

## Urban Medical 261

Chapter 261: 1 palm, burning the sky!

Ye Chen stared at the four people in front of him interestingly.

The breath fluctuations on these four people were extremely strong, and one of them was the most terrifying old man in Chinese tunic suit.

In terms of momentum alone, the strength of the old man in the tunic is far stronger than the others.

But Ye Chen didn't have much fear, the Dragon Slashing Sword and Burning Heaven Palm were enough to deal with the few people in front of him.

"If I guessed correctly, did the Huaxia Martial Arts Bureau send you?" Ye Chen said lightly.

The old man in the tunic snorted coldly: "What if it is, so what if it is not! You just need to know that we are here to take your life today!"

"There are many people who want to kill me, but they all died in the end." Ye Chen sneered.

"Very, very good! Ye Chen, today I will let you know what the gap is. A junior dare to be so presumptuous! I really thought you were the heaven of China! I tell you, there are heavens outside the world, and there are people outside the world!"

After speaking, the old man in the tunic nodded towards the others.

"Do it!"

The old man in the tunic roared, and instantly four figures shot out like cannonballs, and appeared in front of Ye Chen in the blink of an eye.

"cut!"

Only one of the old men yelled, and the bright long knife in his hand was raised high and slashed towards Ye Chen.

Very fast!

Torn the air!

The blade exudes bursts of chill, and in the sun, it reflects a daunting light!

The killing intent enveloped the audience, and under the blow of strong energy, it fell straight from the sky, struck through the air, brought a sharp whistling sound, and rushed forward with a powerful force.

Ye Chen's eyes condensed, but he became a little serious.

This sword turned out to be a good martial skill, and the key to it turned out to be a killer move!

It seems that the people from the Huaxia Martial Arts Bureau really don't want to keep him.

Ye Chen's phantom body surged under Ye Chen's feet, and his body went directly to one side! Escaped this sharp knife!

At the same time, he didn't pause at all, his five fingers broke through the strong wind, and he penetrated directly toward the hand holding the knife!

"Punch!" With a sound, he directly clasped that person's wrist!

The old man was startled, he could not think of facing the attack of the four, this kid even planned to fight back!

As soon as he turned, his right leg swept over with vigor!

This kick can blow anyone's head!

The corner of his mouth showed a gloomy smile: "Boy, there is no Raksha by your side, I see how you live!"

Seeing that this foot was carrying a swelling wind, it was about to hit Ye Chen, and Ye Chen stretched out his hand indifferently!

Block directly in front of you!

"court death!"

"Boom!"

Just when his foot touched Ye Chen's arm, he said, "Kacha!" It was very crisp!

The old man's smile solidified! A powerful pain strikes!

With one blow, his leg was broken!

"Now it's my turn!" A cold voice rang in his ear!

Ye Chen's five-finger power suddenly broke out, and the old man's arm was torn on the spot!

At the same time, the long knife also fell down and was held in the palm of his hand by Ye Chen!

Ye Chen's eyes flashed with murderous intent, his true energy lingered in his palm, and the long knife in his hand shot directly!

With a sound of "Sneez!", the long knife directly penetrated the old man's heart, and even stirred up violent air waves, and directly nailed the old man to the mountain wall!

shocking!

Judgment like the \*\*\*\* of death!

Seeing this scene, the eyes of the remaining three people were solemn, and they did not dare to be careless. This kid was more difficult to deal with than they thought!

Two of the elders shouted angrily and shot out one after another!

The momentum of the two rose again in an instant, and they suddenly rushed forward, bringing up a cloud of dust under their feet. The speed is more than twice as fast as before! Like a sword, it turned into a streamer and directed towards Ye Chen!

A phantom was condensed under the key two palms!

The palms filled the sky, and Ye Chen seemed precarious in an instant.

There is almost no way out!

The old man in the tunic suit didn't do anything. He put his hands behind him and looked at Ye Chen interestingly.

His two companions are themselves brothers, and they are extremely powerful!

Few people can defeat these two people on their own!

Ye Chen watched the two approaching with palm shadows, and the corners of his mouth showed a sense of play.

"Since you are here, I will also take you to see the world!"

"Let you see what is the real mastery!"

"Burning Heaven Palm!"

Burning Heaven's palm, the offensive is like a tide, like a sea of fire, superimposed on each other, with infinite power, training to great success, Burning Heaven blasts out, and can leapfrog and kill thousands of people!

Ye Chen gathered all the true energy of Dantian in one palm!

An endless scorching sensation is coming!

A flame phantom burst out of his hand!

Between the waves, the brilliance flickered, the wind roared, and the flames roared!

A scarlet empty palm just blasted out!

A wave of energy ripples, like a wave from where it touches, violently open, and the big trees and boulders where it passes are exhausted into powder.

This palm seemed to tear the space, bringing out a crimson sky.

The roar was deafening, as if the sky and the earth were cracking, as if the whole ground had split apart.

Burning Heaven's palm abruptly tore the shadow of the sky full of palms!

Extremely domineering!

Everyone's eyes widened, revealing an unbelievable look!

What the \*\*\*\* is this!

This is the vision of top martial arts!

The key to this vision is too terrifying.

flame! How could there be such a terrifying flame!

There is no such incredible existence in the martial arts of ancient warriors!

The disdain of the old man in the tunic suit completely disappeared! Replaced by tremor! It is fear!

Is this still what those guys from the Huaxia Budo Bureau are talking about?

This son depends on Rakshasa to win?

Rely on a fart!

Who can be the enemy of the strength cultivated by this palm!

The flames filled the sky, without warning, directly tore the bodies of the two old men!

As if burned in flames!

This is the power of Burning Heaven Palm!

Ye Chen also had no idea that this trick was so terrifying and terrifying!

He was overjoyed, just about to say something, suddenly, his body was bloody, and a trace of blood overflowed from the corner of his mouth!

This Burning Heaven Palm actually has the power of backlash!

The key is that the dantian in his body is empty!

Although this palm is strong, it is far from enough for his own cultivation and true energy to show it truly!

You can see the horror of Burning Heaven Palm!

Ye Chen quickly took out three pills~[www.mtlnovel.com](http://www.mtlnovel.com)~ and took them all at once.

Two Qi Gathering Pills and one Healing Blood Pill.

After taking the medicine pill, the body feels better.

The old man in the tunic suit sensed something was wrong and suppressed the shock in his heart!

Right now, the most important thing is to leave immediately!

Be sure to report this palm to the China Martial Arts Bureau!

There is definitely a big secret in this kid! It may even be a cultivator!

Just as he was about to leave secretly, a cold voice rang in his ears!

"Want to go, have you asked my opinion?"

The old man in the tunic suit stagnated, only feeling cold on his back.

When did this kid appear behind him!

Chapter 261: 1 palm, burning the sky!

Ye Chen stared at the four people in front of him interestingly.

The breath fluctuations on these four people were extremely strong, and one of them was the most terrifying old man in Chinese tunic suit.

In terms of momentum alone, the strength of the old man in the tunic is far stronger than the others.

But Ye Chen didn't have much fear, the Dragon Slashing Sword and Burning Heaven Palm were enough to deal with the few people in front of him.

Two Qi Gathering Pills and one Healing Blood Pill.

After taking the medicine pill, the body feels better.

The old man in the tunic suit sensed something was wrong and suppressed the shock in his heart!

Right now, the most important thing is to leave immediately!

Be sure to report this palm to the China Martial Arts Bureau!

There is definitely a big secret in this kid! It may even be a cultivator!

Just as he was about to leave secretly, a cold voice rang in his ears!

"Want to go, have you asked my opinion?"

The old man in the tunic suit stagnated, only feeling cold on his back.

When did this kid appear behind him!

Chapter 262: I was born in killing!

The old man in the tunic snorted coldly: "Could it be that you still want to keep me?"

Ye Chen's expression was cold: "You made a mistake, I don't want to keep you, I want to kill you."

When the words fell, the face of the old man in the tunic suit changed drastically!

Ye Chen had already blasted a punch, the old man's wrist shook suddenly, a short knife appeared in his hand, the blade turned horizontally, blocking the position of his chest.

"Boom!"

Ye Chen's fist hit the short knife, and a dull voice came out!

The powerful waves of strength rolled, Ye Chen and the old man in the tunic took a step back.

"Want to kill me, dream!"

The old man stabilized his figure, turned his short knife, and drove a gust of wind, directly wiped it towards Ye Chen's neck!

He dared not stay in the slightest!

Otherwise, leaving a gap, you may be in danger.

