Chapter 361: Contempt for all beings!

At this moment, the audience was dead.

Everyone's eyes stared at the head on the ground.

This is the head of the head of the Blood Plum Palace!

The head of the dragons was directly beheaded!

The four elders were broken by his sword!

Who can believe this scene?

But it happened to them in such a real way!

The key is still made by a young man in his twenties!

Tonight, China Hengkong came out a top powerhouse!

At this moment, who would dare to be hostile to Ye Chen?

Who dare!

Lu Lingfeng and Lu Hanshuang lowered their heads, and Zhan Tao's ferocious heads were extremely clear in their eyes.

They don't know how many people have been killed, and they shouldn't have a trace of fear for such **** heads!

But at this moment, there is only fear in their hearts!

Zhan Tao is dead! The core characters of the Blood Plum Palace are all dead!

At this moment, dozens of people remained, all shrouded in the shadow of the young man not far away.

How the **** is this fun!

It's not of the same level at all!

Lu Hanshuang raised his head with difficulty, looking at Ye Chen in the distance.

The thin figure seemed to rise several meters high, like a giant, with a shadow over him.

But at this moment, Ye Chen stuck the Dragon Slashing Sword on the ground, holding it tightly with his right hand.

He was extremely uncomfortable.

Although this sword killed Zhan Tao and several elders of the Blood Plum Palace, it had an extremely serious impact on his body.

For a moment, he felt that his body was about to explode!

Now he doesn't have a trace of real energy in his dantian!

His body is crumbling, if it were not for the Dragon Slashing Sword, he would fall!

A powerful exhaustion strikes, as long as his will is not firm, he will inevitably fall to the ground.

Embarrassed.

This sword overdrawn everything he had.

He held the hand of the Dragon Slashing Sword and moved it down slightly, and his five fingers touched the body of the Dragon Slashing Sword.

Without true energy, his five fingers contracted slightly, and a trace of blood oozes out.

The pain of the wound made him sober.

Afterwards, Ye Chen raised his head, his eyes that seemed to come from Jiuyou Hell swept toward everyone, saying every word: "Who else is not convinced, stand up!"

His voice came in response from the Blood Plum Palace!

Like rolling thunder!

With an extremely cold killing intent.

At this moment, people and swords are fearless.

He doesn't need to exhale, it is enough to make these people feel shocked!

For three full seconds, no one dared to speak, and no one stood up!

Ye Chen said again: "From today, the Blood Plum Palace no longer exists, you may have objections! Dissenters, stand up!"

Another thunder burst into everyone's ears.

A simple sentence erased the Blood Plum Palace that had been rooted for decades or even hundreds of years, and only young people in the distance could do it!

Every killer in the Blood Plum Palace didn't even dare to take a breath, let alone disagree!

Who dares to provoke the anger of this evil god!

After three seconds, Ye Chen threw out the third sentence: "Now, there are two paths in front of you! First, death! Second, surrender! You must make a choice!"

This sentence is like a blockbuster!

What a choice!

It's a threat!

Naked threat!

Although Ye Chen has no strength and is completely a powerful crossbow bow, he firmly believes that this group of people will make the right choice!

If this group of people doesn't know each other and does something to themselves, he will naturally have a way to erase this group of people!

This is his confidence!

For one second, two seconds, those blood plum palace killers still did not respond.

In the third second, Lu Lingfeng stepped out and stepped over Zhan Tao's head!

"Plop!" Kneeled down on one knee!

"Ling Feng of the Blood Plum Palace, see the Hall Master!"

Zhan Tao is dead! The Lord of the Blood Plum Palace no longer exists! But Ye Chen naturally replaced him, and he was bound to become the new Hallmaster!

This is the rule of the weak eating the strong!

Not only that, but Lu Lingfeng also knew very well that he had missed countless opportunities since Jiangnan Province!

Ye Chen's growth rate is too fast, at this moment he has grown into a huge ship!

Next time, it may be an aircraft carrier!

If he does not get on the boat, he will regret it for life!

So at this moment, he knelt down resolutely! Surrender!

As Lu Lingfeng knelt down, Lu Hanshuang also reacted. She understood what her father was going to do.

Father must have seen Ye Chen's physical condition, and if he doesn't build momentum at this moment, when will he have to wait!

"thump!"

Lu Hanshuang also knelt down, "Blood Plum Palace Lu Hanshuang, see the Lord!"

Everyone looked at each other, and after a few seconds, the figures were ups and downs!

"thump!"

"thump!"

...

Most of the disciples of the Blood Plum Palace all knelt down!

There is only the meaning of surrender in the eyes!

"See the Lord!"

Every sound shook the sky!

Convinced!

They are just tools used in the Hall of Blood Plum!

Whoever uses it is actually the same! At the moment they just want to live!

What's more, Ye Chen's strength and age are placed here, and he is undoubtedly more qualified to lead the Blood Plum Palace than Zhan Tao!

Only by following such a strong one is qualified to set foot on the pinnacle of the Chinese martial arts world!

Looking at the audience, only three people did not kneel down, and their eyes were filled with hesitation and hatred!

"This child is already a powerful crossbow bow, why kneel!"

After the words fell, the three rushed towards Ye Chen!

Before they got close to Ye Chen, Lu Hanshuang and Lu Lingfeng rushed out and swept directly, the black light flickered, and their energy was radiant.

"How dare the lord be disrespectful and look for death!"

Not only that, but the other two strong blood plum palaces also rushed over!

The murderous intent was overwhelming, and the blood spilled on the ground.

The heads of the three were cut off directly!

Don't look down!

These people who took the shot were shrewd in their hearts, and when they didn't show good to the palace master at this time, they would have to wait.

Ye Chen nodded in satisfaction, a part of his body had recovered, and he glanced at everyone.

"Since you recognize me as the Lord of the Palace, starting from today, you are no longer assassins, but I am Ye Chen's people! You don't have to kill people, you can control the wealth of a rich and enemy country!"

"If you are loyal to me, I will give you the opportunity to set foot on the peak of China!"

"If you betray me, thousands of miles away, I can also kill your spirits!"

When the words fell, Ye Chen stepped on his feet, and the blood dragon above his head heard a shocking dragon chant! He appeared directly behind Ye Chen!

The blood dragon coiled around his body!

ferocious.

violent.

Contempt for all beings.

Ye Chen at this moment is like a true dragon emperor! The Heavenly Immortal Venerable who is more like a dragon protector! The whole body exudes a red light, hitting the brand in the hearts of everyone present.

At this moment ~www.mtlnovel.com~ All that is left in everyone's heart is fear!

"From today, you will be under the management of Ling Feng for the time being. If you don't follow it, kill it! In the past few days, I will find a way to reorganize the Blood Plum Palace! And make a facelift for the Blood Plum Palace and inject new blood!"

"Finally, today's matter must not be disclosed to anyone. If there is a violation, the consequences will be borne by yourself!"

"Ling Feng and Lu Hanshuang stay, and all the others leave this hall!"

Ye Chen's unquestionable voice fell, and the crowd suddenly dispersed!

In just five seconds, only Ye Chen, Ling Feng, and Lu Hanshuang were left under the hall!

The moment the door closed, Ye Chen couldn't hold on anymore, the Dragon Slashing Sword fell on the ground, and his body also fell.

...

Chapter 362: When dormant!

This result was much better than Ye Chen expected.

Killing the Blood Plum Palace did not use at least a great power from the reincarnation cemetery.

If it is really used, it is overkill.

Too worthless.

Whether it is the opening of the ghost prison tomorrow night, or facing the strong in the ghost prison, there are too many variables.

He needs those two powerful players.

This is his biggest hole card.

The moment Ye Chen fell down, a beautiful figure appeared directly, and the white jade hand took out and hugged Ye Chen.

It was Lu Hanshuang who shot.

At this moment, Ye Chen's cheeks were close to Lu Hanshuang's chest, the wisps of fragrance made people intoxicated, and the soft **** around his ears were squeezed a bit, extremely fragrant.

But Ye Chen was already asleep.

He is too tired.

Lu Lingfeng came over, glanced at Ye Chen, sighed, and said, "Hanshuang, take the palace master inside to rest. His body is probably overloaded during this battle."

"If this battle is discovered by those in the top ten of the Huaxia Grandmasters list, they will have their jaw dropped. Who would have imagined that a Ye Family trash that has disappeared for five years can even wipe out the palace of the Blood Plum Palace with one person. Lord and elders.

