Chapter 2141: Powerful of the Kingdom of God!

A few of us are just failures. Fortunately, the Lord has planted some kind of restriction in our body, which can combine the blood of those strong for a period of time..."

"By the way, last night, I vaguely saw the Hall Master and several powerful old men of the Blood Spirit Race entering a back garden, seeming to see some important person... that person seems to be from the kingdom of God..."

"My lord, that's all I know, I advise you to leave as soon as possible, because..."

Before the words were finished, the jade plate of the soul palace on the waist of the tall and thin man was suspended, and the surrounding space was faintly cracked!

someone is coming!

U Mang instantly turned into a magical shadow and came towards Ye Chen, and stepped on the tall and thin man fiercely!

He directly smashed the head of the bald man and the jade card of the soul palace!

After dealing with all of this, the aura of spatial chaos disappeared completely.

Ye Chen touched the black mans and smiled: "Thanks."

After processing the last soul hall, Ye Chen's figure flickered again. After a few breaths, he returned to the original position. At this time, the huge bloodthirsty bat was still lying in place, dying, and the soul tended to collapse.

Ye Chen just planned to cut it down with a sword, but Wu Mang took the lead and swallowed it directly with his huge mouth open!

Seeing this scene, Ye Chen's eyes were a little horrified, after all, the power of blood in these bloodthirsty bats was extremely disordered!

It is easy to burst and die if swallowed like this!

But at this moment, the Devil Emperor spoke: "You look down on this guy. These disordered bloodlines are nothing to him."

"If he is an adult, he can swallow a huge mountain in one bite."

Ye Chen nodded, put on the mask, and looked in one direction!

Several other captured warriors shuddered and shrank into a ball.

Ye Chen shook his head and waved his hand, and the golden light flashed, smashing the chains on their bodies.

Ye Chen raised his hand, turned a few pills into pure medicinal power, and penetrated into the bodies of a few people. Their physical condition immediately improved. At the same time, he took out some clothes and threw them out.

After that, Ye Chen gave a low yell, and the powerful spirit burst out. The eyes of the few people who were still trapped in despair and fear quickly brightened.

The few people looked around blankly at first, but soon, various emotions flashed above their faces, and they understood what had happened.

Several people burst into tears, and said to Ye Chen extremely sincerely: "Thank you, senior, for helping me! Daen will not be rewarded!"

Ye Chen waved his hand indifferently, "It's just that these people provoke me, so let's go, you can leave by yourself."

Several people glanced at each other, and in their eyes were the joy of the rest of their lives. Seeing that Ye Chen really didn't want them to reciprocate, they walked towards the nearby city together.

Ye Chen immediately took out the Beast Rotten Sword, the sword light flashed, and the remaining bloodthirsty bats that had lost their resistance were chopped into several pieces. At the same time, he took out a jade bottle, put all its blood in it, and hid it.

After doing all of this, he turned on the Umang again and headed towards Tianhan Mountain.

Lin Juelong's matter is certainly tricky, but it is not the first thing to solve. He wants to understand why the Eternal Holy King asked him to go to Tianhan Mountain.

...

At the same time, a temple in the depths of the Southern Territory.

The outermost part of the temple is carved with a huge stone.

Three words covered with blood are written on the boulder!

Blood Spirit Race!

Legend has it that these words on the blood spirit clan boulders of the Lingwu Continent were left behind by the ancient blood soul clan!

Although the blood spirit race and the soul hall came from the same family in ancient times, they have not been in contact with each other for many years!

Even faintly some enemies!

But not long ago, the Hallmaster of the Soul Palace came to the Blood Spirit Race himself!

This is the first meeting in history!

Epoch-making significance!

Even more strange is that the Blood Spirit Race is not very powerful in the Southern Territory! And at this moment, there are two old men with terrifying auras at the gate of the Blood Spirit Race!

The old man's eyes were closed tightly, and his whole body exuded an aura of absolute superiority.

There is an ancient totem on their sleeves.

There are two small words under the totem-Kingdom of God!

People from the Kingdom of God have come to the Blood Spirit Race!

What is it!

In the deepest hall, the atmosphere is extremely solemn.

A man in yellow clothes sat on the top of the hall, drinking a good spirit tea.

And below him are the elders and ancestors of the Blood Spirit Race, as well as Lin Juelong, and even the Lord of the Soul Palace!

Everyone's eyes were in awe.

Only Lin Juelong's eyes, with a trace of enthusiasm in awe!

He even wondered what terrifying situation he would be promoted to if he absorbed the blood of the power of the kingdom of God in that way!

The yellow-clothed man put down the tea cup, glanced at everyone around him, and said lightly: "Are you sure that the method will not have any side effects?"

The lord of the Soul Palace stepped forward and said, "My lord, although it is still in the experimental stage, according to the current progress, a perfect experimental body can indeed appear."

The yellow-clothed man is a little indifferent: "I'm not interested in this stuff."

"The road to martial arts still requires one step at a time. The things you studied were blocked by the ancient powerhouses of the Lingwu Continent. There was no result at all. Now your Soul Palace and the Blood Spirit Race should continue to follow this path. I am not optimistic. ."

"I came to the Blood Spirit Race this time just to look at those imprisoned guys."

"I don't know why, the stone in the family is always changing, as if something bad is about to happen."

"Everyone get back."

How could the Lord of the Soul Palace retreat, and quickly pulled Lin Juelong out!

Then he said to the man in yellow: "My lord, this person is the most perfect experimental subject!"

"He can absorb the blood and cultivation of others without any side effects!"

"During this period, our Soul Palace has been experimenting on this person!"

"If you don't believe me, you can take action against this person!"

The yellow man's gaze fell on Lin Juelong's body, slightly surprised.

Because he could feel the aura on Lin Juelong's body very strange.

The blood vessels are extremely disordered.

This is impossible among the warriors While thinking, the man in yellow stretched out his finger and pointed it out!

The golden light pierced Lin Juelong like a spear!

Lin Juelong's eyes shrank, and a shield was instantly formed with the power of his blood!

However, the power of that finger instantly penetrated the shield phantom!

Lin Juelong spit out blood and flew out on the spot!

I don't know how long it took before he got up with difficulty, his hideous face was full of killing intent.

The man in yellow nodded amusingly: "This is interesting. This person has not turned into a blood mist, indicating that the bloodline is very capable!"

"In that case, I would like to see how you deprived the blood of other warriors."

Chapter 2142: People from the Chilling Imperial Palace!

After the words fell, the yellow-clothed man grabbed his fingers with five fingers, and three people in black appeared on the hall!

And these people in black are the powerhouses lurking outside the hall!

The yellow-clothed man stretched his waist and said lightly: "I don't like the feeling of being watched, that perfect experimental subject, you can show me how to plunder blood."

When the words fell, Lin Juelong's killing intent, together, instantly went to those few people!

In an instant, tragic voices sounded above the hall!

...

No words for a night.

Tianhan Mountain, the top of the mountain.

The chill is pressing, and snowflakes are scattered in the sky, which is quite artistic.

A beautiful figure stood on the top of the mountain, with his hands behind him, closing his eyes, exuding Ling Han's killing intent.

This person is Wei Ying, the Supreme Lord of the Absolute Frost Palace!

Bai'er looked sad next to Wei Ying: "Palace Master, are you sure you want to wait for those six?"

"Although these six people are in the early stage of the Supreme Void Realm, it is also possible that the six of them are the third-tier heavens of the Supreme Void Realm!"

"The six members of the Supreme Void Realm, combined to attack you, your cultivation level can't resist at all, let alone you still have injuries, Bai'er is very worried."

Wei Ying still closed her eyes, her pale face filled with loneliness.

Suddenly, she spoke: "Bai'er, do you know what my biggest flaw is?"

Bai'er frowned: "The palace owner has no shortcomings."

Wei Ying's red lips outlined: "Bai'er, although I have received the lifelong skill transmission of my predecessors, they put all their hopes on me."

"However, I want to rise to the Absolute Frost Palace, which is far from qualified."

"At least not enough for now."

"My cultivation base is strong, but it doesn't belong to me. My growth time is too short."

"At this moment, what I need most is to fight against the strong! Only by fighting can I turn that powerful cultivation base into my own!"

"The road to martial arts still requires one step at a time."

"True strong people are like this."

