Chapter 2071: The coercion of the emptiness

Then, the Emperor of Jiuyou turned to Huang Zongfeng and said, "Okay, very good, Huang Zongfeng, quickly prepare for the transfer ceremony!"

Huang Jifeng smiled and nodded, "Yes, the old minister will prepare now."

But at this moment, Muye, the genius of the Kingdom of God, suddenly said, "Wait!"

Although Muye stopped drinking the Emperor of Jiuyou, the Emperor of Jiuyou still smiled and asked Muye, "What? Do you have any other requirements?"

Makino nodded and said: "If you want me to take action, yes, but I have a condition."

The Emperor of Jiuyou said, "Mr Mu, please tell me, but do you need any compensation?"

"Remuneration?" A smile appeared on Muye's delicate face, and said: "You mean, your Nine Nether Kingdom has more resources than mine? I want to come to your Nine Nether Kingdom to ask for reward. ?"

"If the ancient Jiuyous, I might be interested, but now, Jiuyous is no longer the Jiuyous. It is rumored that Jiuyous can contend with the kingdom of God, the emperor of Jiuyous, do you think it is really qualified to contend?"

disrespectful! Great disrespect! This Muye actually directly contradicted the Emperor of Jiuyou!

Even the emperor of Jiuyou, who had been amiable just now, had a cold color on his face. Normally, who would dare to talk to him like this?

However, facing this Muye, the Emperor of Jiuyou still endured it!

The family of the Kingdom of God, he doesn't want to make enemies!

The Nine Nether Lands just want peace!

The previous Jiuyou Emperor may want to avenge the Devil Emperor!

But in his generation, he just wants to protect the Nine Nether Kingdom!

The Emperor of Nine Nethers suppressed his inner anger, thinking of the condition of the nine princesses, and said: "This king doesn't mean that, please tell me, Master Mu, what do you want?"

Makino chuckled: "It's nothing, it's a simple thing."

As he said, his eyes suddenly cold, looking at Lan Yufei, Chu Xiao and Ye Chen said: "Let these people get out of here, they are not qualified to stand with me!"

This time, Chu Xiao and others finally couldn't bear it! It broke out!

What about the genius of the kingdom of God? Your talent is good, but your realm is not much different from ours, so you dare to be so insulted?

If they can bear it, they are not the geniuses on the Xuan list!

Chu Xiao had a pair of eyes burning with killing intent, and said with a sneer, "Mother Mu? Do you think too much of yourself?"

Lan Yufei also said coldly: "We are not qualified? Young Master Mu, although you are a genius of the Kingdom of God, are you sure that you are qualified to speak to us like this?"

If I read it right, your cultivation is better than waiting for the two of me, right? "

Ye Chen didn't speak, but the look in Muye's eyes was icy cold to the extreme.

This comes from the anger of the Devil Emperor Meixin.

And, for the Nian Mo body, he is bound to win, even this genius of the kingdom of God, can not stop his way!

"This..." The Emperor of the Nine Nethers also looked hesitant. After all, Lan Yufei and the others were all invited by him, and they were kind to others just now, saying they were the distinguished guests of the Nine Nethers. Don't recognize people?

In this way, Lan Yufei was undoubtedly offended and killed several people.

You must know that all the geniuses on the Profound List have the possibility of advancing to the Supreme Void Realm. Every one of them should not be underestimated. If it is in the future, among them, there are really some who have advanced to the Void and surpass themselves.

The consequences are serious!

Muye heard the words, glanced at Chu Xiao and Lan Yufei coldly, and said lightly: "I'll give you a chance to get out of here."

"what did you say!?"

"Hehe, let me go? You are not worthy!"

Chu Xiao and Lan Yufei, two people, breathed together, an overwhelming power erupted in the Palace of God's Heart in an instant, these two people could not bear it anymore, they had to directly attack Muye!

At this time, the Emperor of Jiuyou suddenly shouted, "Stop it!"

As he said, he was completely under the pressure of the Void Realm and broke out completely. In an instant, he wiped out the aura of Chu Xiao and Lan Yufei. When the two looked at the Emperor of Nine Nethers, a trace of terror flashed in their eyes.

Supreme Void Realm powerhouse, really terrifying!

Even if they are both peerless geniuses, they are expected to advance to the Taixu realm, but now, if the Emperor of the Nine Nethers wants to kill the two, it would be effortless, right?

The Emperor of Nine Nethers looked at several people and sighed: "If this is the case, then let's have another martial arts performance. The loser will leave the Temple of God's Heart!"

Actually, in his heart, he has decided to let Makino perform the ceremony and accept the body of chanting demon, but he can't drive away Lan Yufei and others just because of Makino's words?

Still have to give Lan Yufei and the others a step down.

This is the way of the emperor.

The Nine Nether Kingdom is no longer the strongest in the legend. It is closed and closed. It is necessary to be careful of the Monarch Mochen of the Demon Race. If you are also careful about the Kingdom of God, it will be troublesome.

However, Makino was not satisfied, his face was unhappy, and his cold voice sounded: "Trouble, this kind of person is not worthy of my kingdom..."

The face of the Emperor of the Nine Nethers changed. Just when he was about to say something, a voice rang in the Temple of God's Heart.

"Oh? God's genius? What is there to pretend? If you are afraid, you can compare."

"Then, get out of the Nine Nether Kingdom!"

Ye Chen's voice!

After Ye Chen finished speaking, the entire Temple of God's Heart was completely silent!

And Huang Zhuan and the Emperor of Jiuyou, Emperor Li, were shocked and unbelievable at first, and then looked at Ye Chen angrily!

Although this Yanwu was proposed by the Emperor of Jiuyou, they were afraid that Ye Chen would provoke Muye so much. What if it makes Muye unhappy, what should I do?

Ye Chen looked at the expressions of the Emperor of Jiuyou and others with a sneer. What hidden power, the royal family of the Kingdom of Jiuyou? These people are nothing more than that.

The foundation established by the Devil Emperor is destroyed by this group of people!

The Emperor of the Nine Nethers and Huang Gongfu are really shocking and angry. Ye Chen is so bold. They didn't expect that this martial artist would actually dare to speak rudely to the people of the Kingdom of God in the Sealed Door Realm?

They even began to regret that they let Ye Chen stay in this divine heart palace!

Huang Zongfeng stared at Ye Chen trembling all over, Muye contacted him with all his thoughts, and finally he invited Muye to the Nine Nether Kingdom. I don't know how much it cost.

If Makino succeeds in saving the Nine Princesses this time, and the Emperor of Nine Nethers establishes a relationship with the Kingdom of God through Makino, then his status in the Nine Nether Kingdoms will undoubtedly rise and become truly one person. Existence above 10,000!

As for the kingdom of God is the enemy of the Devil Emperor, it is ancient times, and what is it now?

Now, he can't wait to kill Ye Chen directly!

And Muye, the genius of the Kingdom of God, his complexion was instantly cold to the extreme. In a place outside the Kingdom of God, unexpectedly, someone would dare to speak to him like this?

Chapter 2072: The terrible kingdom of God!

He slowly turned around and looked at Ye Chen, his eyes touched Ye Chen, but Mu Ye was taken aback for a while, and then, on the cold face, a very contemptuous expression appeared, and he sneered:

"I thought it was someone, but someone with a weak vein. No, you still have a mark on you."

"Looking at the Lingwu Continent, it is indeed against the sky, but in my eyes, it is just so!"

The Emperor of Jiuyou quickly said coldly: "Ye Chen, apologize."

"Oh? You want me to apologize to him?" Ye Chen glanced at the Emperor of Jiuyou blankly.

suddenly, step out! The magic is rolling, and the momentum is released!

"As the emperor of Jiuyou, you don't know what Jiuyou is and what a demon is!"

"The Devil Emperor fights the Kingdom of God at the cost of his life!"

"But you are trying to climb the kingdom of God!"

"You who are shameless are not worthy of being an emperor! Not worthy to be in charge of Jiuyou!"

At this moment, the world is silent!

No one can think that someone would dare to insult the superior emperor in the Nine Nether Kingdom!

is not worthy of being an emperor!

From ancient times to the present, no one dares to speak!

And Ye Chen actually said it!

lunatic!

Completely crazy!

Chu Ying chuckles in her heart, this is over.

The complexion of the Emperor of Nine Nethers instantly changed wildly, the coercion of the Supreme Void Realm raged wildly, his beards were upside down, and he was still furious!

Makino offends Wang Wei, forget it!

People have background and identity, and you Ye Chen, what is it?

is just an academy student in Lingwu Continent, or the weakest Shenhua Academy, dare to speak to the Emperor of Jiuyou like this?

"Ye Chen, you are presumptuous!" The Emperor of Jiuyou roared at Ye Chen.

"Presumptuous?" Ye Chen sneered, dismissing the Emperor of Jiuyou already.

