Chapter 521: Big mistake

"Who are you and why do you want to shoot!"

The old man in white smiled, but he did not expect Ye Chen to be so fast. He still turned his back to Ye Chen and said lightly, "Don't worry, I have no hostility towards you. If I were to kill you, you might have died long ago. "

"As for the deaths of those people, you shouldn't be soft-hearted. You broke their formation. Do you really think they are willing to stop here? If they go back to Kunlun to fan the flames, the consequences will be disastrous."

"They are dead, and only a few people can explain everything. At this time, the initiative is in your hands."

"Not much to say, goodbye, you succeeded in attracting my attention."

After speaking, the white-clothed old man took out the gourd around his waist, took a sip of strong wine, stepped on it casually, and fell directly from the sky!

In a blink of an eye, it disappeared into the world.

Ye Chen came to the edge of the rooftop, only to find that the old man had really disappeared.

"Huaxia still has such a strong man?"

Ye Chen was quite sure that the strength of this old man was far superior to those of the Guardians of China.

Why should this person help himself?

Ye Chen pondered for a few seconds, but couldn't think of why, so he could only shake his head and returned to Jiang's house.

Jiang Wentian looked at the corpses with a frown. When he saw Ye Chen coming back, he sighed, "All the elders died in China. It is estimated that the Fallen Sword Sect and the blood alliance will be shaken."

"If they send someone to follow some clues, all the clues will point to you."

"Ye Chen, this time I really got into trouble, alas!"

Jiang Wentian's tone was lonely.

Ye Chen didn't have any waves, the Blood Alliance and the Fallen Sword Sect were coming.

In this matter, he didn't make any mistakes, so what fear!

If someone wants to restrain him with his own rules, all he has to do is break these rules directly!

"Uncle, how are your injuries, do you need me to heal?" Ye Chen asked.

Jiang Wentian shook his head. He didn't know Ye Chen's medical skills, not to mention this kind of injury, they could heal with a few minutes of practice.

"Ye Chen, there is nothing wrong with us, but the old man is worried, and he is still in a coma. In order to help Pei Rong delay, he forcibly endured Ren Qiyun's strength, and his meridians were cut off. The key internal organs were really qi disordered. It should not be too late. You must go to Kunlun Xu immediately to ask a genius doctor to take action, the quack doctors of China have no way!"

Hearing these words, Ye Chen changed his opinion of Mr. Jiang a bit.

Jiang Xirong also came over. She knew some of Ye Chen's methods, and she quickly said excitedly, "Chen'er, do you have a way?"

Ye Chen nodded, "Take me to see him, as long as there is a breath, I can save it even at Guimenguan."

Jiang Wentian was startled. Although suspicious, he saw Jiang Huirong's affirmative eyes, and he turned to the outside, "In that case, you come with me."

...

A quiet villa on the third ring of the capital.

Everyone in the Jiang family was transferred here, but at this moment, the old man Jiang was lying on the hospital bed, and the fluctuation of his electrocardiogram was very weak.

If it weren't for the obsession of Mr. Jiang, I would have driven Hexi long ago.

A strong blow is not something he can bear!

When Ye Chen, Jiang Wentian and others appeared, the expressions of everyone in the Jiang family were full of horror.

They thought that Jiang Wentian and Jiang Jianfeng, who had stayed at the Jiang family, could not come back alive.

After all, angered a Kunlun Xu elder, he is not qualified to live!

But not only did the two return safely, but even Jiang Hirong and Nasha God also came.

Did this evil **** solve everything?

Thinking of this, everyone in the Jiang family gasped.

Ye Chen came to the hospital bed and looked at the extremely weak old man Jiang with deep emotion.

The old man was already dead.

If you don't save yourself, your last breath will disappear within a day.

Jiang Hirong's eyes flushed when he saw how old Jiang was so weak!

At that moment, she completely felt that her father still had her in his heart!

In her father's eyes, this is salvation, and in her eyes, this is the love that father buried in his heart.

"Chen'er, do you have a way? He is your grandfather after all, and those past events should pass."

Jiang Huirong tremblingly said.

Ye Chen nodded, dozens of silver needles appeared in the palm of his hand!

Zhen Qi condenses on the silver needles, and each silver needle seems to be shining with a faint light at this moment.

"Wow!"

Ye Chen gently tossed, the silver needle was suspended in the air! Shaking slightly!

Afterwards, he pinched his fingers and moved his lips slightly, "Fall!"

Between the words, countless silver needles fell all together and inserted them on the acupuncture points of the elderly in the hospital bed!

Some spirit grass appeared in Ye Chen's hand. He held the spirit grass in his palm and pinched it, and countless green droplets appeared.

"go with!"

The drop of spirit liquid went towards the acupuncture point where the silver needle fell!

At the same time, Ye Chen closed his eyes and pointed at the center of the old man's brow.

The zhenqi in his body penetrated the old man's body as if he had some kind of consciousness.

Everything converges wherever you go.

For ten minutes, a trace of sweat appeared on Ye Chen's forehead.

This was extremely energy-consuming, if it hadn't been for him to step into the first level of the True Element Realm, he might have fallen down long ago.

As the infuriating energy penetrated the whole body of the old man in the hospital bed~www.mtlnovel.com~ his pale face gradually turned red!

At the back, the eyelashes trembled even more.

Seeing this scene, the surroundings were as quiet as a graveyard at midnight, and there was no breathing sound.

All the Jiang family's eyes widened, like sculptures, stupidly in place!

Jiang Jianfeng and Jiang Wentian set off a stormy sea in their hearts!

Jiang Wentian knew how much the old man was injured, even Kunlun Xu's medical master might not be able to save it!

But Ye Chen did it!

He stared at Ye Chen fiercely, could it be that this mortal man who was once regarded as a sinner by the Jiang family was a medical and martial artist?

Strong martial arts strength, coupled with unpredictable medical skills!

He is only in his twenties!

Hua Xia is so thin that it can give birth to such a monster!

how is this possible!

"Ok....."

At this moment, an old groan sounded.

The old man on the bed trembling eyelashes, and then suddenly opened his eyes.

Old man Jiang is awake!

At this moment, there was only panic and surprise in everyone's hearts.

A dying person will wake up in just ten minutes!

It is not an exaggeration to say that Ye Chen is Da Luo Jinxian.

"Dad! How do you feel?"

Jiang Jianfeng and Jiang Wentian said in unison.

Elder Jiang didn't answer the two of them, but looked at Ye Chen with extremely complicated eyes.

He naturally knows who saved him.

In his whole life, he has not regretted any of his decisions!

The Huaxia Jiang family prospered because of him.

But at this moment, he really regretted it.

He has been wrong since more than twenty years ago.

If it is a huge mistake to drive away Jiang Hirong, then it is a huge mistake to give up Ye Chen.

Chapter 522: Investigate

His eyes were unwilling to say something, but when the words came to his lips, they only became two words "Thank you."

Ye Chen glanced at Jiang Xirong, and said to the old man on the hospital bed, "You are my grandfather, there is no need to say thank you."

"As for the past, let's stop here."

At this moment, Ye Chen's expression solidified the old man's expression.

He tremblingly grabbed Ye Chen's hand, "What did you say...what did you call me just now?"

He forcibly supported himself, although it was uncomfortable and painful, he had gritted his teeth and insisted!

"Grandpa."

Ye Chen repeated.

He thought he would never admit this old man in his life!

But the old man saved his mother with his own life, and the past should be wiped out.

Besides, he knew this was his mother's wish.

In the past few decades, although my mother said that she didn't care about Jiang's family, she always stood on the balcony and looked north, sometimes sighing.

He compromised this time because of his mother.

When Mr. Jiang heard these two words, he was so excited that he even burst into tears!

Suddenly looked at Jiang Xirong, "Peirong, you have given birth to a good son, a good son that my Jiang family is destined to look up to!"

"Dad, in fact, Ye Chen is strong, not because of me, but because of Jiangcheng's Ye Family, because of Tianzheng."

Jiang Yanrong said astonishingly.

Ren Qiyun said a word before, she remembered firmly that the spiritual root of her body could not be passed on to the next one, which also said that Ye Chen's talent had nothing to do with her.

The only explanation is that his husband, Ye Tianzheng, has gone.

After being rescued by Ye Lingtian, the more she thought about it, the more wrong she became.

