

## **Urban Medical 511**

Chapter 511: You pay the bill!

Any of them knows Jiang Hirong! Once she decides something, no one can shake it!

Ye Chen's character is inherited from Jiang Xirong's body!

Ren Qiyun said again: "I will not kill you if I take Wentian's things, but I can still deprive you of your spiritual roots! This will make you better than death! Everything is for you! In China Well, in Kunlun Xu, you shouldn't have a temper if you don't have absolute strength! The strong can ruin you like an ant!"

When the words fell, the coercion suddenly expanded!

Jiang Huirong's face was full of pain and discomfort! Even the corners of the mouth kept spilling blood!

Jiang Jianfeng really couldn't help it anymore, and he rushed out directly, heading towards Ren Qiyun with a palm!

Right now he can't take care of that much, no matter what, he must save Jiang Huirong!

Ren Qiyun glanced at Jiang Jianfeng indifferently, and with a big wave of his hand, his true energy seemed to condense into a sword, breaking open!

Jiang Jianfeng's strength in China is certainly good, but in front of the elder Kunlun Xu, it is really like an worm shaking a tree!

His body smashed out on the spot, blood was surging, unable to restrain, spit out a blushing blood!

"Life and death, your strength also wants to stop me? Ridiculous!"

At this moment, in the eyes of everyone, no one can save Jiang Hirong!

No one dares!

This is undoubtedly an act of seeking death!

Kunlun imaginary strong, who dares to offend!

Jiang Wentian wanted to ask for love, but another elder beside Ren Qiyun pinched his fingers, and Jiang Wentian had a wall of gas!

Jiang Wentian seemed to be bound, no matter how hard he struggled, it was impossible!

"Wen God, this matter has nothing to do with you. Don't touch Elder Ren's brows. After all, you will have to meet the sect in a few days. See you without looking up. This is not good for you. Mobile terminal

After all, Huaxia is a contemptuous existence, what you want to pursue is the end of the martial arts journey, but don't ruin your future because of some ants. "An elder reminded.

At this moment, Jiang Wentianxin had nothing but helplessness and pain!

It even changed his attitude towards Elder Ren and Zongmen!

But his heart is also very clear, this world is respected by the strong, without strength, everything is shit!

He wants to be stronger! Otherwise, I can only watch my brother and sister being insulted by the sect elder!

Ren Qiyun glanced at Jiang Yanrong, who was struggling, and sneered: "I really can't figure out, why is it so troublesome that kneeling and apologizing can solve it? Ants are ants!"

When the words fell, Ren Qiyun pinched his fingers, and a ray of light covered it!

Jiang Hirong only felt that something in her body was about to be pulled away!

At this moment, an arrow came directly through the air!

Powerful energy swept!

Stabbed directly at Ren Qiyun!

"Oh, there are helpers out there?"

He sneered, he couldn't even see the arrow of this speed, and then he shot a wind blade! It hit the arrow directly!

The arrow is shattered!

But at the same time, a billowing white mist broke out!

The entire Jiang family seemed to be in a mist, and there was nothing to see!

At the same time, several figures rushed out from outside!

It is the dark palace powerhouse headed by Ye Lingtian!

When they noticed something was wrong, they would naturally not let Jiang Hirong be injured, otherwise they couldn't bear the blame from the palace lord!

Even if they die, the Lord's mother can't be hurt at all!

"Madam, I'll take you away!"

Ye Lingtian took Jiang Weirong away directly in the mist!

The other people looked in the direction of Ren Qiyun! Their eyes are filled with determination!

It's like Deadpool!

Ren Qiyun's eyes were cold, and he shouted angrily: "Even my Ren Qiyun, you dare to take away, and you will die!"

After the words fell, he grabbed his fingers with five fingers, and headed directly towards Jiang Yanrong and Ye Lingtian!

Seeing this, the strong man in the dark palace did not hesitate, and the cold sword in his hand went directly towards Ren Qiyun!

"A bunch of trash, want to stop me!"

Ren Qiyun rushed into the mist, and at the same time, his hands condensed all over the sky with palm prints, and he took photos!

Wherever the palm prints reach, those strong in the dark palace turned into blood mist on the spot!

Their existence is only to stop Ren Qiyun's pace!

Ren Qiyun's speed is getting faster and faster. Seeing to chase Jiang Hirong and Ye Lingtian, an old voice rushes into the mist, and even goes towards Ren Qiyun!

"Elder Ren, I'll help you!"

It was Mr. Jiang who was talking, but Mr. Jiang was really helpful! Obviously intend to obstruct Ren Qiyun!

"Go away!"

Ren Qiyun showed no mercy, a virtual palm suddenly formed, and the virtual palm was like a rainbow, directly hitting Old Man Mianjiang's chest!

Although Old Man Jiang blocked it, it was still useless, blood spurted wildly, and his breath was weak!

But the moment he flew out, his eyes had no regrets!

Instead, she stared at the direction where Jiang Huirong disappeared! As if the salvation was completed!

"Pei Rong, this is the only thing my father can do for you. I hope you can do the same for your father..."

The old figure slowly fell, and Father Jiang hit the ground, and a deep pit was formed!

His back was blurred and he fell into a coma!

"dad!"

Jiang Jianfeng rushed over, guarding the old man Jiang firmly.

Jiang Wentian also desperately broke through the obstacles~[www.mtlnovel.com](http://www.mtlnovel.com)~ rushed to the front of Mr. Jiang, took out a pill from his waist, and fed it directly!

"Dad, don't scare me, take this pill, hurry!"

At this moment, Jiang Wentian and Jiang Jianfeng's eyes are not only worried, but also endless anger!

If Jiang Xirong's behavior can only be regarded as inappropriate, then the father's behavior is completely what a father should do!

The key, why did Ren Qiyun go crazy and target the Jiang family?

Is it just because Jiang Hirong proposed a blood alliance?

As for really!

At this moment, the fog has completely dissipated.

Jiang Xirong and Ye Lingtian had disappeared in Jiang's family, and it was impossible to find them anymore.

Ren Qiyun stood in the middle of the Jiang's courtyard, his eyes full of seriousness.

His face is ashen!

Who would have thought that someone in China would dare to grab someone from him! The key was really taken away!

That arrow didn't intend to move him from the beginning, but caused this mist!

Reckless ants!

Ren Qiyun stopped thinking, staring at Elder Jiang and everyone. Just when he wanted to speak, one of the elders couldn't stand it anymore. He said to him: "Elder Ren, things are almost done, don't forget

that the suzerain sent us The main purpose of coming out is that there is no way to go on business, but we are the one who has the accident, not to mention that the girl in the Jiang family is not deliberate, let's be rescued."

Ren Qiyun hesitated for a few seconds before snorting coldly: "This matter is not that simple. The arrow just wanted to kill me. This kind of person must not stay. Since those people saved the woman, they must know each other!"

Afterwards, he looked at Jiang Wentian and said: "Wen God, I don't care who rescued your sister. If I can't see your sister before sunset, you will pay the bill for her behavior!"

Chapter 512: seek death!

"let's go!"

After speaking, Ren Qiyun waved his sleeves and left directly!

No matter what, someone has to bear his anger!

Whether it's a \*\*\*\* woman who doesn't know how to live or die, or the Jiang family!

Otherwise, those people in Kunlunxu know how to laugh at him!

The other elders glanced at Ren Qiyun and shook their heads helplessly.

This time when he came out, Ren Qiyun was originally the leader, and in the sect, their right to speak was not as strong as Ren Qiyun, so naturally they couldn't refute it at this time.

The Jiang family can only be regarded as dead.

...

The picture turns, Xiangjiang River Road in the mountains.

The aura on Ye Chen's body is already at the ninth level of the Separation Realm!

Only one step away from the True Origin Realm!

He failed again and again, and broke through again and again!

The power of snake gall is completely integrated into his blood!

He was scarred!

The thirtieth shock was launched, there was a roar, and the world was colorless.

Puff...

Finally, a mouthful of blood couldn't help but spit out, Ye Chen's complexion became pale!

"Still not enough!"

The barrier of the True Essence Realm is like a giant peak, which has been subjected to many terrifying shocks in succession, but it has not moved?

This made Ye Chen's expression sullen.

With unimaginable pain and unimaginable danger, how could Ye Chen stop there?

boom.....

Ye Chen frantically carried out shocks again and again.

A roar like substance exploded from Ye Chen's body.

A trace of blood constantly spilled from the corner of his mouth, Ye Chen's face was as pale as paper!

failure! failure! failure!

All failed, even unable to shake the obstacle.

