

Urban Medical 211

Chapter 211: can not breath!

Sun Yi bit her red lips lightly, her face full of anger.

She had only heard of this kind of thing before. Some companies that are developing rapidly often have second-generation officials or large families to ask for shares.

In order to add an amulet, some companies can only silently agree to it if they can't afford it.

put it nicely, develop together.

is a shameless scum! Robber's behavior!

In Jiangcheng, there were so many big names on the opening day, so naturally they dare not come to the Tianzheng Group for trouble!

But now in Jiangnan Province!

A strong dragon can't beat a local snake!

Some people naturally don't know the forces behind the Tianzheng Group!

So I used this crooked brain!

Although she vaguely knew that the Zhou family in Jiangnan Province was the umbrella of the Tianzheng Group, but the Tianzheng Group expanded to Jiangnan Province, they didn't even know the Zhou family!

And she doesn't have Zhou's contact information! At this time, I can only find Ye Chen!

Seeing that Sun Yi seemed a little annoyed, Lei Zhe stood up directly and came to Sun Yi. The ashes in his hand shook directly on the desk, and then said: "Anyone who knows the times is a handsome man. Let me tell you. How many members of the family sit in the Bureau of Industry and Commerce and other important positions. Believe it or not, Lei's family will close your Tianzheng Group every minute?"

"It's easy for me, Lei Zhe, to play with foreigners like you!"

Then Lei Zhe's gaze swept toward Sun Yi's body.

Greedy, lustful.

"Fuck, business executives are so good-looking now, it seems that Miss Sun does not sleep with men less, or accompany me tonight?"

Lei Zhe was a little dazzled by desire, and even reached out his hand to touch Sun Yi's chest!

Jiangnan Province is the site of his Lei family, what can happen to a woman?

Sun Yi showed a trace of disgust on her face, she stretched out her hand and slapped it out!

"Mr. Lei, let go of your dirty hands!"

This slap fell firmly on Lei Zhe's face!

directly beat the latter!

He looked incredible, who would dare to beat him in Jiangnan Province!

If this matter is known to people in the circle, then his Lei family will be laughed at!

"Fuck, force me to be strong! You bitch, don't be shameless, you think you are still in that little place!"

"But I really like your pungent vigor. Today I will let you know what conquest is!"

Lei Zhe took off his jacket directly and forced him towards Sun Yi. Then he ordered the two behind him: "You go out, keep the door, and you are not allowed to come in when you hear any sound. I don't want to disturb my good deeds!"

"Yes, master!"

The two looked at each other and stepped out!

Lei Zhe licked his lips and looked at the proud figure of Sun Yi, feeling that the primitive desire was impulsive, he was just about to pounce on Sun Yi!

"Boom!"

There is a loud noise!

The next second, the office door was kicked open by a pair of big feet!

Lei Zhe was angry and cursed: "Fuck, didn't I ask you not to disturb?"

He just turned his head, his voice stopped suddenly!

Because he discovered that the two masters he brought out had all fallen!

The two slammed on the ground, blood spilling from the corners of their mouths!

There is no breath!

not only fell down, but also died!

His eyes were a little inexplicably horrified, his eyes gradually moved up, and he saw a cold and proud young man!

"Did this guy touch you?" Ye Chen's cold voice sounded.

Sun Yi quickly ran behind Ye Chen while Lei Zhe was not paying attention, and grabbed his arm with one hand.

Then, he explained: "He didn't touch me. Fortunately, you came in time and scared me to death. The security and staff will not arrive until tomorrow. I thought nothing would happen..."

Ye Chen nodded, took a long sigh, and then said: "The security side has resigned all, I will send a master over to sit down, I also have a certain responsibility for today's affairs. By the way, what is this beast doing here?"

Sun Yi quickly explained: "He seems to be on behalf of the Lei family to force some shares..."

Ye Chen nodded, and said to Sun Yi: "You go and sit outside first, play with your phone, and give me a few minutes to deal with it."

"it is good."

Sun Yi glanced at Lei Zhe, who was completely stunned, and walked out with a hum.

Ye Chen is here, this beast is afraid it will not end well.

But who made him so short-sighted, he wanted to attack the Jietianzheng Group without any prior investigation.

Regardless of his final outcome, he deserves it!

After Sun Yi left, the murderous intent on Ye Chen was released!

Some people dare to touch his things!

Lei Zhe felt something was wrong, swallowed, and said seriously: "You **** know that I am..."

Before he finished speaking, Ye Chen let out a roar!

"Kneel down!"

"Pump!"

Lei Zhe found that his legs were completely disobedient, and even knelt directly on the ground!

Then Ye Chen stepped forward and kicked directly on Lei Zhe's chest!

"Boom!"

Even if he took back his strength, Lei Zhe's body still flew out! Smashed heavily on the wall!

"Puff!"

He spit out a mouthful of blood, and even felt his whole body bones fall apart.

Before he could react, he found that the cold and arrogant youth had appeared in front of him~www.mtlnovel.com~ and stepped on his chest.

"I am Lei Zhe, if you dare to move me again, the Lei family will definitely make you unhappy!" Lei Zhe gritted his teeth.

"Lei Family? It seems that someone behind you made you come." Ye Chen sneered, and he directly dialed Ye Lingtian's phone.

The phone is connected.

"Do one thing for me.

A person named Lei Zhe provoked me. It seemed that he was from some Lei family. Within ten minutes, I wanted this family to disappear in Jiangnan Province, and also asked his father to call Lei Zhe's mobile phone. "

The phone hung up.

Lei Zhe smiled when he heard the nonsensical call.

"Draft horse, pretend to be forced, kill my Lei family in ten minutes, who do you think you are the fuck!"

Ye Chen's eyes were chilly, he grabbed Lei Zhe's hair directly, and slammed it on the ground!

His face was instantly bloody!

lunatic!

Absolute lunatic!

Lei Zhe even screamed: "Ah! I want to call the police! You are **** dead!"

Ye Chen didn't want to kill the beast so easily. He stood up, took out the mobile phone in Lei Zhe's pocket, and placed it in front of him.

The person who offends him, he wants to make the other person feel deep fear!

This kind of fear is like ice cold, like falling into hell!

Just as Lei Zhe screamed, a phone rang.

This weird call instantly made Lei Zhe's hair stand upright, he turned his head stiffly, and saw the caller ID on the phone following the blood in the corner of his eye!

is his father!

At this moment, his heart seemed to be hit with a heavy blow!

He can't breathe!

He glanced at the young man in the distance, his cold aura made him tremble.

Chapter 212: catastrophe!

"It can not be....."

He reached out his hand, picked up the phone on the ground, and pressed the answer button.

"Dad..."

The voice trembled extremely.

In the next second, a terrifying roar rang from the phone: "Lei Zhe! Who the **** did you offend! Now the Lei family are all corpses! You **** beast! You—"

The phone hung up.

Lei Zhe at this moment feels like falling into an ice cave! Life and death are only between the thoughts of others!

He didn't even dare to look directly at the youth in front of him!

What kind of devil is this, one phone call can destroy the entire Lei family!

He reacted fiercely, and quickly kowtow to Ye Chen: "My lord...I, I, I...I was wrong, please let me go, I am willing to..."

His only hope now is to live!

being alive means there is still a chance!

"You shouldn't mess with me, let alone hit my woman's idea, you have no right to live!"

A wind blade condensed in Ye Chen's hand!

The wind blade passed directly through Lei Zhe's body. In the next second, Lei Zhe fell.

lost his life in despair.

After doing all this, Ye Chen walked outside, walked to an office desk in the lobby, patted Sun Yi on the shoulder, and said: "Let's go, someone will take care of the rest. Let's go back to the villa and let me Taste your craft."

Sun Yi was a little dazed, glanced at the direction of the office, and could only nod her head: "OK...OK"

From the screams just now, Sun Yi guessed something in her heart, but since Ye Chen said that someone would handle it, she didn't want to think about it.

Back to the villa, Sun Yi received a call from Xia Ruoxue.

Xia Ruoxue's cell phone fell on the car, and it was never connected.

Sun Yi told Xia Ruoxue what had happened before. Xia Ruoxue wanted people to warn Lei's family, but he didn't expect that there was already a fire in Lei's family on the mobile news.

Now that there was a result, she stopped intervening, and then told Sun Yi that she might be leaving Jiangnan Province for a few days.

