

Urban Medical 2051

Chapter 2051: missed me?

At this time, Wu Yang, Liu Baizhan, and Li Shen had entered the Shenquan Building and sat down at the herringbone table.

At this time, in the Shenquan Building, most of the tables are already full, only one table is still empty, and that table is also the largest table in the restaurant.

Li Shen glanced at the biggest table and asked Wu Yang, "Wu Yang, why is that table empty?"

Wu Yang said with a smile: "Brother Shen, you don't know that the largest table is the Tianzi table in Shenquan Building. This table does not accept reservations.

Only in the capital city, the truly extraordinary big families, and the royal family, these extraordinary existences, are eligible to drink on that table. "

Just as they were talking, a woman with a veil masked her face and an extravagant manner in her demeanor walked slowly into the Shenquan Building.

The eyes of the guests in the restaurant were immediately attracted by this woman, and Wu Yang and the three were no exception.

And that woman, under the incredible gaze of everyone, walked towards the Tianzi table in the Shenquan Building!

The woman sat down under the Tianzi table, and three extraordinary and beautiful waiters in Shenquan Building stood by the table, serving the woman with tea and fruit snacks, serving them with all their hearts.

The guests in the Shenquan Building, they all have a certain identity and strength. They are not young talents, but also the heads of certain families, elders of sects, and the like. They have good status, but even they, when, see After such a battle?

This is Shenquan Tower!

The sky table in the building is not an exaggeration to say that it is empty all year round.

It is conceivable how amazing and shocking the background of this woman is!

Moreover, the waiters in Shenquan Building can't be done by anyone. These women have received strict training, and they are all people with prominent identities.

However, at this time, the guests clearly noticed that these long-experienced waiters were a little nervous when serving this woman!

What kind of person can make these waiters who are able to calmly talk to some of the heads of the sects in the capital, and the patriarchs of the clan, and the waiters who are jokes, appear nervous?

Everyone dared not think about it anymore!

Of these, the most shocking is probably Wu Yang and others. Originally, being able to drink in the Shenquan Tower in the capital of the Nine Nether Kingdom made them feel that they are superior, but now they see someone who looks like a second-hand. A teenage girl enjoying this kind of treatment?

Compared with this woman, a few of them, let alone being superior, they were waiting thousands of times.

This woman is naturally Chu Ying.

A waiter respectfully said to Chu Ying: "Excuse me, can I serve you wine?"

Chuying supported her chin with one hand, looked out of Shenquan Tower with beautiful eyes like a bright moon, and shook her head and said, "No hurry, my friend hasn't arrived yet."

Liu Baizhan couldn't help sighing: "Wu Yang, what do you think this woman is?"

It seems that he is about the same age as us, but he was repaired in a closed door.

Moreover, you can still sit at the Tianzi table in the Shenquan Building and enjoy such treatment..."

He looked at Chu Ying's gaze, he couldn't help but envy, and there was a trace of desire to hide.

Even if he couldn't see the true face clearly, he could conclude that this woman is definitely an unimaginable beauty, and her figure is the best among the best.

Wu Yang lowered his head in fear, "Don't look, I don't know this woman, but I can be sure that the power behind her is definitely not what our college can compare. Drink the bar."

Liu Baizhan quickly retracted his gaze, he didn't want to inexplicably form an enmity with the great forces of the Nine Nether Kingdom.

At this moment, Ye Chen walked into the Shenquan Building.

A welcoming girl stepped forward and asked Ye Chen: "My son, are you here to make an appointment?"

At this time, Liu Baizhan's eyes flashed and he pulled Wu Yang and said, "Wu Yang, look at that kid, why is he here again?"

Wu Yang was stunned for a moment, and then a funny color appeared in his narrow eyes, Ye Chen, actually came to this Shenquan building to drink their leftover spirit wine?

Wu Yang got up directly, squinted at Ye Chen and said to the girl who had just questioned Ye Chen: "Haha, this Mr. Ye is our friend..."

The welcoming girl smiled and said, "In that case, please..."

But before the girl finished speaking, Wu Yang suddenly said loudly: "This friend, came to see us for a drink. When we finish drinking, please help him to pretend the rest. He will take it away."

As soon as he said this, the originally noisy Shenquan Tower immediately became quiet.

Almost everyone was funny, playful, despised, and even looked at Ye Chen in disgust. It was the first time they heard that someone came to Shenquan Tower and wanted to take away the leftover wine from others!

is unheard of!

Some people would laugh at Ye Chen, but at this moment, a faint female voice sounded in the Shenquan Building.

Chu Ying smiled lightly: "Ye Chen, you are finally here, do you miss me?"

said, he actually walked directly to Ye Chen, took Ye Chen's hand, and walked to the sky table!

Those people who originally wanted to mock Ye Chen had their faces stiff, and they didn't open their mouths or closed their mouths. They abruptly swallowed the words that came to their lips.

The space in the Shenquan Building seemed to be frozen in an instant. Everyone looked at Chu Ying and Ye Chen with surprise, even horror, at Chu Ying's enthusiastic attitude towards Ye Chen, and at their intimate behavior. !

This Ye Chen has an extraordinary relationship with that mysterious woman with extraordinary background!

Now, the guests in the restaurant no longer looked at Ye Chen, but for an instant, they turned their eyes full of contempt and disgust to Wu Yang and others!

Since Ye Chen has such an intimate relationship with that mysterious woman, there are one hundred thousand, one million is impossible, and he will come to drink Wu Yang's leftover wine!

People are sitting at but it is the highest table in Shenquan Building!

There are a hundred and eight kinds of spirit wine!

This Wu Yang is nothing more than a grandstanding clown!

And Wu Yang, almost petrified, with his mouth open, his eyes staring, standing still, even his breathing seems to have stopped.

After a while, blood flowed in his body again, and, in an instant, it broke through his face, his face was like a fire, and now, Wu Yang was so embarrassed that he wanted to commit suicide!

He just asked the waiter to help Ye Chen take away their leftover wine. He said so loudly that everyone in the restaurant heard it. He thought it was a great opportunity to hit Ye Chen and mock Ye Chen, but now, Has become a self-digging grave, stupid enough to not be stupid!

It is even possible that when they arrived in this capital, they were hated by a woman from a super power!

Then he Wu Yang, I am afraid he will become the sinner of the entire Kamikaze Academy!

Chapter 2052: Coercion!

Although Ye Chen didn't say a word, he stepped on Wu Yang's face and Wu Yang's self-esteem!

One can imagine how angry he is, but is anger useful?

Liu Baizhan and Li Shen frowned and lowered their heads. Wu Yang was with them. Wu Yang was insulted, and they had to bear it together!

Originally came to the Shenquan Building for a good drink, because of the arrival of the young man from Shenhuo Academy, everything was destroyed!

Liu Baizhan frowned slightly and said: "This kid, with such a low cultivation base, how can he meet a beautiful woman of that identity? And, that beautiful woman obviously favors this person!"

A cold light flashed in Wu Yangsan's eyes: "This kid, obviously I saw him before, and I haven't even heard of Shenquan Tower. How can I make such a beautiful woman in a blink of an eye?"

Top Best AI for Forex Trading 2024

Eighty percent, it was this kid who deceived the trust of that beautiful woman with the evil imprints and divine veins! "

Liu Baizhan's eyes lit up and he echoed: "It's very possible!"

Otherwise, how could a peerless beauty with a prominent status in the gate-closing state be worthy of this waste?

Li Shen drank silently. He didn't pay much attention to these. All he cared about was his own strength, and Wu Yang and Liu Baizhan's reaction made him a little disgusted.

He doesn't like this kind of person who makes excuses whenever something happens.

Ye Chen gave him the feeling of murder.

Can't be wrong.

Absolutely not weak.

Chu Ying glanced at Wu Yang nonchalantly, and asked:

"That person seems to be rude to you just now, do you need me to teach him for you?"

With Chu Ying's identity, she didn't need to act on her own. With just one sentence, she could blast Wu Yang and others out of the Shenquan Tower.

Ye Chen shrugged and said, "The dog is barking, don't care."

He didn't deliberately lower the volume, and the voice of speaking reached Wu Yang's ears.

