

Urban Medical 2061

Chapter 2061: Beauty that cannot be profaned!

Oh? "Ye Chen looked at Chu Xiao with interest. He didn't know, which Lingwu was on the Profound Ranking, or the veins and marks on his body, which had higher gold content?"

With the arrival of Chu Xiao, the scene quieted down for a while. Many people picked up their wine glasses and walked towards Chu Xiao.

The genius on the Profound List like Chu Xiao is almost everyone, the object of friendship.

If Chu Xiao really has a chance to break through Taixu in the future, the entire Lingwu Continent will tremble under Chu Xiao's majesty, right?

There is absolutely nothing wrong with having a good relationship with Chu Xiao!

After , people appeared one after another. Among these people, there was no shortage of true top geniuses. However, after Chu Xiao, except for some members of the royal family of the Nine Nether Kingdom, no one had the chance to be sung.

It seems that in addition to the royal family, only those who are famous on the Xuan list have the opportunity to receive such a courtesy.

At this moment, the eunuch, suddenly, spoke again, shouting in a high voice:

"Shenhuang Academy, Lan Yufei, Lan Gongzi here!" Careful people can find that this time, his voice is even louder than when he recited Chu Xiao's name!

Shi Hua said beside Ye Chen: "Shenhuang Academy, Lan Yufei, is also on the top of the Xuan Xuan list, and is even higher than Chu Xiao's ranking, ranking 95th on the Xuan Xuan list!"

Ye Chen looked towards the entrance, and saw a man in aqua-blue robe, twenty-five and six-year-old, with a gentle face and elegant temperament, with a smile on his face, and walked into the Temple of God's Heart.

Behind the man, there were also two men who followed, one approached the door closed repair base, and the other was also at the closed door level repair base!

What is even more terrifying is that Lan Yufei's aura is stronger than Chu Xiao!

This breath, even Ye Chen, was somewhat shocked.

At the same time, his face also seemed a little heavy.

Today, I have come into contact with the top circles in Lingwu Continent.

Once he thought that closing the door was far away, but now it seems that his vision is finally low.

The stronger the strength, the stronger the circle can be contacted!

Otherwise, it is the frog at the bottom of the well!

Lingwu Continent is gradually opened for him, it is a world where the heroes compete!

Feng Qingyang suddenly smiled and said, "Boy, what's wrong, do you feel pressure?"

"Hmm!" Ye Chen nodded, "Chu Xiao and Lan Yufei, I may not be the opponent."

He still can't use the Heaven Slashing Sword as he wants, and Chu Xiao, Lan Yufei, and Ye Chen can be sure that they are not the kind of existence that can kill with a single sword.

Now he has a sense of urgency in his heart, a sense of urgency that has become stronger.

Ye Chen secretly made up his mind to find the Yanbei as soon as possible!

activate the bloodline, he is qualified to adjust this group of people!

After Lan Yufei and the others came in, Ye Chen saw that Li Shen and Liu Baizhan had also followed in, and they were also staying with Lan Yufei and the others.

Ye Chen's eyes flashed. It seems that what Ge Qing said that the relationship between Shenfeng Academy and Shenhuang Academy is true.

After a while, the atmosphere in the Temple of God's Heart gradually became warmer. Many young talents talked and laughed loudly with each other, and even some men and women had some ambiguity.

But suddenly, the originally noisy Temple of God's Heart was quiet for a moment.

It was even quieter than when Chu Xiao and Lan Yufei entered the arena.

Ye Chen is a little strange, he seems to have not heard the **** roll the name?

He couldn't help but turned his head and looked outside the Temple of God's Heart.

Turning his head, Ye Chen was also dull.

completely sluggish.

I even forgot to breathe.

At this time, a woman stood outside the gate of the Temple of God's Heart.

She is dressed like a veil, with some transparent long skirts, which outlines her almost perfect figure more exquisitely.

But, more attractive than her figure is her face!

nice! Unspeakable beauty!

There are thousands of words in this world, but they are not enough to describe the beauty of this woman!

This is simply not the beauty that can exist in the mortal world!

In Ye Chen's impression, only Ji Siqing, Xia Ruoxue, and Yin Ming, in terms of appearance, can be compared with the woman in front of them.

And this woman, with her beautiful eyes shining brightly, actually met Ye Chen's eyes.

Then, under everyone's attention, she smiled at Ye Chen.

a smile, a hundred beauty is shining!

Even with Ye Chen's concentration, he couldn't help but shake his mind!

This woman is naturally no one else but Chu Ying from the Chu family!

Ye Chen was a little lost, he knew that Chu Ying was beautiful, and he was ready to be amazed by Chu Ying today, but he did not expect that she was so beautiful!

Chu Ying saw Ye Chen's appearance, she couldn't help being a little proud, she didn't waste her dressing up so carefully today, and then Lianbu moved lightly and walked in the direction where Ye Chen was.

But at this moment, a young man with a handsome face, a tall stature, a strong black outfit, and a black sword at his waist could not help holding up the two glasses of wine in his hand and walking towards Chu Ying.

This young man, named Xiao Cheng, is also a well-known genius in the Nine Nether Kingdoms. He is twenty-two years old this year. He has a level of cultivation in the closed gate realm. Moreover, he is also a powerful force in the Nine Nether Kingdoms. The secret disciple.

Although Xiao Cheng's cultivation base is much lower than that of Chu Ying, Xiao Cheng has a proud temperament and is confident that he can catch up with Chu Ying's cultivation base within three years.

Therefore, he still decided to try and see if he could get Chu Ying's favor.

Soon Xiao Cheng came to Chu Ying and smiled politely at Chu Ying:

"This fairy, my name is Xiao Cheng, I come from the ancient sword gate of Jiuyou, I don't know, can I invite you to have a glass of wine with me?"

Chu Ying was taken aback, but he still smiled reservedly and said: "I'm sorry, Xiao Gongzi, I have friends waiting for me."

"Okay." Although expected, Xiao Cheng was rejected and naturally felt uncomfortable, but he still smiled at Chu Ying reluctantly and stepped aside:

"This is a shame, I hope Fairy has fun tonight."

Then, he looked at Chu Ying and walked in the direction where Ye Chen was.

Xiao Cheng glanced at Ye Chen, without any contempt.

After all, there is no mediocrity who can step into this place!

It's just that he thinks Chu Ying's friend is not Ye Chen, but someone else.

is more likely to be a genius like Chu Xiao and Lan Yufei.

Only such a super enchanting evildoer can be worthy of Chu Ying, such a beautiful woman with looks, background, and even a talent for martial arts.

But, the next moment, Xiao Cheng's eyes stared, almost out of his socket, and the wine glass in his hand fell to the ground.

Chapter 2062: No need to be so!

Not only Xiao Cheng, but everyone was stunned by Chu Ying's actions!

At this time, Chu Ying came to Ye Chen and smiled at Ye Chen: "I disappointed you today?"

In that tone, let alone friends, it's almost like a lover!

Chuying has never spoken and treated people like this in the Nine Nether Kingdom!

is simply unimaginable!

The thinking of everyone is going to freeze!

Chuying knew that doing this by herself would definitely attract the attention of many people to Ye Chen, but that was exactly what Chuying was doing!

Although her father, the Chu Family Patriarch, has agreed to save Ye Chen, there are still many people in the Chu Family who are very dissatisfied with Chu Hong's decision to meet the Wang Family for Ye Chen.

Then, in order for these people to shut up, Ye Chen must prove himself!

Prove your potential!

And this birthday banquet of the Nine Princesses is the best stage!

She had confidence in Ye Chen, and when she couldn't deal with Ye Chen in the early stage of the gate closure, Ye Chen was almost invincible!

Almost everyone looked at Ye Chen with envy and jealousy. It is the dream of all men to be treated so intimately by a woman like Chu Ying!

Among them, the most unacceptable is Xiao Cheng!

If Chu Ying simply rejects him, or chooses a genius who is better than him and more against the sky, Xiao Cheng has nothing to say.

But! Not only did Chu Ying reject him, she also chose Ye Chen as her partner for this birthday party?

Doesn't that mean that Xiao Cheng, a genius at the ancient sword gate, is not comparable to this young man?

Xiaocheng, the murderous eyes are exposed!

And Chu Xiao, Lan Yufei and others also looked at Ye Chen with a smile.

They know a truth, called the innocence of a man and his guilt. This is the same when it comes to people.