Ye Chen's eyes were solemn, and there was not much left in his dantian! He must fight quickly!

In the next second, a Dragon Slashing Sword appeared out of thin air in his hand!

This scene made the old man startled.

With such a long sword, this kid can't hide it!

It's like it's changed out of thin air!

The old man thought of something and exclaimed: "Storage! You actually have storage!"

Stormy seas are set off in his heart!

At the same time, the murder is revealed!

If he gets something from Ye Chen, he will definitely become China's top powerhouse!

As for this kid, he is not worthy at all!

At this moment, the old man is full of domineering, swordsmanship open and close, big ups and downs, tigers and tigers, the shadow of the sword is all over the sky, and the cold is pressing.

Wherever the knife passed, gravel flew across, and trees were cut straight.

The whole ground looks messy.

"Boy, die for me, all your things are mine! Haha!"

The old man condensed his energy with a single knife, and slashed down!

Before the blade's edge arrived, the cold air came first, and the murderous aura was full. At this moment, the blade's intent seemed to be stretched infinitely, bringing out bursts of phantom, covering the sky and the earth, and the momentum was like a rainbow.

Ye Chen's eyes were cold, the Dragon Slashing Sword tore the air, resisted and went away!

"Boom!"

The swords collided suddenly!

Stormy!

"Kacha!" With a sound, the short knife in the hands of the old man in the tunic suit was directly broken!

He stared at the sword in Ye Chen's hand!

It turned out to be a spirit sword!

Damn it!

What is the origin of this kid, there are so many babies on him!

The old man didn't care about a punch, he blasted a punch, the blue veins in his hand were clearly visible, and his strength was swept out like a blade!

The fist wind whistling, making a low whistling sound, tearing the air, and dashing away.

"go to hell!"

At this moment, a black light flickered!

The old man felt his whole body wrapped in a chill!

Suddenly, what he saw, a dart engraved with blood plum broke through the air.

He recognizes this dart! Isn't this something of Lingfeng in the Blood Plum Palace?

How could the key appear in Ye Chen's hands? He couldn't help but hesitate. He wanted to dodge, but it was too late.

With a sound of "哧!" The dart penetrated his neck, ruptured the aorta, and blood shot.

His pupils dilated and he fell in a pool of blood.

After doing all this, Ye Chen exhaled a sullen breath, his back was soaked.

Fortunately, I was surprised, otherwise it is absolutely tricky.

The key is that he didn't know that the full burst of Burning Heaven Palm would produce such a powerful force!

It is also extremely depletion to his body and dantian.

I had already left this Burning Heaven Palm to this old man in tunic suit.

It seems that the Burning Heaven Palm can only be used at the most critical moment in the future.

Ye Chen grabbed his five fingers, and his qi condensed, and the phone of the old man in the tunic suit appeared in his hand.

He opened the call log and dialed the most recent call.

Beijing, China Budo General Administration.

Zheng Renjue is checking some information about Ye Chen.

He found something wrong.

The things at Yunhu Villa back then actually involved some incredible things.

Why should the one who is above the key deal with a small family in Jiangcheng?

Did he even hesitate to destroy the Ye Family?

Just as he fell into deep thought, the phone on his desk rang.

He glanced at it, it was Qian Lao's number.

Obviously, Ye Chen should be resolved.

He sneered: "Ye Chen, Ye Chen, you shouldn't be someone who is so arrogant to move the China Martial Arts Bureau."

"Some people and some forces can't be determined by strength."

"But it's a pity to die so young. Maybe this is the cruelty of the Chinese martial arts world."

He pressed the hands-free button and said: "Old Qian, remember to clean up the corpse. This kid is from the Dragon Soul anyway. It's a bit troublesome to get caught."

There was no sound on the other side of the phone.

"Old money?"

Zheng Renjue frowned slightly, and just about to speak, a cold voice came through the phone.

"No need to shout, they are all dead. I don't know who you are, and I don't care who you are. I don't want your Huaxia Martial Arts Bureau to disturb me again. Otherwise, I will find you, and then break your head with my hands."

Linguistic.

The phone hung up.

Zheng Ren was determined to burn with anger!

Threat!

Naked threat!

He, the seventh top powerhouse on the Chinese Grandmasters list, was actually threatened by a stinky boy who didn't even grow up his hair!

Damn it!

What the \*\*\*\* is this!

"Boom!"

Zheng Renjue slapped a palm on the table, and the phone broke!

Ye Chen called Lei Shuwei, after all, this place is the nearest to the base, let him deal with the body.

By the way, let Xiao Deng send him back.

After walking this way, he is almost calm, knowing that the most important thing right now is to strengthen his strength.

With the reincarnation cemetery, what about the three top families!

If Yunhu Villa is really inseparable from these three families!

He will kill the capital after a big deal!

Anything related to this matter, no matter who it is, must die!

A trace of evil spirit surged from his body, and the evil energy rose into the sky, like a blood dragon phantom surrounding him.

Until the sound of dragon chants sounded.

Seeing this picture, Ye Chen was slightly startled, it seemed that he had already condensed the evil shadow unconsciously.

The key shaying attribute turned out to be a blood dragon.

"This should be pretty good."

The old man said that his way was not a traditional righteous way from the beginning, but a killing way.

Killing Dao can break through ten thousand Dao, but it can also destroy Dao Heart.

What is Shaying Condensation Formation? It is what kind of killing.

If it is a ghost, it is really a way of no return.

It seems that the blood dragon should be pretty good now.

At this moment ~[www.mtlnovel.com](http://www.mtlnovel.com)~ Ye Chen noticed that the rocks in his pocket were surging, as if he was about to break the pocket and rush out.

Ye Chen quickly stretched out his hand and held the stone.

Almost instantly, everything in the reincarnation cemetery appeared in front of him!

And the phantom blood dragon on his body rushed in directly and hit a tombstone!

There is a crack in the tombstone!

A faint flash of light.

Ye Chen was short of breath!

The third tombstone appeared!

The ancient text appears in the tombstone like a knife cut!

This time, there is no name!

Only one sentence!

"I was born in slaughter, and withered in death. On the day of my return to the world, those who oppose me will die!"

Chapter 263: Abnormal!

This sentence alone made Ye Chen feel cold all over, as if he had a pair of eyes staring at him from the depths of death.

Luo Yuntian once said that there are only two ways to inspire the tombstone. First, as long as his strength is enough, so that the ancient powers feel that he is qualified, they can naturally inspire. Second, he did certain things that these people actively recognized.

At this moment, obviously not because of his cultivation base and strength, but because of the blood dragon phantom on his body! And his killing!

It's just that the light of this tombstone is too shallow right now, and it's impossible to attract it.

Only waited.

Fortunately, at least he had a thought in his heart.

He already felt the power of Chen Qingcang. What a terrifying existence was behind the tombstone about killing?

Ye Chen didn't think much anymore, there was already a car coming.

He retracted his mind and returned to reality.

"Mr. Ye." Lei Shuwei got out of the car. When he saw this ruin, his eyes shrank slightly, "Mr. Ye, someone is chasing you?"

Some anger in his heart!

Ye Chengang and the Huaxia No. 1 person were chased after finishing the video, and he was mainly responsible.

"Just some clowns, leave it to you."

After speaking, Ye Chen got into Xiao Deng's car, and the car went directly to the urban area of Jiangnan Province.

After Ye Chen left, Lei Shuwei paid attention to these corpses.

shocking.

He opened the body of the old man in the tunic suit, and instantly saw the other's face.

When seeing this face, Lei Shuwei's eyes were full of horror!

This guy turned out to be Mr Qian from the Huaxia Budo Bureau!

He looked at several other corpses, and his status in the China Martial Arts Bureau was not too low!

The key four teamed up and they were all beheaded by Ye Chen!

At this time, Ye Chen and the Huaxia Martial Arts Bureau were destined to never die.

Lei Shuwei took out the phone and broadcasted it: "Contact the Huaxia Martial Arts Bureau, I want to ask them, what is the charge for assassinating the Dragon Soul Chief Instructor!"

This kind of despicable method, the Huaxia Budo Bureau simply cannot stand!

Although No.1 did not allow Dragon Soul to intervene in the contradiction between Huaxia Martial Arts Bureau and Ye Chen, it was a good thing to make trouble and make Huaxia Martial Arts Bureau provoke a commotion.

At least you can buy time for Ye Chen.

While Ye Chen was in the car, he received a call from Sun Yi.

