Chapter 241: Never know!

The man smiled and came to a scarred dragon soul warrior again!

This time, it was not someone else, but Ying Qing!

"I want to see if all the dragon soul fighters are so strong! Hahaha!"

The man stepped on Ying Qing's finger!

Five fingers connected to the heart, and the powerful pain instantly made Ying Qing wake up!

He glanced at the man in front of him, wanted to resist, but found himself bound.

He struggled desperately, trying to break the shackles, his hands were already strangled with bleeding marks, and he still did not stop!

The masked man smiled: "You have such a strong resistance after being hit by the magic technique. It seems that you should be the strongest among this group of people."

"Now I give you a chance. As long as you say an insult to China, I will consider letting you go!"

Ying Qing's eyes condensed, and he cursed: "Get out!"

Afterwards, his body turned around, and his bound feet went directly towards the man!

The man sneered and brandished the katana in his hand!

In the next second, a blood stain appeared!

There was a hole in Ying Qing's thigh!

shocking!

"Boom!"

The man didn't intend to stop the torment at all. He kicked Ying Qing's chest heavily and fell again!

After a few strokes, Ying Qing's body was covered with wounds!

The whole person is weak to the extreme!

Ye Chen, who was watching the live broadcast in the car, really couldn't help it. He yelled at the camera: "I don't care who you are! If you dare to hurt Dragon Soul's people again, I swear by Ye Chen, I will find you. Then let you die! I will commit suicide and go to Wuhuangsha. How you treat the dragon soul people now, I will return it to Kitano thousands of times!"

Hearing these words, the masked man stopped the katana in his hand.

He walked towards the camera, smiling more and more at the corner of his mouth.

"I admire your arrogance!"

"You don't even know how terrifying Wuhuangshe is!"

"Since you want to find me, I am not unkind, then give you a chance."

Suddenly, he walked towards Ying Qing, wiping the katana in his hand on Ying Qing's neck.

A trace of blood oozes.

Then, the man pressed a button!

A rope on the roof shrank suddenly, and Ying Qing was hung up!

The key is to stand upside down!

As a result, the blood on his neck kept dripping down his cheeks!

"Tick, tick."

Like the footsteps of death!

The man returned to the camera, checked his watch, and said, "Ye Chen, don't you want to find me? Why not play a game together."

"The blood in the human body is between 3.8 and 5.6 liters.

Losing 15% of his blood volume will make him feel uncomfortable, his pulse will beat faster, and he may feel dizzy and cold.

Losing 40% of his blood volume will affect his blood flow back to his atrium. He will feel extremely painful and watch his blood run out and die.

This kind of despair is feared by anyone, and the Dragon Soul Warrior is no exception.

I took a look at the time, you still have two hours, if you can't find him within these two hours, I will throw his body into the sea to feed the sharks..."

"The timing starts, and the game is fun."

The words fell, and the screen was completely black.

...

Inside the SUV, there was dead silence.

Lei Shuwei never thought that these people could be so rampant! Hit the notebook with a punch!

The screen shattered and sparks appeared!

Afterwards, Lei Shuwei took out his cell phone and made a call: "How is the analysis done by the data department? Has the location been determined?"

"Asshole! I'll give you three more \*\*\*\* minutes! If you don't give me an answer in three minutes, all will be transferred!"

After speaking, Lei Shuwei glanced at Ye Chen, and he unexpectedly found that Ye Chen closed his eyes.

An invisible killing intent came out.

He even felt that he saw a set of blood dragon phantoms coiling around Ye Chen, which was very shocking.

He rubbed his eyes, but found that the blood dragon phantom had disappeared.

At this moment, Ye Chen opened his eyes.

What kind of eyes are these!

Red as blood!

Cold to the bone!

Cold to the depths of the soul!

Like a demon crawling out of hell!

"Mr. Ye..."

Lei Shuwei felt that he was being stared at by the \*\*\*\* of death, this kind of cold feeling was worse than death.

Ye Chen said: "You personally help me guard the villa, and no one is allowed to step in."

"What about you, Mr. Ye?" Lei Shuwei subconsciously said.

"Me?" Ye Chen smiled coldly, "I want these people to feel the true despair!"

Hearing these words, Lei Shuwei's face changed: "Mr. Ye, but the data department hasn't got a result yet..."

"I don't need their results!" Ye Chen got out of the car immediately after speaking.

"Mr. Ye, then I will send someone from Dragon Soul to assist..."

"I don't need anyone, I am enough."

At this moment, Ye Chen became indifferent to the extreme.

"Then Mr. Ye, do I need to do anything here?"

Ye Chen looked in one direction, and his bone-eroded voice sounded: "Send me to the East China Sea at the fastest speed!"

"Yes, Mr. Ye!"

Although Lei Shuwei was puzzled, he chose to trust Ye Chen unconditionally!

...

China East China Sea.

On top of a small self-navigating ship.

A young man sat cross-legged, with a long sword standing beside him.

The young man is Ye Chen.

A weird rune was drawn in front of Ye Chen.

On top of the rune, there was a bullet.

This is the bullet that almost got into Ying Qing's heart during a mission.

Ye Chen had no choice now.

"The Great Dao Xun Jue" is the only possibility to detect Ying Qing's whereabouts.

When the Dragon Soul Data Department finds out the whereabouts, everything may be too late.

Although this kind of tracing technique is extremely detrimental to the body, these dragon soul fighters are worthy of him!

The key is that he is angry!

It was as if a flame was stuck in my chest, it was extremely uncomfortable!

No longer hesitating, Ye Chen pinched his fingers, and kept muttering something in his mouth: "The essence of life will be reduced, and everything will be born. The source of turbidity is the source of turbidity, and the foundation of tranquility for the mover..."

It's a life-breaking, looking for people a thousand miles away!

As Ye Chen spoke faster and faster, the runes and bullets in front of him were suspended!

In the next second, burn directly!

The flame is cyan! It even formed a strange shape.

"It's now!"

Ye Chen bit his finger and shot out a burst of blood! When the blood hits the flames, the flames are overwhelming!

A picture appeared in his mind~[www.mtlnovel.com](http://www.mtlnovel.com)~It was an island.

The small island is located on the edge of the East China Sea, deserted and uninhabited, with only one dilapidated and abandoned cruise ship.

On the cruise ship, a young man wearing camouflage uniforms turned pale, and drops of blood fell on the upside down suspension beam.

A pool of blood on the ground still faintly reflected Ying Qing's stubborn face.

Ye Chen opened his eyes, and a monstrous evil intent swept in all directions!

There was a horrible shock from the entire ship instantly!

"You never know what kind of existence you have offended, never know."

Swords rang from the Dragon Slashing Sword standing upright, emitting a hint of killing intent.

The light fell on the Dragon Slashing Sword, reflecting the flickering light and shadow. The best city doctor

Chapter 242: Is this still a human?

...

An unknown island in the East China Sea.

A group of Wuhuangshe members stood on the deck of an abandoned cruise ship, looking towards the end of the sea.

Everyone has a sharp long knife at his waist.

They pointed at the end of the sea.

"I thought Huaxia's dragon soul was so strong, but I didn't expect it to be so weak! Haha!"

"Kameda-san, it's not that the dragon soul fighters are weak, but we are too strong! We are the capable fighters of Lord Kitano, let alone the Chinese dragon soul, even if the waste of the ancient Chinese martial arts world comes to us, the result is still the same! "

"The holy light of Lord Kitano is shining on us! Our Wuhuangsha must invade all countries!"

"When we dispose of these dragon soul fighters, we will mix into China and bring back the Chinese pig named Ye Chen! I don't know why Lord Bei Ye must see this person!"

At this moment, a man wearing a clown mask came out!

Seeing this man, the fighters of the Wuhuang Society stopped talking, and even lowered their heads and respectfully said: "Master Nakamura!"

Nakamura took off the clown mask, nodded, and asked, "What are you talking about?"

A Wuhuangshe powerhouse quickly said: "Master Nakamura, we are talking about that Chinese Ye Chen!"

When Nakamura heard the name, he sneered: "I just finished the video with this guy. This kid is really arrogant."

"He said he wanted to find us and then kill us?"

Those people laughed when they heard this.

"Haha, this pig, our information is encrypted from country M, even if the dragon soul is strong, it will not find us here."

"Huaxia people are unrealistic. How do we find people in this vast sea? We discovered this island by accident, unless it's a hell!"

Taino Nakamura put his hands behind him, and continued: "But our Wuhuangsha is not unsatisfactory. I gave this boy a two-hour opportunity. I will throw a drop of blood against the dragon soul warrior. I want this boy to keep his eyes open. I watched my companion have an accident, haha, this feeling must be desperate."

