Chapter 2081 Blue Devil Moon Beast!

On the side, Zhang Tian's vassals were already shocked and didn't know what to say.

Where does the evildoer come from, can fight in the good fortune realm and seal the door realm!

Ye Chen's offensive was too violent, so Zhang Tian had no choice but to withstand these sword auras.

rushed up frantically in the face of Jianguang, not knowing how much he was scratched.

"Die to me!"

Zhang Tian roared, his hands clenched the saber, the space shattered faintly, and he slashed at Ye Chen frantically.

A touch of contempt appeared in Ye Chen's eyes, and the beast sword in his hand suddenly lifted, and for an instant, when the two touched, there was a huge noise.

The whole desert seems to shake!

Endless yellow sand covers the world! Obscured everyone's sight.

Zhang Tian's eyes are extremely frightening! Blood spilled from the corner of his mouth.

He actually lost to a fourth-tier heaven in the Sealed Door Realm?

What the **** is this!

Before he could react, a cold light came in extremely fast!

Slash the sky with a sword!

The sword intent is like a giant void beast, trying to swallow Zhang Tian!

"Puff!"

Beast Rotten Sword penetrated Zhang Tian's body.

The blood flowed down his body on the ground, and there was a roar of pain.

Zhang Tian ignored the pain on his body, and then retreated suddenly!

However, the change has emerged!

The surrounding kilometer is covered by frost, and the beast sword in Ye Chen's hand is brilliant. He raised his arm, a sword suddenly slashed out, the horror aura suddenly spread, and the sword light was frost everywhere.

Zhang Tian's entire complexion changed drastically. Regardless of his injuries, the sword in his hand burst into a fiery atmosphere, and the flame burned on the blade of his sword. He brandished the sword and chopped it out instantly.

At the moment when the two came into contact, Ye Chen did not hesitate at all, waved another sword, and the endless spiritual power suddenly burst out.

Boom!

Slashed out with a sword, and suddenly hit Zhang Tian's abdomen.

Zhang Tian was completely defeated! Spit out a mouthful of black blood!

There is only fear in the eyes!

While he was vomiting blood, Ye Chen suddenly came to Zhang Tian's side, and his five fingers clasped his neck.

"Big...sir, forgive me!"

Zhang Tian's face was flushed. He knew Ye Chen was strong and would never provoke him.

"If you want to survive, surrender me!"

As soon as Ye Chen's voice fell, Zhang Tian could only nod in agreement.

"Let go of the control of the divine sense."

Ye Chen touched Zhang Tian's forehead between his fingers, and a force penetrated Zhang Tian's sea of consciousness.

If Zhang Tian wants to betray, it is impossible.

The death row on the side is dumbfounded, but there is no way, because they are powerful, what can they say?

Ye Chen followed Zhang Tian to the place where he lived, and on the way asked about the recent happenings here.

Some useful information was obtained from Zhang Tian's mouth. Some time ago, a group of strong men from the Sacred Dragon family suddenly arrived. Their breath was extremely powerful. No one had seen what they looked like and didn't know what to do. They stayed for two days. left!

In the past two days, there have been many visions here.

A sky-reaching formation condenses in the distance.

There is a ghost of a dragon above the sky!

Extremely rare!

And the dragon chants resounded from time to time.

sounds extremely painful!

Zhang Tian had offended the Sacred Dragon family and was imprisoned here for thousands of years.

In the past thousand years, I have never seen such a powerful vision!

The news made Ye Chen extremely nervous.

"Do you know where the formation and Dragon Shadow are?" Ye Chen said.

Zhang Tian shook his head: "My lord, I don't know."

"But I have been trapped by the Sacred Dragon family for a thousand years, and I have taken many death row prisoners as my subordinates. I can let them find them all over the secret realm."

"The secret realm is too big. It is difficult to find it by adults alone."

Ye Chen nodded: "Okay."

His eyes condensed killing intent, even if the secret realm rises three feet from the prison, he must find it!

Right now, he must recover his peak strength as soon as possible, and then wait for Ye Luoer's picture!

Six hours later.

"My lord, good thing!"

Ye Chen was still cultivating, Zhang Tian hurriedly ran over, a ray of excitement between his eyebrows.

"What's wrong? Is there news from Ye Luoer?"

Zhang Tian shook his head fiercely and nodded fiercely.

"What do you want to say?" Ye Chen said.

Zhang Tian sorted out the language and said: "My lord, there is a shocking phenomenon outside."

"There is news that at night, on the day of the forbidden lunar eclipse, there will be blue demon moon-loving beasts."

Ye Chen shook his head: "I'm not interested."

Unexpectedly, Zhang Tian hurriedly approached Ye Chen, and said excitedly: "This thing is extremely important for finding that girl."

"How do you say?" Ye Chen frowned.

Zhang Tian saw what Ye Chen was thinking, and then he said: "My lord, the Blue Demon Moon-Hunger Beast has a very sensitive sense of smell and is extremely insightful to everything around here. If you get this beast, you can find your friend's whereabouts."

In a word, Ye Chen was interested, maybe he could really find Ye Luoer with the help of the Blue Demon Moon-Hunger Beast.

He just wanted to say something to Zhang Tian when the voice of the Devil Emperor in the eyebrow suddenly sounded.

"Ye Chen, something may have to trouble you."

"This Blue Demon Moon-Hunger Beast's search method is powerful, but the world does not know that its body and soul are extremely powerful."

"I only reunited my body with a demon bone, which is far from enough. Can you put the blue demon moon-thirsty beast in the black crystal sarcophagus after it's done, and I will absorb its energy."

Ye Chen's eyes condensed, and he agreed: "Okay, this blue devil is addicted to the moon beast, I will get it no matter what price I pay!"

Then, Ye Chen looked at Zhang Tian:

"Okay, you take me over."

.....

Night falls soon, and the moon tonight is particularly ghostly.

Zhang Tian hurried to Ye Chen's side and said, "My lord, we are ready, but this time there should not be a few strong men who **** the monster beasts. There are not a few strong men on death row trapped in the forbidden ground, and many strong men. Everyone is interested in this thing, and the Sacred Dragon family can't care about it..."

He did not continue, but the meaning was already very obvious. This time they might not be able to get it.

The powerhouse on the secret realm of the prison will definitely come out without fail.

Ye Chen nodded slightly, but did not take it seriously.

About the secret realm of the imprisonment, from Zhang Tian's mouth, Ye Chen probably understood a little.

The strongest in the secret realm of the entire prison confinement is the two sealed four-layer heavens, and they control more death prisoners.

No matter what, Ye Chen will have to give it a try to win the Blue Demon Moon-Hungry Beast.

This time the Blue Demon Moon-Hungry Beast appeared in the desert. Many strong men have already rushed over.

The entire desert is in chaos, and the breath of various powerhouses makes the family members of the Shenglong family experience miserable!

But about the Blue Demon Moon-Hungry Beast, they also knew that they definitely had ideas in their hearts.

At that time, the members of the Sacred Dragon family will gather together, and it will not be impossible to fight hard with the strong in the secret realm of the prison.

As time passed bit by bit, Ye Chen found that the moon above the sky gradually turned blood red.

Looking extremely strange, the temperature around him dropped suddenly, and even Zhang Tian couldn't help shivering.

Ye Chen didn't have much feeling, he himself understood the law of cold ice, and there would be no big problems.

All the prisoners in the secret realm are basically staring at the moon. It is rumored that when the moon turns blood red, the blue demon moon-thirsty beast will come out and devour the shadow of the moon in the secret realm.

No one knows the specific situation, but the Blue Demon Moon-Hunger Beast actually exists.

At the beginning, the strong man of the holy dragon family grabbed one from the secret realm of the prison.

The moon above the sky has turned blood red, and a shadow appeared at this moment, seeming to swallow the moon.

"Big...sir, the Blue Demon Moon-Hungry Beast is out!"

Chapter 2082: The real overlord!

Zhang Tian's entire face showed an expression of excitement, and he wanted to rush over now, but he also knew himself well.

