Chapter 51: King of Nanjiang!

After doing all this, Ye Lingtian was still worried, his eyes condensed, and he directly pressed a button on the desk.

The door opened and a thin man walked in.

"Prepare the helicopter, I want to go to Jiangcheng overnight." Ye Lingtian said, his voice with a hint of chill.

The man was startled slightly, and quickly explained: "Boss, tomorrow is the last negotiation with the six big families. This is related to the situation in Jiangnan Province..."

Ye Lingtian snorted coldly, slapped a palm on the table, and the table shattered directly! An invisible evil spirit filled the whole room!

"Tell them that I will not go, if they are not satisfied, come to Qianlong Mansion to find me Ye Lingtian!"

The man never expected that King Nanjiang would be so angry, his face changed greatly: "Yes!"

.....

Jiangcheng, Dadu Apartment.

Sun Yi already felt those people searching for something in the house.

She could only hide under the bed, and she covered her mouth tightly to prevent herself from making a sound.

Soon, she heard footsteps appear outside the bedroom door, her heart seemed to hang in the air!

"The woman should be here, knock the door open!"

"Yes!"

"Boom!" There was a huge impact! The whole room seemed to tremble.

Sun Yi thought that the wooden door of the room would be easily smashed by the group of people, but he did not expect that after a crash, the door did not break, but a painful moan came from outside.

"What's the situation?" Sun Yi was a little surprised, but didn't think too much, still lying on his stomach.

At this moment, outside the door of the room, a man in a suit fell to the ground, his face was full of blood, and his body was twitching.

Seeing this scene, everyone around was dumbfounded.

Although this person hit the door with a lot of force just now, this wouldn't happen.

"What should I do next?" asked another man in a suit.

"Mr. Yao wants us to capture this woman alive, I want to see what the iron wall is!"

A man with a scar on his face stood in front of the gate, his expression gloomy.

In the next second, he slammed a punch and hit the bedroom door!

He actually faintly hit an air burst with this punch, which shows how terrifying the power is!

"Boom!"

The door shook, and a sneer appeared at the corner of Scar's mouth.

In his opinion, let alone the wooden door, even the iron door will inevitably blow open!

But as soon as his fist touched the wooden door, a powerful counter shock came!

His smile suddenly stiffened, and his body was overwhelmed!

"Punch!"

His body stepped back involuntarily!

Waiting for him to stand firm, his face is full of endless fear!

"How can this door carry energy!"

It's like he hit a shock wall just now!

He didn't believe in this evil, and punched again, but the result was exactly the same!

The wooden door in front of him was not damaged in any way, but his body was seriously injured!

He calmed down, looked at a somewhat thin man beside him, and asked, "Can you open this door?"

Since it can't be broken by force, it can only use other means!

The latter glanced at the keyhole of the door and nodded: "Give me twenty seconds."

After finishing speaking, he took out a thin wire from his sleeve and inserted it directly into the keychain, playing around.

After a short while, only a crisp sound was heard, and the lock was unlocked!

Sun Yi hiding under the bed was extremely nervous! There was only the last sentence from Ye Chen in her mind:

"If anyone breaks in within this half an hour, don't resist, surrender obediently, and wait for me to save you, remember?"

Sun Yi knew that she could not escape, she bit her lip tightly, and as long as she was found, she would choose to surrender!

Just live!

She believes Ye Chen will come to rescue her!

Believe without hesitation.

The man outside the door smiled, just about to open the door.

Suddenly there was a sound of breaking through the air outside the window. In the next second, a red dot appeared on the center of his eyebrows, his body was stiff, and he fell directly to the ground.

The surrounding companions saw the red dot on the forehead and guessed something, their complexion changed greatly, just about to pull the gun from the waist, a cold voice sounded behind them:

"The people of King Nanjiang dare to move, looking for death!"

When those people heard the sound, their eyes were full of fear!

When did this person appear behind them? There is no sound at all! Like a ghost!

Just about to react, a sharp long knife slid directly across all the necks!

Seal the throat with a knife!

Five people were killed on the spot!

The wounds are exactly the same!

An icy murderous intent directly covered the audience.

Among the audience, only the scarred man is still standing!

"The King of Nanjiang..."

The scarred man stared at the black man who appeared in front of him, his eyes were full of death, and he was gently wiping his **** knife with his hand.

This scene is too gloomy.

The key, the man in black did not look at him at all, but made his legs tremble!

Only because of the three characters of King Nanjiang!

This is the most terrifying existence in China Jiangnan Province!

There are even rumors that they would rather offend the top family of Jiangnan Province than the underground king Nanjiang King!

Jiangnan, who will preside over the ups and downs? Only the King of Nanjiang!

Scar Man is really a little panicked!

Ghost knows why Nanjiang King's men came to the door!

A few seconds later, the black-clothed man's knife was wiped clean. He raised his head, looked at the Scar Man, and said lightly: "You did it yourself, or I did it."

The scarred man was slightly startled, just about to speak, a black shadow flashed across!

"Crack!" With a sound, his neck appeared 360 degrees and was broken alive!

"If it weren't for Nanjiang King's request, I really don't want your trash to dirty my knife." The man in black looked at the corpse on the ground and muttered ~www.ltnovel.com~ Then, he snapped his fingers lightly. , Four or five people swarmed outside in an instant.

"Clean up here, as if it didn't happen."

"Yes!"

Before long, the corpses in the room were taken away, and even the blood stains on the floor disappeared, exactly the same as before.

The man in black walked to the door and knocked gently.

"Miss Sun, we have solved the problem. Today we will always be guarding outside. You can rest at ease."

Although Sun Yi heard the outside sound, she still did not move because she was not sure whether the people outside were good or bad.

I don't know how long it took. Sun Yi saw that there was no movement outside, so she got up, put her white hand gently on the doorknob, and slowly opened a gap.

She was surprised to find that there was no one in the living room, not even footprints on the ground!

Then, she tiptoedly walked to the gate and glanced at the cat's eye. She suddenly found two straight men standing outside the gate, just like soldiers.

Farther away, there is a man in black wearing a jacket and smoking a cigarette.

The man in black apparently noticed something, looked at the cat's eye, and smiled: "Miss Sun, don't worry, we are Mr. Ye's people and are here to protect your safety."

Hearing Mr. Ye, Sun Yi let out a long sigh.

She thought about it carefully. The door had been opened by those people a long time ago. If they really had to deal with a woman who had no power to hold her hands, they would have rushed in.

"Mr. Ye... who exactly is Ye Cheng?"

At this moment, Sun Yi's heart is full of horror and doubt.

Chapter 52: Ye Family's Death Day!

One o'clock.

Sun Yi still did not sleep, because she found that Ye Chen had not returned.

Everything that happened during the day lingered in her mind, and she really found that she didn't recognize that guy.

At first, she thought Ye Chen was just a poor boy who came to the countryside to pan for gold!

can't even pay the rent, even cheeky asking her a woman for money.

Not only that, he is also an out-and-out liar!

All kinds of behaviors made Sun Yi look down on him a bit, even disgusted him.

If it wasn't because this guy looked like that dead old classmate, maybe she wouldn't even want to take it in.

Later she found out that she was wrong.

completely wrong.

Ye Chen subverted her cognition time and time again.

A prescription written by this guy was set as a sky-high price prescription by Huamei Group.

Jiangcheng commercial giant Shen Haihua must watch his face carefully.

The genius doctor Qiu from the capital and the director of the Fifth People's Hospital both nodded and bowed to wait on him.

plus those mysterious people outside the door now.

I don't know why, she feels a little danger from these mysterious people. This danger comes from the depths of the soul.

As for the guys who broke into the door, it was like the world has evaporated. Sun Yi always felt that these people were killed by mysterious people outside the door.

She felt as if she was touching a world she had never seen before through Ye Chen.

Just as she was thinking, a cell phone ringing awakened her.

She pressed the answer button violently, and a magnetic voice came from inside: "Are you okay?"

Sun Yi heard this sound, and subconsciously covered her mouth, her eyes couldn't stop falling!

She choked and said, "Ye Cheng, I'm okay, those people have been driven away... You... Where are you now? Do you have anything to do?"

There was a relieved voice on the other end of the phone, and it took a long time to say: "I have to do something outside. Come back tomorrow morning. Don't worry. That's it. Hang up."

The phone hung up.

Although Sun Yi is reluctant to give up, she knows that when a man wants to do things outside, as a woman, she shouldn't ask and disturb.

She looked at the phone in a daze. Suddenly, a calendar reminder popped up on the phone—Ye Jia, death day.

"Yes, tomorrow will be the anniversary of the Ye family's death. I guess I will be the only one going to the grave this year."

.....

At the same time, Tiandang Mountain.

Tiandang Mountain is a well-known cemetery mountain in Jiangcheng. It is said that this mountain has excellent geomantic omen and burial here can bless future generations.

So most people in Jiangcheng will bury their deceased here.