Even now I dare not imagine.

This time, not only has Jiangnan Province changed, but also China. "

"To be honest, I'm really curious what the secret is in him?"

Even so, Lu Lingfeng didn't have any prying heart.

All he can do is surrender.

Ye Chen's growth rate is too fast. According to this state of affairs, it is estimated that it will not be long before the entire capital will reverberate in his reputation.

When the time comes, the guy on the Huaxia Grandmaster's list will probably panic a bit.

Lu Hanshuang nodded lightly, and directly supported Ye Chen towards one place.

After taking six or seven steps, Lu Lingfeng suddenly stopped Lu Hanshuang: "Hanshuang, wait a minute."

Lu Hanshuang's body was startled, her beautiful eyes looked at Lu Lingfeng in surprise, "Dad, what's the matter?"

Lu Lingfeng narrowed his eyes and said seriously: "If the hall master has any needs, you must take good care of it. The hall master is a dragon and a phoenix among people. If you climb up, it will benefit you without harm!"

Lu Hanshuang hesitated for a few seconds, did not make a statement, and continued to help Ye Chen away.

Soon, the two came to a big bed.

It was only the afternoon, and there was still some sun outside. Lu Hanshuang carefully took off his clothes for Ye Chen, only a pair of underwear was left, and he covered him with a quilt.

As for her, she guarded Ye Chen's side quietly.

Her eyes blinked, and her cold cheeks gradually climbed into a red glow.

She could hear Ye Chen's heavy breathing.

In this way, Lu Hanshuang watched Ye Chen for six full hours. For some reason, the more she watched, the faster her heartbeat became.

Ye Chen seemed to be a black hole, which attracted her deeply.

Even her heart that hadn't had any waves for twenty years had ripples.

Gradually, her body tilted slightly, her pink lips trying to get closer.

Just when he was about to touch Ye Chen, a pair of cold star-like eyes opened.

Ye Chen woke up!

At the moment his eyes were facing each other, Lu Hanshuang quickly stood up and explained: "Hall Master, there is something on your eyelashes, I wanted to remove it for you..."

Ye Chen didn't think much, got up with difficulty, took out two pills, and took them directly.

Sit cross-legged at the same time, ready to exercise.

"Lu Hanshuang, you protect the law for me, and no one should bother you."

"Yes, the Lord!"

Lu Hanshuang hurriedly went to the door!

She was anxious to leave here immediately.

The scene just now was too embarrassing, the Lord would not misunderstand anything.

It was another hour later, Ye Chen slowly exhaled a suffocating breath, and the injury on his body was considered stable.

It's just that you have to relax a little when you use Zhenqi recently.

If it is overdrawn again, it will have an impact on his cultivation.

To open the Ghost Prison tomorrow night, if it doesn't work, you can only use those two powers.

Ye Chen took out his mobile phone from his pocket and broadcast Ye Lingtian's call.

He wouldn't completely believe the people in the Blood Plum Palace, the only one who trusted him was Ye Lingtian.

To some extent, the Dark Hall and the Blood Plum Hall are the same kind of power.

His initial plan was to let Ye Lingtian take charge of the powerful men of the Blood Plum Palace!

He needs an extremely strong force in the capital, the Blood Plum Palace is enough!

"Hall Master!" A respectful voice came from the other end of the phone.

"What happened to Xia Ruoxue and Sun Yi in Jiangnan Province?" Ye Chen asked.

Ye Lingtian on the other end of the phone hurriedly said, "Mr. Ye, don't worry. With me, no one dared to touch the two young ladies. Recently, they are busy with the affairs of the Tianzheng Group and the Xia family, and they rarely move around."

"What's more, Jiangnan Province is now almost under the control of the dark palace, and no forces dare to die."

Ye Chen nodded, and then commanded: "I am calling you to remind you that you and the brothers in the dark palace are ready to set foot on the capital. There is a force here that needs you to control."

Ye Lingtian was startled, somewhat incomprehensible what the hall master meant: "Hall master, what consciousness do you mean? Why don't I understand? Also, the power of the capital is complicated, how do we stand in the dark hall? At this time, I want to occupy The underground forces in the capital are too difficult."

Ye Chen smiled and said directly: "What if you are asked to take over the biggest killer organization in China?"

"what!"

At this moment, Ye Lingtian was not calm at all.

There is only one Huaxia No. 1 Killer Organization, and that is the Palace of Blood Plum!

The key blood plum palace headquarters is extremely strong, and it is undoubtedly a fantasy for him to take over!

"Hall Master, you mean the Blood Plum Palace?"

Ye Lingtian tremblingly said.

"Yes, the Lord and the elders of the Blood Plum Palace were killed by me. At this moment, this is a pool of stagnant water, waiting for you to come to the capital to stir. As for the safety of Sun Yi and Xia Ruoxue, only the protection of Rakshasa and Dragon Soul is required. At the same time, I will send the top killers of the Blood Plum Palace to Jiangnan Province to protect them."

"What you have to do is to immediately take the elite of the dark temple and set foot on the capital!"

"Yes, the Lord!"

After the phone was hung up, Ye Chen came to the window and looked condescendingly at the dark night in the western suburbs of the capital.

This was his first step into the capital.

He wants to build a force that will make China's top martial arts family tremble.

Now the Blood Plum Palace is not worthy, neither is the Dark Palace.

But in the future, these two forces combined, with a little training, are absolutely qualified to shake the Jiang family and the Lin family in Beijing!

He wanted the old man in control of the Jiang family to regret it!

He also needs to take his parents to Jiang's family~www.mtlnovel.com~ They don't need Jiang's recognition, and it's not rare!

It won't even be long before the aloof Huaxia Jiang family will put their posture to the lowest level and look up at their family!

This is Ye Chen's pride.

Later, Ye Chen stayed in the Hall of Blood Plum for a few hours, and told Lu Lingfeng of Ye Lingtian's phone number.

After that, the fusion of the Blood Plum Palace and the Dark Palace was given to them all!

If someone betrays or leaks the news, directly obliterate and deal with it!

This force needs to dormant now.

When he was completely revealed, it was when he set foot on the Jiang family!

Ye Chen checked the time, and at 11 o'clock in the evening, he left the Blood Plum Palace and headed towards the Beijing Normal University.

Chapter 363: Can't control it!

When Ye Chen stepped into the Bleeding Plum Palace, he checked the time.

It's time to leave.

When he stepped into the Meidian formation, he noticed a Maybach parked not far away.

The appearance of this kind of car near this deserted farmland is itself an accident.

But soon he suddenly came over, this Maybach is Xiang Chengdong's car.

The door opened and Xiang Chengdong hurried out.

"Mr. Ye, you... did you come out?"

Xiang Chengdong was even a little nervous at this moment!

He knew the power of the Blood Plum Palace very well, it is impossible for ordinary people to come out alive!

But Ye Chen really came back intact.

The key body still has a strong smell of blood.

At least ten people died!

Could it be that Ye Chen really suppressed the Blood Plum Palace?

massacre?

how is this possible!

Ye Chen didn't need to explain too much. He just asked: "Have the people in the ghost prison contacted you recently?"

Xiang Chengdong shook his head: "She has told me the time and place. You know, Mr. Ye, it's only twenty-four hours later."

Ye Chen walked to the back seat of Maybach and said, "Send me to Beijing Normal University."

"Yes."

The door closed.

Xiang Chengdong sat in the co-pilot and asked the driver to drive. As for the back seat, Ye Chen was left alone, giving him absolute silence.

Ye Chen closed his eyes and prepared to adjust his breathing to run the Nine Heavens Xuanyang Jue.

Suddenly, the phone in his pocket rang.

What surprised him was Wei Ying's mother.

He wanted to hang up, but after thinking about it, he picked it up.

"what's up?"

Ye Chen's faint voice sounded.

When Wei's mother heard the call connected, she exhaled and said with excitement: "Senior, I want to ask, is Ying Er with you? I called her at night, she was very noisy over there and said yes I went home and called me, but up to now, I haven't received her call, and the key is that no one answered her phone, so I asked senior..."

Ye Chen squinted slightly, and suddenly thought that when Wei Ying delivered breakfast in the morning, he would invite him to participate in an event organized by the principal in the evening.

He refused at the time. It is estimated that Wei Ying should have gone to this event tonight.

"There are activities in the school today. It may be too noisy to hear. I am outside now. I will go back and help you pay attention later." Ye Chen said.