In short, they believe that Chu Ying is not a woman Ye Chen can have, but Chu Ying is admired. This is not Ye Chen's luck, but Ye Chen's sin.

Lingwu Continent, it is so unreasonable, it is such a cruel world.

And these geniuses who came from the sea of blood in the corpse mountain understand this truth even more.

Fair? For them, it is just a game for the weak.

Xiao Cheng looked cold, and walked towards Ye Chen step by step.

The geniuses present, their original jealous look, became gloat.

They knew that Ye Chen was going to be unlucky.

Everyone looked at Ye Chen, thinking that Ye Chen would panic and panic, and even asked Chu Ying for help.

However, what surprised them was that Ye Chen just calmly drank wine, tasted pastries, and even had a good chat with the little girl around him.

It seemed that he didn't care about Xiao Cheng who was walking towards him.

Soon, Xiao Cheng came to Ye Chen and said with a cold face: "This Xiongtai, in Xia Xiaocheng, dare to ask Gao's name?"

Ye Chen glanced at him and said lightly: "Ye Chen."

Xiao Cheng took a glass of wine casually, raised his eyebrows and looked at Ye Chen and said, "Brother Ye, make friends, have a drink?"

Ye Chen didn't care, picked up the wine glass beside him casually, touched Xiao Cheng, and drank the wine.

Where is Xiaocheng?

He watched Ye Chen drink a full glass of spirit wine, and after drinking it, his face showed a trace of killing intent.

With a stroke, he took a shot of a hip flask. The flask contained the strongest and strongest spirit wine in Shenquan Tower.

He raised his wine glass casually, moistened his lips, and shook his head, "This wine is not to my appetite."

Ji Lin cast a blank glance at the strange man: "Don't drink if it doesn't suit your appetite."

However, in the next second, Ji Lin has not waited for a reaction.

The spirits were all poured on Ji Lin's head.

"Where is the wild boy, it's your turn to speak here?"

Ji Lin is soaked.

Embarrassed.

The liquor is stained with hair.

helpless.

Ji Lin was so angry that she had never been so wronged, insulted and insulted?

Ye Chen beside , the killing intent suddenly broke out.

It doesn't matter if others move him! But if you move Jilin, even the way of heaven won't work!

Ye Chen just wanted to do something, suddenly, Ji Lin's little hand grabbed Ye Chen.

"Ye Chen, I'm fine, just wipe it dry, don't cause trouble."

Ye Chen's eyes are surprised, this is Ji Lin?

Shouldn't Ji Lin be angry? Shouldn't you swear?

Soon, he noticed that Ji Lin's eyes were red and his fists were clenched.

He understands, Ji Lin must see that this place is unusual, she doesn't want to cause trouble to Ye Chen.

She is willing to endure the humiliation silently and protect Ye Chen in this way.

Ji Lin has grown up.

Under that ancient spirit is a scarred and mature heart.

Ye Chen grabbed Ji Lin's hand tightly: "You don't need to be like this."

"You look like an adult now."

"Your sister is not here, I will guard you forever."

"Next, leave it to me."

Ye Chen ignored Ji Lin's worried eyes and looked at Xiao Cheng.

Atmosphere, for a while, some solidification.

Everyone was even a little excited. Could it be that Ye Chen is going to turn his face with Xiao Cheng?

That, there is a good show to watch!

As for Xiao Cheng, a smile appeared on the corner of his mouth.

When he knew Ye Chen's name, he was ready to do it.

Because last night, he met with someone from Kamikaze Academy.

Today, he wants to ruin Ye Chen and even die!

He smiled: "Brother Ye, sorry, I just missed it."

"I have no other meaning."

"However, some wild children are indeed in need of discipline when they enter and exit such places."

Speaking of this, he poured another glass of wine, smiled heartily and Jing Ye Chen said: "Brother Ye, this glass of wine is my fault."

"Today is a major event in the Nine Nether Kingdom. We might as well turn the fighting into jade."

However, Ye Chen had no plans to move the cup.

"What? Brother Ye doesn't drink?"

Xiao Cheng frowned, pretending to be puzzled.

In the eyes of everyone, there is nothing wrong with his move.

If Ye Chen turned his face and shot himself?

That, I can't blame myself.

As for that kid is just his chess piece.

In this game of chess, Ye Chen was destined to be played between his palms.

But, under the gaze of everyone, Ye Chen slowly raised his glass!

then fell directly on Xiao Cheng's head.

"I'm sorry, I missed it too."

The world's sudden silence.

Ji Lin behind Ye Chen was shaking. She grabbed Ye Chen and wanted to say something, but in the end she could only swallow it.

turned into tears.

Xiao Cheng on the side, his eyes burned with anger, and his veins burst!

This time, there is no concealment of murder!

"Ye Chen, do you know what you are doing?"

"For a little kid, do you dare to offend Jiuyou?"

"Find out, you are just an outsider!"

Ye Chen looked at Xiao Cheng, his eyes were calm, and he said indifferently:

"A long time ago, I was a waste and was humiliated endlessly."

"Until a pair of sisters appeared and guarded me for five years."

"I vowed to keep their lives."

Chapter 2063: The soul is trembling!

The road to martial arts is to cultivate the Taoist heart, and you can't forget your roots. "

"Also, she is not called a kid, she has a name, she is Ji Lin."

"Ji Lin?" Xiao Cheng was really happy this time, he was really amused by Ye Chen, "Ye Chen, do you know that Jiuyou Banquet is one of the top youth circles in Lingwu Continent!"

"Now you are chasing me for a child? Can you bear the price?"

"Oh." Ye Chen's eyes suddenly chilled, "Next, let's talk about another thing. You scared my friend. Apologize to my friend."

"If you apologize, I won't pursue it anymore."

Ye Chen's voice was filled with doubt and coldness.

Death silence, complete silence.

Most of the geniuses in the Temple of God's Heart looked at Ye Chen blankly. What did they hear just now?

They even began to doubt their ears!

Ye Chen said, why do you want Xiaocheng?

Apology?

apologize to a child?

Xiao Cheng, who was still smiling, suddenly fell cold, and his murderous intent broke out. The whole person was like a sharp sword that came out of the body, and was extremely sharp!

He stared at Ye Chen's eyes and said, "You, what did you just say?"

At the same time he spoke, he pressed against Ye Chen unreservedly.

This, but the pressure of closing the door!

How terrifying the coercion of Xiaocheng is, it is conceivable that ordinary Star Aperture martial artists may even be directly crushed by his coercion!

He is confident, this Ye Chen who dared to speak rudely to himself, even if he was stronger than an ordinary warrior, would definitely be seriously injured under his own pressure!

At least, I will be too much to talk!

Not just him, almost everyone thinks so.

Star Aperture and Good Fortune are originally the gap between the sky and the earth, and Good Fortune and the gate are simply the gap between the entire galaxy!

However, the reality is beyond their expectations.

Feeling the coercion of Xiao Cheng, Ye Chen was extremely calm.

Ye Chen looked directly into Xiao Cheng's eyes like this, and said word by word: "I, call, you, apology, apologize!"

Xiao Cheng was taken aback, Ye Chen had no response to his coercion?

However, he is not in the mood now to care about it!

Because, his heart is completely full at this time, filled with boiling killing intent and soaring anger!

This lowly foreign warrior, unexpectedly, in the presence of so many geniuses, so humiliate himself!

The crazy sword intent immediately wrapped Ye Chen. Xiao Cheng's eyes were bloodshot and his face was hideous. The blue veins on his forehead were constantly beating. He held the hilt of the black sheath sword on his waist and roared at Ye Chen. Said: "Things that do not live or die, I want you to die!"

With a clatter, the long sword was unsheathed, and the piercing sword light illuminates the entire Shenxin Temple. Although the temple is full of super geniuses with superior strength, many people cannot bear to be illuminated by this extremely cold sword light. Stay in my heart!

What a sharp sword!

This sword is actually a magic weapon!

Moreover, in the sword light, there is also a vague spirituality!

This sword is not only a divine weapon, it also has a powerful weapon spirit!

When Xiao Cheng took out his sword, he, who was still furious, instantly changed his whole person's aura. There was an undisturbed master demeanor. In the sword's intent, the ancient intent was rippling. This sword has a kind of development. Prehistoric, the momentum of the sword breaking through the sky!

The geniuses in the Temple of God's Heart couldn't help but shrink their pupils.

