Chapter 481: Soul Sword!

Will I get hurt?

And it seems that you are in trouble?

But what's the matter with my smile?

Ye Chen knows himself better than anyone else. This smile is his bloodthirsty and control of all smiles.

"Mr. Ye, this is the reason you set foot on Jiangdao Mountain tomorrow."

"I have studied this mural for a long time. At first, I thought you were defeated, or you must die, but if you look closely, you will definitely find something. Come, Mr. Ye, look at this mural."

Li Jiacheng moved a few steps to the side.

Ye Chen's sight also shot in another direction.

This time, Ye Chen stood in front of a sword!

"Mr. Ye, this sword is one of the double swords in the Jiangdao Mountains, the soul-suppressing sword!"

Check out new PVP arena battles!

"If something happens to Mr. Ye, how can he get this sword? So tomorrow Jiangdaoshan, Mr. Ye will not only not die, but also get a great opportunity!"

Ye Chen scanned the remaining pictures again.

It's a pity that he can't understand the rest of the picture, and he doesn't even have a figure of himself.

The other side of the huge mural is even more blank, as if someone deliberately blocked the content behind.

Ye Chen retracted his gaze, thinking of something, and then said: "Today I have been to Jiangdao Mountain. There is an ancient formation there. With my current strength, it can't be broken at all!"

"I can't step in, so why does the scene in the mural appear?"

This is Ye Chen's biggest confusion right now.

Li Jiacheng smiled, and took out a jade medal from his pocket: "Mr. Ye, this key to enter Jiangdaoshan happens to be my Li family also has one. This key has been passed down for thousands of years and is extremely precious to my Li family. I am willing to take this The key was given to Mr. Ye, but..."

Ye Chen knew that the next words were the purpose of Li Family's approach to himself.

From the time when the Li family sent someone to eavesdrop on the conversation in the Xiangjiang dark temple, then Li Yuancheng contacted him, and then to this underground city. As the first family of Xiangjiang, the Li family naturally puts interests first.

"Let's talk about it, if it's too much, don't worry about entering the Jiangdaoshan key." Ye Chen said lightly, with a hint of chill in his tone.

Li Jiacheng placed the jade card in Ye Chen's hand, meditated for a few seconds, and said: "Mr. Ye, kill a Chinese guardian named Yuan Biran for me!"

"I use the secret of my Li family and this key, just to change the death of one person!"

Ye Chen squinted his eyes slightly, and he never thought that Li Jiacheng was so energetic and mobilized, he actually let him kill a guardian of China!

This is a big deal for China, and even for the martial arts world!

"Why are you killing this person? Give me a reason!" Ye Chen asked.

Li Jiacheng clenched his fists, and the murder broke out!

The eyes are bloodshot!

is obviously angry to the extreme!

"Mr. Ye doesn't know anything! Yuan Biran's martial arts is so powerful that he did not know how many days of resentment before he became the guardian of China! My father was killed by Yuan Biran many years ago! Just for a treasure That's it! This person is torturing his father to death in front of me! This has always been my nightmare! This is the resentment in my heart! The hatred of killing my father is not shared!

I tolerated for many years, and even sent my eldest son to Kunlun Xu at all costs, just to avenge this! "

"After my eldest son entered Kunlun Xu, he lost the news! I don't know when he will return! I don't even know his life or death! I can't put all hope on him!

I'm already in my late years, if I can't see this person's death, I can't look at it even if I die! "

In the next second, without waiting for Ye Chen's reaction, this powerful old man knelt in front of Ye Chen!

"Also please Ye first generate all!"

"Everyone in my Li family doesn't know this secret! Everyone means that I am interested in Jiangdaoshan only for the treasure, but only I know that everything is mist, and what is really hidden in the depths is buried Murder in my heart!"

Ye Chen was lost in thought, he wanted to refuse.

But I saw my own shadow from the opponent.

Isn't his father trapped by Fang Zhenye!

Even life or death is uncertain!

There are some Huaxia Guardians wearing gorgeous clothes, but they don't know how dirty their hearts are!

Anyway, Jiang Daoshan must go!

is not only for the life experience and reincarnation cemetery, but also for the father!

Fang Zhenye must die, those guardians of China still have to kill after all!

Needless to think about it, Ye Chen also knows that Yuan Biran and Fang Zhenye naturally belong to the same camp!

"Okay, I promise you!"

Ye Chen said without hesitation.

Li Jiacheng's eyes were filled with ecstasy, and then stood up and said seriously: "Mr. Ye, no matter what the result is, you will be the most important benefactor of my Li family from today onwards!"

.....

at the same time.

Jiangdaoshan, a magnificent palace, there is a quiet closed stone chamber deep in the palace.

There are nine old men in the stone room.

Although these nine people obscured the breath, UU reading www.uukanshu.com, but between their gestures, people felt a deep sense of fear.

The old man in the middle is Fang Zhenye!

And at this moment, Fang Zhenye is holding a long sword of spiritual energy violent!

The side of the long sword is engraved with ancient words!

is the Soul Suppression Sword!

An old man in a purple robe on the far right frowned and said: "Old man, tomorrow that kid will really come to Jiangdaoshan?"

Fang Zhenye nodded: "He will definitely come. This son's father is in my hands. He will not let go of such a good opportunity."

"What's more, this child just appeared under Jiangdaoshan."

Not far away, Yuan Biran glanced at the sword in Fang Zhenye's hand, and curiously said, "Lao Fang, this Soul Suppression Sword is our treasure. If you take it out and wipe it today, do you mean to deal with Ye Chen? It's too big and underwhelming."

"Yes, that kid is just a separation and separation, any one of us can kill him, what is there to be afraid of?"

Everyone present knows that the strength of the Soul Resurrection Sword is far beyond what most people can imagine!

A single swipe of a sword can kill the strong across the border! It is even more pneumatic!

Fang Zhenye looked at the sword in his hand and sneered: "That kid is not that simple. As long as anything happens tomorrow, I will use this sword to kill!"

"In any case, this son must not stay! Even the person standing behind him is the same!"

Chapter 482: I am his nightmare! (Make up one)

For Fang Zhenye, Ye Chen's existence is a time bomb.

This time bomb is enough to threaten his life and death.

He was still afraid of the strong man behind Ye Chen or the sect, but after understanding some of the things Ye Chen did in Xiangjiang, he had to think about doing it.

He even comforted himself. Judging from the trajectory of Ye Chen's appearance, he has always been alone, and he has never found that this son uses the power of others or has a powerful shot behind him.

Even if this child is from Kunlun Xu, it is too late to wait for the people behind to find out!

The China Guardian Roundtable Trial, and they all started together. Ye Chen provoked the anger of the people. Even if it was the people behind Ye Chen who wanted to settle accounts after the autumn, they were not eligible!