I don't know how many strong people are hiding in the dark. Once he makes a move, he will definitely be under siege.

Ye Chen nodded slightly, took out the beastly sword, and held it in his hand.

The Blue Demon Moon-Hunger Beast devours the moon is a bit exaggerated, it's just a practice with the help of the moon.

His figure covers the moon, so that there is a feeling of the moon being swallowed.

"My lord, what are you going to do?"

Zhang Tian looked at Ye Chen dumbfounded, and he found that the momentum in Ye Chen's body was constantly rising.

"Disturb this flowing water a bit!"

Ye Chen showed a smile at the corner of his mouth, then took out a mask and put it on his face.

His entire figure suddenly flew into the void and rushed towards the Blue Demon Moon-Hunger Beast.

As soon as Ye Chen took the shot, the strong man hiding in the dark couldn't help showing his breath.

The whole desert is condensed with a breath of killing, which is daunting.

The moment Ye Chen rushed into the void, he saw the appearance of the Blue Demon Moon-Hunger Beast, a ferocious behemoth, extremely large, with blood-red eyes, staring at him closely.

On the forehead of the Blue Demon Moon-thirsty Beast, there is also a moon-like mark.

The breath radiating from this body is absolutely threatening.

It seems to be able to control this secret realm!

Roar!

The Blue Demon Moon-thirsty Beast uttered a roar when it saw Ye Chen, and at this moment his hair gradually turned white.

Ye Chen didn't have the slightest look of fear on his face, and suddenly cut out with a sword.

Boom!

slashed on the body of the blue demon moon-thirsty beast, and did not cause any harm, but completely angered him.

Ye Chen wanted this kind of effect, and now there are many strong people hiding in the desert in the dark.

Originally, seeing Ye Chen rushing over, all the strong men couldn't help but take a shot. Later, when they saw that it was a good fortune realm, they all stopped.

In their eyes, it's just a garbage of good fortune, even if it was dead in the past, it will not pose any threat to them.

If the gate-closing realm powerhouse made a move just now, it would have been a mess now.

The Blue Demon Moon-thirsty Beast was completely irritated by Ye Chen, and an ant wanted to hit him, so why not be angry?

His figure suddenly rushed towards Ye Chen.

Ye Chen's mouth turned into a smile, and now even if he subdues the Blue Demon Moon-Hungry Beast, he will become something of others.

When the Blue Demon Moon-Hungry Beast rushed over, Ye Chen had no intention of fighting, but started to flee.

The direction in which he was escaping was exactly where a strong man was hiding.

When he saw Ye Chen's figure, he kept rushing towards him, wishing to swear.

They hide it well and plan to reap the benefits of the fisherman. Who knows that all these plans have disrupted Ye Chen!

The Blue Demon Moon-thirsty Beast followed Ye Chen and rushed over, it is impossible for them to leave secretly!

kill!

The door-sealing realm powerhouse, without any hesitation, rushed directly, holding a blood halberd in his hand, and stabbed towards Ye Chen.

His hatred for Ye Chen has been overwhelming. Now in this scene, they have already appeared, and it is basically impossible to obtain the Blue Demon Moon-Hungry Beast.

The reason for all this is because of Ye Chen!

Ye Chen smiled without saying a word. The moment the door-sealing realm rushed over, the beast sword in his hand was constantly waving.

boom!

At the moment when the two came into contact, Ye Chen did not change anything.

The Blue Demon Moon-thirsty Beast was chasing Ye Chen reluctantly, but he did not entangle this door-sealing realm powerhouse either.

instead ran in another direction. The direction Ye Chen ran was exactly where another strong man was hiding.

"My lord, what should I do? This little beast is coming over to us!"

Beside the strong gatekeeper, one of his subordinates cowered and opened his mouth.

"What can be done? Now our position has been exposed!"

The strong gatekeeper slapped his hands on the face, and the anger in his heart can be imagined.

Next, Ye Chen followed this method to find out the strong hidden in the dark one by one.

The scene became lively in an instant, but Ye Chen surreptitiously returned to Zhang Tian alone.

Zhang Tian had already been stunned, and now the scene was already chaotic. Some attacked the Blue Demon Moon-Hunger Beast, and the two forces had begun a war.

The perpetrators of all this are all because of Ye Chen!

Now Zhang Tian had already admired Ye Chen so much, and all these powerhouses let Ye Chen lead his nose.

In the current situation, the sacred line of the Holy Dragon family has not yet appeared, and the two strongest in the prison secret realm have not yet appeared, but Ye Chen believes that they will definitely not hide for too long.

The strength of the Blue Demon Moon-thirsty Beast is good, but it can't stand so many strong people, and it's only a matter of time before the defeat.

When the Blue Demon Moon-Hunger Beast fails, the two strongest existences in the prison secret realm will definitely spare no effort to take action.

Ye Chen was waiting, and when the two strong men fought, he would take a profit!

All kinds of magical powers and sword intent are constantly vented in the scene, and the atmosphere of terror is permeated around.

The sands and rocks in the desert are flying freely. It is not clear what is going on inside.

In the darkness of the desert, the progeny of the Shenglong family has been hiding. Long Qing and others also walked out because of the vision. When Long Qing saw the masked youth, the first thing that came to mind was Ye Sahshen!

Fortune realm martial artist can do this kind of thing, and only Ye Shashen!

"My lord, now the Blue Demon Moon-Hungry Beast can't hold on for long, do we want to make a move!"

Zhang Tian, eager to the side, was already a little impatient.

Following Ye Chen this time I'm not sure if I can really win the Blue Demon Moon-Hungry Beast.

"No hurry, wait!"

The strongest condemned person has not come out yet, Ye Chen will definitely not take action.

The only thing Ye Chen feared in the entire prison secret realm was these two people.

The powerhouse of the fourth-tier heaven in the Sealed Door Realm, he has not confronted him directly.

Close the door to a small level, the gap is huge!

He may not be qualified to compete!

I don't know how long it took, the Blue Demon Moon-Hunger Beast let out a tragic roar in the void, Ye Chen could hear it, and I was afraid it would not work!

So many powerful men besieged, the Blue Demon Moon-Hungry Beast can persist for so long, it is already extraordinary!

"Hahaha, the old man finally met the Blue Demon Moon-Hungry Beast in the secret realm of the prison confinement, you all get out!"

At this time, an arrogant figure came from the void, a red-haired old man wearing a robe and holding a whisk in his hand, which looked like an immortal bone.

Ye Chen's whole expression is solemn, and the powerhouse of the fourth-tier heaven in the Sealed Door Realm has taken action!

This person, from Zhang Tian's mouth, learned that the strongmen in the secret realm of the prison are called Master Wang.

One of the overlords of the entire prison secret realm!

Chapter 2083 Want to back down?

At least five hundred people followed Master Wang. His subordinates have different levels, but they are also threatening.

The moment when Master Wang came out, all the people who had taken the shot stopped.

The powerhouses of the fourth-tier heaven in the Sealed Door Realm are definitely not something they can deal with, but they are still a little unwilling to want them to give up the Blue Demon Moon-Hungry Beast.

So everyone stopped taking action, but did not leave!

If they and these people deal with the Four Heavens in the Sealed Door Realm together, it can also make Master Wang tricky.

"Old Monster King, I will definitely win the Blue Demon Moon-Hungry Beast!"

The scene of the stalemate, suddenly heard a voice.

An old man in black clothes and a hat flies barefoot into the void.

Behind him, there are also many people who are not much different from Master Wang.

Dust Sealed Man was dressed in black, with a strong breath, and in his hand, he held a strange thing.

When the two strongmen of the fourth-tier heaven of the gate-closing state came out, everyone present became a little desperate.

A gate-sealing realm fourth-level heaven, they are not sure if they can still compete with one or two, two of them are not enough to kill the two of them.

"You all get out, the Blue Demon Moon-Hungry Beast is not something you can have."

Dust Sealed Disperse and Master Wang spoke directly, and the strong present were not reconciled, but there was no way, they could only leave one by one.