The ancient sword gate of the Nine Nether Kingdom, really!

Xiao Cheng, really is an earth-shattering genius!

was present, there was no shortage of knowledgeable geniuses. They had already seen that the sword technique used by Xiao Cheng was the sword technique of the ancient sword gate, the ancient sword!

This is the real, top-level swordsmanship that has been passed down from ancient times to the present, and the inheritance is extremely complete, far from being comparable to the martial arts on the Lingwu continent today!

A sword comes out, the world moves, everything is wiped out!

Almost everyone can be sure that Ye Chen must have completely disappeared under this terrifying sword!

This lightning-fast sword cut through the void in an instant and pierced towards Ye Chen!

There was a dignified look in Ye Chen's eyes!

Xiaocheng, although his character is not very good, his strength and aptitude are genuine!

Ancient swordsmanship, based on the current Lingwu Continent's judging standards for martial skills, it is impossible to judge its rank.

Ye Chen knew that this sword was much stronger than Wei Qing's Heavenly Ape Benglong Cudgel!

Moreover, the speed of this sword, even if he uses a hundred steps to drive electricity, he can't avoid it at all!

But, is Ye Chen scared?

No! Not a single trace!

Ye Chen's figure is pulled up, the **** pattern is shining, the magic body is manifested, and the purple flame is rising!

With a twist of his wrist, the Beast Rotten Sword instantly fell into his hand!

A sword light, flashed away!

is like a shooting star across the night!

The speed of this sword is extremely fast! Faster than Xiaocheng's Wild Ancient Sword!

Chu Xiao and Lan Yufei, originally, their faces were full of wind and wind, even if Xiao Cheng's such exquisite sword did not move them, but when they saw Ye Chen's movements, their eyes flashed!

Even these two geniuses on the Profound List were faintly shocked!

The next moment, the swords and swords intersect, and the sword light and the sword light flash alternately!

There was a loud bang, and the earth shook. The entire suspended void hall shook slightly under the blow of the two!

The dazzling light illuminates the entire sky!

The light was condensed, and everyone finally saw the scene before them.

suffocation!

The air around the body, like ice, cannot be breathed into the lungs!

In this temple of God's Heart, the top geniuses, looking at the scene in front of them, their eyes are staring out!

Each of them opened their mouths and stared at the scene in front of them sluggishly. How could there be the spirited and extremely confident appearance at the beginning?

The shock in their hearts is beyond description! The soul is trembling!

Just because Ye Chen is standing in front of them!

Where is Xiaocheng?

Xiao Cheng, who was originally inextricable, was left with his upper body, blood surged, lying on the ground, dying!

Xiaocheng, he was defeated!

That is ancient swordsmanship!

That's a terrifying sword!

Many of the gate-sealing geniuses present are not confident enough to withstand such an amazing sword!

However, Xiao Cheng, who used this sword, had this end at this time?

Ye Chen, is it a human or a ghost?

or good fortune?

This is basically, it is impossible to be a good fortune warrior, can it have the strength?

Ye Chen didn't feel well at this time either, there was a big hole in his chest, and blood was flowing, but Ye Chen didn't seem to feel at all about his injury.

He slowly walked in front of Xiao Cheng.

At this time, Xiao Cheng, with only his upper body left, raised his head with all his strength and looked at Ye Chen who was looking down at him.

Suddenly, his eyes trembled violently!

Chapter 2064: 9 The Emperor of You!

He saw it, Ye Chen was smiling.

smiled extremely coldly.

How about ancient swordsmanship? What about the ancient sword secret?

No matter how good the secret of ancient swords is, is it better than Ye Chen, who is one of his hundred powerful people?

Ye Chen squatted down and stared into Xiao Cheng's eyes, then grabbed his head and pressed it fiercely against the beach on the ground, in the drink that Xiao Cheng knocked down!

The skin of Xiao Cheng rubbed against the ground full of wine fiercely. The bridge of his nose and the bones of his face were instantly broken under Ye Chen's tremendous strength, and his skin was even more bruised. , So that he couldn't help but groaned in pain.

Top Best AI for Forex Trading 2024

Ye Chen said coldly:

"I know there are others standing behind you."

"But what you should never do is to move my friends."

"She is Ji Lin, my friend of Ye Chen."

Xiao Cheng, that very proud Xiao Cheng, at this moment, when he heard Ye Chen's words, his whole body trembled!

The eyes are full of fear!

Ye Chen stood up and turned around. Instead of taking care of Xiao Cheng on the ground, he came to the panicked Ji Lin, showing a gentle smile: "The sky is falling, and I am still holding it."

"Ok."

At this moment, Ji Lin's eyes flashed with a bright light.

At this moment, she swears that if one day Ye Chen faces a powerful enemy, she will use her petite body to protect him.

The two were seated, Ye Chenyun drank the wine lightly.

However, Ji Lin on the side discovered something and said in shock: "Ye Chen, you bleed..."

"It's okay."

Ye Chen looked solemn.

The strong man who sealed the door to the sky was much stronger than he thought.

He used that sword, but his injuries were second.

The injury of the soul is more serious.

is even more damage than casting a thousand soldiers.

He must recover as soon as possible.

And now, looking at the geniuses of Ye Chen and Ji Lin, no one dared to speak anymore.

The look they looked at Ye Chen had changed.

Where is this waste? It's simply a demon!

While Ye Chen was still healing his wounds secretly, there was a round of applause outside the Temple of God's Heart.

At the same time, the person who had been silent for a long time finally spoke again and shouted: "Here is the Ninth Princess!"

Ye Chen and Ji Lin couldn't help but look out the door when they heard the words, but when he saw the person entering the door, he couldn't help but was taken aback.

Outside the Temple of God's Heart, a petite girl who looked no more than Ji Lin's age, with a happy smile on her immature face, was accompanied by two maids, clapping her hands and walking from the door.

These nine princesses are as big as Ji Lin!

Moreover, what is even more surprising is that when these nine princesses entered the door, they walked directly towards Ye Chen and Ji Lin.

She looked at Ye Chen excitedly and said, "It's fun, it's so fun! Where did you learn the swordsmanship just now? It's so powerful! That person was defeated by you all at once, and his cultivation level is obviously higher than you. So many, interesting, so interesting."

"Uh..." Ye Chen looked at the girl in front of him and couldn't help being a little speechless.

Is this still the princess of Jiuyou? It doesn't look like a princess at all...

However, he still replied: "My name is Ye Chen, and the sword technique just now...I realized it myself..."

He can't explain the true origin of Zhantianyijian to her.

The nine princesses, originally wanted to say something, but suddenly, in her big eyes, a black light flashed, and she said softly, "Huh, are you hurt?"

injured?

Ye Chen looked at the wound on his chest. Although it was about to heal, the scar was still obvious. Is this strange?

He couldn't help but looked at the strange girl in front of him with some puzzlement.

At this time, the voice of Feng Qingyang suddenly sounded in Ye Chen's mind: "This princess has a special physique..."

"What!?" Ye Chen asked, "What's the matter?"

The wind is clear and Yang said with a smile: "You will know right away."

While the nine princesses standing in front of Ye Chen noticed Ye Chen's eyes, they said, "I'm not talking about your chest injury, I'm talking about your spiritual injury."

Soul?

Now, Ye Chen looked at the nine princesses in front of him, his eyes finally changed, how did she see through the injuries on her soul? Ye Chen has self-confidence and a clear presence, even someone who is a strong gatekeeper can't see through his soul!

At this moment, a burst of black light suddenly appeared in the **** and translucent eyes of the Ninth Princess, and it shot directly at Ye Chen's eyebrows!

Ye Chen wanted to avoid instinctively, but the clear voice sounded again: "Boy, don't hide!"

Ye Chen was surprised when he heard the words, but still standing still, the black light directly penetrated Ye Chen's eyebrows and shot into the sea of knowledge.

The next moment, Ye Chen felt that his sea of consciousness seemed to boil, and the soul that had been damaged because of the use of that sword, was actually hot and quickly recovered!

How is this going?

Ye Chen was completely stunned, and then he was overjoyed!

My soul's injury really recovered in an instant!

And, vaguely, his divine mind seemed to become extremely tough for a while, in this state, Ye Chen could almost use that sword many times in a row!

And the nine princesses also smiled and cast their eyes on Ji Lin.

The eyes vibrated slightly.

