Chapter 391: What struggling, break!

Ye Chen didn't expect that Dragon Veins would surprise the power of the reincarnation cemetery so much.

He glanced around and even found that the tombstones were shaking like crazy.

In the reincarnation cemetery, a strong suction force was generated, and it seemed that he wanted to absorb this dragon vein.

"Senior, you let me move this dragon vein back to the reincarnation cemetery?"

Ye Chen was surprised.

After all, the dragon veins in front of him are almost integrated with the ground, and he wants to move a dragon vein, his current strength is not enough.

Moreover, the dragon veins are extremely hot, like magma. If you get closer, your body will melt, how can you move?

"Yes, although this is a small dragon vein, it is of great benefit to the soul of a hundred of us. The energy of the dragon vein can calm the soul."

The voice from the reincarnation cemetery said faintly, like the sound of an ancient bell.

Since this dragon vein is of great benefit to the reincarnation cemetery, of course I will help them obtain it.

After all, if the cemetery is strong, you are strong!

"Senior, how should I migrate?"

Ye Chen said.

"You don't need to act, you just need to watch it by the side!"

The words fell, the black stone burst out with brilliant light, and the endless light wrapped the dragon vein!

The entire basement was swept by violent winds, and Ye Chen hurriedly ran his true energy to stabilize his figure!

Gradually, the dragon veins were pulled out by a force!

so amazing!

Ye Chen was a little dumbfounded.

It's just that the dragon veins seemed to have generated some kind of consciousness and resisted stubbornly.

"A little dragon vein dare to struggle! Break it!"

There was a sound of scolding, and in the next second, the black stone condensed a pair of giant hands of one hundred feet, the giant hands spread out with five fingers, and they buckled the long dragon vein with a strong aura!

The dragon veins originally wanted to burst into flames, but they didn't expect a powerful force to be released, and the dragon veins would be directly frozen!

The entire underground temperature has dropped to the extreme!

Ye Chen was completely shocked when he saw this scene! Frozen dragon veins, what means is this!

Is this the true means of the power of the reincarnation cemetery?

This is too scary.

To know how hot the dragon veins are, even a cultivator in the Immortal Ascension Realm cannot withstand it!

Ye Chen just watched as Long Mai was caught by a giant hand in the reincarnation cemetery!

The underground aura suddenly disappeared, but the reincarnation cemetery is full of aura!

This is a dragon vein!

"This time, the hundred of us are relying on your chance. You deserve to be the one chosen by the reincarnation cemetery. It will be very beneficial for you to practice in the reincarnation cemetery in the future."

The voice sounded again, with excitement and satisfaction in his tone.

"Senior, the deprivation of this dragon vein will affect the luck of the capital?" Ye Chen asked curiously.

The voice sneered and said: "Qiyun in the capital? You think too much. This dragon vein does not belong to the capital. It was brought here a thousand years ago. If I guess right, this place should be one thousand years ago. Chu Zongmen, the Zongmen is not weak, after the changes over the years, the Zongmen was destroyed, the Chinese territory changed, and finally became the current capital."

"The six dragon veins in the bottom of China, my current ability is not qualified to plunder."

"Stop talking nonsense with you, when you move the tombstone, you and I will naturally see you again."

When these words fell, everything went silent again.

The black stone also slowly landed on Ye Chen's palm. As long as Ye Chen felt it, the black stone could release a strong dragon vein energy.

The blood dragon in his body did not hesitate to get into the reincarnation cemetery.

It seems that this dragon vein is really good, and I don't know where it is.

Naturally, the more such babies, the better.

Ye Chen returned to the main hall and called in Lu Lingfeng, Ye Lingtian, and several powerhouses from Dark Hall and Blood Plum Hall, and held the first meeting.

The current dark palace is enough to become the number one underground power in the capital because of the merger of the two forces.

Lu Lingfeng and Ye Lingtian contributed to the integration so quickly.

Ye Chen stood on the stage and said loudly: "From today onwards, Ye Lingtian and Lu Lingfeng have become the two guardians of the dark hall, in charge of everything in the hall."

"Yes, the Lord!"

The two of them were overjoyed and knelt down together, their eyes full of loyalty and joy.

In their opinion, the Lord of the Palace arranged such an arrangement, completely affirming them.

Ye Chen even took out fifty pills and divided them down. No matter what, the strength of this group of people is very important to him.

Although his current strength is strong enough, it is not so easy to face Jiang Family and Lin Family by one person.

Sometimes, he needs to take advantage.

After doing these things, Ye Chen thought of something, took out a pattern from the reincarnation cemetery and spread it out on the table.

This pattern was drawn yesterday according to his memory, and it was the tattoo on the neck of the two old men behind the ghost prison.

A red door with ancient Sanskrit inscribed on it.

Extremely mysterious.

Like some kind of ancient sign.

Zeng Tianqi did not die, but was seriously injured.

The forces behind this red door must be a threat.

He destroyed the ghost prison and completely offended some people.

In any case, he must kill the threat in the cradle.

Otherwise, you can't defend yourself.

He had never seen this pattern in Kunlun Xu, presumably this force was either in the dark of Kunlun Xu, or it was a special connection between Kunlun Xu and Huaxia.

"Everyone can see the pattern above?"

Everyone looked at the pattern above curiously and shook their heads, their eyes filled with surprise.

"Hall Master, this should be a door, isn't it the red door of a courtyard in the capital?"

"This door is too weird. I have never seen it in my life. If you stare at the Sanskrit on the key door for a long time, it will make people uncomfortable..."

Everyone talked a lot, but there was no answer Ye Chen wanted.

Ye Chen added: "I have seen two people. Both of them have this pattern tattooed on their necks. To some extent, it should represent a force, similar to the blood plum on the eyebrows of the Blood Plum Palace."

Everyone suddenly ~www.mtlnovel.com~ but no one knew the source of this red door.

Just when Ye Chen was about to take back the pattern, an old man who had been silent in the most corner spoke: "Hall Master, the red door you mentioned, I seem to have seen it in a person."

Ye Chen shrank his eyes and said coldly, "Who!"