The mystery of the parents-in-law had already fallen accidentally, and the blood alliance took Ye Tianzheng away, as if everything heralded that the ordinary Ye family that all the Huaxia family thought was not so ordinary.

There are even big secrets.

Jiang Hirong is not stupid. Some things are connected together to get a shocking secret.

The Jiangcheng Ye Family deceived the entire China!

If 20 years ago, in everyone's eyes, Ye Tianzheng was not worthy of her Jiang Huirong!

So now, it is her that Jiang Yanrong is not good enough for Ye Tianzheng!

I just don't know how Tianzheng is now.

Did those people in the Kunlun Deficiency Blood Alliance deal with Tianzheng?

...

At the same time, deep in Kunlun Mountain.

Kunlun Xu, amidst the misty mountains.

The mountains are magnificent, the aura is extremely strong, and the strong ancient formation guards the mountain.

On the top of the mountain, stands a huge stone monument!

On the stone tablet, there are two words that seem to be sparkling with blood!

Blood alliance!

In the depths of the mountains, there are magnificent temples.

In the hall, countless strong men are sitting cross-legged, and their bodies are full of extremely powerful aura.

At this moment, a ray of light came from the sky.

One of the purple-robed old men opened his eyes!

With five fingers, the light was directly caught by him.

"Well, at the time of life and death, there was an elder who used his blood to release a force to inform the news? It's just that this information seems to have been destroyed by someone."

The purple-robed old man waved his hand, and the runes bloomed in front of him.

A line of text emerged-Ren Qiyun! China Capital!

"What! Elder Ren of the Fallen Sword Sect actually died!"

The purple-robed elder's complexion changed, and then an intermittent conversation came.

Because of the damage, it is difficult to distinguish the contents.

"Who dared to touch our blood alliance! The key is that something happened in China!"

The purple robe elder forced a drop of blood to shoot on the light, and a vague figure appeared in an instant.

He is a young man in casual clothes.

Although vague, it can vaguely distinguish some faces.

This kid seems to be Ye Chen who destroyed the ghost prison?

"Anyone who dares to touch my blood ally, looking for death!"

This powerful blood elder stood up fiercely, and then said angrily into the air, "Elder Liu, Elder Chi!"

Between the words, the two elders appeared in front of the purple-robed elder.

"You take a few strong people to Huaxia Capital, find a kid named Ye Chen, and then do it yourself at all costs!"

The two elders were startled, they couldn't think of how the blood alliance was so exciting?

So many people are dispatched for a kid?

This is too much from the Huaxia kid.

"Yes, Elder Zheng!"

Just when the two elders were about to leave, Elder Zheng thought of something and said, "This kid can kill Ren Qiyun. It's definitely a bit tricky. Don't do it yet and put pressure on the Chinese martial arts world!"

"Since the incident happened in China, Ren Qiyun's identity is also special. If you use means to pressure, the Chinese martial arts world will definitely not be able to tolerate this kid!"

"I want to see, this kid is unkind!"

"No matter how strong he is, is it possible that one person can resist the entire Chinese martial arts world?"

Elder Liu and Elder Chi shrunk their eyes together, flattering, "Elder Zheng's trick to kill someone with a knife! Really bull! Our blood alliance only needs to sit on the mountain and watch the tiger fight! At that time, this kid will provoke public anger, and he won't want to survive in China! Haha!"

Elder Zheng sneered, ignoring the compliments of the two, but walking towards the dungeon of the blood alliance~www.mtlnovel.com~ He thought of a man who has something to do with Ye Chen.

Not long after, in the dungeon of blood alliance.

A closed door opened.

Seeing Elder Zheng's appearance, the two burly men hurriedly said, "Elder Zheng, why are you here."

Elder Zheng nodded and glanced at a middle-aged man who was sitting cross-legged not far away. He asked the two people around him, "Is the secret of Ye Tianzheng's body unearthed? You two should be strong enough to plunder this person's memory." ."

Hearing this sentence, the two looked a little embarrassed.

One of the men opened his mouth and said, "Elder Zheng...This matter seems not so easy. The two of us want to rob this guy's secrets through some secret methods, but at every critical moment, there will be an extremely strong force to obstruct it, regardless of us. Regardless of our cultivation base, no matter how powerful our spells are, the result will be the same!"

"We even received a strong backlash."

"Oh?" Elder Zheng was a little surprised, and then walked towards Ye Tianzheng, "A native Chinese, without any cultivation base and true energy, how could he have the power to stop you?"

When Elder Zheng approached, Ye Tianzheng opened his eyes and snorted coldly, "Don't waste energy on me, I don't know anything!"

Elder Zheng was expressionless, and a few seconds later he said, "You don't want to know the news of your child?"

Hearing these words, Ye Tianzheng's eyes burst into light, and then the light disappeared instantly!

"I do not want to know!"

Elder Zheng nodded interestingly, and then said, "Your good son, but he killed a lot of people from our blood alliance and killed others. I may not intend to pursue it yet, but this time, he killed someone who came to our blood alliance. Said, extremely important elder!"

Chapter 523: China Ye Family! The first family!

"Do you know what he will face next? He has to face the anger of the entire Chinese martial arts world! How long can he hold on? How long can your wife hold on?"

"Don't get excited, about three days, within three days, I will bring your wife and children's body to see you, then I want to know if you want to say it!"

Hearing these words, Ye Tianzheng's eyes were bloodshot. Just about to roar, Elder Zheng pointed at the center of Ye Tianzheng's forehead.

Just about to delve into Ye Tianzheng's memory, a powerful force came over!

This power seems to break everything!

Elder Zheng's expression is terrifying to the extreme!

"how is this possible!"

He withdrew his hand abruptly, but it was too late, that power penetrated his internal organs, and blood surged!

A stream of blood almost spilled!

At this moment, he was no longer calm!

"Who are you! Could it be that you are really related to the Kunlun Xuye Family?"

A storm was set off in the heart of Elder Zheng.

Ye Tianzheng snorted and continued to close his eyes, as if he didn't care about anything.

But only he knew that although his surface was calm and calm, his heart was panicked to the extreme.

If the Chinese martial arts world were to target Chen'er and Pei Rong, it would undoubtedly be a mortal situation!

But right now, he can't help much at all.

The only thing that can be done is to protect the secret for Chen'er.

Although he doesn't know what the stone his father gave him represents, he must never be known to outsiders!

At the same moment, the Sword Sect's Hall was fallen.

The atmosphere is pleasant.

The Sect Master of the Fallen Sword Sect is carefully serving an Elder Shi from the Ten Thousand Sword Sect.

Although the difference between Wan Jianzong and Luo Jianzong is only one word, the gap is huge!

And in a sense, Falling Sword Sect is just a branch of Kunlun Xuwan Sword Sect!

The Sect Master of Falling Sword Sect had to speak carefully in front of an elder of Wanjian Sect.

This time, the Sect Master of Falling Sword Sect paid a great price to invite this elder.

I just hope that Wan Jianzong can support Falling Jianzong a little bit.

Because the annual Zongmen rating is about to begin!

And Wan Jianzong has an extremely precious vote!

Just when the two people had a very happy conversation, the expression of Sect Master Falling Sword completely changed.

Because just now, the life plates of several elders were all shattered!

These elders were all sent out by the Sword Falling Sect to go to China to find quality disciples!

One of them is Ren Qiyun!

Zongmen elders unexpectedly encountered an accident in China! For Fallen Sword Sect, this is a big deal!

The noble elder of the Ten Thousand Sword Sect naturally discovered the strangeness of the Sect Master of Falling Sword Sect, and curiously asked, "Sect Master Sun, what happened to make you look like this?"

Sect Master Sun reacted and shook his head hurriedly, "My lord, it's nothing, it's just a small matter, I can handle it."

The noble elder frowned and said, "Sect Master Sun, your appearance does not seem to be a trivial matter."

"I took your benefits. If I can help, I can also help a little bit from Wan Jianzong."

He thought that there was a contradiction between Luo Jianzong and Kunlun Xu's sects, otherwise it would not make a sect master so discolored.

Just as Sect Master Sun wanted to refuse, a panicked disciple rushed in, "Sect Master, it's not good! Elder Ren and the rest of the elders who went to China have been beheaded! According to the positioning, the thing happened in the capital of China!"

Hearing these words, Sect Master Sun's face became even more ugly!

"Get out! I already know about it!"

The disciple heard such an angry voice from the lord, knowing that he had done something wrong, and quickly retreated.