The Soul Sword in his hand trembled slightly, gleaming with dazzling light, and seemed to be breaking free at any time.

Fang Zhenye held the long sword tightly and barely controlled it.

Although this Soul Sword is powerful, the biggest problem is that it cannot be controlled.

Even if he wants to use his strength, he must gather all his true energy on this sword.

"Old Fang, you can't suppress this sword after so long? Refining or dripping blood to recognize the master is useless?"

Yuan Biran looked at Fang Zhenye's trembling arm, surprised.

Fang Zhenye nodded, and put the Soul Relief Sword in the bronze scabbard, and the vibration completely disappeared.

There was a bead of sweat on his forehead, and he gasped slightly: "This thing is so proud. I have used many spells and it has no effect. The simple strength suppression is the same. It is still a **** thing. Right now, I can barely use it. , And can't give full play to its maximum value."

Yuan Biran showed interest: "Why don't you give me a try!"

"Take it!"

The words fell, and the Soul Suppression Sword appeared in his palm, and Yuan Biran almost staggered because of the weight.

He stabilized his figure and pulled out the Soul Suppression Sword for a while, but in the next second, the Soul Suppression Sword flipped over, directly breaking Yuan Biran's bondage! He even rushed out with the scabbard and stuck it on the wall!

The entire stone room shook violently.

There was a crack like a spider web where the Soul Sword was inserted!

You know this stone is a gangyan mysterious stone!

is hard enough to be shocking!

"Boom!"

Yuan Biran felt his blood surging, and a powerful wave of air swept from the soul-suppressing sword. He took seven steps to stabilize his figure.

The old face turned pale, and then he blushed!

As one of the guardians of China, he was actually teased by a sword!

Very embarrassing!

The other guardians of China laughed and joked.

"Old Yuan, you can't do it."

"If anyone knew that the Guardian of China is not as good as a sword, it would be laughable."

Fang Zhenye also touched his beard, and said: "Old Yuan, I said you still don't believe it. This sword is very evil. I have studied for more than half a year before barely controlling it. How do you master it for a few seconds?"

Yuan Biran was a little angry on his face, just about to speak, the door of the stone room was knocked.

"Come in." Fang Zhenye glanced at the door and said.

Not long after, a man in his thirties walked in and knelt in front of Fang Zhenye.

He is exactly one of Fang Zhenye's disciples, Han Guang.

In the past few days, Han Guang has been in charge of investigating all the information of Ye Chen.

"Han Guang, that kid has news again?" Fang Zhenye asked curiously.

Han Guang nodded, and said: "Ye Chen and Li Yuancheng of the Xiangjiang Li family have left together. According to the news, Ye Chen should be at the Li family at this moment."

Hearing the Li family, Yuan Biran's eyes shrunk slightly, but he remembered what happened back then.

At that time, he killed many people in the Li family, but he spared Li Jiacheng. In his eyes, some people were ants, and he didn't even have the urge to kill.

Even if he is given a century and a thousand years, even if the Li family is now the first family of Xiangjiang, the result will be the same.

He wants to erase, anytime he can!

As long as he wants!

It seems that this ant is standing with Ye Chen.

Could it be that you are ready to do it to yourself?

arrogant! Ignorance!

Fang Zhenye frowned and thought for a long time, and suddenly said, "The development of the Li family in Xiangjiang over the past few decades is a bit weird. One of them was selected by the Kunlun Xu sect. Not only that, but many people in the Li family have also changed their breakthrough speed. Quick, now that the Li family and Ye Chen are standing together, it is inevitable that people will be suspicious."

"Since this Li family doesn't know each other, Han Guang, you can take twenty people to erase it."

Fang Zhenye ordered.

At this moment, Yuan Biran opened his mouth and said: "Old Fang, wait a minute! I don't need those twenty people. Give me the Li family. Back then, I killed everyone in the Li family, but didn't kill them cleanly. Let the wild fire and spring breeze blow again. Sheng, in that case, I will erase it today!"

Fang Zhenye hesitated for a few seconds, nodded and said: "Alright, but Old Yuan, you will do it later and wait for Ye Chen to leave Li's house."

Yuan Biran snorted and waved his sleeves: "Old Fang, why don't you think this son is capable of killing me? Ridiculous! Maybe, Ye Chen met me, and he didn't even have the chance to set foot on Jiangdao Mountain tomorrow! If this son does not leave Li's house, I will be his nightmare!"

The words fell, Yuan Biran disappeared in the stone room.

Fang Zhenye wanted to say something, but the words still turned into a sigh.

I hope he thinks more.

.....

Xiangjiang Lijia.

Li Jiacheng took Ye Chen to see the entire underground city.

The ancient city has not been thoroughly excavated. Deep down, there are still workers working on it~www.mtlnovel.com~Because this matter involves confidentiality, the manpower used is from the core of the Li family.

The efficiency is naturally lower.

Except for the mural, Ye Chen didn't find any existence that had anything to do with him anymore.

The entire underground city is a bit like a religious ceremonial square, with Sanskrit inscribed in many places, and the text is too old to understand.

But Ye Chen found that some of the text and the rune together with the magic talisman were a bit close.

"Mr. Ye, I sent someone to depict the mural before, and it is exactly the same. Mr. Ye will remember to take it away later." Li Jiacheng said.

He could see that Ye Chen was only interested in the murals, and not interested in other things in the ancient city.

"Okay." Ye Chen nodded, accepting naturally.

Many pictures of the murals are not understood by him now, which does not mean that they will not be able to understand them in the future. If the murals can really predict a part of the future, it would not be a good thing for him!

"In that case, Mr. Ye, let's go up. I will let the chef cook some Jiangnan-style delicacies. I hope Mr. Ye can..."

Li Jiacheng hadn't finished speaking yet, the entire underground city shone with a red light!

The light is extremely dazzling, making people throbbing!

Li Jiacheng's face changed drastically, and he exclaimed: "No! Someone forcibly broke into Li's house!"

"Where is Wei Ying now?" Ye Chen's eyes were serious.

The first thing he worried about was Wei Ying!

There is nothing wrong with the Li family, and it has nothing to do with him!

But Wei Ying can't!

"Mr. Ye, come with me!"

The two hurried to the elevator!

Chapter 483: Send you on the road.

At the same time, the Li family villa above also suddenly flashed red, and the alarm sounded continuously.

Wei Ying is sitting in the living room, and someone specially massages her and relieves fatigue.

"Miss Wei, come with me!" Li Yuancheng said quickly.

He holds a tablet in his hand, and his face is full of anxiety.

The monitoring information on the tablet disappeared, and I don't know what happened outside.

But since the entire villa has been alarmed, it is definitely something serious!