They didn't really leave, but found a place and waited quietly.

Some strong people in the gate-closing state want to see who the Blue Demon Moon-Hungry Beast will finally get, and some strong people hope that both Master Wang and Chen Feng will be seriously injured. When they are not sure, they can continue to snatch.

There are many strong people who have this idea, after all, the temptation of the blue devil is too much for the moon beast.

They don't want to give up at all.

Master Wang and Chenfeng Sanren, they didn't care about hiding people at all, they had absolute self-confidence.

When the two people meet, they don't say any greetings.

Suddenly, the horrible atmosphere made everyone frightened.

As for the Blue Demon Moon-thirsty Beast, it has been seriously injured, and it doesn't even have the ability to move.

The two of them are strong, and they are not worried that the Blue Demon Moon-Hungry Beast will run away.

Ye Chen, Zhang Tian had a sad face, and two strong men from the fourth-tier heaven of the Sealed Door Stage came out. He already thought that the Blue Demon Moon-Hungry Beast was impossible to obtain.

This also made him give up completely!

Ye Chen didn't change anything on his face, instead he looked eager to try.

This shocked Zhang Tian, for fear of Ye Chen's death, he rushed over now.

If Ye Chen died, he would not survive at all.

"My lord, let me think of it, let's think of another way!"

Zhang Tian was by Ye Chen's side to persuade him, but how could he listen to him now.

In order to Ye Luoer Blue Demon Moon-Hungry Beast, you must grab it!

Ye Chen clenched the beastly sword in his hand, a fierce expression flashed in his eyes, and then rushed up suddenly with the help of the power of the ground.

Zhang Tian saw this scene, a mouthful of blood came out, and his face was pale.

He already thought that the moment Ye Chen died, he would not survive.

When Ye Chen rushed into the void, the protagonist of the Sacred Dragon family also shot.

Rushing in the front is exactly the three of Long Bai, Long Cha, and Long Yang.

The three of them are the strongest among the younger generation of the Sacred Dragon family, and each of them has the strength to leapfrog.

Not only that, in order to protect them, the Sacred Dragon family took out many treasures.

Although there are two Heavenly Powerhouses on the fourth floor of the Door Sealing Realm, they think they also have a certain ability to protect themselves.

Moreover, the Sacred Dragon family had already told them about the blue devil's addiction to the moon beast.

This time the secret realm of imprisonment experience, the main purpose is the blue devil moon-loving beast.

Their thoughts coincided with Ye Chen's, they were all pulling teeth out of their mouths.

As soon as these people took action, Master Wang and Chen Feng scattered people discovered them, and let their men stop them.

However, apart from these two, who can stop Ye Chen!

Ye Chen was a blood mist.

Zhang Tian on the ground also reacted, Ye Chen definitely can't die, otherwise he will be completely finished!

I led his men and rushed over one by one, no matter what, I have to help Ye Chen a bit!

The situation had stabilized, but as soon as the powerhouse of the Holy Dragon family and Ye Chen took action, they suddenly began to mess around again.

The powerhouse of the Sealing Realm who was originally hidden in the dark is not dead. When he sees that Ye Chen and the sacred line of the Shenglong family have already taken action, how can he stand it!

One by one rushed over like a lunatic, Master Wang and Chen Feng scattered people, almost spitting out blood.

The two of them didn't dare to stay any longer, when they let others **** the Blue Demon Moon-Hungry Beast, their faces would be greatly ashamed!

Ye Chen killed someone with a sword, and the clothes on his body soon became blood red.

These blood are all enemies, as long as it is not the two, Ye Chen is not worried at all.

On the side of the holy dragon family, the three of Longcha and the others are almost the same.

In their eyes, the Blue Demon Moon-Hungry Beast already belongs to them!

Ye Chen is not in a hurry right now, but slows down. At present, the two strong men in the fourth-tier heaven of the gate-sealing state have given up fighting.

Even if he rushes over now, it will not help. I am afraid that he will bear the anger of two Heavenly Powerhouses on the fourth floor of the Sealed Door.

Master Wang and Chen Feng Sanren looked at each other and knew what the other was thinking.

At present, the two people plan to take action to eliminate these little shrimps first, and then fight the blue demon moon-loving beast.

made up his mind, the two rushed directly, and the breath of the four-layer heaven in the closed door realm instantly enveloped everyone.

Ye Chen had nothing to do here, who knew that Master Wang shot him directly.

The breath of the fourth-tier heavenly powerhouse in the Sealed Door Realm, rushing toward his face, made Ye Chen's breath dignified!

The immortal sword intent completely burst out of his body, the blood of the gods, and the power of the golden gold are constantly blessed Ye Chen dare not take it lightly!

"Lingsha strikes together!"

The sword intent vented wildly, condensed in the beast sword.

Zheng! Zheng! Zheng!

The world changed color for a while, but there was no expression on Master Wang's face.

Flicked the whisk in his hand, and immediately rushed to Ye Chen's chest.

The horrible and suppressed breath made Ye Chen's body difficult to move.

Ye Chen forcibly endured the pain, raised his arm, the beastly sword in his hand was gripped tighter, and a sword slashed out.

At the moment when the two touched, Ye Chen's sword light was instantly shattered!

The dust in Master Wang's hand flew, and Ye Chen's mouth showed a bitter smile.

The gap between the third and fourth layers of the closed door realm is so big!

Originally, he thought that even if he couldn't beat the fourth-tier heavenly powerhouse in the Sealed Door Realm, he would be able to fight one or two.

Now I know that his ideas are a bit naive!

When the whisk in Master Wang's hand rushed over, Ye Chen grabbed it directly with his left hand.

The white hairs on these whiskers penetrated his palm directly like a sharp blade.

Chapter 2085 Between life and death!

The screen turns, in the forbidden realm of the Holy Dragon Family.

When everyone thought that the Blue Demon Moon-Hungry Beast would let Ye Chen get it, an angry roar suddenly came out.

The sound shook the world.

Ye Chen was caught off guard, endless coercion and waves of air came oncoming, a mouthful of blood spurted out, and the whole person's face was pale.

An angry roar caused him to be seriously injured, even the fourth-tier Heavenly Powerhouse in the Sealed Door Realm could not reach this level.

Pedal!

With a roar, everyone was stunned. Everyone present felt numb on their scalp.

Suddenly an abnormal change occurred, and in the void, another blue demon moon-thirsty beast suddenly appeared.

His foot stepped on the wind, his huge body was shocking, and everyone looked extremely small.

He looked at the severely injured Blue Demon Moon-Hunger Beast, his eyes showed a kind of kindness.

All the strong guys on the scene can tell that these two Blue Demon Moon-Hungry Beasts are obviously a family.

Everyone couldn't help but shed a trace of cold sweat, even if the dust was separated and Master Wang, there was not much difference.

Judging from its breath, this Blue Demon Moon-thirsty Beast is very likely to be the fifth-tier heaven of the Sealed Door Realm! Maybe even higher!

Roar!

The blue demon moon-loving beast uttered a roar like a roar.

stared at everyone present, full of killing intent!

dared to seriously wound his son. All of these people are going to die and none of them can stay.

Ye Chen is the first to bear the brunt, because he is the closest.

Ye Chen gritted his teeth and used a hundred steps to drive his electricity, his speed reached the extreme, and he fled wildly.

The Blue Demon Moon-Hungry Beast in the fifth-tier sky of the Sealed Door Realm is definitely not something he can contend now!

When Ye Chen turned into an afterimage, one of the family members of the Holy Dragon family suddenly raised their brows.

What did he find!

When Ye Chen used a thousand soldiers to explode, he was suspicious!

Now he is completely sure of what he thinks!

Ye Killing God is Ye Chen!

He quickly said, "This person is Ye Chen!"

Hearing these two words, everyone around changed their colors.

Ye Chen ran away, the strong man staying in the void, without any hesitation, ran away frantically.

The Blue Demon Moon-Hungry Beast in the fifth-tier sky of the Sealed Door Realm, if they don't run away and stay here, they are looking for death.