"Yes, Sovereign!"

Later, Sect Master Sun said to the elder Wan Jianzong, "Sir, I will take care of such trivial matters. I will send someone to investigate this matter thoroughly, and even bring back the person who did it."

Elder Wan Jianzong squinted his eyes, "Hua Xia's aura is thin, and someone can actually kill the elders of the Jianzong. This is not easy. It happens that I am fine these few days. The person above also told me to go to Huaxia before. Or, this I'll help you solve the matter."

Elder Wan Jianzong really planned to go to China, after all, the ancestor Wan Jianzong came some time ago and crushed everyone!

Moreover, the Sword Master of Ten Thousand Dao left a piece of jade pendant painting.

Seeing the jade pendant is like seeing the Sword Master of Ten Thousand Ways!

Although Sect Master Wanjian and the elders didn't understand the meaning of this ancestor, there was a reason naturally at their level.

The most crucial Wandao Sword Sovereign's final movement showed that he went to China.

What exactly does China have?

Could it be that the youth that the ancestor said was in China?

Doubtful.

At this moment, Sect Master Sun's face turned pale when he heard these words. How dare he ask this big man to take action? He quickly said, "My lord, never do it. Give me two days. I will send more than a dozen strong men to ask China's dignitaries. , If you don't return, it's not too late for the adults to make a move."

"Also."

...

In the Chinese martial arts world, a **** storm seems to be gathering.

But at this moment, Ye Chen didn't know it. He left the Jiang family and went to the land that Bailixiong sold with Jiang Xirong!

In more than a week, the embryonic form of the China Ye Family has taken shape!

The two were even stunned by the Ye Family in front of them!

There are mountains and waters, surrounded by a Chinese villa.

The villa occupies a huge area~www.mtlnovel.com~ Both the breath and the Feng Shui are excellent!

Ye Chen even felt aura surrounding the entire Chinese villa!

Not only that, there is a huge stone monument outside the villa!

On the stone stele, there are four vigorous and powerful characters!

"Huaxia Ye Family!"

The person who wrote the inscription was even the old man in Huaxia's hands!

This old man is interested.

Ye Chen suddenly thought of the unhappiness when he left the capital. Everyone made things difficult for him to win the rank and position of chief instructor.

He once vowed to no longer care about Huaxia, and now it seems that he still has to give a bit of face.

I just hope those people don't anger themselves anymore.

Otherwise, these people are the stepping stones of Huaxia Ye Family!

"Chen'er, this is our future home?" Jiang Huirong was a little excited in her words.

She stepped into cultivation, and naturally knew the preciousness of this place!

Reiki far exceeds Jiang's family!

Qi Luck does not lose any top family!

The only flaw is that there is no guardian formation.

Ye Chen nodded, and stepped towards the Huaxia Ye Family. "Mom, this is not only our home, but from now on, it will be the first family of China!"

"Tomorrow, I will let everyone know that China's first family will stand here!"

"If anyone dares to move my Ye family, there is no life!"

"As for the position of Ye Family Patriarch, I will keep it for my father."

"I will go to Kunlun Xu and bring my father back personally. If anyone stops, die!"

Jiang Hirong was full of emotion when she heard such words from her son.

She knew that Kunlun was vicious and sinister, but the young man in front of her had grown up.

He was not that decadent boy long ago, and he is now enough to carry everything.

"Mom, trust you, trust you without hesitation."

Chapter 524: Suspended in the world, like a fairy!

Ye Chen glanced at Jiang Rong and smiled: "Mom, go in and look inside. Vertex X23US"

"it is good."

Ye Chen and Jiang Rong head towards the Chinese villa.

is extremely luxurious.

Obviously Andian and Tianzheng Group used the best designers and materials.

The central villa has a total of four floors, excluding the bottom two floors.

One of the first floors is the training room, built with the best spirit stones that China can find.

Once you practice inside, any movement can be blocked.

Just as the two looked around, a strong man in the dark hall hurriedly walked over.

"Hall Master, there are two people who want to see you, just wait downstairs, do you need to refuse."

And Ye Chen shrank his eyes, curiously said: "Who?"

"Bai Lixiong and Lei Shuwei."

Ren Feihua heard the names of these two people, but it was a little surprised. The two knew that they were back so soon?

"Invite them to the living room and entertain them."

"Yes, the lord!"

Ren Feifei still has a good impression of these two people.

That day, these two people spoke for their platform and position, but he remembered it in his heart.

To some extent, they are all their own.

Ye Chen came to the living room, Lei Shuwei and Bai Lixiong were sitting drinking tea.

When they saw Ye Chen, they quickly stood up.

"Mr. Ye."

They have heard about Xiangjiang. Although their intelligence network is not too extensive in Xiangjiang, they still know what happened.

Who would have thought that Ye Chen returned alive from Xiangjiang!

What is even stranger is that Jiang Daoshan suddenly disappeared after that day.

The Hong Kong government has already shaken.

Huaxia even sent a special operations team to investigate the matter.

All the clues point to one person!

That is Ye Chen!

Because of the time of the accident, apart from the Guardian of China, only Ye Chen went up the mountain!

And when they came this time, to some extent, they were explained by the person above, and investigated something in their identities.

"You are also the first guests to come to the Ye family in Beijing. It happens that I want to tell you one thing. Tomorrow my Ye family will hold a banquet, which is also considered to be telling all the top forces in China about this matter. Remember to come and join us. Do you have time?"

Bai Lixiong and Lei Shuwei looked at each other and nodded again and again: "Although the news did not spread, everyone noticed the Ye family the moment this land was vacated."

"It is estimated that tomorrow, the Ye family will be full of seats. As for us, great things will not stop us from coming to the Ye family."

After some politeness, Bai Lixiong noticed something, and said, "Mr. Ye, I will have a banquet tomorrow. Will it be a little rushed? The Ye family seems to be done, but now there is still one thing missing. This is a must for the top family. ."

Ye Chen shrank his eyes, curiously said: "What?"

Bai Lixiong glanced at the ground and said lightly: "Formation."

"There is no strong formation, if Mr. Ye is not there, what should outsiders want to do against the Ye family?"

"Currently, China's top families have a formation. One can protect the family, and second, it can cover something."

Ye Chen's eyes shrank upon hearing these words!

He always felt that something was missing, it turned out that what was missing was the formation!

Lei Shuwei also stood up and respectfully said: "Mr. Ye, I know a few people who set up formations. Although the opponents are of average level, they can barely handle it. Do you need me to call?"

Ye Chen smiled: "No need."

He controls a magic talisman, and his understanding of the formation method is getting deeper and deeper. How can someone set up an array for his Ye Family?

"Don't Mr. Ye use the formation?" Lei Shuwei asked in surprise.

When he finished speaking, he looked at Bai Lixiong, the other party also looked confused.

Ye Chen walked outside with his hands behind him: "You come with me. As for the Ye family formation, I am alone."

Bai Lixiong and Lei Shuwei were all startled. They knew Ye Chen's means could reach the sky, but the formation of the clan guard was not that simple.

This has nothing to do with martial arts strength at all!

Normally powerful people will not be immersed in the formation!

Could it be that Mr. Ye is an outlier.

Ye Chen and the two came to an open space, Ye Chen closed his eyes and felt the formation and spiritual energy trend of this land.

This time, he didn't just condense an array randomly, but tried his best to set up an array of guardians!

And this guardian array must be able to resist the blow of the Kunlun imaginary strong, not the Chinese strong!

If Ye Family wants to become China's No. 1 family, that formation will crush all formations.

At this moment, Ye Chen already had the answer in his heart.

Eternal Breakthrough!

can not only resist the full blow of the powerhouse of the Immortal Ascension Realm, but also condense the killing array when necessary, killing people invisible!

After he left, this battle was the key to protecting those around him.

Bai Lixiong and Lei Shuwei in the distance looked at Ye Chen motionless, frowning.

They didn't know what medicine was sold in Ye Chen's gourd.

"What is Mr. Ye doing? Is it possible to look at the Feng Shui here?" Lei Shuwei curiously asked.

Bai Lixiong stared at Ye Chen, guessing a few minutes, and said uncertainly: "Is Mr. Ye really ready to set up an array?"

"Now the Huaxia family's guardian formations are almost all passed down, and few people set up their own formations. Is Mr. Ye crazy?"

