### Chapter 531: Rating!

Elder Jiang didn't know when, a sword appeared in his hand, and his cold voice resounded like rolling thunder!

"First, Pei Rong is my daughter and Ye Chen is my grandson. As an elder, I am bound to protect with my life! I have been confused for 20 years, and I don't want to be confused anymore! If you want to take Ye Chen away, ask first Ask if I agree with the sword in my hand!"

"Second, the Kunlun Xu people want you to take Ye Chen away! My Huaxia martial arts world is a generation of iron and steel, why are people so afraid of Kunlun Xu? One sentence is enough to make the entire Chinese martial arts world become Kunlun's tool for killing people? Can't we fight the Kunlun people together?"

Elder Dugu shook his head and also said: "Although Kunlun Xu is within Huaxia, the spiritual energy and resources there are too far from Huaxia, how can we resist? Huaxia martial arts circles can only obey! They want Ye Chen, and we can only pay Come out of Ye Chen! What's more, Ye Chen has broken too many rules along the way, he is not dead, it is the nightmare of the Chinese martial arts world!"

"If you block the Jiang Family, it will be destroyed! A blow from our hundreds of strong, is it because you still want to resist!"

A word from Elder Dugu, "Swipe!" Everyone sacrificed their weapons!

The cold murderous spread!

At this moment, the nine figures seem to have stepped into the air!

stood in front of those Chinese martial arts experts who forced the palace.

Seeing the few people in front of them, those in the Chinese martial arts world seemed to have taken a pill!

Guardian of China!

The guardian finally came out!

They can't stand it anymore!

Pan Guohua hurriedly walked towards Bao Peimin headed by him, arched his hands, and said seriously: "Senior Bao, it is great that you can come."

"Ye Chen angered Kunlun Xu's forces. If we don't hand over Ye Chen, the Chinese martial arts world will be destroyed!"

"Please also the guardians, take down Ye Chen and save China from the fire."

The remaining experts in the martial arts world also spoke!

The Guardian of China is almost the heaven of China! They are powerful! So many people came this time!

is enough to crush Ye Chen!

The most important thing is that Ye Chen used secret techniques to kill a guardian of China!

This is a vengeance!

The Guardian of China is also a human being, and there is bound to be the heart of public revenge!

Elder Dugu naturally knew these Guardians of China, and for some reason he did not see Elder Sun, but it was no longer important.

He came to Bao Peimin's side and said lightly: "Old Bao, our existence at this level shouldn't have been involved in junior affairs, but this Ye Chen is indeed too much, no matter what, I can't stay! If you do, I They will also take action, and Ye Chen must be suppressed today, otherwise we will find it hard to rest!"

"With Ye Chen's head, let's go to meet those Kunlun imaginary people together tonight. Maybe those adults will be happy and they will give us some opportunities! This is a great opportunity!"

Bao Peimin glanced at Elder Dugu and everyone, his expression indifferent.

This is the root of human nature!

These people seem to be for the survival of the Chinese martial arts world, but they are actually for themselves!

They just want to exchange Ye Chen's life for a chance!

ridiculous!

Elder Dugu and Pan Guohua obviously did not expect Bao Peimin to have this attitude. Just as he wanted to say something, Bao Peimin took the remaining people and walked towards Ye Chen together!

When they came to Ye Chen, everyone bowed and said respectfully: "Mr. Ye!"

what!

Mr. Ye is like a bolt from the blue!

The voice of is not loud, but it is enough to make it clear to everyone's ears.

What is even more surprising is that at this moment, Bao Peimin and the remaining Huaxia Guardians have a flattering smile on their faces, as if to please Ye Chen.

On the contrary, the eyes of these people looking at them were cold.

boom...

The three words , like thunder, exploded in the arena, and many people could not help but step back subconsciously.

The elder Dugu standing behind Bao Peimin frowned, his expression horrified.

What are these Chinese guardians doing!

Mr. Ye?

Is it possible that these people are here to protect Yechen?

As for!

Elder Dugu can clearly hear everyone behind him take a breath.

lunatic!

He couldn't help it anymore, stood up, pointed at Bao Peimin and said, "Bao Peimin, what do you mean! Remember your identity, you are the guardians of China! You must stand unhesitatingly among thousands of Chinese people Here!"

Bao Peimin snorted coldly, he came here with the Guardian of China!

is to protect Ye Chen!

Ye Chen's life and death concern the entire China!

What are even those Kunlun virtual powerhouses?

The power behind Ye Chen is of the Immortal Venerable level! One hand can suppress the existence of a sect!

Yujian Feixian, how many such strong people are there in Kunlun Xu?

The picture of that day has long become an indelible existence in the memory of these guardians!

"You have no right to interfere with the affairs of Elder Dugu, the Guardian of China. If you want to move Mr. Ye today, please step on our bodies first!"

Once these words came out, Elder Dugu couldn't get off the stage.

If the appearance of the Jiang family is just a ripple, then these Chinese guardians are huge waves!

completely disrupted the whole game!

"Huh! Although I don't know why you want to protect Ye Chen~[www.mtlnovel.com](http://www.mtlnovel.com)~ Since you have this attitude, I'm sorry!"

While speaking, Elder Dugu no longer hesitated, with a powerful aura, covering the whole world toward Bao Peimin.

Since the matter is over, there is no need to be polite.

Now that they are here, everyone knows what they want to do.

With this aura enveloped in, a series of terrifying auras rose to the sky.

The wind swept through, the fallen leaves were flying, and the space between the earth and the sky was full of murderous air.

papa...

In the gust of wind, Bao Peimin's robe danced and his white hair fluttered, but his figure was not even half of the movement.

Bao Peimin sneered: "I am so anxious that I will tear my face? Elder Dugu, it seems that I still overestimate you. Let everyone go together."

Bao Peimin looked towards the rest of the crowd.

Elder Dugu's eyes were cold: "Bao Peimin, if Elder Sun comes, I might still give a bit of face, but you are not qualified! When I was in Kunlun, you didn't know where you were! "

"Hahaha... In that case, there is no need to say anything. The purpose of your coming today, everyone knows why you need to be like a gentleman like this! If you want to do it, do it! Since it is here, I will do it. Peimin can make you retreat? Why should I make you retreat?"

Bao Peimin's expression suddenly became gloomy.

A stronger aura erupted from his body.

The wind and clouds were rolling, and at this moment, Bao Peimin's words suddenly broke out, making the entire time and space seem to freeze.

Chapter 532: Too slow!

boom.....

Above the sky, the mysterious thunder exploded, and the storm is about to come!

Boom!

The thunder in the sky pierced the sky, and Bao Peimin's words, under the thunder, rushed into everyone's mind, causing everyone's face to change suddenly.

What did Bao Peimin say?

He doesn't want the people present to leave today?

I don't know who it is, after a moment of stunned, he took a breath of air-conditioning.

"Hahaha...what a big tone, Bao Peimin, do you think you are really invincible?"

"Arrogant!"

"Huh, Bao Peimin, today we want to see how you can leave us all!"

"Bao Peimin, you really want to be an enemy of the entire Chinese martial arts world!"

After a while, angrily shouts one after another.

Bao Peimin's words really angered everyone present.

I dare not say that everyone is the top powerhouse in the Chinese martial arts world, but the powerhouse here is definitely enough to shock everything.

There are even a few powers still watching.

Under such circumstances, Bao Peimin gambled on the entire Guardian of China, and still uttered wild words. Isn't it crazy and what?

"Bao Peimin? Your strength is very strong. At the beginning, some of our forces gave you face, do you think we were afraid of you?"

Elder Dugu asked with a gloomy expression.

"What nonsense! You and the few in the dark came here just to please some people, don't pretend to be upright in front of me! If you want to take the Kunlun virtual opportunity, you have to take it!"

Bao Peimin ridiculed mercilessly.

"So arrogant!"

"Bao Peimin, I didn't expect it to be like things together. You are so arrogant! If so, let me see what arrogant qualifications you have! Humph, want to keep everyone on our side? You too Only with that ability!"

was ridiculed and taunted one after another, and Elder Dugu couldn't help it.

"Dugu Broken Moon Blade!"

Now that the skin has been completely torn, today there is no longer the slightest chance to maneuver.

If you want to kill Ye Chen? Today is also the best opportunity.

Thinking of here, where would Elder Dugu miss such an opportunity?

In the long whistling sound, I saw Elder Dugu was the first to turn into a streamer and culled towards Bao Peimin.

Wow...