Baier gave some enlightenment, pondered for a moment, and said: "The palace lord, you don't need to fight the six people, the family of the kingdom of God, it's not that simple, what if they are united in formations or backhands? ?"

Wei Ying smiled: "That was when Wei Ying died, and I recognized it."

"If I can't even pass this level, what else can I talk about restoring the Absolute Frost Palace! What else can I talk about making it the first gate of the ages again!"

Bai'er was a little flustered, and suddenly thought of something, and said: "Palace Master, if you have an accident, what will Ye Chen do? You can't protect him all the time!"

Hearing this name, Wei Ying suddenly opened her eyes, as if she had fallen into a long memory!

"If I fall in this battle, you will tell him the secrets of the Absolute Frost Imperial Palace."

"Those cultivation resources are enough to allow him to grow into an unshakable existence in a hundred years!"

"At that time, you tell her my name is Wei Ying."

"He...should take revenge for me."

"In this way, my death may be worth it."

Baier was completely helpless.

What she just wanted to say, a few streams of light suddenly appeared above the sky!

With an astonishing breath, the streamer swept towards Tianhan Mountain!

People from the shepherd of the Kingdom of God, here comes!

A sword of ice appeared in Wei Ying's hand and suddenly said, "Bai'er, step back."

"Palace Master..."

Baier was a little unwilling, but still retreated behind.

The palace owner's words are not unreasonable, but between life and death, can the palace owner really survive?

In an instant, six old figures all fell!

The moment these six people appeared, they released endless coercion, violent wind and rage, and a very strong vortex appeared between heaven and earth!

In the whirlpool, it is like a beast roaring!

The headed elder man with the bones of immortality stared closely at the veiled girl not far away. For a long time, he and the other five people looked at each other!

He took a step and waved his sleeves: "The old man is the shepherd of the shepherd family of the Kingdom of God, little girl, judging from your aura, you should be the girl who killed the people of the shepherd family in the Holy Dragon family. "

Wei Ying was motionless, with chills between her eyebrows, she had no desire to answer!

"Little girl, what kind of power is behind you! You dare to challenge the Shepherd Family of the Kingdom of God!"

Mu Haidiao was actually a little worried.

At such a young age, he has stepped into the realm of emptiness. If there is no background, who wants to believe it!

He even continuously released his spiritual sense, trying to determine whether there is a strong person hiding in the dark!

However, he swept around, and there was no one else except these two girls!

It's a pity that Wei Ying obviously has no plans to speak. She lifted the sword slightly with her slender hand, and said, "You don't have to be afraid of the power behind me. Only me is the one who will fight the six of you."

"As for what kind of existence is standing behind me, what qualifications do you have to know about the shepherd of the Kingdom of God!"

As soon as these words came out, the expressions of the six elders from the Mujia family were shaken!

They have also seen many proud men in the kingdom of God, but they are the first to dare to speak like this!

In an instant, an afterimage quickly shrouded away! Appeared behind Wei Ying instantly!

That was the weakest of the six strong men sent by the Mu Family, Mu Lei!

However, speed is the most dangerous existence among the six!

He only needs one move to kill in Lingwu Continent!

Mu Lei held a scarlet sword in his hand, the red sword tore the surrounding air, and instantly stab Wei Ying!

Powerful air waves flow!

This sword seems to be an irresistible existence!

And Wei Ying still closed her eyes!

When the sword intent was about to fall on her neck, her hand was rolling in the cold wind, like picking flowers!

Two fingers actually clamped the crimson sword in the sword light!

Two forces converge!

The long sword shakes!

Mu Lei's expression became extremely frightening!

So strong!

"Shepherd of the Kingdom of God, that's nothing more."

Wei Ying's red lips light up!

In the next second, Wei Ying unexpectedly released a violent aura!

Between heaven and earth, it seems to have become an ice ground!

At this moment, Wei Ying is the queen of the ice!

"Kacha!" With a sound, the scarlet sword shook violently!

Mu Lei quickly let go!

When he let go, the sword he had been using turned into powder!

At the same time a wave of air broke out from where Wei Ying was standing!

Mu Lei was blown out!

He broke a few icicles, and when he was about to land at last, Mu Haidiao quickly supported him!

Even so, Mu Lei still spit out a mouthful of blood, his face extremely pale!

"The strength of this woman is weird, and her technique is a bit cold. Does Lingwu Continent have such a sect?"

Mu Lei said carefully.

Mu Hai thought for a moment, still shook his head: "In the history of Lingwu Continent, there seems to be no."

"The only possible sect has disappeared in endless years."

"Don't pursue the origin of this woman at the moment, we still have to take this woman as soon as possible, this woman's cultivation is stronger than us, we must join hands!"

Chapter 2143: Not to be afraid!

Mu Haidiao is obviously the backbone of everyone, and everyone nodded one after another when he said this.

Soon, the six figures dispersed, as if forming a huge circle, surrounding Wei Ying.

If you look closely, this is a certain formation!

The powerful killing array of the Shepherd Family of the Kingdom of God!

Six animal husbandry fighting array!

...

At the same time, under Tianhan Mountain.

Ye Chen, who was riding a black awn, had already sensed something was wrong.

He was at the foot of the mountain, but the air wave on the top of the mountain faintly shook the entire Tianhan Mountain.

He has to wonder if the whole mountain will crack!

"This power is definitely not a fight between the closed door realm! It's the Supreme Void Realm!"

"What the **** the Eternal Saint King is up to, isn't it about letting me intervene in the fight of the too virtual and strong."

"I'm even choking in the middle and late stages of closing the door now, so I have to fight against the strong too?"

"Every small realm of the closed door is very different, let alone too empty."

Even so, Ye Chen still let Wu Mang go towards the top of the mountain.

No matter what, along the way, the layout and prompts of the eternal holy king are beneficial to him.

Although he cannot intervene and expose his strength, there is absolutely a reason to spend all his energy to guide himself!

...

On a giant mountain next to Tianhan Mountain.

A chessboard is placed in the center of the mountain.

Two old men are sitting on both sides and are playing chess.

On one side of them, there was the air of formation, and a giant screen mirror image appeared in the air!

What is shown in the mirror image is the Battle of Tianhan Mountain.

"Lao Yong, according to what I know about the shepherds of the Kingdom of God, they are not that simple."

"Maybe everything is an illusion."

"That girl is very likely to have an accident or even fall."

"The undefeated myth may be completely over."

An old man in a coarse cloth scanned the portrait, which was interesting.

The Eternal Saint King had no intention of looking at the mirror image at all, took a sip of wine, and smiled: "Who knows that the matter is not at the end."

"Besides, even if this girl loses, I still have a second hand."

The old man in the coarse cloth thought of something and smiled: "Lao Yong, you said that the next player is not that Ye Xiaozi."

"You are too optimistic about this kid, his ability to leapfrog battle is indeed against the sky, but this is a battle in the too virtual realm, and he can't get involved."

"Not a level at all."

The Eternal Saint King took another sip of wine, and then fell a son: "Don't forget, ten months ago, you made a bet with me, and you lost to me in the battle of the Soul Clan of the Western Regions."

The old man in the coarse cloth was a little blue, but he still said: "This is not the same thing. If that kid continues to drive to the top of the mountain, I'm afraid something will happen."

"When the time comes, you will lose all your efforts."

After finishing speaking, the old man in the coarse cloth dropped a piece on the chessboard: "Haha, dead end, this chess game, you old fellow will lose!"

...

In Tianhan Mountain, the dust is billowing.

The six members of the Mu family spurred the killing formation!

We must know that the power of these six killing formations is enough to shake the fifth heaven of the Taixu realm casually!

In their opinion, the veiled girl must die.

But at this moment, Wei Ying's face became paler, looking at the sword light that swept across, no longer hesitating, she stepped on her feet and flew into the sky!

The cold sword danced, and an ice crystal palace appeared behind her!

The palace phantom fell from the sky, suppressing it with a monstrous chill and sword intent!

Mu Haidiao and the other people's expressions changed drastically!

What a powerful supernatural power!

If it were not for this supernatural power, they would definitely die!

The key is why this girl has such a terrifying magical power!

"The formation spirit guards the body! Open!"

Mu Haidiao roared, the meaning of the formation method suddenly magnified, and a cloud of light formed directly!

The beam of light collided with the palace ghost!

All ten miles around Tianhan Mountain had been cracked!