"I'm presumptuous, so what? You have a kind, hit me?"

"You, you, you..." The Emperor of Jiuyou was almost mad at Ye Chen. He stretched out his finger and pointed at Ye Chen. His whole body was shaking, and he even said three words for you!

And, the supreme devilish energy surrounds the fingers!

You can kill Ye Chen with one finger!

However, when the Emperor of Jiuyou was about to make a move, Ye Chen spread his hand and shouted loudly: "You know this talisman! Do you dare to do it to me!"

The next moment, the Emperor of Jiuyou retracted all his power, his eyes widened, as if he was about to burst!

Because he discovered that Ye Chen actually had the Nine You Emperor Talisman!

This emperor talisman cannot have a second person besides him!

how is this possible!

Who is this person!

Everyone looked at the bright and dark faces of the Emperor of the Nine Nethers, puzzled.

Ye Chen is so contradictory, the Emperor of Jiuyou won't do anything?

Muye, but frowned, and said to the Emperor of Jiuyou faintly: "Emperor of Jiuyou, why don't you make a move?"

The Emperor of the Nine Nethers suppressed the shock in his heart, and said: "I can't make a move... I ask Mr. Mu to agree to martial arts."

Muye hesitated for a moment, and still said: "Okay, my son, I will sell you the face of the Emperor of the Nine Nethers, just accept what you said about performing martial arts."

Muye's eyes looked at Ye Chen, they were extremely cold, as if he was about to take Ye Chen's life into an endless abyss.

There are several reasons why he accepted the opinion of the Emperor of Jiuyou.

First of all, he didn't want to kill Ye Chen directly. Instead, he wanted to engrave the mark of a slave on Ye Chen so that Ye Chen would live forever and endure the humiliation. As a result, he offended himself.

In the future, Ye Chen will really come to the kingdom of God, and he will not be able to change his status as a low-level person, even worse than a low-level person, thoroughly, and live like a dog!

And I can get a slave too, isn't it, it's much better than killing him directly? why not?

Secondly, if he doesn't know about Ye Chen's imprint, then forget it. However, if he already knows, he will impose a slave imprint on Ye Chen. If he is tracked down by the divine envoy, he will not be easy to explain.

Therefore, he has to deal with Ye Chen in the name of the Emperor of Jiuyou, this Yanwu, and then he will transfer the responsibility to the Emperor of Jiuyou.

This Makino is so sinister and vicious to the extreme!

At this time, Chu Xiao and Lan Yufei looked at each other, and they both saw the solemnity in each other's eyes. They knew that although Muye was arrogant, his strength was definitely extremely strong.

The next moment, Chu Xiao and Lan Yufei yelled at the same time, and they shot at the same time!

Chu Xiao flipped his hands, there was a spear full of gold in his hand, and a splendid spear faintly surrounded by the shadow of a dragon. This spear was actually a real artifact!

And Chu Xiao's aura was violently rolled, condensed on the spear, and the spear intent was agitated. The whole person seemed to be integrated with the spear in his hand. The dragon shadow on the spear also instantly solidified, as Chu Xiao shot out with a shot. A trembling dragon chant!

"Dragon Spear!" Chu Xiao shouted violently, and pointed his spear directly at Muye's temple, like a thunderous!

Lan Yufei was not weak at all. A faint blue flame erupted from behind him and turned into three pairs of blue flame wings. Under the reflection of the blue flame, Lan Yufei's breath suddenly changed. It actually exudes a divine breath.

"God blue fire rain!"

Lan Yufei moved his hands, holding a handle that was also burning with a blue flame, imprinted with countless mysterious inscriptions, and a big bow that was full of people!

put his hand on the bowstring, pulled it hard, his spiritual power roared, and instantly shot a rain of arrows formed by the blue flame!

Although the arrow rain was a lot, it was controlled so well that it cooperated with Chu Xiao's spear and blocked all Muye evasion routes!

Although it is the first time for the two to join forces, their cooperation is perfect!

Even the Emperor of the Nine Nethers of the Taixu realm saw Chu Xiao and Lan Yufei, these two peerless geniuses on the Profound Rankings, together issued such a fierce attack, they couldn't help but show a horrible look.

He knew that Makino was very strong, but Makino's cultivation base was still a little bit lower than that of the two.

The higher the realm, the greater the gap between each small realm!

What's more, are two geniuses who are higher than the Makino realm, have transcending combat power, and have unlimited potential, and they will jointly attack?

Muye's eyes swept across the sky of arrows rain and Chu Xiao's dragon spear, his complexion did not change at all, and even a faint disdain flashed deep in his eyes!

At this moment, Makino actually stood with his hands on his back, and he didn't even mean to dodge!

And when Lan Yufei and Chu Xiao saw this, they both looked happy!

They are very confident in their attack power. If Muye is arrogant and does not evade, then their odds of winning will be greatly increased!

"Ignorant fool! Break me!"

The next moment, Mu Ye suddenly uttered a loud shout, and a wave of invisible fluctuations spread from Mu Ye. The expressions of Lan Yufei and Chu Xiao, who were still happy, were actually frozen in an instant!

Chapter 2073: Feng Qingyang's second sword, the sword of Burning Heaven!

And that rain of arrows, and the flying dragon on Chu Xiao's gun, collapsed and dissipated at the same time!

Ye Chen's pupils shrank, Makino, what did you just do?

Even more strange is that Lan Yufei, who was suspended in the air, and Chu Xiao, who had just arrived in front of Muye, suddenly uttered an extremely painful scream!

In the seven orifices of the two, blood was rushing, and they just turned over and fell to the ground, completely fainting, and the original surging aura became as if there was nothing!

These two geniuses on the Profound List were seriously injured and dying after a blow from Muye!

Makino looked at these two people with disdain, this is the gap between them!

Soon, he smiled, turned around to look at Ye Chen, smiled and said, "Now, it's yours."

Huang Jifu and the Emperor of Jiuyou both looked at Muye in horror. The people of the kingdom of God are worthy of the people of the kingdom of God. The strength of Muye is far above their expectations!

Fight across the border, the people of the kingdom of God, too strong!

actually defeated Chu Xiao and Lan Yufei with no effort!

Is this strength still a strong one?

Ye Chen, now in their eyes, is already a dead person.

Even though the Emperor of Jiuyou was surprised by the Emperor of Jiuyou Talisman, there was even a hint of happiness in the eyes of the tiger. Ye Chen offended himself just now, but he couldn't move Ye Chen on his own, and he sighed in his heart.

I didn't expect that I could see Ye Chen so soon, and I paid the price!

Now, the more he looks at this Muye, the more pleasing he is. Even Muye has offended himself repeatedly before. In the heart of the Emperor of Nine Nethers, Muye is a member of the kingdom of God. Of course, he is a privileged existence.

Ye Chen stared at Muye, his expression unchanged, but he asked Feng Qingyang in his heart: "Senior Feng, if I feel right, what Muye used just now..."

Feng Qingyang sneered and said, "Yes, he used his divine mind to attack, this Muye is actually a warrior who specializes in spirit!"

Ye Chen said quite solemnly: "Is there any difference between the attack he used and my spirit attack?"

Feng Qingyang said: "Naturally, although you can also use some spirit attacks, but it is not an authentic soul cultivation method. The real soul cultivation, the spirit skills used are much more subtle than the spirit attacks you use. For example, this Muye used a spirit ability just now, but..."

Ye Chen said: "What's wrong?"

Feng Qingyang smiled and said: "Boy, Soul Cultivation, on this Lingwu Continent, it can be said that it is a very powerful existence. After all, this Lingwu Continent does not have many methods to restrain soul cultivation.

But, if you say, what you are most afraid of, it is soul cultivation. With me and the Devil Emperor guarding the sea of consciousness, you can rely on the soul cultivation of Lingwu Continent? Basically, I can't hurt you! "

Ye Chen was overjoyed when he heard this. Originally, this Makino's soul skills made him feel quite tricky, so there is no need to worry about it!

However, Feng Qingyang said with a deep voice:

"However, you must not be careless. This guy from the kingdom of God still has some strength. After a while, I will give you some power. The Devil Emperor is not convenient to shoot.

This person from the kingdom of God would definitely want to use his spirit skills to crush you, but he couldn't imagine that his spirit skills would be useless to you!

When the time comes, use the strongest strength of me and you to cast a sword, take advantage of it, and seriously wound it! In this way, you have a greater chance of winning! "

"Continue to use the Heaven Slashing Sword?" Ye Chen said.

Feng Qingyang smiled mysteriously: "Since I have my power, then I will teach you the second sword."

"I am the six sword gods, and I have six swords that shake the sky! The first sword is the one sword, and today, I will teach you the second sword!

Burning Heaven Sword! "

"Okay!" Ye Chen's eyes flickered, his fighting spirit burned, God's genius?

