

Urban Medical 551

Chapter 551: Crazy looking!

Not long after, the cell phone on the table in the living room rang.

Jiang Xirong rushed over for the first time. When he saw the content on the phone, the whole person was in a daze, and even more chanted: "Impossible... absolutely impossible!"

Xia Ruoxue and Sun Yi also saw the content on the phone for the first time, and their beautiful expressions appeared dim and unbelievable.

They even covered their mouths, for fear that they would cry and touch everyone's defense.

One minute later, Jiang Yanrong let out a cold snort and directly deleted the message on the phone, his eyes became firm!

The Chinese martial arts world thinks that her child is dead!

She doesn't think so!

Blood is thicker than water! Chen'er is the meat that fell from her body! If something happens, she must have intuition!

She looked at Xia Ruoxue, Sun Yi and others, and said very seriously: "Everyone does not need to be pessimistic. I bet there can be no accident in Chen'er! No one can let him happen!"

We all know his strength. Now we can't mess around with ourselves. All we have to do is to guard the Ye family and wait for Chen'er to return. "

Xia Ruoxue nodded lightly, her water-like eyes were full of unique things.

"Auntie, I believe in Ye Chen. The only thing I can do now is to wait for Ye Chen to come back. I am willing to wait for him. Now, I want to start practicing."

Sun Yi also said, "I also want to continue to practice. Only if I am strong can I help Ye Chen."

"And me." Zhu Ya also stood up.

At this moment, the four women of the Ye family are extremely firm!

They know Ye Chen better than anyone, and it is impossible for Ye Chen to have an accident.

.....

Kunlun deficiency, blood union.

Shali had already arrived in front of Elder Zheng.

Elder Zheng is currently wiping a cold sword.

"Elder, what you asked me to do is finished." Shali said.

Elder Zheng's expression condensed, and he raised his head: "Oh? Ye Chen is dead?"

Shali nodded and explained: "This son is indeed very strong, but when I went, he was breaking through. He could only break through the barrier forcibly and was seriously injured. Then I personally killed him! It's just that because the power is too strong, he His body fell under the Kunlun Mountains."

In the words of , Shali exaggerated a lot.

Naturally, he would not tell about his embarrassing experience. In his opinion, as long as the result is the same, nothing matters.

The process is described naturally in favor of oneself.

Elder Zheng shrunk his eyes, and said curiously: "Are you sure? You have to see people alive, and you have to see a corpse when you die. If you fall under Kunlun Mountain, will you survive by accident?"

Shali smiled and said, "How is it possible, Elder Zheng can rest assured that not only does the kid have no possibility of surviving, but even a corpse is impossible. Due to the influence of Kunlun Void, Huaxia Kunlun Mountain has a peculiar aura. I will go under the cliff. I've seen that the aura can't be used at all, let alone that kid, even in the peak period, I may not be able to survive."

Elder Zheng had no doubts when he heard that Shali was so determined.

"I always feel relieved when you do things. I wanted to get some secrets out of that kid, but since this secret is gone forever, that's all."

"Ye Tianzheng alone is enough for the blood alliance. By the way, although Ye Chen is dead, this time the incident also exposed a drawback."

"What's wrong." Fali curiously said.

Elder Zheng stood up with deep eyes: "Hua Xia has nurtured geniuses many times, and even gave birth to evildoers such as Ye Chen. It is absolutely extraordinary. It seems that our blood alliance has always underestimated China. Shali, I will give you a task, you Go to Huaxia again and use all means to control Huaxia!"

"The best way to control China is to control the first family of China!"

"It just so happens. I heard that the Huaxia Ye family behind Ye Chen has become the first family. All you have to do is to kill all the Ye family, and then use force to suppress everything!"

"From now on, we must control the resource of Huaxia! We can't let it give birth to the next Ye Chen!"

Shali suddenly understood what Elder Zheng meant, and his eyes lit up: "Elder Zheng is really planning ahead. I am afraid that Zhuge Liang is not as talented as Elder Zheng."

Elder Zheng sneered: "What is Zhuge Liang? In the eyes of my blood alliance, it is vulnerable."

"The ambition of the blood alliance is not only to control China, but also to control the entire Kunlun Xu. Now we have completed half of it. When the remaining half succeeds, Shali, everything you want will be at your fingertips!"

Shali heard these words and quickly knelt down: "Elder Zheng, please rest assured, any obstacles that stand in front of you will be cleared without hesitation! Huaxia Ye Family, I will definitely take it within two days!"

.....

This day is destined to be a sleepless day.

China's countless official forces rushed to Kunlun Mountain overnight, and even used a satellite to find Ye Chen and Bailixiong!

But even if you use satellites, there is no result.

Kunlun Mountain, as the sacred mountain of China, is covered by formations. It is very difficult to find two people~www.mtlnovel.com~Not only the local police, but also the search team are looking for it.

The warriors of the Iron-Blood Camp, the powerhouse of the Dragon Soul, everyone put down the tasks and things at hand and spontaneously looked for Ye Chen and Bai Lixiong.

doesn't even care about eating!

For them, the existence of Bai Lixiong and Ye Chen is stronger than their lives!

They don't think that these two powerful Chinese will have trouble!

Ying Qing is looking crazy!

His hands are already full of blood!

tried his best to open every stone! Don't miss any chance!

There is also a woman who is also crazy.

A woman with a good face and body.

Within a few months, it has become the most beautiful flower of the Dragon Soul.

That is Jin Lengyan.

Jin Lengyan entered the Dragon Soul at the recommendation of Ye Chen.

After a long period of investigation, he officially became a member of the Dragon Soul just a few days ago.

She is excited!

She thanked Mr. Ye!

But I did not expect that this joy has not been shared with Mr. Ye.

Mr. Ye had an accident.

She doesn't believe it!

Mr. Ye is so powerful, how could something happen!

She wants to find Mr. Ye at all costs.

After repeated disappointments, she did not give up.

She was soaked all over, and her combat uniform was even wetter.

A comrade-in-arms persuaded her, but she didn't listen. Even when night fell, she still held a flashlight looking frantically.

No one knows her persistence.

Chapter 552: Not standing up!

Her heart had long been occupied by a young man in Jiangcheng.

She knew she was not worthy of that young man, so she could only bury her affection in her heart.

She often thinks of her first meeting at the Jiangcheng Auction.

She even wondered, if she took the initiative in the first place, would the ending be different now.

The tears in her eyes fell.

It just feels like the dream is broken now.

The disappearance of Ye Chen and Bai Lixiong trembled the entire Chinese martial arts world.

At the foot of the mountain, there is no result.

Except for a few people, everyone thought that these two people were dead.

completely disappeared in the Chinese martial arts world.

Check out this new online game!

fell.

at the same time.

Under the cliff of Kunlun Mountain, a cave 100 meters from the foot of the mountain.

is extremely hidden.

There are branches growing from the mountain, covering everything.

This is a natural underground cave, just enough to accommodate two adults.

In the dim light, Ye Chen sat cross-legged on the ground, running the nine-day Xuanyang Jue.

Bai Lixiong gasped violently, took a few pills, and began to play with the phone.

Unfortunately, there is no signal on the phone.

He glanced at Ye Chen, who closed his eyes, not knowing what to say.

He didn't expect that he really survived.

At the moment of falling, the blood dragon in Ye Chen's body directly gushed out, and it turned into essence in a short time.

Just two seconds, extremely thrilling.

The two came to this cave under the leadership of the blood dragon.

