### Chapter 301: Backlash!

The shocking vision of Yaowanggu was naturally noticed by people within a radius of ten miles!

Those strong men of all walks of life who were still resting in the Medicine King Valley suddenly opened their eyes and rushed out!

Came to the empty place, staring at the thunder and lightning falling from the sky.

Their eyes are full of panic!

They have never seen such a shocking sight!

There are even a few powerful men with extremely terrifying breath, staring at the thunder and lightning, holding their breath.

A trace of fear spread in their hearts.

They know very well that the one who can provoke such a vision must be a peerless powerhouse!

A strong man whose strength far exceeds them!

Is there another strong in Jiangnan Province?

Several people from the China Martial Arts Bureau in the rest area frowned.

The old man who had accused Ye Chen in the square just wanted to take out the phone and take this picture.

Suddenly, his mobile phone seemed uncontrollable, and the moment he pressed the shutter, a strong burning sensation penetrated everything.

"Boom!"

In the next second, it will explode directly!

Some parts of the phone even shot into his eyes!

"what!"

A scream resounded throughout the entire Yaowang Valley.

The vision of the strong, is it possible for ants in the world to watch?

...

At the same time, a straw house in the depths of Yaowang Valley.

An old man with a fairy wind and bones sitting cross-legged, this person is the strongest alchemist in the Huaxia Medicine League!

Not only is the alchemy method extremely strong, but the martial arts strength can also make it into the top ten of the Huaxia Grandmaster!

Of course, the Huaxia Grandmasters list does not have his name, and he doesn't care about such a false name.

He is devoted to cultivation.

At this moment, his eyes opened, and a gleam of turbid eyes flashed.

It turned out to be horrified after being exhausted!

"Why is there such a strong in Yaowanggu? Jiangnan Province has changed? Or is Huaxia changed?"

In the pill room.

Xiang Chengdong noticed something was wrong and opened his eyes, completely frightened!

Looking at Ye Chen, who was entangled by thunder and lightning, he knelt on the ground with a sound of "plop!"

He doesn't care about the chairman of the China Pharmaceutical Alliance or the master!

At this moment, he just wants to live!

He claims to have seen some markets, but at this moment, everything in the world is in a bubble!

He even felt that the young man in front of him was a god!

The deity who can make him disappear in a single thought!

Ye Chen watched Xiang Chengdong knelt, frowned, his feet stepped on the ground, and the air surging, Xiang Chengdong's body was directly suspended!

Afterwards, Ye Chen directly patted the golden rune in Xiang Chengdong's body!

Jinguang masterpiece!

A black Oracle seal appeared on Xiang Chengdong's chest!

Ye Chen sneered, "You dare to be embarrassed by the mere \*\*\*\* skills! Broken!"

Rays of light penetrated Xiang Chengdong's body, and Ye Chen, who held the thunder and lightning, opened his five fingers and grabbed the oracle bone inscription directly in his palm!

The Oracle Seal even wanted to escape, but even if Ye Chen released his five fingers!

The powerful prohibition also makes it not qualified to escape!

Suddenly, Ye Chen closed his five fingers!

"Crack!" With a sound, the black stamp disappeared! Turned into dust.

...

now.

The capital is thousands of miles away.

Ghost prison!

It's so dark here!

Dangerous breath surging everywhere.

This place is full of violence and crime. Without strength here, it will fall to the bottom.

In the depths of the ghost prison, a goatee old man in a long robe sits in a stone chamber.

In front of him is a couple.

Fettered by a special chair, imprisoned freedom.

The man's face is full of determination, the national character face, although weather-beaten, but he can feel a hint of arrogance.

And the female is about forty years old, and her charm still exists!

If Ye Chen were here, he would definitely find that these two people were the parents he had been searching for!

Ye Tianzheng!

Jiang Huirong!

The goatee old man looked at the two and said, "It's been so long, do you really want to say it?"

"Do you really want to stay here forever?"

Ye Tianzheng snorted coldly: "I said, I don't know anything. If you want to be imprisoned, you can be imprisoned. Even if it's a few more decades, we have nothing to say!"

"Anyway, we are alive now like walking corpses, kill if you want to kill, or torture if you want to torture, whatever you want!"

The goatee old man shook his head, his eyes fell on Jiang Hirong again, and said: "Miss Jiang, you are a golden branch and jade leaf. It is estimated that the suffering in this ghost prison is uncomfortable, as long as you let go, I can promise you everything."

Jiang Huirong looked at Ye Tianzheng beside him, her beautiful eyes full of tenderness: "I am willing to follow him and endure hardships. Besides, we both have nothing, and there is no point in living."

The old goatee knocked his fingers on the table, narrowed his eyes, and said, "Don't even care about your son Ye Chen?"

Hearing these words, the faces of the husband and wife were full of struggle, and there was a deep complex color in their eyes.

"Our son is dead. It's no use what you say!" Jiang Huirong said coldly.

At Yunhu Villa, she personally pushed Ye Chen down Dongqian Lake.

She knows the rush of water and the height of cliffs better than anyone.

She had no choice. Pushing her son down was better than being beheaded by that person.

"What if I said, your son is not dead?"

Goatee Laozi speaks amazingly!

As soon as these words came out, the couple's hearts were filled with waves, and they said in unison: "What did you say!"

The old man with goatee smiled, as if he was holding the winning ticket: "Tell me, the secret I want to know, I might be in a good mood, and I will bring your son to see you."

The two glanced at their heads, determined and determined!

"Don't think about it! Even if Chen'er is alive, I believe he will find us himself!"

An irritation flashed across the face of the old man with goatee, and his finger was gently placed on a red button.

He threatened: "As long as I press, you will be tortured by the current, which feels uncomfortable."

The two couples still ignored the old goatee!

"Well, since you are looking for death, I will stay with you to the end!"

The next second, the old goatee slapped the button with a palm!

But before it fell, thunder and lightning surged from his body!

An extremely terrifying breath wrapped him!

"how is this possible!"

The face of the old man with goatee changed drastically, what did he notice!

His magic was broken!

He was actually bitten back!

Seeing the thunder and lightning around his body, his eyes were full of fear!

Someone was thousands of miles away and broke his spell!

The key is that he doesn't even have the right to resist!

The rolling thunder and lightning made him uncomfortable and made him crazy and angry!

The blood is constantly rising~www.mtlnovel.com~ He can no longer control it, and directly spit out a mouthful of blood!

shocking!

He has guarded the ghost prison for a hundred years and has never been so embarrassed!

At this moment, he was completely black, and countless thunder and lightning passed through his body.

He fell to the ground, convulsing all over, his face grim and pale.

"Guru"

Seeing this weird scene, Ye Tianzheng and Jiang Xirong were a little confused.

This old guy didn't want to use electricity to deal with them, how could he be surrounded by lightning?

Is this the retribution in the legend?

The two looked at each other, and laughed for some reason.

Chapter 302: privilege!

Because of the goatee old man's accident, Ye Tianzheng and Jiang Hirong were sent back to the place of imprisonment not long after.

That is a house of only ten square meters.

Simple and dark.

The sound of teasing and the sound of fists being beaten in the cage continued to sound around.

The power of restraint rippled.

"Oh, the two scumbags are back, are they all right?"

"Come and die!"

Ye Tianzheng glanced at the group of people who were talking, and said to Jiang Xirong: "That person said that Chen'er is still alive..."

Jiang Huirong nodded: "I don't know why. For so many years, I have always felt that a certain connection has not been broken. I am a mother. I know very well that it is a connection of flesh and blood. I really feel that Chen'er is not dead."

Ye Tianzheng fell into deep thought, and raised his head for a long time and said, "Even if Chen'er is not dead, she will be injured if she falls from such a high place. I don't know if it will..."

He sat on the bed, a little strenuous, and then lifted his trousers up. It was a mechanical artificial leg!

Ye Tianzheng broke a leg!

He rotated one hand around the injured thigh, and the artificial leg was taken off.

"Now I have become a useless person. In fact, it's pretty good to live here. I just hope that Chen'er won't involve too many things..."

"Pei Rong, I once promised you that I would take you back to Jiang's house in style and glory. Now it seems that this wish will not be realized in a lifetime."

Jiang Suirong shook her head fiercely, tearful eyes whirling: "Tianzheng, what about the Jiang family, for so many years, I found that one thing has not changed, and that is where you are called home."

"What's more, we still have Chen'er. I don't know why. I always feel that Chen'er will come to the ghost prison to find us. This feeling is getting stronger and stronger."

Ye Tianzheng was taken aback, took out a photo from his pocket, and fell into a long period of thought.

In the photo, a teenager stood between the two.

