

Urban Medical 271

Chapter 271: Frightened!

Father Qin already felt the discussion around him, and he couldn't hide this matter, so he might as well confess it.

Hearing these words, the old man in the robe showed more interest in his eyes and looked at Qin Zhengyang and said, "As my disciple, you can't even hold onto a woman."

"Master, I..."

Qin Zhengyang felt aggrieved, he really wanted to kill Ye Chen now!

The old man in the robes waved his hand and said: "I don't need any reason. I wanted to kill this man for you, but now it seems that you should try to kill him. I will kill him for you. It can solve the problem. The fact that your Dao Heart is damaged can't be ignored.

"Only by killing yourself can you benefit a lot."

"Also, during this period of time you practiced with me, and I also taught you some rare martial arts. It's time for me to see the results!"

Qin Zhengyang stood up and said seriously: "Yes, master! I will cut off this son's head personally!"

Just when Qin Zhengyang was about to leave, the old man in the robe said, "Wait a minute."

Then, a sound of breaking through the air sounded.

Qin Zhengyang stretched out his hand and opened it directly, and soon found a pill lying on the palm of his hand.

The long-robed old man said indifferently: "This pill can improve your strength. I hope you don't let your teacher down!"

"Yes, Master!"

Qin Zhengyang held the pill tightly and walked towards Ye Chen and Xia Ruoxue.

The air is dignified to the extreme.

Murder has been brewing to the extreme!

The fight is about to start.

Qin Zhengyang stopped, staring at Xia Ruoxue with cold eyes, and said, "Bitch, have you forgotten the lesson I taught you at the beginning!"

"I warned you, you are my Qin Zhengyang's woman, no one is qualified to move, no one is qualified!"

"Now I give you one last chance, let go of that guy's hand, marry me, and let me divorce you in front of everyone in Jiangnan Province! Otherwise, your parents' lives will not be guaranteed! Your life will not be guaranteed! "

"Don't think that this kid is standing behind you, and my Qin family is helpless! Today I will let you men and women feel what is insignificant!"

The last sentence almost came out of Qin Zhengyang's roar!

After Qin Zhengyang finished speaking, he even directly swallowed the pill that the old man in the robe gave him! He wants to crush Ye Chen!

He wants to show his talent and strength in front of his master!

Ye Chen looked at Xia Ruoxue and said lightly: "Do you want to marry Qin Zhengyang?"

Xia Ruoxue bit her red lips lightly and said without hesitation: "Don't marry."

Ye Chen glanced at Xia Ruoxue: "Well, I'll kill him!"

In the next second, Ye Chen turned into an afterimage in the same place and rushed out!

A powerful air wave swept across, and the entire Nanqin Villa seemed to be blowing a gale!

The medicinal effect on Qin Zhengyang's body exploded, and his strength continued to rise. This sense of strength made him enjoy the ultimate!

Looking at Ye Chen who came by, he roared and blasted out his fists!

There was a faint air flow from the fist!

There was a burst of horror!

"Boom!"

The two fists intersected, making a low voice like thunder.

Qin Zhengyang only felt a violent attack, and his whole body actually took a few steps back!

Very embarrassed!

He found that he could not resist the punch of this kid after taking the pill!

Qin Zhengyang's eyes were full of horror!

He knew Ye Chen was very strong, but he didn't know how strong it was!

how is this possible!

"You are not my opponent, and you are not worthy of being my opponent!"

Ye Chen's faint voice sounded.

Disdain goes straight to the sky!

Those guests around were completely dumbfounded!

Qin Zhengyang is considered to be the top genius in Jiangnan Province, he can't even resist Ye Chen's punch?

But if you think about it carefully, it's normal!

After all, Ye Chen killed Tang Ao in the first place!

There is always a gap between Tang Ao and Qin Zhengyang's strength!

Qin Zhengyang glanced at the old man in the robe, gritted his teeth and stepped out, heading towards Ye Chen!

At this moment, Father Qin directly threw a long spear towards Qin Zhengyang!

"Zhengyang, use this gun to deal with this kid!"

Qin Zhengyang caught the spear with one hand! The figure flickered, and a shot pierced the air, as if it was killing Ye Chen!

Ye Chen watched the spear hit, and the corner of his mouth showed a lightness.

At the last second, murderous intent broke out on the body, a step, the real air current of the arm turned, and a finger was stretched out, the finger overflowed with a faint blood and directly clicked out!

"There is also a gun in front of me, one finger is enough, go!"

Ye Chen's rage resounded throughout the villa!

"Kacha!" With a sound, what he never expected was that the moment his spear touched Ye Chen's finger, a terrifying force struck!

The spear shattered directly!

Qin Zhengyang's hand holding the spear is even more painful!

He unexpectedly found a blood hole in the palm of his hand!

My bones were broken!

No, don't stop! Even the bones are broken! !

A mouthful of blood spurted from the corner of Qin Zhengyang's mouth, and the whole person flew out, hitting the wall, and the earth shook a bit!

Ye Chen's eyes were cold, his five fingers clasped into Qin Zhengyang's neck!

"I said, I will come to you personally!"

This scene exploded in everyone's hearts!

No one would have thought that things would be so crushed!

It's not that Qin Zhengyang is too weak~www.mtlnovel.com~ but Ye Chen is too strong!

One punch and one finger caused Qin Zhengyang to be hit hard!

The crowd couldn't help holding their breath, and instead of looking at Qin Zhengyang, they looked at the old man in the robe!

The apprentice was so embarrassed, with Ye Chen's strength, it was impossible for anyone in the Qin family to be an opponent!

If the Kunlun Mountain powerhouse does not take action, Qin Zhengyang will die!

When the line of sight fell in the direction of the old man in the robe, they found that there was no figure in the position!

In the next second, an old voice sounded throughout the Nanqin Villa!

"Dare to move my apprentice of Lin Moshan! Looking for death!"

The sound swept like a tremor, the earth trembled, and those martial arts experts actually felt their blood surge!

A strong coercion enveloped the entire villa!

Some people with low power even spit out blood!

Xia Ruoxue also felt a little uncomfortable, but fortunately, Luosha quickly stood in front of Xia Ruoxue!

Take one step out, the power of sound wave disappears!

"Miss Xia, frightened."

Xia Ruoxue's face was pale, she looked at Ye Chen worriedly, and replied indifferently: "I'm fine."

Because at this moment a black shadow is rushing towards Ye Chen!

Ye Chen naturally discovered the appearance of Lin Moshan in the first place!

He didn't dare to take it lightly, his body retreated, and at the same time his true energy gathered and wrapped his whole body!

"Small miscellaneous, you are in a **** state, do you really think you are the **** of this Jiangnan Province! Looking for death!"

Lin Moshan's eyes were cold, with a strong murderous intent, he gritted his teeth and said.

As the fist wind struck, Ye Chen instantly felt a powerful coercion rushing across, like a violent storm, an extreme breath of death enveloped him. In an instant, his face changed drastically, looking at the punch that was about to fall, he couldn't take care of everything, and he hit the same punch!

Chapter 272: How strong is it!

The other party is too fast!

Soon Ye Chen couldn't even use martial arts!

boom.....

There was a huge crash, and Ye Chen only felt a wave of mountains and seas sweeping over him, and his body took a full eight steps back toward him!

Stay steady! The blood is rising, it is very uncomfortable!

With this punch alone, Ye Chen discovered that this person's strength was not only far superior to himself, but even far superior to Rakshasa!

Damn it!

Really ran into an opponent!

Lin Moshan didn't give Ye Chen a chance to think, the wind was violent, and he rushed towards Ye Chen again!

"I have been cultivating for decades. If even a little boy can't move, that would make countless people laugh at me!"

This time, Lin Moshan took a palm! It opened and closed wide, and a white halo spread across the palm of the hand, attacking violently.

All Ye Chen's routes were blocked!

He didn't plan to give Ye Chen a living at all!

There was a dignified look on Ye Chen's face, he didn't expect the reincarnation cemetery anymore.

I can only rely on myself now!

Facing such a top powerhouse, he can make a breakthrough in battle!

And the only way to fight against the opponent is to Burn Heavenly Palm!

Ye Chen gathered all the true energy of Dantian in one palm!

An endless scorching sensation is coming!

A flame phantom burst out of his hand!

Between the waves, the brilliance flickered, the wind roared, and the flames roared!

A scarlet empty palm just blasted out!

A strong burst of energy! It was like a giant beast hitting Lin Moshan!

Great earthquake trembled!