Today is his first step towards the kingdom of God!

At this time, Muye was not in a hurry to act on Ye Chen, but smiled: "What is your name? Ye Chen? Now, you see the fate of these two people, and still have the courage to speak to me?"

When everyone was waiting for Ye Chen to be humiliated, Ye Chen didn't change his expression. He glanced at Muye playfully, and said lightly: "What about the Kingdom of God, in my eyes, it is still going to die."

Silence, like the silence of an eternal icefield, cold.

The air in the Palace of God's Heart was completely frozen by Ye Chen's words!

Even strong people like Huang Zhuong and Jiuyou Emperor are completely sluggish.

This sentence is undoubtedly an insult to the genius Muye of the Kingdom of God!

Moreover, it is an extremely ugly insult!

Even the Emperor of the Nine Nethers, facing Muye's disrespectful words, would bow his head and talk with him in a mellow manner, but now this name, as if the martial artist of the good fortune realm who doesn't know why he fears, speaks this way to Muye?

Even Muye was a little dazed. He originally thought that Ye Chen, after seeing his own strength, would become like a dog and endure his own insult, but what?

Ye Chen, actually scolded himself?

Makino, he can no longer maintain that relaxed and indifferent look, but is furious, completely furious!

The Temple of the Heart of God, all will be directly lit by Makino's anger!

Ye Chen sneered and said: "This is Jiuyou, not the kingdom of God."

"The Devil Emperor was able to suppress many powerful people in the Kingdom of God."

"Today, I, Ye Chen, can still do it!"

Makino's beautiful face is completely red!

His brain was immediately detonated by a cloud of cold anger, and that anger contained a killing intent that was so extreme that it couldn't be more extreme!

Muye's eyes gazed at Ye Chen faintly, like a death god's sickle sword, locked it firmly, and then, a low voice broke out in his mouth: "Kill the **** of lock!"

He even forgot to imprint Ye Chen's slaves, it is endless, as if it can fill the entire universe with the killing intent, directly through the condensation of his soul, transform into a powerful soul ability, straight cut Ye Chen's knowledge of the sea!

Muye is a soul cultivator. Soul cultivator is extremely rare in the Lingwu Continent, but in the kingdom of God, it is not that rare. The power of soul cultivator specializes in **** soul, and its power does not depend on the cultivation level. High and low, but the strength of the soul.

Muye's cultivation base is only in the gate-closing state, but its spiritual strength is comparable to that of the late-closing door on the Lingwu continent!

As for Ye Chen?

Perhaps, he is indeed very talented, very strong, and can be recognized by the imprint, but can his soul be comparable to Muye?

Naturally, it is impossible.

But, the next moment, Makino's smile froze.

What he saw was not Ye Chen's tragic situation, but a sword light that dazzled to the extreme!

Sword light envelops the flame!

The sky of the Nine Nether Kingdom seems to be burned by fire!

This is the sword of Burning Sky!

It is not only the sky that burns, but the face of the kingdom of God!

Chapter 2074: Seriously injured!

The sword light of Burning Tianyijian split time and space, shocking everyone's eyes!

"how is this possible!!!"

Muye exclaimed, Ye Chen, under his strong soul ability, the lock **** killer, why didn't he die?

More than not dead!

Even, he even cut out this powerful sword!

The power condensed by this sword is almost shocking!

This swordsmanship is by no means simple! Even from the perspective of Makino God Kingdom, this is a very weird, very powerful sword that even he can't see through!

Although Ye Chen only has the cultivation base of the Good Fortune Realm, this sword, at least, has the offensive power of the Sealed Door Realm!

Muye, finally panicked, if he is facing the enemy head-on, although this sword technique is terrifying, he is not incapable of resolving it. After all, his cultivation base is much higher than Ye Chen.

But now, after he was careless, it was too late to defend!

Makino can only rush to activate a defensive artifact, which emits a white light, and at the moment of the moment, it can cover the body of Muye!

The next moment, there was a bang, a loud noise!

The whole hall is shaking again!

Even the ground of the Temple of God's Heart, which has undergone countless blessings and has a hardness comparable to that of gold and black iron, was cut into a deep gully by this sword!

Then, there was a scream!

Makino's scream!

"Ah ah ah ah!!! It hurts, it hurts!!!"

Everyone looked intently, and saw Muye at this moment, his figure flew back, clutching his chest.

On his chest, blood is dripping, flesh and blood are torn apart, and bones appear at once!

was actually cut out a terrifying wound by Ye Chen's sword!

Even though Makino was defending at the last minute, but because of his rush, he was seriously injured by Ye Chen's sword!

But the Emperor of Nine Nethers and Huang Jifeng were completely stunned. They could only open their mouths wide and watch the scene in front of them silly.

Their thinking is going to freeze.

They are strong men. They have lived for tens of thousands of years. In their lifetime, they have seen countless geniuses, but even in their eyes, the god-land genius Muye is definitely an existence against the sky.

Although the Kingdom of God is in the Lingwu Continent, compared with the Lingwu Continent, it is two worlds.

The environment, resources, inheritance, and even the qualifications of the people of the Kingdom of God are not a warrior outside the Kingdom of God, which can be imagined.

And such a strong against the sky, Muye was actually cut by Ye Chen, a martial artist of good fortune?

Their brains are completely confused, and they don't understand whether what they see is real or illusory!

To put it simply, their self-righteous judgment has been completely stepped on by Ye Chen!

"Damn it! Damn it!"

Mu Ye is like a crazy beast, staring at Ye Chen:

"You dare to hurt me! You humble boy, how dare you hurt me? You will regret it, I must cut off your flesh and blood piece by piece, and let you die in despair in the abyss of pain!"

He Makino, he has hardly been injured since childhood!

Now, he was injured in the hands of an ant outside of the gods. This made him so angry that the blood rushed back and he broke his head!

Chi! Why are you not angry!

Makino, he is about to be burned to ashes by his own anger!

However, the more angry Makino became, the more he did not believe in evil. Just now, his soul ability failed for some reason, but he just didn't believe that Ye Chen could really eat his soul ability completely!

Makino scolded: "Kill me! Kill the soul!"

The strong killing intent is like a life-threatening sword, melting the power of divine consciousness, rushing out, and taking the first level of Ye Chen!

Ye Chen sneered, Feng Qingyang and the Demon Emperor were there. What kind of **** spirit skills were nothing but tickling to Ye Chen. The more Makino used spirit skills, the safer he would be!

"Slashing the sky with one sword! Both are immortal!" Ye Chen yelled, and another sword slashed out, the sword gleamed, and the sword intent was shocking! The meaning of immortality spreads!

Makino's pupils shrank. This time, he had learnt well and fully deployed the artifact defense. A white light shield appeared in front of Muye, full of spiritual power, madly pouring into it!

There was a boom!

The sword light slashed on the big shield, and this big shield was completely smashed!

Muye's complexion changed, the blood in his body surged, and he stepped back, the right hand that summoned the big shield, at this time, it was blood!

Ye Chen's swordsmanship is stronger than he expected!

itself, although he has the strength of the gate-closing state, his strongest place is his spirit, general martial arts, supernatural powers, physical fitness, etc., which is not Muye's strong point!

This is also the reason why he was able to fight the two blockers with one move.

Lost the spirit attack, he is nothing!

The worst thing is that he was hit by Ye Chen's strong sword right from the beginning, and now he is seriously injured, and his strength can only show less than 30%!

However, what made Muye feel more desperate than these is that after he used his soul skills again, Ye Chen still stood in front of him gracefully!

Not to mention being killed, he doesn't even have a slight injury!

"It's impossible! It's impossible! It must be fake, you kid, you must be bracing! How can you resist my spirit ability?"

Makino was going crazy, and roared sharply.

Even in the kingdom of God, he has never heard of any existence that can be immune to spirit abilities! What kind of weird monster is this Ye Chen?

Normal people should have been killed by his soul skills long ago!

As a soul cultivator, he can feel that Ye Chen's spirit is very strong, almost no worse than that of a strong person. In the realm of good fortune, even Muye feels the existence of evildoers, but that is for the realm of good fortune, he Makino, is it the realm of good fortune?

He Makino But he is a real warrior in the closed door realm!

Its soul is not known how much stronger it is than Ye Chen, but even so, his soul skills still can't hurt Ye Chen at all. This is fundamentally illogical!

Soul cultivation itself is a kind of transcendent existence, even in the kingdom of God, after all, soul skills are difficult to defend.

If it is true, there will be people like Ye Chen everywhere, who can be immune to spirit abilities, what other fool will go to become a soul cultivator?

Ye Chen smiled disapprovingly: "What? God's genius is also afraid? Didn't I tell you, if you are afraid, can you compare it?"

said, Ye Chen slashed again with a sword!