Wu Yang glared, and his eyes were bloodshot. He is the best genius in the second year of the Kamikaze Academy. Who is the most respectful and respectful of those big-minded men in the day?

Since his birth, he has hardly been ridiculed by others.

And now, Ye Chen, a martial artist in the realm of good fortune, actually said that he was barking at a dog?

When has he been so insulted?

Wu Yang gritted his teeth and went crazy, he wanted to directly crush Ye Chen, but his fist was clenched for a long time, and finally, he loosened it.

He didn't dare, let alone that mysterious woman from an extraordinary background, now apparently keeping Ye Chen, even without this woman, he didn't dare to make a move in the Shenquan Building.

Wu Yang adjusted his behavior, keeping himself as elegant as possible, and said politely to Chu Ying who was sitting next to Ye Chen:

"This fairy, I am Wu Yang from Shenfeng Academy. I have something, I want to tell you that this person named Ye Chen next to you is a shameless liar. You may be so-called imprint and **** by him. The pulse is confused.

Today, I am in front of Shenquan Tower, in front of many people, challenging him, and what about him? I slipped away in front of me, so..."

However, Chu Ying just glanced at Wu Yang indifferently, and uttered a word: "Go!"

This word made the restaurant instantly silent.

Wu Yang was stunned when he heard the words, his blood surged, his complexion was blue and white, and he was scolded in public. When did he taste this, Wu Yang?

Perhaps Wu Yang is an extremely outstanding genius in the Shenfeng Academy, and is sought after by all. On the Lingwu Continent, even the general powerhouse of the gated state will sell Wu Yang some face because of Wu Yang's potential. , Will not openly scold Wu Yang.

But so what?

Chu Ying was born in the Chu family, the capital of the Nine Nether Kingdom, and has seen countless geniuses a hundred times better than Wu Yang. Even in front of those geniuses, Chu Ying did her own way.

She didn't have any ideas for the development of power, and naturally would not hide her inner thoughts for these people.

What is Wu Yang?

Wu Yang was a little dazed for a while. He glanced at Liu Baizhan and Li Shen. This very backed woman not only scolded him in public, but also in front of Liu Baizhan and Li Shen!

If Liu Baizhan and Li Shen spread it, wouldn't it be a stain on Wu Yang? His image of a peerless genius in the school is about to collapse?

Thinking of this, even if he knew the identity of this woman, Wu Yang could not help but anxiously defended: "This fairy, you have misunderstood me. I am thinking about you. I don't want you to be played by the villain. It's just a good intention. You Why be so unrelenting..."

"Shut up!"

Chu Ying screamed, and the power of the door closed realm broke out involuntarily. Wu Yang couldn't help but back up a few steps. An abnormal red tide appeared on his face, his blood rolled, and his eyes looked at Chu Ying in panic!

So strong! It's not that he has not felt the pressure of the closed door. However, the pressure of Chuying is far stronger than what he has ever felt!

It even made him feel horrified from the heart!

Not only was it out of fear of Chu Ying's identity, now, even Chu Ying's own strength made him feel terrified!

Just Chu Ying's coercion made him feel difficult to breathe!

Naturally, I couldn't say a word of what I originally wanted to say!

But Ye Chen, holding up a cup of tea, squinted at him, his eyes were extremely plain, as if he was watching a funny clown.

This look stung Wu Yang's self-esteem even more than Chu Ying's scolding!

And even if Chu Ying released the terrifying pressure, Ye Chen still looked faint, and his attitude towards her remained unchanged. He poured a cup of tea, handed it to Chu Ying, and smiled at Chu Ying:

"Don't pay attention to these people. If you are in a bad mood, drink tea. I only know that the wine in the Shenquan Building is the best. Unexpectedly, even the tea is so fragrant."

Chu Ying took a sip of the teacup and looked at Ye Chen with her beautiful eyes, which became brighter.

Wu Yang lowered his head and walked to his seat, but in his heart, he secretly swears that he must take advantage of this birthday celebration in the Nine Nether Kingdom and crush Ye Chen to vent his hatred.

He knew that during this birthday celebration, martial arts would inevitably be held, and the geniuses of Lingwu Continent would learn from each other, and even the geniuses of the Nine Nether Kingdom would take action.

At that time, it was his chance to be ashamed!

But at this moment, outside the door, two men suddenly walked in.

Of these two men, one of them was slightly pale, with vacant footsteps, and handsome, but somewhat evil. Wearing a luxurious red robe, beside him, he was followed by a person who did not look like the Nine Nether Kingdom. , Wearing a robe embroidered with dragons, a young man with eyes closed.

When the two came out, they attracted the attention of countless people!

Chapter 2053: status!

Wu Yang looked back at the man in the red robe, but with a very happy expression on his face, he said excitedly: "Young Master Wang!"

The man in the red robe was the second youngest member of the Wang family who was not inferior to the Chu family in the capital of the Nine Nether Kingdom. His name was Wang Lin.

Although Wang Lin's talents in practice are only so-so, he has quite a hand in intersection and management.

In the past few years, in order to expand his family's business beyond the Nine Nether Kingdoms and build a foundation on the Lingwu Continent, he has made friends with many young talents in the Lingwu Continent, and Wu Yang also accidentally I met Wang Lin on my chance.

This appointment for Shenquan Tower was also obtained by Wang Lin by dragging a friend to help him through his relationship.

Wang Lin looked at Wu Yang for a few moments, and after a while, he said, "Brother Wu?"

But when Wu Yang heard Wang Lin still remembering himself, he was about to jump up excitedly, this is Wang Lin!

As far as he knows, in the capital of the Nine Nether Kingdom, there are not many people who are more noble than Wang Lin except for the royal family!

In his narrow eyes, a sullen color flashed suddenly. Originally, he wanted to wait until the time of the celebration of martial arts, and then take revenge. Unexpectedly, the opportunity would come so soon, even the gods were standing there. He Wu Yang is here!

Even if the masked woman is noble, she cannot be more noble than the second son of Wang Lin, Wang Lin!

At this time, most of the people in the restaurant also saw that the person who came in was Wang Lin. All men, women and children, all got up and said respectfully to Wang Lin: "Young Master Wang!"

Although both the Wang Family and the Chu Family are behemoths in the capital, compared to the low-key of the Chu Family, the Wang Family is extremely high-profile.

Maybe many people in the city don't know Chu Ying, but no one doesn't know Wang Lin.

Wang Lin also enjoyed such treatment quite a bit. He smiled gently and said, "Hello everyone, drink the bar, don't care about me." With that, he looked at Wu Yang in front of him.

"Why? Brother Wu also came to Shenquan Tower for a drink?" Wang Lin looked at Wu Yang with a smile: "Would you like to have a drink together?"

Wu Yang's eyes glowed. Originally, because of Ye Chen and Chu Ying's pale faces, there was a blush, and Wang Lin invited him to drink together!

It gave Wu Yang enough face!

This really flattered Wu Yang!

Wu Yang hurriedly said, "I can't stop it, don't dare to disturb Wang Shao drinking..."

Wang Lin nodded, did not force it, he was just polite, and did not really want to drink with Wu Yang.

To be honest, in his heart, Wu Yang is not qualified enough for him to treat him like this, but he is a businessman, he knows, what is the actual loss of being polite with others?

Wu Yang's eyes turned, thinking about how to make Wang Lin notice Ye Chen, and through Wang Lin to teach this guy a meal, he did not expect that Wang Lin actually looked directly at the sky table and was slightly taken aback.

Then, she shouted with great surprise: "Ying'er, are you back?"

When Chu Ying heard the words, although she did not answer, she frowned, and the pretty face behind the veil showed a hint of disgust.

At this time, Wang Lin had already brought the young man in white robe and walked towards the Tianzi table.

Soon, he found Ye Chen sitting next to Chu Ying, and a stern sharpness suddenly appeared in his eyes.

Wang Lin looked at Ye Chen coldly, and said in a questioning tone: "Who are you? Why are you sitting next to Ying'er?"

In his opinion, Ye Chen is just a martial artist, and he does not seem to be a member of the Nine Nether Kingdom. He has no identity, and he dares to sit beside Chu Ying?

You know, Chu Ying is the woman Wang Lin likes!

With a scream, everyone's eyes focused on Ye Chen, waiting for him to give Wang Lin an explanation.

