Chapter 541: Kill the talisman, kill!

Dare to insult the blood confederacy, it is almost death!

And his identity as Li Xuanjun, happens to be an elder!

Although the blood elders have many levels, Ye Chen obviously scolded them all!

Li Xuanjun shook his head, and the cold voice fell: "I gave you a chance. Since you don't cherish it, then I'm sorry. It just happens that your father is also in the blood alliance, and it is time to reunite your father and son!

Hands on! Take this one! "

The words fell, and a blood rose to the sky.

More than a dozen figures of the blood alliance were heading towards Ye Chen!

Very fast!

In just one second, Ye Chen was surrounded!

These people have a cold killing intent, and a \*\*\*\* door phantom is condensed above their heads!

far surpassed the disciple of the Fallen Sword Sect!

The key to everyone is the trend of the formation!

"Ye Chen, I'll give you another chance, would you like to join the blood alliance and do things for the blood alliance!"

Li Xuanjun's icy voice slowly fell.

Ye Chen glanced at the dozens of people surrounded by him, and snorted coldly: "No martial arts sect in Kunlun is eligible!"

arrogant!

"Hmph, Elder Li, talk nonsense with this kid, he doesn't like the blood door, it can only show that this kid has a good eye and a low hand, and he doesn't understand the real strong person at all!"

One of them roared, and the long sword headed towards Ye Chen with the cold blood glow!

When the other people saw this, they naturally did it!

They don't have any strength, but they have felt the power of Ye Chen!

"Boom!"

The air wave burst out in an instant, as if to overturn the top of the pilgrimage mountain.

Murderous Ling Ran, the air was filled with an icy breath, deep into his bones.

Seeing more than a dozen figures rushing toward him from more than a dozen directions, Ye Chen's pupils suddenly shrank!

A dozen people like this, any one, if placed in China, is a top existence. Even in Kunlun, it cannot be underestimated.

Ordinary cultivators, facing the teamwork of more than a dozen people at this moment, they are afraid that they are already at a loss, and their hearts are full of despair.

But Ye Chen is different!

In the midst of the murderous intent, Ye Chen's mouth showed a sneer!

He has long been at odds with his blood alliance, and now he wants to find out his father's whereabouts, he can only kill these people!

It's enough to leave alive!

At the moment that dozens of figures were killed in front of him, Ye Chen's eyes burst into light.

Since the prelude to the killing has already begun, why bother to kill more?

If you want to fight, you have a good time.

Blood dragon and natal spirit talisman are presented together!

The aura of the dantian is going crazy!

Ye Chen's eyes flashed murderously.

"Slaying Talisman!"

Both hands were superimposed, and the runes were quickly squeezed out in his hands, Ye Chen's momentum rose steadily!

Boom!

The terrifying air wave soared.

It was only in a very short time that Ye Chen's side was surging and the whirlwind swept.

The true qi in his body, like a torrent of torrents, the killing qi all over his body, crazily gushing out.

The heaven and the earth, the aura is here!

One killing charm, two killing charms...

In a blink of an eye, Ye Chen pinched out five killing charms!

"Cut!"

As soon as a dozen cold rays struck, and the moment Ye Chen came straight to the point, Ye Chen suddenly shouted.

hum!

The talisman in his hand is condensed, and the violent thunder and lightning carried in the magic talisman is instantly displayed.

At the same time, Ye Chen inserted the Soul Calming Sword into the ground, forcing a drop of blood!

The essence and blood collided with the Soul Suppression Sword instantly!

Wow...

In the violent wind, a real barrier was born out of thin air.

Puff puff.....

At the same time as the enchantment rose, more than a dozen dull knocks came one after another.

It's not just the dozens of powerful blood alliances that came, and their weapons blasted into the killing charm!

The whole barrier trembled violently.

After the frantic vibration, waves of light flowed over the barrier, gradually calming down.

The swords of those strong blood alliances were all cut off crazy!

turned into pieces!

"how come....."

The face of the strong blood alliance showed a look of astonishment.

"Impossible!"

Li Xuanjun also widened his eyes.

How could this be?

The scene in front of them made them feel suffocated.

The strength of a dozen of them, they themselves know best. A dozen people joined forces, and any cultivator in the late stage of the Immortal Ascension Realm had to retreat from a dozen houses. However, now...

An unknown \*\*\*\* who was about twenty years old actually sealed a combined blow of a dozen people with a magical barrier?

At this moment, these dozen people only feel that their moves are as if they have fallen into a quagmire, as if they have sunk into the vast ocean.

No matter how terrifying they burst out, they couldn't crush the barrier in front of them.

Even if I want to stop, I have already suffered restrictions.

"Rewind!"

Seeing such a scene, the middle-aged man headed by more than a dozen people contracted his pupils and shouted.

Things are bad!

"Retreat!"

The voice fell, and his wrist flicked, and he saw these strong blood alliances preparing to withdraw their weapons.

"Retire? Since it is here, there is no need to retreat!"

Quit? joke!

Ye Chen intends to take down these a dozen people in one go! How could he let these dozen people retreat easily!

The blood alliance imprisoned his parents and even took away his father!

Even the father may suffer in the blood alliance of Kunlun Xu!

The blood alliance dared to touch his father's hair, so he sacrificed with everyone's blood!

If this group of people are allowed to escape, what is the meaning of the killing talisman on display?

Since these dozen people are here, let's all stay!

"Kill the magic talisman, kill!"

When a dozen people forcibly drew out their weapons and wanted to retreat, Ye Chen's hand was transformed with the seal.

boom...

The enchantment that originally circulated under this sign suddenly trembled violently  
~www.mtlnovel.com~ Amidst a roar, suddenly ten thousand rays of light shot out.

Every ray of light is like thunder and lightning, extremely fast! Every ray of light is like a sharp blade, and the momentum is whistling.

Shushushu...

Go to the light crisscross.

Within the area covered by the original enchantment, this moment seems to turn into a \*\*\*\* on earth, killing is everywhere!

Killing intent interweaves a net of heaven and earth, blocking a dozen strong blood alliances who want to retreat.

At this moment, in the center of the light interlaced, Ye Chen has a cold face, and his eyes are cold!

He seems to be the master of this world, and the judge of this world!

Under the net of heaven and earth, those dozens of strong blood alliances shrouded in?

It turns into a prey in this \*\*\*\* on earth!

Only slaughter is waiting for them!

"No...no..."

"Ahhhh...don't..."

screaming continuously.

The roar is deafening.

The blood is sprayed, and the flesh is splashed.

In the net of heaven and earth intertwined with the light of the palm, at this moment more than a dozen strong blood alliances have fallen into the \*\*\*\* of Jiuyou!

The flesh and blood are separated, and the bones are exposed.

The bones were shattered, turned into dust, and dissipated in the cold wind.

"kill!"

At the moment when more than a dozen people completely lost their resistance, Ye Chen flew out and entered the intertwined net of heaven and earth.

Puff puff.....

The soul-suppressing sword gushes out, the sword aura is vertical and horizontal!

The swordsmanship taught by Chen Tianli came out!

Chapter 542: Take your head off

Although Ye Chen's cultivation base is invincible! But with the addition of the blood dragon and the spirit talisman, plus the heaven-defying sword skills of the Wandao Sword Sovereign!

Within that side of the world, Ye Chen's momentum is like a broken bamboo, unstoppable.

This is the tomb owner of the reincarnation cemetery, the most powerful place!

Until Ye Chen passed through the chaotic world, the light and shadow behind him gradually dispersed.

Boom!

More than a dozen dull thuds came.

The soul-suppressing sword in Ye Chen's hand, with a trace of blood, was dripping down the long sword.

There was a strong killing aura in his body.

Like a \*\*\*\* of death crawling out of hell!

With a dozen enemies, Ye Chen crushed!

"Gooooo..."

Until a cold wind blew, there was a faint voice of drooling in the field.

The remaining strong blood alliance was completely frightened!

I just saw Ye Chen slay the Sword Falling Sect. Although it was shocking, it was not so weird!

The power of one person, and he is also the true elementary realm powerhouse of China, and he crushed more than a dozen blood alliance powerhouses!

Although these people are not the top powerhouses of the blood alliance, they are not defeated like a chicken!

Everyone looked pale.

"How could it be possible! They are all dead, they are all dead!"

One of the strong blood alliances pointed at Ye Chen, his mouth trembled!

At this moment, in his eyes, Ye Chen, holding a soul-suppressing sword, looked like an envoy from hell, extremely terrifying!

Pan Guohua, Bai Lixiong, or other Chinese martial arts experts who watched from afar!

was completely shocked!

