

Urban Medical 2091

Chapter 2091: What an overbearing power!

"In my name, go to hell!"

Ye Chen roared, his whole body was demonic energy soaring to the sky, and the ground kept cracking.

Sword's devilish energy was completely aroused, and a ray of black energy entered Ye Chen's body strangely.

He was very clear in his heart that relying on his current state, he was not an opponent of these people at all.

You can only be enchanted! Become a demon of hell!

Ye Chen had been suppressing the demonic nature in his body before, but now he completely let go, regardless.

To be completely enchanted can you gain more powerful power!

I don't know whether Ye Chen can restore his sanity, but he can't control so much. He just wants to kill people in his mind!

kill! kill! kill!

"Devil Emperor, give me strength today, I will do whatever it takes! I want to be completely enchanted!"

The Devil Emperor saw Ye Chen's appearance and shook his head helplessly: "Ye Chen, why are you doing this again."

"The Holy Dragon Family is not weak in the Lingwu Continent, and you are now facing the elders in the middle and late stages of the closed door realm. You can't compete."

"Even if you are in a demon, it will only hurt more."

"Even if you are an immortal divine body and a demon body, you may not be able to bear it."

"Rather than contend with, it is better to let you go."

"Before I condensed my body and spent a lot of energy, I can't help you..."

When the Devil Emperor said this, he still shook his head helplessly.

He also faced this kind of desperation back then.

But did he escape?

No!

Even if he pays the price of his life, he has to give an explanation to those around him.

He knew Ye Chen could not listen.

Even in this battle, he might die.

"Devil Emperor, I can bear it."

This is Ye Chen's answer.

The Devil Emperor finally sighed helplessly: "Okay."

"I have a magic technique that may stimulate the limit of your enchantment."

"It's just that after this, you have to endure ten million times more pain."

Endless magic energy surrounds Ye Chen.

The world of the Forbidden Land Secret Realm is crumbling, Ye Chen's brows are black and go straight to Jiuyou.

His eyes turned blood red, extremely cold.

A frightening aura filled the surroundings from his body, Ye Chen raised the beastly sword in his hand.

The void suddenly shattered, and the void poured in frantically.

"Ten thousand demons worship, worship me!"

Boom!

With a roar, around Ye Chen, ghosts cry and howls!

Behind him, there were thousands of ghostly ghosts, and the next scene completely shocked everyone.

These demon heads actually knelt down in front of Ye Chen, kowtow one by one, just like believers.

Heaven and earth vision, ten thousand demons serve the Lord!

Throughout the ages, there have been many strong people who have become enchanted, but this is the first time in a thousand years that there has been a phenomenon of heaven and earth!

These ghost ghosts poured into Ye Chen's body one by one.

His breath, madly ascending, unexpectedly rose to the peak of good luck for a short time!

Half-step star orifice!

Star Aperture Realm one layer of heaven!

The magic body on was activated, with countless black lines all over his body.

His breath made this secret realm completely cold.

He temporarily increased his strength at the price of enchantment!

For Ye Luo'er, Ye Chen is willing to become a demon and gain a powerful force!

Whirring whirring!

The wind was violent, the entire forbidden realm was crumbling, and the surrounding space had become unstable.

I am afraid that it will not take long for the entire forbidden secret realm to be broken.

Ye Chen yelled at the sky, and cracks began to appear in the sky.

The strong man on the side of the Holy Dragon Family's complexion changed drastically, and a roar could shatter the void.

Even they can't do this.

The devilish energy soared to the sky, and Ye Chen was surrounded by black devilish energy.

Just now, the beast rotten sword, a black breath rushed into his body, eroding Ye Chen's mind.

The beast sword in Ye Chen's hand was aimed at the strong man on the side of the holy dragon family.

In an instant, a tyrannical demon aura burst out, and the whole figure rushed over.

a sword cut out suddenly!

This sword, the immortal sword intent and endless devilish energy have reached the extreme, and the black sword light fell in front of a strong man in the second-tier heaven of the Sealed Door Realm.

The door-sealing powerhouse was caught off guard and had no time to evade. A sword fell on his body.

Boom!

With a sword down, the body of the strong gate-sealing realm was knocked out.

A mouthful of black blood was spit out, and the whole person's face turned pale.

Yijian was seriously injured!

kill!

Ye Chen rushed over frantically, the elder of the Holy Dragon family frowned and shot directly!

After all, this son is too enchanting.

This death row secret realm, for so many years, no accident has happened!

And as soon as this kid appeared, the secret place of the Holy Dragon family for many years would collapse.

He can't even see Ye Chen.

I am afraid that the secret in this child is far beyond everything.

I am afraid that there are not many people in the history of Lingwu Continent who can fight against the door in the good fortune realm.

What's more, Ye Chen is now surrounded by countless demons, is it a member of the demons?

Enchanted and forced to enhance strength?

"Little beast, although you don't know what secrets you have, today you are in the territory of my holy dragon family, you only have the right to die!"

"The holy dragon seals the palm of the sky!"

The elder of the Fifth Floor of the Sealed Door Realm, no longer hesitate, blasted out with a palm!

actually tore the devilish energy in front of Ye Chen abruptly!

Two forces, one black and one gold, suddenly collided in the air!

"boom!"

The air wave bursts!

The face of the elder of the Sacred Dragon Family changed slightly, stepped back, and stopped suddenly.

The palm of his hand trembled slightly.

"What an overbearing power!"

"Is this Ye Chen's physical body extremely strong? Body refiner?"

And Ye Chen is also uncomfortable He spit out a mouthful of blood, his figure backed slightly, but he didn't feel any pain, and he rushed towards the elder!

Now he only knows to kill!

"It seems that I have far underestimated you, Ye Chen, the more you are against the sky, the less you can stay!"

The elder here dragged Ye Chen, and the strong men in the dungeon rushed over.

The chaos started, Ye Chen waved his sword tiredly without knowing it, and dense scars had appeared on his body.

The gap between him and the door-sealing powerhouse is too big, he can only trade his injuries for injuries!

Even if Ye Chen was willing to get into the devil to gain powerful power, there was still a lot of gap compared with the strong in the middle and late stages of the closed door realm.

Ye Chen raised his hand with a sword, filled with terrifying demons.

This sword is the strongest sword he can use his devilish energy after getting into the devil!

"Slash the sky with a sword!"

A sword swung out, and the surrounding void was instantly shattered, and wherever the sword light went, it was destroyed!

The terrifying devilish energy, disturbing people's mind, the ground of the imprisoned secret realm broke open crazily.

The thunder continued, and the elder's face wrinkled slightly.

This kid in front of me is a madman, a madman who is desperate!

If this continues, his cultivation of the five-layer heaven will not be able to consume.

He looked at the two elders behind him, and hurriedly said: "What are you guys looking at, let's take action together!".

However, the two had no intention of doing anything.

They put their hands behind them one after another, their eyes were solemn, staring at Ye Chen and the threatening prisoners.

Chapter 2092: Devil is born from the heart!

"This kid is a bit interesting, if the three of us make a move together, then Lingwu Continent is not going to see the jokes of our Holy Dragon family!"

When the elder heard these words, he almost spewed out a mouthful of old blood, without talking nonsense, and showed his full strength towards Ye Chen:

"Shaking the sky!"

The breath of the five-layer heaven in the Sealed Door Realm broke out completely. His hands kept tapping in the air, and a golden mark rose into the sky.

The mark of enveloped a ten-mile radius and fell from the top of Ye Chen's head.

Ye Chen showed a sneer at the corner of his mouth.

"I have a sword to open the sky! I have a sword to burn the sky!"

The devilish energy of the beast rotten sword rose to the sky, and the sword intent permeated the entire forbidden realm.

Ye Chen waved this sword to the extreme, and the demon energy in his body whizzed up.

The sword light fell crazily! The blood-red color of half the sky burning.

This is the color of blood!

At the moment of contact between the two, a deafening noise caused the low-strength warrior in the Forbidden Realm to spit out a mouthful of blood and fainted.

The scope of the explosion exploded the entire secret void.

Ye Chen had a fierce face, and he didn't even care about the airflow's injury to him, and his whole figure suddenly rushed towards the elder again.

"Little beast, you really want to die?"

"It looks like you are the same as Ye Luoer's wild species!"

"Okay, I will fulfill you!"

The elder took out a sharp sword and turned it into an afterimage on the spot!

appeared behind Ye Chen's in an instant.

and then stabbed out with a sword!

With this sword, the elder has absolute confidence!