He thought that Wei Ying was Ye Chen's woman, and she absolutely couldn't let Wei Ying do something, otherwise he couldn't afford it!

Wei Ying reacted and glanced at Li Yuancheng, without talking nonsense, just followed.

Check out this new online game!

Just when the two were about to cross the corridor, the two bodies were thrown directly in front of them.

Not only that, but an invisible coercion is shrouded in it!

The legs of the two of them seemed to lose consciousness and they couldn't move at all!

Then, there was a sound of footsteps.

Not long after, an old man appeared in front of them and even sat on the sofa.

is Yuan Biran.

"Where is Li Jiacheng?" Yuan Biran tapped the sandalwood furniture with his fingers, quite melodic.

Li Yuancheng's face changed slightly, but he still calmed down forcibly: "My father is not here."

Yuan Biran stopped his finger, and then sneered: "Then I have another question, can Ye Chen be in Li's house?"

"I don't understand what you are talking about!" Li Yuancheng resolutely said.

"I don't know how to live or die!" Yuan Biran snorted coldly and flicked his fingers, and an invisible wave of air suddenly formed!

"Boom!"

The air wave hit Li Yuancheng's body without hesitation!

Li Yuancheng spit out a mouthful of blood, his body twisted unexpectedly!

"Kakkaka!"

The sound of cracked bones is endless!

The blood kept oozing out, it was shocking!

Wei Ying saw this picture with fear in her eyes. Although she has stepped into the way of cultivation, it is impossible to face such a master.

What did she think of, she said to herself: "Fat blood and cold body, can you come out? I need you now!"

But the answer to her was silence.

The **** cold body that appeared that day did not move at all.

Damn it! Why is it not working?

She glanced at Li Yuancheng next to her, she was obviously tortured to the extreme, without a trace of blood, her body twisted to the extreme!

There is only a faint gasp and painful moan.

"Li Yuancheng, back then, your father was going to kneel down in front of me and beg each other hard, you might as well kneel down and beg me, maybe if I'm in a good mood, he will give you a way to survive."

Yuan Biran said lightly, his tone was condescending, as if he was in charge of everything.

In his eyes, everyone is an ant!

"Bah!"

Li Yuancheng spit out a mouthful of blood, even though his body was twisted, he had no intention of kneeling at all!

Yuan Biran smiled when he saw it, and his old finger was directly in the air with a light wave!

"Crack!"

Li Yuancheng's body is out of control at all! Kneeling directly on the ground!

even punched two deep holes!

His legs are almost bloody!

Wei Ying really couldn't stand it anymore, and quickly said: "Why do you treat others like this? If you continue like this, you will die! Cultivation is what makes you torturing others like this? Sooner or later, you will get retribution!"

Yuan Biran focused his attention on Wei Ying's body, his eyes were indifferent: "Retribution? The entire Xiangjiang, and even the entire China, who dares to make me retribute!"

"I hate women nonsense, in that case, I will send you on the road!"

Yuan Biran grabbed a fruit fork next to him and shot Wei Ying directly!

A wave of air swept through, and there was a red color around the fruit fork, cutting through the air, and even with sparks!

In a blink of an eye, he came to Wei Ying!

Yuan Biran's expression was indifferent. It was too easy for him to kill a woman.

Although this woman has some instinct fluctuations, she is too weak!

"Ding!"

The sudden change suddenly appeared. Seeing that the fruit fork was about to pierce Wei Ying's heart, Wei Ying's body unexpectedly appeared ice crystals!

Ice crystals covered it, as if forming an ice shield!

The power of the ice shield spreads, and the fruit fork is directly twisted!

fell to the ground.

Yuan Biran saw the scene in front of him, and his eyes suddenly shrank, and he exclaimed: "Huh? How could this girl have such a cold body? Is it blood?"

In the next second, he moved, his five fingers fisted, and he went directly to Wei Ying!

"No matter what bloodline you are, my favorite is to kill the genius! Death!"

The words fell, Yuan Biran hit the ice shield with a punch!

The ice shield cracks directly!

And Wei Ying also took a few steps back, spitting out a mouthful of blood!

Yuan Biran's fist did not stop! After passing through the ice shield, he headed towards Wei Ying's neck!

Wei Ying closed her eyes in fright. At this critical moment, a black shadow passed by, hugged Wei Ying directly, and moved to one side.

is Ye Chen.

Ye Chen put Wei Ying on one side, took out a pill, and directly fed it to Wei Ying: "How do you feel?"

Wei Ying's eyelashes trembled and she opened her eyes. When she saw Ye Chen, she exhaled, "Ye Chen, I'm fine, that guy..."

Ye Chen's eyes were bloodthirsty and cold: "That guy, I will let him stay forever!"

After finished speaking, he turned to look at Yuan Biran and stared at it! An invisible anger burned in his eyes.

A few seconds later, Li Jiacheng also rushed to ~www.mtlnovel.com~ When he saw Li Yuancheng lying on the ground, vomiting blood, he quickly helped Li Yuancheng in the corner, and then his eyes fell on Yuan Biran. !

When seeing the other's face, Li Jiacheng was terrified to the extreme!

soon, horrified and angry! He roared angrily: "Yuan Biran! You beast!"

Without taking care of everything, Li Jiacheng rushed out, but before he took a few steps, he was stopped by Ye Chen.

"You are going to die. You help me guard Wei Ying. Since I promised you to kill this person, I will naturally do it." Ye Chen said.

Li Jiacheng was taken aback, glanced at Ye Chen, nodded, and said every word: "Mr. Ye, this person is extremely powerful and should not be underestimated. My Li family master did not appear. He should have killed him. Remember to be careful. !"

Ye Chen nodded, and then appeared the Dragon Slashing Sword in his hand, walking towards Yuan Biran step by step.

Yuan Biran looked at Ye Chen interestingly, and said with a sneer: "Since you are both here, it is better for you. Lao Fang is afraid of you. Yuan Biran is not afraid of you! I want to see you. What is the strength of a genius like the sky!"

Ye Chen's eyes didn't have the slightest temperature: "Have you finished talking nonsense? Originally, I wanted to kill you because of the Li family. Now you moved my friend, I am not happy, even if you are the guardian of China! Damn it!"

Hearing Ye Chen's words, Yuan Biran appeared in Ye Chen's five meters.

is silent, as if no dust has ever been lifted.

"Ye Chen, I will give you a chance to abolish your own cultivation base, then kneel down in front of me, and I will give you a complete body."

Chapter 484: The power of 3 cards

Yuan Biran's gloomy and hoarse voice slowly fell.

An invisible coercion filled the sky and the earth, like a mountain, Ye Chen could hardly breathe.

This strength far surpasses the guardian of China that he killed on the martial arts stage that day!