Although he believes in Ye Chen, he has some doubts about this matter.

Because the way of formation is more complicated than martial arts!

Don't talk about China, even in Kunlun Xu, there are not many Array Masters!

Just when Lei Shuwei and Bai Lixiong couldn't figure out Ye Chen's behavior, UU Reading www.uukahnsu.com Ye Chen's eyes suddenly opened!

seemed to shoot out a cold light, and the whole person's momentum became a bit misty.

Then, Ye Chen stepped forward step by step!

A total of seven steps!

This step was strange and mysterious, and every step seemed to shake Ye Family a bit.

When it was the seventh step, Ye Chen suddenly appeared a few spiritual stones in his hands!

Lingshi shot directly in six directions!

The spiritual light flickered, and suddenly, the wind was blowing!

With Ye Chen as the center, it seems as if a storm is coming!

Some of the greenery that had just been planted by Yejia disappeared on the spot.

"What the **** is this Mr. Ye doing?"

Lei Shuwei just said something, and he was stunned in the next second!

The mouth is huge, like hell!

And Bai Lixiong is not feeling well, at this moment he seems to have seen the strangest picture in his life.

I saw Ye Chen's feet condensed in zhenqi, and the celestial mist and light lingered around him.

In the next second, Ye Chen's feet were off the ground!

and getting higher and higher!

They were extremely sure that Ye Chen didn't have any Via and rope on his body!

Five meters, ten meters, twenty meters!

When Ye Chen reached thirty meters, he stopped suddenly.

suspended in the world, like a fairy!

Bailixiong and Lei Shuwei have also seen the world in China, and they even have good qualities.

But at this moment, they burst out two words in unison!

Chapter 525: The invisible sword is the deadliest!

Who would have thought that Ye Chen still had this hand!

What is the strength of this guy?

Is it true that the Immortal Venerable descended?

This was a very profound thing in the eyes of the two, but it was nothing in Ye Chen's eyes.

He just cleverly used the formation and airflow to accomplish all this.

His eyes were indifferent, condescending, and he instantly found the entire area of the eyes.

Without hesitation, he once again sacrificed a dozen spirit stones and smashed them into the eyes of the array.

An invisible wave of air rippled!

At the same time, Ye Chen quickly pinched his fingers, muttering words in his mouth, and the blood dragon poured out directly from his body, and the dragon roared loudly!

One person and one dragon, standing proudly in the world, shocked everyone present.

"Eternally break the God formation, Kai!"

Ye Chen pointed out suddenly, and a drop of blood was forced out.

The essence and blood spread instantly, and the ghost of the dragon swooped down from above the sky!

Penetrating the ground, a red beam of light formed directly!

The beam of light grew bigger and bigger, and finally seemed to form a barrier!

There seems to be a shadow flowing in the barrier!

Sometimes it turns into a blood dragon, sometimes it turns into a sword shadow!

In just a few minutes, Ye Chen's forehead was already covered with beads of sweat, because setting this formation was too exhausting.

Even if Ye Chen entered the True Essence Realm, the pressure was extremely high.

But the greater the pressure, the stronger this array is!

At this moment, Bai Lixiong and Lei Shuwei in the distance completely dropped their jaws.

They have already felt that the formation is completely formed. Although they don't understand the formation, the aura of the formation in front of them is rich to the extreme!

For a moment, they felt the killing intent condensed in the formation!

Once they destroy the Ye Family, it will inevitably turn into a dust!

"Mr. Ye, he is still an array mage?"

Lei Shuwei's expression seemed to freeze, and he said with a trembling voice.

Not long after, Ye Chen slowly fell down, his body was already soaked.

He not only condenses the essence and blood, but also gathers all the true energy of his dantian in the formation. At the same time, he mobilizes a part of the power of the natal formation talisman and the blood dragon ghost.

Seeing the formation of this formation, Ye Chen exhaled in satisfaction.

This Eternal God Breaking Formation is sufficient to resist all infringements.

"Time is almost up, I won't keep you anymore, I'll go to rest first." Ye Chen said.

Bai Lixiong held back what he wanted to say.

After all, the purpose of his and Lei Shuwei's trip was Jiang Daoshan.

Ye Chen took a few steps and noticed something: "Why, something else?"

"Nothing, we will leave now."

"Let's talk, is it possible that those people are going to embarrass me again? Military rank and Dragon Soul instructor, they want to take it, I don't care."

Bai Lixiong shook his head, hesitated for a few seconds, and still said, "Mr. Ye, who asked me to ask you something about the disappearance of Jiang Daoshan..."

Before he finished speaking, Ye Chen said: "I destroyed Jiangdao Mountain, and I killed the ten Guardians of China, headed by Fang Zhenye."

Ye Chen dropped this sentence and left directly.

This was the answer Bai Lixiong wanted, and he didn't need to lie.

Bai Lixiong and Lei Shuwei looked at each other, and both saw the shock in each other's eyes.

It seemed to hold his breath.

Everyone focused on the disappearance of Jiangdao Mountain, but they never thought that Fang Zhenye and the remaining Huaxia Guardians would be killed by Ye Chen!

One to ten?

Does China really have such a top powerhouse?

...

Ye Chen came to the training room.

Closing his eyes, the black stone floated out!

Spiritual energy surging all over.

The reincarnation cemetery is also displayed.

Chen Tianli looked at Ye Chen interestingly: "Now, I should also teach you the complete sword skills, Sword Master of Ten Thousand Ways, with swords as the way, you are now in the True Essence Realm, if you can master 10%, let you The benefits are endless."

Ye Chen could feel that Chen Tianli's body was already a little weak, and he was afraid that there was not much time left.

He wanted to adjust the aura of his dantian in his body, but after thinking about it, he had to forget it.

The sword skill of Wan Dao Sword Sovereign is the most critical.

Chen Tianli put his hands behind him, and said calmly: "Tiuer, do you know what kendo is?"

Ye Chen pondered for a few seconds: "Killing?"

Chen Tianli shook his head: "Although you have embarked on the way of killing, killing is only a kind of momentum, which can strengthen your strength, but it cannot be called a sword."

"The real kendo is nothing."

"The invisible sword is the deadliest. Everything can be a sword."

"The highest state of kendo is to control everything~www.mtlnovel.com~ to fuse all things, when a piece of paper, a leaf, even air can become your sword."

Ye Chen couldn't understand such mysterious words. Chen Tianli had already moved what he was about to say.

"Disciple, I suppressed my strength to the same level as yours, and then you shot me with a soul-suppressing sword. Remember, you can't keep any hands!"

Chen Tianli's body voice resounded!

In the next second, Chen Tianli's body was covered with murderous intent, covering the sky and the earth, terrifying.

"it is good!"

Feeling the monstrous murderous intent, facing Chen Tianli who stood in front of him, Ye Chen squinted his eyes, held the Soul Sword in his hand, and shouted in a deep voice.

In the same realm, Ye Chen was not afraid.

"Disciple, I can gather sword intent without even having to shoot!"

Chen Tianli's eyes condensed and shouted loudly.

brush!

With a long roar, Chen Tianli suddenly disappeared in place.

A huge crisis spread towards Ye Chen in an instant.

Suddenly, a breath of death enveloped, Ye Chen's expression changed drastically.

"The second form of Potian Sword Intent, falling stars!"

He dare not slack in the slightest!

With a sword coming out, the wind was surging and the dust filled the sky.

Ye Chen let go of his aura, and the powerful infuriating energy surged throughout his body. The soul calming swords in his hand were crisscrossed, messy and complicated, spreading everywhere like spider webs, and slowly spreading outward.

The soul-suppressing sword soared into the sky, as if killing the gods, swung away the killing intent that swirled around the sword, and broke out!

Before the sword's edge arrived, the cold air came first, and the murderous aura was full. At this moment, the Dragon Slashing Sword seemed to be stretched infinitely, bringing out countless phantoms, covering the sky and the earth, as if to destroy the entire land, with a momentum like a rainbow.

The sword intent fell like a star!

There is nowhere to hide!

Chen Tianli's figure appeared, his eyes closed, and a sharp sword appeared in the air, turning into a flying rainbow, and blasted towards Ye Chen.

Chapter 526: The storm is approaching!

Shoo!

How fast is this sharp sword shot?

Such as tearing the space, bringing a low and sharp sound, like the sickle of the **** of death, with the death breath of judgment.