"Damn it! Is this great realm so difficult to break? I don't know how long I have been in this mountain!"

Feeling his physical condition and feeling that his true qi was dropping a little bit, Ye Chen screamed secretly.

After successive failures, there is no hope of success!

Ye Chen really felt crazy.

The obsession burst in his heart!

Pain, killing, madness, giving up, all kinds of emotions are flooded!

Fortunately, the calming soul-breaking sun stone calmed him down and relieved the pain, so that Ye Chen would not become confused and do crazy things.

Even some things released by the ability in the calming soul-breaking sun stone instinctively protected Ye Chen's whole body.

Otherwise, Ye Chen is afraid that under such successive crazy shocks, his dantian has already burst, his internal organs are shattered, his veins are broken, and he will die!

Chen Tianli in the sky was naturally aware of Ye Chen's condition and wanted to remind him of something, but he still didn't say what he said.

Some things need Ye Chen to comprehend by himself.

He is just a guide, if he blindly interferes with Ye Chen's fate, it will be extremely detrimental to the reincarnation cemetery!

"Come!"

With a roar, Ye Chen directly took out all the remaining snake gall and swallowed it in his mouth while waving his hands.

Rushing...

Before swallowing a third of the snake gall, Ye Chen felt the endless benefits. At this moment, he swallowed all the rest again, and within Ye Chen's body, a heat flow erupted like a volcanic eruption.

The energy is constantly rising, and it seems that it will break through Ye Chen's whole body veins.

"Not enough! Go on!"

However, Ye Chen did not stop his madness.

Snake gall? not enough!

Ye Chen didn't want to continue to delay.

Swallow all the pill that was refined on his body!

Not only that, the expanding blood dragon above the sky directly descended from the sky!

Frantically rushed into Ye Chen's body!

Ye Chen at the moment was covered by fire! Like a Vulcan descending to earth!

The whole body is surging with energy, as if the storm is hitting the shore, sweeping everything!

The energy of the snake gall radiated, which made Ye Chen's body, like a volcanic eruption, the energy climbed to an unimaginable height. The losses caused by successive failures in the previous cross-checking are made up for!

Ye Chen at this moment has reached the limit. And now that he swallowed so many pills, Ye Chen's body seemed to explode.

Puff...

Ye Chen, who had reached the limit, under the explosion of this energy, the consequences can be imagined.

Under the impact of energy, the body seemed to be torn and blood flowed back, and a mouthful of blood spurted out!

I have to say that Ye Chen at this moment is really crazy, if it is an ordinary person, I am afraid that under the impact of this energy, he can't die anymore. But he still insists on relying on his tyrannical body!

It's like walking in hell, like climbing in fire! The sickle of the \*\*\*\* of death hangs over his head, and if he is not careful, he will fall off the cliff!

Gritting his teeth ~www.mtlnovel.com~ Ye Chen let out a low and painful roar.

"Break it open for me!"

Finally, when this energy was about to run out of control and put Ye Chen to death, Ye Chen screamed frantically.

boom.....

With a roar, the mountain burst and the ground cracked.

Energy in the body, like a volcano erupting, destroys the world.

boom.....

The thunder exploded, and the majestic energy rushed towards that layer of barrier under Ye Chen's rotation.

Click!

There was a crisp voice, as if the world was silent.

Ye Chen could feel that indestructible barrier, with the impact as the center, cracks spread in all directions.

Puff...

A mouthful of blood spurted, Ye Chen's face was pale, and his figure shook violently.

"Come again!"

After forcibly swallowing the blood that was about to spew out, Ye Chen roared in a deep voice.

At this moment, Ye Chen's eyes were also red, desperate!

I hope I have seen it, how can I shrink back?

boom.....

There was another roar!

Ye Chen launched another shock!

Wow...

Finally, under this impact, it was already an obstacle filled with cracks, broken!

Wow...

The energy that almost ran away all over his body seemed to have found a brand new world.

Ye Chen only felt that a new world seemed to be opened up in his body!

Energy rushes in, like a river converging.

"Huhuhu..."

And at the moment when this barrier was broken, the entire square was swept by violent winds.

In all directions, aura gathered towards Ye Chen.

Be tolerant to diversity, tolerance is a virtue!

This brand-new world is the public area and the sea of air.

The True Element Realm has actually become!

Chapter 513: Vision!

Just when Ye Chen was about to stand up, Chen Tianli's scolding sounded: "It's not over yet! Don't be too happy!"

Ye Chen was startled, suddenly, the rolling thunder sounded!

The whole Jiangdaoshan seemed to be shaken!

Thunder robbery is coming!

The key to this thunder tribulation, Ye Chen can feel madness and terror!

Ye Chen didn't dare to be careless, condensed his true energy, and directly climbed the aura of the first level of the true element realm to the extreme!

"Boom!"

A blast of thunder directly penetrated everything and smashed it down at Ye Chen!

Ye Chen can only carry it abruptly!

The first thunder robbery alone almost made him feel unhappy, and his clothes were torn apart!

There was a burning smell on the skin.

"This Thunder Tribulation, why is it so terrifying!"

Immediately afterwards, hundreds of thousands of Lei Jie blasted down, seemingly not giving Ye Chensheng the power at all!

Ye Chen looked at such a terrifying thunder and lightning in the sky, with a word in his heart, no longer hesitating, the blood dragon ghost in his body rushed out!

The whole body around him is tightly protected!

A blood dragon collided with the sky full of thunder, this scene is shocking!

But after all, the blood dragon hasn't fully grown up, and it's getting weaker and weaker!

"Natural magic talisman, come out for me!"

Ye Chen pinched his fingers, and a seemingly blank magic talisman rushed directly into the sky!

Countless Thunder Tribulation got into the life talisman!

Crazy absorption!

"En? The natal magic talisman can absorb thunder and lightning, not only that, but he can feel that he seems to control these thunder and lightning!"

Ye Chen was overjoyed in his heart, and blasted the vitality of his dantian's newly formed true essence realm into his life charm!

In an instant, the natal magic talisman bloomed with dazzling light!

One dragon, one talisman, one person, crazy move, shaking the world!

Chen Tianli was still a bit worried about Ye Chen, but seeing the picture in front of him, his eyes were a little surprised and shocked.

"This kid is more interesting than I thought. This natal talisman can fuse all things and resist the thunder and lightning. If you really go to Kunlun Xu, it is estimated that you will carry forward that guy's talisman way."

"And the blood dragon, the killing aura is extremely strong, not afraid of thunder and lightning, the extreme violent, the road of killing Daojun is very suitable for this kid."

"All this is a chance. As this kid grows up, the blood dragon and natal talisman will become stronger and stronger. It is estimated that in the end, the fate of a hundred of us will depend on this kid's two mysterious powers."

Afterwards, Chen Tianli looked towards the sky, above the sky, thunder and lightning rolled, as if covering the entire Xiangjiang!

His eyes became more complicated and horrified, and he murmured: "Who would have thought that this Thunder Tribulation was caused by a kid who had entered the True Primal Realm? I am afraid that the powerhouse of the Immortal Ascension Realm could not do it. Weird! Weird!"

At this moment, the remaining guardians of Jiang Daoshan looked at the thunder robbery above the sky with stunned eyes.

"I have never seen such a large-scale thunder catastrophe. Is there any top powerhouse in Xiangjiang?"

A Chinese Guardian said.

Wan Lao glanced at the thunder robbery and the direction of the fall, and said lightly: "It seems that the enchanting Ye Chen has broken through again. After this time, without the great power, the enchanting can easily kill us. "

"Humans are really maddening than humans. That kid is only in his twenties, he is so defying the sky?"

"The key is how he cultivated, even if he has great power behind him, he can't break through so many in a short time, right? Besides, this Thunder Tribulation doesn't seem to be the Thunder Tribulation of the True Origin Realm!"

There was a storm in the hearts of everyone, and there was only fear in their eyes.

At this moment, Bao Peimin walked out with his hands behind him, took a look at Lei Jie, and said indifferently: "Mr. Ye is not something we can arrogantly discuss. His talent and strength are the scariest I have ever seen in my life. This kind of person, Huaxia is not his stage, Kunlun Xu is the one. The gap between us and him will grow wider and wider. Right now, everything must be considered from Mr. Ye's perspective."

"I heard that Mr. Ye established the Ye family in Huaxia Capital. If there is a chance, we will stand for Mr. Ye."

Everyone nodded their heads when they heard this sentence, and said no more, they were still shrouded in the shadow of Ye Chen that day.