"It should be safe! Unfortunately, I can't contact the outside."

Through the small hole, Bai Lixiong looked outside and carefully felt the movement around him. After a long time, he exhaled.

This cave is still in the Kunlun Mountains, but it is extremely hidden.

Ordinary people can't find it at all.

He even saw the plane countless times and wanted to call for help, only to find that the place was hidden because of the formation.

There is no possibility of even using infuriating energy.

He has reduced his breath, the hunter wants to find himself? It's not that easy.

Of course, the more important thing is that the hunter would never expect that he and Ye Chen would hide in this cave.

"I don't know what happened to the group of soldiers in the Iron-Blood Camp."

Determined to be safe, Bai Lixiong's tight body finally relaxed, and he murmured with lingering fear.

He always wanted to say something to Ye Chen, but since Ye Chen fell, he closed his eyes and sat cross-legged.

This feeling is like something brewing.

He even found that Ye Chen's body was getting stronger and stronger.

The blood dragon that disappeared even got out.

He knew that Ye Chen was holding a fire in his heart!

Invisible anger!

Once it breaks out, no one can bear it!

At this moment, Ye Chen's consciousness is in the reincarnation cemetery!

He is indeed burning with anger in his heart!

His eyes are all on the top of Kunlun Mountain!

is even imprinted in his mind like a sly!

If it weren't for Chen Tianli to leave, if it weren't for him to break through forcibly, he would be seriously injured!

He would never be so embarrassed!

Some things, he must get them back!

He and the blood alliance are already at odds!

Either the blood alliance is destroyed, or Ye Chen is dead!

There is no other choice!

What he has to do now is to raise his strength to the peak state!

Then wait for the three tombstones to open!

This is his biggest hole card!

The bleak meaning of the reincarnation cemetery was covered, and Ye Chen stared at the three tombstones.

The power of the Soul-Saving Sun Breaking Stone is about to be completely absorbed!

Three lights flash at the same time!

How dazzling is this light!

didn't know the origin of the remaining three people.

Could it be that there is more evil than Wandao Sword Master.

What did Ye Chen think of, his current cultivation is the third level of the True Element Realm, and he should be able to barely cultivate the strongest sword art left by Chen Tianli!

Ten thousand swords return to the clan!

Originally, he wanted to master it when he broke through at the top of Kunlun Mountain.

disrupted his position.

At this moment, the reincarnation cemetery is the best learning opportunity.

Ye Chen closed his eyes, feeling the flow of information in his mind.

I don't know how long it took, he seemed to have grasped something, and he kept practicing in his mind.

Even not far from the reincarnation cemetery, a ghostly phantom appeared.

The hideous face seems to be in charge of everything.

Shali's Phantom stared at Ye Chen interestingly, and sneered: "A waste from the True Element Realm, and I want to hurt me across the realm! You are not qualified! I am the sixth floor of the Ascension Realm! There are enough words in the hidden gate. Quan, what are you!"

Suddenly, Ye Chen's eyes opened!

Murderous intent is released!

"Ten thousand swords return to the clan!"

boom...

Following Ye Chen's long howl, the Nine Heavens Xuan Yang within his body suddenly exploded. Ye Chen only felt that the true energy of the whole body was no longer under control, like a wild horse running out~www.mtlnovel.com~Ah..."

The majestic energy that burst out from the deepest part of the dantian seemed to tear Ye Chen's body apart in an instant, destroying his veins.

The stinging pain made Ye Chen scream.

had a terrifying complexion, and his eyes were covered with red blood.

Only for a moment, Ye Chen seemed to turn into a demon.

The essence, blood and true qi in the body seemed to be consumed.

However, the price in exchange for this was the instantaneous burst of Ye Chen energy, which made him feel unprecedented strength!

powerful!

This is the powerful feeling.

At this moment, Ye Chen seemed invincible! He felt that he could destroy the world.

"Die to me!"

Ye Chen yelled loudly in the face of Shali who had killed him!

Like the roar of a wild beast in despair, like a wild beast surge.

The wind swept through, and the black casual clothes seemed to explode.

boom...

At the moment when Shali was in front of him, Ye Chen cut out with a sword!

The bursting energy, gathering heaven and earth aura, assisted by reincarnation cemetery, plus the eruption of blood dragon, this is definitely the most powerful move.

The air wave rolled, the roar exploded, and the flames instantly swept across the entire world.

Wow...

In the heat wave tumbling, under the roar, the Shali figure who had killed Ye Chen suddenly stopped.

Amidst the sword aura and the raging fire, the Shali that seemed invincible before finally screamed.

boom...

In the air wave, the phantom of Shali was directly lifted out by Ye Chen.

Chapter 553: go away!

"dead!"

Shali Phantom blasted away, Ye Chen gritted his teeth and roared hideously. ±Bo V Luo V Xiao ±
Say

pedal...

stepped out in one step, extremely violent.

The reincarnation cemetery is shaking.

The whole body exploded, the air wave rolled, and the light bloomed.

Ye Chen at this moment is like a scorching sun, this step seems to be able to cross the entire sky.

Wow...

The scenery around quickly receded, and the reincarnation cemetery in front of him seemed to shrink instantly.

This step almost made Ye Chen step out of the kilometer directly!

All the power of returning ten thousand swords to the sect is released!

turned into a sword art!

This is Ye Chen's last hope.

Ten thousand swords return to the sect, which is comparable to the full blow of the powerhouse of the Immortal Ascension Realm.

"go with!"

The only trace left in the body was urged out, inspiring the sword art.

brush.....

With a flick of his wrist, the sword tactics shot directly at the rushing Shali.

White light flashed.

boom...

The next moment, the moment Jian Jue met Sha Li, it suddenly exploded.

rumbling...

The sky and the earth change color, and the mountains and rivers burst.

This sword tactic exploded, and the violent storm that swayed almost completely destroyed the entire reincarnation cemetery.

The whole earth is distorted, as if it collapsed.

"Roar....."

Amidst the roar and the extreme light, a heart-piercing scream came.

The phantom of power like a broken bamboo, swept by thunder, under the pressure of heaven and earth.

boom...

Faintly, when Ye Chen flew out by the air wave, he saw that Shali, which was torn apart in the sword art.

The attack that appeared suddenly, the unsuspecting Shali, could not be resisted after all.

The power of the sword art, even Ye Chen couldn't help being dumbfounded!

He finally understood why Chen Tianli had to teach him this blow last!

at all costs!

"Success!"

boom.....

was swept away by the air wave for a hundred meters, and fell to the ground, and Ye Chen's face flashed with joy.

Although it is used in the reincarnation cemetery, this trick will be strengthened several times, but even if it is reduced several times in the outside world, it is not something others can hold!

Ye Chen got up, just about to leave the reincarnation cemetery!

At this moment, the three tombstones in the cemetery were all shining!

In other words, these three can be moved!

At this moment, Ye Chen was short of breath.

He could feel a force as if leading him.

Ye Chen walked towards the three tombstones step by step.

Suddenly, there was a thunderous sound above the cemetery of Samsara.

In the next second, the first tombstone broke open!

The whole reincarnation cemetery trembles violently.

An ancient voice resounded suddenly!

"I want to step through the Nine Reincarnations, and swear to compare with God. Life and death are my life and my life, the heavens and the world are my travels. Control the thunder and lightning, and transform the beasts. Thousands of calamities, hardships for a hundred times, eternal hurried, between the fingers of thunder! , Immortal soul, shocking the ancient and the present, only I shock Lei Zong Duan Leiren!"

