Chapter 441: Take a look! (Saturday/Tenth)

"Arrogant and ignorant! Death is imminent, and still trying to do it!"

Seeing Ye Chen actually closed his eyes at this moment, Lin Juelong's expression became sullen.

This rubbish, are you underestimating yourself now?

court death!

"Kneel down!"

Lin Juelong no longer waited, and with a roar, he rushed towards Ye Chen!

He must make Ye Chen regret his arrogant ignorance today!

Pedal...

With the force of his legs and the sound of thunderous footsteps, Lin Juelong turned into a tiger going down the mountain!

Not only that, but behind him is the appearance of a blood tiger!

The roar of tigers resounded, making people palpitations to the extreme!

Generally, the strong who practice powerful techniques or possess evil spirits will form a shadow of their own.

Check out this new online game!

The old man at Broken Soul Gate is a giant snake, and Lin Juelong is obviously a blood tiger.

This phantom can strengthen the strength and deter others.

But all phantoms in front of Ye Chen's blood dragon are ants!

The fist wind howls, like a tiger roaring to kill!

Lin Juelong's single fist caused such a big movement, it was powerful!

Lin Juelong at this moment is full of violent aura!

As if no one is invincible!

Under that terrifying aura, the entire martial arts platform faintly shook.

He carried the energy of destruction and swept towards Ye Chen.

"hiss....."

Seeing Lin Juelong suddenly make a move, the momentum is like a rainbow under one move, the people watching the martial arts stage can't help but take a breath.

"This Lin Juelong actually condenses into a blood tiger posture, this is too scary!"

"In the whole world, no one would dare to challenge except for the top Chinese master!"

"Then Ye Chen didn't move, it looks like he's looking for death!"

"Look, Ye Chen was scared silly! Haha... Doesn't he know what to do?"

"Although he is arrogant, he has no arrogant capital! Alas!"

When Lin Juelong shot, people's eyes widened.

Especially seeing that Ye Chen had no response under this trick, everyone couldn't help laughing.

At the moment of life and death, at a loss?

Does it really end with one move?

Some people have even begun to imagine in their minds, under this punch, Ye Chen's flesh and blood splashed.

The hearts of Jiang Hirong and the other girls were hanging.

This punch was not Lin Juelong's strongest blow, but it was definitely not something ordinary people could resist.

Everyone was silent under Lin Juelong's horror, but only an old man of the blood alliance frowned.

He actually felt a threat from Ye Chen.

It was as if something was about to rush out of the body, but it was suppressed by Ye Chen.

"This kid...what the **** is coming from?"

On the martial arts stage, Ye Chen felt the gust of wind coming, suddenly opened his eyes, and a cold light came out of them!

Looking at the phantom of the fierce tiger above his head, Lin Juelong pounced, Ye Chen's pupils suddenly shrank.

If he hadn't stepped into the separation zone, he might not be able to bear this punch at all!

But right now, as he stepped into the separation and reunion realm, and the blood dragon was swimming around his body, his aura continued to rise!

In the next second, he finally moved!

"To break you, Burning Palm is enough!"

At this moment, although the blood dragon did not gush out, it gave Ye Chen a tremendous increase in strength and momentum!

The breath of death is coming!

A cold current swept around.

As Ye Chen's words fell, a flame empty palm suddenly formed!

Suddenly, the wind was surging, and there was a roar in the air, like a mysterious thunder exploding.

The strong aura of the original martial arts platform was directly broken by Ye Chen!

Scrolling like a wave of substance, burning the palm of the sky, sweeping away mercilessly!

Ye Chen's body was shrouded in a layer of red light like a raging fire.

At this moment, he came to the world like a **** of fire!

"Wow!" With a sound, Burning Heaven's Palm broke out, and he directly fisted Lin Juelong!

Seeing this scene, not only was Lin Juelong lost for a while, but everyone in the audience who hadn't seen Ye Chen's action was stunned!

The vision of this palm is not weaker than Lin Juelong?

This is the real strength of that kid?

The blood tiger and the flame empty palm immediately collided together!

A strong shock came from the Budotai!

Roar.....

The blood tiger roared, swallowing thousands of miles!

Even though the momentum is strong, the endless flame is still swallowing towards the blood tiger!

Although Ye Chen's realm was a bit lower than Lin Juelong's!

But the martial arts he mastered were not weak at all!

Lin Juelong's blood tiger was ruthlessly torn on the spot!

"how is this possible!"

Between Ye Chen's shot, the terrifying aura that flared out made Lin Juelong, who had already killed Ye Chen, his eyes widened!

What a powerful momentum!

Is this the power of that kid?

With this blow, he used six levels of strength, not only couldn't kill this little beast! Was it broken?

One side is swallowing thousands of miles! On one side is a prairie fire!

The gap between the two is obvious!

With this move, he actually fell into trouble!

"This is your confidence to challenge me?"

Feeling the gap between himself and Ye Chen, Lin Juelong roared!

Lin Juelong frantically urged his own blow, wanting to completely destroy Ye Chen!

But Ye Chen's palm broke out!

Endless power struck him!

"boom....."

Penetrating the flames, Ye Chen and Lin Juelong's fists collided, shaking the mountain suddenly!

Lines even appeared on the Budotai!

boom.....

The whole ring shook severely afterwards, and it seemed that it might collapse at any time! In the gusty wind, the dust is all over the sky!

"how come....."

The eyes are full of shock! At the moment of the confrontation, Lin Juelong's expression froze!

Lin Juelong, who had a grinning face before, quickly distorted and became extremely frightened!

His body took three steps~www.mtlnovel.com~ but Ye Chen didn't even take one step.

The elder of the blood alliance in the audience shook his head helplessly: "Everyone said that Juelong should not underestimate the enemy, he just wouldn't listen. With this blow, he was defeated. If Juelong does not face it, it is absolutely dangerous!"

When Father Lin heard this, his eyes were a little surprised.

At this moment, the whole martial arts stage was silent! There was no breathing sound.

Everyone's eyes widened, like sculptures, stupefied on the spot!

With one move, Lin Juelong was defeated!

If you don't move, it's just like a god!

Ye Chen's domineering display shocked the audience at this moment!

Although it was just a move, there was no victory or defeat, but it was enough to show that Ye Chen was powerful!

The He family was extremely angry.

"Dad, how can this kid's strength reach this level? Even when Lin Juelong was young, it was impossible. Could it be that Jiang Jia Fangen's inspection of the evil species went wrong..." He Guowang trembled.

He Shenghai squinted his eyes, staring at Ye Chen like this, staring firmly: "I don't know if it is Fangen, but this son will not die today. In less than ten years, maybe the Ye Family in Beijing may really become the top family of China. !"

"Jiang's family has missed it, it really hasn't done it."

Chapter 442: Do you think you will eat me (July/Ten)

Elder Jiang naturally paid attention to Ye Chen.

Although Ye Chen won by a few points with one move, his expression was not the slightest surprise.

Fen Tianzhang, he had seen Ye Chen make a move, it was a good martial skill.

Even looking at the entire Huaxia, there is no comparable existence.

He knew very well that, let alone Lin Juelong's weakness, any ancient Chinese warrior or cultivator would be afraid.

But in the battle of Budotai, a single palm is far from enough.