In Huaxia Capital, Ren Qiyun and several elders are practicing cross-legged on a high-rise rooftop.

The smog in the capital is very heavy, but the aura is extremely thin. Only in the rooftops can a trace of aura be drawn.

For them, no matter where they go, their cultivation cannot stop.

As for absorbing the new blood of the sect, they have ordered their disciples to contact the major families and forces in China.

Those Huaxia families will definitely care about this kind of thing.

After all, if a Kunlun imaginary strongman is born in the family, it will be able to benefit several generations!

At this moment, Ren Qiyun and the other elders seemed to have noticed something and opened their eyes together!

When they saw the thunder cloud above the southern sky, they were stunned!

"Such a thunderous robbery, is it possible that someone in Huaxia stepped into the Ascension Realm? There are still people in China who can break through the Ascension Realm? How could it be possible! A place where aura is so thin~[www.mtnovel.com](http://www.mtnovel.com)~ It is impossible to practice for a hundred years!"

Ren Qiyun stood up directly and stepped on the top of the railing on the top floor. He stared at the crazy thunder robbery on the south side, his mind seemed to be shaken!

This thunder robbery was terrible, at least for a moment, fear developed in his heart.

Who is it?

Who is breaking through?

The key to the power of this thunder robbery seems to be more than the Immortal Ascension Realm!

His heart was completely wrapped in fear!

"Elder Zhu, do you know about China, take a look, where is the place of thunder calamity? We must find this person. If this person is brought back to the sect, the lord will definitely praise us! Such a thin aura can arouse this kind of thunder robbery, I am afraid that entering Kunlun Xu will be even more terrifying!"

"This kind of genius, we must fight for it at all costs!"

Hearing Ren Qiyun's instructions, an old man in a robe stood up, glanced at that direction, and then took out a map of China.

Not long after, he closed the map of Huaxia, and then said seriously: "Enlighten Suzerain, if I am not mistaken, then the land of thunder tribulation should be in Huaxia Guangzhou or the Xiangjiang area. As for the specifics, you need to send someone to check it before you can decide. ."

Ren Qiyun's eyes were filled with madness, and he said seriously: "Okay, I order you to take a plane now. You must investigate all the information of the breakthrough person. If you encounter it, fight for it at all costs! Remember, It is at all costs! Whatever he wants, we are unilaterally satisfied!"

Elder Zhu nodded: "Yes!"

After that, he stepped out and jumped directly from the tall buildings!

Endless free and easy and crazy!

After Elder Zhu left, Ren Qiyun had a confident smile on his mouth: "It seems that Heaven is also on my side, as long as he finds this kind of existence, he is enough to compare hundreds of talented people!"

...

Chapter 514: 1 person

Jiang Daoshan, I don't know how long it took, and the thunder robbery gradually disappeared.

Everything returned to calm.

In the ancient square, a dark young man opened his eyes, his eyes were extremely cold!

The whole body exudes a distant breath.

It is Ye Chen!

At this moment, he could clearly feel the powerful energy in his life charm, as if he could break everything!

If such a terrifying Thunder Tribulation were to condense combat skills with the way of magical talisman, its power would be amazing!

Even Kunlun Xu is a good hole card!

Ye Chen stood up, regardless of the torn clothes and jet-black body.

Crackling!

Following Ye Chen's movement, there were bursts of crisp crackling sounds like firecrackers from all over his muscles and bones!

Reborn, this is not just for fun.

Stepping into the True Essence Realm, Ye Chen has undergone tremendous changes no matter in terms of flesh and blood or the bones of the whole body.

With the relaxation of his muscles and bones, Ye Chen felt unprecedented lightness and comfort.

"Burning Heaven Palm!!!"

With a cold snort, Ye Chen stepped forward.

The flames covered the whole body, and the virtual palm suddenly formed, erupting directly!

With the blast of this palm, Ye Chen mobilized the power of his body. Within a single thought, energy is surging within the dantian!

Endless energy is pouring out like a big river, and the whole body is exhausted to infuse between the right arm!

boom.....

With the support of powerful energy, this palm exploded like a volcanic eruption.

The powerful palm wind exploded and shook the entire square roaring!

boom.....

A powerful burst of air was produced, and a terrifying palm wind roared.

Huhuhu...

Such gusts and flames lasted for a while before it gradually ended.

Until this moment, Ye Chen slowly withdrew his hand.

"The True Essence Realm is indeed powerful. If the Separation and Reunion Realm is a lake, then the True Essence Realm is a big river! Not only will the dantian be expanded tenfold, but in the future, if you

use the Burning Palm or the Sword Intent to break the sky, the dantian will not appear. The result of the exhaustion of Qi is, and more importantly, he can feel that his whole body is full of power. The current Burning Heaven Palm and the Burning Heaven Palm used by the Lihe Realm are not a star and a half apart!"

"At the moment, if you face those Chinese Guardians again, this group of people will probably not be able to resist it with a single move! Even back to Kunlun Xu, the powerhouses of the blood alliance may not be able to move themselves!"

"This breakthrough has really benefited immensely. Who would have thought that the Lihe Realm would enter the True Essence Realm. It only took me less than a month! If it were to reach Kunlun Xuzhong, the old man or Ji Siqing, or even those who had Those who look at their own sect with a cold eye are afraid that they will drop their chin!"

A smile appeared at the corner of Ye Chen's mouth, and his eyes flickered.

At this moment, Ye Chen couldn't help but surge. The world in front of him seemed to brighten up.

Chen Tianli slowly fell from a high altitude and nodded in satisfaction: "Yes, the power of the snake gall and the power of the calming sun-breaking stone has been absorbed by you. I originally thought that it would take ten and a half months for you to break through the true origin. , But now I still look down on you."

"Now that you have stepped into the real yuan realm, I can also teach you some good sword skills."

After Chen Tianli finished speaking, with a big wave of his hand, the calming soul-breaking sun directly disappeared!

Apparently has entered the reincarnation cemetery!

"Master, I have absorbed almost the same ability as the Soul Calming Poyang Stone, do you still need it?" Ye Chen asked curiously.

Chen Tianli nodded, then glanced at the two swords floating above the sky!

Soul Sword! Poyang Sword!

"The sword is coming!"

Chen Tianli roared, and the two swords flew over directly, and they were suspended in Chen Tianli's right and left!

"Disciple, the Soul Sword has already recognized the master, you find a way to recognize the Poyang Sword as the master, if both swords recognize you, I will teach you dual-sword combat skills, then your strength will be even higher. ."

"As for the soul-saving sun-breaking stone, it can not only carry these two swords, but the remaining abilities in it are also of great benefit to the remaining strong in the reincarnation cemetery.

Before the words were finished, the square shook!

The place Ye Chen stepped on was even more torn apart!

"Apprentice, the treasures of Jiang Daoshan have been taken away and destroyed by us. The ancient spirit protection array has disappeared. This place must start to self-destruct, and leave quickly. As for sword skills, I will teach you when you return to the capital!"

"Also, my actual state won't last long. I can only return to the reincarnation cemetery. After you finish everything, call me out. I will try my best to teach you some supreme swordsmanship!"

At the end of the speech, Chen Tianli and Zhenhun Poyang Sword drilled into the reincarnation cemetery.

The black stone fell steadily.

Ye Chen put the black stone directly into his pocket, and swiftly swept outside!

The speed is getting faster and faster!

This feeling is simply refreshing!

Not long after, Ye Chen finally rushed out of Jiangdaoshan!

Bao Peimin and several guardians of China are waiting anxiously in the distance!

When the black Ye Chen appeared, Qi Qi was startled, and then he said, "Mr. Ye, have you left the customs?"

They noticed the aura on Ye Chen one after another!

They could not even detect Ye Chen's original state~[www.mtnovel.com](http://www.mtnovel.com)~ now!

Even Ye Chen's eyes inadvertently were horrified to the extreme!

As if one look is enough to determine their lives!

Ye Chen nodded to Bao Peimin, and then ordered: "This Jiangdao Mountain is about to disappear, let's leave this place quickly!"

"Yes, Mr. Ye!"

Several figures swept down the mountain frantically!

When Ye Chen and the others rushed to the bottom of the mountain, the surrounding area of Jiangdao Mountain was filled with dust, like a sandstorm.

Bao Peimin and the other guardians saw this scene, took another look at Ye Chen, and swallowed!

Who would have thought that this young man not far away would directly remove the sacred mountain in Xiangjiang!

I am afraid that the citizens of Hong Kong will be immersed in a long period of panic.

It will not even be long before the mysterious disappearance of Jiang Daoshan will appear in books such as unsolved mysteries in major bookstores.