What was exposed to them was like a feast of killing!

The key to Ye Chen's killing was not ordinary people!

Fuck!

Their eyes shrank to the extreme, in addition to shock, they were shocked!

"Ye Chen! I admit that I underestimated you, but you killed so many disciples in front of me, you know what the price is!"

Li Xuanjun has already sacrificed a long sword!

As soon as the long sword was out, the aura of the entire Kunlun Mountain seemed to converge continuously!

Ye Chen was expressionless.

With his \*\*\*\* eyes, he stared at Li Xuanjun firmly, saying word by word: "Where is my father Ye Tian?"

"Tell me, I will give you a way to survive, otherwise, since you have come out of Kunlun Xu, you will always stay in China's Kunlun Mountains!"

Ye Chen's answer changed Li Xuanjun's expression and his eyes became more ugly.

"The dozen people you killed were just ordinary disciples of the blood alliance, but now, what you have to face is the monstrous anger of the blood alliance!"

"I'll ask one last time, where is my father!" The soul-suppressing sword in Ye Chen's hand is full of blood!

"Ye Chen, until now, you still care about your father! Since you want to know, then I will tell you that your father has been chopped up by our blood to feed the dog, how! You are satisfied with this answer!"

"My father, you are not qualified to insult! Die!"

Ye Chen shouted in a deep voice.

The voice fell, his feet kicked on the ground, and the whole person swept out like a giant beast.

"Looking for death!"

Li Xuanjun mobilized the breath of his body, and said sharply to the remaining blood alliances:  
"Take this head down! Just the corpse, don't live!"

"Yes, elder!"

Almost instantly, a wave of cold light swept towards Ye Chen.

Ye Chen's soul-suppressing sword fought away.

I thought that I could be killed easily, but I didn't expect that these people were all above the fifth level of the True Element Realm!

is extremely scary!

Even Ye Chen was in the violent sword intent, and could no longer easily move forward!

噗嗤...

blood sprayed.

Ye Chen could only barely kill a few people!

A sword fell, \*\*\*\* fog filled the sky.

Within a full ten seconds, Ye Chen had already had several scars!

The power of the blood dragon and natal talisman is rapidly disappearing!

Not only that, but Dantian's instinct is also losing crazily!

At the same time, Ye Chen also discovered that Li Xuanjun had disappeared!

"Damn it!"

Li Xuanjun seemed to disappear out of thin air, leaving no traces!

This made Ye Chen's heart sink.

"Ten thousand swords! Break!"

Ye Chen flicked his wrist, and blood flashed.

Hum...

Under the infusion of true energy, the soul calming sword shone dazzlingly.

The cold air is sharp, and the sword energy overflows.

boom...

The sword shines like thunder and lightning, piercing the sky, turning into a blood dragon, and devouring the earth.

But the sword skills without strong true energy are a bit weak at this moment!

The sword intent was instantly torn apart by those strong!

Even Ye Chen already felt a sense of exhaustion!

There are a few more wounds on his body.

Chen Tianli in the reincarnation cemetery naturally noticed this scene.

"Disciple, any one of the strength of these dozens of people is not under you. Li Xuanjun hides in the dark. Whenever there is a chance, murder will inevitably erupt. It is difficult for you to fight against this group of despicable people. , Is to use the wheel warfare to drain your true energy and strength!"

"At the moment, you use the magic talisman to leave here! When your dantian recovers, you will find this group of people to settle accounts again, not too late!"

Chen Tianli gave the best solution.

Although he can use the last force to help Ye Chen solve the problem in front of him, once he uses it, he disappears into the world.

He still had one of the most important sword tricks that he didn't teach Ye Chen.

He doesn't want to just disappear like this!

Since that ancient battle, he has not accepted an apprentice.

hasn't really come down to enjoy the mentorship.

And right now, Ye Chen's existence gave him hope!

He doesn't want to leave with regret!

That sword trick must be taught to Ye Chen!

Ye Chen at this moment naturally understands Chen Tianli's meaning, this group of blood allies don't care about fairness!

Otherwise, he won't be so stinky in Kunlun's vain reputation~[www.mtlnovel.com](http://www.mtlnovel.com)~ He no longer hesitated, and swept back, at the same time, his fingers were pinched, and a thousand li talisman was directly sacrificed!

Hum...

I saw that one magic talisman was crushed, and the light and shadow intertwined for an instant, and the atmosphere of the space filled out. A huge force of involvement seemed to pull Ye Chen out of the ocean.

"Want to go? Dreaming!!!"

However, facing Ye Chen who had cast a thousand li talisman, the blood alliance Li Xuanjun suddenly appeared!

"Get me back!"

At the moment Ye Chen's figure was about to disappear here, Li Xuanjun shook his wrist and shouted in a deep voice.

brush.....

Between that wave of hands, everything seemed to be covered!

The wrapped aura was expelled, and the distorted space was frozen.

Click!

Vaguely, I heard a sound like substance, the suction created by Qianli Talisman was crushed abruptly!

bump!

Ye Chen's figure was severely thrown down from the midair, and fell on a giant tree.

"Pump!"

The mouthful of blood that was still holding back, sprayed out uncontrollably, Ye Chen's complexion instantly turned pale.

The Thousand Miles Talisman hurriedly condensed, in front of Li Xuanjun in the peak state, it is just a small trick, not a means of life-saving!

Ye Chen's complexion was extremely pale.

The crisis of death, this moment finally swept towards Ye Chen completely.

"Huh! In front of the old man, still want to run away? That's good! Since you don't know the current affairs, the old man will take your head off first!"

Chapter 543: ridiculous!

Brush!

At the moment the words fell, Li Xuanjun's figure disappeared in place at the same time.

"not good!"

A fierce murderous intent swept like a huge wave, Ye Chen's heart sank to the bottom.

If there is an invisible hand, and he pinches his throat, Ye Chen only feels suffocated.

"Don't think about it!"

Seeing that phantom shadow appeared in front of him, under the crisis, a \*\*\*\* light rushed out directly and walked away.

What surprised Ye Chen was that this time it was the Dragon Slashing Sword!

Spirit sword protector!

This legendary thing happened at this moment!

The Dragon Slashing Sword was built by Ye Chen in Zhu's family in Jiangnan Province, and its level is incomparable with the Soul Sword!

But they have a heartstring with Ye Chen!

And, along the way, he was accompanied by the Dragon Slashing Sword!

Dragon Slashing Sword I don't know how many people killed with Ye Chen!

People are here, the Dragon Sword is here!

When people die, the Dragon Slashing Sword disappears!

Ding.....

There was a sharp impact and exploded in the next moment.

Click!

The blood flickered, and the Dragon Slashing Sword that had accompanied Ye Chen through countless life and death crises broke off!

Perhaps this Dragon Slashing Sword is a rare weapon in China. However, for Kunlun Xu, it is just a mortal thing after all, how to resist the full blow of such a strong man?

bump.....

At the same time the sword broke, there was a dull impact.

The power of Li Xuanjun's palm fell heavily on Ye Chen's body.

Click!

Clearly audible, Ye Chen heard the sound of bone fracture.

Blood spurted wildly in his mouth, Ye Chen's face was as pale as paper, no more blood.

The blood mist that filled the night sky turned into the most splendid picture.

bump.....

The internal organs seem to have been completely shattered, and the bones of the whole body seem to be broken.

"what....."

Can't help it anymore, Ye Chen let out a heartbreaking scream.

Death, this moment is so close to Ye Chen.

Once again, Ye Chen felt a deep weakness.

not reconciled!

Over the past year, how much have I given and endured?

Ye Chen is too clear!

The grievances have not been reported, the grievances have not yet been reported, today, are you going to die here?

"Do not!"

With red eyes, Ye Chen roars like a desperate beast!

Facing Li Xuanjun, who walked towards him unhurriedly step by step and looked down at him from a high level, Ye Chen's expression was stubborn.

Li Xuanjun looked at Ye Chen indifferently: "Boy, although the blood alliance is suspected of being in danger, the cultivation world is so cruel, no one will sympathize with you!"

"It's like, I am killing you now, who wants to help you?"

"I even forgot, you are only in your twenties. In Kunlun Xu, at your age, at your age, every sect is estimated to be rushing for it."

"Unfortunately, you offended the blood alliance, and even met me, Li Xuanjun."

"My favorite thing, Li Xuanjun, is to kill a genius like you! Haha!"

At this moment, Li Xuanjun is fierce to the extreme!

Ye Chen stared at the broken Dragon Slashing Sword, his eyes were bloodshot!

He picked up the Dragon Slashing Sword, held it in his palm, and then forcibly supported it and stood up.