Although the boy was immature, his eyes flashed with something that did not belong to his age.

At this moment, in the stone chamber of Ghost Prison.

The thunder and lightning on the goatee old man disappeared, and there were five more powerful men with fairy wind and bones around him to heal his injuries.

He opened his eyes, glanced at the people around him, arched his hands and said, "Thank a few adults to help."

One of the strong men asked: "What the \*\*\*\* happened, how could you be injured in the ghost prison?"

The goatee old man still had a trace of horror in his eyes, and he said: "Master Qi, the origin of the magic technique on my body has been broken, and all the marks of those who have entered the ghost prison have disappeared... I feel that my cultivation base has fallen. Severely injured..."

The five powerhouses frowned: "Thousands of miles away, can you break your spell? Is there such a strange person in the world?"

The goatee old man nodded: "The opponent's strength is too terrifying. The key is that I don't even have the power to resist. I have to ask a few adults to call the shots."

There was a long silence in the stone room.

Suddenly, one of the white-haired strong men said: "That person broke the origin of your spells, naturally to cover up something. It seems that the other party is investigating the ghost prison. In this way, you have entered the ghost prison for the past 30 years. According to statistics, the problem must lie with one of them!"

"When you come in contact with each other one by one, you will surely find clues! I want to know who dares to watch the ghost prison!"

The old man with goatee brightened his eyes and nodded: "Yes, my lord, I will do it now."

...

Jiangnan Province, Yaowang Valley.

Dan Fang returned to silence.

Xiang Chengdong's body also fell, and he could clearly feel that something was deprived of him.

This feeling relieved him.

Xiang Chengdong glanced at Ye Chen and said, "Mr. Ye, it's really a magical move."

"Tell me about the ghost prison, the spells on your body have been broken, and there is no harm to you."

Ye Chen's cold voice sounded.

Xiang Chengdong nodded and hurriedly said, "Mr. Ye, the ghost prison will only be opened once a month, all at the beginning of the month, the entrance is constantly changing, and it just happened to be around the early morning. The first time I entered was near the Qianling Park in the capital. The second entry should be at Xihongmen, and the last time was west of Happy Valley in Beijing."

"Every time you turn it on, someone wearing a mask will come and be attracted. If you want to enter it, you must be attracted by this person."

"Coincidentally, a few days ago, someone in the Ghost Prison contacted me again, saying that the Ghost Prison will be opened again next month, and let me go again. This time he asked me to find a hotel near the Beijing Normal University."

"I guess that the next ghost prison will be opened near Beijing Normal University."

Ye Chen's body was startled, and then, the power on his body completely disappeared.

The black-robed old man has left his body, and the reincarnation cemetery has also fallen into silence.

He narrowed his eyes and murmured: "Beijing Normal University? It seems that Jiangnan Province has been dealt with. After some time, it is time to go to Beijing."

Xiang Chengdong thought of something, and curiously said: "Mr. Ye, you are not planning to break into the ghost prison. This is not annoying. I heard that the ghost prison is not that simple. Even the head of China is not qualified to intervene. The ghost prison."

"Also, there are many strong men stationed in the Ghost Prison. When I entered it, I saw that the strong man crushed an existence similar to mine with a single finger... Extremely terrifying... Although Mr. Ye is very strong Strong, but I think we still have to be careful."

Ye Chen didn't answer directly, but said: "When you go to Beijing~www.mtlnovel.com~ remember to remind me."

"Yes, Mr. Ye." Xiang Chengdong said.

"I'll go to Baicao Valley to get some medicinal materials, no problem." Ye Chen opened the door and prepared to leave.

Xiang Chengdong nodded again and again: "Mr. Ye can pick it up at will. I have the right to decide on the matter of China Pharmaceutical League. No one dares to say anything, just..."

Xiang Chengdong's tone suddenly hesitated.

"Just what?" Ye Chen said.

Xiang Chengdong's eyes condensed, and he made up his mind: "I don't know if Mr. Ye is willing to join the China Pharmaceutical Alliance, even if he has a name, even if Mr. Ye wants me as the chairman of the board, I have nothing to say."

He wanted Ye Chen to join Yaomeng very much, and Yaomeng would really be a top-notch existence by then.

"Mr. Ye's methods are simply perfect...Once we join the China Pharmaceutical Alliance, we will definitely come back to life!"

Ye Chen shook his head and refused: "I don't like being tied up, and I don't like any positions, sorry."

Xiang Chengdong was a little bit lost. Suddenly, he thought of something and quickly said: "Mr. Ye, do you think this will work? Our Huaxia Pharmaceutical Alliance grants you the honor of the chief consultant. You only need to take care of it occasionally, the chief consultant of China Pharmaceutical Alliance. His identity is extraordinary. It can use all the resources of Huaxia Pharmaceutical Alliance, and

it can also have absolute privileges in any pharmacy, school, or area authorized by Huaxia Pharmaceutical Alliance!"

Chapter 303: Painful price

"I know that Mr. Ye and the Huaxia Martial Arts Bureau have some entanglements. If there is this level of identity, I believe the China Martial Arts Bureau will be a little bit jealous."

"I begged Mr. Ye."

Xiang Chengdong said excitedly, he knew very well, if this time in Yaowanggu, he would not be \*\*\*\* with Ye Chen!

That Huaxia Pharmaceutical Alliance will not have a bright future!

In comparison, Master Zhao's refining of the third-grade pill is simply unbearable!

Ye Chen thought for a while, then agreed: "Okay, let me explain first, I will not do anything for Yaomeng, and I can leave at any time."

Right now he needs a large number of medicinal materials to cultivate, and it is not a bad thing to establish contact with Huaxia Pharmaceutical League.

What's more, a fictitious name is nothing but a dispensable.

But Ye Chen didn't know that China Pharmaceutical League only had two positions with absolute real power!

One of them is the chairman!

As for the last one, it is the chief consultant of Yaomeng!

When Xiang Chengdong saw that Ye Chen had agreed, his eyes shone with a different kind of brilliance.

Yaomeng, there is a chance

...

Ye Chen left the pill room, originally he just wanted to gather some medicinal materials.

Now that he is named as the chief consultant of the Pharmaceutical League, he is not welcome.

Crazy plunder.

In this scene, the people who watched the drug alliance dropped their jaws in shock.

"Hey, one of the Shura flowers was taken away by Mr. Ye, and only three are left."

"No, Soulbreaker Grass has also been taken away!"

"Look, there is only one Qingyue Ginseng left in that corner of the Medicine King Valley, and he discovered it too, \*\*\*\* it, our Medicine King Valley has cultivated this thing for nearly a hundred years!"

Every staff member of the Pharmaceutical Alliance went to make a small report, but Xiang Chengdong only left one sentence!

"Everything Mr. Ye does in Yaowanggu cannot be stopped! Violators, expel the Huaxia Pharmaceutical League!"

This sentence is extremely heavy! It's not what those staff can afford!

Suddenly everyone became curious about Ye Chen's identity.

They could only watch Ye Chen take away the extremely precious medicinal materials.

Fifteen minutes later, Ye Chen left with satisfaction.

He searched for Zhu Ya but did not find him, guessing that Zhu Ya should be in the rest area.

Now that he got the news from Ghost Prison, he didn't need to stay in Medicine King Valley anymore.

It is estimated that Master Zhao will refine alchemy a second time, and this matter has nothing to do with him.

Ye Chen came to the rest area and found Zhu Ya at the end of the corridor.

But at this moment, there was a tall and tall man standing in front of Zhu Ya, and the two were obviously arguing.

Zhu Ya Meiyu was a little unhappy.

Ye Chen walked over and vaguely heard something about casting a sword, as if the Zhu family had violated the treaty.

"Zhu Ya, what's the matter?"

When the two were arguing, Ye Chen spoke.

The man naturally noticed Ye Chen, and his eyes shrank slightly. Ye Chen's behavior in the square just now was so strange that he had to be jealous.

But even so, he still spoke: "Ye Chen, this matter has nothing to do with you, I hope you don't interfere."

"I didn't ask you." Ye Chen said politely.

Then he looked at Zhu Ya and said lightly: "I have something to do. I don't plan to stay in Yaowang Valley. You can go back to the city with me. Of course, if you want to stay here, I will take a taxi back."

Zhu Ya seemed to see the life-saving straw, knowing that Ye Chen was helping her, and quickly said: "Mr. Ye, I also go through the process when I come to Yaowanggu. Now that it is almost done, I will send Mr. Ye away."

After speaking, she went to Ye Chen.

The man's eyes were cold, and he naturally wouldn't let Zhu Ya leave. He stretched out his five fingers. He wanted to grab Zhu Ya's wrist and a wind blade fell directly!