"Damn it!" Mu Ye yelled angrily, but now he really didn't dare to continue using spirit abilities on Ye Chen.

If Ye Chen used this terrifying sword technique to cut it down again, even he would definitely not be able to bear it!

He is not a fool, because Ye Chen used a spirit ability that could not be effective because of a provocation.

Facing the sword cut by Ye Chen, Muye flipped his wrist and fell into his hand with a white long sword. Above this long sword, the light filled with divine light, exuding an extremely holy breath!

At the same time, in the sword body, all kinds of strange inscriptions flickered. This inscription was extremely similar to the divine inscriptions that Ye Chen had seen in the blood zone!

Chapter 2075: Sorry to disappoint you

This long sword is a powerful artifact!

Makino took a deep breath, and a strong sword intent waved all over his body. Under the sword intent, the surface of the furnishings in the Palace of God's Heart was actually carved with sword marks!

Muye's spirit is powerful, but he does not only use spirit skills!

Although not as direct and terrifying as soul skills, he also learned a martial skill called the Sword of the Ten Thousand Gods!

This Ten Thousand Gods Slashing Heart Sword is a powerful martial skill that can transform part of the power of divine consciousness into destructive power!

The breath of Muye's closed gate realm erupts like a flood, and the spiritual power roars like a hurricane passing through the border, sweeping everything!

Along with the strong sword intent, it is poured into the divine weapon in the hand, the Su Ling Sword!

Su Ling sword, the sword shines like water, swaying out!

"Myriad Gods Slash Heart Sword!" Muye yelled, and the long sword danced, and the light of the Su Ling Sword slammed into the sword light of Zhan Tian Yi Sword!

With a boom, the sky is shaking!

In the sky above the palace, lightning and thunder, space shattered, and a doomsday scene!

Ye Chen and Mu Ye's blow, unexpectedly, directly disturbed the spiritual power of the heavens and the earth around the capital, and the laws of the realm!

The powerful energies emitted by the two pass through each other's attacks and hit both sides fiercely!

The white light in front of Muye barely activates the artifact to resist the remaining sword light, but how can it be blocked?

"Ahhhhhhhh!!" Makino let out a scream again, and the whole person flew out, and there was another scar on the lower abdomen, but it was much shallower than the chest.

However, although he was crying out, but in his eyes, there was a lot of pleasure!

The power of the Ten Thousand Gods Slashing Heart Sword he slashed out is definitely not the current Ye Chen. Under the Slashing Heaven Sword he slashed out, after all, he has the suppression of cultivation level, and Ye Chen only mastered Zhantian. It's just part of a sword.

And his Muyue was cut by Ye Chen with a sword while he was defended by a magical weapon. What about Ye Chen?

You have to know that when the cultivation base reaches the gate-closing state, the physique will undergo earth-shaking changes. Almost, you can regard your body as a manifestation of the Tao and possess extremely strong physical quality.

Even if Makino is not very good in terms of physical fitness, it is still based on the standards of the Kingdom of God. If he is based on the standards of the Lingwu Continent, his physique can be said to be against the sky.

But even so, he was injured. In the only good fortune realm, what about Ye Chen who doesn't have a defensive artifact?

will explode into blood mist directly under his blow, evaporate and disappear, right?

Therefore, it is absolutely worthwhile for him to trade injury for injury!

After he landed, he sneered, watching Ye Chen, who was also smashed with a sword by him, smashed a table into pieces. It was blood!

Too much abnormal blood!

Makino's face is full of pride and happiness, leaving so much blood? Still alive?

Live a fart!

Having shed so much blood, the strong person who closes the door is still dying, Ye Chen's physique can be more terrifying than the strong one?

This hateful and weird inferior person was finally killed by himself!

This is the fate of opposing the kingdom of God!

Muye looked at the pool of blood, full of joy. He couldn't help but look up to the sky and let out a laugh, mocking the pool of blood and said: "Humble ants, this is the end of the fight against our kingdom of God. You have only one left. Tan blood, can it be as arrogant as before?"

However, this way, it is in line with your identity, and the ants dare to compare with the superior kingdom of God! "

But at this moment, Huang Gongfu suddenly shouted: "Mother Mu, be careful!"

Be careful?

Makino looked at Huang Jifen in a puzzled manner. What is this old man talking nonsense?

Suddenly, Makino seemed to remember something, and his expression changed wildly!

At this moment, behind Muye, a gentle moonlight suddenly flashed, and a strange figure flashed out!

was actually Ye Chen's figure!

At this time, Ye Chen also had a fist-sized blood hole in his abdomen. Obviously, he was injured by Muye Yijian!

However, with the horror of Ye Chen's physique, such an injury would not affect his actions!

What's even stranger is that Ye Chen somehow concealed Muye's spiritual thoughts and hid behind Muye with the moondust gauze that Zi Ning gave him at the beginning!

Ye Chen's icy voice sounded behind Muye: "I'm sorry, I disappointed you."

At the same time, the dreadful sword light containing terrifying power, once again like lightning that penetrates the universe, suddenly appeared!

Makino was terrified to the extreme after hearing this sound, and his whole body was violently stirred, and he was about to stimulate the protection of the artifact!

But, is it too late?

Under this distance, Makino didn't even have the opportunity to activate the artifact!

With a bang, Ye Chen's sword light slashed to Muye's back!

The physique of the strongest person is very strong, but no matter how strong it is, can he use his body to resist the full energy of this sword?

Natural, impossible!

Ye Chen slashed Muye directly into the air with a sword. At the same time that Muye flew out, he began to collapse and burst in the powerful energy of the sword!

But, the strange thing is that Muye's body actually emits a strange blood light, this blood light actually barely holds Muye's body and prevents its body from bursting!

Ye Chen couldn't help but shrink his pupils when he saw this!

Just now, when Makino used that powerful sword technique, Feng Qingyang reminded him that Makino used a sword technique that transforms divine consciousness into destructive power.

This kind of swordsmanship is very strong and fatal, but it also has a flaw. That is, if the martial artist has not practiced it to the extreme, after the martial artist uses it, there will be a short period of time, the spiritual mind will fail, and it will not be able to perceive it normally!

Ye Chen took advantage of this. During the process of being cut and flying, he used moon dust gauze to conceal his figure, hid behind Mu Ye, and slashed out a fatal sword while he was taking advantage of it.

Ye Chen originally thought that this sword would definitely kill Muye, but things seemed not that simple!

The crimson light emitted from Muye's body is obviously a very powerful means of life-saving!

comes from the shepherd's house of the Kingdom of God!

After Muye landed, he vomited a big mouthful of blood, and the whole person's breath faded again.

But the body that should have been completely collapsed under Ye Chen's sword intent was completely stabilized, except for an extra fierce sword wound on the back, nothing unusual was visible!

He panted heavily, and his whole body was wrapped in fear, shaking constantly! Just now, he really almost died!

If so, without a blood talisman planted for him by the ancestors of the Mujia family, he would really be cut by Ye Chen!

Standing in front of him, the ant that he originally despised to the extreme made him experience the greatest horror in his life!

He really regrets it now! I regret why I provoke Ye Chen!

When Muye used the Ten Thousand Gods Heart Slashing Sword, she didn't know that the Ten Thousand Gods Slashing Heart Sword had the shortcoming of temporarily losing her sense of consciousness after using it, but he didn't care at all.

Why?

Because, from the very beginning, Muye didn't think that Ye Chen could survive under his Ten Thousand God Slashing Heart Sword!

And Huang Gongfu and the Emperor of Jiuyou are completely speechless, his face is extremely ugly.

Originally, they thought that Muye, a genius of the kingdom of God, who was sure of winning, was actually killed by Ye Chen just a little bit?

This has completely subverted their cognition!

They thought that Ye Chen, no matter how strong, has a limit, but who would have thought that Ye Chen is constantly breaking through the limit?

Ye Chen stared at Muye and sneered: "Your life-saving method is pretty good. I just don't know. How many times can I protect you?"

After all, he faced Muye with another sword cut away, the sword light of the sky cut away, and the sword shines again!

Muye suppressed the fear in his heart and gritted his teeth fiercely. Now, he dare not easily use the Ten Thousand Gods Heart Slashing Sword, facing the sword light cut by Ye Chen and other attack methods, It's not that he doesn't have it, but is it useful for Ye Chen, who has resisted the Sword of Ten Thousand Gods with a stiff body?

is the plan for the present, instead of carrying out unnecessary attacks, it is better to defend yourself!

This genius of the Kingdom of God, the original Muye, had no choice but to condense all his spiritual power and pour it into the body protection artifact. The artifact's light was released and condensed into a white light shield, blocking Ye Chen's sword light!

There was a bang, and the strong light shone, Muye's light shield shattered, but it also blocked Ye Chen's sword, but is this over?