The crowd burst into laughter again.

"Master Nakamura, I went to celebrate with a bottle of champagne. I am in a great mood to see these Chinese people eating so cramped!"

"Go ahead."

Not long after, those strong in Wuhuangshe entered the carnival in advance.

Barbecue on the deck and celebrate with champagne.

They didn't notice at all, the hand of death was slowly approaching.

Once you choke your throat, it must be blood...

...

after an hour.

The faces of the strong men in the Wuhuangshe were a little drunk.

Only Taino Nakamura did not drink.

As the leader of this group of people, he must remain absolutely sober.

This is his principle as a warrior.

Holding a samurai sword in his hand, he sat cross-legged, breathing out, his body surging with a special black air.

He glanced at the time, and guessed that the dragon soul warrior inside should be on the verge of despair now.

The sound of dripping blood is like a fate.

He fell in love with this torturous pleasure.

As if in control.

At this moment, the entire sky was darkened, and there was a feeling of dark clouds over the city.

He opened his eyes, glanced at the sky, and muttered: "This storm in the East China Sea is coming again."

A Wuhuangshe powerhouse was dizzy, he was filled with too much wine.

Very uncomfortable.

He had to hold on to the railing of the bow, bowed his body, and kept spitting out in the sea.

Those Wuhuangshe strong men who were still drinking and eating laughed.

"Nagashima-kun, you can't do it, you vomited so quickly, it's embarrassing to Wuhuangshe, haha!"

The people behind all laughed.

Nagashima-kun spat a few times and raised his head. Just about to scold him, he suddenly discovered something.

He rubbed his eyes vigorously, the sea was surging, and waves continued to rise!

The coastline connecting the sky is shining with thunder.

It's palpitating.

But he vaguely saw above the sea, a dark shadow was rushing quickly.

How can there be ships in this place where birds don't shit?

The key point is that the shadow is too small.

It is so small that it is almost negligible.

He shook his head and found that the dark shadow was getting closer!

He discovered that it was not a ship at all, but a \*\*\*\* individual!

Correct!

Just one person!

Still a man in casual clothes!

The key point is that this man is stepping on the surface of the sea, and the waves are rolling up, as if pushing this man constantly towards this side!

Walk on the sea!

His eyes were completely horrified!

His face is even more pale to the extreme!

"thump!"

He sat down on the deck.

"how is this possible!"

"How can one run at sea?"

He kept talking about something like crazy.

Those Wuhuangshe strongmen looked at the embarrassed Nagashima-kun and teased: "Nagashima-kun, you can't do it. After drinking such a little wine, that's it. Last night you boasted that you can fight in bed for an hour. It turns out that you are so weak. what!"

"Haha, Mr. Nagashima said for an hour, maybe it's just lip service!"

Listening to the ridicule in his ear, Nagashima-kun didn't have any desire to speak up. He trembling his hands, pointed to the sea, and roared: "Someone! Someone is walking on the sea! Baga!"

It's okay not to say this, the group of strong men in the Wuhuangshe laughed even louder.

"Mr. Nagashima, wake up. We may still believe you when you say the ship is coming, but you are too unrealistic if someone is walking on the sea."

Mr. Nagashima was going crazy. He woke up completely from the alcohol, and suddenly pulled up one person, pointed at the sea and said, "Look at it! It's really a human!"

The man shook his head and smiled. When he looked towards the sea, his smile stopped abruptly!

Horrified! Surprised! Crazy! Various emotions flickered in his eyes!

"Baga, someone really came here!"

At this moment, all the Wuhuangshe powerhouses reacted, stood up abruptly, and looked at the sea!

Even Taino Nakamura stopped practicing and looked at the waters of the East China Sea.

"hiss!"

When they saw that picture, everyone took a breath!

Completely scared!

"Guru!"

Taino Nakamura swallowed too.

I saw a ten-meter wave rolling!

The waves are getting closer!

Coming to the shore!

Above the critical waves, there is a cold and proud young man standing!

The young man in black ~www.mtlnovel.com~ has a long sword on his back, against the figure hanging above the waves!

It's as if a \*\*\*\* came to the world! His skin is faintly shiny and flowing, his hands are behind him, and his powerful breath is radiant!

"This is Ye Chen! Ye Chen of China!"

Suddenly, someone screamed, his voice trembling!

At this moment, Ye Chen was only twenty meters away from them!

When the waves were about to approach the shore, the waves rolled with one step! Divide in half!

And his body is coming quickly!

It's like flying!

Damn it!

This scene is like a cannonball exploding in everyone's hearts! The best city doctor

Chapter 243: demon!

The audience is silent! Except for the thunder and the howling sea breeze in the distance, there was no other sound!

"Boom!"

With a loud noise, Ye Chen stepped on the deck with his feet on the deck, staring directly at everyone!

"I said I would find you and make you better off than death."

His whole body rolled up his evil spirit, and the real energy of his dantian surged!

The Dragon Slashing Sword behind him also shook gently, as if waiting for the nourishment of blood!

Only then did the group of Wuhuangshe powerhouses fully react, and then Nakamura Taiye shouted "Do it!" Everyone rushed towards Ye Chen!

Murderous intent flashed on the katana, making people palpitate.

The people who saw him have surrounded Ye Chen, and Nakamura Taiye said, "How did you find this place?"

"Also, how do you walk across the sea?"

He was so surprised! He finally understood why Lord Bei Ye must bring this Ye Chen back to Wuhuangshe!

Because this person definitely has a big secret!

If their Wuhuangsha masters this secret, they will definitely become stronger!

His breathing is a little fast.

Ye Chen checked the time and said lightly: "You can live another minute."

After he finished speaking, his right foot condensed in qi, and with a fierce step, the deck beneath him shattered directly, and he instantly came under the deck!

The moment he landed, he rushed to the right and hit a wall with a punch.

"Boom!"

The wall shattered!

He found Ying Qing!

It's just that Ying Qing's face and lips are all pale!

Not a trace of blood!

The blushing blood on the ground is shocking!

Ye Chen's eyes were filled with endless anger, and a wind blade shot out!

The restraint on that foot was cut instantly, and Ying Qing fell straight down!

Ye Chen stepped on, and quickly caught Ying Qing and placed him on the ground carefully.

The remaining nine people naturally found Ye Chen, their faces were pleasantly surprised, and they quickly said: "Instructor!"

The word instructor contains too much meaning!

They were already prepared to sacrifice for the country, but they didn't expect Ye Chen to appear!

The Dragon Soul Chief Instructor has shot!

Ye Chen's picture of one enemy and one hundred was still vivid that day, like a \*\*\*\* of war!

China has this God of War, what forces dare to watch China!

Ye Chen nodded, a burst of true energy shot out from his hand, and one of the chains was completely cut off.

"You help other people unlock it."

"Yes, instructor!"

Ye Chen took out some herbs from the reincarnation cemetery to cover Ying Qing's wound!

It's just that Ying Qing lost too much blood, almost half of his foot has stepped into the ghost gate!

He took out a Blood Gathering Pill and gave it to Ying Qing.

Not only that, he also concentrated his true energy on Ying Qing's heart!

The backflow of blood has put tremendous pressure on the heart.

The silver needles shot out all together, as Ying Qing could barely survive.

At this moment, several figures appeared in front of Ye Chen!

It is the group of Wuhuangshe!

"Boy, I can't save my life, I'm still in the mood to save others!"

"Baga, I will cut off your pig's hand today!"

A strong man from the Martial Emperor Group rushed over with a samurai sword in his hand.

The dragon soul fighters just wanted to take action, they were rejected by Ye Chen, this group of people was so badly injured, the action was also sent to death.

"Take care of Ying Qing and leave the rest to me!"

After that, Ye Chen suddenly deceived him, the Canglong phantom surging, and instantly appeared in front of the Wuhuangshe powerhouse!

That person obviously didn't expect Ye Chen's speed to be so fast, and he slashed with a sharp knife!

The biting sword air makes people feel heart palpitations!

The howling sound seemed to explode in my ears! It shows how terrifying this knife is.

"Die!"

Seeing that this knife was about to hit Ye Chen's arm, Ye Chen didn't just hide!

Instead, the five fingers acted as claws, which directly buckled the samurai sword!

That person obviously didn't expect this Chinese kid to be so crazy!

The key is that this kid grabbed his knife, and there was no trace of blood in his hand!

His whole body was swept by energy, and he slashed it down like a thousand catties!

"Too weak!" Ye Chen's indifferent voice sounded.