The old man explained: "A few years ago, I was assigned a mission to assassinate a person at the Budotai. I accidentally noticed the battle between Lin Juelong and a top power in the capital. During that battle, Lin Juelong officially entered the second place on the China Grandmaster list. The battle at the time shocked the Chinese martial arts world. I vaguely remember that Lin Juelong's clothes were torn apart. Although it was only a moment, he seemed to have such a tattoo on his chest."

"But I'm not sure, after all, the time is too long, maybe I remember it wrong, maybe."

Ye Chen's eyes flashed with killing intent, and he said lightly: "Regardless of whether I remember it wrong or not, Lin Juelong must die. Do you know where the Lin Family is in the capital?"

Chapter 392: What is your identity?

Lin Juelong's whereabouts, this is Ye Chen's biggest obstacle currently.

He can't even find the Lin family, how can he kill?

The old man shook his head: "There are five top martial arts families in the capital. These five families represent the top power and strength of China. The Lin family is one of them. Every family has formations to cover it. It is extremely difficult to find out. I heard that the Lin family is west of the Second Ring Road in Beijing, and Lin Juelong often appears in the vicinity of Hyde Park in Beijing."

This is undoubtedly the best news for Ye Chen. He no longer hesitated, and said: "Ye Lingtian, leave this to you. You send the dark temple powerhouse to monitor near Hyde Park for 24 hours. Once you find Lin Jue News of the dragon is reported to me immediately."

Check out this new online game!

"Yes, the Lord!"

Ye Chen clenched his fists, his eyes flashed with cold killing intent.

Lin Juelong, you are waiting for me!

...

Capital, Jiang's family.

Jiang Yanrong and Jiang Jianfeng passed through a formation and came outside.

Jiang Hirong looked at the Jiang family plaque, feeling full of emotions, nothing has changed, but her identity is no longer the Jiang family.

This place is her natal family anyway.

Jiang Jianfeng glanced at Jiang Xirong and sighed: "Peirong, let's go, I will help you when I get inside later, the old man has not been angry for so many years, but you are his daughter after all, you admit the mistake, He guessed it would ease a bit."

Jiang Huirong nodded, her fists were firmly pinched, and her eyes were firm.

She once vowed never to step here again, but for the sake of her husband and children, she still broke her oath.

No matter what the result is, she does not regret it!

The two went inside!

But soon the gatekeeper of the Jiang family blocked their way, and two long spears pointed directly at Jiang Xirong, and said coldly, "Wait for people, don't step in!"

Jiang Jianfeng was a little angry, and with a wave of his arm, the two of them shook back a few steps!

He yelled, "What do you mean, can't she and I step into Jiang's house? What are you two!"

The eyes of the two goalkeepers shrank, but their attitude still resolutely said: "Master, of course you can enter, but she can't."

"The old man gave us a death order, please don't be embarrassed by the young master."

Jiang Jianfeng coldly snorted: "What order to die, you guys get out of here, I am taking her to see the old man, if you dare to stand in front of you, I will see if you can withstand my power!"

The words fell, Jiang Jianfeng's murderous intent was released, which made people palpitate!

The two gatekeepers looked a little embarrassed, but still said: "Master, please don't embarrass us!"

Jiang Jianfeng grabbed Jiang Huirong and walked directly inside.

Almost instantly, the two long swords pierced Jiang Weirong with a hint of cold light!

The lord gave the order to die, Jiang Xirong could not step into Jiang's house for half a step, offenders, kill!

Jiang Jianfeng glanced at the two cold lights faintly, and stepped on, a very strong wave of air was generated, and it smashed at the two!

"Boom!" The two long swords shattered directly.

The two gatekeepers even fell behind and hit the wall.

Jiang Jianfeng didn't make a heavy move, after all, the two were also acting on orders.

After that, he took Jiang Xirong and went inside!

Before taking a few steps, an old woman in a robe appeared not far away, with her hands behind her back.

When Jiang Jianfeng saw the old woman, his eyes shrank slightly. He never expected that the old man would move this person out to stop them.

The old woman is one of Jiang Jianfeng's masters, and most of his martial arts and strength come from the opponent.

"Jianfeng, don't you know the family rules? What crime should you take to bring an outsider to Jiang's house!"

The old woman's voice was extremely cold and severe, even rippling away with a trace of real energy.

Jiang Jianfeng shook back a few steps without any major problems.

But Jiang Hirong was different. Even though her blood and talent were against the sky, she only practiced for one night.

This kind of powerful blow is naturally unbearable.

At this moment, her face was extremely pale.

Jiang Jianfeng noticed the situation and quickly stood in front of Jiang Hirong, which made Jiang Hirong feel better.

"Master, Pei Rong's blood is flowing from the Jiang family. How can she be considered an outsider? She also asked the master to let us over. It is really important for us to find the old man!"

Jiang Jianfeng arched his hands.

If it were replaced by someone else, he would kill, but the old woman in front of him, he really couldn't do it!

This is deceiving the master and destroying the ancestor!

The old woman did not compromise, and still said: "I don't want to repeat what I said a third time. The father's meaning is very clear. Jiang Hirong is not qualified to step into Jiang's house again. If she insists on this, then I can't blame me."

After the words fell, three more Jiang family powerhouses appeared, standing behind the old woman, and letting go.

Just as Jiang Jianfeng was about to say something, Jiang Xirong spoke: "Second brother, I will solve my business by myself."

"Peirong..." Jiang Jianfeng's eyes were filled with hesitation, and he glanced at a building in the distance.

He was sure that there must be an old man standing on the top of the building, witnessing all this coldly!

He really couldn't figure out why the old man must hold onto the things of the year!

Is the fact that blood is thicker than water still inferior to the future of the family?

At this moment, Jiang Hirong took a step and went away under the coercion of the old woman, saying every word: "Please give me a chance, senior, I want to see the old man."

At this moment, a bearded man behind the old woman stood up. He glanced at Jiang Hirong and sneered: "Jiang Hirong, where did your backbone go? Didn't you say that you would never return to Jiang's house? Why are you back now so stubbornly?"

Jiang Huirong glanced at the man, her eyes shrinking slightly.

She still remembers this man, Jiang Fenghua.

Back then, Jiang Fenghua was also considered to be a very talented person in the Jiang family.