When this distant voice slowly fell.

A figure directly appeared in front of Ye Chen!

The whole body was covered by thunder and lightning, and the aura was strong. The single look in his eyes made Ye Chen feel fear.

Zhen Lei Zong Duan Lei Ren!

The lightning on Leiren's body seemed to shake Ye Chen's natal rune.

is shaking constantly at this moment.

It's like a natal talisman trying to absorb the lightning from Duan Leiren!

Duan Leiren felt something, his eyes fell on Ye Chen's body: "You are the tomb owner of the reincarnation cemetery? The third level of the true element realm? Too weak."

His eyes were a little disdainful, but soon, he seemed to find something, five fingers.

In the next second, Ye Chen's body filled with the power of countless lightning directly exposed!

Duan Leiren saw the fateful talisman, his eyes were deeply surprised.

"It's interesting, but I underestimated you. If you were in that era, the talisman in your body would be enough to be my disciple of Thunder Sect! And you're still an inner disciple!"

"It seems that the wrong person was not selected in the reincarnation cemetery."

Duan Leiren showed interest, looked at Ye Chen appreciatively, and then said: "Are you willing to be my apprentice and accept me without inheritance?"

"The student is willing."

"it is good!"

Duan Leiren was in a good mood, and in the next second, his hand was filled with runes of thunder and lightning!

At the same time, Duan Leijue's strength was concentrated in the rune.

"When I first apprentice a teacher, I naturally want to give you a gift as a teacher."

"This talisman is thunderous nine days! With one of my energy, the nine-day thunder can burst out in a short time. The stronger your cultivation base, the stronger his bursting power will be. With you at the third level of the True Element Realm, this talisman can at least Kill a top powerhouse in the Immortal Ascension Realm! Even the Transcendent Realm can be hit hard!"

Ye Chen took the magic talisman, his eyes were deeply excited.

This is simply sending charcoal in the snow!

He now has the sword art left by Chen Tianli, the sword master of ten thousand swords, plus this thunderous nine days from Duan Leiren!

What is that Shali!

What is the powerhouse of the blood alliance!

As long as he dares to step into China, he will let everyone come back and forth!

As for the remaining two tombstones, he doesn't need to be activated at present!

enough!

It's been almost two days now~www.mtlnovel.com~ Anyway, my mother and those who care about him should be very worried about themselves.

should also leave.

"Disciple, let me ask you, the cemetery of reincarnation..."

Duan Leiren just wanted to say something, only to find that Ye Chen had disappeared without a trace!

This?

Brat! Is it so impatient!

Duan Lei is benevolent and almost wants to curse!

Ye Chen didn't have much time to study the reincarnation cemetery.

Going out is king.

Ye Chen in the cave opened his eyes, and a bright light flickered.

Bai Lixiong saw Ye Chen finally wake up, and quickly said: "Mr. Ye, you finally wake up, what shall we do next?"

Ye Chen stood up, looked serious, came to the edge of the cave, looked at the ten thousand-foot cliff, and sneered: "Naturally go to revenge."

"Mr. Ye, but the Kunlun Mountain formation is hidden, and the spiritual energy seems to be suddenly unable to use, how should we go on?"

Ye Chen's eyes condensed, and said lightly: "I can't hold me Ye Chen here."

The words fell, Ye Chen appeared in the hand of the Soul Suppression Sword!

"Mr. Ye, what are you doing?"

Bai Lixiong curiously said.

"Jump down." Ye Chen said surprisingly.

what!

Before Bai Lixiong could react, Ye Chen moved!

Fingers pressed, a ray of light flickered in the palm of the hand!

In the next second, the light directly penetrated into the Soul Suppression Sword!

The Soul Town Sword seemed to have been guided by some kind of guidance, shaking like crazy!

Chapter 554: God of War is back!

Ye Chen grabbed Bai Lixiong's clothes and jumped straight down.

The wind howls!

Bai Lixiong didn't have any fear, he believed Ye Chen.

I saw Ye Chen holding the Soul Suppressing Sword in his hand, inserting it into the mountain wall of Kunlun Mountain while falling.

Then!

Soul Soul Sword bears the weight of the two, and it keeps falling!

A huge gully formed suddenly!

Bailixiong knew Ye Chen was crazy!

but I didn't expect it to be so crazy!

Take the sword as a hindrance!

This method is unheard of!

He looked at the mountain wall of Kunlun Mountain, and a 100-meter sword mark was directly formed!

Shocking!

At the same time, because it was just dawn, there were not many people searching below.

There are only a few people insisting.

I have to rest after all.

But the dragon soul and the soldiers of the Jagged Battalion did not rest at all, they were still searching.

The sound of violent sizzling resounded throughout Kunlun Mountain!

Those dragon souls and the soldiers of the Jagged Camp naturally heard them.

The voice is getting louder and louder.

They thought it was the sound of an airplane, but then they found something was wrong and everyone looked up suddenly!

In the next second, the eyes are full of surprises!

Some people even cheered!

Because they saw Bai Lixiong and Ye Chen sliding down quickly!

General is not dead!

The chief instructor of China is not dead either!

The myth of invincibility has not shattered!

Ye Chen is back!

"Instructor!"

"General!"

The crowd cheered to the extreme.

Their eyes are full of tears!

Ying Qing and Jin Lengyan's blood and mud hands clenched tightly!

The hot light in the eyes!

At this moment, Ye Chen and Bailixiong drama are still more than ten meters away from the ground!

Ye Chen didn't hesitate anymore, he violently pulled out the soul of the town!

At the same time, the sword fight that was cast in the cave before was released directly, and the soul calming sword got under Ye Chen's feet.

He seemed to be carrying Bai Lixiong's foot on the flying sword, and fell steadily!

At this moment, he, Ye Chen, is the Immortal Venerable Outside the Territory.

Ye Chen couldn't do the calm flying sword like Chen Tianli, but the height of ten meters is still possible.

The moment he and Bai Lixiong landed steadily, the group of Dragon Soul fighters knelt!

"Instructor!"

The sound is loud!

This is their highest respect to Ye Chen!

This picture is unforgettable!

And the soldiers of the Jagged Battalion have a standard military salute!

"General!"

Bai Lixiong and Ye Chen nodded lightly.

Bai Lixiong thought of something, stepped forward, and asked the strong men in the Jagged Battalion: "How about the dozens of Jagged Battalion soldiers on the top of the mountain?"

"Report, only a dozen people survived! The rest...all sacrificed!"

A predator soldier stood up, his voice excited and angry.

Ye Chen's anger became even more uncontrollable when he heard these words.

Suddenly, he asked everyone, "Where is the Kunlun imaginary man who appeared that day? Do you know?"

"Report, he entered Kunlun Xu two days ago, but just a few hours ago, there was a change at the entrance of Kunlun Xu, and the person seemed to be back again. This time, he seemed to have gone to Kunlun Mountain International Airport. Specific whereabouts, Not yet determined."

Ye Chen frowned upon hearing this sentence.

Shali came back from this time, too sensitive.

is definitely not good for him.

At this moment, there was a shock in Ye Chen's mind!

The vibration is getting stronger and stronger!

His eyes shrank!

This shock is the formation he set up at the Ye Family in Beijing!

There are strong ones breaking the formation!

Shali will attack the Ye Family!

fuck!

At this moment, Ye Chen's suffocation seemed to erupt, his eyes looked at Bai Lixiong:
"Immediately arrange the fastest flight to the capital for me!"