Ye Chen took a step, the blood dragon surged, and his momentum rose: "Sorry, I won't give you a complete corpse! Because you are a beast, unworthy!"

"Looking for death! Remember my name, Yuan Biran! Today, you will die under my hands!"

boom.....

After hearing a cold snort, Yuan Biran exploded with all his energy.

The aura that seemed like a substance, instantly swept in all directions.

Under the terrifying air waves, within a radius of tens of meters, in a blink of an eye, the sandalwood furniture was turned into rubble, dust was flying, and the rocks were everywhere: "I don't know whether to live or die! Since toasting and not eating fine wine. Then stop. Blame me for being polite!"

The cold light in his eyes flickered, and he looked at Ye Chen coldly, Yuan Biran was murderous.

Under the intense murderous intent, the entire Li family villa seemed to freeze and freeze!

The power of the strong!

The momentum alone blocked everything.

Ye Chen's eyes condensed, and he dared not take it lightly. In any battle, mastering the initiative is the odds!

That is to say, Ye Chen moved between that moment.

A cold snort, like thunder on the ground!

The powerful air wave exploded, and Ye Chen had disappeared in place.

Canglong's phantom body surged, Ye Chen held the Dragon Slashing Sword in his hand, and a sword bombarded Yuan Biran!

Huh!

There was a roar like substance. Surprisingly, I saw the Dragon Slashing Sword in Ye Chen's hand smashed fiercely on the black stick that Yuan Biran pulled out!

Ding!

A huge tremor came, Ye Chen took three steps back, and Yuan Biran was also uncomfortable!

He thought that Ye Chen's separation and reunion could not hurt him at all!

Unexpectedly, the power of this kid far exceeds that of the same realm!

At the moment of loss of consciousness, Ye Chen's knees exploded, and the whole person shot out, and the Dragon Slashing Sword broke everything!

To the extreme!

Kill! At this moment, Ye Chen was only accompanied by Slaughter.

The first sword of Potian Sword Intent was sacrificed directly!

boom.....

Then, he saw Ye Chen rush out with a powerful sword light.

The wind howled, the wind gusts, and the sand was all over the sky.

At this moment, Ye Chen descended to the earth like a **** of war, and the king over the world!

Yuan Biran sensed something was wrong, and then retreated suddenly. He could feel the horror of this sword intent!

"Damn it!"

He found that the sword intent completely enveloped him!

An invisible sense of crisis is coming!

He rarely feels this way.

"It seems I still underestimate you."

Yuan Biran let out a cold snort, and the weapon in his hand spun suddenly!

"Although your sword skill is very powerful, it can double your strength! But the strongest sword skill is also based on the cultivation base! The difference between you and me is too big, break!"

woo woo woo woo.....

The black stick followed Yuan Biran's infuriating injection, and the entire Li family villa shook in an instant.

Between the sky and the earth, there is a black mist looming, covering the sky and the sun!

As if the whole world fell into a drowsy state.

A burst of sharp and piercing sounds also came at this moment.

All over the sky, stick shadows flickered.

That stick shadow turned into a series of arrows, bursting out of the air!

Endless! Like an army of thousands, galloping forward, the whole world turns into a battlefield.

A suffocating cold came, and that coldness penetrated deep into his bone marrow, making Ye Chen's complexion pale and stiff.

"Tear!"

The first sword of Potian Sword Intent, Qianlong Slashing the Sky was directly broken by that power!

Seeing such a scene, Ye Chen took a deep breath of air-conditioning.

This is the first time Qianlong Slashing the Sky has been crushed by force! It can be seen how terrifying this guardian of China is!

It's not that Ye Chen's martial skills are not strong enough, but his cultivation base!

Bad injury!

Despite his talent, he has only cultivated for five years!

But Yuan Biran has practiced for a hundred years!

The sword intent was broken open, and the dense arrows fell, covering the sky and the sun, Ye Chen had nowhere to hide!

Yuan Biran looked at Ye Chen's slightly changed face and sneered: "Boy, if you give you a few more years, maybe you can really kill me! But now, I won't give it to you! Hand over what you just displayed Dao sword skills!

Otherwise, you will die miserably! "

Ye Chen's eyes were cold, and he looked at the dense sea of arrows, and his indifferent voice slowly fell: "You want sword skills, and you have to live!"

"Blood dragon, come out!"

With a roar, Ye Chen's body burst into an extremely bright blood!

The blood and light condensed, and the dragons are bursting!

The blood dragon rushed directly out of the body!

The top of the entire Li family villa broke through instantly! The ceiling falls directly!

"Not enough! The natal magic talisman, come out!"

The life talisman is sacrificed directly!

Ye Chen forced out a drop of blood and shot it on the magical talisman!

A masterpiece of magic light! Quite to the sky!

The place where Ye Chen stood under his feet even cracked in all directions!

The entire villa was rolled up by violent winds, and the furniture and even the walls around Ye Chen were torn apart!

Visible its power!

Li Jiacheng looked at the scene in front of him, his breath was held!

He knew Ye Chen was very strong, but he didn't expect to be so strong!

These visions, this age, what exactly did Ye Chen come from?

Even the Huaxia Jiang family could not give birth to such an enchanting talent!

The smile on Yuan Biran's face was almost stiff!

His clothes were torn open by an invisible wave of air.

He never thought that a blood dragon rushed out of this kid!

Now, this blood dragon is staring at him condescendingly!

Does anyone in China really train the dragon?

Even Kunlun Xu doesn't have this kind of existence!

Not only that, he even saw Ye Chen offering an ancient thing!

He didn't understand this thing, but at the moment it was sacrificed, the weapon in his hand trembled a bit!

This is the fear of a spiritual weapon!

Yuan Biran put away the crushing heart, his body was like a phantom, rushing out like an arrow from the string!

The black stick in his hand tore the air and hit Ye Chen directly!

The black stick went out through the sea of arrows, and was about to touch Ye Chen!

At this moment, Ye Chen raised his head with a cruel smile on the corner of his mouth!

"The blood dragon enters the sword~www.mtlnovel.com~ the magic talisman opens the way, the second form of the sky-breaking sword intent, the falling stars! Cut it for me!"

Ye Chen roared, and the blood dragon descended directly from the sky and poured into his Dragon Slashing Sword, which seemed to burn!

But the natal magic talisman turned into a beam of light and rushed towards Jianhai and Yuan Biran!

The combined force of the three hole cards is enough to kill everything!

The wind was surging and the dust was all over the sky.

Ye Chen let go of his aura, and the powerful true energy surged throughout his body. The Dragon Slashing Swords in his hand were crisscrossed, messy and complicated, scattered everywhere like spider webs, and slowly spread out.