Next, Lin Juelong will definitely get serious, and Ye Chen will still be dead.

On the martial arts stage.

Lin Juelong's eyes disappeared in horror, and replaced by a hideous smile: "Ye Chen, it seems that I really underestimated you. That adult is right. The secret in you is the real value."

"I'm very curious where in the past five years have you been, and where did your strength and martial skills come from?"

"Kunlun Mountain? Or Kunlun Xu? Secret Realm? Someone went to Kunlun Xu to investigate your name, but none of the martial arts sects have your name. To be honest, you are really curious about you."

Ye Chen heard Kunlun Xu's eyes shrink a little, he never expected that the Lin Family and the blood alliance would even go to Kunlun Xu to find their own news.

Looking back now, he would like to thank those sects who did not accept him.

Let his existence be invisible!

Seeing Ye Chen didn't answer, Lin Juelong snorted coldly: "Since you don't tell me, then I can only kill you and dig out the secrets from your mouth!"

"Your life is over, I won't give you a chance!"

Lin Juelong's eyes are full of murder!

If he had known Ye Chen had such strength, Lin Juelong would definitely not give Ye Chen a chance!

Hearing Lin Juelong's words, Ye Chen's eyes burst into cold murderous intent: "I'm afraid, you have no chance."

"Huh, die!"

Lin Juelong shook his five fingers, and a long sword appeared in the palm of his hand!

As soon as the long sword was out, Lin Juelong's momentum rose even more!

The master of his blood alliance taught him most sword skills!

In the past five years, Lin Juelong didn't care what chance Ye Chen had.

In the face of absolute strength, everything is a bubble!

He wants to completely crush Ye Chen!

Let him feel endless fear!

"Die to me!"

Amidst the roar, Lin Juelong's feet were blowing, and he rushed towards Ye Chen.

The sword intent is vertical and horizontal, extremely strong.

Ye Chen was naturally not afraid, holding the Dragon Slashing Sword in his hand, bloodthirsty slash attacked and left.

Accompanied by Ye Chen's roar! Bloodthirsty Slash carried an incomparably bright light, like a comet across the sky, colliding with Lin Juelong's blow.

In the crisp voice, the cold light flickered.

The air wave exploded, and the momentum was like a rainbow!

Lin Juelong's body strength was poured into the spirit sword in his hand, and the speed was getting faster and faster!

But no matter what, Ye Chen can't be hurt!

Ye Chen, who is in Canglong's phantom body, is like a ghost and can't be found!

Action is like wind, body like clouds!

Avoiding the extremely vicious sword intent, Ye Chen's momentum is like Mount Tai!

Ye Chen's first sword of Po Tian Sword Intent was displayed! It's just that he has collected a lot of power, otherwise his dantian's true energy will inevitably disappear!

"Break it!!"

Immediately afterwards, in Lin Juelong's incredible eyes, Ye Chen's flesh and blood swelled, bursting out unprecedented power!

Sword shadows, all shot out!

Lin Juelong's sword flew out!

"Ding!"

Inserted in the corner of the martial arts platform!

Although Lin Juelong's sword skills are strong, Ye Chen is even stronger!

Under the martial arts stage, unconsciously, everyone stood up, their palms sweating!

The key point is that not only did Ye Chen not be beheaded by Lin Juelong, but Lin Juelong was forced to retreat step by step!

What the **** is going on!

The sword shadow in the sky gradually disappeared, and the two people on the martial arts stage were a little embarrassed.

The clothes on his body were torn by sword shadows, breaking to the extreme.

Lin Juelong's face was a little pale, and stormy waves were set off in his heart.

He can't care about anything!

Five fingers grabbed the corner, and the spirit sword appeared in his palm again, his eyes flashed with determination!

"Blood Rain Sword Skill, third style! Rain falls for nine days!"

With a sword coming out, the martial arts stage began to be filled with rich murderous intent.

Despair, killing, pain.

Breed in everyone's heart.

The sword in his hand was full of spiritual energy and began to bloom with brilliant brilliance.

Jianguang aspect.

A general trend of heaven and earth appeared in Ye Chen's body.

Ye Chen was instantly surrounded by countless sword lights.

As long as Lin Juelong thought, Ye Chen would definitely die!

The majestic aura directly swept the entire martial arts platform, making everyone's expressions change drastically.

At this moment, everyone felt that he was the **** of the sword.

Punish God.

"Sword force?"

"Is this Lin Juelong actually condensing a sword power?"

"Isn't this something only in the legend?"

Voices from the martial arts stage exclaimed!

Seeing this scene, the people under the martial arts stage were not calm!

The old man of the He family stared out, and his mouth murmured: "This Lin Juelong is so strong, no wonder... It seems that after this battle, the Lin family wants to get rid of their so-called top-notch. Family now.

It turned out that it was not his full strength just now! "

Elder Jiang beside Jiang Jianfeng also stood up directly, and there was a trace of fear on Gu Jing Bubo's face.

He knows better than anyone, this sword, it is estimated that only his kid who has stepped into Kunlun and has no news can resist.

Before he knew it, Lin Juelong was already the first person well-deserved.

Huaxia's innocence is about to change.

Ye Chen also felt something was wrong, and cut out a few swords, but found that his sword intent was ruthlessly blocked!

Rumbling...

After a loud noise ~www.mtnovel.com~ Ye Chen took a few steps back, his face a little pale.

On the other side, when the aura was exhausted, a gloomy laughter came from Lin Juelong's mouth. At this time, there was a smile on his face.

"Boy, even the sword force is resisted by me, what else do you have?"

Ye Chen glanced at the powerful sword power and sighed slightly.

He didn't want to use the sword of Po Tian Sword Intent. After all, Lin Juelong was not the only one threatening here, but it seemed that it was impossible not to use it.

Although his martial skills are strong, there is still a gap between Lin Juelong and Lin Juelong.

Lin Juelong's strength is at least above the sixth level of the Lihe Realm!

Although he can condense his sword power, he still has a little gap with Lin Juelong. If his realm is the same as Lin Juelong, he will definitely be able to crush.

"Little beast, I could kill your whole family five years ago, but today I can still kill you at the Budotai!"

Lin Juelong roared, and the devastating sword force surged towards Ye Chen! The whole stadium is shaking!

Everyone is horrified!

"Do you think you will eat me?" Ye Chen sneered and asked suddenly.

Chapter 443: Forced.

After the words fell, the Dragon Slashing Sword in Ye Chen's hand trembled slightly, and the Dragon Yin in his body seemed to break out.

His whole body gave birth to a feeling of endless heaven and humanity as humble as ants.

Under the martial arts stage, everyone was silent under Lin Juelong's overwhelming sword intent, and they were amazed!

But no one paid attention to Ye Chen.

Because Ye Chen was just a lingering ant in their eyes.

"This Ye Chen can actually be regarded as a genius. It's a pity. He has only cultivated for five years. Then Lin Juelong has cultivated for decades and has countless resources of genius..."

"When encountering a genius who can condense sword power, Ye Chen seems too small."

"It is estimated that Bai Lixiong is the only one who can block this sword."

"Huh, why did he make him so arrogant? Dare to underestimate Lin Juelong! He is dead, definitely more than dead!"

There were discussions among the martial arts audience.