With this sharp sword shot, the whole world seemed to solidify in just an instant, and the entire reincarnation cemetery seemed to freeze.

Ye Chen only felt that he was plunged into the mud, unable to extricate himself.

That long sword completely locked his breath, Ye Chen was inevitable.

A huge crisis has already shrouded.

How did Ye Chen resist Chen Tianli's sword intent?

There was even fear in his heart.

Although Chen Tianli suppressed the cultivation base, this sword intent is far beyond everything!

Raid: Shadow Legends! Play Now!

The key is not even able to resist the Sword Intent of Po Tian!

This is still when Chen Tianli didn't do it!

Such a powerful sword spirit, and a very domineering sword technique.

"Break for me!"

Thinking of this side, Ye Chen let out a long roar, and the Soul Suppression Sword in his hand burst out again with dazzling brilliance!

With a long howl, the long sword in Ye Chen's hand slashed out.

Within a single thought, the Nine Heavens Xuan Yang decisively moved to the extreme, and the true energy in the dantian roared like a torrent.

Endless infuriating energy was injected into the soul-suppression sword, and in an instant, the soul-suppression sword made a whisper and shook, bursting out dazzling light, like the sun and the moon lifted into the sky!

Huhuhu!

The cold wind howled, the wind and clouds changed color.

Ye Chen wants to use this power to counter Chen Tianli's moves!

Stabbed!

With that ray of light across the sky, Chen Tianli's sword swept the wind and clouds, and suddenly fell with the momentum of thunder.

For a time, the light was shining, and under the extreme sword light, Ye Chen was forced to regress, and he didn't even dare to look directly.

boom!

Suddenly, a roar exploded, and the two sword lights collided fiercely.

Like mountains collide, stars collide.

With this roar, the earth shook the mountains.

The Soul Suppression Sword in his hand broke free from his arm and flew out!

A mouthful of blood came out even more.

A wave of extreme sword energy spread out toward the surroundings.

After the sword gas passed, everything was shattered.

Chen Tianli opened his eyes, pointed at the center of Ye Chen's eyebrows, and then said word by word: "This sword skill is the sword of nirvana, killing people invisible at the critical moment, inducing the true energy in the body and the momentum of the sword. Break everything, how much do you master?"

"One point." Ye Chen said truthfully.

He can't see through any flaws at all, how can he understand?

Chen Tianli smiled, and once again condensed the Sword of Extinction: "Come on, all you have to do today is to master this sword skill."

After speaking, he attacked Ye Chen again.

Ye Chen didn't care about panting, and immediately used the Soul Suppression Sword in his hand to resist.

The soul-suppressing sword in his hand was shaken again and again, and the internal organs in his body were shaking!

Even so, he actually understood a bit about this sword.

...

At the same time, China Kunlun Mountain.

Dozens of people in weird costumes walked out from the depths.

They held a portrait in their hands.

And in the portrait is a young man.

The young man Jianmei had a cold appearance, and his body had a mysterious aura.

If Ye Chen was here, he would definitely find that the young man in the portrait was himself!

And these dozens of figures are the powerhouses of the blood alliance!

This time the blood alliance has only one purpose, to put pressure on the entire Chinese martial arts world and let them hand over Ye Chen!

Kill with a knife!

Not long after, a group of people came to the foot of Kunlun Mountain.

At this moment, Kunlun Mountain is already waiting for several leaders of the top Chinese forces.

The strength of this group of people is not bad, but they want to step into Kunlun Xu but they are far from qualified!

They know that as long as they approach a strong man in the Kunlun Void, it is a chance!

But when seeing so many Kunlun imaginary powerhouses, the helms of these Chinese martial arts circles were a little panicked.

Is it possible that something big happened to Huaxia?

"Masters, I am the head of the Huaxia Qingcheng School. I have admired you for a long time. I have prepared the delicious food in the hotel. Please also..."

Before he finished speaking, one of the strong blood alliance stepped forward, and then his five fingers clasped the opponent's head.

"Kacha!" With a sound, the head of the head was directly broken.

This scene directly stunned the group of people in the Chinese martial arts world?

The strong man from Kunlun is so violent?

Killing at every turn?

Although they have this qualification, it is too much.

The other seniors in the Chinese martial arts world who still have some right to speak or heads all knelt down.

"My lord calms down. I don't know where we offended the lord. We want to be so cruel... We are willing to correct..."

A head of the Chinese school opened his mouth.

His voice even trembled.

They stay here just for chance, if they take their own lives for no reason, it is really worthless!

One of the strong blood alliance looked at the kneeling crowd with only indifference in his eyes.

He didn't continue to do it, instead he threw the portrait in his hand on the ground.

"I don't care what your identities are. Within two days, I will see this kid in the portrait. This stinky kid killed our people."

"If, in two days, I can't see this kid, the entire Chinese martial arts world will be unrest! We will see one kill the other!"

The cold words resounded through ~www.mtlnovel.com~ Everyone who knelt down stared at the slowly spreading portrait on the ground.

When they saw the youth in the picture, they were stunned!

This man, they know!

Isn't it that Huaxia is in the sky, the martial arts platform defeated Lin Juelong and killed Ye Chen, a guardian of Huaxia!

How did this kid provoke the Kunlun virtual powerhouse!

Why should the entire Chinese martial arts world pay for his behavior!

They were extremely angry, but they dared not speak.

"Yes, yes, sir, we will definitely bring Ye Chen to you within two days."

The head respectfully said.

The strong blood alliance glanced at the speaker, drew a cold sword from his waist, pressed it against the opponent's chin, and said lightly: "Your performance is not bad, and you only need one person to convey your will."

"Except for him, everyone is left, not one!"

When the words fell, strong wind swept around the head, and instantly, screamed again and again!

In just a few seconds, everyone around me died!

Directly into blood mist!

He is alone in the world.

He is considered a top powerhouse in China, but at this moment, he is extremely small!

If he didn't stand up and talk later, he must be exactly the same as those around him!

This is Kunlun Xu's authority and strength!

The key culprit of all this is Ye Chen!

At this moment, he put all his hatred on Ye Chen's body!

If you can't give these adults a satisfactory answer within two days, then Ye Chen is a sinner in the Chinese martial arts world!

At this moment, a strong blood alliance squatted down, patted his face, and sneered: "I don't like disappointment. You can do it yourself."

"If you can't see this, the first sword of the Chinese martial arts world will fall from you!"

Chapter 527: Something happened!

...

Huaxia Capital, a quiet courtyard.

An old man is playing chess with Bai Lixiong.

The old man furrowed his brows tightly, taking every step of the way carefully.

Bai Lixiong dropped a sunspot and said, "Number One, Jiang Daoshan's matter has already caused some people to disagree."

"Although those people know that this matter has something to do with Ye Chen, they have no evidence, and it is impossible to move Ye Chen."

"Also, I just came back from the Huaxia Ye family and saw Ye Chen stepping into the air. After coming back from Xiangjiang, his strength grew to the point of extreme horror, at least the True Origin of the cultivation realm."

"Oh?" The old man dropped a white child, and his heart seemed to be shaken a bit.

A chess piece broke even more.

"If I remember correctly, more than a week ago, this kid was still in the separation and reunion realm. He has entered the true origin realm so soon?"

"This Ye Chen is the most enchanting person I have ever seen in my life. The only problem is that this son is too difficult to control."

"There are too many enemies. If it weren't for his strength to support, the average person would have died thousands of times."

The old man stood up, did not plan to play chess, put his hands behind him, and carefully watered a flower.

"We can still hold down this matter a little bit. Those who disagree can just leave it to dry. Also, you will give me a piece of spirit jade for the banquet of the Chinese Ye Family tomorrow. The Ye Family was born, This piece of spiritual jade and my name are enough to keep those who watch them away."

Bai Lixiong stood up and nodded: "Ye Chen's current strength lies there. People in the martial arts world and those families will definitely give face. It is estimated that tomorrow will be a major event in the capital."

The old man didn't speak, fiddled with the flowers and plants, and seemed to be worried.

At this moment, a middle-aged man in a tunic suit walked in.

The man in the tunic had a terrifying aura, but his face showed panic at the moment.

"It's not good, something big happened."

The old man frowned, picked up the kettle to continue watering the flowers, and said: "You have been with me for so long. I have taught you how many times you have to calm down when you encounter anything. Let's talk about what happened. "

The man in the tunic took out a tablet from behind and slid gently, revealing a video.

