Chapter 351: Rebar shot through!

The youth is too late to realize.

The blood was spraying, and there was a roar of pain, and his figure was flew out.

Click...

Vaguely, you can clearly hear the crisp sound of bone fracture.

With this move, Ye Chen's blood dragon phantom and true energy erupted, who could stop it.

After ten days of retreat, he performed tens of thousands of times in the reincarnation cemetery!

Although every time he was blocked by the black-robed old man, what level of power is the black-robed old man, the ancient power!

How can the **** of the Chinese Blood Plum Palace in front of you be comparable!

From the moment he stepped into this place, it was tantamount to looking for death!

The young man hit the wall of the hall, and even a crack appeared on the wall.

The powerful vibration shocked the sleeping teachers in the entire teacher's apartment.

"Boom!"

The young man's body smashed to the ground, vomiting blood in his mouth.

With his face pressed to the ground, Yu Guangzhong watched Ye Chen come!

Without everything, he slapped his palm on the ground, his body leaped sharply, and then two **** were smashed into his hands.

The ball fell to the ground and smoke filled the room!

Covered Ye Chen's sight.

In the next second, the youth got up directly and walked towards the window!

Even though this is the tenth floor, it doesn't matter much!

The combat level of this child must be reassessed!

If the elders and hall masters of the Blood Plum Palace didn't take action, this kid couldn't be killed at all!

His body slid rapidly, and the wind whistling in his ears.

As soon as he was about to hit the ground, a steel brace on his hand shot out a steel wire!

The wire was inserted directly on the wall!

The eruption of Mars keeps screaming.

"Boom!"

His body still smashed to the ground, but fortunately there was a steel wire as a strength buffer, otherwise he would definitely die after suffering such a serious injury!

Far above the rooftop, Jiang Zhenye folded his hands on his chest, squinting his eyes slightly, observing everything around him.

He soon discovered the embarrassed youth.

His eyes shrank slightly and his expression was a little weird.

Didn't this person go to punish the evil kind?

How did you become so embarrassed, even bleeding from your body?

Could it be a failure?

Seeing the figure rushing towards the gate of the school, his brows were twisted into a word "chuan".

"It shouldn't be, that killer has only been there for a few minutes, is it so miserable?"

His mind was full of doubts.

At this moment, what did he find!

Above the window on the tenth floor, a young man stood like this!

Ying eyebrows are like swords, covered with a hint of chill.

The icy gaze directed at the direction where the killer had fled.

This turned out to be that evil kind!

He thought that Ye Chen would at least hurt both in a battle with the assassin, but what he saw before him, that kid had no injuries at all!

Weird to the extreme!

Could it be that in the previous battle, this kid crushed the killer?

impossible!

At this moment, the young man at the window moved, and his right hand was raised to the back!

The feet are striding!

What the key hand was holding was a steel bar pulled out of the wall!

The steel bar is about one meter long, like a spear!

After that, a sneer appeared at the corner of Ye Chen's mouth, his arm was really turbulent, and the steel bars in his hand shot out like a javelin!

"laugh!"

There was a sharp sound of breaking through the air, and a black and shiny steel bar slashed across the sky like a meteorite!

Carrying the billowing energy and roaring!

Go directly to the assassin of the Blood Plum Palace on the run!

The killer's pace was getting slower and slower, and his career spanning more than ten years allowed him to discover danger for the first time.

He turned his head subconsciously!

When I saw the rolling steel bar, I was completely frightened!

"What the **** is this!"

Before he finished speaking, the steel bar pierced his heart directly!

Extremely accurate!

"Boom!"

The powerful air wave directly lifted the assassin of the Blood Plum Palace!

Blood splattered!

With a "ding!" The steel bar and the assassin's body were nailed to the ground!

Like a demon's trial!

A strong sense of depression calmed the whole school.

Rolling dust swept across, blood gradually stained the earth.

Jiang Zhenye, who was far above the rooftop, saw this scene, his eyes shrank, and the picture just now is vivid!

It's palpitating!

His breathing stopped.

Just staring at the corpse with steel bars!

He even felt that his heart had been hit hard, and the steel bars seemed to penetrate his body!

The bombardment of his heart tore apart.

This is the evil kind that Jiang Huirong gave birth to?

waste?

If this kind of powerhouse is waste, most people in the entire Beijing Budo Bureau are waste!

From the window sill to the steel bar falling, at such a distance, it is impossible for ordinary force to do it!

Even he can't be so precise and terrifying!

What the **** is this evildoer!

Jiang Zhenye took a breath, and then turned his eyes to the direction of Ye Chen's residence.

Strangely, a pair of extremely cold eyes stared at him!

He was discovered by that evil seed!

Jiang Zhenye went to the rear subconsciously, he even forgot that he was here to abolish Ye Chen today!

Seeing that Jiang Zhenye was going to leave, how could Ye Chen let the tiger go!

He doesn't know this person, but appearing on the rooftop at this time is definitely related to the Blood Plum Palace!

It may even be the killer hidden in the dark in the Blood Plum Palace.

Ye Chen no longer hesitated, his five fingers grasped on the edge of the window, his body leaped, and his power exploded!

His body instantly moved towards another building!

When he fell quickly, his five fingers caught on the edge of the window of another building, and his true energy was applied to his hands!

Keep going towards the rooftop!

In a blink of an eye, he came to the rooftop, watching Jiang Zhenye go away from behind!

"Want to go, have you asked me!"

The corner of Ye Chen's mouth showed a touch of coldness, and the phantom body of the blue dragon surged, faster and faster!

Jiang Zhenye also felt something was wrong, stopped, and turned to look at Ye Chen who came by.

Why is he running?

Today, he is here to abolish this son!

If Mr. Jiang knew that he had flinched, it is estimated that his head would be cut off!

The Jiang family cares extremely about dignity!

Ye Chen also stopped, covering the chill and coercion, "Are you also from the Blood Plum Palace?"

Jiang Zhenye shook his head and did not reveal his identity. Instead, he spread his hand and commanded: "I only want the extraterritorial objects you got from Hui'an Province~www.mtlnovel.com~ and give it to me. You can live without paying someone. I want you to be a useless person!"

Ye Chen put his hands in his pockets, his eyes flashed with a different kind of cold light.

It seems that tonight is destined to be an unsafe night.

Not only does the Blood Plum Palace want to kill himself, but there are still forces trying to **** his things.

My whereabouts at the Beijing Normal University was completely exposed.

He stepped forward and sneered: "You should have seen the corpse. He was also spying on me just now. In such a field, do you think you will end up better than him?"

There was no warmth in his words, and he didn't know when a long sword appeared in his hand.

Dragon Sword.

The murderous intent seemed to erupt in an instant.

Chapter 352: Go after it!

Jiang Zhenye clearly felt murderous and coercive coming to him!

He snorted coldly, stepped out, and a crack appeared on the roof of the teacher's apartment, and Ye Chen's coercion was ruthlessly torn apart by a force.

"Ye Chen, a person who knows the current affairs is a brilliant man, why can't you understand the words of the ancients?"

Jiang Zhenye's interest in Ye Chen is much higher than murder.

Although the old man Jiang requested to abolish this son, when he saw the picture just now, he actually wanted to let the other party a life, because the abolition of Ye Chen might be a big loss for the Chinese martial arts world.

What's more, if the other party said that, he also had part of the Jiang family's blood.

What about Fangen.

If it weren't for Jiang Rong's thing back then, which made the master lose face, it wouldn't happen.

Check out this new online game!

"Ye Chen, I won't kill you, I will give you one last chance to hand over the things outside the domain, and you will leave safely. There is still a gap between the strengths of you and me. I don't want to..."

Before Jiang Zhenye's words fell, Ye Chen moved.

"If you want to fight, you will fight, why is there so much nonsense!"

Ye Chen rushed out, and the Dragon Slashing Sword in his hand turned, the cold light flickered, taking the vitality of Jiang Zhenye directly!

The Dragon Slashing Sword tore a cold light in the dark night, and the air trembled slightly.

He clearly felt that the opponent's strength was very strong, much higher than the killer of the Blood Plum Palace.

There is even a sense of danger in him!

Ye Chen didn't dare to be careless and keep his hands!

The same was true for Jiang Zhenye, he felt Ye Chen's strong sword intent, and that violent and powerful sword intent.

He looked at the suddenly rising Dragon Slashing Sword, shocked again and again in his heart.

No longer hesitating, Jiang Zhenye rushed to Ye Chen directly!

Five fingers are claws, like a beast attacking!

For some reason, his paws ooze black light.

Extremely weird.

Taking a few steps out, the whole body soared.

"Poisonous Claw!"

boom.....

Power burst out, five fingers whistling, like thunder exploding.

Under the dim light, I saw Jiang Zhenye's move, like a thunder falling from the sky!

fast! quasi! ruthless!