"This sword has fought with me for a long time. It is a part of my body, but you have destroyed it."

"In my eyes, your life, the lives of everyone in your blood alliance, can't compare with my Dragon Slashing Sword!"

Li Xuanjun saw that Ye Chen could still stand up, and even said some inexplicable words, coldly snorted: "It's just a broken sword, what a gadget, the sword in my hand is the strongest sword."

"Now, I will use this sword to cut off your head."

In the next second, Li Xuanjun exploded with great power, that spirit sword was more like cutting through the air and tearing everything apart!

The cold murderous intent completely envelops Ye Chen!

At this moment, Ye Chen didn't move, holding the Dragon Slashing Sword in his hand, but he smiled.

A word rang in his ear: "Disciple, stand after breaking. Although the dragon sword is broken, it means a new life. After this battle, if I still exist, I will teach you a way to raise a sword, this dragon sword At this time, the sword protector, if it absorbs the attributes of other spirit swords, it will be strong! Also, the sword spirit of the Dragon Slashing Sword is a great opportunity for you!"

"Now, all of this is entrusted to the teacher, and Li Xuanjun relies on the cultivation base to crush you. Today I will let him see what a sword is!"

"I borrow your body for a use."

.....

At this moment, Li Xuanjun's sword intent was killing and ruthless, and it had fallen madly!

Between heaven and earth, all energy converges in one move!

The momentum is like a rainbow!

Ye Chen's life and death are only in one thought.

He naturally saw Ye Chen's smile. In his opinion, this was Ye Chen's giving up.

The power of this sword is already above the Immortal Ascension Realm!

A boy in the True Element Realm was seriously injured again, his dantian true energy was exhausted, what would he do to resist this sword!

The corner of his mouth is already showing the joy of the winner.

At the moment when the cold light was about to hit Ye Chen's neck, Ye Chen raised his head, and his whole body became faint.

"Set!"

With a soft snort, Ye Chen stepped forward, as if facing the dazzling sword light, his index finger and \*\*\*\* stretched out at the same time.

Ding.....

The substantive impact sound burst out, very crisp.

Li Xuanjun's move that inspires endless power suddenly freezes in Ye Chen's cold snort!

That high-level spirit sword overflowing with aura was simply caught between Ye Chen's \*\*\*\* at this moment!

At this moment, the whole world is silent.

At this moment, the whole world has stopped moving!

Time seems to freeze!

The dark clouds have dissipated, and a ray of light has penetrated down and turned into a bright brilliance.

The killing intent in Li Xuanjun's hands has been completely restrained, and at this moment Ye Chen's \*\*\*\* descended like a \*\*\*\* of the world!

seems to block the whole world!

Who would have thought that Li Xuanjun's full-strength blow would have been frozen by Ye Chen with the power of two fingers!

How horrified Li Xuanjun is this?

impossible!

The power of that sword, not to mention Ye Chen who is in a panic at the moment, even the powerhouse of the Immortal Ascension Realm at its peak cannot be so relaxed!

What the \*\*\*\* is this!

His sword is like a muddy iron!

blood lightsaber!

Kunlun Xu Li family ancestors!

With this sword, he did not know how many top powers he killed!

But what the \*\*\*\* is going on now, two fingers! This is flesh and blood!

Those strong blood alliances, even Bai Lixiong and others held their breath.

Some people even rubbed their eyes, like hell!

Just when everyone couldn't understand, Ye Chen said: "A trash, a broken sword, I want to move my Ten Thousand Dao Sword Master, it's ridiculous."

waste?

Li Xuanjun is the elder of the blood alliance!

If he is trash, all people in the world are trash!

And the blood lightsaber in his hand~[www.mtlnovel.com](http://www.mtlnovel.com)~ is the best spirit sword! Thousands of ancestors!

Who dare to say the broken sword!

"Go!"

With a cold snort, Ye Chen's fingers flicked, and a huge force burst out suddenly.

boom...

like thunder exploded.

The precious blood lightsaber is just in full view, cracks!

"Kakkaka!"

Then! All broken!

turns into powder!

dissipated between heaven and earth!

"how can that be!"

Li Xuanjun's eyes are about to burst out!

This is a blood stone from outside the territory! It is impossible for the Immortal Ascension Realm or even the Transcendent Realm to break it!

Now \*\*\*\* directly into a fan!

What kind of power is needed!

Li Xuanjun just wanted to say something, the air wave suddenly rolled over!

His heart will burst! A violent spout of blood, the whole person was blown out.

This time, Li Xuanjun flew tens of meters away!

The powerful force broke a dozen giant trees!

finally fell to the ground.

The dust is rolling! Amazing momentum!

Li Xuanjun kept spitting out blood, his face was pale to the extreme.

Bloody back!

gasps, air intake is more, and air is less.

Who would have thought that Ye Chen, who was originally a powerful crossbow bow, would force the extremely powerful Li Xuanjun to the brink of death with just two fingers.

This world is crazy!

Is it possible to become a \*\*\*\*\* possessed!

Fuck!

Chapter 544: Endless troubles!

now.

The top of Kunlun Mountain is extremely quiet.

Everyone stared at Li Xuanjun who was vomiting blood in his mouth.

This scene came too fast!

Soon everyone can't react.

The expressions of the remaining strong blood alliances were almost hideous, and even the hand holding the sword was trembling crazily.

An invisible fear swept through the body!

They are really scared!

Even Elder Li can't match this kid, how can they stop it!

Ye Chen at this moment, in their eyes, is the immortal Venerable descending, with invincible direction.

Pan Guohua, who was onlookers in the distance, as well as many powerful Chinese martial arts circles, awakened from the shock.

Although they don't know why Ye Chen broke out in the realm of death!

But nothing matters anymore.

Kunlun Mountain battle, Kunlun imaginary strong defeated!

Ye Chen is bound to become the first Chinese expert to challenge Kunlun Xu!

And Huaxia Ye Family, as long as Ye Chen is not dead, he will sit firmly on the throne of China's top family!

none of them!

Right now, everyone regrets.

Regret not to please Ye Chen and the Ye family at the beginning!

Bai Lixiong's eyes flashed with a trace of complex emotions, and his heart was completely shocked.

He knew that Ye Chen was powerful and against the sky, but he didn't know that this guy was so domineering in the face of dozens of powerhouses in Kunlun Xu!

He secretly rejoiced that the Baili family had been on good terms with Ye Chen from the beginning, and his daughter Bailibing had a good relationship with Ye Chen.

Otherwise, the consequences would be disastrous!

After today, any forces and families that offend the Ye Family are afraid that they will completely disappear in China.

Without Ye Chen's action, a powerful force would personally suppress it in order to please Ye Chen!

This is Ye Chen's influence now!

At this moment, Ye Chen glanced at Li Xuanjun indifferently, and walked towards the opponent step by step.

His whole body exudes an ancient atmosphere, extremely ethereal.

A look, as if it can suppress a world.

Li Xuanjun kept spitting blood out of his mouth, and forbearing his body pain, he stared at Ye Chen firmly!

"Who are you? You...you are not Ye Chen!"

Li Xuanjun naturally found the strangeness of Ye Chen's eyes!

What's more, he understands Ye Chen's power, and it is impossible for a True Origin Realm to explode such terrifying power in a short time.

No pill can do it!

"Who am I?" Ye Chen smiled coldly, lightly squeezed his five fingers, and Li Xuanjun seemed to be dragged by an invisible air current!

is too uncomfortable!

Even breathing has become a luxury!

"I am the Sword Master of Ten Thousand Ways!"

The cold words fell, and there was a crackling sound from Li Xuanjun's body!

Countless blood overflowed!

How this person crushes his disciple, how does he fight back!

This is the principle!

The painful moan of Li Xuanjun resounded throughout Kunlun Mountain!

"The blood alliance listens to the order, condenses the essence and blood, quickly abolish this son!"

Li Xuanjun saw that none of the remaining strong blood alliances had done anything, and he even scolded!

Only those strong blood alliances reacted, and they all forced a drop of blood!

'S momentum suddenly increased!

The entire Kunlun Mountains are violent, making people feel palpable!

Countless blood mist surging!

Vaguely, a blood-red door appeared on the ground, the door was extremely simple!

is the sign of blood alliance!

The \*\*\*\* door came out, and the cold murderous intent was completely released!

The remaining strong blood alliances all sacrificed their long swords and took Ye Chen's key!

Countless sword intents, unexpectedly gathered into a big sword at this moment!

The big sword seems to dominate everything, cutting through the sky!

Amidst the terrifying sound of breaking through the air, a cold breath spread out instantly.