The next second, "click!" With a sound, the katana was forcibly broken by Ye Chen!

The strong wind rolled, and Ye Chen was holding a broken knife in his hand, moving in the air with terrifying power, locking the person's neck, and piercing directly!

"Hey!" His main artery was cut off directly, and blood burst out!

The Wuhuangshe powerhouse subconsciously wants to cover the wound, this is the only way to save himself.

But he hadn't grasped it yet, Ye Chen punched out!

His arm directly turned into a blood mist!

"I said, how do you deal with the dragon soul, I want you to repay a thousand times!"

Without arms, the man fell directly to the ground, his body convulsed, and finally died in a pool of blood.

"The first one, there are nine more!"

Ye Chensenhan's smile was outlined, and he went to the remaining Wuhuangshe powerhouses!

The other people reacted instantly, and the long sword in their hands slashed in all directions! It seems to tear the air, rubbing out bursts of sparks!

These three swords blocked almost all Ye Chen's lines!

Extremely powerful!

Even so, Ye Chen still didn't make a sword!

Such people are not worthy to defile the Dragon Slashing Sword!

At the moment when the three-sword sword intent fell, Ye Chen turned sideways, and then slammed an islander with a whip with his right hand!

Torn his hair fiercely, the islander screamed!

Just about to fight back, Ye Chen carried a billowing air wave, grabbed the opponent's head, and smashed into this layer of ground!

"Boom!"

The planks of this layer shattered! The opponent's head was even more penetrated!

"Also, eight!"

After killing this person, Ye Chen shook his body and came to a Wuhuangshe powerhouse.

The speed is too fast to be distinguished by the naked eye!

Ye Chen turned his fist into a claw, and there was a red glow between his five fingers!

Directly on one's neck!

No mercy!

"Kacha!" With a sound, his neck was twisted! Very hideous!

The blood was flowing, and this method made the rest of the people panicked!

"Seven more!"

Ye Chen is like a killing machine, rushing into the Wuhuangshe powerhouse!

Bloodthirsty on his face.

He doesn't like killing, but some people have to kill!

He doesn't care about the rules in this world, as long as Ye Chen refuses to accept it, he will inevitably break the \*\*\*\* rules!

This is Ye Chen's way!

To break into the road!

...

"There are five more!"

"There are four more!"

Ye Chen's voice kept ringing in the giant wheel! Like death's soul song!

Everywhere you go ~[www.mtlnovel.com](http://www.mtlnovel.com)~ is full of blood!

Some experts in Wuhuangshe didn't even have a complete body!

Simply lunatic!

silence.

Deathly silence.

The brains of those dragon soul fighters are blank!

They know that instructors are very strong and can be one enemy to one hundred!

I have also seen Ye Chen's combat level, so terrifying!

But when they saw Ye Chen's killing methods, they all took a breath.

Fortunately, the instructors are their own. If they were born in other countries and become their enemies, they would definitely be the devil of China! The best city doctor

Chapter 244: Hunted!

"There are three left!"

Ye Chen stood in a pool of blood, smiling coldly.

That smile, hideous! Bloodthirsty!

The blood on the ground seemed to become a river, reflecting Ye Chen's figure.

Nakamura Taiye and the remaining two Wuhuangshe powerhouses, their eyes were full of horror, and even shrank to the extreme!

What the \*\*\*\* is this evildoer!

They have a lot of contact with Chinese warriors or troops, but they have never seen such a bloodthirsty devil!

"Master Nakamura, what should I do..."

Those two felt their legs trembling, and their souls were afraid!

Nakamura Tano suppressed the shock in his heart, the knife in his hand flashed with a hint of spiritual energy, and he roared: "Let's do it together and kill him!"

"Yes!"

Check out new PVP arena battles!

The two took a step back and forth. When they were in a straight line, Ye Chen's arm shook, and a cold light passed through!

A dart engraved with blood plums actually tears the air!

With a strong sharp air!

Passing through the eyebrows of the two!

"Bang! Bang!" The two fell one after another, and now only Nakamura Taiye stared at Ye Chen.

He really couldn't believe it, the kid in front of him had solved his subordinates so easily.

What kind of existence this must be!

"The last one left, the guy wearing the mask should be you," Ye Chen said.

His extremely indifferent gaze fell directly on Nakamura's body.

There is nothing but death.

Taiye Nakamura glanced at the corpses of the two people on the ground, and the blood on his eyebrows kept overflowing. He found that he had underestimated Ye Chen's strength far.

With such a method, this kid can enter the top 100 of the Huaxia Grandmaster!

The information of Wuhuangshe's investigation of Ye Chen is wrong!

Totally wrong!

"Kneel down!"

Suddenly, Ye Chen roared, and the sound penetrated the entire space!

There is no doubt about it!

kneel?

Nakamura Taiye's eyes flashed with a hideous look!

How could he kneel in front of the Huaxia people as the protector next to Lord Kitano!

He is a great warrior, protected by the Emperor!

Kneeling is a shame!

"Baga, what is your kid!"

Nakamura Taino rushed up directly, and a row of deep footprints appeared on the ground!

The samurai sword in his hand danced, driving the air to make a dull sound, dragging out a row of sword shadows to Ye Chen!

Looking at Zhou Tiandaoying, the corner of Ye Chen's mouth was outlined.

"It's kind of interesting to know how to do sword skills."

After the words fell, Ye Chen rushed into the shadow of the knife, and at the same time, a powerful wave of air gathered in his palm and shot it out!

This palm seemed to hit the waves, shaking the air and leaving with an overwhelming momentum.

"Boom!"

The moment the shadow of the knife and palm touched, they disappeared instantly!

As if offsetting!

"Baga, take out the sword!"

Seeing that Ye Chen had no intention of using his sword, Nakamura Taiye felt that he was insulted!

Even if you kill Ye Chen, you won't be able to win!

Ye Chen shook his head: "The humble blood of your island nation is not worthy to gradually stain my sword!"

Not worthy!

Nakamura was completely angry: "You Chinese pig, you are destined to pay for your arrogance!"

I saw Taino Nakamura dancing his long sword, and the cold sword energy spread to the surroundings in an instant.

There was even a trace of black air lingering in the palm of his hand!

Black Qi and Dao Qi collide, forming a black knife curtain!

The cold light spreads all over every corner, as if the sky is falling snow, chilling slowly.

The shadows of the surrounding blades rushed towards Ye Chen as if in substance.

Ye Chen looked at the knife shadow, shaking his shoulders, turning into an afterimage on the spot, and rushed out!

This momentum is like a tiger descending the mountain!

With waves of dragons again!

Suddenly, he stretched out two fingers, and the true energy between the fingers seemed to condense into a virtual sword!

"broken!"

Along with his loud shout, the knife shadow was torn apart by \*\*\*\* mercilessly!

Two fingers seemed to have penetrated everything, directly on the shoulder of Nakamura Taino!

"Pump!"

Break open the body, blood erupts!

Nakamura yelled frantically!

He subconsciously wanted to gather energy and dragged the katana towards Ye Chen to erase it, only to find that his hand seemed to be imprisoned!

Unable to move.

He looked down and noticed that a hand clasped his wrist like a pliers!

His pupils dilated, and he saw a cold face along his arm.

"Have you experienced despair?"

Ye Chen returned the original words to him!

In the next second, the five fingers seemed to explode with a force of ten thousand catties, "Kacha!" His wrist was twisted three hundred and sixty degrees!

The katana slashed backhand on his own arm!

"Ah!" Nakamura yelled fiercely, his voice trembling and fearful!

"What's it called? The pain has just begun."

Ye Chen's voice seemed to come from above the nine heavens!

He stuck out his right hand, five fingers like steel bars, directly penetrated Nakamura's shoulder, and then slammed!

Ten thousand catties of power can be endured by ordinary people!

"Kakka!"

A row of bones on his right body broke directly!

Blood was vomiting in his mouth!

"Boom!"

Ye Chen directly smashed Nakamura Taiye to the ground, and at the same time, when he stepped on his right foot, another row of bones broke!

"Don't you like torture? I will let you enjoy torture today!"

"Boom!"

Ye Chen kicked his right foot vigorously, and Nakamura Taiye's body struck the ground directly on a wall!

parefull! His face is even more \*\*\*\* in the friction of the ground!

Taino Nakamura stretched out his hand, and his hoarse voice sounded: "Kill me, please give me a pleasure, please..."

Ye Chen's eyes were only cold and ruthless!

He will not pity anyone! If he comes a few minutes later, China will sacrifice a few soldiers!

Even Ying Qing will have an accident!