Even staggered Ye Chen's Dragon Slashing Sword, and went directly to Ye Chen's shoulder!

"Tear!"

Ye Chen's clothes were torn directly! Several blood stains appeared on the shoulder.

Black and red blood oozes continuously.

But Jiang Zhenye didn't feel good either. Although he avoided the Dragon Slashing Sword, his sword aura also scraped an arc on his cheeks.

The clothes are broken!

A trace of blood oozes.

Under one move, the two were even on par!

Even so, Ye Chen's eyes were extremely serious.

At this moment, his internal organs were shocked in the air. If it weren't for the Zhenqi body, it is estimated that his upper body had been caught just now.

There is such a master in the capital?

The key is that such a master actually came to deal with him personally.

This is too worthy of Ye Chen!

At this moment, Jiang Zhenye bent his knees and rushed over like a cheetah, leaving two deep footprints in place.

Jiang Zhenye is full of energy and makes another move! He didn't plan to give Ye Chen time to react at all.

He has noticed that this child is against the sky, once the water is released, the consequences will be disastrous!

This time, single punch!

This punch came bursts of air.

As if to smash through this world.

Between the electric light and flint, the fist and the wind exploded, as if it turned into lightning in the sky, tearing the darkness and illuminating the sky.

Ye Chen was motionless, like petrified, just when the fist was about to fall on his body, Ye Chen moved!

Turned into an afterimage in place!

When Jiang Zhenye smashed the remnant shadow, Ye Chen clasped the opponent's wrist with his five fingers of zhenqi, and Dantian's qi was all gathered on his arm! Go in one direction!

"Boom!"

Ye Chen directly kicked Jiang Zhenye up and slammed it towards the ground!

Jiang Zhenye was stunned by this attack, how could an ancient warrior make such a move?

It's completely brutal.

Isn't this kid just having power?

He slapped his arm on the ground, exerting a slight force, and his body vacated! Standing firmly on the edge of the rooftop, he almost fell.

When he just stood firm, Ye Chen rushed over again!

This time, Ye Chen used the Burning Palm!

Dan Tian's true energy was all gathered in one palm!

An endless scorching sensation is coming!

A flame phantom burst out of his hand!

Between the waves, the brilliance flickered, the wind roared, and the flames roared!

A scarlet empty palm just blasted out!

A wave of energy ripples, like a wave from the contact point, violently open, and the roof vibrates!

This palm seemed to tear the space, bringing out a crimson sky.

The roar was deafening, as if the sky was falling apart, and it was as if the entire roof and ground were about to split.

Flames are reflected in Jiang Zhenye's eyes! There is panic!

His pupils seemed to shrink to the extreme!

But the mouth is just the opposite, it can almost swallow a fist!

A second ago, he still felt that Ye Chen's fighting style was messy!

In the next second, he displayed this strange and powerful martial arts!

What kind of palm is this! Why is he unheard of in the Chinese martial arts world!

Or, this is an illusion!

The surrounding temperature suddenly rose, and in desperation, Jiang Zhenye could only blast out with the same palm, but how could this hurried palm be compared with Fen Tian palm!

The powerful air wave directly made him take a step back!

Stomped on the air, his body fell down!

Jiang Zhenye's face was pale, and he wanted to surge his energy, but found it impossible!

The ancient martial artist needs to use a point of strength to perform martial arts, and now he is in the air, without any point of leverage! There is no wire of that blood plum palace killer in his hands!

Fortunately, there was a giant tree just below, and the branches and leaves of the giant tree directly alleviated his pressure!

"Boom!"

After losing his center of gravity, he smashed the ground, his body almost shattered.

The back of the head was in contact with the ground, and blood flowed out, as if a concussion had occurred!

He forcibly made himself sober, Yu Guangzhong saw a dark shadow falling on the rooftop!

How come the Jiang family's evil species are so desperate to chase after him! You have to kill him to stop!

Not only that, he found that a group of people in military uniforms had already arrived at the school gate!

People of China Dragon Soul!

He didn't hesitate, got up, and walked towards a wall. In a flash, he was about to disappear into sight.

Because of Ye Chen's use of Burning Heaven Palm, his dantian's true energy was almost exhausted, and it was almost impossible to run the phantom body of the blue dragon. He could only watch Jiang Zhenye leave.

However, a silver needle still appeared in his hand, shot it out, penetrated everything, and sank directly into the back of Jiang Zhenye's head.

Jiang Zhenye naturally felt something, with a splitting headache, but he couldn't take care of everything, so he turned the wall and left.

Not long after, Ying Qing came with a few strong dragon souls.

Ying Qing supported Ye Chen and said with concern: "Mr. Ye, how do you feel?"

Ye Chen shook his head and said curiously: "Why are you here?"

"Enlighten Mr. Ye~www.mtnovel.com~ Someone from Dragon Soul is monitoring the Beijing Normal University for twenty hours. We found a problem and rushed over immediately."

Ye Chen nodded, glanced at the stone of the killer in the Blood Plum Palace, and said, "Dispose of the corpse."

"Yes!"

Then Ye Chen went to the teacher's apartment.

He found that the wounds on his chest were gradually turning black.

The other's five fingers are actually poisonous.

The key point is that this poison is not an ordinary poison!

The general warrior may have had an accident long ago, but he is not afraid of this poison.

He is a doctor and a god, and he is a master of medicine.

This kind of **** poison is really not considered, but it is a little troublesome to deal with.

Chapter 353: Anger burns!

If Ye Chen was right, the poison in his body was not fatal, but it could eat away at his own cultivation base and bloodline bit by bit.

The pubic area was riddled with defects and eventually became a waste.

China actually has this kind of poison.

It seems that the middle-aged man really wants to destroy himself.

However, since the other party wants to grab something outside the domain, why not kill yourself directly, but instead retreat and abolish yourself?

Isn't it more troublesome?

Ye Chen didn't think too much, took out a pill from the reincarnation cemetery, took it directly, and then took out another herbal medicine.

Five fingers squeezed the herbal medicine, and green juice dripped onto the wound.

This herbal medicine is called antitoxin grass, which has a certain effect on alleviating toxicity.

After doing all this, Ye Chen went to the teacher's apartment.

As soon as the elevator opened, Ye Chen saw a girl in pajamas standing at his door with a trace of worry in her eyes.

Naturally Wei Ying.

Wei Ying also heard the movement and awoke from her sleep. She even found that the source of the movement was Professor Ye's room!

Very clear.

Is something wrong with Professor Ye?

Or did the person behind Tang Pengfei during the day retaliate?

She quickly got up, didn't even change her pajamas, and knocked on Ye Chen's door directly.

But no one responded for a long time, which made her heart sink.

"Wei Ying, why are you here?" Ye Chen frowned.

Hearing a sound behind her, Wei Ying's body was stunned, and she reacted instantly, looking at Ye Chen in surprise, and hurriedly trotting over. Because she was not wearing a bra, the magnificent thing trembled, **** and charming.

"Professor Ye, why are you coming back from outside at this time? I heard a lot of movement in your room next door. Will there be thieves?"

Before he finished speaking, Wei Ying noticed Ye Chen's broken clothes and the scar on his chest.

"Professor Ye, you... why are you hurt!"

Wei Ying's Huarong pales!

In the next second, he grabbed Ye Chen's hand and opened her door directly, and said excitedly: "Professor Ye, come with me, I have something to wrap up in my room."

Ye Chen shook his head helplessly, wanted to refuse, but Wei Ying had already been dragged into her apartment.

"Professor Ye, sit down first and wait for me."

Wei Ying asked Ye Chen to sit on the sofa, and then went to the bedroom to fetch the medicine kit.

She completely forgot that Ye Chen is a doctor himself.

However, Ye Chen didn't plan to refuse. Although he could recover his ability quickly with pill and some herbs, he still had to bandage.

Soon, Wei Ying took the medicine kit and came to the sofa, took out the alcohol and bandages and said to Ye Chen: "Professor Ye, take your clothes off."

"it is good."

Ye Chen directly took off the broken shirt, revealing the developed muscles with a great sense of lines, especially the massive chest muscles and abdominal muscles. The first thing that looked like was very masculine.

It was the first time that Wei Ying saw a man naked in front of her. Almost instantly, her face flushed.

The key is to be so close.

This Professor Ye looks very thin, why is he in such a good figure without his clothes?

Could it be that the legendary dress is thin, and there is flesh when undressing?

Wei Ying swallowed and swallowed the thoughts in her mind. Then she bent down and whispered softly, "Professor Ye, it may be a little painful, please bear with me."

She disinfected Ye Chen cautiously, because her body was bent and her pajamas with a large neckline were directly opened.

A vacuum. A large piece of snow white and soft was exposed in front of Ye Chen's eyes.