She and her mother are going to send grandma back to their hometown. They should be back in three or four days, so she can tell Ye Chen about the matter.

hung up the phone, I don't know why, but Sun Yi was happy.

Because Xia Ruoxue is here these few days, she can't take the initiative to find Ye Chen.

Since getting the nourishment of Ye Chen, every night, she would think of the love of men and women.

Sometimes, she even wondered, does she belong to that kind of girl with strong desire?

There were even a few times when she could only use the pillow to dream about the scene of Ye Chen to satisfy herself.

After finally getting through the night, Sun Yi put on black stockings, dressed up, and directly came to Ye Chen, who was sitting cross-legged on the sofa.

Ye Chen also noticed something and opened his eyes. When he saw Sun Yi appearing in front of him dressed like this, he just wanted to talk.

Sun Yi has threw him on the sofa.

Sun Yi sat on the base of Ye Chen's thigh with a flushed face, and said, "Xiao Chenzi, give me your hand."

Ye Chen frowned and did so.

Sun Yi's slender five fingers held Ye Chen's hand and smiled: "Your hands are so cold."

Ok?

Ye Chen was stunned.

Where is his hand cold?

And as a cultivator, he can maintain a normal temperature even in the most severe cold environment.

He just wanted to withdraw his hand, but Sun Yi firmly grasped Ye Chen's hand and said: "Fool, since the hand is so cold, I will warm you up..."

In the next second, Sun Yi put Ye Chen's hand directly under her skirt.

Ye Chen couldn't think that this turned out to be this girl's routine.

He suddenly turned over and directly pressed Sun Yi under him.

The clothes were torn directly, very rough, and the soft thing bounced out fiercely.

Lips touch, moist and blend.

can't help but love to the depths.

Soon, on the sofa, a big battle started.

.....

a few days later.

Jiangnan Province Budo Association.

Tang Ao hasn't slept for several nights, his eyes are bloodshot.

He stared at all the photos on the wall and the back figure in the center.

He always felt that he had overlooked something, otherwise he would not have been checking for so many days, and there was still no news.

is like a pair of big hands controlling everything.

Some of the investigators even mysteriously disappeared, and the number of missing is increasing. He knew that someone was destroying everything.

And the opponent's strength is not weak at all.

What is the origin of this hunter?

is almost like a ghost hidden in the dark, somewhat infiltrating.

He turned around, looked at the people of the Jiangnan Provincial Budo Association behind him, and said: "What about your guarantee? Why the **** haven't found this ghost now?"

No one speaks.

"Snapped!"

Tang Ao slapped a palm on the table and roared: "I said, if there is no more news, you all get out of the Jiangnan Provincial Budo Association!"

"Now, **** me!"

Tang Ao's hideous face shocked those people.

At this moment, an old man stood up and said: "Chairman Tang, in fact, we have received news several times. After receiving the news, the key point is that those people have disappeared. The problem at hand is not that hunting cannot be found. It's like a mantis hunting a cicada or oriole behind."

Tang Ao's anger still didn't disappear, he pressed his hands on the conference table: "Doesn't he **** know this Laozi? You bunch of trash is pulling out this power!"

There is some embarrassment on the old man's face~www.mtlNovel.com~ no longer speak.

Just then, a staff member knocked on the door of the meeting room.

"Come in!"

Tang Ao said solemnly.

He looked at the staff member with a panic on his face, and asked, "What's the matter? Don't you **** know it's in a meeting!"

The staff's face was pale, after all, the last colleague who entered the meeting room was dead, he didn't want to die.

He trembled and said, "Chairman Tang, there is a girl outside who says she knows who the person in the picture is..."

Tang Ao's eyes condensed and turned into an afterimage. He appeared in front of the staff, grabbed his neckline, and said excitedly: "Really? Why don't you invite someone in!"

"Yes!"

After a while, a young girl walked in.

To Tang Ao's surprise, the girl's face was pretty good.

It's just that the girl's face is very pale, even a little disheveled.

If Ye Chen were here, she would definitely find that this girl was Chu Shuran!

Chu Shuran glanced at Tang Ao and everyone, with a little fear and horror in her eyes.

Countless eyes stared at her, making her very uncomfortable.

Tang Ao has come to Chu Shuran, pointed to the top back picture, and said, "You said you know who the hunter is?"

Chu Shuran nodded as if pounding garlic.

"Chairman Tang, my family has been threatened. If I tell you, can you help me..."

Tang Ao narrowed his eyes, and said, "Say! If it's true, I can accept you as a goddaughter, and promise you a lifetime of glory and protection!"

Chapter 213: I, Ye Chen, would like to kill everyone in the world!

Hearing these words, Chu Shuran's eyes were full of joy. She came to the stage and pointed to the back photo, and her cold voice sounded:

"I dare to be 100% sure that the hunter is Ye Chen! The first person in Jiangcheng, Ye Chen!"

Ye Chen?

Who is Ye Chen?

At this moment, the whole meeting room became quiet.

Everyone felt that the name was familiar, as if they had heard it somewhere.

Even Tang Ao didn't react for a while.

"Ye Chen, which Ye Chen? The first person in Jiangcheng?"

Suddenly, everyone thought of something!

hiss!

They took a deep breath, their eyes were full of horror and surprise!

is actually him!

Ye Chen was the man who killed Yuan Jingfu in the martial arts stage!

Collect hundreds of warriors! Play free!

Even the Jiangnan Budo Association sent many powerful men to chase and kill this person, but the final result was no news!

They were bound to continue to investigate, but there have been so many things in Jiangnan Province recently that they almost forgot this Jiangcheng boy!

But this Ye Chen is the hunter who frightened countless forces in Jiangnan Province?

Does he have this strength?

Killing Yuan Jingfu can only show that the opponent is ranked three or four hundred on the Huaxia Grandmasters list.

This kind of strength can't kill Tang Haishen, let alone the Wu Family!

The faces of everyone were also puzzled, and they didn't believe that this young man named Ye Chen had such a great ability.

Tang Ao's eyes are also more solemn than ever before, and he asked: "How are you sure? As far as I know, the strength of this child should not be able to do these things right now!"

Chu Shuran knew that these people didn't believe it!

Don't talk about these people, even she didn't believe it when she saw this figure from behind!

Ye Chen is very strong, but it is impossible to be so strong!

But she once investigated Ye Chen, and took countless photos of Ye Chen in Jiangcheng!

She suddenly took out a stack of photos from her bag and handed them to Tang Ao: "If President Tang doesn't believe it, you will know by looking at this photo!"

Tang Ao took the photos, without exception, they were all back!

The weird thing is that the back figure in the photo is exactly the same as the hunter in terms of temperament and figure!

An invisible anger swept through Tang Ao's body!

Chu Shuran stepped back subconsciously, very uncomfortable!

"Snapped!"

Tang Ao hit the conference table with a punch!

There was a loud noise in an instant, and the table slammed down and turned into countless powder!

His eyes turned into a **** color, and he roared: "Everyone will find it for me! Dig the ground three feet, and also find out the little beast Ye Chen! I, Tang Ao, will cut his head!"

When Chu Shuran saw this scene, a smile was drawn at the corner of her mouth: "Ye Chen, since you can't save my Chu family, then you don't want to live anymore. I want to see Tang Ao's anger in Jiangnan province. Can you Withstand geometry!"

No one noticed, Ma Weiqi in the conference room had a strange expression on his face. He shook the phone, his palms were sweaty.

.....

Jiangnan Province, Mingcui Villa District.

Ye Chen was cultivating in the house, when suddenly the phone rang.

He opened his eyes and squeezed his five fingers, and the phone appeared in his hand.

"Hey?"

Just after answering the phone, there was a rapid voice from the other end!

"Mr. Ye, something big happened! What a big thing! Tang Ao has discovered that you are a hunter!"

"He has used all his power to find you! Once found, you are in danger, Mr. Ye!"

"Jiangnan Province has completely changed, and the news that you are a hunter will spread soon! By then, Mr. Ye will definitely be hard to fly! Come on! Now that most people do not respond, Mr. Ye, go!"

Ma Weiqi's voice is very urgent, he is really worried about Ye Chen's safety.

After listening to these words, Ye Chen did not react at all, but said lightly: "I know."