The man had to withdraw his hand, his eyes fixed on Ye Chen.

"Ye Chen, I know you have some research on alchemy, but this is an entanglement between my Deng Yuanxiao and the Zhu family. If you act, it will only hurt you, not good!"

"Back then, the Zhu family promised me to make a sword, but there is no more information yet. How can Deng Yuanxiao explain to the Deng family?"

Ye Chen snorted coldly: "It's the power of the Zhu family to cast it or not, and it's my power to make it out of it. What is it to you?"

"You--" Deng Yuanxiao was extremely angry!

If Zhu Ya were to leave this time, it would be impossible to forge a sword!

At this moment, Zhu Ya said: "Mr. Ye, this matter was violated by the Deng family first, my Zhu family..."

Before he finished speaking, Ye Chen said: "No need to say more, I believe you, if Deng Yuanxiao dares to move you, I will make him pay a heavy price!"

The cold words reveal the supreme pressure!

Deng Yuanxiao had already felt countless eyes shooting out!

If there is no explanation today, how should his Deng family in southern Fujian stand?

A person who understands pills may care a little for Huaxia Yaomeng, but in his eyes it is nothing.

"Ye Chen, I'll repeat it again, you'd better not interfere in this matter, otherwise you will be at your own risk!"

Threat!

Naked threat!

Ye Chen waved his sleeves and said directly to Zhu Ya beside him: "Let's go."

Just as the two took five steps, a gust of wind swept!

The cold murderous intent is heading towards Zhu Ya!

Obviously preparing to keep Zhu Ya!

Ye Chen's mouth showed a cold smile!

Seeing that Deng Yuanxiao's five fingers were about to grab Zhu Ya's shoulder, Ye Chen moved!

Hit out with a punch!

Nothing fancy.

Extremely simple.

"Boom!"

Deng Yuanxiao fell straight out! But Ye Chen didn't move at all!

But this was just the beginning. Ye Chen moved and took a step forward, like a tiger descending a mountain, at an amazing speed, and directly came to Deng Yuanxiao who had fallen out!

Turning fists into claws, grabbing the opponent's wrist!

"Crack!"

It's as simple as that!

How can Deng Yuanxiao endure the explosive force!

The wrist broke directly!

The voice is so clear that it is pointed!

"Ah!" Deng Yuanxiao had no idea that Ye Chen's strength was so terrifying~[www.mtlnovel.com](http://www.mtlnovel.com)~ The hideous and violent face of the original face was pale in terror.

He can't handle a single move! And the other party hasn't exerted all their strength!

There are such terrifying young people in Jiangnan Province?

He screamed in pain and hit the ground.

Ye Chen walked step by step, ignoring others.

"You... what are you doing? Don't... don't kill me!"

Deng Yuanxiao wailed.

This young man is terrible, and now he feels that he will be beheaded by the opponent at any time.

"kill you?"

Ye Chen smiled coldly: "It's just that I got my hands dirty to kill you."

The smile on his face changed from cold to warm.

This is the chill that Deng Yuanxiao has never felt in his life.

At this moment, many people have gathered around.

After all, this is Medicine King Valley, and most people are invited here, even if it is because of Xiang Chengdong's face, they will not do anything here.

In their eyes, Ye Chen's behavior was obviously excessive.

Not long after, Xiang Chengdong also hurried over. When he saw Ye Chen, his expression became extremely strange.

Chapter 304: Manipulating hands behind!

Seeing Xiang Chengdong appeared, Deng Yuanxiao quickly stretched out his hand and asked for help: "Elder Xiang, save me, this kid is making trouble in Yaowang Valley..."

Before he finished speaking, Ye Chen spoke: "I just warned you, you don't listen."

The words fell, Ye Chen stepped on Deng Yuanxiao's body.

The sound of bone fracture came.

seems to be all shattered.

"From now on, you will be a completely useless person!"

Seeing this scene, everyone thought that Xiang Chengdong would be angry.

After all, Ye Chen started his hand in the Medicine King Valley, this is the ground breaking on the Tai Sui!

With Xiang Chengdong's character, Ye Chen and Zhu Ya are bound to be blasted out!

Check out new PVP arena battles!

But something unexpected happened to everyone. Xiang Chengdong glanced at Deng Yuanxiao and told the people around him: "Throw this person out. From then on, the Deng family in southern Fujian has nothing to do with Huaxia Pharmaceutical League! Huaxia Pharmaceutical League will not do anything. Deng's family in southern Fujian provides any medical assistance!"

what!

As soon as these words came out, everyone was stunned!

Xiang Chengdong not only did not deal with Ye Chen, but directly separated from the Deng family in southern Fujian!

even threw Deng Yuanxiao in his hand out of the Medicine King Valley!

This move is like showing good to Ye Chen!

At this moment, Ye Chen and Zhu Ya as the parties have quietly left!

A person looked at the two distant figures, deeply horrified.

They also had an extremely firm idea:

Ning to offend Hades, don't offend Ye Chen!

.....

Outside the Medicine King Valley.

Zhu Ya got in the car in shock, her chest undulating slightly.

The waves are magnificent, and the gully in the chest is also very clear, which makes people think about it.

She glanced at Ye Chen behind her, her face flushed for some reason.

Heroes are sad for the beauty level, but beauty is not easy to pass the hero level!

A few things about Wanggu alone, Ye Chen's figure is infinitely elevated in Zhu Ya's heart!

She bit her red lips lightly, wishing to go straight to the back seat and occupy this man!

She hates it in her heart, how good would it be to meet Ye Chen before Xia Ruoxue?

Maybe she took the initiative a little at the time, and the woman next to Ye Chen should be her.

What a pity, there are so many ifs in this world!

She knew very well that once she left Medicine King Valley and returned to the city, it would be impossible to be alone with Ye Chen.

Ye Chen helped her just now because of a friend's perspective, not because of her interest.

At this moment, she struggled to the extreme.

Her appearance and temperament are not much different from Xia Ruoxue. If she takes the initiative, will Mr. Ye refuse?

Looking at Ye Chen, who was sitting in the back with her eyes closed, she gritted her teeth, opened the driver's door, and came to the back.

Ye Chen naturally heard the movement, and as soon as he opened his eyes, he found Zhu Ya sitting beside him.

"You are not feeling well? Why is your face so hot?"

"Mr. Ye...I..."

Zhu Ya hesitated for a few seconds, and hinted: "The little girl would like to thank Mr. Ye for the shot just now. If Mr. Ye wants me to do anything in the future, I'm willing to... even that..."

After speaking, her blush was as if she could force bleeding.

Ye Chen was startled, naturally he understood something, he smiled: "I want you to do something for me now."

Zhu Ya's eyes flowed, her breathing was short, and she said, "Just do it in the car?"

Ye Chen nodded: "Just use your hand."

Zhu Ya thought of something, and twisted: "Actually, I can also help Mr. Ye with my mouth..."

After finished speaking, he stretched out his slender hand, trying to untie the belt for Ye Chen intimately.

But soon, he was stopped by Ye Chen.

Ye Chen pointed to the steering wheel: "I mean you sent me back to Mingcui Villa, what do you think in your head."

Zhu Ya heard this, her neck was red!

With an endless sense of loss in her heart, she quickly got out of the car, returned to the driver's seat, and said with a trembling voice: "Yes, Mr. Ye..."

.....

Just after the Bentley left, more than a dozen powerful breaths moved towards the Medicine King Valley!

The vision of thousands of thunders directly attracted the hidden powers near Jiangnan Province!

They know very well that this kind of vision can only be the coming of the strong!

Ten days ago, Jiangnan Province also had a beam of light anomaly!

It's just that the beam of light is fleeting, they can't determine the specific location!

But this time, the thousands of thunders, they knew they had appeared in the Valley of Medicine King for the first time! Even more came non-stop!

An old man in Taoist robe and a hunched old man arrived first.

The two looked at each other, and the old man in Dao Pao said coldly: "Brother Qiu Shui, don't come here unharmed, I remember you retreat in Yuewang Mountain, why, you left early?"

The old man with a humpback replied: "Originally, why did I come here? Don't you know it? You are also looking for that adult!"

The old man in Taoist robe touched his beard, and said, "It is definitely China's top powerhouse who can break out such a vision. When China changes the sky, if I don't do anything, I'm afraid my Taoism will be difficult, but I am sure. , If that adult wants to choose between the two of us, he will definitely choose me! One way of martial arts, strength is the eternal truth!"

The hunched old man glared at the old man in Dao Robe: "Huh! It depends on who finds the adult first!"

The words fell, the wind was blowing under his feet, and he rushed in!