The ups and downs of the peaks and ridges make people unable to move their eyes.

Even the two small grapes are displayed.

Ye Chen felt a bit hot on the tip of his nose, and he turned his head subconsciously.

This fairy! Can't you wear a bra?

"Professor Ye, how do you feel? I will bandage you now. If you feel uncomfortable, I will accompany you to the hospital at night."

Wei Ying moved a few minutes, and the plump and soft thing came to Ye Chen's eyes again, she didn't notice it at all.

Ye Chen was rather helpless, and it would be even more embarrassing if he reminded him at this moment.

"Well, luckily I trained this a few years ago."

Not long after, Wei Ying exhaled, already bandaging Ye Chen.

She looked at Ye Chen triumphantly, as if she wanted to take credit, but found that Ye Chen did not respond at all. Following Ye Chen's sight, she subconsciously saw her own vacuum.

She found herself in a hurry and didn't even wear underwear!

Could it be... Could it be that Professor Ye has watched it all?

At this moment, her face was red to the root of her neck!

The body rose sharply, straight like a pine! It was extremely stiff.

"Thank you, it's late, you go to bed earlier, I'm going back."

Ye Chen also stood up, he didn't want to bother too much.

After all, it's not nice to be in a girl's room in the middle of the night.

Wei Ying reacted and quickly helped Ye Chen to go outside: "You still have injuries on your body, let me help you over."

The two came to the door, just about to open the door, a knock on the door sounded.

The door opened, and Wu Fan, whom I saw at the school gate today, appeared outside.

"Ms. Wei, there seems to be an earthquake here just now, let me take a look..."

The sound stopped abruptly.

Wu Fan stared at Wei Ying, who was bare-chested and wearing pajamas~www.mtlnovel.com~3 o'clock in the morning, a pair of men and women of about the same age came out from the inside, even unclothed!

No one can think of what happened inside!

Wu Fan originally wanted to take advantage of the earthquake to show his concern to Wei Ying, and even strive to establish the image of a gentleman in the eyes of the other party!

Now it seems that there is no need at all!

He never expected Wei Ying to pretend to be a pure and innocent woman in front of outsiders. Now it seems that she is just a bitch!

The two of them don't know how many times they have played in it!

He blushed at the thought of this picture!

He chased Wei Ying for half a year, and he actually lost to a professor who had just come to Beijing Normal University for a day!

Why!

Anger is burning in Wu Fan's heart!

"Professor Wu, why did you come in the middle of the night?"

Wu Fan glared at Wei Ying fiercely, without answering, this woman only felt sick in his eyes.

What's the use of being beautiful!

He turned directly towards the elevator!

I don't know if it's because of my anger, when I walked to the elevator entrance, he cursed in a low voice: "You shameless bitch!"

Although it was very light, it was still heard by Wei Ying and Ye Chen.

Wei Ying's face was even more pale to the extreme.

Who would have thought that Wu Fan, who had always been a gentleman in her eyes, would call her a bitch!

This word is simply insulting to the extreme for women!

Wei Ying couldn't help it anymore and said angrily: "Wu Fan, what do you mean, how can I offend you!"

At this moment, Wu Fan has already got into the elevator.

At the moment when the door was about to close, a gust of wind swept through, and then a big hand came in directly, and the two doors of the elevator bounced open when they touched Ye Chen's arm!

That hand grabbed Wu Fan by the collar and threw him to the ground!

Chapter 354: The anger of Jingcheng Jiang's family!

"Boom!"

It was Ye Chen who did it!

Wu Fan only felt that his bones were falling apart, and he looked at Ye Chen fiercely: "Ye Chen, you **** beat people! Believe it or not, I call the police and arrest you! My uncle is the leader of the police in Beijing!"

Ye Chen ignored it, and said lightly: "Your mouth is very short."

Yuluo, Ye Chen's hand gently waved in front of him! Although it was two meters away from Wu Fan, a stream of air surging, as if forming a virtual palm, slammed Wu Fan's cheek fiercely!

This time, his face was completely red!

Not only that, but all the teeth fell out!

Terrible!

Wu Fan was stunned, and his expression was even hell.

He couldn't think of who was beating him!

"Apologize to Wei Ying, I only give you one chance." Ye Chen said.

His tone is very flat, without a trace of temperature!

The more so, the more Wu Fan's heart palpitations!

Wei Ying had no idea that Ye Chen would do it for her. She glanced at Ye Chen and stopped talking.

Wu Fan's back was completely drenched. I don't know why, his whole body temperature keeps dropping, this feeling is too uncomfortable.

He looked at Ye Chen and Wei Ying, naturally he would not think that the slap was related to him!

Space fan? This kind of thing simply cannot exist in real life!

"Why do you have to apologize! In the evening, if you two don't cover up your clothes, it's damaging the reputation of the teacher of Beijing Normal University!"

Wu Fan had no consciousness of apologizing and chattered endlessly.

When Wei Ying heard these words, her whole body trembled with anger, and tears rolled in her eyes.

Wronged to the extreme!

"And you, Wei Ying, cry a fart, I **** thought you were a clean and self-conscious woman, but I didn't expect that, just like that, just sleep with other men! If you **** want to be happy, I can find a few people... "

Before he finished speaking, Ye Chen's five fingers clasped Wu Fan's neck and directly lifted the opponent up.

Hang in the air!

A feeling of suffocation hit, Wu Fan struggled desperately, but found that it was impossible!

"You let go..."

Ye Chen was unmoved, his eyes were only endlessly cold.

"Since you are looking for death, I will perfect you. After fifteen seconds, your body will not be able to supply blood, and after twenty seconds, your brain will be hypoxic, and even if I use a few more minutes, your neck will twist."

When the words fell, Wu Fan panicked!

From the look in Ye Chen's eyes, he really felt that the other party would kill him!

He couldn't help it anymore, his veins violently violently, and his voice trembled, "I apologize..."

"I am... a bitch... my whole family is... a bitch..."

But Ye Chen didn't plan to let go!

Wu Fan's face is blue!

His eyes were full of bloodshot eyes, and they gradually became whiter, and he didn't even have the strength to struggle.

At this moment, Wei Ying woke up and quickly said to Ye Chen: "Professor Ye, forget it, go on, he really is going to die."

"People are dead here, how will I live in the future."

Ye Chen's eyes condensed, nodded, and he went to the elevator entrance with Wu Fan in one hand, pressed the elevator door, and threw it in!

"Boom!"

The elevator vibrated instantly, and Wu Fan lay weakly inside, like a dead dog.

The door closed and fell completely silent.

Ye Chen glanced at Wei Ying and said, "It's almost four o'clock, go to bed, you have to go to class tomorrow."

"it is good....."

Wei Ying glanced at the direction of the elevator, then looked at the wound on Ye Chen's chest, nodded, and even reminded: "Professor Ye, you also have to rest early."

"Ok."

Ye Chen went back to the room directly, looked at the surroundings of Chaos, didn't plan to tidy up, took out the Baicao Cao directly, and began to refine the detoxification medicine.

...

At five o'clock in the morning, Jingcheng Jiang's house.

Jiang Zhenye faltered, and the vitality in his body seemed to be fading away. Before he reached the gate of Jiang's house, his body could no longer support him, and he fell straight down.

Lost consciousness.

When the two strongmen of the Jiang family's gatekeeper saw this scene, their eyes shrank and they rushed up quickly, helping Jiang Zhenye up, and preparing to bring Jiang Zhenye to an aura of restoration in the Jiang family. .

There seemed to be a raging wave in their hearts!

They know the strength of Jiang Zhenye, although not a top-level powerhouse, but looking at the entire capital, it is impossible for anyone to seriously hurt him!

This is offending the entire Jiang family!

Father Jiang has the habit of getting up early, and he punches in the yard before dawn.

The fist winds gusts, and every move and style has a touch of charm, the air vibrates and the magnetic field changes.

But soon, he stopped, staring at Jiang Zhenye who was carried in, his face changed drastically, and asked the two gatekeepers: "What happened? How could he become like this?"

When the two saw Grandpa Jiang, they didn't dare to take a breath, and quickly explained, "Master, we found Jiang Zhenye who was seriously injured outside, and we are going to take him inside to heal."

Elder Jiang stepped forward, pointing **** on Jiang Zhenye's chest.

He found that many bones in Jiang Zhenye's body were broken. If he were not an ancient warrior, he would have been an ordinary person.

Not only that, all the vitality and vigor of Jiang Zhenye were locked in by a force!

Now he is like a cripple!

The key is this coma state, I don't know when I will wake up!

Old man Jiang twisted his eyebrows into a word "chuan", and there was another storm in his heart!

He clearly asked Jiang Zhenye to regain the extraterritorial objects from the hands of the evil kind. If the opponent resists, it will be abolished!