Ma Weiqi on the other end of the phone was taken aback, and quickly said, "Mr. Ye, this is not a trifle! Your current state is almost an enemy of the martial arts world in Jiangnan Province! By then, all masters will rush into your villa!"

Ye Chen didn't pay any attention, but curiously said: "I'm very curious, how did Tang Ao discover me!"

Ma Weiqi quickly said: "Just now, a woman named Chu Shuran came to the Budo Association! I don't know why, she has many photos of Mr. Ye in her hands. Because of her meritorious service, she has even become Tang Ao's goddaughter. You can almost walk sideways in Jiangnan Province!"

Ye Chen's eyes were full of murderous intent.

The woman was seriously injured last time, but the other party is still not awake!

His principle is that he doesn't like the assassin's powerless woman, but now, he has changed his mind!

Chu Shuran, must die! And it will die miserably!

But on the other hand, he should also thank Chu Shuran, she ignited this carnival.

Hunting game, officially started!

The phone hung up.

Sun Yi's voice came from downstairs and told him to go down to eat.

Ye Chen knows very well that with Tang Ao's character, it is very likely that he would first act on the people around him!

Although he has the ability to kill Tang Ao, Sun Yi and Xia Ruoxue are his weakness!

Xia Ruoxue is not currently in Jiangnan Province, so it will inevitably not be affected.

But Sun Yi is in trouble! He couldn't bring Sun Yi to the Tang family!

At this moment, Ye Lingtian called.

"Hall master, UU reading www.uukanshu.com, the news that you are a hunter has spread in Jiangnan Province, and the palace owner is now almost the enemy of the martial arts world in Jiangnan Province! Do you need a dark temple to take action! I have sent a car Come here, and we will arrive at Mingcui Villa in about three minutes."

"it is good."

Ye Chen did not refuse. At the moment, bringing Sun Yi to Qianlong Building is undoubtedly the safest way.

When everything stabilizes, he should also go to see Tang Ao with the biggest gift!

"President of Jiangnan Province Budo Association? Jiangnan Province's top powerhouse? Humph! I will let you know what kind of horrible existence you offend!"

When Sun Yi in the kitchen wanted to speak, Ye Chen grabbed her hand and said: "In these two days, I will take you to a place. You have to stay in it for two days. Two days later, I will pick you up. You go back to the villa, are you willing?"

"Don't ask what happened, I assure you, two days later, no one dares to move Tianzheng Group!
No one dares to move you!"

Sun Yi stared at Ye Chen's solemn eyes. This scene seemed familiar. Once in Jiangcheng, when they were hunted down, Ye Chen also said similar things.

She knew that something big happened in Jiangnan Province!

A smart woman would never ask more at this time, she nodded: "Okay, I am willing."

"go."

Ye Chen took Sun Yi's hand and went outside the door. A Bentley car stopped steadily outside.

In the driver's seat, a terrifying dark palace expert came down. He took the initiative to open the door of the back seat and said respectfully: "Hall Master, Miss Sun, please."

"it is good."

The car quickly drove away from Mingcui Villa area.

Ye Chen's icy eyes looked out of the car window, the corner of his mouth outlined a cold arc, and said lightly:

"The martial arts world in Jiangnan Province? If the martial arts world defeats me, I, Ye Chen, would like to kill everyone in the world!"

Chapter 214: Storm is surging!

After half an hour. Mobile terminal

The car drove directly into the underground parking lot of Qianlong Building.

Ye Chen and Sun Yi got out of the car, looking at everything unfamiliar around them, Sun Yi was in a daze.

She vaguely remembered that the driver was called Palace Master Ye Chen.

Lord?

What does it mean?

She didn't understand, but she felt respect from the other's words!

Incomparable respect!

She felt that Ye Chen must have hidden other secrets.

Although they had already had a love of fish and water, and it was common sense that they should know each other very well, but now she felt more and more unable to see through.

Thinking of this, a touch of loss flashed in Sun Yi's eyes.

After getting out of the car, Sun Yi looked around and couldn't help but ask, "Ye Chen, what is this place?" She was very curious.

Ye Chen smiled and took Sun Yi's hand. He knew that a girl would naturally feel insecure when she came to a strange place.

"This is Qianlong Building, my place."

"your?"

Sun Yi's eyes widened. When she was outside just now, she saw the magnificence of this building!

It is a hundred times more magnificent than the Tianzheng Building in Jiangcheng!

It is also a landmark building within a radius of tens of miles in Jiangnan Province!

The estimated cost of the building alone is a staggering figure.

But right now, Ye Chen actually said that this is his site?

She knows that Ye Chen is very good, but this guy has only been in Jiangnan for a few days. How can he own a mansion?

When Sun Yi was puzzled, Ye Chen took her to an elevator.

After scanning through the face and iris, the elevator door opened.

Sun Yi looked at the high-tech elevator in front of her, her brain blank.

Are the elevators in the building so advanced these years?

She is not stupid, and has noticed something wrong.

She knew that the place where the elevator arrived might be Ye Chen's secret.

The hidden secret.

Twenty seconds later, the elevator stopped.

The door slowly opened.

"Come with me."

Ye Chen took Sun Yi's hand and walked outside.

Although the dark palace is his secret, Sun Yi has become his woman, and it is even more impossible to betray him, and he has no need to hide it.

What's more, Sun Yi needs the protection of these people in the past two days!

Bringing her here is undoubtedly the most correct decision.

This Qianlong Mansion, Lin Yun, the strong, is as good as gold, and those families in the martial arts world are not qualified to touch!

Sun Yi stepped inside and saw a hundred people in her beautiful eyes.

These hundred people are like an army, standing neatly!

The key to these people's breath is extremely terrifying.

Although Sun Yi does not practice ancient martial arts, she can feel that these people are extremely dangerous!

A hundred people were silent, their eyes were like swords, and the atmosphere was depressed.

Sun Yi swallowed nervously. Just about to speak, a middle-aged man rushed up and instantly raised his right hand with soaring veins!

Is this the rhythm of the accident?

"bump!"

The man's hand suddenly stopped in the air, and the powerful braking even caused bursts of air around him.

"bump!"

In the next second, what surprised Sun Yi happened. The man who shot suddenly knelt on one knee, put his right hand on the knee and lowered his head.

"Ye Lingtian, see the lord!"

"Touch! Touch! Touch!"

Then, the hundred strong men behind the middle-aged man suddenly all knelt on one knee inexplicably, just like the man's actions.

"See the Lord!"

"See the Lord!"

At this moment, almost everyone was screaming. See the four characters for the hall master.

The power of sound makes people feel the sincerity from the heart!

And deafening!

This shout brought a powerful shock to Sun Yi!

She swears that she has never seen such a weird scene since she was a child!

Lord!

This is the title again!

What kind of people are worthy of this group of terrifying guys willingly calling the hall master!

And this way of saluting is like the ancient officials saluting to the emperor.

This scene deeply shocked Sun Yi's sight.

Sun Yi subconsciously cast her gaze on Ye Chen's body.

At this moment, Ye Chen exudes a very strong temperament, like an emperor who is high above and overlooking the mountains and mountains!

Give pointers to the country and encourage text!

"Ye Chen, is this the real you?"

Sun Yijiao's body trembled, and the shock in her heart could not dissipate for a long time.

Ye Lingtian naturally knew the relationship between the Lord and Sun Yi, and said, "Subordinate Ye Lingtian, also see Miss Sun!"

"See Miss Sun!"

At the same time, the entire Jiangnan Province completely ushered in a major earthquake!

Almost all families know that the hunter who has made countless people fearful is Ye Chen!

Tang Ao of the Jiangnan Provincial Budo Association has even ordered to kill him!

Once you find Ye Chen, kill him!

Anyone who violates it is an enemy of the Jiangnan Provincial Budo Association! Enemy Tang Ao!

The situation was turbulent, and countless families suffered under the great earthquake.

Xia Family in Jiangnan Province.

The door of the villa was directly broken open.

Six or seven powerful men with terrifying auras directly rushed in, and even searched the Xia family.

Because Xia Ruoxue and Xia Mu both went out of town, only Xia Hongye and the servants were left at home.

The martial arts powerhouses of the Xia family wanted to stop, but Xia Hongye stopped them.

He is very clear that his people are not the opponents of this group of people at all, and once they do it, they are bound to be dangerous.