Jiang Huirong wanted to rush up, but found an invisible pressure blocking her.

Her palms are all sweaty. She and her son have only been together for a few days. She really doesn't want Ye Chen to have an accident!

Xia Ruoxue and Sun Yi were pale, biting their lips tightly, and they didn't even feel the blood.

Bai Lixiong felt something was wrong and wanted to rush up to do it, but found that a thin hand was holding his shoulder.

"As a general, you can't even interfere with the martial arts platform."

A flash of anger flashed through Bai Lixiong's eyes, and his clenched fists still let go.

"understand."

"Also, there are mysterious forces slaughtering Chinese on the northern border. You don't need to watch the Budotai anymore. The result is obvious. Take the Jagged Camp to suppress it. This is what the chief meant."

Bai Lixiong's eyes shrank. He felt something was wrong. How could he be sent to suppress the northern forces at this time?

But the papers in the hands of the skinny old man are his seal!

The key is this skinny old man is one of the guardians of China!

How could you lie to him.

"Hurry up, if you are one second late, you may die a hundred Chinese citizens!"

Bai Lixiong glanced at Ye Chen on the martial arts stage, gritted his teeth, and walked outside.

Bai Lixiong had no idea that after he left, the skinny guardian of China had a cruel smile on his mouth.

Cold and bloodthirsty.

On the martial arts stage!

Lin Juelong slashed with the powerful sword intent of Yuluo Nine Sky, crazy to the extreme!

And what is Ye Chen doing?

He didn't do anything, letting his sword intent chop off!

Let death be swallowed!

"Give up? Haha, little beast, finally feel the fear! After you die, I will send your father and mother on the road together, so that you are not alone under the yellow spring!"

Boom boom boom boom!

Violent energy fluctuations erupted.

Where Ye Chen stood, the real energy was boiling, the air trembled, and the martial arts platform split into two directly!

It can be seen the power of this sword.

Not only that, but also powerful sword marks on both sides of the Budo Station, like an earthquake!

The entire stadium swayed violently.

Some people with weak breath spit out blood on the spot!

After a while, the energy fluctuations dissipated.

The place where Ye Chen stood before was full of billowing smoke.

A vast expanse of whiteness.

No one can see what happened inside.

"Ye Chen is dead?"

"You are not nonsense. With Lin Juelong's sword intent, it is strange that he is not dead, but unfortunately he doesn't even have a complete body."

"No, this battle is over? Is he so weak?"

"It's not that he is weak, but Lin Juelong is too strong! After today, Lin Juelong is the well-deserved first person in China!"

Just when everyone was discussing.

A little light suddenly bloomed.

Then, Jinmang flourished.

The sound of a dragon chant resounded throughout the stadium!

The blazing light shines in everyone's eyes.

Make everyone temporarily blind.

Suddenly, the line of sight was restored, and everyone's expressions seemed to freeze!

Because there is a blood dragon above the stadium! The blood dragon roared and looked down at the ants! The endless coercion was released, making their heart palpitations to the extreme!

This is not the most terrible!

The scary thing is that there is a young man standing under the blood dragon!

The young man's black clothes were like ink, with a cold face.

His eyes narrowed slightly, killing intent boiling inside.

And his body was covered with a faint blood glow! Terrifying!

The color of this blood glow is exactly the same as that of the blood dragon on the sky!

Looking far away, it looks like the scorching sun.

A huge and majestic breath radiated from him.

Everyone had an urge to kneel and kowtow to him.

Subconsciously, he felt that he was the **** who descended into the world.

Has supreme authority.

Ye Chen is not dead!

Not only is he not dead, he seems to be floating in the world at this moment, holding a cold sword in his hand!

What is he going to do?

Just as the crowd was astonished and terrified, the blood dragon above the sky suddenly changed, swooped down, and fell directly on the Dragon Slashing Sword!

Ye Chen's momentum rose, and the blood dragon, his body, and even his sword merged into one!

Ye Chen looked at Lin Juelong condescendingly, his slightly squinted eyes suddenly widened, and the blood burst out!

The icy sound of scolding fell like a rolling thunder!

"Lin Juelong, kneel down and die!"

This icy voice mixed with Long Xiao, shocking everyone in the entire stadium!

It even hit Lin Juelong's heart and soul!

The sudden blow was like a heavy hammer, splitting Lin Juelong's heart to pieces.

There was a trace of fear in his heart!

At this critical moment, the sword in Ye Chen's hand is like the sword of the true god, shaking everything!

His sword shook violently, uneasy and painful!

Not only his sword, but the weapons of everyone present were shaking violently!

Those with low grades will break into pieces directly!

The meaning of kendo!

Shocking!

Just when everyone couldn't react, Ye Chen's sword moved!

"Heavenly Sword Intent, the second style! Fallen stars!"

When the words fell, thunder thundered on the ground, and the world was pale!

The wind was surging and the dust was all over the sky.

Ye Chen let go, and the powerful true energy surged through his body~www.mtlnovel.com~ The dragon swords in his hand were crisscrossed, messy and complicated, like spider webs, scattered everywhere, slowly facing outwards diffusion.

The Dragon Slashing Sword soared into the sky, like a god-killing, swung away the killing intent that swirled around the sword, and broke out!

Before the sword's edge arrived, the cold air came first, and the murderous aura was full. At this moment, the Dragon Slashing Sword seemed to be stretched infinitely, bringing out countless phantoms, covering the sky and the earth, as if to destroy the entire land, with a momentum like a rainbow.

The sword intent fell like a star!

There is nowhere to hide!

Lin Juelong wanted to stop but found that he was not qualified, his sword power was all shattered!

Vulnerable!

Not only that, but Lin Juelong vomited a mouthful of blood!

The coercion of this falling star actually hurt him seriously!

He can't take care of everything, tearing open his clothes, forcing a drop of blood.

The blood is directly on the blood gate tattoo on the chest!

This is the life-saving martial arts of the blood alliance, burning cultivation base, just for self-protection!

Lin Juelong thought it would be impossible to perform this trick in his life, but he did not expect that he would have to resort to it in front of the destructible kid five years ago!

how is this possible!

Chapter 444: stand out!

Lin Juelong's heart trembled, he just wanted to live at the moment, he felt fear under Ye Chen's sword!

Endless fear!

"Boom!"

An ancient red door phantom suddenly appeared on the ground, and the red door stood in front of Lin Juelong!

The explosion of ancient Sanskrit!

tried to resist Ye Chen!

"Boom!"

The sword intent of the fallen stars all blasted above the blood gate!

The blood gate couldn't stop it, it shattered on the spot!

Lin Juelong's face was pale, he kept vomiting blood, and his body was smashed into the martial arts stage!

"Boom!"

A loud noise, billowing smoke and dust!

A deep hole appeared on the ground!

Lin Juelong's roots are all broken! Spit out blood!

There is no other way but to survive!

At this moment, he was completely defeated!

静!

The whole world fell into silence!

Everyone in the Budo stage seems petrified!

Lin Juelong and Ye Chen fought, who would have thought that the ending would be contrary to what was expected!

Didn't Ye Chen lose? But Lin Juelong!

He was defeated!

The Huaxia Grandmaster ranked second, and even the first existence was lost to a Maotou boy who appeared for half a year!

He Guowang wanted to say something, but he swallowed it abruptly!