Even if Ye Chen got into the demon, he couldn't stop it.

However, when the sword touched Ye Chen's body, an abnormal change protruded.

"Ding!"

The sound of gold and iron sounded crisply.

He realized that his strength and sword could not break Ye Chen's body, as if he had touched the extremely hard Geng Jin!

"how is this possible!"

The eyes of the elder of the Sacred Dragon Family widened, filled with disbelief.

Can the body of a warrior be strong enough to resist the power of the fifth heaven in the Sealed Door Realm? What a joke!

"You...what kind of monster are you!"

However, at this moment, Ye Chen smiled.

The scarlet eyes were full of killing intent, and the cold voice slowly fell: "Red Chen Divine Veins, how can an elder know it!"

"Crack!"

Ye Chen's five fingers suddenly held the sword! A powerful force burst out!

He grabbed the sword step by step and walked towards the elder of the holy dragon family!

At a distance of one meter, the other hand carrying the magic energy crashed down!

"Snapped!"

A slap actually landed on the cheek of the elder of the Holy Dragon family who was in the gate-sealing realm for five levels!

This scene instantly calmed the surroundings.

A martial artist in the good fortune realm can actually slap a strong man in the door realm of the fifth heaven in battle?

It's hell!

The elder who closed the door for five floors just wanted to speak, Ye Chen Bingham's voice sounded again: "Luo Er is not a wild species."

"You are."

This slap didn't cause too much substantial damage, but it made the elder who had sealed the door for five layers furious.

He is a top-ranked existence in the elders of the Holy Dragon Family, and he was slapped by a trash!

Odd shame!

The elder who closed the door for five days was spit out blood and almost passed out!

The elder roared, forcing a stream of blood in his palm, and rushed towards Ye Chen. The sharp sword in his hand was like a blossoming sword flower.

Sword Flower bloomed wantonly, rushing towards Ye Chen with the prestige like a dragon.

Ye Chen waved his hand, the beast rotten sword in his hand, soaring to the sky, the entire forbidden secret realm was enveloped by the devil.

Sword light like a raptor crossing the river, flying away in an instant.

stab!

The moment the two touched, a horrible muffled sound erupted, thunder-like explosion, and gleaming light of terror.

Ye Chen ghostly figure suddenly rushed out, a sword light quietly tore everything in between.

The elder waved his hand, and the suppressed breath burst out frantically.

A big handprint that turned the sky fell from above Ye Chen in an instant.

At the moment of falling, Ye Chen cut out with a sword.

Click!

A sword went down, and it did not stop the offensive of the earthshaking handprints, but the blood on the robes thickened.

Shocking.

"Puff!"

Ye Chen spit out blood, and the whole person looked extremely embarrassed.

The strength of the fifth floor of the door is indeed well-deserved, and his current state is not his opponent at all.

But no matter what, he must support it!

Ye Chen's eyes with killing intent, enduring the painful injury, rose into the sky in a blink of an eye.

At the moment he flew into the void, he didn't attack the elder, but came to the strong man in the early stage of the closure of the Holy Dragon family.

Slash the sky with a sword!

Sword intent broke out, Ye Chen clenched the beastly sword in his hand, raised his arm, and cut it out in an instant.

Sword Qi urged to the extreme, and immediately rushed over.

The face of the strong man in the early stage of closing the door changed drastically.

He realized that his actions had slowed down unexpectedly. He wanted to escape but found that he was imprisoned by the invisible devil.

The sword light instantly magnified in his eyes, like a terrifying wave of air.

He wanted to raise the sword in his hand to escape, but it was too late now.

Boom!

With a sword down, boundless blood gushes into the void.

Fortunately, he just dodged slightly, otherwise his body would be cut in half with a sword.

He was just about to endure the pain and leave, but Ye Chen's figure had already rushed over.

The beast rotten sword in his hand carries a monstrous devilish energy, and every step of the way, countless devilish energy spreads. The man was already seriously injured, but Ye Chen's speed was too fast.

makes him unable to react at all!

A white light flashed, and the beastly sword penetrated his neck to the back.

The blood splashed on Ye Chen's cheek, and a terrifying killing intent suddenly came from behind him.

Elder rushed over, his face full of anger, the dead Sacred Dragon family powerhouse was his younger brother, and he died in front of his eyes!

is also a huge loss for their holy dragon family.

In the current state, only the three elders can hold down Ye Chen.

The anger in the elder's heart can be imagined. As soon as he shot, the breath between heaven and earth rushed into Ye Chen's side frantically, making him immobile!

When Ye Chen couldn't move, he held a sharp sword and fell from the top of Ye Chen's head.

The sharp aura of the sword cut through Ye Chen's body.

The sharp sword fell instantly at this moment.

When it fell, Ye Chen roared and broke through the imprisonment with his left hand, grabbing the elder's sharp sword.

ticking!

The sharp sword pierced Ye Chen's flesh and blood, and the blood dripped from above, and there was a trace of magic in the blood.

The physical pain did not cause Ye Chen any pain, but a strange curve formed at the corner of his mouth.

The devil is born from the heart! !

The black magic energy in Ye Chen's body flew into the air, turning into a black dragon, rising into the sky.

The black dragon roared at the elder, and his whole body suddenly rushed over.

Chapter 2093: The realm of life and death!

When rushed over, he opened his big mouth, trying to tear the elder.

At this time, the elders can't care too much, and the dazzling dragon scales cover his whole body.

Facing the enchanted Ye Chen, he had to use his bloodline power!

The aura of the elder's body suddenly soared twenty times.

The breath spread, causing Ye Chen to squirt out blood.

Even so, Ye Chen didn't change anything, but rushed to the elder.

The enchanted Ye Chen didn't know the pain and exhaustion at all. This was the place that caused the elders the most headache.

Ye Chen's desperate style of play made him restrained.

Only ten meters away from the elder, Ye Chen raised the beastly sword in his hand.

A sword swung out, and at the moment it was swung, the devilish energy spread, and in the ears of the elder, a ghost was roaring.

The ghost cries and the wolf howls, as if the whole world is full of corpses.

The terrifying aura in the hands of the elders burst out, and a golden dragon's shadow fought away.

The sword light slashed on the body of the Golden Dragon Shadow, and quickly penetrated the body from his head.

The elder furrowed his brows, and then his whole body aura disappeared, and suddenly he came behind Ye Chen.

Boom!

A palm hit Ye Chen's back, causing the blood in his body to surge.

Blood spurted out of the mouth.

Ye Chen's whole face was pale, and if this continues, he won't be able to hold on for long.

Although he was enchanted and improved his strength in a short time, how could the elders of the Holy Dragon family be so easy to kill?

The battle on the scene has reached a white-hot state, and the strong in the dungeon itself has certain injuries.

None of them were in their heyday, but the strong on the side of the Sacred Dragon family were different.

Every one of them is lively and vigorous! The other two stronger elders will even take action at critical moments!

Fortunately, the strong on this side of the dungeon have a great resentment towards the members of the Sacred Dragon family, and they will kill them one by one.

This made the two parties feel anxious.

It's just that according to the current situation, defeat will only happen sooner or later.

"Haha, the old man has been tortured by the Sacred Dragon family for thousands of years. It's a profit to be able to kill two!"

A strong man in the Fifth Floor of the Sealed Door screamed loudly, and then the whole person directly chose to blow himself up.

Now he doesn't have the ability to continue fighting, it is better to use the last body to burst out the most brilliant light.

Death must die vigorously!

There are many people who do this kind of thing, and they all have a deep hatred with the Holy Dragon family!

A famous strong man fell, and the explosive power it brought caused heavy losses to the Sacred Dragon family.

The elder is bleeding in his heart, but there is no way.

The reason for all this is Ye Chen, otherwise the Holy Dragon Family would not have suffered such a big loss.

The elder hated the sky, pinching his fingers, and ten identical him appeared in his place.

This is not an illusion, but the fascinating Ten Shadows of the Holy Dragon Family! Everyone's breath is extremely terrifying.

It's just a huge price! After casting, the realm will fall!

"Ye Chen, you little bitch, the old man will not hesitate to break his cultivation base, and he will do you today!"

Elder's eyes were blood red, and ten identical him roared in unison.

The deafening sound made Ye Chen's whole body tottering, and he was about to fall down at any time.

The Chichen Divine Vessel was activated just now, and the loss of demonic energy and spiritual power was too great!

He is overdrawing!

The ten figures are mixed with a frightening atmosphere, like a awakened ancient behemoth.