It is exactly what happened in Kunlun Mountain!

It's just that the distance is a little far away, it should be high-powered and long-distance shooting, and it's a bit fuzzy.

"Number One, this is a video from Kunlun Mountain. Just half an hour ago, a group of people came out of Kunlun Xu. They did not know the origin, but the visitors were not good. Several Chinese martial arts experts who were ready to seek opportunities, all Beheaded, only one person is left!"

The old man and Bai Lixiong glanced at the video, their faces changed drastically.

Kunlun Xu and Huaxia have always kept the well water in the river. Even if they usually come out, there are still a few people, but this time there are dozens of people!

The key is that the breath of these people has a trace of evil intentions, and it is to kill others.

I'm afraid the comer is not good.

"Where did these people go?" the old man said, his tone very serious.

"This group of people is still in Kunlun Mountain, but the one who survived issued an emergency notice to the Chinese martial arts community. An hour later, all of China's top families and martial arts sects were going to Beijing Beihe Hotel for the meeting, saying yes It's about the survival of the Chinese martial arts world!"

The old man's face was a little ugly, put down the kettle, and said: "This meeting, you go to this meeting in person, if you have any news, please contact me directly.

"With so many powerful people coming out of Kunlun, plus this emergency meeting, China is afraid that something big will happen!"

"No matter what, this matter must be suppressed."

The man in the tunic nodded and walked away quickly.

Bai Lixiong didn't hesitate, and said: "Number One, Jagged Camp is on standby at any time."

The old man went to the house to get a piece of clothing, put it on, and then hurriedly walked towards a red flag car: "Bai Lixiong, those guys can't stop the Iron-Blooded Camp. It depends on the situation. If it doesn't work, you can only negotiate. "

...

An hour later, Beijing Beihe Hotel.

Crowded!

Most families and forces in the capital have been invited!

The He family, Zheng family, Liu family, and even the Baili family were all invited.

It's just that Bai Lixiong didn't come forward. Bai Libing and several important Baili elders came forward.

At the same time, the Dark Palace, as one of China's forces, was also invited.

It was Lu Lingfeng who came forward.

Because the Huaxia Ye family has not been recognized by the martial arts world, naturally it has not been invited.

The whole conference hall is noisy.

Pang Yong and Pan Guohua were sitting in the front position, their faces were not pretty.

The two were the ones who asked Ye Chen to remove the Dragon Soul chief instructor and military rank last time in the Great Hall.

That day, Lei Shuwei and the Dragon Soul fighters stood up to resist, leaving their faces blank.

I wanted to make Ye Chen embarrassed, but they never thought it was them!

They didn't want to attend this meeting!

But some people say it is about the life and death of the Chinese martial arts world!

Such an important matter, with the authority and strength of the family behind them, is difficult to think about.

Various voices kept coming from my ears.

Most people around the key are talking about one thing!

Tomorrow~www.mtlnovel.com~ The banquet of China Ye Family!

"Older Zhou, have you heard that Ye Chen has returned from Xiangjiang, and he is sending out invitations widely. This Chinese Ye Family was really made by that kid."

Said an old man with white temples.

"The key to the Huaxia Ye Family is the kid who supported it with his own hands. Although I don't know what happened on Jiandang Mountain, the godhead of this kid is probably fixed. He is the first person in the Huaxia martial arts world."

"Don't tell the truth, how many people in Huaxia secretly can stop that kid?"

"This kid is really a **** evildoer! From Jiangcheng to Beijing, a **** road was almost abruptly smashed out. If my junior could do this, I'm afraid I will wake up in dreams."

"Hey, I heard that Jiang Daoshan disappeared. This kid did it."

"This kid can move mountains? Is this a **** god?"

"This kind of thing has been closed from all sides, and we can't talk about it. By the way, will you go to the Ye family for a dinner tomorrow?"

"Go, who would dare not give that kid's face? Seeking death!"

Pang Yong and Pan Guohua listened to all kinds of flattery to Ye Chen! His face is dark!

Pan Guohua couldn't help it anymore, and slapped the table sharply: "It's the **** shut up for me!"

As soon as the words came out, everyone's expressions almost solidified.

They glanced at Pan Guohua, and finally chose silence.

Not long after, an old man wearing a commoner appeared on the stage.

The old man's name was Wu Fucheng, the head of China's Baihe Gate.

In the Chinese martial arts world, there is still a bit of face, and the strength can rank in the first echelon.

It was he who called this emergency meeting.

It is more about the life and death of the Chinese martial arts world.

With the appearance of Wu Fucheng, someone in the front row quickly stood up and asked curiously: "Old Wu, what happened, so urgently that everyone is gathered together?"

Chapter 528: Take Ye Chen!

Wu Fucheng's expression was solemn, and he gave the next person a look.

Not long after, several square boxes were lifted up.

The smell of blood is extremely strong.

"Old Wu, what is this? What kind of medicine is sold in your gourd, not to mention, I can go, everyone's time is precious!"

Wu Fucheng snorted coldly: "If you go, the next family member behind you will be the family behind you!"

The voice was cold, like rolling thunder.

The person who was speaking was obviously frightened by the threat. Just about to speak, Wu Fucheng's arm on the stage was startled, and a powerful air current swept across!

Open the boxes covered with cloth!

In the next second, the whole world seemed to be quiet!

Everyone took a breath!

Because the box contains a **** head!

The key is that everyone behind the head is extremely noble!

Head of the China Qingcheng faction!

Patriarch of the Chinese Li Family!

The master of Huaxiaba boxing gate!

What is Wu Fucheng doing?

Is it possible that these people are all homicides!

Just when everyone was shocked and puzzled, Wu Fucheng stepped forward, and the cold breath spread!

"This matter is more serious than everyone imagined. It was an hour ago when dozens of powerful Kunlun men stepped into Kunlun Mountain! Crush these powerful men!"

"What Kunlun Xu means, you should all know!"

"Unattainable! Anyone who comes out of Kunlun is strong enough to crush everything! It is not an exaggeration to even say that we are humble ants!"

The crowd is silent!

Each one held his breath.

In their view, if these powerhouses were to target the Chinese martial arts world, it would be the end!

Lu Lingfeng in the conference room frowned slightly. He naturally knew that Kunlun Xu was just a strong person in Kunlun Xu. What does it mean to kill at this knot?

The Huaxia Martial Arts World and Kunlun Xu have always been well watered and not offending river water.

Even Ye Lingtian said that Kunlun Xu's powerhouses are looking for talented people recently.

It is a pity that some people angered the Lord, and the Lord beheaded.

Is this something related to the Lord?

He felt a little bit in his heart, if that was the case, it would be extremely detrimental to the Lord!

Someone in the audience said curiously: "Head Wu, you have finished talking at once, you are about to die of us, Kunlun Xu people shouldn't make an effort for nothing!"

Wu Fucheng glanced at the crowd, snorted coldly, and directly pressed the laser pointer in his hand!

In the next second, a photo was completely revealed.

When everyone saw the content on the photo, the expression completely changed!

Isn't this kid Ye Chen in the Chinese martial arts world like the sky?

Why did you put Ye Chen's photo at this time?

Is Wu Fucheng going to announce the establishment of the China Ye Family?

Just when everyone thought so, Wu Fucheng's cold voice resounded: "This is the one who has angered so many Kunlun virtual powers!"

"This son beheaded many Kunlun imaginary strong men, and those people have already issued a confession. If the Chinese martial arts community does not hand over this son in two days, then Kunlun's anger will be borne by us!"

"These Kunlun virtual powerhouses will kill all the sects of China!"

"You said, is this matter about life and death!"

"Either he died, or all of us were buried together!"

The expressions of Wu Fucheng's words that echoed in the entire conference room completely changed!

An icy feeling climbed up the whole body.

Soon, this fear turned into anger!

Why should they pay for Ye Chen's affairs?

The expressions of Bai Libing and Lu Lingfeng in the audience were completely frozen.

Who would have thought that this incident is really related to Ye Chen!

They naturally saw what these Kunlun virtual powerhouses were going to do!

Kill with a knife!

Borrow the sword of the entire Chinese martial arts world!

In the meeting room, the anger was condensed to the extreme!

At this moment, Pan Guohua stood up, patted the table violently, and said angrily: "This Ye Chen has no eyes and is extremely arrogant! Although I don't know how he killed the Kunlun False Strong, he has a very serious intention to kill. It's possible!"