Ye Chen sneered. At this time, he had the support of Feng Qingyang, so naturally it was impossible to stop!

The beast rotten sword moves, the cold light is rippling, and the sword strikes the sky again!

Muye's complexion turned pale, his injury is not light now, he has resisted Ye Chen's powerful swordsmanship, his body will soon be overwhelmed, but besides, what else can he do?

He madly turned his spiritual power far away, and the damaged meridians in his body burst, but Makino could only hold back, converge his spiritual power into the body protection artifact, and sacrifice that light shield again!

Suddenly, Huang Zongfeng and the Emperor of Jiuyou were a little dumbfounded. The Divine Country Muye, who killed Lan Yufei and Chu Xiao in seconds, was in a complete battle against Ye Chen. Downwind!

Chapter 2076: Something went wrong!

More than a disadvantage!

It was simply being beaten by Ye Chen!

The sound of rumbling sounded continuously in the Temple of God's Heart. The Muye, who was so arrogant just now, was beaten with blood and swollen nose and face by Ye Chen!

The nine princesses, but their big eyes flickered, full of excitement!

Compared with that annoying Muye, she obviously hopes Ye Chen will win!

"Haha" Ye Chen waved his sword and sneered at Muye: "Mother Mu, do you remember what I said just now? Rubbish must look like rubbish? Mr Mu, don't know, you think you are now What does this look like?"

In the rumbling sound, the white light shield dissipated again, Makino couldn't help but spit out a mouthful of blood!

Hearing Ye Chen's ridicule, Mu Ye almost cried out. Since childhood, when has he suffered such a loss?

If your soul ability is not invalid to Ye Chen!

If I didn't underestimate the enemy at first, I was seriously injured by Ye Chen!

If he did not relax his vigilance after using the Ten Thousand God Slashing Heart Sword, he was attacked by Ye Chen!

The result may be completely different! At least, I won't be as embarrassed as I am now!

This is the gap between Muye and Ye Chen!

Ye Chen, since he embarked on the road of martial arts, he has gone through difficulties and obstacles, countless despairs, and relied on his tenacious will. In the desperate situation, he seized the trace of vitality, and he lived and died. It took countless opponents more powerful than him to come to today.

Is it like Makino, who has grown up smoothly under the protection of his family from an early age, can be compared?

Although Ye Chen's luck is indeed not comparable to ordinary people, but if there is no Ye Chen's unyielding, Ye Chen's pride, another person, still can't be like him, all the way to this day!

Makino looked in front of him, with a wicked smile on his face, burning in his eyes, holding a long sword, and a young man who looked like a demon god. His eyes trembled, his heart trembled, and his body trembled uncontrollably.

Now, he is scared, really scared! I was so scared that I couldn't breathe, and the air in my lungs was as biting as the cold wind on the ice sheet!

What kind of **** is this, what kind of low-level people in Lingwu Continent?

This is completely different from what the elders in the family told him!

Standing in front of him, he is clearly a demon! It's a monster!

Ye Chen's turbulent spiritual power calmed down, and once again raised the sword in his hand, staring at the frightened Muye with cold eyes.

But Muye was truly desperate. He desperately stuffed the holy medicine in his mouth. At this time, the injuries in his body were so severe that he couldn't condense spiritual power. Before Ye Chen made a sword, he defended. what!

Seeing Ye Chen's beastly sword, it was about to fall, that astounding sword light would become a true death sickle sword. When it brought death, Mu Ye's legs were soft, and he knelt on the ground with a thump!

On his delicate face, pride and contempt have disappeared, and all that is left is horror and fear!

The genius of the Kingdom of God, Muye, was actually under the pressure of death, his heart completely collapsed, desperately, regardless of the dignity of the so-called Kingdom of God, kneeled to Ye Chen!

Huang Ji Fong was foolish when he saw this scene. That is extremely proud and extremely noble God's genius!

actually knelt down at Ye Chen, a martial artist of good fortune, which is incredible, as you can imagine!

But, this is not over yet, Muye actually cried to Ye Chen: "Spare me! Ye Chen! I was wrong. You are a genius with a mark. In the future, you will definitely enter the kingdom of God!

You can't kill me. If you successfully enter the kingdom of God, the mark will no longer protect you. At that time, you will face the entire Shepherd family! You are a smart person and know how to choose, right? "

Ye Chen's complexion sank when he heard the words, and the beast sword in his hand stopped moving!

Huang Jifu and the Emperor of Jiuyou, there was a look of expectation in his eyes, Ye Chen, was moved by Muye, realized that Muye's background is strong, did he dare not kill Muye?

Ye Chen will let Muye go, which is undoubtedly a great thing for them!

If Muye really died in the Nine Nether Lands, the Nine Nether Lands would definitely cause big trouble!

When Makino saw it, ecstasy flashed across his face, and he hurriedly continued:

"Ye Chen, I apologize to you. You are indeed a super genius worthy of respect. Once you enter the kingdom of God, you will definitely have a promising future. My shepherd family really needs a talent like you to help you in the kingdom of God. Stand firm!

As long as you let me go, you can get huge benefits! I promise, I will forget everything that happened today, just remember your kindness to me, I promise! I can swear by Dao Heart! "

At the same time, an imperceptible haze flashed through Muye's eyes.

Need Ye Chen? What they despise the shepherd family is that Ye Chen is a low-level person who is not born in the kingdom of God. How could he need such a humble existence?

And he Muye is natural, and he will not forget the humiliation Ye Chen brought to him today, Daoxin swears?

He is a soul cultivator, and what he is least afraid of is this kind of vow backlash. Moreover, how can an ancient and powerful family like the Mu Family allow Ye Chen to insult the Mu Family's existence and live in the world?

Even if Makino does nothing, as long as he tells what happened today, there will be someone who will handle Ye Chen for him!

As long as he can survive now and be able to deceive Ye Chen's trust, then he will definitely make Ye Chen pay the price!

At the same time, he also seized this precious time, desperately dissolving the medicine power and condensing the spiritual power in the body.

He stared at Ye Chen, waiting for Ye Chen's answer.

However, Ye Chen still kept the appearance of holding a sword, silent!

A hint of surprise flashed in Muye's eyes, Ye Chen, a low-level idiot, was he really moved by him?
Thinking seriously?

Makino almost laughed out loud!

But, gradually, a trace of doubt flashed in Muye's eyes.

Ye Chen Are you really thinking?

Why did he feel that Ye Chen's state was a little strange?

Huang Jifu and the Emperor of Jiuyou are also suspicious. They have a lot more experience than Muye. At this time, Ye Chen is obviously not thinking about anything so simple!

Chuying looked at Ye Chen worriedly. She knew Ye Chen and knew Ye Chen would never, because of Muye's words, she was hesitant!

Ye Chen, since he was murderous, he would never change easily!

For example, when he faced Wang Lin, Chu Ying knew that the reason why Ye Chen didn't kill Wang Lin was mostly because of herself and didn't want to hurt herself.

So, now Ye Chen is like this, sure, something happened!

In her beautiful eyes, a cold glow flickered, and she quietly glanced at Huang Zhuan and the Emperor of Jiuyou behind her. If not, the aura of the two faintly locked her, and she would desperately attack Muye!

No one noticed that at this time, the nine princesses looked at Ye Chen with **** eyes, full of anxiety and sorrow. At the same time, her small face was tight, as if secretly trying hard, her eyes faintly flashed through Daowu. mango!

At this moment, Ye Chen, who had been holding his sword still, suddenly his complexion changed, and with a puff, a huge amount of blood was poured out of Ye Chen's seven orifices madly!

Ye Chen's body shook, and he took a few steps, his aura weakened instantly!

Chapter 2077: Fear from the heart

"Damn it!" Ye Chen cursed secretly. Just now, just as he was preparing to slay Muye with a sword, the blessing of Feng Qingyang's power actually failed!

even because of the continuous use of the extreme sword intent just now, it triggered a backlash. Even if he suppressed it desperately, in the end, the injury was still serious!

Although Muye's spirit skills could not hurt Ye Chen's soul because of Feng Qingyang's existence, Feng Qingyang was helpless for his own backlash!

Seeing Ye Chen's seven orifices rushing into blood, Mu Ye was taken aback for a moment, and then he reacted, his face showed ecstasy!

However, he still remained cautious, not daring to make a move rashly. Instead, he stared at Ye Chen with blinking eyes and asked, "Are you injured?"

At the same time, a powerful divine spirit gushes out, carefully perceiving Ye Chen's breath!

With his perception, the joy on Makino's face became more and more intense!

He can be sure that Ye Chen is injured!

Sure enough, the terrifying swordsmanship just now was not without price!

"Hahahahaha!"