And above the sky, the eyebrows of the two stronger Sacred Dragon Family elders were a little solemn.

"This kid is a little weird, let's solve it quickly."

One of the old men pointed out! Endless coercion enveloped!

The ten figures have actually strengthened!

The combined force is far beyond the five-story heaven of the closed door realm!

Ye Chen is not qualified to compete!

The terrifying aura made Ye Chen unable to move, and a fatal sense of crisis came whizzing out.

Ye Chen glanced at Ye Luoer and closed his eyes: "Devil Emperor, I can still bear it, no need to keep it."

The Devil Emperor sighed in the middle of his eyebrows, and shook his five fingers. The black crystal sarcophagus in the reincarnation cemetery, a black light shot into Ye Chen's body.

"That mysterious demon is also an ancient demon, but his power, can you really bear it?"

"I am afraid you will regret it after this war!"

However, Ye Chen's eyebrows suddenly burst out with bright light, and the horrible and suppressed demonic energy was like a volcanic eruption.

Demon Qi condenses into a demon master phantom around Ye Chen.

The demon Lord phantom is a hundred feet tall, and the devilish energy enveloped everyone so that everyone could not see the figure, but a pair of blood-colored arms were wrapped with iron chains.

The ghost of the devil enveloped Ye Chen's body.

The whole face of the elder who made hands on Ye Chen changed drastically, this is the body of the devil!

If Ye Chen repairs the devil, I am afraid that no one in this world can suppress him.

After ten phantoms rushed past, they contacted the demon master phantom.

At the moment when the two collided, the horrible atmosphere made everyone who had been fighting couldn't help backing away.

The aftermath of the explosion was too terrifying, and the ground of the entire forbidden secret realm burst.

The lava under the ground erupted, soaring into the sky, and the entire dark prison forbidden place was illuminated with fiery red light by the hot magma.

The entire forbidden secret realm has begun to collapse, and the real end of the world is coming. In this case, the expressions of all the strong people present have changed.

Void turbulence began to flow out of the ground in the forbidden realm.

If you are involved in the turbulence, you basically have no chance to survive, and the void turbulence is full of darkness.

can't see any light, if you are lucky, you can get out of trouble, if not, you can only be completely trapped in the turbulence of the void for a lifetime.

When the secret realm of the prison is completely shattered, they have no chance to escape.

Ye Chen lay on the ground, his blood-colored body, standing up hard step by step!

The elder is not much better, he used the secret technique, and has not killed Ye Chen.

Make his face dull!

"Old Xiao, we must leave quickly!"

Another elder of the Sacred Dragon family came to the side of Elder Xiao who had worked on Ye Chen.

The secret realm of the imprisonment hasn't lasted for long, even as a strong man in the late stage of the closed door realm, he dare not enter the void turbulence.

Old Xiao frowned, now is definitely the best chance to kill Ye Chen, if you give up...the consequences are disastrous!

"If we can hold on for half an hour, we two will strike together to destroy him! As for the strongest of us, he will take Ye Luoer away. After all, Ye Luoer is still useful to the patriarch!"

The two strong gatekeepers made their move, and they could definitely kill Ye Chen within half an hour.

"it is good!".

The elder nodded slightly.

Ye Chen has been seriously injured now, the two of them shot together, it will definitely make Ye Chen come and go!

Chapter 2094: end

A strong man who seals the door for five layers has made Ye Chen extremely difficult, if he adds a strong man who seals the door for seven layers!

Even if Ye Chen goes against the sky, it's useless!

The two elders of the Sacred Dragon Clan smiled contemptuously and shot together, rushing towards Ye Chen frantically.

Ye Chen stood up hard.

He was almost at the limit.

The soul is also a little damaged, if you want a thousand soldiers to explode at this time, it is impossible!

After closing the door realm, the gap in a small realm was so big.

Even if he is now in the middle of the game, it seems that he can't make up the gap.

If it were the heyday, Ye Chen would still be able to break free, but he is not in a good state now.

There are wounds of different sizes all over his body, and there are traces of blood overflowing, and the whole person looks shocking as if he crawled out of a pool of blood.

Ye Chen clenched his teeth, the hand holding the beastly sword unconsciously used force, the blood of his body flowed along his body to the arm.

In this state, Ye Chen has no way to resist!

An elder of the Sacred Dragon family, holding a sword in his hand, fell, and Elder Xiao shot it out with a palm.

Endless killing intent envelops Ye Chen, and Ye Chen has nowhere to go!

Their faces are hideous, enjoying the slaughter!

These two powerhouses both burst out all the energy in their bodies.

They promised this thunderous blow to make Ye Chen die without a whole body.

Boom boom boom!

The terrifying explosive power was filled with sand, and no one knew Ye Chen's life or death.

His body was already covered by the sand, and the two elders took a look and decided to leave first.

Now they have no time to check Ye Chen's life and death, but they are sure that Ye Chen has no hope of being alive.

The two of them shot together. Even the strong in the middle of the door closed realm can't survive, let alone Ye Chen? This kid of good fortune!

I am afraid there is only a pile of ash left now!

The two elders turned around and were about to leave, when a lazy voice suddenly sounded:

"Hey, you two old guys are too shameless, right? The Fifth and Seventh Heavens in the Sealed Door Realm, you even deal with a kid?"

"It's a pity that the time for this kid to practice is too short after all, otherwise, you will be the one who died."

The bodies of the two elders suddenly stiffened.

Why is there a sound behind you?

That kid is not dead?

They turned around in disbelief, and suddenly found a figure appeared in the endless yellow sand.

The figure is not Ye Chen, but a weird young man with a sword box on his back!

The key is that they can't see through the cultivation of the youth!

"who are you?"

Old Xiao suddenly said, he suddenly panicked.

The sword box youth stretched his waist, walked towards Ye Chen, and muttered as he walked:
"Who am I?"

"This is a good question."

Speaking of this, Feng Qingyang came to Ye Chen, stretched out his hand, and pulled Ye Chen up.

A smile was drawn at the corner of his mouth: "Boy, what happened to you today is very appetizing to me, don't call me Senior Feng in the future."

"Call me Master."

"Originally, the third sword wanted to teach you later, because only if you step into the star orifice can you barely qualify for the third sword."

"Think about it now, you are in a state of enchantment, you can barely use it, or the teacher will teach you in advance."

"Your body is already scarred. I will take three seconds."

"Can you bear it?"

Ye Chen looked at Feng Qingyang, and barely showed a smile: "Master, yes."

"it is good."

In an instant, the phantom of Feng Qingyang instantly overlapped with Ye Chen.

Ye Chen closed his eyes.

The surrounding yellow sand suddenly hovered, sweeping away a sense of desolation.

Between heaven and earth, it seemed that Ye Chen was the only one left.

The two elders of the Holy Dragon Family were a little confused.

"That was divine mind just now? Seizing the house?"

"I don't know, but I feel something is wrong with this breath."

"Hurry up, that kid must die!"

The two of them stopped hesitating, and hurried to Ye Chen!

A drop of blood was sacrificed in the air, and the blood covered his whole body! Long Yin Shaotian!

The two forces suddenly merged into one. This force seems to be able to crush everything!

At the moment when the terrifying power was about to come, Ye Chen opened his eyes and the corner of his mouth was drawn.

Beast Gu Jian's hand raised slightly.

"This sword is called the Eternal Thunder Sword!"

The words fell, dark clouds are all over the sky!

Endless thunder robbery surging!

Billowing thunder descended by hundreds!

gathered on the beast sword!

Ye Chen at this moment is the real Thunder Dao Zhenjun, who controls the gods!

The sky and the earth are covered by thunder light, dazzling to the extreme.

Those warriors who were still working all stopped.

Watching this scene, only horror is left in his eyes!

Who would have thought that this sword was cast by a kid in the good fortune realm!

This power is a complete seal!

And it was not in the initial stage of closing the door, the power is no weaker than the eighth layer of the closed door!

"Ye Chen, remember, the eternal thunder sword provokes not the thunder, but the thunder! That is one of the strongest elements of the road of martial arts."

"It's a pity that you can't use it before you step into the star aperture, and only today's opportunity can you barely use a sword."

"With this sword, I will kill all enemies in the world for you, and I will treat you as a teacher apprenticeship for your teacher!"

Words fall!

The sky of the secret realm was suddenly divided into two halves by thunder!

That sword intent fused with Thunder and broke the secret realm!

is really scary!

The key is not over yet!