At this time in the early morning, looking from a distance, you can see dense tombstones, and the cold wind roars, which makes people scared.

Suddenly, a black shadow was rushing towards Tiandang Mountain, so fast that it was almost invisible.

After a short while, the shadow stopped and stood motionless in front of a tombstone, like petrification.

This dark figure is Ye Chen.

After many years, Ye Chen came to this tombstone again, looking at the three knife-like names on it, he could no longer restrain his inner emotions, his eyes were red!

A teardrop fell directly on the ground along the cheek.

Iron-blooded tenderness! No matter how many people he kills, he is still a person who longs for fatherly and maternal love!

In the past five years, who would have thought that a young man without the power to bind a chicken would dare to slaughter wild beasts!

Who can think of how a young man who has missed the best time to practice Phoenix Nirvana! reborn!

Who knows the pain and suffering behind this!

He is practicing crazy! He killed countless people! Created a terrible reputation!

Ye Chen doesn't believe in heaven, he doesn't believe in heaven! Just believe in yourself!

But at this moment, he is nothing, he is just Ye Chen from the Ye family.

Ye Chen wiped away the tears and threw Yao Jingu on the ground directly!

"Kneel me down!"

Yao Jingu, as a martial arts master, how can he suffer such insults!

He stood up without kneeling at all!

Ye Chen didn't hesitate, two true qi condensed in his hand, which fell directly between Yao Jingu's legs.

"Pump!" Yao Jingu knelt directly in front of the tombstone.

"Kow your head." Ye Chen's cold voice sounded again!

Yao Jingu was miserable, looked at Ye Chen, and said: "You kill me, Yao Jingu will not bow to such a common man!"

Ye Chen stretched out his hand and clasped it directly on his neck. The next second, he suddenly exerted force and directly knocked Yao Jingu to the ground.

"Boom!"

In an instant, Yao Jingu's head oozes a trace of blood.

"Kump again!"

"Kump again!"

.....

A total of ten, Yao Jingu was almost confused and his head was full of blood.

Vaguely, he heard Ye Chen's voice:

"Parents, Chen'er came to see you, now Chen'er has embarked on a journey of cultivation, and has the ability to avenge you! Chen'er swears that all the people involved in Yunhu Villa five years ago, including the man from the capital Chen'er will personally smash them to **** to atone for your sins!"

Ye Chen banged his head fiercely.

Then, his eyes condensed, and the cold murderous intent shot directly at Yao Jingu who was aside!

"I knelt and knocked my head, how do you want to die?"

Yao Jingu's face changed drastically. He suddenly thought of something and said in horror: "You can't kill me, I know a secret... the secret about your parents..."

Ye Chen was startled, and immediately grabbed Yao Jingu, and asked: "What's the secret!"

Yao Jingu looked at Ye Chen and said softly: "Actually your parents..."

Before he finished speaking, Yao Jingu spit out a small black dart from his mouth! Shot at Ye Chen.

Ye Chen naturally noticed the danger and snorted coldly, avoiding the black dart on one side of his body.

"You asked for this!"

In the next second, Ye Chen waved his palm, and a burst of zhenqi condensed into a strong wind, cutting it towards Yao Jingu like a sharp blade!

After the sharp blade, Yao Jingu's head fell to the ground, and his headless body fell backward. UU reading [www. uukanshu. com](http://www.uukanshu.com)

"I, Ye Chen, use your head today to sacrifice to my dead parents!"

Then, Ye Chen directly destroyed Yao Jingu's body. As for his head, he found a black bag and put it in front of the tombstone.

After doing all this, he went to the 24-hour supermarket down the mountain to buy a few bottles of liquor, and came to the tombstone of his parents again, leaning against him, drunk alone.

In the past five years, he has not dared to get himself drunk once, but today, he is willing to indulge himself once, as a company with his parents, the parents who died in Yunhu Villa five years ago.

.....

9 o'clock in the morning.

A Beetle drove slowly towards Tiandang Mountain.

Although Sun Yi was frightened for a day, at nine o'clock at this time of the year, she would come to see the three dead Ye Family with impatience.

If she doesn't watch, no one will really watch it, how pitiful it is.

She maintained this habit for five years.

She found a place down the mountain and parked the car, carrying some things that went to the grave in her hand, and walked towards the stairs step by step.

The stairs are very long. By the time she walked two-thirds, she was already sweating and panting.

Suddenly, her eyes narrowed because she found that there was a man sitting in front of the tombstone of the Ye Family Three.

Because the distance is too far, she can't see clearly, the man seems to be drinking.

Ok?

Is it a distant relative of the Ye family?

Sun Yi continued to climb up with curiosity, and slowly, the silhouette of the man began to become clear.

When she saw the man completely, she was stunned, her brain was blank, and she stepped back subconsciously, covering her mouth, her eyes were red, and her body trembled!

"That man is... Ye Cheng!"

Chapter 53: I, Ye Chen, will personally pull him off the altar!

At this moment, no one knows Sun Yi's mood!

Maybe like a stormy sea that keeps rolling in my heart.

In theory, it is impossible for Ye Cheng to appear here.

Because he has nothing to do with the Ye family who destroyed the door five years ago!

But in front of him, he appeared, really appeared.

"Ye Cheng... Ye Chen... I should have guessed it a long time ago..."

She murmured a few words, completely stunned, her tears couldn't be controlled!

Sun Yi was sure in her heart that that guy had disappeared for five years, and everyone thought he was dead, but Ye Chen who couldn't find the body!

The boy who saved him is not dead! He is still alive!

During this time of cohabitation, she did not doubt the young man in front of her!

Although the appearance and temperament of the other party and Ye Chen are very different, there is nothing wrong with that familiar feeling!

"Ye Chen... he's back... he's back with the power to stun the world..."

If you really want to say, five years ago, maybe it was the Ye family trash who was laughed at by everyone in Jiangcheng.

And now, Ye Chen has already torn off that waste mask, revealing his true colors.

Under the mask is Mr. Ye who countless people are looking up to and fawning!

Sun Yi suddenly thought of seeing Ye Chen's body that day. It was full of scars and shocking.

What has he experienced in the past five years? It must be painful.

Seeing their parents being killed, living alone, alone, carrying hatred, this kind of pain is far from what ordinary people can understand.

She can't imagine how desperate a fifteen-year-old boy was when he fell into Dongqian Lake!

To live is more terrible than to die!

Sun Yi stepped up the stairs step by step, and she remembered something every step of the way.

That day, Chu Shuran ruthlessly rejected Ye Chen's confession in front of all the teachers and students of the school. She clearly remembered how pale Ye Chen's face was!

She can only look from a distance, watching countless people point to Ye Chen's nose and scold him for waste!

She wanted to stand up and retort, but she didn't have the courage, her strength was too small, it was impossible to compete with those powerful children.

But she knew that Ye Chen was actually not a waste at all. The way he drove away the gangsters at the beginning, and his bravery was as clear as a brand on her girl's heart.

Since then, Ye Chen has been depressed, without a smiling face, absent from school every day, and lives like a dog in a family.

She tried to persuade Ye Chen by asking questions several times, but was rejected.

Until later, Ye Chen didn't come to class for several days, and the school didn't even pay attention.

She went to Ye Chen's house, only to find out that Ye's house had been sealed, and there was no more Ye's house in Jiangcheng.

Ye Chen and his parents both died at a banquet.

The official said it was accidental, but the more she touched it, she realized that there was a huge conspiracy hidden behind it, a conspiracy she didn't even understand.

After walking the stairs, she has come to Ye Chen with a hint of drunkenness.

"Ye Chen...Don't drink it..."

Hearing this crisp sound, Ye Chen was slightly startled, raised his head, and saw a beautiful young girl.

He was slightly surprised and opened his mouth: "Sun Yi, why are you here?"

Sun Yi wiped away her tears, smiled slightly, knelt down, grabbed the liquor from Ye Chen's hand, and took a sip.

She had never drunk alcohol, and coughed violently in an instant.

"Why is this wine so choking..."

Sun Yi flung out the liquor in his hand and said seriously: "Don't drink it, please come home with me later."

After speaking, he didn't wait for Ye Chen to react, lit the candle and incense, bowed slightly, and muttered, "Uncle and Aunt, this is the fifth year, and it's been a long time. What I didn't expect is that Ye Chen is back. I really came back. Uncles and aunts, rest assured, I will help you take care of him and keep him from messing around. But to be honest, I am really proud of you giving birth to such a child, he is the most I have ever seen Excellent boy, really..."

Ye Chen looked at the girl in front of him and said like this, as if he was chatting with relatives, he knew that there was no need to explain everything, and the smart girl knew what to say when.

After talking for about fifteen minutes, Sun Yi lit the paper money. When the paper money was extinguished, Sun Yi stood up, patted Ye Chen on the shoulder and said: "You were here last night. Look at your body of alcohol. It smells so bad. . Your parents have already told me, let me take care of you, so now you go home to take a bath, and then sleep, you hear?"