The consequences could be disastrous!

Immediately afterwards, several silver needles appeared in his hand, and they shot out one by one with the movement of his fingers! Shaking constantly on Taino Nakamura!

"You... what are you going to do..."

Nakamura has a bad feeling.

Ye Chen smiled: "There is a herbal medicine in China called Broken Soul Grass. I heard that with acupuncture and moxibustion, it can pull people away a little bit. The pain is extremely painful. I have

never tried it. I would like to ask you to verify it. It is considered to be a contribution to China Medical Research."

Taiye Nakamura's eyes suddenly shrank. Just as he wanted to speak, a herbal medicine appeared in Ye Chen's hand!

Without hesitation, Nakamura's mouth was jammed!

Nakamura Taino didn't think anything, UU read [www.uukahnsu.com](http://www.uukahnsu.com), but when the herbs touched the blood in his mouth, his pupils became dilated!

A second ago, he was cold all over!

After a second, like falling magma!

His body twitched and foamed, and the pain was extreme!

"Let me die..."

This is the only word of his will.

But Ye Chen had already turned and walked towards the Dragon Soul Warrior.

In the eyes of Tai Ye Nakamura, that cold and proud back gradually blurred, only suffering...

Chapter 245: Kill!

Ye Chen came to Ying Qing, and he was still unconscious.

The dragon soul warrior on the side said: "Instructor, will something happen to the captain?"

Ye Chen shook his head: "Without my permission, Yan Wang would not want to take Ying Qing's life!"

After finishing speaking, there was a trace of true qi running in his hand, which condensed into a qi needle, directly inserted into an acupuncture point of Ying Qing.

Then Ye Chen pressed \*\*\*\* on Ying Qing's eyebrows, and a steady stream of true energy poured into his body.

is more like a warm current penetrating Ying Qing's body.

Ying Qing's face finally had a trace of blood.

Although the Blood Gathering Pill can help Ying Qing condense the blood, he has lost too much blood and still needs to go to the hospital for blood transfusion.

Blood can't be generated out of thin air, which is beyond the reach of the pill.

When it was not long, Ying Qing opened his eyes. When he saw Ye Chen, his eyes shrank, and then he was about to stand up and said respectfully: "Mr. Ye"

"Don't move, your body is still very weak." Ye Chen ordered.

"Yes, Mr. Ye!"

Ying Qing's eyes were only grateful. He knew that the Dragon Soul Commando was in an ambush, the entire army was wiped out, and everyone was rescued. The only explanation was this unmatched young man.

"Mr. Ye, thank you for helping me!" After hesitating for a long time, Ying Qing still said this sentence.

Ye Chen stood up and smiled: "I don't have many friends. You count one. If you die, I won't like it."

A simple sentence made Ying Qing's body startled!

A touch of moving comes!

He does not regret everything today!

He vowed to do everything possible to protect Ye Chen and the safety of those around him!

"The time is almost up, contact the Dragon Soul and let them pick up the person. You still need a blood transfusion."

Ying Qing nodded, and said to a dragon soul warrior next to him: "Contact the dragon soul and let the nearby ships approach us."

Soon, the Dragon Soul sent a ship to pick up the people, and the Huaxia Navy received the notice.

A group of people were just about to leave the abandoned giant ship when a cell phone rang.

Ye Chen stopped, his eyes fell on Nakamura Taiye, and the voice came from him.

At this moment, Taino Nakamura's eyes paled and he almost died in pain.

Ye Chen took out the phone, glanced around, and found that it was a strange number.

He pressed the answer button, and a vicissitudes of life sounded: "How is the progress?"

Some crappy Chinese language.

Ye Chen could vaguely guess that the other party should be the one behind Wuhuangsha.

There was a coldness at the corner of his mouth, and he said, "Take Kitano."

The man on the other end of the phone was startled when he heard the voice, and then became cold: "Who are you? Nakamura Taino!"

"Who am I?" Ye Chen snorted coldly, "I am the one who is going to kill you."

"Ye Chen?"

There was a hesitation on the other end of the phone, and he spoke.

But I hung up as soon as I talked.

Ye Chen gave the phone to the Dragon Soul person, and he should be able to analyze some useful things.

Ying Qing was supported by the Dragon Soul people, but everyone found that Ye Chen had no plans to board the ship.

"Mr. Ye? Are you not going back to China with us?"

Ying Qing's weak voice sounded.

Ye Chen shook his head, and said: "You go back first, I still have things to do."

Wu Huangsha is a threat.

He didn't intend to pursue it last time, this time the other party directly threatened him with ten lives of the dragon soul.

What if next time?

He doesn't want to bring this threat to China.

This is not too far from the island where the Wuhuangshe is located. Since it is here, let's erase it together.

lest nights have long dreams.

Ying Qing guessed what, and said: "Mr. Ye, Wuhuang Society is not as simple as you think. You go there alone, I am afraid it is dangerous. And Kitano Wu from Wuhuang Society is very powerful, and the dragon soul is very strong against him. His evaluation is extremely dangerous, so I ask Mr. Ye to think twice."

Ye Chen ignored Ying Qing.

Ying Qing was a little anxious. He thought of something, and then said: "Mr. Ye, tomorrow is the day you and Fang Zhongxin have agreed. Do you want to go to Wuhuangshe together without waiting for the affairs of the martial arts station to finish?"

Ye Chen just remembered the Budotai agreement, but he still rejected Ying Qing and went to the other side.

Ying Qing looked at Ye Chen's away back, and fell into deep thought.

Although Ye Chen is very strong, it is really dangerous to face a top power alone in a foreign country!

He also knows Ye Chen's character. Once this guy decides something, it is estimated that the nine cows won't be able to get back.

Right now, I can only contact the chief, after all, Huaxia still hides a part of its power there.

"Let's set off and go back to Jiangnan Province."

The junction of the Pacific Ocean and the East China Sea.

An island country.

An ancient building, the Palace of Emperor Yasukuni.

This is almost the holiest place in the island country.

At the beginning of each year, countless people of the island nation would bow down piously outside the Emperor's Hall, seeking the blessing of Emperor Wu.

The generals, officials, and even the prime minister of island nations are no exception!

Numerous powers of faith were born here.

At this moment, a man is pacing back and forth in the Palace of the Emperor.

is Kitano Takeshi!

Since that phone call, he has always had an unknown premonition. I don't know why, this feeling is getting stronger and stronger.

"There must be something wrong with those guys, something happened to this originally seamless plan! Damn it!"

What did he think of, he quickly took out a few things from a cabinet, and wanted to fortune it for himself, but found that the thing was broken just after taking it out!

"The disaster of shattering! Life and death are inevitable! How is it possible! Is it that I am destined to be unable to escape this level?"

His face was a little pale, and he became more and more convinced of this kind of thing when he reached his level~[www.mtlnovel.com](http://www.mtlnovel.com)~.

The key is that he tried countless times, and nothing went wrong!

"Could it be that this time a team of top experts from the China Budo Bureau came to deal with itself? They signed a treaty that year and did not interfere with each other. Are these people going to sabotage?"

This is where he fears the most.

If the existence of the top ten on the Huaxia Grandmaster list, and unite against him, he would not have the power to fight!

He forcibly calmed himself down, sitting cross-legged, the black air surging on his body, making people palpitate.

He can only enter the cultivation state, at least let his state reach the top!

This is the power of war!

into the night.

Ye Chen put his hands behind him, and walked towards the Palace of Emperor Yasukuni!

'S fierce aura spreads out.

He prepared for the best and the worst.

Suddenly, a girl with a large body fell towards Ye Chen, and Ye Chen drew away directly.

The girl covered her chest and murmured, she seemed a little displeased. Just when she wanted to stretch out Ye Chen's hand, Ye Chen's cold words rang through the sky.

"Go away! Otherwise die!"

As soon as the words came out, the girl's body was startled, she glanced stiffly at the several burly men in the alley.

In an instant, a few burly men stopped in front of Ye Chen.

Murderous intent is revealed.

Chapter 246: faux pas!

Obviously, this is a typical Porcelain. Ye Chen has seen it several times in the news. Generally these men are local gangs.

A shining knife appeared in the hands of those men. Just when they wanted to talk, Ye Chen stepped on it? The big air wave rolled away!

In the next second, the bodies of those people directly hit the wall, blood flowing.

I don't know life or death.

The island girl was also dumbfounded.

Ye Chen ignored these people, just ants, he took advantage of the night to step into the Palace of Emperor Yasukuni!

At the moment, outside the Palace of Emperor Yasukuni, there are only a few strong guards!