The sound of "Rumble" shakes the world!

The snow shadow covers the top of the mountain, when everything returns to calm!

A huge pit appeared on the top of Tianhan Mountain!

In the deep pit, the six powerhouses of the shepherd family of the Kingdom of God were all injured! His face was extremely pale!

Their six-person formation is not as good as a young girl!

Stormy seas are set off in their hearts! It's just that there is no defeat in the eyes.

Because they found that the girl not far away was obviously uncomfortable!

Mu Haidiao swallowed a few pills and adjusted his breath, and his eyes fell on Wei Ying again: "Girl, let me give you one last chance. If you are willing to abolish the cultivation base now, come with us to visit the gods Home, we can let you live longer."

"Even if you are willing to tell your secrets, we can forget the blame!"

Wei Ying did not speak, she suddenly disappeared where she was!

And countless cold winds appeared between the acquired world!

Like a demon to kill!

When everyone reacted to something wrong, it was too late!

A space crack appeared behind one of the strong Mujia experts!

In the crack, a girl in a white veil appeared, and the sword in her hand danced lightly!

Sword intent becomes ice!

Countless little ice cones shot at the strong shepherd!

The shepherd family wanted to resist, it was too late!

The icy cone of too virtual air directly penetrated his body!

His pupils dilated, and his five fingers held a piece of Mujia jade plaque!

Unfortunately, at the moment he was about to crush it!

He found his strength solidified!

Then, he watched as he was frozen!

Turned into an ice sculpture!

Mu Haizhu noticed something was wrong, and just wanted to help, Wei Ying had already pointed out the moment when her slender fingers touched the ice sculpture!

The ice sculpture exploded!

The snowflakes between heaven and earth are no longer pure white, but the color of blood!

Wei Ying walked towards the next person again, endless waves of anger one after another!

The sense of shaking heaven and earth has never stopped.

Soon, the blood and snow on the entire Tianhan Mountain became heavier, and only two people remained on the top of the mountain!

Muhai dance, Wei Ying!

Wei Yingxue's white robe has been dyed red with blood, and her strength is certainly very strong, even surpassing any of the six.

But in the face of six too weak and strong, she will also be injured.

However, she found that she became more familiar with the techniques of the Absolute Cold Emperor's Palace, and even became more harmonious with her own cultivation base.

She looked at Mu Haidiao with cold eyes, and for some reason, she always felt something wrong.

It seems that everything is too easy And, when there is only one person left, the other party is not even flustered!

Mu Haidou's mouth suddenly smiled: "Little girl, I will give you one last chance. Are you sure you don't submit to my Mu's family?"

"dead!"

Wei Ying did not talk nonsense, and disappeared again in the world!

The next moment, he appeared in front of Mu Haidiao, the cold sword was driving the momentum of the world, and the peak power exploded, and it hit Mu Haidiao's heart!

At the moment when Jianyi was about to touch Mu Haidiao, Mu Haidiao said: "Elder, our mission should be completed."

"This female Dantian has not much spiritual power left, and she has been injured. It is not to be afraid!"

As soon as she said this, Wei Ying's face changed drastically, and the sword's front turned, and just about to retreat, the ground under her feet suddenly cracked!

Chapter 2144: How to stop!

A pair of skinny hands grabbed her feet directly, and the power of Taixu Sixth Heaven rippled away!

Wei Ying was suddenly dragged into the ice!

Wei Ying was in danger, and regardless of her injuries, she swept away!

But the sound of gold and iron sounded, and the powerful counter shock came!

Her sword was stunned in an instant, turned in the air, and finally stuck on an ice stone!

Not only that, a black-robed old man appeared in the ground!

The black-robed old man appeared behind Wei Ying instantly, his skinny palm shot out!

It's too late for Wei Ying to hide! The other party is too fast!

And at its peak! But she was scarred, and she could only use half of her power!

"puff!"

Wei Ying spit out a mouthful of blood on the spot, and her weak body flew upside down for several tens of meters before hitting the ground!

"Palace Master!"

Baier's eyes were moist, and she wanted to rush to save Wei Ying, only to find that a restriction appeared in front of her!

She cannot move forward!

What should I do!

Wei Ying wiped the blood from the corner of her mouth, stood up with difficulty, and looked at the old man who appeared suddenly, with a solemn expression: "It seems that the Mu's family is not six people at all."

"The six are just a cover, the real opponent is you."

The black-robed old man smiled grimly.

"Little girl, the family of the Kingdom of God is not as simple as you think. If the Mu family wants to kill, it will be divided into light and dark lines, and your real opponent is me."

"After all, you are still too shallow, now I can kill you easily!"

The black-robed old man didn't like too much nonsense, and when his words fell, a black sickle condensed in blood appeared in his hand!

The black sickle is like the sickle of the **** of death, heading towards Wei Ying to harvest life!

...

Just when the black sickle was about to cut Wei Ying, Wei Ying's indifferent eyes closed.

"Sorry for the old things from the Mu's family, I also kept a hand."

"This Tianhan Mountain has an ancient killing formation left!"

Wei Ying's blood was forced out, and the killing array started instantly!

Between the heaven and the earth, there were a series of array eyes, and the array eyes shot out a bright light! Finally gathered into a light spot!

A thousand feet ice sword fell from the sky!

The black-robed old man's eyes widened: "This is the ancient Absolute Sword Formation, this is the formation of the Absolute Frost Imperial Palace! How can you control it!"

The powerful breath surged!

Wei Ying smiled!

She wants to become the palace lord of the Absolute Frost Emperor's Palace, but her strength is not enough!

The reason she chose Tianhan Mountain is because there is this incomplete formation left by the Absolute Frost Imperial Palace!

This formation is enough to change the situation of the battle!

The shepherd family of the Kingdom of God can make arrangements, can't she make Wei Ying?

The black robe old man looked flustered, his black sickle turned, and his dantian spiritual power gathered frantically! Slash at the Qianzhang Ice Sword fiercely!

Not only that, the black robe old man grabbed Mu Haizhu with five fingers and threw it towards the ice sword!

"boom!"

There is no sound between the heaven and the earth, and the boundless waves of air tear apart!

The body of the black-robed old man flew on the spot! And Wei Ying is also uncomfortable! She was also in the center of the formation and was affected!

Her body is dripping blood, she is extremely injured!

She has no strength to fight again.

This is her limit!

The mobilization formation almost emptied all the spiritual power in her body.

She stared at the depths tightly, she was extremely worried.

"It should be solved."

After all, this ancient formation is incomplete, and it is enough to obliterate the strong!

The snow in the sky is getting bigger and bigger!

I don't know how long it took, the dust cleared!

An accident appeared in Wei Ying Gu Jing Bubo's eyes!

The black robe old man was dripping with blood, he lost an arm! Not dead!

At the critical moment, Mu Haizhu saved the black robe old man at the cost of his life!

He is the dead servant of the Mu Family!

The black-robed old man smiled, and he walked hard towards Wei Ying step by step: "Little girl, I have to admit that I underestimated you."

"At this age, the means and cultivation level are really incalculable."

"You have no aura in your body now, and your injuries are extremely serious. You are not qualified to take action."

"Even if there are any formations here, you won't be able to induce them."

"This time, after all, my Mujia won."

"In order to kill you, my Mu's family paid so many people who are too imaginary and strong, it's really a big deal."

"Now, I personally send you on the road!"

In an instant, the black-robed old man turned into an afterimage and appeared in front of Wei Ying! Black sickle seemed to be heading towards Wei Ying with Jiuyou Hanguang!

The speed is not slow at all!

Wei Ying didn't move!

Her eyes are a little lonely!

She may have a hole card to block her, or escape, but the six members of the Mu family and the formation have exhausted all her spiritual power!

She can't cast any spells!

She can't use any hole cards!

She cannot pursue the hope of life!

The Absolute Frost Palace will eventually be destroyed in her hands.

She is unwilling!

She is angry!

She feels that she is still too weak! Even the shepherd of the Kingdom of God can't shake it!

How to shake the more powerful existence of the kingdom of God!

Wei Ying closed her eyes and calmly faced life and death.

She thought of the warm scene at Beijing Normal University, and she thought of the youth's silent guardianship.

"Ye Chen, I can't protect you on the next road."

"I hope that the rest of your life will be as bright as summer flowers!"

"Thank you for showing up."

Wei Ying thought silently.