In the past few days, Tianzheng Group's work in Jiangnan Province has been thoroughly launched, and a new round of product pre-sales will begin soon.

This time the market will be rolled out in several first-tier cities except Jiangnan Province.

Capital, Magic Capital, Shencheng, Sichuan, etc.

Of course, Beijing and Jiangnan Province are the most important.

Because of busy work, Sun Yi had to work overtime for a long time, so that he and Xia Ruoxue would not wait for her to go home.

Ye Chen naturally didn't have much opinion. When he returned to the villa, he found that Xia Ruoxue was not there either.

Do you eat dinner alone?

He originally planned to cook those rare ancient delicacies for them, but now it seems that he will have to wait a few days.

At this moment, Ye Chen's cell phone rang, and what surprised him was Xia Ruoxue's WeChat.

"I bought two movie tickets. After an hour, are you free?"

Ye Chen's expression turned weird.

watch movie?

Xia Ruoxue, where is this trouble?

She, a daughter of the Xia family, invited him to watch a movie?

This is not Xia Ruoxue's style at all. It would be understandable if he was invited to a dinner party.

Isn't watching a movie something ordinary couples do?

When Ye Chen was puzzled, Xia Ruoxue sent a sentence.

"Just as fulfilling my little wish."

Ye Chen thought for a while and naturally did not refuse.

After half an hour.

Jinyi Studios in Jiangnan Province.

A beautiful shadow appeared at the entrance of the theater.

There are a lot of theater staff at this time, but almost everyone's eyes are on that shadow!

Qianying is Xia Ruoxue.

Xia Ruoxue was clearly dressed up a bit, her long hair leaning down like a waterfall, the light refracted, very dazzling and supple.

The upper body is wearing a tight-fitting chiffon with bare shoulders, and the white skin is embedded on the extremely skinny shoulders. The chiffon can't wrap the proud breast. The peaks and mountains are undulating, graceful and graceful, with a small waist. , The curve is balanced and the figure is bursting, it can definitely be described by the word devil.

The lower body is wearing a pair of light blue casual jeans to set off her tall and slender figure. With a pair of black casual shoes, the whole person looks charming and elegant, clear and refined, and graceful.

Her eyes were cold like a clear spring on a snow-capped mountain, and she had an ethereal and arrogant temperament.

As if nothing could get into her eyes.

Dozens of boys who claim to have a good family background have taken the initiative to greet them and show their identity.

But Xia Ruoxue responded with indifference.

That temperament made countless boys and girls inferior, and no one dared to step forward.

Some boys even do not hesitate to be late for the movie, but also to see who this beautiful girl is waiting for!

Xia Ruoxue's beautiful eyes looked in the direction of the entrance, as if waiting for something.

Not long after, Ye Chen, dressed in casual clothes, appeared at the theater door.

He was just about to call Xia Ruoxue when a soft voice rushed towards him.

"Ye Chen, here!"

It is Xia Ruoxue!

Following the voice, Xia Ruoxue was shaking her jade hand, her eyes like water.

When he saw Xia Ruoxue's dress, he was really surprised.

This is too beautiful.

Ye Chen was sure that this was the most beautiful side he had ever seen Xia Ruoxue.

Seeing Ye Chen in a daze, Xia Ruoxue smiled and walked over, holding Ye Chen's hand directly with one hand.

"The ticket is checked, let's go in."

"it is good"

Ye Chen and Xia Ruoxue walked towards the ticket gate.

This scene deeply stimulated the hearts of men who still had a hint of fantasy.

"Fuck! I finally found a goddess, and I have a boyfriend! I can't bear it!"

"Although the kid is pretty good, he is obviously not as handsome as me! There is no reason!"

"I'm not convinced! Is a flower just stuck in the cow dung like this?"

Wailing outside the field!

Who would have thought that such a beautiful woman like Xia Ruoxue would be so passionate about a boy!

They are angry!

But what's the use?

Laser Hall No. 2 ~www.mtlnovel.com~ shows a romantic comedy released.

But Ye Chen didn't have the mood to watch the movie at all, turned his head, and looked at Xia Ruoxue, who sometimes laughed and laughed.

He could feel Xia Ruoxue's hand holding him tightly.

It's like being afraid of breaking free.

What happened to this girl?

Today is like a different person?

Seemingly aware of Ye Chen's gaze, Xia Ruoxue turned her head, her beautiful eyes staring at each other.

"What's wrong? Am I ugly today?"

Ye Chen shook his head: "It's pretty, but you behave strangely. Although this is normal for ordinary girls, it's really abnormal for you."

Chapter 264: Maybe you are starry!

Xia Ruoxue's eyes fell on the screen, and the men and women in the movie were kissing in the snow.

"Ye Chen, abandoning my family background and everything I have, I'm just an ordinary girl."

"I also crave love, I also want to watch movies, I also like to eat roadside stalls, this is what I have always thought of."

"I envy Sun Yi, I really envy it. Sometimes I really don't want to be born in the Xia family, I really don't want to."

"Today I suddenly wanted to feel how ordinary girls fall in love. They said they want to watch movies, go to the night market, and have someone they like to accompany them. I want to try this feeling, even if only for one day."

"Would you like to be my boyfriend, even for this day."

Xia Ruoxue's eyes flashed with light, she didn't know whether it was tears or the stars in her beautiful eyes.

Check out this new online game!

She has no choice.

Qin Zhengyang and the unparalleled powerhouse in Kunlun Mountain are going back to Jiangnan Province.

Perhaps soon, Jiangnan Province will change.

She hopes to accomplish what she has in mind before this.

She wanted to experience some things that couples did with Ye Chen, and even give her the most important things to Ye Chen.

Ye Chen is her only retreat and choice.

As for Qin Zhengyang, he is not worthy!

On this day, she didn't think about anything, she wanted to enjoy the moment.

Even if this is her last day.

"Ye Chen, are you willing?" Xia Ruoxue's clear voice sounded.

Although Ye Chen didn't know what happened, he still nodded: "Of course."

Linguistic.

Xia Ruoxue leaned forward and kissed her red lips.

The four lips blend like this.

Ye Chen could feel Xia Ruoxue's heavy breathing and restless little hands.

He held her lips heavily and put his arm through her long hair, holding her close to himself.

The tip of the tongue touches and twists.

Xia Ruoxue opened her eyes wide, her knees softened by Ye Chen's kiss, and her numbness felt like a sea wave, constantly washing over her back.

A short, deep, and thorough kiss.

Excluding those chances and accidents, this is a kiss in the true sense of Xia Ruoxue.

Of course, those unexpected kisses belonged to Ye Chen.

Perhaps hearing the coughing from behind, the two of them woke up, Xia Ruoxue blushed, pretending to continue watching the movie.

As for Ye Chen's icy eyes, he glared at the voice behind him.

How did ordinary people feel Ye Chen's eyes?

The man paled in shock on the spot.

After a movie, Xia Ruoxue and Ye Chen went to the night market again and watched the lantern festival in Jiangnan Province.

Then he rented a small boat and came to Qiuting Lake in Jiangnan Province.

The water in Qiuting Lake is very light. In the past, when the sky was full of stars, many couples would come here to play, to see the stars in the sky and the stars reflected on the lake.

Two-wheeled star face, extremely bright.

But because of the smog and the cloudy sky, there are no stars in the sky and the lake, so naturally no one comes to play.

There is only one of them in the entire Qiuting Lake.

Xia Ruoxue stood at the bow, not knowing what to think about.

"What's wrong, don't like it?" Ye Chen said.

Xia Ruoxue shook her head, her beautiful eyes a little disappointed: "I heard that when the sky is full of stars, the boat swims to the center of Qiuting Lake, with stars on both sides, it is beautiful, but it is a pity that the sky is not beautiful."

Ye Chen looked at the sky, there were indeed no stars, and said: "It's okay, I will come here with you next time."

Xia Ruoxue murmured: "I don't know if it will be next time."

Ye Chen seemed to perceive the loss of Xia Ruoxue, his eyes condensed, and he thought of something.

"Ruoxue, since you want to see Fanxing, I will take you to see it."

Xia Ruoxue was startled: "What?"

Before she could react, Ye Chen stepped on his feet and walked directly toward the water!

Xia Ruoxue paled in this fright.

But she was shocked to find that Ye Chen was just floating on the surface of the water quietly!

There is no ripple.

"Tread the water?" Xia Ruoxue subconsciously covered her mouth.

She knew that a strong man in the martial arts world could walk across the water, but she didn't expect Ye Chen to be so relaxed!

It seems to be in control of this lake!