The Dragon Slashing Sword soared into the sky, like a god-killing, swung away the killing intent that swirled around the sword, and broke out!

Before the sword's edge arrived, the cold air came first, and the murderous aura was full. At this moment, the Dragon Slashing Sword seemed to be stretched infinitely, bringing out countless phantoms, covering the sky and the earth, as if to destroy the entire land, with a momentum like a rainbow.

The sword intent fell like a star!

...

Chapter 485: Everyone's accident!

This was the only blow Ye Chen could use against Yuan Biran without using the power of the reincarnation cemetery.

The Guardian of China is almost the most powerful existence in China!

It is an old monster who has practiced for a hundred years!

If you don't use such a hole card, you won't necessarily kill you!

The falling stars rushed towards the sea of arrows!

"Boom!" A cry!

Break everything directly!

A large sea of arrows was ruthlessly torn apart! Even more rushed towards Yuan Biran!

Yuan Biran's face changed drastically!

If the sword intent that Ye Chen used just now was just passing away in his eyes, then the sword at this moment would almost shake the world!

For an instant, a sense of powerlessness was born in his heart!

This did not come from Ye Chen's Heaven-Defying Sword Skill, but a real strength!

The key point is that he couldn't think that this power was exploded from the hands of a boy in the detachment realm!

At this moment, he didn't mean to block in the slightest, even turned around, retreated quickly, and headed toward the door!

As the guardian of China, he wanted to run for the first time!

Yuan Biran even shot the weapon in his hand before leaving!

Want to stop the madness of falling stars!

"Stab!"

The black stick broke directly! Tear!

The power of cutting off the spirit weapon is horrible!

At this moment, Yuan Biran's speed was getting faster and faster, and he was about to leave Li's house, but he suddenly discovered something in the corner of his eye, his eyes were terrified!

That violent sword intent was carried by a blood dragon!

Don't plan to let him go at all!

Seeing that he was about to touch his back, he was not qualified to escape, and hurriedly forced a drop of blood to the fallen stars!

Punch out at the same time!

"Crack!"

Yuan Biran only felt a tearing pain, and his arm bones made the sound of broken bones!

Hum!

The red glow suddenly flickered, sparks flickered, and mourned.

His power is in vain in front of this falling star!

Clusters of flames directly envelop him!

"how is this possible....."

"Puff!"

That huge force poured into his arm, finally rushed into his body, and penetrated his internal organs! Under the impact of such a force, the blood all over his body rolled, he couldn't help it anymore, a mouthful of blood spurted out, and the whole person suddenly flew out.

Flying seven or eight meters, Yuan Biran slammed down on a wall. In an instant, the walls fell apart.

There was a great wave in his heart!

Regardless of everything, he wiped off the blood on the corners of his mouth and prepared to get up and leave. The bursts of heart-piercing pain on his body made his eyes angry!

He is aggrieved!

He is angry!

But what can be done!

With one move, he was completely suppressed as a guardian.

Ye Chen naturally didn't feel good either, his dantian true qi was gone!

The combined force of these three forces is far from what he can master now!

He quickly took out the pill and swallowed it all at once!

Then he held the Dragon Slashing Sword firmly and rushed out again!

In any case, this Yuan Biran must not stay!

The phantom body of the Canglong was surging, Ye Chen had already appeared in front of Yuan Biran!

Without hesitation, he slammed out with a punch!

Like a rolling machine, Yuan Biran was crushed to death in order to survive.

Although Yuan Biran was seriously injured, the camel was bigger than a horse and slapped out!

"Boom!"

Ye Chen was shaken back a few steps, a trace of blood overflowed from the corner of his mouth!

And Yuan Biran was uncomfortable, Ye Chen slammed his chest with that punch!

If it weren't for his strong cultivation base, a blood hole would surely be smashed into his chest!

He spit out blood again and gasped violently.

After that, he stared at Ye Chen fiercely, when he found Ye Chen's miserable appearance! Grinned grinningly: "Ye Chen, if I guessed correctly, this blow should have been your most powerful blow. Now you don't have any true energy in your body, and you don't have the ability to fight. You want to kill me. It's impossible!"

"You can be severely injured. It seems that all of our Guardians of China are underestimating you. If you don't die today, something might happen to Jiangdaoshan tomorrow."

"However, this time you are going to die, you don't have the ability to fight back, but I still have!"

Yuan Biran roared, and then suddenly pulled out a purple dagger!

The dagger is surrounded by purple gas, with ancient Sanskrit written on it!

As soon as the dagger came out, the breath of the entire hall seemed to freeze!

But Ye Chen's expression suddenly changed when he saw this thing!

Above the purple dagger is a sword art of the strong!

Although the power is not as powerful as the Sword Master Wandao gave him, it is easy to kill the injured and exhausted self at this moment!

"Ye Chen, it's a pity to kill your genius! But...I like to destroy geniuses the most!"

The purple dagger flew directly out, the speed is extremely fast!

Did not give Ye Chen a chance to react at all.

Ye Chen's breathing seemed to stagnate!

Seeing that the dagger was about to hit his body, suddenly, a beautiful shadow fell!

The temperature of the entire Li family villa dropped below zero!

Even a lot of cold was born in the ground.

A white hand stretched out, slender fingers spread out!

It is Wei Ying!

Ye Chen didn't expect Wei Ying to rush out at this time!

The key is that her power can't stop it!

Not only was Ye Chen surprised, even Yuan Biran sneered again and again.

A woman with almost no cultivation base actually tried to block this blow?

Foolish dreams!

Not to mention the woman in front of you, even if the Li family grows up, it is not necessarily true!

"Crack!"

Suddenly, countless water vapor surrounded the palm of Wei Ying's hand, and in a blink of an eye, an ice sword was condensed, her eyes were cold, as if nothing could get into her eyes.

"I didn't want to shoot, but the owner of this body is very emotional, you may be damned."

Wei Ying's indifferent voice just fell!

Afterwards, the ice sword shot out!

The two rays of white and purple collided instantly!

"Boom!"

The terrifying air wave exploded, and Wei Ying at this moment seemed to come from Jiuxiao.

The two powers are shocking like ghosts and gods.

The vortex of the storm condenses.

Stabbed!

The white light flickered, swallowing everything forcibly.

Hum!

A soft groan, such as from Jiuyou, made heaven and earth instantly cold.

Ding Ding Ding!

Amidst bursts of crisp clashes ~www.mtlnovel.com~ fire burst out.

Swallow thousands of miles with anger, sweep the wasteland!

The purple dagger broke directly, not only that, but Wei Ying's ice sword was also broken!

It's just that the ice crystals that the ice sword shattered into Yuan Biran's body relentlessly!

His body turned into a blood hole on the spot!

"It turned out to be **** cold..."