The tables of those guests suddenly shattered!

Lin Moshan has no plans to stop, and the real energy is lingering, and an empty palm blasts out!

The virtual palm was torn on the spot, and the air wave burst!

There was a violent collision, and Lin Moshan only felt black in front of him, his internal organs were subject to huge shocks, his chest was stuffy, his throat was sweet, and his mouth was spitting out a pool of blood.

His whole person actually flew out!

Seeing this scene, Qin Zhengyang on the ground flashed a trace of shock in his eyes, and took a deep breath!

Looking at Ye Chen again, it seemed that the **** of death was standing in front of them!

A **** of death crawling out of hell!

The gap between the two is like a moat?

He thought he had become that person's apprentice, and he could even become the first person in China after many years!

But now it seems that Ye Chen is not dead, and the first person in China probably has no chance with him!

Thinking of this, he couldn't help it anymore, and opened his mouth to spit out blood!

Not only Qin Zhengyang, but the entire Southern Qin Villa, including Ling Feng and Lu Hanshuang, their eyes were locked on the young man who was born out of the sky! Everyone was shocked by him, with their mouths open, unable to make a sound.

This hunter is too terrifying!

The power of a palm has even lifted the Kunlun Mountain powerhouse!

Damn it! When did China appear such a person against the sky!

They even felt that this time standing in line with the Qin family was the worst choice in their life!
Indirectly offended Ye Chen!

at this time!

Lin Moshan suddenly laughed and said, "If I guessed correctly! This is the top martial skill in Kunlun Xu! Although I don't know how you mastered this martial skill! But this is not important anymore, because in the future this will be my martial skill. Go! Haha!"

"If I guessed correctly, this palm has consumed all the true energy of your dantian, and now you are the bow of the crossbow! You will definitely die!"

"It is impossible for a mere pneumatic environment to perform such a trick!"

"Now, your death date is up!"

His eyes went from panic to hot!

If he obtains this martial skill, his strength will definitely increase more than five times!

Ye Chen's eyes were extremely serious.

Indeed, although Burning Heaven Palm is strong, it is too domineering! He thought that a palm could kill that Lin Moshan! But I didn't expect that Lin Moshan was only hit hard!

Next, trouble!

Lin Moshan's mouth showed a trace of contempt, with a cold snort, he banged towards Ye Chen with a punch, the momentum was like a rainbow, let me do it!

"Ant, I see how you can stop it!"

At the same time, there was an overwhelming roar in his mouth.

For a moment, the fist seemed to have traveled through time, expanding infinitely, rolling the air, and roaring like a beast.

"boom....."

At this moment, Raksha rushed out!

Blocking in front of Ye Chen, he ran directly with a palm!

In an instant, this punch collided with Lin Moshan, a huge explosion sounded, and Rakshasa violently retreated.

However, Lin Moshan's figure suddenly shook, he stood firmly again, turned around, and blasted his second punch towards Raksha: "I didn't expect that there is a strong man beside you! It's just that the strength of this strong man is compared to mine. It's still a bit short!"

boom.....

It was another violent confrontation, dominating the world, unparalleled!

Lin Moshan took a step back, but Rakshasa took five steps back!

Not only that, blood has spilled from the corner of Luosha's mouth, and the internal organs have been shaken!

Even though he was injured, he still stood in front of Ye Chen!

Because if something happens to Ye Chen, he will definitely die!

Lin Moshan stopped, his face a little suspicious: "You want to die? There is a big gap between you and this little beast, why should you protect this kid!"

Raksha's eyes were cold: "You are not qualified to insult adults and die!"

grown ups?

Lin Moshan's expression became more and more strange. He really didn't understand, a strong man was willing to be the servant of this kid?

Before he can figure it out~www.mtlnovel.com~ Raksha has already rushed out!

With a tyrannical aura, like a hungry beast, he opened his mouth and headed straight to Lin Mo Mountain.

"court death!"

Lin Moshan yelled angrily, his figure disappeared, turned to a violent wind, and appeared in front of Raksha again!

Click, a crisp sound of cracking came, and the naked eye could see that Rakshasa's arm was directly broken, blood was flying, as if it was raining!

But Lin Moshan is as stable as Mount Tai!

His realm is actually only two small realms surpassing Raksha!

But the martial arts he brought out from Kunlun Xu did not know how much stronger than Rakshasa!

It is naturally extremely easy to deal with him!

Afterwards, Lin Moshan lifted his foot and kicked directly on Raksha's chest!

"Boom!"

Raksha, who had been seriously injured, flew out!

Smashed heavily on the wall!

Broke a wall!

This battle is directly crushed!

The situation is reversed!

Lin Moshan raised his head and looked at Ye Chen in front of him coldly, showing a sneer: "Hunter, but so!"

"What are you fighting against me now?"

"If I don't appear in Jiangnan Province, maybe you will really become the first person in Jiangnan Province. Even with your talents, it will not be impossible to win China in ten years!"

"But it's a pity that you met me, my favorite is to kill geniuses! A genius like you!"

Quiet, absolutely quiet, in the audience, all you can hear is the sound of others gulping, everyone's eyes widened, looking at this old man who turned out to be like a **** of war.

Although they don't know how strong China's top powerhouse is!

But this Lin Moshan is definitely qualified to be in the top 20 on the Grand Masters list!

Even the tenth on the Huaxia Grandmasters list!

Chapter 273: The unexpected person!

Lin Moshan released a very strong breath, covering almost everything!

Everyone thought that in the face of such a strong person, what would Ye Chen the hunter fight against?

A mountain is higher than a mountain!

Lu Hanshuang in the distance saw this scene with a trembling body, and said to Ling Feng, "Dad, is there really no way?"

Ling Feng dragged his face with regret.

If Ye Chen had agreed to his request, he might still have the opportunity to move to the capital to rescue soldiers.

For now, it is impossible!

This time, Ye Chen is bound to die!

This may be the price of arrogance!

No one in the whole Jiangnan can stop Lin Moshan! nobody!

At this moment, a short sword suddenly appeared in Lin Moshan's hand, with a cold glow, and said to Ye Chen: "Finally, I will give you a last word."

"Just one sentence."

"If you kneel down to beg for mercy, I might consider letting you live a few more minutes!"

His words were so plain that he seemed to have decided Ye Chen's life and death.

Everyone thought Ye Chen might kneel down and beg for mercy!

But he didn't!

Ye Chen stared at Lin Moshan, the Dragon Slashing Sword appeared in his hand, his extremely cold eyes flashed with cold killing intent!

"Let me kneel? You are not qualified!"

In the next second, Ye Chen rushed out, the Dragon Slashing Sword tore the air, and the sound of howling directly marked out a bone-eating locust!

Take Lin Moshan's neck straight!

Lin Moshan didn't mean to dodge in the slightest, as he touched his hand flag dagger away!

"Crack!"

Something strange happened, Lin Moshan's short sword was broken!

Not only that, Ye Chen slashed Lin Moshan's chest anxiously!

Torn the clothes!

A wound was drawn!

Blood oozes!

Although there was no serious injury, who would have thought that Ye Chen, who was already a powerful crossbow bow, could burst out such a murderous intent!

What the **** is this!

Only Xia Ruoxue noticed that there were three silver needles in Ye Chen's arm!

Ye Chen is not only a cultivator! It is a **** of medicine!

The world of practice is magical! The human body is more magical!

Use silver needles to stimulate the acupoints and recover the Sudan fields in a short time.

Although this will overdraw some of the body, it is nothing to him!

Taking advantage of Lin Moshan's loss of consciousness, Ye Chen made another move, the Dragon Slashing Sword seemed to break everything, continuously condensing sword intent, and headed towards Lin Moshan!

This is his best opportunity!

No one thought that Ye Chen would suddenly run away!

Lin Moshan's losing streak retreated, the key is that he had never seen Ye Chen's sword technique! Like an airtight wall!

He already had affirmation in his heart!

With such strength at such a young age, coupled with the true energy gathered in Ye Chen's body, this apricot must come from Kunlun Xu!

He couldn't take care of everything, and violently stretched out his hand, directly holding the stabbed dragon sword!

Even with the True Qi guards, the Dragon Slashing Sword still pierced the True Qi, leaving his palms full of blood!

Lin Moshan's face was angered, he roared, preferring to be injured or punched out!

"Boom!"

The two separated and took five steps back!

Thick smoke billowed, dust filled the sky, and strong wind roared. At this moment, the scene was extremely quiet.