After some searching, there were no results.

An old man from the Jiangnan Provincial Budo Association brought several powerful men to Xia Hongye.

The old man's eyes were extremely indifferent, and said, "You should know who the hunter is."

Xia Hongye's eyes flashed with horror.

Although he had long guessed that Ye Chen was the terrifying hunter, but when he really got the definite answer, his whole body was still covered with a sense of death.

He even vaguely remembered the scene when he said it was small and unattainable!

He even persuaded this son not to offend the Qin family many times!

But who could have imagined that Ye Chen would kill the once invaluable Wu Family without saying a word!

Chapter 215: Choose!

Although the Wu family is in decline, it cannot be compared with the Qin family!

But a lean camel is bigger than a horse!

Looking at the entire Jiangnan Province, who dares to move Wujia! Who dares to kill Tang Ao's son!

Only Ye Chen!

It seems that he is not knowledgeable enough, and his vision is a bit short-sighted.

"I ask you, are you deaf?" the old man said coldly.

Only then did Xia Hongye react from his thoughts and quickly said, "My lord, I know."

"Oh? Then do you know where this son is now?"

The old man's eyes flashed with surprise, and if Ye Chen was caught by him, he could go to Tang Ao to receive the merit.

"I really don't know this. I have always been disdainful of this, and the relationship is not good. How can I know about this kind of thing? Even if I know, I will take the initiative to say it."

On the face of the old man, he switched to another anger, dare to feel that he was empty and happy.

"Huh! I heard that this son has a close relationship with your daughter, and your daughter! Let her come out to see me!" the old man shouted.

Xia Hongye quickly explained: "The little girl and her mother went to grandma's house a few days ago. They haven't come back yet. Even if they have to come over, it will take some time."

The old man's face was a little unhappy: "I don't care about it, I will see your daughter today, otherwise you can't afford the consequences!"

Xia Hongye thought for a while, and then said: "Although this adult and little girl belong to the Xia family, they are also the fiancée of Qin Zhengyang of the Qin family of the martial arts family... How can she have any contact with this Ye Chen!"

When the old man heard the words Qin Jia and Qin Zhengyang, his eyes shrunk, and then he waved his sleeves and said: "It turns out that it's his own. If that's the case, I won't bother you, but if you have any news about Ye Chen, you must immediately Notify Jiangnan Provincial Budo Association!"

He couldn't afford to offend the Qin family.

"sure."

Xia Hongye quickly bowed his waist and sent these strong men out.

Although his wealth in Jiangnan Province is surpassing the sky, in front of the martial arts powerhouse, life and death are only a matter of the other side's thoughts.

He naturally did not dare to offend.

At the same time, the Zhu Family Courtyard.

Today's Zhu Ya wears a pure white off-shoulder long dress, with a beautiful collarbone looming, and the dress material is as white as fairy clothes, glowing slightly, like angel wings, but not exposed at all.

The hem of the skirt is an arc from low to high, elegantly slightly puffed up, revealing Zhu Ya's jade-like white and slender legs, the skirt corners are studded with dots of diamonds, like countless beautiful morning dews.

Waterfall-like hair spreads on the shoulders, and a strand of hair spins in the hemisphere of the chest. Few men in the world can still hold it in this situation!

But at this moment, such a beautiful woman has a trace of fear and horror in her eyes.

A photo is displayed on her mobile phone.

And the young man above the photo is Ye Chen!

"Ye Chen? Hunter?"

At this moment, Zhu Ya's chest was constantly rising and falling, and the waves were magnificent.

"It turns out that you destroyed the Wu family, and even dared to cut off the head of Tang Ao's precious son...Are you crazy!"

The scene of Ye Chen catching the bullet of the sniper rifle constantly appeared in her mind, and there was even the so-called "nothing worthless"!

She originally thought Ye Chen was just arrogant.

Now it seems that Ye Chen is madly boundless!

It seems that even the martial arts world of Jiangnan Province can't enter his eyes!

"Ye Chen Ye Chen, what exactly is your arrogant capital? That is the five years that disappeared? What can you do in five years?"

Zhu Ya murmured.

At this moment, a middle-aged man opened the door!

It is Zhu Wentian, the current owner of the Zhu family in Jiangnan Province!

Usually the juniors meet the elders, but at this moment in this room, it is Zhu Wentian who came to see Zhu Ya!

An even stranger thing happened, Zhu Wentian, the head of the Zhu family, actually kneeled in front of Zhu Ya!

If this scene is seen by the children of the Zhu family, they will definitely be shocked off work.

"Miss, are you looking for me?"

Zhu Wentian said respectfully.

He is very clear that Zhu Ya's identity is not as simple as the outside world said. In the eyes of outsiders, Zhu Ya may just be a member of the Zhu family!

But in his eyes, Zhu Ya is a superior existence!

Zhu Ya nodded and said, "I have found the whereabouts of Poxuan Sword, and it is in Ye Chen's hands."

Zhu Wentian's face changed slightly, and he exclaimed: "Po Xuan has come out!"

Suddenly, he thought of something, and asked: "Ye Chen? Is this Ye Chen the hunter from the ups and downs in Jiangnan Province today?"

"It's him." Zhu Ya nodded, "If the Zhu Family in Jiangnan Province uses all means to protect this person, how sure is it?"

Hearing these words, Zhu Wentian frowned, and then he said: "Seven percent, Master Tang Ao's sword was once made by my Zhu family. If Tang Ao fears his master, it is estimated that Ye Chen can be protected. Only in this way, the Tang family and our Zhu family are hostile."

"Bao Yechen, it's not a wise move right now."

Zhu Wentian persuaded with all his heart that he did not approve of this method.

Zhu Ya put her hands behind her, and said lightly: "It seems unwise, but it's worth it for Po Xuan Jian! You should be very clear about what Po Xuan Jian means to our family."

"At the moment, it seems that Ye Chen is willing to accept this, but I guess he dare not refuse. He has almost offended most of the forces in Jiangnan now. This time he wants to survive, except relying on my Zhu family. law!"

The earthquake in Jiangnan Province may really shuffle the entire Jiangnan Province.

But this incident is not only affecting Jiangnan Province.

A quiet compound in the capital.

Jiang Jianfeng closed his eyes, and the whole room was filled with extremely strong spiritual energy.

Numerous auras penetrated into Jiang Jianfeng's body, his pores expanded, and a hint of golden light radiated from his body.

Suddenly, his eyes opened, and he took a palm!

Single shot in the air!

A gas of killing filled the audience!

The air seemed to be torn apart by him, and a huge boulder ten meters away from him suddenly burst!

Many people may be able to blast the boulders in the air.

But the huge stone in that house is not an ordinary stone, but a flame stone!

indestructible!

Looking at the entire Chinese martial arts world, how many people can crush this stone!

Jiang Jianfeng slowly spit out a foul breath ~www.mtlnovel.com~ was very satisfied with this blow.

"If it weren't for the endless treasures that the old man gave me, maybe I still stay in that state."

"It's time to mention the ninth place on the Huaxia Grandmasters list."

Just then, there was a knock on the door.

"Come in." Jiang Jianfeng put his hands behind him, and a high temperament emerged.

The door was pushed open by a thin man.

Jiang Jianfeng glanced at the opponent indifferently, and said, "What's the matter, didn't you let you guard Jiangnan Province?"

The lean man handed the tablet in his hand up: "Knowledge Mr. Jiang, something has happened in Jiangnan Province."

Jiang Jianfeng snorted coldly: "What is wrong with me in Jiangnan Province! It's not the capital."

Chapter 216: problem occurs!

The lean man continued, "Didn't Mr. Jiang keep me paying attention to that kind of evil? This matter has something to do with that kid."

"Oh?" Jiang Jianfeng showed a hint of interest, took the tablet, and glanced at it. There was something wrong with his eyes.

The lean man explained: "The situation in Jiangnan Province has been quite turbulent these days. The son of Tang Ao of the Jiangnan Martial Arts Association was beheaded by an existence called a hunter. Not only that, but Wujia in Jiangnan Province was also hunted. Who kills the door.

Even more bizarre is that this hunter is the evil one! "

"What!" Jiang Jianfeng's heart set off a stormy sea.

He did predict that this son would not live for too long, but he did not expect that in just a few days, he would poke out this big basket!