The violent power slammed on the two elders of the holy dragon family!

The blow they thought they could kill Ye Chen suddenly disappeared!

Their pupils reflect fear From the beginning of the thunder, they knew they could not stop it!

is not a level of power at all!

Between life and death, Elder Xiao said in horror: "That's not Ye Chen's power! It's..."

The words were not finished yet, the meaning of thunder was like a wild beast that swallowed the two.

There is not even blood fog.

disappeared directly.

The two elders of the Sacred Dragon Family in the Fifth and Seventh Heavens of the Sealed Door Realm fell on the spot!

Horror!

Everyone was dumbfounded.

"Apprentice, this blow is very costly for the teacher. You must rest for a while. Next, can you still be sober?"

Feng Qingyang left these words and returned to the reincarnation cemetery.

But Ye Chen lost control, and his body was shaky, and finally sat beside Ye Luoer, panting heavily.

The mystery began to crack.

Turbulence.

The strong men in the dungeon saw this scene, but they didn't care about killing the strong men in the holy dragon family, and left madly one by one.

The secret realm of the forbidden area has long been devastated, and countless strong men have begun to escape!

The strong man on the side of the Holy Dragon family left the teleportation array, followed by everyone in the dungeon.

The entire secret world of the prison is controlled by the Holy Dragon family, and the only exit is the teleportation array.

This is their only chance!

However, one person did not leave. .

That is the strongest person dispatched by the Holy Dragon Family.

The elder of the eighth-level sky in the closed door realm, how old!

Chapter 2095: What the **** is this!

He Lao stood not far from Ye Chen and Ye Luoer.

eyes are deep.

Suddenly, "Papa Papa!", there was applause.

"Ye Chen, I admit that I underestimated you."

"You have too many secrets."

"I'm so curious about you."

"It's a pity, you shouldn't have the power to use it anymore, I can feel this is your limit."

"To be honest, this limit is really amazing to me."

"If you give you another ten years, oh no, give you one more year, I will not necessarily be your opponent... Your growth is really scary."

"But no matter how terrible you are, you still can't change the ending."

"This is the end of the matter."

"What is the ending?"

"The ending is Long Luoer, I want to take away, you can't save her."

"Also, you have to die too."

The words fell, He Lao walked towards Ye Chen step by step.

Every step.

The collapse of the secret realm is a bit serious.

Ye Chen looked at He Lao who was approaching, and wanted to stand up, only to find that he didn't have any strength now.

This is the limit of the body.

"I won't let you take Ye Luoer away."

He smiled: "Do you think you still have the qualifications to negotiate terms with me?"

"Could it be possible that you think you are in a badly injured state, but you can still shake the powerhouse of the eighth layer of the Sealed Door Realm? Ridiculous!"

After finishing speaking, a bright light burst out from the palm of Old He's palm, and a sword shadow instantly swallowed towards Ye Chen!

Ye Chen looked at Jian Yi getting closer and closer!

My eyes dimmed a little.

Is he really going to die?

At the end, Ye Luoer was not rescued either?

Seeing that the unstoppable sword shadow was about to touch Ye Chen!

Suddenly, the sudden change!

Between the sky and the earth, red and blue rays of light cover it and divide into two.

And Ye Chen's body was suddenly torn apart! A huge red and blue ball of light burst out of the torn space!

The roar of an ancient fierce beast faintly came from the ball of light!

This roar made the heart palpitations to those present!

He Lao's face changed slightly: "This is an ancient fierce beast...No, the voice of the ancient fierce beast can't break my mind a bit..."

"What exactly is this....."

At this moment, Ye Chen's eyes were extremely excited!

This red and blue ball is not someone else, but Xiao Huang!

Xiao Huang actually rushed out of the reincarnation cemetery!

The key is now Xiao Huang obviously has not completely broken the ball of light, what is it going to do!

"Little Yellow..."

Ye Chen's voice just fell, the red and blue ball was mixed with the roar of the monstrous fierce beast and smashed at He Lao!

He did not dare to take it lightly, and said angrily: "Whatever you are, stop me, I want you to die!"

punch out! The power of the eighth-layer heaven in the closed door realm is fully opened!

The red and blue ball sank a bit!

However, the power in the ball of light far exceeds He Lao's imagination!

Under the stalemate, He Lao's feet actually fell into the ground for a few minutes!

"Puff!"

spit out blood!

"This...what the **** is this!"

Before He Lao slowed down, the red and blue ball suddenly escaped from He Lao's attack and rose into the sky!

completely disappeared!

He Lao breathed heavily, is this over?

At this moment, in the sky, a huge ball of hot energy wrapped in red and blue flames suddenly fell!

This breath is far beyond his cultivation!

He Lao's first reaction was to run, but how did he run!

In an instant, the red and blue **** smashed down!

He used all his strength to stop him and wanted to contend, but his body was smashed to the ground!

The two blocking arms turned into blood mist on the spot!

"No one can move my master! No one!"

An angry voice suddenly came from the red and blue balls!

He Lao's eyes widened, this strange ball of light actually belonged to Ye Chen?

How many things against the sky does Ye Chen have!

At this moment, the red and blue **** went into the sky again! He Lao has only despair in his eyes!

If he comes again, he will definitely die!

He no longer hesitated, using his spiritual power, he spit out a jade pendant!

The jade pendant shattered in an instant, and He Lao disappeared before his eyes! Appeared outside the teleportation array!

"Hurry up and destroy the teleportation array!"

"Long Luo'er is no more, everyone is dead!"

When the powerhouse of the Holy Dragon family was about to destroy the teleportation formation, Yuan Wen rushed out of the teleportation formation.

A fist bombarded the abdomen of the Heavenly Powerhouse on the first floor of the Sealing Realm!

Boom!

With one blow down, the body of the strong gate-sealing realm was directly knocked into the air.

Although Yuan Wen has not recovered to his heyday, it is not something ordinary people can resist.

Yuan Wen made a move, which happened to drag the strong man of the Holy Dragon family.

Let the strong in the secret realm of the prison run out one by one.

In the secret realm of the imprisonment, in a piece of yellow sand, Ye Chen's body, there were countless cracks, and the whole person's breath became as if nothing.

This is the limit of damage, and even began to backlash.

In this battle, he expended too much power.

A red and blue ball is guarded beside him.

"Xiao Huang, thank you..."

The red and blue **** shook slightly, as if to answer Ye Chen something.

"You can dive into the reincarnation cemetery now, and I will take care of the rest."

Xiao Huang nodded. He just rushed out of the reincarnation cemetery and it had some influence on the foundation. He could not stay outside for too long.

Must wait for the complete end of refining.

Ye Chen looked at everything that was shattering around him, his face changed slightly, and he swallowed a lot of pills! Reluctantly stand up straight.

He hugged Ye Luoer.

The entrance is about to close, he must leave as soon as possible!

Ye Chen adjusted his breathing and suppressed the pain from his body. He flew into the void and headed to the exit of the teleportation array. During the flight, he happened to see Zhang Tian.

"My lord, save me!"

Zhang Tian couldn't help but cry when he saw Ye Chen. It was truly an infinite road.

Ye Chen took a look and saved Zhang Tian.

No matter what Zhang Tian is also doing his best.

The eruption of the volcano in the secret realm of the prison, and the lava erupting from the ground, can be seen everywhere.

Ye Chen and others came to the exit of the teleportation array and entered quickly.

At this moment the door just closed!

The secret realm completely collapsed!

And in the palace of the Holy Dragon Family that leads to the secret realm, it has already been messed up.

The strong men of the Holy Dragon family appeared one by one, suppressing the warriors in the dungeon, and the battle broke out completely.

Some weak warriors of the Sacred Dragon Family dare not approach at all.

If you want to participate in the war, you have to close the door at least halfway.

The aftermath of horror, causing palaces to collapse, is a disaster for them.

The elders of the Sacred Dragon Family are bleeding in their hearts.

This is the first time their Sacred Dragon family has been attacked into the base camp.

And they still lead wolves into the room. To put it bluntly, they cannot live by themselves!

hum!

At this moment, the teleportation array burst out with a loud noise, when the figures of Ye Chen and Ye Luoer appeared.

The other elders of the Sacred Dragon family almost vomited a mouthful of old blood!

Ye Chen is still alive now, and he is still carrying Long Luoer, how is this possible?

They got news that the three elders who had closed the door in the middle and late stages dealt with Ye Chen, and they died! !

One person broke his arms and was seriously injured!

Chapter 2096: Turnaround?