The silver needle on Ye Chen's body was shaken away by the air wave!

Damn it!

A feeling of weakness came, and it was extremely uncomfortable!

Xia Ruoxue noticed something and quickly supported Ye Chen, and said with concern: "Ye Chen, I will take you away"

"Want to go, dream!"

In the next second, an angry Lin Moshan swept bursts of energy!

The energy in his palm quickly condensed, and at the moment it came out, it condensed into a spike.

Once pierced into the human body, it will definitely die!

This blow!

Like a gust of wind!

Like a shower!

No one dodges at all!

What everyone did not expect was that Xia Ruoxue stood in front of Ye Chen without hesitation!

"grass!"

Ye Chen stirred up anger at this moment!

Could it be that the **** calamity that the old man calculated for Xia Ruoxue is now!

Xia Ruoxue was not because of other reasons at all because of him!

Thinking of this, Ye Chen's face is extremely hideous!

He will never let Xia Ruoxue have an accident!

He felt the cemetery of reincarnation!

The tombstone full of death may be affected by Ye Chen's anger, and it turned out to be golden light!

There was even more cold blood on the tombstone!

Like the **** of slaughter crawling out of hell!

At this moment, Ye Chen's eyes were red, just about to arouse the tombstone, a cold and tender voice sounded!

"Wow, the fight didn't call me!"

Hearing this voice, Ye Chen's eyes suddenly widened!

this is

He turned his head abruptly, and saw a kid with two braids pouring over here!

The girl's speed was extremely fast, and she came to Ye Chen in the blink of an eye!

Seeing Lin Moshan that came by, the girl smiled and rolled up her sleeves, her expression was extremely excited!

"It's you old man, I just saw you as unpleasant when you were at the airport} Okay, it's been a long time since I had a fight, warm up!"

After speaking, the girl's legs were slightly bent, as if a tiger hunting for food, and put on a fighting posture.

"Boom!"

Something that shocked everyone happened!

The girl rushed out!

The ground even cracked a few holes!

This scene made many people's faces flashed with astonishment. The deep cracks in the ground made them take a breath, and their weight could be judged in an instant!

This kind of power burst out of a child-raising?

What a joke!

This kind of core head is probably still in grades or junior high school, there is such a fact!

Most of the people present blushed!

They have been cultivating for most of their lives, but they are still no match for a kid!

Lin Moshan was a little contemptuous at first, but when he saw the monstrous aura on Xie Hai, his expression changed!

Master!

"Flip the palm of the mountain!" Lin Moshan let out a soft roar, patted directly at the Tianling Gai who was holding the child!

A dead hand!

The palms drove the air with a dull roar, like a roar of strong wind and a roar of thunder.

Suddenly, a gust of wind was set off, and a rush of energy that seemed to be real was rushing toward the child!

Xiuhai kept muttering: "Oh, UU reading www.uukanshu.com old man, you fish, not bad, let you **** invincible Feifeiquan!"

After the words fell, the girl became serious, and she blasted ten punches out of thin air in front of her!

Weird to the extreme!

The punches overlapped, and in an instant, ten punches were superimposed into one, and the moment Lin Moshan threw himself in front of him, his strength burst out suddenly.

"boom"

In an instant, the two powers intersected and erupted "with a deep and thick roar.

The old man thought he would be tortured and killed by him, but he did not expect that a strong energy penetrated his arm!

It even rushed to his internal organs!

His pupils are dilated! His face was surprised to the extreme!

A dignity flashed in his eyes. Looking at the child who rushed again in a blink of an eye, Lin Moshan put away his contemptuous heart, exploded with murder, and greeted him again with a howling aura.

Chapter 274: Heaven in Jiangnan Province!

The little girl watched Lin Moshan rushed forward, stretched her waist, and said in frustration: "I thought I was a master, but now it looks like a spicy chicken!"

The words made Lin Moshan blush and his neck was thick, and he couldn't say a word, so he could only look at the little girl with angry eyes!

"court death!"

He Lin Moshan was called a hot chicken by a kid!

This is humiliation! Naked humiliation!

He was still a little worried that he would fail to deal with a little girl, but now, he completely ignores it!

Turning fists into claws, five fingers slammed into the little girl's chest!

He wants to penetrate the girl's body! Dig out her heart!

Let her know what is respect and inferiority, what are elders!

Arrogant people generally die early!

The little girl cast a white glance at Lin Moshan, and sighed, "You don't believe me that you are a spicy chicken. Did you move that kid just now? He is my person, you are not allowed to move!"

But old man, if you can withstand my three tricks, I won't do it! "

In the next second, the little girl's figure suddenly disappeared!

Like a strong wind and showers!

Lin Moshan's face changed drastically, he lost the direction of his attack!

Looking around eagerly, I was afraid that this little girl would suddenly come out and attack him?

"Old man, grandma is here!"

A cold voice sounded!

Lin Moshan snapped his claw to the source of the sound!

But I found it was empty!

Before he could react, a pink fist pierced the air directly!

"The first trick!"

Lin Moshan shrank his eyes and fought back in embarrassment, only to find that it was impossible!

With a scream, the whole person was repelled by a wave of mountains and seas!

It took more than a dozen steps to stop! Almost fell on the ground!

At this moment everyone was stunned, thinking that Lin Moshan was already the strongest person in Jiangnan Province!

Now a little girl turned out to be born again!

He stood beside Ye Chen!

The key is that this girl is too violent!

The exclamation sounded into one piece, and everyone looked at the sudden scene with wide eyes in disbelief.

Just as Lin Moshan stabilized his figure, a crisp voice sounded again!

"Old man, the second trick!"

"Boom!"

Lin Moshan didn't even have the power to counterattack, and was repelled again!

This time his arm was almost numb!

Who the **** knew that Chen Yaojin would be killed halfway through! No, he's a kid!

"The third trick!"

Lin Moshan just wanted to stand up, the little girl was already standing in front of him! Take a shot!

Lin Moshan really panicked this time! With dilated pupils and incomparable fear, he subconsciously stretched out his hand to block it!

He only heard "click!" His bones broke apart without hesitation!

Not only that, his figure was thrown high, his whole body flew back into the air heavily, and was severely hit on the wall of the Nanqin Villa!

The wall shattered!

Lin Moshan tried his best to get up, but never stood up again. The body twitched, and blood was vomiting out of his mouth!

He even gave out a heart-piercing roar!

Who could have imagined that he had just stepped out of Kunlun Mountain with his front foot, and thought he was strong enough to crush everything, but he did not expect that this little girl would become the only breaker!

He would lose to a little girl!

"puff!"

He felt that he had been insulted, and couldn't help it anymore, vomiting another mouthful of blood.

Dao heart is broken, life is better than death!

Even if he could survive, he would be a waste!

At this moment, the entire Nanqin Villa fell into dead silence.

Who would have thought that the terrifying Lin Moshan was crushed to death by a little girl with three moves!

This little girl can't be so exaggerated even if she started practicing in her mother's womb!

Damn it!

Everyone couldn't help but take a breath, as if the thick summer has entered the winter all at once, and their hearts are cold! Creepy!

Qin Zhengyang's body, who had already sat up, trembled even more!

He thought of something, and quickly stood up, bent over and said to the little girl: "I don't know if the predecessors are coming, I Qin..."

Before she finished speaking, the little girl glanced at Qin Zhengyang's indifferent eyes: "What are you, let's play!"

Qin Zhengyang's voice stopped abruptly.

"Yes, yes, what the senior said."

Qin Zhengyang called Senior, but the corners of his mouth twitched.

I really can't wait to press this female doll on the ground for a beat. But he has no such strength at all.

The little girl didn't plan to care about Qin Zhengyang at all. She came to Ye Chen and smiled: "Give you a chance, quickly praise me!"

Ye Chen glanced at the little girl blankly, and faintly spit out a word: "Get out!"

When everyone heard Ye Chen talking to this senior in this tone, they took a breath!

Ye Chen is going to die!

This person just killed Lin Moshan!

Ye Chen's anger was not something Ye Chen could bear! Maybe he killed Ye Chen directly in a rage!

But something unexpected happened to everyone, and the little girl rose up and said with an unhappy expression: "Ye Chen! You bullied me again!"

what!

The junior is not angry?

At this moment, everyone on the field was confused!

Even Lu Hanshuang and Ling Feng were almost petrified, and their eyes suddenly shrank to the extreme!

The key point is that they discovered that this junior was acting like a baby to Ye Chen?

It even seemed to be afraid of Ye Chen's meaning!