Check out new PVP arena battles!

Is the key to this strength?

Even wiped out a martial arts family in Jiangnan Province?

Is it possible that the first person in Jiangcheng wants to be the first person in Jiangnan Province?

"Mr. Jiang, although what this son is doing is shocking to Jiangnan Province, it is estimated that he will be erased by Tang Ao himself if he survives less than two days."

"Tang Ao is the 60th birthday the day after tomorrow. He invited many martial arts experts in Jiangnan Province. He gave the order to die. Before the 60th birthday, he must see the head of Ye Chen."

Jiang Jianfeng's eyes have a different look: "Although this son is born to Jiang Yanrong and others, he has some Jiang family blood, so he shouldn't die so easily."

The lean man was startled, and tentatively asked, "Do you need me to take action?"

Jiang Jianfeng shook his head: "You don't need to shoot, it's just an ant. It's enough for you to help me pay attention to things in Jiangnan Province. Okay, you step back."

"Yes!"

Jiang Jianfeng thoughtfully, and the corner of his mouth made a strange smile.

...

For a whole day, Tang Ao used almost all his power to search for any possible place in Jiangnan Province!

But there is still no news of Ye Chen.

Ye Chen seemed to suddenly evaporate from the world.

I thought that if you knew Ye Chen's appearance, you would be able to find out if you compared the monitoring.

But for some reason, there is no news.

Tang Ao is almost crazy!

"Snapped!"

Another table of the Jiangnan Provincial Budo Association shattered.

The association even strengthened the table to no avail.

In the past few days, two tables have been changed almost a day, which shows how angry Tang Ao is.

"Is it possible that Ye Chen will fly into the sky and escape to the ground? I can't find it after searching the entire Jiangnan Province? Damn, what a joke!"

Tang Ao roared.

He is angry for a reason, and tomorrow is his 60th birthday!

But the other party is obviously in Jiangnan Province, so he can't find it! Isn't this **** showing his incompetence?

Slap naked!

The trouble is so big that the hunter Ye Chen is still at large outside, and this makes him explain to the people in the martial arts world!

At this moment, a vice president of the martial arts association stood up: "Chairman Tang, there are actually a few places that we did not search, such as some top martial arts families in Jiangnan Province, some jealous forces, and the Qianlong Building, Wanfu city....."

"These places are very unlikely, but they don't mean it's impossible."

Hearing these words, Tang Ao fell into deep thought, and what the other party said was not unreasonable.

There must be a reason for him to be so crazy, but it is not practical to search these places.

Annoying those existences, Tang Ao would also have some trouble.

Suddenly, he thought of something and asked: "This kid's parents are dead. Isn't there any important person around him?"

Chu Shuran has been in the audience. Upon hearing this, she quickly stood up and said, "God, I know this."

Tang Ao was overjoyed. He still liked this god-daughter. Although he was born in Jiangcheng, his brain is so good, the key is that the other party understands Ye Chen!

"You said."

Chu Shuran nodded and said seriously: "Ye Chen has a cold personality, he has few friends, but he really cares about a few.

Sun Yi, ranked first.

This woman has a close relationship with Ye Chen, and may even be a boyfriend and girlfriend, but now Sun Yi has also disappeared somehow, and it should be protected by Ye Chen.

In addition to Sun Yi, there is also a family that has a very good relationship with Ye Chen. If this family can be taken, maybe Ye Chen can be drawn out. "

"This family runs a barbecue restaurant in Jiangcheng. They are a couple and don't have much money, but Ye Chen should have helped him when he was in trouble.

They also have a son who is studying at Jiangbei University. I heard that their son was bullied by a rich second generation, and Ye Chen went straight away! It can be seen how important this guy is in Ye Chen's heart! "

"In addition, Ye Chen has a Tianzheng Group. An executive of Tianzheng Group Shen Haihua and Ye Chen are not only subordinates, they used to be very close."

"These four people should be the only existence that can enter Ye Chen's eyes, catching these people will surely lead the snake out of the cave!"

Tang Ao made a decision on the spot and said to Chu Shuran: "Shuran, you are familiar with Jiangcheng, I order you to bring these four people to Jiangnan before the birthday banquet tomorrow! You can mobilize the powerhouses of the Jiangnan Provincial Budo Association at will!"

"Yes, goddad!"

At this moment, Chu Shuran outlined a smile, she liked the feeling of controlling power.

That's great!

When I think of myself going back to Jiangcheng this time, with so many powerful people, who would dare to refuse by then!

Didn't the Meng family want to deal with the Chu family? This time I took advantage of the situation to wipe the Meng family from Jiangcheng!

She Chu Shuran wanted to tell everyone in Jiangcheng who was the real first person in Jiangcheng!

Tang Ao's words were obviously not over. He looked at an old man and asked, "Where is the birthday banquet arranged for tomorrow?"

The old man respectfully said: "Chairman, in the Emperor Hall of Jiafu Hotel."

Tang Ao's eyes flickered with a hint of coldness, and he asked, "I remember that after the accident at Jiangcheng Yunhu Villa, the group of people built another Yunhu Villa in Jiangnan Province? Is it possible?"

The old man thought for a while, nodded and said, "It's true, but because of Jiangcheng's affairs, business there is not very good."

A cold smile appeared at the corner of Tang Ao's mouth: "Cancel Jiafu Hotel, this birthday banquet will be arranged for me at Yunhu Villa in Jiangnan Province!"

"Five years ago, that kid lost his parents in Yunhu Villa!"

"Five years later, I want that kid to witness the death of people around him again in Yunhu Villa! Hahaha!"

There was only Tang Ao's dark laughter in the entire conference room ~www.mtlnovel.com~ the next morning.

Ye Chen woke up from the practice, slowly exhaling a turbid breath.

He glanced at the phone, there was no display.

In order to prevent being tracked by someone, Ye Lingtian blocked all signals here.

But I don't know why, Ye Chen always feels something wrong, his eyelids have been jumping since the morning.

"Could something happen?"

He directly found Ye Lingtian and asked, "If I want to call, where can I go?"

"Hall Master, please follow me."

Chapter 217: The sky has changed!

Ye Lingtian took Ye Chen to a special room with a phone in it.

The phone is connected to multiple computers, which is a bit strange.

"Hall Master, using this phone is the safest."

"it is good."

Ye Chen directly dialed Ma Weiqi's phone and wanted to ask about the Jiangnan Provincial Budo Association.

"Hello, are you?" The puzzled voice came from the other end of the phone.

"I am Ye Chen."

Hearing this voice, Ma Weiqi's face changed, and he quickly came to a quiet place.

Then, he said seriously: "Mr. Ye, you finally got in touch, something serious happened!"

"What's the matter?" Ye Chen frowned and asked.

"The first thing, Tang Ao changed the location of the 60th birthday, in Yunhu Villa in Jiangnan Province!"

Hearing the words Yunhu Villa, Ye Chen's eyes had a cold killing intent!

"Isn't Yunhu Villa in Jiangcheng?"

"Mr. Ye, the Yunhu Villa in Jiangcheng has long been closed. That group of people made a mess in Jiangnan Province! Tang Ao set the location here to irritate you, Mr. Ye! There are many masters in ambush here, you can Don't come!"

Ye Chen didn't speak, his anger curled up, and said: "What's the second thing!"

"That woman named Chu Shuran took a few strong men from the Jiangnan Provincial Budo Association to Jiangcheng early in the morning!"

"What's the matter for me to go to Jiangcheng?"

Ye Chen's tone was very cold.

Chu Shuran is definitely going to die, but now he wants to move Tang Ao first.

This kind of ants is not worth his shot.

Ma Weiqi hesitated for a few seconds, then suddenly said: "They said they are going to Jiangcheng to find Shen Haihua and what barbecue family?"

"Boom!"

Hearing these words, Ye Chen hit the wall directly with a punch!

Almost instantly, a big hole was punched in the wall!

Even Ye Lingtian who was next to him was stunned!

"Hallmaster..."

Before he finished speaking, Ye Chen turned around, a strong suffocating aura condensed all over his body.

He has a thousand fortunes, and he can't even count that Chu Shuran will move that family and Shen Haihua!

court death!

"Ye Lingtian, immediately arrange a private jet for me. I want to reach Jiangcheng as quickly as possible!"

"Yes!"

...