With that long howl, the terrifying light of the knife tore the air.

In the squally wind, the brilliance bloomed, and the sword aura fell like a nine-day Milky Way.

"Bao old be careful!"

Seeing such a scene, behind Bao Peimin, the expressions of the Guardians of China couldn't help but change, subconsciously shouting!

But Bao Peimin clenched his long sword, and said solemnly: "You don't have to take action. Keep Ye's house. No one dares to do it. Killing is without mercy!"

No matter what, he must resist this cut!

The terrifying blade even made everyone present feel as if their bodies were frozen. This knife is really overbearing.

More importantly, Bao Peimin didn't respond at all in the face of the domineering knife, which made people's heart hang subconsciously.

At this moment, Ye Chen not far away subconsciously narrowed his eyes.

Half-step True Element Realm!

He didn't expect the strength of this lone elder to reach this point.

In terms of strength, Bao Peimin seems to be no opponent.

Besides, Bao Lao's injuries have not been completely healed. It is impossible to resist!

"Old Bao, let me come." Ye Chen's voice sounded.

Bao Peimin was taken aback, regardless of Elder Dugu, looking at Ye Chen: "Mr. Ye, I can."

"This matter started from me, and it ends with me. You only need to protect my family, and I understand my kindness."

"Now, step back!"

Ye Chen's voice was filled with no doubt.

Bao Peimin hesitated for a few seconds, but silently retreated back.

"Yes, Mr. Ye!"

No one thought that the Guardian of China would listen to a young man like this!

This attitude is crucial, it shouldn't be!

Elder Dugu saw that the two of them kept pushing away, as if looking down on him, and snorted coldly, "Let's take my cut first!"

There was silence in the arena, and all that could be heard was the sound of the whistling blade, what could be seen, after that, what seemed to be the light of a sword that smashed through the earth, what could be felt, and then the terrifying aura.

But Ye Chen walked out and strolled in the courtyard.

didn't even plan to resist.

Many strong men standing behind Elder Dugu looked at this scene and smiled.

The first person in the Chinese martial arts world?

If it is the Guardian of China, maybe it can resist a bit.

But if you change to Ye Chen, maybe it turns into blood mist on the spot!

Live and die!

Many people waited quietly, waiting for the scene of the blood spilling.

No one noticed that at the moment Ye Chen's mouth raised up with an imperceptible smile.

"Half-step True Essence Realm? Huh! It's really strong."

Under that terrifying aura, among those mocking eyes, Ye Chen said softly.

The voice is neither light nor heavy, just enough for Elder Dugu to hear it.

"But you still want to die after all! I don't want to kill you, why did you come here to die?"

Without waiting for the Dugu Elder to respond, Ye Chen sighed and said to himself.

"Since you want to die, I will send you to die first!"

Then, suddenly, Ye Chen raised his voice.

brush.....

No one can see clearly what Ye Chen did~[www.mtnovel.com](http://www.mtnovel.com)~ I saw that in the sharp sound, Ye Chen disappeared in place at the moment the sword light fell.

This scene made the scene suddenly quiet, I don't know how many people's pupils suddenly contracted, and I don't know how many people's heartbeat stopped subconsciously.

Hum...

When people came back to their senses, they didn't hear the horrible roar in their imagination, nor did they see the scene of blood flowing, they just heard a sharp, piercing sound.

The picture seems to freeze.

Ye Chen appeared after disappearing briefly.

Appeared with him, and the imposing Elder Dugu just now.

is just the picture at the moment...

hiss...

I don't know how many people, and subconsciously took a breath of air!

"how is this possible!"

Those shouts came from the hearts of countless people, but they couldn't make a sound.

In the silent silence, I saw in the air, the picture was weird!

Where does Elder Dugu still have the previously overbearing aura? Where does that long knife still have the aura of splitting the world?

The long knife freezes in mid-air! Elder Dugu looked pale.

Ye Chen?

He was already standing in front of Elder Dugu, and one of his hands, seemingly random, was pinching the fallen long knife.

The arrogance on the long sword was completely restrained.

Leaning on one hand, he grabbed Naha's sword! Yes, Ye Chen did it! This scene is thrilling.

The pale complexion of Elder Dugu was even more eye-catching.

"Too slow!"

Chapter 533: roll!

In such a dead silence, everyone finally heard Ye Chen's voice. This is his evaluation of Elder Dugu's seemingly terrifying blow!

"Break!"

With a soft snort, Ye Chen's arm exerted a slight force.

Ding.....

In the crisp sound, in the horrified look of Elder Dugu, that cold knife broke into countless fragments, and splashed out towards the surroundings.

"Get back!"

Ye Chen's deep voice came.

boom.....

One hand breaks the knife and shoots out with one palm.

The whirlwind rolled up, and that palm fell directly toward the chest of Elder Dugu!

One hand breaks the knife and shoots out with one palm.

There was a roar of applause, and the wind was overwhelming.

Ye Chen's cold snort, that momentary shot, like thunder and lightning, across the sky.

At this moment, the dust was completely torn apart, and the whole world seemed to be fragmented.

"Do not....."

Countless people are still caught in the previous shock. They have not recovered yet, but a desperate roar has already come.

boom.....

There was an unobstructed dull crash.

Click, click...

The crisp sound of bone fracture was transmitted to everyone's ears instantly.

A cloud of blood fog, in front of everyone, blooms into gorgeous fireworks.

Everyone clearly saw a figure, under the blow, like a kite with a broken line, exploded towards the distance. Even, someone has clearly seen that not long ago, the suffocating and exciting Elder Dugu, his chest was \*\*\*\* at this moment!

boom...

Until the body of a hundred jin fell heavily on the open space more than ten meters away, the world was quiet.

静!

For an instant, the scene fell into a deadly silence.

hiss...

I don't know how long this silence lasted, and the sound of inhaling air-conditioning finally came.

This Ye Chen's strength can actually defeat Elder Dugu!

This is rolling!

just for a moment, the exclamation sounded one after another.

I don't know how many people, the eyes are full of shock and fear at this moment!

This is the Dugu Elder whom countless people admire! Even better than the Guardian of China!

However, such a strong man who stood on the top of the mountain and was considered undefeated was actually killed in a second?

This subverted too many people's cognition, which made too many people finally unable to calm down.

Looking at Ye Chen in the arrogant position in the cold wind, I don't know how many people, and there was a deep fear in his eyes.

Is this the first person in China? This is the enchanting Ye Chen?

"True Essence Realm! Ye Chen, I didn't expect you to be Condensing True Essence Realm!"

The elder Dugu with a blood hole in his chest held back the blood, staring at Ye Chen, spit out these words.

His life is passing frantically!

A cultivator, above the separation and reunion state, is the true essence state.

Only in China, there are too few people who can step into this state.

Even he has spent many years without stepping into the real world!

Who would have thought that Ye Chen stepped into this position?

How old is he!

how is this possible!

"True Essence Realm?"

"Ye Chen unexpectedly..."

Following this speculation, the powerhouses looked at each other with amazement.

Among the cultivators, those who are strong in the True Element Realm, move mountains and fill the sea, have extraordinary strength and superior methods.

Many people looked at Ye Chen's eyes changed.

there was a little more horror, more endless fear and fear.

True Primal Realm, such a strong person is already unimaginable.

and have the true essence realm? What does this mean? Too many people know it!

The Ye Family has the power of the True Element Realm, and has the confidence to be called the top power! There is an endless deterrent.

Now, who would dare to look down upon Ye's family?

The atmosphere inside the venue changed abruptly.

Faintly, you can hear bursts of rapid breathing.

faintly, you can see those martial arts experts who attacked Ye Chen, their complexion turned ugly.

"Hehe... It seems you are really surprised?"

seems to have noticed the changes in the expressions of the people. Seeing the changes in the expressions of those people, Ye Chen showed a sneer.

"Why? Don't you make a move? If that's the case, don't blame me for not giving you a chance! I said, since it's here today, you don't have to go anymore, just stay now!"

Suddenly, the cold light in Ye Chen's eyes skyrocketed.

brush.....

In a cold snort, Ye Chen shot out like a streamer, murderous, and in an instant, reached the extreme!

Five fingers, several strong men in the dark were directly caught by Ye Chen!

is ruthlessly thrown on the ground!

Several of those who resisted were directly beheaded by Ye Chen!

At this moment, Ye Chen is extremely indifferent!

In his eyes, the Ye Family's banquet must be impossible tomorrow!

just right!