However, Shenquan Tower fell into a strange silence...

Ye Chen was actually just faintly tasting the wine in his hand, sipping a sip, sometimes his brows condensed, sometimes his brows stretched.

He didn't mean to answer Wang Lin at all, so he ignored Wang Lin!

Because the moment Ye Chen drank the wine, he felt the devil's eye on the center of his eyebrows move.

The sleeping Devil Emperor, is about to wake up?

This is much faster than imagined!

How can he pay attention to this Wang Lin!

After everyone was silent, they were shocked and couldn't believe it.

In the capital of the Nine Nether Kingdom, there are people who dare to be so disrespectful to Wang Lin?

Even the royal family might not do this!

However, this looks like a good fortune cultivation base, or an outsider's kid, that's it!

Wang Lin's face immediately fell cold, revealing his killing intent!

But Wu Yang's eyes flashed, and he shouted directly at Ye Chen: "Wang Shao asks you something! Didn't you hear? I warn you, Ye Chen, this is not just about you alone, your behavior may even be implicated. To the entire Shenhua Academy!"

Wu Yang took advantage of Wang Lin's dissatisfaction with Ye Chen and took the opportunity to attack!

He wanted to seize this opportunity to crush Ye Chen to death!

Ye Chen put down the wine glass and looked at Wu Yang coldly, but before he could speak, Chu Ying said blankly: "Wang Lin, who am I sitting with needs you Do you care?"

cold.

People under freezing!

Everyone in the Shenquan Building felt that their blood was about to be frozen!

Wang Lin's expression changed slightly when he heard this, but to everyone's expectations, he was not angry!

But at Chu Ying, showing a pleased smile: "Ying'er, I didn't mean that..."

The eyes of the guests are almost staring out!

And Wu Yang was completely stupid, his heart fell to the end of the abyss!

Wang Lin's attitude towards Chu Ying is enough to explain Chu Ying's identity...

Thinking that he had provoked such a terrifying existence, he felt that his soul was about to explode in terror.

He really couldn't understand how Ye Chen hugged such a thigh!

Chu Ying said coldly to Wang Lin, "You, apologize to my friend."

"What?" Wang Lin was taken aback. He liked Chu Ying, and he knew that Chu Ying's position in the Chu family was not comparable to him in the Wang family. Although he and Chu Ying were both direct descendants of the family, and Wang Lin, Because of his business talent, he was also very popular with the ancestors of the Wang family.

However, this is the Lingwu Continent.

Lingwu Continent is destined to be a world where strength and martial arts are the respect, and Wang Lin's talent for cultivation is extremely average.

And what about Chu Ying?

Chu Ying is the best genius of the Chu family's cultivation aptitude!

However, he is inferior to Chu Ying, does not mean that he is inferior to Ye Chen!

Let him apologize to Ye Chen. Is this Ye Chen worthy?

Wang Lin's face paled, and he barely squeezed out a smile and said, "Ying'er, don't be kidding..."

Although he is not the most favored heir of the royal family's generation, he is also a direct descendant of the royal family anyhow, representing the dignity of the royal family in the capital.

How could it be possible to apologize casually to a warrior outside the Nine Nether Kingdom?

Chapter 2054: Don't be surprised

This is not only to lose his face alone, but even the entire Wang family's face will be damaged!

"Do you look at me like a joke?"

Chu Ying looked at Wang Lin seriously, although she was not completely sure about the connection between Ye Chen and the Devil Emperor.

But Ye Chen's identity is by no means simple!

If the Devil Emperor comes in person, it will not be resolved by an apology, but by the destruction of the entire family of the King of the Nine Nethers!

"Also, who asked you to call me Yinger?"

The cold sweat on Wang Lin's forehead has dripped down. He looked at Chu Ying's beautiful eyes like black ice. He wanted to break his head and couldn't understand why, in Chu Ying's identity, why he was so careless about this is called Ye Chen. A kid without background and strength?

Wang Lin stared at Chu Ying. Seeing that she was really planning to lose face, he forced himself to apologize to Ye Chen. He couldn't help taking a deep breath, his face also gloomy and said:

"Miss Chu, if I offend you, I apologize, but I cannot apologize to him!

The reason is very simple. He is just an outsider who has no identity and is so humble that he can no longer be humble. Let me apologize to such a person?

Sorry, he is not qualified to accept. "

Even if he knows his status, it's better to ask Chu Ying to apologize to Chu Ying, yes, but, to apologize to Ye Chen for such indiscretions?

He can't afford to lose this face, and the Wang family can't afford it!

"what did you say?"

In Chuying's eyes, anger has flashed, Ye Chen is humble? Ye Chen is not qualified?

The Devil Emperor stood behind Ye Chen!

Devil Emperor is not qualified?

But this layer of things, she can't say it!

Otherwise, the Nine Nether Kingdom will inevitably be shaken and chaotic!

Even Jun Mochen will attack Ye Chen!

"I said he is unworthy!" Wang Lin glanced at Ye Chen and said, "The genius of the Shenhua Academy is a genius fortune? What qualifications does this kind of person make me apologize?"

said, he looked at Ye Chen who was in deep thought, a sharp murderous intent appeared in his eyes, and said to Ye Chen viciously:

"Very well, are you still drinking? What is this person's name? Ye Chen? Mr. Ye? It's really leisurely enough. Are you really ignorant of your words or acting stupid?"

I advise you, if you are acquainted, get out of the Shenquan Tower by yourself, I don't need to pursue what happened today.

Boy, don't have thoughts that you shouldn't have. The identities of Miss Chu and I are both existences that you cannot imagine. You have no right to connect with Miss Chu, you know?

Do you think that if Miss Chu has a good impression of you, everything will be fine? Hehe, you are too naive, you don't know what the consequences will be..."

"Shut up!" Chu Ying shouted angrily, Wang Lin is really enough!

What qualifications does he have to say these things to Ye Chen?

Suddenly, a hand was pressed on Chu Ying's shoulder.

Chu Ying was taken aback for a moment, then looked back, it was Ye Chen's hand.

Ye Chen smiled at Chu Ying and said, "I'll take care of my business."

After finishing speaking, he looked at Wang Lin and said, "You just said, I can't touch it? Look, didn't I touch it now?"

"As for the Wang family behind you——"

Ye Chen came to the window and looked at everything in the Nine Nether Kingdom, with his hands behind him.

Jiuyou, there is no war, it is so prosperous.

Suddenly, his voice sounded like nine heavens: "What is the Wang Family!"

"Kneel me down!"

The pressure is suddenly released!

"Pump!" Shout!

Under the shock of everyone, Wang Lin actually knelt down!

As soon as he said this, even Chu Ying was stunned.

She could have helped Ye Chen block Wang Lin, after all, she was the daughter of the Chu family.

The Chu Family and the Wang Family are both big families in the capital of the Nine Nether Kingdom. Such big families collide with each other. In the final analysis, it is a matter within the Nine Nether Kingdom and the wealthy families in the capital.

Wang family can accept it.

But, Ye Chen, directly insulting the Wang family? Let Wang Lin kneel down!

In this way, the Wang Family's face is really involved. The Wang Family will not let Ye Chen go!

She knows that Ye Chen is related to the Devil Emperor and has unlimited potential. However, the Devil Emperor hasn't really appeared yet, and Ye Chen is definitely not the opponent of the Wang Family Patriarch!

Chuying grabbed Ye Chen and said in a flustered manner: "Ye Chen, don't be like this!"

Ye Chenruo really offended the Wang Family, even if she and Ge Qing came out together, I am afraid, they may not be able to save Ye Chen, Chu Ying is really anxious.

After all, the Wang Family and the Chu Family are all behemoths with hundreds of thousands of year-end accumulations. They are not ordinary forces at all, and they are not even comparable to the demons outside of the Nine Nether Kingdom!

Offended the Wang Family, and it may be more serious than Ye Chen offended the top forces in Lingwu Continent!

Ye Chen gently took his hand away from Chu Ying's shoulder, and smiled at her: "Don't worry, I have my own measures."

"Good, good!" Wang Lin stared at Ye Chen's eyes, smirked, and said coldly: "Kill him!"

The young man in white robe next to Wang Lin heard this and said, "Yes."