Silver light flashed, cold air struck, and everyone's complexion changed abruptly.

"Burning essence and blood and cultivation, everyone's strongest sword skills converge in one blow!"

Someone suddenly uttered in horror.

This kind of method only appears in the legend, but I didn't expect it to be completely revealed at this moment.

Ye Chen is in danger!

Li Xuanjun watched such a scene and smiled coldly regardless of his injury: "Ye Chen, don't you know that I still have one hand? Although this time is very costly, it is enough to kill you! I don't care what you are. The Sword Sovereign is still a Thousand Dao Sword Sovereign, and there is only one dead end to offend the blood alliance.

At this moment, Ye Chen's eyes didn't waver at all.

There was no response even when the sword was about to fall.

"The humble person actually tried to shake the mountains? Playing swords in front of my Sword Master? It's ridiculous!"

Ye Chen spoke!

A simple sentence, the sound wave blooms!

The big sword that a dozen swords gathered, broke directly!

The remaining disciples of the blood alliance felt that their sword seemed to be out of control!

That substantive wave of air blasted together.

There was a roar, like thunder, shaking the world!

"Crack!"

In the next second, the sudden change!

All weapons on the top of Kunlun Mountain are broken!

Not only the blood alliance powerhouses who attacked Ye Chen, but also the Chinese martial arts world powerhouses onlookers!

No weapon can be spared!

Such a mighty power, completely petrify everyone!

In one sentence, everyone's weapons were destroyed!

What kind of power is this!

Is there such a trick in the world?

噗吡...

A terrifying air wave erupted, and those with strong blood alliances swayed, vomiting blood, and some close people directly turned into blood mist and burst open.

Even in mid-air, I don't know when countless sword shadows appeared!

Seems to drill out of the void!

All shot at those strong blood alliance!

At this moment, the top of Kunlun Mountain is the purgatory on earth!

Flesh spray!

More than a dozen complete bodies are directly fragmented!

flesh and blood!

The top of Kunlun Mountain is only silent!

Li Xuanjun saw this scene~[www.mtlnovel.com](http://www.mtlnovel.com)~ his smile was completely stiff!

He stared at Ye Chen fiercely!

There is only one sentence in my heart—what the \*\*\*\* is this evildoer!

The blood power of so many strong blood alliances can easily break open, even the leader of the blood alliance is impossible!

He subconsciously wanted to escape, but found an invisible barrier blocking everything.

He was completely trapped.

Ye Chen walked towards Li Xuanjun step by step.

Now that he can control the situation, he took back control of the body.

Chen Tianli is already extremely weak and will dissipate soon.

He must fight quickly.

He looked at Li Xuanjun condescendingly, and said, "I only ask you one question, where is the blood alliance and where is my father!"

Li Xuanjun's eyes are full of horror, the blood alliance has regulations, and no secrets about the blood alliance can be told!

Otherwise, he will be chased and killed endlessly by blood alliances in this life!

Li Xuanjun is extremely loyal to the blood alliance!

He glared at Ye Chen fiercely: "I have said before, your father has been chopped into meat sauce to feed the dog! No matter what you ask, I will answer this!"

"What about you killing me! In this life and this life, you never want to see Ye Tianzheng again!"

"Also, you have offended the blood alliance, and there are endless troubles! Huaxia can't keep you! No one in the world can keep you! Hahaha!"

Li Xuanjun's ferocious smile resounded.

Chapter 545: breakthrough!

Ye Chen looked at the scene in front of him, shook his head helplessly, and pointed out directly.

Chen Tianli's power is still there. At this moment, his cultivation is much higher than that of Li Xuanjun, so he can naturally seize memory.

When the finger touched Li Xuanjun's eyebrows, a purple airflow was directly absorbed by Ye Chen!

countless pictures flashed in his mind!

But Li Xuanjun is in agony, this feeling seems to be suffocated!

is like pulling away his soul and memory abruptly!

He found his mind was blank!

His eyes are full of blood red, there is such a method in the world!

Who is this Chinese kid!

"you....."

Li Xuanjun just wanted to say something, Ye Chen let go of his finger, his eyes burst with dazzling cold light.

Then five fingers were directly pressed on Li Xuanjun's head!

only heard a crisp "click!" Li Xuanjun's head was taken off!

was even thrown in the corner by Ye Chen.

All of this seemed to be a trivial matter to Ye Chen.

His eyes shot in the direction of Kunlun Xu at this time.

Because he has a memory in his mind! This memory is about father Ye Tianzheng!

It was a huge mountain surrounded by clouds.

Inside the giant peak is a blood-red Sanskrit gate, and inside the gate is a magnificent palace.

And the dungeon in the depths of the temple is dark and confined.

damp, like a corner abandoned by the world.

A middle-aged man with some vicissitudes of life, covered with scars, his shirt has been torn a bit.

Sit cross-legged, without any fear!

The middle-aged man opened his eyes and said, "No matter what method you use, Ye Tianzheng's answer is still those three words-I don't know!"

At this moment, Ye Chen seemed to have an invisible anger in his eyes.

Anger is released from the eyes, covering the whole body!

Just because this man is his father Ye Tianzheng!

was trapped in the blood alliance dungeon!

And there is an old man in the picture!

This old man has a terrifying breath!

in a purple robe!

From the memory of Li Xuanjun, this purple-robed old man is the noble Elder Zheng of the blood alliance!

There are six levels of blood elders! Among them, Jinpao is the most noble! Next is the purple robe elder!

Any purple-robed elder's suggestion has a profound impact on the blood alliance!

Their position in the blood alliance is like that of Bai Lixiong in China!

is enough! Indispensable!

Ye Chen came over clearly from the memory, clenched his fists, stunned.

"It's time to go to Kunlun Xu, if the blood alliance is heaven, then I, Ye Chen, will break this heaven!"

Although he is not strong enough, but holding the reincarnation cemetery in his hand, what fear does he have?

The energy of the calming sun breaking stone is absorbed by the remaining three tombstones, and it should be able to be activated.

When the time comes, he will have a few more hole cards.

At this moment, a white light gushing out of Ye Chen's body, it was Chen Tianli.

Chen Tianli was almost transparent. He glanced at Ye Chen and said, "This is where the teacher can help you. You need to go the next way. Also, don't forget the things you explained before for the teacher, you must I'm curious where I went as a teacher when it became a reality."

"I can tell you that I went to Kunlun to set up a game for you as a teacher, and one of them was related to the jade pendant. As for the rest, you will naturally know when you go inside."

"The three tombstones of Kunlun Xu should be able to guide you soon, and then the three of you should completely transform you."

"As a master, as the Sword Master of Ten Thousand Ways, one swordsman can be considered as a successor. Although you cannot teach you all of them, you should have almost mastered the important ones. The stronger you are, the more you will feel that I teach you. The mystery of his swordsmanship."

"I was originally a teacher and wanted to teach you the last sword tactic. This sword tactic cannot be used by your current strength, but when your strength goes further, you should be able to barely use part of it."

"Now as a teacher, I can't teach you personally. You can only incorporate some of the essence of the sword tactics into your sea of knowledge. You can slowly understand it."

After finishing speaking, Chen Tianli stepped forward to Ye Chen's front, and then pointed at Ye Chen's forehead.

The light penetrated.

Ye Chen felt a powerful flow of information swept across.

a few words appeared in his mind!

Ten thousand swords return to the clan!

Not only these four words, but a picture appeared in his mind.

The fierce sword strength is born from the body, Chen Tianli's figure becomes invisible, and the strength is diffused. Countless swords flew like a storm, flying all over the sky, the sword power was like a net, and its power was invincible, enough to destroy the mountains and rivers.

"Disciple, when you step into the third or fourth level of the True Element Realm, you should be able to comprehend it."

"Now, it's time to leave as a teacher, and if you are destined, I can meet again."

Chen Tianli's voice is getting softer.

"By the way, when you leave, you can call me a master again, as a goodbye between you and me."

Ye Chen was a little moved: "Master."

Chen Tianli said three good times: "Good, good! I, Chen Tianli, will not lose my life!"

"I have a sword to crush the world!"

I have a sword, bloodbath the world of reincarnation!

I have a sword to fight the hypocritical gods!

I have a sword, cold light against the devil!

I have a sword, subvert everything!

Mo Yan, the sword of the old, defeated!

When my sword refers, that is your enemy, even if it is the enemy of the world, no matter what, my sword and love will never, never shrink!

Drums and gongs resounded, yellow sands filled the sky, and a sword shocked the sky. UU reading [www.uukanshu.com](http://www.uukanshu.com) cut through the world! "

Chen Tianli seemed to be singing something in the end, the phantom disappeared completely, and it turned into a star light and penetrated into Ye Chen's eyebrows.