But it was him who was deposed!

how is this possible!

He doesn't believe that the evil kind has this strength to seriously hurt Jiang Zhenye!

Even if Vangen disappears for five years, there is no possibility!

Even if he is a genius, it is impossible for him to change from a waste to an existence that can seriously hurt Jiangzhen's industry in five years!

His head turned quickly, and the only thing he could think of was that Jiang Zhenye had regained the foreign things, but he must have been seriously injured in the middle!

The mantis catches the cicada and the oriole is behind!

There is a power in the dark!

Damn it!

But no matter what, that kind of evil is to blame!

In the eyes of Mr. Jiang, the value of UU reading www.uukanshu.com is far inferior to Jiang Zhenye!

No longer thinking about it, he took out an elixir and directly fed it to Jiang Zhenye. The pill melted in his mouth, and Jiang Zhenye's pale face became a bit rosy, but there was no sign of recovery.

The old man Jiang ordered someone to bring Jiang Zhenye into the place of restoration, and he also found some of the best genius doctors in Beijing!

A weird thing happened, and those people used methods to make Jiang Zhenye's expression look a little better, but he just couldn't wake up!

As if under a spell!

Elder Jiang has hired wave after wave of genius doctors, but it's useless!

Jiang Zhenye shows no signs of waking up!

"how is this possible!"

Old man Jiang's expression is very ugly, Jiang Zhenye doesn't wake up, he doesn't know what happened tonight!

Chapter 355: Embarrassed!

Suddenly, Father Jiang noticed Jiang Zhenye's five fingers.

There was a trace of blood on the five fingers, and the black toxin had completely disappeared.

"It seems that this claw has hurt the opponent, and that kid has become a useless person. This poison is a poison that the Chinese martial arts world cannot crack. Even if it can't kill others, it is enough to make the ancient martial artist more painful than death."

"A mere guilty kind, dare to fight the Jiang family, it's just looking for death!"

...

Beijing Normal University, teacher apartment.

After successfully refining the detoxification pill, he took it directly and the toxin disappeared completely. He even took advantage of this opportunity to practice again.

Ye Chen woke up slowly and let out a spit of breath.

The blood dragon also got into his body.

After a night of cultivation, the blood dragon grew a bit bigger.

Ye Chen was even surprised to find that there are only three things that can make the blood dragon stronger.

First, practice.

Second, chance and strange treasure.

Third, then blood and anger.

The more people he kills, the stronger the opponent, and the stronger the blood dragon.

He stood up, came to the window, glanced at the Beijing Normal University, and muttered: "There is still one day, tomorrow night at 12 o'clock, the ghost prison will be opened, and finally you can see your parents."

Why is he not excited at this moment!

For five full years, he thought his parents had turned into a pile of bones. When he knew that his parents were still alive, no one in the world was more excited than him.

What Jiang family, what Lin Juelong, in front of their parents is not worth mentioning!

Of course, once his parents are rescued, he will personally take them to Jiang's house in the capital to get back what they used to be!

As for Lin Juelong, how this person dealt with his parents back then will definitely make him repay a thousand times!

At this moment, the doorbell rang, and Ye Chen knew who it was without guessing.

The door opened and Wei Ying, with long hair and shawl, stood outside, carrying a few buns and soy milk in her hand.

"This is the breakfast I bought for you. How is your injury? Does it hurt?"

Ye Chen took the breakfast and smiled: "Thanks, there is nothing serious about it."

"Would you like to change the bandage? When I used to train, your wound seemed to need to be changed every day." Wei Ying worried.

Yesterday Ye Chen not only helped her mother, but also stood up and asked Wu Fan to apologize to her.

She felt better for Ye Chen's favor.

This was also the first time she bought breakfast for a man other than her father.

"No need, my wound has healed." Ye Chen said.

Wei Ying was stunned, and immediately gave Ye Chen a blank look: "Professor Ye, what are you kidding? It will take at least a week for your wound to heal!"

Ye Chen didn't want to explain too much, and took off the white t-shirt directly, revealing his perfect figure.

Subsequently, the bandage was untied.

When the bandage was untied, Wei Ying was stunned!

Because the scars of yesterday have disappeared!

how is this possible!

Even if there is an elixir in the world, this is impossible!

She opened her small mouth slightly, her beautiful eyes were full of confusion and surprise, and she stared at Ye Chen as if he had seen a ghost.

"You forgot. Actually, I am also a doctor. It happens that I have curative medicine on my hand to repair scars and wounds."

Wei Ying suddenly thought of yesterday's mother's affairs, and suddenly realized.

Although everything in front of her is beyond her cognition, what can she say is the reality before her?

"In that case, Professor Ye, I'll go to class first. By the way, didn't we fail to get together yesterday? The principal personally did the affair today. In the Yongweixuan restaurant, he invited all the teachers and professors to dinner. The principal called Let me invite you too, will you go?"

Ye Chen refused: "Don't go."

Wei Ying was a little lost, nodded, and walked outside.

Looking at the entire Beijing Normal University, Ye Chen was the only one who dared to refuse the principal.

However, Ye Chen's identity is special. She has seen Ye Chen's methods, and it is estimated that the principal is not qualified to be embarrassed.

She wanted to ask about Ye Chen's identity several times, but when the words came to her lips, she still didn't say it. Let's treat Ye Chen as an ordinary university professor.

...

After Wei Ying left, Ye Chen planned to continue practicing, but found that there was an extra figure in the house!

What surprised him turned out to be Lu Hanshuang!

The corner of Ye Chen's mouth was indifferent, and said: "How do you feel like a ghost? Jiangnan Province can't stay any longer, come to the capital?"

Lu Hanshuang shook his head: "Ye Chen, I know that you will cause serious problems when you come to the capital. It seems that it is much faster than I thought."

After speaking, a tablet appeared in Lu Hanshuang's hand and threw it directly to Ye Chen.

"Your name has been on the homepage of the official website of the Blood Plum Palace, and the big figures in the headquarters have been furious! And most of the killers in the Blood Plum Palace have been recalled!"

"I am one of them. Where you live now, your level of danger and strength are all hung on the official website! How long does it take before the Blood Plum Palace will use all its strength to obliterate you."

"No one has ever made the people in the Blood Plum Palace so scared. I don't know whether to praise you or laugh at you."

Ye Chen didn't expect that the Blood Plum Palace would be so exciting to deal with him.

He thought for a while, and then said: "Lu Hanshuang, you should be very clear where the headquarters of the Blood Plum Palace is. I don't like threats. In that case, just erase it."

Lu Hanshuang shook his head: "Friends return to friendship, don't forget, I'm still a member of the Blood Plum Palace. I'm here to remind you that I have violated the rules of the Blood Plum Palace. Even if I tell you where the headquarters of the Blood Plum Palace is. It's no use everywhere, if you go, you will only die faster!"

Ye Chen squinted slightly, and his murderous intent spread: "Then why are you here!"

Standing in front of the broken windowsill, Lu Hanshuang looked at the scene of the destruction that was left uncleared yesterday, and suddenly said, "I'm here to remind you one thing. Your foundation in the capital is unstable and your strength is not enough. , It's best to leave Beijing Normal University now. Because tomorrow night, at least 30 top killers from the Blood Plum Palace will come here to kill you."

"This time, the elders will also take action, and the Blood Plum Palace will place a net of heaven and earth, and summon the powerful from all walks of life, just to prepare you to die without a place to bury you!"

The cold voice resounded throughout the house!

At this moment, Ye Chen's expression was a little weird!

He is not afraid of those blood plum palace killers!

But this point in time actually coincides with the opening of Ghost Prison!

It's all tomorrow night!

The ghost knows what kind of destruction the Beijing Normal University will produce tomorrow!

Once the key conflicts ~www.mtlnovel.com~ there will be too many uncontrollable forces!

Lu Hanshuang noticed Ye Chen's accident, and a touch of surprise appeared at the corner of his mouth.

It turned out that this guy would be afraid too, she thought Ye Chentian was not afraid.

"I will put it here. It is your business to leave. It is estimated that this news will spread in the Huaxia Killer world soon. If you don't leave, you will definitely not see the sun after tomorrow!"

After speaking, Lu Hanshuang jumped down, sliding on a steel wire, graceful!

But Ye Chen was the only one left in the whole room. He narrowed his eyes, hesitated for a long time, took out the black stone, and directly entered the reincarnation cemetery.

What about the thirty top powerhouses! An ancient power is enough!

Chapter 356: Watching and hunting!

Reincarnation cemetery.

Ye Chen walked towards the two tombstones.

Tomorrow the ghost prison will be opened, and there must be no mistakes.

The Blood Plum Palace laid a net of heaven and earth and used all power to prepare to kill him, but they forgot that he still has a title!

Hunter!