When the old man in Dao-robed saw this, his feet surged with true energy, and he headed toward the depths of the Medicine King Valley!

Today, Yaowanggu is destined to be restless!

.....

Mingcui Villa~[www.mtlnovel.com](http://www.mtlnovel.com)~ The Bentley stopped slowly, and Ye Chen opened the door of the villa. He thought that Sun Yi and Xia Ruoxue would be inside, but found no one!

The table was in a mess. The second girl seemed to be planning to do baking, but she didn't know what happened suddenly and left the villa directly.

The egg whites were also spilled on the ground.

Ye Chen frowned. Just about to go upstairs, Zhu Ya rushed in and said excitedly: "Mr. Ye, something big happened!"

"You haven't left yet?"

Ye Chen asked, Zhu Ya hurriedly handed the phone to him.

He glanced at it, it was a news video.

The title is: Major medical accident occurred in Tianzheng Group of Jiangnan Province! Of the 27 consumers taking Tianzheng Group products, two have died, and 25 of them have entered the intensive care unit! The situation is not optimistic! The China Food and Drug Administration and the Administration for Industry and Commerce have been involved in the investigation!

The picture in the video is a hundred people's rights protection! Everyone blocked the entrance of Tianzheng Group Jiangnan Branch!

The office of Tianzheng Group is a mess!

Huayuan International Trade Building is even more impenetrable!

Even though the police are maintaining order, it is still useless!

Ye Chen's eyes are gloomy to the extreme!

Now Tianzheng Group's products are developed and designed by him! It is a combination of Danfang! There is absolutely no problem.

Either something went wrong during the product sale, or someone deliberately used this method against him!

"Zhu Ya, drive, take me to Tianzheng Group."

Ye Chen's cold voice sounded!

"Yes, Mr. Ye!"

Chapter 305: Just the truth!

Twenty minutes later, Ye Chen and Zhu Ya arrived at Huayuan International Trade Building in Jiangnan Province.

At the door of the building, Sun Yi and Xia Ruoxue are being blocked by a few security guards. They have microphones in their hands, and they seem to be holding an emergency press conference to clarify this matter!

But the people outside didn't listen at all!

A line of insults and insults even bombarded Sun Yi and Xia Ruoxue!

It's hard to hear the extreme!

even insulted their parents!

Sun Yi bit her red lips lightly, she already had a trace of anger on her face.

They thought about sending someone to suppress it, but it was too much trouble!

When the news broke out, 27 people had an accident. Now there are a hundred people! And the situation is getting worse!

Not only Jiangnan Province, the entire China has a problem with Tianzheng Group products!

This is even more troublesome!

Even if you use the power and contacts of the Xia and Qin families to suppress it, it is useless!

There are two hands as if controlling the direction of public opinion!

The power in these hands is far stronger than the Xia and Qin families in Jiangnan Province!

Xia Ruoxue and Sun Yi can only use pale words to explain, but it is useless at all!

Crowd abuse continues to erupt!

Suddenly, a man wearing a hat condensed his energy and smashed an egg directly on Sun Yi's face!

Sun Yi's hair is full of sticky egg whites!

very embarrassed!

The group of reporters took crazy snapshots. They were sure that this picture would inevitably spread throughout the social network overnight!

Seeing this scene, Ye Chen was angry!

He stepped forward, his whole body surged!

rushed directly into the crowd!

Everywhere I go, people turn their backs!

Grandmaster's wrath is not something ordinary people can bear!

Things have developed to this point, Ye Chen already knows exactly where the problem is.

From the outbreak of the Tianzheng Group scandal, to demonstrations, smashing, sabotage, and even the media, this dragon is clearly directed at the Tianzheng Group!

The key is that the Qin Family and Xia Family's abilities cannot be suppressed, indicating one thing, the threat comes from the capital!

All this is for Ye Chen!

Someone wants to ruin the Tianzheng Group and ruin him!

The wind was rolling, Ye Chen came directly to the man who threw the egg!

How can troublemakers have Furutake!

Ye Chen's five fingers directly clasped the opponent's neck. The man sensed the danger and just wanted to dodge, but found that it was too late!

The wind whistling in his ear, "Boom!" With a loud noise, the man who threw the egg directly hit the ground!

The powerful counter-shock force made him spit out a mouthful of blood!

The man suffered to the extreme. When he saw that it was Ye Chen, he quickly yelled: "It's hit someone, look at it, everyone, Tianzheng Group hit someone!"

"I know this person, he is the legal person Ye Chen of Tianzheng Group!"

"Look, everyone, Tianzheng Group not only sells poison, but the boss also beats people!"

These few words directly ignited the audience!

The verbal abuse around kept coming to Ye Chen!

It's hard to hear the extreme!

blame! rude! insult!

Those reporters pressed the shutter like crazy!

This is definitely big news!

"Who asked you to come?"

Ye Chen ignored it, and the cold voice fell!

The man was not afraid of Ye Chen at all, and said with a grim expression: "You have a \*\*\*\* medicine problem, don't let people say, do you have a ghost in your heart"

Before he finished speaking, Ye Chen stepped directly on the opponent's arm with a foot, "click!" He smashed directly.

The strong pain almost made the man twitch.

But the words in his mouth remain unchanged!

is obviously trained!

"The hand you used to touch my woman just now has been broken, where do you want to break it next?"

"I'm really wondering, are you an ancient warrior still coming to defend your rights?" Ye Chen smiled.

The man was startled and pretended to be at a loss: "I don't understand what you are talking about, what ancient martial artist, I am a \*\*\*\* consumer, my parents have taken medicine from your Tianzheng Group and are still lying in the intensive care unit now. She has an accident, I will find you desperately! Grass! What the hell!"

With such words, the crowd's emotions erupted, and men, women, children, and men scolded Ye Chen one after another.

more and more ugly.

Ye Chen glanced at everyone with a cold look: "Noisy!"

The word fell, and a powerful sound wave surged away, and those people retreated one after another.

Some even fell directly to the ground!

Like the tide surging!

When they stood up and just wanted to say something, a murderous intent was covered from Ye Chen!

wrap them all over!

At this moment, they seem to have fallen into Jiuyou Hell!

There seemed to be a pair of hands in front of them, clasping their necks tightly!

They are husky, they have no right to speak!

"I asked him, I don't like someone to interrupt, who dares to say another word, die!" Ye Chen said lightly.

is a threat!

But extremely effective!

The whole building is silent!

Ye Chen's eyes fell on the man again: "I only give you one chance, if you don't say it, you will regret it."

The man is not afraid at all, if he fails to complete the task, he will undoubtedly die!

"You Tianzheng Group is really a three abuse group, it will only threaten people, I just want to tell the truth!"

Ye Chen's mouth flashed with a touch of coldness.

"I know your choice."

There is no temperature in his voice.

like nine quiet ice.

Ye Chen lifted his foot without warning and stepped directly on the man's chest.

"Boom!"

This heavy kick hit the opponent's body like a cannonball.

The man vomited another mouthful of blood.

"Ahhhhh..." He knelt on the ground~[www.mtlnovel.com](http://www.mtlnovel.com)~ with a heartbreaking scream.

This feeling is so uncomfortable!

"Do you think it hurts? You are wrong, it's just the beginning."

A leaf appeared in Ye Chen's hand, which was picked up by Yaowanggu.

is a kind of poisonous grass. If it is taken alone, it will shake its soul, and its body will bite like ten thousand ants! But if mixed with other medicinal materials, it will have a great detoxification effect.

Ye Chen pruned open the opponent's mouth directly, and fed him mercilessly.

The man snorted coldly. Just about to speak, a force of power spread through his internal organs, his body twitched directly, and foam was spit out from his mouth!

His face is pale and his body is wet!

He just curled up and trembled like this, he was already in pain, almost peeing his pants, and his heart burst!

He is hard to suffer! He is really scared!

This feeling is harder than death!

He even felt his whole body ulcerated!

He can no longer care about other things, and a trembling voice sounded: "I said, I said, it's Zheng..."

Before the words were spoken, a gunshot fell!

The high-speed rotating bullet shot over!

Ye Chen shrank his eyes and sneered: "Dare to use a gun in front of me, I want him to live, no one has the right to deprive him of his life!"

The words fell, Ye Chen shot a dart in his hand!

The dart penetrates and goes!

broke the bullet directly!

The bullet shattered, and violent sparks exploded in the air!

The man's voice also fell completely.

"Zheng Shao..."

Chapter 306: The rebels are killed!

I heard the words Zheng Shao.

Ye Chen first thought of the short-sleeved man he met in Yaowanggu.

It seems that someone called him Zheng Shao.

The key is that he personally admitted that behind him is the China Martial Arts Bureau.