Everything in front of you is better than that banquet!

The purpose of the banquet itself is to tell the Chinese martial arts world that his Ye family was born!

And now, rectification under violence and killing is undoubtedly the most effective!

Seeing a corpse appeared, those strong men in the martial arts world felt cold all over!

As if being stared at by death.

They even wondered why they came to attack the Ye Family after hearing a few words!

There is the Jiang family behind the Ye family, and there are also the Guardians of China!

The most important thing is this evil \*\*\*\* Ye Chen!

Ye Chen solved the threats in the dark, with a hideous expression.

At the same time, the dark palace strong rushed to surround everyone.

Ye Lingtian stepped forward and came to Ye Chen: "Hall Master, what should I do with these people?"

Ye Chen narrowed his eyes, glanced at Pan Guohua, and then at everyone present  
~www.mtlnovel.com~The indifferent words slowly fell: "Don't leave one."

When these words came out, everyone present really frightened!

Ye Chen is crazy!

Leave no one!

He wants to kill all the people in the Chinese martial arts world?

Who would have thought that if those Kunlun virtual powerhouses hadn't done anything, Ye Chen would take the lead in destroying the entire Chinese martial arts world?

lunatic!

Pan Guohua's expression also changed. He stepped out and said to Ye Chen: "Ye Chen, don't be obsessed with understanding, these people are not low in China. If you do, you have thought about how to explain to China."

Pan Guohua hadn't finished speaking, Ye Chen lightly moved his palm!

An invisible virtual palm blasted out directly!

"Snapped!"

slapped Pan Guohua's face directly.

"Noisy!"

Pan Guohua only felt the invisible power blast on his face, and he flew on the spot!

"You dare to hit me!"

"I dare to kill you, do you believe it?"

Ye Chen's cold eyes shot directly out!

makes people feel palpable!

Pan Guohua dare not speak at all. In his eyes, this kid can do everything.

"Squeak!"

A Land Rover rushed in.

Land Rover stopped steadily on one side, and Bai Lixiong got out of the car.

When he saw this scene, his eyes were extremely serious.

Pan Guohua saw Bai Lixiong, as if he had seen a savior, and quickly said: "Bai Lixiong, Ye Chen..."

"Go away!"

Chapter 534: Bad luck

Bai Lixiong roared, and Pan Guohua was stunned on the spot.

Then, in the eyes of everyone's doubts, Bai Lixiong hurriedly came to Ye Chen.

even handed the mobile phone in his hand to Ye Chen: "That one."

Ye Chen wanted to refuse, but still took the phone.

"If I guessed right, you let me let go."

There was a short pause on the other end of the phone, and the old voice still rang: "You guessed wrong this time. I don't want to take care of the affairs of the Chinese martial arts world, but there is one thing I must take care of."

Ye Chen frowned: "What?"

"You should know that there are dozens of strong people out of Kunlun."

"I know."

"Just now, another group of Kunlun imaginary strongmen appeared in Kunlun Mountain, and they even came to the capital to find you by name. It seems that you killed several elders of their sect."

"These people were stopped by me. If the Kunlun imaginary powerhouse really rushes to the capital, you can think of the consequences. No matter what the outcome is, it will inevitably affect the innocent people in the capital, even your Ye family, your mother and friends. It's hard to escape."

"Also, you should understand the importance of the capital. There must be no accidents. I have a ruthless request. These Kunlun virtual powerhouses, no matter what contradictions you have with them, you should handle the contradictions yourself."

"As a condition, from now on, Huaxia will protect your Ye family without hesitation."

"Okay, I'm done with everything that needs to be said, you decide for yourself, I won't embarrass you."

The old voice was full of tiredness.

Ye Chen glanced at his mother, Xia Ruoxue and others in the Ye Family Compound.

He will go to Kunlun Xu after all.

After he leaves, what will these people do? What about the Ye family?

Although the formation is powerful, it is only a formation after all.

When encountering some powerful spiritual things, they will naturally break, and then their safety will be in trouble.

The protection of the Guardian of China is not bad, but it is still far from the strength of the old man.

The most important thing is that he still has to face this group of Kunlun empty people.

If you don't cut the grass and remove the roots, the next thing will be very troublesome.

Two forces, if he guessed correctly.

One line should be a blood alliance, as for the other line, it should be the Falling Sword Sect.

just right, people in the blood ally of his father should know.

No matter what, he has to face it.

Thinking about everything clearly, Ye Chen said, "Where are these people now?"

The old man on the other end of the phone was startled, and immediately said: "Kunlun Mountain Scenic Area, the top of the mountain. The scenic area has been blocked, and those strong people in Kunlun Xu have also given me an ultimatum. I must see you before tomorrow, otherwise they will. Set foot on the capital, then the consequences will be disastrous.

Regardless of your decision, give me an accurate answer, and I can also arrange it. "

Ye Chen had unprecedented seriousness in his eyes. Finally, he said: "I promised, don't forget your terms, the Ye family will be protected by China from now on!"

"it is good."

The call was hung up, and Ye Chen returned the phone to Bai Lixiong.

Then, Ye Chen turned around and confessed a few words to the people in the formation, and went directly to the Land Rover off-road vehicle.

"Bai Lixiong, take me to the airport, I'm going to Kunlun Mountain."

Bailixiong was startled, he wanted to say something, but he swallowed it when the words reached his lips: "Okay."

Although the conversation between Ye Chen and Bai Lixiong was not serious, it fell in the ears of those people accurately.

Ye Chen is going to Kunlun Mountain?

At this time, he suppressed the Chinese martial arts world. Shouldn't it hide as far as possible?

actually went to Kunlun Mountain?

Is it possible to die?

Kunlun Mountains are dozens of Kunlun virtual powerhouses!

These people are not only as simple as the Separation and True Realm!

Maybe one of them is enough to kill Ye Chen!

What exactly is Ye Chen doing!

Although everyone present wanted Ye Chen to go to Kunlun Mountain, Ye Chen actually went there in person. This decision made them so confused!

Ye Chen got on the Land Rover and rode away.

As for the remaining people in the Chinese martial arts world, Ye Chen didn't care at all.

The lives of these people are too worthless in his eyes.

The most important thing is that there is a sentence from the old man, from now on, this group of people will never dare to move Ye's family again.

Once you move Ye's house, you are looking for death.

At this moment, Pan Guohua could still feel the burning pain in his cheeks. He thought of something and dialed a phone call: "Arrange a plane for me and go directly to Kunlun Mountain. I know the scenic peaks. You just need to book a plane for me. The sooner the better."

Not only Pan Guohua, everyone took out their mobile phones and mobilized private jets through their own forces.

They do this for one purpose!

See how Ye Chen died tragically!

Since ancient times, the strong in the Chinese martial arts world can only surrender in front of the Kunlun virtual strong!

This is why the talented people of China have to enter the Kunlun Xu squeeze their heads!

There is the real martial art and the pinnacle of strength!

.....

An hour later, Kunlun Mountain Airport.

A small private plane landed slowly. Ye Chen got off the plane and glanced at the direction of Kunlun Mountain. His eyes were meaningful.

Now he is only a few kilometers away from Kunlun Xu.

After dealing with the blood alliance and the Falling Sword Sect, it is time to go to Kunlun Xu.

I don't know what happened to the old man, Ji Siqing, Ji Lin and those friends.

The most important thing is that I don't know if my father suffered in the blood alliance.

As long as the father does not tell the secret for a day, he will be safe for a day~www.mtlnovel.com~ and nothing will happen.

Bailixiong also followed off the plane, he hesitated for a few seconds, and still said: "Mr. Ye, from the standpoint of China, I want you to go, but as a friend, I don't want you to go up."

"The Kunlun virtual powerhouse is different from the group of people in the Chinese martial arts world. You are alone, how do you face it?"

"You can go abroad, and those who are in Kunlun imaginary power can't chase abroad."

Ye Chen smiled: "You have known me for so long, do you think it is my character to shrink back?"

"Although they have many people and are extremely strong, it does not mean that there is no one behind me. I have a sense of measure."

After Ye Chen finished speaking, he headed up the mountain.

Bai Lixiong glanced at the direction Ye Chen was heading away, and sighed: "Mr. Ye is afraid that this battle will be too bad."

"Although I want to help, I have more than my heart but I don't have enough energy."

"It would be fine if the wife was by my side, maybe with her ability, she should be able to stop these people."

"No matter what, when the affairs of Huaxia come to an end, I have to find a way to enter Kunlun Xu, no reason, at least I have to ask her for an explanation, why not leave."