"Thank you senior! Thank you very much!"

After the phone was hung up, Ye Chen continued to close his eyes and run the exercises.

Twenty minutes later, Ye Chen got out of the car and did not go back to his teacher's apartment, but went to the opposite side and knocked on the door.

But there is no one in Wei Ying's apartment.

He even used his spiritual sense to realize it, without any result.

"Not back yet?"

Ye Chen remembered something and took out a document from the reincarnation cemetery.

There is a business card on the file with the principal's phone number on it.

He dialed the number on the business card, and after a while, a lazy voice rang: "Who, let people not sleep at night!"

Ye Chen frowned and felt something was wrong.

The event was organized by the principal, but the principal was actually sleeping?

"I am Ye Chen."

The simple four words directly let the principal on the other end of the phone wake up!

He changed his tone and said to Ye Chen: "That... Chief, what happened?"

He knew that Ye Chen had a military background.

If he is not careful, his position will not be guaranteed.

So in any case, this master must be careful.

"Where are you now?" Ye Chen asked.

"Chief, I'm at home, I drank some wine today, and I was rested at home. Did something happen to the school..."

"Wei Ying didn't come back?"

The principal was taken aback, thought for a while, and then said: "The activity ended after nine o'clock. I remember that Teacher Wei was dragged by several female teachers to sing. It seems that Wu Fan and Zheng Rui also went there, both young teachers. Singing is normal. Chief, you are..."

"Address!" Ye Chen ordered.

The principal was taken aback, but he still honestly said, "It should be Collodi from Qianhua Square in Beijing..."

The phone hung up directly.

Originally, the gathering of several teachers was nothing but Wu Fan and Zheng Rui went there and he felt something was wrong.

I hope Wei Ying doesn't have any trouble.

After all, Wei Ying is also one of his few friends at Beijing Normal University.

The key is that he really felt a trace of care and kindness from the other party.

At this moment, the phone in Ye Chen's hand rang.

The caller ID is Wei Ying.

He just wanted to get through when he hung up on the other end.

Ye Chen's eyes glowed with a hint of coldness, and he sank into the darkness.

Anyway, it's already twelve o'clock, and a girl is not safe outside. Since she has agreed to Mother Wei, she should also bring her back.

...

Beijing Qianhua Plaza, the sixth floor of Clardy.

007 Supreme Box.

Wei Ying's face flushed, a little drunk.

She doesn't like drinking, and even less like singing parties, but today it happens to be the birthday of a teacher in the English group.

The other party pleaded so much that she could only come.

After all, the same office, if you don't give face, you really can't justify it.

But after coming, she regretted it. It was obviously the other party's birthday. This group of people kept letting her drink. She hid several times and wanted to leave.

But the birthday star said that only a drink can be considered a blessing.

After a cup, Wei Ying, who doesn't know how to drink, was already drunk, and her stomach was very uncomfortable.

She refused all the toasts that followed, and sat quietly in the corner.

Now her legs are a little weak, and it is impossible to go back. She can only wait for her alcoholic beverage to dissipate before going back.

However, not only did the drunkenness not disappear, but it became heavier. She was lying on the sofa, feeling a little unconscious, and subconsciously pressed an emergency call.

I hope Ye Chen can come and pick her up.

This emergency call was set by Ye Chen before ~www.mtlnovel.com~, but before it was broadcast, a figure appeared in the box.

It is Wu Fan!

Not only that, there is also a tall man behind Wu Fan. He has an extraordinary masculine temperament and a suit. Looking at her eyes makes her very uncomfortable.

Wu Fan hung up the call that was on the air and put his cell phone out of Wei Ying's reach.

"Ms. Wei, are you drunk? I just want to go back, or send you back to the teachers' apartment?"

Wu Fan smiled and looked like a gentleman to outsiders.

Wei Ying thought about what happened last night again. How could she let Wu Fan take her back. She snorted coldly: "No need! Give me the call!"

Wu Fan shrugged, "Ms. Wei, isn't the cell phone right there? You can just hold it yourself."

Wei Ying stretched out her hand to take the phone, but her whole body was a little soft, and she couldn't control her sense of direction.

Chapter 364: Fragmented sword!

Several female teachers noticed the situation here and wanted to come over to help Wei Ying. Wu Fan picked up a microphone and said to everyone: "Teachers stop, let me introduce you to everyone. The handsome guy next to me is called Luo. Wei. I am the young owner of Qianhua Hotel in Beijing and one of my good friends. I just met in Qianhua Square and came over to say hello to everyone.

The Luo family is a famous family in the capital, the key point is that Luo Shao is still single..."

As soon as the words came out, everyone's eyes fell on Lowe.

Beijing Qianhua Plaza is one of the top ten entertainment venues in Beijing, and the people behind it are absolutely terrifying regardless of wealth and strength.

More importantly, Lowe came to greet everyone personally, which made the female teachers feel stunned by happiness.

Wu Fan looked at everyone's fearful and expectant eyes and smiled coldly. The reason why Luo Wei came here was not because of him, but because of Wei Ying!

Since Wei Ying is so sordid to play with Ye Chen, it's better to make them cheap.

Now Wei Ying's state is full of drunkenness, she is definitely the best opportunity!

As long as Lowe was involved in this matter, he didn't have to worry about Wei Ying's revenge.

The Luo family covered the sky, what if Wei Ying called the police?

Luo Wei glanced at Wei Ying, who was blushing, her eyes were full of evil desires, and then said to everyone: "I have been to Beijing Normal University several times, and I have also listened to a professor's class. I admire all the teachers very much. Well, this box is too small. I have arranged a bigger box at 001. I will pay for all the drinks and services tonight."

"Everyone, go over now."

The crowd suddenly cheered, and Lowe was a typical rich and handsome in their eyes.

Afterwards, they got up one after another and went to another box.

A few young female teachers glanced at Wei Ying and wanted to help. Luo Wei directly said coldly: "Ms. Wei should not be able to sing anymore. I will send my driver to send her back. Don't worry, it's a Female driver. On my site, I naturally want to serve everyone well."

The young female teacher hesitated, but finally nodded and headed outside.

At this moment, in the box, only Wu Fan and Luo Wei were left, and their eyes were full.

Wu Fan took out a dv from his pocket, while Lowe went outside and said to the two bodyguards at the door: "Keep the door, no one is allowed to come in."

"Yes, master!"

The box door closed, Wei Ying looked at the two men in front of him and felt something was wrong, and said excitedly: "You...what do you want to do..."

Wu Fan sneered: "Two men and one woman, what else can they do?"

"Wei Ying, since you're cheap to the new Ye Chen, can't you make us cheap?"

Wei Ying's face was pale, she woke up a few minutes from alcohol, and subconsciously grabbed the phone.

"Wu Fan, you are also a teacher anyway, you know the law and break the law! Let me go!"

Wei Ying stood up, but her legs softened and she fell on the sofa again.

Wu Fan sneered and looked at Luo Wei and said, "Sao Luo, you come first and I will take a video for you."

Luo Wei nodded, spit out his tongue, licked his lips, and then took off his shirt and headed towards Wei Ying!

At this moment, Wei Ying panicked. She didn't want these people to tarnish her innocence. She stretched out her hand subconsciously, grabbed an empty wine bottle, and threw it out!

"Boom!"

It hit Lowe's forehead accurately!

A trace of blood oozes!

Luo Wei stretched out his hand and touched it. When he saw that the palm of his hand was actually blood, he was completely angry!

"Fuck, a stinky **** pretends to be a fierce woman, today I will **** **** you!"

"Wu Fan, help me hold this woman's neck! She dared to move and slapped her!"

In an instant, the two men rushed towards Wei Ying!

At this moment, undoubtedly the extreme panic!

In the morning, she should refuse like Ye Chen! Otherwise it won't happen today!

Just when they were only one meter away from her, "Bang!" There was a loud noise!

The glass door of the box was directly shattered, and the debris splashed all over the floor!

Not only that, but the two bodyguards were thrown in, full of blood!

Seeing this scene, Luo Wei and Wu Fan were stunned.

Two eyes shot in the direction of the door, and a young man stood at the door like a ghost.

Those angry eyes stared at them firmly.

Ye Chen!

Wu Fan saw this familiar figure and almost fell with his legs weakened.

He has been shrouded in the shadow of this guy!

Now he is all hurt! Not fully healed!

Why did Ye Chen come here?

He decided that Ye Chen would not come here before he decided to do it!