Since the Blood Plum Palace is ready to deal with himself tomorrow night, he will let everyone in the Blood Plum Palace not survive today!

He doesn't want any changes in the opening of the Ghost Prison at 12 tomorrow night!

No one is qualified to stop it.

If someone becomes a variable, erase it.

As one of China's top killer organizations, Blood Plum Palace also has great power in the martial arts world. Naturally, its strength cannot be underestimated. It is absolutely difficult for him to single-handedly enter!

The only reliance is that reincarnation cemetery!

But he didn't intend to provoke immediately!

The opportunity triggered by the ancient power must be appropriate! Otherwise it will only waste!

After confirming that the two reincarnation cemeteries could be mobilized, he called Xiang Chengdong of the Medicine League.

If Lu Hanshuang didn't say anything, wouldn't he have any way to know if it was impossible!

In terms of identity, Xiang Chengdong is on par with that of the Huaxia Martial Arts Bureau!

Although his strength is not as good as that of the General Bureau, he must be clear about some things in the Chinese martial arts world.

"See you at the school gate in twenty minutes."

Xiang Chengdong on the other end of the phone was slightly startled, and then agreed: "Yes, Mr. Ye, it just so happens that I have something to tell you."

...

Twenty minutes later, at the gate of Beijing Normal University.

Inside the Maybach car, the windows and doors were closed to isolate everything.

When Ye Chen saw Xiang Chengdong, he just wanted to speak, and Xiang Chengdong handed a piece of information to Ye Chen: "Mr. Ye, I just got the news that the Blood Plum Palace will deal with you tomorrow, and it will be suspended. All the tasks of the top killer are transferred back!"

Ye Chen glanced at the information, then left it in the car: "I know."

"Mr. Ye, do you need someone from my Medicine League to make a statement for you, just let the blood plum Palace know that you are connected to my Medicine League, and the people in the Blood Plum Palace will never dare to be unscrupulous! Although they will still assassinate you, But it can definitely be delayed for a few days!"

"This Blood Plum Palace is really a **** scum in the martial arts world!"

Xiang Chengdong's voice was a little angry.

Ye Chen shook his head: "No, I'm also looking for you for this matter. You should know the location of the Blood Plum Palace headquarters."

Xiang Chengdong's eyes condensed, he naturally guessed something, and exclaimed: "Mr. Ye, you don't want to move the Plum Palace, do you? No! Don't! The Blood Plum Palace has a profound background,

and the strong are like clouds. This time The top killers have been recalled, the Blood Plum Palace headquarters is absolutely dangerous! Please also think twice about Mr. Ye."

"I don't need your exhortation. I just want to know where the headquarters of the Blood Plum Palace is. If you know, just say it. If you don't say it, I have nothing to do with Yaomeng!"

Ye Chen's words are full of coldness and threats!

Xiang Chengdong's face was a little pale, but when he thought of the horror scene in the Danfang at the beginning, he gritted his teeth and decided to say: "Mr. Ye, the Blood Plum Palace is in the Haijin Lake area of the capital. There is a formation there. Just break the formation. Fa, you can see the Blood Plum Palace headquarters.

I heard that it is a palace covering more than ten acres. "

"Although this is not a secret, for so many years, few forces will find trouble in the Blood Plum Palace. Because there are so many dangers, Mr. Ye, please think twice."

"understood."

Ye Chen opened the car door directly and went down.

Xiang Chengdong thought of something, and quickly said, "Mr. Ye, do you need my Yaomeng experts to go with you?"

"No need, I'm all alone."

The door is closed.

Xiang Chengdong fell into contemplation. Although Ye Chen drew the sky thunder in the pill room that day and broke open the magic of the strong man in the ghost prison, this is completely different from what Ye Chen is doing now!

Not a spell, but a battle that may fall at any time!

Thinking for a few seconds, he still said, "Go to Haijin Lake."

"Yes, chairman."

...

Huaxia Budo General Administration.

Zheng Renjue has the habit of logging in to the website of the Blood Plum Palace every day. After all, he is in charge of the Huaxia Martial Arts General Bureau. If he finds that the Blood Plum Palace's assassination network has some names that should not be killed, he will send someone to warn him.

The relationship between the Huaxia Martial Arts General Administration and the Blood Plum Palace is normal. After all, there is one righteous and one evil. You can't walk too close, otherwise there will be criticism.

In his eyes, even if the opponent is the No. 1 killer organization in China! As long as you kill in Huaxia, you are under his control!

However, more often, the Huaxia Martial Arts Bureau will not make a move. As for the reason, it is not something people at his level can understand.

Zheng Renjue made a cup of tea and just wanted to take a sip. When he saw the big picture and text on the homepage of the official website of the Blood Plum Palace, his expression became extremely strange.

In the next second, a smile was drawn at the corner of his mouth!

Extremely grim smile!

Because that big picture is not someone else, it is Ye Chen!

Last time his subordinate, the top killer who had hired the Blood Plum Palace, wanted to kill Ye Chen in Jiangnan Province!

The result was a failure!

Ye Chen is alive and well!

Not only that, this guy went to Hui'an Province to make a big deal!

It's smoky there!

He no longer counts on the Blood Plum Palace!

No top assassin can kill that kid, this Blood Plum Palace is just a **** waste!

Originally, the Huaxia Budo General Administration wanted to deal with Ye Chen, but it happened that a traitor appeared in the General Administration and lost important documents!

This makes them messy!

Also temporarily put down the plan to kill Ye Chen.

However, he didn't expect that Ye Chen wanted to die by himself and completely offended the Blood Plum Palace. Judging from the attitude of the Blood Plum Palace this time, he definitely didn't intend to let Ye Chen go.

Exactly!

The blood plum palace's full encirclement and suppression, even he would not necessarily endure it.

A great price must be paid.

Just when he was excited, Zheng Renjue noticed an address on the picture, Beijing Normal University.

He narrowed his eyes, and instantly understood something: "It seems that this kid is going to enter the ghost prison, hehe, really think it's that easy! Even if you escape the encirclement and suppression of the Blood Plum Palace, my Huaxia Martial Arts Bureau will not let you step Get in!"

...

Beijing, Haijin Lake.

This area is located in the western suburbs of the capital, and it is very partial, mostly farmland.

The Beijing government has not yet planned.

Haijin Lake is a small freshwater lake. It was named Haijin Lake because someone was panning for gold hundreds of years ago.

Ye Chen got out of the taxi ~www.mtnovel.com~ A cold wind blew, and the place was a bit bleak.

"The place Xiang Chengdong said should be near here."

Ye Chen closed his eyes and could vaguely feel that there were waves of formations beneath the ground.

Even the magnetic field has changed.

There was a trace of killing intent in his eyes, and the blood dragon phantom in his body roared, full of fighting intent.

With the richness of the underground formation method, Ye Chen headed for the upper reaches of Haijin Lake.

The more you go up, it seems that the air pressure is getting lower and lower, which makes people uncomfortable.

Suddenly, Ye Chen's eyes shrank, and he found that the fallen leaves not far away were falling to one side!

Extremely weird!

Obviously, the direction pointed by the fallen leaves is the entrance of the Blood Plum Palace.

Chapter 357: he came!

Ye Chen looked towards the direction pointed by the fallen leaves, and there was a wave of patterns in the air.

It's extremely weak, and you won't find it unless you look closely.

Ye Chen didn't hesitate anymore, Canglong's phantom body surged, and he came to the place of formation in the blink of an eye.

He pointed out and found that there was a wall in front of him.

Transparent walls.

"Do you want to stop me with this method?"

Ye Chen snorted coldly, pinched his fingers, forcing a drop of blood!

The blood shot on the formation, completely scattered, the formation seemed to be under some control, and it rolled!

Later, Ye Chen appeared in the hand of the Dragon Slashing Sword, and he cut it down!

Jian Qi, with Bingham's killing intent, directly tore the wall of formation!

A hole appeared instantly.

But there is a cave inside!

An existence like a palace just stood there!

Extremely huge and magnificent! Even aura is far more abundant than outside!

Who would have thought that a deserted farmland in the western suburbs of the capital could hide such a place.

Ye Chen got into the formation directly.

At this moment, two raps suddenly sounded in my ears!

"who!"

Ye Chen walked towards the source of the sound and found two burly men in black tights.

A blood-red plum blossom was printed on the clothes on their chests!

Blood Plum Palace!

"Who are you! Show the blood plum! Otherwise, die!"

The two obviously found that Ye Chen's dress was a little weird, and they were quite wary.

Ye Chen glanced around and found no one else. He pointed to himself and said, "Ask me?"

"Nonsense, who else is here besides you!"

Ye Chen sneered: "I am the one who came to destroy your Blood Plum Palace."

After the words fell, Ye Chen moved, his whole body shook, his energy exploded, and the suppressed true energy in his body was like a river rushing!