Because no one dared to do it at the base of Wuhuangshe!

Those powerhouses obviously also discovered Ye Chen. Just about to ask a question, Ye Chen raised his hand, like lightning, as fast as the wind, his five fingers clasped the other's neck!

"Kacha!" With a sound, it broke directly.

The expressions of the other two Wuhuangshe powerhouses changed drastically, and they drew out the samurai sword fiercely, but the sword had not been sheathed yet, and two extremely terrifying wind blades shot out!

"Puff!"

Suddenly, the crisp sound was like that firecracker, rippling in the air.

The two people's chests seemed to explode!

Fallen in a pool of blood!

Ye Chen looked at the door in front of him, sneered, lifted his foot, and the powerful energy revolved, directly blasting out!

The door is shattered!

Turned into countless sawdust!

With this sound, the movement was too loud for an instant, and the lights of the Emperor Yasukuni Palace flickered! Countless strong people poured in!

"stupid!"

Although I don't know Ye Chen's identity, anyone who dares to kill in the Palace of Emperor Yasukuni must be the enemy!

Countless energies and sword intent swept over! Like a big net, covering the sky and the sun!

Ye Chen suddenly appeared in the hand of the Dragon Slashing Sword and Dragon Sword with blood surging all over his body, as if preparing for a battle!

"Go to the former, die!"

The cold voice resounded through the house, making people palpitate.

The temperature of the whole room dropped suddenly, and the cold murderous aura pervaded the surroundings, spreading and mighty.

He wanted to give this group of people some opportunities.

But this group of people didn't cherish it at all, only killing in their eyes.

"Dragon sword, broken sword recast, I don't know how strong you are, show it to me today!"

The words fell, Ye Chen's true energy condensed, and the Dragon Slashing Sword instantly dragged out a substantial ship of five or six feet, and the sword energy was vertical and horizontal, raging!

At this moment, Ye Chen was domineering and Ling Ran, at this moment, Ye Chen was unstoppable.

The terrifying ship tore the air and shocked the space of the entire hall!

The sword intent roared, and the waves rolled.

"Puff puff!"

The dozens of oncoming Wuhuangshe powerhouses could not resist the sword aura of the Dragon Slashing Sword at all!

Sword energy overflows, and wherever it passes, a mess and blood!

It's terrifying!

Ye Chen glanced at the Hand Flag Slashing Dragon Sword, as if to an old friend, and said: "Your killing aura is just what I want! Starting today, I want you to join me in the history of martial arts! "

Ye Chen held the Dragon Slashing Sword in his hand and went inside!

This time, no one dared to step forward!

A banana killed a dozen people!

How can I fight this!

It's completely crushed!

Suddenly, a few powerful men with terrifying aura rushed out and roared: "This man is calling a question, let's go up together and take down that sword!"

In the next second, murderous intent surged!

Very fast!

Like thunder! Like lightning!

Ye Chenyi murmured: "No one can take away my sword. No one."

His eyes were blood red, his sword intent flickered, as cold as bloodthirsty.

At this moment, the movement of death has begun to compose, and the passionate music of death is singing here.

Ye Chen Canglong was determined to swim, leaving afterimages in the crowd!

Countless powers all blasted above the afterimage!

Then, in the next second, the Dragon Slashing Sword appeared.

The ship flickered, the momentum was like a rainbow, and there was another stream of blood.

Five minutes later.

Above the hall, there were corpses, and blood flowed into rivers.

at the same time.

The depths of the Yasukuni Palace.

An injured Wuhuangsha strong man directly broke through Kitano Takeshi's door.

"Master, something went wrong!"

Takeshi Kitano suddenly opened his eyes, he knew very well that it was time to come!

He held his five fingers, and a simple sword hanging on the wall fell directly into his palm.

"How many Chinese experts are there? Twenty or fifty?"

If there were fifty top powerhouses in Huaxia, he might not even have the power to resist.

As for the twenty, he should still have the power to fight!

The Wuhuangshe powerhouse swallowed, and said with a trembling voice: "Not even the master!"

"Huh?" Kitano felt something was wrong, "Could there be a hundred people?"

The man dragged repeatedly: "Master, there is only one person; a young man, and a sword that killed all 100 members of our Wuhuangshe!"

"what!"

Takeshi Kitano exclaimed, his eyes were horrified!

Set foot on the Yasukuni Palace alone?

Also killed a hundred people!

"Hi!" He took a deep breath!

No more hesitation, ghost steps surging under your feet, and go directly to the outside!

He was just about to go out, the door broke open!

Ye Chen's figure appeared directly in the line of sight.

Kitano Takeshi was startled, and naturally recognized Ye Chen!

"Master, he is {almost killed everyone outside, you must call the shots for us!"

The injured Wuhuangshe strongman said.

Takeshi Kitano glanced around ~www.mtnovel.com~ and found no one else, so he let out a sigh of relief.

Although this son is very strong, but one, he can still deal with it!

"Xing, why did you destroy my Wuhuangshe!"

Ye Chen held the Dragon Slashing Sword in his hand, covering it with coldness, and the whole room seemed to have a layer of frost!

"I said to that shadow that day, if your people dare to step into Huaxia again, I saw one kill another! I didn't expect you to make an inch of it. If you moved Huaxia, your sin is unforgivable."

"Also, I don't like threats, I only like to kill threats!"

Kitano Takeshi was startled, but he didn't expect this apricot to be so arrogant, and he came out of his ancient sword! The body jumped up!

"Baga! You killed so many Wuhuangshe fighters for me, and you stay here for me too!"

The materialized ship is like a comet across the sky, with a dazzling light shining in every inch of the space, and the unparalleled aura is violently agitated and invincible!

After a flash, he came to Ye Chen's front!

As soon as this sword came out, Ye Chen's eyes were surprised.

Kitano's strength is so strong! At least his breath alone surpassed himself!

Ye Chen didn't hesitate anymore, his true energy gathered, and the Dragon Slashing Sword went directly toward that light!

Rumbling

Overbearing, the sound of whoever is fighting for the front is followed by dull blasting and penetrating sounds.

A powerful wave of air shocked directly!

"Ding Ding Ding!"

Ye Chen stepped back six steps, his blood surged!

But Kitano didn't even retreat, so strong!

At this moment, Ye Chen was a little surprised, because Kitano Takeshi is not just a few humorous worlds far beyond him!

He leads himself by a whole realm!

Departure!

This was the first separation and reunion realm powerhouse he encountered after leaving Kunlun Xu!

Chapter 247: who are you!

Ye Chen finally understood why Wuhuangshe would stand here.

Although this place is a small place, Kitano Takeshi can become the faith of so many locals and must have certain strength.

He far underestimated the heritage of Wuhuangshe!

The separation zone is almost far beyond the so-called top powerhouses he met in Jiangnan Province!

If according to his estimation of the Huaxia Grandmaster Ranking, Kitano is extremely likely to be in the top 30!

I am going to challenge the strongest person in the island country!

Seeing Ye Chen being repelled in the distance, Kitano Takeshi said with a sorrowful smile: "Ye Chen, I have to say, you are very strong! In your age, you are considered a genius.

Unfortunately, you offended me Kitano Takeshi!

I started practicing Huaxia's exercises when I was three years old. Although I am not from Huaxia, I know everything about Huaxia!

If this time comes from the top ten of the Huaxia Grandmasters list, I might be a little bit jealous, but you? Hehe, you are not worthy at all! "

Kitano Takeshi rushed out instantly, the ancient sword in his hand gleamed with a gust of air!

Beneath the sword intent, the waves of air rolled, the shadow of the sword filled the sky, endless, and the momentum was like a rainbow.

This sword represents the dignity of Wuhuangshe!

Represents his momentum of Takeshi Kitano set foot on the peak!

And Ye Chen, in his eyes, is an ant!

Destined to be crushed!

Ye Chen's eyes condensed, flashing crazily!

The knee bends and bursts out suddenly! In the midair, the true energy blasted above the Dragon Slashing Sword!

"Ding!"

The sound of Jintiejiaoming!

"Crack!"

Kitano Takeshi's ancient sword broke directly!

At the same time, the powerful wave of air directly knocked Ye Chen out, and even hit the wall!

Bei Ye Wu looked at the broken sword in his palm, and then at the Dragon Slashing Sword that Ye Chen was holding tightly in his hand. His eyes were hot: "This sword turned out to be a high-level spiritual creature!"

"Boy, you don't deserve it!"

The next second, Kitano Takeshi rushed out, his five fingers formed into eagle claws, and he protruded fiercely with terrifying precision! Go straight to the Dragon Slashing Sword!