Although they escaped faster, the blue demon moon-thirsty beast was faster.

The Blue Demon Moon-thirsty Beast grabbed a powerhouse in the Star Aperture Realm in an instant, opened its mouth and swallowed it into its abdomen.

In his hands, there is no difference between a strong man in the star aperture and an ant.

Except for Master Wang and Chen Feng Sanren, Ye Chen escaped the fastest.

The Blue Demon Moon-Hunger Beast is chasing after him, and many warriors have died.

The **** odor around is getting more and more serious, and if this continues, they will not survive.

Basically, all warriors face this situation. Master Wang and Chen Feng Sanren glanced at each other.

"All the warriors, everyone shot together, it is not impossible to kill!"

Both of them are strong in the fourth layer of the sealed door realm, and they have absolute authority when they speak.

The warriors who had originally fled all stopped and looked at Master Wang and Chen Feng scattered.

Ye Chen also stopped and didn't run away. In this case, no one was a fool. It was clear that running away had no effect.

"Let's do it together!"

Master Wang and Chen Feng Sanren were among the first two of them, and rushed directly.

If the two of them do not make a statement, I am afraid that no warrior will take action.

Sure enough, when two people shot, these warriors did not hesitate!

Master Wang and Chen Feng Sanren are under tremendous pressure.

Ye Chen's eyes sank, surrounded by endless devilish energy and golden energy, and the beast sword in his hand buzzed and rushed directly.

A look of disdain appeared in the eyes of the Blue Demon Moon-Hunger Beast, and then roared.

The white moon mark on his brow burst out with bright light.

A holy beam of light burst out instantly.

Boom!

One shot down, I don't know how many warriors died tragically.

The complexion of Master Wang and Chen Feng Sanren changed drastically. At present, the blood moon has not disappeared, and everyone can see it.

The Blue Demon Moon-thirsty Beast can use the power of the moon and is not afraid of consumption at all.

This makes the hearts of all warriors a little desperate!

This is a battle without hope!

The strong people present had various magical powers on the Blue Demon Moon-Hunger Beast, but the effect was too small.

Ye Chen went down with a sword, and he did not do much damage to the Blue Demon Moon-Hungry Beast.

One of his hearts gradually sank, and he glanced at the Blue Demon Moon-Hungry Beast that fell on the ground, and suddenly thought of something.

This is his only chance.

When these powerhouses were fighting against the Blue Demon Moon-Hungry Beast, Ye Chen went down alone.

When Ye Chen came to the severely injured Blue Demon Moon-Hunger Beast, he directly grabbed the opponent.

At present, the Blue Demon Moon-thirsty Beast has no ability to resist at all. For Ye Chen, it is too easy.

When Ye Chen was about to leave, the Blue Demon Moon-Hunger Beast made a whining sound.

Boom!

For an instant, eyes filled with killing intent stared at Ye Chen!

The terrifying killing intent caused Ye Chen to shed cold sweat on his forehead, turned his head and glanced.

found that the Blue Demon Moon-Hungry Beast was staring at him!

As long as he dares to take a step, the Blue Demon Moon-Hunger Beast will definitely jump over.

Ye Chen's change made everyone stare at him.

No one thought that at this time, Ye Chen dared to do it!

All the people present admire Ye Chen's ability to die!

Ye Chen didn't panic. He lifted the injured Blue Demon Moon-loving Beast, and the Beast Rotten Sword touched it directly. As long as Ye Chen slightly moved his hands, this injured Blue Demon Moon-loving Beast would definitely die!

This action made the Blue Demon Moon-Hungry Beast furious, its killing intent turned into an edge, and it pierced Ye Chen's body.

Ye Chen's eyes condensed, and the red dust veins were completely activated, and a ray of light covered Ye Chen's left and right.

Those cold killing intent completely disappeared!

Ye Chen exhaled.

As long as the injured Blue Demon Moon-Hunger Beast is in his own hands, he believes that the demon beasts in the fifth-tier heaven of the Sealed Door will definitely not make any rash moves.

The whole scene became stalemate in an instant, Master Wang and Chen Feng Sanren looked at each other and left directly using the secret technique.

Now is the best time to escape!

I don't run away at this time, when will I stay?

As for the Blue Demon Moon-Hungry Beast, they had no idea in their hearts.

Between life and death, there is no plan to spy on treasures!

There are many warriors who have this idea.

Soon, all the warriors left.

In the entire desert, almost only Ye Chen and the Blue Demon Moon-Hunger Beast were facing each other.

Endless evil spirit enveloped!

Those warriors who left thought that Ye Chen would definitely die this time!

That's a monster of the fifth heaven in the Sealed Door Realm!

and it's still in a state of rage, only stronger! !

At this moment, apart from Ye Chen, Zhang Tian was left alone. He wanted to escape, but the thought flashed in his mind.

His escape has no effect. If Ye Chen dies, he will not survive, so it is better to wait.

Chapter 2086: The whereabouts of Ye Luoer!

The Blue Demon Moon-Hungry Beast of the fifth-level sky of the Sealed Door came to Ye Chen, staring at it with fierce eyes, but did not make a move.

Although his speed is fast, there is still a certain gap compared with the sword in Ye Chen's hand.

This is also the reason why the Blue Demon Moon-Hungry Beast did not make a move.

"Human ants, let go of my son, I will give you the whole body!"

"Otherwise, you might not even have a whole body!"

Threat! Naked threat!

At this time, the Blue Demon Moon-Hunger Beast spoke, and there was no emotion in his eyes.

Ye Chen heard the words of the blue demon addiction to the moon beast, and did not make any movements, he didn't believe that this beast would let him go with great compassion.

"It's not impossible to want me to let your son go, but you need to find someone for me."

Roar!

The Blue Demon Moon-Hungry Beast of the Fifth Floor of the Sealed Door, roared, and a humble ant of the human race dared to make conditions in front of him.

Had it not been for his own son in the hands of the opponent, he would have killed him thousands of times.

Ye Chen couldn't activate the Red Dust Divine Veins for a long time, and was injured by the roar of the Blue Demon Moon-Hunger Beast, and almost made him spit out a mouthful of blood.

His face is pale, and he has some injuries.

And just as Ye Chen panted, the moon on the eyebrows of the Blue Demon Moon-Hungry Beast suddenly shot out a light!

The light is like a rope, actually controlling Ye Chen's sword holding hand!

"ding!" The beast rotten sword flew out!

stuck in the yellow sand.

"Damn it!"

Ye Chen's face changed slightly, just about to do it, the blue demon moon-loving beast has already counterattacked!

The huge palm print suddenly fell!

Endless yellow sand surging!

The huge pit is full of cold death.

The Blue Demon Moon-Hunger Beast showed a smile, and his savage fangs made people palpitate.

"Human ants, our Blue Demon Moon-Hungry Beast also has a special magical power. It is unexpected, but it needs to be brewed."

"Do you really think I can do nothing about you?"

"Humans are human beings, humble wastes, they can only become the prey of our monster clan."

"You might not react the moment you die, right."

"Things that do not live or die."

The Blue Demon Moon-Hunger Beast released its giant palm and walked towards the injured child not far away.

However, it hadn't taken a few steps yet, a cough suddenly sounded in the yellow sand of the deep pit.

"Fortunately, Lao Tzu has the Red Dust veins...otherwise I really will die..."

The body of the Blue Demon Moon-loving Beast suddenly stiffened!

Its scarlet pupils are full of horror.

how is this possible!

His strength just now is enough to seal the door five layers of heaven!

Even those who close the door will turn into blood mist on the spot!

But the young man of good luck is still alive!

What kind of enchanting human is this!

He turned around abruptly and saw a young man standing in the pit.

Although the youth is embarrassed, the smile on the corner of his mouth is extremely strange.

The key youth still holds a flute in his hand.

For some reason, the flute made him feel something was wrong.

Ye Chen patted the sand on his body and muttered to himself: "Devil Emperor, are you sure this is really possible?"

"You won't make a move?"