Except for a few of them, no one in the world knows.

...

Not far away, a Rolls-Royce Phantom stopped. When the dust disappeared a bit, Li Jiacheng was relieved from shock.

When he saw this scene in the car, he stopped beating!

Although he didn't know what happened in Jiangdao Mountain, Ye Chen went down safely, which was enough to explain the problem.

This young man, his Xiangjiang Li family wants to please at all costs!

If offended, the consequences would be disastrous.

He even made plans in the car just now. Ye Chen has Tianzheng Group, and Tianzheng Group's drugs have not yet entered the China Xiangjiang and European markets. If Tianzheng Group has any intentions, he will use the help of his group!

When Li Jiacheng got out of the car, the driver wanted to pass the hood, but he refused, and he walked quickly towards Ye Chen.

"Mr. Ye, my car is parked over there. There is a hotel near me. Do you want to take Mr. Ye there."

Chapter 515: Confess!

After all, Ye Chen looked a little embarrassed now, and bathing was naturally the first thing to do.

Ye Chen glanced at his appearance, nodded, and got into the car directly.

As for the destruction of Jiang Daoshan, it is none of his business where these guardians of China are going. He believes Bao Peimin will be able to handle it.

When he arrived at a nearby hotel, Ye Chen simply took a bath, and then changed into a custom casual outfit that Li Jiacheng asked the housekeeper to prepare.

Li Jiazhi planned to host a banquet for Ye Chen, but Ye Chen directly refused. He took out the phone that was turned off. As soon as he turned it on, he found a bunch of text messages and missed calls bombing.

He just wanted to open one of them, and another phone opened.

Ye Lingtian in the dark palace.

Ye Chen frowned. Just about to say something, Ye Lingtian said eagerly on the other end of the phone: "Hall Master, your phone is finally connected! Palace Master, Ye Lingtian asks for punishment!"

"What happened?" Ye Chen's tone was serious.

"Hall Master Qi, something happened to your mother, something happened to the Jiang family in Jingcheng..."

Ye Lingtian said all the things, he has no right to conceal, even though Jiang Chenghuan Huanhuan 僭侯  
?? read 杼杼東鳩颯??

Ye Chen, who was in the hotel, had extremely cold eyes, and his body radiated red light!

shocking!

The entire hotel is wrapped in evil spirits!

The furniture is broken! Cracks appeared on the ground!

The phone hung up.

Ye Chen's eyes shot in one direction!

That is the direction of the capital!

"No matter who you are, you are not qualified to move my mother. The one who insults the mother can only die! Ren Qiyun, today, even the sect behind you can't save you!"

"What about the Kunlun virtual powerhouse! The value of your existence is my stepping stone to Ye Chen!"

No one can understand the anger in Ye Chen's heart!

He just left the capital for a few days before someone dared to touch his mother!

court death!

When he was angry, another call came.

Wei Ying.

"Ye Chen, I and a few people in the dark palace are waiting for you here at Xiangjiang International Airport. I also know what happened in Beijing. Come here directly and the private plane will take off immediately!"

"it is good."

Ye Chen hung up and sat in Li Jiacheng's Rolls Royce again.

"Mr. Ye, where are you going?"

"Xiangjiang International Airport, the fastest." Ye Chen said with a hint of sorrow.

Li Jiacheng naturally felt the anger on Ye Chen, so he didn't dare to say a word.

...

Beijing, sunset red clouds.

Don't have artistic conception.

Jiang Family, at this moment, it is extremely quiet.

Jiang Wentian and the injured Jiang Jianfeng sat on both sides of the living room, their eyes filled with determination.

There were only two in the Jiang family, and all the strong Jiang family seemed to have left.

At first, the eyes of the two of them only had endless anger, but as they went back, the meaning of anger became weaker.

It's not easy to talk about the mayfly shaking the tree.

For a long time, Jiang Wentian spoke with a low voice: "Jianfeng, I am also a disciple of the Sword Sect, and I have something to do with Elder Ren. Even if I don't hand over Pei Rong, he won't do anything with me. I can deal with it enough alone."

Jiang Jianfeng shook his head. Although his face was weak and exhausted, his eyes were extremely determined: "Big Brother, then Ren Qiyun said that he wants Jiang's family to make amends. I can make amends by myself. You can finally make a fool of yourself in Kunlun. If you are destroyed It's a shame to drop."

"As Pei Rong's second brother and sister, I should bear the crime!"

Jiang Wentian slapped the table and stood up: "Jianfeng! Since you know the truth, you should let me take care of it all! I am the eldest brother, everything is up to me!"

"Have you considered Dad? Dad is now in a coma. His injury is very important. Now you need to accompany him! Not brave! The Jiang family still needs someone to carry the banner of the Jiang family!"

Jiang Jianfeng didn't speak, he looked at the red clouds in the sky.

As bloody.

It's like the current fate of the Jiang family.

Suddenly, he thought of the blood dragon, would Ye Chen be saved if he came back?

Thinking of this, he said to Jiang Wentian: "Brother, did you know that I mentioned one person to you, Pei Rong's child Ye Chen?"

Jiang Wentian frowned and said, "What do you ask this person? I know that this son's talent is not bad, but Elder Ren and the others, one finger is enough to kill this son, Pei Rong's family is too rough, you willing to let her child take risks?"

In Jiang Wentian's eyes, although he had heard about Ye Chen's legend, it was obviously exaggerated.

Even if Ye Chen really had the strength to kill the Guardian of China, he was unmatched, but in front of the elders of the Fallen Sword Sect.

Like a giant elephant and an ant, they cannot be compared.

When Jiang Jianfeng heard this, he sighed, and his last hope was gone.

When the atmosphere in the living room was serious, several figures came directly from outside!

It was Ren Qiyun of the Fallen Sword Sect and the other elders!

Suddenly the spirit of killing has formed!

Ren Qiyun closed his eyes, his spiritual knowledge spread, and he naturally discovered that these two people belonged to the Jiang family!

His eyes were cold~[www.mtlnovel.com](http://www.mtlnovel.com)~ eyes shot towards Jiang Wentian!

"Jiang Wentian, what do you mean, not only didn't bring back the person I wanted, but even everyone in the Jiang family moved out. Do you really think I dare not kill you? Don't forget, the elder of the Falling Sword Sect is qualified to kill Kill the Sword Sect disciple!"

The voice was cold, and the temperature of the entire Jiang family compound had dropped a bit!

Jiang Wentian's eyes condensed, and he said: "Elder Ren, I will take care of everything by myself. If you want to kill you, you have to smash it, just listen to it!"

Jiang Jianfeng also stood up and said coldly: "Elder Ren, I am the one who can be the master of the Jiang family. If you want to kill, kill me. Brother has nothing to do with this matter! I am willing to exchange my life for Pei Rong's life! "

Ren Qiyun looked at the two brothers coldly and suddenly smiled.

The smile is crazy and hideous!

"Before I left, I said very clearly, during sunset, I want to see that \*\*\*\* woman, otherwise the Jiang family will bear all the consequences!"

"You should have misunderstood this consequence. It's not someone who can replace it, but you will kill the door! Neither of you can bear it. If you can't hand over that woman, all Jiang family members will die!"

"Otherwise, what does China think of our Kunlun Void Sword Sect?"

Hearing these words, Jiang Jianfeng and Jiang Wentian's expressions changed together!

They never expected that Elder Ren would be so heartless!

Just for one sentence, destroy the Jiang family?

This is too much!

Jiang Wentian stepped forward, his eyes were cold, and he said word by word: "Elder Ren, you are using your power, I want to go back to Kunlun to ask the lord!"

Ren Qiyun shook his head helplessly: "Wen God, I used to be very optimistic about you, but now why are you blinded by worldly things? Do you think I will let you fall back to Jianzong? Since you haven't seen the person I want to meet, then It all starts with the two of you."

"Elder Zhu, take down these two people!"

Chapter 516: Boss!

Hearing Ren Qiyun's instructions, the elder Zhu on the side hesitated for a few seconds, and decided to take action!

Covered by powerful coercion!

Jiang Wentian and Jiang Jianfeng drew their swords together and looked at each other!

"Jianfeng, you and I have never fought side by side once. This time, we are going to die for the glory of the Jiang family!"

"At least the Jiang family won't have any scams!"

After the words fell, the two rushed out with swords!

The Jianfeng lifted up and swept across the air, as if dividing the air in two.

Under the powerful aura, the two of them did not stop with this sword, like a beast attacking, rushing to Elder Zhu.

They have no choice but to do their best!