His body passed directly between the two!

It seems that there is no action, but I don't know that countless infuriating energy is torn in all directions!

It is like a sword sweeping everything.

The two wanted to fight back, but found that their bodies couldn't move at all!

The coercion of that kid is like the pressure of a huge mountain!

What strength is this!

Before they could react, their bodies sprayed with blood, and wounds broke open!

He didn't even have a chance to press the button on his waist, and his body fell straight down.

The blood gradually stained the earth.

Ye Chen went to the depths.

The strength of these two people is too weak to be worthy of him.

His eyes shot to a hall not far away, presumably all the experts in the Blood Plum Palace were in it.

Catch the thief first, and if you can win the Blood Plum Palace, it is naturally a good thing.

He needs a force in the capital.

If the Blood Plum Palace is willing to merge with the Dark Palace, let Nanjiang King Ye Lingtian take charge of this new force.

If the Blood Plum Palace does not cooperate, let the blood stain the sky today!

Ye Chen's eyes flickered with a hint of coldness, like the evil **** from Jiuyou Hell, quickly walking towards the main hall.

at the same time.

Above the hall, there are nearly fifty top killers!

These people include old people, children, and **** women.

These people are good at disguising and killing people invisible. The key is to have a strong martial arts strength!

They are not only performing tasks in China, some of them are overseas!

The territory of the Hall of Blood Plum is only in China, which cannot satisfy the ambition of the Hall Master of the Hall of Blood Plum!

On the high platform, there is a stone chair carved into a tiger!

The surface of the stone chair is surging, and it is of great value!

And the middle-aged man sitting on the stone chair is the head of the Blood Plum Palace, Zhan Tao!

Zhan Tao had a very strong evil intention around his body, and the evil intention rose to the sky, as if to break the hall.

His eyes are very small, but a single look makes people palpitate!

Suddenly, Zhan Tao stood up, his eyes scanned the audience, and he said word by word: "You should all know why I let you interrupt the mission."

"know!"

There was a roar from below!

Lu Hanshuang and Ling Feng are among them!

Zhan Tao nodded, put his hands behind him, and said: "Since my father handed the Blood Plum Palace to me, the Blood Plum Palace has hardly encountered any troublesome objects, let alone failed again and again! But now, that destroys our blood. The people of Meidian rules have appeared! What do you guys say?"

"Cut off the head and **** its blood!"

Another roar resounded in the hall today.

"Okay, very good! Tomorrow night, you think you can use it in a few minutes, then come to see me!"

Zhan Tao's voice sounded, cold and majestic!

After the words fell, a man with a mask stood up and roared: "Hall Master Qi, give me Jiang Yun 30 seconds, I will let him separate his head and five horses!"

At the same time, another bearded man with a sharp knife in his hand also stood up and believed: "Hall Master, thirty seconds is too long. Give me ten seconds to the butcher. I will screw off his head personally. This kid has no power to fight back. !"

Zhan Tao nodded, very satisfied with the aura of these Blood Plum Palace assassins, but still said: "You are certainly the elite of my Blood Plum Palace, and are extremely powerful, but our people have been planted in the hands of this little beast more than once. To be on the safe side, I will choose thirty of you, led by Elder He, to build a world network at the Beijing Normal University! As long as he dares to step into the Beijing Normal University, he will definitely die!"

"Hall Master, mighty!"

The sound of angrily rippled.

Ling Feng and Lu Hanshuang shook their heads helplessly, hoping that Ye Chen had already left the Beijing Normal University, otherwise even if the king of heaven came, he would not be able to save this guy.

At this moment, a black shadow moved towards Zhan Tao! Very fast!

She was about to touch the Zhan Tao on the stage, and Zhan Tao blasted out!

The dull palm wind exploded, entrained with a terrifying breath of death, and swept towards the dark shadow star!

"Patter!"

To his surprise, what flew towards him turned out to be a hideous head!

The owner of this head is a strong man in the Blood Plum Palace!

Seeing this scene, everyone's complexion changed greatly, and their pupils shrank to the extreme!

My heart was even more suspicious, how could a head suddenly shoot out!

Just when everyone was puzzled, a footstep came from behind!

Countless gazes looked behind him!

I found a young man in casual clothes walking slowly with his pocket in it!

Take a stroll in the garden!

Breathless!

When I see the face of the youth~www.mtlnovel.com~ everyone's expressions are almost dull!

The hall was as quiet as a graveyard at midnight, and there was no breathing.

One by one is like a sculpture, stupidly in place!

Because this young man was the target of their assassination, Ye Chen!

The weird thing is that this child is not in the Beijing Normal University, but took the initiative to come!

This is a **** rhythm.

Ling Feng's expression was extremely horrified, Lu Hanshuang's beautiful eyes widened, and he stretched out his white hand to cover his mouth.

Is he here?

Is this looking for death!

Chapter 358: What power!

The appearance of Ye Chen was undoubtedly a thunder for the people in the headquarters of the Blood Plum Palace!

The Blood Plum Palace has existed for so many years, and no one assassinated has ever come to the Blood Plum Palace!

Does this guy think his life is too long?

The crowd was agitated, and a series of killing intent went directly towards Ye Chen.

Lu Hanshuang woke up soberly, a look of helplessness appeared in his eyes.

She had done her best to remind Ye Chen today.

In the end, this guy is still looking for death.

She thought that Ye Chen asked for the address of the headquarters of the Blood Plum Palace, just pretending to be in front of her.

Now it seems that this guy is a fool.

"Ugh."

Lu Hanshuang sighed in his heart, she was more or less regretful watching Ye Chen rise from Jiangnan Province and now fall in the Blood Plum Palace.

The same is true for her father, Lu Lingfeng.

The eyes are full of helplessness towards Ye Chen.

The corner of Zhan Tao's mouth on the stage sketched a smile, stepped out, and came to the stage.

There were four figures behind him, and they were also falling. It was the four terrifying elders of the Blood Plum Palace.

The crowd dispersed, leaving a way for them.

The murderous intent on both sides seemed to be the guardian of Zhan Tao.

When the head of the Palace of Blood Plum Palace Zhan Tao walked to a place ten meters away from Ye Chen, he stopped.

"It seems that the powerful blood plum palaces outside were all killed by you, right."

Ye Chen didn't speak.

"Fuck!"

Zhan Tao clapped and said in a strange tone of Yin and Yang: "Ye Chen, I have to admit that you are the most amazing genius I have ever seen. So many powerful people in my Blood Plum Palace are planted in your hands. Your strength, Very strong.

If you and I are not rivals, and there is no grudge, maybe you can still be friends. "

Ye Chen stretched out his hands from his pockets and put them behind him, saying: "First, the dead are not qualified to be my friends. Second, you have too much nonsense."

Zhan Tao did not fluctuate in the slightest, in his eyes, Ye Chen stepped into this place, already heralding the end!

If so many people can't deal with a kid who doesn't have all the hair, then the Blood Plum Palace really doesn't need to be mixed in China!

"Ye Chen, my Blood Plum Palace is not an unkind person, I know you have that extraterritorial thing on your body. Give it to me, then roll down and kowtow a few heads to apologize, I'm considering giving you a complete body! "

Ye Chen didn't have the slightest temperature in his eyes, and the Dragon Slashing Sword appeared in his hand, and he said lightly: "With your rubbish, you are still qualified to make me kneel? Today, I will let you kneel in front of me!"

As soon as the words came out, everyone couldn't help taking a breath!

Throughout China, there are only a handful of people who dare to insult the head of the Blood Plum Palace!

Even if you don't look at Zhan Tao's strength, the people behind him are enough to be afraid!

And Ye Chen insulted Zhan Tao in front of so many people!

This is simply unforgivable!

Zhan Tao didn't speak, but looking at Ye Chen, his expression became hideous.

"Hall Master, Jiang Yun asks for a battle!"

Suddenly, there was a sound of scolding.

The next second, a man wearing a mask rushed out!

It was the guy who just said that he could cut Ye Chen's head in thirty seconds!

The powerful evil spirit swept towards Ye Chen!

He wants to behave in front of Zhan Tao!

Killing Ye Chen, thirty seconds is enough!

Jiang Yun's momentum continued to rise, and with a scream, he stepped out with his right foot and jumped!

A full three meters high!

The huge body smashed at Ye Chen with his fists!

This blow, the wind howled, the power is absolutely terrifying!

Once hit, it must be a pool of flesh and blood!

The other powerhouses in the Blood Plum Palace also wanted to rush into it, killing Ye Chen together, but they were stopped by Zhan Tao.

He was very curious about how terrifying Ye Chen's martial arts strength was, capable of killing so many top killers in the Blood Plum Palace.

Ye Chen looked at the black shadow falling in the sky, with a touch of disdain at the corner of his mouth.