At this moment, Bai Lixiong saw several nearby private planes landing at Kunlunshan Airport.

He shook his head helplessly: "Do these people really hope that Ye Chen has something wrong?"

"When Ye Chen dies, who will guard China? A group of guys whose eyes are confused by profit."

.....

Chapter 535: Don't you understand me?

Kunlun Mountain, the top of the mountain.

Clouds and mist linger.

The top of the mountain is covered with snow and the temperature is extremely low.

The mountains in the center are snow-capped mountains, stretching thousands of miles.

If Jiangdaoshan is the sacred mountain of Xiangjiang.

That Kunlun Mountain is China's Wanzu Mountain.

This is also one of the reasons why Kunlun Xu is a mysterious place.

The aura here is extremely weird, as if the entire Chinese aura is heading in one direction.

The direction of spiritual energy flow is the deepest part of the north of Kunlun Mountain, Kunlun Xu.

Ye Chen's destination this time is naturally not Kunlun Xu. The Canglong phantom surging at his feet quickly swept towards the top of the mountain.

At the same time, he could feel a figure continuously coming from behind him.

is Pan Guohua and some of the strong men in the Chinese martial arts world.

Not only that, but Bai Lixiong eventually followed.

There is an iron-blood camp of about dozens of people behind him.

"It seems that Bai Lixiong is also worried about me."

Ye Chen shook his head helplessly, and his consciousness plunged into the reincarnation cemetery.

Wandao Sword Master Chen Tianli's figure is already very weak.

"Teacher, I have taught you some sword skills that can teach you. Some sword skills are too advanced for you to absorb now."

"At the moment, my energy is running low. Remember to bring the jade pendant I gave you with you at any time. If you have any questions, go to a sect called Wan Jianzong. They will naturally understand the meaning of jade pendant."

"Also, my energy can probably support one move. I will face the Kunlun Xu powerhouse later. If I lose, I can only break out one move."

"After one move, if you can't fight, remember to run away."

"It's never too late for a gentleman to take revenge for ten years."

Ye Chen heard the instruction in his ear and nodded: "Master, I have always had a question. After you dissipate, how should I see you."

"Is it possible that I have to bear the pain of a hundred masters leaving?"

Chen Tianli smiled, and the sword box behind him swayed slightly: "Disciple, when you are strong enough, you will naturally understand the meaning of the reincarnation cemetery. To a certain extent, if we are trapped, you will solve this dilemma. The key to you. As the tomb owner of the reincarnation cemetery, you are the only one of us who turned over."

"As long as you remember to practice well, we will see it at the right time, but we don't know what it is like."

Ye Chen nodded, and took another look at the remaining tombstones in the reincarnation cemetery.

This time, the three tombstones already showed signs of arousal.

The energy on the Soul-Calming Sun Breaking Stone is constantly converging in the three tombstones.

It is estimated that the three tombstones will be able to arouse after the energy on the Stone of the Soul Clarifying Sun is absorbed.

I just don't know what kind of existence these three powers are.

Also, why does every Mighty person emphasize that he is their turnaround person?

Before the reincarnation cemetery, what happened to these people?

Ye Chen didn't have time to think, because there was still about a hundred meters away from the top of the mountain.

He already felt that on the top of the mountain, dozens of terrifying perception auras were coming towards him.

This is a cold murderous intent.

This is a murderous opportunity he has never felt in China.

The blood dragon in his body seemed to rush out of his body.

The Soul Town Sword was also shaking in the reincarnation cemetery, as if waiting to be killed.

.....

At this moment, the top of Kunlun Mountain.

dozens of people gathered.

are the powerhouses sent by the Blood Alliance and the Fallen Sword Sect.

Falling Sword Sect was led by an elder named Su Mingwu.

Falling Sword Sect sent a total of six people.

The blood alliance is led by an elder named Li Xuanjun.

Although more than 20 people were dispatched this time, they were not the elite of the blood alliance.

Ren Qiyun's accident is very serious for the blood alliance, but the blood alliance will not send the strongest type of people to China to solve the problem.

In their opinion, Huaxia's aura is thin, and even if there is a strong one, it is impossible to be strong.

Of these twenty-odd people, apart from Li Xuanjun, ten of them are above the True Origin Realm.

Su Mingwu of the Fallen Sword Sect naturally noticed the existence of the blood alliance.

It's just that the blood alliance's reputation in Kunlun is not so good, so he didn't pay much attention to it.

As long as these people are not directed at them, it's okay.

A middle-aged man next to Li Xuanjun glanced at Su Mingwu and said to Li Xuanjun: "Elder Li, if Ye Chen shows up later, do we want to make the first move?"

Li Xuanjun sneered: "What is the urgency, and what reason do we use to make the move? Sword Sect Luo does not know the true identity of Ren Qiyun. If Sword Sect knew Ren Qiyun's identity, we can only kill people. Now, what we have to do is sit on the mountain and watch tigers fight."

"Don't say anything, I really want to see, what exactly is Ye Chen's way, a Chinese person is even qualified to kill the Kunlun virtual powerhouse, this kind of person, either has the help of an expert, or has a secret method!"

"By the way, isn't this son's father in our blood alliance? Although the investigation has not made any progress, if Ye Chen is against the sky, doesn't it prove that this son's father has a great secret?"

I heard that Elder Zheng suspected that the Ye family had some connection with the ancient Ye family. Of course, all this was just a guessing mistake and has not been determined yet. "

Hearing the words of the ancient Ye family, the strong men of the blood alliance took a breath!

This is a legendary existence.

If this is the case, there must be a great opportunity behind the Ye family~www.mtlnovel.com~ Just as the blood alliance was horrified, a young man in casual clothes appeared in everyone's sight.

is Ye Chen!

Ye Chen's appearance, countless eyes locked instantly!

Angry!

Kill!

surprised!

No one thought that Ye Chen would come alone!

Is it possible that this kid is sure he has a way to survive?

Li Xuanjun frowned. Although he was puzzled, he didn't say anything.

He glanced at the direction of the Fallen Sword Sect, Su Mingwu and the other disciples of the Fallen Sword Sect all stood up and headed towards Ye Chen.

Soon, Su Mingwu stood in front of Ye Chen, his expression was cold, and he said: "You are Ye Chen?"

"I only ask you one question, did you kill Ren Qiyun and the other elders?"

Su Mingwu's voice is cold, and the pressure is even more released between the words!

The pressure is extremely strong, at least in Ye Chen's view, Su Mingwu's cultivation base is at least above the third level of the True Primal Realm!

may even be stronger.

Ye Chen glanced at Li Xuanjun, who was not doing anything not far away. The blood-red gate tattoo on his neck was extremely clear.

He knows very well that these people are kinship people.

The blood alliance sent so many strong men this time, it seems that he really intends to take him down.

This time, he had to deal with not only Falling Sword Sect, but also blood alliance.

The blood alliance is the most threatening place.

"Boy, don't you understand what I said?" Seeing Ye Chen's unresponsive Su Mingwu of the Sword Sect, his expression was a bit hideous and said loudly.

Chapter 536: Save us!

Ye Chen was relieved and said indifferently: "There is one thing, you should not know, Ren Qiyun still has another identity, that is the elder of the blood alliance, I killed him, to some extent, it is to help After you fell to the Sword Sect, you don't need to say thank you."

A disciple of the Fallen Sword Sect heard that Ye Chen slandered Elder Ren so much, his face was full of anger!

"Smelly boy, dare to insult our elder Ren! Elder Ren has been open and upright throughout his life, how can he be connected with the power of the blood alliance, such as the practice of sidelines! It is really silly!"

Yuluo, the Sword Falling Sect disciple drew out the cold sword and swept directly towards Ye Chen.

The cold light flickered, as if the wind was sweeping, taking Ye Chen's point straight.

Su Mingwu didn't rush to do it, he was very curious how a Chinese cultivator killed Ren Qiyun!

Seeing that the sword intent was about to fall, Ye Chen shook his head helplessly, his lips moved slightly: "Yunsha palm!"

With a soft snort, Ye Chen's palms were superimposed, and he suddenly burst out!

papa...

bursts of applause, like thunder exploded, setting off a huge wave.

"Do not....."

Being locked by Ye Chen, the disciple of the Falling Sword Sect shrank and his face was full of shock.

"Ye Chen, don't you think about it!"

A frightened expression, an unwilling roar.