"Professor Ye..." Wei Ying stood up and stumbled to Ye Chen's side.

Ye Chen wrapped a hand around Wei Ying's waist, and a faint air current wrapped her.

It made her feel very comfortable, and the wine gradually spread.

"Professor Ye, why are you here?" Wei Ying became sober and excited.

If it weren't for Ye Chen, the consequences today would be disastrous.

Ye Chen smiled: "Your mother called me and asked you to call her back. She was very worried."

"You go out and call first, I have something to discuss with them."

Wei Ying was startled. She vaguely guessed what would happen and what she wanted to say, but she still didn't say what she said.

She walked out silently and dialed her mother's phone at the end of the corridor.

At this moment, inside the box.

Wu Fan was completely eroded by fear, "Pump!" He knelt directly on the ground with a sound.

"Professor Ye, I was wrong, please let me go, I will give you as much money as you want..."

Luo Wei frowned, looked at Wu Fan with a displeased look, and said, "Wu Fan, you are **** sick, why are you kneeling?"

Before he finished speaking, Ye Chen stepped on his feet, and an air current surged upward from the ground!

All the glass fragments scattered on the ground are suspended!

This scene directly frightened Luo Wei and Wu Fan!

What kind of trick is this? It completely violates common sense!

Lowe even felt the violent trembling of his legs~www.mtlnovel.com~ A sense of death actually wrapped him.

Wu Fan couldn't take care of everything, and quickly said: "Professor Ye, all of this is instructed by Lowe, it's none of my business! If you want to find him, you can find him!"

For Wu Fan, if he offended Luo Wei, he might have to bear the anger of the Luo family and could not stay in the capital, but if he offended Ye Chen, he might not survive tomorrow!

Ye Chen glanced at Wu Fan indifferently, and sneered: "Because Wei Ying was here yesterday, I was merciful. Today, since you want to die so much, I will make it happen!"

After the words fell, Ye Chen waved his arm lightly, and the countless pieces of fast-splitting glass seemed to condense a long sword, heading directly towards Wu Fan!

"Wow!" With a sound, the long sword hit Wu Fan's body!

Countless glass fragments penetrate directly!

His body is more torn apart!

Chapter 365: By the side!

Wu Fan was spitting out blood in his mouth and fell completely to the ground, with no chance of birth.
vertex

Looking at Wu Fan's corpse next to him, Luo Wei was almost petrified, and his pupils were only cold and shocked.

"I....."

Luo Wei just wanted to say something, Ye Chen grabbed his five fingers, and the dvd appeared directly in his hand, and it was crushed a bit by him.

Afterwards, the arm shook, and the damaged DVD passed directly through Lowe's slightly opened mouth.

Luo Wei's eyes widened, a feeling of suffocation struck him, his internal energy rolled, and his internal organs seemed to be shaken by a current of air.

All shattered!

"I don't want to listen to your nonsense, you have no choice, the only thing you have is the power to die."

Ten seconds later, Luo Wei's face turned blue, his eyes were white and bloodshot, and finally fell in a pool of blood.

From beginning to end, Ye Chen's eyes didn't have any temperature. He sent a text message to Ying Qing and walked towards Wei Ying at the end of the corridor.

"Let's go."

Ye Chen said lightly.

Wei Ying hung up the phone and glanced at the box: "Then they two..."

"I just warned a few words. They left long ago and won't move you anymore. They should be on the road now, let's go."

There is nothing wrong with Ye Chen's words.

It's just that this road is not the way back, but the underground Huangquan Road!

Wei Ying nodded, and Ye Chen walked downstairs, but after a dozen steps, they felt their legs were weak.

Although the drunkenness has gone a bit, the nervous system is still paralyzed.

Ye Chen shook his head helplessly, and squatted slightly: "Come on,"

Wei Ying hesitated for a few seconds, then nodded, she put her hand around Ye Chen's neck, and lay on Ye Chen's back.

The soft breast was pressed like this, almost deformed.

After that, Wei Ying felt a pair of powerful arms pass through her hips, sliding across the base of her thighs.

This feeling is like an electric shock!

She even couldn't help groaning.

Ye Chen paused for a few seconds, and shook his head helplessly.

At this moment, Wei Ying's face turned redder.

She had no idea that she would make such a sound.

The key is that Ye Chen's arm occasionally touches his hips and thighs, which is great!

It feels like... she can't tell.

At this moment, she can even feel a little more moisture in the panties...

Ye Chen carried Wei Ying downstairs, and Maybach stopped by the road.

The two got into the car, and the car drove directly to the Beijing Normal University.

...

After half an hour, Ye Chen finally sent Wei Ying back to the teachers' apartment.

Wei Ying was completely sober and made a cup of tea for Ye Chen, thanking him: "Professor Ye, if you don't have you today, I really don't know what the consequences will be. I am here to thank you."

Ye Chen waved his hand: "There is no need to thank you. Don't attend this kind of gathering next time, and if anyone persuaded you to drink, just throw it away. You are not qualified to drink alcohol at all."

Wei Ying blushed and nodded: "Professor Ye, I know."

Ye Chen really didn't like the title of professor, so he said: "You and I are not much different in age. Just call me Ye Chen. This professor calls me old."

"Pump!" Wei Ying laughed and nodded: "Okay."

Ye Chen looked at Wei Ying's blooming smile and sighed, then his eyes fell on the necklace on Wei Ying's neck.

The earth soul profound stone in the middle of the necklace was a bit dim, and it is estimated that the suppression will not last long.

Wei Ying is actually pitiful.

He was born with a **** cold body.

She wanted to take Wei Ying on the path of cultivation, but right now he didn't have a suitable method for Wei Ying's practice, so she could only put it aside temporarily.

The **** cold body can't be suppressed by ordinary exercises.

I hope that there will be enough opportunities to get that extremely cold exercise.

The earth soul profound stone his mother gave him has benefited him a lot, and this is the only way to return.

Ye Chen stood up and didn't want to bother too much. His realm hadn't completely broken through. Last time he was interrupted by the appearance of the Blood Plum Palace assassin, so he should continue to pick it up.

Twenty or so hours later, when the ghost prison opens.

The stronger his strength, the greater the chance of winning.

No longer thinking about it, Ye Chen said: "You take a bath, rest early, and I will go back."

When Wei Ying saw that Ye Chen was about to leave, she felt a sense of loss in her heart. She even felt that Ye Chen was a little ignorant of customs. Is it possible that to Ye Chen, her appearance and figure were not attractive?

She looked at her chest and long legs, full and slender, didn't Ye Chen have any interest at all?

The door was closed.

Wei Ying was the only one left in the whole room.

Wei Ying did not know why, and remembered how Ye Chen felt when she was carrying her. Her face was covered with red clouds, and she slowly touched her slender finger towards the sensitive place.

She has never been in love, but she is a woman after all, and she needs to meet her physical needs.

If Ye Chen forcibly pushed her down just now, she wouldn't have any resistance.

Because at that time I was already in love...

Soon, Wei Ying bit her lips, and she was very charming, and there was a soft moan in the room.

Ye Chen naturally didn't know what happened next door. At this moment, he wanted to break through the realm in the room, but found that the sword that broke the sky was still hurting his Dantian.

Obviously, he can't break through until his body is fully recovered.

Otherwise, Dan Tian would definitely not be able to withstand this terrifying power.

The key is that there is no way for this kind of mediocre pill.

"Try if you can refine that bone-fixing recovery pill."

Ye Chen took out the Baicao Cauldron and began to refine alchemy.

The level of Ninggu Huishen Pill was not low. When Kunlun was empty, even if the old man personally guided him, he still failed to refine it.

This time, he condensed the real fire, and threw all the precious medicinal materials obtained by Yaowanggu! Almost instantly, a powerful energy condensed in the Baicao cauldron.

A few seconds later, a powerful force broke out directly in the Baicao cauldron!

"Boom!" With a sound like an explosion, Ye Chen's whole body turned black, quite embarrassed.

"Sure enough, it is very difficult for me to refine a pill of the level of Bone Consolidation Recovery Pill."

Even though he is talented, he has only been alchemy for five years.

Five years' time ~www.mtlnovel.com~ can have the current strength is already terrible.

"Does the dantian really can't be repaired?"

Ye Chen murmured.

At this moment, an old voice sounded.

"Why do you want to repair the pill, why is it so troublesome? A pill refining, in front of my magic talisman, can only be regarded as a side door!