"Kill me in thirty seconds? Then do you know how many seconds it takes me to kill you?"

Then Jiang Yun was startled, before he could react, a voice that was cold into the bones exploded in his ears!

"Kill you, one second is enough!"

Moving like a strong wind, like a tiger.

At this moment, Ye Chen seemed to be a flash of lightning, tearing apart the dim Blood Plum Palace.

His knees were bent, and the whole person moved towards Jiang Yun!

Even the Dragon Slashing Sword in his hand disappeared!

In his eyes, this kind of guy is not worthy of his sword!

Ye Chen was in a violent wind, and at the extreme speed, he was already only one meter away from Jiang Yun!

In the blink of an eye, Ye Chen opened his five fingers, buckled the opponent's wrist incomparably, and slammed toward him!

boom.....

The whole body's true energy suddenly broke out, and Ye Chen was suppressed like a hundred-meter huge mountain!

Amidst the dull crash, screams came.

Jiang Yun only felt a coercion over him, he did not even have the power to fight back!

The internal organs were shaking, and even more blood was spit out!

I was shocked directly out!

With Ye Chen's current strength, how many people can handle such a blow!

"Boom!"

Jiang Yun's body hit the ground, the ground shook, a big pit was formed, and countless cracks spread out in all directions!

The key is that Jiang Yun has no complete flesh and blood!

The body is even more torn apart!

Blood bursts!

shocking!

"hiss"

Those strong in the Blood Plum Palace took a breath!

They knew that Ye Chen's strength was very strong, otherwise it would be impossible for so many powerful people to be planted in Ye Chen's hands, but they didn't know that he was so strong!

A single blow directly left Jiang Yun's body incomplete!

This is more tragic than five horses divided!

Lu Hanshuang's face was pale, she glanced at Lu Lingfeng, both of them were deeply frightened!

I remember that a month ago, they had seen Ye Chen's strength!

Although it was very strong back then, it was not so terrible!

They know what Jiang Yun's strength is!

Who can do it in one blow!

Before everyone could react, Ye Chen's icy eyes shot in another direction!

It was the butcher who said that Ye Chen would be killed in three seconds!

The butcher felt something was wrong, and he retreated subconsciously, but it was too late!

A figure quickly flashed in front of you!

Ye Chen actually appeared in front of him!

What ghost identity is this! It's too fast.

The butcher's strength is much stronger than Jiang Yun. Years of murder experience made him roll subconsciously, and the sharp knife in his hand stabs directly at the shadow!

"court death!"

The sharp knife is full of energy~www.mtlnovel.com~ The momentum is like a rainbow, just about to pierce into the dark shadow, a powerful obstacle suddenly forms!

The shadows stop! Everything is clear!

Seeing Ye Chen's five fingers holding the sharp knife, Sen Han's smile reflected on the butcher's pupils!

Such a smile made the butcher feel fear for the first time in so many years!

The key opponent is too strong!

"broken!"

Ye Chen spit out two words, and the sharp knife was directly shattered by a powerful qi!

The butcher's arm was also hit by a strong wave of air!

Right hand is directly numb!

What kind of power is this!

Stormy seas are set off in his heart!

Chapter 359: Crazy!

The butcher has killed so many martial arts experts in China, and he hasn't seen such an existence yet!

Is it possible that this kid has broken into the top ten of the Huaxia Grandmaster list!

Before he could think clearly, Ye Chen blasted out with a punch!

Simple, nothing fancy!

But with this punch, Ye Chen poured his power to the extreme, and the power of the blood dragon virtual shadow was about to rush out!

"Boom!"

Ye Chen thundered out of the ground with a punch!

Click...

There is a crisp sound of bone fracture!

"what....."

Among the heart-piercing screams, the butcher's arms, visible to the naked eye, showed a strange curve!

The bones are exposed, and the blood is gushing out like spring water!

boom.....

Then, the remaining power of this punch hit the butcher's chest fiercely.

Amid the dull impact, the butcher's face was distorted, his eyes almost burst out, and blood kept spitting out, flying out like a kite with a broken wire!

"Bang!" A loud bang hit directly at the feet of Hall Master Zhan Tao!

The entire section of the arms, the internal organs were split, as if they were shattered, and the breastbone penetrated the body! All blood!

The butcher didn't even have a chance to catch his breath and died on the spot!

At this moment, the entire Blood Plum Palace was silent.

A cold death will envelop the bodies of everyone present!

Their eyes all stared at Ye Chen, either in shock, fear, or madness!

The Blood Plum Palace uses killing to prove the way, and the means to reach the sky, the martial arts powerhouse killed is not 100,000, but there are also 10,000!

But at this moment, the picture that reverberated in their minds was the simple two punches!

These two punches seemed to break the world and hit their hearts. The pain hit the soul!

Zhan Tao, the lord of the Blood Plum Palace, turned completely dark.

The other party broke into the Blood Plum Palace, and directly killed two people under his nose. It was like a slap on his face, leaving his face blank!

The moment his line of sight shot at Ye Chen, Ye Chen's cold eyes shot at him!

Two eyes passed through the crowd, shaking violently in the air!

The monstrous evil intentions collided, and an invisible wave of air rolled in all directions!

Make every killer in the Blood Plum Palace feel uncomfortable to the extreme.

At this moment, Zhan Tao spoke: "The killer of the Blood Plum Palace listened to the order and tried his best to kill this son!"

One second, two seconds, three seconds, no one moved at all!

Who dares to trouble that devil!

Zhan Tao couldn't help but roared, "If anyone can cut off this child's head, he will immediately become the elder of the Blood Plum Palace!"

As soon as this was said, everyone's eyes became hot!

The elders of the Blood Plum Palace can enjoy the powerful resources of the Blood Plum Palace!

Practice extremely fast!

Not only that, once you become the elder of the Blood Plum Palace, you no longer need to assassinate, you only need to enjoy the joy of power!

Every blood plum palace killer present, who doesn't want to be so!

Almost instantly, twenty figures rushed towards Ye Chen! Almost half of them!

Ye Chen coldly watched the murderous intent surging, his palms gathered.

Infuriated.

The wind is blowing around, and there are waves of dragons from the body!

Although the blood dragon did not gush out, it gave Ye Chen a tremendous increase in strength and momentum!

The breath of death is coming!

A cold current swept around.

The world before him seemed to be dark, and the gate of **** had been opened.

And Ye Chen is the one who opened the gate of hell!

"Burning Heaven Palm!"

Ye Chen roared, and a flame of virtual palm suddenly formed!

Suddenly, the wind was surging, and there was a roar in the air, like a mysterious thunder exploding.

Scrolling like a wave of substance, this palm swept away mercilessly!

Ye Chen's body was shrouded in a layer of red light like a raging fire.

At this moment, he came to the world like a **** of fire!

"Wow!" With a sound, Burning Heaven's Palm erupted, and the bodies of some of the heads turned into a jet of black, their flesh and blood exploded!

Just die!

And those strong in the Blood Plum Palace at the back were also like a big enemy, they noticed something was wrong, and quickly retreated!

What the **** is this move!

It's not a category they can understand at all!

A palm condenses such a vision!

What the **** is this flame!

Is this guy a legendary cultivator!

Even though they retreated early, that wave of air exploded like substance, and the entire Blood Plum Palace trembled.

People turn on their backs! There was a rain of blood in the Blood Plum Palace!

Ye Chen panted slightly. With this blow, he even suppressed some of the Burning Palm. Otherwise, his dantian was hollowed out, how would he face the rest of the people?

But such a move is enough to deter these blood plum palace killers!

At this moment, no one dares to do it again!

Zhan Tao's eyes were extremely serious, Ye Chen suddenly broke into the Blood Plum Palace, completely letting the situation go out of control!

If you don't kill Ye Chen again, it's absolutely troublesome!

Thinking clearly about everything, he looked at the four elders of the Blood Plum Palace behind him, and ordered: "The five of us are condensing the formation, this son will not kill, it is definitely the nightmare of the Blood Plum Palace!"

"Yes, the Lord!"

The breath of the four elders climbed up, with five fingers gripped, four long swords flew across the air, and they shook hands tightly!

In the next second, the four elders and Zhan Tao stepped on their feet, and their bodies leaped into the sky, their sword intent was overwhelming, and they took Ye Chen to the top!

When Lu Hanshuang in the distance saw this scene, his heart thumped hard!

Dare to ask who in the Chinese martial arts world can suppress so many assassins in the Blood Plum Palace with one person!

Only Ye Chen!

Dare to ask China Land who can let Zhan Tao, the lord of the Blood Plum Palace, and the four strongest elders unite!

Only Ye Chen!

No matter whether Ye Chen wins or loses, this battle is enough to shake China's underground world!

It may even shake the Chinese martial arts world!

"Dad, do you think Ye Chen can win?"