Saying, I'm going to shoot Ye Chen!

"Do you dare!" Chu Ying yelled, and the gate-closing state suddenly exploded. Even the white-robed youth who was half-stepping the door could not help frowning. With Chu Ying there, he couldn't make a move.

Wang Lin's face sank, Ye Chen insulted the Wang family, today, he must die here, even Chu Ying can't stop him!

He sneered at Ye Chen: "Boy, what? Only dare to hide behind a woman? Where did your arrogance just now go?"

Ye Chen said lightly: "Chu Ying, it's okay, I said, I will solve my problem by myself."

Although his tone is plain and his eyes are very serious.

Chu Ying looked at Ye Chen's eyes, and subconsciously reduced her pressure.

Wu Yang and Wang Lin both had joy in their eyes!

I have to say, Ye Chen is indeed crazy, but he is also very ignorant!

What did he do to solve it? Take your own life?

Wang Lin almost laughed out loud!

But the stupid Ye Chen is, the happier they are naturally!

At this time, Wu Yang suddenly said to Wang Lin: "Wang Shao, how about using a slaughter knife to kill the chicken? How about I do it for this kind of waste?"

Wang Lin glanced at him, nodded and said: "Yes, I'm sorry, Brother Wu."

Wu Yang looked happy on his face, supported by Wang Lin, and he had nothing to worry about in the Shenquan Building.

Wu Yang was surrounded by a violent blue whirlwind, the gust of wind roared, the space was torn apart, and the strong energy revolved in the storm!

Vaguely, behind Wu Yang, there was a phantom of an incomparable cyan big eagle, wrapped in a storm that seemed to be able to bring apocalypse, rushing towards Ye Chen!

The guests in the restaurant couldn't help but exclaim!

Wu Yang, as the pinnacle genius of the Kamikaze Academy, is truly extraordinary!

Chapter 2055: How could the Devil Emperor want to make Ye Chen wronged?

What Wu Yang displayed was the extremely famous Goshawk Flying Spirit Palm in the Shenfeng Academy, and Ye Chen's one-hundred-step rushing power! He is a weaker half-step door-blocking powerhouse, I am afraid he would not dare to beat Wu Yang's hand!

And Wu Yang didn't mean to keep his hands at all, and used all his strength!

With one move, Wu Yang looked at Ye Chen with contempt. In his imagination, Ye Chen would be frightened, tremble, and even beg for mercy in the most humble manner!

"Is this your strength?"

Without everything Wu Yang expected, Ye Chen just said a little lightly.

Then, the beast sword moved!

An instant, only a short instant.

A sword of light appeared between heaven and earth!

A kind of sword light with a strange charm!

A sword light that runs through the universe, even through time!

Slash the sky with a sword!

However, Ye Chen didn't use his full strength with this move.

Wu Yang is not as good as Zhou Chun.

But even such a sword is shocking enough!

The moment the sword light flashed, the violent storm that originally seemed to be able to razor the entire capital of the Nine Nether Kingdom to the ground disappeared silently like a breeze in the spring.

Wu Yang's expression freezes.

That sword light, at the same time it was cut at him, his soul was filled with great fear.

He wants to scream, wants to cry, wants to ask for mercy!

But, he can't even do this!

This weird sword light flashed from Wu Yang's body in an instant, and seven or eight body protection auras emerged on his body surface.

Those are all from the body-protecting magical device.

However, the aura disappeared in less than a ten-thousandth of a second, as if it had never appeared before.

The next moment, Wu Yang, who was standing still in place with a soft click, as if frozen by ice, turned into dust and dissipated. Even the soul was completely annihilated in the frightening sword light. !

Wang Lin was stupid, Liu Baizhan was stupid, and even the inscrutable Li Shen's expression was extremely wrong.

Ye Chen dare to kill people here?

Inside the Shenquan Building, crisp clicks sounded continuously, and wine glasses filled with extremely expensive and extremely delicious spirits fell to the ground one after another, and they were broken and spilled.

The guests who originally wanted to drink, still maintain a toasting posture, their bodies stiff.

Ye Chen's sword light not only turned the incomparable, proud Shenfeng Academy genius into powder.

Even the souls of everyone present tended to disappear!

What kind of sword is that?

Many people did not even see what Ye Chen did! Wu Yang, just died like this?

Is this Ye Chen a human or a demon?

Even Chu Ying couldn't believe her eyes.

Although she knew that Ye Chen's strength was higher than that of Wu Yang, she believed that Ye Chen could defeat Wu Yang, but she did not expect that Ye Chen would win so easily!

is just a sword, or a very fast sword.

Wu Yang, completely disappeared from this world.

However, Ye Chen did not have any accidents.

The self just now was affected by the eyes of the devil.

Stepping into the Nine Nethers by oneself, represents the Devil Emperor, but also for the Devil Emperor!

How could the Devil Emperor want to make Ye Chen wronged?

And in my mind just now, the demon emperor who hasn't awakened left behind a powerful word of nine days!

"The sky is falling, the emperor is holding it!"

Ye Chen squinted at Wang Lin, who was almost paralyzed by his own sword, and said indifferently: "I don't want to do it."

"But if the family behind you comes to trouble me again, I promise, from now on, there will be no kings in the Nine Nether Kingdom."

As Ye Chen's voice fell, everyone recovered from the surprise. They looked at Ye Chen in disbelief, and he continued to trample on the dignity of the Wang family!

Wang Lin's eyes were bloodshot, full of anger, and his lips trembled with anger, and said: "Damn! You're looking for death! Wei Qing, do it! Give me a blow!"

"Yes!" The expressionless young man in white robe gave a low cry and opened his eyes suddenly!

His pair of eyes are actually silvery white!

At the same time he opened his eyes, a wave of divine thought surged towards Ye Chen's sea of knowledge!

"Huh?" Ye Chen raised his eyebrows and showed a hint of surprise. This man named Wei Qing, unexpectedly, would use the spirit to attack?

But this is not over yet!

In Wei Qing's hand, suddenly there was a Ujin long stick, which was actually a half-step artifact!

Wei Qing roared, turning the long stick in his hand, stirring the situation, between opening and closing, the universe turned backward, the sky and the earth tilted, the sun and the moon were dark!

The rumbling sound resounded through the entire capital city of the Nine Nether Kingdom. It was the sound of space being shattered by Wei Qing's long stick, and powerful spiritual power gathered like a dragon!

Between the sticks and their intentions collapsed, thousands of atmospheres loomed, condensed in the Ujin long stick, and came to Ye Chen!

"Not good!" Chu Ying sighed secretly. She wanted to stop her, but it was too late!

Li Shen stared at that Wei Qing, and his eyes lit up, secretly saying that he was a stick!

This stick is incredibly powerful!

How strong is ?

If it weren't the kind of super evildoer, the average half-step strongman would die under this stick!

and Wu Yang just now are not at the same level at all!

Wei Qing is Wang Lin's personal guard. It is natural to be able to serve as a guard for a lineage like Wang Lin in the Wang's family. Naturally, there is something unique. What qualifications does an ordinary warrior have to protect Wang Lin?

And the reason why Wei Qing is so strong is not unreasonable.

As a big clan of the Nine Nether Kingdom, the resources of the Wang family can be said to have reached an unimaginable level. Wei Qing's talent is indeed extremely against the sky. He has part of the bloodline of a top monster called the Silver Moon God Ape. Born to be able to use spiritual attacks, and the power is extremely shocking!

The stick technique he used was specially found for him by the Wang family. It was a true god-level martial art, and it was very suitable for Wei Qing, named Tian Yuan Benglong Cudgel!

While Wei Qing has been practicing this stick technique since he can walk, how can he not be strong after this time?

With the powerful destructive power of this god-level stick method As long as the opponent is careless for a moment, he will be wiped out instantly under his black gold stick!

Cooperating with his spiritual attack, it is invincible!

However, Wei Qing soon discovered that Ye Chen had not been affected by his spiritual attack in the slightest!

Even Wei Qing, who has always been calm, can't help being surprised!

As proud as he is, I have to admit that this Ye Chen is really weird to the extreme!

It can also be said that the evildoer is at its extreme!