Such a powerful person actually needs to look at Ye Chen's face!

There was a touch of complexity in everyone's eyes.

They knew very well that from today, Jiangnan Province might be Ye Chen's world!

"Ye Chen, I came here for you this time..."

Ye Chen interrupted the little girl when she wanted to talk.

"I'll talk about it later, I have something to deal with now!"

Ye Chen's tone was full of no doubt, but the little girl was not angry, and stood silently beside Xia Ruoxue.

She even looked up at Xia Ruoxue's delicate face.

He moved his gaze down and slowly landed on Xia Ruoxue's chest, then took a long look at herself, and said, "Sister, what are your measurements..."

Xia Ruoxue: "..."

Ye Chen took two pills, and the qi of the dantian condensed a little.

At least not so embarrassed.

He walked towards Qin Zhengyang with very light steps, but like the steps of a **** of death!

His eyes were red, and his body was full of blood evil!

Like the devil from hell!

At this moment, Qin Zhengyang panicked!

Without Lin Moshan, what would the Qin family use to fight Ye Chen!

Not qualified at all!

"You... don't come..." Qin Zhengyang stepped back a few steps, only to find that he stepped on the air and fell directly to the ground!

"I don't like threats, I really don't like ~www.mtlnovel.com~ Although your presence is not a threat to me! But you damn! You must die!"

Ye Chen's voice is like the soul-suppressing song of the **** of death!

Qin Zhengyang couldn't take care of everything and knelt in front of Ye Chen!

"Mr. Ye, please spare my life. I swear I will never trouble Ruoxue again. I can swear now!"

"No need!"

The words fell, Ye Chen's five fingers directly clasped Qin Zhengyang's neck!

A powerful sense of suffocation swept over, and he subconsciously wanted to resist, Ye Chen's eyes were cold, and his energy exploded!

"Crack!" With a sound, his neck was broken on the spot!

"Not only you are going to die, but everyone in the Qin family."

The icy voice resounded throughout Nanqin Villa!

Chapter 275: Undercurrent surging!

Ye Chen will not have any pity for the enemy.

This is his principle.

If the Qin family does not die today, it will definitely be a trouble to come back for revenge in the future!

Father Qin and the other masters of the Qin family saw that Qin Zhengyang was killed, their faces were extremely hideous!

This kid actually killed his favorite son!

Does he know what he is doing?

"Dare to kill my son, you are looking for death!"

Father Qin knew that Ye Chen's strength hadn't fully recovered, so he grabbed a long sword and stepped on it, as if rushing in the air.

The cold light flickered, and the cold sword light stabbed Ye Chen mercilessly.

The little girl said lightly beside him: "Do you need help?"

"No need!"

Ye Chen responded, taking a few Qi Gathering Pills again, and a cold smile appeared at the corner of his mouth!

Dealing with this old man is as easy as crushing an ant.

He turned into an afterimage on the spot, and rushed out like a tiger descending a mountain!

In the blink of an eye he came and hit Father Qin!

Father Qin swept away his long sword, and wiped it directly towards Ye Chen with an arc of death and anger!

"Little beast, die for me!"

He is going to cut off Ye Chen's head today to avenge Zhengyang!

Father Qin's strength is much higher than that of Qin Zhengyang, otherwise he would not become the head of the Qin family!

But compared with Ye Chen's strength, it was a bit worse.

The Dragon Slashing Sword appeared in Ye Chen's hand, and the sword swept away directly!

"Compared with me, you are not qualified!"

The Dragon Slashing Sword condenses a long sword shadow!

The shadow of the sword covered the sky and the earth, as if to destroy the entire Southern Qin Villa, with an aura like a rainbow.

Feeling the terrifying aura, Father Qin's expression was only horrified!

His eyes shrank to the extreme! Why is this kid so strong!

Isn't he injured?

Why is there such a fighting power!

He was not reconciled, and resisted with a sword!

But who can resist the power of the dragon sword!

The long sword in his hand shattered without warning, and the devastating sword energy directly overturned him!

"Patriarch!"

The other masters of the Qin family felt something was wrong, and they came to Ye Chen one after another!

Ye Chen didn't have any fear. The strength of these people in the martial arts world of Jiangnan Province might be pretty good, but in front of Ye Chen they couldn't see enough.

At this moment, Ye Chen seemed to be a killing machine and rushed in directly.

Flesh and flesh fly, and in the blink of an eye, many masters in the Qin family have never survived!

Every time a person is killed, the **** atmosphere of the third tombstone in the reincarnation cemetery grows stronger!

A blood sword phantom was formed on the tombstone!

The blood sword hangs on the tombstone one hundred feet high, as if it will fall down at any time!

Such a **** scene at Nanqin Villa quaked all the guests present!

Some people have only heard of the horror of the hunter, but never thought that this hunter's method would be so cruel!

Don't plan to stay alive at all!

Although this is normal in the martial arts world, it is too much to make such a move in front of so many people!

Everyone trembled!

Naturally, it includes Ling Feng and Lu Hanshuang.

Lu Hanshuang's beautiful eyes were filled with surprise and amazement. From the time she was injured and rushed into Ye Chen's villa, she felt the mystery of this man!

But at this moment, she found that this man could no longer use mystery, he was like a black hole, unable to see what secrets were hidden inside.

Ye Chen said that if the Blood Plum Palace dared to offend him, he would slaughter the Blood Plum Palace.

Lu Hanshuang always thought this sentence was a big talk.

Now it seems that Ye Chen's threat is true.

He has this qualification.

Ling Feng's eyes were also extremely heavy. As the helm of the Jiangnan branch of the Blood Plum Palace, he was extremely sensitive to killing and death.

The current Ye Chen was simply born for killing, extremely suitable for the Blood Plum Palace, but he did not dare to ask Ye Chen to join the Blood Plum Palace again.

Some people are destined to stand at the top.

The temple in the Hall of Blood Plum is too small to accommodate this big Buddha.

Even the Blood Plum Palace in Beijing.

After a while, Nanqin Villa became quiet.

Only the wounded father Qin was left, his eyes fixed on Ye Chen who was coming step by step, and he didn't care about anything, so he quickly took out a jade medal!

"Ye Chen, you can recognize this jade medal!"

Ye Chen glanced at the jade pendant, with the word martial arts written on it, and the golden dragon was carved in life.

"do not know."

Father Qin was taken aback, and hurriedly said: "I was involved in a major case involving the Huaxia Budo General Administration, and I am protected. This jade medal is equivalent to getting a death exemption order from the Huaxia Budo General Administration! No one can touch me in China. !"

Father Qin's eyes were filled with pride!

This was handed to him by a strong man from the China Martial Arts Bureau when he returned from Kunlun Mountain.

The other party only left one sentence, "If the hunter wants to kill you, just show this card!"

Although he didn't know why the Huaxia Martial Arts Bureau did this, he did not dare to offend it at all!

The key is that this jade medal is the only possibility for him to live!

Ye Chen glanced at Father Qin indifferently.

He seemed to have noticed something, this jade card was revealed at this time, it is extremely likely that the Huaxia Martial Arts Bureau did this deliberately.

It was just one more reason to kill him.

Will he let Father Qin go?

Of course not!

Let the tiger go back to the mountain, there are endless troubles!

Even if everyone from the China Martial Arts Bureau unites to deal with him in the future, he is not afraid!

Ye Chen slashed the dragon sword, and the jade card shattered and turned into powder!

At the same time, Ling Lie's sword intent rushed away and fell directly on Father Qin's body!

The sword intent pierced through the body, and it was stirred in Father Qin's internal organs!

Blood burst!

Father Qin's hideous pupils dilated and fell into a pool of blood!

The top martial arts family in Jiangnan Province, the Qin family, die!

At this moment, a sound of scolding sounded!

"Ye Chen, I have nothing to say about you killing the Qin family! But you dare to kill the protectors of my martial arts bureau when you show the martial arts card, what sin!"

The voice fell, and dozens of strong breaths rushed toward him!

The cold murderous intent was released, approaching Ye Chen!

Ye Chen was not surprised~www.mtnovel.com~ staring at the people around him interestingly.

Sure enough, the Huaxia Martial Arts Bureau had guessed that he would come to destroy the Qin Family. The death of the Qin Family was just another excuse for the Huaxia Martial Arts Bureau to deal with himself.

"Ye Chen, even if you are in the Dragon Soul! This is not the reason for you to kill innocent people indiscriminately! Moreover, the Huaxia Martial Arts Bureau and the people above set the rules many years ago. The martial arts card shows that no one is qualified to be killed! Violators are treason!"