Magic talisman can save people, but also can kill people invisible, and will not cause damage to your body, across the realm! "

Hearing this sudden sound, Ye Chen was startled, and immediately glanced around!

No one at all!

Suddenly, Ye Chen thought of something and took out the black stone!

The reincarnation cemetery has completely appeared in front of you!

Chapter 366: One arm!

The weird thing is that the two tombstones that can be triggered, one of them is completely shattered!

That great power came out!

The fourth power of the reincarnation cemetery, the spirit talisman alliance, the sea is peaceful!

The key is that he hasn't moved at all!

"The vast land, the future changes, in the chaos, dragons and snakes rise together, who is the real dragon, who is the ant? Or all beings of the world can become a dragon? Zongmen, immortals, aristocratic families, barbarians, demons, evildoers, wizards, Thousands of forces, in my eyes, what's the point! The magic talisman can cut everything!"

The old voice sounded again!

Ye Chen raised his head subconsciously and looked above the sky!

I saw an old man floating in the sky!

There was a streamer under his feet!

Above the streamer,

The old man was wearing a green brocade robe with a blue tiger-print gentleman's belt tied around his waist. He danced like a waterfall with white hair and windlessly. His clear eyes were not cold enough, and his body was slightly humped.

The clothes are fluttering, and the cold back figure seems to be in harmony with the world. It seems that he has sewn his heart, lung, body and mind into the boundless sky. Only the cold wind clings to the sky and flows into the deeper world.

Fluttering like a legacy of independence, becoming immortal!

"Fuck! You..."

Ye Chen at this moment is simply amazed!

Cang Haiping of the Spirit Talisman seemed to enjoy this moment, and said indifferently: "Are you trying to say that one Spirit Talisman is too powerful?"

Ye Chenbai glanced at Cang Haiping, and said excitedly: "Actually, I want to say, why did you come out! You can even come out ten hours late!"

Ye Chen didn't want to waste an opportunity in vain!

This kind of hole cards must be used on the blade!

Cang Hai glanced at Ye Chen calmly, stepped forward and came directly to Ye Chen.

"You foolish back, I really don't understand why the reincarnation cemetery chose you."

"Since you want to know something, I will tell you that if I don't make a move, it can exist for at least three days."

"You are now the Dantian problem, I can help you solve it! It can even make you stronger!"

Ye Chen calmed down. This was the best result for him.

"Senior, please do it!" Ye Chen arched his hands and said seriously.

Cang Haiping was quite satisfied with Ye Chen's attitude: "I have no apprentice in Cang Haiping in my life, so you are willing to become my apprentice and carry forward the way of magic!"

Ye Chen nodded: "The apprentice is willing."

"Okay." Cang Hai nodded, and with a wave of his arm, a piece of yellow paper was condensed in the air.

Afterwards, Cang Haiping's fingers curled around, countless infuriating energy surged, and several ancient words appeared on the yellow paper.

As soon as the text came out, the entire reincarnation cemetery shook.

"This talisman is called the Pill Condensation Talisman. It can not only strengthen the dantian, but also heal the dantian. Just treat it as a gift from your teacher."

The words fell, Cang Haiping actually shot a blood!

The essence and blood hit the magic talisman, and it burned.

The fire light is the light of seven colors, extremely bright.

"Condensation!"

Cang Haiping pointed out, a powerful air current surged in the reincarnation cemetery, and the seven-colored flames went directly toward Ye Chen's Dantian!

The flame is completely submerged! Ye Chen only felt that his whole body was extremely hot, and his blood seemed to be burning, boiling!

And the Dantian in his body was actually covered by a fire light!

The dantian was a bit huge in an instant, and countless true qi overflowed in all directions!

Under the flames, the originally cracked opening was healed bit by bit!

Amazing!

Ye Chen even felt that he was surrounded by a warm current.

Not only that, but the meaning of a sudden stop when he absorbed the Earth Soul Profound Stone yesterday, flooded him like a tide!

Breakthrough again!

Ye Chen felt the blood surging in his body, and the spiritual energy surging in his body.

The Nine Heavens Xuanyang must be turned to the extreme, and Ye Chen's body even heard a crackling sound.

Numerous spiritual energy in the reincarnation cemetery surged towards Ye Chen's body!

This feeling is so cool.

Cang Haiping looked at Ye Chen like this, without saying a word: "This kid is only at the fifth level of the Pneumatic Realm. Although this realm is very strong for the outside world, it is far from those guys. ."

"In that case, I wish you a helping hand!"

When the words fell, Cang Haiping pinched his fingers, and the purple light flickered, and an ancient charm was condensed in the palm of his hand!

The talisman not only shrank, but turned into a ball of light!

"go with!"

Following Cang Haiping's order, the ball of light directly penetrated into Ye Chen's forehead.

A dragon roar suddenly came from the entire reincarnation cemetery!

The blood dragon phantom above the sky has grown at the speed of naked eyes! A mysterious purple light was entwined all over!

Ye Chenqiang, the blood dragon is strong! One person and one dragon is one body!

Time passed by every second, and aura was surging.

Ye Chen looked painful, but sat like Hong Zhong, standing still!

boom.....

This situation lasted for an unknown period of time, and finally a terrifying wave of air exploded!

Ye Chen's body surged with the meaning of breakthrough after another!

All the suppressing power of the whole body is released!

Directly across to the seventh layer of the pneumatic realm!

...

at the same time.

An ancient martial arts stage in Beijing.

Jiang Jianfeng stood below, his breath surged.

On the stage, it is the person he wants to challenge today!

As long as he defeats this person, he will be able to make a big step in the ninth position of the Huaxia Grandmasters.

This has a very important influence on the Jiang family and even the entire China.

At this moment, a lean man appeared in front of him and said softly: "Mr. Jiang, you let me pay attention to that Ye Chen, he may have an accident today."

Jiang Jianfeng's eyes condensed, thinking of something, and then said: "Today should be the day when the ghost prison is opened. With the strength of that kid, he should not be able to get in. As for the accident, I don't think he is likely to die."

The lean man shook his head: "Mr. Jiang, things are not that simple. I heard that the headquarters of the Blood Plum Palace has already set up a world network at the Beijing Normal University, using dozens of top killers to prepare to kill Ye Chen!"

Jiang Jianfeng was a little surprised: "This Blood Plum Palace is too much for Ye Chen, right? So many killers are used? Is this really not going to give that kid a way out? Are you sure about this news?"

The lean man took out his tablet www.mtlnovel.com and logged in to a website, and vowed: "Now almost the entire underground world knows Ye Chen's name. This can't be wrong, even the official website of the Blood Plum Palace is also listed. The one who killed Ye Chen..."

The sound stopped suddenly.

Because at this moment, the official website of the Blood Plum Palace has completely changed!

The killer hire list, the hunting list, the reward system, the task release section, and the front page pictures of killing Ye Chen have all disappeared!

It was replaced by an announcement!

"From now on, the Blood Plum Palace will no longer accept any assassination missions. All previous missions will be cancelled, and all money and things will be returned to the employer."

"From then on, the Blood Plum Palace no longer exists, and all the killers are directly under the control of the dark hall, and the owner of the dark hall is honored!"

Chapter 367: Her blood!

Jiang Jianfeng noticed something was wrong and asked, "What's wrong?"

The lean man handed the tablet to Jiang Jianfeng.

"Mr. Jiang, look for yourself."

Jiang Jianfeng took the tablet, glanced at the content on the tablet, his eyes shrank slightly, his expression was as weird as it was weird.

What is the Blood Plum Palace playing?

After so many years, the boss is gone?

China's No. 1 Killer Organization no longer takes over the task of killing people?

This is like a tiger that does not eat meat but only eats grass!

how can that be!

He glanced at the website and made sure there were no login errors.

There was a wave in my heart.

"Mr. Jiang, where exactly is this Blood Plum Palace played? Also, what kind of power is the Dark Hall? I remember there is a Dark Hall in Jiangnan Province, which should have the same name. Looking at the entire China, which underground power is eligible to eat Under the blood plum palace?"

Jiang Jianfeng thought for a few seconds, then raised his head and said, "It seems that something has happened to the Blood Plum Palace! And this time the accident is extremely serious. Zhan Tao should be dead. Someone has control of the Blood Plum Palace! Otherwise, with Zhan Tao's character, it is absolutely impossible to do it. Such a ridiculous thing."

