

URBAN MEDICAL GOD

Chapter 4: Stop piercing the genius!

.....

At this moment, the whole world seems to be quiet.

Everyone did not expect that at this time, there would be people who would stand up for Sun Yi, and they would not die!

What is Chen Feng?

He Chen Feng is the young master of the Chen family!

Although the Chen family is not strong in the business world, in politics, there are two senior officials in the Chen family in Jiangcheng!

More importantly, there is a big man standing behind the Chen family!
is said to be an ancient warrior!

This is also the reason why Chen Feng is unscrupulous!

Everyone stared at Ye Chen who was talking, and some people even thought of the scene of this young man dying on the street.

Qian Yong, who had cheated on Chen Feng before, stood up angrily and pointed at Ye Chen and cursed: "You knowless thing, do you know who you are talking to? I think the clothes on your body add up to a hundred. If you can't, you are a country boy who dare to offend Chen Shao. Believe it or not, I have a **** phone call to make you unable to hang on in Jiangcheng!"

Another person echoed: "This kind of **** and his nonsense, drag it out!"

Just when there was a mess here, Chen Feng smiled, almost crazy.

"Haha, boy, you are very good! You are the first to talk to me like this in so many years, want to play a hero to save the United States, do you think you are qualified?"

Chen Feng approached Ye Chen step by step, with a hint of murder in his eyes.

Although this is a legal society and cannot kill people, in Jiangcheng, his Chen family is very lawful!

Sun Yi's face was pale, she didn't expect things to develop like this! He even involved Ye Cheng who had just met!

If I knew Chen Feng would be here, I wouldn't come to kill her!

Right now, she was beginning to worry about Ye Chen's situation, after all, these people are not good at stubborn, maybe they will really kill people.

She couldn't take care of the others anymore. She directly grabbed the wine glass in Chen Feng's hand and apologized: "Chen Shao, I'm sorry, I'm really sorry, my friend has never seen the world and didn't deliberately contradict you. I will drink this wine. From now on you want me to be like this, but can you please let me go."

Her voice trembled, even with a hint of prayer.

Chen Feng noticed that the guests in the entire banquet hall were looking here, and his eyes became ferocious in an instant: "Sucky bitch, what qualifications do you have to negotiate terms with me? I won't kill you at night, this stinky—"

"Snapped--"

The words were not finished yet, a clear slap resounded throughout the hall!

Chen Feng fell directly to the ground, a trace of blood leaking from the corner of his mouth!

He was slapped in the face!

At this moment, everyone present was stunned!

Looking at Ye Chen one by one, it was like hell.

This boy not only dared to scold Master Chen, but even slapped him! Is it really fatal?

"Shut up, didn't your mother teach you to respect women?"

Ye Chen finally spoke, and even more easily took the wine glass from Sun Yi's hand and poured it directly on Chen Feng!

"Since you like drinking so much, I will give you this glass of wine!"

Chen Feng, who was still a little stunned, was completely awake. He pointed to Ye Chen and said angrily: "You shit, does your special mother know who I am! You dare to fan Laozi! Even special mother pouring me wine, today I want to You die! No one can keep you!"

After finishing speaking, he looked at the two bodyguards not far away, and roared: "What are you **** guys doing? Kill him for me! Something happened, I'm holding him!"

The two bodyguards reacted, drew out a telescopic stick, and walked directly towards Ye Chen!

The two immediately surrounded Ye Chen, and they smashed it down without hesitation! Extremely fast!

If this stick hits someone, it will definitely lose its combat effectiveness!

These two bodyguards knew very well that Chen Feng was injured and it was their negligence. If even this kid can't take it down, they are really in trouble.

Just when the stick was about to fall on Ye Chen, Ye Chen moved!

He changed his fist into a palm, and slapped a bodyguard directly with a palm. At the same time, his body turned quickly, and he slapped another bodyguard.

"bump!"

The two flew out almost at the same time, and they smashed on the round table aside!

"bump!"

The glass of the round table shattered instantly! Make a loud noise!

Spike!

A complete spike!

In the horrified eyes of everyone, Ye Chen took a step forward, came to Chen Feng, and slowly squatted down.

Watching Ye Chen's face keep zooming in, Chen Feng's whole body is like a falling ice cellar. He realized that the guy in front of him was not a human at all, but a devil!

The devil who dares to challenge the authority of the Chen family in Jiangcheng!

He even saw the killing intent in the opponent's eyes!

As if the other party would really kill him if he wanted to! And killing him in front of so many people!

"I spill your wine, can you serve it?" Ye Chen said.

"Serve, take, take, I take!" Chen Feng said with a trembling voice.

Ye Chen slapped out with a backhand, then shouted:

"I slap you, can you take it?"

"I take it! I really know I was wrong, brother...you...how can you let me go..."

Chen Feng is really going to cry! What kind of monster is this special mother!

Ye Chen nodded with satisfaction, and directly picked up the phone next to him, stood up, and then threw the phone on Chen Feng's body.

"Call Chen Zhengguo, and let him kneel in front of me, I will consider letting you go."

After speaking, Ye Chen turned around, holding his hands behind him!

didn't notice anything, when he turned around, what kind of killing intent appeared in his eyes!

Because of the gathering at Yunhu Villa, Chen Zhengguo, the head of the Chen family, happened to be there!

He even clearly remembered how this man abused his father after his father died!

.....

what!

Everyone present suspected that they had heard it wrong!

This guy actually asked Chen Feng to call Chen Zhengguo!

Who is Chen Zhengguo? He is the Patriarch of Jiangcheng Chen Family!

In the whole Jiangcheng, who would dare to call Chen Zhengguo by the name!

Not to mention making Chen Zhengguo kneel!

At first, everyone just thought this young man was crazy! But I didn't expect this young man to be madly boundless!

Chen Feng was also stunned. He was thinking of looking for a chance to let his father take action afterwards, but he never expected that this guy actually asked him to call his father directly!

What is the difference between this and death?

moron?

"That... you... are you sure?" Chen Feng tentatively asked.

Ye Chen didn't answer, but sat back in his place calmly, picked up the chopsticks and started to pick up the dishes.

Finally, Chen Feng got up and made the phone call in the corner.

No one knows what Chen Feng said on the phone, only that Chen Feng's whole person has changed after the call, and his eyes are extremely sinister and ferocious.

Sun Yi naturally noticed this. She looked at Ye Chen, who was calm and calm beside her, with more regret and regret in her heart.

She shouldn't have brought this kid!

This guy is just crazy! You have to pierce the sky of Jiangcheng to let it go!