"Yes, Mr. Ye!"

.....

China Jiangjia.

Shali looked at the formation in front of him interestingly, his mouth raised.

"In fact, Huaxia still has such a powerful formation. Interesting, it seems that the dead boy is a secret!"

"If you change to another Kunlun Void, you may not be able to break the formation, but for me, it's just a little more complicated."

The words fell, the spirit of Shali broke out! The long sword danced, and the sword intent rushed out!

"Break me!"

The sword intent seemed to burn, turning into a sea of fire.

Huh...

In the cold wind, for an instant, the fire covered the sky and the earth boiled.

rumbling...

a burst of roar followed the explosion.

The sword light entrains flames, like a dragon descending into the world!

went straight to the formation.

The impact and roar sounded, and the Ye family was boiling.

Roar.....

For the first time, the formation did not react at all.

Shali expression is not too much!

But soon, Shali used a second move!

However, this time, the formation is no longer invincible, and it is no longer invincible!

Amidst the roar, Shali actually shattered the formation a little bit, and blasted the sky full of flames!

Cracks appeared.

"But that's it."

Shali sneered.

But soon, the fragmented formation is extremely cold!

A killing intent came out directly!

This is not only a guardian formation, but also a killing formation!

There was a long roar, and the white light came out of the body.

rush out from the formation! Jian Feng swept.

brush.....

The dazzling sword light, carrying thousands of sword qi, swept towards Shali.

rumbling...

Xuan thunder roared and the earth shook.

Under the sudden blow of the formation, it seemed to lock Shali.

Houhouhouhou...

There were roars.

Shali can only stop and go!

"Ding....."

Under the huge counter-shock force, Shali's sword let out a groan, and the sword light was dim. In the impact of that huge power, Sha left his body for a while, and retreated back and forth.

"This condensed killing formation has at least the strength of the fifth layer of the Ascension Realm! Which array mage is this masterpiece?"

Shali would naturally not think it was Ye Chen!

withdrew eight or nine steps, UU read www.uukanshu.com to stabilize his figure and leave. At this moment, his brows frowned.

suppressed the blood tumbling in his body, his face was ugly.

"Huh! It's a pity there is only one power!"

Shali snorted coldly, and blasted out again with another blow, and the formation was broken on the spot!

Everything about the Ye family is exposed!

At this moment, only Xia Ruoxue and the strong from the dark hall rushed out.

The others are breaking through!

and it's a critical time!

"Miss Xia, leave it to us here, just go in."

The dark hall strong said coldly.

Because most of the people in the dark hall went to Kunlun Mountain to find the hall master.

There are only some elites left.

Even Ye Lingtian and Lu Lingfeng are on the way to Kunlun Mountain.

After all, the Lord had an accident, and it had too much influence on them.

Xia Ruoxue's eyes were cold, she stared at the man not far away, her beautiful face was as frosty.

"I'm also a member of the Ye family, no matter what, I have to do something for the Ye family."

"But, Miss Xia..."

At that moment, Sha Lizheng came step by step.

There was a sneer in his mouth: "Interesting, there are just a few wastes in the first family of China?"

A strong man in the dark palace stood up directly and said coldly: "Who is coming! This is the Ye family!"

smirked, put away the sword in his hand, and said indifferently: "What is the Ye family, Ye Chen was killed by me, how much do you think you can stop it? I am here to replace you today!"

Chapter 555: Crazy!

The dark palace strong man and Xia Ruoxue were completely frightened when they heard these words.

The Lord of the Palace was actually the one who killed him!

Then they felt something was wrong, and said to Xia Ruoxue: "Miss Xia, you and the others leave quickly, I will hold this person! Quick!"

After finished speaking, those strong in the dark palace rushed out!

knows that it is invincible!

But there is no choice!

Moths fighting the fire and protecting Ye's family is their mission.

Shali shook his head helplessly: "A bunch of trash, do you really think you can control something? In my eyes, it's just ants! I can trample you under my feet!"

The words fell, and the breath of Shali broke out!

Shoot directly with one palm!

The huge palm print is directly formed!

How can those strong in the dark palace resist! Died on the spot!

There is only Xia Ruoxue left in the entire Ye family compound.

Xia Ruxue wanted to leave, but found that it was impossible, an invisible force wrapped her.

"You are that kid's woman, but unfortunately, I am not interested in women."

Shali has come to Xia Ruoxue!

He gave a cold snort, and Xia Ruoxue suddenly felt as if she had no right to breathe!

Shali's face is hideous!

"Die!"

He does not delay, he does it directly!

The spirit sword in his hand was cut directly towards Xia Ruoxue's head!

Killing and ruthless!

Xia Ruoxue opened her eyes, and a trace of tears fell!

She does not regret it!

It's enough to know Ye Chen in this life!

"Ye Chen, I hope I can be your woman in the next life!"

Just at this moment, a fiery red figure rushed over! ~

"The woman who dare to touch my Ye Chen! Who gives you the qualifications!"

The cold words resounded!

A long sword fell from the sky!

Very fast!

Falling like a meteorite!

Killing Intent Released!

"Boom!"

The long sword smashed directly on Shali's sword!

shoot directly!

Xia Ruoxue's **** also completely disappeared.

This sound!

Xia Ruoxue's beautiful eyes are full of surprises!

Because this is Ye Chen's voice!

Ye Chen is not dead!

Look at the figure that rushes over! Xia Ruoxue's body trembled!

She knew it!

Shali naturally recognized Ye Chen's figure, his expression was a bit ugly.

Who would have thought that a mortal person would be resurrected like this!

He actually failed!

If Elder Zheng knew about it, the consequences would be disastrous!

He snorted coldly, rushing towards Ye Chen with a cold killing intent!

"I didn't expect your boy's fate to be really hard, but even if you come back, the result will be the same, just to bring your head to Elder Zheng!"

Ye Chen stared at Shali!

Blood eyes seem to burn!

All his anger is released at this moment!

"The sword is coming!"

"Ten Thousand Swords Return to the Sect! Get me down!"

With a long roar, Ye Chen's soul-suppressing sword flew into his hand, and at the same time, the sword energy skyrocketed, and amid the sharp whistling sound, the white light sword burst into bright light, like a scorching sun, heading towards the suppression of Shali.

Ye Chen didn't want to have any nonsense, just kill him!

Facing such a strong man, he dare not slack off!

"Do not....."

Facing Ye Chen's sword power and sword energy, the smile on Shali's face had long since disappeared.

There was a panic in his eyes.

How could this be?

This is only two days!

The strength of this kid has leaped to this point!

At this moment, there was a sense of fear in his heart!

In the eyes of Shali, Ye Chen, no matter how talented he was, he was not powerful.

However, now, Shali realized that he was wrong.

He was so wrong!

The huge crisis swept head-on, and the whole body seemed to fall into the ice cellar. The cold air pierced in, making the eccentric jump stop!

Under the crisis, Shali began to fear!

The world in front of me seemed to become slow.

The sword edge that Ye Chen suppressed, like the falling of stars.

"no....."

Shali yelled frantically, and he resisted with all his strength.

Now Shali, where is there still the slightest murderous intention?

He didn't dare to think about **** Ye Chen. All she was thinking about was how to resist Xia Ye Chen's move!

As long as he can block Ye Chen's move, he still has a chance.

As long as you block this move, you can still fight Ye Chen.

Even, the blood alliance has a back hand!

As long as there is a chance to urge the opponent, Ye Chen will still die!