It's a bargain to exchange hundreds of lives for a high-level spirit sword! Haha!

Because the lives of these men are not as valuable as this sword!

Seeing that Takeshi Kitano's eagle claws were about to fall, Ye Chen's eyes were cold, and a black light flashed across his palm!

Black light across the sky! Only the killing intent of death is left!

too fast!

Takeshi Kitano has no chance to react!

"Pump!"

The dart directly penetrated Kitano's palm!

Blood is flowing like a fountain!

Even a part of his hand bone was broken!

Looking at the blood on the palm of his hand, Kitano was extremely angry, his face extremely grim! Hit Ye Chen with a punch!

"Baga! Die to me!"

Ye Chen has no possibility to dodge!

He can only gather all his strength on the right fist!

Bite the bullet!

"Xura Shaquan!"

Ye Chen yelled angrily, his entire popularity skyrocketed instantly, and a cloud of dust under his feet rose.

The speed is more than twice as fast as before!

Like a sword, it turns into a streamer and heads towards Takeshi Kitano!

If he wants to become stronger, he must fight against stronger people!

A strong person in the separation and reunion realm serves as his training partner. Although he will be injured, as long as he survives, he will be stronger!

Nirvana rebirth!

"Boom!"

The two fists intersected, making a low voice like thunder.

Ye Chen's mouth overflowed with blood, and he backed away!

Even so, Ye Chen laughed! Crazy on his face!

This punch seemed to have cleared some of his insights into the evil fist sect!

"Come again!"

Ye Chen rushed up again!

Without giving Takeshi Kitano any chance to breathe, he threw himself in front of him, and the second punch was already blasted.

The fists touched again, Ye Chen was still blasted back!

But the more so, the stronger Ye Chen is!

Kitano's face was wrong, his eyes widened without the calmness of the past.

Is this kid crazy?

Neuropathy?

Suddenly, he thought of something!

This kid is actually using himself to break through!

"At this time, I still want to break through! Kneel down and submit to me!"

Takeshi Kitano roared!

The fist wind strikes, with infinite murder!

This punch almost condensed Kitano Wu's extremely strong power, and the top 20 of the Huaxia Grandmaster might not be able to hold it!

Ye Chen instantly felt a powerful coercion rushing across, like a violent storm, an extreme breath of death enveloped him.

The gap between the two is too big!

If this continues, he will undoubtedly die!

He could clearly feel that the tombstone in the reincarnation cemetery was shining!

Use or not!

"boom!"

There was a huge collision sound, and Ye Chen's body drew a parabola and flew towards the outside.

At the same time, Kitano Wu fiercely grabbed a broken sword on the ground and pierced Ye Chen's chest!

"I have been practicing for sixty years! I am the first person in the island nation! The top powerhouses in the Chinese Martial Arts Bureau and even the capital must give face! What are you fighting against me! Remember! Reborn in your next life, don't provoke me Kitano! You! This humble ant!"

Seeing that the broken sword is about to fall!

Ye Chen had no choice, a stern smile appeared on the corner of his mouth!

"Chen Qingcang, come out and see me!"

When Kitano Wu heard Ye Chen say such a sentence inexplicably, he slightly frowned, but didn't think too much, speeding up!

Seeing that the sharp broken sword was about to pierce Ye Chen's chest!

"Who dares to hurt him!"

A loud roar suddenly resounded throughout the hall!

The huge sound directly shook the entire villa!

The ground splits like a spider web with countless cracks!

All the bricks and tiles at the top of the hall are overturned! Shattered!

This roar reverberates and lingers, the momentum is like a rainbow, dominating the world!

Takeshi Kitano spit out blood!

This sound wave shocked his internal organs!

Not only that, a flame came through the air, as if it turned into a sharp arrow, hitting the dazzling broken sword directly!

"Crack!"

The broken sword is directly turned into powder!

At the same time, the strong burning sensation directly made Kitano Takeshi's five fingers disappear directly!

Kitano took off inexplicably! Hit the ground!

He was horrified!

He trembled!

He was afraid!

"A strong man has come out! And it is a peerless strong man!"

He stared at the five fingers that had disappeared, his breath was held!

The air was filled with a suffocating and depressive breath, as if a hand was strangling Kitano Takeshi's throat!

Kitano is panicking, who is trying to save this kid!

Suddenly, his eyes shrank, because he found a figure that seemed to be wrapped in flames was coming quickly!

Dust billowed and flames filled wherever he went!

People can't see the appearance, leaving only a long string of Naruto!

Until the figure stood beside Ye Chen, everything was clear!

Is an old man! The old man with a terrifying breath!

The old man just glanced briefly at Takeshi Kitano~www.mtlnovel.com~ The latter felt that he had fallen into an abyss!

The look in your eyes is like a knife, and it turns into substance!

Kitano's body seemed to be restrained by an invisible force!

It's as if the other party only needs to look at him, and he will turn to ashes!

"Who the \*\*\*\* are you!"

With his hands behind him, the old man scanned the audience coldly and said: "I, Chen Qingcang! Chen Qingcang who burned everything with one hand!"

The tone is beyond doubt, full of strong murderous intent!

Like thunder blasting in everyone's ears!

Chapter 248: Between 1 thought!

Chen Qingcang?

Who is Chen Qingcang?

Kitano Takeshi is stunned.

He knows well the existence of the top 100 in the Huaxia Grandmasters list.

It can be known from the strength of the old man that it must be the top existence on the Huaxia Grand Masters list.

But he has never heard of the three words Chen Qingcang!

More importantly, does China have such a terrifying existence?

One sentence shook himself into the air, and one look was enough to kill himself in seconds.

It's impossible to do this in the highest level of cultivation!

At this moment, Takeno Kitano panicked.

This is a fear of death.

is a kind of fear of the unknown.

Chen Qingcang ignored Takeshi Kitano. In his eyes, all beings are ants.

Except for one person!

That is the young man who is injured at this moment!

He looked at Ye Chen, and with a wave of his arm, a burst of true energy rushed into Ye Chen's body.

Ye Chen only felt surrounded by a warm holy light.

At the same time, a warm current flowed over his injured area, and his injury was reduced by more than half!

"Get up."

Chen Qingcang moved his five fingers, and Ye Chen seemed to have an air current underneath him, holding him up abruptly.

"Thank you senior!"

Chen Qingcang nodded: "As the owner of the Tomb of Reincarnation, you should help you."

"Now, what should I do with that ant!"

Chen Qingcang's eyes shot at Takeshi Kitano, and Takeshi Kitano felt that he was surrounded by a ball of flame, and it was extremely difficult for him!

He no longer hesitated, "Plop!" He knelt down.

"Also, please spare my life, adults, please spare me!"

He cultivated to this point, fearing death and everything!

The key is in front of this top power, he doesn't even have the power to fight back!

What else can I do besides begging for mercy!

can only beg Ye Chen, hoping that the other party can give him a way to survive.

What kind of self-esteem, what kind of arrogance, all go away!

The ants are still alive. If you can survive, you are not afraid that you will have no chance to deal with this kid in the future.

Chen Qingcang stretched out his hand, unexpectedly a flame burst out.

The flames are dazzling and make people feel palpitation.

The flames even transformed into a sword intent!

Seeing this scene, Kitano became more frightened! This old man is not in the form of true Qi, but in the form of flame!

can also become the sword of its own!

Fuck!

Is it possible that this old man is a fairy of China?

At this moment, Ye Chen fell into deep thought and killed Kitano Takeshi, only to vent his inner killing intent.

But if you leave Kitano Takeshi, it means you have a powerhouse in the separation zone! If this person is placed in China, he must be in the top 30 of China's Grand Master!

The biggest problem right now is that the opponent's realm is too high, and the blood control simply doesn't work.

As if aware of Ye Chen's hesitation, Kitano quickly said: "My lord, there is one more thing you don't know. I am actually from Huaxia. My father is from Huaxia and my mother is from an island nation. I have Huaxia blood in my body. Please forgive me. A dog's life! I am willing to be your slave!"

Chen Qingcang glanced at Ye Chen, and seemed to notice the hesitation in Ye Chen's heart, and said: "Did this son kill the closest relatives beside you?"

Ye Chen shook his head.

Chen Qingcang said again: "If not, this person can use it. His realm is far superior to you, and he is considered a little powerful. It is more advantageous for you to stay than to kill him."

Hearing what Chen Qingcang said, Kitano nodded repeatedly, and said to Ye Chen: "My lord, I will do whatever you want me to do, and even let me deal with the leaders of the island country, I am willing!"