"However, I am curious, who is qualified to move the Plum Palace! The person who can kill Zhan Tao is extremely terrifying! Could it be Lin Juelong? Where is Lin Juelong recently?"

The lean man immediately denied: "Mr. Jiang, I have been staring at Lin Juelong. He hasn't left the Lin family and has been cultivating. It should not have been Lin Juelong's work."

"Not him?" Jiang Jianfeng's eyes were extremely serious.

Those old guys would definitely not deal with the Blood Plum Palace, and the top family would never touch the Blood Plum Palace in their own way.

Because once so, it is very likely that the Blood Plum Palace will be destroyed, and it will be fishy.

None of these people will do anything, so who will do it at this time?

At this moment, a figure appeared in Jiang Jianfeng's mind!

The figure is proud of the world, with a blood dragon phantom above his head.

Ye Chen?

But soon, he dismissed the idea.

Although Ye Chen was talented and had great potential, it was almost impossible to destroy the Blood Plum Palace now.

If in a few decades, when Ye Chen steps into the top of the Chinese martial arts world, this is still possible!

"Forget it, you can investigate this matter carefully. An accident in the Blood Plum Palace may not be a good thing."

"That kid is lucky. Since the Blood Plum Palace is so, it is impossible to trouble him. He may be the biggest beneficiary of this incident."

"From today, it is estimated that some forces in the capital will be completely shuffled. It is estimated that everyone is investigating who the Lord of the Dark Palace is. Interesting, really interesting."

"Remember, if you have any clues, come to me as soon as possible."

The lean man was startled, his face was a little weird, Ye Chen is the Jiang family's wicked species, and the master hates the existence, now Mr. Jiang has such an attitude, this is the face of the old man Shanjiang.

"Yes, Mr. Jiang."

Of course, the lean man is just a subordinate, so naturally he won't say much. All he can do is continue to investigate the Blood Plum Palace.

"Budotai, Kai! Jiang Jianfeng, please come on stage."

On the martial arts stage, an old voice sounded!

Jiang Jianfeng didn't think too much anymore, he took a step forward, and his whole body rolled vigorously!

Come directly to the stage.

The battle of the top master of China is about to start!

...

Beijing Normal University, ten o'clock in the morning.

Ye Chen woke up from the practice, with extremely strong aura.

The seventh layer of Pneumatic Realm is completely stable.

When the old man said that Huaxia was his opportunity, he didn't even think about it. Now it seems that the old man was right.

If he were in Kunlun Xu, it would be impossible for him to step into the seventh layer of the pneumatic realm so quickly!

Maybe it is still wandering in Kaiyuan Realm now.

At this moment, there was a knock on the door, and Ye Chen knew that it was Wei Ying without thinking about it.

The door opened. Wei Ying wore professional attire today. She was decent and decent, holding two textbooks in her hand, and she seemed to have just finished class.

"Ye Chen, I brought you breakfast in the morning, but I was afraid of making you sleep, so I hung breakfast on the door. I didn't expect you to wake up now. This breakfast is cold."

Wei Ying frowned.

Ye Chen glanced at the breakfast in Wei Ying's hand and smiled: "It's okay, there is a microwave in my room, so I can just warm it up."

Just when Ye Chen was about to take breakfast, Wei Ying took a step back.

"This soy milk must not be drunk. I just finished class in the morning. I will make you something to eat. You will wait for me."

After speaking, Wei Ying went to her house.

Ye Chen knew that this was Wei Ying's gratitude, after all, he helped her yesterday.

"This girl..."

Not long after, a fragrance came from Wei Ying's apartment.

"Ye Chen, you come soon, you can eat."

Wei Ying urged.

After practicing all night, Ye Chen was indeed a little hungry, and instantly swept the delicious food on the table.

Not to mention, Wei Ying's breakfast is rich and delicious, and it is a match for Sun Yi.

When Wei Ying saw Ye Chen finished his breakfast, her cheeks turned red. She took out two movie tickets from her pocket and twisted and said, "Ye Chen, there is a movie premiering at 12 o'clock this evening. It has a good reputation. I happen to have two tickets. , Would you like to show your face?"

This was the first time she invited a man to a movie, and her eyes were shy.

In fact, the meaning is already obvious.

Ye Chen glanced at the movie ticket in Wei Ying's hand, and naturally it was impossible to agree.

The Ghost Prison opens at 12 o'clock this evening, so he doesn't have the mind to watch any movies.

"Wei Ying, I have something tonight, let's talk about it next time."

Wei Ying's body was startled, her eyes were full of loss, who would have thought that she would be rejected one day.

She even wondered, is it because she is too proactive, and the other party is so?

"That's fine, next time."

Ye Chen returned to his room after eating breakfast, and a figure emerged, it was Cang Haiping.

"Disciple, that girl is **** and cold, and her blood is very precious. If you use the blood of her whole body to refine the charm, you can even achieve the effect of freezing thousands of miles."

Ye Chen heard that Cang Haiping actually hit Wei Ying's attention~www.mtlnovel.com~ coldly said:
"Don't hit her attention, I don't care about the ice-bound thousands of miles you said. You have more than two days left to teach My charm."

Cang Haiping let out a long sigh, and the **** cold body appeared on a woman's body. I don't know if this is a good thing or a bad thing.

Maybe it will disturb this world.

"Apprentice, cultivating together is cruel in itself. If someone else finds out that this woman is **** and cold, she will also rob her of her essence and blood for alchemy and amulet making. Instead of perfecting others, it is better to perfect you. "

Ye Chen's eyes were cold, and he said word by word: "Don't hit him and pay attention. I don't want to repeat it a third time. Although I am your apprentice, I am the tomb owner of the reincarnation cemetery. I have this qualification."

Cang Hai shook his head, pinched his fingers, and an ancient text came out: "Okay, today I will take you into a magic talisman!"

[Also...I'm writing, it will be early in the morning...Something has been delayed...]

Chapter 368: Mr. Ye, who is it?

With the fall of Cang Haiping's words, Ye Chen's whole body was wrapped in countless ancient runes.

Runes are full of strong power and have different attributes.

Jinmu, water, fire, land mine.

"Disciple, together with the magic talisman, it can be said to be very different from the martial arts, or it can be said that there is no difference. The magic talisman is just another way to use the martial arts.

"Under one talisman, everyone can be destroyed! It can kill people thousands of miles away! Different charms have different attributes! Different powers! Condensing charms with true energy and driving charms with essence and blood. Powerful charms can destroy a city in the blink of an eye ! Even the China Earth that you are stepping on can be wiped out!"

"What you have to do now is to condense your natal talisman. Once you condense your natal talisman, it means you are qualified to step into the talisman!"

As Cang Haiping's voice continued to sound, the countless ancient runes surrounding Ye Chen all penetrated into Ye Chen's mind.

Not only that, a Dao Fa Jue also appeared in Ye Chen's Sea of Consciousness.

This feeling is subtle to the extreme.

Ye Chen gradually sat cross-legged, allowing the ancient runes to bump into his body.

He felt it with his heart.

"The rune that enters your mind now has appeared in the long river of history. Your natal rune should be in it, let's see which one you can condense."

Cang Haiping put his hands behind him, waiting for Ye Chen's choice.

He didn't have much expectations for Ye Chen.

After all, the cultivation base is too low, how difficult it is to condense these thousands of runes.

Ten minutes passed.

Ye Chen didn't move at all.

One hour passed.

Still so.

Cang Haiping frowned slightly, and murmured: "You can't condense a natal talisman in an hour. Isn't the tomb owner in this reincarnation cemetery suitable for a talisman?"

He knew very well that the best hour had passed, and after that, even if Ye Chen condensed a magic talisman, it should be an extremely ordinary existence.

In his life, he was destined not to fit this path.

"No matter, this kid may be suitable for that guy's way of killing, and he is destined to miss the spirit talisman."

Cang Hai shook his head and was extremely disappointed with Ye Chen.

He took the initiative to rush out of the tombstone, just to help Ye Chen a little bit, now it seems that his help is useless to this guy.

At this moment, the abnormal change protruded, and the countless runes pouring into Ye Chen's body unexpectedly all rushed out!

The moment it rushed out, it was all shattered!

Terrible!

"This....."

At this moment, Cang Haiping was stunned, and Gu Jing Bubo's expression appeared a little bit of amazement.

With this kid's cultivation base, there is no right to reject these runes!

But what is going on with what you see and hear!

Suddenly, Cang Haiping thought of a possibility. Could it be that this child's natal talisman did not exist in the long river of history?