"I heard that this man spied on the treasure of the Kunlun imaginary strong man, and used three indiscriminate methods to kill people! This kind of person is simply a scum in the Chinese martial arts world!"

"The key, his mistake, why should we all pay for him! Fuck, this kid is really strong, but can he fight the entire Chinese martial arts world?"

"I propose to take Ye Chen and let Ye Chen pay for his life!"

Pan Guohua's words completely ignited everyone!

Who is not afraid of death at the scene, if Ye Chen and Kunlun virtual powerhouse must choose!

They will choose Kunlun False Power without hesitation!

"Take Ye Chen!"

"Take Ye Chen!"

...

The whole meeting room was full of voices!

This time things are too big!

It involves Kunlun Xu, and even the evildoer who turned out to be born!

No matter what, Ye Chen can't stay!

Wu Fucheng glanced at Pan Guohua and stepped forward: "This son is going to establish the Ye Family tomorrow, we can't wait so long! Everyone set off immediately, no matter whether it is correct or not, we must take down that kid!"

"The worst plan is to kill this child too! Only in this way can the anger of the Kunlun imaginary strong person be calmed! Only in this way can we save ourselves!"

"it is good!"

"Now let's go to Huaxia Ye's house! Take Ye Chen at any cost!"

At this moment, everyone stood up.

Lu Lingfeng's expression completely changed, and he quickly took out his cell phone from his pocket, ready to call Ye Chen, but the phone had just been taken out.

A cold light flickered, and the phone directly became two halves.

At the same time, an old man wearing a Taoist robe stood on Lu Lingfeng's side and said coldly: "It is not good to ventilate now. If Ye Chen is gone, don't you want to live!"

Lu Lingfeng's expression was extremely serious, and he snorted coldly, "Could it be that I don't even have freedom?"

"Yes! Take this person! This person has something to do with Ye Chen! The Dark Palace is Ye Chen's power!"

The words fell, countless auras surged towards Lu Lingfeng.

...

At the same time, China Ye Family.

Ye Chen also took Xia Ruoxue, Zhu Ya, Sun Yi and others.

There are enough rooms in the Ye family, and Ye Chen has transferred all the elites of the dark hall.

Enough to deal with some emergencies.

The most important thing is that the Ye Family has a formation guard.

Ye Chen chatted with the girls, and before they had a few words, he heard Chen Tianli's urging.

After Chen Tianli returned from Kunlunxu ~www.mtlnovel.com~, there was not much time left. What Ye Chen had to do now was to continuously absorb his kendo inheritance.

Absorb as much as you can!

Strength is more important than anything else.

Ye Chen also knew the seriousness of the matter, explained a few words, and entered the training room again.

Accept Chen Tianli's swordsmanship!

Swordsmanship is the way, ten thousand swords are unified, and swordsmanship is the respect, killing the world!

Jiang Huirong took a few girls around Ye's house. To be honest, she was very satisfied with these girls regardless of their personality or appearance.

Of course, it still depends on Ye Chen's choice.

Not long after, she received a call.

The call was from Jiang Jianfeng.

Chapter 529: Pick the leaves and kill the master!

"Second brother, what's the matter?"

Jiang Jianfeng's tone was extremely hasty: "Peirong, where are you and Ye Chen now? In Ye's house?"

"Yes, brother, I just wanted to tell you, tomorrow..."

Before Jiang Xirong finished speaking, Jiang Jianfeng interrupted: "Peirong, where is Ye Chen, let him answer the phone?"

"Chen'er is in retreat, what happened?" Jiang Yanrong sensed something was wrong.

"Stay at Ye's house, don't go anywhere, my eldest brother and I will rush over immediately, and let Ye Chen go out immediately! Something has happened!"

Jiang Yanrong just wanted to ask, a loud noise came!

In the next second, Jiang Yanrong and Xia Ruoxue both saw a barrier appeared above Ye Family, and a ripple appeared on the barrier.

Someone is forcibly breaking the Ye Family's formation!

Xia Ruoxue felt something was wrong, and when she came to the roof, she instantly saw hundreds of people gathered in Yejiamen Foreign Exchange!

And these people are forcibly breaking the Ye Family Formation with their swords!

"This..." Xia Ruoxue came to Jiang Huirong's side, "Auntie, why did these people suddenly target the Ye family?"

Jiang Yanrong shook her head and glanced at the direction of the training room: "I received a call just now. Now, no one can leave the Ye family for half a step, and you can call Chen'er."

"it is good."

Xia Ruoxue nodded, her footsteps condensed zhenqi, swept towards the training room like wind.

While Jiang Yanrong thought for a few seconds, he still walked toward the door.

Chen'er said that the Ye Family's formation is powerful, and it is impossible for these people to break the formation in a short time.

Besides, Ye Family's gate is guarding the strong man in the dark palace, and he should be able to resist a bit.

Ye family gate.

When Jiang Huirong appeared, countless eyes shot over!

Wu Fucheng snorted coldly, he naturally knew the identity of Jiang Yanrong, and said directly: "Smelly bitch, where is your son Ye Chen?"

Jiang Xirong frowned, and said: "Who are you guys, why are you coming to the Ye family to make trouble!"

Pan Guohua stood up: "Jiang Hirong, making trouble? Humph! Who is making trouble! Ye Chen must come out today, otherwise, we will flatten the entire Ye family!"

The words fell, Pan Guohua headed towards the Ye Family Formation!

Suddenly, a powerful wave of air swept across, and Pan Guohua felt the blood surge. Even a few steps back!

"What formation is this?"

His face was horrified.

"Everyone gathers their strength and blasts above this formation together!"

The words fell, the power of a hundred people broke out!

Suddenly, the sky over the Ye family swept through, and an invisible force was shaking like crazy!

All the power seemed to be condensed into a sword, smashing heavily on the formation.

"Boom!"

Vaguely, there was a crack in the formation.

Pan Guohua was overjoyed, and said quickly: "Go on! The crack has emerged, and this battle will break."

But before the words were finished, the cracks that had originally condensed disappeared.

The formation has been restored!

"how is this possible!"

Everyone's expressions are a bit ugly.

They don't understand formations, but didn't the Ye Family be established just yet?

How can there be such a powerful formation?

Could it be that the Ye Family also knew the Master of Formation.

Just when the crowd was puzzled, two figures walked out from the depths of the Ye family!

is Ye Chen and Xia Ruoxue.

There was a drop of Ye Chen's blood in this burst, and he naturally sensed the situation outside for the first time.

Although I don't know why, since these people rushed to Ye's house, it must be a bad thing.

After a short while, Ye Chen stood in front of everyone, his expression cold, his eyes fixed on Wu Fucheng.

"You should have insulted my mother just now."

His voice is very cold, cold to the bone.

Wu Fucheng shuddered, stepped back a few steps, and saw hundreds of people behind him, he was emboldened.

"Ye Chen, did you kill the Kunlun Xu people?"

Ye Chen suddenly stunned, and smiled: "What about killing?"

Wu Fucheng's expression is terrifying: "Ye Chen, you are still in the mood to laugh now! Kunlun has come here, and you come with us. If you refuse, then you can't help it."

"I know you are very strong, but is it possible that you can kill so many people?"

Wu Fucheng seems to be holding the winning ticket.

Ye Chen knows that Kunlun Xu will come, is it a member of the Fallen Sword Sect?

or blood alliance?

These people are so fast?

He took a step forward and left the Ye Family's formation directly. Upon seeing this, the experts in the Chinese martial arts world took a step back.

"No matter what happened to me, you just insulted my mother, did you do it yourself, or did I do it?"

Ye Chen's voice is extremely cold.

Wu Fucheng was startled, and said to everyone behind him: "This boy will definitely not go to Kunlun Mountain with us. Let's take it together! The power of everyone, I still can't take this kid!"

The words fell, Wu Fucheng and the seven powerhouses rushed to Ye Chen instantly, extremely fast!

Everyone exploded with aura, descending the mountain tiger, and the whole body burst into extreme light.

The squally wind roared, there was exclamation all around, countless eyes gathered.

The grin on Wu Fucheng's face continued to spread.

He used his famous combat skills as soon as he shot, and between the shots, he was like a tiger, surrounded by bones, and made the sound of a tiger roaring.

This set of martial arts is quite powerful, and it has obviously been cultivated to the point of perfection by Wu Fucheng!