He was horrified when he looked at the cold and proud figure.

At this moment, this figure did nothing but it made him feel terrified!

defeated Lin Juelong with a sword, the key blow made him give birth to insignificance!

The capital city is going to change, no, Huaxia is going to change!

He Shenghai next to He Guowang was holding a cup in his hand, but the cup fell on the ground and shattered under his shock.

The seat at Jiang's house.

Jiang Jianfeng stared at Ye Chen fiercely, and even rubbed his eyes to look at Lin Juelong, the weakest extreme under the martial arts stage.

Who would have thought that Ye Chen, who was extremely small in his own eyes, had grown to this point!

He vaguely remembered the brave words of a kid in that park!

I remember the kid taking away Jiang Xirong's strength at the door of Jiang's house!

The past is surging, and the blood in his body seems to be boiling.

His fist was tightly held, no one knew what Jiang Jianfeng was thinking.

"Dad, Ye Chen is only in his twenties. My eldest brother wasn't so against the sky at that time. In the future, the Jiang family may really look up to Ye Chen."

"Dad, you made a wrong move with this move. You think Ye Chen is a kind of evil, at most an irresistible soldier in the chess game, but now he is a general, and it can even be said that he is an emperor that no one can question. "

"In this battle, Ye Chen can be regarded as winning the Huaxia Grandmaster ranking. Although Huaxia still hides countless masters, he has already aspired to the top, you must admit."

Old man Jiang didn't say a word, his face was blue.

Muddy eyes fell on the martial arts stage.

That evil kind of surpassed his cognition unexpectedly.

The sword that he used just now, even he may not be able to stop it.

This has surpassed a sword at the gate of Jiang's house.

"Did I really make the wrong move with this move? If the roots of the roots were brought into the Jiang family, maybe after today, the Jiang family will be the first family in China, right?"

Old man Jiang said in his heart.

He even felt that one of his cheeks was twitched, and it was extremely painful.

Ye Chen hit this invisible slap.

The one that he always thought of fighting.

I want to say that the most exciting thing in the audience is Jiang Huirong.

At this moment, she was in tears, her body was trembling, the eyes of others were fear and horror, and her eyes were distressed!

She knows that Chen'er is Fangen, and she knows that Chen'er has not practiced in more than ten years.

The change of Chen'er comes from the past few years.

What kind of pain did Chen'er have to endure in the past few years to become like this?

Those thin shoulders bear almost a hundred times the pressure of ordinary people!

It may even crush Chen'er countless times.

Xia Ruoxue, Sun Yi, and even Zhu Ya, did not feel complacent because of Ye Chen's strength, their eyes were only distressed just like Jiang Xirong.

Everyone saw the bright and powerful scene of Ye Chen on the martial arts stage, but no one saw Ye Chen's dedication and patience behind him.

At this moment, Ye Chen is a bit uncomfortable as a being that has attracted much attention. He feels that his dantian's vitality has almost disappeared.

This is a sequela caused by the powerful Sword Intent.

Ye Chen swallowed the pill, but his true energy recovered too slowly.

He looked at Lin Juelong who was dying, with a hint of killing intent in his eyes.

Even though his body was aching, he jumped down, his body was a little unstable, but he still clenched his teeth.

He walked towards Lin Juelong step by step.

Lin Juelong's eyes were full of blood, and there was a trace of fear.

Lin Juelong moved his body to retreat back, but found that it was possible.

The more he moved, the more blood he vomited from his mouth.

"You can't kill me..."

Lin Juelong's biting voice said, what spell he wanted to use, but found it impossible!

He is the Bow of the Crossbow at this moment!

"Five years ago, for the harm you caused to my family, I want you to repay it ten times!"

Ye Chen stepped on Lin Juelong's lower abdomen, and abruptly stepped on a wound!

Then Ye Chen's eyes fell on Lin Juelong's feet: "Yunhu Villa, you broke one of my father's legs, today I broke your two legs!"

"Don't!"

Lin Juelong was completely trembling with fright!

But it is useless at all!

Ye Chen stepped on it! Crazy and bloodthirsty kick!

"Kakkaka!"

Right foot broke directly!

But when this hand started, Ye Chen stepped on Lin Juelong again!

"Kakkaka!"

Lin Juelong broke another foot!

There is only Lin Juelong's painful scream in the entire stadium!

After doing all this, Ye Chen held the Dragon Slashing Sword in his hand, and without any hesitation, he swept down!

must be killed!

can't drag!

Seeing Jian Feng was about to pierce Lin Juelong's neck!

The gymnasium has gone dark! Two figures rushed in quickly!

The two strong men of the blood alliance can't sit still!

"Boy~www.mtlnovel.com~ You are not qualified to kill my blood!"

The words fell, the Dragon Slashing Sword in Ye Chen's hand was knocked into the air by a powerful force!

The Dragon Slashing Sword stuck on the wall, and Ye Chen also retreated a bit.

barely stabilized his figure.

Lin Juelong, who was on the verge of death, had been held in his arms by a strong blood alliance, and one of them put a pill into Lin Juelong's mouth.

This is an alternative plan for the blood alliance. I thought it was unnecessary, but Ye Chen was so powerful that they had to do it!

When Lin Juelong died, the blood alliance would be angry!

They must be protected!

Ye Chen saw this scene, moved his neck, the murderous intent on his body was released, and the dragons screamed.

He stared at the two elders of the blood alliance, but said to everyone in a loud voice: "The martial arts station should be guarded by the strong, do you allow this scum to break the rules of the martial arts station?"

Ye Chen is for those strong people hiding in the dark!

From the moment he stepped into the gymnasium, he felt the aura of the strong!

Such people must hide in the dark to guard the Budodai!

He needs to recover now, if these people take action, it is undoubtedly the best!

One second, two seconds, three seconds!

No one stood up at all!

Chapter 445: Crisis and light!

The entire stadium is extremely quiet.

Ye Chen shot his gaze in several directions and found that those people had no plans to leave at all.

There is even a hint of indifference in his eyes.

At this moment, Ye Chen smiled.

It seems that those strong men who guard the martial arts platform had no intention to stand up from the beginning.

Ha ha!

guard your mother's martial arts stand!

High above, in charge of the rules?

ridiculous!

He didn't know what caused this group of people to violate the creed, perhaps because there are problems with China's system and certain relationships.

During the Qinling Dragon Vessel, the China Martial Arts Bureau's dastardly tactics against Bai Lixiong, combined with the things in front of him, Ye Chen understood.

Collect hundreds of warriors! Play free!

He cannot rely on the so-called official forces, he can only rely on himself!

One of the blood elders saw that Ye Chen actually wanted to use the power of existence and smiled.

"Ye Chen, don't you know that this world has benefits."

"Do you think you can bring benefits to those people, or my blood alliance? My blood alliance can give them countless training resources! Can you? You are too naive."

The old man smiled grimly, as if he was in control.

The blood alliance never fights the battle of uncertainty!

Ye Chen squinted his eyes slightly. Sure enough, the blood clan used some resources to buy this group of people.

Or the entire gym is controlled by the opponent.

Regardless of whether Lin Juelong loses or wins, the result must be the same in their eyes.

Ye Chen became curious about the blood alliance.