"This time, even the dragon soul can't keep you!"

The voice of the old man resounded throughout the Southern Qin Villa!

Extremely majestic!

The old man is called Fang Dongcheng, and his status in the China Martial Arts Bureau is not low, and he can even be said to be one of the people in charge of the Southeast region!

Jiangnan Province is an important place in the southeast of China. Fang Dongcheng has been alarmed, showing the seriousness of the matter!

Ye Chen put away the Dragon Slashing Sword and sat directly on a chair.

Chapter 276: I don't like killing!

His body is more or less damaged, and standing for a long time makes him a little uncomfortable.

After that, he lit a cigarette, looked at Fang Dongcheng faintly, and said, "The Huaxia Martial Arts Bureau is so efficient? It just appeared when I started. Or you are waiting for this moment, so painstakingly dealing with me, as for ?"

Fang Dongcheng's expression froze, and he said coldly: "If we didn't dare to come in time, it is estimated that you will kill people, and no one will survive here! The seriousness of the matter can be imagined!"

Ye Chen smiled, squeezed out the cigarette in his hand, and said: "I don't like killing people, and I never kill innocent people indiscriminately."

As soon as this remark came out, let alone the people of the Budo Bureau, even those guests looked ugly.

Don't you **** like killing people?

The coolest thing you killed just now was you!

Don't kill innocent people indiscriminately?

You leave the entire Qin family strong!

Fang Dongcheng's mouth twitched slightly, and then impatiently said: "Give you two choices, first, come with us! You need to explain to the Beijing Huaxia Budo General Administration!"

"Second, death!"

Those dozens of people were even closer to Ye Chen!

The murderous exposure made people palpitate.

Ye Chen smiled, took a pill and stood up: "If I don't choose either!"

"Then I will treat you as the second one! Do it!"

Fang Dongcheng gave an order, and those dozens of auras moved towards Ye Chen!

In their opinion, Ye Chen has no possibility of fighting.

Wanting to beheaded is easy for them.

The only thing Fang Dongcheng worried about was the little girl.

He took a glance at the little girl and found that the other party had no intention of doing it.

But soon everyone stopped! Because they felt countless auras surging!

Before they could react, there was a chilling sword on everyone's neck!

Han Jian was full of evil intentions, making people palpitate.

Even Fang Dongcheng was holding a weapon behind his back!

After a few seconds, they were surrounded!

A trace of strong evil spirit surging!

Fang Dongcheng glanced around and found that these people who appeared suddenly were wearing masks on their faces, and their breath was not weak!

The key number is more than doubled!

Where are so many masters in Jiangnan Province?

Although his strength crushes this group of people, there are a hundred people, this quantitative change has formed a qualitative change!

Fang Dongcheng said coldly: "Who are you! The Huaxia Martial Arts Bureau is doing things, and you dare to block it secretly, and you won't find it!"

Wearing a mask, Ye Lingtian responded mercilessly: "You don't need to know who we are, but you are not qualified to take this person away!"

Fang Dongcheng's eyes shrank, and just about to speak, Ye Chen had already walked outside, with his hands behind him like a okay person.

Take a stroll in the courtyard.

The key is that no one dares to stop!

Fang Dongcheng felt a little anger, turned around, and directly buckled the sword behind him!

"Kacha!" With a sound, Ye Lingtian's sword broke!

Ye Lingtian didn't expect that the other party would even plan to resist. Just as he wanted to take action, Ye Chen's voice sounded:

"These dogs, there is no need to bother."

This time, although the people in the dark palace were surprised, but in the real battle, it can only be a situation where both sides suffer!

Ye Chen didn't want anything to happen to this force.

It's not worth it to exchange the life of a strong man in the China Martial Arts Bureau for the life of the dark palace!

Fang Dongcheng heard such insulting words and patted Ye Chen directly with his palm!

The power of this palm burst out! Once shot, the consequences would be disastrous!

But Ye Chen had no plans to make a move at all, just ignored it!

Just when Fang Dongcheng's mouth showed a successful smile, a wall of air appeared in front of him!

"Boom!"

Not only did he not encounter Ye Chen, but an extremely strong counter shock came!

Fang Dongcheng flew out in shock!

Smashed on the body of the group of strong men in the China Martial Arts Bureau.

This scene scared everyone!

Those guests, the strong of the martial arts bureau, and even the people in the dark hall fell into a deathly silence!

They just stared at Ye Chen like hell!

The air was extremely silent.

Like a graveyard at midnight!

Ye Chen didn't make any shots from beginning to end, but Fang Dongcheng was blown out inexplicably!

What the **** is going on!

Everyone is afraid with shock and fear!

Perhaps only Ye Chen knew about this secret. Although he didn't have much zeal, he still had the means of shock.

The biggest difference between a cultivator and an ancient warrior is not strength! It's a spell!

Magical power!

Ye Chen went straight to the front of Luo Sha, his face was pale and dying.

If he delays for a while, I am afraid that Daluo God will not be able to save him.

He quickly took out a pill and said to Raksha: "Take this thing. As for your broken arm, I will find a way to regenerate him."

After all, Luo Sha was seriously injured because he saved him, and Ye Chen couldn't possibly die.

Luo Sha nodded, took the pill, and reluctantly stood up: "My lord, I'm fine..."

"Don't behave, I still need you to do things for me. Now your blood can stop, and the pill can only help you stabilize your injury. Remember you can't use your strength anymore. This is a command!"

"Yes, my lord!"

Then Ye Chen looked at the group of people in the dark hall again, and ordered: "There are two people from the Xia family in the Qin family. Send them back to the Xia family safely. If some people don't know each other and want to stop you, kill them! "

The cold voice spread!

Obviously, it was meant for people from the Huaxia Budo Bureau!

Fang Dongcheng's eyes were gloomy to the extreme, and the China Martial Arts General Bureau had originally planned to let him take advantage of the Qin family's affairs to take Ye Chen, or solve Ye Chen.

It now seems impossible.

Too many variables have emerged today.

Even the strong man in Kunlun Mountain could not kill Ye Chen, this kid's fate was simply against the sky!

Coupled with the mysterious and powerful girl and the mysterious force wearing a mask, it is impossible to kill Ye Chen in Jiangnan Province!

Who would have thought that this kid would have done so many things under their noses!

What should I do next?

Ye Chen came to Xia Ruoxue's side, took her hand directly, and said softly: "The matter is over, let's go home."

The words going home alone made Xia Ruoxue's eyes flush, and she could feel how tired Ye Chen was.

At this moment ~www.mtlnovel.com~ she has unprecedented peace of mind.

From small to large, she has been restrained by the outside world, unable to choose.

And this layer of shackles, the man in front of him tore abruptly!

Very domineering.

"it is good."

The two of them walked directly outside the Nanqin Villa.

After a long while, the little girl reacted and hurriedly followed up: "Ye Chen! Wait for me! I haven't told you about that!"

...

Ming Cui Villa.

Ye Chen first confessed a few words with Xia Ruoxue, and went straight to the room.

The door of the room was closed tightly, and he started to practice.

He was too tired of this battle.

Chapter 277: I want to see him!

At the same time, he also found his own problem. An existence like Lin Moshan was definitely not the last one.

At least the existence of the top 20 in the Huaxia Grandmasters list cannot be underestimated!

Ye Lingtian and Lei Shuwei told him that although the Huaxia Grandmaster Ranking is a consideration of the strength of martial artists, there are still many strong players who are not on the list!

The water in the Chinese martial arts world is much deeper than imagined.

Apart from these, there are the three top Chinese families related to Yunhu Villa!

Right now he only knows one person comes from these three big families! Jiang Jianfeng!

Jiang Jianfeng was the most critical existence of that incident!

The opponent is also very likely to know the whereabouts of his parents, but if he is against Jiang Jianfeng, the ninth Chinese master, what percentage of his wins will he have?

Putting aside the reincarnation cemetery, Chengdu will not be there!

He finally understood why the reincarnation cemetery had to set a time limit for these powerful men!

It is nothing more than to prevent him from relying on the reincarnation cemetery!

Once a cultivator always relies on others, this is extremely detrimental to the mind of martial arts!

Greed and nothing for nothing are the most terrifying mentality in this world.

Behind these three top families must be stronger than Lin Moshan!

Now he must strengthen his strength!

When Ye Chen entered the cultivation state, the black stone floated out!