Ye Chen felt a little warm in his heart, but still stubbornly said: "You are not my wife..."

Sun Yi stood up with her proud chest: "Uncle and Auntie said again, before you find a daughter-in-law, I will act as your representative daughter-in-law! Hear you! Now, come home with me, if you have anything to say, I will come with you next time..."

Ye Chen glanced at his parents' tombstones and thought, maybe this is what his parents want to see most.

He knelt down a few times again, and then asked Sun Yi to go down the mountain first, allowing himself to say another word.

Sun Yi naturally agreed and walked down the mountain.

The moment Sun Yi walked away, Ye Chen glanced at the head wrapped in the plastic bag, bit his finger, and pressed a mark on the tombstone:

"From today on, that waste Ye Chen has already died in Dongqian Lake, and now Ye Chen will take back those lost one by one! I will deal with those people in Yunhu Villa personally, as for the one in the capital of the gods. The man who went up, I, Ye Chen, will personally pull him off the altar!"

Ye Chen finally left.

.....

An hour later, a young girl appeared on the stairs of Tiandang Mountain.

The girl is quite glamorous, with a shirt on her upper body and a custom DGL jacket on the outside~www.ltnovel.com~ The shirt can't cover the proud breast. The peaks and mountains are undulating, graceful and graceful, with a small waist. , The curve is balanced and the figure is bursting, which can definitely be described by the word'devil'.

wears a pair of black slacks to complement her tall and slender figure. Paired with a pair of LV black low-heel pointed toe shoes, the whole person looks solemn and unattainable.

If Ye Chen and Sun Yi are here, they will definitely find that this girl is Chu Shuran!

Chu Shuran had a nightmare yesterday. When she woke up, she found that her whole body was soaked. When she saw the calendar, she suddenly realized that five years have passed since Yunhu Villa.

A ghost messed up and she let the driver drive to Tiandang Mountain.

She finally found the tombstone of the Ye family three.

Standing in front of the tombstone, she looked at the photo of Ye Chen and her eyebrows were a little helpless: "Ye Chen, Ye Chen, it was just a joke from Chu Shuran, I didn't expect to put you in such a situation. Five years have passed. , I regret it a bit."

"But this is the rule of this world. The weak eat the strong, and the weak are only eligible to be played by the strong. Only if your Ye family is weak will be wiped out by the big man, and if you Ye Chen are weak, will you be played by our family children. Hopefully. When you get down, you can cheer yourself up and don't be as embarrassed as a trash, otherwise I, Chu Shuran, will still look down on you... That's it, I'm leaving."

Just as Chu Shuran was about to turn around, he suddenly noticed that the candle was still burning, apparently there had been.

"The Ye family has fallen so badly, there are still people willing to come to worship..."

She gradually fell on a black plastic bag again, her tall nose sniffed slightly, and she actually smelled a **** breath.

She frowned, bent over slightly, and opened the plastic bag...

Chapter 54: Can I hold you to sleep?

The bag opened.

Chu Shuran saw a blood-sparkling head.

She stepped back subconsciously, her body trembling, and she covered her mouth, her eyes filled with shock at this moment!

not because of fear, but because she knows the head in this bag!

Yao Jingu!

is actually Yao Jingu!

Yao Jingu, the master of martial arts in Jiangnan Province!

One-handed Golden Cloud Claw is almost famous in the ancient martial arts world of Jiangnan Province!

A year ago, she personally and his father went to Yunzhushan to visit this person!

At that time, his father told him that this man was about to be recruited by a big family in the capital, and he would surely soar into the sky by then!

A year ago, she also saw this man seriously injured ten martial arts masters in a competition!

Horror!

But at this moment, Yao Jingu, who was so terrifying in strength, was actually killed! He was brutally cut off his head and placed it on the tombstone of the Ye Family! As a sacrifice!

Who is ? Who has this strength to kill a martial arts master!

And he noticed that Yao Jingu's eyes were wide, as if he had seen something extremely frightening before he died!

What did he see before he died?

At this moment, even though Chu Shuran's psychological endurance is extremely strong, she also feels cold behind her back! That is an existence that can kill the Grand Master, which is enough to change the entire Jiangcheng, and even the pattern of Jiangnan Province!

Is Jiangcheng going to change the sky?

She noticed the blood mark on the tombstone of the Ye family again!

The blood has not completely dried, which means that the person has not gone too far!

Why did that person put Yao Jingu's head on the tombstone of the Ye Family?

"Ye Family, Yao Jingu..., why is it today...is there any connection..."

Chu Shuran's eyes were filled with unprecedented seriousness.

Suddenly, her pupils dilated! She thought of an almost impossible possibility!

The only connection between the Ye family and Yao Jingu was the banquet at Yunhu Villa five years ago!

Even more bizarre is that the tragedy of that banquet happened five years ago today!

All these are connected, it's like revenge!

Someone came to Yao Jingu for revenge! For the Ye family who destroyed the door of Yunhu Villa five years ago!

Not only that, Chu Shuran thought of the deaths of Chen Zhengguo and Chen Feng the other day! Their deaths are equally cruel!

No one knows who killed them?

only knows that they seem to have seen extremely horrible things before they died!

Chen Zhengguo, Chen Feng, and now Yao Jingu, Ye family, the only connection is the banquet in Yunhu Villa five years ago!

At this moment, Chu Shuran's heart was setting off a stormy sea, and a sense of death slowly climbed into her heart.

This is a fear of the unknown.

Because their Chu family was also at that banquet, who knows if the Chu family will become the second Chen family?

Will Chu Shuran become the second Yao Jingu whose head was severed and sacrificed to the Ye Family?

"Who is it? Who wants revenge for the Ye family?"

.....

Chu Shuran didn't think much anymore, and immediately returned home, and asked his subordinates to investigate all the cameras near Tiandang Mountain!

If she can't find the person behind, she won't feel at ease!

This is about the life and death of the Chu family!

But something even stranger happened. All the cameras in Tiandangshan were cleared for that day!

Even the traffic camera that is five kilometers away has a problem!

Who has this method to control the entire Jiangcheng surveillance system? This is already the ability to cover the sky with one hand!

Chu Shuran discovered that the person behind it was like a ghost!

can't capture.

Her back was completely wet, and no longer hesitated, she picked up the phone and dialed a call: "Dad, it's not good, something has happened."

.....

Dadu Apartment.

Ye Chen and Sun Yi returned home.

Sun Yi abruptly dragged Ye Chen to the toilet and took a bath, then stood at the door and urged Ye Chen to lie down and get a good night's sleep.

In this broad daylight, Ye Chen really couldn't sleep.

Besides, as a cultivator, sleeping is really a dispensation for him.

Sun Yi saw that Ye Chen refused to sleep, and she felt very worried. She thought Ye Chen was still thinking about the death of her parents.

This must be a big blow to him.

If she were replaced by herself, she might have collapsed long ago.

"Promise me, you just go to bed, you haven't slept all day, from a medical point of view, this is extremely harmful to your body." Sun Yi walked in, stood in front of Ye Chen, and said softly .

In fact, she hadn't slept for almost the whole night, and now she was a little sleepy, and even yawned.

Ye Chen naturally noticed Sun Yi's sleepiness. This girl guessed that she had been frightened for a day last night. To a certain extent, she was completely hurt by herself. The key point is that Sun Yi has not asked about what happened last night. It seems that I don't want to put pressure on myself.

Ye Chen hesitated for a few seconds, but still compromised: "You can also sleep if you want me, and you must lie down and sleep."

When Sun Yi heard it, he understood the wrong meaning, thinking that Ye Chen was going to sleep with her, and his cheeks instantly blushed, and even more sorely: "Ye Chen, why do you guys have such bad thoughts all day long?"

Ye Chen's face is full of doubts, he has no bad thoughts, he is just asking you to go back to the room to rest.

He was just about to explain. Sun Yi bit his lip, as if made up his mind, and began to undress, "Looking at you from freezing all night, I reluctantly agreed to your rude request, but you can't touch me. I, I will bite you! Humph!"

Ye Chen is completely startled, Sun Yi wants to sleep with herself? The beauty of such a hot body actually started to undress?

He swallowed, expecting something in his heart, but Sun Yi just took off his jacket, and didn't take off the T-shirt inside. That proud figure was not completely exposed.

Sun Yi glanced at her pants, it is impossible to sleep in jeans, so she ordered Ye Chen: "Close your eyes, then go to sleep, I want to take off my pants..."

Ye Chen naturally understood, UU read www.uukānshu.com quite honestly and fell asleep, and even closed his eyes.

Soon, he felt a warm body entering his quilt.

Sun Yi fell asleep on his side and turned his back to him.

Even if he was wearing clothes, Ye Chen could still feel the devilish body, and even the tip of his nose could smell Sun Yi's faint body fragrance.