But when her spiritual roots were detected, she suppressed this person's limelight. This person seemed to be a different person, constantly ingratiating herself, and even kneeling and licking behind her all day~www.mtlnovel.com~ flattering. Extreme.

I thought that this person was sincere and sincere for her, but I didn't expect that after she was expelled from Jiang's house, she would speak coldly!

It is even very likely that this person revealed what she and Ye Tian were together back then!

Not only that, this Jiang Fenghua personally went to Jiangcheng a few years ago, and that arrogant look made her feel sick!

Unexpectedly, after so many years, the two would meet again.

When Jiang Fenghua saw that Jiang Hirong didn't speak, he continued: "Jiang Hirong, you are an outsider to the Jiang family now! If you still want to live well, get out! You appear here, you have dirty Jiang's land! "

"Your identity is not even as good as a dog raised by me Jiang Fenghua."

The cold words made Jiang Hirong's face more embarrassed.

Chapter 393: Terrible anger!

Jiang Jianfeng took a step and pointed at Jiang Fenghua, "If you talk nonsense again, I will destroy you!"

Jiang Fenghua stopped talking, and he was still afraid of Jiang Jianfeng.

Jiang Huirong set his eyes on the old woman and said seriously: "I know the old man inside, and he must tell you, if I want to step into Jiang's house, what I need to do."

The old woman narrowed her eyes and nodded: "You want to step into Jiang's house, yes, as long as you can withstand the three moves, we will no longer stop you, the old man will be waiting for you inside."

Jiang Jianfeng was startled, and quickly said: "Master, your three tricks are not Pei Rong, I don't necessarily carry it! You are totally embarrassed!"

Jiang Jianfeng knew very well that although the old woman was not on the Huaxia Grand Master list, she was definitely above him in terms of strength.

With one move, Jiang Hirong may not be able to hold it!

This is looking for death!

The old woman shook her head: "Of course it's not me."

Afterwards, she glanced at Jiang Fenghua next to her and said, "Jiang Hirong, the old man has confessed that if you want to see him, you only need to endure the three tricks of Jiang Fenghua's five successful powers. You can fight back. Of course, I advise you. It's better to leave the Jiang family, it's good for you, or for the Jiang family."

Jiang Huirong glanced at Jiang Fenghua who was grinning gloomily, stepped out again, and said, "Enlighten me!"

Jiang Jianfeng quickly persuaded: "Peirong, what are you doing! Don't you know what Jiang Fenghua's trick is!"

But Jiang Hirong had decided.

Jiang Fenghua sneered and said: "Jiang Hirong, this is what you asked for! You have been walking in the same place, and I have already crossed the realm one by one. Between you and me is like the light of fireflies and the sun and the moon! I see how you bear it. One of my tricks."

In the next second, waves of air were rolled up on Jiang Fenghua's body, and the air waves covered him, making people palpitate.

At the same time, Jiang Fenghua stepped out in three steps, the ground vibrated slightly, and he slammed Jiang Yanrong with a punch!

With a whistling sound, this punch broke through the air, and there was even a trace of sparks swirling around, which was extremely shocking!

Jiang Jianfeng felt that something was not right. How could this be the Five Strengths? He just wanted to make a move. The old woman had already appeared in front of him with one hand on his shoulder.

"Jianfeng, don't blame the teacher, the old man is the **** of the Jiang family, and we have to follow his orders."

Jiang Jianfeng's body shook, unable to move.

"master....."

But at this moment Jiang Hirong no longer hesitated, and the only trace of real energy in his dantian was blasted out with a palm.

But the gap between this palm and Jiang Fenghua's punch is too big!

"Boom!"

When the two forces collided, Jiang Huirong fell straight out, like a kite with a broken wire, and a mouthful of blood was spit out from the corner of his mouth.

Jiang Jianfeng's expression changed, and the shackles on his body disappeared, and he quickly caught Jiang Herong, and even fed a pill to Jiang Herong.

He looked at Jiang Huirong's pale face, clenched his fists, and stared at Jiang Fenghua, threatening: "Jiang Fenghua, I will remember this! If you fall into my hands next time, I will definitely make you regret it for life. !"

Jiang Fenghua glanced at Jiang Yanrong, snorted coldly, and walked towards the most central building of Jiang's family with the others.

Jiang Xirong no longer has the strength to fight, and they don't need to waste time.

Even the old woman shook her head helplessly, turned and left.

I don't know how long it took before Jiang Hirong woke up.

"Second brother, where are they? I'm fine..." Jiang Huirong said with difficulty.

Jiang Jianfeng's expression was a bit annoyed: "You can be a fart! Keep these three pills, take one every day, and treat them well. Don't think about Jiang family, I will find a way with Ye Tianzheng."

"Fucking, Lao Tzu is a bit related, I don't believe it. Without the help of the Jiang family, I can't bring Ye Tianzheng back!"

"Second brother, I..."

"Don't talk nonsense, go back now!"

...

12:30 noon.

Beijing Normal University, classroom apartment 1002.

As soon as Ye Chen opened the security door, he smelled a scent of vegetables, and he was deeply moved by the familiar feeling.

Home is where there are parents.

But this teacher's apartment looks a bit smaller right now, his parents have already come out, and he doesn't need to live here anymore.

He has asked Lu Lingfeng to go to the capital to find the address of the villa, and it is estimated that he will move with his mother in the next few days.

When Ye Chen saw the steaming dishes on the table, his eyes turned red, and he even ate a dish.

At this moment, Jiang Xirong smiled and walked out: "You are so old, and you steal food like you were a kid? Go wash your hands and you can eat."

Although Jiang Sirong's face was pale and her internal organs were a little uncomfortable, she still pretended to be okay.

She didn't want her children to worry.

Ye Chen smiled: "Mom, stealing is actually very delicious, I'm just..."

The moment Ye Chen raised his head to look at Jiang Yanrong, the voice stopped abruptly.

He has good medical skills, and how could he not see Jiang Xirong's internal injury!

There was a trace of flame in his eyes for an instant, as if anger was about to rush out of his body!

"Mom, where did you go this morning? What's wrong with your injury!"

Ye Chen suppressed the anger in his heart forcibly, saying every word.

No one knows how angry he is at this moment!