Ghost Prison, coupled with the control of Budotai, this blood alliance is extraordinary.

He glanced around and found that Bai Lixiong had disappeared.

The few people around No.1 are gone.

Things are more tricky than he thought.

The old man of the blood alliance seemed to see what Ye Chen was thinking, and sneered: "You don't need to look for it. There is a problem with the Huaxia border, and it is not a normal problem. Bai Lixiong and that leader should not have time to care about your life and death, let alone he even wants to. It's too late."

"If I were you, I would still consider how to survive."

"Also, don't rely on these onlookers and forces, and they won't help you. Or they can't help you at all."

At this moment, under this sudden change, those people are still sitting in their place.

indifferent.

Although some people have a little surprise in their eyes, this surprise soon became a matter of course.

They know very well that if Ye Chen does not die today, the situation in China will be turbulent!

For them, as long as there are disadvantages, there is no benefit at all!

The best result is that Ye Chen disappeared into this world.

"Boy, my blood alliance only gives you a choice, kneel down, and then hand over your secrets and martial arts, of course, including the things you gained by stepping into the Qinling Dragon Vessel. You stayed inside for two days, and you can't return without success. Right."

The old man of the blood alliance said lightly, his tone was high, as if he had eaten Ye Chen.

Ye Chen didn't answer, Yu Guang glanced at the direction of his mother, Xia Ruoxue and others. There was no danger for the time being.

Then his eyes fell on the elder of the blood alliance: "Let me kneel down, are you sure you have this qualification?"

The elder of the blood alliance just wanted to speak, but He Guowang stood up and said coldly: "Ye Chen, can't you still figure out the situation? It is your honor for these two adults to let you kneel, so you won't kneel down for me! "

"Also, you probably don't know, the whole stadium is controlled by us."

"Your woman, mother, and even you, don't want to go out from here!"

He Guowang clapped his hands, countless footsteps came down, the gymnasium instantly flooded with hundreds of strong men with good breath, and all entrances were blocked!

This power was originally used to deal with Ye Chen, and he united most of the top Chinese families, and did not intend to let Ye Chen go out alive!

Even if there is no strong blood alliance, the result is the same!

"Boy, it seems that you are very unwelcome. Everyone wants you to die." The blood alliance old man said grimly.

After doing all this, He Guowang even came to the elders of the blood alliance, bending over, flattering: "My lord, although our strength is not as good as yours, it is also a strength. I hope you don't mind."

He Guowang at this moment looks like a dog!

The blood elder nodded, and did not say a word of nonsense to He Guowang.

In his eyes, this dog is unworthy!

But the current situation is really bad for Ye Chen.

He Guowang saw that the blood elder didn't say anything, his face was a little bit awkward, and he said: "Everyone listens to the order, press those women up!"

"You talk too much nonsense."

Ye Chensenhan's words fell.

Dragon will die if it touches Nilin, and He Guowang has already touched his Nilin.

A black light flashes in his hand!

The blood plum dart shot out, too fast!

The elders of the blood alliance did not react.

"噗哧!"

The blood plum dart penetrated He Guowang's forehead, and He Guowang fell directly into a pool of blood.

No one thought that Ye Chen would even kill people in such unfavorable circumstances!

But the hundred masters didn't stop at He Guowang's death, and they still rushed towards Jiang Xirong and the others.

Jiang Hirong, Xia Ruoxue, Sun Yi, and Zhu Ya are full of true energy. They have cultivation skills, and they can only fight now, at least not to hinder Ye Chen.

Except for them, everyone in the room looked at me coldly!

Social indifference!

Even the Jiang family is true!

alone!

Jiang Jianfeng's figure flashed, and he came to Jiang Hirong's body, sacrificing his long sword, and looked at everyone coldly: "Who dares to take a step and kill!"

Ye Chen saw Jiang Jianfeng stand up with a smile on his mouth.

No one noticed, the smile on the corner of his mouth was confident.

"The dark hall listens to the order, these people, don't need to give them a chance, just kill them! Don't keep one!"

What surprised everyone was that Ye Chen, who was obviously at a disadvantage, said such a word out loud!

The dark palace?

Just when the crowd was in a trance, the body of the strong man guarding at the door exploded!

Several entrances and exits broke directly ~www.mtlnovel.com~ and countless shadows poured in!

The black shadow is extremely fast!

wherever he went, there was killing and death!

The dark palace is coming!

Ye Chen doesn't fight a battle of uncertainty, he has stayed in the dark for this power of the dark hall to no use!

The dark hall and the blood plum hall were combined, and he gave this group of people pills and martial skills to make them strong, just for today!

This group of people may not be able to deal with the top powerhouse or the two blood elders in front of them, but it is enough to deal with the power of these families and forces that threaten them!

The dark palace can only kill people.

There is nothing else.

The sudden change shocked everyone, and black shadows drifted among the crowd.

can only hear a scream, this group of people is well-trained, and this group of people will kill people in formation!

These people are invincible! No one can stop!

In just twenty seconds, there were all dead bodies on the ground.

The team that blocked Ye Chen gathered by the He family and many families were all killed!

Stadium is a sea of blood!

Dozens of the dark palace or the elite of the blood plum palace guarded Jiang Yanrong and others, and they formed a circle like armor!

If you want to move them, you must step on the corpses of these dark temple powerhouses!

At the same time, Ye Lingtian and Lu Lingfeng stepped forward, came to Ye Chen, and knelt down directly!

"Ye Lingtian, see the lord!"

"Lu Lingfeng, see the lord!"

Then, a hundred people knelt down!

A terrifying roar resounded!

"See the Lord!"

Chapter 446: Subject clothes?

"See the Lord!"

Amidst the roar of these dark temple powerhouses, the endless killing intent on their bodies was released!

They hide in the dark for a long time, just to release value here today!

The Lord is in trouble, how can they not save it!

A strong momentum, unite one heart, and two phantoms directly appear above the head!

A phantom is a huge plum blossom like blood!

Another phantom is a black dragon with a hundred feet circling for nine days!

These visions almost obscured the entire stadium from the sky, plunged into darkness and fear.

At this moment, the crowd is silent.

I thought that Ye Chen and those women were in a state of death, but he didn't expect that a team with murderous intent was born.

There are a hundred people in this team, and they are full of people around the stadium, which makes people feel cruel and bloody.

The key is that these people surrender to that cold and proud young man!

The Lord?

These people actually call him the lord?

The scene of losing control was directly suppressed by Ye Chen's dark palace!

This scene caused a stormy sea to rise in the hearts of everyone present.

Those strong men who intended to mock Ye Chen dare not say a word, staring at Ye Chen, wanting to see how the other party did it.

He Shenghai died of his grandson and his son. I thought I could see Ye Chen die today to repay his hatred. Unexpectedly, the mantis catches the cicada and the oriole is behind!

He Shenghai's face is extremely angry at this moment.

At this moment, an old man next to He Shenghai discovered something and exclaimed: "Master, the blood plum...The strong man under the blood plum shadow is the blood plum palace, the No. 1 killer organization in China!"

When He Shenghai heard the Blood Plum Palace, his eyes shrank, he glanced at the old man beside him, and asked: "Are you sure?"

"Master, I'm sure! One of the killers was hired by the He family, and I have dealt with him! It can't be wrong!"