Sun Yi seemed to perceive Ye Chen's gaze, and turned around to face Ye Chen. She was a little nervous, pretending to be calm and said: "I warn you, I have learned Taekwondo, I kick people very well, if you Dare to have any ideas, I kicked one side, and another dragon wobbled its tail..."

"Shenlong's tail swinging doesn't seem to be Taekwondo..." Ye Chen was weak.

Sun Yi: "What do you care about so much, I created it! Humph!"

After speaking, Sun Yi turned back and resumed her original posture.

The room fell into silence for a long time.

I don't know how long it took, Sun Yi whispered: "Ye Chen...Are you asleep?"

"No."

"I'm a little scared in retrospect. May I give you a hug? Just a moment."

Ye Chen looked at the charming girl in front of him, naturally he would not refuse, and said: "Okay..."

"You turn around, if you hug face-to-face, that posture is too awkward..." Sun Yi's voice was very soft, and her face was as red as blood. She didn't know why she made such a rude request, and she was even worried that Ye Chen would think she was a little sloppy...

Ye Chen did it. Soon, he felt a warm stick on it.

That is the beautiful body of a girl.

And Ye Chen even felt his back cling to the proud mountains of Sun Yi.

is almost close to a large area...

is soft and comfortable.

Chapter 55: You want someone to commit a crime

Not long after Ye Chen wanted to speak, he heard heavy breathing coming from his ears.

Sun Yi actually fell asleep.

She was so tired that she couldn't feel at ease all night. Holding Ye Chen at this moment gave her an unprecedented sense of security.

Gradually, Ye Chen found that Sun Yi's soft body was sticking up more and more, and the slender and white thighs hung directly on his body.

Ye Chen swallowed subconsciously, and suddenly thought of the body of Sun Yi he accidentally saw when he took a bath.

Hot body to the extreme.

Almost instantly, his body reacted.

It's impossible to change to any man with such a hot body next to him.

Ye Chen took a deep breath, trying to control himself not to think too much, but something more shameless appeared, Sun Yi may not sleep well, put his hands directly, and now he actually put it on the most important part of his body... the whole person Hanging like a sloth...

"Sun Yi, Sun Yi, you are a magnate committing a crime..."

.....

Three hours later.

Sun Yi woke up in a daze, she felt too heavy sleep, but she was very comfortable.

She opened her eyes and felt something under her body pressed against her, which was a bit uncomfortable.

"Ok?"

Eyes widened, and the world suddenly became clear. She was surprised to find that her whole body was almost lying on Ye Chen's body!

Close to each other!

The key position is too ambiguous!

She subconsciously understood what was holding herself under her!

Without personnel, her face flushed, but seeing that Ye Chen was not awake, she quickly tiptoed up to her feet.

Just got up, a magnetic voice rang in his ear: "Are you awake?"

Sun Yi was frightened, her body lost her center of gravity, she fell directly, and fell on Ye Chen's body!

The pair of rough things pressed against Ye Chen's face.

Sun Yi is not alone! Ye Chen was also dumbfounded!

Is this a welfare God gave me?

The whole room fell silent.

One second, two seconds, three seconds...It was not until the doorbell rang that the two of them were brought back to reality!

Sun Yi quickly got up, her eyes were dodging: "I...I'll open the door..."

Sun Yi, who was out of the room, let out a long sigh. She never thought that she would have slept on Ye Chen's body. The key is that her chest was pressed on Ye Chen's face just now... I was ashamed. !

Stop thinking, Sun Yi adjusted her hair and went to open the door.

The door opened, and to her surprise, there was a beauty who didn't lose her appearance at all!

"You are..." Sun Yi didn't remember knowing the person in front of him.

Shen Mengjia saw that the door opening was a strange woman, and she was equally puzzled.

She remembers that the investigation revealed that this is clearly where Mr. Ye lives?

She glanced at the figure of the woman in front of her, and she felt a sense of defeat in her heart.

There is such a perfect woman in Jiangcheng? The key is that this woman's face is so red, did she just do that kind of thing in the room?

Mr. Ye is in there too?

Kanaya Cangjiao?

Definitely not. How could Mr. Ye be here? Maybe she got the wrong address.

"Who are you looking for?" Sun Yi frowned and said softly.

Shen Mengjia just wanted to talk, but Ye Chen walked out of the room naked to the top!

When he saw Shen Mengjia, Ye Chen remembered that he had an appointment with Shen Haihua's family for dinner today!

originally said that he would call Shen Mengjia in advance, but he overslept, so he forgot about it!

When Shen Mengjia saw Ye Chen's appearance, she glanced at the flushed-faced Sun Yi, and instantly understood what she didn't know why, her heart was a little empty, as if she had lost something.

The only hope she had left was completely shattered like this.

Sun Yi, as a woman, saw the changes in Shen Mengjia, and naturally understood something. She instinctively produced a trace of hostility. After all, Shen Mengjia's appearance and temperament did not lose her at all.

She coughed lightly and asked Ye Chen: "Ye Chen, who is she?"

Shen Mengjia put aside the thoughts in her mind, smiled, bowed slightly, and said to Ye Chen:

"Mr. Ye, because I haven't received your call today, my dad was a little worried, so he asked me to come to you. It was a bit abrupt and I'm really embarrassed."

Ye Chen got dressed, wrote a note directly and handed it to Shen Mengjia, saying: "This is the address for dinner tonight. It is my friend's place. You and Mr. Shen said, at 6 o'clock in the evening, see you or leave."

Shen Mengjia lightly nodded his head, took a deep look at Sun Yi, and left.

After Shen Mengjia left, Sun Yi approached Ye Chen quite gossiping, and curiously asked: "Who is that beautiful girl? I think she is hostile to me... Is it your old friend?"

Ye Chen shook his head and explained: "Shen Haihua, you should know that it is the boss of the Beiming Group. She is Shen Haihua's daughter, Shen Mengjia. She had promised to invite them to dinner today, but she forgot. I don't know her very well, I just met a few times."

Sun Yi nodded thoughtfully, suddenly thought of something, and blinked: "Um...I don't really want to cook dinner today, or you can pick me up."

Ye Chen didn't think much, and agreed. Besides, Uncle Wang and Aunt Zhang, Sun Yi should also know each other, and they can be regarded as their own~www.ltnovel.com~ outside of most apartments.

An extended Lincoln car was parked.

Shen Mengjia angrily opened the car door and sat in.

Shen Haihua was overjoyed when his daughter came back: "Mengjia, is Mr. Ye up there? Have you seen it?"

Shen Mengjia directly threw the piece of paper in her hand to Shen Haihua and said, "That guy is on it, so be happy!"

As a business giant, Shen Haihua has the ability to observe words and colors. He glanced at the note and smiled: "Did you see other women in it?"

Shen Mengjia turned her head and said angrily: "I thought Mr. Ye was a gentleman. I didn't expect that he would also like that kind of long, good-looking, big breasted woman... But then again, if I were a man, I would treat that girl. His body has no resistance!"

She felt that it was not enough to relieve her anger, and said: "Dad, don't let me contact this Mr. Ye anymore. I already have a girlfriend! I don't want to be a junior."

Shen Haihua smiled heartily, patted her daughter on the shoulder, and said, "I thought it was something. Mengjia, I told you that this is a great thing!"

"Is this a good thing?" Shen Mengjia's eyes widened in disbelief.

Shen Haihua nodded and said seriously: "There is such a beautiful woman beside him, which only shows that Mr. Ye also has seven emotions and six desires. This is the opportunity of our Shen family! I am sure that in Jiangcheng, there are no more than ten women who can compare to you. In other words, as long as you take the initiative, Mr. Ye will naturally not be able to resist."

"Also, you don't know what Mr. Ye's future means. Jiangcheng will not be his stage, nor will Jiangnan Province be his stage. His stage is the entire China! Do you think this kind of character can only be around Is there a woman? Huh, let alone one, ten are considered to be few!"

Chapter 56: This is the so-called big hotel?

Shen Mengjia heard her father's words, her whole brain went blank, but after thinking about it, it was indeed normal.

Since ancient times, which powerful man is not the Harem Belle Three Thousand?

A woman is just a vassal for the strong.

Even his father, as Jiangcheng's business giant, his mother actually knew that there were some women outside him.

But is Ye Chen really worth the effort? Is he really worthy of his father's admiration? Shen Mengjia had some doubts.

From the time she knew Ye Chen to now, she only knew that this man had some medical skills, but medical skills really dominate everything?

Shen Mengjia didn't plan to keep thinking about it, because he was a little angry when he thought of Ye Chen's appearance.

Shen Haihua knew that his daughter had accepted this fact, and did not intend to say more, his eyes fell on the note in his hand.

"Xilin Lane 14? Which restaurant is this address? Jiangcheng has this restaurant?"

Shen Haihua was a little dazed. He had stayed in Jiangcheng for decades, but he seemed to have never heard of the place in front of him.