Lingwu Continent, the deepest part of Holy Dragon City.

A palace isolated from the world.

This is the true foundation of the Holy Dragon Family.

is also the true main hall of the Holy Dragon Family.

Only the Supreme Elder, core elder, Patriarch Long Hongtian, and important figures of the Holy Dragon Family can enter this temple.

Even the main line and direct line of the Holy Dragon family are not eligible to enter.

There is this spiritual vein under the main hall, which is extremely rich in aura within ten miles.

It is a pity that this temple is isolated from the outside world, and even the descendants of the Sacred Dragon family are not qualified to practice nearby.

At this moment, the atmosphere in the hall is solemn.

Top Best AI for Forex Trading 2024

Long Hongtian sat on the top, and several important elders sat on the right.

But their faces don't have any power, just because, today, the Sacred Dragon family came by accident!

The people who came from the kingdom of God!

The Shepherd of the Kingdom of God.

Because of Muye's accident in Lingwu Continent, the Mu family sent Mu Tiansheng, Mu Feng and his sons to investigate the Lingwu Continent, and even visited every top power.

Find out the truth about Makino's death at all costs!

And today, they happened to come to Holy Dragon City!

Mu Tiansheng took a sip of tea, and narrowed his eyes to look at Long Hongtian and said: "My God Country Mu Family is here today, not for other things, I just want to know, some time ago, your Holy Dragon family closed the middle and late stages. Has the strong ever shot a young man?"

"He is our shepherd, but unfortunately, he fell forever on the Lingwu Continent."

Long Hongtian's face turned pale when he heard these words. Although their holy dragon family belongs to the top power category in Lingwu Continent, they dare not attack the people of the kingdom of God no matter what!

He stood up and said with a smile: "Mr. Mu was joking. My Sacred Dragon family has always had a good relationship with the Kingdom of God, so how dare you kill people from the Kingdom of God."

"Furthermore, during this period of time, the middle and late stages of the Sealed Door Realm of the Holy Dragon Family, and even the stronger elders of the Supreme Being, were in both the Holy Dragon City and the Demon Realm, and they had never killed a young man from the Kingdom of God."

"But since this incident happened in the Lingwu Continent, even if my Holy Dragon family digs three feet, I must find the existence that is disrespectful to the kingdom of God!"

Mu Tiansheng's eyes were shining brightly, and for a long time, a hearty voice sounded: "I naturally believed in Patriarch Saint Long, but there are some things that I have to see."

"My shepherd family has a magic technique. Once we fight with my shepherd family, a part of the aura can remain on the opponent and cannot be eliminated."

It's just that this technique can only be perceived after a distance of 100 meters.

Therefore, I have to trouble the Sacred Dragon Family to bring you the powerhouses in the middle and late stages of the gate closure and Taishang out for a look, or I will go personally, even if they are close to them. "

Long Hongtian was a little angry. His Sacred Dragon family was considered a branch of the Nine Heavens God Dragon Palace. This Shen Guo Mu Clan's attitude was too bad for him.

However, he can only swallow his anger into his stomach!

Who let the other party come from the kingdom of God!

"Mr. Mu, since it is what you need, then our Holy Dragon family will do our best to help you."

"I will bring them here, but there are several elders who have been in retreat, so I have to ask Mr. Mu to move..."

Mu Tiansheng touched his beard and smiled: "It's easy to say."

But at this moment, an elder of the Sacred Dragon family hurriedly came over, glanced at the crowd, arched and came to Long Hongtian's ear and said a few words.

In an instant, Long Hongtian's face changed drastically!

An accident happened in that sealed secret realm!

Death row escaped!

The two elders have fallen! One even broke his arms!

Damn it!

These are all important elders of the Holy Dragon Family!

Inheritance of existence for thousands of years!

If one falls, one is missing!

If these are only shocking Long Hongtian, what really makes Long Hongtian angry is that the initiator of everything turned out to be a kid in the realm of good fortune!

Ye Chen!

The key is that this kid rescued Long Luo'er who was sealed in the secret realm forever by the Sacred Dragon Family!

Long Luoer's blood is too strong, especially her identity is a big threat to his current status!

Some of the elders of the Shenglong family and Taishang elders support him, but some people believe that Long Luoer's father is still alive!

If they knew about Ye Luoer's existence, the consequences would be disastrous!

Mu Tiansheng seemed to see something, and tentatively said: "Patriarch Saint Long, your complexion is not very good, but what happened in the clan? Do you need my help?"

Long Hongtian's heart sank, this matter cannot be let the kingdom of God know! Don't let outsiders interfere! Otherwise, his holy dragon family would be a big joke!

He was calm and calm on the surface, but in fact he whispered to the elder: "There should be a few door-sealing elders sitting outside the teleportation array, so that they can kill without mercy and leave nothing to survive."

"But..." What else the elder wanted to say, a few cracks appeared under his feet.

The sealed secret realm is broken, and the foundation of the Holy Dragon family is also affected!

"Go! If necessary, you can use the Scarlet Locking Dragon Array!" Long Hongtian said.

After finishing speaking, he smiled at Mu Tiansheng and said, "Mr. Mu, the foundation of the Holy Dragon family is too long and it's a bit loose. By the way, I will take you to see the Supreme Elder first..."

Mu Tiansheng narrowed his eyes, and whispered to his son Mu Feng next to him: "You find an excuse to leave, then follow up and have a look, don't be discovered..."

"Yes, father."

.....

At the same time, a side hall of the Shenglong family.

War is about to start.

Ye Chen hugged Ye Luo'er and found that the surroundings had long been in a mess.

There was blood everywhere, and was full of murderous intent in the whole room.

And in front of him, stood five elders of the holy dragon family.

are all on the fourth floor of the closed door realm! There are even five layers of sky.

Because of the sudden arrival of the Shepherd Family of the Kingdom of God, Long Hongtian did not plan to send more people to take action.

But right now, Ye Chen is seriously injured, and one of them can kill Ye Chen.

Ye Chen's body shook, but Ye Luoer held it firmly in his hand.

He could feel the power of backlash being strengthened.

He is forbearing!

He doesn't want to fall down!

The pressing effect of those pills is far from enough!

The Devil Emperor with his brows looked at this scene and shook his head: "Boy, why are you doing this, I can take you away with the devilish energy as a guide."

"Now, neither Feng Qingyang nor I can control your body, and with the passage of time, your physical pain will be deeper..."

Ye Chen smiled and glanced at Ye Luoer in his arms: "It's all worth it."

The Demon Emperor shook his head: "Unfortunately, it will take time for me to reunite physically. If I recover, I am afraid I can solve the Holy Dragon Family with just one look."

"At the moment, I can't provide devilish energy. This is your life and death crisis."

"I hope there will be a turnaround."

The Devil Emperor didn't want to help Ye Chen, but he didn't want his physical reunion to be ruined.

However, if Ye Chen is really in danger, he is still willing to take action! !

At this moment, Ye Chen suddenly said:

"Devil Emperor, is it true that the more Demon Qi, the stronger the Shura Demon Qi?"

Chapter 2097: Monster, nightmare!

The Devil Emperor was startled, Ye Chen didn't have more devil energy on his body, how did the Shura Attracting Devil Technique activate?

However, the Demon Emperor still replied: "Indeed, if you are in the Demon Realm or Demon Sea, there may be some possibilities to use the Shura magic trick... But there is no connection between the Holy Dragon Family and the Demon Race, and there is no demon energy around. You use... your current injury can't use the Shura magic trick..."

Ye Chen ignored him and walked over with Ye Luoer step by step.

His eyes were full of murderous intent, and when he stepped on the ground, a black lotus appeared.

Step by step lotus!

The old man, even if he was willing to become a man, was just a machine without emotion.

Now he is like a crazy demon.

The killing has already begun, how can it end like this.

Ye Chen's blood was full of black magic energy.

Every step made everyone's mind tremble!

Zhang Tian was beside Ye Chen, looking a little dumbfounded, and hiding by himself.

The elders of the Holy Dragon Clan present are all stronger than his aura, and they can kill him in one move.

Had it not been for Ye Chen, he would have run away long ago.

After finally coming out, how could it fall into the hands of the Holy Dragon family again.

Regarding revenge on the Sacred Dragon Family, he doesn't have too many thoughts in his heart, and he doesn't even know how to die against such a behemoth.

The moment Ye Chen appeared, the injured Yuan Wen was a little surprised, and a stride came to him.

"Senior Yuan!"