It is extremely easy for the authority of the Huaxia Budo Bureau to create such an incident.

The Xia Family and Qin Family in Jiangnan Province had no possibility of counterattack.

Ye Chen's mouth formed a cold smile, and immediately his eyes fell on the rest of the people.

The demonstrators stepped back subconsciously.

Not only the demonstrators but even the reporters were shocked when they saw the eyes.

Ye Chen was sure that if these people came here so quickly, someone must be behind them.

Raid: Shadow Legends! Play Now!

It will be much easier to get things out of this group of people.

Ye Chen dialed Lei Shuwei's phone directly: "You should have seen the news."

Lei Shuwei nodded: "Mr. Ye, I roughly know who did this. I have sent someone over, and all the troublemakers will be investigated in isolation."

Before the phone was hung up, Ye Chen found several special vehicles appeared!

Soon a group of armed soldiers swarmed down, and even Ying Qing was the leader.

The Dragon Soul came forward in person.

In fact, it only needs people with general military background to deal with it.

Ying Qing and the Dragon Soul Warrior came forward, completely expressing their attitude.

The Huaxia Martial Arts Bureau can control the direction of public opinion, but he has forgotten that Ye Chen is the chief instructor of Dragon Soul.

Standing behind him is the entire dragon soul!

The group of condemning people and remembering to see a large number of armed men surrounding them, they were completely confused!

Has it been a violation of the law these days?

The reporters smelled something wrong, and just about to escape, several armed men directly clasped their shoulders with one hand.

A certificate and document appeared in front of them.

"You are suspected of leaking state secrets and need to be brought back to assist in the investigation."

Those reporters were completely dumbfounded when they heard this sentence!

Divulging state secrets?

They just took a few photos here. What kind of state secrets are this leaking?

Damn it!

These guys are poisonous!

"Guru!"

Several reporters swallowed, their eyes filled with horror!

One of the short-haired reporters even questioned: "Who knows if your certificate is true or false"

The Dragon Soul warrior snorted coldly: "You have no right to question! There is an explanation on it. Once you resist, you will be killed!"

As soon as these words came out, the reporters and even the rights defenders took a breath!

They were scared!

It was totally unexpected that things would become so serious!

Killed?

This is too \*\*\*\* exaggerated.

They just collected some money and came here to cooperate. As for personal safety!

Some of the most ferocious aunts who had just cursed were completely panicked. They didn't want to go to jail, let alone give their lives here for tens of thousands of dollars.

"Plop!" They knelt directly on the ground, begging Ying Qing and others for mercy: "I, we really didn't commit any crime, please don't take us away, OK, I will pick up my grandson later."

Ying Qing glanced at Ye Chen, and saw that the other party did not fluctuate at all, so he directly said: "No matter who it is, take it all away! Don't figure out the specific things without investigating it!"

I gave an order and wailed!

Screaming again and again!

This group of people saw money open, but they didn't know who they were offending!

The first person in Jiangnan Province, Ye Chen!

The chief instructor of Dragon Soul, Ye Chen!

After taking everyone away, Ying Qing came directly to Ye Chen: "Mr. Ye, this group of people should collect money and do things. The results of the survey will be available in an hour. I will organize them and send them to your mobile phone. Tianzheng Group It should be needed later."

"Also, due to the influence of these people on Mr. Ye and Tianzheng Group, we will deal with it seriously."

Ye Chen nodded, patted Ying Qing on the shoulder and said, "Thank you."

Ying Qing shook his head: "When Mr. Ye rescued me from the ghost gate, Ying Qing knew how to be grateful! There is no word for hard work in my dictionary!"

"Also, the chief asked me to remind you that although there are traces of the China Martial Arts Bureau's action in this matter, it is definitely not a high-level behavior. This kind of low-level smearing behavior should be done by a junior."

"According to Dragon Soul's preliminary investigation, it is most likely that Zheng Yi, the son of Zheng Renjue of the China Martial Arts Bureau! Zheng Yi appeared in Jiangnan Province this time. Whether it is layout or remote control, he is suspected of committing crimes.

"Of course, all this is just our guess, there is no evidence yet."

Ye Chen's eyes flashed with coldness, and he said indifferently: "I don't need evidence, it's him! I will break his wrist today, and now I regret not killing him at the time."

Upon hearing these words, Ying Qing's face changed drastically, and he hurriedly said: "Mr. Ye, Zheng Yi has a special identity, and enough lessons are enough. If you kill him, the person from the China Martial Arts General Bureau will definitely be so angry, please think twice."

Ye Chen ignored Ying Qing and walked directly in the direction of Xia Ruoxue and Sun Yi.

Xia Ruoxue was wiping the egg whites on Sun Yi's face and hair with a napkin.

When Sun Yi saw Ye Chen coming, her face was somewhat innocent, and she turned around.

"Xiaochenzi, don't come here, I'm so ugly, I don't want you to see me so embarrassed."

Ye Chen smiled, took out a piece of tissue, and directly removed some mucus from Sun Yi's ear.

While clearing it, he said: "I blame me for this incident. I am a legal person in Tianzheng Group. If something goes wrong, I am the one who should smash the egg most."

"Or, I will return to Mingcui Villa later, and I will give you ten eggs and let you smash me out of my breath?"

Hearing this sentence, Sun Yi "pushed!" laughed.

"Those ten eggs can make two cakes. What a waste of you."

Suddenly Xia Ruoxue thought of something, and quickly said to Sun Yi: "Ah, our baking hasn't finished yet"

Sun Yi sighed: "There must be no time to do it today. UU Reading [www.uukanshu.com](http://www.uukanshu.com) Tianzheng Group is a mess. Let's talk about it in a few days. Public opinion is temporarily under control, but the hospital is there."

Ye Chen said, "Have those patients checked? Is it true that the doctor is responsible for things from our Tianzheng Group?"

Xia Ruoxue explained: "This is not true. The group of people who have the main problem happened to be the people who took our products. Also, I just received a call from the hospital. The cause of the disease has already come out. It should not be caused by drugs, but The condition of the group of patients is very strange, as if they have been imprisoned by some kind of force."

At this moment, Ye Chen was completely stunned.

It should be Zheng Yi who made the master of the China Martial Arts Bureau use energy or some kind of magic.

It just seemed that it could ruin the Tianzheng Group, but it was useless at all.

"Zheng Yi, it seems that the lesson in the morning is not enough, even if you have the Huaxia Budo General Bureau standing behind you? If you offend me, Ye Chen, I will make you feel despair!"

Chapter 307: You will be disappointed!

Beijing, China Budo General Administration.

As Zheng Renjue listened to the narration of the middle-aged man in front of him, his face grew greener.

Suddenly, the ceramic tea cup in Zheng Renjue's hand hit the ground directly!

A roar resounded throughout the office!

"Bastard thing! Even the assassin of the Blood Plum Palace can't kill that kid, that \*\*\*\* used such nasty tricks! I really lost my face, Zheng Renjue!"

Zheng Renjue stood up, trembling with anger.

Ye Chen didn't plan to deal with it for the time being, because the power of the Huaxia Martial Arts Bureau was in the capital after all, and Jiangnan Province was too far away.

There is a dragon soul over there, and Ye Chen is the first person in Jiangnan Province. It is impossible to move Ye Chen on the other side's territory!

So he does not plan to take action recently because he knows that Ye Chen will come to the capital!

When Ye Chen arrived in the capital, it was easy to move him!

As a result, that \*\*\*\* thing got Ye Chen off!

Isn't this looking for death?

Suddenly, Zheng Renjue thought of something, and the middle-aged man who asked him said: "Xiaoyi is still in Jiangnan Province now?"

The middle-aged man nodded: "Young Master should be in Medicine King Valley, maybe on the way back."

"not good!"

Zheng Renjue's face suddenly changed!

He understands Ye Chen's character and is decisive. Once he offends him, there will be endless troubles!

At the crucial moment, Ye Chen must know that this matter has nothing to do with his son!

Zheng Yi, there is danger!

Zheng Renjue quickly took out his cell phone and dialed Zheng Yi's number.

The phone went through.

"Dad, what's the matter?"

On the phone, the voice was very noisy, as if it were in a windy place.

"Asshole thing, come back quickly! Back to the capital! Immediately! Immediately!"

"Also, always be with the masters I sent!"

Zheng Yi on the other end of the phone could not hear clearly, and said loudly, "Dad, what are you talking about? The signal on my side is not good. I will go out and call you back later.

"Beep toot" the phone hung up!

"grass!"

Zheng Ren is definitely angry!