However, everything is based on the premise that he can block Ye Chen's ultimate move!

quickly!

too fast!

Ye Chen's sword is as powerful as a broken bamboo, unstoppable.

clearly saw the trail of the sword's edge fall, and his eyes seemed to burst open.

Ding.....

There was a melodious voice.

Wow...

The sword light is everywhere, and the sword energy is vertical and horizontal.

Puff puff.....

There was a burst of penetrating sound, and the blood was flying.

"Ahhhhh..."

Shali screamed heartbreakingly.

What if he wants to resist with all his might? After all, it could not be resisted.

Ye Chen's sword was too fast and too fast. It's almost time to think about it.

This sword is too fierce and fierce!

is not a power that can explode in the True Origin Realm at all!

Two days ago, he crushed Ye Chen!

But two days later, how come Ye Chen crushed him!

Could it be that this son has an adventure!

Even if the adventure is not so exaggerated!

Ye Chen's burst of strength is no less inferior to the Immortal Realm!

Even this sword tactic is very different from all the sword tactics he has seen!

Under this sword confrontation, the long sword in Shali's hand was shaken off.

The palm of his palm has been shattered, **** and bloody, showing abrupt white bones.

Ye Chen's sword is like a broken bamboo, carrying Yu Wei to continue to sweep down, the sword aura is vertical and horizontal, the flesh and blood is thrown away, between the electric light and flint, Shali has suffered dozens of wounds?

噗嗤...

Finally, a dull voice came, and the time suddenly freezes.

Ye Chen's Jianfeng ~www.mtlnovel.com~ passed through Shali's arm and split his arm in two.

The screams stopped abruptly, the blood slowly dropped, and the entire dim space fell into deathly silence.

time, freeze frame at this moment.

"how is this possible!"

Shali looked at her broken arm, the blood was like a fountain!

He can't believe it!

His arm was cut off by a sword!

What the **** is this crazy man!

Isn't this kid hurt!

Isn't this kid the third level of the True Element Realm!

Who the **** can explain!

"I said, I will pay back a hundred times, and it's just the beginning! Don't be surprised, because there will be more surprises later."

Such silence, I don't know how long it lasted, is it a century? Still that moment?

Until Ye Chen's voice came, breaking the dead silence!

Ye Chen drew out the long sword in his hand, taking a splash of blood and shooting.

Shali's body was directly shocked.

This sword not only penetrated the key of Shali, but also cut off his arm!

The key is just one trick!

From start to finish, there is only one move.

Ye Chen's combat power was almost fully deployed, and in his eyes, Ye Chen was an ant!

This is the power of Wan Jian Guizong!

Of course, the true energy in Ye Chen's body passed wildly! Even the blood is burning!

so what! worth it!

The revenge for the killing has just begun!

Now, the **** of death is here!

Chapter 556: The sword burst, thunder and lightning!

Sha Li's body smashed against a wall of the Ye Family, and blasted to pieces on the spot.

Right now, Shali could no longer take care of the broken arm, and forcibly supported himself to stand up.

His proud eyes are only horrible at the moment!

was staring at Ye Chen.

At this moment, he felt the fear of the unknown for the first time.

"Ah... Ye Chen, I'm never ending with you! If you don't break your corpse into pieces, I will never give up!"

His eyes were covered with bloodshot eyes, staring at Ye Chen, like a wounded beast, roaring loudly.

He underestimated Ye Chen, he underestimated Ye Chen, and then he had the current result.

This makes Shali unacceptable!

Ye Chen, I will die anyway!

"Ye Chen, your strength is beyond my imagination! So what? This place today is your burial place! Do you think you can kill me if you break my hand? Impossible! Hahaha ...I want you to die! I want you to give me a hand to bury me!"

Looking at Ye Chen, his face turned hideous.

"The blood evil leaves the sky array, get up!"

In the midst of crazy laughter, Shali spouted a mouthful of blood, strangled with one hand, and shouted loudly.

Hum...

As the blood spurted out, the whole Ye Family faintly shook.

Huhuhu...

Suddenly, a violent wind blows up and sword energy surges!

"Formation?"

Ye Chen's face has a little more solemnity.

Blood evil away from heaven?

He has never heard of it.

However, there is a lot of movement at this moment!

Unexpectedly, this Shali was so thoughtful that he actually prepared a killing formation at the Ye family.

"You broke a hand, still dare to play the formation at the Ye family? Are you sure?"

Ye Chen snorted coldly, a thought flashed in his heart, and the blood all over his body seemed to start to boil!

Fingers smashed, and the spirit stones were shot directly!

The light is flowing!

A sword formation left by Chen Tianli was directly sacrificed!

This sword formation is called Dao Zun Poxiang Formation!

is Chen Tianli who accidentally realized when he was 40 years old, it is not a top-level formation!

But it has the effect of playing against each other!

"The sword is coming!"

Ye Chen flicked his wrist, and offered his soul-suppressing sword.

"With the Soul Suppression Sword as the core, release Dao Zun to break the phase formation!"

The spiritual energy of heaven and earth changes, the soul calming sword carries the power of Dao Zun to break the phase formation, and shoots directly!

towards the **** evil spirit leaving the sky formation!

This is a battle of formations!

The air was filled with the atmosphere of quaint years, and at the moment it was full of fierce murderous intent.

The sword bursts, the sword spirit overflows!

The blow just now, as well as the **** arm, gave Shali a new understanding of Ye Chen, but because of this, he hated it!

looked terrifying, and without the help of external force, with his own strength, he urged the formation he had always planned to use!

Elder Zheng let him control China!

In order to prevent some of Kunlun Xu's strong people from having opinions, he naturally wants to leave himself behind!

And the Blood Fiend Li Tianzhen is his back hand!

In the sky full of sword aura, Shali's eyes were full of red blood.

"Ye Chen, you die for me!"

sarled frantically.

The break of his arm made Shali lose his reason.

Following the madness of Shali, between heaven and earth, a strong wind swept countless sword energy, like a heavy rain from the sky, swept towards Ye Chen.

"Dao Zun breaks the phase formation! Cut!"

Looking at the sword energy sweeping across the sky, Ye Chen's eyes flickered.

Facing the crazy Shali, Ye Chen didn't dare to take it lightly!

This man is a lunatic now!

"brush....."

The Soul Town Sword burst out with a terrifying evil spirit, no more reservations.

The red light flashed, the world was solemn.

In the blink of an eye, the Soul Resurrection Sword seemed to be transformed into two handles, and then suddenly spread!

to the end!

A nine-handled soul-suppressing sword was formed over the Ye family!

These nine swords flew out from Ye Chen's hand.

Dao Zun broke out the phase formation.

The blood of the evil spirit leaves the sky array? so what!

Ye Chen wanted to see how his Dao Sovereign Breaking Phase Array compares with it.

The life charm came out directly, and the meaning of thunder and lightning was urged to the limit.

"Dao Zun breaks the phase formation, a change!"

The moment the red light radiated, Ye Chen continued to fight with both hands.

Nine red lights suddenly turned into eighteen sword lights in the soft moan.

"Dao Zun breaks the phase formation two heaven!"

Eighteen sword lights, in a blink of an eye, it turned into 36 sword lights.

The air of heaven and earth, exhaustedly condensed towards the sword formation.

Thirty-six sword light, thirty-six heavenly power!

rumbling...

The red light is continuous, like death suppressed.

The continuous red light, wherever it passed, the sword energy collapsed, and the wind broke.