Ye Chen yelled slightly. Yuan Wen's situation is not good now. There is a sword mark on his chest, braving blood and water, and his strength has dropped a lot.

"I thought you were dead!"

Yuan Wen said with a smile.

Ye Chen had a life-saving grace to him, and at that time in the secret world of prison, it shocked him too much.

"The Holy Dragon family hasn't been destroyed, how could I die easily?"

Ye Chen said in a deep voice, then took out the beastly sword, his fingers were shaking.

But facing the people of the Holy Dragon family, he has only strong killing intent.

Yuan Wen saw this scene, still reminded: "Ye Chen...you can't fight at all in your current state, let alone these door-sealing powerhouses...Even the star-aperture powerhouses can kill you..."

"How about I blew myself up and buy you some time?"

Yuan Wen's life was saved by Ye Chen. He was **** once, and it was not considered a trip to the world in vain.

At this moment, the elders of the Holy Dragon Family who were waiting outside spoke: "Little beast, you have hurt the foundation of my Holy Dragon Family, and you have destroyed the secret realm and released the death row. You cannot afford this price!"

"I see you walking swaying, I'm afraid your body has been seriously injured, are you sure you still have the qualifications for the first battle?"

"It's ridiculous!"

"Now, the Patriarch has orders, let's kill it! Do it!"

The five door elders suddenly released their aura, and a strong killing intent rose to the sky!

At this moment, the corners of Ye Chen's mouth rose slightly, showing a sneer arc.

In the next second, he directly took out the Blood Demon Sword!

The Blood Demon Sword is floating above Ye Chen's head! Endless magic surging!

The Devil Emperor naturally noticed this scene, his expression changed slightly, and he was surprised: "This kid is going to release the devilish energy in the Blood Demon Sword? Is he crazy? But at the moment, this seems to be the only opportunity. This child is simply for war. Sheng, if I don't fall, I'm afraid my achievements will far exceed me..."

The seal of the Blood Demon Sword seems to be forcibly opened!

The whole house is full of demons!

Ye Chen, who was holding Ye Luo'er, flashed a bit of determination, and gently placed Ye Luo'er in a safe place behind him, and then pinched his fingers: "Nine Nether Shura, come out!"

"This time, gather my body! Today, I am Shura, and I want to blood-stain the holy dragon!"

Roar!

At this moment, Ye Chen suddenly roared, and his body changed drastically.

Devilish phantom appeared behind him, it was the phantom of Nine Nether Shura!

Six lacquered arms, blue and black on three sides, spitting fire in their mouths, angry and devilish!

The shadow is even more like Ye Chen merged into one!

Xuying's body gradually became larger, a thousand feet tall, behind him, six thick arms, flying flexibly.

Because the blood demon sword is extremely powerful, the summoning of Nine Nether Shura this time far surpasses the time of the Universe Killing Domain!

The strong man on the side of the Sacred Dragon family, everyone's face has changed!

Nine Nether Shura!

Rumor has it that Nine Nether Shura possesses three heads and six arms, with a violent nature.

Like God but not God!

Like a devil but not a devil!

Like a person but not a person!

Nine Nether Shura is the master of killing, everything is in his hands, all for destruction.

"This...this is Nine Nether Shura!"

The elders on the side of the Holy Dragon family were terrified to the extreme.

Rumor has it that there is a powerful species in hell, that is, Shura, non-human, non-god, non-ghost!

Shura is cruel by nature, extremely belligerent, he can reach the sky with his hands supporting the sun and the moon, standing on the sea with his feet on the sea, the more he must be in the mountains.

In a word, you can imagine how terrifying Shura's strength is!

At this moment, all the strong men paid attention to Ye Chen's body.

Rumor has it that Shura in the world really exists!

Ye Chen controlled Nine Nether Shura and looked down at the crowd. Then, from the mouth on one of Shura's head, a fiery flame spewed out and rushed towards the holy dragon family.

Boom!

The flame is endless, there is no way to extinguish it Burning on the body of the warrior, there is a terrible scream.

A scream made everyone wake up from the shock!

"Everyone, let's get rid of Ye Chen!"

An elder from the Sacred Dragon Family spoke directly!

Ye Chen presents the greatest threat to everyone present, and Yuan Wen is not worth mentioning.

As long as Ye Chen dies, no one else should be afraid!

One by one, the strong men of the Holy Dragon Clan flew away, rushing towards Ye Chen!

An atmosphere of terror permeated the residence of the Sacred Dragon Family, making everyone couldn't help but take a breath.

Ye Chen's eyes did not change in any way, and the cold eyes seemed to not put everything in the world in his eyes.

When these powerful men rushed over, the six arms behind Ye Chen snapped immediately.

Shura's six eyes exuded a terrifying magical energy, forming a huge beam of light, flying away.

In an instant, the palace collapsed and the entire ground began to crack.

Demonic energy was flying in the air wantonly, and some children of the Sacred Dragon family were caught by the evil spirit and let out a scream.

"Not good! Children of all families, hurry up and leave!"

"Go and inform the patriarch! The monster has crawled out of Jiuyou Hell!"

An elder roared, and if this continues, everyone in the Holy Dragon Family in the partial hall will not survive. .

At that time, only people like them will be left. Have a fart?

Ye Chen controls the strongest Shura, fighting alone against the crowd, and the six arms behind him carry a terrifying power.

Chapter 2098: 1 sword cut 9 secluded!

Latest website: Every slap is mixed with terrifying demons, and his left hand grabs the beastly sword.

At this moment, a sword was cut out suddenly, and the sword light was surrounded by magic energy.

One sword slashes Jiuyou!

Wherever the sword light goes, everything next to it turns into powder, and the earth shakes the mountains.

The elder was vomiting blood in his heart, and he wanted to kill Ye Chen.

It's just that the current Ye Chen is no longer what it used to be. Even those who are strong at closing the door can't say that they can kill Ye Chen who controls Shura in a second.

The entire palace of the holy dragon family has become a ruin. I don't know how many warriors of the family have died.

Top Best AI for Forex Trading 2024

Although Ye Chen summoned Nine Nether Shura, his own consciousness still existed.

Nine Nether Shura is tough, but it won't last long. The devilish energy of the Blood Demon Sword dissipates and it is completely over.

Also, the powerful Blood Demon Sword will lose its spirituality!

But Ye Chen had no choice!

The patriarch and the Supreme Elder of the Sacred Dragon Family, and even the stronger ones have not yet appeared for some reason, and he cannot stay here for long.

Ye Chen decided to rush out, and made up his mind to let Shura slay a strong man in the gated state with a single sword, and then his back arm grabbed a person by the neck.

Click!

With a crisp sound, he directly crushed his neck!

The blood of many powerful people remained on the ground, and the air of the entire Sacred Dragon family was covered by the smell of blood.

The powerful men of the Saint-Long Family were so angry that they hit Ye Chen's body with terrifying magical powers.

His body was injured and bleeding, but the black magic energy entwined all over Ye Chen quickly healed his physical injury.

In this case, the elders of the Holy Dragon family have a headache.

Ye Chen killed one person step by step, unstoppable, and walked towards the outside of the Holy Dragon Family step by step.

"No, he wants to escape! End!"

One of the elders said, and in an instant, the other three door-sealing elders came to him and looked at each other.

They came to Ye Chen's side, a drop of blood was squeezed out, and a strange mark was made in their hands.

The four imprints immersed in the void, dragged by their essence and blood, forming a **** barrier.

"The Scarlet Dragon Array!"

The four elders of the Sacred Dragon Family roared, and blood dragons rose into the sky beside Ye Chen, entwining them.

Ye Chen controlled Shura to hit the big formation with a punch, but he didn't move.

"Hahaha, Ye Chen, see how your little **** can escape!"

When an elder saw Ye Chen being trapped, his whole body felt comfortable.

They believed that the state of Ye Chen Jiuyou Shura could not last for too long, and the magic sword and devil qi above his head were getting less and less.

At that time, there is no state of Jiuyou Shura, these powerhouses, anyone can shoot Ye Chen to death!

Ye Chen frowned, controlling Shura to hit the barrier with a punch.

Every fist is mixed with terrifying power, but this blood-colored lock dragon formation is motionless, there is no sign of broken.

The blood of the four strong gatekeepers, and the underground array here, are specially used to set up the large array, how could it be easily broken.

Yuan Wen glanced aside. He wanted to save Ye Chen, but he was powerless.

He is not qualified!

Now is definitely the best opportunity for him to escape, and Yuan Wen cannot give up.