Lu Hanshuang looked at Lu Lingfeng beside him, his voice trembling.

Lu Hanshuang looked at Ye Chen complicatedly, did not speak, but his palms were all sweaty!

The blood in his body was burning and boiling!

He had imagined this before, but decades later, such a move can only become his night's fantasy!

But Ye Chen did it!

But, under the encirclement and suppression of the five people in the Blood Plum Palace, can Ye Chen win?

Almost slim!

There is no reason why the Blood Plum Palace has existed in China for so many years!

far away.

Ye Chen looked at the five people who flew over~www.mtlnovel.com~, finally there was a trace of dignity in his eyes.

These five people are very strong!

He quickly took out a bottle of Qi Gathering Pill and ate it all in one breath.

The pill dissipated, and the qi in his dantian was a little bit more, which made him feel better.

At this moment, the five had completely sealed Ye Chen's retreat!

The shadow of the sword was lingering, and the footsteps were strange, every step, the ground actually formed a burst of light!

Zhan Tao sneered: "Ye Chen, you can spur the five of us to join forces, even if you get to the Palace of the Lord of the Gods, it is worth bragging about!"

"Before you die, you might as well tell you one more thing. As long as you die, I will go to Jiangnan Province myself and swallow your Tianzheng Group!"

"Not only that, I heard that you are accompanied by two beautiful women in Jiangnan Province. They are called Sun Yi and Xia Ruoxue. Haha, these two women will also be captured by me for my subordinates to enjoy! Hahahaha!"

Chapter 360: asphyxia!

Hearing these words, Ye Chen's eyes were bloodshot, and he was completely angry!

His eyes are extremely bloodthirsty!

This anger seemed to have endured for an extremely long time, already violent. vertex

It is eager to burst.

Desire to kill.

Longing for destruction.

Desire to kill!

Longing for the nothingness of everything.

The Dragon Slashing Sword in Ye Chen's hand slashed out, and roared: "From then on, there will be no more blood plum palace in the world!"

This sword carried Ye Chen's monstrous anger, sweeping across all directions!

Zhan Tao and the four elders of the Blood Plum Palace did not dare to support them. They were full of energy, and their extremely powerful five swords were used.

With the blessing of the formation, the five swords are combined into one, and a black big sword phantom is formed!

The big sword was a hundred feet long, and he cut to Ye Chen mercilessly!

"Ye Chen, I see how you can stop it! Even if you go against the sky, you can't bear this sword!"

"No matter how strong you are, there is only one person!"

Ye Chen's Dragon Slashing Sword directly collided with the monstrous sword intent!

Boom boom...

There was a violent noise, and the earth moved and the mountains shook like the last days.

The entire Blood Plum Palace seemed to be unable to withstand this power and almost flew!

"Boom!"

The two powers burst directly, and the violent air wave, as if turned into a hungry tiger, rushed towards everyone.

Zhan Tao's five people formed a formation, although they blocked the blow, they still took a full ten steps back!

Visible the power of this blow.

But Ye Chen was even worse, his body flew out directly!

He thrust the Dragon Slashing Sword into the ground fiercely, and the violent sparks surged, and the sound of sizzling was endless.

The Dragon Slashing Sword directly drew a long and deep ditch on the ground, and the rocks flew horizontally.

Visible horror!

The blood in the body surged, Ye Chen's face was a little pale.

He was breathing heavily, and he was really struggling against the five top powerhouses in the Blood Plum Palace.

Of these five people, any one of them is extremely terrifying in the Chinese martial arts world.

Although it is not as good as Jiang Jianfeng and Jingdao Master, his strength can at least be among the top 15 of Huaxia Grand Master!

Zhan Tao and the four elders were shocked again and again, this blow seemed to have won!

But they are five people!

Five talents beat this kid like this, it's hard for him to be against the sky!

The five people looked at each other, and they all saw the killing intent in each other's eyes. This son is immortal, and the Blood Plum Palace will really be destroyed!

"kill!"

Five figures swiftly swept up, sword shadows filled the sky, wrapping towards Ye Chen!

Ye Chen's sword turned, and his body was shocked again!

This time, he actually vomited a mouthful of blood, which was extremely uncomfortable!

Ye Chen can completely let the power of the third tombstone make a move! But he didn't do it!

You can't rely on others blindly in martial arts! Only strong strength is king!

"Ye Chen, you must be very uncomfortable with your internal organs. If you do not die today, it is estimated that within a few years, the Chinese martial arts world will rule the roost for you! However, I Zhan Tao will not give you this opportunity, I like to stifle geniuses! It is a kind of enjoyment to kill your genius, haha!"

"Five swords break the heart!"

After a sneer, Zhan Tao became extremely serious, and the other four people heard that Wu Jian broke their hearts, and instantly understood, energy surged from the whole body to the long sword in their hands!

Suddenly, a surge of momentum soared, and a violent wind swept the entire land.

I have to say that the momentum displayed by the five people is really amazing. With this momentum bursting, it was only a moment that everyone only felt suffocated.

Some of the strong blood plum palace close to the five people directly shook out a mouthful of blood.

"Ye Chen, this blow depends on how you stop it!"

When the words fell, the five rays of light shot straight away, roaring and shaking, and a powerful momentum rose into the sky.

Ye Chen just stood like this, as if facing the blow, fearless.

Suddenly, he closed his eyes.

The words of the black-robed old man, that is, the slaughter monarch, sounded in his ears.

"Apprentice, everything in the world, three thousand avenues, countless trails! I use killing to prove the way, but also seek the way with sword intent! The sword is the king of a hundred soldiers, advancing can attack and retreat can defend, and there are three in all! Sword! Every sword merges with the laws of

the Great Dao, once it is completed, with enough strength to support it, three swords will break the sky! That's why he is called the sword intent!"

"The first sword, Qianlong slashes the sky! If you have cultivated to great success, a sword will be shaken!"

Ye Chen knew very well that the only thing he could resist was Potian Sword Intent.

He has evolved several times in the reincarnation cemetery, and he is not as powerful as the killing of Daojun.

The key is to be used now, it will cause great damage to the body, and it will take at least a few days to rest to relieve it.

But at the moment he has no choice.

No longer hesitating, he raised the hand holding the Dragon Slashing Sword!

The whole body is full of momentum!

The roar vibrated, and a strong momentum rose to the sky.

The wind swept through, the sun and the moon faded.

This momentum is extremely terrifying!

Even the moment of the outbreak suffocated everyone.

Even in the distance, Lu Hanshuang and Lu Lingfeng, under this momentum, their faces instantly pale, and their whole bodies are soaked.

They have never seen this kind of momentum!

Under this murderous aura, they seemed to feel the solidification of the heavens and the earth, as if turning into Shura hell.

They stared at Ye Chen, what kind of existence is this guy!

How could such power burst out!

Zhan Tao and the other four elders changed their faces and felt something was wrong!

Just about to speak, a stunned dragon reverberated, and then, a blood dragon over ten meters long came out of Ye Chen's body!

The blood dragon directly broke through the roof and glanced at the crowd condescendingly, with cold eyes, as if looking down at a group of ants.

This scene directly caused a dozen assassins in the Blood Plum Palace to sit on the ground in shock.

This is a fear they have never had before!

Even Zhan Tao's eyes were filled with deep horror!

"Qianlong cuts the sky!"

Ye Chen roared, suddenly rushing out, and the Dragon Slashing Sword turned into bursts of sword glow.

Break everything!

"Boom!"

The place where the sword intent went, completely exploded, and there was a soft groan, and the sword light shot into the sky instantly!

This sword swept out, almost to the extreme, like thunder breaking through the sky!

The blood dragon above his head roared even more!

In an instant, the sky was full of sword aura, and the chill was pressing!

The scorching wind is like an evil ghost crying, and it is intriguing!

"Boom!"

A sword fell, and the blow of the first five people by Zhan Tao was directly shattered!

The five-person martial arts can't compare to the sword that breaks the sky!

Visible overbearing!

"Tear!"

The four elders of the Blood Plum Palace panicked, and the powerful sword intent swept over! Let them have a sudden stature!

"Do not....."

Fear permeated for an instant, enveloping them all.

Under such sword intent~www.mtlnovel.com~ they are not even qualified to block!

"Go away!"

The four elders roared in horror. As soon as the voice fell, his body exploded and turned into a blood mist!

Not even qualified to exist!

The last Zhan Tao trembled in fright, and quickly knelt down: "Master Ye, please save my life! I am willing to contribute everything!"

"late!"

Ye Chen's mouth showed a sneer.

"dead!"

Suddenly, the sword intent burst out, tearing the air, "Pump!" With a sound, Zhan Tao's head was directly cut off!

The ferocious and horrified eyes were open, and the head rolled on the ground until it stopped completely at the feet of Lu Lingfeng...