Jiangcheng, Tianzheng Group.

Ye Chen got off the plane and rushed almost hurriedly.

When he came to the Tianzheng Group, he found that the door of the Tianzheng Group was directly smashed!

Obviously the work of the ancient warrior!

Not only that, there is blood in front of the door!

Blushing blood!

The phantom body of the Canglong under Ye Chen's feet condensed and poured directly into it.

There were nearly twenty Tianzheng Group security guards lying on the ground instantly!

Although these people are good at strength, they are not enough in the eyes of the experts of the Jiangnan Provincial Budo Association!

Some people have even broken their arms!

Extremely cruel!

Fortunately, most people were lying on the ground groaning, and no deaths were found for the time being.

Those people obviously noticed Ye Chen, with some surprises on their faces, and they quickly said, "Mr. Ye!"

Ye Chen stepped forward and came to one of them, and asked, "Where is Mr. Shen?"

The man's eyes were ashamed, and he said, "President Shen was taken away half an hour ago! We are incompetent!"

The anger in Ye Chen's heart broke out!

It's still late!

He rushed out directly, shooting twenty pills in his hand.

"Take the pill and heal yourself!"

As soon as he finished speaking, he stepped onto a fast motorcycle!

In Jiangcheng, compared to speed, this is undoubtedly the fastest choice.

At the same time, Ye Chen called Lei Shuwei's phone: "Locate my coordinates, from Tianzheng Group to Xilin Lane No. 14, I hope there are no obstacles."

"understand."

"boom!"

The powerful roar sounded!

When Ye Chen turned on the first traffic light, the original red light turned into a green light!

The motorcycle almost became an afterimage and rushed out!

No. 14 Xilin Lane.

When Ye Chen arrived at the shop of Uncle Wang and Aunt Zhang, it was still too late!

The glass, kitchen, tables and chairs of the whole shop are all broken!

House full of mess!

There is no place to go!

There was even a pool of blood on the ground, very thick!

"grass!"

Ye Chen couldn't help but burst into a swear word, his eyes were bloodshot, and the thick blood evil seemed to form a blood dragon phantom on top of his head!

A faint dragon chant resounded throughout the world!

Chu Shuran! !

At this moment, a call rang from his cell phone.

Ying Qing called.

"Mr. Ye..."

"Say!"

Ye Chen said clearly!

"Dragon Soul has helped you find Chu Shuran's location. They are now in the Meng family of the Budo Clan in Jiangnan Province! The address has been posted on your mobile phone, and you only need to navigate.

Also, I have already planned the route for you here, and the green light all the way.

The only thing the Dragon Soul can help you is this. "

Hearing these words, Ye Chen didn't know why he was moved in his heart!

He was incredibly disdainful of Dragon Soul!

But at this moment, Ying Qing's call came too timely!

He swears that as long as the dragon soul can use his place in the future, he will not hesitate!

"Thank you."

Ye Chen hung up the phone directly, glanced at the address, started the motorcycle and rushed out!

...

Mengjia in Jiangnan Province.

Chu Shuran wore a romantic Yaglan style long skirt. The red color was dazzling and dazzling. The skirt was layered with hollow patterns, and the gorgeous and delicate tassels were flowing around the ankles.

She held her chest in both hands, raised her chin slightly, and looked at the people at the door of Meng's house.

Very proud.

"The Meng family, I heard that you want to move my Chu family? Show your favor to that Ye Chen?"

"Sorry, you may be disappointed, but Ye Chen will not survive today."

Chu Shuran's indifferent tone sounded, and now behind her is the Jiangnan Provincial Budo Association, what's the fear!

The Patriarch of the Meng Family, Meng Yuanchang, had gloomy eyes, his eyes fell on the three old men beside Chu Shuran!

As an ancient warrior, he can clearly feel that these three old men have extremely strong murderous intent!

The key strength is far better than himself.

If you do it~www.mtlnovel.com~ their Meng family will definitely die!

For the Meng family, Meng Yuanchang took a step forward and said to Chu Shuran: "I was just talking about it at the time, but I haven't done anything to the Chu family so far."

Chu Shuran laughed, a little oozing.

"So what? If you don't move my Chu family's hand, can't I also Chu Shuran can't move you? In the martial arts world, the only rule is to eat the weak! Don't you know that as the head of the Meng family!"

In the next second, Chu Shuran's sharp voice sounded again: "Meng Yuanchang, kneel in front of me and kowtow! Otherwise, your Meng family will kill the door!"

Meng Yuanchang's face changed drastically, and he stretched out his finger to Chu Shuran and said, "Chu family girl, don't go too far!"

Chu Shuran glanced at an old man behind him, and said, "Jin Lao, I don't like him pointing at me and breaking his hand!"

"Yes! Miss Chu!"

The next second, the afterimage passed!

Chapter 218: Forgive me!

An old man has appeared in front of Meng Yuanchang, and even grabbed the latter's arm!

With slight force, Meng Yuanchang's arm broke directly!

The key Meng Yuanchang's strength is useless in front of this old man!

"Let him kneel down!" Chu Shuran ordered again.

Old Jin broke Meng Yuanchang's knee with both feet!

Meng Yuanchang instantly knelt in front of Chu Shuran.

Chu Shuran smiled, came to the disabled Meng Yuanchang, and said: "Please beg me, please let me spare your Meng family, maybe I can consider it."

Meng Yuanchang's face was pale, he glanced at the child behind him, his fists clenched.

Although he is a master, he is also a father!

He no longer hesitated, gritted his teeth, knocked his head heavily on the ground, and apologized: "Miss Chu, it's my fault! Please forgive me!"

Check out new PVP arena battles!

Chu Shuran was very satisfied with everything in front of him, and then stretched out her hand to make a gesture and sneered: "Everyone listens to the order, the Meng Family in Jiangnan Province, no one will stay, regardless of the children or the elderly, all will be killed!"

"Yes!"

The three elders rushed over in an instant. Several Meng family masters wanted to stop it. It was impossible. The three elders flew directly with a punch!

It is simply crushed.

After a few seconds, there was a mess.

The blood gradually stained the door of Meng's house!

At the same time, a kid who was about seven years old was standing at the door, obviously frightened by everything! The feet didn't move.

That Jin old body was surging, his face was stubborn, and he turned towards the child!

In his eyes, how about this kind of kid killed!

Seeing this scene, Meng Yuanchang's neck veins burst, and he quickly roared: "Don't move him! I beg you, don't move him!"

But it didn't work at all!

Seeing that Jin was about to come to the child, a huge roar sounded!

This roar! Like thunder!

This roar! Roar like death!

Everyone was stunned! The ears are buzzing! It is the movement of the hand that stopped, heading towards the source of the figure!

What did they see!

A young man came quickly on a black motorcycle!

The speed is so fast that almost only an afterimage can be seen!

But this is the afterimage! Chu Shuran recognized who the other party was!

It's Ye Chen!

A flash of horror flashed in Chu Shuran's eyes, and then thought of something, and said to the three old men: "Quick! Help me stop this guy!"

"He is Ye Chen! President Tang will have a lot of rewards for catching him!"

When the three heard that their faces were happy, their eyes showed a trace of cruelty.

The whole body was swept by energy, and he went straight to the speeding motorcycle!

They only noticed that Ye Chen was here!

But he didn't even notice that Ye Chen came with utter anger!

Looking at Chu Shuran in the distance and the three elders who came by, Ye Chen let out a roar, his arms gathered in anger, and his feet left the motorcycle directly!

Step on the ground! At the same time the innocence of both hands pushed out!

moment! The powerful inertia directly makes the motorcycle fly!

He smashed at the three old men fiercely!

This is not over yet!

Ye Chen shot out a real energy!

Zhen Qi directly collided with the motorcycle!

"Boom!"

There was a loud noise, and the motorcycle exploded directly!

Rumble!

Burning anger!

The big earthquake shook and the wind swept!

That touch of flame exploded, radiant and boundless, covering all directions.

With this blow alone, the three of them had no idea that Ye Chen would be so strong, and then suddenly withdrew for several steps.

Their faces are full of shock! Just about to escape, I saw a dark shadow burst out of the flame!

"Those who dare to move me! All die!"

Shocking anger exploded in their ears!

That figure is Ye Chen!

Rush out of the sea of fire at this moment, this posture! This momentum!