Countless spiritual energy poured into Ye Chen's body!

Not only that!

If Ye Chen opened his eyes, he would definitely find that the black stone was actually absorbing the blood evil from him!

With so many people killed in Nanqin Villa, the blood on his body was extremely strong!

But at this moment, this blood evil spirit is like a big tonic of black stone, soak it up!

Almost all the blood evil absorbed by the black stone poured into the three tombstones that could be aroused.

The tombstone is gradually cracking!

Hands stretched out, a low voice sounded!

"This is the breath of killing, haha, it seems that it is finally my turn! Your way is not suitable for the reincarnation tomb owner! If this continues, how can we turn over!

Only I can make him stronger! The way of killing is the strongest way in the world! "

"How many years have passed! Those guys are on top and are in control of everything! They thought that killing us would cover the secrets of the ancient times!"

However, they never imagined that all of us would stay in this reincarnation cemetery even at the expense of their cultivation bases and their souls. "

"Who will preside over the ups and downs of the vast earth? Only the owner of the reincarnation tomb!"

After the words fell, the remaining tombstone shook violently!

It seems to have reached a certain resonance!

The reincarnation cemetery suddenly changed color! Furious Wind! Killing intent!

It's just that all this lasted for a short time, and after a few seconds, it fell completely into silence.

...

Ye Chen seemed to feel some movement, suddenly opened his eyes, and even glanced at the third tombstone in the reincarnation cemetery. He did not notice anything unusual, and closed his eyes again.

Originally, he wanted to use the power of this third tombstone in Nanqin Villa, but that girl appeared, which happened to be omitted.

Ye Chen got a headache when he thought of that girl.

This girl is called Ji Lin, and her reputation in Kunlun is not low.

It's just like a demon king.

Even the old man should be a little jealous.

If she hadn't had her handle in her hands, she wouldn't be so obedient.

This time Ji Lin suddenly came out of Kunlun Xu. Is it possible that something serious happened inside?

Even if something big happens, what can he do with his strength?

"Forget it, I don't want to, I'll know later."

Ye Chen closed his eyes and ran the Nine Heavens Xuanyang Jue, a very strong breath rushed out of his body! There were waves of dragons.

...

Huazheng five-star hotel in Jiangnan Province, presidential suite on the top floor.

The door was knocked.

"Come in!"

Jiang Jianfeng stood in front of the floor-to-ceiling window and turned around, thinking that his subordinates would bring the evil kind, but he did not expect that only his subordinate would return.

His brows frowned. Could something happen?

That evil species died in the Southern Qin Villa?

"Where is the evil man?"

The man knelt directly in front of Jiang Jianfeng, with a trace of fear in his eyes: "Mr. Jiang, his subordinates are incompetent, unable to bring that evil kind!"

"He died in Nanqin Villa?" Jiang Jianfeng said.

Originally, he still had a bit of hope for that evil kind of hope, but now it seems that it is normal for some arrogant people to die at the hands of the strong.

The man shook his head, and said with a trembling voice: "My lord, the evil kind is not dead. The Qin family in Jiangnan Province and the strong people who came down from Kunlun Mountain are all dead! No one survived!"

As soon as these words came out, Gu Jing Bubo's Jiang Jianfeng's expression completely changed. He stepped out, grabbed the man's collar, and immediately picked it up!

The powerful breath broke out, and the sofa and coffee table behind him cracked directly!

Become two halves!

"What are you talking about? Everyone is dead, but the evil kind is alive? Impossible! That evil kind does not have this strength!"

Jiang Jianfeng is extremely sure!

If Ye Chen really has this kind of strength, then hell! Even the top ten of the Huaxia Grandmaster list will have his shadow!

The man's face was pale, he wanted to speak, but found that he could not speak at all!

He could only say something in a hoarse voice!

Jiang Jianfeng directly threw the man out and ordered: "Tell me everything that happened in Nanqin Villa!"

The man swallowed in fear, and then he said it all!

From Ye Chen's battle against Lin Moshan, to the appearance of the mysterious girl, to the action of the Huaxia Martial Arts Bureau, and finally to the mysterious forces that emerged.

Jiang Jianfeng's heart became more alarmed as he heard it, his rock-solid heart seemed to be hit by a heavy hammer! Torn apart!

He found that he had always underestimated the evil seed!

In just a few months, that evil kind has grown to this point!

The first person in Jiangnan Province?

If this kid set foot on the capital, it would be impossible for him to even take the first place on the Huaxia Grandmaster List!

He suppressed the shock in his heart forcibly and said, "That little girl was invited by that evil kind of girl?"

The man shook his head: "It doesn't look like it. From beginning to end, the kid ignored the little girl, the only word he said~www.mtlnovel.com~ is to get out..."

"I also investigated the dark web data, there is no information about this little girl."

"What do you think of the little girl's strength? Compared to me?" Jiang Jianfeng frowned.

The man pondered for a few seconds before hesitating: "Mr. Jiang, you are not her opponent. This is why I didn't bring that kid back. With her, I didn't dare to do anything at all..."

Jiang Jianfeng's eyes have unprecedented solemnity.

It took a full ten seconds before he opened his mouth and said: "You go to Mingcui Villa to find the evil kind, tell him, tomorrow, Jiangnan Province Huxi Park, I Jiang Jianfeng wants to see him!"

"This son should know of my existence, and I must be looking for me too, so I will meet you naturally. Now, I am a little curious about the evil seed that my good sister gave birth!"

"Yes, Mr. Jiang!"

A playful smile hung over Jiang Jianfeng's mouth.

...

Chapter 278: Kunlun Xu's news!

Two hours later, Mingcui Villa.

Ye Chen slowly exhaled a suffocating breath, his body was almost recovered, and even his cultivation base increased by a few points.

He stood up and headed downstairs.

During these two hours, he heard a lot of movement below.

As soon as he arrived in the living room, he saw Xia Ruoxue and Sun Yi stay in place, staring at Ji Lin sitting on the sofa in the living room.

Ye Chen followed his gaze, his mouth twitched slightly.

I saw a lot of snacks and food in front of Ji Lin!

Almost the existence of the entire villa under the pressure box!

At this moment, all these things were swept by Ji Lin!

It's like I haven't eaten in ten days!

Sun Yi swallowed and said to Ye Chen: "Xiao Chenzi, how did you know this girl? I heard Xia Ruoxue say that she came to you? This girl is too good at eating, I'll give her something back. I bought three hundred dollars of KFC for takeout... how can her little belly fit so much..."

Ji Lin also found Ye Chen, licked his fingers and said with satisfaction: "Ye Chen, I heard you say that the food outside is delicious a few years ago, and now it seems that it is really, hehe, if I don't take a few days I'm going to return to the sect, I'm definitely going to stay here..."

Ye Chenbai glanced at Ji Lin and said, "I don't dare to take you in, and if I continue to eat, I will be too poor for you!"

Ji Lin opened another packet of potato chips and said with a smile: "If I hadn't killed the old guy just now, you would have died."

Ye Chen shook his head: "If you don't show up, I have a way to kill everyone."

"Just blow it up, I don't know your strength!"

Ji Lin said contemptuously.

Ye Chen didn't want to talk to her too much. After a few words to Xia Ruoxue and Sun Yi, the second daughter went upstairs, leaving enough space for Ye Chen and Ji Lin.

Ye Chen sat on the sofa on one side and said straightforwardly: "Say, you suddenly came out from Kunlun Xu to find me, what happened?"

Ji Lin stopped eating, took a sip of his drink and said seriously: "I almost forgot that important thing!"

She wiped her greasy hands on her clothes, and then took out a jade order from her bag!

The jade order is written in ancient Sanskrit!

Seeing this jade order, Ye Chen felt his breathing was short!

This jade order is equal to one quota!

In Kunlun Xu, priceless!

Even if you have the strength and influence, you may not get it!

"How can you have this thing!"

Ji Lin then threw Yuling to Ye Chen: "This is what my sister won for you. Don't be crooked, it's all for paying back the favor that I owed you back then!"

"She knows you need this thing to prove yourself, if it wasn't for this thing, I wouldn't come out!"

"But I really can't figure out why my sister and that old guy like you? Just your **** strength, it is estimated that you will be brushed down in the first round, and giving you such a precious place is nothing but a waste!"

Ye Chen held Yu Ling tightly, and a beautiful shadow flashed in his mind.

The other party is aloft, like a nine-day mysterious girl, respected by thousands of people. Dominate the world, prestige in all directions.