The boundless black light completely swallowed her!

Just when the black sickle was about to kill Wei Ying, a magical shadow surged!

Above the demon shadow turned out to be a monster of the demon race!

On the body of the giant beast is a young man with a cold look!

Ye Chen is here!

Umang broke out a strong wave of air, and volleyed instantly!

But Ye Chen stepped out and fell quickly! He stood in front of Wei Ying fiercely!

He slapped his hands and suddenly grasped the black sickle of terrifying power!

The black-robed old man was startled, and never expected that someone would rush out!

Could it be that this is the girl's back hand?

When he saw the cultivation of the young man in front of him clearly, his heart sneered!

Good fortune?

Fortune Realm wants to shake the Taixu Realm?

What a joke!

Although he doesn't know how this young man crossed the barrier he set up!

But it's not important anymore! Because this young man is shaken by the aftermath and will dissipate between heaven and earth!

At this moment, a shattering roar sounded: "Red Chen Divine Veins, open it to me! All activated!"

After the words fell, a burst of light burst out of the youth's whole body!

An ancient shield appears!

In the key shield shadow, there are nine dragons swimming!

The black sickle stopped!

The blood of the youth shook the black sickle!

His hands are bleeding!

But his eyes are not afraid of everything!

"I'm late A magnetic voice suddenly fell in Wei Ying's ear.

That was an agreement once.

Wei Ying's eyes suddenly widened!

She thought about countless possibilities!

But I never thought that it was this guy who appeared at the time of life and death!

The key is how he can stop the gods from being too virtual and strong!

Chapter 2145: It's weird!

at the moment.

Ye Chen could feel his hands shaking violently!

A terrifying force filled the entire arm.

Even if he activates all the Chichen Divine Veins, the opponent's power is amazing!

He even maximized the immortal divine body, demon body, and even all the available protection!

Is this the gap!

Fortunately, this black robe old man was hit hard by Wei Ying's formation! Strength is only part of the peak period!

Otherwise, even if Ye Chen uses the Chichen Divine Veins, something will happen!

Ye Chen's eyes were solemn to the extreme!

At the corner of his mouth, his hands have oozes blood!

shocking!

And the black robe old man was completely shocked!

His eyeballs seemed to burst!

how is this possible!

How can Good Fortune Realm block his blow!

Shouldn't the ants be completely shaken by the aftermath!

"who are you!"

Ye Chen smiled coldly: "It's really ridiculous that so many people bully a girl!"

"Although I don't know her identity! But she rescued me, and if I was there, I would not allow her to die."

"Even if I know I can't shake it, I have to try it!"

Ye Chen stood up straight with difficulty, and the blood was flowing from the hand that grabbed the black sickle, and the palm of his hand was faintly penetrated by the black sickle.

He endured this pain.

Wei Ying watched this scene with tears in her eyes.

She wanted to take off her veil and tell Ye Chen that she was Wei Ying! It was the girl with the blood and cold body who had been guarded by him.

However, her hand was raised halfway and stopped.

Telling Ye Chen's identity now will force Ye Chen on the road to the end!

Before Wei Ying could think clearly, the black-robed old man's face suddenly became savage, and a strong breath surged!

"Little beast, I care about your origins! Although you don't know how you can withstand my sickle! But the gap between you and me is like a chasm! Get out of me!"

At this moment, Ye Chen's body suddenly flew!

The operation loss of the Red Chen Divine Vessel is too great!

Obviously, he can't hold it anymore!

"boom!"

Ye Chen flew out and hit the ground fiercely.

And not far from him is Baier.

Baier covered her mouth with her hand to prevent herself from screaming!

She never expected that the waste she had always thought would help the palace lord stand a blow!

This guy is only good fortune!

If he enters the Taixu Realm like the Palace Master, then who can stop this young man!

...

Another mountain.

The two elders have stopped playing chess, staring at the mirror image with scorching eyes.

The old man in the coarse cloth said softly: "It's weird, the little guy's breath just broke out is weird..."

"How could his cultivation level block that blow?"

"Even if it is against the sky, it is impossible."

"Which link went wrong?"

He glanced at the Eternal Saint King, and fell into a long period of contemplation!

After a few seconds, his eyes widened, as if he had seen something extremely strange and terrifying!

He stood up abruptly, staring at the young man in the picture, and exclaimed: "This...this is the complete Red Dust Divine Vein!"

"Only the Scarlet Chen Divine Veins in the world can shake this blow!"

"Although the kingdom of God has incomplete divine veins, I have seen such a complete divine vein for the first time!"

"This....."

He looked at the eternal holy king and found that the latter was drinking, his eyes narrowed, as if he didn't care about the battle!

"Lao Yong, you already knew?"

The eternal holy king hiccuped: "Can you admit defeat?"

The old man in the coarse cloth suddenly laughed: "I admit that the boy's Red Chen divine veins shocked me, but this death is already powerless! In his state, it is difficult to use the red dust divine veins, and that **** People from China have enough ability to kill these two people!"

The eternal holy king stood up, walked a few steps, leaning on a giant tree, extremely lazy: "If this is the case, then you can watch it again."

"I slept for a while. I am getting older and have not been sleeping well recently. Please be considerate."

Old man in coarse cloth: "..."

...

Tianhan Mountain.

The black-robed old man walked towards Wei Ying again.

He glanced at the injured young man in the deep pit with fear, he was a little disturbed.

No matter what, the veiled girl must be resolved as soon as possible.

If the Veil Girl is given enough time to recover, then the consequences will be disastrous!

He held the black sickle tightly with his trembling hand and cut it off suddenly!

Just when he was about to touch Wei Ying, a figure appeared again!

The injured young man didn't know when he would appear before him again!

Cut out with one sword!

"Slashing the sky with a sword!"

The sword intent swallowed the sky, this power completely surpassed the power of the fourth-tier sky in the Sealed Door Realm!

The black robe old man shrank his eyes, he was surprised by the power that Ye Chen burst out!

Such injuries can explode power far beyond the realm!

Plus the defense against the sky!

What kind of monster is this!

The black sickle suddenly touched the beast sword!

No surprise, Ye Chen flew out again! It hit a huge boulder severely.

Spit out blood.

Although his power is very strong, in the eyes of those who are too weak, he is still too weak!

Wei Ying's eyes flickered, tears all over her cheek.

She didn't want Ye Chen to bear this for her!

Not worth it!

Her trembling voice resounded: "Ye Chen, you don't need to help me, you go!"

When the black-robed old man was sure that Ye Chen had no ability to fight anymore, he exhaled!

He was sure that this kid was the most abnormal existence he had ever seen.

His gaze fell on Wei Ying again, letting out his murderous intent, and the whole body was surging with endless demonic energy!

Devilish!

Although he is a member of the shepherd's family, he has always cultivated magic power!

This terrifying demonic energy formed his realm!

No one can break in!

No matter how evil the kid is, once he enters his realm, the devilish energy is enough to strangle him who has been seriously injured!

The black-robed old man walked quickly to Wei Ying and said, "It's really hard to kill you."

"Perhaps, without the deaths of those six too virtual, it may be our shepherd family who lost."

"It's time to end now."

"I'm tired."

"Tiangang Demon Sha, Zhu!"

Between the heaven and the earth, a blood beam condenses!

The boundless devilish energy is rolling, and the **** sword shadow is formed on the sky!

This is God's punishment!

The Blood Sword of Heaven's Punishment penetrated the howling cold wind and landed directly on Wei Ying!

The black robe old man smiled.

This blow is enough to kill everything.

After he thought it over, he ended it by this means.

He is indeed tired.

Just when the sword of punishment was about to crush the veiled girl! The billowing devil gas actually rang out with a roar!

The black-robed old man suddenly had a bad premonition He found that the demonic energy around him was rapidly diminishing, as if being plundered.

"This....."

The devilish energy dissipated, and he saw a young man covered in blood, standing in front of the girl with difficulty.

The corner of his mouth was grinning.

That pure eyes, not afraid of everything.

The black robe old man is shaking!

He is going crazy!

As a strong man, he has never seen such a weird thing!

Chapter 2146: It is not a level at all!

Is this kid immortal?

Also, why this person can absorb his magic energy! It abruptly swallowed his Heaven's Punishment and Blood Sword and Sword Shadow!

Is this person a demons?