"You are actually born..."

The sound stopped abruptly.

The nine princesses stretched out her hand and blinked at Ji Lin and said, "You and I are the same kind of people. The banquet is about to begin, so you can join me. Otherwise I will be too boring."

"Be with me no one dares to hurt you."

Ye Chen set off a stormy sea in his heart. What is the origin of this Jiuyou princess? Not only did he heal his soul, but he also saw Ji Lin's innate poison at a glance!

Ji Lin glanced at Ye Chen, and left with the Ninth Princess.

Ye Chen still wanted to go up and ask something, but the man at the door shouted again: "Emperor of Jiuyou, here!"

The words fell, Ye Chen noticed that the Jiuyou Emperor Talisman in his palm felt a scorching sensation.

Ye Chen turned and looked, and saw that outside the Temple of God's Heart, a man dressed in a black robe of Jiuyou, who looked about forty years old, had a high nose, tiger eyes, square lips, a face with Chinese characters, and three long beards under his jaw. The man with a phoenix dress, a beautiful, graceful and glamorous young woman in a phoenix skirt entered the temple of God's heart at once.

The man's appearance can only be regarded as ordinary, but his whole body exudes an indescribable power, as if every move is full of turbulent weather, making people feel afraid to disobey.

This man is the emperor of the Jiuyou Kingdom today!

What's even more terrifying is that Ye Chen couldn't even notice the cultivation of the Emperor of the Nine Nether Kingdom and the Concubine Li next to him!

The two felt exactly the same as the eternal holy king!

At least too virtual!

Chapter 2065: Body of Demon!

When the Emperor of Jiuyou arrived, everyone in the Hall of Gods' Hearts knelt down at the Emperor of Jiuyou, and respectfully said: "I have seen the Emperor!"

Ye Chen alone did not.

Ye Chen put his hands behind him, his whole body was not condescending.

magical energy surrounds.

Ye Chen has a Devil Emperor on his eyebrows!

How can you kneel down on the Emperor of the Nine Nethers!

In an instant, an old man came to Ye Chen's side, coerced, and just wanted to do something to Ye Chen!

The Emperor of Jiuyou said: "He doesn't need to kneel!"

When these words came out, there was an uproar!

Stepping into the country of Jiuyou, how can there be any saying that you don't kneel down on the Emperor of Jiuyou!

Why does Jiuyou Land treat Ye Chen like this?

is anger?

or something else?

The Emperor of Nine Nethers swept away his eyes, made a gesture of inviting, and sat on the main seat of the Shenxin Temple with Princess Li, while the Ninth Princess and Ji Lin sat near the two of them.

The Emperor of Jiuyou looked down at the many geniuses in the hall, his eyes were on Lan Yufei, Chu Xiao and others, and he stayed for a while, but when he swept Ye Chen, his eyes were concentrated!

He looked at the crowd and said in a low voice: "Everyone, you are welcome to come and celebrate my daughter's birthday. You must be surprised. Why, am I here?"

As usual, even if it is the royal family's birthday, perhaps the imperial concubine will be there, but the emperor of Jiuyou will rarely appear.

The majestic Emperor of Jiuyou suddenly appeared melancholic on his face, and he said, "Actually, let's not hide it from you, I invite you all to come here for Xiao Jiu's birthday, not just for her birthday. It's simple, but because, my daughter, she awakened the body of the demon not long ago!"

"The body of the demon?"

Ye Chen stared, presumably, this is the reason why the nine princesses can see through their soul injuries and innate poison, and can heal and strengthen their souls!

The Emperor of Nine Nethers continued: "Many people may not understand the body of Nian Mo Nian Mo. This is also an extremely defying physique, with extremely terrifying talent in terms of spirits, but the reason why Nian Mo Nian Mo is called Nian Mo is because of this physique, not that anyone can bear it!"

"The body of Nian Demon is extremely powerful because of the increase in the spirit of the spirit, and even because of the excessive spirit, it will lose the body.

During this period of time, we have been using all kinds of heaven, material and earth treasures to maintain the consumption of the body of the Nine Ninth Demon. However, even with the strength and rich background of my Nine Nether Kingdom, it is difficult to maintain it for long. To save Xiao Jiu, the plan for the present is to transfer this Demon-Minded Body to other people! "

The geniuses in the Temple of God's Heart were all horrified when they heard the words, and even the imperial family of the Nine Nether Kingdom could not sustain the consumption of the Nian Demon Body, so if you transfer to yourself, don't you let yourself wait for death!

The Emperor of Nine Nethers saw that everyone looked nervous and quickly explained:

"Everyone, don't get me wrong, I didn't mean to send you to death. This body of demon thinking has different effects on different people. If you can successfully surrender it, it won't cause such terrible consumption...

However, there are several conditions for the transfer ceremony of the body of chanting. First, the person who accepts the body of chanting must not be over 30 years old. Second, the person who accepts the body of chanting has excellent qualifications and a solid foundation. , Third, you must practice the Demon Clan exercises! Of course, it is best to have a demon. "

"However, demons in the world are too rare."

" Throughout the ages, the body of chanting demon has appeared very rarely. Even for me, it is difficult to find much information about the body of chanting demon.

However, these three points are summed up by me from the existing information. In the past, every person who successfully received the body of the demon was a peerless power!

The supreme demon emperor who once shook the heavens of the Lingwu Continent was the body of demon in his youth!

And if you succeed in surrendering the Nian Mo body, the benefits are definitely great!

With this body of mindfulness, your soul becomes immortal! Moreover, it is extremely powerful, at least, it is not weaker than the gate-closure existence!

Unless your body is completely damaged, almost no one can hurt your soul! "

"Of course, there must be risks. If the acceptance fails, the recipient's soul may be severely injured, or even lost, and Xiao Jiu has only three opportunities to perform the ceremony...

Therefore, if you have no confidence in yourself and are unwilling to perform the transfer ceremony, you can now leave the Temple of God's Heart. Don't worry, this king will not pursue you because of your choice. "

After finishing the words of the Emperor of the Nine Nethers, the entire Shenxin Temple suddenly fell silent. Many geniuses looked at me and I looked at you. For a while, I was a little at a loss.

Ye Chen at this moment has an extremely strange expression.

Because just an instant, there was a rapid sound from the center of the eyebrows!

"Ye Chen, you must take down the body of demon-reading! My physical body has been destroyed. To reshape the body of the past, the most important thing is the body of demon-reading!"

"Hahaha, God never forgets me!"

"I thought it would take tens of thousands of years to recover to the peak of the year!"

"Now, if I have this body of chanting demon, it will not exceed three years at most, and I can restore my peak state! Enough to kill the kingdom of God!"

Ye Chen was slightly surprised.

It was the first time he found that the Devil Emperor was so excited.

It seems that no matter what, he must take down the body of the demon!

Ye Chen thought of something, and asked the Demon Emperor: "Devil Emperor, can I successfully surrender this Demon-Mind Body?"

The Demon Emperor smiled and said: "This Nine Nether Emperor still doesn't know much about the body of Nian Demon, what he said is basically correct, but there is one thing he doesn't know, that is, the body of Nian Demon is divinely veined. And the devil body, completely restrained!

According to my judgment, among the people present, you are the only one who has the ability to completely surrender the body of mindfulness. "

"No, looking at the entire Lingwu Continent, only you are qualified to surrender this Demon-Minded Body!"

.....

At the same time, the demons in the depths of the Demon Realm.

A huge palace full of eerie and horror.

The temple is surrounded by demonic energy, like hell.

Above the hall, there is a huge stone chair carved by nine black dragons with imposing momentum hideous and permeating.

The man on the Nine Dragons Black Chair suddenly opened his eyes, and the terrifying demons above the temple knelt down!

"Magic Lord!"

The sound is loud! Supreme loyalty!

Because they know that this man is the strongest existence after the fall of the devil emperor in ancient legends!

The iron-blooded tyrant in the demon realm, Lord Mochen!

Jun Mochen's majestic eyes glanced at the crowd, and he said, "Today should be the day of joy in the Nine Nether Kingdom."

A strong demon clan agreed: "Enlighten Demon Lord, it is the birthday feast of the nine princesses of the Nine Nether Kingdom, do you need to do it?"

Jun Mochen stood up, his palms opened, and a ball of magic light lingered in his palms.

"Why do you want to do it? Jiuyou and my demons are one, but the emperor of Jiuyou is a self-righteous old stubborn."