It is also one of the ten geniuses of Kunlun Xu.

Is she really doing this for the little favor of the year?

Ye Chen stopped thinking about it and asked: "How is her current strength?"

Ji Lin glanced at Ye Chen: "Don't think about it, you won't be able to look up all your life. It's a waste of time to tell you that. Didn't someone order me something delicious just now? Why haven't you arrived?"

At this moment, the doorbell rang!

Ji Lin's eyes were joyful, and his slender arms supported him, and his whole body almost flew up and landed directly at the gate firmly!

The door opened directly, and a thin man appeared in front of Ji Lin.

Ji Lin glanced a few times and found that the other party had nothing to eat, and the cold murderous intent was released: "Where is my stuff! You won't steal it!"

The lean man was startled, his whole body chilled and his back was soaking wet.

Who would have thought that this evil spirit opened the door!

If this guy wants to kill him, it's easy!

The key is this murderous inexplicable, he remembers that he did not offend this young man!

"I'll ask again, where's my stuff?"

The murderous intent released by Ji Lin made people palpitate, and the thin man subconsciously stepped back and sat down on the ground.

The powerful pressure even made a trace of blood overflow from the corner of his mouth!

The internal organs have been greatly shaken!

too strong!

How could China suddenly give birth to such a monster!

Except for the three strongest on the two Huaxia Grandmasters list, who can resist the coercion of this little girl!

"I... I don't know..."

At this moment, a man in a security uniform trot over carrying a generation.

Generally, vehicles cannot be delivered into the villa at all, so the security guards in the villa area do almost all the food for the last few hundred meters.

In Mingcui Villa, almost all people who live in it are rich or expensive. Who would order takeaway? Each villa basically has a dedicated chef and Filipino maid.

These security guards send it off at most once a week.

"Hello, is this the takeaway you ordered..." Bao'an said.

Before the other party had finished speaking, Ji Lin turned into an afterimage and took the takeaway directly. She didn't care about the man on the ground, and went straight into the house.

Only the security guard looking at his empty palms in a daze.

At this moment, Ye Chen walked out and wanted to close the door, but when he saw the man on the ground, his eyes suddenly shrank!

Last time at Yunhu Villa, this man was watching him!

His eyes were cold, murderously released, and he said in a condescending manner: "Who are you! Why keep watching me!"

The lean man quickly got up, suppressed the fear in his heart, and said: "You...Ye Chen, tomorrow at eight o'clock in the Huxi Park of Jiangnan Province, someone wants to see you!"

Ye Chen frowned and said, "If you want to see me, let the people behind you come by yourself!"

The lean man knew that Ye Chen would answer this way, and quickly said, "Ye Chen, what if it were Jiang Jianfeng? You should want to know the whereabouts of your parents!"

Ye Chen's face changed drastically as soon as he said this, and his hands clasped the lean man's neck!

"pardon!"

Ye Chen's voice fell like a rolling thunder!

It's palpitating!

The cold murderous intent seems to have formed a blood dragon~www.mtlnovel.com~ biting towards the man's soul!

If it were changed to normal, the thin man would definitely resist, but the pressure from Ji Lin just now caused him to suffer internal injuries!

It is impossible to fight Ye Chen's murderous intent now!

The lean man quickly said, "Ye Chen, believe it or not, it's Jiang Jianfeng! Tomorrow at eight o'clock...you...you'll know when you go!"

Ye Chen threw the thin man out, his eyes indifferent to the extreme: "Well, if you dare to lie to me, I will find you, and then kill you!"

"Boom!"

The door was closed.

The fog of Yunhu Villa seemed to gradually disperse.

Chapter 279: Damn him!

Ye Chen returned to the living room, lost in thought.

Jiang Jianfeng came to find himself, nothing more than seeing his own strength.

As expected, strength is the kingly way to survive in this society.

Leader No. 1 told him that his parents are still alive.

Then Jiang Jianfeng must know where his parents are.

just wait for tomorrow.

Ji Lin's mouth is full of oil. She glanced at Ye Chen, who was frowning, and said lightly: "Ye Chen, I heard that old man said that you came out of Kunlun Mountain to find the enemy who killed your parents. Have you found it?"

Ye Chen shook his head and ignored it.

He was thinking, Is it possible that the Dragon Lord of Beijing has disappeared from the world? There is no news at all!

Ji Lin belched a full hiccup, quite satisfied, and said: "Tell me, you know my strength, you should be able to help you. I can only stay outside for a few days, and I will be back in a few days. Kunlun is empty. If there is nothing to do these few days, it will be too boring."

Ye Chen glanced at Ji Lin, this little girl's talent and strength were almost against the sky, although she was not very old, she began to practice at the age of three.

Coupled with the resource tilt of the sect and family, it almost far surpasses many strong people.

But in just a few days, what can this guy help him?

It's better to rely on your own investigation.

He said casually: "I only know that I am in the capital, and the rest of the news is still being investigated..."

Ji Lin nodded, began to sort out the trash on the table, and at the same time dealt with it: "It's okay, this information is enough. I'm going to Beijing to play in the past few days."

Ye Chen didn't take it seriously either.

At the same time, Beijing, China Budo General Bureau.

Zheng Renjue turned his back to Fang Dongcheng and heard everything.

Fang Dongcheng swallowed, cold sweat, for fear that the man in front of him would be angry!

Someone used to be unfavorable, but Zheng Ren decided to kill him!

Zheng Renjue is called an iron judge by many strong men in the Chinese martial arts world!

His power and strength can decide everything!

The air is dignified to the extreme.

Suddenly, Zheng Renjue said: "In other words, that Ye Chen is not dead yet, right."

"Yes..." Fang Dongcheng's voice almost trembled.

He feels a storm is approaching.

"With so many people, can't you kill a small waste?"

"Before, in the past few days, no less than ten people from the Budo Bureau have died! Almost all have something to do with that kid! If this continues, am I going to be killed by this kid too!"

Zheng Renjue's deep voice seemed to be chilly.

"How can that kid's strength be compared to an adult... an adult is a star in the sky..."

Before Fang Dongcheng finished speaking, Zheng Renjue kicked him on his chest!

"Don't **** talk nonsense to Lao Tzu! Even a stinky boy can't solve it. I really want to kill you guys!"

"Now, in the Southeast region, everyone is saying that I am incompetent at the Huaxia Budo Bureau!"

"If that kid comes to the capital again, will the whole world know that Zheng Renjue of the Huaxia Budo General Bureau is also incompetent?"

Fang Dongcheng knelt directly on the ground and said: "My lord, the subordinate is incompetent, and the subordinate is willing to accept punishment!"

Zheng Ren decided to snorted coldly: "Punish? Punish you for a fart! As the person in charge of the Southeast region, you must help me resolve this matter!"

"This Ye Chen has a special identity. After the last assassination failed, the Dragon Soul and Jingcheng No.1 have already given me a blow! If Ye Chen can't be taken on the surface, he must find a way to solve this person secretly! You must never use the power of the China Martial Arts Bureau!"

Fang Dongcheng's mind flipped quickly. Suddenly, he thought about something and said: "My lord, if you want to kill Ye Chen, you don't need our hands at all! I have something to do with the person at the headquarters of the Blood Plum Palace in Beijing. It is only right to let professional people do it. If the strong people at the Blood Plum Palace Headquarters want to kill Ye Chen, it will be as easy as trying to get things done!

It's really impossible, I will ask the top killer in the Blood Plum Palace, how can Ye Chen have a way to survive! "

Zheng Renjue's eyes showed a hint of interest: "But I heard that although the assassin's strength is terrifying, but the asking price is not low... The key is not money can solve..."

Fang Dongcheng said earnestly: "If someone else, maybe really please don't move, but according to my friendship with the blood plum palace, it should be possible to please!"

"My lord only needs to wait here for my good news!"

Zheng Renjue slapped Fang Dongcheng's shoulder with his big hand: "Well, if things are done, you can mobilize the General Administration!"

Fang Dongcheng was overjoyed when he heard these words, and hurriedly said: "My lord, I will do it well! Within a week, I will dedicate this kid's head to an adult!"

.....

the next day.

Ye Chen woke up from training, he went to the guest room for the first time.

He put Ji Lin in this room last night, and he didn't know Ji Lin's habit of not sleeping.

Although this girl has a weird temper and a more poisonous mouth, her heart is not too bad.

As soon as he walked to the door, he found that the door was empty and there was no one inside.

"Gone?"

At this moment, Ye Chen noticed a line of characters carved on the wall.