The Demon Emperor said earnestly between his eyebrows: "You believe me, this Blue Demon Moon-Hungry Beast is also useful to me, and you are the key to my body recovery. I will not lie to you.

Before Yu Beast Spirit God dissipated, he left this jade flute for me to keep. This is part of his divine mind formation and possesses his beast power. "

"Cooperating with the Royal Beast Song he taught you back then is enough to make this closed door realm monster surrender!"

"It's a pity that when the song is over, the jade flute with condensed mind will disappear."

Ye Chen nodded, his eyes suddenly shot at the Blue Demon Moon-Hunger Beast: "Are you sure you don't help me find someone, you want to kill me?"

The blue demon moon-thirsty beast instantly turned violent: "Humble human beings, what qualifications do you have to order me! Although I don't know how you survived, I don't believe it, this time, you can still live!"

The blue demon moon-loving beast suddenly rose!

The world changes color!

Endless yellow sand roars like a giant beast!

"boom!"

The Blue Demon Moon-loving Beast suddenly rushed towards Ye Chen!

His body is wrapped in flames!

horrified to the extreme!

This power makes the forbidden realm shake, and the surrounding space seems to be shattered!

In the eyes of the Blue Demon Moon-Hunger Beast, this human being is not qualified to live!

And just as the Blue Demon Moon-Hunger Beast was about to touch Ye Chen, Ye Chen took the jade flute unhurriedly and placed it on his lips.

"Master, although I don't know when we will meet, I will definitely find you."

"Thank you for helping me so many times until it dissipates."

"I have never played your royal beast song."

"I think I should prove to you that you are still alive in this world."

"This song is for you."

The words fall, the lips move, and they are born in one song.

Countless ancient Sanskrit characters burst out of the jade flute.

There are more and more Sanskrit, which seems to have formed some kind of magic! Charge to the Blue Demon Moon-Hungry Beast!

At this moment, the body of the Blue Demon Moon-Hunger Beast suddenly stiffened!

It feels like its body is sealed!

Invisible pain hits its sea of consciousness!

What kind of song is this!

seems to suppress it!

The Blue Demon Moon-Hunger Beast stopped completely, and his eyes looked at the young man playing the flute not far away in horror.

It felt its legs trembling!

"Pump!"

The Blue Demon Moon-loving Beast knelt down uncontrollably!

'S head also seemed to be crushed by thousands of giant mountains!

directly surrendered in front of Ye Chen.

Zhang Tian is not far away.

He swore that he had never seen such a weird thing in his life.

The Heaven-Defying Monster Beast in the closed door realm was... actually suppressed by Ye Chen's song.

He rubbed his eyes vigorously, and when he found that the picture in front of him was real, he sat down on the ground in surprise.

And then the look in Ye Chen's eyes changed completely.

Instead, he was glad to surrender to Ye Chen!

The end of the song Ye Chen opened his eyes, and the jade flute in his palms turned into stars and disappeared.

"It turns out that Master still kept such a hand for me."

"Unfortunately, I don't have the jade flute of the master before his death. If there is, I might be able to carry forward this imperial beast line completely."

Ye Chen looked at the blue demon moon-thirsty beast who surrendered in front of him.

At this moment, the other party has no murderous intentions.

Even the breath of the door closed state is converging.

"Now, are you willing to find someone for me?" Ye Chen said.

"who?"

After a long time, the Blue Demon Moon-Hunger Beast spoke directly, with a trace of awe in his tone!

"Ye Luoer."

Ye Chen said.

The Blue Demon Moon-Hunger Beast closed his eyes, felt it for a few minutes, and opened his eyes and said: "If I guessed right, this person's identity is unusual, I tried to check it, but it was blocked by a force."

"This power should come from the Holy Dragon family."

Ye Chen frowned: "Do you have other ways?"

Blue Demon Moon-Hungry Beast nodded: "Follow me."

"There is a seal formation where I am. With the help of that formation, I should be able to find the girl's whereabouts."

After finishing speaking, the Blue Demon Moon-thirsty Beast picked up the injured Blue Demon Moon-thirsty Beast.

Ye Chen nodded slightly, called Zhang Tian over, and let him leave first by himself.

After Zhang Tian left, Ye Chen followed the Blue Demon Moon-Hunger Beast to the formation it said.

The Blue Demon Moon-loving Beast lay on the formation. .

Close your eyes.

Stay for one day.

Chapter 2087 Ye Chen's plan!

This day, the pan has already been fried outside, and the descendants of the Shenglong family are looking for Ye Chen.

I want to see people in life, and corpses in death!

When they knew that Ye Sha God was Ye Chen, the anger of the Holy Dragon family burned completely!

After all, when they besieged the Ten Thousand Sword Emperor's Palace, Ye Chen caused their Holy Dragon Family to suffer heavy losses.

The most important thing is that Ye Chen's strength is too terrifying, if he is still alive, it will be a disaster for them.

Long Qing certainly pleaded for Ye Chen, but she was too weak compared with other direct lines!

Ye Chen didn't know all of this, even if he knew it, he wouldn't care about it.

Ye Chen at the moment looked nervously at the sleeping Blue Demon Moon-Hungry Beast.

Suddenly, the eyes of the Blue Demon Moon-Hunger Beast opened!

"The woman you are looking for is in the dungeon at the deepest seal of the forbidden realm."

Ye Chen suddenly became excited when he heard the words of the blue demon addiction to the moon beast.

The Blue Demon Moon-thirsty Beast explained the situation of the deepest seal.

Inside the deepest seal, that is the prisoner in the endless river, the lowest is the closed door.

That is the taboo of the Holy Dragon family.

For Ye Chen, this is good news. When that happens, he will release all the prisoners inside, creating chaos, and maybe there is a chance to slip away.

The location of the dungeon, the Blue Demon Moon-Hungry Beast has told Ye Chen that how to save Ye Luoer is his own business.

"I have told you what I should say, and I hope you can let us go."

"We will never hurt you again."

Ye Chen just wanted to speak, endless magical energy rolled.

The figure of the Devil Emperor condenses.

He glanced at the Azure Demon Moon-Hunger Beast coldly: "You did it to him before, how can it end like this."

"Hand over the beast core, and spare you not to die."

A trace of horror flashed across the eyes of the Blue Demon Moon-Hunger Beast, glanced at his child, and nodded: "Okay."

In the next second, a bunch of scarlet flames wrapped things out directly.

The Devil Emperor held it in his palm and disappeared completely.

"Ye Chen, this blue demon moon-thirsty beast is a beast in this secret realm. Without its core, it will not pose a threat to you. And this beast core is much more useful than his body."

"You can save that girl now."

"This time, it is destined to really go to war with the Holy Dragon family."

Ye Chen's eyes flashed with killing intent.

He found Zhang Tian directly and ordered:

"Zhang Tian, let your subordinates look for the lineages of the Sacred Dragon Family and arrest them all!"

Ye Chen's one-sentence command made Zhang Tian dumbfounded, but he didn't dare to violate it, so he called all of his hands over.

He originally thought that Ye Chen was also a direct line of the Holy Dragon family, but now it seems that it is more than that.

It's just that he didn't dare to ask more, and did his own thing honestly.

Ye Chen didn't idle either, looking for Longcha and the others, these people couldn't be dealt with by Zhang Tian.

"Luo Er, wait for me, I will be able to save you immediately!"

Ye Chen murmured in his mouth, and after flying in the void for half an hour, he finally found the dragon temple.

There are Long Qing and Long Yu around Longcha.

The strength of the Dragon Cha is indeed very strong among the descendants of the Sacred Dragon Clan, but it is not qualified at all for the current Ye Chen.

Ye Chen didn't worry at all, as for the two of Long Qing, let him ignore it automatically.

When he fell from the void, Longcha saw Ye Chen's first glance and immediately took out his weapon.

"Ye Chen, I didn't expect you to survive!"

Although Longcha was afraid of Ye Chen's strength, he was not scared.

He is one of the three strongest members of the younger generation of the Sacred Dragon Family. He is confident that he can escape even if he is not Ye Chen's opponent.