He stared at Wei Ying fiercely, before spitting out the last word, he fell directly into a pool of blood!

He couldn't think of it until he died, it turned out to be a woman he had ignored from the beginning!

The key is that there is only one possibility for this chill and sudden power!

Bloody cold body!

When Wei Ying saw the other party fall, she exhaled and her eyes returned to nature.

She turned to look at Ye Chen, just about to say something, a powerful exhaustion came!

The blow of the **** cold body in the body was not what Wei Ying could bear now!

She instantly paled, and then, dumped towards Ye Chen!

Chapter 488: What is your intention!

Jiangdao Mountain, on top of the mountain.

A huge flat ground, the flat ground stretches for 100 meters.

In the center is a quirky pavilion.

There is a huge round table in the pavilion on which ancient Sanskrit characters are carved.

And there are twenty stone chairs around the round table!

This is the place for the roundtable meeting of the 20 Guardians of China.

One after another, people walked towards the pavilion, and these people exuded an extremely strong aura, with their hands behind them.

One of them is Bao Peimin.

Bao Peimin took the seat and saw that the people around him were still not there, so he glanced at the direction of the entrance.

His face was a little worried, and he always felt that something bad was about to happen.

That kid shouldn't be able to break this ancient spirit protection formation, if this kid really goes up the mountain today, it may be there is no return.

The only thing he can do is give this kid a chance to survive.

Elder Wan, who was next to Bao Peimin, noticed something and sneered: "Old Bao, you don't think that kid will come up. What do you think? I admit that this kid is very talented, but this is Jiang Daoshan. Start completely. If someone rushes into it today, it will definitely die!"

"The kid wouldn't do it if he knew the current affairs."

Bao Peimin nodded, and then an old man with a white beard and blue robe sat down.

Two of the twenty stone chairs are marked with special colors.

The right holders of the two camps.

One of them is Fang Zhenye, and the other is Sun Miao, the strongest in Bao Peimin's camp.

If you really want to rank in the martial arts world, regardless of the power in the dark or the light, Sun Miao is absolutely qualified to become one of China's top powers!

"Old Sun."

Bao Peimin, Wan Lao and the others greeted each other with a hint of respect.

Sun Miao nodded, and opened the file on the desk.

The file contains Ye Chen's photo and all the specific information.

Glancing his gaze, Canglong's eyes narrowed slightly: "That kid Fang Zhenye said is this person? Interesting, Huaxia hasn't seen a stunning talent for so many years. It would be a shame if it really killed him."

When Bao Peimin heard it, his eyes were happy. He had come into contact with many Guardians of China during this time, just wanting to win over each other!

As long as these people oppose Fang Zhenye's suggestion, then the results of the round table will naturally not threaten Ye Chen!

However, many people are currently on the sidelines, and only a few people who have a good relationship with him are willing to oppose it!

If Sun Miao in front of him stands on the side opposing Fang Zhenye, that would be a blessing to Ye Chen!

"Lao Sun, I have come into contact with this son. Not only does he possess talents, he is also quite good. Fang Zhenye is completely out of nothing."

Bao Peimin said seriously.

"Oh?" Sun Miao glanced at Bao Peimin, "It's out of nothing? Do you think this son has great talents? Or can this son become a man of China?"

Bao Peimin hesitated for a few seconds, and righteously said: "Old Sun, we are all old. After all, the Chinese martial arts world will still be the world of young people. This young man, I dare not pack up and become China's leader. ! But if he can't become, no young man in China has this qualification!"

In any case, he has to convince the old man in front of him before the meeting begins! The opinion of this old man is extremely crucial!

At this moment, a cold snort resounded not far behind Bao Peimin!

"Bao Peimin, as the guardian of China, do you sit in this place with such subjective emotions?"

Hearing this voice, everyone subconsciously looked behind them!

I saw Fang Zhenye approaching here with seven guardians of China!

But Fang Zhenye's face was full of anger at the moment.

With eight people seated, Fang Zhenye was sitting beside Sun Miao.

Eighteen seats are all available.

The two positions are empty and are particularly eye-catching.

Fang Zhenye looked at Sun Miao next to him, and said, "Lao Fang, what this son is like, most people here know how many people and families have been killed since he came to China? Extremely heavy and arrogant, if this kind of kid does not beheaded, the consequences will be disastrous!"

He said while looking at Sun Miao, wanting to know his thoughts, but there was no emotion on the other person's face.

He can only continue: "This kid doesn't even look at the Guardian of China. If this kind of person is not killed, everyone in the world will look at the jokes of the Guardian of China!"

"If you continue to grow this child, the consequences will be disastrous! It will even be dangerous to us. What I am talking about is not unfounded!"

"Bao Peimin, don't think I don't know. You have some friendship with Ye Chen. You met privately in a teahouse in Xiangjiang a few days ago. Who knows if you have benefited from the other party? I heard about this. There are many treasures on him."

As soon as Fang Zhenye came, he threw out these few words, and the faces of the Huaxia Guardians present suddenly changed.

Bao Peimin snorted and slapped his palm on the stone table!

"Fang Zhenye, what do you mean! I'm just standing on the angle I should have! It's not like you are upside down! For your own selfish desires, use the round table of the Guardians of China, what is your intention!"

Fang Zhenye just wanted to say something, Sun Miao stretched out his hand and sat with a quiet sign.

Afterwards, Sun Miao looked at Fang Zhenye and murmured: "I know that a Guardian of China was killed. Now the time is almost up. How come there are eighteen? What about Yuan Biran? If we don't come again, we will start. "

When Fang Zhenye heard this, he paused, and then said coldly: "Yesterday, Yuan Biran went to Xiangjiang and was accidentally beheaded! According to my investigation, Yuan Biran was probably killed by Ye Chen by some means. !"

"In just one month~www.mtlnovel.com~ the two guardians of China were beheaded. If this is not removed, all eighteen of us are in danger."

"There are only 18 of us in this roundtable! Let's take care of it! If this child is not eliminated, if it grows, it will be lawless! Who can stop this kid in China!"

As soon as this was said, the whole world became quiet.

No one thought that Yuan Biran would also die. How long did it take to kill two Guardians of China in a row? The key point is that Yuan Biran's strength is far from that of the previous one!

Everyone didn't believe it for the first time, but Fang Zhenye couldn't make fun of the life of a guardian of China at all!

Bao Peimin's expression is also fusion, he knows Ye Chen, and he knows Ye Chen's strength even more, kill Yuan Biran?

how can that be!

He stood up directly: "Fang Zhenye, you used the word possibility, that is, you are not sure, you impose the crime on one person, will it be too much?"