"Mengjia, do you know where this Xilinong is?" He asked his daughter for help.

Shen Mengjia glanced at the content on the note, and frowned: "I haven't heard of it either, isn't it in Jiangcheng..."

Just when the two of them were puzzled, the driver Xiao Xu, who was sitting in the driver's seat, spoke weakly: "President Shen... I seem to know where Xilin Nong is..."

Shen Haihua slapped his thigh and said with a smile: "Since you know it's the best, we'll be there soon. We can't let Mr. Ye wait!"

"But..." Xiao Xu seemed a little unspeakable.

"But what? Is this place gone?" Shen Haihua asked in surprise.

Xiao Xu shook his head, and said with a rather weird expression: "President Shen, if you are not mistaken, this Xilin Lane... is a lesser-known garbage street in the local area... Usually only some very broken snack bars will open. Going there... it shouldn't be good to eat there, the average consumption is 30 yuan..."

Garbage Street?

snack bar?

Per capita consumption is 30 yuan?

Shen Haihua and Shen Mengjia's expressions have changed a little!

They have not eaten more than 1,000 in the past ten years! Even the drinking water is imported Fijian water!

Now Ye Chen actually let them eat this unclean snack?

Didn't Ye Chen just get nearly 100 million in consultation fees? Are you going to such a place to invite them to dinner so soon?

Oh my God!

If anyone did this, Shen Haihua would have smashed the table with anger!

But for Ye Chen, he couldn't breathe at all, so he could only sigh, and said, "It's still early, let's go back to the villa, and go to Xilin later. This is what Mr. Ye's intentions are."

.....

At five o'clock in the evening, almost time, Ye Chen urged Sun Yi to set off, but Sun Yi changed a dozen sets of clothes until she was satisfied.

A short skirt with black stockings is just right, coupled with stiletto heels, directly show Sun Yi's long legs.

"Sun Yi, are you going on a blind date when you dress like this?" Ye Chen said.

Sun Yi gave Ye Chen a white look, and said proudly: "Girls go out, so you have to look better. Doesn't this also give you a long face?"

Ye Chen didn't continue chatting, and went straight downstairs with Sun Yi. Because of wearing high heels, Sun Yi did not drive this time, and the two chose to walk to the door to stop the taxi.

stopped for a long time, don't know why, there was no taxi.

"Ye Chen, let's go to the opposite intersection, there are more taxis passing by." Sun Yi said.

Ye Chen naturally agreed. The two of them just arrived at the intersection, but unexpectedly saw an acquaintance.

I saw Sun Yaoyao and a woman wearing a famous brand coming out of the Tomson No.1 product not far away.

Sun Yi quickly turned around, lowered her head and whispered softly: "It's really disappointing, I met this guy again!"

Sun Yaoyao in the distance naturally noticed Sun Yi and Ye Chen.

What happened in the hospital last time is still vivid! This is almost the biggest humiliation she has suffered in her life!

Obviously he was beaten, and I have to apologize to the beater!

What kind of absurd logic is this!

The key point is that she loses her face in front of Sun Yi, who is so desperate!

The image she had established over the past ten years collapsed that night!

She blamed all this on Sun Yi!

She still doesn't understand why her father is afraid of that old man. Isn't he just a bad doctor? Doctors have merchants to make money?

No longer thinking about it, she turned to the woman next to her and said, "Xin'er, did you see the girl who was wearing such a showy dress at the intersection? The Sun Yi I told you last time is her! The man next to her is her. My friend, you didn't know how arrogant these two people were in the hospital that day... I mentioned you at the time, but they said that even if you came, it was useless and didn't put you in the eyes..."

Sun Yaoyao's best friend Li Xin looked a little unhappy when she heard the latter sentence. Her father was the boss of Jiangcheng Keyuan Group, with a family property of several billions. Compared with Sun

Yaoyao's father, it was a world, not to mention her. Didn't know the two at all, did these two dog men and women say that behind her?

Sun Yaoyao took Li Xin's hand and said coquettishly: "Xin'er, you have to call the shots for me..."

Li Xin thought for a few seconds, then nodded: "Go, we will meet those dog men and women in the past!"

Soon, Sun Yaoyao came to Sun Yi. She looked up and down, and said, "Oh, isn't this Sun Yi? Why do you dress like this today?"

Sun Yi didn't want to talk to these two people at all, so he waved his hand and stopped a taxi~www.ltnovel.com~ and said to Ye Chen: "Ye Chen, let's go! We will be late if we don't go, Xilin is a little bit away from here. ."

Ye Chen glanced at the two women behind him, didn't want to be troublesome, stepped into the taxi, closed the door and left.

Li Xin watched the taxi go away, and murmured, "Xilin Lane? Isn't this the trash street? My dad seems to be planning to tear down that one. It seems that Sun Yi's man is not doing well. Are you actually asking your girlfriend to go to such a place, really two poor ghosts..."

Sun Yaoyao suddenly thought of something, and took Li Xin's hand and said: "Xin'er, or else, let's follow up and have a look. I want to see what garbage these two poor ghosts eat!"

Although Li Xin doesn't have a good impression of that place, but when he thinks that the dog and man are scolding her behind his back, he nodded in a vicious way: "Okay, I will let my driver come."

.....

Xilin Lane No. 14.

Couple barbecue.

Uncle Wang and Aunt Zhang looked at the deserted facade and could only sit outside in a daze.

They know that this place has few customers, but they didn't expect so few!

It's been a long time, and there is no one who came to ask.

Aunt Zhang even went to the street corner and distributed hundreds of flyers, which was useless!

If this continues, it is not certain whether I can earn rent.

Aunt Zhang looked at her dejected husband, and said: "Forget it, I guess there are no more orders today. We will be ready to do takeout by then. The market is really not good this year. By then, the child's tuition will probably be lost..."

Uncle Wang nodded, somewhat helpless.

Suddenly, he thought of something and asked: "Wife, that... Did Achen say that he is bringing friends to dinner today?"

Chapter 57: Couldn't this Mr. Ye be Achen?

Aunt Zhang heard her husband's question and patted her forehead, and then she suddenly said: "Yes, Achen should be there later. Today, we don't even think about opening the door. I think we can just give Achen a reception banquet. Up!"

Uncle Wang nodded, agreeing: "Okay, then I will go inside and prepare, so that Achen's friends can't let Achen's friends look at us."

Just as the two were about to walk into the store, an extended Lincoln drove over slowly, and they stopped again.

After all, they have lived for so many years, and this is the first time they have seen such a magnificent luxury car.

"Look at that car, it's so grand, how rich is the one sitting in the car." Aunt Zhang said with emotion, "there is a big gap between people's lives and our low-level lives... Hey, that's not right. Ah, how can the rich come here in such a small place that no one knows?"

Uncle Wang also looked enviously at the elongated Lincoln that was slowly approaching, and said: "You **** is too nosy. What does it matter to you if others come to such a small place, maybe it is the landlord? Next door? Isn't there still a building? Maybe it's the big boss inside. It's none of our business anyway! With this leisure time, why don't we prepare the dishes for the evening?"

Aunt Zhang was scolded and wanted to refute, but think about it, this kind of rich people are destined to miss them, let alone become their guests, what should I care about.

She was just about to enter the store, but when she saw the extended Lincoln had stopped, she stopped abruptly not far from the door, and the extended Lincoln driver's seat came down to a man in a neat suit.

The man took a piece of paper in his hand and came to the couple's barbecue. He looked at the house number and the content on the paper. After a few seconds, he let out a sigh of relief: "It should be here."

Aunt Zhang and Uncle Wang were a little confused.

Where is this trouble?

really come to them?

The driver Xiao Li smiled and asked the couple politely: "Hello, is this Xilin Lane 14?"

Aunt Zhang and Uncle Wang were startled, and nodded stiffly.

Is their first reaction in trouble?

Otherwise, how could such a rich driver ask their address?

Is it the boss of the guy who collected protection fees before?

Other than that, they really can't think of any possibility.

The driver, Xiao Xu, got an accurate answer, and quickly trot to the extended Lincoln side, opened the door of the back seat, and respectfully said, "Ms. Shen, this should be here."

"it is good."

Shen Mengjia and Shen Haihua got out of the car one after another and went directly to the couple's barbecue.

Even though he had the worst plan in his heart, Shen Mengjia's mouth still twitched slightly when he saw this simple shop.

She hasn't eaten these things since she was a child. Is this... really edible?

Shen Haihua glanced at the simple opening advertisement, then came to Aunt Zhang and Uncle Wang, smiled, and said: "Hello, I want to ask, are you open today? Can you give me a private room?"

The two couples were completely confused.

They never thought that the man who got off the car would be such a majestic man. Judging from the temperament, his status is definitely not low!

At the same time, they also noticed Shen Mengjia. They didn't expect that there would be such a beautiful girl in the world, just like a big star.