Ye Chen was startled, he didn't understand what Chen Tianli's last poem meant.

But I can feel Chen Tianli's free and easy and arrogant!

This may be the highest state of the sword!

At the same time, the tombstone of Chen Tianli in the reincarnation cemetery was completely shattered and dissipated into the world.

See you next time, I don't know when.

At this moment, Ye Chen noticed that a very strong breath was pouring out of the dantian!

is about to break through!

He felt that the power before Chen Tianli disappeared crazily poured into his dantian, and even merged into his limbs!

This sense of comfort almost made him groan!

There was even a "cracking" sound from his body, and he could clearly feel that every muscle in his body was shaking.

"Boom!"

His body is like a big wave rushing, and a strong breath breaks through all constraints like a bamboo!

This is a sign of a breakthrough!

Every powerful person leaves, he will have an ability to merge into his body, making him stronger!

This time is no exception.

Ye Chen no longer hesitated, and regardless of the surrounding corpses and blood, sitting cross-legged directly, Kunlun Mountain's spiritual energy continued to gather towards Ye Chen!

"Master, you teach me ten thousand swords to return to the sect, today I will break through the realm and master this sword art!"

Ye Chen's body is even more bloody! Shameful!

Chapter 546: Violators, let's kill them!

Those Chinese martial arts experts who were watching from a distance naturally felt that Ye Chen was about to break through.

shook their heads one after another.

They knew that Ye Chen was against the sky, but they didn't expect that a battle would actually make this kid break through!

Couldn't this kid save some face for them!

Bailixiong's eyes condensed, he stepped out, and said to the dozens of iron-blood camp experts behind him: "Iron-blood camp, can you be here?"

"Yes!"

A roar resounded through the sky!

Bai Lixiong took another step and said: "Today, we will protect the law for Mr. Ye! Anyone who approaches, kills you!"

"Yes, General!"

The words fell, those dozens of figures came to Ye Chen one hundred meters away, as if forming a big circle, protecting Ye Chen tightly!

Check out new PVP arena battles!

But Bai Lixiong came to Ye Chen's side, and a long sword appeared in his hand, which pierced directly on the ground in front of him.

The warlike eyes stared at everyone.

As long as someone dares to disturb Ye Chen's breakthrough, there is no reason to kill him!

This is his power to control the Huaxia Jagged Camp!

.....

At the same time, in the blood alliance palace.

An old man in a purple robe opened his eyes impressively.

is the commander-in-chief responsible for investigating and capturing Ye Chen, Elder Zheng!

Not far from him, there is a row of jade cards of life, and at this moment, the jade cards of life are all shattered!

completely dim!

This picture has never been seen before!

Elder Zheng stood up, his face was completely dark before the row of jade cards of life!

Those strong blood alliances sent out to slay Ye Chen are all dead!

Not only that, even Li Xuanjun did not survive!

Li Xuanjun's strength, he knows better than anyone!

Those who are strong in the ascension realm may not be able to embarrass him!

As a result, he is dead now!

sent out dozens of people, and none of them survived!

His expression is ugly to the extreme!

"Boom!"

Elder Zheng was so angry that he slapped a palm on the stone pillar of the house!

"Boom!"

The stone pillar shattered on the spot!

Smoke billows!

"Who is it! Who dares to kill me dozens of strong blood alliances! Is it Ye Chen!"

"How is it possible! Even if Ye Chen has the talent against the sky, he is only in his twenties, how can he kill so many powerful people by himself!"

"It is impossible for a strong man in the Chinese martial arts world to have such strength!"

"Shali, come out?"

As soon as Elder Zheng's words fell, a middle-aged man appeared strangely beside Elder Zheng.

"Elder!"

Elder Zheng condensed his eyes and said coldly: "Your realm is on the sixth floor of the Immortal Ascension Realm. Even if you are in Kunlun, you can't underestimate it. I now order you to visit China Kunlun Mountain as fast as possible! Li Xuanjun and dozens of others The strong blood alliance was killed! This matter is strange, investigate at all costs!"

"If it is determined who moved the hand, immediately bring it to me! Of course, if the opponent resists, you can also be killed directly!"

The middle-aged man named Shali didn't talk nonsense, as if it turned into a breeze and disappeared completely into the blood alliance!

Elder Zheng stared fiercely in the direction of Sha Li's departure, his eyes covered with coldness: "I didn't want to use Sha Li's trump card, but now it seems that Hua Xia is no longer that Hua Xia."

"Even so, no one has the right to touch me! The person who stands on the opposite side of me can only die!"

.....

And at this moment, Ye Chen on the top of Kunlun Mountain, the blood dragon around him!

Murderous intentions are constantly released.

The aura of ten li in a circle continuously gathered in Ye Chen's body.

Even if there is no strong man in the Jagged Camp, no one dares to take a step closer.

This is the power of the strong.

At this moment, Ye Chen seemed to have a raging flame inside his body.

Suddenly, the energy that Chen Tianli had transformed just now seemed to feel something and became crazy.

Energy exploded, and Ye Chen's complexion began to flush just for a moment.

"what....."

With a soft roar, Ye Chen showed a painful look on his face.

This force almost burst his tendons, tearing his dantian apart.

What a terrifying energy!

is even stronger than Luo Yuntian, the first great power summoned back then!

That energy seemed to have turned into an ancient behemoth, and it began to raging and roaring within Ye Chen's veins.

"Refine it for me!"

Did not dare to be careless, Ye Chen hurriedly ran the Nine Heavens Profound Yang Jue to suppress this energy.

Time passed by one minute and one second. I don't know how long it took. Finally, when the energy gradually converged, and when Ye Chen could no longer hold on, with a long roar, Ye Chen led the energy in his body towards the true essence. The shackles of the second layer of the realm impacted away.

Wow...

Like a turbulent wave hitting the shore, it roars unconsciously.

Ye Chen only felt the qi and blood in his body roll, his eyes turned black, and he almost passed out.

The violent impact shook Ye Chen's internal organs, and shook Ye Chen's spirit.

But fortunately, the second layer of the True Element Realm broke open directly!

There is no obstacle at all!

"Could it be possible to break through two realms this time?"

Ye Chen was ecstatic in his heart! No longer hesitate, and head towards the third layer of the True Primal Realm!

"Break me!"

After another quarter of an hour, Ye Chen's breath became stronger and stronger.

Gradually, the energy in Ye Chen's body became extremely irritable and crazy!

Under the impact, the barriers of the third layer of the True Element Realm finally began to loosen, gradually cracking.

However, this is not enough!

Roar.....

In an instant, there was a long roar inside Ye Chen's body, like a wild beast awakening.

That burst of energy can no longer be controlled, like a volcanic eruption, facing the obstacle, impacting.

Success or failure, in one fell swoop!

At this moment, an extremely terrifying aura came towards the top of Kunlun Mountain~www.mtnovel.com~ Ye Chen's eyes condensed, and he naturally found it, but he couldn't care about it now!

If the breakthrough fails, the consequences will be disastrous!

All he can do is crazy shock! Strive for the fastest breakthrough!

Bailixiong naturally also noticed something wrong. He glanced at the people in the Jiexue Camp and said coldly: "Everyone is in the formation!"

"Yes!"

Dozens of people have weird footsteps in an instant, and they have formed an iron-blooded formation!

Endless blood gathered in the sky!

A few seconds later!

A black shadow appeared on the top of the mountain!

is a middle-aged man!

is the peerless strong sent out by the elder Zheng Shali!

The evil spirit is from the sixth floor of the Divine Ascension Realm, if combined with the martial arts of the blood alliance, the strength can burst even stronger!

If Li Xuanjun is the ground, then Shali is the sky!

The strength gap between the two is too much!

Shali has always been a scavenger by Elder Zheng.

Once there is something that cannot be solved, Shali will come forward.

He rarely makes shots, but every shot he does not let Elder Zheng down!

Shali glanced at Ye Chen at this moment, and then noticed the blood and corpses on the ground.

Everything is clear.

It seems that Ye Chen is the culprit.

He sneered and walked towards Ye Chen!

This fate, he is going to die!

"Who? Mr. Ye breaks through, no one can disturb! Offenders, no matter what!"

Bai Lixiong's cold voice resounded!

Chapter 547: take note of it!

He can't perceive the opponent's strength, but he can be so fast, absolutely very strong!

He has no choice!

can only buy time for Ye Chen!

Shali sneered: "A bunch of trash, dare to stop me, get out!"

The words fell, Shali headed towards Bai Lixiong!