The usual half-step door-closing powerhouse, under the impact of his spiritual thoughts, will appear in a state of loss, trance, and Ye Chen?

a mere cultivation base of good fortune, can not help but his own strength can be called against the sky, even the soul is so stable!

My own mind attack, has no effect at all?

Chapter 2056: Not afraid of one cut free and easy

However, even so, Wei Qing attacked Ye Chen's stick without wavering at all!

Since his spirit cannot be broken, then he can be crushed by strength!

Ye Chen looked at Wei Qing who struck, and smiled.

smiled excitedly.

In his eyes, desire burned, the desire to fight! This Wei Qing is an opponent worthy of his all-out effort!

Ye Chen screamed, the **** pattern flashed, the purple flame was shining, his body changed, and he turned into a half beast, half a devil!

Divine Blood, Burning Blood Technique, True Spiritual Transformation, Heavenly Demon manifestation, and simultaneously display!

"Lingsha strikes together!" Not only that, Ye Chen let out a low voice, and the electric light appeared all over his body.

His figure flickered in the gap of space, bullying Wei Qing's side!

At this moment, Wei Qing felt his brain dizzy!

His eyes are wide open, he knows this feeling!

is a spiritual attack!

Ye Chen, attacked with his best spirit, and shook his spirit!

Not only that, Wei Qing even felt that his whole body's spiritual power was also slightly stagnant!

Although, whether it is the soul or the spiritual power, there is only a short moment of problems, but this moment is enough to change a lot of battles!

Wei Qing's Wujin stick that came straight at Ye Chen suddenly weakened more than half of it, and facing the half-step magical iron stick that slammed on him, Ye Chen didn't evade.

is even facing the Wujin stick, which is wrapped in endless spiritual power, enough to sweep everything, and with a sword in the front, it cuts towards Wei Qing!

Everyone can't help but take a breath!

looked at Ye Chen like a monster!

They all thought that Ye Chen would avoid Wei Qing's stick for the time being. Who would think that he just ran into it like this abruptly?

A trace of madness appeared on Ye Chen's face, and his breath suddenly exploded!

The beast rotten sword danced at extreme speed, and the earth-shattering sword intent filled the world, causing everyone to be shocked. Where is the sword intent still?

is like a world-destroying spirit! Extremely horrified!

Wei Qing, who had been expressionless, had already changed his expression.

is still the same sword, a sword that is almost to the extreme.

However, this sword is obviously stronger than the previous one that was cut against Wu Yang!

With this sword, Ye Chen used all his strength!

If Wei Qing's spiritual power and soul were not affected when Wei Qing shot, perhaps, he could still hit Ye Chen before Ye Chen's sword hit him, but!

Now, he knew that even if he could hit Ye Chen with a stick, Ye Chen's sword would definitely hit him!

There was a sense of horror on Wei Qing's face. This was the first time he grew up and felt fear!

Maybe, his stick can kill Ye Chen, but what about yourself?

What would happen if I was cut by Ye Chen's sword?

was slashed by this horror to the extreme, with a sword comparable to the wrath of gods and demons, even Wei Qing was scared!

Scared from the heart!

"Ah ah ah ah ah!!"

Wei Qing roared, the long stick turned upside down, no longer locked Ye Chen, but blocked the beastly sword that Ye Chen had cut!

When everyone saw this, his pupils shrank again, Wei Qing, in front of Ye Chen's shocking sword, unexpectedly gave up the offensive and chose defense!

Wei Qing, flinched!

A smile appeared on Ye Chen's face, what he wanted was this effect!

Sword and stick collided!

There was a loud bang, and the inner restrained light of Shenquan Building shook crazily. A figure, like a cannonball, flew upside down and hit the shop wall opposite Shenquan Building!

Even, the entire wall with the prohibition blessing collapsed!

Everyone looked in the direction of the shop, and saw one person covered in blood, his arms had burst, and his breath was dying, lying on the ground, he was seriously injured and dying!

That person is Wei Qing who has sealed the door for a while!

Ye Chen stood on the spot, his right hand holding the sword was also dripping with blood, and the cracked bones could be seen, but Ye Chen was still standing still, it seemed that such an injury had no effect on him at all.

Then, among the trembling eyes of everyone, an incredible scene appeared.

The seemingly hideous wound on Ye Chen's hand, unexpectedly, healed quickly!

At this time, the people who originally didn't have a slight optimism about Ye Chen, and believed that he would fall in the hands of Wu Yang and Wei Qing, all felt a sense of awe at this extremely weird youth.

This person, can't afford to offend!

Ye Chen put on an evil smile on his face, staring at Wang Lin, whose face was as white as paper and trembling violently, "This is what you call the consequence?"

"Ah!" When Wang Lin heard Ye Chen's words, he screamed suddenly, turned around, and wanted to run away!

He is about to collapse completely, where is this martial artist of the good fortune realm, it is simply a devil from nowhere! Even Wei Qing, who he trusted and was extremely powerful, was defeated by Ye Chen with such a sword!

But, will Ye Chen let him go?

Ye Chen's eyes flickered with purple light, and the gold-gold and demonic energy swept across, a divine coercion, which rose in vain. He stared at Wang Lin with purple eyes, and shouted: "Who allowed you to leave?"

The next moment, Wang Lin, who had been desperately trying his life, ran out of the door, suddenly stopped!

He looked at his legs in panic, gritted his teeth and tried to take a step, but his legs, as if they did not belong to him, did not move at all!

Ye Chen's words are like an oracle and cannot be violated!

He hurriedly turned his head, looked behind him, and walked slowly towards him. The young man with a wicked smile screamed in fear: "You...what are you doing...Don't come over!"

Ye Chen's smile became more cruel, and the devilish energy swept over him, like a devil emperor in his youth.

"If a person wants to kill you, what will you do to him?"

Wang Lin is really about to collapse. When has he really experienced the taste of death?

Ye Chen walked behind Wang Lin slowly raised his hand and patted Wang Lin's head. If this palm fell on Wang Lin's head, then there would only be one result.

Wang Lin, die!

At this moment, Wang Lin's mind completely collapsed. He had already seen the death, beckoning to himself.

His lower body was suddenly wet. In the capital of the Nine Nether Kingdom, the second son of the Wang family, who was able to call the wind and rain, was scared to pee by a foreign good fortune warrior!

Wang Lin lost his reason and cried loudly: "You can't kill me! You can't! I'm the royal family!"

"Once you kill me, the consequences are not something you can bear! You should know!"

Just when Ye Chen's hand was about to land on Wang Lin's head, it suddenly stopped.

Because of a hand, he grabbed Ye Chen's wrist.

A white and slender hand.

Chapter 2057: Kingdom of God, it's a nightmare

"Huh?" Ye Chen looked to his side, and it was Chu Ying who stood beside him.

Chu Ying shook her head at Ye Chen:

"Ye Chen, you can't kill him, at least, not now...Although you have offended the Wang family and damaged his face, as long as Wang Lin doesn't die, things will turn for the better.

But, if you killed him, you and the Wang family had a mortal feud. They, no matter what, will take your life. There is no need to face the Wang family now, right? "

Chuying knew very well that even if she told the Wang Family about the connection between Ye Chen and the Devil Emperor, the Wang Family would not believe it!

And the Wang family may even unite with the Demon Clan's Lord Mochen to kill Ye Chen!

Ye Chen's eyes flickered a few times, and finally, he nodded and put down his hand.

Although, there is the Devil Emperor standing behind him, but if the top warriors of the Wang family come out, he will almost die.

The most important thing is that he knows that if he kills Wang Lin, not only him, but also Chuying and Shenhua Academy will be implicated.

So, Ye Chen stopped. He does not want to implicate others because of himself.

"Huh?" Chu Ying was taken aback. Ye Chen was still in the mood to drink at this moment?

You know, the Wang family might be here soon!

Ye Chen's disposition, how powerful is it!

But, think about it carefully, even if Ye Chen hides, or even immediately escapes from the capital, what's the use?

The Wang family will still find him.

She couldn't help but smiled at Ye Chen: "Yes, we came today to drink."

At the same time, she secretly held a jade talisman, and a light flashed above the jade talisman. She had already notified the Chu family that she was going to face the Wang family. In this capital, apart from the royal family, only the Chu family could do it.