Hearing these words, He Shenghai's expression became serious.

Not only is the Blood Plum Palace facing him, but the power of a black dragon condensed above his head cannot be underestimated.

What is the origin of Ye Chen, who unknowingly wields this kind of power?

Most of the forces present recognized the blood plum, and they also knew that the existence of suppressing the strong group was the blood plum palace!

Old man Jiang, Jiang Jianfeng, and everyone present held their breath!

What suddenly occurred to them! Everything seems clear!

Blood Plum Palace has been standing in China for so many years, and it is China's well-deserved number one killer organization!

Some time ago, the Blood Plum Palace suddenly stopped the killer mission!

This is totally unreasonable!

not only that, but also close the official website! announce! Set up a dark temple!

This series of measures, the Huaxia family can't guess it!

I thought it was the internal reform of the Blood Plum Palace!

And it seems that it is not at all!

All the changes in the Blood Plum Palace were only because of a young man, and that was Ye Chen!

Did Ye Chen suppress the Blood Plum Palace? Even turn it into your own power?

How did this guy surrender these people?

Everyone had doubts in their hearts, but the facts in front of them told them that this one hundred warrior came out!

enough!

Old man Jiang looked at the kneeling figures, and sighed: "This move is really wrong. I have always looked down on the evil species. I am afraid that I will turn the dragon into the wind today."

Endless sighs came, telling the regret and helplessness in the heart of Mr. Jiang.

Ye Chen glanced at Ye Lingtian and Lu Lingfeng behind him, as well as those strong in the dark palace, and waved his arm: "Get up!"

"Yes, the lord!"

"Swipe!" Voices fell in unison!

The strong man in the dark hall stood straight, holding a weapon, and even blood dripping on the weapon, his eyes were determined.

"Lingfeng Lu, **** my mother and friends away. Anyone who dares to stop, will kill you!"

For Ye Chen, the safety around him is more important.

Although the strength of the Hundred People in the Dark Palace is very strong, these two blood elders are not so easy to deal with.

Besides, those strong men in the dark didn't know what attitude to this matter.

If you turn a blind eye, then the best, if those people attack themselves, it will undoubtedly worsen the situation.

"Yes, the lord!"

Lu Lingfeng walked towards Jiang Hirong, waved his big hand, and escorted Jiang Hirong away with fifty strong blood plum palaces.

No one dares to stop!

Just as Lu Lingfeng was about to **** those people away, an old man of the blood alliance with a folding fan in his hand said, "Did I let you go?"

In their eyes, although these women are not as valuable as Ye Chen, these people are the best means to threaten Ye Chen.

With the character of this kid, it is very difficult to get something out!

If these women were used to threaten this kid, the result would be different.

Ye Chen's eyes were cold, his dantian's true energy condensed a bit, he stepped out!

Ye Lingtian and the many powerful people in the dark palace also came to Ye Chen's side, letting go!

As long as Ye Chen said a word, they will definitely follow!

No matter how strong the two elders in front of them are, they would rather die in battle than shrink!

Ye Chen shook his five fingers, pointed the Dragon Slashing sword straight at the opponent, and said every word: "My man, you are not qualified to move."

The old man of the blood alliance with a folding fan in his hand snorted coldly: "These people, the Huaxia family may be jealous, but to me, it's just a waste of energy, boy, you should have overdrawn a lot with the sword of the martial arts platform just now. , Do you think you still have the possibility of resistance now?"

The old man of the blood alliance had a grinning smile on his mouth~www.mtlnovel.com~ Just now he saw everything clearly.

This kid has exhausted the true energy in his body. Now he is obviously a fake tiger, and it is undoubtedly the best chance to kill him at this time.

Ren Feihua's eyes shrank, and he said directly: "Lu Lingfeng, send them away! If there is any obstacle, kill them!"

Lu Lingfeng, standing at the door, stopped hesitating, and went straight to the outside!

"Where to go!"

The old man of the blood alliance snorted coldly, and turned into an afterimage on the spot. Just about to stop the group of people, Ye Chen already appeared in front of him!

Slashing the Dragon Sword tore the air and take the opponent's key!

"I still want to stop me! I came from Kunlun Xu, the strength is enough to crush you, looking for death!"

The old man of the blood alliance with the folding fan in his hand closed the folding fan, and a sharp blade came out!

became a blade in a blink of an eye!

"Ding!", the Dragon Slashing Sword and the folding fan collided, and violent sparks sputtered!

The air wave swept in all directions, and the two separated instantly!

Ye Chen took a few steps back!

The old man of the blood alliance had cold eyes, and the sharp folding fan moved towards Ye Chen's neck again!

"Boy, I still dare to hinder me in the separation zone and look for death! If you practice for another ten years, I may not be your opponent, but now, you must surrender to me!"

The blade slashed through the air, and even a hair was broken into two pieces when it was blown. It was extremely sharp.

Ye Chen didn't care about this blade, his arms swung sideways, and the Dragon Slashing Sword resisted again!

The ground exploded continuously and sparks filled the sky.

Chapter 447: Enemy of China!

The remaining true energy of Ye Chen's Dantian continued to dissipate.

He can clearly feel the strength of the opponent!

This blood elder is at least above the eighth floor of the separation realm! It's even possible in the True Origin Realm!

Ye Chen did not dare to take it lightly!

"Boom!"

It was another blow, Ye Chen could clearly feel his arm numb, and the Dragon Sword almost even let go again.

"I can resist so many tricks in my hands, it seems that I underestimate you! I will give you one last chance, do you want to hand over those things?"

With a roar, the blood elders couldn't take care of everything at all, and killed Ye Chen.

Murderous intent roared, and the old man of the blood alliance seemed to turn into a roaring lion.

This time, the power of the folding fan in his hand was not increased, and it collided with the Dragon Slashing Sword!

The Dragon Slashing Sword shoots directly into the air!

Ye Chen's body has also retreated several steps!

If Ye Chen is at his peak, there may still be a possibility of a battle, but just now the Budotai's Sword Intent has almost made him weak to the extreme!

Ye Chen has no power to borrow from the reincarnation cemetery!

The old man of the blood alliance with a folding fan in his hand saw this scene and sneered: "Boy, you are crazy now! In my eyes, you are no different from ants!"

No longer pay attention to Ye Chen, the old man of the blood alliance chased Lu Lingfeng!

But he hasn't taken a few steps yet, but found that his surrounding state and aura have completely changed.

There is something wrong with the state of the youth behind him.

He turned abruptly to look at Ye Chen, only to find that the opponent's fingers were quickly pinching!

In the next second, a dazzling charm is formed directly!

The old man of the blood alliance is stunned!

a magic talisman! This kid actually mastered a magic talisman, and the key to deal with it was the magic talisman he had never seen before!

not good!

The blood elders rushed towards Ye Chen subconsciously and must stop!

But it's too late!

Ye Chen's eyes were red, and his murderous intent broke out suddenly, and the blood dragon rushed towards the life charm!

The whole stadium seems to be shocked!

"I said, you are not qualified to move my people! Since you want to move, even if I am injured, you will have to pay the price!"

The words fell, Ye Chen shot a drop of blood on the palm of his hand!

Essence blood, natal magic talisman, blood dragon phantom, the three powers suddenly combined.