Ye Chen glanced at the veil girl: "I am curious, what kind of face is under your veil, you know my name is Ye Chen, why are you helping me? We met before?"

Wei Ying's eyes trembled and did not speak.

The horror in her heart is no worse than the black robe old man!

It turns out that this young man who has been secretly helped by himself has grown to this point.

How much pain did he endure along the way?

The black-robed old man's face was terrifying to the extreme, and he roared: "Little beast, who are you! My Heaven's Punishment Sword! Where is my devilish energy!"

After speaking, the black robe old man walked towards Ye Chen!

In his opinion, at this moment, he must kill this guy first!

He even forgot the mission the Mujia gave him!

Ye Chen has become his nightmare!

If he does not die, he cannot move forward on the road of martial arts!

Looking at the rapidly flashing black shadows, Wei Ying hurriedly said: "Ye Chen, be careful!"

And at the moment, Ye Chen's eyes were solemn! He hasn't used the ten thousand sword seal in his body for a long time!

He is waiting!

Seeing that the powerful wave of the black robe old man was about to fall, Ye Chen opened his five fingers and suddenly pinched the tactic!

"I will give you all your devilish energy!"

In an instant, the devilish energy billowed! Stormy!

The black-robed old man looked at the devilish energy around him, vaguely feeling wrong!

suddenly!

Roar!

A sound of horror resounded!

In the devilish energy, the black robe old man saw a huge body!

The body has six lacquered arms, three sides are blue and black, spitting fire in the mouth, an angry look!

His body gradually became bigger, he was a thousand feet tall, and behind him, six thick arms were flying flexibly.

At this moment, the black robe old man's complexion changed!

Naturally he knows what it means when he practices magic power!

Nine Nether Shura!

Rumor has it that Nine Nether Shura possesses three heads and six arms, with a violent nature.

Like God but not God!

Like a magic but not a magic!

Inhumane!

Nine Nether Shura rules the killing, and everything is destroyed in his hands.

The key is why this young man can summon such a powerful Shura for his use!

Shura is cruel by nature and extremely militant. He can reach the sky with strength, hold the sun and the moon in his hands, and stand on the sea with both feet.

Ye Chen exhaled and quickly said: "Nine Nether Shura, do it!"

The Nine Nether Shura Summoning Techniques taught by the Devil Emperor had the greatest uncontrollability!

That is the power of Nine Nether Shura is directly related to the devilish energy!

And the devil energy just now is the devil energy of the too virtual and strong! Far beyond everything!

Shura's huge mouth opened, and hot flames spewed out!

The boundless flame wraps the black robe old man!

The black-robed old man suppressed his inner anger and shock forcibly, and fought with the Nine Nether Shura formed by his own devilish energy!

Even got hurt!

Because this Shura actually knows his practice, even more with a sense of punishment!

What is the origin of that young man!

Surrounded by the demon shadow, the boundless demon energy rendered the sky, Ye Chen knew that Jiuyou Asura would not be able to support it for long, he no longer thought, his mind moved!

Umans rushed quickly!

Ye Chen stepped out and rode the awning to Wei Ying instantly. Regardless of whether Wei Ying objected or not, he grabbed the slender waist and directly sent Wei Ying to the awning!

"let's go!"

Ye Chen knew very well that he and the old man didn't have the power to fight at all, and could only delay!

The two bodies are extremely close!

Wei Ying's pale face gradually turned red.

If it wasn't for the current life and death line, Ye Chen would definitely enjoy it!

Just as Umang rushed towards the bottom of the mountain, Nine Nether Shura was torn apart by a strong force!

Then, behind Umang, a screaming roar sounded: "No one wants to leave!"

After the words fell, Umang leaped high, and it keenly felt the danger ahead!

If you take a step, not only it, but the two people on it will also be injured.

Ye Chen gave a squeak in his heart, before he could react, a rapid black shadow surged!

Ye Chen subconsciously blasted a palm, and activated a part of the red dust veins!

"boom!"

In the next second, Ye Chen's body left the Umang and hit the ground fiercely!

One of his hands, the bones seemed to shatter!

After being seriously injured, the Taixu strong is still so terrifying!

Ye Chen spit out a mouthful of blood again, he was already very weak at this moment.

After all, his cultivation base is too far apart.

At this moment, Wei Ying, who was above the black mang, thought of something. She was murderous and said to Ye Chen: "Ye Chen, can you buy me a minute!"

"After a minute, I may be qualified to kill this person!"

After speaking, Wei Ying closed her eyes, and ancient words appeared on her eyebrows.

Her breath is extremely ethereal! Like a cloud in the sky!

Ye Chen heard Wei Ying's voice, his eyes condensed and stood up: "Okay."

In any case, he must hold on for one minute.

He looked at the black-robed old man, but was horrified to find that the black-robed old man was completely unrecognizable and his face was full of blood!

Extremely scary!

Obviously, the battle between Nine Nether Shura and him just now scratched his face!

The black-robed old man naturally heard the conversation between the two, and he grinned gloomily: "Little beast, hold on for a minute? Are you sure you have this qualification?"

The black-robed old man now has endless anger towards Ye Chen!

If this matter is spread to the kingdom of God!

His Shepherd's too imaginary and strong can not kill such an ant with several moves!

He must become a joke of the kingdom of God!

In a blink of an eye, he went towards Ye Chen! The killing intent is like a fierce beast manifesting behind him!

He is going to torture this reckless young man!

He wanted this young man to fall into an endless nightmare at the time of life and death!

At this moment, Ye Chen closed his eyes.

Feng Qingyang's voice sounded in his ear: "Ye Chen, I control your body now, and I may not be able to hold it for a minute."

"Moreover, in your current state, I can't use my full strength."

"Why don't you use the Ten Thousand Sword Seal obtained by the Excalibur Palace?"

Ye Chen only said: "Master, I will never use it until the realm of death."

"The seal is very strong, and only once, I don't want to waste it."

Feng Qingyang nodded appreciatively: "I didn't blindly rely on the cards, but Feng Qingyang accepted a good apprentice."

"It just so happens that the sword box, which has been in dust for thousands of years, should also come out!"

In the next second Ye Chen opened his eyes suddenly! The icy eyes stared at the black robe old man who came quickly.

This look actually slowed the black robe old man a bit!

This look seems to come from eternity!

Vicissitudes and loneliness!

The black robe old man didn't dare to think too much. The black sickle in his hand cut through the space, swept turbulence and air waves, glowing with magic light, and completely swallowed Ye Chen.

At this moment, Ye Chen turned his arm, and a huge sword box stood in front of him!

Time seems to stand still!

When the black sickle hit the sword box, it shattered abruptly!

It is not a level at all!

Chapter 2147: That young man!

The black-robed old man shrank his eyes, staring at the palm of his hand in horror, and finally fixed his eyes on the sword box: "What the **** is this!"

Ye Chen smiled slightly: "Six sword boxes."

"I am the wind, the way of the sword, and the six swords alone!"

The words fell, Ye Chen took the initiative to attack!

When the sword box turned, it slammed into the black robe old man!

"boom!"

The black-robed old man only felt endless power hitting him, his blood trembling!

He patted the sword box with a palm!

But in his state, he couldn't make this sword box move a bit!

"This....."

The sword box stood in front of the black robe old man like this!

The black-robed old man opened his mouth and stopped thinking about it. What happened today has subverted his worldview!

This mysterious young man is too evil!

He forced out the essence and blood, and a blood sword appeared in his hand, and the blood sword suddenly slashed towards the sword box!

The corner of Ye Chen's mouth outlines: "Although there is a sword box before, it is not controlled by my body, otherwise, how could you have the possibility of casting spells."

"That's it, if you have a low cultivation base, let's see what kind of power the six sword boxes can exert."

Speaking of this, Ye Chen's eyes surged with an extremely aloof feeling.

There are only six swords in the world!

"Six swords, three swords kill your life, the master of the sword box, I cut the sky!"

When the words fell, the unmoving sword box burst out with brilliant light!

The powerful sword intent radiates between heaven and earth!

Shoo!

Sword Qi is like rain, flooding the void!

The black-robed old man was on the verge of an enemy, and quickly waved his blood sword, trying to cut the sword shadow!

However, the power contained in these sword shadows is incredible! It seems to be infused with an invincible will!

His strength could not be cut off!

Unknowingly, although these sword shadows didn't seriously hurt him, they covered him with dense scars!