Or, in other words, his natal talisman is extremely special, so special that it is above all else?

"Boom!"

Thunder sounded outside the window, and the blood dragon in Ye Chen rushed out! Watching everything condescendingly.

Not only that, a golden and red rune sprang from Ye Chen's eyebrows.

As soon as the rune came out, the whole house shook!

It can be seen how terrifying this natal talisman is!

Cang Haiping's face was almost pale, and he took a deep breath!

Because even he can't spy on the mystery of that life rune!

What is the origin of this kid!

The moment the rune gushed out, even the natal magic talisman in his body shook, as if terrified.

He could hardly believe it!

He wanted to see everything on that fateful talisman, but found a force hindering him.

It's like a secret.

Mediocre? Or genius?

Cang Haiping affirmed that Ye Chen must be the latter!

He also finally understood why Ye Chen chose Ye Chen!

If this person is not one of the hundred of them, who has this qualification!

The natal magic talisman on Ye Chen's eyebrows only rushed out for a few seconds, and then dissipated again!

"puff!"

Ye Chen only felt the blood surge, and couldn't help but spit out a mouthful of blood.

Opening his eyes, all visions disappeared.

"Master, did I fail?"

Cang Hai shook his head, glanced at Ye Chen in a very complicated way, and uttered a word: "The enchantment of the true mother! Your natal talisman is complete, but it is a little weird. Now I will transmit something to your sea of consciousness to let you Feeling, because your cultivation level is limited, only part of it."

After speaking, Cang Haiping pointed to Ye Chen's forehead, and a stream of information poured into it.

...

Ye Chen spent almost a whole day in the house.

The understanding of magic talisman is getting deeper and deeper.

Unknowingly, the night is late.

At eight o'clock in the evening, it was only four hours before the ghost prison opened.

Xiang Chengdong also called.

"Mr. Ye, I have arrived at Yunhe Lake, north of Beijing Normal University."

Ye Chen was slightly surprised: "So early?"

"Although the person said it was 12 o'clock in the evening, I was afraid of a temporary change of mind, so I came early. Now there is a strong array of energy shaking at the bottom of the lake. The entrance to the ghost prison should be about to open."

Xiang Chengdong looked at Yunhe Lake and said seriously.

"In that case, I am also ready to come over, you are in the light, I am in the dark."

Ye Chen said.

"Yes, Ye"

The sound stopped abruptly.

Ye Chen seemed to hear the sound of current destruction.

He knew very well that something happened to Xiang Chengdong!

Ye Chen didn't hesitate anymore, stepped forward and jumped directly from the balcony!

Zhen Qi acted on his feet and steadily stepped on the ground.

After that, he hurried towards Yunhe Lake to the north of Beijing Normal University.

Ye Chen didn't notice at all. At the moment she landed, the eyes of a girl behind her were full of shock.

The girl is Wei Ying!

At this moment, Wei Ying was holding some snacks and bread in her hand. She wanted to send it to Ye Chen so that he wouldn't eat breakfast, but she didn't expect that Ye Chen would jump off the building directly in front of her!

There is nothing critical!

She knew that Ye Chen and his mother were the same kind of people, and they knew kung fu, but this kung fu was too weird.

With a hint of curiosity, Wei Ying quickly followed!

...

At the same time, the clouds and the lake.

Xiang Chengdong's phone has been completely scrapped.

A rather **** woman came out from the darkness~www.mtnovel.com~ The woman is wearing black stockings, a pair of high heels under her feet, and her hair is curled up high.

Dressing up like this in college must be a teacher!

But Xiang Chengdong knows very well that this person is the person in the ghost prison that has been hidden in the dark!

"Xiang Chengdong, who were you calling just now?"

"Mr. Ye, who is it?"

The woman came to Xiang Chengdong step by step. Although the aura was very strong, Xiang Chengdong was not afraid at all. He sneered and said: "Who I am calling and what does it have to do with you, please find out. It is your ghost prison begging me. Coming!"

The woman came to Xiang Chengdong's side, took off her black-rimmed glasses, and said lightly: "Everyone likes to pretend, I am like this, so are you, presumably the ghost prison formation was broken the other day has something to do with you. Right."

"Can I understand that, Mr. Ye in your mouth is the person behind everything in control?"

Chapter 369: Forgive me not to die?

When Xiang Chengdong heard the woman mention Mr. Ye again, he waved his arm and snorted coldly: "I'll say it again, I don't know who your Mr. Ye is!"

Looking at the rippling clouds and lake in front of her, the woman took a pack of ladies' cigarettes from her pocket, took out one, and lit it.

Smoky, quite a mood.

"It doesn't matter if you don't tell me, I have the patience to wait here, I guess Mr. Ye will be there soon."

"Do you know why I chose Yunhe Lake?"

The woman glanced at Xiang Chengdong, and the arrogance at the corner of her mouth was obvious when she saw that the other party was silent.

"Because this place is suitable for me to cast spells. After the formation is broken, I know that when the ghost prison is opened, someone will come to die. This place is full of nets and some troubles. I will erase it before the ghost prison opens."

Xiang Chengdong's expression changed slightly and did not speak.

He couldn't think of it, the other party actually kept a hand!

The key is what spells this woman can have!

The woman pinched out the cigarette in her hand, looked at Xiang Chengdong with interest, and continued: "I forgot to introduce myself. My name is Bai Yao, the daughter of Elder Bai in Ghost Prison."

Hearing these words, Xiang Chengdong could no longer calm down!

He has been to the Ghost Prison several times, and naturally heard the name of Elder Bai in the Ghost Prison!

I don't know how many strong people are frightened by this name in Ghost Prison!

Elder Bai, with magical powers, is often enough to crush everyone without any action!

There are many martial arts powerhouses who were originally at large, who were brought back to the ghost prison by Elder Bai himself!

And Bai Yao in front of her, judging from her self-confidence, her strength is definitely not weak!

"Xiang Chengdong, you seem to be nervous."

Bai Yao said calmly.

Xiang Chengdong will naturally not admit: "What am I nervous about? Although your ghost prison is mysterious, you are not qualified to move about my identity."

Bai Yao nodded: "You are right. I will naturally not move you. Although I know that you are not good for Ghost Prison, I will not move you either. I am really interested in the people behind you."

After speaking, Bai Yao clapped her hands and said to Yunhe Lake: "You come out."

At this moment, ripples appeared on the calm lake.

"Wow!" With a sound, more than a dozen figures appeared in the water.

A dozen people fell on the shore and knelt directly in front of Bai Yao: "See your lord!"

When Xiang Chengdong saw these more than a dozen people, his eyes shrank to the extreme. He knew very well that this Bai Yao had come prepared this time.

She made an appointment at Yunhe Lake not only to open the ghost prison, but also to kill Mr. Ye here!

Mr. Ye broke the formation of Ghost Prison, and he was bound to be furious. This Bai Yao was preparing for revenge.

"Xiang Chengdong, do you think these people plus me can stop Mr. Ye in your mouth?"

Bai Yao's tone was full of disdain and pride.

If it wasn't the day when the battle broke out, and she happened to be away from the Beijing Normal University, how could that person succeed?

Presumably that guy had already died under her spell.

Xiang Chengdong glanced at his scrapped cell phone and knew that he wanted to notify Ye Chen that it was no longer working. Then he thought of something and said to Bai Yao: "There are still four hours to open the ghost prison. I will go to the toilet first. ."

Just when Xiang Chengdong was about to take a step, Bai Yao pinched his fingers, and a rune fell directly at his feet!

In the next second, golden light flickered, and he found that his feet were actually imprisoned!

Not only that, but his martial arts strength was also blocked.

Seeing this scene, his face changed drastically. What kind of means is this!

"What are you doing? Don't even dare to restrict my freedom? I am the chairman of the Pharmaceutical League!"

Xiang Chengdong's cold roar sounded, filled with endless anger,

Bai Yao wrapped her arms around her chest: "Xiang Chengdong, since you have been here a few hours earlier, don't leave."

"Don't even think about struggling. You can't break this magical technique of mine. I have set up a large formation in advance. Without my technique for lifting the ban, no martial arts power can be used, but my people are not affected. "

When Xiang Chengdong heard this kind of words, he blushed and cursed: "Fucking despicable!"

Bai Yao's face didn't fluctuate at all, she turned around, her eyes fell on a dark place, and she had already discovered that a dark shadow was rushing there.