Ye Chen put his hands behind him, and stepped out in two steps, three meters away from Xia Ruoxue.

He closed his eyes, a rune condensed in his hand.

This was given to him by the old man back then. It was originally used to escape from the water, but now he has enough strength to walk through the water, and it naturally becomes tasteless.

Ye Chen pinched his fingers, and the runes burned.

A trace of the law rippling on the water.

The scene was spectacular.

Ye Chen stretched out his hand and said lightly: "Ruoxue, come here too."

Xia Ruoxue pointed to herself: "Me? But I don't know Guwu"

"It's okay, just come over, you won't fall." Ye Chen said.

The next second, Xia Ruoxue stretched out a foot and stepped on the water.

I thought it would sink, but found myself stepping on ice!

"This"

She could no longer use words to describe the shock in her heart.

This is indeed water! Not ice!

But she stepped on it like this, like a dream.

The smooth surface of the lake reflects the entire sky, without stars.

But there are boys and girls who are facing the lake, like a fairy!

Ye Chen stepped out and took Xia Ruoxue's hand.

"Like it?"

Xia Ruoxue nodded and looked at Ye Chen in surprise: "How did you do it? It's amazing. Standing in the water and watching the lake, I will never forget this moment in my life!"

Ye Chen looked at Xia Ruoxue with a deep meaning, and said lightly: "This is not enough, it can't make you unforgettable."

"Although I don't know why you are so strange today, none of this is important. If you want to see the stars, I will give you the stars!"

Ye Chen's voice fell, and ten spirit stones appeared in his hand! These spirit stones were obtained by looting him during this period, and they are extremely precious.

In Kunlun Xu, many practitioners will burn spar to release spiritual energy, thus speeding up their cultivation.

Ye Chen outlined a confident smile at the corner of his mouth, and threw Lingshi into the sky! At the same time, the ten fingers condensed extremely strong true energy!

A ray of light lingers in the palm of your hand!

"Ten fingers burn the sky!"

Ten rays of light shot out and fell on the spiritual stone above the sky!

Instantly the spirit stone burst open!

Bright like fireworks, but dotted on the sky, turning into stars!

Countless spiritual energy surges ~www.mtlnovel.com~ The withered vegetation around has recovered!

Stars on one side.

The lake is still starry!

Because of the aura of the lake, thousands of koi in the lake jumped out of the lake!

Splashes of water, ripples rippling!

Ask the girl in the world, which one can not be intoxicated in this scene!

It is simply a wonder of the mining world!

At this moment, Xia Ruoxue's body was trembling, and her eyes were full of moving tears!

She thought the best gift she received this year was Tears of Stars!

Unexpectedly, this situation can be called the best gift in the world!

At the crucial moment, all of this belongs to her Xia Ruoxue!

Chapter 265: Kunlun Xulairan!

Xia Ruoxue's heart slammed like a deer, she had never been so excited since she was a child!

Even the happy will faint.

"Ye Chen, thank you for this scene, I will never forget it in my life."

Ye Chen smiled: "If you want to see it next time, just call me."

Xia Ruoxue thought of something, but nodded heavily.

At this moment, Ye Lingtian and Luo Sha were standing on the shore of Qiuting Lake, with strange expressions.

Who would have thought that killing Tang Ao, the hunter who made countless forces in Jiangnan Province frightened would be in the mood to date a woman!

It is even more splendid with such precious Lingshi.

This price is too high.

If they were known by the forces in Jiangnan Province and the capital, they would definitely have their jaw dropped.

In ancient times, Zhou Youwang smiled for Bo Hongyan, and now the lords of the beacon play, Ye Chen smiled for Bo Maimai, and the sky was decorated with spirit stones.

"Although the Palace Master is strong, I have forgotten one thing after all. He is only in his twenties. Shouldn't this be the case at this age?"

"However, at such an age, he has reached this strength, and if he grows up, will he become the first person on the Huaxia Grandmaster list in one year?"

"Let's go."

Ye Lingtian showed a look of expectation at the corner of his mouth, then lowered his peaked cap and disappeared into the darkness with Luo Sha.

In the lake, Ye Chen and Xia Ruoxue returned to the boat, and the two enjoyed their time very much.

Killing is not his heart, his heart is this moment.

Ye Chen saw Xia Ruoxue smile no less than a hundred times today. With this smile, all the beautiful things can only serve as a foil.

At nine o'clock in the evening, Xia Ruoxue took Ye Chen's hand and looked at the time: "It's nine o'clock, let's go back. It's almost crazy today."

"it is good."

The two returned to the villa, and each went to their own room to take a bath.

I don't know why, Ye Chen always feels something is wrong.

He asked Ye Lingtian to investigate everything about the Xia family, and there was nothing unusual.

Could it be because of the Qin family?

The Qin family was in Kunlun Mountains, and he had not yet returned. He kept the Dragon Soul's attention to the airport, trains, toll gates and various stations in Jiangnan Province.

Once the Qin family returns, he must know the news as soon as possible.

And he not only wants to know the news, but also to slaughter the Qin family!

The existence of the Qin family is always a threat.

But now that the Qin family is not in Jiangnan Province, it is naturally impossible to affect Ruoxue's mood.

"Forget it, I don't want to. The \*\*\*\* disaster on Xia Ruoxue's body is the past few days. No matter what, I will try to stay with her these few days."

"Soldiers come to block, water comes to cover, no matter what the game, it is broken!"

After taking a shower, Ye Chen returned to the room and sat cross-legged. As soon as he entered the cultivation state, he found that the door of the room suddenly opened.

I saw Xia Ruoxue standing at the door, her hair just dried, but there was still a trace of water droplets on the tips of her hair.

Perhaps because of the high temperature in the bathroom, her face was red, and her eyes were even more charming.

With such a scene, Ye Chen couldn't help swallowing.

"Ye Chen, have you finished the bath?"

Xia Ruoxue asked.

"finished Wash"

Ye Chen had already guessed something.

Xia Ruoxue nodded, pretending to be calm.

"I said, we are all lovers on this day, so you shouldn't mind if I come in."

Ye Chen shook his head: "Don't mind."

"it is good."

Xia Ruoxue closed the door and locked it directly.

The smell of hormones in the whole house is constantly emanating.

Xia Ruoxue glanced at the quilt, opened it directly, and stepped in with her long white legs.

The atmosphere is solemn.

The key is that Ye Chen still can't figure out Xia Ruoxue's path.

What is this girl going to do?

The moment his eyes met each other, Xia Ruoxue said, "Tonight, I am yours."

"You are mine too, that's it."

In the next second, Xia Ruoxue's red lips kissed directly.

He pushed Ye Chen directly onto the bed!

This made Ye Chen a little confused, reverse push?

Although Xia Ruoxue's iceberg character has melted a lot, it hasn't reached the point of retrospection.

But he also knew very well that Xia Ruoxue liked herself, and she liked him.

This in itself is a matter of mutual affection, but this sudden progress is a bit fast.

"Ye Chen, starting from today, I will be your woman."

Xia Ruoxue's cold voice penetrated Ye Chen's ears.

With heavy breathing, her clothes were directly taken off by her.

The mountains are proud.

It came out without warning.

Under the flat lower abdomen, Ye Chen couldn't help but swallow.

Xia Ruoxue's figure is actually very good, perhaps because of her fitness all year round, she doesn't have a trace of fat.

With the devil's figure and the face of the angel, which man can hold it?

Ye Chen's clothes were also removed.

The two met completely frankly.

Xia Ruoxue glanced under Ye Chen, slightly frightened, her face flushed even more shame.

Although he was strong just now, he was still a little scared at the last step.

But she does not regret it.

She really likes Ye Chen.

This feeling is very subtle, as if leaving Ye Chen, the world would become boring.

As for Qin Zhengyang's marriage contract with her, she didn't care at all.

At this moment, she didn't care about the anger of the Qin family or everything, just wanted to linger with the man in front of her.

Ye Chen rolled over and pressed Xia Ruoxue under him.

The lip \*\*\*\* are obtained from every place of her perfect skin.

As a virgin body, Xia Ruoxue suffered, and her body softened.

Without a trace of strength.

She even accidentally touched a ball of fire.

An electric current seemed to penetrate her body.

Looking at each other, Xia Ruoxue nodded, knowing what would happen next.

The next second, a warm package.

Pain, tearing, but a different feeling.

A plum blossom spread out on the sheets.

Xia Ruoxue smiled. For some reason, she felt that this was her happiest moment.

At least, today, she is no longer the daughter of the Xia family.