Jiang Hirong's expression stiffened, and then she smiled: "What hurts, I don't understand what you said. Mom will serve you food. What you cook today is all your favorite dishes. I haven't cooked for so many years. Has the craft deteriorated."

After speaking, Jiang Huirong was ready to serve the meal.

Ye Chen grabbed his mother's hand and said softly: "Mom, I told you that I can heal, and I can't see the injuries on your body. You lied to others, but you can't lie to me."

Seeing that she couldn't cheat anymore, Jiang Hirong explained, "Didn't Mom practice cultivation? I accidentally got into trouble today. It's nothing serious. Let's eat."

Ye Chen clenched his fist, released it after a few seconds, and nodded: "Okay, eat."

Is it the injury of cultivation, can't he see it?

Ye Chen didn't want to question her mother, let alone embarrass her!

He silently endured, and honestly accompanied Jiang Huirong to dinner.

But he will investigate the cause of his mother's internal injuries! No matter who it is, he will make him pay a painful price!

After lunch, she and Jiang Hirong walked around the Beijing Normal University.

Then ~www.mtlnovel.com~ Jiang Huirong went back to her room to rest.

Ye Chen went to the balcony and dialed the phone of the dark hall and the dragon soul!

"Within five minutes, I need to know where my mother went this morning and who she saw!"

"Yes!"

Ye Chen leaned against the balcony and lit a cigarette.

There was a trace of bloodshot eyes, and a powerful breath spread out.

A blood dragon coiled around his body.

Grim and bloodthirsty.

Time passed. Just three minutes later, a phone call came.

"She met Jiang Jianfeng. As for where she went, she hasn't found out yet."

Chapter 394: Who can bear it!

Very quiet.

And this silence is more like the silence before the storm.

Ye Chen returned to the room, took out the Baicao Ding, and refined a bottle of spiritual liquid with the best medicinal materials.

For the mother's injury, the spiritual liquid is more useful than the pill.

After that, he knocked on Jiang Huirong's door with the spirit liquid.

Jiang Xirong opened the door in confusion. Just as he was about to say something, Ye Chen said: "Mom, you drink this bottle later, and your injury will heal immediately. Also, if I go out for a while, I may come back later. Don't wait for me to eat tonight."

"Chen'er, where are you going?"

Ye Chen smiled like a spring breeze: "Mom, someone owes me something, I'll get it back."

After speaking, he turned and left.

The moment he turned around, the gentle smile disappeared, it was a pair of cold eyes.

The **** of death like Jiuyou Hell descends on earth.

His appearance will inevitably cause violent storms.

Jiang Hirong frowned and couldn't figure out what her son was doing.

She closed the door and looked at the bottle of water in her hand.

Heal immediately after drinking?

This is too exaggerated.

She was also the eldest lady of the Jiang family, what baby hasn't seen?

If only there were such magical things in the world.

She shook her head, put Ye Chen's things on the head of the bed, and continued to practice.

However, because of the serious injury, she used the exercises, and the blood was not smooth, and she had to vomit blood several times, but she was abruptly held back.

I tried several times and failed.

Suddenly, she noticed the bottle of liquid on the bedside. No matter what, this was Ye Chen's mind. If it was wasted, she would be too sorry for Ye Chen.

"Just treat it as water."

Jiang Huirong took the bottle and unscrewed it.

In an instant, an aura was released! There is a trace of liquid medicine in the aura.

The smell made her feel relaxed and happy.

"this is....."

She couldn't believe it, her hands were shaking!

What is the bottle that Chener gave her?

medicine?

She didn't think much anymore, "Guru Guru" took two sips, and the spiritual liquid instantly penetrated into her body!

A burst of energy kept crashing in her body.

Her injured internal organs seemed to be blown by a breeze, completely restored to their original state.

"This....."

A turbulent sea was set off in Jiang Hirong's heart, her eyes fixed on the things in her hands.

Even if she doesn't understand it anymore, she knows this is the baby of the baby!

Her physical injury was completely repaired!

Not only that, she felt that her body was a bit younger!

Even his face is younger!

Everything seems to be back more than ten years ago!

too frightening!

The key is how could Chen'er have such a baby!

At this moment, Jiang Huirong really found that she underestimated Ye Chen.

"Where has Chen'er been in the past five years?"

...

The top floor of Beijing Tianyin Building.

Jiang Jianfeng sat on the edge of the top floor like this, drinking wine.

What happened today made him extremely angry!

After sending Jiang Hirong back, he couldn't bear the anger in his heart and found Jiang Fenghua!

As soon as he was about to do it, the old man appeared and gave a death order to prevent him from moving Jiang Fenghua.

He didn't dare not listen to the father's order!

Jiang Fenghua is equivalent to an extra gold medal for avoiding death!

"grass!"

Jiang Jianfeng directly smashed the wine bottle in his hand on the ground, breaking it apart and splashing the wine!

At this moment, a black shadow appeared, Jiang Jianfeng's eyes condensed, and a palm moved towards the black shadow. When he saw the person in front of him, he stopped in mid-air, his expression was extremely surprised: "Ye Chen? Why are you here? Here?"

At the moment, Ye Chen's expression is cold, without any nonsense: "Take me to Jiang's house."

In just five short words, Jiang Jianfeng felt a hint of coldness.

Even with a trace of coercion!

"This kid is actually so powerful!"

For a moment, Jiang Jianfeng even felt that if he and Ye Chen acted, they would not necessarily win!

How could there be such an idea!

"Take me to Jiang's house."

Ye Chen's indifferent voice sounded again!

Jiang Jianfeng thought of something, and said in amazement: "Your mother told you what happened today? Jiang Fenghua was awarded the gold medal for avoidance of death by the old man. If you do, you are definitely going to die."

Ye Chen was stunned, and the corner of his mouth was drawn immediately: "It seems that the brute who hurt my mother is named Jiang Fenghua."

His tone is very cold!

Cold to the bone!

Only then did Jiang Jianfeng realize that he had leaked his mouth, and he couldn't wait to make a big mouth!

"Ye Chen, you'd better accompany your mother more now, you are finally reunited."