She knew very well that Mr. Ye, behind Xiang Chengdong, had finally come.

"Mr. Ye"

Xiang Chengdong wanted to speak out, but found that the weird technique had actually blocked everything.

Stormy seas are set off in his heart!

I heard that many elders in Ghost Prison have been to Kunlun Mountain. Is it possible that this technique came from there?

Otherwise, why is it so strong?

In the darkness, the rapid figure gradually slowed down.

Ye Chen's footsteps stopped even more, and he could clearly feel a wave on the ground.

This sense of volatility is familiar.

Cang Haiping taught him the way of magic!

It's just that it feels very weak, even the weakest magic talisman Cang Haiping taught him.

interesting.

Bai Yao naturally noticed Ye Chen, with a trace of interest in her eyes, walking towards Ye Chen step by step.

The sight is clear.

She thought that Mr. Ye in Xiang Chengdong's mouth was at least a middle-aged man, but she did not expect to be so young.

It is not an exaggeration to say that he is a student of Beijing Normal University.

What martial arts strength can you have at such a young age?

How did this kind of person break the formation of the ghost prison?

Could it be a student of the Beijing Normal University running at night?

"This place is not for you to come, get out!"

A golden light shot out from Bai Yao's hand, the light pierced the sky, carrying a billowing air wave towards Ye Chen!

Even if the other party was an ordinary student, she would kill if she killed it, she didn't care.

The lives of ordinary people are worthless in her eyes.

Ye Chen saw the golden light with a cold snort, and a wind blade condensed in his hand and pierced the air directly!

"Boom!"

With a loud noise, UU reading www.uukanshu. The two forces of com collided together, the air wave collided in all directions, and the two nearby pine trees were directly broken.

Bai Yao confirmed Ye Chen's identity, looked at him coldly, and questioned: "You broke the Nine Palaces and Bagua Formation in Ghost Prison? Are you the person behind Xiang Chengdong?"

Ye Chen narrowed his eyes, glanced at Xiang Chengdong, who was motionless not far away, and then fell on Bai Yao's body: "I'll give you a chance to open the Ghost Prison now, and I will spare you not to die!"

His tone was extremely cold, as if it were an order.

Bai Yao giggled as if he heard the funniest joke in the world.

"You forgive me for not dying? The Ghost Prison requires my blood, spells, and keys to be opened at the same time. If you have this ability, come and fetch it. It's really a lifeless thing."

In the next second, she waved her hand and said directly: "Do it, cut off this kid's hands and feet, and bring it to me! Remember to live, I have something to ask him."

"Yes, my lord."

Chapter 370: 1 cut

When the voice fell, a dozen figures rushed out, extremely fast, and a cold light appeared in their hands.

The cold light seemed to tear the air, making people palpitate to the extreme, and the sword marks were like a large net, airtight, and shrouded toward Ye Chen.

Ye Chen just stood like this, without even raising his hand.

He admits that these people are very strong in martial arts, and if it was the previous few days, he might still be a little scared, but now, this group of people is really not enough.

Bai Yao just put her hands on her chest, lit a lady's cigarette in her mouth, and looked at it leisurely.

At this moment, she was like a queen standing on the top of the mountain, watching her soldiers slaughter coldly.

With so many people, it would be really ridiculous if they couldn't get a boy with no hair.

She is actually very curious, what can this guy do to break the nine palace gossip array!

Is there any secret weapon hidden in your body?

far away.

Ye Chen watched the figures rushing forward, without the slightest fluctuation in his eyes.

Just at the moment when the big net of sword energy was about to fall on Ye Chen! Ye Chen moved!

He took a step, yelled, and punched directly!

Dantian's true energy surged above his fists, and the dull roar exploded.

Although this punch is simple!

But the power that broke out was extremely terrifying! With the power of a punch, red light bursts like a mountain and the ground is cracked!

The dozen or so ants in front of them had one punch!

The big net gathered by Jianfeng was directly torn apart by Ye Chen's punch!

Not only that, but the long swords in the hands of a dozen people were twisted directly!

It crackled and fell to the ground.

The few people in the lead felt something was wrong and wanted to retreat quickly, but it was too late.

"Boom!"

Ye Chen punched out again!

The offensive is like a tide, and the momentum is like a rainbow! Every fist shadow fell, and there was a loud roar.

The gusty wind howled, the air wave swept across the sky, full of fist shadows!

The bodies of those dozen people flew out!

Whenever hit by a fist shadow, either he vomits blood, or his body bursts! The body is torn apart!

For a while, a very strange scene appeared here!

A youth offensive is like a tide, and the dozen or so people who originally occupied the initiative can't hurt Ye Chen at all!

They even flew out one by one! People turn on their backs! The blood is getting stained!

This scene stunned Bai Yao and Xiang Chengdong in the distance.

How did this happen?

Can the fist of the flesh and blood smash the sword shadow?

And there are still more than a dozen sword shadows!

Xiang Chengdong knew that Ye Chen was very strong, but he had only seen Ye Chen's magic trick to cause Tianlei to break his ghost prison, but he had never seen Ye Chen make a move.

But the punch at this moment completely shocked him.

"hiss"

This is too **** perverted.

When has such a character appeared in the Chinese martial arts world!

Xiang Chengdong even asserted that with such strength, it is estimated that it will not be long before Ye Chen's name will resound in the Chinese martial arts world!

It is even possible to step into the top ten position of the Huaxia Grandmaster!

Become one of China's top powerhouses!

Xiang Chengdong was surprised, but Bai Yao was not surprised.

The lady's cigarette in her mouth also fell on the ground, her eyes widening from the shock.

But the shock quickly dissipated, replaced by a playful smile on the corner of her mouth.

"Fuck!"

Bai Yao applauded unexpectedly.

She looked at the corpse and blood on the ground indifferently, and said lightly: "I have to say that your martial arts strength is very strong, but the martial arts strength in this world is not absolute."

Ye Chen didn't want to talk nonsense with the other party, and said coldly: "I will give you one last chance. I will open the ghost prison immediately, otherwise, I will use your body to smash the door of the ghost prison."

Bai Yao put her hands in her pockets, and said lightly: "Oh? So confident, I'm standing here to see how you hurt me."

As the cold wind blows, Bai Yao's coat floats slightly, with a misty breath.

Ye Chen stepped out, his five fingers gathered his true energy, and he walked directly towards Bai Yao!

In the blink of an eye, he appeared in front of Bai Yao, and seeing that he was about to touch the opponent, all his five-finger qi disappeared!

Not only that, but his dantian's innocence did not respond at all.

Because the strength disappeared, the strong inertia made him stagger, then stabilized his figure and looked at Bai Yao coldly.

Ok?

What the **** is this?

At this moment, a voice rang in his ears: "Trainer, there is a very powerful spell in the area under your feet. Above the spell, you can't use the true energy. If you have a higher level of cultivation, you may be able to break it forcibly. It's difficult to open, but it's a little difficult now, but there is no way to break through the avenue. The surgery was forcibly torn apart."

Ye Chen suddenly said, "I understand."

Bai Yao frowned, who is this kid talking to?

Although weird, it is not important anymore.

She sneered, and said to Ye Chen in a high voice: "How did you break the Nine Palaces and Eight Diagrams? Is there a strong behind you?"

The first prerequisite for breaking the formation is to be able to find the formation!

The Jiugong Bagua Formation is extremely hidden in the Beijing Normal University, and even the strong who have been immersed in the formation for decades may not be able to find it!

She didn't think the kid in front of her could find anything in it.

Seeing that Ye Chen didn't intend to answer, her face was cold, her wrist shook, and a cold light shot out directly.

Extremely fast!

Because Ye Chen is only ten meters away from her, he almost pierced Ye Chen's arm in the blink of an eye!

Rumbling

The silver light past [~www.mtlnovel.com~](http://www.mtlnovel.com) is like a broken bamboo.

Once it falls, one must be broken!

Bai Yao just wanted to enjoy this feeling of torturing the weak.

"In the face of absolute strength, all struggles are useless! You are a self-righteous genius, in my eyes, you don't even have the qualifications to let me shoot!"

There was a sneer at the corner of Bai Yao's mouth, carrying silver light, unstoppable!

"is it?"

At this moment, a faint voice fell.

Ye Chen's body shook, and the sound of Longyin exploded from his body!

In the next second, a blood dragon appeared directly in the darkness.

The red light of the blood dragon seemed to make the earth shine brightly!