She is Ye Chen's woman.

At least, today, she can decide her own destiny.

No turning back.

Soon, the two bodies collided, and a joy of love spread throughout the room.

at the same time.

Jiangcheng High-speed Railway Station.

A girl about 13 years old appeared at the gate of the high-speed rail station.

She is wearing a light green shirt~[www.mtlnovel.com](http://www.mtlnovel.com)~ with a face of melon seeds, although immature but delicate, a pair of clear eyes are staring around.

All curious.

Her hair was a bit messy, and she frowned when she saw a few girls of about the same age passing by her carrying schoolbags.

"Why are the people outside Kunlun Xu so weak? They don't even have a body tempering state?"

"I don't know where that guy is. The old guy said he came to Jiangcheng. Why doesn't Jiangcheng have any breath? What the hell!"

The girl frowned and walked outside the station.

Every few hundred meters, the fingers choked, making some strange gestures.

"Hey, this job of finding someone is really difficult, and it has delayed my cultivation time!"

Chapter 266: Storm is coming! The situation has changed!

The girl took out a photo, and waved to a middle-aged man who came on her face: "You are right, that's you, come here, this girl has something to ask you."

The middle-aged man with glasses was a little confused, but he looked at the other party as a child, and it is night, maybe the other party is lost, and he didn't care too much. He curiously said: "Little sister, are you lost? "

The girl shook her head, pointed to the person in the photo and asked, "Have you seen this guy in the photo?"

If Ye Chen is here, he will definitely find that the young man in this photo is him!

The middle-aged man glanced at the man in the photo and shook his head: "I'm not a local either. You can ask other people."

The girl's eyes were a little lost, and suddenly, she noticed something, and her body instantly turned into an afterimage!

Disappeared in front of the middle-aged man!

The middle-aged man only felt a gust of wind blowing, and then the little girl in front of him was gone!

He looked around, there was no shadow!

The middle-aged man took off his glasses, rubbed his eyes, and said, "Is it a hallucination? It seems that I have worked too much overtime these days."

the next morning.

Ye Chen just opened his eyes and subconsciously wanted to hug Xia Ruoxue beside him.

But found that there was nothing around him.

He got dressed, washed briefly, and when he got downstairs, he found that Xia Ruoxue and Sun Yi were already having breakfast.

Sun Yibai glanced at Ye Chen and said, "Your kid can sleep. It's almost nine o'clock. I usually wake up so early. Today I sleep like a pig. I have called you several times."

"It doesn't matter, I have to make the final preparations today. Shen Haihua and I attach great importance to this press conference. For the sake of our hard work, do you, the big boss behind the scenes, want to give more year-end awards?" Sun Yi joked Tao.

Ye Chen nodded: "Yes, the entire Tianzheng Group can give it to you."

Sun Yibai glanced at Ye Chen, and immediately took the bag and prepared to go out: "The press conference is at eleven o'clock. The press conference is over. I should be able to rest for a few days and make something delicious for you."

After speaking, Sun Yi disappeared in the villa.

Only Xia Ruoxue and Ye Chen remained in the restaurant.

Ye Chen pulled out the chair next to Xia Ruoxue and said, "Should I tell me what happened now?"

"Yesterday you said you were my woman."

Xia Ruoxue's face blushed, and Ye Chen's phone rang when she was about to talk.

It is a text message.

"Mr. Ye, received the news that the Qin family is on the way back to Jiangnan Province."

Seeing this news, Ye Chen was startled.

Immediately, she looked at Xia Ruoxue: "You should have known that the Qin family is coming back."

Xia Ruoxue was startled, she didn't know how to say it, but she didn't expect Ye Chen to know about it.

"What you are worried about should be the marriage contract between you and Qin Zhengyang."

Ye Chen continued, his tone filled with indifference.

A few seconds later, Xia Ruoxue said, "Ye Chen, thank you for everything you gave me yesterday. I don't regret it."

"But I hope you don't interfere with the Qin family's affairs, because this time not only the Qin family is back, but also the Kunlun Mountain powerhouse."

Hearing these words, Ye Chen's eyes condensed.

It seems that the Qin family is so unscrupulous this time, relying on the Kunlun Mountain.

If he guessed right, this Kunlun Mountain powerhouse is likely to be the same as him!

It may even be the kind of existence expelled by Kunlun Xu.

But even so, he was not afraid.

Ye Chen held Xia Ruoxue's hand and said word by word: "Since you are my Ye Chen's woman, no one in this world is qualified to move you!"

"The day the Qin family returns is when he exterminates the clan."

"Will you believe me?"

Xia Ruoxue's beautiful eyes stared at Ye Chen tightly. After a few seconds, she nodded: "I am willing."

"Well, you stay in the villa these two days and leave the rest to me." Ye Chen said seriously.

"it is good."

Xia Ruoxue didn't refute anything. She knew that as a woman, she would trust her man without hesitation at some point.

The key is that the man in front of him, from Jiangcheng to Jiangnan Province, has never failed.

Ye Chen stood up, went directly to the balcony on the second floor, and made the first call to Rakshasa!

"Twenty-four hours, stay at the villa! If irrelevant personnel rush in, they will kill you!"

"Yes, my lord!"

Ye Chen broadcasted a second call.

"The Qin family is coming back, Ye Lingtian, what is your strength, and what is the power of the dark palace?"

"Hall master, don't worry, what your Jianfeng points to is the battlefield of the dark palace!"

"it is good."

Ye Chen wanted to make a third call.

But after thinking for a long time, I gave up.

This phone should not be used for the time being.

He doesn't know if the person the old man said is still alive.

When he came out of Kunlun Xu, the old man only threw a word.

"When you get outside, remember that you are my disciple and no one is qualified to move you. If they don't have long eyes and you can't deal with it, call this call. He will help you settle everything.

If the call fails, it means that the person is dead and you have no chance with him. "

"Remember, this call can only be broadcast once. Don't try it until life and death are at stake."

Putting the phone in his pocket, Ye Chen closed his eyes and held the black stone in his hand.

The reincarnation cemetery instantly appeared in front of him, and the light of the third tombstone became more and more bright.

But it still hasn't reached the point of motivation.

The Dragon Slashing Sword appeared in Ye Chen's palm! Looking towards the sky, his cold murderous intent shot out and said lightly: "The strong from Kunlun Mountain? I hope you don't let me down!"

Wandal Airport in Jiangnan Province.

A private jet landed slowly.

Originally, there were very few people at Wandahar Airport, but this time it was surrounded by water.

The weird thing is that these people are not ordinary star chasers, and everyone has a strong martial arts aura! Either it is a posture of a superior!

Any one of them is taken out alone, almost all the big figures in Jiangnan Province!

These people have long received the news of Qin's return!

I even know that the Qin family has returned with the top powerhouse from Kunlun Mountain this time!

How could the strong person who could make the Qin family travel between the two places and use the power of the whole clan to invite them to be weak!

The existence of this strong man will definitely change the current situation in Jiangnan Province!

Even the shadow shrouded by the hunter Ye Chen, UU reading [www.uukanshu.com](http://www.uukanshu.com) directly split!

In the past few days, the various martial arts families in Jiangnan Province are in panic! For fear that if you accidentally offend the hunter, you will be wiped out!

The key Wu Family and Tang Family were beheaded by this kid!

Who can stop him?

If this continues, the hunter seems to be the first person in Jiangnan Province!

And the Qin family's return this time must change the existence of this situation!

They are all human beings. If they don't stand in line now, when will they have to wait!

Chapter 267: The battle begins!

With everyone's eager expectations, the plane stopped completely.

The cabin door opened, and the one who walked out first turned out to be an old man in a robe.

The old man's eyes are very small, but every step he takes, he surges with a strong aura.

Not only that, the Qin Family Patriarch and Qin Zhengyang, the martial arts genius of the Qin Family, followed carefully behind them.

I was afraid of offending the old man.

Everyone is short of breath.

They naturally knew that this old man in the robe was the top powerhouse that the Qin family had traveled far and wide to invite!

Although I don't know the strength of the old man, but the Qin family can be so flattering and respectful! It must be horrible!

The old man in the robe got off the plane, glanced at everyone, and said to Qin Zhengyang: "Apprentice, it seems that your Qin family has some prestige in Jiangnan Province, so many people come to welcome you, and there are many strong ones."

Qin Zhengyang smiled, and quickly said: "Master may have understood it wrong. My Qin family does not have this kind of background. These people are all here to witness your master's style!"