Bailixiong has serious eyes, and quickly said to Jie Xueying: "Everyone Jieyin, stop this person at all costs!"

"Yes!"

The words fall, the iron-blooded strongmen in combat uniforms Qi Qijieyin!

Blood energy broke out!

Bai Lixiong forced a drop of blood to drive these runes!

This is what his mysteriously missing wife taught him.

from Kunlun Xu.

is even a hole card of Jie Xueying!

The strength of the strong man in front of him is beyond doubt, he and the Jagged Camp have no choice!

"go with!"

Finally, as the golden runes were successfully condensed, a dazzling light came out!

faintly, that ray of light bloomed and turned into a long sword in a blink of an eye!

The sword body vibrated, swallowing thousands of miles like a tiger.

brush.....

Driven by Bai Lixiong, that sword light, like a star descending, directly blasted towards Shali.

The whole earth seemed to start to collapse.

The roar is endless.

Huhuhu...

The wind is whistling, golden sword light sweeps the world.

噗嗤...

A mouthful of blood spurted out, the execution of the rune, and the load brought by it, made Bai Lixiong the first to suffer heavy losses.

The blood in his body rolled over, and the whole body seemed to collapse under that load.

"With my Bailixiong, I can protect the Chinese mountains and rivers! I can still protect Mr. Ye!"

There are red blood threads in his eyes, and Bai Lixiong roars loudly in the face of the load brought by the sword print.

He wants to tear the dark shadow, and he wants to destroy the enemy on the opposite side.

Ye Chen gave him life in the land of dragon veins, and he must resist everything for Ye Chen!

He is a soldier!

The soldiers put the country first, followed by righteousness!

If he does not die, the mark will not die!

rumbling...

With the urge to surpass the limit, that rune broke out completely.

boom...

shook suddenly, Shali's figure trembled suddenly, freezing.

"It's interesting, this thing should come from Kunlun Xu, it was actually mastered by the warriors of China, but all you have is the fur! A bunch of trash, want to kill me? That's not enough!"

Facing the powerful momentum and terrifying destructive power, Shali's expression became extremely gloomy.

"Blood door suppression!"

Hum...

In an instant, a violent sound spread all over Jiuxiao!

The blood gate reappears!

The red light skyrocketed again.

The gap is too obvious!

boom...

The blood gate carries the Kunlun Void Might, and it contends with the rune of the Jagged Camp.

The red light and golden light interlace, weaving a very shocking picture.

Time goes by every minute and one second, and the balance of these two energies seems to be eternal, writing an immortal monument in the long river of years.

"Do you still want to insist? You don't know how terrifying Kunlun Xu is! Extinction!"

Shali snorted coldly, waved his big hand, and directly tore the strongest blow of Bailixiong and Jiexueying!

easy!

Bailixiong has reached the limit, he is on the verge of collapse.

Such a powerful move is basically a double-edged sword.

Obviously, when Bai Lixiong is not strong enough, this double-edged sword is now beginning to kill the master!

"Break me!"

After finally gained the upper hand in the blood gate, when Bailixiong's momentum declined and there were faint signs of collapse, there was a long roar, and Shali had no reservations!

boom...

A powerful wave exploded.

The blood gate is like a broken bamboo.

Hum...

The golden light collapsed, and the runes vibrated.

Hundred-zhang ray of light gradually shrank under the crush of the blood gate.

噗嗤...

finally let out a sorrowful cry, and the runes were broken.

Ding.....

In the crisp cracking sound, golden light splashed all over!

Inch cracked.

"Do not....."

Bai Lixiong screamed desperately.

He looked at the scene in front of him in disbelief.

My own hole card was shattered so easily.

Is this the powerhouse of Kunlun Xu?

Puff puff.....

Blood spurted wildly in his mouth, Bai Lixiong struggling to support, clenching his teeth and persisting.

Amid the screams, he was swept out by the wind.

Those strong iron-blood battalions were even blown away!

Some died on the spot! Some serious injuries!

boom...

At the same time, the blood gate was finally completely crushed down.

The mountains and rivers are shaking, the world changes color.

In the bombardment of the blood gate, the whole land seemed to have fallen.

boom.....

Like a kite with a broken line, Bai Lixiong could no longer support it, and flew more than a dozen meters backwards and fell into a piece of rubble in the distance.

He has no blood on his face, and blood keeps spilling from his mouth.

He supported his body and wanted to stand up, but found it impossible!

After all, his strength can't be compared with Kunlun Xu's strong, the gap is too big!

Even with that powerful hole card, it is not qualified!

The rune was broken, and Bai Lixiong was completely defeated in this confrontation. In the Might of the Blood Gate, under the backlash of the hole cards, he has already suffered an unimaginable hit.

In the gusty wind, Bai Lixiong opened his mouth wide, he was like a dying person, with a face full of perseverance, breathing hard.

Even if he died in battle, he would die for China!

Until the blurred vision saw that Shali walked through the wind, slowly walking towards him.

sneered again and again.

"I really didn't expect that Huaxia actually still has such an interesting thing."

"You can't even protect yourself, and you want to protect that kid, it's ridiculous!"

Condescendingly, with a victor's posture, looking down at this iron-boned Jagged camp controller.

Bailixiong smiled.

smiles incredibly ferocious!

In his peripheral vision, he saw those strong men in the Iron-Blood Camp who were dead or seriously injured!

He is in pain! He is angry!

He cannot protect these people!

He has despair and unwillingness in his heart~[www.mtnovel.com](http://www.mtnovel.com)~ but there is also a hint of relief and happiness.

Maybe in the land of dragon veins, he has already died.

Ye Chen's appearance only extended the time.

"Well, I don't bother to talk with you, if I dare to block the way of my blood alliance, then I will die!"

Bai Lixiong looked up with difficulty, looked at Shali, and said every word:

"Although I am dead, I am a Chinese warrior!"

He is not afraid of death!

From playing for China, he was ready to die for the country!

Death is the destiny after all!

But as long as there is dead value!

He Bailixiong has no regrets!

Shali sneered, and no longer hesitated, a flying knife was sacrificed in his hand and shot directly at the iron-clad Bailixiong!

"The gap between you and me is like the sky, lowly people, I didn't want to kill you, but you are in my way!"

Flying knives tear the air, penetrate everything, with the light of death!

As if the next second, Bai Lixiong will fall!

At this moment, Ye Chen couldn't help it anymore!

Forcibly rushed to the third layer of the True Element Realm!

"Puff!"

Because of forcibly rushing open, he even spit out a mouthful of blood!

even a little weak!

He can't take care of so much!

He doesn't want Bai Lixiong to die because of him!

I don't even want to be sorry Huaxia Jagged Camp!

This guardian and kindness, he Ye Chen wrote down!

Chapter 548: Talisman of Thunder and Fire!

He can even feel that this sudden middle-aged man is extremely dangerous!

Chen Tianli has disappeared, he is injured again, and now he is not qualified to fight!

Only leave temporarily!

Just wait two days!

In two days, those three tombstones can completely absorb the energy of the calming sun breaking stone!

So, after two days, he can leapfrog and challenge everything!

These people in the Jagged Camp cannot die in vain!

He wants blood from the blood of the blood!

Ye Chen stood up fiercely, the blue dragon phantom surging, and even forced a drop of blood, raising the speed to the extreme!

He came to Bai Lixiong instantly!

Soul Soul Sword was sacrificed directly, and a powerful sword skill smashed it down!

Collect hundreds of warriors! Play free!

The flying knife that Shali Li directly shattered!

Air waves are constantly rolling in the air!

After all this, Ye Chen clasped Bai Lixiong's shoulder with five fingers!

"go!"

After finishing talking, regardless of Bai Lixiong's reaction, he took Bai Lixiong and ran towards the distance.

He glanced at Shali from the corner of the eye, and remembered the other side's appearance.

He doesn't know this person, but this person must have something to do with the blood alliance when he comes here!

didn't dare to hesitate any more, with Bai Lixiong, Ye Chen exhausted all his strength, the Canglong phantom body was definitely raised to the extreme.

"Ye Chen, where to go!"

However, not long after Ye Chen rushed out, a roar was exploded like thunder.

Brush...

A phantom figure forcibly increased its speed, a white light flashed, and that figure approached Ye Chen at an extremely fast speed.

Even though Ye Chen used the Canglong Illusionary Decree, there was no sign of getting rid of the opponent.

"go with!"

Suddenly, a cold snort came.

Seeing that Ye Chen could not be stopped in a short time, the figure chasing Ye Chen flashed coldly in his eyes.

brush.....

The sharp piercing sound was extremely harsh.

A flash of cold light tore the world apart.