He hurriedly dialed the phone numbers of the other people: "Let go of whatever you have and find Xiao Yi for me immediately! Protect him from returning to Beijing! Remember, you must be careful, Ye Chen!"

The phone was hung up, but Zheng Renjue was still fidgeting!

He panicked, really panicked.

For so many years, few people can disturb his mind!

But since the emergence of the Hunshi Demon King, the entire situation in China seemed to be disturbed by him unknowingly!

First was the Jiangcheng storm, now it is Jiangnan Province. If that kid comes to the capital, there will be trouble in the capital!

He thought of something and called Lei Shuwei's phone.

"Lei Shuwei, the Huaxia Dragon Soul and the Huaxia Martial Arts Bureau do not offend the river water. I hope you will help me warn Ye Chen that if he dares to move my son, I will make him better than dead!"

Lei Shuwei on the other end of the phone smiled bitterly, and replied: "Zheng Renjue, I hope you are clear about one thing. From the beginning, Dragon Soul has no ability to command and warn Mr. Ye. On this matter, my attitude is the same as you, but Mr. Ye's character, our dragon soul can't stop it, so please ask yourself."

The phone is hung up!

"Boom!"

Zheng Renjue directly hit the table with a punch!

Anger hits the sky!

Jiangnan Province, Pearl One.

Zheng Yi wanted to stay for a while, but he didn't expect to be threatened and taken away by seven or eight elders from the Chinese Martial Arts Bureau.

He touched his head, but found that his hands were still bandaged!

There was another burst of anger in his heart!

Although his hands were rescued, the humiliation in the morning made him angry to the extreme!

He is the son of Zheng Renjue!

In the capital, in the martial arts world, who would dare not give him face!

It happened that Ye Chen wanted to die!

"Shao Zheng, get in the car."

Several people have arrived in front of a Hummer.

A strong man from the China Martial Arts Bureau took the initiative to open the door for him.

Zheng Yi glanced viciously at the road signs in Jiangnan Province.

"Ye Chen! You mess! As long as you dare to step into the capital, I will not only play with you, but also torture your woman in front of you!"

He held his other hand tightly, roaring lowly.

After that, he stepped on the car with one foot, and just about to take a seat, an extremely cold voice sounded behind him.

"You may not have this chance."

Hearing this sudden sound, Zheng Yi's body suddenly froze!

This voice is so familiar to him!

He turned around abruptly and naturally saw a cold and arrogant man walking out of the darkness.

The corner of the man's eyes was cold, so strange, like a dagger!

The corners of the mouth drew a cold arc like a blade!

There is no special disguise, but everyone can clearly see the coldness and indifference in his eyes!

Ye Chen!

The complexions of the other members of the Huaxia Martial Arts Bureau suddenly changed!

The thing they fear most still happened!

One of the old men with a terrifying breath directly pushed Zheng Yi in!

The door is closed!

"Quickly go! Quickly! We will deal with this kid!"

When the words fell, there was a huge roar from the car, just about to drive away!

Four cold beams shot out from Ye Chen's hand!

The cold light flashed! Stuck directly into the tires of Hummer!

Four loud noises suddenly broke out!

The fast-moving Hummer lost its heavy duty and turned over!

At the same time, several figures rushed towards Ye Chen, and the murderous intent broke out!

"Ye Chen! Shao Zheng is the son of Grand Master Zheng of the Huaxia Martial Arts General Administration. Grand Master Zheng is seventh on the Huaxia Grand Masters list. I advise you to turn your head back!"

An icy scolding sounded in Ye Chen's ears, and then the sharp blade rolled with the arc of death and strength!

The man thought that Ye Chen would avoid, but found that he was wrong!

Ye Chen didn't mean to evade from beginning to end. Instead, he raised his right hand in an eagle's claws, tearing the air, and firmly grasped the sharp blade!

The palm of his hand was surging with red light!

Killing air!

The man was a little confused when he saw this scene!

He knew the power of this knife very well, but Ye Chen actually grasped it directly!

Is that human being!

When that person panicked, Ye Chen's killing spirit had already rushed out!

"Anyone who stops me will die, and you are no exception!"

Ye Chen directly crushed the blade!

One of the fragments appeared between Ye Chen's two fingers!

Two fingers shake!

The fragments were wrapped in a killing air, and they rushed out directly!

Red light flashes!

The man noticed something was wrong and slammed sideways, but it was too late!

The fragment penetrated his body, and the man fell directly into a pool of blood.

Seeing this scene ~www.mtlnovel.com~ the rest of the eyes shrank and no longer hesitated!

"Stop this person, otherwise Zheng Shao is in danger!"

A strong man of the Huaxia Martial Arts Bureau was wrapped in energy, and he hit Ye Chen with a fierce punch!

Seeing that it was about to hit Ye Chen's body, Ye Chen moved!

The same punch went out!

This punch, without any martial arts! But under a punch, a terrifying bloodthirsty air was emitted!

Even that strong man in the China Martial Arts Bureau seemed to have a dragon roar in his ears!

how is this possible!

"Boom!"

Double fist collision! The old man flew out directly and was seriously injured! The internal organs are almost broken!

Ye Chen, unstoppable!

Chapter 308: transaction!

The people sent by the China Martial Arts Bureau this time are not too strong.

I thought it was enough to deal with some special situations.

But no one thought that Zheng Yi would inexplicably offend the evil spirit Ye Chen!

The old man with the scariest breath on the field glanced at the Hummer.

Zheng Yi and several old men have already climbed out of the car.

There is not much danger.

So he instructed the few remaining people around him: "Leave this to me, and you protect Shao Zheng from leaving!"

"Looking for the old!"

"Don't talk nonsense, get out! If something happens to Shao Zheng, all of us will not be able to bear it! A master at the General Administration has already come over!"

Xun Lao roar!

The eyes of the others condensed, and they turned towards Zheng Yi.

Only Ye Chen and Xun Lao were left on the court.

Two extremely strong breaths collided in the air, and there was a sizzling sound.

"Boy, I have to admit that your strength is so strong that it even made me feel dangerous, but I'm sorry! I won't let you pass. If you want to move Zheng Shao, you can step over me!"

After the words fell, a short knife appeared in Xun Lao's hand!

As soon as the short knife is out, aura overflows!

It turned out to be a spiritual weapon!

Although not as good as the Dragon Slashing Sword, it must be of great value in China!

"cut!"

Xun Lao shouted angrily, turned his backhand, the blade rotated 180 degrees, aimed at Ye Chen's chest, and slashed fiercely!

This knife directly changed the surrounding magnetic field, and even overflowed with a faint golden light.

The golden sword air seems to tear the air!

The whistling sound is endless!

Ye Chen did not hesitate, as soon as the Dragon Slashing Sword came out!

The gust of wind moved, and the dust flew in an instant, Ye Chen stood against the wind, a cold light flashed, a faint white light and shadow formed, and it was expanding and condensing.

The white light and shadow went directly towards the golden sword energy of Xun Lao!

Violent sparks surge!

"Boom!"

Ye Chen and Xun Lao shook back a few steps!

Xun Lao's blood surged, blood was overflowing from the corner of his mouth!

"The first person in Jiangnan Province is indeed well-deserved!"

Xun Lao wiped the blood stains off the corners of his mouth, and walked toward Ye Chen again!

Ye Chen narrowed his eyes and noticed that Zheng Yi was heading for a car!

If he doesn't catch up, he might really let him run.

His eyes fell on Xun Lao's body, and he said coldly: "Give you three seconds, if you don't let go, you will die."

After three seconds, Xun Lao not only did not leave, but rushed towards Ye Chen again.

"Bloodthirsty cut, break!"

Suddenly, a long roar sounded around!

Vaguely, Ye Chen's hand seemed to have turned into a blood dragon, the blood dragon's hideous mouth opened, and he bit towards Xun Lao!

At the same time, a blood-red sword light fell to the sky!

Cold, suffocation, killing.

Xun Lao's pupils dilated, he exclaimed: "Top martial arts! This turned out to be top martial arts! How could it be..."

"Kacha!" With a sound, the blood dragon phantom roared out!

The knife in Xun Lao's hand broke directly!

Reiki explodes!

His face was extremely pale, his whole body was trembling, he took a step back subconsciously!

His eyes fixed on Ye Chen in front of him!

He also felt a bloodthirsty sword intent penetrate his body!

A cold blood dragon seemed to be right in front of him!

He can even feel the breath of the blood dragon!

The blood dragon exudes an extremely terrifying breath.

It seems that just one look can swallow him!

"This blood dragon is..."

Before he finished speaking, his body was full of blood, like a fountain, soft and soft, bright red and warm.

shocking.

After doing all this, Ye Chen turned into an afterimage on the spot, hurriedly heading towards Zheng Yi!