But, until the evening, outside the Shenquan Building, there was still no movement.

Even Ye Chen is a little strange.

This royal family, why, haven't they come here yet?

What he didn't know was that at this moment, tens of thousands of meters above the Shenquan Tower, there were two middle-aged men with obscure aura and extraordinary power.

If anyone in the capital of the Nine Nether Kingdom can see it, they will surely exclaim!

These two people are the contemporary Patriarchs of the Chu Family and the Wang Family!

Chu Hong and Wang Xianghai!

These two people have unfathomable cultivation skills!

Wang Xianghai stared at Chu Hong and said in a low voice, "Chu Hong, you really want to protect him? It's just a mere martial artist, is it worth the Chu family to do this?"

Chu Hong smiled lightly and said: "A mere martial artist? Haha, Lao Wang, do you really think he is so ordinary? Well, since he is an ordinary person, if you kill him now, I will not interfere. , How? Pharaoh, do you dare?"

"You!" Wang Xianghai shouted angrily, he was annoyed, but he did not dare to do anything.

After he learned that Wang Lin was seriously injured and the Wang family was insulted, he was furious at the time. After knowing that Chu Ying was also with Ye Chen, he decided to take action by himself and crush Ye Chen. , May be blocked by Chu Ying, but he, Chu Ying is absolutely unstoppable.

But, the result? Ye Chen is still drinking well.

Actually, he was a little bit earlier than Chu Hong. If he wanted, he could kill Ye Chen at that time, but Wang Xianghai did not take action.

The reason is simple, the breath on Ye Chen's body!

For an instant, he seemed to have seen the supreme demon emperor in the ages!

Even when the Devil Emperor was young!

That look and tone are exactly the same!

Wang Xianghai didn't believe that Ye Chen would be related to the Devil Emperor, but he didn't dare to act rashly!

The Devil Emperor has fallen in the endless river, but the Devil Emperor Yuwei still envelopes everyone in the Nine Nether Kingdom!

"Chu Hong, what exactly did he explain when the Devil Emperor fell? Can the Devil Emperor come back?"

Wang Xianghai said suddenly.

Chu Hong looked at Ye Chen solemnly, and muttered: "I had a dream last night. I dreamt that the Devil Emperor came to Jiuyou and led Jiuyou to kill the kingdom of God with one sword and one shot."

"In the dream, the Heavenly Dao Palace shattered, and the rules of Lingwu Continent shattered!"

Wang Xianghai took a deep look at Chu Hong, and finally turned around and left, but just before leaving, he said lightly:

"Old Chu, I gave this face. But don't think that the Wang family will forget it. You can save it for a while, but you can't save it for a lifetime!"

Shouyan Yanwu, my Wang family, let him pay the price! "

.....

At the same time, the periphery of the Jiuyou Kingdom.

was barren.

The void cracked.

Ice Sword Saint King and Ji Lin fell from a high altitude.

Ji Lin frowned when he saw the deserted surroundings: "Old Bing, this place is so deserted, it doesn't look like the location of the Nine Serenities in your mouth."

Ice Sword Saint King heard the word Lao Bing, his mouth twitched: "I am Ye Chen's master, you should call me senior..."

Ji Lin suddenly said, "Old Bing, what should I do next? Will you go in with me."

Ice Sword Saint King: "..."

For a long time, Ice Sword Saint King said: "You just wait here, this Nine Nether Kingdom is not a casual entry."

"I will notify Ye Chen with a spell to see if Ye Chen can let you in."

After speaking, the Ice Sword Saint King disappeared.

Ji Lin glanced at the deserted surroundings, but had no choice but to find a stone to sit down, and muttered: "Isn't Lingwu Continent a holy land for cultivation? Why is there such a deserted place... It seems that aura is very thin."

"really weird."

And in the sky, Ice Sword Saint King did not leave.

He overlooked the earth with complicated eyes.

A figure suddenly appeared beside him, it was the eternal holy king.

"Forever, Shenhua Academy brought Ye Chen to the Nine Nether Kingdom, I'm afraid that's the thing."

"I always feel that Ye Chen is inside and something will happen."

The Eternal Saint King took a sip of wine and said lightly: "The destiny thing is unpredictable."

"Now this son has something to do with the demon way, and it has a cause and effect with that demon emperor."

"Now that he is stepping into the Nine Nether Kingdom again, I am afraid this kid wants to resurrect the nightmarish devil emperor in the kingdom of God."

"I have a hunch, the kingdom of God, the nightmare that comes this time far exceeds everything, even the shadow caused by the boy Ren."

Chapter 2058: 9 Youdi Talisman!

Time is almost up.

Ye Chen was ready to send Chu Ying home.

After all, this time, Chu Ying blocked a lot of trouble for him.

It's not that many people have met.

Although Chu Ying knows the relationship between him and the Devil Emperor, this is not necessary.

Chuying lowered her head. She has extraordinary qualities and a strong family. Therefore, few men can approach her, and most of them are the type she hates.

This is the first time in her life that she walked on the road so intimately with a man.

Before looking at her, in Wangyue Tower, she always molested Ye Chen. In fact, Chu Ying had no experience with men at all.

Now, in this atmosphere, Chu Ying is actually shy.

Ye Chen looked at Chu Ying a little strangely. Now Chu Ying seemed to have something wrong, and couldn't help but say: "Chu Ying, what's the matter?"

"Huh?" Chu Ying recovered, shook her head and said: "Nothing... By the way, Ye Chen, do you want to look at my face?"

Chuying always hides her face with a veil, not because she is not good-looking, on the contrary, she is beautiful, even if she is covered with a veil, she is beautiful.

But, she hated those men, she looked at her eyes, so she always covered her beauty with a veil.

But now, Chu Ying suddenly had an impulse in her heart. She wanted to take off her veil in front of Ye Chen. She wanted to let Ye Chen appreciate her beauty. She wanted to get Ye Chen's praise...

Ye Chen was taken aback for a moment, but at this moment, Feng Qingyang laughed and said: "Boy, this woman may have only been interested in you before, but now, she is really moved by you!"

"Huh?" Ye Chen was a little confused, but he still smiled at Chu Ying: "Chu Ying, you don't have to take off the veil for me. Tomorrow, will you participate in the birthday banquet of the royal family of the Nine Nether Kingdom?"

The small mouth under Chuying's veil was slightly pursed, but he nodded and said, "This time the Chu family, let me go to celebrate my birthday."

Ye Chen smiled and said, "Will you wear a veil tomorrow?"

Chu Ying suddenly realized that tomorrow, to participate in the royal family's birthday banquet, of course, can not be concealed, that is, disrespect to the royal family.

"I will look forward to tomorrow."

Since you can see Chu Ying's true face tomorrow, why bother, let Chu Ying take off her veil now?

"Huh!" Chu Ying secretly made up her mind that tomorrow, she must dress up well.

"By the way, Chu Ying, you said that the Devil Emperor's thing is in the Nine Nether Kingdom, can you give it to me?"

Ye Chen thought of the most important thing, and said quickly.

Chu Ying was a little helpless, in the end she couldn't even compare to that thing.

Of course, she still said: "I have discussed with my father. As for my father's plan, it depends on what my father means."

Ye Chen nodded: "Understood."

After sending Chu Ying back to Chu's house, Ye Chen returned to Yuelai Hotel.

As soon as he returned to his room, Ye Chen was the demon's eye that communicated with each other for the first time.

"Demon's Eye, are you awake?"

However, after a long time, there was a voice.

"The injury was still there on that day, but the thing of the past awakened me in advance."

"Fortunately, this is the country of the Nine Nethers. The Nine Nethers' demonic energy condenses under the ground, and I can use this to recover a bit."

"Ye Chen, I try to talk as little as possible now. But at the critical moment, I will do it for you."

"I'm not sure if there are any minions from Jun Mochen in this Nine Nether Kingdom."

"I don't want to be exposed, it doesn't mean that others dare to touch you."

"Everything, you can do it without worry."

The voice disappeared.

Ye Chen frowned, no matter what, he wanted to take care of the things he caused.

I am afraid that tomorrow will be bad luck.

Just when Ye Chen was thinking deeply, a tingling pain suddenly came from his forehead.

This is news from the Ice Sword Saint King!