"See my demeanor?" The old man in the robe was a little surprised, "I'm just a common name, how would people in Jiangnan know?"

Qin Zhengyang said mysteriously: "Is it right? I will know later."

"By the way, Master, I heard that a hunter was born in Jiangnan Province recently. This son killed the two major martial arts families in Jiangnan Province at a very young age. The methods are extremely harsh. Jiangnan Province is panic now. "

The robed old man raised his eyebrows: "Is there such a thing? Hunters, still can't kill the door? Such arrogant people generally can't live long."

Qin Zhengyang turned his eyes and continued: "Master, what if this kid deals with my Qin family?"

The old man in the robe stopped and snorted coldly, "Don't worry, with me, this child has turned into a mist of blood before stepping into the gate of the Qin family!"

Hearing this reply, Qin Zhengyang was ecstatic in his heart, and that was what he was waiting for.

During this period of time, he heard some things in Jiangnan Province intermittently, and naturally knew that the Blood Plum Palace did not kill Ye Chen.

The key is that Ye Chen grew too fast during the period when the Qin family was away.

almost his light can't cover it.

If Ye Chen is really as scary as the legend, it would be too difficult for the Qin Family to deal with.

Only with the help of the master, with this answer, he is like taking a reassurance pill.

The group of people got off the plane, and soon, the heads of the martial arts family rushed up and took out a precious gift from their arms.

"The Grand Master came to Jiangnan Province, this is a little bit of our family's heart."

"The grandmaster is extraordinary, my Xu family really admires a great name! A Qingyundan is dedicated to the grandmaster..."

"Grandmaster, I set up a seat in Dingyuan Restaurant for the grandmaster and Qin's family to wash away the dust. Please also enjoy your face..."

A precious gift was handed over to the old man in the robe, and they were all accepted by the Qin family.

The old man in the robe didn't speak, he naturally knew the reason for this group of people doing this.

is nothing more than seeking standing in line and asylum.

The humble and weak, it has always been like this.

Qin Zhengyang felt that it was the same, so he said loudly: "Everyone, there is no need to eat. My Qin family has already set up a banquet for the teacher in Nanqin Villa. If you don't dislike it, you can go together and see the grace of the teacher by the way."

Those people were surprised and envious when they heard that Qin Zhengyang had become the apprentice of the old man in the robe!

In this way, the first throne of the Qin family in Jiangnan Province is completely stabilized!

At this moment, a little girl just passed the exit, and beside him was a middle-aged man who also had a martial arts aura.

The middle-aged man is Meng Yuanchang, the head of the Jiangcheng Meng family!

When Chu Shuran dealt with the Meng family, Ye Chen accidentally saved his life.

Last night, the little girl discovered that Meng Yuanchang had Ye Chen's breath, so she found it directly and threatened Meng Yuanchang to take her to see Ye Chen.

Meng Yuanchang didn't want to bother at all, but the moment he saw the little girl's strength, he really lived to hell!

This teenage girl is actually even more terrifying than his existence after decades of cultivation!

What happened to Jiangcheng, so many enchanting talents suddenly emerged.

Meng Yuanchang knew that the people from the Qin family were the top powerhouses in Jiangnan Province. For fear of the little girl behind him causing trouble, he led the little girl in the other direction.

Unexpectedly, the little girl didn't plan to leave at all. Instead, she stared at the old man in the robe interestingly, and muttered: "I finally met someone who can fight, no, I'm going to play with..."

Meng Yuanchang's face pale in fright, and quickly said: "Auntie, please, don't make trouble, maybe you can see Master Ye soon..."

The little girl thought for a while, and put away the fight: "Forget it, it's important to find Ye Chen, and lead the way! If you can't see Ye Chen today, I will let you feel my cotton killing punch!"

Meng Yuanchang: "....."

.....

villa.

Ye Chen practiced cross-legged on the sofa, while Xia Ruoxue looked at the magazine.

Xia Ruoxue planned to go out several times, but Ye Chen refused.

Right now, besides practicing, Ye Chen's most important thing is to protect Xia Ruoxue.

never leave!

Because he found that the fierce aura on Xia Ruoxue's forehead became stronger and stronger.

is extremely unfavorable.

As for the Qin family, he doesn't plan to come to the door himself, he believes that the Qin family will put his face together and slap him!

What he needs to do most now is to hit his cultivation base. Maybe he stepped into a small realm, and then the third tombstone could be completely aroused.

This is his biggest hole card.

The only variable at present is the strong man invited by the Qin family from Kunlun Mountain.

If the opponent's strength is on par with him, then there is no worries.

If the strength far exceeds him, it is destined to be a hard fight.

"Ding."

Ye Chen's cell phone rang.

Dragon Soul's message "Mr. Ye, the Qin family has got off the plane."

Then, Xia Ruoxue's cell phone rang.

When she saw the name on the phone, her face changed slightly. She just wanted to reach out and pick it up, and she swept through her phone. Ye Chen directly grabbed the phone in the palm of her hand.

Ye Chen glanced at the name, and a smile was drawn at the corner of his mouth.

Press the answer button~[www.mtlnovel.com](http://www.mtlnovel.com)~ An evil voice came: "Xia Ruoxue, you should be clear about the original agreement, when I Qin Zhengyang comes back, it is the time of our marriage contract! I think..."

Before he finished speaking, Ye Chen interrupted him: "Qin Zhengyang, I may disappoint you, Ruoxue is now my woman."

Hearing this sound on the other end of the phone, he was startled, and then a wave of anger penetrated: "Ye Chen!"

"Snapped!"

There was a loud noise on the other end of the phone, and I hung up completely.

Ye Chen's eyes flashed with coldness.

The battle has started.

Chapter 268: Handle it all!

Winding road.

A Bentley business car headed for Nanqin Villa.

Inside the car.

Qin Zhengyang heard Ye Chen's words and squeezed the phone directly, rushing to the top of his head with anger!

Xia Ruoxue is his woman, what right does this kid have to move!

And what Ye Chen meant just now was obvious. Something must have happened between him and Xia Ruoxue.

Damn it!

When I thought of my fiancée being taken the first step by others!

His eyes flashed with an extremely infiltrating gloom!

"Xia Ruoxue, this bitch, dare to fight against me? Good! Very good! Do you think you can avoid me like this? Dreaming!"

"No one can stand on the opposite side of me, now I not only want to marry you, but also humiliate you in front of everyone in Jiangnan Province!"

Check out new PVP arena battles!

Qin Zhengyang roared with anger in his heart.

The old man in the long robe sitting opposite seemed to have noticed something, and he said, "Audience, what makes you so angry?"

"Speaking out as a teacher might help."

Qin Zhengyang thought for a while, still shook his head and said: "It's nothing, I just heard that the hunter is extremely arrogant! It's just a little angry."

It is naturally impossible for him to tell the matter, this is a shame to any man!

What's more, if the master knew it, he would definitely underestimate his Qin family!

Can't even hold a woman, still want to guard the country?

The old man in the long robe gave Qin Zhengyang a deep look: "Don't worry, disciple, if the hunter dares to step into Qin's house, I will let him die without a place to be buried!"

After the words fell, he thought of something, and said to Qin Zhengyang: "Apprentice, when I heard that you came back in Kunlun Mountains, the first thing you did was getting married. When will I bring that girl to my teacher? I can fortune your marriage."

Qin Zhengyang looked a little wrong after hearing that, but still said: "The master said that when I arrive at Nanqin Villa, I will send someone to invite it."

"Ok."

The old man in the robe stopped talking, closed his eyes, and a trace of aura surged all over his body.

Everything around the Bentley seemed to be controlled by someone.

This is the power controlled by the real strong.

After half an hour, Nanqin Villa, a room.

Qin Zhengyang secretly found the six masters of the Qin family.

The strength of these six people is almost in the top ten of the Qin family.

Qin Zhengyang's eyes were cold, and he gave an order: "If I guessed correctly, Xia Ruoxue should be in that kid's villa. The six of you go to explore the bottom. If that kid is not there, bring Xia Ruoxue back to the villa. , You should take the opportunity to test the strength of the other party, the rumors from the outside may not be true, you still have to see it for the truth."

"Yes, Shao Qin!"

Mingcui Villa.

Rakshasa wearing a peaked cap and sunglasses is sitting in a pavilion outside the villa.

This is a public place in the Mingcui Villa area. It is only a few tens of meters away from the villa where Ye Chen is located, and it can just get insight into everything around it.

He has been sitting outside for six full hours.

Not moving like a mountain.