Ye Chen is his only chance to survive Kitano!

Chen Qingcang continued to Kitano Takeshi: "Human hearts, the most unreliable, are you willing to contribute your blood?"

Kitano Takeshi was startled, his face pale, once he contributed his life blood, he was completely controlled!

It's impossible to make a comeback in the future.

But right now, he has no choice at all.

No more thoughts, Kitano took a palm on his chest, and instantly shot a drop of black blood.

The black essence and blood are suspended, exuding the aura of the strong.

Chen Qingcang nodded and looked at Ye Chen: "Because of the difference in cultivation level, you can't penetrate into the essence and blood to control him, but you control this person's natural essence and blood, and the effect is the same. I will now introduce a magic decision. Your knowledge of the sea, you have a good understanding."

In the next second, Chen Qingcang pointed on Ye Chen's eyebrows, and Ye Chen mastered a magic trick to control his life essence.

Ye Chen suddenly squeezed his fingers, and a talisman smashed directly on the black blood.

The rune disappeared, and Ye Chen felt that his sea of consciousness had an additional consciousness.

He squeezed that consciousness, and in an instant, Kitano spit out blood!

"My lord, be merciful!"

Kitano Takeshi looked at Ye Chen with amazement.

Ye Chen nodded and released the blood again.

Kitano Takeshi let out a long sigh: "Thank you, Sir, for not killing. From now on, Kitano Takeshi will be your slave!"

At this moment, Chen Qingcang looked at Kitano Takeshi and said, "Is there a secret room here? I need to talk to this kid."

"My lord, yes."

Kitano Takeshi quickly got up, arched his waist and led the two toward a wall.

Then he walked to the end of the wall, he came to a ceramic antique, turned slightly, the wall suddenly opened ~www.mtlnovel.com~A secret room came into view.

"Two adults, this place is where I practice and hide my treasure, inside"

Before they finished speaking, Chen Qingcang and Ye Chen walked in.

Then Chen Qingcang waved his hand, and the door closed suddenly.

Everything returned to silence.

The expression of Takeshi Kitano who was locked outside was very strange. The gate was controlled by a magical organ and had a powerful restriction, but in front of the old man, it seemed like a decoration.

He didn't think much, and walked towards the hall outside. The sirens' whistling sounded.

Some things naturally need him to deal with it.

Under the night, there is a cool breeze, and a strong smell of blood permeates the hall.

Densely densely packed corpses lay on the ground, with broken limbs everywhere. The blood stained this land, and even gathered into a stream flowing slowly, eerie and terrifying.

The air is dull, as if it has solidified, making people breathless.

Kitano Martial Arts' eyes shrunk slightly, and he sighed: "I should listen to the warning he gave me at the beginning. Now, not only the Wuhuang Society is destroyed, but he also loses his freedom. That guy can be destroyed at the first thought. Lose everything about yourself."

Kitano Takeshi sighed, only to blame himself for not knowing Taishan.

At the same time, in the secret room.

Chen Qingcang put his hands behind him, looked at Ye Chen interestingly, and said, "Your strength is too low, even lower than I thought."

Ye Chen was startled, he knew that Chen Qingcang was very strong, and even his cultivation base was far superior to him, but he despised that.

"Senior, what is your cultivation base?"

Chen Qingcang shook his head: "You still don't know my cultivation base, it will affect your Dao Xin."

Chapter 249: People who stand up!

"At the moment, the most important thing for you is to improve your strength. Only when you reach a certain strength can you come into contact with the secrets behind the reincarnation cemetery."

"The secret behind the reincarnation cemetery?" Ye Chen frowned, "I always wanted to know, why are you so powerful being trapped in it?"

Chen Qingcang was startled, staring at something, as if lost in thought.

"Things of thousands of years are not worth thinking about. And your level, wanting to touch that layer of things, is far from qualified."

"Ye Chen, when your strength reaches that point, naturally there will be a strong man in the cemetery of reincarnation tell you that at the moment, I am not qualified to say it."

"Remember, the reincarnation cemetery must not be known by outsiders, let alone taken by outsiders. Once you find that someone knows this secret, you will definitely kill them without hesitation! Those people don't even have the opportunity to be slaves!"

Chen Qingcang's words are extremely serious.

even cold!

Ye Chen's expression is extremely solemn at this moment, he can feel the black stone in his pocket close to him.

This secret, no one knows yet! Even Sun Yi and Xia Ruoxue didn't know.

But! Long Ye, who had done his hands on the Ye Family at Yunhu Villa, seemed to have come for this stone!

Fortunately, knowing this stone does not mean knowing the reincarnation cemetery!

After all, this stone has been with him for so many years, and only recently did he open the reincarnation cemetery!

His parents didn't even know its function, let alone outsiders.

"Anyway, once I have news of the Beijing Dragon Lord, I will kill him without hesitation!"

Ye Chen made up his mind and said.

Chen Qingcang took a deep look at Ye Chen and said: "I have not much time left. In this life, I am the Sect Master of Blazing Fire. Although I was not a top powerhouse in that era, I still have The right to speak, there are thousands of disciples.

It's a pity that during that battle, my disciples fell one after another, countless sects disappeared in the world, and the Blazing Fire Sect no longer exists.

I have been practicing quietly in this life, but I don't want to fail in the end. This is the sadness of our generation. "

After finishing speaking, Chen Qingcang's eyes condensed, and he looked at Ye Chen very seriously, and said: "Ye Chen, let me ask you, you are willing to be my only disciple of Chen Qingcang and accept my inheritance of the Supreme Way!"

"Your cultivation is rubbish, your talent is moderate, and even your blood is nothing to me. All of this can even be compared with insignificance as dust."

Hearing these words, Ye Chen was a little upset. When he was in Kunlun Xu, the old man clearly said that he had a good talent. How could it be so unbearable in Chen Qingcang's eyes?

Key rubbish, the words of the mean are too harsh.

But after another thought, Chen Qingcang is a great power in the ancient times, and his vision is naturally high, let alone himself, it is estimated that the peerless powerhouses of Kunlun Xu are like \*\*\*\* in his eyes, so he feels a little better.

Chen Qingcang's words were obviously not finished yet, as soon as he stepped on his feet, a powerful aura spread out from his body.

"Although you have many flaws, you are a mortal ant, but you control the reincarnation cemetery, behind which are hundreds of ancient powerful men, you are destined to crush all living beings in this life! Even the way of heaven is helpless to you!

If you become a Buddha, there is no demon in the world, if you become a demon, how can you become a Buddha! "

"The reincarnation cemetery was born for you, and you also exist for the reincarnation cemetery!"

"Can you admit that Chen Qingcang is your second master?"

Hearing these words, Ye Chen stopped hesitating and nodded: "Yes."

"it is good!"

There was a hint of joy on Chen Qingcang's face, and a hearty laugh!

He pressed his fingers firmly, and a strong momentum condensed on one finger.

then pointed at Ye Chen's forehead!

In an instant, the whole house plunged into darkness, and a star was transformed into the darkness.

The light of countless stars poured into Ye Chen's dantian.

A powerful force poured in!

"My inheritance, based on your cultivation base, you can only master part of it. As your cultivation base improves, this part of the inheritance will slowly open up!"

"When all is opened, I hope you are qualified to touch the things behind the reincarnation cemetery!"

Chen Qingcang's body is getting weaker!

The eyes turned red.

Countless complex emotions poured in, as if the past was unbearable and it was difficult to look back.

Ye Chen opened his eyes, and naturally noticed the complexity of Chen Qingcang's eyes. I don't know why, there was a trace of inexplicable discomfort in his heart.

The reincarnation cemetery, of course, is against the sky.

But why every mentor I see must disappear in a blink of an eye!

Is this the so-called pain of reincarnation?

Seeing Chen Qingcang's figure was about to disappear, a voice of vicissitudes came.

as far away as from nine days!

Desolation is like coming from the wild!

"Ye Chen, remember! You are my Chen Qingcang's person who turned over! You are the only hope for us 100 people!"

In the next second, Chen Qingcang's figure disappeared completely.

In the reincarnation cemetery, another tombstone was completely shattered.

But the third tombstone fell silent for a long time, without a trace.

Ye Chen stood up, the last sentence in his mind for a long time.

The one who turned over?

The only hope for a hundred people?

Could these ancient powers help themselves unreservedly because he is the hope of this group of people?

What's a joke~[www.mtlnovel.com](http://www.mtlnovel.com)~ Whether it's Luo Yuntian or Chen Qingcang, they are almost standing on the top of this world. How could he be a group of awesome guys who are in a pneumatic state? hope?