Anyway, it's offended, so I just do it recklessly!

Elder Zhu also offered a long sword in his hand, and the powerful air wave swept through and collided with the two swords in a blink of an eye.

boom!

At this moment, the Jiang family's tables and chairs were all shattered and completely messed up.

The stars collide, but so!

The overflowing sword energy has already weakened Jiang Wentian and Jiang Jianfeng a bit.

It's just that Elder Zhu didn't feel well, and he took a step back.

He never expected that these two people were really moving!

"There is no turning back."

The weapons collided in the air with a sharp sizzle.

The fire flickered like a rainstorm.

Jiang Wentian's face was pale, but Jiang Jianfeng's face was pale! Both of them have already stimulated their strength to the extreme, even beyond the extreme.

But the power gap is too huge!

One is the elder of the sect, and the other is the disciple and the injured, how to fight!

It was visible to the naked eye that in the confrontation, Jiang Wentian and Jiang Jianfeng's momentum was suppressed and began to recede. Gradually the light on his swordsmanship began to dim.

In front of Elder Zhu at this moment, there are all ants!

"Jiang Wentian, you give up, it is worth a woman to replace your Jiang family's life."

Elder Zhu said.

"Never possible!"

Taking a deep breath, Jiang Wentian shouted angrily.

In the long whistling sound, Jiang Wentian's whole body was really angry like a torrent, and he did not hesitate to cover the sword intent and leave!

boom!

Another surge of domineering energy!

But it didn't work at all!

Elder Zhu's sword intent is even stronger, as if breaking everything!

"Do not!"

Amidst the unwilling roar, Jiang Wentian spouted a few \*\*\*\* flowers from his body, and his whole person was like a kite with a broken line, swept out in the storm!

Suffered heavy losses!

The stalemate of the confrontation is over!

No match at all!

Jiang Jianfeng just wanted to take a shot, and Ren Qiyun, who had been watching the battle, appeared in front of Jiang Jianfeng.

"The mere ants, still want to resist? Get out!"

Jiang Jianfeng was also blasted off, sprayed with blood, embarrassed!

Ren Qiyun looked at the two condescendingly, shook his head, and there was already a sword in his hand.

His eyes were ruthless and cold.

"There are some rules that cannot be changed. Let's start with the two of you."

The sword in Ren Qiyun's hand was about to fly out, but a cold voice resounded!

"stop!"

Everyone shook together, and saw a woman coming from outside the door!

Jiang? Chengwu

The injured Jiang Wentian and Jiang Jianfeng shrank their eyes and roared: "Peirong! Why are you here! Get out!"

They are angry! Why did my sister come to die!

Jiang Orange Department's lie, dumplings, screaming, writing, sorrow, Zheng, Fang Ba blinking, Jing, papaya, chrysanthemum pattern, tired, squatting, moving, translating, through the mimic, doctor, sulphur-diarrhea? According to Chuangxi#? To prepare the heroes with Chen Zhang, and to send the emperor Qiangshaoyuan to fight?

The sneer at the corner of Ren Qiyun's mouth was gloomy. With a wave of his arm, the door of the Jiang family closed directly!

"Sorry, I have changed my attention. The Jiang family disappointed me and there is no need for it."

"But if you voluntarily kneel down in front of me, I can think about it."

Ren Qiyun's tone is full of playfulness!

Hearing this sentence, Jiang? Orange? You Huang acyl? 6a collapse? Poke a lie in the sedan chair and reproduce it? Hui 儆淘イ?

"I hope you keep your promise!"

Seeing this scene, Ren Qiyun's expression was very satisfied.

It's as if he can control everything!

Looking at the entire China, who dares to stop himself!

Seeing Jiang? Orange plaque? Hustle? Banwu locust humiliation? Hubei yellow 穰

The gate of the Jiang family was directly smashed!

The sound was so loud that almost everyone was frightened!

All eyes shot towards the gate, only to see a young man in casual clothes standing proudly.

The eyes are cold, scarlet!

Like a jackal with red eyes!

Ye Chen is here!

Jiang Jianfeng and Jiang Chengsan, you gizzard guanidine, apologize, Ju argon, uncovered the frozen scorpion, roasted squid Zheng

With a monstrous spirit!

With a wave of Ye Chen's arm, an invisible wave of air surged from the ground, directly bending Jiang Cheng Yin, who was about to kneel down, with his knees bent.

Then he glanced at Jiang Jianfeng and Jiang Wentian.

He knew that the two were seriously injured!

He was really angry!

The evil spirit wanted to control, but couldn't control it, and rushed directly out of the body!

He walked towards Ren Qiyun, and his icy words resounded: "Today, no one can move the Jiang family! No one is qualified to make my mother kneel!"

"It should be you who really kneel down!"

The hellish eyes shot at the elders of the Sword Falling Sect!

Especially Ren Qiyun!

"Who are you?" Elder Zhu frowned~[www.mtlnovel.com](http://www.mtlnovel.com)~ and said the doubts in the hearts of several elders.

Ye Chen strolled towards Jiang Chen in a leisurely manner.

"Who am I?" Ye Chen paused, and then said every word, "I am Jiang Chengli? Ying? Frozen sword.

Hearing these words, Elder Zhu laughed. Although he noticed something wrong with Ye Chen's body, he didn't think much about it. Instead, he said: "A person with a common root, also come to die?"

Ren Qiyun also opened his mouth and said: "Little waste, it seems that you are trying to find a place for your mother? What kind of son is born out of it! Don't you know that arrogance must be based on strength?"

Ye Chen ignored Ren Qiyun, but took a look at Jiang Jianfeng and Jiang Wentian, and then asked: "Who hurt my two uncles? Stand up, kneel down, and severed my head! I don't want to do it!"

The words fell, the air was extremely quiet!

Everyone's expressions seem to freeze!

Let an elder Wan Jianzong kneel down and sever his head? I'm afraid this is crazy!

Although Jiang Wentian had never seen Ye Chen, he still took it!

This kid's temper is even more hot than Pei Rong!

He hurriedly said: "Ye Chen, you go back quickly, this is an adult's business!"

Ye Chen ignored the elders in front of him, and said every word: "I'll say it again for the last time, whoever used the hand, stand up!"

One second.

Two seconds.

When it was the third second, Elder Zhu took a step forward, with cold eyes: "Small trash, what about my hands! In China, dare to be arrogant in front of us, you are the first person and the last... .."

Before he finished speaking, Ye Chen moved!

Chapter 517: So useless?

The dragon sword is directly sacrificed!

The first sword of breaking the sky! Qianlong cuts the sky!

This sword is more handy! The key is that Ye Chen can control everything!

Step on the Canglong phantom body, Ye Chen takes the lead!

Under the red clouds, the sword light soared to the sky, tearing everything apart.

A fierce sword energy, turned into substance, shot forward!

The world seems to freeze!

In the dantian, the true energy surges, and the endless power is rushing!

That sword aura seemed to tear the world apart. The world fell into deathly silence at this moment!

Even though they were a few meters apart, Ren Qiyun of the Falling Sword Sect and the other elders could not help but change their expressions as they felt Ye Chen's momentum at the moment.

True Origin Realm?

wrong! This sword and breath far surpasses the true origin realm!

Ye Chen's aura contained in this sword...it was terrifying!

I'm afraid that it's not inferior to the 4th floor of the True Element Realm, right?

How did Ye Chen do it?

I don't know how many people have a trace of doubt in their hearts.

"Fuck me!"

The cold light flashed, the gods and ghosts avoided. Facing Ye Chen's domineering sword aura, Elder Zhu couldn't help being solemn.

Obviously, Ye Chen's strength seemed to exceed his imagination.

"Om..."

With the long sword in his hand, he jumped upward, and a purple light bloomed in the Jiang family yard!

Like a dragon flying into the sky, the purple light swallowed towards Ye Chen's sword energy.

Ding.....

In an instant, there was a light collision sound.

Ye Chen's violent sword aura tore everything apart, and Elder Zhu's sword broke directly!

Not only that, his body seems to be stagnant!

not moving at all!

A few seconds later, "Plop!" With a sound, the head fell directly!

The blood is getting stained, shocking!

At this moment, everyone was stunned. Who would have thought that a twenty-year-old youth would turn the tide like this!

One of the key elders of the sword sect cannot be matched?

One sword beheaded?

This is too \*\*\*\* exaggerated.

The sudden blow, like a heavy hammer, split their hearts to pieces.

Jiang Jianfeng and Jiang Wentian are dumbfounded!

Jiang Hirong panicked, is this still her own son?