Ye Chen overlooked the scenery of the entire capital from the top floor and said, "I want to give up my heart, yes, I want to see what the Jiang family is like. After all, the Jiang family is also the place where my mother grew up. For most people, that It's grandpa."

"I just want to take a look, this is necessary for my growth on the road of martial arts."

"There is a goal to be stronger, isn't it?"

When Jiang Jianfeng heard Ye Chen's words, he looked at Ye Chen's appearance again. It seemed that he was much more plain and lifeless.

Did this kid really figure it out?

He knew Ye Chen's temper. If he didn't take this kid to Jiang's house today, he would definitely not give up!

He thought for a few seconds, and sighed: "Well, this is the only thing I can help you right now. I hope you can converge a bit after seeing the Jiang family. Remember, you can only take a look, not mess around!"

"I know." Ye Chen smiled.

...

Ten minutes later.

Jiang Jianfeng took Ye Chen to a downtown area in Beijing.

There is an alley in the downtown area, which is very quiet.

Jiang Jianfeng pinched his fingers and pointed on the wall, revealing the formation.

The two crossed Jiang's formation and stepped directly into it.

"This is the Jiang family, you..."

Jiang Jianfeng looked at Ye Chen and explained that he hadn't finished speaking before his face suddenly changed!

Because at this moment, Ye Chen was surrounded by rolling evil spirits, and his eyes were red!

This is a precursor to an outbreak! Where is the peace just now!

"Ye Chen, don't mess around."

Before he finished speaking, Ye Chen stepped forward and turned into an afterimage. With five fingers, he took off the Jiang family's plaque directly!

"Boom!"

In the next second, the Jiang family's plaque was smashed by Ye Chen with a punch! Countless sawdust fly!

At this moment, Jiang Jianfeng was stunned! Sweat all over!

The two gatekeepers who reacted were also stunned!

They never thought that someone would kill the Jiang family, and even ruin the Jiang family's plaque!

This is the shame of the Jiang family!

Is this **** foul?

"court death!"

The two spears pierced directly at Ye Chen~www.mtlnovel.com~ The chill flickered, and the spear light covered it!

Just when he was about to touch Ye Chen, Ye Chen's fist suddenly smashed out!

The two spears shattered directly!

A powerful wave of air swept the two directly into the air! A mouthful of blood was spit out in the air.

"Jiang Fenghua, get out of here and die!"

A loud roar resounded throughout the Jiang family!

Carrying the monstrous anger in Ye Chen's heart!

At this moment, Ye Chen held the Dragon Slashing Sword in his hand, and burst out dragons, like a **** of war.

Chapter 395: Don't open your own husband!

Jiang Jianfeng's expression changed a lot when Ye Chen shouted so directly!

This is the Jiang family!

You ruined the Jiang family's plaque, and you are not leaving now. Isn't this looking for death?

The key is still calling for Jiang Fenghua's life at the door!

Jiang Fenghua was given the gold medal for avoidance of death by the old man!

Who dares to move the Jiang family!

Looking at the entire China, who dares to move!

Is Ye Chen crazy!

Also, the old man has always regarded Ye Chen as the Jiang family's evil kind!

Now that Nie Zhong is going to kill him, the old man is furious, Ye Chen is still alive!

Jiang Jianfeng didn't hesitate anymore, rushed up, his five fingers clasped Ye Chen's shoulder, and said solemnly: "Ye Chen, hurry up and I'll hold it for you here! You are in trouble! And it's a big disaster! disaster!"

Ye Chen Yuguang glanced at the hand on his shoulder, and said lightly: "This matter has nothing to do with you, or even with the Jiang family. I just want Jiang Fenghua's life."

Ye Chen's words revealed a strong feeling of anger.

"He hurts my mother, he is not qualified to live, this is my principle."

"If you want to destroy even my principles, then sorry Jiang Jianfeng, you are my enemy."

The words fell, a red light burst out of Ye Chen's body!

A blood dragon coiled around Ye Chen like this!

The ferocious eyes stared at Jiang Jianfeng!

As long as Jiang Jianfeng doesn't let go, it will rush down to swallow him!

"It's this blood dragon phantom again..."

Jiang Jianfeng loosened his five fingers subconsciously, and stepped back.

The blood dragon stared at him, making him feel threatened.

"Ye Chen, don't be impulsive. I will help Pei Rong get back the palm of Jiang Fenghua. Your strength is too far from the Jiang family's master. If the Jiang family's master comes out, it will be really troublesome!"

At this moment Jiang Jianfeng noticed something, his face changed drastically, and he hurriedly shouted:

"Ye Chen, hurry up! It's too late!"

Just after the words fell, a scolding sound sounded: "I want to go, there is no chance!"

In the next second, a dozen figures rushed out!

Old lady! Jiang Fenghua! Jiang Zhenru! And many masters of the Jiang family!

Although the old man did not come out, but Jiang Haishan, the housekeeper of the Jiang family, came out!

Seeing Jiang Haishan is equivalent to seeing the old man!

Visible the anger of the old man!

All eyes fell on the broken door plaque on the ground.

Each one took a breath!

Someone dared to destroy the Jiang family plaque!

Do you want to die?

After a few seconds, an invisible anger covered.

Jiang Haishan's eyes fell on Ye Chen's body, his eyes shrank slightly!

Of course he knew this was Ye Chen, Jiang Xirong's son!

That kind of evil that the Jiang family cannot tolerate!

That was born as a waste of Fangen!

"Do you know what you are doing? He ruined the Jiang family plaque and seriously injured the Jiang family strong man. The old man is very angry. This anger is not something you can bear."

Jiang Haishan's voice is threatening!

Even an invisible coercion blasted towards Ye Chen.

Ye Chen snorted coldly: "Where is Jiang Fenghua, I just came to demand his life, nothing more."

"If you want to stand in front of him, I will erase them all!"

"hiss!"

Hearing these words, everyone was completely frightened by Ye Chen's tone!

Not only want to kill Jiang Fenghua, but even anyone who blocks him?

This is too arrogant.

This is in the capital! At Jiang's house! Who gave him the courage!

At this moment, Jiang Jianfeng hurriedly stood up, stood in front of Ye Chen, and said with a smile: "The kid is not sensible, don't be surprised, I will take him away."