Like a **** descending to the earth!

The three of them were completely stunned. They have practiced martial arts for so many years, so they have never seen such a posture!

What a **** lunatic!

One of the foremost old men was unexpectedly afraid in his heart!

But when he saw the shadow rushing over, he quickly waved away all the fear in his heart! The arm's strong energy smashed towards Ye Chen!

"Boom!"

But he was not qualified to stretch out his hand at all, Ye Chen had already smashed his punch!

This punch condenses all Ye Chen's anger today!

Wrath of the Grandmaster!

The anger of Ye Chen!

Who dares to bear it!

The old man seemed to feel a cannonball hit his chest!

He wants to breathe! But not qualified!

His pupils are full of fear!

He lowered his head and looked at his body, it actually split!

The blood sprayed and his body burst open!

Torn apart!

"First!"

Ye Chen's cold voice sounded!

As soon as I stepped on it, a deep depression appeared on the ground! Infuriating erupted and rushed directly to the other old man!

He knew very well that these three old men must be the culprits who dealt with the innocent family!

It is also a beast to deal with those people in the Tianzheng Group!

These three must die!

The old man has always heard how terrifying Ye Chen is, and has always been disapproving!

But now looking at the companion body that exploded on the ground, it was completely swallowed by fear!

At this moment, he felt that this kid was not a hunter at all, he was the **** of hell!

He no longer hesitated, a short knife appeared in his sleeve!

The short knife is rolling! Tear the air! Draw an icy arc and lock it directly towards Ye Chen's chest!

He thought that Ye Chen would dodge, but found that the other party was violent like an angry lion!

Still hit it with a punch!

Actually use your fist against the knife!

Is this a brain damage!

At the moment when this idea was born in his heart, Ye Chen's fist hit the blade!

"Ding!"

A crisp voice sounded!

A weird thing happened, the short knife in his hand was broken by a punch!

"how is this possible!"

Is this kid's fist made of steel!

"the second!"

Ye Chen roared again, and his right hand directly clasped the opponent's neck! The true energy gathered from the Dantian on the right arm!

Push down hard!

"boom!"

Under the horrified pupils of the old man, his body fell to the ground, his bones broken! Flesh and blood!

Even the neck was broken!

Afterwards, Ye Chen stabilized his figure and stood up, his eyes as cold as ice skates shot straight at the last old man!

Jin old!

"You are the third one. Do you do it yourself or I do it yourself!"

Ye Chen's icy words just fell.

Plain ~www.mtlnovel.com~ but with death.

Everything around it seemed to be under Ye Chen's control.

Old Jin subconsciously took a step back, from the appearance of Ye Chen to the death of two companions of the Jiangnan Provincial Budo Association!

Not even ten seconds!

Those two elders are among the top 400 in the Huaxia Grandmasters list!

Even he couldn't be killed easily!

Old Jin knows very well that this time, he has no retreat at all!

The strength of the hunter Ye Chen is too terrifying!

It was so terrible that he didn't even have the desire to fight back!

In the next second, he made a resolute decision, knelt directly on the ground, clasped his fists in his hands, and said seriously: "I beg Mr. Ye to spare my life!"

Chapter 219: Who is the prey!

"hiss--"

All the people present took a breath!

The air is quieter.

Chu Shuran's face was pale, Jin is always the strongest among the three!

Now he is kneeling, what else can she do.

Her breathing seemed to stop, and when she looked at Ye Chen, she felt as if an invisible big hand was holding her throat!

She took a step back in shock, but she didn't think she was wearing high heels, twisted her ankle and fell directly to the ground.

The skirt is torn and spring is coming.

No one noticed.

Ye Chen walked towards Jin Lao step by step, looked at each other condescendingly, and said lightly: "Should I let you go?"

Jin Lao was soaked all over and nodded fiercely.

"I am ranked 307 in the China Grandmaster Ranking. I am willing to work for Mr. Ye! I am more willing to help you deal with Tang Ao!"

He thought Ye Chen would think about it for a few seconds, but he didn't expect a chill sounded in his ear: "You are not worthy! Die!"

"Boom!"

Ye Chen kicked his right foot fiercely and landed directly on Jin Lao's chest!

Jin Lao is very strong and naturally reacts quickly, his energy is concentrated in one palm!

Shoot directly!

"Crack!"

I thought he could resist it a bit, but he didn't expect his bones to shatter directly!

At the same time, the internal organs are penetrated by a force!

His body flew out directly!

Ten meters!

Finally smashed on a giant tree! The powerful impact directly broke his spine!

It's like being cut off by a giant sword!

"puff!"

The corners of his mouth were vomiting blood and he fell to the ground!

Completely dead.

Meng Yuanchang looked at all this in surprise, but there was no fear in his heart.

Because he knew that this boy was not here to kill him, but to save people.

After doing all this, Ye Chen's eyes fell on Chu Shuran.

He unhurriedly lit a cigarette, took a deep breath, and walked towards Chu Shuran step by step.

Soon, he stopped.

Just looking at Chu Shuran trembling on the ground.

There was a coldness on Ye Chen's mouth! Disdain! dense! calm!

In the next second, Ye Chen vomited thick smoke on Chu Shuran's face.

Chu Shuran didn't know how to smoke. Naturally, she was choked by the smoke. She wanted to cough but didn't dare to move.

Just staring at Ye Chen with horrified eyes.

"God gave you a good skin, a good family background, why don't you cherish it? You must come to offend me?"

"Five years ago, you rejected me, made me suffer humiliation, made me fall into hell, and made me laugh at."

"I didn't kill you because I didn't bother to kill women. Especially for a humble woman like you!"

Ye Chen's voice seemed to be trying to judge Chu Shuran, the endless chill made her feel shocked!

"But now, you completely anger me! I only ask you one question, where are Shen Haihua?"

Chu Shuran kept silent, she knew very well that if she said it, she would definitely die!

She doesn't want to die!

Suddenly she thought of something, and in the next step she tore her clothes directly, revealing her full chest.

"Ye Chen, please forgive me once, I am willing to be your woman, even if it is a lover! I will agree to what you want."

Before Chu Shuran's words were finished, Ye Chen's hand grabbed her hair and slammed it to the ground!

"Boom!"

Chu Shuran's cheeks were instantly filled with blood.

"I repeat it for the last time, where are Shen Haihua and the others? If you don't say anything, I will definitely unscrew your head!"

Ye Chen's evil intention was released!

Chu Shuran couldn't breathe at all!

She even felt her body sank into hell, endless torture!

She couldn't help it anymore, and hurriedly said: "They... they have been sent to Yunhu Villa!"

Hearing these words, Ye Chen clenched his fists!

Then he walked outside, took out his mobile phone from his pocket, and called Ye Lingtian.

Let him send a car to pick him up.

Chu Shuran, who was kneeling on the ground, exhaled when Ye Chen had left.

Right now, just survive.

When she was relieved, Ye Chen's footsteps stopped.

"I think you have misunderstood something. I am not leaving, but I don't want your dirty blood to touch me."

When the words fell, Ye Chen swiped his right foot, and a short knife fragment flew out!

White light flashes, murderous burst shooting, like a ghost roar!

Rubbing the air, there is a whistling sound, making people palpitate!

"Pump!"

The shard of the short knife was directly inserted on Chu Shuran's forehead!

Her dilated pupils were dying.

So freeze frame.

Chu Shuran, die!

Outside Meng's house, it was as quiet as a graveyard at midnight, and there was no breathing.

Meng Yuanchang knew that Ye Chen was very strong!

I also know that he is the well-deserved first person in Jiangcheng!

But this is too strong!

The key point is that this method of killing is too scary. Which martial arts master in China would be like this!

It's a demon crawling out of hell!

This Ye Chen, at this moment, made people feel boundless majesty and domineering.

Meng Yuanchang also knew very well that if Ye Chen didn't make a move, their Meng family would be completely finished!

He pressed his hands on the ground and knocked Ye Chen directly with three heads!

"Meng Yuanchang thanks Master Ye for his rescue!"

Ye Chen glanced at Meng Yuanchang and ignored it. He didn't open the car door until the car appeared, got in the car, and disappeared into Meng's house.

For him, the game has just begun.

...

Yunhu Villa, Jiangnan Province!

A piece of joy!

It is surrounded by mountains and rivers, and the environment is very good.