Ren Qiyun was stunned in the same place, deadly silent, just staring at Ye Chen, staring at him.

He didn't want to believe it, but it actually happened.

Killed Elder Zhu, Ye Chen's eyes condensed, and fell on Ren Qiyun's body, the cold voice resounded!

"Ren Qiyun, give you a chance, kneel down, slap yourself ten slaps, and then apologize to my mother! I'm considering letting you die!"

Ye Chen, the words at this moment made people feel boundless majesty and domineering.

directly bombard Ren Qiyun! Who dares to think about it!

Even though Ren Qiyun had a moment of fear, he would naturally not compromise! Not to be scared by a little kid!

He drew out the cold sword and walked directly towards Ye Chen!

"Little waste, dare to insult me! Seek death!"

Ren Qiyun directly sacrificed the fascinating knowledge of Sword Falling Sect, the sword fell for nine days!

The violent sword intent is formed!

The wind is coming up!

Ren Qiyun is extremely strong!

"What \*\*\*\* swordsmanship, just try what the master just taught me, the Sword of Extinction!"

Ye Chen blasted out with a sword, and his whole body was like a torrent of real energy, gathering out.

Chen Tianli taught him on the plane!

Although there is only one sword, it is enough!

brush.....

A sword came to the east, and the wind was violent in the animation sky, causing the situation to change!

In the sky, the deep red glow seems to have turned into a devil, roaring loudly!

boom...

The sword light that integrated the power of heaven and earth fell, so that the people present would not change their color!

The remaining few elders of the Fallen Sword Sect stunned.

This trick... so powerful!

Ten Thousand Ways of Death Sword, suppress the opponent with the power of heaven and earth!

Ye Chen can't master the power of fur.

But for this Falling Sword Sect, it is a gap between heaven and earth!

For a time, that sword light, like the nine-day Milky Way, roared down.

"Do not....."

Ren Qiyun's sword fell directly torn apart for nine days, his head was disheveled, and his body was suddenly stained with blood, like a bereaved dog.

Looking at the sword light that Ye Chen suppressed, his pupils shrank rapidly, becoming extremely shocked.

What he can do now is to resist with all his strength!

If you block this trick, you have a chance!

Ghost knows where to pop out a wicked talent!

The key opponent's sword intent and strength are actually crushing?

Fangen?

This \*\*\*\* kid is Fangen, everyone in the world is Fangen!

boom...

He desperately urges his own qi to mobilize his energy as much as possible in a short time!

Time is really rushed, it simply can't make him make more choices! He fought off with a horizontal sword.

boom...

In an instant, a roar exploded.

Two swords clash.

rumbling...

The horrible atmosphere seemed to lift the Jiang Family Courtyard upside down.

Crushed rocks flew across the sky, dust filled the sky, and a thunder flashed across the sky!

"Kneel me down!"

Jian Feng was blocked, Ye Chen roared fiercely.

boom...

Second force, even more powerful!

The power of heaven and earth, is there an end?

Puff puff.....

Ren Qiyun spurted blood, his complexion suddenly pale!

Click...

There was a crisp sound, and the long sword in his hand seemed to begin to shatter.

You know, this sword is a magic weapon, and it is invincible! Now it's broken in China!

how is this possible!

The figure trembled suddenly, and under Ye Chen's burst, Ren Qiyun bent his legs and was directly suppressed by Ye Chen and kneeled in the ruins!

"Palm mouth!"

Suppressing Ren Qiyun, Ye Chen shouted loudly.

Ren Qiyun's cold eyes were bloodshot, and he was unyielding.

But what qualifications do you have!

He can't resist the young man in front of him!

"Don't think about it!"

Ye Chen's eyes were cold, and he stepped out!

shoot out with a palm!

"Snapped!"

A slap is extremely crisp, and the power of violent direct makes Ren Qiyun spit out a mouthful of blood!

Wandering to the extreme!

Ren Qiyun reacted and said angrily: "I am the elder of the Fallen Sword Sect, you..."

Before he finished speaking, Ye Chen slapped it out again!

With this slap, Ren Qiyun's teeth all came out!

Gulping blood is released!

"Don't talk about Falling Sword Sect, even if the lord is here, moving my mother is dead!"

Then, Ye Chen slapped out again!

This slap directly deformed Ren Qiyun's cheek!

is a fan flying six or seven meters! Hit the wall! The wall collapsed!

Ye Chen's anger, who dares to bear it!

Three slaps, Ren Qiyun is almost between life and death! Even a little coma!

"So useless?"

Ye Chen came to Ren Qiyun, clasped his neck with five fingers, raised it high, and slammed it down!

"It's not that easy to want to die~www.mtnovel.com~"

Shocking noise!

tremble the world!

Ren Qiyun is bloody! Moan bitterly!

"No...no! Ye Chen, I won't let you go..."

Ren Qiyun roared heartbreakingly.

thorn...

tear...

Soon, his roar turned into a scream.

A burst of tearing sounds spread among the red clouds, thrilling!

boom...

Ye Chen kicked out directly, Ren Qiyun was covered in blood, and the curtain was red!

The world is quiet.

Everyone, watching this scene, they are all in a dream!

Ye Chen is too scary!

And almost beheaded such a strong man by crushing?

Chapter 518: Are you happy?

Although Ren Qiyun's strength is not the strongest of Falling Sword Sect!

Can't underestimate it!

But such a powerful existence was crazily crushed by Ye Chen!

The elders of the Fallen Sword Sect who had witnessed everything were dumbfounded, and even took a step back subconsciously!

Their eyes stared at Ye Chen's figure, trying to breathe, but they felt an invisible force strangling their throat!

madman!

Out-and-out lunatic!

At this moment, Ren Qiyun kept spitting out blood. Mobile terminal

He felt that his body didn't belong to him anymore.

He just wanted to speak when a big hand swept over!

The strong wind howled, "Slap!", another slap on his face!

He was taken off again!

Not only the whole body is blood, but the whole face is distorted!

He didn't care about everything, so he took a pill from his arms and took it directly!

At the entrance of the medicine pill, the injured body finally took a bit better.

But at this moment Ye Chen came to Ren Qiyun again!

At this moment, Ren Qiyun's eyes were full of panic!

He panicked, really panicked!

The key is that he has no power to fight back!

This is in China, not Kunlun Xu, why is there such a strong person?

Ye Chen did not continue to do it, but silently took out the cigarette in his pocket, took out one, and held it in his mouth.

The spark is lit.

The clouds entangled.

"There are four slaps, you should know what to do next."

Ye Chen's indifferent voice sounded, without any temperature.

Like the judgment of the gods.

Ren Qiyun's eyes were full of bloodshot eyes, and he said word by word, "Ye Chen, do you know what you are doing?"

"Even if your strength is overwhelming, you can't be above a sect!"

"Kunlun Xu's Falling Sword Sect is notorious for protecting shortcomings. You hurt me like this. I can't complete the appraisal goal of the disciple. If the suzerain blames it, can you take it? The entire capital city may have to apologize for you!"

After saying this to Ye Chen, Ren Qiyun looked at Jiang Wentian with blazing eyes!

Jiang Wentian is the most qualified as a disciple of the Falling Sword Sect!

"Jiang Wentian, Ye Chen doesn't understand Kunlun Xu's rules, you should understand! Sect Master Falling Sword is angry, do you think he can bear it? Or is the entire China can bear it?"

Jiang Wentian hesitated for a few seconds, he knew the seriousness of the matter before him.

Although he has the heart to kill Ren Qiyun, there are indeed no choices for some things.

Ye Chen can crush Ren Qiyun, but can he crush the entire Sword Sect?

The one hundred powerhouses of the Fallen Sword Sect, the inner and outer doors, the elder hall, the lord, and the ancestors, these existences are not something Ye Chen can resist.

If for the sake of a moment of refreshment, the Jiang family is sinking deeper and deeper, then it is really not worth the loss.

Now things are uncontrollable. If this continues, both the Huaxia Martial Arts Realm and Kunlun Xu will have serious problems!

After thinking about everything, Jiang Wentian looked at Ye Chen and persuaded, "Ye Chen, this matter will stop here. You don't understand something about Kunlun Xu. If this matter is known to those big people, the consequences will be disastrous."

"Ye Chen, listen to what Uncle said, stop."

But Ye Chen ignored Jiang Wentian's words.

The smoke enveloped Ye Chen, and only a pair of eyes that looked like a devil could be seen.

Close hand?

How could Ye Chen stop!

How would things develop if he stayed in Jiangdaoshan for one more day?