For a time, the fist and wind exploded, endlessly.

Amidst the thunderous fist wind, gusts of gusts were set off.

The shadow of the fist filled the sky, and the momentum was like a rainbow.

Looking at the scene in front of him, Ye Chen showed a helpless smile at the corner of his mouth.

Live and die!

The Canglong phantom body stepped out, Ye Chen's figure flickered.

Every step seemed to step on the node, and every step out, Ye Chen's figure flickered like a ghost.

At the same time ~www.mtlnovel.com~ Ye Chen came to a locust tree in front of Ye's house.

pointed out his five fingers, a few leaves appeared in his hand!

Boom!

Murderous shot.

噗嗤!

The speed was too fast, and Wu Fucheng hadn't recovered, and a burst of penetrating sound had already burst out.

Time freezes!

At this moment, the world is silent.

Wu Fucheng's figure trembled suddenly, he lowered his head in disbelief and looked at the leaf that had fallen into his chest.

what happened? what happened? Why is it so!

Obviously they have an absolute advantage.

But now, why is my life going crazy?

The strength of his body gradually dissipated, and his heartbeat seemed to start to stop!

Wu Fucheng lowered his hands feebly, and the shock in his heart could not be concealed.

He actually died on an ordinary leaf.

Why did the situation suddenly turn around?

He is unwilling.

"I wanted to break your head, but I don't want the Ye Family to be stained with blood, I really don't want it."

Ye Chen said lightly.

The voice of fell, his wrist flicked, and several leaves shot out again.

There was a hideous wound on the chest of those who did it!

did not bleed, but all fell to the ground!

Pick the leaves and kill the master!

The key is to kill seven top experts in the Chinese martial arts world in a few **** seconds!

Is Ye Chen's strength so terrifying?

Chapter 530: confrontation!

This scene completely trembled everyone.

All the masters in the martial arts world know that Ye Chen is very strong, otherwise Lin Juelong would not lose in the martial arts stage.

The Lin Family will never die!

I thought everyone in the martial arts world forced the palace!

Ye Chen must have no choice! Unexpectedly, this kid would directly pluck leaves and kill people.

This method, I am afraid that the Guardian of China might not be able to do it.

Especially the most ferocious group of people just mentioned, their figures seem to be frozen in place. Everyone's look was extremely ugly, as if they had eaten flies.

was defeated? Lost in this humiliating way?

"Who is going to come forward? This tree has too many leaves, just pruning it a few minutes."

A few more leaves appeared in Ye Chen's hand.

The green color seems to be blood red at this moment!

is like the deadly dart in a TV series.

Everyone stepped back three steps subconsciously, keeping a sufficient distance from Ye Chen.

Just then a middle-aged man stood up: "Ye Chen, are you really willing to kill the entire Chinese martial arts world?"

"First, Kunlun Xu was the strong man, and now he has killed several sect leaders!"

"The foundation of the Chinese martial arts world for thousands of years, is it going to be destroyed by you?"

"Do you want to do whatever you want with your own strength!"

The middle-aged man almost said what everyone said.

Ye Chen played with the leaves in his hands, and said lightly: "I'm really sorry, I have the strength, I can really do whatever he wants."

"You are too noisy, and my cultivation has been ruined by you. If you don't leave, everyone will save their lives."

Threat!

Naked threat!

But Ye Chen does have this qualification!

"Hahaha..."

However, at this moment, a burst of laughter suddenly came from the crowd.

Everyone can see with naked eyes, a figure appeared in their sight.

The laughter and the figure that appeared made many people's pupils faintly shrink.

"Elder Dugu!"

Looking at the figure that had appeared in the field in a blink of an eye, everyone hurriedly saluted.

The famous elder Dugu has always been hidden in the world.

is also one of the few Chinese martial arts circles who has been to Kunlun Xu.

No one thought that at this time, the noble Elder Dugu would appear here.

Is he also here to kill Ye Chen?

Elder Dugu came to Ye Chen, glanced at Ye Chen interestingly, and then said: "I have long heard that there has been an arrogant person in the Chinese martial arts world. The strength is decisive! I thought it was only three people becoming a tiger. That's it, now it seems to be true."

"Ye Chen, do you really think your strength can control everything?"

"Although you stand at the pinnacle of the Chinese martial arts world, you know that this pinnacle is at the bottom of Kunlun Xu!"

"You are still young, and your character needs to be tempered. Arrogance is not good for you."

"I have already let people tell No.1 and the Guardian of China, your behavior has broken the rules, no matter what, you must pay for your behavior today."

Ye Chen's eyes were stern, he glanced at the opponent, and snorted coldly: "What are you, I need your advice here?"

As soon as he said this, everyone's expressions seemed to change.

Ye Chen didn't even pay attention to Elder Dugu?

Is this crazy?

Elder Dugu is a existence that straddles the Chinese martial arts world and Kunlun Xu!

The strength is decisive, if it weren't for Huaxia to come back with a letter when he needed him the most, his status in Kunlun Xu would be absolutely outstanding!

Even Yihao and Bailixiong have to give this old man some face!

Pan Guohua stood up from the crowd: "Ye Chen, tomorrow is your Ye family banquet, do you think who will attend according to the current situation?"

"Now, you are a sinner in the Chinese martial arts world. If you don't take the initiative to admit your mistakes to those Kunlun illusions and then kneel down and apologize, then you have to face the entire Chinese martial arts world!"

"Do you really want to be the public enemy of the Chinese martial arts world? Before you die, you will also be a sinner of the ancient Chinese martial arts world?"

Such words directly incited the people behind.

The crowd opened their mouths together, infuriating!

"Sinner!"

Ye Chen at this moment is what Qianfu pointed out!

Jiang Yanrong saw this, and wanted to leave the formation of the formation to speak for Ye Chen, but found that the formation had been blocked.

Obviously, Ye Chen wants to solve it alone.

Hearing these words, Ye Chen noticed Pan Guohua.

There is a hint of anger in his eyes.

That day, let him take off his rank and Dragon Soul's chief instructor in front of everyone, this is the man!

And now, this man is standing up and accusing himself without reservation!

Could he really want him to disappear in China before he would give up?

Sinner?

What a big hat!

What he did, Ye Chen would naturally admit that he would dare to face the Kunlun imaginary power!

But this group of people behaved like this, but he was very upset!

Ye Chen's eyes were cold, and he said word by word: "You probably didn't figure out one thing. For tomorrow's banquet, I don't need anyone to come to my Ye's house. As long as I look at my Ye Chen's, I will naturally welcome Ye Chen! "

"Since everyone is here, I just happened to say one thing, the Huaxia Ye Family does not need to establish an alliance relationship with any family! Not to mention everyone's support! It is a friend, I protect! It is an enemy, I kill! This is me Ye The principle of home!"

Pan Guohua glanced at Elder Dugu~www.mtlnovel.com~ and sneered at Ye Chen: "Return to friends? Now in the entire Chinese martial arts world, who dares to be your ally of Ye Chen!"

"Whether you can see the sun tomorrow is unknown!"

Pan Guohua's words are almost everyone's voice!

In their opinion, the Ye Family is certainly strong, but with Ye Chen's character, he can only stand by himself.

At this moment, three figures rushed forward!

is China Jiangjia!

Old man Jiang! Jiang Wentian! And Jiang Jianfeng!

Old man Jiang came to Pan Guohua, glanced indifferently, and said, "My Jiang family is an ally of the Chinese Ye family! How? Who dares to move the Ye family today and kill without mercy!"

As soon as I said this, everyone was stunned!

Most of the people present know the character of Mr. Jiang!

Stubborn, crazy, extremely disdainful of Jiang Xirong's family!

But what's the situation now! "

Jiang Yanrong in the formation saw this scene, her fists clenched tightly!

For the Ye Family's sake, my father didn't even care about his injuries and came directly!

Brother, the same is true for the second brother!

The Jiang family is willing to fight the Ye family against the entire Chinese martial arts world!

Pan Guohua's expression is a bit wrong, the Jiang family's standing team undoubtedly slapped him in the face!

He stared at the old man Jiang firmly, saying every word: "Old man Jiang, are you really going to drag the Jiang family into the water?"

"I'm telling you, Ye Chen offended dozens of Kunlun False Powers this time! If they can't get Ye Chen within two days, they must kill them all! By then, your Jiang family will not escape! You are ruining Jiang. Everything about home!"