Seeing the sky full of palm shadows sweeping over, the sword sword sect disciple Longsword resisted.

boom...

The long sword breath radiated, and the red light burst.

The first level of the True Element Realm!

The strength of the disciple of the Fallen Sword Sect cannot be underestimated.

is at least comparable to Ye Chen in realm!

Under the long sword, like a fire erupting, burning the world! That fiery red light illuminates the entire Kunlun Mountain!

"Many arm as a car!"

Facing the resistance of the disciples of the Fallen Sword Sect, Ye Chen was full of disdain.

If Ye Chen had been defeated a few days ago, in the eyes of Ye Chen today, it was obviously not enough!

boom.....

Between the electric light and flint, Ye Chen's power and the powerful sword intent of the Sword Falling Sect disciple clashed.

The low roar exploded, and the terrifying wind swept all over the place instantly.

rush rush...

The strong clash, earth-shaking, and the victory or defeat was only a moment.

Between the confrontation, the terrifying aura that erupted, swept out toward the surroundings, as if the storm was hitting the shore.

ah ah...

Under this terrifying storm, with Ye Chen and the disciples of the Fallen Sword Sect as the center, the storm passed, some Chinese martial arts experts who had just arrived at the top of the mountain to watch Ye Chen's tragic death suddenly screamed. He was directly knocked out.

Such a confrontation between two powerhouses, even if it is overflowing, how can ordinary people resist it?

For a time, the chaotic scene was turned around.

"Huh! Chihuahua! Broke me off!"

Ye Chen didn't even glance at the crowd who were flying out around him.

There was a sneer at the corner of his mouth, and he suddenly shouted.

Click!

Ye Chen's voice fell, and only heard a crisp sound, the face of the disciple of the sword sect was instantly distorted!

"Ahhhhh..."

A heart-piercing scream came, and I saw the arms of the disciple of the Falling Sword Sect, horribly twisted.

The blood mist is filled, and the flesh and blood are flying! In the screams, the white bones were exposed between heaven and earth.

And following the screams, the abrupt white bones even turned into endless fragments and flew out.

With just one move, Ye Chen abolished the arms of the disciple of the sword sect.

This is not his cruelty.

It's that the Sword Falling Sect disciple made killer moves at the moment the sword was released, and he didn't need to pity.

Being kind to the enemy is cruel to oneself.

Wow...

With a nearly distorted complexion, in the midst of the screams, the disciple of the sword sect whose arms had been dismantled, flew out like a huge rock.

The scene in front of him completely changed Su Mingwu's expression.

Who would have thought that Ye Chen is not only arrogant, but the methods are so cruel!

He confirmed Ye Chen's purpose of killing the elder of the Fallen Sword Sect!

This kid is a bloodthirsty monster!

Su Mingwu couldn't sit still, glanced at the remaining disciples, and said coldly: "Condense the sword formation, take this one, I want to live."

"Yes, Elder Su!"

The remaining disciples of the Fallen Sword Sect took three steps in an instant, and the ground vibrated between the three steps!

The long sword in everyone's hands shook even more!

"Whoo!", they all broke free of their palms and flew out!

"Destroyed Condensed Killing Array!"

Following the roar of one of them, the long sword that flew out flashed with a crimson streamer, like a blood wolf, biting wildly towards Ye Chen!

Ye Chen didn't dare to be careless, he drew out the Dragon Slashing Sword, his dantian's true energy surged and directly resisted.

The crimson streamer was torn on the spot!

There were cracks on the surface of that long sword.

may collapse at any time!

how is this possible!

No one thought that Ye Chen could break this formation so fast!

is extremely relaxing!

This is only a few seconds!

Is it possible that Ye Chen is still an array mage!

Looking at Ye Chen, who was approaching in front of him in a blink of an eye, the disciples of the Fallen Sword Sect only had a look of horror. Such as sinking deep into the quagmire, at this moment, the Sword Sect disciple who was locked in by Ye Chen's majestic aura wanted to retreat, and even had no way to retreat.

Is this kid really from China?

didn't grow up in Kunlun?

When did China have such a strong player?

boom...

Seeing that Ye Chen was unreasonable, with an incomparably domineering sword slammed down, the faces of the Concentrated Sword Sect disciples were pale and frightened.

"what....."

Under the endless fear, these Fallen Sword Sect disciples roared.

There is no choice but to resist.

bump.....

In an instant ~www.mtlnovel.com~ there was another roar.

There was not even time to scream.

"Crack!"

There were bursts of crisp cracking sounds again, and the chests of the disciples of Sword Falling Sect that were visible to the naked eye collapsed in terror!

Endless blood, like a fountain gushing out, their bodies flew upside down suddenly, and fell fiercely into the chaotic crowd.

Pan Guohua, who just came to the top of the mountain, saw several blood-filled bodies in front of him, his expression completely changed!

A disciple of the Kunlun Void Sword Sect, who has received the best resources for training since he was a child, is now no match for a young Chinese growing up!

Ye Chen couldn't be so enchanting even if he was practicing assaulting his mother.

"Elder Su, save us!"

The severely injured disciple of Sword Sect of Fallen Sword asked for help.

They can clearly feel the blood flowing all over the body.

Painful and uncomfortable!

Su Mingwu didn't hesitate anymore, shook his five fingers and rushed out the cold sword from his waist!

I was held firmly in the palm of his hand.

"Smelly boy, you dare to hurt my disciple of the Sword Sect and look for death! Don't kneel down for me!"

At this moment, Su Mingwu was completely angry!

The aura on        seems to burn!

"It seems that you really have the strength to kill my elder of the Fallen Sword Sect! Today, Ren Qiyun's hatred, I will report it!"

Shushushu...

The cold light flickers and the momentum is soaring!

In a blink of an eye, Su Mingwu's momentum rose to the sky, and his sword light cut everything.

The terrifying murderous intent, as if it had solidified the world.

Chapter 537: Crazy!

"So powerful!"

Feeling the breath that swept over, Ye Chen's pupils suddenly shrank.

He found that he still underestimated the other party!

"Break it for me!"

The cold light flashed, and the sword intent descended.

The Dragon Slashing Sword in Ye Chen's hand collided wildly!

Two swordsmanship swept extremely violent air waves!

"Boom!"

and then separated suddenly!

At this moment, Ye Chen even felt his arm numb!

This Su Mingwu's true strength is actually on the fourth level of the True Element Realm!

He underestimated!

At least the power exposed in front of me is so!

The violent shock still made Ye Chen's blood surge.

"Smelly boy, if I were you, now I would kneel down without hesitation! Dare to hurt my disciple and elder of the Falling Sword Sect, you are the first! You will be the last!"

"Today I will show you that the light of fireflies can never compete with the sun and the moon!"

"Luo Yin Zhan!"

Su Mingwu's eyes were filled with madness, he did not dare to take it lightly!

A sword swung out, and the sound of groaning broke out.

Falling Yin Slash!

This is Su Mingwu's famous sword intent.

Before he set foot on Kunlun Mountain, he had been feeling the heaven and the earth, comprehending the majesty that permeated the heaven and the earth, and comprehending the mystery of the heaven and the earth.

Falling Yin Slash, when making a move, the momentum is majestic, and all beings surrender!

Ye Chen didn't have the qualification to stop him!

Hum...

With the sound of the falling groan, the sword body vibrated, spreading out layer by layer like substantial ripples.

Su Mingwu's true energy erupted at this moment.

boom...

Just listened to a roar and exploded, the falling sword wave, as if it turned into substance, forcibly to tear Ye Chen!

is extremely crazy!

Li Xuanjun, the blood alliance in the distance, leaned on a giant tree and shook his head: "The gap between the two is too great. Although they are both in the true original state, after the true original state, there is a small difference between them. "

"It seems that Ye Chen can hardly escape to death."

"Also, it doesn't matter who kills it, it's the same."

"I don't know how to live or die, such a sword intent, I want to see how you carry it!"

Pan Guohua and the rest of the Chinese martial arts experts who were onlookers showed grim and sympathetic smiles.

In their eyes, this Kunlun virtual powerhouse has a sword, enough to break everything!

is unstoppable!

At this moment, Ye Chen subconsciously used the Dragon Slashing Sword to block it again!

did not expect that the Dragon Slashing Sword was forcibly shaken out!

And Ye Chen also took a few steps back, a trace of blood spilled from the corner of his mouth!

Su Mingwu enjoyed this moment very much, took a step forward, and said seriously: "Ye Chen, you are not my opponent. If you want to live, you can abandon your cultivation, kneel in front of me, and then personally go to the swordsman to apologize with me! "

"Otherwise you will only die in pain!"