With the help of Daoyan, Ye Chen's sword formation can be described as a sword walking slant, and he walked straight to the weak spot of the blood evil away.

This Blood Fiend Li Tianzhen seems to be surprisingly powerful. However, in reality, they are strong in the outside world.

Just as Ye Chen had expected, Shali forcefully urged the sword formation he could not procure, and the price he paid was bound to be full of flaws.

How to compare with the Dao Zun Po controlled by Ye Chen?

Kunlun Xu certainly has a powerful formation, but any formation is a mess of **** in front of a strong man like Chen Tianli!

At this moment, the **** evil spirits that are full of flaws leave the sky array, and they are vulnerable to the Dao Zun Poxiang array!

Thirty-six red lights, wherever they pass, the world changes color, unstoppable!

Shali watched his formation destroyed, he couldn't accept it at all!

Who is this kid!

Why can we grow to this point in just two days!

Or, the injury two days ago, I just took advantage of the void?

This is the true strength of the opponent?

impossible!

Ye Chen is only in his early twenties, even at Kunlun Xu~www.mtlnovel.com~ this age is nothing!

"Damn it!"

At this moment, Shali felt fear.

He has no choice!

He quickly took out a piece of jade pendant from his waist!

There is a blood gate above the jade pendant!

At the same time, he forced out a drop of natal blood, the moment the blood fell on the jade pendant, the jade pendant shattered!

Then, his breath began to rise!

This is the secret method of blood alliance!

Only those who have a certain status in the blood alliance can master it!

"Ye Chen, no matter what your background is, no matter what your cultivation base! Even if I die today, you don't want to live! The whole Ye family will be buried!"

The words fell, the formation of Shali seemed to explode suddenly!

The ground of the entire Ye family seemed to usher in an earthquake.

Not far away, Xia Ruoxue shook her body, her face pale.

Ye Chen can naturally feel the danger of Sha Li at this moment, he will not let Xia Ruxue fall into danger.

Right now, Dantian's true energy is getting less and less.

The formation won't last long.

What did Ye Chen think of!

A rune appeared in his hand!

is what Duan Leiren left him!

But Ye Chen didn't release all his power!

Instead, he drew a part of the thunderous nine-day power!

Rune dark palace a bit! At the same time, Ye Chen held lightning!

is like the real king of thunder and lightning above the sky!

"Nine days of thunder!"

There was a long howl, and thunder and lightning broke out.

Sword bursts, thunder and lightning come out!

Chapter 557: I'm late

With the improvement of strength, with the powerful aura, with the increasing understanding and familiarity of thunder and lightning, Ye Chen's control of thunder and lightning is not what it used to be.
Apex X23US

Since the power of thunder and lightning can be integrated into the sword move, why can't it be integrated into the sword formation?

As Ye Chen does now!

Accompanied by thunder and lightning, the entire area within a hundred meters of Ye Family suddenly became dry and violent.

Thunder and lightning pass, like a beast trampled on.

was originally an astonishing Dao Venerable Destroyed Phase Formation. At this moment, its power increased sharply!

boom...

The thunder and lightning passed, ruining the world.

The **** evil spirit leaves the sky array, how to fight?

exploded with a roar, the sky shook, and the **** evil spirits completely collapsed!

Puff puff.....

The sword formation was broken, and it barely supported the sword formation's Shali, and immediately suffered a huge blow.

Blood spurted wildly in his mouth, and he staggered towards the back again and again.

his face was pale, no more blood.

"No... how is it possible! Ye Chen, how did you do it. Your formation! Where did you come from! You have only been here for a few minutes, and there is no chance to set up a sword formation. With your own strength, what Temporarily urge such a sword formation..."

Looking at the lightning flashing in the distance, looking at the expressionless Ye Chen, he spouted a few mouthfuls of blood one after another, and shouted with a terrified face.

He doesn't believe it!

Own formation, his final back hand, which he held nine times in a row, was actually cracked so easily by Ye Chen?

Ye Chen, how did he do it?

Ye Chen is really just the real origin realm?

Everything he saw before his eyes subverted Shali's cognition and plunged him into madness.

"Formation? Why set it up! That's just an inferior formation. My killing formation is caused by my soul, and the killing formation will reach you!"

Ye Chen sneered as he looked at the ferocious Fa Li.

That's right!

This is Dao Zun Poxiang Formation!

This is also the most powerful place of Dao Zun Poxiang Formation.

Ordinary formation, if you want to use it, you undoubtedly need to prepare in advance. Unless the strength reaches the peak, it can be a creature out of thin air, and may be able to temporarily condense the sword formation.

It's a pity, this is not something the real elementary realm powerhouse can do.

And Dao Zun broke the phase formation?

don't need it!

Ye Chen's location is the front of the eye.

Nine-handled flying sword condensed, it is Jian Yin!

There are not so many shackles at all!

"The sword formation has been broken, Shali, now you can die too!"

Immediately after a cold light flashed in his eyes, Ye Chen spoke blankly.

He is like a **** of death, making the final judgment.

The Blood Fiend Li Tianzhen was broken open, and Sha Li had no last resort.

What's more, he is seriously injured now!

How to compete with Ye Chen?

After a while, Ye Chen didn't want any accidents to happen.

"kill!"

Thinking of this, the talisman in his hand condensed, and Ye Chen once again urged Dao Zun to break the phase formation.

boom...

The thunder and lightning roared, the sword energy raged, and the sword light soared into the sky.

Dao Venerable Posing Phase Array gathered together, like a giant sword intent, swooping down, with the light of hell, heading towards Shali swallowing.

"No... Ye Chen, don't you think about it..."

The terrifying murderous intent swept over, and Shali's whole person seemed to fall into the **** of Jiuyou.

The coldness of death is deep into the bones.

His pupils suddenly dilated, and he roared in despair.

He sacrificed the magic weapon in his hand with all his strength, and danced the long sword in his hand to block the strangulation of the formation.

Ding Ding Ding...

There were bursts of crisp clashes.

The fire burst out, with screams.

Flesh and blood fly all over the place.

In the thunder and lightning, the bones quickly turned to ashes!

Shali, who was already seriously injured, hadn't even gotten a foothold, how could he contend with Ye Chen?

Death is his only end!

Until the last scream fell, until the sword energy in the vertical and horizontal directions gradually dissipated, the soul-suppressing sword returned to Ye Chen's hand, until the thunder and lightning gradually receded, the world became deep and dim again, and the Ye family fell into a deadly silence again. among.

A hint of cold wind is still whistling, and there is a kind of deathly silence!

Shali?

He never even left a piece of flesh.

In the thunder and lightning, Shali's whole person was completely turned to ashes!

Ye Chen completely crushed Shali.

The monk in the spiritual world? so what?

Now in front of Ye Chen, it is nothing more than an ant-like existence!

The key is that he holds the supreme sword of Chen Tianli, the sword master of Wandao!

Not only that, he also has the power of Zhen Lei Zong Duan Lei Ren!

These two powerful things alone are enough to make him unstoppable!

This is Ye Chen's greatest confidence.

Looking at the blood mist, Ye Chen quickly took out a few Qi Gathering Pills. The pill made his Dantian's true qi a little bit more.

Ten Thousand Swords Returning to the Sect and Lei Dong Nine Heavens are good, but the only flaw is that it consumes too much energy.

Although his dantian has expanded a bit after entering the true element realm, it is still not enough.

After all, the ancient and powerful things, even if they are low-level, are supreme beings for China and even Kunlun Xu.