Seeing that Zheng Yi was about to get in the car, Ye Chen couldn't take care of everything, his arm was really angry, and a torrent of weather broke out!

The Dragon Slashing Sword was accompanied by a ray of red light and rushed out directly!

far away.

Zheng Yi was about to get in the car, he let out a long sigh!

Although he was eager to kill Ye Chen, he knew his strength very well!

Totally impossible!

At this moment, he is wrapped in fear, and escape back to the capital is the only possibility!

"laugh!"

Suddenly there was a sharp sound of breaking through the sky, and a long sword that was like a flame was flashing across the sky like a meteor!

Carrying the billowing arrogance and howling!

Go directly to Zheng Yi!

Seeing this scene, a strong man in the martial arts bureau's complexion changed drastically, and he could only hit the long sword with a full blow!

The long sword shifted slightly, but it was still extremely violent!

"Ding!"

The long sword is directly in front of Zheng Yi with a billowing air wave!

A deep sword mark is shocking!

The key is the sword as the center, and the ground is cracking in all directions! It's like a spider web.

The violent air wave directly overturned Zheng Yi!

Zheng Yi's body hit the ground directly, he raised his head slightly, his eyes twitched fiercely, and the stormy waves in his heart continued to rise, as if he had seen a ghost, he couldn't help but look at the sword not far away!

Fear keeps spreading!

He just wanted to get up, a dark shadow has already fallen!

It is Ye Chen!

"Boom!"

Ye Chen stepped on Zheng Yi's chest!

Zheng Yi's internal organs all felt shock!

This is the feeling again!

"You can't kill me!"

Zheng Yi's horrified voice sounded!

"Hmph, you said this sentence a second time!"

The words fell, Ye Chen's five fingers directly clasped Zheng Yi's neck with the strong wind!

Zheng Yi's body is suspended, and a powerful sense of suffocation is flooded!

He couldn't say anything, his neck violently blue veins, his face flushed, and gradually turned blue!

The eyes are full of bloodshot eyes, the hideousness to the extreme!

"I gave you a chance, you didn't cherish it. Even if your father is Zheng Renjue, what if he offends me, the consequences are the same!"

Ye Chen's fingers became tighter and tighter, and Zheng Yi felt that his brain was going to be hypoxia!

This feeling of being stared at by the gods of death is terrifying!

The other members of the Huaxia Martial Arts Bureau rushed towards Ye Chen, but for some reason, a wall of gas condensed all over!

The air wall blocked everything, and it kept getting closer to them!

They can't move!

Suddenly, Ye Chen's pocket rang a cell phone bell.

Ye Chen clasped Zheng Yi's neck with one hand, and connected the phone with the other.

It was from Lei Shuwei!

"Mr. Ye, please spare Zheng Yi's life! Once he dies, what you have to face is the anger of the entire Huaxia Budo General Bureau! This is not a joke! And..."

Ye Chen hung up before he finished speaking!

Then, another phone rang!

This time it was not Lei Shuwei, but a number from Beijing!

The key number is weird to the extreme!

Because from China Zhongnanhai!

It is actually the head who holds the power of China!

Ye Chen couldn't think of this incident~[www.mtnovel.com](http://www.mtnovel.com)~ would alarm that person!

After hesitating for a few seconds, he still pressed the answer button.

"Ye Chen, listen to me, let go of Zheng Yi."

The old voice sounded, somewhat helpless, but more of an admonition.

Ye Chen sneered, without speaking, he glanced at Zheng Yi. At this moment, Zheng Yi was only one step away from the gate of ghost!

There was a sigh on the other end of the phone, knowing that Ye Chen would not listen, he said: "Let go of Zheng Yi, I will tell you that Yunhu Villa, the true identity of the person who destroyed your Ye family back then! How!"

Chapter 309: The situation is serious!

..Urban best medical god

this moment.

The right holder of China had no choice.

Ye Chen is an extremely optimistic person.

He even placed all bets on this young man.

He knows the pattern of Huaxia better than anyone, and he knows Zheng Renjue of the Huaxia Budo General Bureau better.

Zheng Renjue still had some sense of measure, but if Zheng Yi died, his sense of measure would disappear completely.

When the time comes, it will become a roaring lion, it will be a disaster in China!

In recent years, the situation in China has been weird and changeable, and the martial arts world has become chaotic.

If Ye Chen killed Zheng Yi this time, then the China Martial Arts General Bureau would go to war with Ye Chen!

This battle, no matter what the outcome, is a great loss to China!

Therefore, he wants to stop Ye Chen at all costs!

At this moment, Ye Chen's eyes flashed with determination!

Although Zheng Yi was damned, it was nothing to mention with the Beijing Longye who killed him in Yunhu Villa!

Such a waste, he can kill at any time!

He came out of Kunlun Xu for so long, just for revenge, but he tried his best, but he couldn't touch the news of that dragon!

Right now, the condition of the old man on the phone is the only possibility!

Ye Chen thought for a few seconds, and already had the answer in his heart. He gathered his five fingers and threw Zheng Yi on the ground, who was on the verge of death.

Zheng Yi's body was soft, "Boom!", the powerful impact made him feel extremely uncomfortable!

Several of his bones were completely shattered!

He was breathing heavily.

Ever since he was young, he hasn't been so eager to breathe for a moment!

From his side, he saw the cold and proud young man in front of him! The sense of fear envelops the whole body!

Without those two phones, he would definitely die!

At the crucial moment, he found that the cultivation base in his body was gone!

Completely scrapped!

The limbs have no strength, this kind of feeling will die and it will be uncomfortable!

Just when his heart palpitated, "Kneel down!"

In the deathly silence, Ye Chen drank it, his voice was not loud, but it was full of indisputable.

Zheng Yi's eyes widened to the extreme when he heard these two words!

He doesn't even kneel his father, he actually wants to kneel the boy in front of him?

Although he resisted, he was actually trembling with fright, his knees bent and his posture adjusted!

"Plop!" A cry!

Kneeling directly in front of Ye Chen!

He has no choice at all!

That call only saved himself temporarily, and the demon in front of him could change his mind at any time.

At this moment, Ye Chen's aura filled the audience.

He wants Zheng Yi to be deeply afraid. Although this method can make him live, it makes him worse than death!

Quiet for a lifetime in the shadows and nightmares, this is the price of offending him!

His slaughter aura kept going towards Zheng Yi, and bursts of deep dragon roar sounded!

Zheng Yi felt that a blood dragon phantom appeared in front of Dao's eyes, it was very pale, and only he could see it!

The other's eyes were extremely cold, which made people palpitate and frightened.

"what is this....."

As soon as he said his words, he found that the blood dragon had climbed onto him!

Terrible to the extreme!

He even felt that he was in a lava at the moment, and this feeling was painful to the extreme.

His step was completely drenched!

Scared to pee!

The person from Zhongnanhai naturally saw this scene from the video, and he sighed: "Ye Chen, it's almost done, and something might happen if I go on."

Ye Chen snorted coldly, looked at Zheng Yi who was almost crazy, and said to the phone: "Well, now you can tell me the identity of that person, and I won't kill him."

"Ye Chen, what's the difference between you and killing him? If Zheng Renjue saw this scene, he would not be grateful to you."

The old man's voice sounded.

The corner of Ye Chen's mouth outlines a cold arc: "I don't need Zheng Renjue's gratitude, just say, I only care about the answer."

There was a pause on the other end of the phone, and I don't know how long it took before the other end of the phone uttered a few words.

"The Chinese martial arts world, Lin Juelong, he is now the head of the Lin family! This is the answer I promised you."

"I know you want revenge, but the Lin Family looks at the entire China, looking at the martial arts world, they are all top-level families, and they are overlord, not to mention that he is still the leader of the Lin family. It is impossible to maintain your current strength."

"You can't touch that level yet. When you are qualified to touch that level, you will naturally understand."

"Also, I might as well tell you one more thing. The Jiang family behind your mother is not ordinary. It can be regarded as one of the top families in the Chinese martial arts world, but even the Jiang family does not necessarily dare to touch Lin Juelong. It's a reminder to you, I hope you will listen."

The phone hung up.

Ye Chen fell into deep thought.

Lin Juelong is the Beijing Dragon Lord?

Lin? Jiang family?

If the Zhongnanhai person doesn't hang up, he would also like to ask about the third family involved in Yunhu Villa.

At this moment, a strong wind hit!

Ye Chen saw a dark shadow falling from a high altitude, with five fingers and one click, he directly caught Zheng Yi who was smirking.

It is an old man in a robe.

"Young Master Zheng! The master asked me to come. With me, no one dares to move you."