Long Qing saw Ye Chen, her eyes were full of tangles!

Ye Chen's eyes were cold, he took out the Beast Rotten Sword, glanced at Longsha, and suddenly rushed over.

They had nothing to talk about before, and when he revealed his identity, he had already decided to be the enemy.

The immortal sword intent in his body burst out, the beastly sword gleamed with weird light, raised his arm, and the sword was cut down suddenly.

Boom!

Longcha was caught off guard, and his whole body flew out, but he adjusted quickly, revealing patches of dragon scales on his body.

The bloodline power of the Holy Dragon Family and the spread of dragon energy have increased the strength of the Dragon Cha by at least ten times.

Ye Chen frowned, but didn't say anything. As for the two of Long Yu, they had already been hiding far behind.

Dragon Cha's body was wrapped in dragon scales, and he rushed over with a punch.

The blood in his body was constantly gushing, but Ye Chen's face did not change.

Even if it is ten times stronger, Ye Chen is not afraid!

"The Realm of Killing!"

Killing intent erupted from Ye Chen's body, and cold killing intent spread in the air.

Longcha was slightly startled, never expected that Ye Chen would have awakened the realm in the good fortune realm. Before he could react, an extreme sword light rushed over.

Boom!

A sword slashed on Longcha's body, causing him to spit out a mouthful of blood, and his entire face became extremely pale.

Longyu was trembling when they looked at it. If Dragoncha was defeated, they might not be able to survive.

After a sword fell, Ye Chen's ghostly figure suddenly came to Longcha.

Five fingers clenched tightly.

suddenly punched out!

Devilish energy and light twinkling! Glaring to the extreme!

The battle has been very obvious from the beginning, Longcha is not Ye Chen's opponent at all.

Ye Chen fully suppressed.

It is not that Longcha's strength is too weak, but that Ye Chen is too strong!

Longcha is outside, he is definitely a character like Tianjiao, but compared with Ye Chen.

is not a grade at all!

After all, what Ye Chen faced was the strong men of the older generation!

It didn't take long before the battle was over, and the dragon brake was knocked to the ground, unable to even stand.

Ye Chen grabbed his collar and planted a restraint in Longcha's body, and then looked at Long Qing.

噗通!

"Please, don't kill me, let me do anything."

Longyu directly knelt down in front of Ye Chen.

Ye Chen shook his head and ignored the two.

He directly brought the Dragon Shake to Zhang Tian's site, and discovered that there were already some descendants of the Sacred Dragon family.

These direct descendants looked at Ye Chen one by one, shaking all over!

They don't even know what the next fate is, the unknown is the most terrifying!

"My lord, the descendants of the Sacred Dragon family are basically here, but some have already been captured by other death row prisoners."

Zhang Tian didn't dare to deal with those family members who were taken away by other death row prisoners. They were in a closed state, and he was not an opponent.

Ye Chen nodded slightly. In the current situation, he has captured the lineage of the Shenglong family, more than twenty.

Except for Dragon Cha, the remaining two people have not been caught yet.

Ye Chen definitely wants to catch these two people, and their three talents are the key.

Long Bai and Long Yang have been together forever, even if they meet a strong man in the gate-sealing realm, they can escape without being an opponent.

Ye Chen left from Zhang Tian's residence, and a day later, the descendants of the Shenglong family were completely desperate! !

Long Bai and Long Yang were also caught, and the three strongest were all in Ye Chen's hands.

If you kill them directly, it will be a hundred, but if you catch them, they are too late. No one knows what medicine Ye Chen sells.

Chapter 2088: My life is yours!

"Ye Chen, if you are against our Sacred Dragon Family, you will never end well!"

A descendant of the Sacred Dragon family spoke directly, he is about to collapse now!

Every day, Ye Chen grabbed them and didn't kill them, making them too tormented in their hearts.

"Holy Dragon Family? As long as I am not dead, I will be destroyed sooner or later!"

Ye Chen showed a sneer at the corner of his mouth.

These people are of great use to him!

Ye Chen called Zhang Tian over and told him to find a chance to escape in a few days.

If he escapes successfully, he will find an organization called Kill Zong!

Then he will release those condemned prisoners, the people of the Sacred Dragon family will definitely know.

The secret realm of the prison will definitely be chaotic.

Zhang Tian didn't understand Ye Chen's words at all, but he also knew that Ye Chen would definitely do a big thing, maybe he really had a chance to run out.

The location of the dungeon, Ye Chen was already clear, and he made Zhang Tian be optimistic about the lineage of these Sacred Dragons.

He came to a place in the desert alone. These are dead quicksands that will make people sink in.

Even if the door is closed, there is a possibility of death, usually no one will come here.

However, this place is the entrance to the dungeon.

Ye Chen stood in the quicksand, letting the quicksand swallow his body, within half an hour, his whole body was swallowed.

He closed his eyes and held his breath, relying on his current strength, there is no problem in staying underground for half an hour.

Boom!

A muffled sound, like a teleportation array, made Ye Chen dizzy. When he opened his eyes, he found that he had come to a strange place.

The surrounding dark environment, there is still water ticking, and the surrounding stones are extremely hard.

Ye Chen estimated that even if he had to bombard for half an hour, he could be crushed.

There was a small path in front of him, and he walked over it step by step. Soon, Ye Chen smelled a foul smell.

That is the body of a dead person.

Countless bones are piled up.

The Sacred Dragon family trapped these powerful men, causing them to die in endless years.

This is more painful than killing directly.

An hour later, Ye Chen saw the cells surrounded by the formations, and each cell contained only one person.

Behind the cell, they were bound by huge iron chains, which entered their bodies, entangled their bones and internal organs.

is the strength of these people, if they were placed on mortals, they would have already died.

The condemned prisoners were skinny and shabby. They had no blood on their faces, their mouths were dry, and they looked like a beggar.

Ye Chen can feel from their breath, they are all in the closed state!

The holy dragon family is so big!

If placed outside, one by one would be the same as the overlord, but unfortunately all of them were imprisoned here.

Ye Chen even wondered, these warriors are so imprisoned by the Holy Dragon family, are their masters more dangerous?

The one-year appointment is approaching, and it's time to go to the Blood Sword Gate.

The current blood sword gate, as long as there is no accident, he should be able to solve it easily.

It would be a good thing if Kunlun Xu's powers could be rescued first.

When Ye Chen appeared, these prisoners had already noticed, but they didn't even have the strength to speak.

A pair of eyes can only watch, their eyes are full of pleading expressions, and they obviously want Ye Chen to save them.

"Seniors, I will find my friends first, if I can rescue you by that time, I will do my best."

If they can save these strong men out, Ye Chen will never give up such a good opportunity.

The hatred of these powerful people towards the Holy Dragon family is probably stronger than him.

can definitely cause a lot of trouble to the holy dragon family.

Ye Chen walked forward step by step, and found that the further behind, the detained prisoners became stronger and stronger!

Star Aperture Realm three-tier heavenly powerhouse, Ye Chen has already met three, but has not seen Ye Luoer's shadow.

"Little guy, my name is Yuan Wen, the person you are looking for should be in the innermost!"

At this time, a strong man in the door-sealing realm said.

He has been imprisoned by the Sacred Dragon Family for thousands of years. Apart from being unable to move, he has basically nothing to do.

"Thank you, senior!"

Ye Chen continued walking all the way, and saw a secret room, the whole secret room was sealed, there was no door at all.

Ye Chen's face showed a trace of excitement. If nothing happens, Ye Luoer must be detained here.

took out the beast rotten sword from the reincarnation cemetery, and then the power poured into the sword body frantically.

Boom!

slashed down with a sword, and the walls around the secret room did not move.

Obviously relying on Ye Chen's current strength, he couldn't break this secret room at all.

The strength of this secret room is incredible!

Ye Chen used a sword to cut the sky, and this door still had no sword marks!

is too weird!

Ye Chen became more and more convinced that Ye Luoer was detained inside, and he came to Yuan Wen.