People keep pouring into the villa!

The parking lot of Yunhu Villa is almost all expensive cars! A top auto show like a rich man!

In the villa, there are almost a group of top families in Jiangnan Province! And most people here have extremely strong martial arts strength!

Because half of the people from the martial arts world in Jiangnan Province are here!

Just because of the 60th birthday of Tang Ao, the president of Jiangnan Budo Association today!

Regardless of strength or status, Tang Ao is at the top of the pyramid in the martial arts world of Jiangnan Province.

"Haha, President Tang, it's been a long time! Seeing President Tang's complexion, I guess he has broken through."

An old man arched his hands. UU Reading www.uukanshu.com

Tang Ao talked and laughed happily with everyone, always maintaining the posture of a superior.

Most of the people he invited were nobles from Jiangnan Province!

But in front of him, what's the matter!

People kept entering Yunhu Villa, and soon, almost everyone was in the banquet hall of Yunhu Villa.

Although the atmosphere of the banquet hall is very festive, everyone's eyes will be shifted toward the door!

Just because everyone knows it! Today, the hunter with a bad name is very likely to appear!

Rather than saying that this is Tang Ao's 60th birthday, it is better to say that this is the abyss of the hunter Ye Chen!

As long as that kid dares to take a step, he will definitely die!

Everything has been arranged here, just waiting for the prey to be hooked.

Chapter 220: Enemy everyone!

Zhou Zhengde, Zhou Fulu and Xia Hongye happened to be at the table.

There was a trace of worry in the eyes of the three of them.

They knew that Ye Chen would make trouble, but they never thought Ye Chen would make trouble so much!

It is no longer something that Jiangnan Province's politics and money can save!

Even if the country wants to stop the grievances of the martial arts world, it is very difficult!

This is also the reason why the Dragon Soul has never come forward.

They can only hope that Ye Chen never show up!

At the same time, at another table, a glamorous girl was sitting with Erlang's legs upright, her beautiful eyes fringed and she was full of vigor.

Her every move made countless young talents overwhelmed.

She is almost the most attractive existence in Yunhu Villa today!

Zhu Ya!

One of the three beauties in Jiangnan Province!

Sitting next to her is a middle-aged man, Zhu Wentian, the elder of the Zhu family.

Zhu Wentian glanced outside the door, and when he saw that there was no movement, he whispered:
"If Ye Chen really comes, we really want to save him?"

"There are so many martial arts powerhouses at this banquet. If we stand up, we will undoubtedly break with Tang Ao."

"There are a lot of follow-up troubles."

Zhu Ya ignored her, holding her hands on her chest, her beautiful eyes closed, as if she was lost in thought.

Zhu Wentian sighed and shook his head, and stopped talking.

At this moment, there was a stir from the crowd.

On the red carpet of the banquet hall, four figures appeared!

However, these four figures are not guests at all!

Because they were forced by a few strong men!

Shen Haihua! Wang Yuheng! Uncle Wang! Aunt Zhang!

Among the four, Shen Haihua was relatively calm, staring at the surroundings, not knowing what he was thinking.

And Wang Yuheng is constantly struggling! There are blood stains on the corners of his mouth! Paled face!

He thought that the exercises he cultivated could protect himself, but he found that in front of the two men behind him, he didn't even have the power to do it!

As for Uncle Wang and Aunt Zhang, they are honest people, their brains are blank all the time, and they don't know what happened.

Even seeing everyone looking at them, the old faces of the two were a little red, and they felt like monkeys in the zoo.

The entire banquet hall was quiet when the four people appeared.

Tang Ao, who was chatting with others, also stopped, his eyes flashing with coldness.

He put his hands behind his back and walked towards the four of them.

"Chairman Tang, people have brought it."

An old man said.

Tang Ao nodded, glanced at the four people in front of him, his expression instantly changed to cold, and he yelled angrily, "Kneel all to me!"

"Boom!"

When the master was angry, the four felt something heavy on their shoulders!

The whole person can't support it!

Kneeling directly on the ground!

Except for Wang Yuheng, who has a solid foundation in cultivation, all the other three vomited a mouthful of blood, and they were extremely weak!

They are just ordinary people, how can they withstand the coercion of a top power in Jiangnan Province!

"Parents!" Although Wang Yuheng was uncomfortable, he also resisted it!

His neck is full of veins!

Extreme anger!

Then he looked at Tang Ao and roared: "What is your ability to move my parents, you have the ability to move me! Bah!"

Wang Yuheng spit out even more.

The spit star splashed on Tang Ao's face.

Tang Ao's expression sank: "It seems that things are gathered by kind, and people are divided by groups. You followed that boy, your cultivation level has not risen much, but your temper has learned a lot!"

"Move you? If I want to kill you, it's just a matter of breath! If it wasn't for bringing that kid over, you would have died long ago!"

When the words fell, Tang Ao kicked out!

It fell firmly on Wang Yuheng's lower abdomen!

Wang Yuheng flew out in an instant, and he felt his stomach turn upside down, and his blood was surging. He could no longer restrain himself, and he vomited a mouthful of blood!

When Uncle Wang and Aunt Zhang saw that their son was in an accident, they hurriedly crawled over to protect Wang Yuheng firmly.

Although they don't know how to martial arts, they don't know how to practice, but this is completely the instinct of parents to protect their children.

The two stared at Tang Ao with eyes like cheetahs!

No fear!

Tang Ao smiled and said, "It's just a group of humble ants. I really thought I was a little bit too weak! No matter if the kid comes or not, the four of you will die miserably!"

"I want that kid to live in the shadows all his life."

After speaking, Tang Ao's gaze fell on Shen Haihua's body. He took a few steps forward, and the shiny leather shoes stepped directly on Shen Haihua's arm.

"Kacha!" With a sound, Shen Haihua's arm was directly broken.

"I heard that you have a good relationship with Ye Chen, and you are working hard for Ye Chen. You said, will that kid come to save you?"

"It's just right, today is my 60th birthday, you can say something nice to see, maybe I am in a good mood, and I will let you go,"

Shen Haihuaqiang resisted the pain, raised his head, and shot Tang Ao with cold eyes, saying every word: "I have known Mr. Ye for a few months. I only know one thing. Anyone who offends Mr. Ye is dead. It's miserable! You are no exception!"

He almost roared in the last sentence!

He is angry!

...

At the same time, outside Yunhu Villa.

A pickup truck stopped.

The pickup is very weird.

Because there was a coffin quietly behind him!

The coffin is infiltrating, and death radiates!

A young man got out of the car and his eyes were colder than ever before.

"Hallmaster, the people in the dark hall are already standing by around, really don't we need to go in?" Ye Lingtian said to Ye Chen.

Ye Chen shook his head, grabbed one end of the coffin directly with one hand, and lifted it gently!

The coffin fell directly on his shoulder!

Seeing this scene, Ye Lingtian's eyes shrank.

It was the first time he had seen someone give a coffin to someone else's 60th birthday!

It is estimated that in the entire Huaxia, only the Palace Master dares to do this!

Ye Chen carried the coffin, eyes full of bloodshot eyes, and said: "You don't need to make a move from the dark hall, your usefulness is behind, I am enough to kill Tang Ao."

"But I heard that there is half of the martial arts world in Jiangnan Province. If they are all on Tang Ao's side, you are equivalent to facing the entire martial arts world!"

Ye Chensenhan's voice sounded: "I never put the martial arts world in Jiangnan Province in my eyes. If they dare to stand on Tang Ao's side, they will kill."

After speaking, Ye Chen carried the coffin and headed towards Yunhu Villa.

This scene seems familiar.

Five years ago ~www.mtlnovel.com~ he was in Yunhu Villa and couldn't save everything. He could only watch his parents have an accident in front of him and chose to humble down to Dongqian Lake.

Five years later, he came to Yunhu Villa again, this time, he wants to tell everyone! What is God of War!

Not only that, but also to announce to everyone that he Ye Chen is back!

...

Yunhu Villa Banquet Hall.

Shen Haihua and Wang Yuheng's family of three were very uncomfortable under the coercion.

They are just ordinary people, existences like Tang Ao can destroy them in minutes.

They want to resist, but they don't even have a chance to resist!

Wang Yuheng in the distance took a pill while everyone was not paying attention, and his breath adjusted.

Finally feel better.