Ye Chen didn't think about it anymore, and quickly sat down cross-legged, he had a sense of breakthrough again!

There was even a "cracking" sound from his body, and he could clearly feel that every muscle in his body was shaking.

Numerous auras around him poured into his body.

On him, like a big wave rushing, a strong aura breaks through all constraints like a bamboo!

"Today, I will not only break through the fourth layer of the pneumatic realm, but also break through the fifth layer! Break!"

There was a long howl, shaking for nine days.

A powerful wave of air keeps rolling in the house! The countless auras in the reincarnation cemetery envelop Ye Chen!

the next morning.

Ye Chen opened his eyes and slowly exhaled a turbid breath, his body glowing with a hint of luster.

After practicing overnight, he broke through to the fifth layer of the pneumatic realm.

and it is the fifth peak!

Without the help of any medicine!

This speed can almost be said to be against the sky.

At the same time, he also discovered a secret. Almost every time he saw a great power in the reincarnation cemetery, his cultivation level would break through several layers!

It's just that he paid attention to the third tombstone. There is no movement at all, not even light.

Chen Qingcang's strength is obviously stronger than Luo Yuntian, whether it is the combat skills and experience in his mind, or the spells.

How terrifying is that third tombstone?

It's just that a large part of Chen Qingcang's memory for himself is in a fuzzy state, obviously his cultivation level is not enough to touch.

Even if you touch, you will inevitably bite back on yourself.

Chapter 250: Want to die so? I fulfill you!

Ye Chen changed his clothes, looked at the time, and suddenly his expression changed!

Today is the day to make an appointment with Fang Zhongxin on the Budodai!

Time is running out!

Ye Chen quickly opened the door of the secret room and found that Kitano Takeshi was standing outside the door carefully waiting.

"My lord, are you out of the gate?" Kitano Takeshi's voice was full of awe.

His aftermath even glanced inside, but no one was found.

That senior is gone?

There is only one exit in this secret room, can this disappear?

Is it possible that that person is really a fairy who can fly into the sky and escape?

When thinking of this, Kitano Wu's heart set off a stormy sea, and the eyes that looked at Ye Chen became even more terrified.

Check out new PVP arena battles!

Ye Chen didn't want to talk nonsense, and said directly: "Arrange a plane for me, I want to go to China Jiangnan Province immediately! You also go with me!"

"Also, from now on, you are no longer called Kitano Takeshi. I don't like these three words. I will give you a new name, Raksha!"

"Raksha?" Kitano Wu frowned slightly. Although Ye Chen did not know why Ye Chen gave him this name, he was a slave and naturally had no choice.

"Raksha understands, I will arrange the plane right away."

With his power in the island country, let alone arranging a plane, even if the head is arranged to meet Ye Chen, the head must come!

only because he is the faith of countless people on this island.

Jiangnan Province Budo Gymnasium.

There is the only Budo Station in Jiangnan Province, which is much larger than the Budo Station in Jiangcheng. The key is to be closed.

The average person is not qualified to step in.

In the gymnasium, a huge stone platform stands in the center. The stone platform is carved with ancient runes, representing the history of Chinese martial arts.

Above the stone platform, Fang Zhongxin exudes a strong aura, as if proud of the world.

But there are not many people in the martial arts stage, most of them are from the Huaxia Martial Arts Bureau, and Ye Chen only has Lei Shuwei, Ying Qing and some Dragon Soul fighters.

Very poor.

Huaxia Martial Arts Bureau has the right to close the entire gymnasium, and even some top families in Jiangnan Province want to enter it.

This is their authority as the Budo Bureau!

Fang CITIC wanted to open the stadium completely, so that the top powerhouses in Jiangnan Province could also see his power.

However, the leaders of the Huaxia Martial Arts Bureau did not agree at all, even a little afraid of Ye Chen.

Although Fang Zhongxin is very strong, but Ye Chen is full of too many variables.

Wanfangyi CITIC failed, their Huaxia Martial Arts Bureau can't afford to lose that face!

closure can minimize the loss.

At this moment, Fang Zhongxin looked at the time and was a little impatient.

He looked at Lei Shuwei, staring at him with contemptuous eyes.

"Lei Shuwei, I am afraid that Ye Chen has no guts to come. The time is about to end. If he doesn't show up again, you should know what it means."

The expression of Lei Shuwei under the stage changed, and he said, "As the chief instructor of Dragon Soul, Ye Chen is performing tasks outside. It is normal for time to be delayed!"

Fang Zhongxin laughed: "I really don't understand why your dragon soul protects this kid like this. It's just a waste. Is it worth it? You didn't dare to come out, but you said it was a mission. Your dragon soul methods are getting more and more disgusting. what."

Lei Shuwei was silent.

He could only look at Ying Qing and asked: "Mr. Ye saved you yesterday, did you say when you will be back?"

Ying Qing was a little weak and his face was very pale, and explained: "Mr. Ye hasn't said that he won't have an accident in Wuhuangshe!"

"We know his strength. The probability of an accident is extremely small. Today, the special commissioner from the island country came to the news that the Wuhuangsha was closed indefinitely, and Kitano even closed the door directly! This thing is too strange, but this At the time, the key Mr. Ye couldn't get through."

Lei Shuwei's heart is full of anxiety.

"If Mr. Ye does not arrive on time, the China Martial Arts Bureau has the right to take coercive measures against Tianzheng Group and Ye Chen. The China Martial Arts Bureau will even issue a global wanted order! The consequences will be troublesome at that time, and Mr. Ye will die. Environment."

Fang Zhongxin on the stage looked at the time, his smile became colder, and he said:

"Ye Chen was so arrogant that day, but he didn't expect it to be a turtle with a shrunken head who dared not see anyone."

"The key to this is the head-shrinking tortoise. It turns out to be the chief instructor of your dragon soul. It's really ridiculous."

"After so many years, the dragon soul has become \*\*\*\* to this point? What kind of \*\*\*\* can teach, Lei Shuwei, should you reflect on it?"

Fang Zhongxin is ridiculed, the words are hard to hear to the extreme!

The dragon soul fighters clenched their fists one by one, and rushed to the top of their heads with anger!

Although their strength is not low, they can't wait to rush forward one by one!

The dragon soul cannot be humiliated, and the dragon soul chief instructor must not be humiliated!

Lei Shuwei suppressed the anger in his heart, and said to the people behind him: "Everyone stays where they are, no one is allowed to act rashly without my order!"

After giving orders to the Dragon Soul disciples, Lei Shuwei continued to speak: "Fang Zhongxin, you insult my Dragon Soul, yes! But you insulted Mr. Ye, is it too much!"

Yesterday, Ye Chen saved ten Dragon Soul fighters who were dying!

Kill countless powerful enemies with one person!

If there is no Ye Chen, or one minute late, Ying Qing will definitely die!

The Dragon Soul owes Ye Chen a great favor!

Of course he would not allow Fang Zhongxin to insult Ye Chen!

"Mr. Ye?" Fang Zhongxin laughed ~[www.mtlnovel.com](http://www.mtlnovel.com)~ with a very loud laugh, "This \*\*\*\* is actually called Mr." by you? He doesn't even have the courage to stand up, and even his Kyogen makes you dragon souls. Back the pot!"

"This kind of trash that can only play tricks, we, CITIC look down upon!"

Fang Zhongxin checked the time and continued: "There are still thirty seconds. If Mr. Ye in your mouth does not appear again, I will go to the capital to use the strongest martial arts ban!

His nationality will be blocked! He can never step into China! His friend will be imprisoned! His parents' tombstones will be destroyed! "

"This is the price, the price of arrogance!"

At this moment, Fang Zhongxin's momentum is overwhelming, like invincible!

The expressions of Lei Shuwei and Ying Qing under the stage changed drastically.

"Mr. Ye, is something really wrong?"

"This martial art blocking order actually wants to erase all traces of Ye Chen in China"

"The key is to destroy Jiangcheng's parents' tombstones. This is disrespectful!"

At this moment, there is dead silence under the martial arts stage, like a random grave at midnight! Only Fang Zhongxin's unbridled smile was left in the audience.

As if everything is a foregone conclusion!

Fang Zhongxin glanced at the time, there were five seconds left, and just about to speak, there was a loud bang!

The gate of the gymnasium was blasted open!

Two figures appeared at the gate of the gymnasium!

One after the other!

Headed by        is a cold and arrogant young man, with his hands behind him, his ethereal breath is thrilling.

He looked directly at Fang Zhongxin on the martial arts stage, and said loudly: "Want to die so? I will fulfill you!"