Just as Jiang Jianfeng wanted to pull Ye Chen, a cold sword stabbed him, blocking his way.

He glanced at the man who produced the sword, it was his master, the old woman!

"master....."

The old woman shook her head helplessly: "Jianfeng, Jiang Huirong broke into Jiang's house in the morning. She was already very kind as a teacher and let her go."

"In the afternoon, Jiang Hirong's son also broke into the Jiang family. Although I want to let him go, what he has done has made it impossible for him to be kind to his teacher. Anyway, he must give the Jiang family an explanation."

The old woman's tone was high, more like an order.

Jiang Jianfeng squinted his eyes and glanced at Ye Chen. A long sword also appeared in his hand. Jianfeng pointed to the old woman.

He has no choice.

Ye Chen is the only son of Jiang Xirong, not to mention that he is optimistic about Ye Chen, and he must not let him fall to the Jiang family!

He must protect Ye Chen today.

anyway!

Even afterwards, he personally asked the father to punish!

Family law, confinement, he recognized it!

But Ye Chen absolutely must not have an accident today!

The old woman and everyone were slightly startled. They didn't expect Jiang Jianfeng to shine his sword for an outsider!

Is he crazy!

"Jianfeng, do you know what you are doing?" the old woman said coldly.

Jiang Haishan also said: "Master, you are on the wrong team. Don't make mistakes again. Today you brought Jiang Hirong into Jiang's house. The old man is already very angry. If you continue to be obsessed, the old man will not be able to deal with it. You should know the old man's temper."

Jiang Jianfeng's eyes were extremely solemn, and he ignored everyone, but looked at Ye Chen: "Ye Chen, you go first, I will block it for you here."

"Where to go!"

Almost instantly, a dozen people formed a circle, surrounding Ye Chen!

The sword intent flickered, as long as Ye Chen dares to move, he will die!

Just as Jiang Jianfeng wanted to use his sword to make a way for Ye Chen, a slender hand held his sword.

Hold it tightly.

"Uncle, I don't need you to act. Ye Chen remembers your love. But today, it is the grudge between me and Jiang Fenghua."

Ye Chen's indifferent voice fell.

Jiang Jianfeng's behavior is worthy of his calling this uncle.

Presumably in the morning, Jiang Jianfeng also protected his mother like this.

He can tell who is right and who is wrong.

Jiang Jianfeng was startled when Ye Chen shouted out the two words, his eyes a little excited.

He looked at Ye Chen's hand holding the sword. Because of the force, the sword's edge cut the palm of his hand and blood was oozing out.

This represents Ye Chen's determination.

He hesitated for three seconds, and finally drew out the sword and retreated back.

"Well, if you can't hold it, I will shoot."

Jiang Jianfeng gave everything to Ye Chen.

He saw strong self-confidence from Ye Chen~www.mtlnovel.com~ He thought of the blood dragon above the sky, and he was willing to believe Ye Chen once.

At the gate of the Jiang family, only Ye Chen was left.

Desperate meaning, covered.

One man should be in charge of one man and one man is not open.

Ye Chen glanced at everyone, and a cold voice sounded: "Who is Jiang Fenghua?"

A strong Jiang family couldn't bear it anymore, and he smiled: "You a wicked kind of really take yourself seriously. If it weren't for your wicked kind and your wasteful dad, how could such a thing happen!"

Naughty?

Ye Chen smiled, his smile is not the slightest temperature!

In the next second, the place turned into an afterimage!

It's too fast! Soon everyone can't react!

Chapter 396: Who do you think you are!

The gap between the clutch state and the pneumatic state is like heaven and earth! And Canglong Phantom Body Jue will only show his power after the separation and reunion realm!

Everyone only felt a gust of wind swept through, and when they felt something was wrong, Ye Chen had already appeared in front of the Jiang family powerhouse who was talking!

The five fingers seemed to tear the air and clasp the man's neck!

"Dragons have inverse scales, you will die if you touch them, and you deserve to die."

The person's eyes widened, his whole body surged, and he just wanted to shoot, it was too late!

Ye Chen's anger broke out, and his neck was directly twisted! The blood was sprayed, and the ferociousness reached the extreme!

A corpse was just thrown in front of Jiang Haishan and the old woman.

provocative!

Naked provocation!

Who would have thought that Ye Chen would make such a move even when he was outnumbered, and would kill a person easily!

In the distance, Jiang Jianfeng's eyes widened, like a sculpture.

Is this still Ye Chen that I saw that day? The strength is so powerful!

Even if it is him, it is impossible to kill people easily under the eyes of so many powerful people?

This kid is growing too fast!

Jiang Jianfeng was really scared!

This kid is only over twenty!

Looking at the entire China, who dares to do this for a kid this age!

Jiang Haishan and the old woman's eyes shrank slightly, and they could see the weirdness of Ye Chen's body at a glance.

The key to this Shen Fa must have strength to rely on.

"Who is Jiang Fenghua? I will ask one last time. If you don't give me the answer, everyone will die."

Ye Chen's bloodthirsty voice sounded.

There was a red light in his eyes.

Although Jiang Haishan and the old woman made him feel a little threat, he was not afraid, and if he couldn't match it, he would use that mighty power.

For the mother, it's worth it.

What's more, after the Potian Sword Intent, after his full blow, the two might not be able to stop it!

At this moment, Jiang Fenghua stood up, the long sword in his hand released a very strong aura, and he coldly said: "I am Jiang Fenghua, what can you do with me! It seems that the two words of evil have touched you. Glass heart, isn't this true?"

"Your mother, a slut, has a great future. Marry a trash and go against the will of the old man and give birth to you! What if you step into the martial arts! Your family will only become the laughingstock of the martial arts world! Nothing can change. The fact that you are trash!

The blood on your body has defiled the Jiang family! "

The reason Jiang Fenghua dared to stand up and say this was entirely because Jiang Haishan and the old woman stood beside him.

The reason why Ye Chen succeeded just now was entirely because of surprise, and now the two of them feel free!

As long as Ye Chen does it, his head will fall to the ground!

What is he afraid of?

Moreover, he is sure that this kid is going to die!

Destroying the Jiang family plaque, killing the Jiang family, the sin is unforgivable! Jiang Jianfeng can't save him either!