Mu Ye laughed wildly and stood up slowly. While continuing to adjust the spiritual power in his body, he sneered at Ye Chen while shaking his head: "Ye Chen, just now, it was a ten thousandth of a second, you can kill me, right? "

Sure enough, the low-level people can't defeat our gods, do you understand? The people of Lingwu Continent, forever, can only be our dogs, without any chance of turning over! "

Muye's murderous look is raging, this time, he will never be careless again! Once his spiritual power has been adjusted, he must use thunder means to kill Ye Chen!

Ye Chen touched the blood that kept pouring out of his face, and looked at Muye coldly, "Really? How do I remember that you were so humble that you could no longer be so humble, begging me for mercy? Don't you think, what you looked like just now? , Is it more like a dog?"

Makino heard this, his brain buzzed, and he was completely ignited by anger!

His eyes were bloodshot, like a beast stabbed in the pain, and roared at Ye Chen: "When death is near, you dare to be so presumptuous to this son?"

At this moment, the spiritual power in Mu Ye finally recovered. He stared at Ye Chen savagely, full of breath, exuding tremendous pressure.

He gave a low cry, and the extremely surging spiritual power condensed on his left palm, instantly bursting out a dazzling white light!

"Burning God's Palm!"

The palm power is violent, suppressing the void! A white palm print that seemed to be able to smash a large mountain directly, containing infinite power, gathered in front of Muye, and slapped it fiercely at Ye Chen!

Wherever the white palm prints passed, the sacred artifacts were crushed to pieces!

Muye sneered, Ye Chen is dead this time!

Although the Palm of Burning God is not as powerful as the Heart Slashing Sword of All Gods, it is so powerful, but! But there is no side effect like the Sword of All Gods Slashing Heart! He won't leave Ye Chen any chance this time!

Ye Chen's face was heavy in the face of the palm print that hit, but in his eyes, there was still no intention to shrink!

If you want to fight, you must fight to the end!

Ye Chen roared, holding the beast rotten sword in both hands, and slashed away at the hit palm print!

With a loud bang, Ye Chen's body was knocked down by his palm prints and flew away, slamming against a pillar in the Temple of God's Heart!

Ye Chen was already dripping with blood, Muye stared at Ye Chen, his eyes were full of pleasure!

This is the fate of offending him! He was about to laugh a few words, who would have thought that Ye Chen, who seemed to be seriously injured, would stand up again!

not only stood up, but also slashed a sword at Makino!

Muye was startled, and almost subconsciously recalled Ye Chen's extremely terrifying, even he couldn't resist one after another, but, soon, he relaxed.

Ye Chen's sword is very strong, far beyond the realm of the star aperture, but compared to the sword of Zhantian, it is far behind!

Makino's face is full of smiles!

Because this sword shows that Ye Chen is really at the end of the road! That terrifying swordsmanship, he has been unable to use it!

"What garbage swordsmanship is worthy of appearing in front of me?"

Muye coldly snorted disdainfully, raising his hand and hitting the Burning God's palm again, and the strong palm prints that resembled the heavens descended once again, instantly crushing the sword light that Ye Chen had cut out!

There was a loud bang, the palm prints of white light, the power of destroying the dead, once again fiercely knocked Ye Chen's body into the air, the blood was filled, and almost the entire Temple of God's Heart was completely dyed red!

Chuying saw this, her eyes flushed, but she bit her lip stubbornly, biting out blood. She was trying to restrain herself, not letting herself make a sound, and preventing everyone in the hall from watching her!

In this way, she has the opportunity to help Ye Chen!

Mu Ye took a breath, looked at Ye Chen who was almost a blood man with a sneer, and mocked: "Trash, can you still stand up now? Huh? Keep standing up? I haven't beaten him yet. Enough!"

This kind of injury, if you change to a strong one, you will have to die several times, right? Ye Chen's physique is against the sky, it is impossible to stand up!

But, the next moment, Ye Chen was really real, and stood up again! His whole body is blood-red and embarrassed, but his eyes are always bright!

Ye Chen looked at Makino whose smile was frozen again, and did not speak.

Ye Chen Is it possible to survive?

The smoke dissipated, and Ye Chen's figure appeared soon.

When Chuying saw Ye Chen's figure, her beautiful eyes shrank suddenly, she couldn't restrain herself anymore, and she shed tears!

Her ten fingers were held tightly, even embedded in her palms!

And after Muye saw Ye Chen's appearance clearly, he finally couldn't help but let out a great laugh!

Ye Chen now is more like a corpse than a human!

If not, Ye Chen still exudes an extremely weak aura, almost anyone would think that Ye Chen has been completely wiped out!

"Hahahahahaha!" Makino smiled, and his eyes became more cold, "The way you are now is really suitable for your inferior status!"

He suddenly turned his head and asked the Emperor of Jiuyou: "Emperor of Jiuyou, do you think this picture should be brought over by a painter to paint it well and spread it forever?"

The Emperor of Nine Nethers has a solemn expression, but he has no intention of war in his heart, and he dare not offend the kingdom of God. He can only comply with the saying: "Mu Gongzi is extremely true!"

But soon, Mu Ye dismissed the idea. He couldn't let Ye Chen survive, and he couldn't give Ye Chen a chance to stand up!

Because, Ye Chen, make him scared!

I'm afraid from the heart!

Chapter 2078: breakthrough!

At this moment, Ye Chen, who seemed to be motionless, was about to die, but a clear and clear voice rang out in his mind.

"I didn't expect backlash to come so quickly."

"Those swords are too overbearing for your current cultivation base after all."

"Boy, do you really want to bet? You know, now this Muye is obviously recovering from the injury. This is the best time for you to escape. Now, you seem to be on the verge of death, but you and I know that you have suffered Even heavier injuries can still fight. If you want to escape, you can definitely do it."

Ye Chen faintly shook his head and said, "I won't run away. I will run away. It may be difficult to have such a good opportunity to kill Muye in a short time.

Top Best AI for Forex Trading 2024

I am seriously injured now, Makino is also seriously injured, and, the body of the demon, I am bound to get it, if I escape, I will get the body of the demon by this Muye, this is definitely not what I want! "

The reason why he doesn't move now is to accumulate strength, to fight for his own life, to accumulate strength!

At the same time, I am waiting!

is waiting, the time has come to make everything happen!

At this moment, the aura on Makino suddenly rose!

Ye Chen couldn't help but his breathing got stuck! This Makino, at this time, healed his injury and was able to attack?

Muye's palm strength was concentrated, boundless spiritual power poured into his palm, he stared at Ye Chen who was still motionless, couldn't help laughing wildly: "Ye Chen, I can't think of it, in the end, it's me who won!"

Makino raised his hand, his palm strength was vomiting, and the overwhelming palm prints loomed, exuding an aura of destruction!

Everyone thought that when Ye Chen was about to fall under the palm of Muye, the sudden change occurred!

A dazzling sword light slammed to Muye! Go straight to the point!

"What!?" Muye's pupils shrank, and he lost his expression in shock. He is now at the time when the Burning God's palm is turned to the peak, he can no longer stop and change his moves, but this suddenly killed sword is extremely terrifying. If he insisted on attacking Ye Chen, even if he didn't die, he would be seriously injured!

His life-saving method has already been used!

This sword light, as fast as lightning, was actually not much slower than Ye Chen's Slashing Heaven Sword. At this time, Muye didn't even have time to think. He roared unwillingly and had to turn the palm of the Burning God that originally attacked Ye Chen. And facing the strong sword that struck!

There was a loud bang, Makino cried out painfully, and his left hand burst instantly, and the whole person took a few steps back to stop his figure.

At the same time, Huang Zongfeng's complexion changed drastically, turning into an afterimage, and he rushed to shoot, banging a palm on the person who did it!

He doesn't allow others to secretly attack God's geniuses!

At the same time, a beautiful body, bombarded by that fierce power, flew upside down!

Chuying's mouth was bleeding, and instantly he became confused and breathless!

Although Chuying is also a top enchanting evildoer, her strength is mainly in attack, although her sword, in terms of power, is a bit stronger than the Burning God's palm shot by the current Muye.

But her defense can't stop the combined blow of Makino and Huang Jiong!

"Chu Ying!" When Ye Chen saw this, he yelled, purple flames all over his body, burst out in an instant, soared up, and in an instant, he caught Chu Ying's upside-down body!

He can endure insults, even if he is extremely proud.

But he couldn't bear it, someone was hurt for himself.

Chu Ying's beautiful eyes stared at Ye Chen, who was catching him, and a sad smile appeared on Qiao's face: "You... said..."

Ye Chen looked at the woman in his arms with heartache, softly stopped and said: "Stop talking, it will aggravate your injury."

Chu Ying shook her head gently, and Zhu Lips said slightly: "You... said... won't make me... sad... remember?"

Ye Chen's eyes flashed with surprises and nodded, "Remember, I remember, stop talking, okay?"