Are these people here to eat?

how is this possible?

How can their small temple attract such a big Buddha?

Uncle Wang and Aunt Zhang were completely blank, and they didn't know what to say for a while.

Shen Haihua seemed to see their doubts, smiled, and continued: "Don't be confused, Mr. Ye asked us to come. He said that you are his friends, and I've trusted them here..."

Mr. Ye?

Friend?

Uncle Wang and Aunt Zhang are getting more and more confused. How do they know Mr. Ye?

They are also low-level people, how can they know any gentlemen?

Suddenly, Uncle Wang thought of something in his mind, and said in amazement: "It's not that Mr. Ye is Achen..."

Aunt Zhang gave a white look at Uncle Wang: "Achen is a little kid, how could it be Mr. Ye, what do you think..."

Shen Haihua saw that the two men mentioned the word Achen, which was completely certain, and he quickly said: "Two, Mr. Ye in my mouth is indeed Ye Chen..."

His voice was very soft, but it exploded in the minds of Aunt Zhang and Uncle Wang!

Fuck, is it really Achen?

When did Achen become Mr. Ye!

The key is that the friends he invited are these people in front of him?

His head is showing up, right? Ask this kind of rich man to come to their shop for dinner?

Even though there were 10,000 doubts in their hearts, the two of them couldn't think much about it, and quickly led Shen Haihua and Shen Mengjia in.

"Come here... We are a bit messy, don't dislike it... Since you are Achen's friends, then sit in the small box at the innermost."

"Trouble."

"No trouble, no trouble..."

.....

ten minutes later.

The taxi finally came to Xilin Lane.

As soon as Sun Yi and Ye Chen got out of the car, they found a white Mercedes-Benz car following them.

The white Mercedes also stopped. Sun Yaoyao and Li Xin walked down with long legs. When they came down, they gave Ye Chen and Sun Yi a proud glance.

Sun Yi almost exploded when she saw this scene!

These two people obviously followed them, which is too lingering.

Do you have to follow this after eating? This is nothing to do.

Sun Yi couldn't help it anymore and walked directly in front of Sun Yaoyao, cursing: "Sun Yaoyao, are you playing tracking? Are you too shameless?"

Sun Yaoyao snorted coldly, looked up at Sun Yi with her snow-white chin, and said angrily: "Sun Yi, Sun Yi, isn't the whole Jiangcheng your fault? This Xilin Lane only allows you to come, but not us? Let's come. Isn't it okay to eat? Or, what are you doing here for shameful deeds, for fear of being discovered by me?"

Hearing shameful deeds, UU reading www.uukanshu.com Sun Yi, no matter how good his temper, is a bit angry, pointing to Sun Yaoyao and saying: "Follow as you like, whatever you want!"

"Ye Chen, let's go!"

After Sun Yi finished speaking, he pulled Ye Chen towards the inside.

She didn't notice at all, Li Xin on the side had already stretched out a foot slowly, obviously intending to trip her.

Ye Chen naturally noticed what was in front of him. He had no interest in dealing with girls' fights, but if the other party did something like this, he would have to take care of it.

With a light step on his footsteps, a faint wave of air appeared on the sole of his foot, which was pushed directly towards Li Xin.

Li Xin obviously felt something, her body instantly lost her balance and fell behind her, and she even subconsciously grabbed Sun Yaoyao's shoulder.

It's all right now, both of them are wearing high heels and their center of gravity is unstable!

"Boom!" In the next second, the two fell directly to the ground, and the skirt they were wearing was lifted! A piece of spring! Attracting pointers from passers-by!

Sun Yi obviously didn't expect the situation in front of her, she was a little surprised.

These two women can't even walk?

Ye Chen looked at the time almost, patted Sun Yi on the back, and smiled: "Let's go, it is estimated that Shen Haihua and the others have arrived."

"it is good."

After Ye Chen and Sun Yi left, Sun Yaoyao and Li Xin stood up in embarrassment, with some bruises on their bodies!

They stared fiercely at the backs of Sun Yi and Ye Chen!

There was no one around, only these two people had the opportunity to do it!

"The two poor ghosts dare to push me! I think they are tired of living! Yaoyao, let's go, let's go find this pair of dog men and women to settle accounts..."

Li Xin's eyes are filled with a trace of anger!

Chapter 58: One word is to do!

Couple barbecue.

Ye Chen and Sun Yi came to the door and noticed that Uncle Wang and Aunt Zhang were busy.

Aunt Zhang naturally noticed Ye Chen and the girl next to him for the first time.

When she saw Sun Yi, she was really amazed. She never expected to see two fairy-like girls in one breath today.

"Achen, you finally came. Oh, why did you invite a big boss to eat with us? People are used to eating in big hotels. How shabby a small place like us is..." Aunt Zhang is still I was a little bit horrified, for fear that they did not cook well and would ruin Ye Chen's major event.

Ye Chen smiled and waved his hand: "It's okay. I just asked him to talk about something. Besides, Aunt Zhang, am I still not sure about your craft? Make sure to let those guys drool!"

Aunt Zhang was a little embarrassed to be praised. She rubbed her clothes, looked at Sun Yi, and asked, "Achen, is this your one... Why is it a bit familiar..."

Just as Ye Chen wanted to explain, Sun Yi walked up to Aunt Zhang and said excitedly: "Aunt Zhang, it's really you, isn't Uncle Wang in there too? You must have forgotten me. Five years ago, I came often after school. You guys eating at the stall..."

Aunt Zhang was said that, although she can't remember clearly, she can only smile: "I didn't expect that there would be such a beautiful old customer... let alone Achen and you were still together after graduation. It's a good thing..."

Sun Yi felt sweet in her heart when she was said, and ran to the kitchen again to greet Uncle Wang.

Ye Chen didn't want to explain too much. He saw that the box door was open, so he walked in and found that Shen Haihua and Shen Mengjia were already sitting inside, and there was a man in a suit in the corner, who should be the driver.

Shen Haihua saw Ye Chen appear, his face was a little excited!

Because in the past few days, not only has he found that his terminal illness has been cured, but also all the small problems he had previously disappeared!

He saw Ye Chen as if he saw a savior.

"Mr. Ye, you are finally here, I will toast you three glasses of wine first, thank you for your life-saving grace!"

After Shen Haihua finished speaking, he poured three glasses of white wine and drank it straight away, very refreshing.

"Dad, you drink less, your illness just happens to be..." Shen Mengjia persuaded.

In fact, she was a little surprised. From childhood to adulthood, others toasted father wine. Now that it was poured, Ye Chen didn't even sit down, but directly toasted him three glasses.

This Ye Chen is simply a big face.

Ye Chen did not expect that Shen Haihua would come to such a trick, and he also touched a cup in a sign.

Then, Sun Yi cautiously walked in holding a dish, put the dish down, and she sat down on Ye Chen's right hand.

In this way, Ye Chen was surrounded by Shen Mengjia and Sun Yi, and he felt surrounded by beautiful women.

Shen Haihua naturally met Sun Yi, and he realized that the girl his daughter mentioned in the afternoon should be Sun Yi.

He sent someone to investigate Sun Yi's information. After reading it, he couldn't help feeling that Sun Yi's life was good, and he could actually climb the dragon that was about to skyrocket first.

It won't be long before Ye Chen really grows up, and Sun Yi just flies on the branch and becomes a phoenix.

My daughter is going to come on.

She looked at Shen Mengjia, winked, and said, "Mengjia, you are about the same age as Mr. Ye and Miss Sun. In the future, you need to communicate more and learn from them. Now that you have a good opportunity, why not respect Mr. Ye and Miss Sun? "

Shen Mengjia's eyes widened. She was a little hostile to Sun Yi, but her father actually asked her to toast?

Isn't this bowing to the woman?

As soon as she wanted to refuse, there was a sharp voice outside.

"Where is Sun Yi, this little bitch? What are you doing hiding here?"

Hearing this voice, everyone in the room looked a little wrong.

Sun Yi? Little bitch?

Shen Haihua looked a little angry, glanced at Xiao Xu who was sitting in the corner of the box, and said, "Xu, clean up some cats and dogs! Let's do it, if something goes wrong, I'll hold it for you."

"Yes!" Xiao Xu got up, opened the box door and walked out.

Ye Chen had already guessed who it was, and a trace of killing intent flashed in his eyes.

Are these two women really dead? Challenge his bottom line again and again?

If it wasn't for them to be women, Ye Chen would have killed him!

Sun Yi looked pale when he heard the voice outside, stood up, and put his palm on Ye Chen's shoulder: "This is my business. I'll handle it. You continue to talk to Mr. Shen."

She had seen Ye Chen's violence, and even the Chen family father and son dared to beat him. This guy couldn't figure out anything.

And those two people obviously came for her, it would be really bad if Ye Chen were involved.

Ye Chen thought for a few seconds, then nodded. After all, Shen Haihua's people had already gone out, and no matter how they were done, the two women couldn't make any waves.