As for whether Ye Chen can live, he can only pray in his heart.

He is alive, at least he can avenge Ye Chen!

The most worried thing is Zhang Tian. He hid in a corner and didn't dare to move at all.

His injuries are more serious.

After seeing Ye Chen trapped, his heart was anxious, but there was no way.

Using force in front of these sacred dragon family elders is undoubtedly an act of seeking death!

Now he can only pray for Ye Chen to have other means, otherwise it will kill two lives!

After Ye Chen was trapped, the strong man of the Holy Dragon family was completely relieved and began to deal with the strong man who ran out of the dungeon.

The strong man in the door-sealing state believed that even if Ye Chen had the power to reach the sky, he couldn't get out of it.

The strong men who had not had time to escape, were beheaded one by one.

Beside the Holy Dragon family, a strong dungeon who closed the door was besieged by dozens of people.

The whole body is scarred, and death is only a matter of time.

Those strong in the dungeon, without the slightest fear, but a look of relief.

"Haha, what your Sacred Dragon family has done will be exposed sooner or later!"

The strong man roared, and the aura in the whole person became extremely strange.

Boom!

His body suddenly exploded, and these mixed blood veins constantly impacted in his body and couldn't bear it.

The elder on the side of the Sacred Dragon family, his whole face became very ugly.

"Don't keep your hands, kill them all! Don't let these guys have any possibility of self-destruction!"

In an instant, blood was thick, and death row prisoners were being mercilessly beheaded.

Ye Chen was furious when he saw this scene. He thought he was not a good person, but he couldn't reach the level of the madness of the Shenglong family.

The Scarlet Lock Dragon shook wildly, Ye Chen knew in his heart that he wanted to rely solely on brute force to completely break it.

"what!"

Ye Chen yelled to the sky, and the eyes of Jiuyou Shura under his control were filled with killing intent, and the devilish qi burst out frantically.

His whole body was covered with devil energy, like a demon god, with three heads and six arms behind him waving wildly.

Boom boom boom!

"Money is from the heart, ten thousand demons kill the sky!"

Ye Chen roared, at this moment the sky of the entire Holy Dragon City suddenly darkened.

Above the sky, thousands of ghosts were roaring, and the devilish spirit enveloped the Holy Dragon City.

All the warriors of the Holy Dragon City can see this scene. In their ears, there seems to be a devil roaring.

The source of the devilish energy comes from the Sacred Dragon family, and all warriors know in their hearts that something has definitely happened!

Otherwise, this situation is impossible.

There was a crack in the Blood Demon Sword, but the devilish energy did not stop!

Booming Demon Qi continued to pour into Ye Chen's body.

The terrifying devilish energy entered Ye Chen's body, making the strong man of the Holy Dragon family shocked.

Ye Chen and Jiuyou Shura are actually climbing continuously, if this continues, I'm afraid the Scarlet Locking Dragon Array cannot control him.

Devil energy entered, Ye Chen felt like his body was about to burst.

There seemed to be endless devilish energy in his body, and he punched him without knowing the exhausting bombardment.

There were cracks in the entire array gradually, and the terrifying devil energy in Ye Chen radiated out.

The elder on the side of the Holy Dragon family frowned.

The Scarlet Lock Dragon Array is going to be unable to hold on!

"Everyone, hurry up and strengthen the big array!"

The elder of the Holy Dragon Family spoke directly!

The four powerhouses of the Star Aperture Realm rushed over, again preparing to force a drop of blood.

But how could Ye Chen let them succeed, and finally run out.

can never be suppressed again!

Chapter 2099: What is the origin of Frozen Arrow!

Latest website: Nine Nether Shura's arms suddenly expanded, the veins on it burst, and all the strength of his body poured into his arms.

Boom!

All the fists of Jiuyou suddenly used force, bombarding the barrier.

Click!

The barrier began to shatter at an extremely fast speed, and the entire barrier suddenly split.

At the moment when the great array was broken, a horrible aura spread, and the aftermath of the explosion made everyone inevitably retreat.

The entire surrounding area was filled with dust. Nine Nether Shura's thick black arm suddenly grabbed an elder's arm.

The moment he grabbed his arm, he immediately used force.

Boom!

The elder was caught off guard, and his entire arm was torn off.

The beast sword in Ye Chen's hand was cut out instantly!

At the moment it was cut out, an elder of the Sacred Dragon family also fisted out.

He specializes in cultivating a pair of iron fists, relying on his fists to not know how many strong men have been killed.

One punch after another, causing the surrounding space to fluctuate.

Ye Chen's figure drew back frantically, slashing out with a sword.

Every sword is played to the extreme.

Ye Chen now has no time to continue wasting.

He could feel that there were bursts of intense pain in his body, and the devilish energy of the Blood Demon Sword was about to run out!

I am afraid that it does not take a few minutes before he will be completely weak. I am afraid that anyone who comes here will be able to kill him.

Ye Chen waved his sword and rushed to the outside of the Holy Dragon family, trying his best to make a **** road, but the elder, how could he let him leave.

"Those who block me, die!"

Demonic energy burst out frantically, and immortal sword intent gushed out.

This sword demon energy is endless, wherever the sword light goes, it is like an end to the world.

The moment the two touched, a terrifying sound erupted.

Soon, Nine Nether Shura dimmed a bit!

The Blood Demon Sword also fell completely, and was taken back to the Samsara Cemetery by Ye Chen.

Time is up!

Ye Chen felt a strong tingling sensation in his body!

He is soaked!

Sweat and blood are mixed together!

Embarrassed!

He felt like he was going to be unconscious!

Ye Chen let Nine Nether Shura burst out his last power and dash out a **** road!

Then, he hugged Ye Luoer who was unconscious and rushed out with all his strength!

Take a gamble!

Boom!

When Ye Chen escaped from the inside, a terrifying breath suddenly struck.

"Little bastard, don't even want to run!"

An elder from the Holy Dragon Family, who was sealed off for the fifth floor, rose to the sky, and he slashed towards Ye Chen's body.

The knife rushed to Ye Chen frantically!

"Puff!"

Ye Chen was hit, and a terrifying wound appeared on his back.

The moment he was hit, his whole body was shaking.

His speed gradually slowed down, and the elder only needed three breaths to catch up.

Ye Chen now doesn't have much devilish energy, so he continues to fight, not to mention the strong person who closes the door, even if he faces the strong person of the Star Aperture Realm, there is no way to resist it.

"boom!"

Ye Chen finally fell heavily to the ground.

His body turned, letting Ye Luoer press on his body.

He didn't want Ye Luoer to have any trouble.

He tried to open his eyes, but he couldn't do it!

He is so tired!

The backlash of his body made him almost unconscious in pain!

The elder of the Sacred Dragon Family who had sealed the door for five layers was happy, no longer hesitating, holding a big knife in his hand, tearing the void!

The violent sword intent completely moved towards Ye Chen and Ye Luoer!

Today, Long Hongtian ordered that everyone should die!

He can't let people leave alive!

Seeing that the sword intent was about to be cut on Ye Chen's body, an afterimage appeared in front of Ye Chen.

"Unexpectedly, there was such a great harvest! This person has the breath of Young Master Mu. It seems that the death of Young Master Mu must have something to do with this person!"

"I want to take this person away, you can't kill it yet!"

A wave of air surging, instantly blocked the elder from outside.

And in front of Ye Chen, a handsome young man appeared!

The breath of the youth is extremely powerful! Awesomely the noble shepherd of the Kingdom of God! Mu Feng!

The movement of the Holy Dragon family was too big to be covered, so Mu Tiansheng asked his son to come and check!

But I didn't expect that it doesn't matter if you don't check it. Upon checking, such a big thing happened to the Sacred Dragon Family!

The key is that this man still has the breath of Makino!

The elder who closed the door for the fifth floor naturally knew the identity of Muye, but even the patriarch had to take care of him.

He quickly arched his hands and said, "Mr. Mu, okay."

Mufeng looked at Ye Chen and Ye Luoer who were already in a coma, with a smile drawn at the corners of his mouth: "A good fortune realm can cause the Sacred Dragon family to suffer such a heavy loss. It is not impossible to say that you kill Muye..."

"I, Mu Feng, have been very careful in doing things all my life, ants, I can save you a dog, but before I show you to my father, I will completely destroy your dantian!"

Mu Feng's eyes flashed with coldness!

The words fell, five fingers formed into claws, and he grabbed Ye Chen's dantian abruptly!