Blood dripping.

"Disciple, your body has reached its limit, I must leave, or you will die."

"Three swords together!"

Ye Chen roared, and a green lotus appeared in the boundless sword rain! Qinglian splits the void!
Devour the sky!

Falling from the sky, suppressing the black robe old man!

This green lotus turned out to be a dense gathering of powerful sword shadows!

The terrifying sword intent filled the entire Tianhan Mountain!

"Damn it!"

The black robe old man quickly took out a jade medal!

A shield is formed between the jade brand turbulence!

However, when Qinglian descended, the shield shattered directly!

The jade brand instantly turned into powder.

Fortunately, Feng Qingyang left Ye Chen's body and Qinglian disappeared!

The sword box that stood between the sky and the earth did not know where it went.

Ye Chen sat down on the ground, feeling backlash.

The black-robed man could feel Ye Chen's overdraft, his eyes flashed, and he instantly attacked!

At this moment, a beam of light from Tianhan Mountain soared into the sky!

It's Wei Ying!

At this moment, Wei Ying was surrounded by flames of ice!

The breath rises extremely!

No previous injuries at all!

And her eyes are even more chilly!

"If you move him, die!"

In an instant, the temperature of Tianhan Mountain dropped to freezing point!

Wei Ying stepped out and came to the black-robed old man, and suddenly he slapped a flame in his palm!

This flame is so weird that it carries the coercion of destroying the world!

And the eyes of the black robe old man were extremely frightening!

Because—he actually saw something that could not exist in the world!

"This flame... Absolute Frost Imperial Palace! You are the palace owner of Absolute Frost Imperial Palace... how could it be possible!"

"The Absolute Frost Palace is still there!"

However, the words hadn't completely fallen yet, that weird flame of ice penetrated the body of the black-robed old man!

Even swallow it slowly!

The black-robed old man was so frightened that he threw out a rune and said loudly, "Help me!"

However, it was too late, the black-robed old man burned on the spot!

Everything is calm.

Wei Ying's eyes fell on Ye Chen, and she smiled slightly under the veil, she took a step, and there was a trace of blood flowing out of her eyebrows.

Her face changed slightly, and she quickly turned around.

Almost collapsed Ye Chen sat on the ground, staring at the back of the veiled girl, always feeling a little familiar.

"Have we met somewhere before?"

"Girl, let's share adversity together anyhow, should you let me see your true colors."

"Of course, if you can't take off the veil, then forget it."

After all, many girls in Lingwu mainland wear veils for a reason.

For example, Yin Ming of Xuan Yuezong.

Wei Ying turned her back to Ye Chen and did not speak.

She naturally wanted to take off the veil, but she didn't want to face Ye Chen like this.

She is a woman after all.

A woman is a person who pleases herself.

She wanted to meet Ye Chen for the first time in Lingwu Continent, leaving a beautiful face instead of what she was under the veil.

Ye Chen touched his nose and said helplessly: "If it doesn't work, then forget it."

"Then should you tell me a name too?"

"what's your name?"

"To be honest, when I look at your back, I feel more and more like a Chinese friend of mine. She used to be an English teacher... Forget it, you, as the sect master of Lingwu Continent, certainly don't know what I'm talking about. Where is it, let alone what an English teacher is..."

However, Ye Chen didn't notice at all, the veiled girl's body was shaking.

Under the veil, red lips bite.

Fascinating and sexy.

"Ye Chen, actually I..."

Wei Ying hesitated for a long time, and just about to speak, a mouth appeared in the world!

A strong pressure enveloped the entire Tianhan Mountain!

A strong shock came from Tianhan Mountain!

Even faintly collapsed!

One eye seems to dominate, looking at everything!

The power of the shepherd of the Kingdom of God!

The other side of Lingwu Continent at this moment!

A family in the Kingdom of God is completely angry!

The Mu's family has fallen down seven strong men in Lingwu Continent!

Six powerful early-stage Taixu! A strong man of the six-layer Taixu!

This is an extremely heavy loss to any family in the Kingdom of God!

The Patriarch of the Shepherd of the Kingdom of God is furious! A palm on the stone platform!

"All the shepherds always obey orders and use the Mu Family Taboo Breaking Blood Array! Lose the cultivation base, and bring the people back directly!"

"I would like to see, what kind of powerhouse is that veil girl!"

The void above Tianhan Mountain is getting bigger and bigger!

Wei Ying's expression was pale to the extreme: "Not good!"

She never expected that the shepherd of the Kingdom of God would be so at all costs!

If this is the case, both Ye Chen and himself must die!

It's no use she has a hole card!

Now she and Ye Chen have no chance to escape!

Neither of them has the power to fight!

Just when Wei Ying was solemn a magical shadow swept over!

Then, she heard a voice in her ear: "Umang, take her away!"

Before Wei Ying could react, her body had been forcibly taken onto Umang's body!

Naturally, Umang also felt the terrible danger. Although he wanted to accompany his master Ye Chen, he did not dare to disobey Ye Chen's order.

Umang hurried away with Wei Ying who hadn't reacted!

Wei Ying wanted to struggle, but found that the mount under her actually restrained her!

She turned her head, and saw a young man in her whirling eyes.

Chapter 2148: Xiao Huang's change!

The young man held a sword in his hand, stuck it in the ice, and stood up with difficulty.

His robes are full of blood.

Shocking blood.

Ye Chen was not facing an existence like the old man in black robe.

Ye Chen will die if he stays in Tianhan Mountain.

Why is he so stupid!

Why do I still think of myself at this time!

Tears dripped from Wei Ying's tender eyes, touching the ice, and the snow melted away.

She knew that this might be the last time she and Ye Chen met.

After today, yin and yang are separated.

After the sadness, a raging flame ignited in Wei Ying's heart!

"The Kingdom of God, you are forcing me!"

"When I enter the Nether Cold Abyss, dare to call the kingdom of God into the Yellow Spring!"

Wu Mang took Wei Ying away.

Bai'er in the marginal land glanced at the young man, and chased after Umang.

She is just a maid, what right does she have to stop this catastrophe?

And what qualifications does that young man of good luck have to stop this catastrophe?

Under the catastrophe, someone will die.

At least, today, Ye Chen's death subverted all Bai'er's cognition.

It turns out that some people are not afraid of death.

It turns out that some people are righteous.

It turns out that there is still this love in the world.

...

Tianhan Mountain.

Ye Chen stared at the void crack with difficulty.

He has seen several figures in the cracks.

These figures are the existence that he cannot shake.

"Hey, I can't hide it after all."

"After this time, I will improve my cultivation as soon as possible."

"I came to the Southern Territory, just to save Chen Zhifan."

"Why does the eternal holy king want him to drip into this muddy water?"

Ye Chen's eyes were a little helpless.

But there is no fear.

The figure of the shepherd of the Void God Kingdom is constantly revealed.

That is a hall.

In the hall, several majestic and icy auras spread to Tianhan Mountain.

It seems to be the contact of two time and space.

Suddenly, in the void, an anger sounded: "The ants also dare to shake the sun and the moon, looking for death!"

"Today, I want to see, what is your ability!"

In an instant, a few people in the palace pinched their fingers, and a **** hand like a skeleton appeared in the void of Tianhan Mountain!

The **** hand suddenly grabbed to Ye Chen!

A mortal game!

But Ye Chen closed his eyes at this moment: "I wanted to hide this card for a few years and use it at a critical moment."

"Who would have thought that the crucial moment would come so quickly."

"I haven't covered my heat yet, hey."

Suddenly, Ye Chen opened his eyes.

Step out!

Point straight to the sky!

"Wan Jian seal, open!"

Ye Chen's body suddenly released a strong light!

Between heaven and earth, I don't know when thousands of swords have been suspended!

Every sword seems to be filled with the meaning of Canggu!

That is the history of the sword!

That is the era of respect for kendo!

And Ye Chen seemed to merge with these swords into one!

The sky changes color!

Tianhan Mountain is torn apart!

The power of a young man to reach the sky, open!

...

The Shepherd House of the Kingdom of God.

A vast sword intent swept the entire hall!

The dozen or so elders who inspired the taboo formation spit out blood!

Even the Patriarch of the Mu family who is sitting on the high platform is not calm anymore!

With this power, he actually felt horrible!

Suddenly, he discovered something and quickly said: "Quick! Close the crack, quickly!"