Fang Zhenye took out a document and then threw it towards Bao Peimin: "These are some photos of the Li family of Xiangjiang. From the photos, only four people were present when Yuan Biran's accident

occurred. We know the strength of the Li family's father and son. Gu Ming, it's impossible to kill Yuan Biran, and that girl is even more impossible. The only possibility is this Ye Chen!"

Chapter 489: Mt.

"Bao Peimin, how many times do you want to struggle? You protect Ye Chen everywhere, I'm really curious, what stand are you standing on!"

"Could it be that Ye Chen is still your illegitimate child outside?"

Bao Peimin heard these words, so he was not angry, and slammed the table!

"Snapped!"

"Fang Zhenye, what are you talking about! I am not helping Ye Chen, I just can't understand your methods!"

"The Guardian of China is to protect China, not your tool for killing! Also, you obviously have the strength to kill Ye Chen, why don't you take the initiative to kill? With this roundtable, do you want to bring us all into the water? "

"Ye Chen is so strong against the sky, I don't believe that there is no powerful sect behind him. There are all signs that you are afraid of the sect behind Ye Chen!"

Bao Peimin is determined to protect Ye Chen!

He doesn't care about tearing up his face with Fang Zhenye anymore.

People live in a breath, and the tree fights for a piece of skin!

Suddenly, the whole round table exploded.

Everyone watched the dispute between Fang Zhenye and Bao Peimin. They didn't pay much attention to Ye Chen, but now it seems that Ye Chen is far less simple than he thought.

Fang Zhenye just wanted to stand up and say something, Sun Miao, who had been quiet, said: "I believe everyone here already understands this matter, and the documents on the table also explain the specific process."

"The fact that Ye Chen killed the two Guardians of China should be the evidence. The only problem is motivation. People have a heart to protect themselves. Ye Chen is no exception. If he kills to protect himself Guardian of China, everything is said of the past."

"Whether it is right or wrong, I must have the answer in everyone's mind."

"There is no need to fight anymore, Fang Zhenye and Bao Peimin, you two can say one last thing, and then you can vote directly. If you continue to fight like this, I don't know when it will be the first."

Sun Miao's words calmed everyone down.

Bao Peimin glanced at Fang Zhenye, and said coldly: "First, in the battle of the Beijing Martial Arts Bureau, the guardian of China broke the rules first! The evidence is solid! It's time to kill! Second, Yuan Biran's death, there are many Doubtful point, when leaving Jiangdaoshan at this time, only Fang Zhenye knows why! I don't think Ye Chen's handling has any problems! Give Ye Chen a few more years to grow up, and he is fully qualified to sit where we are now! I'm finished. !"

Bao Peimin directly sat down. He saw that several of his companions were already nodding and exhaled.

As long as nine people agree, Fang Zhenye will have no chance!

Fang Zhenye tapped his fingers on the table lightly, with a confident smile on his mouth: "I have nothing to say. I only have one request. Not only Ye Chen is going to die, but the people around him cannot stay, including his parents and friends. And his power."

"If these people don't kill them, maybe it won't take long, and there will be a second Ye Chen... to remove the roots!"

Fang Zhenye had a cruel smile at the corner of his mouth.

Sun Miao saw the two of them finished speaking, and said: "Everyone, vote, the old rules, support the beheading of Ye Chen press the red button, opponents press the green button in front of them.

At the same time, sixteen green lights flashed!

Except for Sun Miao and Bao Peimin who didn't press the button, almost everyone supported killing Ye Chen!

Bao Peimin was stunned, he found that all the people who promised to support Ye Chen with him in the past few days have changed their faces!

He may still understand the change of those people's faces, but the old man beside him actually supports the killing of Ye Chen?

Wan Lao is his best friend of Bao Peimin!

now in turn has pitted himself!

Wan Lao naturally noticed Bao Peimin's gaze, and said: "Sorry, this

----This is a gorgeous dividing line---

Once, when I stand with Fang Zhenye, Ye Chen is full of uncertainty. Although this son may achieve extraordinary achievements in the future, the gap between achievements and harm is too great. "

"If you don't kill Ye Chen, the Guardian of China won't be peaceful, I'm also doing you good."

It's not enough to raise the morale of the people!

He never thought that someone would betray him!

He wanted to help Ye Chen save everything, but now it seems that it is impossible!

Even if he and Sun Miao both voted against it, what good is it!

Fang Zhenye smiled, with a smile on his face holding the winning ticket: "Bao Peimin, the round table is over, you can't stop it."

"This Ye Chen should be damned, this is everyone's opinion, you have nothing to say."

"In this case, we split up, I will take someone to kill Ye Chen, and the others will erase the people around Ye Chen!"

"As far as I know, there is a woman named Wei Ying in Xiangjiang, who is closely related to this son. There are also several women in the capital, including her mother Jiang Rong, who will all be killed! No one will stay."

"There must be a quick fight, no delay!"

The cold words resounded, and Fang Zhenye seemed to be in charge of everything at this moment.

Sun Miao frowned. He felt that Fang Zhenye's handling method was a bit overdone, but some things were a foregone conclusion. He wanted to stop it.

Ye Chen's life and death had nothing to do with him. Hua Tiantian had a lot of talents, but a genius who didn't know how to constrain his sharp edge, even if he didn't die today, he would die in the future. Fang Zhenye just advanced Ye Chen's death.

He does not need any mercy either.

Just when all the Guardians of China stood up and were about to leave, a young man covered in blood rushed up!

"It's not good! Someone...someone killed it!"

Fang Zhenye's eyes suddenly shrank~www.mtlnovel.com~ The five-finger cohesion force directly grabbed the young man in the palm of his hand, and asked: "What did you say? Who killed it?"

"Ye..." Before the young man's words were finished, a cold sword directly cut through the sky, and hit him with a powerful wave of air.

directly penetrate!

Fang Zhenye's face changed drastically!

This young man is his subordinate, who would have thought that someone would dare to kill him in Jiang Daoshan, even in front of him!

Not only Fang Zhenye changed his face, but everyone's expressions were wrong.

At this moment, the sound of footsteps came slowly from a distance.

The footsteps are getting closer!

Gradually, a cold and proud figure appeared in front of all the Guardians of China!

The young man held a blood-stained sword in his hand, the blood surging all over his body, his eyes were extremely cold.

is Ye Chen!

Seeing Ye Chen appear in Jiangdaoshan, Bao Peimin's expression changed!

He never thought that Ye Chen would really kill him!

Isn't this to die?

These people are going to find him!

Sun Miao squinted his eyes slightly, a touch of surprise hung on the corner of his mouth, he could feel the evil intentions of Ye Chen.

How many people did this son kill to have this kind of evil spirit?

Could it be the way of killing this person took?

If this is the case, it is not wrong to kill.

After all, this kind of existence on the way of killing rarely makes a huge contribution to China.

Some extreme people have become demons.