Soon, Sun Yi also went out.

.....

Outside the box.

Aunt Zhang saw two menacing women dressed in brand-name suits and really didn't know what to do.

"That... two girls, why are you so angry, why can't you sit down and talk about something?"

Sun Yaoyao glanced at Aunt Zhang with disgust, and stepped back: "You old immortal stay away from me. Look at your dirty look. There are probably a lot of bacteria. Do you know what brand I am wearing? Are you dirty?"

Aunt Zhang is a little embarrassed. She is an honest person after all, so she can only shrink her hands and apologize: "Girl, I'm so sorry, that..."

Uncle Wang naturally heard the hurtful words of Sun Yaoyao and walked out of the kitchen, staring fiercely at Sun Yaoyao and Li Xin: "Do you two girls have any education? You are not welcome here, go out!"

His wife was insulted, he naturally wanted to stand up! What about their dirty bodies? As long as the money they earn is clean! Not ashamed!

Li Xin didn't expect that a poor man would dare to stand up and point fingers at them, a bit angry! She stretched out her slender hand, UU read www.uukanshu.com pointed to the noses of Uncle Wang and Aunt Zhang and said:

"Do you know who I am? Believe it or not, I asked my dad to tear down your store immediately! Two dirty poor ghosts dare to let me Li Xin out, shit, what are you guys? Jiangcheng Keyuan Group Have you ever heard of it? Every employee of my group can drown you two poor ghosts with one mouthful of water!"

Uncle Wang became more and more angry when he heard these words, and even wished to slap out, but as soon as he heard the words Jiangcheng Keyuan Group, he dared not move.

Keyuan Group is one of the top ten famous enterprises in Jiangcheng, the boss's daughter, he can't afford to offend a small stall owner.

angered the rich second generation, he might really cut off all sources of income in the family.

Sun Yaoyao and Li Xin bowed their heads when they saw the two in front of them, feeling a little refreshed in their hearts.

Li Xin glanced condescendingly at the two of them, then pointed to Uncle Wang's nose again and said, "Is that **** Sun Yi in it? I advise you to hurry up and take this bitch..."

Before she could finish her words, a man in a suit appeared in front of her, grabbed her finger directly, and patted her aside!

"Mr. Ye and Mr. Shen are discussing things inside, you can talk nonsense again, don't blame me for being polite!"

It was Xiao Xu who spoke. Xiao Xu has been in the army for three years and has been following Shen Haihua since he retired. After so many years, he naturally has the ability to look at people. Mr. Shen respects Mr. Ye so much, and even lowers his posture, which shows that Ye Mr. Shen is extremely important!

And Mr. Shen has just told him to let him do it, he will naturally do it beautifully!

Regardless of all costs, please satisfy Mr. Ye and Miss Sun in that box!

Now the other party scolds Miss Sun, he doesn't care if the other party is a woman!

One word is to do!

Chapter 59: Something happened!

At this time, Sun Yi also walked out, never expected that Mr. Shen's driver would actually do it directly.

A driver dared to beat people like this this year?

Although she doesn't know Li Xin's identity, she is either rich or expensive from the other person's dress, which is not something a driver can provoke.

Li Xin also saw Sun Yi, she took another look at the man in suit who was in front of him, and naturally guessed that he was Sun Yi's rescuer! She is even more angry!

"Oh, a **** thought it would be great to find someone in a suit, I think..."

Before he finished speaking, the driver Xiao Xu directly slapped him over!

without hesitation!

"Snapped!"

This slap is extremely crisp!

"I said, if you talk nonsense, I'm not welcome! This slap is for Miss Sun!"

At this moment, the whole hall fell into dead silence.

Everyone didn't expect Xiao Xu to slap and slap him unscrupulously!

Uncle Wang and Aunt Zhang shook their hearts even more, they knew it, it was over!

This girl is the daughter of the CEO of Keyuan Group!

What are you doing to offend others! Let people curse a few words without losing a piece of meat!

Sun Yaoyao took a step back subconsciously, her face was full of horror, for fear that this man in a suit would also do something to her.

and Li Xin's brain is blank! Covering his face, his eyes widened.

Since childhood, no one dared to beat her!

She reacted, her whole person was extremely angry, and pointed to Xiao Xu's nose: "What the **** are you, dare to hit me, do you know who my dad is? You are dead, I want you to die!"

Li Xin is like a mad tigress, with disheveled hair, and the seemingly sweet makeup on his face has become a bit hideous! She wanted to rush over, but she was held back by Sun Yaoyao: "Xin'er, what are you fighting with a man? We have to kill him in 10,000 ways."

Li Xin forced herself to calm down, she could feel a red mark on her face!

She stared at Xiao Xu in front of her, and Sun Yi!

In her opinion, all this was brought by this bitch!

"I tell you, you two don't even want to leave this street today! When my dad comes, I will **** your two faces." After that, Li Xin picked up the phone and broadcasted it.

Sun Yaoyao saw Li Xin making a call, feeling a little bit more confident, and snorted coldly to Xiao Xu:

"Boy, you don't know who you are fighting, I might as well tell you that she is the daughter of the president of Keyuan Group! Have you heard of Keyuan Group? Jiangcheng Top Ten Group! You should understand what offended you now Let's go! In front of her, what are you? People want to play with you, so there are more ways to go."

After that, she looked at Sun Yi fiercely: "Sun Yi, Sun Yi, don't even say, you're really good for life, there will be someone who will help you wherever you go, but you are basically a broom star, you will only hurt Kill them!"

Xiao Xu narrowed his eyes slightly when he heard the Keyuan Group. He never thought that the other party had such a big background.

Keyuan Group also has a lot of cooperation with Shen Haihua's Beiming Group, and it is indeed a bit of a problem right now.

But he believes in his instincts! He did it right!

In the eyes of President Shen, let alone the Keyuan Group, even a thousand Keyuan Groups are no better than a Mr. Ye!

Mr. Shen will whisper to the CEO of Keyuan Group? impossible!

Mr. Shen will even offer three glasses of wine from the CEO of Keyuan Group to show his favor? impossible!

Shen always sacrificed his relationship with Mr. Ye for the hundreds of millions of cooperation? Totally impossible!

At the thought of this, Xiao Xu became confident, raised his head and said: "Don't say that the president of Keyuan Group is here, even if the mayor of Jiang is here, he is not qualified to move Miss Sun!"

Sun Yi was stunned when he heard this, he couldn't imagine a driver would say such a confident word!

But she is not stupid. The other party did it all because of Shen Haihua in the box!

Or it is because of Ye Chen in the box! The Shen family is showing good to Ye Chen!

At this moment, she was really curious, what exactly did Ye Chen do to make a driver protect her so unscrupulously, and make Shen Haihua such a high-level existence so low-pitched to him?

She suddenly discovered that after five years, Ye Chen, the trash once pointed out by thousands of people, had changed, completely changed.

What happened to him in the past five years? Where did you go?

Li Xin's call was just connected, and Xiao Xu's voice was clearly heard on the other end of the phone, and he seemed a little unhappy: "Xin'er, why are you calling me now? What happened to you, the one who spoke very loudly !"

Li Xin reacted and hurriedly cried: "Dad, come and save me. Your daughter is about to be beaten to death. I am on No. 15 in Xilin. I just said a few words casually. Just hit me and slapped me, Dad, you heard what the man said just now, he was too arrogant.

I was so insulted, it's better to die! "

Sun Yaoyao also interjected, saying loudly: "Xin'er, don't miss it!"

Obviously, on the other end of the phone, I felt the seriousness of the matter, and a majestic voice sounded: "You are waiting there. I am not far from your place. This will bring people over. I want to see and say dare to move my daughter, Li Cangfu. !"

The phone hung up.

Li Xin changed his tearful expression, folded his hands on his chest, and stared at Sun Yi and Xiao Xu interestingly: "My dad will be here soon, if you don't want to die~www.ltnovel.com~ now kneel in front of me. Lick the ash off my high heels, I might consider letting you go."

Aunt Zhang beside was really scared to death. She didn't care about anything, so she squatted down and wiped Li Xin's shoes carefully with her sleeve.

"The eldest lady, I will wipe it for you. I beg you, your sir, have a lot of them. Let these kids go. You can do anything you want me to..."

Li Xin glanced at the woman under him disgustingly, kicked it out, and kicked it directly on Aunt Zhang's stomach with thin high heels, and even more insulted: "You poor ghost, stay away from me, you Do you know how expensive my shoes are? Can you afford it?"

Aunt Zhang covered her belly and sat down on the ground, her face a little uncomfortable. After all, kicking people with the fine heels of high heels hurts!

Uncle Wang rushed up and helped Aunt Zhang to the table, then gave Li Xin a vicious look: "You dare to move my wife, I will fight you!"

But soon, Xiao Xu rushed ahead, and when he flew, he kicked Li Xin's stomach!