Ye Chen ignored it and wiped the blood stain on the corner of his mouth with his hand.

At this moment, under the blood, the blood in Ye Chen's body began to faintly boil.

boom...

There was a roar, and Ye Chen directly sacrificed the Soul Suppression Sword.

"Just right, try the swordsmanship the master taught me!!"

The soul of the town is out of the sheath, as if you are stepping on the wind and waves!

Pedal...

Within a few steps, Ye Chen's momentum soared to its peak.

brush.....

A sword swung out, and arrows rained all over the sky.

Green light lingers, the chill is pressing.

With the strength of Ye Chen's True Essence Realm now, coupled with his powerful combat effectiveness, with such a sword technique, most of the warriors in the True Essence Realm have to retreat.

Sword Qi shot down one after another, and finally merged into one, and Ye Chen went straight towards Su Mingwu.

Hurry up!

Under the extreme speed, the edge of this sword is shown to the extreme.

Ding.....

came just a soft sound, followed by a dull penetrating sound.

The cold light flashed, and life died.

Under this sword, Su Mingwu's eyes widened, and he looked at the long sword inserted into his clothes in disbelief.

If he didn't dodge just now, this sword would be enough to pierce his heart!

Ye Chen's sword is stunning enough and shocking enough.

"Ye Chen, what kind of sect is behind you? Where did you get this sword technique? Say! Or die!"

Su Mingwu flicked his wrist, the sword body twisted, the cold light flickered, and he shot towards Ye Chen.

And Ye Chen's Soul Relief Sword is not at all polite!

The whole body exudes blood-red killing air, and Chen Tianli has taught him all the sword intent these days!

The night has been dyed red with blood.

The tranquility under the night? It has long since disappeared without a trace.

At this moment, this open space is like the Shura battlefield.

Death's sickle is dancing, it is the soul-suppressing sword in Ye Chen's hand!

The blood has gradually dyed this land red.

The nauseating smell of blood permeates the heaven and earth, becoming more and more intense!

Blade, light and sword shadow, brilliance flashes, murderous intent.

In the face of Ye Chen's powerful strength, countless people couldn't help taking a breath.

Gradually, the fear began to spread.

Ye Chen's existence already made the situation uncontrollable.

What is even more unexpected is that Su Mingwu, the powerful and powerful Sword Sect Sect, can't help Ye Chen.

Su Mingwu became more and more frightened, his body was full of wounds!

The blood has dyed the clothes red!

The sword skill of Ye Chen is simply unheard of!

There is not even a flaw!

how is this possible!

Falling Sword Sect is a sword repairing sect. Su Mingwu's understanding of swords is definitely deeper than any young man!

But what's going on right now!

Above sword skills, he is passive everywhere!

When        was in a panic, Su Mingwu clearly saw that the sword in Ye Chen's hand seemed to have turned into a dragon at this moment, swallowing it towards him.

What kind of move is this!

The sword wave is terrifying, the essence of sword aura, and now it is so domineering?

At this moment, what made Su Mingwu even more frightened was that the blood in his body seemed to be solidified in the trembling sound of the sword body, which made him unable to move!

He could only watch the sword intent swallowing it.

"Who on earth are you!"

Su Mingwu couldn't help it anymore and exclaimed.

Ye Chen sneered, without answering, the Soul Suppression Sword slayed away madly!

Kunlun Xu's rules are so cruel, no matter the reason, if he hadn't practiced Chen Tianli's kendo~[www.mtlnovel.com](http://www.mtlnovel.com)~ he might be injured today!

He will not sympathize with anyone!

Su Mingwu sensed that the situation was not right, his eyes were determined, no more hesitation, and he directly took out a piece of sapphire!

force a drop of blood!

The blood collided with the sapphire, and a terrifying aura suddenly formed!

This is the magic weapon of Falling Sword Sect! It is also Su Mingwu's greatest support!

He wanted to use this to deal with the powerhouse of the Immortal Ascension Realm, but now it seems that he has to take it out!

What if it's violent!

Ye Chen is a lunatic!

As soon as the sapphire came out, blood flowed thousands of miles!

噗哧!

Rao is at this moment, Su Mingwu has not taken any action, but just a momentum, which changes the color of the world, and even makes Ye Chen's whole body qi and blood toss, and can't help but spout a mouthful of blood.

In the strong wind, Ye Chen's body, like a kite with a broken string, was directly lifted out.

That substantive murderous intent, like the vast ocean, made Ye Chen sink into it, and his whole body seemed stiff!

Facing the strength of Qingyu, Ye Chen felt insignificance.

Ye Chen at this moment is like a dust in the sky, like a lone boat in the vast ocean!

Ye Chen stepped on a giant tree before barely stabilizing his figure.

And at this moment, Chen Tianli's voice resounded: "Trainer, there is the power of a strong man in the Immortal Ascension Realm within that azure jade, once it breaks out, it is enough to kill others! Do you need my help?"

Ye Chen glanced at the people of the Blood Alliance who hadn't done anything yet, a trace of madness flashed in his eyes, and said every word: "Master, you don't need to act."

Chapter 538: Dead end!

"My way of killing, the stronger the opponent, the more exciting it is."

While speaking, Ye Chen's eyebrows overflowed with lightning.

The thunder and lightning gradually spread.

These thunder and lightning are exactly the existence that the Heavenly Dao Thunder Tribulation was absorbed by Ye Chen's life charms!

Ye Chen knew very well that although the strong of the Falling Sword Sect made things difficult, the power of this jade was not enough to be afraid.

Those who are really afraid of are those who have never done anything.

Chen Tianli's current strength can only support one move.

This move is his biggest hole card so far, and it must not be used lightly.

Besides, his way of killing is most suitable for the present situation.

In the distance, Su Mingwu glanced at Ye Chen indifferently. The sapphire was floating around him with a misty breath.

"Ye Chen, you have proven your worth by allowing me to sacrifice this kind of treasure. Right now, your only choice is to drop the weapon in your hand and return to Jianzong obediently with me. Maybe the lord will show mercy. , Maybe give you a complete body!"

"As a person of China, you can achieve this kind of cultivation level, but in front of my baby, in the next second, you may only turn into a blood mist!"

Threat!

Naked threat!

In Su Mingwu's opinion, he holds the sapphire in his hand and is qualified!

This Ye Chen's strength is at most the True Element Realm, it is impossible to cross the border to kill.

He has eaten Ye Chen!

Pan Guohua in the distance and all the onlookers also saw this scene.

"I said, it is absolutely impossible for Ye Chen to fight against the Kunlun imaginary strong."

"There are people outside the world, there are people outside the world, why doesn't he understand such a simple truth?"

"Unfortunately, I finally became the first person in China, and it was a pity to die so young."

"After tomorrow, the Huaxia Ye Family is expected to be banned, such a good place, it is estimated that some Huaxia Wudao families have been watching."

"I'm actually interested in that piece of land. How about letting the Feng family take it after Ye Chen's death?"

An old man in white sportswear opened his mouth, his eyes filled with madness and excitement.

As soon as the words fell, a big hand suddenly appeared behind him, and it slapped him \*\*\*\* the shoulder.

The momentum is heavy!

The complexion of the old man in sportswear changed in an instant. This power was simply shocking.

He turned his head abruptly, and when he saw the man doing it, he stuttered completely: "Bai Li...General...I, I, I..."

Bailixiong snorted coldly: "That piece of land now belongs to the Ye family, and it will be the same in the future. If you dare to think about the Ye family and that piece of land, I promise that after tomorrow, there will be no Feng family in China."

The old man in sportswear nodded repeatedly: "Yes, yes, what you taught is that I am joking too, please don't take it to heart..."

Bai Lixiong gave a cold snort, did not speak, but looked at Ye Chen with scorching eyes.

Ye Chen at this moment seemed to be caught in the biggest crisis ever.

There are wolves before and tigers behind, Kunlun Xuren are not so active.

He wanted to help, but he was unable to.

For thousands of years, people in the Chinese martial arts world have only obeyed Kunlun Xu's strong.

But Ye Chen was the first to jump out to fight.

may seem to be lifeless to outsiders, but in Bai Lixiong's eyes, it breaks a certain kind of restraint in the Chinese martial arts world.

Even death is the most valuable death.

Su Mingwu held the sapphire in his hand and stepped forward: "Ye Chen, how are you thinking? I will give you three seconds to think about it. If you don't speak any more, I will forcefully suppress it, three, two..."