Ye Chen's cultivation base and aura rose even more.

He will use a magic talisman, even if he pays a great price, he will let the old man fall!

"What about the blood alliance, let me kill you!"

Ye Chen roared, and stepped out a few steps, as if the overlord descended.

Canglong's phantom body moved under his feet, and in the blink of an eye he came to the old man of the blood alliance!

There is no dragon sword, only fists and body are enough!

"Huh, brat, it seems that you do have a secret. Few people know a Chinese charm! In that case, get me down!"

The old man pointed at Ye Chen and buckled it!

He did not dare to kill Ye Chen, but tried to restrain Ye Chen!

But at this moment Ye Chen is like a ghost, how to restrain?

Under the phantom body of the Canglong, Ye Chen avoided the blow of the blood alliance elder, and in a blink of an eye, he got close to the blood elder, squeezed his five fingers, and blasted out a punch!

Walk like the wind, move like a tiger, and come like the sky!

bump!

In a blink of an eye, a dull crash sound came, like a mountain collision.

The old man of the blood alliance was startled, and he never thought that this kid was still a weak one in the first second, and in the next second, he was actually so strong!

Is this the power of magic spells!

He wanted to dodge, but it was too late!

Ye Chen's punch smashed his infuriating barrier!

There were bursts of crisp bone fractures.

The face of the blood elder was instantly distorted.

His left shoulder abruptly endured Ye Chen's punch!

The bones almost shattered.

His eyes widened and he let out a heart-piercing scream.

The body took a full ten steps back! Blood spilled from the corner of the mouth!

"how is this possible!"

Ye Chen didn't hesitate at all, and immediately stepped out, the ground his feet touched was sunken unconsciously!

can see its power!

The wind swept all over!

He knows very well that the magical power of this magical rune can only last for five minutes. If he does not solve these people in these five minutes, then it will be really troublesome!

In the blink of an eye, Ye Chen once again came to the elders of the blood alliance and blasted out a punch!

This punch, as if a blood dragon rushed out of his body, was extremely shocked!

At this moment, the blood elders who were instantly enveloped by the breath of death, only unwillingness and fear are left in their hearts.

Seeing Ye Chen's punch again, he backed away again, his eyes noticed something, and he grabbed He Shenghai's neck and threw it out!

He Shenghai never thought that he would become the opponent's shield!

wanted to stabilize his figure, Ye Chen already smashed it down with a punch.

Puff puff!

The blood spurted wildly from his mouth, but in an instant, He Shenghai's whole body flew out like a cannonball.

Visible to the naked eye, his chest collapsed, his eyes popping out.

The powerful impact force directly knocked him on a wall.

body burst on the spot! Full of blood!

All three generations of the He family have fallen, and a top family has fallen.

The elder of the blood alliance felt something was wrong, and hurriedly said to another companion: "Put the dragon aside and take this one first! Otherwise, there are endless troubles!"

"Also, Lin Ao, do you want to take revenge for your son? Let's do it together!"

"it is good!"

In an instant, the two blood elders and the head of the Lin family headed towards Ye Chen!

The gusty wind howled, like lightning.

The palm prints filled the sky, and he blasted directly towards Ye Chen's vital parts.

At this moment, Ye Chen's pressure suddenly increased!

Three top powerhouses who have practiced for decades have joined forces to deal with a twenty-year-old kid!

This is a joke!

But they can't help it~www.mtlnovel.com~ Ye Chen is too strong now!

The palm wind howled, like a violent storm, swept towards Ye Chen.

"Today, even if I die, don't think about it!"

"kill!"

Ye Chen yelled, facing the three men who were like a rainbow, he was not afraid!

Do not retreat but advance, take a few steps out!

The blood dragon rushed out of the body, and each blow was towards the three of you!

Amidst the dull footsteps, Ye Chen felt like a streamer, cutting through the sky.

His whole body was shocked by the blood evil spirit, his eyes were red, and every blow was full!

"Rosha Fist!"

"Zhu Lei Fist!"

punch after punch blasted out, blasting the world!

"Boom!"

endless infuriating, as if converging into a river and sea, galloping out.

For an instant, Ye Chen's whole person turned into a blue dragon and descended into the world, heading towards the three of them.

Boom!

Ye Chen's double fists directly collided with the power of the three!

Thunder thundered on the flat ground, and the world was pale!

The wind is surging, and the sky is full of dust.

There are cracks in the walls of the gymnasium!

The dust disappears!

The three of them were forcibly repelled by Ye Chen!

Very embarrassed!

But Ye Chen also vomited a mouthful of blood!

At this moment, several experts from the Huaxia family looked at each other, rushed out together, and headed towards Ye Chen!

Chapter 448: protector!

No matter what, Ye Chen's existence against the sky must not be alive, otherwise their family will inevitably be held down by the opponent for a lifetime, and it will be in the shadows.

"Hall Lord, we will help you!"

The powerhouses in the dark hall rushed out, and Ye Lingtian also rushed into the battle!

The war is about to start!

Seeing this scene, the families who had been fighting with each other couldn't help but take a breath!

Who would have thought that a young man in his twenties could turn the Chinese martial arts world upside down!

Jiang Jianfeng has already come to Old Man Jiang, his eyes are serious, and he doesn't care about offending him, he said directly: "Dad, right now is when Ye Chen needs help, if we don't make a move, it will really be too late!"

Old man Jiang narrowed his eyes, he did plan to make a move, but if he really helped Ye Chen, he would undoubtedly offend the blood alliance!

Comprehensive consideration of benefits is only disadvantageous to the Jiang family!

Jiang Jianfeng saw that the old man had not made a decision, so he no longer hesitated, and swept towards Ye Chen's direction!

He is ready to help Ye Chen!

The whole gymnasium instantly flew flesh and blood, and waves of air flew in all directions like a knife!

Under the whole world, who would have thought that many powerful men in the Chinese martial arts world would fight in a gymnasium in the capital!

At this moment, the two skinny old men stepped over the Budotai!

"Everyone, stop me!"

The sound is like rolling thunder, sweeping in all directions!

An invisible coercion restrains everything!

At this moment, everyone stopped their hands, and their eyes fell on the two thin old men at the Budotai!

When they saw the jade pendant on the waist of the old man, their expressions changed a lot, because these two old people were actually the guardians of China!

Guardian of China!

The rules of guarding the martial arts station are also guarding the Chinese martial arts world!

The strength is so powerful that no one can question it!

If you don't listen to the guardian's command, it is undoubtedly a death hunt!

At the moment everyone stopped, a black shadow flashed quickly!

"The sword is coming!"

With a roar, Ye Chen gripped the Dragon Slashing Sword firmly, and then he hacked towards the old man of the blood alliance!

With this sword, the blood dragon surging, killing intent blooming, the force of destroying the dry and decayed to form a storm!

His secret method is about to end, five minutes later, it is difficult to kill the opponent again!

Ye Chen will naturally not give up, as for the guardian?

Ha ha!

Someone broke the rules of Budotai regardless of the rules, what a gadget to stand up at this time!

The face of the old man in the blood alliance changed drastically, and he never thought that Ye Chen would not even give the face of the Guardian of China, in embarrassment, he offered a folding fan in his hand!

The two forces collided suddenly!

"Boom..."