Who would have thought that the existence of the dominance in that country would actually be such an errand here?

He has no choice, a drop of blood has been controlled by the opponent.

Ye Chen wanted to kill himself easily, and he would definitely die.

Besides, behind Ye Chen stood the terrifying and powerful Chen Qingcang!

Maybe staying with Ye Chen is not necessarily a bad thing.

Suddenly, when Luo Sha found something, his eyes suddenly shrank, and the cold murderous intent was released.

In my sight, the six people are rushing towards a villa, and the key is that these six people are full of strong aura.

Budo powerhouse!

Stop thinking about it, Rakshasa lightly steps, and his body rushes out like a cannonball!

The speed is extremely fast!

came in front of the six masters of the Qin family in the blink of an eye.

The six powerhouses of the Qin family obviously didn't expect that someone with such a weird dress would stand in front of them.

Because the China Martial Arts Bureau blocked all news, the Qin family naturally did not have the right to know Raksha's performance on the Martial Arts Station.

Rakshasa stared at the six people in front of him coldly, and said faintly:

"I just say a word, no one is allowed to approach that villa, offenders, kill!"

In a single sentence, Rakshasa released an icy murderous intent, which made people palpitation.

"It looks like you are that little brute dog!"

"The brute offended Shao Qin, he will definitely die!"

Hearing these words, a short knife appeared in Raksha's hand.

The short knife is extremely sharp, and the cold light penetrates people.

The six felt something was wrong, they glanced at each other, and no longer hesitated: "Do it!"

In the next second, six people rushed towards Raksha, very fast!

In the blink of an eye, the shadows of fists and palms came over the sky, like a giant net covering the Rakshasa.

Endless murderous intent would be scared to death if replaced by a general martial artist.

But Rakshasa is not afraid, a sneer is outlined at the corner of his mouth, his legs burst out, and the whole person jumped three meters high.

Then, with a turn of his right foot, he swept directly towards the giant net of condensed moves!

"Tear!"

His right foot directly tore the fist shadow and palm print! It slammed into two of them steadily!

"Boom!"

The strong wind swept through, the momentum was monstrous!

The two people only felt that their bodies were hit by a bulldozer, and their bodies turned over! Hit directly on the lawn not far away!

Even if it is the lawn, it slows down a bit of strength for them, the bones of the whole body are still broken!

The two of them could no longer restrain themselves, spit out a mouthful of blood, and passed out completely~[www.mtnovel.com](http://www.mtnovel.com)~ This scene stunned the remaining few!

Who would have thought of attacking six strong men at the same time, this guy not only was not injured, but also defeated the others!

What the \*\*\*\* is this!

"It's your turn!"

Before the remaining four people could react, Rakshasa disappeared!

The next second, appeared in the crowd!

Like a storm swept away, wherever he went was a mess!

The Qin family's strong man was dead and wounded!

has no power at all!

Raksha deal with them is as easy as an elephant crushes an ant to death!

The key, such a strong man, would become a guest of honor anywhere, but how could he be like a gatekeeper here in Ye Chen.

Before those people could react, the door of the villa opened.

Ye Chen glanced at the few people on the ground who were almost seriously injured. With a hint of coldness in his eyes, he came to one of them and asked condescendingly: "If I didn't guess wrong, Qin Zhengyang let you come."

The man closed his mouth tightly and didn't want to speak. Unexpectedly, Raksha stepped on his finger!

Five fingers connected to the heart, the powerful pain almost made him hideous!

"Answer the adult's question, otherwise, I will make you unhappy!"

The man couldn't take care of everything at all, and kept nodding: "Yes, Qin Shao asked us to take Miss Xia! We also acted on orders, and please spare my life."

Ye Chen glanced at the remaining few people, and said to Luosha: "Except for this person, everyone will deal with it!"

"Yes, my lord!"

Chapter 269: Threat!

Raksha went to the remaining few people.

Ye Chen squatted down, took out a pill, and said to the Qin family master: "Take this pill, and then bring me a sentence to Qin Zhengyang."

The man looked at the pill that Ye Chen handed over and knew that it was not a good thing, but he had no ulcer at all at the moment.

When he just wanted to speak, Ye Chen shot the medicine pill directly and got into his mouth.

The fragrance of medicine overflowed, and he felt his body burning up!

Afterwards, Ye Chen's cold words fell directly: "Tell Qin Zhengyang and let him enjoy the last few remaining hours, and I will personally go to Nanqin Villa to claim my life!"

After the words fell, the person was directly thrown out by Ye Chen.

The man smashed heavily on the ground, feeling that the bones of his whole body were falling apart. In desperation, he could only perform the exercises, supporting his body and heading outside.

Ye Chen narrowed his eyes and stayed outside for a while. Just about to go back to the villa, a voice came from behind him.

Two figures came towards him.

"Ye Chen, now the whole Jiangnan is beginning to tell about the battle between you and the Qin family. I think you need the Blood Plum Palace now."

Ye Chen stopped and didn't turn around, knowing the two people standing behind him.

One of them is Lu Hanshuang, and the other is Ling Feng, the helm of the Jiangnan Branch of the Blood Plum Palace!

"I said, no need." Ye Chen said.

Ling Feng smiled: "You should also know that the Qin family invited the Kunlun Mountain person. It is impossible to be an enemy with your strength. The Qin family now is not what it used to be. It has firmly become the No. 1 family. A family can even be said to be the top martial arts power of Jiangnan Shuzheng, how do you fight it alone?"

"As long as you promise to be the killer of my blood plum palace, I will definitely support the strong from the blood plum palace headquarters and help you!"

In Ling Feng's view, this move is undoubtedly a help in the snow!

If this apricot is a little more mindful, it is impossible to refuse!

Seeing that Ye Chen hadn't spoken, Ling Feng thought that the other party's heart was moving, so he continued: "Even if you don't think about yourself, you have to think about Xia Ruoxue. The background of the Blood Plum Palace in China is not something a Qin family can resist!"

"You don't even need to act, the Blood Plum Palace can help you erase the Qin family!"

"This condition is very rich. I believe you don't have much time to consider it now."

Ling Feng thought Ye Chen would compromise, but he didn't expect Ye Chen to turn around and leave.

"Raksha, if these two people don't leave, they will be the same!"

The expressions of Ling Feng and Lu Hanshuang changed! The eyes of the two men were horrified!

Unexpectedly, Ye Chen still refused under such a dead end!

Without the Blood Plum Palace, does he plan to live today?

Just as Ling Feng was about to step forward, a figure stood in front of him!

It is Raksha!

Although he was wearing sunglasses, the powerful killing intent and coldness made Ling Feng feel a little scared.

There is such a master beside Ye Chen!

They arrived a few minutes late and did not see Rakshasa taking action!

But this did not affect their perception of Raksha's strength.

"If you don't leave, don't blame my ruthless men!"

Ling Feng and Lu Hanshuang looked at each other and walked directly outside.

At the same time, Nanqin Villa.

Qin Zhengyang's door was knocked!

His eyes were happy, and he quickly said: "Come in!"

In the next second, a figure stumbled in!

"Young Master"

Qin Zhengyang stood up and saw the man in front of him, his eyes filled with anger!

problem occurs!

He didn't care if the man was injured or not, he just grabbed his neck!

"Say! You are the only one who came back when what happened? How about the others!"

Qin Zhengyang's voice was extremely cold.

The man's face was pale, afraid to the extreme, he could only hoarse his voice: "There is a master around that guy, and the rest have been beheaded {even let me come back, let me bring you a word"

"Boom!" Qin Zhengyang directly threw the man out heavily!

"What did he say?"

The man hesitated for a few seconds, or honestly said: "He lets you enjoy the last few hours left, Master, and he will personally go to Nanqin Villa to claim his life!"

After speaking, the man felt a fiery sensation from his body.

His body inflated like a balloon!

Qin Zhengyang's expression changed, and he was just about to go outside!

The man exploded suddenly; blood rushed across the room!

Qin Zhengyang's body was overturned on the spot!

The house is full of blood!

shocking!

Qin Zhengyang's face was also full of blood!

He has never been so embarrassed since childhood.

He was full of anger, gritted his teeth and said: "Ye Chenri is either you or I!"

After a roar, Qin Zhengyang calmed down and dialed a call.

"Bring me the parents of that \*\*\*\* to Nanqin Mountain Villa, I would like to know how that \*\*\*\* will ulcerate in front of his parents and this crap!"

After half an angle, Mingcui Villa.

Xia Ruoxue walked around in the villa, wondering why she felt a little uneasy.