"Senior, I will save you first. I hope you can help me break the secret room."

Yuan Wen was startled, thinking for a few seconds and saying:

"Little brother, if you want to save me, you need to break the iron chain behind!"

There is one iron chain behind this, every death row prisoner has one, specially used to imprison their strength.

This is also the root of their inability to escape.

Ye Chen nodded slightly, took out the beastly sword and cut it out suddenly, but the chain did not move at all, just a slight sway.

bang bang bang!

A sword was swung down The spiritual power in Ye Chen's body was continuously released, but only a crack appeared in the iron chain.

How can the Holy Dragon family have such a thing?

If you want the iron chain to be completely broken, Ye Chen might need to stay awake for a week before it is possible.

In the current situation, how can he wait for a week, if the strong man of the Holy Dragon family comes, he will only die once.

"Little brother, the sword intent is difficult to break. I have studied this chain during these endless years, and I seem to be a little afraid of flames."

"It's a pity that little brother is not a fire repairer."

Yuan Wen has some regrets in his eyes.

Ye Chen thought of something, and with a grip of his five fingers, the profound flame came out, the fiery flame illuminating the entire dungeon.

The terrifying temperature caused Yuan Wen's face to change slightly.

He can see that this flame is absolutely extraordinary.

The power is like this now, and it will be even more terrifying in the future.

If it was placed in the past, he would probably **** it, but now he doesn't have this thought at all.

Ye Chen let Xuan Yan bombard the iron chain, and he saw that the iron chain began to break a little bit.

"Little brother, if you can save me, then my life will be yours."

As soon as Yuan Wen's words fell, Ye Chen smiled and said nothing.

He could perceive that Yuan Wen's cultivation base was probably in the sixth floor of the closed door realm.

He is very clear about how many catties he has, and he can't control this kind of power at all. .

A few minutes later, Yuan Wen's chain was completely broken.

"Hahaha, the old man didn't expect that he would be able to get out of trouble in his lifetime."

Chapter 2089 Dark clouds are overwhelming the city!

Yuan Wen laughed twice, standing still, his thin body and pale cheeks started to change at this moment.

A terrifying aura suddenly broke out, making Ye Chen couldn't help taking two steps back.

This breath is too strong, as if a finger can crush him.

At a speed visible to the naked eye, Yuan Wen has changed from an old man to a middle-aged man with the eyebrow star sword.

"Sorry little brother, the old man didn't control it just now!"

Yuan Wen smiled, he had never dared to regain his strength in his lifetime.

Since being caught by the strong of the Holy Dragon family, he has become desperate.

thinks that he can only die here for the rest of his life, who knows that one day he can get out of trouble.

The excitement inside can be imagined!

Ye Chen could also understand Yuan Wen's feelings and didn't say anything.

"Let's go, the old man is going to rescue your friends, the Sacred Dragon family, the old man will let them pay back the blood sooner or later!"

Although Yuan Wen's strength has not been restored to its peak period, there is no problem in blasting that secret room.

When Ye Chen and Yuan Wen went to the secret room, the Holy Dragon family heard a dragon chant.

This represents a crisis in the Sacred Dragon Family, and it is extremely serious, with a series of tyrannical auras appearing.

Outside the teleportation array in the Secret Realm of the Prison, at least thirty strong men are standing, their breath is compelling!

On top of these powerful men, three gray-haired old men stood.

breath is the strongest!

They are the elders of the holy dragon family.

The strength is extremely terrifying!

Although it is not as good as the Supreme Elder of the Holy Dragon Family, the power in the middle and late stages of the closure is enough to obliterate everything!

They are guarding this secret realm where death row prisoners are trapped!

Regarding the secret realm of the prison, they all knew everything about it, each with serious faces, and quickly opened the teleportation array.

The dungeon has existed for thousands of years, and there has been no problem. Who knows that there will be strong people out of trouble now.

The secrets about the Sacred Dragon Family can never be revealed!

Ye Chen didn't know everything outside.

He only cares about breaking this secret room now!

Yuan Wen faced the secret room, at first he was a little helpless.

Even his power can't be shaken!

Ye Chen frowned: "Senior, you can't break it?"

Yuan Wen's face was a little green, and he stopped talking nonsense, and forced a drop of blood: "It's ridiculous, how can I not break it!"

"Essence and blood are the guide, the magic of the universe, the spirits of all earths gather, break it for me!"

In an instant!

Yuan Wen's face paled a bit! Obviously used a forbidden technique!

But at the same time, the forbidden gate broke open!

"Little brother, you go in, I have to take a few minutes, this holy dragon family actually has Sky Profound Meteorite Iron, it is really weird..."

Ye Chen arched his hands to express his gratitude, no longer hesitated, and rushed in!

And when he rushed in, there was a moment of clarity in front of him!

There is no cave in this secret room, it's so vast!

In the middle of the vast land, countless chains are hanging in the air! Dense!

The circulation of ancient runes!

Thunder arcs are everywhere!

And under these chains is a girl.

The girl's face was pale, and the corners of her mouth were overflowing with blood!

Thin body is surrounded by thunder arcs!

This girl is no one else but Ye Luoer!

Ye Luoer wanted to practice this trick to perfection because she kept trying the Holy Dragon Sound Transmission Technique!

The price paid is huge!

Every time the practice runs, one has to endure endless pain!

"Luo Er!"

Ye Chen ignited a terrible anger in his heart!

He is Ye Luoer's only relative!

He promised Ye Luoer's master to protect her!

did not expect that Ye Luoer would suffer here!

How could Ye Luoer be like this if it weren't for looking for herself!

Endless killing intent swept through Ye Chen's body.

He stopped talking nonsense and walked quickly.

Ye Luoer at this moment obviously felt something, and opened his eyes with difficulty.

She smiled the next moment.

"Brother Ye...I dream of you again."

"Brother Ye, Luo Er is not a wild species, and Luo Er actually has relatives..."

"But for Luo Er, Brother Ye will always be my most important person..."

"Brother Ye, do you think you will leave when I wake up?"

"Then I hope this dream will continue, I really don't want to wake up, the outside world is so painful, only dreams can have a trace of peace..."

"But I want to complete the Holy Dragon Sound Transmission Technique as soon as possible, but Luo Er is so stupid, he didn't practice honestly before..."

Ye Luoer fell into a coma before finishing speaking.

"Luo Er, this is not a dream, I will take you away now!"

"Jilin is still waiting for you outside!"

"Don't you sleep!"

Ye Chen's eyes were moist, grabbing Ye Luoer's wrist and checking the situation.

Boom!

Ye Chen's breath exploded frantically, he checked and found that Ye Luoer's body was too badly injured.

is surrounded by lightning.

This thunder arc is extremely special, and it is not always possible to withstand the gate-closure state.

But Ye Luoer has to bear it all the time!

Damn it!

Why should the Holy Dragon family treat a girl like this!

Immortal Sacred Dragon Family, if you don't seek justice for Ye Luoer, he is not Ye Chen!

Now if Ye Luoer's breath is not there, she hasn't died so far, because the blood has protected her breath.

"I, Ye Chen, swear that we will never destroy the Sacred Dragon Family and will not enter into reincarnation!"

Ye Chen yelled at the sky, and there was a muffled noise out of thin air from the secret realm of the prison forbidden area. The clear sky of thousands of miles had gradually become dark, and a **** moon filled the sky.

Dark clouds are covered, thunder is rolling, it seems that the world is angry.

Looking at Ye Luoer's scars, Ye Chen's heart is like a knife, if he knew it earlier.

Ye Luoer would not be what she is now if she is not sure.

Ye Chen hugged Ye Luoer's body carefully.

He had a pair of gloomy eyes and did not speak, but Yuan Wen who had just walked in could feel Ye Chen's anger.

"Senior, let's go, rescue the strong imprisoned by the Sacred Dragon family!"

There are things in the dungeon for the strong to get out of trouble. The Sacred Dragon Family definitely already knows that, I am afraid it will not take long for the strong of the Sacred Dragon Family to come.

