: "Now, it's worth letting me take it."

"The way of refining that thing is to use fire. I will try it today. After entering the realm of good fortune, my Profound Flame has some strength!"

Finally, Tu Yuan arrived in front of Ye Chen, his breath swelled like a mountain whistling a tsunami, and he roared frantically. That power, even if he hadn't taken a shot, had already made the entire academy tremble!

Now, there is only one thing in Tu Yuan's mind, and that is, defeating Ye Chen!

Recover your glory!

To defeat Ye Chen, he will use his full strength to give full play to his strength 10,000%, without the slightest idea of keeping his hands!

Chapter 2020: Divine breath!

And at this moment, Ye Chen's body also began to change. A phantom beast exuding terrifying coercion appeared behind Ye Chen, and Ye Chen's figure began to elevate!

Devil Qi and Gengjin Qi envelop the whole body!

Chen Ke and Huo Jiu both had their pupils contracted. That strange beast's shadow is so scary!

But this is not over yet!

Many purple lines appeared on Ye Chen's body. The moment the purple lines appeared, Huo Jiu didn't do anything, Chen Ke already exclaimed!

"That is... the breath of divine nature! It turned out to be the breath of divine nature!"

Chen Ke, he inherited a trace of divine breath because of his inheritance, so he was very familiar with divine breath, but Ye Chen's divine spirit was too rich!

No matter whether it is quality or quantity, they are not comparable!

Why is this not shocking?

Although there are not many items with divine nature circulating in Lingwu Continent, it is not impossible to obtain it. However, there are very few people who can emit such strong divine fluctuations like Ye Chen!

On the one hand, it is because divine objects, such as divine blood, fragments of divine soul, divine body, divine veins, etc., are extremely precious and rare things.

But, more importantly, ordinary people, even if they get divine objects, are of no use at all!

Because they can't use the power of divine objects at all!

I want to take these divine powers as his own, but it is not something anyone can do!

And Chen Ke, although, within their sect, there are also fragments of the soul of God, which can allow the disciples under the sect to gain the power of divinity, but!

Want to inspire the divine power to the level of Ye Chen, it is almost like a dream!

One can imagine how terrifying Ye Chen's aptitude is!

Chen Ke looked at the \*\*\*\* pattern on Ye Chen's body, completely stupid.

Suddenly, from Ye Chen's body, another vaguely surging, a trace of extremely refined fire!

Now, Huo Jiu, his eyes trembled!

said solemnly: "This is... the fire of internal refining?"

Huo Jiu is a genius who specializes in cultivating fire. Although he cultivates fire outside, it does not mean that he does not understand fire inside.

The fire of internal refining, cultivating to the extreme, even stronger than the external fire!

But, he did not choose this path, because fire, although a powerful existence, also contains very violent and uncontrollable energy!

The fire cultivator who has cultivated to the higher realm is often not physically good, because the power to control fire often causes self-injury due to excessive burden!

The internal fire, the burden on the body is far greater than the external fire!

That requires extremely terrifying physical fitness, is it possible to practice!

What kind of waste is this new born of good fortune realm?

is simply too bad!

Both of them now understand why Ye Chen is so strong.

At the same time, they also have some doubts, Ye Chen, is it really a human?

However, the changes in Ye Chen's body continued!

The totem pattern on Tu Yuan's body shines brightly, and his whole person is wrapped in white light. In his hand, it seems that a superstar has risen, with unparalleled power, toward Ye Chen bombarded!

Ye Chen looked at Tu Yuan's punch, and his eyes flashed with excitement. He enjoys fighting and likes fighting, provided that his opponent has sufficient strength!

But now Tu Yuan can bring him some excitement!

Ye Chen uttered a loud shout, and also struck a punch. The power of the Dao and the realm of killing intent were all concentrated in Ye Chen's punch!

Boom, two fists collide, but it seems that it is two meteorites, and even the two universes have collided!

The powerful energy swept the entire Shenhua Academy, and the exclamation in the Academy came one after another!

Chen Ke and Huo Jiu, who were closer, were shocked to lose consciousness!

Ye Chen's fist is so powerful that it is terrifying!

Tu Yuan let out a painful scream, even if he is now in a frenzied state, even if he now has the blessing of a tribal totem, his hand broke at the moment of contact with Ye Chen! Completely broken!

And Ye Chen? His fists did not stop at all, and were not hindered by Tu Yuan's fists at all!

The gap between the two is vividly reflected!

And watching, Ye Chen's fist blasted Tu Yuan's hand, and as soon as he moved forward, he was about to touch Tu Yuan's body.

Chen Ke and Huo Jiu couldn't help but look away.

With such a powerful punch, even if Tu Yuan's body is as strong as the monster at the pinnacle of the Star Aperture, it will definitely [~www.mtlnovel.com~](http://www.mtlnovel.com) will be shattered under this punch.

Ye Chen's fist stopped just before touching Tu Yuan's body, abruptly.

Chen Ke and Huo Jiu only felt that the sky was spinning, and they couldn't say a word.

Such a powerful force, Ye Chen, can he control it so perfectly?

This means that the punch just now is not Ye Chen's extreme?

Chen Ke and Huo Jiu both feel a little bit cried now. Why do they have nothing to do and ask Ye Chen for "help"?

Now, their self-confidence has been completely shattered. Originally, as students of Shenhua Academy, they all regarded themselves as the pride of heaven, but now seeing Ye Chen, they suddenly suspected that in this world, I am actually quite ordinary?

And those real geniuses are completely complete, beyond their imagination.

For example, this one in front of him has subverted their entire world.

Ye Chen stopped his fist, his figure flashed, and he appeared behind Tu Yuan. His hands passed under Tu Yuan's ribs, and his ten fingers crossed the back of his neck, tightly locking Tu Yuan.

Ye Chen shouted violently: "Seal!"

The power of divine mind pressure, Qilin Sha, Gengjin Qi, and the power of law burst out at the same time! !

Under Ye Chen's power, Tu Yuan only felt a sharp pain in his head. The violent power that had originally occupied the sea of consciousness faded in an instant!

At the same time, there was intense exhaustion in his body. The original sturdy body gradually shrivelled. Before he fully recovered his clear consciousness, he gradually sank into darkness and fell into a coma.