"This kind of stubbornness may not be worthy of taking charge of Jiuyou."

"However, compared to today, I care more about the body of chanting demon."

"The body of the demon can be controlled by the ants!"

Chapter 2066: 9 ghost body!

Many powerful demons in the audience changed their expressions when they heard the body of Nian Mo.

The body of Nianma actually appeared?

This is the only existence in the hearts of countless people that the Devil Emperor has ever recognized!

If it were not for the fall of the Devil Emperor, I am afraid that the Demon Race would have conquered the entire Lingwu Continent long ago!

"Devil Lord, since the body of Nian Demon appears, do you need to send someone to enter the Nine Nether Kingdom and forcefully plunder?"

There is humanity in the audience.

Jun Mochen on the Nine Dragon Stone Chair suddenly smiled.

He glanced at the person who spoke, and said lightly: "Why do you want to plunder?"

"The Ninth Princess can't control the body of Nian Demon, nor can the top genius of Lingwu Continent."

"It can even be said that the body of Nian Mo has an aura, and only the Devil Emperor can hold it."

"It's a pity that the Devil Emperor has fallen."

"That's right, if he doesn't fall, how can I sit in this position?"

"Some people deserve to die."

At this moment, Jun Mochen's face was full of hideous.

is like a bloodthirsty beast from hell.

"Okay, everyone retreat. In the past few days, I have felt a little bit. I need to retreat and break through. No one can disturb."

"Yes, Mozun."

Soon, only Jun Mochen remained in the entire hall.

Jun Mochen thought of something, a wicked smile appeared at the corner of his mouth, and he walked off the Nine Dragon Stone Chair and pressed his finger on a dragon pattern.

Suddenly, the wall behind the Nine Dragon Stone Chair opened.

The light of Jiuyou illuminates everything.

That is a corridor leading to the abyss.

Jun Mochen put his hands behind him, and walked toward the depths.

There is a cave inside.

Gradually, everything becomes clear.

A huge statue emerged.

If Ye Chen were here, he would surely find that this statue is the devil emperor in the middle of the eyebrows!

The Devil Emperor is powerful for nine days. Although it is a statue, it is lifelike, full of blood and devil energy!

Jun Mochen stared at the statue of the Devil, smiled coldly, and then said: "The Devil, how long has it been since you fell?"

"A thousand years, ten thousand years, or one hundred thousand years?"

"In the blink of an eye, ancient times are so far away."

"By the way, there is something you may not know."

"In that battle, you did not lose injustice. After all, that battle was the only time I joined forces with the Kingdom of God."

"If I do not join forces with the kingdom of God, I am afraid you will not fall, and I will not be able to sit in this position."

"This feeling is really good, hahahahaha."

"Unfortunately, you will never know this secret forever."

"Unfortunately, your daughter was forcibly trapped in the magic sea by me."

"Unfortunately, the Nine Nether Kingdom is separated from the demons."

"However, don't worry, one day, I will dominate the Demon Realm!"

"When the time comes, I will not be the Demon Lord, I will be the Eternal Demon Emperor!"

In an instant, murderous release!

A nine-headed dragon appeared behind Jun Mochen!

The world has changed!

.....

At the same time, the country of nine quiets.

The atmosphere is solemn.

After all, no one wants to bet their lives.

I don't know how long it took, and finally, a genius walked carefully outside the Temple of God's Heart.

The Emperor of Nine Nethers looked at the back of the genius who had left, and was silent.

However, he did nothing. That genius just left the Temple of God's Heart.

When everyone saw this, more and more people walked outside the Temple of God's Heart, and even Shi Hua and Zhao Lun left.

There are only a few people left in the field.

Ye Chen glanced at Chu Ying next to him somewhat unexpectedly, and asked, "Chu Ying, you also want to try to accept this body of demon?"

Chu Ying shook her head and looked at Ye Chen seriously and said, "I'll just take a look."

At this time, in the Temple of God's Heart, only Lan Yufei, Chu Xiao, Ye Chen, Chu Ying, and a young man wearing a mask were left.

The Emperor of Jiuyou looked at the people present, and said, "Master Lan and Master Chu were contacted in advance by me. Therefore, there are two places that belong to them. As for the last place, you will have to compete for it yourself. ."

As soon as the emperor of Jiuyou's voice fell, the masked man stepped forward, took off his mask, and smiled at Ye Chen: "Mr. Ye, I want to challenge you."

At the moment that man took off his mask, Chu Ying beside Ye Chen suddenly changed his expression: "It's you! Didn't you escape from the Nine Nether Kingdom?"

The man was pale and bloodless. He looked a little sick, but, vaguely, he gave Ye Chen a dangerous feeling!

Ye Chen couldn't help frowning, this man was very strange.

Why?

Because, this man obviously closed the door half-step, but the sense of danger he gave him was not weaker than any strong door locker!

At this time, the man turned to Chu Ying with a sullen smile and said:

"Miss Chu, long time no see? I didn't want to come, but the Wang family promised that if I could fight against Mr. Ye in the Shenxin Temple this time, I would take action to protect me. You said such conditions, How can I refuse?"

Ye Chen looked at Chu Ying's complexion and asked a little strangely: "Chu Ying, what's the matter?"

He has never seen Chu Ying show such a look.

Chu Ying suddenly stretched out her hand and firmly pulled Ye Chen's sleeves and said, "Ye Chen, reject him! Don't compete with him!

This person, named Song Du, possesses an extremely terrifying physique called Jiuyou Poison Body! This Nine Nether Poison Body is higher than the acquired Poison Body! And with Jiuyou Devil Qi! "

Ye Chen took a deep look at Ji Lin, and then asked Chu Ying: "Then how does this Nine Nether Poison Body compare with the Congenital Poison Body?"

Chu Ying gave Ye Chen a white glance: "Naturally, the Jiuyou Poison Body cannot be compared with the Congenital Poison Body because the Congenital Poison Body is almost a legendary existence, but the Jiuyou Poison Body actually exists. !"

"Nine Nether Poison Body, known as the door closed, no one can withstand, even if it is a strong mid-door closed door, if one is not careful, it may fall!

This person once had a quarrel with a child of the Jiuyou family, so he used his Jiuyou poison body to poison that family and all the existence under the door!

Therefore, he was also chased by the ancestor of the family! Ye Chen, give up, facing this person is too dangerous! "

Song Du heard the words, looked at Ye Chen with a smile and said, "Mr. Ye, do you really want to give up?

You can give up, of course, but, do you think you are in the Temple of God's Heart, how about facing me? Or, after you leave, it is better not to watch out for my poison all the time? This, it's up to you to choose. "

Chu Ying heard the words, her beautiful eyes stared at Song Du, killing intent rolling!

If this is not the Palace of the Heart of God, and if there is no martial arts rule of the Emperor of the Nine Nethers, she will now kill Song Du!

Just then, a hand lightly fell on Chu Ying's shoulder.

Ye Chen's hand.

Ye Chen smiled at Chu Ying and said, "Chu Ying, can I ask you a question?"

Chapter 2067: Who gives you the courage to speak?

Chu Ying was taken aback, what did Ye Chen want to ask at this moment?

But she nodded and said: "You ask."

"If I die, will you be sad?"

Song Du heard that, he couldn't help but laughed loudly: "Hahahaha, okay, Mr. Ye, you asked this question really well, I didn't expect that you are still a lover?"

Hahahaha, I just don't know that Miss Chu, seeing your body eroded by my toxins and ulcerated all over, will she care about you like this? I'm afraid that when the time comes, I can't help but even look at you, and I will vomit it out! "

Ji Lin couldn't listen anymore, and stood up: "You trash poison, who will give you the courage to speak?"

"If you dare to hurt Ye Chen, I will let you die in endless pain!"

Ji Lin is angry!

Jiuyou Poison Body is certainly strong, but as an innate poison body, she can kill all poison bodies in seconds!

As soon as these words came out, everyone present looked at the girl in surprise.

Ye Chen is a madman, didn't expect the girl around him to be even more mad?

Jiuyou Poison Body is garbage?

I am afraid there will be no geniuses in the world!

Song Du was extremely annoyed by Ji Lin's words: "You are looking for death!"

In the next second, he forced out a drop of essence blood, which contained the terrible toxicity of Jiuyou Poison!

Once close, that little girl will inevitably turn into a pool of poisonous water!