Ye Chen glanced at Xia Ruoxue~www.mtlnovel.com~ and quickly walked over, and said with concern: "Did that guy hurt you just now?"

"Sorry, I was late."

Xia Ruoxue's eyes were red, and crystal tears fell, which were tears of joy.

Even the pain just now is nothing.

As long as Ye Chen comes back safely, it is enough.

In the past few days, the entire China has been telling about Ye Chen's death in battle.

even sang Yejia.

After all, without Ye Chen, the Ye family is nothing.

Fortunately, the old man in Huaxia used his strength to protect the Ye family.

Otherwise, the Ye Family would have fallen apart a long time ago.

Xia Ruoxue hugged Ye Chen tightly, trying to get everything from him.

didn't even plan to let go.

At this moment, Xia Ruoxue discovered something, widened her eyes, and pointed in the direction of Sha Li's death, where a black mist slowly condensed.

"Ye Chen, look at..."

Ye Chen heard the sound and glanced in Xia Ruoxue's direction. In the next second, his expression completely changed.

A part of Shali's spirits were not destroyed?

Once the black mist is let go, the consequences will be disastrous!

He must erase everything!

no longer hesitate, Ye Chen headed towards the black mist!

The black mist has condensed into a shadow. When he saw Ye Chen coming, he gave a weird smile, and then went straight into the ground.

"Ye Chen, although I am dead, you have completely offended Elder Zheng. After today, Elder Zheng will personally come out! At that time, no matter what means you use, there will be a result, that is death!"

Chapter 558: I still have this answer

Shali knew very well that he must transmit the information at all costs, otherwise the consequences of Ye Chen's growth would be disastrous!

Seeing that he was about to disappear into the ground, suddenly, a pair of big hands carried the tumbling energy and directly impacted!

"Boom!"

Ye Chen directly hit the ground with a punch!

In an instant, the rocks are flying!

A full two-meter deep pit is directly condensed!

The shadows are completely revealed!

"Hmph, I want to escape! Did I give you a chance?"

Ye Chen condensed a drop of blood, and at the same time sacrificed his life charm!

Countless lightning condensed on the palm of your hand!

Five fingers penetrated the black mist directly!

"You can't catch me! Haha!" Shali smiled ferociously.

But he didn't notice that Ye Chen's expression was full of confidence.

"Sorry, you are wrong. My thunder and lightning are not ordinary thunder and lightning, but sky thunder! It is enough to shatter the soul!"

The words fell, Ye Chen suddenly closed his five fingers.

The power of the sky thunder on that arm seems to be turned into countless blades, tearing the air crazy!

That black mist was cut into countless pieces on the spot!

The ferocious and painful voice resounded!

Shali never thought Ye Chen would have such a trick!

But he reacts now, there is no chance at all.

Everything disappeared!

After doing all this, Ye Chen retracted his hand and glanced in the direction of Kunlun Xu, his eyes were grieving.

"Blood alliance, revenge has just begun! And! Elder Zheng? It seems that you are the man behind the scenes, and my father should be trapped by you. In that case, you will be the next one!"

Ye Chen's smile was extremely cold and cold to the bone.

.....

At the same time, Kunlun is empty, the land of blood alliance.

Inside an aura-filled house.

Elder Zheng is playing chess with another elder in the blood alliance.

The two have met their opponents and have been playing for two full hours.

"Old Zheng, it's up to you to settle down."

the old man reminded.

Elder Zheng nodded, holding a Baizi with his two fingers, his expression completely changed when he was about to fall.

Shali is the most important person around him, so he left a connection in his mind.

This connection can perceive all the states of Shali from thousands of miles away!

At first, he felt that the connection was weak, and he didn't care too much.

But when this connection completely dissipated, he felt something was wrong!

Shali is dead!

Even the soul is gone!

Who is it!

Who has such a method!

Shali's mission this time is to China!

His realm is the sixth level of the ascension realm!

Ye Chen, the first person in China, died, who else in China can stop Shali?

Even if Ye Chen is still alive, no one can shake it!

What happened to Huaxia!

An invisible anger burst out, no one understood the anger in Elder Zheng's heart at this moment!

As the elder of the purple robe of the blood alliance, he has a distinguished status. He has never been so suffocated!

It depends on the owner to hit a dog!

He is sure that Shali absolutely said his identity before he died! But the assassin did not give up, and even the spirit of Shali was destroyed!

This is declaring war on him!

is declaring war on the entire Kunlun Virtual Blood Alliance!

"Crack!"

The white child between the **** turned directly into powder.

Not only that, but the entire chessboard was shattered in half.

The old man playing chess raised his head, his eyes condensed, and asked: "Elder Zheng, what happened on earth? Why is he so angry?"

Elder Zheng did not speak, stood up, and walked quickly towards the dungeon.

.....

Blood Alliance Dungeon.

Elder Zheng saw Ye Tianzheng.

At this moment, Ye Tian is sitting cross-legged. Although he is not practicing, his heart is as calm as water.

Even the appearance of Elder Zheng did not open his eyes.

Elder Zheng clasped Ye Tianzheng's neck and violently lifted the other person up, then thought of something, and threw Ye Tianzheng on the stone bed.

"Ye Tianzheng, I ask you, Huaxia Ye Family, besides Ye Chen, what other strong people will shelter you?"

In Elder Zheng's view, someone must secretly take action!

and the strength is extremely terrifying!

Ye Tianzheng opened his eyes, glanced at Elder Zheng, and said with a sneer: "There are only a few people in my Ye family, who will help us? Seeing that you look so frustrated, you should have eaten it on my son's hands, haha, I have reminded you many times that anyone can provoke, but Chen'er cannot be provoke."

The aura of Elder Zheng burst out, killing intent to the sky, and an invisible aura immediately rushed towards Ye Tianzheng!

The wrath of the strong is not something ordinary people can bear!

This evil spirit is like a sword with a handle, ruthlessly stabbing towards Ye Tianzheng!

But before piercing Ye Tianzheng's body, a burst of yellow light burst out of Ye Tianzheng's body!

The light forms a barrier, blocking everything.

The evil spirit dissipated completely.

Elder Zheng was taken aback, and then he forcibly suppressed his anger.

This kind of barrier has appeared many times, and Ye Tianzheng seems to have a force in his body to forcibly protect Ye Tianzheng.

The key power cannot be broken even by him.

is extremely strange.

He was certain that Ye Tian was Fan Gen, without any blood.

But such an ordinary person, why does this appear on his body?

Elder Zheng felt a little headache. During this period, the appearance of the kid completely disrupted all his positions.

Now that kid is dead, still the same.

Elder Zheng glanced at Ye Tianzheng and snorted coldly: "There is something that may disappoint you. Your son Ye Chen has been suppressed and killed by the strong of my blood alliance, and there is not even a corpse."

"Impossible! Chen'er has the ability to reach the sky~www.mtlnovel.com~It is impossible to have an accident!"

Ye Tianzheng roared.

"Believe it or not, I don't have to lie to you about this kind of thing! Now, I will give you a chance to survive. Who else in your Ye family besides the three of you? In other words, who will help at this time you?"

Ye Tianzheng turned his head and said, "I don't know! No matter how much you ask, I still have this answer."

"Things that do not live or die, if it weren't for you to have value, I would have done it! I will give you an hour to consider, if you don't say it, I will make you pay a painful price!"

Elder Zheng finished speaking, and he flicked his sleeves and went straight to the outside.