Several elders were on the verge of an enemy, quickly pinching their fingers, regardless of the injury, just when the mouth was about to close!

Thousands of sword intents appeared together!

The hole is torn apart!

Endless Sword Shadow swallowed the entire Mu Family like a monstrous beast!

The Mujia formation suddenly collapsed!

Jianying dazzled!

There were bloodstains on the elders of the shepherds!

The entire Mu Family was in panic!

Who can think of why there are so many powerful sword intents!

The key point is that this sword intent is not one person, but the proud work of 10,000 swordsmen who have stood tall in the world!

The shepherd of the Kingdom of God, the screams are endless!

I am afraid that after today, the painful price paid by the Mu Family is unforgettable!

...

And Tianhan Mountain, that countless strong people are better than Douzhishan, that indelible history in the Southern Territory, completely turned into dust!

Smoke billows!

Tianhan Mountain no longer exists!

No one knows what happened to Tianhan Mountain in that battle!

There are rumors that a mysterious woman in Lingwu Continent played against six gods too virtual and powerful!

All those who are too virtual and strong have been killed!

The mysterious woman is missing!

The break and disappearance of Tianhan Mountain was caused by the mysterious woman being too strong!

There are also rumors that this day Hanshan was judged by a good fortune youth!

Youth fall! Tianhan Mountain is also destroyed!

With countless rumors flowing, Tianhan Mountain is destined to become a mystery in Lingwu Continent!

...

One day later.

Ye Chen woke up in a river.

He moved his lower body, slightly surprised.

He unexpectedly stepped into the eight layers of the good fortune realm.

Not far from Xingqiao.

Could it be a breakthrough in battle?

It was the gift that Wan Jian sealed to himself after the Wan Jian seal was unlocked.

Although his breakthrough was suppressed by the blood of reincarnation, it was also amazing.

But after another thought, which good fortune realm in the world would oppose the closed door realm?

What good fortune realm will fight against Taixu?

From the beginning, he went against the sky.

I don't know what happened to the Shepherd of the Kingdom of God after the Wanjian seal was opened.

Is it perish or severely injured?

Ye Chen thinks the latter is more likely.

However, he really feels distressed when he thinks of such a heaven-defying trump card and no longer have it.

This opportunity may only happen once in a lifetime.

He feels very tired at the moment.

Although he broke through, his whole body was scarred.

It is not easy to restore peak state.

He got up with difficulty from the river.

To his surprise, there was a strange egg lying beside him.

Red and blue, the lines are extremely beautiful.

Ye Chen thought of something and looked at the reincarnation cemetery!

Sure enough, the original little yellow of the red and blue ball was gone!

Could it be that the egg in front of you is Xiao Huang!

Xiaohuang's refining is over?

This time you just need to come out of the eggshell to be born again?

He vaguely remembered that when Tianhan Mountain collapsed, a ball of light rushed out and forcibly led him away.

"Is Xiao Huang you?" Ye Chen stared at the giant egg beside him, and said.

The dome rolled and motioned.

Regardless of the injuries on his body, Ye Chen touched the dome: "Your refining is over?"

"Should I hatch you? Or forcibly break the eggshell?"

Ye Chen stopped talking nonsense, slashed with a sword, but the sound of gold and iron sounded!

This dome hasn't moved.

Xiao Huang kept shaking as if to express something, and after some exchanges, Ye Chen found nothing.

In the end, Xiao Huang entered the reincarnation cemetery. Forget it, take a step and take a step, at least the ball turned into an egg, which proves that Xiao Huang's refining is over, and the only thing to wait is the day of breaking the shell. "

"Umang sent the girl to a safe place and should come back to me."

"At the moment, I don't know where this is."

Ye Chen opened the map of the Southern Territory, glanced at it, and suddenly his eyes shrank!

This place is actually outside the Southern Heavenly Capital City!

Tiandu City is where Ge Qing clues!

No more nonsense, Ye Chen changed into clean clothes and hurriedly headed towards the city of heaven.

You can investigate Chen Zhifan's whereabouts just when he is recovering!

Chapter 2149: Crouching Tiger, Hidden Dragon!

The ...

Soon after, Ye Chen came to the city gate and handed in his own information. After a brief inspection by the warrior who guarded the city, he let Ye Chen into the city.

Ye Chen's eyes flashed, it seemed that Baishan did not play any tricks, otherwise he should not be able to enter the city.

After entering the Tiandu City, Ye Chen walked towards a restaurant called Tianfeng. According to the information Ge Qing gave him, this Tianfeng restaurant is a relatively good but not too high-end restaurant in Tiandu City.

This kind of restaurant is best for inquiring about news.

Soon, Ye Chen came to the restaurant and chose an elegant seat with a slightly higher price.

A shop assistant immediately greeted Ye Chen with a smile on his face, and asked Ye Chen: "Guest, may I ask, what do I need?"

Ye Chen said casually: "Serve all the good dishes in your store, and bring a pot of good wine."

Hearing this, the second person in the shop opened his eyes brightly, and the smile on his face became even stronger. Naturally, big money like Ye Chen should be treated well!

He respectfully said: "Okay, please wait a moment, I will serve you immediately!"

After that, he turned and walked to the kitchen.

"Wait." At this moment, Ye Chen suddenly stopped him.

The shop second turned around and looked at Ye Chen with some doubts: "What else do you want?"

At the same time, I looked at Ye Chen up and down, seeing Ye Chen's appearance with some injuries. He was not like a wealthy boy. It wasn't because he ordered too many dishes just to pretend to be, right now?

Ye Chen suddenly raised his hand, threw a small bag into the shop's second hand, smiled and said, "This is my tip for you."

The shop Xiaoer took the bag, was taken aback for a moment, and then looked incredible, swiping his spirit into the bag, it turned out to be a great fortune!

He was ecstatic at first, but soon he calmed down. Even if the young man in front of him is rich, he won't be able to throw money everywhere, right?

Thinking of this, he even looked at Ye Chen with some fear.

Ye Chen saw the look of Xiaoer, and smiled slightly: "Don't worry, I just came to Tianducheng for the first time, and I want to ask you about something."

Dian Xiaoer felt relieved when he heard this. If Ye Chen gave him such a large tip for no reason, he would really dare not ask for it. Since it was to inquire about things, it would be much simpler.

Immediately, the shop's second person smiled triumphantly at Ye Chen: "My son, you can just ask the right person. What do you want to ask? Just ask, it's not me. Although my cultivation level is low, but speaking of the turmoil in the city this day, nothing can hide my eyes and ears from Wang Xiaoma!"

When Ye Chen heard the words, he laughed and said, "That would be the best. I want to ask you, did a foreign warrior who hide his face have a dispute with others in your heavenly capital?"

Hearing the words, the second person in the shop showed a thoughtful look, and his eyes suddenly brightened after a moment.

However, the shopkeeper's eyes dimmed soon, and after a moment of silence, he hesitated and said:

"My son, you have to ask others about this. They may not know it, but I know it very well! Because that happened in our store!"

"Oh?" Ye Chen looked happy when he heard the words. He looked at Xiao Er's appearance and knew that he was scrupulous. This also showed that he really knew what.

Ye Chen smiled slightly and said calmly: "If you have any scruples, I will not force you, but I can assure you that if you really say something useful to me, then I will not treat you badly. "

After struggling for a while, the little second of the shop still made up his mind and said: "As far as I know, the warrior you asked is not from the Southern Territory!"

Ye Chen's eyes flashed, raised his hand, and threw out another bag, saying, "Go on!"

The second person from the shop took the bag and was immediately overjoyed. He looked at Ye Chen a few times and smiled:

"You should, aren't you from the Southern Territories? The boss originally told me that I couldn't make a public statement about this matter, but you are so generous. I don't want to say anything, and I'm so sorry for you..."

The person you inquired about seemed to be from the border of the Western Regions and another region. As you know, our Southern Regions are relatively closed and have some trouble with people from the other regions. On the same day, he came to our restaurant for food. I happened to be bumped into by a distinguished guest from Tiandu City. As that person, he shouldn't have come to our restaurant for food..."

The shop's young man was like a river, and the waves were endless. When he was about to continue speaking, there was a cold voice from the restaurant.

"Which **** is asking about the rubbish? Xiaoer, your boss hasn't told you about it. Can't you talk about it!"