Mother knelt in front of this person and was abruptly pulled from the spiritual root!

Once the spiritual root is removed, it is not as simple as becoming an ordinary person! It might even die!

Jiang's family was destroyed because of mother's accident!

This is Ye Chen's nightmare!

How could he forgive!

What about Falling Sword Sect? Not to mention a small sect of Sword Falling Sect, even if Kunlun's virtual top sect is here!

The result is still the same!

He doesn't understand Kunlun Xu?

Ha ha! During his five years in Kunlun Xu, he tasted all the pain and cold eyes. He knew better than anyone the rules of Kunlun Xu's operation!

Jiang Wentian glanced at Ye Chen and knew that the other party was not ready to let go, so he looked at Jiang Huirong.

Right now, the person who needs to tie the bell to untie the bell.

"Pei Rong, please persuade you, everything must consider the overall situation."

"By the way, don't you want to rescue Ye Tianzheng? It is inevitable to step into Kunlun. If you offend the Sword Sect, there will only be harm and no good. Although I can't be angry, the rules of Kunlun are like this..."

When Jiang Huirong heard these words, her eyes condensed slightly. After hesitating for a few seconds, she walked to Ye Chen's side and whispered, "Chen'er, let it go this way, nothing happened to Mom and Jiang's family, let alone you hurt each other. It's almost even if it's like this."

Seeing Jiang Hirong coming to persuade Ye Chen, he pinched out the cigarette in his hand, his eyes lightened a bit, "Mom, how is your injury?"

Afterwards, he took out a bottle of liquid medicine from the reincarnation cemetery and said to Jiang Peirong, "Mom, you will drink this thing first, and your body will feel better."

He could feel that the pain on his mother was forcibly endured.

Jiang Hirong took the liquid medicine and wanted to say something, but he swallowed it when the words reached his lips.

She understood Ye Chen's temper, and once he decided something, no one could dissuade it.

But he must have his own consideration~[www.mtnovel.com](http://www.mtnovel.com)~ She believes in her son!

"Mom, leave this to me to handle. My Huaxia Ye Family is not afraid of any forces, even Kunlun Xu."

"Some threats, if they are not eradicated, they will only breed crazily, and then we will be forever."

After saying this, Ye walked towards Ren Qiyun step by step!

Ren Qiyun's eyes shrank slightly and wanted to retreat, but the invisible pressure had already been covered.

"Ye Chen, don't make mistakes again and again!"

"If you do this, you will harm the entire Chinese martial arts world!"

Ren Qiyun has retreated to the corner, and his body is still dripping blood!

Ye Chen stopped and said, "There are four slaps, kneel down, and apologize! Then I will personally take away your spiritual roots and talents!"

An eye for an eye, a tooth for a tooth! This is Ye Chen's principle!

Ren Qiyun never thought that Ye Chen would want to take away his spiritual roots and talents. Is this a \*\*\*\* lunatic?

Once a cultivator loses this thing, it is no different from a useless person!

But he forgot, he treated Jiang Huirong the same way!

"Ye Chen, you are digging a grave for yourself! As long as you are willing to let me go, I swear I will never pursue it again! This is a happy situation for everyone!"

Ren Qiyun said excitedly.

"Everyone is happy?" Ye Chen said lightly.

"Right, right, right, I'm Ren Qiyun talking."

Ye Chen snorted coldly when he heard these words, the Canglong phantom surging, directly approached Ren Qiyun, wrapped his whole body with energy, and then clasped the other's neck with his five fingers again!

The right foot burst into force!

Extremely strong!

"Crack!"

One of Ren Qiyun's knee was directly crushed by Ye Chen!

Ren Qiyun knelt down on one foot!

"what!"

The sound of horror resounded!

Chapter 519: Panic!

"I told you to kneel down, why don't you listen? I have to force me to act!"

Ye Chen stepped out again, "Kakka!"

This time, Ren Qiyun's knees were all shattered and he knelt directly in front of Jiang Huirong!

"There are four slaps, do you slap yourself, or do I do it?"

Ren Qiyun forcibly resisted the pain in his body, when did he suffer such humiliation!

But right now he has no chance to resist!

What he thought of, he looked at the remaining elders, and said coldly, "This son has done such an unacceptable thing, are you still not taking action? With your strength, you can certainly kill this by setting up a falling sword formation. child!"

When the elders of the Fallen Sword Sect heard this, they knew that the situation was beyond control!

The only way is the sword-falling formation of Sword-falling Sect!

A burst of power can destroy everything!

This is also the only way to kill the evildoer in front of you!

Ren Qiyun roared, and even spit out a mouthful of blood, and shot it out, "Quick! Use my blood as a guide, if you don't kill this son, this son can't let you go!"

The moment the blood appeared, the eyes of the elders of the Sword Falling Sect showed seriousness, no longer hesitating, they pinched their fingers!

The long swords from the waist and the back gush out! Suspended above the Jiang family compound!

Several people forced out a drop of blood, which collided with Ren Qiyun's blood!

Vaguely formed a \*\*\*\* sword shadow!

"The shape of a falling sword is for the sky to condense, to kill thousands, the way of formation, open!"

After the words fell, the entire Jiang family compound shook, as if a vision was about to come to the world!

When Jiang Wentian saw this scene, his eyes seemed to stare out, and he quickly said, "No! This is one of the top ten killing formations of the Fallen Sword Sect! Ye Chen, be careful!"

The power of this burst can far exceed Ren Qiyun!

The key three years ago, Jiang Wentian personally saw several elders use this formation to kill a strong man in the Immortal Ascension Realm!

It's so effortless!

Now, Ye Chen is in trouble!

He wanted to help, but he couldn't get close!

The sword-falling formation formed a violent wind and directly wrapped Ye Chen in it!

The few cold swords in the sky are full of murderous intent!

As if with only one order, Ye Chen would inevitably turn into a blood mist!

When Ren Qiyun saw this scene, he didn't care about his own injuries, and smiled gloomily. "Ye Chen, I have to admit that you are very strong, but even if you are the sky of China, you can only suffer at the bottom of Kunlun. Struggling!"

"The strongest thing in Kunlun Void Sword Sect is not sword intent, but sword formation!"

"Under this formation, any True Element Realm powerhouse will become a dead soul! What's more, this also contains my life essence!"

"Now you must die! After you die, your mother and everyone in the Jiang family will be buried for you! This is the consequence of you offending my Sword Sect! Hahahaha!"

The ferocious laughter seemed to resound through the Ye Family Hall.

In the eyes of Ren Qiyun and the elders of the Fallen Sword Sect, Ye Chen was in a mortal situation at this moment!

Powerless!

So many powerful sword formations, who can stop it!

But at this moment, Ye Chen in the sword formation was extremely calm, watching the violent storm around him!

One after another sword intent locked himself!

He is not afraid.

He even took out another cigarette and lit it.

Extremely laid-back.

He has the inheritance of a magic talisman, is extremely familiar with the formation in front of him, and naturally knows the danger!

But so what, this may be a mortal situation for ordinary people, but for Ye Chen, it is a tasteless formation!

"It seems that you are not going to slap those four slaps yourself."

In the storm, Ye Chen's voice sounded.

Ren Qiyun's expression changed, and he snorted coldly, "You dare to talk nonsense when you die, move and kill!"

The countless sword intent in that storm burst out!

The cold light flickered, and the sword shadow filled the sky.

The sword air was awe-inspiring, and the sword wind howled.

The Jiang family compound at this moment is a sea of swordsmanship, and the storm at this moment is the closest place to hell.

There were bursts of sharp howling sounds, from time to time, accompanied by one or two sharp sword collisions.

Ren Qiyun and the other elders looked at Ye Chen, and found that the latter closed his eyes at this moment!

give up?

I am afraid that I feel my insignificance under this formation!

There were cold smiles on the corners of their mouths, and they seemed to have seen Ye Chen turned into a blood mist!

At the moment when countless sword intents were about to penetrate Ye Chen's body!

Ye Chen opened his eyes!

"A mere garbage formation! Break it for me!"

Ye Chen roared, and the blood dragon from his body poured out!

Seeing the appearance of the blood dragon phantom, Ren Qiyun and the other elders panicked!

Shenlong broken?

Could this kid really be a spiritual root?

Just when they were in a trance, they discovered something!

As the blood dragon rushed out of the body, there was also a sword!

As soon as this sword came out, the swords above the sword formation trembled violently!

"This is..." Ren Qiyun's eyes were suddenly covered with a deep layer of fear.

Only high-level spirit swords can provoke ten thousand swords to submit!