He knows that this shop is a husband and wife who are friends of Mr. Ye, otherwise Mr. Ye would not invite Mr. Shen to eat here!

Now this woman dares to treat Mr. Ye's friend like this, he is really angry! Even if not for Mr. Ye, as a seven-foot man, he can't stand it!

Li Xin never expected that the other party would do it. Her stomach was overwhelmed, and it was extremely difficult to suffer! The whole person was kicked to the gate!

And this time a Maybach just stopped!

Li Cangfu in the car was completely angry when he saw this scene!

He opened the car door violently, and Yu Guang noticed the extended Lincoln in the distance. The license plate was a bit familiar, but he didn't think much about it, because he was dazzled by anger!

"Who the **** dares to touch my Li Cangfu daughter, I want you to die!"

Chapter 60: Get out of my sight!

Li Xin heard his father's voice, his whole body was extremely excited, and even pretending to be difficult to get up, crying: "Dad, if you don't come again, I will be killed by the two people inside!"

Li Cangfu quickly helped her baby girl up, and said to the bodyguard behind him: "Smash this store for me, and everyone in it will be thrown out by Lao Tzu! I don't believe it anymore, I, Li Cangfu, dare to move. Who the **** ate something bearish!"

It is naturally impossible for Xiao Xu to let them break the shop! He stood in front of everyone alone, but no matter what, he was not an opponent of a few well-trained special forces!

Li Cangfu's bodyguard hit Xiao Xu on the ground except for three hits.

Li Xin looked at Xiao Xu's embarrassment, and sneered: "You are crazy! Aren't you crazy just now?"

"Snapped!"

Li Xin slapped Xiao Xu's face directly! He kicked him with high heels! My heart is very refreshing!

"Damn, dare to pretend to be in front of me, and dare to slap me? Do you know who I am! Why are you not crazy now?"

Xiao Xu's eyes are filled with anger! Staring at Li Cangfu and Li Xin fiercely, he said viciously: "You don't know who you have offended!"

Li Xin snorted and suddenly thought of something. He stretched out his finger and pointed at Sun Yi, and said to the bodyguards: "Catch me that bitch! I want to smoke her! She is so beautiful, I don't know how to smoke. Will anyone like it if it's swollen!"

The words fell, and those well-trained bodyguards went to Sun Yi!

Sun Yi's face was pale, she had never expected things to develop like this!

Seeing these bodyguards are about to touch her! A figure suddenly stood in front of her!

"It looks like this meal is really unpalatable."

The lazy voice fell quietly, but with a trace of murderous aura.

is Ye Chen!

Li Xin was overjoyed when he saw Ye Chen appear, and said quickly: "That kid is also caught together, just so, two people smoke together!"

Sun Yaoyao looked at her girlfriend so domineering, she was a little excited, and said, "Li Xin, you are really amazing."

Li Xin put his hands on his chest, like a queen high above.

Soon, a few bodyguards walked towards Ye Chen.

To be honest, Ye Chen really didn't want to do anything to deal with these rubbish.

But one of the bodyguards had already smashed a punch, Ye Chen could only buckle his backhand and grab the opponent's arm!

only heard "click!" The bodyguard's arm broke directly.

In the next second, Ye Chen raised his right leg and swept in front of him!

Suddenly the three bodyguards fell heavily to the ground and lost their combat ability.

The few remaining bodyguards just wanted to shoot Ye Chen, Ye Chen shot out with those extremely cold eyes.

In an instant, everyone took a few steps back subconsciously.

Such fierce eyes, they have never seen it! Even if they faced fierce lions in South Africa, they had never been afraid!

But the young man in front of him, just a look in his eyes made them cold, and the meaning of death spread all over his body!

They didn't dare to move at all!

Once it moves, it must be here.

Ye Chen walked towards Li Xin and Li Cangfu step by step, with a playful smile on the corner of his mouth, which made people even more scared.

Li Xin quickly retreated to his father's side, and said in a panic: "Dad, what should I do... This kid is a little bit capable..."

Li Cangfu, as the manager of the Ups and Downs Mall for many years, was naturally not scared. He looked at Ye Chen and asked: "If you dare to move me, believe it or not, I will keep you from leaving Jiangcheng!"

The words fell, only a "Boom!" was heard, the box door opened, and Shen Haihua and Shen Mengjia walked out!

At this moment, Shen Haihua's face is almost blue!

He finally had a meal with Mr. Ye, but in the end someone who didn't have a long eye came to the scene!

It's okay to be replaced by someone else, but it's Li Cangfu who has worked with the group for many years!

Li Cangfu was also slightly startled when he saw Shen Haihua. He never thought that Mr. Shen of the Beiming Group would eat in such a place.

He is a multi-billion-dollar group boss who came to eat this bargain, and no one believed it!

Li Cangfu changed his smile and respectfully said: "President Shen, I didn't expect to see you here..."

Shen Haihua gave a cold snort, came directly to Li Cangfu, and said seriously: "I don't know you, don't give me this one!"

Li Cangfu's smile stiffened.

The two obviously played cards together some time ago, don't you know each other?

Without waiting for Li Cangfu's reaction, Shen Haihua continued: "Li Cangfu, Li Cangfu, you don't know what kind of mistakes you made! You shouldn't offend Mr. Ye! You just happened to have something to tell you. Starting today, Bei All the cooperation projects between Ming Group and your Keyuan Group have been cancelled!"

what!

Li Cangfu was stunned.

Cancel cooperation? What kind of nerves Shen Haihua has, this is a profit of hundreds of millions! Said to be lifted? Still offending Mr. Ye?

He doesn't even remember what he offended Mr. Ye.

Li Cangfu just wanted to speak, but Shen Haihua came directly to Ye Chen and whispered: "Mr. Ye, please leave this to me to deal with."

Now, it's everyone's turn to be surprised.

Shen Haihua was so low-pitched to a young man?

Mr. Ye?

How old is this kid, he is actually called Mr. Ye?

Li Cangfu narrowed his eyes, and he felt something wrong.

It should be Shen Haihua's car parked outside. It is impossible for Shen Haihua to invite guests to eat here, only the other party proposed.

Shen Haihua actually agreed to such an unreasonable request from the other party? I even brought my baby girl to the banquet in person!

What is weird is that Shen Haihua's tone and behavior seem to be to please the man in front of him, and even cut off his group's cooperation!

Shen Haihua, he understands that the old and cunning business genius, everything is profit first!

can let him give up so many benefits, which shows the extreme horror behind this man!

Is this Mr. Ye from Jiangnan Province? No, there is no Ye family in Jiangnan Province, so it can only be the family of the capital!

Thinking of this, Li Cangfu's expression completely changed! The family members in the capital are the top figures of the power pyramid, and the existence of the small family in Jiangcheng can be wiped out with a wave! It's hard to see that you have missed it!

Li Cangfu's forehead was densely covered with sweat, and his back was soaked. He knew that if he took a wrong step, the whole Li family would fall into a dead end!

He couldn't help it anymore, he came directly to Ye Chen and bowed: "Mr. Ye... I'm really sorry... I was wrong. Please forgive me."

Li Xin and Sun Yaoyao were completely stunned when they heard these words.

Father actually apologized to a young man?

This attitude is almost kneeling!

Li Xin couldn't afford to lose this face, and said: "Dad~www.ltnovel.com~ why are you doing this, this kid just..."

Before she finished speaking, Li Cangfu slapped her backhand! It was so hard that Li Xin was fanned to the ground!

"Just you talk a lot, do you know you almost killed me! Do you know who you have offended!"

Li Xin is confused! She never thought that her father would beat her for a stranger!

I have never had it since I was young!

Li Cangfu's face was filled with flattery again, and he said to Ye Chen: "Mr. Ye, I am my daughter who has no choice. I will definitely discipline more. Please forgive us once..."

Ye Chen didn't have any loss this time. He didn't want to make trouble on the opening day of Wang Shu's new store. He saw Xiao Xu, a driver with bruise and redness on his face, and said, "He was beaten because of my friend's early days. You know how to do it."

"I know, I know." Li Cangfu nodded like garlic.

Ye Chen looked at Aunt Zhang who was holding his stomach and some broken tables, and continued: "Your daughter just hurt my friend and ruined their shop. Today is a good day for opening. Do you know what to do? ..."

"I know, I know." Li Cangfu did not dare to take a breath.

Ye Chen's eyes were always indifferent. Suddenly, his eyes condensed, and a strong murderous intent broke out, and he scolded: "Since you know all this, don't do it for me! Then, get out of my sight!"

Li Cangfu was shocked by the cold murderous intent, and sat down on the ground.

"Yes, yes, Mr. Ye..."

After doing all this, Ye Chen walked towards the box regardless of everyone.

After a few steps, Ye Chen stopped as if thinking of something again.

"I have forgotten one thing, your daughter and her friend seemed to want to slap me just now, now you should know how to do it..."