Yuan Wen nodded slightly, and the two came outside to rescue these strong men one by one.

Ye Chen told them the current situation, the strong man of the Holy Dragon family is probably already on his way.

"What are you afraid of? The Sacred Dragon family has imprisoned us for thousands of years. It is a big deal to die. If you kill one, you won't lose, and two will be earned!"

These powerful men, one by one, can't wait to kill the Holy Dragon Family.

The hatred between them and the Holy Dragon family is already endless!

Only killing can be solved!

The number of these powerhouses has reached more than twenty people, and every one of them can be the overlord of one party.

Outside, the entire sky is dark, and only one blood moon can be clearly seen. .

Rain dripped on the ground, and the wind roared like a ghost.

The dark clouds are crushing the city!

Chapter 2090: In my name, go to hell!

A wave of strong appeared out of the sky, and went straight to the teleportation array in the dungeon.

When these powerhouses appeared, the ordinary death row prisoners in the Secret Realm outside the prison huddled in their own turf, afraid to come out.

Anyone can tell, this is afraid that something big is going to happen!

Ye Chen and Yuan Wen teleported to the outside, and the surrounding breath was extremely suppressed.

They did not move, but waited quietly!

It's no use running away now, the strong of the Sacred Dragon family, it is absolutely impossible to let them leave.

嗖嗖嗖!

A stream of depressive aura rushed towards his face, Ye Chen did not have any fear on his face.

There is only a strong killing intent!

He and the Sacred Dragon Family, immortal endlessly!

Ye Luoer is still holding in his arms.

He didn't want Ye Luoer to feel cold in his dream, he wanted to give Ye Luoer a little warmth to the unconscious Ye Luoer.

"Ye Chen!"

The strong man on the side of the Holy Dragon Family stood in the void, and one of the elders roared when he saw Ye Chen's figure.

Although he didn't know what happened, he knew that he definitely couldn't get rid of Ye Chen.

Ye Chen raised his head, his cold eyes collided without fear.

"The patriarch of the holy dragon family did not come, it's a pity."

"Today, no one wants to leave."

"My way is killing, I will take your right way today!"

Ye Chen stood on the ground, laughed, stepped out, the whole ground was shaking.

These strong men of the Holy Dragon Family, everyone can kill him!

but! What a fear!

Killing intent is so terrible, anger burns in his heart!

Today, he wants to kill someone!

He originally wanted to threaten with the direct line of the Holy Dragon Family, but now Ye Chen didn't have such an idea in his heart.

Killing one person is a crime, but slaughtering people is king!

A man kills! For the people around you!

Ye Chen Beast Rotten Sword was held in his hand, the strong wind blew his clothes and his black hair fluttered wantonly.

"Seniors, you help me stop them, I'm going to bring the holy dragon family's daughters here!"

Yuan Wen nodded slightly. Although there were not enough people on their side, they held it for a while and there was no problem at all.

Ye Chen flew to the void and went directly to Zhang Tian's territory. The strong man on the side of the Holy Dragon family wanted to make a move, so Yuan Wen and the others stopped him directly.

The battle broke out in an instant!

Ye Chen left quickly and came to Zhang Tian's site. He wanted to say something, but when he saw Ye Chen's appearance, he didn't dare to say much.

Sacred Dragon Family's direct line, one by one was forcibly taken away by Ye Chen.

"Ye Chen, what are you going to do!"

"Ye Chen, I advise you to stop, the Sacred Dragon family is not something that people like you in the low-martial world can shake!"

The blood of these direct descendants was stained with blood, and their eyes hated Ye Chen.

I can't wait to eat Ye Chen!

They firmly believe that it will not be long before the elders of the holy dragon family will take action!

Ye Chen will die by that time!

They want to extract Ye Chen's veins and smash the Dantian!

tortured Ye Chen to death!

They are proud, and Ye Chen is nothing but ants in their eyes!

What qualifications does the ant have to take the initiative!

However, none of these direct descendants noticed the coldness in Ye Chen's eyes.

That was a killing intent he had never had before.

.....

In the battlefield.

The void is shattered, and the ground cracks open, like an abyss.

"The old dog of the Holy Dragon family, see who this is!"

Ye Chen roared in the distance, and the people who had been fighting stopped in an instant.

Everyone's eyes stared at Ye Chen!

Yuan Wen thought that Ye Chen grabbed the Sacred Dragon family's direct line and used it to threaten him, and he might not be able to run out then.

"Ye Chen, you dare to arrest our Sacred Dragon family! I advise you to let it go!"

On the side of the Holy Dragon Family, an elder roared.

The Sacred Dragon family lineage who was caught by Ye Chen, seeing the many elders, was extremely excited!

"Elder, save me, I want Ye Chen to die!"

"Ye Chen, little beast, I advise you to release us as soon as possible! Otherwise you won't even have a whole body!"

Ye Chen glanced, endlessly cold.

"The game has just begun!"

Ye Chen's voice fell, his five fingers grabbed, and his power burst out!

Surrounded by endless magic!

The blood moon was reflected in his eyes.

This is a sign of enchantment!

噗通!

The sacred dragon family's affiliation was actually crushed by Ye Chen in full view!

is terrible!

"You little bastard! How dare you... dare to kill someone from the Sacred Dragon family! I'm going to kill you!"

One of the strong men in the early stage of closing the door suddenly shot, but his son died just now.

When the strong of the Holy Dragon family rushed over, Ye Chen took out one person and threw it out.

Boom!

The strong man shot down and killed a direct descendant directly!

Blood mist erupted in the void, and on the side of the Holy Dragon family, the elders took action to control the maddened death prisoner in the gated state.

"Ye Chen, if you catch them, you just want to survive, as long as you let go of these direct lines, you can spare you not to die!"

An elder who was on the Fifth Floor of the Sealed Door Realm opened his mouth. He didn't know how many people Ye Chen had caught.

It's just a loss if a direct descendant of the Sacred Dragon family died.

If all the descendants of the Sacred Dragon family die out, the next generation of strong men will be gone, and they won't be able to pick them up.

Maybe the Holy Dragon Family will be destroyed!

Ye Chen did not speak, but instead fell on the ground, moving with spells, and a descendant of the Sacred Dragon family appeared.

They knelt on the ground, one by one panicked.

The elder frowned and saw Longcha and the others.

These three people, but the direct line cultivated by the Holy Dragon family with all their strength, have the opportunity to break through to the Taixu realm step by step, and there is no room for any mistake.

Ye Chen squeezed the beast sword, looked at Ye Luoer who was unconscious, and whispered softly: "Luoer, this is just the first step."

The strong man in the dungeon, seeing Ye Chen grabbing so many direct descendants, was overjoyed in his heart, maybe he could really leave.

As long as you leave, you will then take action against the Holy Dragon Family.

can live who wants to die!

"Ye Chen, let them go, I can forgive you!"

The voice of the elder of the Saint-Long Family fell, but Ye Chen sneered.

Click!

Beast Rotten Sword suddenly slashed out, and that arrogant Sacred Dragon family line directly turned into a blood mist!

Ye Chen's power, how do they endure it!

Boom boom boom!

Ye Chen raised the sword in his hand and fell like an executioner.

Without exception, none of these direct descendants survived.

Ye Chen's cheeks were stained with blood, and there was a hint of warmth.

The whole scene was silent, there was no movement from the Holy Dragon family, and their faces were extremely ugly.

The dignity of their holy dragon family, at this moment, was completely trampled by Ye Chen!

The strong man in the dungeon was also dumbfounded. I thought Ye Chen would threaten him. Who knew they would kill them all!

What the **** is going on!

There is no object of threats, it is difficult for them to go out!

Of those present, only Yuan Wen knows why Ye Chen is like this.

"Blood for blood, tooth for tooth!"

Ye Chen spoke indifferently, his beastly sword exploded with devilish energy, and suddenly a terrifying thunder erupted from the rainy sky.

ticking!

The blood stained the rain water red, Ye Chen held the beast sword and flew into the void! !

"In my name, go to hell!"