Chapter 490: First ask if I agree with the knife!

Ye Chen finally stopped, and looked at Fang Zhenye in the distance coldly, and said: "This is the grievance between you and me, why not let the innocent people go. Novel."

He naturally heard Fang Zhenye's words not far away!

also knows the ending of this so-called round table!

A group of high-ranking beings can dominate the lives of others in a random meeting?

Are these people really the Guardians of China?

The whole **** is guarding his own interests!

Ye Chen is really angry! He knows that this time there will be more and more ills, but in any case, this battle cannot be avoided!

His state has been adjusted to the peak state! The blood dragon in the body seems to be rushing out of the body soon!

Not only that, the third sword of Potian Sword Intent, he tried a few points at the Samsara Cemetery last night.

When the natal talisman and the blood dragon were activated at the same time, he swallowed a large amount of pill, the third sword, he was enough to bear!

This is not his biggest trump card. His biggest trump card is to discover that the cemetery of reincarnation is constantly shaking. He can feel the sword master Chen Tianli getting closer and closer!

There is no power behind him?

Wandao Sword Sovereign is enough to crush everything!

Fang Zhenye looked at Ye Chen with joy.

It's all effortless to find nowhere to step on broken iron shoes!

"Boy, I didn't expect you to really set foot on Jiangdao Mountain, good! Very good! This will save me from going to you personally! After today, this place will be your burial place!"

Ye Chen's eyes were cold, and the Dragon Slashing Sword was still dripping blood. His whole body became more and more evil, and he even said: "Where are Lin Juelong! Also, where is my father?"

Fang Zhen glanced at the other guardians of China behind him, naturally he would not admit it.

"I do not understand what you say!"

Ye Chen knew that it would be this answer, no matter what, some answers were only abruptly smashed with a fist!

He didn't want to talk any more nonsense, and rushed directly to Fang Zhenye!

The wind swept across the body, killing intent to the sky!

He was about to touch Fang Zhenye, and a figure was already blocking Ye Chen.

is Bao Peimin.

Ye Chen naturally recognized Bao Peimin, and said coldly: "Do you even want to stop me?"

Bao Peiming shook his head, but said to Ye Chen: "Ye Chen, I didn't help you in this matter. The only thing I can do now is to help you hold Fang Zhenye and the others. You are not their opponent. , You really shouldn't set foot on the river

----This is a gorgeous dividing line---

Road mountain. "

"Now you leave quickly, I can't hold it for long."

The words fell, Bao Peimin drew out a cold sword and released his momentum. The long sword pointed directly at Fang Zhenye: "Fang Zhenye, even if everyone is on your side, my decision will not change."

Fang Zhenye smiled coldly: "Bao Peimin, I have seen you have a problem a long time ago. Now it seems that you dare to defy the results of the roundtable meeting. It is almost a death! I really think that you are the guardian of China. Dare to move you!"

Bao Peimin's eyes are firm! He is optimistic about Ye Chen, but his current behavior is only for his own heart!

is the salvation of the Guardian of China!

The Guardian of China has long existed a thousand years ago or even a hundred years ago!

riddled with holes!

If he goes against his heart again, then there is no need for the Guardian of China to exist.

Sun Miao in the distance looked at the scene in front of him without speaking. Although Bao Peimin belongs to his camp, Bao Peimin has committed a taboo!

The decision of the round table meeting cannot be blocked by any guardian of China.

The offender is expelled from the guardian echelon of China!

The key, he really can't figure out why Bao Peimin would do this for a nasty kid?

Fang Zhenye also showed a long sword in his hand. He looked at the two guardians around him and ordered: "You take Ye Chen, I will solve Bao Peimin!"

"it is good!"

The eyes of the two Chinese Guardians showed a trace of killing intent, and then they turned into afterimages, and they hurried to Ye Chen!

At the same time, Fang Zhenye held a big knife in his hand, his eyes were deep, and he walked towards Bao Peimin: "Bao Peimin, you violated the roundtable, I will kill you, no one will have any opinion!"

"Just let me learn your sword skills!"

Bao Peimin glanced at the three rushing people, his eyes shrunk, and he said to Ye Chen: "Boy, you go first! Today is the Guardian of China, I can't help you, I can fight for you three minutes! These three minutes you Hurry down! Find a way to leave China!"

After finishing speaking, he stopped paying attention to Ye Chen, and first went to the two guardians of China who rushed over!

The only thing he is grateful for now is that all the rest are watching the battle, not doing it!

Dealing with three people, he can barely hold back a few points!

"Stop it!"

Bao Peimin roared, stepping out.

boom...

A single palm blasted out, palm wind burst out, a substantial palm print was condensed, like a scorching sun, it rolled toward the two.

---This is a gorgeous dividing line---

-----This is a gorgeous dividing line-

/>

Without a last resort, he doesn't want to use his sword!

Because once the sword is moved, the matter will go to extremes!

Looking at the crushing palm prints, the two Huaxia Guardians who were preparing to deal with Ye Chen showed bloodthirsty sneers.

"You made a wrong move with this move!"

The two punches directly!

boom...

The phantom flashed past, and a gust of fist exploded.

Like stars descending, the moment before the palm print hits them, the fist wind rushes!

In the powerful aura, the shadow of the fist and the palm prints collided fiercely.

Like a mountain collapsed and the ground cracked.

Amidst the violent roar ~www.mtlnovel.com~ the endless gust of wind swept in all directions.

The whole earth vibrated faintly.

This is the real power of the strong!

There were cracks on the top of Jiangdao Mountain, and the surrounding giant trees collapsed!

The powerful energy swept away!

Bao Peimin took a full two steps back, his blood surged!

The other two also took a few steps back, and their eyes widened. They couldn't imagine that Bao Peimin had such strength!

At this moment, they clearly felt the numbness of their fists and felt the domineering aura that rushed into their bodies. They looked at Bao Peimin, who appeared in front of them with thunder and blocked their own blow, and the two of them were shocked. !

This Bao Peimin actually broke through!

Bao Peimin stepped forward and said to the two people: "I don't want to make another move. After all, we are all the guardians of China."

The two hesitated for a few minutes. If Bao Peimin breaks through to that level, the two of them have no intention of blocking!

At this moment, Fang Zhenye held a big knife in his hand and walked directly towards Bao Peimin!

The big sword danced, and the momentum burst out.

Only at this moment, Fang Zhenye saw murderous intent in his eyes, and his whole body erupted.

He finally didn't conceal the least of his strength!

The cold light flickered, and a sword skill was already displayed!

That cold light, almost to its extreme, cut through the sky, as if from hell, with a call to death!

"Even if you break through! If you stop, first ask me if I agree with it!"

Fang Zhenye's roar resounded through the world!