That flying sword, at this moment, was like the sickle of the \*\*\*\* of death, and it slashed towards Ye Chen.

"Damn it! Can't the people of the blood alliance be open and aboveboard!"

Sword aura struck behind him, and a suffocating icy cold spread away. Ye Chen only felt that he was plunged into the ice and snow.

Such a powerful sword qi... such a terrifying murderous intent!

"Go away!"

did not dare to hesitate any more, at the moment when that flying sword hit his back, Ye Chen forcibly sacrificed his life charm.

Hum...

Energy erupts all over the body, and the spiritual energy of heaven and earth strikes.

With the talisman pinching out, endless thunder and lightning surged out, and the thunder and lightning formed a lightning barrier.

boom...

A fierce roar exploded in the next moment.

噗嗤...

Ye Chen shook his mind and vomited blood.

Wow...

The lightning barrier, in this impact, it collapsed directly.

Ding.....

The flying sword of Yu Wei, the final carrier, slammed on Ye Chen, who was tumbling with blood.

Thunder light flickered, Ye Chen only felt that his body seemed to be torn apart.

"go!"

Even though a heart-wrenching pain spreads instantly, so what?

live!

This is what Ye Chen needs to do now.

He must fight for two days!

Two days later, I will pay back ten million times!

This flying sword shoots out, like piercing through the world! With Ye Chen's strength now, how powerful is the lightning enchantment sacrificed? Even the powerhouse in the mid-level of the Immortal Ascension Boundary, I'm afraid it would be difficult to tear it so simply. However, the hunter behind... actually broke open!

means that the opponent's realm is at least the sixth level of the ascension realm!

Thunder and lightning barrier, under the flying sword of the chaser, there is no resistance.

If it weren't for the blood dragon, Ye Chen could be sure that the sound that had just been made was not a crisp crash. That flying sword carrying Yuwei must have plunged into his back, taking his life away!

It can be said that Ye Chen wandered around the ghost gate!

With just this flying sword, Ye Chen can determine what cultivation skills are the people who are chasing him behind!

Ye Chen was upset.

If he runs away alone, the other party will never hurt himself, and he can leave more easily.

But now with a Bailixiong, he must bear all the damage.

He and Bai Lixiong must live.

As long as there is a breath, Ye Chen can't stop his steps!

forcibly urged the essence and blood, Ye Chen recklessly increased his speed.

Following this violent impact, Ye Chen's speed also skyrocketed in an instant, and he even pulled away from behind him again.

Huhuhu...

The wind whistling in his ears, the scenery around him quickly retreated, Ye Chen's face was pale, and he gasped for breath.

He has shown his speed to the extreme, but the killing intent behind him has caught up again!

This made Ye Chen's heart sink to the bottom of the valley.

"What a blood alliance! Damn it!" Ye Chen said angrily.

Bai Lixiong was naturally aware of something. He didn't want to drag Ye Chen down, so he said:

"Mr. Ye, you put me down, I am a dying person! My life is not worth mentioning!"

As he said, he stared at the man behind, the middle-aged man with a dark complexion and red eyes, like a reaper coming out of hell, pursued them.

"Don't talk nonsense! Today, neither of you nor me can die!"

"We only need to last two days!"

Ye Chen said coldly!

"But the Kunlun virtual powerhouse..."

"listen to me!"

Bai Lixiong's voice came from his ear, Ye Chen frowned and said angrily.

He calmed down and thought, and he couldn't escape the chaser behind him.

When the time comes, when one's own speed starts to slow down, it is one's own death.

Suddenly, a murderous intent swept behind him!

I saw a crimson long sword carrying a violent aura~[www.mtlnovel.com](http://www.mtlnovel.com)~ assaulting!

Ye Chen did not hesitate anymore, the blood dragon and the life charm were sacrificed at the same time!

fight again, condense the way of magic!

"Tempo of Thunder and Fire!"

Boom boom boom...

With each rune pinched out, there was a loud noise.

The blue light flickered, the currents merged, and the fire burned.

Hundreds of thunder and lightning fireballs appeared all over the sky under the display of the thunder and fire talisman. They shot out and swept towards the rear chasing Shali.

The power of these fireballs is very small, they hit the flying sword that came, but in a blink of an eye, they were shattered.

However, the thunder and fireballs all over the sky, after all, had a big impact on the pace of Shali's pursuit.

boom...

I saw a fireball hitting Shali's body head-on and exploded instantly.

The electric current meets and the flame erupts. Shali's hair exploded in an instant, and her face was jet-black. It seemed she was embarrassed by her appearance.

"boom....."

Without waiting for Bai Lixiong to slow down, Ye Chen staggered suddenly.

The lightning barrier that was sacrificed again was blasted by flying swords again.

If it weren't for them to dodge quickly this time, the remaining power of the flying sword would plunge into their bodies again!

Rao is so, Ye Chen can only rely on the blood dragon to barely resist the remaining power of the flying sword once again, and the whole person is swept out again.

However, with a strong sigh of relief, with the help of this impact and the pace of the old man behind him, Ye Chen opened the distance again.

Chapter 549: Enough to be included in the history of China!

"boom....."

Without waiting for Bai Lixiong to slow down, Ye Chen staggered suddenly.

The lightning barrier that was sacrificed again was blasted by flying swords again.

If it weren't for them to dodge quickly this time, the remaining power of the flying sword would plunge into their bodies again!

Rao is so, Ye Chen can only rely on the blood dragon to barely resist the remaining power of the flying sword once again, and the whole person is swept out again.

However, with a strong sigh of relief, with the help of this impact and the pace of the old man behind him, Ye Chen opened the distance again.

The overwhelming thunder fire seemed to turn into a splendid firework, and the chasing path of Shali, covered with airtight, was shockingly powerful.

Huh...

The blood in his body rolled more and more fiercely, and a trace of blood overflowed from his mouth again.

Listening to the unknowingly blasting sound behind him, Ye Chen exhaled secretly, held on to it, and urged Canglong to make a phantom decision, and swept towards the cliff.

Listening to the unknowingly blasting sound behind him, Ye Chen exhaled secretly, held a sigh of relief, urged Canglong to make a phantom body decision, and swept away in one direction.

But soon, the faces of him and Bai Lixiong changed.

The entire Kunlun Mountain top, there is no retreat.

That is a cliff.

Qianzhang cliff!

Once you fall, you will definitely die.

The two hesitated.

Not far behind, the thunder and flames all over the sky at this moment seem to deduct the grandeur of the end of the world!

boom...

Suddenly, with a roar, thunder and flames all over the sky, all of a sudden, flew out toward the surroundings, annihilated in the cold wind.

A figure rushed out from the splash of light!

Embarrassed!

Perhaps only this word can describe this figure.

The black at one end, exploded at the moment, with thick smoke. The face that was carved with traces of years was even blackened by thunder and flames. Faintly, you can see that the eyebrows have already been burned out.

Those eyes were covered with red blood, like wild beasts.

Looking at the two figures not far away, this figure finally couldn't help but roared: "Ye Chen, I will break your body into pieces!"

The roar of anger exploded like thunder and spread throughout Kunlun Mountain.

The anger in it is even more clearly displayed.

After so many years of being in the blood alliance, has never been so embarrassed!

As a lofty, highly anticipated, highly respected Shali, has ever suffered such a shame?

If Elder Zheng knew about it, how disappointed he would be!

No matter what, Ye Chen must die!

and he was tortured alive!

Scarlet eyes, flashing dark eyes, Shali exuded a chilling murderous intent.

He walked towards Ye Chen and Bai Lixiong step by step.

He knew that the two of them had no way out.

Everything will be over.

Both of them were seriously injured, and they didn't even reach the Immortal Ascension Realm.  
Why would they stop him?

"Ye Chen, you continue to run. If I were you, I might as well jump down. Then, let alone you, even I won't be able to survive!"

"The aura around Kunlun Mountain was absorbed by Kunlun Xu, and there was no aura under the cliff. Even if a strong person on the ninth level of the Ascension Realm jumped down, he would definitely die."

"Of course, this way of death has one advantage, that is simple and crude."

"However, as long as you return to the blood alliance with me, there may be a chance. After all, you and your father have a big secret, so why not exchange this big secret for a way to survive."

took a deep breath, until the sky full of thunder light completely dissipated, the cold wind blew, Sha Liqiang was full of anger, said fiercely.

Ye Chen turned around, with cold eyes: "What's your name?"

Shali smiled. Word by word: "Blood alliance scavenger, Shali! Remember, you, Ye Chen, are killed by me!"

The words fell, the Sha was moved!