In front of him, those few Kunlun Xu swords were like this!

This Ye Chen actually has such a baby!

Unable to let him think, the dragon roar of the blood dragon resounded, like thunder tearing the sky~www.mtlnovel.com~ broke the dull atmosphere.

That cold light, if shocking, illuminates the whole world.

At this moment, the world seems to freeze!

Hum!

The silent world seemed to be broken by a sound.

Ye Chen stepped on the blue dragon, and the phantom body flickered strangely. At the same time, Ye Chen stepped out and held the soul-suppression sword floating in the air. The cold light seemed to control the entire formation storm.

Rushing...

The wind swept through, and the situation changed.

Within Ye Chen's body, with Dantian as the center, endless zhenqi was drawn out like a flood.

Almost all the strength of the body is concentrated on one move!

Under the powerful infuriating qi, the terrifying sword aura immediately enveloped all sides.

As if in between, the soul-suppressing sword in Ye Chen's hand was swung out, turning into a dragon and a tiger and falling from the sky.

The image of heaven and earth was faintly mobilized by Ye Chen during this move.

"how is this possible....."

Seeing this sudden scene, Ren Qiyun was stunned.

His eyes widened, and he subconsciously exclaimed.

Ye Chen was clearly driven into a desperate situation by them, he was already the bow of a powerful crossbow.

In everyone's eyes, only failure and death are waiting for Ye Chen.

But, what is going on now?

Ye Chen in desperate situation unexpectedly broke out such a terrifying aura.

That breath seemed to overturn the world.

The cold light seemed to tear the sky apart.

The elephant of the dragon and tiger swooping down is even more like the coercion of heaven and earth, which makes people fearful.

This...what sword skill is this! So powerful.

The sword-falling formation seems extremely small at this moment!

At this moment, Ren Qiyun panicked.

Chapter 520: Who are you?

"What kind of cultivation is this kid!"

"Oh my god... so powerful!"

"No, the sword-falling formation will be forcibly torn apart!"

Not only Ren Qiyun, but everyone present was stunned to see the trick Ye Chen showed.

What happened to this?

Such an astonishing momentum made many people even ignore the thunder arc surrounding Ye Chen in the sword-falling formation.

It was him who absorbed the sudden change of the magical talisman caused by the thunder of heaven in the Jiangdao Mountains!

It is a pity that no one can calm down at this moment and savor the whole process of Ye Chen's move.

Everyone looked at the momentum created by Ye Chen's shots, and they were already so shocked that they couldn't increase it.

Raid: Shadow Legends! Play Now!

The dragons and tigers reflect each other, as if condensing the power of heaven and earth to suppress them, what kind of trick is this...? Can Ren Qiyun resist?

Can this Fallen Sword Sect's top ten killing array be blocked?

What a joke!

"This is not a move that a strong Chinese should have at all!"

In the distance, Jiang Wentian and Jiang Jianfeng both widened their eyes.

Ye Chen gave them so many surprises!

Jiang Jianfeng once thought Ye Chen was very small, but who would know that it was only a few months!

Ye Chen has actually achieved the power to surpass the Kunlun Xuzongmen elders and kill the formation!

On a tall building far away from Jiang's house, an old man sitting on the roof railing and drinking a little wine, leaned forward at this moment, and a frightening light broke out in his eyes!

"I followed Xiangjiang all the way to the capital, but found something amazing. The grandson of the old guy is so capable? Interesting! What a fun!"

No one noticed that at this moment, the old man a hundred meters away looked at Ye Chen's eyes with surprise.

Hum!

The world changed color, and the entire Jiang family compound was in an uproar at this moment, and almost everyone's eyes were attracted to Ye Chen.

The dragon and tiger in the sky finally rushed into the storm of Sword Falling Sect.

Sting...

It was just a crisp tearing sound, and the originally seemingly airtight storm was directly torn to pieces.

That handle of the cold sword turned into powder! Dissipate between heaven and earth!

Within this move, the sword-falling formation looks like a rainbow-like sword move, like a chicken and dog, vulnerable to a blow!

Ding.....

So fast! wild! too horrible!

"The sword formation can't kill this son! What is the origin of this son! How can China have such an evil!"

Seeing the long sword break, Ye Chen continued to fall with a single move. Ren Qiyun's pupils contracted, and he roared in horror.

"not good!"

"Boom!"

A loud noise!

The bodies of several elders who used the formation were all blown away by an invisible force!

Spit blood!

The power of backlash hits their internal organs.

Ren Qiyun also spit out blood! The whole body is soaked!

Because that blood dragon phantom is entwining his whole body at this moment!

He can't move!

The ferocious dragon eye was staring at him, and would swallow him at any time.

At this moment, Ye Chen appeared in front of him again.

The last line of defense in Ren Qiyun's heart was completely repelled, and he slapped himself four slaps!

These four slaps snapped, his face was already bloody!

"Mr. Ye, Ren Qiyun has eyes but no knowledge of Mount Tai, and he never dared anymore. Please let Mr. Ye spare my life!"

As long as you can live, you can make a comeback!

Those who know the current affairs are handsome!

"Let you go?"

"Yes, yes, I beg Mr. Ye to spare my life!" Ren Qiyun was like a pug right now.

Hearing such words, Ye Chen pinched his fingers and pointed on Ren Qiyun's eyebrows!

In the next second, a ray of light seemed to pull away from Ren Qiyun's body!

Ren Qiyun's eyes widened, he found that his spiritual root had been destroyed!

He is a waste at the moment!

It is more painful to destroy the spiritual root than to kill a person!

At this moment, Ren Qiyun couldn't help it anymore!

"Ye Chen! Don't forget that your father is in the hands of the blood alliance! You ruined me, you completely offended the blood alliance, your father is not qualified to live! Your family is not qualified to live!"

Ye Chen condensed his eyebrows, and thought of something, "It seems that you are not only a member of the Fallen Sword Sect, but also a member of the blood alliance?"

Ren Qiyun resisted the pain and laughed loudly, "I'm sorry, it's too late for you to wake up!"

After speaking, he opened his palm, and a rune went straight into the ground and disappeared!

"This talisman will tell the powerful blood alliance what happened today, you are destined to never rest in this life!"

The fish die and the net is broken! This is Ren Qiyun's final decision.

Ye Chen's eyes flashed with killing intent, the soul-saving sword moved, the sword light flashed, and Ren Qiyun's hideous head rolled directly on the ground.

The blood is getting stained.

Since he was a member of the blood alliance, Ye Chen was even more unlikely to stay.

Kill directly!

After doing all of this, Ye Chen pinched his fingers, and a magic talisman suddenly condensed, heading towards the rune that burrowed into the ground.

"Tear!"

Ren Qiyun's runes were torn apart!

Half disappeared, half disappeared completely.

Ye Chen's eyes were a little serious. Although the integrity of that message was destroyed, some things would inevitably pass to the Kunlun Deficiency Blood Alliance.

"Forget it, the blood confederacy I'm going to kill ~www.mtlnovel.com~ is already offended, and I don't care about this incomplete information."

After doing all this, Ye Chen looked at the elders of the Fallen Sword Sect.

The cold eyes directly caused those elders to shrink and kneel one after another.

"Mr. Ye, this matter has nothing to do with us. We didn't do it on purpose just now, please let us go!"

"We assure you that we will never tell the sect about today."

Even so, the killing intent of Ye Chen's eyes remained unchanged.

Although this group of people is not dominant, they can't escape the relationship.

Crucially, if this group of people spread out today's events, it would also be a threat to him.

Just as Ye Chen wanted to do something, Jiang Wentian stood up, "Ye Chen, or just let these people go, they are not the main ones..."

Before Jiang Wentian finished speaking, several extremely powerful arrows suddenly shot out in the air!

The arrow seemed to tear the air, and with the sound of howling wind, penetrated the bodies of the elders of the Sword Falling Sect!

Those few elders of the Fallen Sword Sect who were still begging for mercy couldn't figure out that they would die under the arrow behind them!

All fall down!

When Jiang Wentian and Jiang Jianfeng saw this scene, their expressions changed drastically!

This thing is completely developing in an extreme direction!

When the sword sect falls to blame, what should I do! Ye Chen and him must be held accountable for the first time!

At this moment, Ye Chen didn't pay attention to these dead elders at all, but looked at a building south of Jiang Family!

No longer hesitate, the true energy under his feet exploded violently, and he rushed towards the roof of the building!

When he came to the building, Ye Chen stepped on a balcony, and soon came to the rooftop!

He vaguely saw an old man in white clothes with his back facing him!