Song laughed alone.

smiled extremely gloomily.

But soon, his smile stiffened.

The essence and blood hadn't gotten close to Ji Lin, it seemed to have seen something extremely terrifying, and returned to his palm.

Ji Lin saw this scene and sneered: "Trash is garbage, and even the blood can't be released. If Ye Chen didn't explain it, you would have died long ago."

"Others are afraid of you, I am not afraid of you!"

"What kind of **** Jiuyou Poison Body of you, you will call Dad when you see me!"

Ye Chen didn't want Ji Lin to expose the congenital poison, so he gestured.

Ji Lin saw Ye Chen's eyes, stuck out his tongue, and retreated behind the nine princesses.

Everyone didn't think much about it, but when it came to a farce, everyone's eyes fell on Chu Ying.

Chuying glanced at Song Duo coldly, ignored it, turned her head to Ye Chen, and said sincerely on her pretty face: "Of course it will!"

Ye Chen walked towards Song Du and said to Chu Ying: "If this is the case, I will never die in front of you."

Chu Ying heard the words, her beautiful eyes couldn't help flashing, all the emotions in her eyes disappeared, leaving only Ye Chen's back.

But Song Du was staring at Ji Lin in the distance. He thought of something, but then shook his head again.

Congenital poisons cannot exist in this world. Just now, it must be a coincidence.

Thinking of this, he looked at Ye Chen.

In his stern eyes, a distorted and crazy evil spirit suddenly flashed, and he said to Ye Chensen: "Mr. Ye, do you know why I slaughtered that Jiuyou family back then?"

Ye Chen put his hands on his back, and said lightly: "You said."

just right, his spirit has just been strengthened by the nine princesses, and it takes time to adapt.

Song Du said coldly: "Once, I fell in love with a woman, and that woman always looks pure and chaste in front of me. I thought she was really as pure and pure as I thought, but what? ?"

"She is a lewd **** at all! She is pretending to look in front of me! The woman I thought was pure and pure, in front of the young master of the Jiuyou family, everything he did, even the most mean prostitute, Will you feel ashamed?"

"At that time, I thought, kill her, kill this hypocritical bastard!"

Having said that, he suddenly laughed wildly and said: "You know, what happened afterwards? The young master of the Jiuyou family said that I was just a poisonous toad? Which woman would like me? Well, really. it is good!"

said, Song Du suddenly unwrapped the bandages on his hands, Ye Chen glanced at the skin under Song Du's bandage, and his pupils shrank.

Song Du's arm under the bandage is extremely scary, and his skin is bulging with colorful poison particles!

Although this Nine Nether Poison Body is powerful, it also has drawbacks. It will cause physical variation. As Song Du's cultivation base becomes stronger and stronger, his whole person will become extremely ugly.

Ye Chen glanced at Ji Lin. Fortunately, Ji Lin's poison body was not like this.

then looked at Song Du indifferently, and suddenly, gently shook his head.

Song Duyi was taken aback, Ye Chen, what's this reaction? Can't help asking: "What are you doing shaking your head?"

Ye Chen said lightly: "Nothing, I just think you are very pitiful."

"What are you talking about?" Song Du's voice sank, his eyes whistling with murderous intent, "Poor? What's the pity for me? Poor, it's the **** who thinks that the other party likes him, and the young master who was slaughtered by me, right? !"

Ye Chen said blankly: "The reason why you are pitiful is that you are ugly, and your heart becomes even more unsightly because of your low self-esteem. It is not others who look down on you the most, but... "

"Shut up!" Song Du suddenly yelled, he didn't want to listen, he didn't want Ye Chen to talk!

Ye Chen, but he didn't even bother Song Du's violent drink, and continued: "You."

"I want you to die!" Song Du was poked into the sore spot in his heart by Ye Chen, and instantly fell into a violent rage. Yes, the reason why he did those cruel things, but because he wanted to deny it, he thought Cover up, even the fact that you look down on yourself.

As long as everyone else becomes the same as him, isn't he Song Du also just an ordinary person?

But Song Du has been reluctant to admit it!

With a bang, a horribly green poison suddenly burst out from Song's single body, and in an instant, it filled the temple of God's Heart!

Everyone in the Temple of God's Heart could not help but frown!

Even the strong gatekeepers like Chu Ying, Chu Xiao, and Lan Yufei are still in this poisonous mist, propping up the aura of the body guard.

This poisonous mist is so strong!

However, everyone didn't notice at all, the poisonous fog didn't dare to approach Ji Lin ten meters.

The Ninth Princess got close to Ji Lin for a few minutes, and then secretly raised her thumb.

Jilin raised his chin proudly when he saw this scene, and said lightly: "Small, I'm amazing, you can't imagine it."

Chu Xiao and Lan Yufei, even with their physiques, they couldn't bear it. They had to rely on the body protection aura to resist. It is estimated that only the demon-shaped warrior can resist with the flesh, right?

Jiuyou Poison Body, really good!

Moreover, they are only affected by the spread of poison.

Ye Chen's location is where the poisonous mist condenses!

One can imagine how terrible the poison that enveloped Ye Chen!

But this is not over yet!

Chapter 2068: The frog at the bottom of the well!

Song Du at this time had already turned into a greenish existence, a swollen strange hand, he was going to shoot Ye Chen's body directly, and at the same time, roared:

"I have a low self-esteem? I am an invincible strong under a closed door, I am a super enchanting talented person!

In the future, you can even go straight to the devil and have peerless combat power. What is inferiority to me?

what about you? Haha, I will not kill you directly. I will let you slowly experience the pain of being corroded by toxins and body mutation. When you become a pool of rotten meat that can only crawl on the ground, you will know, in the end , Who is inferior! "

There was a bang, and there was another loud noise, Song Du's extremely terrifying hand, actually hit Ye Chen's body!

Chuying saw this and couldn't help but exclaimed: "Ye Chen!"

At this time, the poison gas that permeated the entire Temple of God's Heart had been dissipated by the blow just now, and everyone could not help but shrink their pupils when they saw the scene in front of them!

Ye Chen actually held Song Du's poisonous hand tightly with his bare hands!

The poisonous hand was sprayed with green liquid, and the green liquid seemed to be alive, and was desperately digging into Ye Chen's injured skin.

Chuying's pretty face turned pale suddenly, and her voice tremblingly yelled: "Ye Chen! Let go!"

She knows that Ye Chen's physique is against the sky, but this is Jiuyou Poison Body!

Even if it is a smear of poisonous mist released by Song Du, the strongman who closes the door dare not care, no matter how strong Ye Chen's physique is, holding Song Du's hand like this will definitely be corroded by the poison!

You know, Jiuyou Poison Body, but there is no antidote!

Corroded by toxins, basically, there is only one result, death!

But Chu Xiao looked at Ye Chen with disdain, this Ye Chen is too stupid!

Originally, Ye Chen defeated Xiao Cheng with a single sword, and Chu Xiao also took a high look at Ye Chen, but what about now?

Ye Chen was so ignorant that he would pick Song Du's poisonous palm with his hands?

This is obviously an extremely unwise choice. Any warrior who has some talent in combat will not make such a decision under this situation.

The correct way is to get a distance from Song Du, and then use Ye Chen's swordsmanship to defeat Song Du without a chance to get close!

In Chu Xiao's view, Ye Chen's fighting talent is too weak!

And Lan Yufei frowned slightly. He didn't expect that Ye Chen would choose to catch Song Du's palm directly. Ye Chen obviously has that terrifying sword technique. Why not use it?

Thinking of this, Lan Yufei's eyes suddenly flashed!

Could it be...

When the Emperor of Jiuyou sitting on the main seat saw this, he also shook his head slightly. Originally, because of the familiar aura of Ye Chen, the Emperor of Jiuyou was looking forward to this warrior who had only a realm of good fortune.

But now, Ye Chen has let him down.

At this time, Song Du's palm was grasped by Ye Chen, but he was full of joy and disdain. He looked at Ye Chen as if he was looking at a dead person. Now, just wait for Ye Chen's death.

However, he was not surprised by this result.

He looked at Ye Chen's calm expression and sneered: "Ye Chen, don't you seem to be very calm? I don't know, when it will be poisonous, when your body mutates, can you be so calm?"

Ye Chen didn't speak, but looked at him so calmly.