Ji Lin is actually outside the Nine Nether Kingdom!

The key, how did Ji Lin find here!

Ye Chen couldn't take care of everything, and directly contacted Chu Ying. After all, Ge Qing was not qualified to let Ji Lin in.

However, the answer was that Chu Ying was unable to use the family's rights to release people at this critical point.

The people in the Nine Nether Lands are afraid that someone will take action at the banquet.

"How to do?"

Ye Chen paced back and forth in the room.

His current strength simply cannot break the restrictions of the Nine Nether Kingdom and the outside world.

Even if he can break open, I am afraid he will not be able to gain a foothold in the Nine Nether Kingdom.

"Let me come."

Just then, a voice came from the center of the eyebrows.

Devil Emperor!

"Devil Emperor, do you have a way?" Ye Chen said excitedly.

However, I thought about the Devil Emperor once in charge of Jiuyou, if the gate of Jiuyou could not be opened, it would be ridiculous.

"Ye Chen, open your palms, there will be some tingling later, you can bear it a little bit." The Devil Emperor's voice sounded.

Ye Chen did.

Soon, he found that the palm of his hand was overflowing with countless magical energy.

And, even his immortal body felt some tingling.

I don't know how long it took before the devilish energy disappeared.

An ancient rune appeared.

Ye Chen just glanced at it and felt shocked.

What a terrible power! It seems to be able to communicate with hell.

The Demon Emperor saw Ye Chen's doubts, and explained: "This is the Nine Nether Emperor Talisman. My cultivation base is limited, so I can only gather one day's strength."

"With this symbol, you can temporarily communicate with Jiuyou, and you can freely enter and leave the country of Jiuyou."

"Bring that little girl in as soon as possible."

After speaking, the Devil Emperor's voice disappeared, obviously not wanting to lose too much power.

.....

Ye Chen came to the entrance of Jiuyou Kingdom.

The surrounding area is extremely quiet, and no one is standing there.

Obviously, the Nine Nether Kingdom is not afraid of others entering.

After all, the power of this restriction is the power of Jiuyou, except for the people of the Jiuyou imperial family, who can shake it!

Ye Chen glanced at the Jiuyou Emperor Talisman in his palm, opened it directly, and pressed it against the door.

After a short silence, the door opened directly!

The space is turbulent, and the light of the Nine Nethers is extremely dazzling.

Ye Chen is happy, no nonsense directly step into it!

Soon, he once again came to the deserted place.

On a rock in the barren land, a little girl has fallen asleep.

in the cold wind.

The little girl curled up, making people feel pity.

"This Ji Lin doesn't know what to do here."

Ye Chen took off his coat, directly wrapped Ji Lin who was sleeping, and headed for the Nine Nether Kingdom.

The corners of his mouth are gratified.

But it is more worried.

He has regarded Ji Lin as his sister.

Ji Lin may have felt something. He wrapped his hands around Ye Chen's neck and hugged him tightly.

Close to Ye Chen, it's warmer.

even talked in sleep.

"Ye Chen, I... I didn't mean... I didn't deliberately let Sister Luo Er accident."

"Ye Chen, don't scold me, I know I am stupid, I can't practice, and my realm is low...but...but I really want to help you."

"Ye Chen, I miss my sister so much. I came to Lingwu Continent to find my sister. I haven't seen it now. Will my sister dislike Ji Lin?"

Chapter 2059: I will keep your peace in your first life

Ye Chen, you said, one day I will become very powerful. Will I be powerful enough to protect you and sister? "

"Although I always call you Ye Chen, in my heart, you are a person to rely on."

"Since I was little, I have no friends except my sister, but during the five years in Kunlunxu, I really regarded you as a friend."

"Ye Chen, Huaxia's snacks are so delicious, I don't know when I can eat them again..."

"Ye Chen, if one day, I die, I hope you can bury me in Huaxia, I want my grave to be covered with beautiful gypsophila I don't have much ability, I just want to be a supporting role and keep watching you and sister..."

Hearing this, Ye Chen stopped.

He took a deep look at Ji Lin in his arms and found that Ji Lin was holding him tightly.

Body is shaking.

seems to have a nightmare.

Eyelashes are covered with teardrops.

There was a long tear mark on his cheek.

For some reason, Ye Chen couldn't bear it when he heard Ji Lin's last dream.

The defense in my heart was knocked down.

Ji Lin is a child after all.

What she experienced should not be what a child should experience.

Pain, torture, helplessness, sorrow have been happening every day since Ji Lin set foot on Lingwu Continent.

What kind of despair is a child who still doesn't know about life and death, and hopes that the grave will be full of stars?

Ye Chen didn't know how Ji Lin spent the days and nights when he was trapped in the Soul Race.

I don't even know what kind of pain Ye Luoer is suffering now.

He felt like a waste for the first time.

He wants to be stronger.

Because of a child with a congenital poison, it is destined to have no peace in life.

Is this sad or happy?

Ye Chen stretched out his hand and touched Ji Lin, his eyes soft and firm:

"Jilin, I promise you that I will keep your peace in your life."

"If I live, the sky cannot move you."

Jiuyou Gate was completely closed.

Under the bright light, it was Ye Chen's lifelong promise.

And this promise needs blood to guard.

Ye Chen's blood.

.....

the next day.

Ji Lin opened his eyes with difficulty, and when he saw everything strange, his eyes widened: "Am I not sleeping on a rock, where is this place?"

Suddenly, Ji Lin saw Ye Chen lying next to him. At this moment, Ye Chen's hand was still holding her.

very warm.

Ji Lin smiled secretly, revealing the pear vortex.

But soon she pretended to be serious, coughing: "Ye Chen, wake up, did you wash your hands yesterday, it smells so bad."

Ye Chen opened his eyes, saw Ji Lin, and touched his head: "I'm going to wash now, alright."

As soon as Ye Chen turned around, Ji Lin thought of something and said loudly: "Ye Chen, there is one thing I haven't told you, sister Luo Er has an accident!"

She was taken away by a force called the Linghu family.

I came to you just because I hope you will save Sister Luo Er with me. "

"I know." Ye Chen stopped, his expression solemn.

He also met the Linghu family in the Western Regions.

The strength is not strong, it should be just a puppet, now he is enough to ask about the whereabouts of Ye Luoer.

"How do you know? Now that you know what you are still trying to do, we will set off right away!" Ji Lin said anxiously.

Ye Chen grabbed Ji Lin and said, "Luo'er gave me a part of the news with a spell. She seems to be bound by a chain, and I don't know where.

Wait another day, if there is no detailed information, we will leave for the Linghu family! "

"I want to see who dares to touch Luo Er!"

There was a reason why Ye Chen didn't leave immediately.

Today's banquet, if he leaves, the Wang Family's anger will be borne by the Shenhua Academy and the Chu Family. This is his unrighteousness.

Luo'er is just trapped now, there is no life-threatening, he will leave immediately after handling the Jiuyou matter!

At this moment, Ge Qing's voice sounded outside the door.

"Ye Chen, are you awake?"

Ye Chen opened the door and saw Ge Qing standing outside the door with a wry smile.

Ye Chen stepped aside and said, "Principal, please come in."

Ge Qing walked into Ye Chen's room, and when he saw Ji Lin, he was startled: "Ye Chen, how did this kid come?"

"No outsiders are allowed to enter the country of Nine Nethers, this child is obviously not from Nine Nethers..."

Ye Chenzhijie said: "Dean, she is my sister, I must take it with me, the banquet should be fine."

Ge Qing frowned: "It's best not to bring her, otherwise there will be trouble."

However, Ye Chen was determined and said directly: "President, I want to keep her peaceful for the rest of her life, and I must bring it."

Ge Qing was rather helpless and didn't go into the details. Instead, he said: "Ye Chen, you, how did you kill Wu Yang?"

That old **** Chen Bei from the Kamikaze Academy is almost mad at you! "

compromised a genius of this level, even Chen Bei is not easy to explain.

Ye Chen said lightly: "He wants to kill me, I naturally want to kill him."

Ge Qing nodded and didn't say much. Ye Chen was the one he brought, after all, he would solve Wu Yang's affairs for Ye Chen. Otherwise, the college students would be held accountable for even self-defense. What is the principal doing?