Zheng Yi was directly raised by him!

The long-robed old man glanced at Zheng Yi, he found that he had been tortured into a disastrous manner, and the other party stretched out his hand to draw a circle on the old man's chest and said, "Wow, there is also a dragon in your chest..."

The old man in the robe frowned, and a hand knife clasped Zheng Yi's neck!

Zheng Yi was unconscious on the spot.

The long-robed old man stood up Zheng Yi and stared at Ye Chen firmly: "Ye Chen, I have heard your name many times. If Zheng Shao has any shortcomings this time, the China Martial Arts Bureau will definitely not let you go!"

"I advise you not to step into the capital in this life, otherwise, you will understand the pain of death and torture."

Ye Chen smiled, his eyes already noticed that Lei Shuwei, Ying Qing and others were trotting towards this side.

He said lightly to the old man: "Don't worry, I will come to the capital in a few days, and then I will come to the Huaxia Budo General Administration."

The old man in the robe shrank his eyes, snorted coldly, and swept to one side with Zheng Yi.

He wanted to kill Ye Chen, and he was qualified to kill with his strength.

But I don't know why ~www.mtlnovel.com~ He felt a sense of danger from Ye Chen.

This feeling is very strong, as if as long as he takes action, he will definitely die!

To be safe, it is better to take away Zheng Shao first.

This Ye Chen revealed strangeness everywhere.

...

After the old man and Zheng Yi left, Lei Shuwei and Ying Qing came to Ye Chen.

"Mr. Ye, Zheng Yi is not dead." Lei Shuwei said excitedly.

Ye Chen had a hint of expression in his eyes: "It can be said that he is dead, or it can be said that he is not dead."

Lei Shuwei was startled, his expression strange to the extreme.

However, judging from the signs just now, the matter should not have reached that extremely serious point.

Chapter 310: Control 1 cut!

..Urban best medical god

Lei Shuwei took a piece of information from Ying Qing and handed it directly to Ye Chen, saying: "Mr. Ye, this is the result of this investigation. As we expected, these things can be used as evidence."

"Public opinion has also been temporarily controlled. Unexpectedly, many people who took the drugs stood up to speak for the Tianzheng Group, and even involved conspiracy theories, saying that this was designed by a rival of the Tianzheng Group..."

"But the most important thing at the moment is the people in the intensive care unit. These people are actually innocent. The key doctors are at a loss. I don't know Mr. Ye..."

Before he finished speaking, Ye Chen nodded and ordered: "Send me to the hospital."

"Yes, Mr. Ye."

Ye Chen didn't want to care about this group of people, but after thinking about it carefully, this group of people was just lying with guns inexplicably, and the problem was more or less related to him.

The Huaxia Budo Bureau doesn't care about the lives of these people.

Twenty minutes later, Ye Chen arrived on the seventh floor of the Second Hospital of Jiangnan Province.

Standing in front of one of the patients, he saw the problem at a glance.

These patients have one thing in common, they have a black spot in the center of their forehead.

It looks like a mole, but it's actually a spell!

Control their minds and minds! Let them show a half-dead state!

This lasting for one or two days will not cause much problem to the human body, but if it lasts for more than three days, it will inevitably lead to brain death!

At that time, Da Luo Jinxian will also be difficult to save.

The Huaxia Budo Bureau did too much this time.

Ye Chen handed over the cracking method to Lei Shuwei and Ying Qing, and asked them to go to other hospitals to save people. After all, not only Jiangnan Province, but also problems in various parts of the country.

Fortunately, the cracking method is not too difficult, as long as some people with the ancient martial skills can use it.

Three hours later, the patients who had the accident gradually regained consciousness. At the same time, everyone broke out that the accident was not because they took drugs from the Tianzheng Group. Before the accident, they all saw a man wearing a mask!

Everything is clear.

Dragon Soul even handed over some strong evidence and all suspects involved to the Jiangnan Police Station.

After the police report, the turmoil of the Tianzheng Group has completely stabilized.

Although the impact of this turmoil was quite huge, after all clarification, Tianzheng Group's products became more sought after!

Everyone is very clear in their hearts, why is Tianzheng Group being so framed? It's all because of the awesome stuff of Tianzheng Group!

Those who did not pay attention to the products of Tianzheng Group silently collected the official website and set the alarm clock to prepare to grab the products in three days.

Everything is a blessing in disguise.

...

At the same time, Beijing, China Budo General Bureau.

Zheng Renjue looked at Zheng Yi, who was almost mentally retarded in front of him, with an extremely gloomy expression.

A genius doctor from the China Martial Arts General Bureau is giving Zheng Yi a pulse, and the situation is not optimistic.

After a few seconds, the genius doctor released his hand, his expression extremely solemn.

Zheng Renjue questioned: "How is the situation?"

The genius doctor knelt on the ground quickly and explained: "Zheng Master, Zheng Shao's condition is a bit serious. The wounds on his body may be cured, but the ones outside the body are more troublesome..."

Zheng Renjue was startled, his five fingers grabbed the genius doctor's collar and lifted it directly!

"Where is his main problem? Is there any help!"

The genius doctor was frightened and trembled all over, saying every word: "Zheng Shao was frightened... usually only when he saw extremely terrifying things... His soul was shocked by fear, and his body could heal with medicine. But the soul has a problem, it's hard!"

"waste!"

The words fell, the genius doctor was directly thrown out by Zheng Renjue! Hit the wall fiercely!

"How could my son be scared? It's obviously that you are not good at medicine!"

The genius doctor spit out a mouthful of blood and knelt on the ground: "Master Zheng, I didn't cheat at all. You can see from Zheng Shao's eyes that the pupils are slightly shrunken, much smaller than normal pupils. In this case, it is usually It's only if you are frightened."

Zheng Renjue glanced at Zheng Yi who was smirking, his heart burned with anger, and immediately shot at the genius doctor with cold eyes, saying: "I don't care what method you use, within three days, he must return to normal, otherwise, you will mention it. See me for the first time!"

The genius doctor's face was pale to the extreme, isn't this embarrassing!

Suddenly, he thought of something and said, "Master Zheng, I heard that there is an extremely precious medicinal plant in the Valley of the King of Medicine, named Ninghuncao! At present, only such a plant has been found in China. If there is Ninghuncao. , Maybe Shao Zheng can be saved..."

"you sure?"

"Subordinates are sure!"

Zheng Renjue's eyes condensed, and he directly dialed the number of Xiang Chengdong of China Pharmaceutical Alliance.

After some greetings, Zheng Renjue directly said his intentions, but when he heard Xiang Chengdong's answer, Zheng Renjue directly dropped the phone on the ground!

Because Huaxia's only soul-gathering grass was in the morning, and it was just taken away by Ye Chen!

Ye Chen personally ruined his son, even depriving him of his only chance!

Zheng Ren's decisive vitality surged, and his eyes would shoot a flame!

After a long time, he rang a button in the office, and after a while, an elderly man in a robe appeared in front of Zheng Renjie.

"My lord, what's your order?"

Zheng Renjue said directly: "Starting today, the entire Huaxia martial arts community has issued an announcement. If anyone has Soul Condensation Grass in their hands, the Huaxia Martial Arts Bureau is willing to exchange it on all terms! Not only that, those who contribute to the Soul Concentration Grass will become China. The most distinguished guest of the Budo Bureau!"

"Yes!"

Soon, Zheng Yi was taken away by his servants.

The genius doctor and the old man in the robe also left.

Only Zheng Renjue was left in the entire office.

He came to the floor-to-ceiling window, staring at the southeast direction of Huaxia, his eyes were extremely cold: "Ye Chen, when you set foot on the capital, you will fall!"

...

Ming Cui Villa.

Ye Chen first took a look at Rakshasa and found that Rakshasa's hands had been completely reborn.

Even the bandage on his hand was lifted!

Rakshasa was extremely excited: "My lord, I feel that the hand with the broken arm is powerful several times! What's the matter?"

Ye Chen explained: "This is normal. UU reads [www.uukanshu.com](http://www.uukanshu.com). The condensed hand, conforms to the surrounding breath, and perfectly fits your current body and cultivation base. Naturally, it is better than before, but these God, remember to explode too much power..."

"Yes, my lord."

After that, Ye Chen returned to the villa, and the mess in the living room had been cleaned up by the two.

He thought the two would go on baking, but he didn't expect that on the sofa, the two fell asleep.

Obviously tired of tossing about today.

Ye Chen shook his head, picked up the second daughter, and sent them directly back to the room.

Sun Yi did not respond at all, sleeping extremely heavy.

When Xia Ruoxue was returned to the room, her eyes suddenly opened.

The red lips kissed directly.