Ye Chen checked the time and sent a text message to Ye Lingtian.

"How are you preparing?"

Soon he received news from Ye Lingtian-he had already reached the outskirts of the South Qin Villa, waiting for the order of the palace master.

"it is good!"

Ye Chen stood up, came to Xia Ruoxue's side, and swelled Xia Ruoxue's waist.

"I'll go out for a while, and Rakshasa will protect you during this time."

Of course Xia Ruoxue knew what Ye Chen was going to do. Just when she wanted to talk, her mobile phone rang.

It was from Xia's mother.

"Mom, what's the matter?"

Xia Ruoxue thought that her mother's voice would come from the other end of the phone, but she didn't expect a male voice of evil spirits to sound.

"Xia Ruoxue, if you don't show up at Nanqin Villa, I swear that I will cut off your parents' heads and send them to you as a gift! Hahahaha!"

Xia Ruoxue's face was full of anger~[www.mtlnovel.com](http://www.mtlnovel.com)~ loudly said: "Qin Zhengyang, you despicable villain!"

Qin Zhengyang did not respond at all, but continued: "Despicable? You are afraid that you haven't seen the more despicable side of me, tell Ye Chen that apricot! Later will be my master's reception banquet, if he dares to come, my Qin family is very welcome !"

Soon, the phone hung up.

Xia Ruoxue's eyes showed a trace of hesitation, her fists clenched, and she didn't know what she was thinking.

Right now, she has no sores, and the fate of her parents is in her hands!

She made up her mind, looked at Ye Chen, and said firmly: "Ye Chen, can you take me to the South Qin Villa, I'm afraid of my parents"

Although her parents have been forcing her since childhood, she knew very well that her parents really loved her.

Some decisions are just compelling.

If something happens to her parents now, if she doesn't stand up, there may be shadows for the rest of her life.

Chapter 270: coming!

Ye Chen naturally heard the content on the phone and nodded: "Okay, then you can go to Nanqin Villa with me."

The two forces of Dark Hall and Raksha exist at the same time, and it should not be difficult to protect Xia Ruoxue's safety.

She wants to go, so go.

...

Huazheng five-star hotel in Jiangnan Province, presidential suite on the top floor.

Standing in front of the French windows, Jiang Jianfeng narrowed his eyes and looked at the scenery of Jiangnan Province.

A man kneeling behind him was telling something about Jiangnan Province.

Compared with the Jingcheng, the scenery of the south of the Yangtze River is handsome and generous, but it lacks a trace of charm.

Jiangnan Province may be big enough in the eyes of many people.

But when they set foot on the capital, they will find that Jiangnan Province is too small.

Regardless of people or things.

For a long time, the people behind had already said the matter.

Jiang Jianfeng also turned around, and said lightly: "You mean, how good is that evil kind of evil?"

The man kneeling on the ground nodded: "Mr. Jiang, the Qin family may not be afraid, but the strong man who descended from Kunlun Mountain is not that simple."

"I went to the airport and took a look today. Although the other party did not make a move, I can feel the aura surging in the other party! Very strong! Even if Ye Chen has that Rakshasa, there is no possibility of being alive!"

The corner of Jiang Jianfeng's mouth showed a curve: "I remember you said something similar a few days ago, but isn't that evil kind of alive?"

The man was startled, with something wrong on his face, but he still said: "The previous few times it was because I didn't thoroughly understand the details of the evil seed. It should be about the same now, and I have received news from my side that the evil seed has now left Mingcui. The villa, head towards Nanqin Villa!"

Jiang Jianfeng nodded and sat on the sofa, holding two spirit stones in his palms.

The spirit stone revolved, and the entire hotel room overflowed with a strong spirit.

After a long time, he opened his mouth and said: "You also set off for a trip to Nanqin Mountain Villa. If this wicked species dies, it may be destined. If this wicked species survives by chance, you will personally bring him to me!"

"I really want to see how a Fangen waste got to this step!"

"Yes, Mr. Jiang!"

...

South Qin Villa.

The guests are full.

Most people came here to get a glimpse of the grandmaster of Kunlun Mountain. More importantly, everyone knew very well that today the hunter might also come to Nanqin Villa.

"If the hunter Ye Chen came, what chance might he have?"

"I think one point, according to Ye Chen's strength, the Qin family may not be enough to contend, but if you add that Kunlun Mountain powerhouse, it is really not necessarily."

"Indeed, I felt an extreme danger from that robe old man! This kind of danger is far more terrifying than Tang Ao and the hunter Ye Chen!"

"Don't say that, everyone, I think that Ye Chen will not step into the South Qin Villa. Maybe this kid has left Jiangnan Province long ago. After all, after the Qin family came back, the situation in Jiangnan Province has completely changed! The original three-legged Jiangnan Province The martial arts world may become the respect of the Qin family..."

There were constant whispers in the field.

Not far away, sat a middle-aged man and girl.

It was Ling Feng and Lu Hanshuang.

The two of them have never shown themselves in their true colors, and appearing here simply and easily, naturally no one will doubt.

Lu Hanshuang looked at Ling Feng and said in a low voice, "Dad, what do you bring me here? I still have a task today."

Ling Feng looked at the robed old man and Qin Zhengyang not far away, and said lightly: "For the Blood Plum Palace, this is the most important task!"

"Ye Chen refused us, but I want to see if this son can leave Nanqin Villa alive!"

Lu Hanshuang's face turned pale, thinking of something, and asked: "Dad, I still owe Ye Chen favor. After all, he saved me at the beginning. If Ye Chen is really in danger, would you like to take action?"

Ling Feng shook his head: "It's useless for me to shoot. It's not as simple as you think. The old man in the robe, I feel that if he has a single round of strength, at least the top 20 of the Huaxia Grandmaster ranking, the aura on his body is too dangerous... "

"Moreover, I have smelled the faint blood in the air. It is estimated that it will not be long before there will be death in Nanqin Villa!"

At this moment, the crowd burst into a loud noise.

Ling Feng and Lu Hanshuang found something, their eyes shot in one direction!

Soon, they noticed that a car was slowly entering Nanqin Villa.

No one dared to stop!

A few seconds later, the car stopped, the door opened, and a figure of a young man emerged.

The youth with short black hair is extremely energetic, with slanting and sharp eyebrows, slender and sharp black eyes, thin lips, sharp outlines, slender tall but not rough body, like an eagle in the night, cold and arrogant Pure but arrogant and compelling, the solitary independence exudes the strength of ignoring the world.

Just such a stop seems to be its own domain.

Looking at the whole Jiangnan Province, besides Ye Chen, who else will there be!

Ye Chen glanced at everyone and smiled ~[www.mtlnovel.com](http://www.mtlnovel.com)~ directly stretched out his hand to help Xia Ruoxue down.

The appearance of the two dimmed the audience instantly! Or it shocked the audience!

Those guests, or the big figures in Jiangnan Province, are all short of breath!

They think Ye Chen might come!

But I never thought that Ye Chen not only came, but also brought Xia Ruoxue!

Xia Ruoxue is the fiancée of Qin Zhengyang, the young master of the Qin family!

Ye Chen held Xia Ruoxue's hand in front of so many people, and it was crucial that the two of them were extremely close!

Isn't this intentionally embarrassing and embarrassing the Qin family!

The Qin family guessed that his face would be hard to see the extreme!

Everyone glanced at Qin Zhengyang's table!

really!

Qin Zhengyang and the Qin family around them turned pale to the extreme!

Some people even trembled. If it weren't for the old man with a robe sitting next to him, he would have slapped the table and started.

The old man in the robe sensed something was wrong, glanced at Ye Chen and Xia Ruoxue, and then at Qin Zhengyang: "If I guessed correctly, then the kid is the hunter."

I don't know why, the old man in the robe discovered a familiar feeling in Ye Chen.

He didn't think too much.

Qin Zhengyang nodded: "Master, that kid is the hunter who makes Jiangnan Province uneasy, Ye Chen."

The old man in the long robe thoughtfully, then he said: "It seems that this kid is here to trouble the Qin family, but since it is troublesome to the Qin family, why should you bring a woman who has no cultivation level? Doesn't this mean trouble for yourself? ?"

Qin Zhengyang didn't speak, he stared at the two clinging fingers, his anger seemed to hit his head!

Who would have thought that this kid would be so unscrupulous to this point!

Do you really think there is no one in his Qin family?

At this moment, Father Qin said: "My adults don't know, that girl is the wife of my Qin family who has never been through the door!"