However, he suddenly said to Ye Chen solemnly: "Ye Chen, I am looking for you now to celebrate my birthday today."

"Oh?" Ye Chen's eyes flashed, and he said with interest: "Please say the principal."

Ge Qing said: "This birthday banquet, we old guys, although we bring you here, will also celebrate our birthday, but we are not in the same venue with you."

After all, the imperial family of the Nine Nether Kingdom who celebrated his birthday is the ninth daughter of the current Nine Nether Emperor. He is a junior the person of the Nine Nether Kingdom,

and they all call it the Nine Princess, the junior's For birthdays, we old guys are present, many people, will not let go, even though they say so, in fact..."

Ye Chen said: "Actually, this birthday feast, do you want to let the elders intervene?"

Ge Qing nodded and said: "Yes, this is an unwritten rule. Before the birthday banquet, any conflicts must be resolved by the juniors. However, there is another rule, that is, the existence of the general door-sealing stage and above. Those who don't provoke the existence below the gate-closing state are the same when performing martial arts."

Ye Chen nodded, if there were ordinary door locks, he was not afraid.

However, all those who attended the birthday banquet this time were all top talents in Lingwu Continent, peerless evildoers.

This kind of strong door closure, and ordinary strong door closure, are completely two levels of existence.

Ge Qing continued: "On the Kamikaze Emperor Academy, I will block for you, but you can only rely on yourself for this birthday banquet.

However, Liu Baizhan, who was close to closing the door of the Shenfeng Academy, may not be your opponent. On their own, they should be unable to help you.

But, I got a message that Kamikaze Academy, somehow and Shenhuang Academy, seems to have some connection, this time, the genius of Shenhuang Academy may attack you, you, be careful! "

Chapter 2060: Top circles!

Emperor Academy? "

Ye Chen murmured.

He has some interest, although Shenhua Academy is very strong! It is the existence that countless warriors yearn for!

But according to rumors, Shenhuang Academy is the most powerful and mysterious academy in Lingwu Continent, and few people know it.

And the genius of the Emperor Shenhuang Academy is even more aware of its combat power!

However, since it is not above the initial stage of closing the door, then Ye Chen, he is confident and can win!

Ye Chen smiled at Ge Qing: "Principal, I know."

Ge Qing looked at Ye Chen's self-confident appearance, and was a little relieved. Ye Chen is a super genius with a mark and veins, and he must not let him have an accident at the birthday banquet.

After Ge Qing finished speaking, he took him, Ji Lin, Shi Hua, and Zhao Lun downstairs for breakfast. After eating, he took a few people and walked towards the imperial city in the capital.

This imperial city is actually an extremely large group of palaces, and it is directly suspended above the capital!

After entering the imperial city, Ge Qing separated from Ye Chen.

And Ye Chen Jilin and several people, under the guidance of Ge Qing, walked towards a palace called Shenxin Temple, which seemed to be carved from extremely bright ice jade.

There will be a birthday feast for the nine princesses!

Ye Chen and others, stepped into the Temple of God's Heart, and looked around, they couldn't help but shrink their pupils!

Luxury! Too luxurious!

A few of them are all well-informed existences, but they are also completely shocked by the extremely luxurious scene in front of them!

As far as his eyes can be, there is no one, it is not a priceless existence!

Take the countless spirit fruits placed on the table as an example. Those spirit fruits, the lowest and the lowest, all exist in a thousand years! And both are extremely cherished!

Even take out one casually, it is the existence that can make the Lingwu continent good fortune star orifice pinnacle martial artist, rob the head!

And those delicacies, likewise, exude amazing aura, at least, they are also the meat of the monsters that have sealed the door in half a step!

Even if the door is strong enough to eat, it will help the body a lot, and the taste is tempting to the extreme.

The dishes in the dining hall of the Shenhua Academy are already unparalleled in the world, but compared with the dishes in front of them, they are also inferior. I don't know how many times!

And in the palace, there is a wine pool. In this wine pool, there is a rich aroma that can no longer be strong. In this huge wine pool, it is all the top spirit wine of the Shenquan Tower!

Ordinarily, even if you want to drink such a spirit wine, I am afraid that the average door-closing powerhouse will have to ruin!

Even the furniture and furnishings in this temple of God's Heart are faintly exuding strong fluctuations, and unexpectedly, every piece is a soldier of time and space and even an artifact level!

Ye Chen and others are almost speechless...

The royal birthday banquet of the Nine Nether Kingdom, and the resources it consumes, can cultivate several strong gatekeepers...

Ji Lin swallowed and disappeared for a while.

Later, Ye Chen found Ji Lin was holding a pile of food, his mouth was even full.

"Ye Chen, next time you go to this party, you must call me."

"There are so many delicious things, I'm so happy."

Ye Chen touched Ji Lin's head without blaming it.

Ji Lin is happy.

At this time, there are already quite a few people in the Temple of God's Heart, a total of three to four hundred people, and these people are all extraordinary existences, one by one, behaved calmly, and exuded strong self-confidence. Their cultivation skills, Almost all of them are above the late stage of star aperture!

And, none of these people are over thirty years old!

These people got on the Lingwu Continent, each of them is a super genius that can shock the city and crush countless people, a peerless evildoer!

Ye Chen couldn't help but show a wry smile, his cultivation level seemed to be the lowest among these people!

This is indeed, a bit embarrassing.

Of course, Ji Lin does not count.

However, he didn't care too much. The cultivation level, for him, could not explain much, so he tasted the food around him, Lingguo, and chatted with Ji Lin from time to time.

is also quite comfortable.

At the same time, his gaze swept over the people present. Although these people's cultivation is good, they are still not truly top-level geniuses. It seems that the most enchanting group of people in this birthday feast, now, has not yet arrived.

Among these people are the children of the great power of the Nine Nether Kingdom, the disciples of the top powers on the Lingwu Continent, and even the descendants of the hermit family.

There are some unknown and mysterious geniuses, all of whom are earth-shattering.

However, Ye Chen knows that these people are indeed geniuses, but among them, only a small part can be regarded as top level.

At this moment, the **** outside the gate of Shenxin Temple suddenly shouted in a high voice: "Shenlong Academy, Chu Xiao, Master Chu is here."

Ye Chen raised his eyebrows and looked outside the door. He remembered that when they entered the door, and when some other people entered, no one had signed up.

Obviously, the royal family of the Nine Nether Kingdom gave a high-level look at Chu Xiao from the Shenlong Academy.

I just don't know if there is any connection between Shenlong Academy and the Shenlong family in Lingwu Continent.

Ye Chen looked towards the door, and saw that a man with indifferent eyes and cold temperament, wearing a blue robe embroidered with moiré patterns, and looking twenty-five-six-year-old, walked into the Temple of God's Heart.

This twenty-five-six-year-old man, shockingly, is already the repair of the door closed!

Besides, it still exists in the Fifth Layer of the Sealed Door Realm!

Such a cultivation base At such an age, it is indeed against the sky!

Behind Chu Xiao was followed by two similar-looking young men dressed in white clothes, both of whom were close or practically closing the door.

Presumably, these three people are the three geniuses of Shenlong Academy.

Ye Chen couldn't help but curiously asked Shi Hua next to him: "Senior Brother Shi, what is the origin of Chu Xiao?"

Shi Hua looked at Chu Xiao with jealous eyes, and explained to Ye Chen:

"Chu Xiao is terrifying. He is a genius on the Shenlong Academy's Xuanxuan List. Ye Chen, you may not know that our Lingwu Continent actually has a list called Lingwu Xuanxuan List, or Dengxuan List for short.

There are only one hundred places on the list. From the first to the 100th, there are two conditions for people who can be on the Xuan List. First, they are not very old, and second, strong! "

"On the Xuan list, as the name suggests, the people on the list are all super geniuses who are considered by the Lingwu Continent to have the potential to break through the closed state and step into the emptiness.

Each of these geniuses is almost a national treasure. Even the Nine Nether Kingdoms cannot be ignored!

And Chu Xiao, ranked 97th in the Lingwu Cengxuan list! Don't underestimate this ranking of 97. This means that Chu Xiao is almost among the hundreds of billions of warriors in the Lingwu Continent, and the potential ranks in the top 100 young powerhouses! "