Ye Chen's icy eyes fell on Jiang Fenghua's body, and his eyes were full of bloodthirsty and killing!

He is like a hungry wolf, violent to the extreme.

He walked towards Jiang Fenghua step by step: "Kneel down, which one is manually cut by my mother, I will give you the whole body!"

"Otherwise, you don't even have a whole body!"

Jiang Fenghua seemed to hear some of the funniest jokes, and raised his right hand arrogantly: "It's a pity that I would have used ten success strengths if I knew it, and maybe I would beat your mother with one punch."

Ye Chen stopped talking nonsense, and took a step forward, with a terrible rage, turned into a Lixian arrow toward Jiang Fenghua!

The terrifying air wave was exploded in an instant.

A dozen powerful Jiang family directly stood in front of Jiang Fenghua, "Boy, looking for death!"

The atmosphere in the court was utterly solemn.

As the voice fell, the air seemed to freeze.

Ye Chen looked at these dozen people, his eyes were cold, and Burning Heaven palm directly sacrificed!

A flame of virtual palm suddenly formed!

Suddenly, the wind was surging, and there was a roar in the air, like a mysterious thunder exploding.

Scrolling like a wave of substance, this palm swept away mercilessly!

Ye Chen was full of flames!

Entering the Separation and Reunion Realm, coupled with the martial skills left by this ancient power, is enough to crush!

At this moment, Ye Chen's body was covered by a flame, and his powerful aura made almost everyone feel palpitation!

The air wave rolled, everything was as real, and with Ye Chenyi's palm, the world suddenly froze.

At this moment, Ye Chen seemed to become the core of the entire world.

Faced with such a terrifying palm, those Jiang family experts were stunned!

What is strength? This is strength!

The power contained in this palm is shocking.

How do they resist being so overbearing?

Even the right to hide is gone.

"Boom!"

A dozen people turned their backs in an instant, and some even vomited blood on the spot!

The powerful air wave broke their ribs, hands and feet!

Even flames burst out inexplicably!

Seeing this scene, Jiang Fenghua was also frightened, how could this evil kind have such terrifying power!

This sudden blow was like a heavy hammer, splitting his heart to pieces.

He even took a few steps back subconsciously! Hiding tightly behind Jiang Haishan and the old woman!

"Quick, kill this evil species!"

Jiang Haishan and the old woman looked at each other, and their eyes fell on Ye Chen's body: "Boy, don't be obsessed, stop."

"roll!"

Ye Chen rushed out to take Jiang Fenghua's vitals!

Seeing this, Jiang Haishan and the old woman couldn't sit still anymore and quickly shot!

Two palms mixed with waves of air suddenly blasted out!

Not only that, there are even two extremely strong coercive forces that are pressing towards Ye Chen like a giant mountain!

Ye Chen sneered, his body strength was concentrated on one point, his fists suddenly blasted out, and in a blink of an eye, he was blasted above the pressure!

The pressure is gone!

It felt like a muffled thunder exploded.

At the same time, these two punches didn't stop, and Zhen Qi shot out cold light in the fist, directly colliding with those two palms!

Fists clashed, and suddenly, the whole earth trembled violently.

A substantial wave of air burst out toward the surroundings.

Ye Chen took a few steps back!

But the next second, the body rushed out again!

He doesn't plan to love war, killing Jiang Fenghua is the key! He is inferior to these two Jiang family top powerhouses in strength, but in speed, crushes!

The phantom body of the blue dragon stepped out, like lightning, moving like thunder.

That weird body technique makes people dazzling, guard against accidents, and that extreme speed makes people dizzying.

Breaking through the shadows of Jiang Haishan and the old woman's palm, Ye Chen came to Jiang Fenghua's side in a blink of an eye.

The expressions of the two changed, they wanted to stop Ye Chen, it was too late!

Zi Zi Zi...

Ye Chen had already appeared in front of Jiang Fenghua, his figure suddenly stopped, the soles of his shoes rubbed against the ground, making a sharp and piercing sound.

The momentum is like Mount Tai, falling from the top.

At this moment, Ye Chen's momentum still climbed to the top.

In the shocking eyes of the audience, Ye Chen grabbed Jiang Fenghua's wrist with his five fingers, and a powerful burst of power burst out!

Long Yin bursts, Jiang Fenghua's arm was directly shattered!

Turn into a blood mist!

"I want your hand, Ye Chen!"

Jiang Fenghua watched as his arm shattered. He wanted to resist, but was shocked to find that there seemed to be a blood dragon entwining him! He is not even qualified to move!

The whole Jiang family was wearing his heart-piercing scream!

His hand just broke!

No right hand! How does he practice!

But soon, a cold voice sounded again: "What is it called, this is just the beginning!"

"Crack!"

Jiang Fenghua's other arm was also pinched by Ye Chen! Blood mist bursts!

Ye Chen at this moment is a demon in his eyes!

"What are you..."

Just what Jiang Fenghua wanted to say, Ye Chen punched again! The punch hit his abdomen!

Almost penetrated! Flesh and blood!

Jiang Fenghua flew out ~www.mtlnovel.com~ But in midair, a black shadow fell, and Ye Chen's five fingers clasped his neck!

Death spread!

Jiang Haishan and the old woman's complexion changed. Just as they wanted to make a move, an old figure walked out of them!

Everyone was stunned, because Father Jiang was here!

The Jiang family's heaven is here!

Elder Jiang stopped, his eyes fixed on Ye Chen, and said angrily: "Stop it for me!"

Ye Chen paused, his icy eyes glanced at Old Man Jiang, sneered, and his power burst!

Jiang Fenghua's head was directly taken off by him!

Afterwards, a faint word fell: "What are you, what qualifications do you have to prevent me from killing him!"

Chapter 400: Big lie!

Lin Juelong seemed to have evaporated, and never appeared again.

Ye Chen was a little annoyed, and then called Lei Shuwei of Dragon Soul. He only said: "Lei Shuwei, Lin Juelong has taken my father away. I must know his whereabouts at all costs!"

Lei Shuwei on the other end of the phone was startled. It was the first time he heard Ye Chen's serious tone, and he immediately said: "Mr. Ye, the location of the Lin family in China is a secret. I really don't know. However, I know one person must know."