Chu Ying slowly raised her hand, stroked Ye Chen's blood-stained cheek, and raised a satisfied smile on her pretty face: "Ye Chen...don't die, Jiuyou and Mozu are already devastated, I know, only You can change the current situation..."

The voice fell, Chu Ying's hand dropped weakly, and those beautiful eyes, which were brighter than the sky full of stars, closed slowly.

At this time, Muye was desperately dealing with the injury of his left hand. His eyes were bursting with anger, staring at the woman in Ye Chen's arms, roaring and cursing:

"Damn bitch! How dare I do good things! After I kill this dead dog, I must let you taste the humiliation!"

Suddenly, Makino's voice stopped abruptly!

He, can't talk anymore!

Because, a terrifying killing intent that was extremely cold, instantly enveloped the entire temple of God's Heart!

And the center of that murderous whirlpool is Ye Chen!

Makino's eyes are shaking!

how is this possible!

how can that be!

Just being enveloped by this killing intent, Makino felt that he had come to the real hell, and fear was spreading in every pore of his body!

so horrible!

"Boy, activate the Chichen Divine Veins, and the blood will be forced into this woman's body." Feng Qingyang said.

Ye Chen nodded, activated the Chichen Divine Veins, gently lowered Chu Ying's body, and then forced a drop of essence blood into Chu Ying's mouth.

then turned around and faced Muye. At this time, he had no expression on his face, and there was not even a trace of fluctuation in his eyes.

It seems that there is no sadness and joy, so calm!

But, this is Ye Chen's anger to the extreme!

"Ye Chen, come on! Both Ji Lin and I will help you." At this moment, the position of the throne of the Temple of God's Heart called out a little girl.

At the same time, a black awn shot into the back of Ye Chen's head!

Jiuyou Emperor's complexion changed drastically, and he shouted: "Little Jiu, you!"

Makino was taken aback, and then he was sluggish, completely sluggish!

Just now, what happened, Makino, did not know.

However, what he knew was that the breath of Ye Chen in front of him was actually soaring!

"No! Impossible!" Muye was caught in extreme panic, screaming frantically, and then turned around, his body flashed with blood, his body flashed extremely fast, desperately flew outside the Temple of God's Heart Escape!

Ye Chen raised the beastly sword, and said lightly to the nine princesses: "Thank you."

Ninth Princess shook her head: "It was Ji Lin who begged me to do this, you don't have to thank me."

Ye Chen nodded and closed his eyes, his killing intent broke through.

His realm also entered the third level of the good fortune realm at this moment.

is even climbing.

did not stop until the fourth floor.

"Cut!" He whispered!

The beast sword in Ye Chen's hand fell suddenly! For an instant, the sky wailed and the wind howled! It seems that there are gods and demons crying because of this peerless sword!

Chapter 2079: Chu Ying is dead?

In the distance, under the **** light, the rapidly flashing Muye couldn't help showing a hint of joy. He succeeded!

He escaped! Under such a distance, even Ye Chen's sword, he was confident that he could not kill himself!

But, the next moment, his smile suddenly freezes!

A sword light, silently, submerged into his body!

"No, it's not like this! Your swordsmanship is not so strong!"

Muye roared heartbreakingly, the blood in his body burst out frantically. It was a trace of energy remaining in the life-saving blood talisman, suppressing the sword light.

"I will not die here, I am a genius of the Kingdom of God, I am a person of the Kingdom of God who is higher than any existence in Lingwu Continent! How could I die in the hands of a person of Lingwu!"

District blood charm, even if it is intact, can't stop Ye Chen's shocking sword, let alone the remaining energy?

Less than a ten thousandth of a second, the cold sword light completely shredded the body of this genius of the kingdom of God, even the extremely powerful soul, comparable to the half-step demon, was shattered by something...

Makino, die!

At the same time, a faint rift in the void above Muye appeared, and a shadow crossed it, but it quickly closed and there was no breath.

The emperor of Jiuyou condensed his brows, glanced at the sky, guessing.

Huang enshrines at this time, but it is like a lifeless sculpture, staring blankly at the temple of God's heart, blood-stained Ye Chen, Muye, the invincible genius of the kingdom of God, just so dead?

But, soon, the complexions of Huang Gongfu and the Emperor of Jiuyou all changed, becoming very miserable!

That is the son of the shepherd family of the Kingdom of God! Just died like this, how could they bear the responsibility!

Yellow offerings are suffocating, and there is a feeling that the end of the world is about to come.

Huang Zhufen stared at Ye Chen, and gestured to the Emperor of Jiuyou with his eyes.

As long as Ye Chen is taken down and given to the Mu Family, it should be able to calm the Mu Family's anger.

The emperor of Jiuyou, his eyes flickered, and finally, he shook his head, they took Ye Chen, and it really chilled the heart of the country of Jiuyou.

Jiuyou is no longer the Jiuyou held by the Devil Emperor.

The Emperor of Nine Nethers, glanced at the injured Lan Yufei and Chu Xiao in the Palace of God's Heart, raised his hands, turned the two holy medicines into pure medicinal power, and penetrated them into their bodies.

He sighed and smiled bitterly, this time it was really, stealing chickens won't make you lose your rice!

The genius of the Kingdom of God, Muye, did not fawn, but instead offended the Mujia! and!

also offended Lan Yufei and Chu Xiao because of Muye's relationship, the two gods and the geniuses of the Shenlong Academy!

Although his Nine Nether Kingdom is strong, there is no power in Lingwu Continent that can stand alone, but it would be troublesome if the strongest Shenhuan Academy and Shenlong Academy joined forces.

At this time, Ye Chen glanced coldly at Huang Zhuan and the Emperor of Jiuyou. He quickly came to Chu Ying's side and reached out to investigate the situation inside Chu Ying.

The more probed, the more ugly his complexion!

Chuying's current situation, should have died long ago!

But, thanks to his mysterious blood, he breathed a sigh of relief!

Ye Chen took a deep breath, raised the beastly sword abruptly, cut open his wrist, pressed the wound to Chu Ying's mouth, and poured blood crazily.

However, the more the infusion, the more Ye Chen's heart sinks!

Chuying's body, although relying on the blood of his divine veins, held his life, but no matter how much blood he poured, Chuying showed no signs of getting better!

Ye Chen's hand trembled a little, he must not let Chu Ying die!

Seeing this situation, he could only ask Feng Qingyang in his heart: "Senior Feng, what can I do to save Chuying."

Feng Qingyang was silent for a moment, and then said: "To save this girl, it seems that you can only rely on Dragon Heart Fruit."

Ye Chen nodded, and even did not even ask what Dragon Heart Fruit is. Then, he gently put Chu Ying down, stood up, and looked at the Emperor of Jiuyou and others.

The reason why he didn't ask is because, no matter what this dragon heart fruit is, he must get a hand!

Chuying is now hanging on his blood for the time being, and will not die.

And after thinking about it for a long time, the Emperor of Jiuyou finally realized the color of determination, and said to Huang Zongfeng: "Huang Zongfeng, you have to keep the news that Muye is dead!"

Huang Zixiang was surprised, that is the shepherd's house of the Kingdom of God! How can it be so easy to hide? Moreover, you can hide it for a while, but you cannot hide it for a lifetime! One day, it will still be exposed!

That's how it is said, but at this time Huang Zongfeng did not dare to confront the Emperor of Jiuyou, because he just made a big mistake, because he found Muye, the whole Nineyou Kingdom may be in danger, where is he Dare to have any objections?

Even he hurt Chu Ying badly just now.

He had to suffer with an old face, and asked the Emperor of Jiuyou: "Emperor of Jiuyou, I don't know, when will you want to hide it?"

The Emperor of the Nine Nethers glanced at Ye Chen, and said solemnly: "When Ye Chen rises!"

"What!?" Huang Zhufeng was surprised, and Ye Chen rose? What does the rise of Ye Chen mean? Even if Ye Chen is really the proud son of heaven and wants to grow up to be able to compete with the shepherd of the Kingdom of God, at least, it will take thousands of years, right?

How can I keep this secret?

Besides, Ye Chen is really strong, will he help the Nine Nether Kingdom?

Huang Gongfeng still couldn't help but said: "The Emperor of Jiuyou, I waited just now and treated Ye Chen like that, and it hurt Chuying. Even if he can really grow to the point where he can compete with the Mu Family, he is willing to help. Nine Nether Kingdom?"

The Emperor of Jiuyou smiled and said, "Don't forget who killed Muye. What we have to do is help Ye Chen buy time."

Huang Jifeng sighed and nodded. Now, there is no other way but to believe that Ye Chen will be willing to help the Nine Nether Kingdom at that time.

The Emperor of Jiuyou continued: "From now on, our country of Jiuyou will fully support Ye Chen! His status in the country of Jiuyou is equal to mine!"