The wrist flicked, the phantom of the blood gate was suspended above the head, and at the same time, a drop of blood was ejected.

In the next second, a sword light rushed out of the phantom of the blood gate!

The streamer is wanton, the sword aura flickers.

A sharp sound of breaking through the air came, and the sword shot by Shali made the world completely dark.

This blow is far beyond the eighth floor of the Ascension Realm!

Horror!

It's not that the injured Ye Chen and Bai Lixiong can stop them!

Ye Chen fiercely sacrificed the soul-suppressing sword, and the blood dragon and natal talisman gush out at the same time!

emptied all the remaining infurience in the dantian!

At this moment, he held the Thunderbolt and the Blood Dragon in his hand and cut out directly!

"Boom!"

Two forces suddenly collide!

Although it was flat for a short time, the power of Shali soon suppressed it!

The energy was rolling, Ye Chen and Bai Lixiong were dragged to the edge of the cliff!

"Ye Chen, give up! When I am weak to you with peak power, you will never have a chance to live! If you resist and fall directly to the cliff, it will turn into a blood mist!"

Ye Chen's eyes were icy, he glanced at Bai Lixiong, and said, "You are willing to believe me!"

Bai Lixiong thought of something, and said word by word: "Bai Lixiong believes in Mr. Ye!"

"Okay! Let's fall into the cliff together. Today, I, Ye Chen, will have a Nirvana rebirth! Two days later, I will torture this person to death!"

Ye Chen took the Soul Sword back with him~www.mtlnovel.com~ The wind swept through!

Almost instantly, Bai Lixiong and Ye Chen were shaken off!

Under the cliff, there are only two black spots left!

Those onlookers were completely frightened when they saw this scene!

China's two great powerhouses disappeared in a short period of time.

Falling down from this Kunlun Mountain, no matter how strong it is, no one will die!

Pan Guohua looked sluggish and couldn't say a word.

Today's scenes shocked all his knowledge!

Undefeated God of War Ye Chen, on the top of Kunlun Mountain, killed dozens of Kunlun imaginary strong men, severely wounded, and wheel warfare could not shake the strong man's posture!

Huaxia can't stop, nor can the Kunlun False Strong!

Only the top Kunlun imaginary powerhouse can be suppressed when Ye Chen is injured and weakest, taking advantage of it!

really mean!

is to make Ye Chen's image bigger!

Pan Guohua sighed the cold and proud young man in his mind.

"It's a pity, from now on, Hua Tiantian has fallen arrogantly, and there is no undefeated God of War in the world."

"This myth of Ye Chen ends here, today's battle in Kunlun Mountain is enough to be included in the annals of Chinese history!"

.....

A few hours later, a piece of news spread throughout China, and even Kunlun Xu also shook, and countless strong people were shocked inexplicably.

The undefeated myth Ye Chen died in the Kunlun Mountains!

Chinese warlord Bai Lixiong, go to death together!

There are no hunters in the world!

Chapter 550: big earthquake!

The courtyard house is heavily guarded.

An old man in a tunic is checking some files.

The few people standing beside him are all famous and powerful in China.

Just as the old man was concentrating on processing the documents, a middle-aged man rushed in!

is the guard next to the old man.

Having been with the old man for twenty years, the old man has never seen him so flustered.

The old man frowned and said, "Xiaohe, what happened? How many times have I told you that in everything, we must pursue stability, and how can we guard China if it is unstable!"

The words of the old man's reproaches, if in the usual way, the guards will inevitably admit their mistakes.

But at this moment, the guard came directly to the old man, his eyes flushed! The body is trembling!

"Chief, something big has happened! What a big thing! China is really going to change this time!"

The old man put down the pen in his hand, thought of something, and said: "Xiaohe, if I guessed correctly, this matter should be related to Kunlun Mountain."

The middle-aged guard nodded fiercely. He just wanted to say something, and the old man continued: "Did Ye Chen behead those people? It's no fuss. I'd expected it a long time ago. Those Kunlun imaginary powerhouses don't necessarily take it. That kid, this kid is good!"

After speaking, the old man laughed.

The guard couldn't help it anymore, and said in a shocking voice: "The chief, wrong, this time, the undefeated myth Ye Chen is defeated! Not only is defeated, he and General Baili also fell to Kunlun Mountain, this time they will die. No doubt!"

Hearing these words, the old man raised his head abruptly, and there was a panic on Furui Bubo's face!

"What did you say, say it again! What happened to Ye Chen? Also, what's the matter with Bai Lixiong!"

The guard no longer hesitated, and told everything that had happened in Kunlun Mountain without any details.

The old man's face was questioned at first, then gradually turned into panic, and finally turned pale!

is even sitting on a stool.

"Impossible... how could something happen to that kid and Bai Lixiong!"

He knows the seriousness of the matter better than anyone.

Bailixiong holds Jiexueying in his hand, which is very important to China. If something happens, it will be troublesome!

And Ye Chen's value, for China, is priceless!

This is also the reason why he has protected Ye Chen many times!

To some extent, China has Ye Chen, and all enemies are afraid!

But right now, what happened in Kunlun Mountain completely exceeded his imagination.

Suppress dozens of Kunlun virtual powers with his own power, Ye Chen is already a myth!

But no matter how mythical people are, they can't beat the wheel war!

The key opponent actually made a move at the critical moment of Ye Chen's breakthrough!

mean! Shameless!

At this moment, the old man is extremely angry!

even slapped a palm on the table!

"Xiao He, where is the hands-on Kunlun virtual powerhouse now!"

The old man's tone was cold.

Xiaohe had never seen this old man with such an attitude. He was taken aback, and then he said: "Looking at the route he left, it seems that he has gone back to Kunlun Xu."

The old man nodded and his eyes were extremely serious: "Immediately use all the power around Kunlun Mountain to search for Ye Chen and Bailixiong under Kunlun Mountain! I want to see people when I live, and I want to see the corpse when I die! This is my order. Unconditional execution."

"Yes!"

Xiaohe retired in a hurry.

At the same time, the old man glanced at one of the standing people again: "Fushui, you go to the Huaxia Ye family and the Baili family. It is estimated that this matter will be completely spread soon, so we must comfort our family members."

"Yes!"

After everyone left, the old man fell into deep thought!

The fist is clenched!

The violent breath burst out!

The walls of the whole room are cracked on all sides!

The wrath of the strong!

"For so many years, Huaxia has been playing well, why Kunlun Xu is so aggressive! That kid is only in his twenties! He has a good future, why should he ruthlessly ruin it! I really think that we are afraid of you not!"

"Also, Bai Lixiong has nothing to do with this matter, why didn't even let him go!"

The evil spirit on the old man's body is extremely strong, and his eyes are even more cold.

After a while, he thought of something and came to a wall and knocked a few times on the corner of a tile on the wall.

In an instant, the wall opened.

is extremely dark inside.

There is an old telephone in the depths.

be quiet.

mystery.

The old man hesitated for a long time, and dialed the phone: "This time, Huaxia really had an accident. Please do it again."

The old man's voice was choked with a hint.

There was a pause on the other end of the phone for a few seconds, and the last old voice rang.

"Well, in six hours, I will come to the capital, you send someone to pick me up."

"Ok."

The call was hung up, and everything went silent.

After half an hour, Huaxia Yejia.

Jiang Hirong, Xia Ruoxue, Sun Yi, and even Zhu Ya all sat on the sofa and watched the time.

At this moment, the speed of the passage of time has become particularly slow for them.

Ye Chen had promised them that he would call as soon as it was over.

But the cell phone in the living room has never ringed.

The only time it rang was a wrong call.

Their mood is like a roller coaster, with ups and downs.

Xia Ruoxue made a cup of tea for Jiang Yanrong: "Auntie~[www.mtlnovel.com](http://www.mtlnovel.com)~ Take a sip of tea. Ye Chen hasn't had any accidents since I met him. Don't worry."

Jiang Xirong took the teacup, glanced at Xia Ruoxue, and nodded: "I know."

Sun Yi was also comforted: "Xiao Chenzi's methods are superb, not to mention those people in Kunlun Xu, even the gods can't hold him. He also said that he would take us to Kunlun Xu to have a look. Things didn't turn out so fast. Wait patiently."

Everyone only felt their eyelids twitched, although they were worried, they still comforted each other.

Zhu Ya glanced at the door of the Ye family, but there was no movement.

Just as she was about to say something, the phone in her pocket suddenly rang.

A text message.

This text message was sent by an organization in the Chinese martial arts community.

Any Huaxia family can receive it.

She clicked on the text message, and when she saw the content inside, she was stunned.

"Pattern!"

The phone dropped to the ground.