Song Du coldly snorted: "Ye Chen, you still want to pretend to be? You used your sword to cut me? Isn't your swordsmanship very against the sky? You are a sword? Huh? "

And Ye Chen remained silent.

Song Du continued: "Do you think I don't know? The swordsmanship you use is a great burden on your body, right?

Before, when you started with Xiao Cheng, you have used it once. Now, I am afraid that it is not necessary, right? Now, don't say it's a sword, you can't even speak in order to suppress the poison, right? "

To be honest, even Song Du was quite jealous of Ye Chen's swordsmanship, but he had already received the news from the Wang Family Patriarch that Ye Chen's swordsmanship, although powerful, had great limitations.

Lan Yufei nodded secretly when he heard the words. As he expected, Ye Chen's swordsmanship was indeed limited.

"Oh?" Ye Chen finally spoke. He looked at Song Du playfully and said, "Are you sure, I can't play the sword anymore?"

As soon as Ye Chen said this, everyone's expressions changed slightly.

Ye Chen, how can you speak?

Ye Chen, isn't it supposed to suppress the toxin of Song Du Jiuyou's poison body?

Even Song Du was a little stupid. The smile on his face was frozen, he looked at Ye Chen strangely, and muttered: "Why are you still talking?"

Gradually, Song Du's eyebrows frowned, and he finally realized that something was a little weird!

At this moment, where does Ye Chen seem to be pretending?

His hand, still holding Song Du's wrist tightly, seemed to be indifferent to the venom pouring into his body. Even if you want to pretend, you should let it go!

Song Du's complexion gradually changed a bit, and the expression in his eyes when he looked at Ye Chen became frightened.

"Speak?" Ye Chen stared at Song Du and smiled lightly: "Why can't I speak?"

As he said, Ye Chen's eyes instantly became cold. He held Song Du's hand and began to exert force.

"Wait..." Song Du felt the tremendous power coming out of his hand, and Song Du's expression finally changed completely. He shouted in horror: "What are you going to do! Let me go!"

With a crisp sound, Ye Chen actually crushed Song Du's poisonous hand directly!

The next moment, Song Du's exclaim, completely turned into a scream!

"Ah! My hand, my hand!"

He backed frantically, looked at Ye Chen in extreme fear, and shouted wildly: "How is it possible? You, shouldn't you have been poisoned! Why, there is no impact at all! Impossible, this is impossible!"

Song Du's poison has never let him down since he was born. No matter how powerful his opponent is, he can only struggle with his poison, cry, endure unimaginable pain, and finally die.

Therefore, he has absolute confidence in his own poison!

But, this time, he was wrong!

His poison, let alone kill Ye Chen, it can't even hurt Ye Chen!

Song Du, when did you encounter such a thing?

How defying is Ye Chen's physique? Only to resist the toxin of Jiuyou Poison Body!

Now Song Du, how can there be any hideous and cruel appearance?

It was almost broken in front of Ye Chen!

Ye Chen sneered and said: "With you, how can I guess my existence?"

Do you think that there is a so-called Nine Nether Poison Body, it is invincible? Haha, the frog at the bottom of the well. "

Chapter 2069: The adult world is really complicated

This Nine Nether Poison Body is not weak. After entering Ye Chen's body, it also made him feel slightly uncomfortable, but that was all.

Ye Chen, has an immortal body and a demon body, and has a bloodline of reincarnation against the sky!

The awakened Red Chen divine veins are not afraid of all poisons!

If it is, you can still be injured by this mere Jiuyou Poison, then that would be the real joke!

And Chu Xiao, Lan Yufei, and even the Emperor and Concubine of the Nine Nether Kingdoms were all shocked!

This is Jiuyou Poison Body! Below the gate-closure realm, it could be regarded as an invincible existence, so Ye Chen could resist it so easily?

Originally, they all thought that Ye Chen's sword was his strongest place.

Now they know that Ye Chen's physique is the most terrifying!

This physique is enough to be the number one in the ages, right?

And Song Du, facing Ye Chen who was walking towards him step by step, he suppressed the fear in his heart and let out a roar: "Asshole! Ignore my toxins, so what! I can easily kill the sealed door!"

Ye Chen looked at Song Dudaο lazily: "Stop talking nonsense, take it."

Now, after knowing that Song Du's Nine Nether Poison Body was nothing but this, Ye Chen had no interest in Song Du anymore.

Song saw Ye Chen with one eye, and he was furious with his disdain for his strength!

Suddenly, Song Du even forgot about Ye Chen's fear of being able to restrain his Nine Nether Poison Body, and suddenly let out a roar, full of poisonous gas, rising into the sky!

"Poisonous Dragon's Palm!" Song Du shouted violently. The emerald toxins all over his body quickly condensed and turned into a green dragon shape, roaring from the sky, with distinct scales.

This poisonous dragon is actually lifelike, Song Du's poisonous dragon palm is really not low!

The poisonous dragon palm itself is the ancient palm, even if it loses its poison, its power cannot be underestimated!

In the eyes of the poisonous dragon, blood flashed, and he rushed away at Ye Chen. It was the mighty dragon, invincible!

Ye Chen coldly looked at the poisonous dragon flying towards him with teeth and claws, his complexion still unshakable, his right hand moved, and the beastly sword fell into his hand again!

what! Lan Yufei and the others couldn't help but stare!

Ye Chen, he held this sword in his hand again, isn't he, can't use his sword skills anymore?

When Song Du saw this, his face changed wildly, his pale face, instantly disappeared, he screamed at Ye Chen: "Bluffing, you absolutely can't use that sword technique anymore, now take out the sword, and again What's the use! Take it to death, Ye Chen! Under Laozi's poisonous dragon, turn into dust!"

"Really?" Ye Chen didn't care, his murderous aura was condensed, like a **** of death from Jiuyou, holding a long sword, harvesting life!

The beast rotten sword moves, the sword shines!

Between heaven and earth, it seems that they are all in this fleeting moment, divided into two in the flash of sword light!

The expressions of Lan Yufei and others have turned into horror!

This sword intent has appeared again!

Ye Chen, he was really able to continuously use this sword technique like the skills of gods and demons!

Lan Yufei couldn't help but swallowed his saliva. Then, Ye Chen's strength, now, even he can't tell...

"No! Impossible!"

Song Du was crazy, and his horror was about to dissipate. Where did he care about the tasks of the Wang family, where did he care about Ye Chen's body mutation and experience despair?

Now, all he wants is to escape! Only use the fastest speed to leave this demon-like figure!

He regrets it, and he regrets it very much. If he had known that Ye Chen was such a heaven-defying existence, the Wang family had given him the position of Patriarch, and he would not accept the task of killing Ye Chen!

Song alone was surrounded by green mist, enveloping him and fleeing away from the Temple of God's Heart, without any slowness!

Even, it can be compared with Ye Chen's speed when he uses a hundred steps to chase electricity!

Even, it was a bit faster than Ye Chen, who had used a hundred steps to power up.

But, is it useful?

No matter how fast Song Du's speed is, will he be faster than Zhantian Sword?

The poisonous dragon that looked infinitely mighty, the moment Ye Chen's sword light emerged, it completely dissipated, and there was no trace of it. Then, Song Du, who had already escaped from the Temple of God's Heart, was in the next moment. , Burst into a cloud of blood.

Even, there was no time to scream!

Even the spirits were all annihilated!

This enchanting evildoer with the terrifying Jiuyou Poison Body, just like that, was easily beheaded by Ye Chen, and completely disappeared from the world, as if he had never appeared before.

Ye Chen received the sword, still quite satisfied with his cut.

Just now, the reason why he listened to so much nonsense by Song Du, even grabbed Song Du's hand and remained silent, but he was adapting to the spirit strengthened by the nine princesses and used the ultimate sword to cut the sky.

He turned his head and found Lan Yufei, Chu Xiao and others, their gazes had changed when they looked at him. If Ye Chen could only use the Slashing Sword once, then they would have the confidence to defeat Ye Chen, and could even easily win.

Although the Heaven Slashing Sword is strong, if only one blow, they are confident that they can block it.

However, if Ye Chen were able to continuously use this terrifying sword technique, it would be completely different. Now, if they confront Ye Chen, they cannot guarantee that they will be able to defeat him.

Ji Lin came to Ye Chen's side and said seriously: "Ye Chen, if I reach his realm, you may not be qualified to use a sword."

"So, work hard, practice the road, and be able to stand loneliness."