The little second in the shop heard the man's scolding and turned his head in horror.

Although he only whispered in Ye Chen's ear, how could he hide the sensitive perception of the martial artist?

However, he didn't pay much attention to it. After all, who would be so interested in chatting with a customer? Unexpectedly, it was so coincidental that this young man would run into this scene and was heard by him. The content of the conversation...

Ye Chen frowned and looked in the direction of the sound.

I saw a young man with good facial features, but his complexion looked pale, his feet were vacant, and he looked like he had just recovered from a serious illness, dressed in a luxurious black robe woven from silkworm silk, accompanied by an old man with a somewhat rickety figure. Next, walk up to the restaurant.

Ye Chen glanced at the young man, then moved his gaze to the old man, narrowing his eyes slightly.

That young man, although cold, domineering, and a strong person, must have an extraordinary background, but his own cultivation level is not too high.

Even the kind of people who rely on the pile of pills, such a person, although they have realm and strength, but their combat strength is not high.

Ye Chen has never been interested in such people.

Even if it comes from a famous door, at least it is like Ji Xuan and Xing Zitang. Talents with real materials are a bit worth seeing.

And the old man next to this noble man was a bit worth seeing.

This person actually used a strange method to cover up the real state, making him look like an old man at the pinnacle of the star aperture.

Although it has been concealed and the methods are quite clever, what are these little tricks in front of Ye Chen's powerful divine consciousness and the body of Nian Demon?

Ye Chen could see through with just a glance.

The real cultivation base of this old man was actually a door closed!

Although Ye Chen's current strength was already higher than that of the initial stage of closing the door, with such a strong accompany, the power behind it was definitely not weak.

This Southern Territory is Crouching Tiger, Hidden Dragon.

Chapter 2150: Grace!

The At this moment, the little second of the famous shop next to him carefully whispered to Ye Chen: "My son, this...this is the young master of Wang Kai Wang of our Heavenly Capital City King's family. The warrior that you asked about before, It is him who is in conflict..."

When Wang Kai saw this, his face suddenly became gloomy, and he yelled at the little second in the shop: "I **** gave you a face? I asked you to shut up Laozi, deaf?"

As he said, his whole body exploded, turned his hands, held a long sword, and slashed at the shop Xiaoler!

A blood-red sword light, as if coming from a sea of blood in hell, instantly brought a **** evil spirit to the entire restaurant!

Xiao Er's complexion was instantly pale and bloodless. Under Wang Kai's powerful blow, he shivered, and even his soul was shaken away because of fear!

He knew that Wang Kai had a violent temperament, but he didn't expect that just because he whispered a word to Ye Chen, he wanted to do his best to kill himself!

At this moment, he didn't even have time to regret, and his mind was filled with horror!

Then Wang Kai, no matter how weak, is not an enemy of a junior, but now that Wang Kai is angry, he has no reservations, how can he not be afraid?

When Ye Chen saw this, his eyes flashed slightly, looking at the sword light that was slashed at extreme speed, his figure shook slightly, and he stood in front of Xiao Er, facing the slashed sword light, his expression was indifferent, and he even shot. Mean nothing!

Everyone in the restaurant was stunned when they saw it!

To die?

Even Wang Kai was a little dumbfounded.

Then, he showed a trace of hideousness!

The next moment, the blood burst out, and everyone seemed to be overwhelmed by the wave of blood. There was a strong blood in the mouth and nose, and it was almost impossible to breathe!

In the restaurant, there was a sound of cold breath!

Upon seeing this, Wang Kai couldn't help but a trace of triumph on his pale face.

His sword, even though it was that way, was still a real good fortune. The level of this restaurant is not too high, and the strength of the guests is not too strong. In the eyes of ordinary warriors, it is still very terrifying.

This is why Wang Kai likes to come here for dinner.

His strength is not very strong, but he is a very, very face-conscious person.

Everyone looked at Ye Chen who was swallowed up by blood, without any doubt that Ye Chen would die!

Will die under Wang Kai's sword!

However, in the next moment, in the blood, a lazy voice said: "I don't want to kill people today."

"So, get out."

"You are not my opponent, and the old man who is close to you is not my opponent."

Silence!

The restaurant, which was full of exclamations, fell silent for an instant!

And the old man also glanced at Ye Chen deeply, for some reason, he felt danger.

He looked up and down Ye Chen a few times, and quickly saw that Ye Chen is not like a person from the Southern Region!

The key is to find out the whereabouts of that person!

In Wang Kai's eyes, a chill of killing intent flashed!

However, Ye Chen didn't care about Wang Kai's look, even the old man beside Wang Kai was nothing to Ye Chen now.

He turned his head directly and said to the second person in the shop: "Go and make a pot of good tea. If there is no good tea in the restaurant, you can buy it outside. Make it a little longer, you know?"

As he said, he threw another bag to Xiaoer, and said with a smile: "Take the money and go buy tea."

He is helping this shop's second child.

Although Ye Chen thought he was not a good person.

However, Ye Chen has principles.

The little two in the shop were very clever, and naturally understood Ye Chen's meaning, gave Ye Chen a grateful look, and walked directly to the back door of the restaurant.

"What is your name?" Wang Kai said suddenly.

He found himself somewhat unpredictable.

After watching Xiao Er left, Ye Chen sat down calmly. At this time, there was a waiter who carefully carried the dishes and delivered them to Ye Chen's table.

Ye Chen picked up the chopsticks, took a sip, tasted it slowly, and complimented himself: "It tastes good."

It wasn't until Wang Kai's face had turned black and his hands were shaking with anger, he turned his head and smiled faintly: "Ye Chen."

Wang Kai took a deep breath and stared at Ye Chen and said, "Ye Chen, if I'm not mistaken, you have also been to Dengxian City and a place called Huaxia?"

Ye Chen was startled slightly, while picking up vegetables, he nodded casually and said, "Yes."

It seems that the person is definitely Chen Zhifan.

The sneer on Wang Kai's face became stronger and stronger, and he continued: "You investigated the information of the person who conflicted with me before? Maybe, I can help you?"

"Oh?" Ye Chen turned his head somewhat unexpectedly. He thought it would take a lot of effort to get Wang Kai to speak, but he didn't expect this person to be so witty?

"How to do it?"

A stern expression flashed across Wang Kai's face, and he coldly shouted: "You are so careful to investigate, and he did something wrong, shouldn't you apologize for him? Are all of you from China such an uncultivated fellow?"

After the words fell, Ye Chen stood up directly, suddenly stretched out his hand, and slapped it out!

This slap could not be stopped by the old man approaching him.

The atmosphere in the restaurant suddenly cooled below freezing!

In an instant, a gust of wind blew out of thin air in this restaurant!

The wind that was brought up by Ye Chen's power!

As soon as Ye Chen took the shot, the guests felt the horror from the bottom of their hearts!

Wang Kai flew out instantly!

Then it hit the ground heavily.

"I don't allow others to insult China. If you say another word, I will erase the family behind you from the Southern Territory."

Hard to the extreme!

What about Wang Kai?

Even the guests felt great fear, and Wang Kai, who was the first to bear the brunt, felt death from this casual palm!

At this time, he couldn't take care of any face, and immediately cried out to the rickety old man: "Master Ma, save me!"

The rickety old man who closed the door, at the moment Ye Chen took the shot, the face of Gu Jing's old face changed slightly, and the power of closing the door also bloomed in an instant, directly rolling towards Ye Chen!

He turned to Ye Chen and shouted in a deep voice: "Boy, you are very strong I didn't expect that the old man would have missed his eyes. In the realm of good fortune, there can be a genius like you, even if the old man has lived for a thousand years, I have seen no more than three! But!"

There was a sudden burst of light in his muddy eyes, and his voice was full of majesty:

"You are still too young! You know, there are people outside the world, there are people outside the world, and although this Wang family boy is not a good thing, the old man can't really let you hurt him!"

This old man, named Ma Hongduo, is actually not the royal family. Although the Wang family is in this capital city, it is considered a good family, but it is not the top.

Such a family is not qualified to be followed by a strong man like him.

The reason why he stayed in the Wang family was because, decades ago, the Patriarch of the Wang family saved his life and was kind to him.

Therefore, he promised to the Wang Family Patriarch that he would stay in the Wang Family and protect the Wang Family for a hundred years in order to repay the Wang Family's kindness to him!