The number of Su Mingwu hasn't been finished yet, Ye Chen's head lifted, and his cold eyes carried a strong chill.

"no need."

"I will give you the last chance to leave Kunlun Mountain and return to your Kunlun Xu. From then on, the sword sect and I will no longer have grievances."

Ye Chen's voice was very soft, as if he was talking about something ordinary.

The roars of dragons in his body have already sounded, as if to swallow something crazy.

Su Mingwu stunned, and his face turned very hard to see!

It is clear that this son is in a mortal situation, but this son grandly said to give the Fallen Sword Sect a chance?

ridiculous!

Falling Sword Sect needs a chance from him!

The sapphire in Su Mingwu's hand burst out with terrifying light, even a little bit of eclipse!

"Little beast, I don't need you to give us a chance! Sword Sect Sword Sect has no chance! Since you chose a dead end today, then I will do it for you! Don't worry, Sword Sword Sect Sword Sect. Will disappear unknowingly!"

Hearing these words, Ye Chen's eyes glowed with blood red, and the corners of his mouth painted a cold smile.

"Looking for death!"

With a long howl, Ye Chen's figure suddenly disappeared in place.

boom...

A powerful wave of air rolls.

The nine-day Xuanyang in his body steadily revolved, and the energy in his dantian erupted like a volcano. In an instant, Ye Chen's aura soared to a shocking level.

Canglong's phantom body stepped out, Ye Chen's momentum was like lightning.

"So fast! How is it possible!"

Finally, facing Ye Chen like this, Su Mingwu's eyes widened.

How can this kid explode with such a serious injury?

Such an increase in speed... it is shocking.

Rao is Su Mingwu, and he couldn't help but breathe in the air.

At this moment, Ye Chen's momentum is so overbearing, his speed ~www.mtlnovel.com~ so fast!

"Huh! Ye Chen, it seems that you can't stay today, no matter how fast you are? If I expected it to be good, you just used some secret method. Do you think you can still fight me?"

You and me are like Haoyue and Huangsha, the two cannot be compared! Today, I will let you know how huge the gap is between you and me! "

After        was shocked, Su Mingwu roared fiercely when he looked at Ye Chen who had killed him in front of him.

"Go back to me!"

There was a long roar, and the moment Ye Chen's Soul Sword was swept down, Su Mingwu's wrist shook, and the sapphire was directly condensed into a green sword!

Long sword to the sky!

Hum...

A flash of blue light bursts straight into the sky.

This is the advanced sword skill of the Fallen Sword Sect!

Ding.....

Before Ye Chen's Soul Suppressing Sword fell, Su Mingwu's Jian Feng Shengsheng took Ye Chen's swift blow!

boom...

The violent impact was deafening.

A substantial wave of air swept all around.

With Ye Chen and Su Mingwu as their hearts, within a radius of more than ten meters, the mountains and rivers are changing color, the vegetation is flying, and the sword is in full swing!

"Little beast, get out!"

The two long swords stalemate for a moment, Su Mingwu suddenly shouted!

There was another burst of energy in the body.

Pedal...

Under this energy shock, Ye Chen and Su Mingwu retreated toward the rear at the same time.

withdrew six or seven steps and stabilized his figure, Ye Chen's pupils faintly shrank.

With just this one move, you can see the extraordinary sapphire in Su Mingwu's hand.

Chapter 539: Scared!

"Su Mingwu, you think you are very powerful. You want to kill me? Not enough! The gap between you and me is like Haoyue and Huangsha? I want to see how wide that trench is! Today, I walked through it. That sky moat will cut you off the earth!"

Taking a deep breath, Ye Chen's complexion became serious.

The cold light in his eyes flickered, and he shouted loudly: "Bring out the blood dragon!"

In the next second, a blood dragon rushed out of Ye Chen's body!

Dragons chanting!

dived into the sky instantly, and then fell suddenly!

The phantom of the blood dragon seems to be condescending to overlook a mortal, once you do it, it will destroy everything!

Seeing this blood dragon drill out of Ye Chen's body, the expressions of Su Mingwu and those in the blood alliance completely solidified.

There are many people in Kunlun who have become ghosts and ghosts.

But condensed into a blood dragon, they saw it for the first time!

This also indirectly explains Ye Chen's talent against the sky!

"Where did this kid come from?"

Su Mingwu set off a stormy sea in his heart!

Before he could react from the blood dragon, Ye Chen moved!

"Ten Thousand Dao Flying Sword!"

There was a long roar, Ye Chen flicked his wrist, and the streamer flicked out!

This is a trick Chen Tianli taught him, no need to hide.

Facing a strong enemy, Ye Chen wanted to fight quickly. At this moment, he will be full of combat power!

咻咻...

The streamer shot out, the sword aura soaring!

In the sharp breaking through the air, there was a roar like hell.

The cold light seems to come from hell, representing the sickle of death.

The blood dragon roared even more, diving directly into the sword aura!

Dragon, sword, two into one at this moment!

The weather seems to condense everything!

"What a powerful sword skill!"

Ten thousand flying swords, the sword takes a hundred steps, within a hundred steps, everything is surrendered!

Ye Chen's Ten Thousand Dao Flying Sword, although only a small achievement, is absolutely amazing.

What's more, under the support of the power of the blood dragon phantom, the momentum of this sword exploded, making people fearful.

Rao is the elder of the Fallen Sword Sect, Su Mingwu can't help but shrink his pupils!

"Don't think about it!"

Feeling the cold murderous intent, Su Mingwu roared loudly.

Better than swordsmanship? Kunlun Xu has many sects that can compete with the Fallen Sword Sect!

But it is absolutely impossible to come from China!

It can even be said that the Huaxia Wanjian is from the Fallen Sword Sect!

"Break out!"

At the moment when the Wandao Flying Sword was in front of him, the green sword made of sapphire on Su Mingwu's wrist flicked, and the sword aura shot out.

A flying sword cuts off the waves of air in front of him, and uses the sky as the momentum to contend with Ye Chen!

boom...

The two sword intents collided together, bursting out dazzling brilliance! A powerful momentum, like a volcanic eruption, hits the sky.

Even though the Ten Thousand Dao Flying Sword was mighty, it was still resisted after all.

"not good!"

It's just that Su Mingwu's expression suddenly changed drastically after resisting these ten thousand flying swords.

It turned out that Ye Chen had already followed and killed at the same time as the sapphire was sacrificed.

is carrying the momentum of thunder!

At this moment, the Heavenly Dao Thunder Tribulation of the Life Talisman was released madly!

And Ye Chen's body is no longer flooded with red light! It's the crazy lightning!

Thunder and lightning entangled his whole body, and now Ye Chen seems to be the True Lord Thunder Dao!

Control everything!

That tyrannical blow, like a profound thunder falling, made people shudder.

"Damn! How can this kid have such a powerful spell!"

Su Mingwu's eyes were red.

He didn't expect Ye Chen's offensive to be so fierce.

boom...

Reluctantly resisted, Su Mingwu let out a muffled snort, a smear of blood sprayed in his mouth, and the whole person flew out.

Ye Chen carried the momentum of thunder and smashed down fiercely, and the speed was more than a star and a half more fierce than before!

tyrannical boundless! The sudden impact of the thunder and the burst of power made Su Mingwu who hurriedly resisted the shock, and the long sword in his hand was almost shaken out.

"Falling Sword Sect swordsmanship? But so!"

Ye Chen sneered.

"Come again!"

The soul-suppressing sword in Ye Chen's hand was changed by him at the moment.

The thunder and lightning are rolling, the evil spirit is surging, the ice is covering, the wind is dancing!

The five elements of heaven and earth are all within this set of swordsmanship.

Except for practicing in the reincarnation cemetery, he has never used the sword skills of the sword master Chen Tianli!

And now, Su Mingwu is his best sparring partner!

was born in killing, and withered in death!

In the face of the tide of offensive, Su Mingwu, who fell into the wind, was actually forced to retreat by Ye Chen. For a time, there is no chance to breathe!

If it were not for the sword technique of the Fallen Sword Sect, it was really powerful, how could Su Mingwu persist until this moment?

"Boom..."

Finally, with a roar, Ye Chen's Soul Suppression Sword slashed away the long sword in Su Mingwu's hand.

The long sword turned into a piece of sapphire again.

Only a crack has appeared in the sapphire!