Once touched, the pubic area will be destroyed!

Just when his hand was about to touch Ye Chen's dantian, the void split!

An ice arrow is coming! With endless chill!

"Hey!" The sound of Mu Feng's protective shield broke open! It was abruptly shot on Mu Feng's palm!

The powerful force actually moved Mu Feng's body!

was nailed to a ruined ground of the Holy Dragon family!

Mufeng looked at the ice arrow and the spray of blood in front of him, his face changed suddenly!

With this power, he doesn't even have the right to block it!

This power is not a star orifice, let alone closing the door, but too virtual!

Only those old retreats of the Holy Dragon Family are too imaginary!

Is the Holy Dragon family going to rebel!

His bloodshot eyes shot in one direction!

He saw a veiled girl!

The girl has a beautiful body is extremely young, but for some reason, the killing intent and chill on her body makes her heart palpitating.

The key Mu Feng found that he could not see the girl's cultivation level at all!

wrong!

He also discovered that this girl also had the breath of Makino!

Mufeng wanted to remove the ice arrow from his palm, but found it impossible!

It seems to be completely welded!

This...what is the origin of Frozen Arrow!

The veiled girl fell on the ground, and she glanced at Ye Chen and Ye Luoer who were unconscious with a cold and non-secular look.

For some reason, he was moved a bit.

It was like a calm lake with waves.

Then, his eyes suddenly fell on Mu Feng's body, and the temperature dropped sharply! Snow falls!

Strangely, the snowflakes on the sky are not white, but blood red!

The fear in Mu Feng's heart broke out completely, and he said in horror: "You...who are you! Are you a member of the Sacred Dragon family?"

The elder who sealed the door to the fifth floor trembled in his heart, and said, "How can there be such a strong in the Holy Dragon Family!"

He is even thinking of a way to leave!

Chapter 2100: If he does not die, the kingdom of God will surrender!

Latest website: He found that the girl appeared and everything around him was cut off. If he didn't inform the Patriarch, the main hall would definitely not know what happened here!

He stepped back subconsciously, before taking a few steps, a cold voice suddenly sounded in his ear: "You caused the injury on Ye Chen?"

The steps of the elder who had sealed the door for five levels stopped completely. He wanted to say something, but he chose to shut his mouth!

"Okay, if you don't tell me, I will assume it was you."

The words fell, Wei Ying held five fingers!

Suddenly, the feet of the elder who closed the door for five levels suddenly fell apart!

He noticed something was wrong, and wanted to go, but found that his feet seemed to be frozen!

Then, an icicle soared into the sky from the ground!

abruptly penetrated the body of the elder who had sealed the five-layer heaven!

from head to toe!

is terrible!

His eyes are even wide open!

Apparently, at the moment of death, he suffered terrible pain.

"And you guys."

Wei Ying said lightly.

Then, several icicles appeared!

All the elders of the holy dragon family who are still alive have fallen!

Icicles run through the whole body!

This represents the monstrous anger of Wei Ying, the supreme master of the Absolute Frost Palace!

She is late!

She can't bear Ye Chen like this!

Everything about her is because of Ye Chen!

She doesn't allow anyone to hurt Ye Chen!

She has the inheritance of the Absolute Frost Imperial Palace, and the transmission of the cultivation base of the living seniors of the Absolute Imperial Palace! Control the secrets of the Absolute Frost Palace!

She doesn't live for fame and rights, she just wants to be qualified to protect the man who used to live opposite her.

The man's name is Professor Ye, and his name is Ye Chen.

Unknowingly, the shadow of this man was completely carved into her mind.

At least every picture of Beijing Normal University can be recalled by her.

Before she knew it, she found that she was in love with this man.

If you love someone, you must protect him at all costs.

In China, in Kunlun Xu, Ye Chen guarded her at all costs.

In Lingwu Continent, she wanted to try to protect this stubborn man silently.

This is the biggest reason why she became the lord of the Chilling Emperor's Palace.

What secrets of Lingwu Continent, what is too vicious, what is supreme palace lord, is not important to a woman.

The important thing is the one she loves.

The ruins of this side hall of the Holy Dragon family, the ground is frozen and extremely cold.

There is blood and snow falling from the sky, which is extremely strange.

A girl in a white veil stands on the ice, like a plum blossom, Ling Han is alone!

There are still icicles on the key ice.

Every icicle penetrates the cold body.

This picture is too scary.

Wei Ying's gaze finally fell on Mu Feng's body.

Mu Feng shuddered, and quickly said: "You...you can't kill me, I'm from the shepherd family of the Kingdom of God..."

"You kill me is tantamount to opposing the kingdom of God!"

"You will be chased by the kingdom of God endlessly!"

Wei Ying was expressionless.

She walked towards Mu Feng step by step until she stopped.

"This palace kills you, and the kingdom of God cannot stop it."

"Also, a few days ago, this palace also killed a member of the shepherd's family."

"So don't worry, you are not the first, of course...and you won't be the last!"

"My man's dantian, you dare to touch it, you will die!"

In an instant, Wei Ying was released!

Countless ice arrows formed in the void!

Qi Qi passed through Mu Feng's body!

Mu Feng Wanjian penetrates the heart! The pupils widened, completely dead!

At the same moment, Mu Tiansheng naturally noticed that something happened to Mu Feng!

His face changed, and he quickly said to Long Hongtian beside him: "No, something happened!"

The words fell, and the two figures hurried towards the side hall!

Long Hongtian's face is dark to the extreme!

He knows that he can't hide things!

.....

At the same moment, in the ruins of the Partial Hall.

Wei Ying didn't walk towards Ye Chen, but looked in one direction and muttered: "Senior, you have been watching for so long and haven't come out yet?"

The words fell, an old man holding a hip flask walked out grinning.

is the eternal holy king!

Eternal Saint King glanced at Wei Ying and smiled: "Little girl, she is alert, but don't worry. After all, Ye Chen and I are still friends."

He took a sip of wine and continued: "I didn't expect that old thing would transmit all his life's cultivation base to you. Fortunately, you are a **** cold body that is rare in thousands of years. Up."

"It's kind of interesting."

Wei Ying glanced at the eternal holy king, her eyes filled with awe.

She couldn't see through this old man's cultivation base, indicating that the old man is stronger than herself!

"Since you are Ye Chen's friend, why do you keep watching him get out of the game and never take action?"

The Eternal Saint King found a stone and sat down, and raised the flask in his hand: "Little girl, are you drinking, this wine is good."

Wei Ying snorted coldly: "Answer me."

Eternal Saint King shook his head helplessly: "I'm not willing to give you a drink."

"But I can answer your question."

"It's not convenient for me to shoot, and even I can't expose my breath of shooting."

Wei Ying's eyebrows condensed, and said: "What are you hiding? What is your cultivation?"

The eternal holy king nodded: "Cultivation base? Haha, it has been a long time since no one asked me that. You can say that I am too vacant, and that I can also cut Evil, I have stayed in the half-step cut Evil for too long. I don't know how many years it has been."

Wei Ying was surprised: "Why not break through? Are you afraid of Erley?"

The eternal holy king shook his head: "I'm afraid of what that stuff does. I want to break Erley. It's easy, but I don't want to be discovered by some people. Little girl, since you inherited it. You should also know something about the inheritance of the Absolute Frost Imperial Palace."

"This trip to the kingdom of God is getting deeper and deeper, and your burden is very heavy."

"Even if you continue to check, you will die."

"This is not a threat."

Wei Ying's eyes flashed with determination: "I am not afraid of death, even if I face an existence far beyond me, I will avenge the Absolute Frost Imperial Palace."

The Eternal Saint King stood up, dusted his clothes and looked at Ye Chen who was unconscious: "Little girl, you still don't understand."

"You have not seen the terrible depths of the kingdom of God."

"However, your revenge is not without chance."

"I have to shy away from such a cultivation base, because in the layout, this game is related to your cold imperial palace, and even the world."

Wei Ying began to have some doubts in her eyes, and asked: "How can I get revenge?"

Eternal Saint King took another sip of wine and smiled: "Did the comatose kid see him? Eternal chess game, he is the only variable."

"If he does not die, the kingdom of God will surrender!"

"That's the end of the story. You understand yourself, and your danger is coming. You can't destroy the Holy Dragon Family at the moment. If you click on it, take Ye Chen and leave as soon as possible. Those of the Holy Dragon Family who have been sleeping for thousands of years You are in trouble when you get old things."

After speaking, the eternal holy king disappeared.