"The one named Chuying seems to be interesting to you but don't forget my sister, my sister is more beautiful than her."

"Hey, the adult world is really complicated."

"You love pretending so much, so many people still like..."

Ye Chen: "....."

Chuying: "....."

When the Emperor of Jiuyou sitting on the main seat saw this, he couldn't help coughing.

Now that the three candidates for accepting the Demon Body have been selected, it is time for the transfer ceremony.

Soon, Ye Chen, Chu Xiao and Lan Yufei all came to the seat of the Jiuyou Emperor. Chu Xiao and Lan Yufei respectfully saluted: "I have seen the Jiuyou Emperor, the Emperor, and the Ninth Princess."

The Emperor of the Nine Nethers said to the three men with a stern face:

"The three are peerless geniuses who are willing to help Xiao Jiu. They are the benefactors of the royal family of the Nine Nether Kingdom. Regardless of success or failure, the three are all distinguished guests from the Nine Nether Kingdom. ."

Princess Li is also in the beautiful eyes, and together with the mist, she salutes to the three of them: "The concubine has also thanked the three geniuses. Please also three geniuses. Be sure to save this poor child."

Ye Chen all replied: "We must do our best!"

Then, the Emperor of Jiuyou said to the descendant: "Cherish the yellow offerings."

Chapter 2070: Chilling!

Soon, an old man with a thin body, a sallow complexion, and a gray goatee, who looked rather old, stepped into the Temple of God's Heart.

This old man is also a powerhouse at the pinnacle of the Gates!

This Huang Zhuan, as soon as he entered the Temple of God's Heart, his eyes fell on Ye Chen and the three of them. Soon, the Huang Zhuan frowned and said to the Emperor of Jiuyou:

"Your Majesty, didn't I ask you to invite the top 30 talented youths on the Profound List? These people are not among the 30, right?"

Lan Yufei and Chu Xiao both looked down upon hearing this. What's the matter with this yellow worship?

The meaning of is not to look down on yourself?

However, the other party, after all, is the worship of Jiuyou, and they are also the pinnacle powerhouses of the Sealed Door Realm, Lan Yufei and Chu Xiao, they dare not say anything.

And Ye Chen looked indifferent. He didn't care whether he worshiped or not, as long as he could get the body of the demon, it was enough.

The Devil Emperor needs it, and he will get it to the death!

And the Emperor of Jiuyou also smiled bitterly:

"The genius on the Profound List, even in the Nine Nether Kingdoms, dare not look down upon it. Is it so easy to invite?"

It was because they rejected this king, and this king can't do anything. What's more, among them, only three or four people can be contacted by this king. It is fortunate that Lord Chu and Lord Lan can come. "

Lan Yufei and Chu Xiao heard this, their expressions eased a little.

However, the Huang Gongfu still shook his head and said:

"Emperor of the Nine Nethers, this matter is related to the life of the nine princesses, you must be cautious, please forgive the old officials to say frankly, these people, I am afraid that they are not qualified to accept the body of the demon!"

As he said, he took a special look at Ye Chen and said coldly: "Missing Divine Veins? Yes, but you are still a bit too young. With your current strength, not enough, not enough!"

"Oh?" Ye Chen glanced at Huang Zhufen with a playful look and said, "Senior is really so sure?"

"Huh! I don't know the height of the sky, the horror of this body of demon is not what you can imagine."

Huang Zifu gave a cold snort, and regardless of the faces of Lan Yufei and others, he respectfully said to the Emperor of Jiuyou:

"Your Majesty, if you can't find a suitable genius, the veteran has a suitable person, and this person, the veteran has now invited him into the palace."

"Oh?" When the Emperor of Jiuyou heard the words, his eyes lit up, and he asked quite happily, "Who is this, can Huang Zongfeng introduce me first?"

Although, I'm sorry for Lan Yufei, Ye Chen and others, but, after all, the life of my daughter is the most important. If there is a more suitable candidate, of course, I have to choose that person.

Huang Jifeng said lightly: "This person comes from the kingdom of God!"

"Although there are some contradictions between the Kingdom of God and Jiuyou, but that is ancient! Now it is about the life of the princess! I think the grievances should be resolved..."

"What!?" Hearing Huang Zhuan's words, everyone present except Ye Chen exclaimed!

God genius!

You know, the warriors of the Kingdom of God are generally extremely mysterious existences!

It is generally impossible to leave the kingdom of God and come outside.

The country of Nine Nethers is rumored not to fear the kingdom of God. The biggest reason is that the fallen demon emperor set up the Nine Nethers formation against the sky in Nine Nethers!

With this formation, it is impossible for the Kingdom of God to attack Jiuyou!

But if you really talk about strength, it will be difficult for the Nine Nether Kingdom to fight against the Kingdom of God!

And the strength of the martial artist of the Kingdom of God, most people have only heard of it in the legend.

But, one thing is certain, these warriors are extremely terrifying!

But the Emperor of Jiuyou and Concubine Li did not have any dissatisfaction, and they said quickly: "Quickly, quickly! Huang Gongfeng will quickly take this genius of the kingdom of God, please enter the hall!"

Huang Zhufen had a trace of complacency on his old face. He glanced at Ye Chen and the others, then bowed and replied: "Yes, I'll go and invite that genius."

After speaking, Huang Zhuanfeng walked out of the Temple of God's Heart.

Ye Chen didn't say anything, however, he heard an angry voice from the Devil Emperor in the eyebrows:

"As the emperor of Jiuyou, he has such an attitude towards the kingdom of God!"

"Perhaps, this kind of person is not qualified to be in charge of Jiuyou!"

"The one who is in charge of Jiuyou must have the arrogance of heaven and earth and fear everything."

"This person is not qualified at all! Not worthy to be an emperor!"

"Boy, are you willing to be in charge of Jiuyou?"

Ye Chen gave a wry smile, the Emperor of Nine Nethers was too virtual, so he didn't dare to seize power.

Soon, two figures walked outside the hall.

One person is naturally Huang Zongfeng.

And the other person, at the moment he appeared, attracted the eyes of everyone in the Palace of God's Heart, including Ye Chen, all of their eyes condensed and looked at this person.

I saw a young man in his twenties walking outside the Temple of the Heart of God. The young man had a handsome face, red lips and white teeth, and sword eyebrows.

No more than the corner of his mouth, but with a hint of arrogant smile, it seems that everything in the world is nothing more than a plaything in his eyes.

And he was wearing a black robe of peculiar material. On the black robe, a strange rune was inscribed, and this rune seemed to contain some mysterious power.

What shocked everyone even more was that this young man, surprisingly, was already a strong one!

The aura on even approached the three-tiered sky!

Such a grade and cultivation level, far more amazing than Lan Yufei and Chu Xiao!

This qualification is too terrifying!

Even Lan Yufei and Chu Xiao have always prided themselves on their aptitudes, and they think that their cultivation speed is unprecedented, but when they see the youth, their eyes are a little dim.

Don't look at it, it's only a few years old, but this time, for geniuses like them, a lot has been changed!

The young man from the Kingdom of God, after entering the hall, came to the throne of the Emperor of the Nine Nethers with a smile and said casually: "I have seen the Emperor of the Nine Nethers, my name is Muye, and I am the emperor of the Kingdom of God. Family member."

It seemed that he did not show much respect to the Emperor of the Nine Nethers in the Taixu Realm.

After all, in the eyes of the people of the kingdom of God, the warriors outside the kingdom of God are just low-class people, even the emperor of Jiuyou.

The ancient Devil Emperor fell into the hands of their kingdom.

The people of the kingdom of God, have enough arrogance!

And Muye is not afraid of the Emperor of the Nine Nethers at all. He dares to treat him, he naturally has a way to deal with it.

And where is the Emperor of Jiuyou in front of Muye?

This is the most respected king in the Nine Nether Kingdoms. Facing the attitude of this cynical young man, he did not look angry at all. Instead, he said to him kindly:

"It turned out to be Mr. Muye, welcome Mr. Mu, to the country of Jiuyou."

Ye Chen saw this scene, and his eyes were a little disappointed.

He finally understood those words of the Devil Emperor.

The Demon Realm has changed, and both Jiuyou and the Demon Race have changed.

The Devil Emperor is not there, and the remaining power gradually dissipates.

The arrogance of being a demon has disappeared!

Not only the Devil Emperor is chilling, but Ye Chen is also chilling.