"I want to destroy my Ye Family, I'm afraid you will never have the chance to fall to the Sword Sect!"

Ye Chen's cold words resounded!

As the elder of the Falling Sword Sect, the long sword in his hand has been cut off, what is the threat?

Ye Chen's mouth leaked a sneer of disdain.

Seeing Su Mingwu, who was blown out by the shock, spurting blood, a cold light flashed in his eyes, and a magic talisman with violent thunder and lightning was directly sacrificed!

killer moves, the world changes!

Ten thousand beasts come, the mountains and rivers move!

The magic talisman bloomed with terrifying light. At this moment, the beasts collapsed and the mountains struck!

"no....."

smashed to the ground fiercely, spouting another mouthful of blood, the internal organs seemed to be shattered, looking at the suppressed magic talisman, Su Mingwu's eyes flashed with horror.

Despair, fear... This moment filled Su Mingwu's heart.

Is this Ye Chen's strength?

Is he really just the real world?

Why is the combat power so powerful!

Even if you are at the top, can you really fight Ye Chen?

At least ~www.mtlnovel.com~ can never crush Ye Chen.

Only when he really played against Ye Chen, could Su Mingwu feel his power.

The tide of cold killing intent, the ever-changing swordsmanship, the swift flying sword, and this thunderous charm!

Su Mingwu finally knew what kind of enemy he had offended! He finally knew how ignorant and naive he was to want to kill Ye Chen before asking for credit!

"No... Ye Chen, you can't kill me..."

boom...

With a loud bang, both hands clasped the cracked sapphire, forcibly holding the swept by the beasts and the suppression of the magical talisman, Su Ming roared with a cracked eye.

His eyes seemed to explode.

Threat of death? How many years has Su Mingwu never felt this?

He is scared!

He doesn't want to die!

"I am a member of the Sword Falling Sect, and I am an elder of the Sword Falling Sect Battle Hall! If you kill me, I will definitely not let you go! Sect Master will surely break your body into pieces! "

"You kill the rest, I can intercede for you, there is still room for maneuver, but if you kill me, things are really uncontrollable!"

The magic talisman that is pressing down from the top carries the power of ten thousand beasts, like the mighty sky! How can Su Mingwu's broken sapphire be easily blocked?

The body is trembling, and the flesh is crumbling.

The blood in his mouth kept overflowing, Su Mingwu's waist was bent, and his legs were crushed to his knees!

At this time, Su Mingwu, like an ant, is struggling to survive.

He is scared! He hoped Ye Chen would let him go.

Chapter 540: I can't look down on garbage forces!

"Sect Master of Fallen Sword Sect? What if he comes! I said, you are the beginning! Sect Fallen Sect wants revenge? Just come!"

There was a sneer at the corner of Ye Chen's mouth.

From the beginning to the end of this battle, there are not many confrontations! Ye Chen formed a crush.

The sword skill Chen Tianli gave him is too strong! Even let the other party have no chance to breathe!

Then use magic charms to completely suppress the opponent.

Ye Chen felt his own strength, and his heart was full of pride!

This is my current combat effectiveness!

Although this kind of strength is still a lot in Kunlun!

After at least today, he will step into Kunlun Xu again, and he won't be as embarrassed as five years ago!

Check out this new online game!

In those five years, no one knew how aggrieved he was in Kunlun Xu!

Revenge! He has endured a lot!

All the refusal and disdain of the sects are vivid in his mind!

People with roots are not worthy of cultivation?

He wants everyone to see how the Fangens counterattack!

As for the Fallen Sword Sect?

Ye Chen is fearless!

I let Su Mingwu go, would the Sword Sect of Fallen Sword let go?

Do not!

Since the grievances between the two sides cannot be resolved, why lower your proud heads!

Falling Sword Sect will come if you want! Ye Chen is waiting!

"Kill me!"

Thinking of this way, Ye Chen's eyes grew colder.

boom...

Under Ye Chen's full urging, the magic talisman made a crazy roar.

That gleam of azure light goes straight to the sky, carrying the power of heaven and earth, rolling down.

噗嗤...

With a scream, Su Mingwu's arms exploded!

"Ahhhhh..."

exhaled, calming the turbulent blood in the body, Ye Chen shot his eyes in the direction of the blood alliance.

Su Mingwu is just the beginning.

Today is the beginning of Ye Chen's slaughter of Kunlun Void!

Since the Fallen Sword Sect and the Blood Alliance want to play? He stayed with him to the end!

Holding the reincarnation cemetery in his hand, what fear does Ye Chen have?

Who is the hunter and who is the prey?

was only clear at the last moment.

At this moment, Ye Chen's eyes seemed to freeze.

The entire top of Kunlun Mountain fell into deathly silence.

Pan Guohua's gloating appearance completely changed.

Who would have thought that Ye Chen would have survived even facing the Kunlun virtual powerhouse.

not only survived, but also crushed the opponent!

how is this possible!

Ye Chen can't be like this even if he goes against the sky!

At this moment, Pan Guohua put away his contempt, and he even regretted it.

Why should I offend this Ye Chen?

If Ye Chen really survived today, then Huaxia and Kunlun Xu, who can resist this kid?

He even had plans to apologize in his heart. In the Great Hall that day, he forcibly asked Ye Chen to remove his rank and Dragon Soul Chief Instructor!

If Ye Chen wants to kill him today, he has no right to stop him!

Bailixiong and everyone are motionless, like sculptures.

They held their breath completely.

Some people even rubbed their eyes, the shock is hard to hide!

Just as the onlookers lost their senses, a clear applause resounded.

Not far away, Li Xuanjun of the blood alliance applauded.

"Papa!" The voice was extremely crisp.

"Ye Chen, Ye Chen, you are really unpredictable. You can leapfrog to kill people, even condense the phantom of the blood dragon. You are one of the few geniuses I have ever seen, even In Kunlun Xu, it is impossible to have no reputation."

Li Xuanjun had come not far from Ye Chen, and the applause stopped.

"Ye Chen, you are willing to join my blood clan! Although my blood clan's reputation in Kunlun is average, but in terms of strength, what does the Falling Sword Sect count for! Your strength, join us, I promise you, I will give you the best practice Resources! Even the blood alliance will spare no effort to train you!"

"As long as you nod your head, within three years, you can become the elder of the blood alliance! Under one person, more than ten thousand people! You can control the power of countless blood alliances, pills, beauties, opportunities, you have them all!"

As soon as these words came out, those strong blood alliances and those onlookers took a breath!

This is the olive branch thrown by the Kunlun Virtual Blood Alliance!

Envy others!

The key Li Xuanjun also promised Ye Chen to become an elder in three years!

How many people can't ask for this honor!

Ye Chen, He De, how can he get these things for no reason!

Countless envious eyes shot towards Ye Chen!

In their opinion, this is almost impossible to refuse!

"I hate killing, and I advocate solving things peacefully~[www.mtlnovel.com](http://www.mtlnovel.com)~Ye Chen, this is the best result for us, I can feel that the real aerodynamics in your body is used a lot, even with some Injury. You should be very clear about what the twenty-odd people of us represent, what the Sword Falling Sect does in our eyes!"

Li Xuanjun seemed to feel that it was not enough, and a colorful jade appeared in his hand. He gently threw it away and walked towards Ye Chen.

"This jade is a seven-spirit sword-heart jade, and it is also a priceless treasure in Kunlun. How about this thing as a gift for my blood alliance."

Ye Chen held the Seven Spirit Sword Heart Jade, and his eyes were deeply excited.

The abilities of the Seven Spirit Sword Heart Jade are very useful for the reincarnation cemetery!

Li Xuanjun saw Ye Chen's greedy eyes, as if he was sure of everything.

The price of buying a person is much smaller than killing one.

Besides, although this seven-spirit sword heart jade is precious, it is definitely not as good as Ye Chen's sword skills and secrets!

When Ye Chen becomes a blood ally, he naturally has a way to get these secrets.

Ye Chen smiled when everyone confirmed that the matter ended peacefully.

The power of his five fingers burst out, and the Seven Spirit Sword Heart Jade instantly turned into a colorful powder.

Countless auras and abilities overflowed, and the sky over Kunlun Mountain was surging!

"You!" Li Xuanjun's face was ugly!

He just wanted to speak, and Ye Chen had already spoken: "I can't look down on the trash power of the blood alliance! As for the elders of the blood alliance, what's the matter? In my eyes, the term is also defiled!"

As soon as these words came out, Li Xuanjun and those with strong blood alliance looked hideous!