"Ye Chen, I will go to Beijing to play for a few days. If time is too late, I will go back to Kunlun Xu directly. I hope that when you come to Kunlun Xu with a jade ring, you will be strong enough and don't let my sister down! I know how much pressure my sister is under to fight for that place for you!"

Ye Chen's eyes flickered with a trace of doubt~www.mtlNovel.com~The past came to mind.

Five years ago, he had just stepped into Kunlun Xu, and he did not know how much pressure he was under.

Kunlun Xu is far more dangerous than China!

He just stepped in, without the strength, could only be trampled under his feet!

Trash, humble Fangen!

Every cultivator in is better than him!

He even missed the best time to practice!

The state is low! Breakthrough is extremely slow!

Countless people laughed!

The only thing that made him feel warm was three people!

The first one is the old man who personally brought him into Kunlun Xu and taught him the techniques of cultivation!

The second one is Ji Lin, who is quirky!

The last one is desperate to help Ji Siqing who doesn't know how many times!

Give him the supreme pill! When he was in desperate situation, he desperately shot! Even at the mercy of a force!

He worked hard and cultivated desperately, but if there was no Ji Siqing in Kunlun Xu, he might have died in it long ago!

He really doesn't know why Ji Siqing, the beautiful lady of heaven, should do this to him! Even if she had done her a favor, she wouldn't be so rewarded!

Ye Chen, how can he? He asked the other person for the answer countless times.

The other party will always have only one sentence-"Ye Chen, you can't die, even if everyone in the world is dead, you can't die!"

Ye Chen woke up from the memory, holding the reincarnation cemetery in his left hand, and the jade order in his right, and said lightly:

"When I return, perhaps the name Ye Chen should resound through Kunlun."

Chapter 280: Vision!

Ye Chen looked at the time, there was still half an hour before the date Jiang Jianfeng agreed.

He went to the villa next door.

Ye Lingtian has completely vacated the villa.

Wu Xiangming, Luo Sha, and several dark palace experts who protected Xia Ruoxue and Sun Yi all lived in it.

24 hours standby.

Rakshasa's broken arm has been wrapped to prevent infection.

"grown ups....."

Rakshasa wanted to salute Ye Chen, but was directly rejected.

"You can just lie down. Your wound is too big, and your broken arm is destroyed. It is more troublesome to reborn. Now you have two choices. First, there is a mechanical arm on the Dragon Soul that can be combined with the human body and move one. Surgery is fine. Secondly, I will rebirth you from the broken arm with magic and medical techniques, but you may have to endure extreme pain..."

Before Ye Chen finished speaking, Luo Sha said without hesitation: "I choose the second one."

"you sure?"

"I confirm!"

After getting a reply from Luo Sha, Ye Chen nodded and took out something from the reincarnation cemetery.

Luo Sha saw Ye Chen actually take out things out of thin air, his eyes widened, extremely shocked!

What kind of means is this!

Ye Chen directly pulled off the bandage where Rakshasa broke his arm, and said, "Hold it!"

In the next second, the silver needle in Ye Chen's hand shot out, and the silver needle directly landed on Raksha's acupuncture points!

keep shaking!

After that, Ye Chen threw six precious medicinal materials up, and the true energy condensed, and the medicinal materials directly collided!

The fragrance of medicine overflows! It turns into powder instantly!

He grabbed it fiercely, and he was so angry! The powder burned directly!

"go with!"

The flame of six medicinal materials burned directly at the place where the Rakshasa broke his arm.

The strong pain almost made Raksha faint!

Cold sweats!

"Can you bear it?"

"can!"

Raksha gritted his teeth.

Ye Chen did not hesitate anymore, pinched his fingers, forced a drop of essence and blood, and directly drew an ancient rune in front of him!

"But suffering from humiliation, wandering about life and death, often sinking into the sea of suffering, never distorting the Tao. The real way, the enlightened person is content, the one who has the enlightenment, is always quiet and quiet..."

His speaking speed is getting faster and faster! As if spit out golden words one by one, heading directly towards Raksha's broken arm!

Raksha gritted his teeth, the blue veins all over his body violently, and even the silver needle stuck in his body couldn't hold it!

His whole body is already soaked! Even the pupils are gradually dilated!

Ye Chen had no distractions, since Luosha chose this path, he must do so.

And Rakshasa is very strong, he is considered the strongest existence around him, if he loses, then there is really one less general!

"Boom!"

There was a loud noise, and the whole bed collapsed! Ye Chen still didn't stop, his true energy gathered, and he pointed out!

The whole room shines brightly!

"The art of rebirth from broken bones, Hajime!"

As Ye Chen's last words fell, everything returned to calm!

Ye Chen exhaled a turbid breath, and Luo Sha almost fainted.

He took out a pill and fed it directly to the opponent, then glanced at the location of Rakshasa's broken arm, where a faint luster was flowing, which was extremely strange.

"Wait for three days, your broken arm should be changed. This is the first time I have performed this technique. If it fails, I can only take the first option.

These three days, remember to touch the water! I will let Wu Xiangming take care of you. "

Raksha was sober: "Thank you, sir."

"Don't be so polite, your broken arm was broken because of me, I will naturally help you recover. Okay, I have something else, go out first."

Ye Chen looked at the time, and it was seven forty-five, and it was time to leave.

.....

Huxi Park, Jiangnan Province, 8:03 in the morning.

A business car stopped slowly, Ye Chen got out of the car, glanced around, and noticed a middle-aged man sitting on a bench by the lake.

The middle-aged man was wearing a black windbreaker, his gaze was staring at the water of Bibo Lake. Although he didn't make any movement, Ye Chen could feel the strong aura exuding him!

even makes people feel extremely dangerous!

The ninth in the China Grandmasters List! Jiang Jianfeng!

Ye Chen came directly to Jiang Jianfeng's side. Before he could speak, Jiang Jianfeng spoke: "You were late for three full minutes. If it were someone else, he might have become a corpse."

Ye Chen sneered and said directly: "Where are my parents."

Jiang Jianfeng's eyes condensed: "Your temper is like your mother, you like to go straight."

"Don't talk nonsense to me, it was you who took my parents' corpses, you know where they are! If you don't tell me, I don't mind turning you into a corpse!"

Ye Chen is ready to inspire the third tombstone at any time!

A strong man came out, it's worth changing his parents' whereabouts!

Jiang Jianfeng raised his head, glanced at Ye Chen, and said, "I was really curious sometimes, where did your arrogance come from? Five years ago, you had such a cowardly personality. What made you so strong?"

"And your strength, where do you come from? I can't investigate by all means, it's really strange."

Ye Chen was a little annoyed by the other party, and released him murderously: "I don't want to say the third time, where are my parents now?"

"What if I tell you, they are in the capital." Jiang Jianfeng said, "I hate your tone. Anyway, I am also your uncle and your elder!"

"Maybe I was wrong, your family, the Jiang family has never admitted! You are not qualified to be my nephew!"

"Do you know how the Jiang family calls you? The evil kind! The humble evil kind!"

"Back when your mother gave birth to you~www.mtlnovel.com~ The Jiang family detected the roots of your **** and almost threw you to the ground and turned into a blood mist! If it weren't for your mother to kneel on the ground and beg, maybe you You are not qualified to stand in front of me!"

Hearing these few words, Ye Chen's eyes were bloodshot!

Anger fills the whole body!

The monstrous evil spirit burst out from him!

He guessed the beginning, but did not guess the result!

The Jiang family's blood flowing in his body is correct, but it is the evil kind of Jiang family!

There was even a picture of his mother kneeling on the ground and begging the man to let him go!

Shocking!

Why!

Isn't my own existence right?

What a joke!

His fate is not even qualified to touch the heavens, he was destined to be a person against the heavens since he was born.

He is the owner of the tomb of reincarnation, his birth will only be the treasure of all mankind!

江家! It's the Jiang family again!

What qualifications do they have to deny themselves and their parents!

At this moment, the reincarnation graveyard shakes! Endless blood evil entangles Ye Chen's body!

A blood dragon seemed to gush out from Ye Chen's body, rushing towards the sky!

is looking up at countless ants from above nine days, mortals!

Seeing this scene, Jiang Jianfeng's sneer at the corner of his mouth suddenly solidified!

He could feel the blood dragon above the sky staring at him!

At this moment, it shocked him, even made him feel small!

He looked at Ye Chen, and there were thousands of stormy waves in his heart. This kid actually caused such a terrifying vision!

how is this possible!