Huang Zixiang couldn't help but change his face: "The Emperor of Jiuyou this!"

The Emperor of Nine Nethers shook his head and interrupted him: "This was originally a gamble. I made a wrong bet. My Nine Nether Kingdom will be destroyed, so what identity do I care about?"

Right to bet, my Nine Nether Kingdom will surely rise, even if Ye Chen is a prince, what about?"

At this time, Huang Zhufeng and the Emperor of Jiuyou saw Ye Chen, their attitude changed drastically, and they looked at Ye Chen with a smile on their faces.

The Emperor of Jiuyou asked with concern: "Mr. Ye, how is Miss Chu? Huang Gongfeng, don't apologize yet, please forgive Mr. Ye..."

Huang Gongfu also said: "Mr. Ye, I just..."

The emperor of this dignified Nine Nether Kingdom unexpectedly apologized to Ye Chen and apologized! It's hard to imagine...

Ye Chen's cold eyes fell on Huang Zhuan's body: "You must die."

Huang Zhufeng's face changed, and he could only look at the Emperor of Jiuyou!

The emperor of Jiuyou is naturally impossible to let Huang Zhuan die. Compared with him, Chu Ying is obviously more important to Huang Zhuan!

"Ye Chen, this matter is not trivial, and Chu Ying just made the move, the rules are broken, and Huang Zongfeng's move is reasonable..."

"If Chu Ying killed the God Kingdom genius, Chu Ying would eventually die..."

The emperor of Jiuyou's voice became cold.

Chapter 2080: I do not like

Bai'er next to Wei Ying stepped out and slapped the injured ancestor on the cheek!

"Asshole, how can the Palace Master be anything you can refer to!"

"Kneel down!"

Endless chill seems to fall from the sky!

The three seriously injured ancestors had to kneel down!

But their faces are full of horror!

Palace Lord!

The lord of the Extreme Cold Palace!

God!

The supreme overlord of Lingwu Continent has returned!

Even bloodbath the evil devil palace!

Wei Ying looked at the three condescendingly, did not release the pressure, but made the three ancestors tremble.

"My Lord Palace, back then, our Ferocious Demon Palace was nothing more than a participation, nothing was done, everything was meant by the kingdom of God, how can we contend! In front of the kingdom of God, we are just a little bit, we did not kill the Emperor of the Great Cold Gong Yiren, we are not qualified to kill either!"

The half-step too empty ancestor tremblingly said.

Wei Ying's red lips are outlined, and the cold voice is like the wind of hell: "Then have you ever snatched something from my Absolute Cold Imperial Palace?"

As soon as this was said, the three of them all changed color!

Because this is true!

The ancestor hurriedly said: "The lord of the palace calms down, we will get it now."

"No need." The cold voice sounded again.

The next second, Wei Ying stretched out her hand and grabbed it slightly.

The huge tower of the evil demon palace turned into powder directly, and a huge colorful ice stone flew out.

There are four words written on the ice stone-Absolute Cold Imperial Palace!

"Bai'er, accept it."

"Yes, Palace Lord."

Bai'er took out the storage ring and directly collected the colorful ice stones.

Wei Ying's gaze fell on the three of them again: "Actually, your fierce palace will not be destroyed by me."

"You hid from the Northern Territory to the Western Territory, or even demoted, just because you want to possess that thing."

The three ancestors were startled, and some did not understand what the girl meant.

Suddenly, a cold wind hit, Wei Ying's veil fluttered, and her beautiful face seemed to be wrapped in an endless layer of frost.

"I didn't intend to destroy you, but it's a pity that you chased Ye Chen again and again."

"I don't like the man who moved me."

As soon as these words came out, the eyes of the three ancestors of the evil demon palace seemed to be bloodshot!

Behind Ye Chen stood the Absolute Cold Imperial Palace, the first sect of the ages!

This... how is this possible!

There are only female disciples in the Absolute Cold Imperial Palace! It even cut off the seven emotions and six desires!

How can you shoot them for a man!

Unable to let them think, Wei Ying tapped her finger, as if playing something.

Then, the bodies of the three ancestors burst directly!

Between heaven and earth, there is only an endless blood mist!

Ferocious Demon Palace, no more!

Bai'er saw this scene and swallowed her saliva. She found that the palace lord had grown stronger since he went there.

It's just that the price of such an improvement is also huge.

Palace Lord, can you bear it?

The Absolute Frost Palace, which has been destroyed for thousands of years, is really going to rise in the hands of this woman?

The key, how can the palace lord say that Ye Chen is her man!

She has such a cold personality, she really likes Ye Chen?

However, the Lingwu Continent is not the only thing that the Absolute Cold Imperial Palace has to face!

If one day contends with that behemoth, what should the palace lord do?

Who will save the palace master then?

Could it be that Ye Chen who only has good fortune realm?

is it possible?

Bai'er felt that Ye Chen was indeed a monster, but no matter how evil he was, how could it be possible to fight the behemoth?

"Bai'er, go, next house."

Wei Ying's voice sounded.

Bai'er didn't think much anymore, and followed.

.....

The ancient forbidden realm of the holy dragon family.

Ye Chen finally attracted the attention of death row prisoners.

"I found a doorman who was alone!"

Buzzing!

Not far away, there was a sudden wave of fluctuations. Ye Chen saw that a strong man who closed the door half-step stared at Ye Chen fiercely, and a **** smell came from his body.

Presumably, I definitely killed someone just now.

Not only that, behind him there are two early stage gate closures and three star-aperture peak powerhouses.

Such a lineup, if it is met by the descendants of the Sacred Dragon family, it will not survive at all.

As for Ye Chen, there was no timid look on his face, but a smile on his face.

Unexpectedly, this group of people came to the door by themselves.

It happened that he didn't have to bother to find it. He raised the beastly sword in his hand, and rushed over without any hesitation.

Seeing this scene, these prisoners are directly dumbfounded. What is the situation?

An ant in the natural world, shouldn't it escape? He rushed over without his life, for fear that he didn't know how to write dead words.

"Resolve him."

The half-step door-closing expert pointed at a star orifice peak expert, and said coldly.

The star orifice peak powerhouse stood up, smiled, and rushed over suddenly.

Ye Chen saw this scene without any expression on his face, and then he raised his hand to a sword.

The sword fell with his hand. Originally, this star-aperture peak powerhouse was still thinking about how much strength he used to kill Ye Chen, but he was shocked to see the lightning-like sword light.

The breath that came was too terrifying in the past. He wanted to escape, but it was too late.

There was a look of horror in his eyes, and a sword penetrated his body directly, turning into two halves.

Hiss!

The condemned prisoner who was watching from the side took a breath.

"Brother Zhang Tian, this kid is a bit evil, what should we do?"

A strong man who has just stepped into the closed door realm, frowned.

Ye Chen was able to kill the Star Aperture Peak powerhouse in a second. He had just stepped into the sealed gate state, and he might not be much better.

can only count on the strongest Zhang Tian.

Zhang Tian frowned. He hadn't figured out the situation just now, and the top star of the star aperture was killed in seconds.

This kid is indeed a bit evil, so he has to take it seriously.

Ye Chen saw that Zhang Tian didn't do anything, his whole body rushed over like a spirit fox.

At the moment of rushing past, the aura of terror broke out instantly, like a flood, rushing towards Zhang Tian.

Zhang Tian saw Ye Chen rushing towards him, but he had no choice but to rush up.

The moment he shot, the pressure of the door-sealing realm was exerted on Ye Chen.

Ye Chen showed a sneer at the corner of his mouth, and murmured in his mouth: "You are the strongest among this group of people, let me solve you first!"

A flame suddenly appeared behind him!

The fiery flame is about to burn his clothes, but it's not enough to deal with the strong in the closed door realm!

Zhang Tian frowned, and the breath radiating from Ye Chen had already made him feel something was wrong.

Boom!

Ye Chen rushed out of two spirit beast phantoms behind him, and directly rushed to kill them. Zhang Tian no longer hesitated, and took out the battle sword on his body.

A slash in the past, a phantom disappeared directly, but the white tiger phantom spit out a ball of fire and burned on Zhang Tian's clothes.

Now Zhang Tian can't manage so much, because he feels a strong sense of crisis.

This crisis is getting stronger and stronger, and suddenly Ye Chen came behind him, and the beastly sword in his hand was already ready.

"The Heaven Slashing Sword is out!"

A sword slashed towards his back, Zhang Tian's reaction speed was not slow, he suddenly turned around, and directly blocked it with the sword in his hand.

At the moment of blocking, Ye Chen slammed a punch.

boom!

Zhang Tian's figure retreated, Ye Chen waved the beastly sword in his hand unwillingly, and slashed it down.

The sword lights interlaced, as if forming a dense protective net, making Zhang Tian retreat irrevocable.