"Who?" Ye Chen said excitedly.

"The one. The top power of Huaxia seems to have nothing to do with the Huaxia martial arts world, but there are some things that need to be filed in Huaxia, and the Lin family can't escape. The authority of One can view all the information of Huaxia. If you want to know, Only to see him in Zhongnanhai."

Raid: Shadow Legends! Play Now!

Ye Chen narrowed his eyes slightly when he heard the words of No.1.

The same three words Lin Juelong told him last time.

The other party not only knows everything about Yunhu Villa well, but also knows everything about the Chinese martial arts world and various families.

It is estimated that if you want to know the location of the Lin family, you can only find that one.

"Lei Shuwei, can you contact that one for me? I want to see him." Ye Chen made up his mind.

He thought that the person would not be so easy to see, but he didn't expect Lei Shuwei to say directly: "Mr. Ye, just right, that person will also see you recently. At ten o'clock tomorrow morning, a car will come to Beijing Normal University to pick you up. You See if you have time?"

"There have been many meetings recently. If Mr. Ye has no time, it may be delayed for a few weeks."

Ye Chen thought for a few seconds, then promised: "Okay, just tomorrow."

The phone hung up.

Ye Chen didn't have too many surprises for the person who wanted to see him. The Ghost Prison was broken. With the addition of the Beijing Normal University, there was too much movement, and someone would definitely touch him.

It's just that he didn't expect to contact that one.

Jiang Xirong saw Ye Chen hung up the phone, she guessed something vaguely, and curiously said: "Is there any whereabouts?"

Ye Chen nodded: "Mom, don't worry, if Lin Juelong dares to touch my dad, I will definitely make him regret it for life!"

Jiang Xirong looked out the window, lost in thought, and said, "I hope that the Lin family did not target your father. I really can't figure it out. Your father is just an ordinary person. What does the Lin family need to know? You should arrest me. Why is it your father? "

Hearing these words, Ye Chen immediately thought of the black stone in his pocket.

The reincarnation cemetery, one hundred mighty, this is enough for everyone to watch.

And this thing was given to him by his father.

But based on what he had mastered along the way, Lin Juelong didn't know the existence of this stone, it was more like looking for something else.

Is there a problem with Jiangcheng Ye Family?

Ye Chen thought of something and asked his mother: "Mom, do we have genealogy or something in our family? Why have I never seen my grandfather, grandma or other immediate family members?"

Jiang Xirong shook his head: "Your grandparents passed away earlier. As far as I know, they are ordinary people who had a little money a few decades ago. As for the rest, I don't know very well."

"Then do you think there is something weird about the Ye Family in Jiangcheng? Or something mysterious? Also, does the Ye Family have such things as genealogy?"

Jiang Huirong didn't know the reason why Ye Chen asked, but she still thought about it for a few minutes. Suddenly, she thought of something and said to Ye Chen, "There are really a few special places.

First, although the Ye family has roots in Jiangcheng, in fact, They weren't from Jiangcheng at all. Second, your grandparents died together, as if they were agreed upon, even without warning. Third, their funerals and rituals were a bit special, and a group of strangers came that day. , Fancy dress, said that it was to be buried in the place of birth in accordance with the Ye family's past dynasties. They said a few words to your dad, and finally your dad asked them to take away the ashes."

Ye Chen frowned when he heard his mother's words.

He has a faint feeling, Jiang Cheng Ye Family, deceived everyone!

even lied to the whole China!

The mother's spiritual roots and blood are against the sky. If the father is really the blood and spiritual roots of ordinary people, then his blood and talents will definitely be affected.

But judging from the voices of the powerful people in the reincarnation cemetery, although his cultivation is low, it is not a root at all, but a more heaven-defying existence! Even surpassed the mother!

But why didn't my father have any cultivation skills? Is the father always hiding?

is not right!

The love between father and mother is obstructed by the Jiang family. If father really loves mother, he will never hide his strength!

It can be seen that my father really does not know everything!

Ye Chen's head grew bigger and bigger. He scratched his hair. Seeing Ye Chen's behavior, Jiang Yanrong said: "Chen'er, don't think about it. You accompany me to buy some food. Let's make some food at noon. Mom hasn't tasted it yet. Your craft."

Although she was also worried about Ye Tianzheng, she firmly believed that her husband would be fine.

Ye Chen put aside the irritability in his heart, nodded: "Okay."

.....

At the same time, the place of formation, the Lin Family, a quaint house.

Ye Tianzheng is trapped here.

It's just that the Lin Family didn't use any bracelets and ankles to bind them, and even the door was open.

From the Lin family's perspective, they didn't even bother Ye Tianzheng running away.

Ye Tianzheng naturally tried to escape ~www.mtlnovel.com~ but he just took a few steps, a strong pressure and force of formation hindered him.

The more he runs, the heavier the injury!

even vomited blood several times in a coma!

Finally, he gave up!

He pinned all his hopes on Ye Chen.

Since Ye Chen can rescue him from the ghost prison, he will naturally find this place too!

is just a matter of time!

After a short while, the concealed door was pushed open, and Lin Juelong appeared in the house.

There was a strong breath on his body. Once he got close to Ye Tianzheng, Ye Tianzheng felt short of breath, which was very uncomfortable.

Lin Juelong came to the window, and when he stretched his arm, a gray bird outside the window fell into his palm.

He didn't look at Ye Tianzheng, but said lightly: "Do you think you look like this bird? Without freedom, I was firmly trapped in the palm of my hand by the Lin family?"

Ye Tianzheng snorted coldly, without speaking.

Lin Juelong continued: "My Lin family can dominate the lives of most people in China. You Ye Tianzheng is no exception, Jiang Xirong is no exception, and even the old man of the Jiang family, the same is true, as long as we want."

"In my opinion, you are not even as good as this bird. If you don't deserve it, it may end like this."

In the next second, Lin Juelong squeezed his arm, and the struggling bird became a blood mist.

Lin Juelong stretched out his blood-stained hand, looked at it, and immediately sneered: "Ye Tianzheng, I will ask one last time, did your father explain anything to you before he died? Or give you something! If not Say, your fate is the same! My patience is limited!"