The dull blasting sound resounded!

The whole stadium seemed to shake a bit!

The folding fan in the hands of the blood elders is directly shattered!

Immediately afterwards, Ye Chen's figure quickly retreated, shaking her figure.

But the old man of the blood alliance felt a huge numbness in his arm, and couldn't help but breathe in a cold breath.

bump!

The air wave erupted, and the blood elders flew out more than ten meters, and fell to the ground.

His screams are even inaudible.

I was hurt by this kid?

Isn't this kid afraid of death?

Use the secret technique to strengthen himself, even if he pays a great price, he must be killed!

There is endless sorrow in the blood of the old man! He wanted to scream, but he could no longer scream!

He vomited blood out of his mouth and was seriously injured. It is impossible to fight again!

And Ye Chen is not much better, the power of the talisman has completely disappeared, and his breath is extremely weak!

took a step back and sat down on the ground, leaning against the corner, panting heavily.

His whole body is almost wet.

His eyes were wet with sweat, and this blow was already his limit.

The whole audience was silent, and countless pairs of eyes showed sympathy for Ye Chen, because the two guardians of China on the martial arts stage were pale at this moment!

Who would have thought that some Chinese warriors would dare not listen to their orders!

One of the elders in a black Tang suit stepped forward, staring at Ye Chen hard!

"Huh! Chi shook the tree, and didn't know what he could do! I dare to be presumptuous at my command, and find his own way! Palm!"

The Huaxia Guardian waved his arm, and a virtual palm moved towards Ye Chen!

"Hall Lord!"

Ye Lingtian saw Ye Chen's weakness, no longer hesitated, and directly stood in front of him!

At the same time a sword slashed towards the empty palm!

"Snapped!"

The virtual palm has not been torn apart, how can the guardian's blow be resisted by ordinary warriors!

They are almost above the Chinese martial arts world!

Even the number one must give them face!

"Puff!"

Ye Lingtian spit out a mouthful of blood, and his body slammed on the wall!

The ground was bombarded by violent violence in an instant and sank, revealing a deep huge crater. Numerous air waves burst in the surrounding air, and the space felt slightly rippled.

"It's just a dog, I really think it can protect the Lord? In my eyes, it makes no difference between killing you and killing ants."

The guardian looked at Ye Lingtian high above!

He didn't want to shoot, but the battle of Budodai turned into this large-scale battle.

If you don't make a move again, China will be in chaos.

"Can you take it?"

Ye Lingtian snorted coldly, and wiped the blood from the corners of his mouth: "Even if I am a dog, I am better than a man of integrity like you! As the guardian of China, you are above the rules? Funny! In my eyes, I, Ye Lingtian Even if you die, you only serve one person, that is the hall master!"

The guardian did not expect that he would be so humiliated. His eyes were cold: "As the guardian of China, how can a junior like you talk about it, die!"

The guardian's skinny hand just wanted to shoot a force~www.mtlnovel.com~ to kill Ye Lingtian, bursting with laughter!

laughed, attracted countless eyes!

I saw a young man stand up with difficulty and stand in front of Ye Lingtian.

Suddenly, the smile stopped abruptly!

Ye Chen raised his head! Eyes shoot out!

What kind of eyes are that!

Indifferent, cold, killing, unyielding.

does not contain any emotions that humans should have.

is like the ancient true god.

"He is my Ye Chen's brother, not a dog, you have no right to speak.

In my opinion, you are inferior to a dog, at least some dogs know right and wrong, but you do not distinguish between right and wrong and only care about your interests. "

"You are the guardian of China, and countless people admire and respect, but in my eyes, you are the lowest beast."

Quiet.

The whole world is silent in negligence.

Everyone present seemed petrified.

Their expressions are horrified, like hell.

Who would have thought that someone would dare to insult the Guardian of China!

This kind of person guards the Chinese martial arts world, this kind of person holds a murder license in his hand!

Even if they are government officials, they are qualified to decide life and death!

These people are above the martial arts world and the law.

No one dares to offend!

But Ye Chen at this moment is straightforward!

Not as good as a dog?

humble beast?

"Hiss!"

This kid is too **** good at talking!

Don't you want to live anymore!

Chapter 449: Splashing dust!

Everyone looked at the two condescending guardians of China at the Budotai, their expressions were serious and cold to the extreme!

A wave of invisible anger and coercion moved towards Ye Chen!

The martial arts platform at his feet was broken a bit, and even faintly sinking!

Wrath of the Guardian, who dares to bear it!

Lei Shuwei had already arrived with the dragon soul fighters, but at this moment, he could not intervene in front of the guardian.

Don't talk about Dragon Soul, if Number One is here, he might not be qualified to intervene!

He knows Ye Chen's character, stubborn and arrogant, but this is a disaster in front of him!

Lei Shuwei couldn't take care of everything, and he hurriedly handed over his hands and said loudly: "Senior, Mr. Ye is an extremely fancy person on No.1, please be merciful, just look at No.1's face!"

"Mr. Ye is still young and ignorant, I will take it back and take care of it."

He can only say that!

Upon hearing these words, the guardian of the Tang suit suppressed the anger in his heart and said: "I have the right to kill people in China. If you want to live, I will give you a chance to hand over everything you have, and then repair it at my own expense. Therefore, I will never step into the land of China! I can consider spare your life."

Ye Chen smirked, and a sword wrapped in broken steps appeared in his hand.

This is what Chen Tianli gave him before he left.

At the beginning, Chen Tianli explained, "You hold this sword. It is called Youyang Sword. It looks like a sword, but it is actually a sword tactic. When necessary, use your blood to induce this sword tactic. No one is invincible."

Since Chen Tianli said that there is no one under Huaxia, then no one can be enemy!

Ye Chen kept the Youyang Sword and didn't use it, just to guard against the powerhouses in the dark.

I don't want to use it, but there is no way.

These decent guys completely angered Ye Chen.

Want him martial arts?

Abandon his strength?

Drive out of China?

Quit thinking!

Since you are above the altar, Ye Chen will personally pull these high-ranking fellows off the altar!

The guardian of the Tang suit said lightly: "Give you ten seconds to consider. Ten..."

He just wanted to count down, Ye Chen said: "No, I refuse."

The guardian of the Chinese costume, his expression was choked, and his face was full of anger!

"Since you refuse, then I will respect you! You are exhausted now, extremely weak, I see what qualifications you have to resist."

In the next second, gusts of wind appeared throughout the stadium.

An invisible coercion swept in all directions.

At this moment, the guardian of Tang suit seems to be a god.

No one can stop, thousands of people worship.

Old man Jiang saw this scene and shook his head helplessly. He hasn't taken any action because of the existence of the guardian in the dark.

From the very beginning, the Guardian favored the blood alliance and the Lin family. Obviously, there was a profit trade in it.

It is difficult for the Jiang family to shake the blood alliance, but it is even more difficult to shake the Guardian.

If Ye Chen's personality converges a bit, he might have really made a move just now.

But right now, Ye Chen offends the Guardian of China, which is undoubtedly worse and mortal.

For a dead person, what does he need to save?

The family's interests are the most important, Ye Chen is destined to disappear in the years.

The only thing he can do is to take Jiang Xirong back to Jiang's house after the storm.

is also a redemption for one's own faults.