Shali's accident made him have to visit China in person.

Hua Xia, whom he has always looked down upon, seems to be undergoing some kind of tremendous change.

Even, it may threaten the development of blood alliances.

.....

China Yejia.

After solving Shali, Ye Chen condensed a new formation for the Ye Family.

Now he has stepped into the third level of the True Element Realm, and has received a lot of guidance from Chen Tianli. The condensed formation is naturally much stronger than before.

If it wasn't for the formation to buy time for him, the consequences would be disastrous.

Xia Ruoxue silently stood by Ye Chen's side, and Ye Chen asked her to help, and she did.

"By the way, what about my mom and the others?"

Ye Chen asked.

"Since the news that you had an accident, everyone didn't believe it in their hearts, and then unanimously decided to go to the training room to break through. Now they should be at the critical point of the breakthrough, and they haven't come out yet."

Chapter 558: This is your only choice

"If Auntie, Sun Yi and Zhu Ya know that you are okay, they will be very happy."

Xia Ruoxue grabbed Ye Chen's hand and explained.

Ye Chen glanced at the practice room, naturally he could feel the breath of breakthrough of different sizes.

The room in the middle of the room has a strong breakthrough breath. If you guessed it correctly, it should be your mother.

Before I knew it, my mother had reached the pinnacle of aerodynamics.

There is no such a heaven-defying existence in the reincarnation cemetery. It is completely dependent on the talent and the pill that he gave, and can break through so quickly, even if it is put in Kunlun Xu, the mother is considered a talented person.

Ye Chen and Xia Ruoxue waited for a long time outside the practice room, but found that there was no sign of the end of the breakthrough.

"Ruoxue, or else, you take a rest first, you shouldn't sleep well these days."

Xia Ruoxue shook his head. Although there was a hint of sleepiness, she still silently guarded Ye Chen's side: "I am not sleepy. If you are sleepy, I would like to sleep with you for a while."

Ye Chen smiled, and said: "Okay, I'm sleepy, let's go to rest together, they should not make a breakthrough so quickly."

"Ok."

Xia Ruoxue and Ye Chen went directly to the third floor room.

hugged each other on the bed. Not long after, Xia Ruoxue closed her eyes and fell asleep deeply.

Looking at such a beautiful girl lying beside him, Ye Chen's mouth showed a smile.

should be his most relaxed state these days.

But there are too many hidden dangers in this state.

The blood alliance is immortal for a day, and the troubles are endless.

There is also the Falling Sword Sect. I guess I also noticed that the disciple from the Falling Sword Sect has had an accident. According to the character of this big sect, I will never let myself go.

It is estimated that it will not be long before the elder Zheng of the blood alliance and the stronger existence of Sword Falling Sect will sweep the storm.

The only way to be truly peaceful is to destroy these two sects.

He is definitely not strong enough right now, but someone can.

Ye Chen took out the small black stone, his eyes condensed, and he came to the reincarnation cemetery again.

The reincarnation cemetery is extremely quiet.

A misty figure full of thunder and lightning turned its back to Ye Chen.

"Have you finally thought of my existence? The matter is over? How powerful is my thunderous nine days?"

Duan Leiren turned around and looked at Ye Chen interestingly.

Ye Chen nodded, he just used part of the power of Thunder Nine Heavens and it was so terrifying.

If all the power is released, it is enough to suppress the strong one.

"Master, the thunderous nine days is far beyond my imagination."

Duan Leiren was quite satisfied with the answer, his expression lightened a little: "You have that natal talisman on your body. It will be easier to learn my exercises. The most important thing is that you can absorb the sky thunder."

"Tian Lei is the most powerful lightning element in Huaxia or Kunlun Xu. It is very difficult for ordinary people to bear it. But here, Tian Lei has become your natal amulet tonic. If you practice mine, it will be better than Most people get a lot faster."

"Are you ready now?"

He thought Ye Chen would agree to it immediately, but he didn't expect Ye Chen to refuse.

"Master, I still have things to deal with right now, I will come to study later."

Duan Leiren didn't force it, and nodded: "Also."

At this moment, he noticed that Ye Chen was walking in one direction of the reincarnation cemetery. He quickly stopped and picked up two broken swords.

Cut the Dragon Sword.

On the top of Kunlun Mountain, the Dragon Slashing Sword was completely broken in order to protect the lord.

Even the sword spirit is extremely weak.

The damage is severe.

Back then, Ye Chen exchanged the broken Dragon Slashing Sword from Lu Hanshuang, and repaired and built it at Zhu's house.

But I didn't expect that the Dragon Slashing Sword had not lasted for half a year.

In the past six months, if he hadn't been guarded by the Dragon Slashing Sword, he would not have been so smooth.

There has long been emotion between Ye Chen and Zhanlongjian.

Chen Tianli said that this was a chance for the Dragon Slashing Sword, but right now, Ye Chen didn't know how to fix it.

The aura of the Dragon Slashing Sword is passing frantically, and it is estimated that it will become a pile of scrap iron in a short time.

Duan Leiren naturally noticed Ye Chen's thoughts, and smiled: "Boy, you care about this sword, but this sword is very difficult to use, unless..."

Hearing the word "unless", Ye Chen's eyes brightened and he said excitedly: "Master, can you fix it?"

Duan Leiren shook his head: "Repair is impossible, but you can give this sword a new meaning."

"What do you mean?" Ye Chen asked curiously.

Duan Leiren shook his five fingers, and the two severed swords were instantly surrounded by lightning, and they were suspended above the sky.

"Although the material and elemental power of this sword are good, it is far from some of the top materials of Kunlun Xu."

"He is in this state, even if it is repaired, it does not make much sense, but you can let it rebirth."

"The sword spirit of this sword, I will stabilize it with the meaning of thunder soul. This sword spirit is the most important existence for you. The sword spirit is the same as the human soul. If the sword spirit is placed in it, doesn't it mean that it is reborn?"

"This is only good for you or this sword."

Ye Chen nodded, but it was impossible for him to build a strong sword with his sword casting method.

Although he knows a little bit, he is not that professional.

If you build a general sword and put in the sword spirit, it will only be wasted.

What did he think of, he looked at Duan Leiren, and said, "Master, please point out a famous way to Tu'er."

Duan Leiren nodded ~www.mtlnovel.com~ stretched out his finger, pointed at the remaining two tombstones that could be moved, and said lightly: "I don't know how to make swords, but I know that one person in the reincarnation cemetery understands. If he helps, everything The problem will become extremely simple!"

Ye Chen's eyes fell on one of the tombstones.

The tombstone seemed to be burned by flames, and the whole body was red.

"Is this a master swordsmith?"

"He is not a swordsmith, but he is respected by countless swordsmiths."

Ye Chen just wanted to try to induce a shock from the outside world. In desperation, he could only leave the reincarnation cemetery.

My pocket phone rang.

is a strange number.

Ye Chen pressed the answer button.

"Ye Chen, I have to say that from Xiangjiang to the capital, many of your things have greatly exceeded my expectations, but this time you are lucky to live, and those sects of Kunlun Xu will never let you go."

"As far as I know, the Fallen Sword Sect has already emerged from Kunlun Xu, this time it is not a small person, among them is the Sect Master of Fallen Sword Sect, and there is even a more noble existence."

"If I were you, I would choose to leave China."

"This is your only choice."

The old voice on the phone resounded.

Ye Chen frowned, felt familiar, but couldn't tell the details: "Who are you?"

"For the sake of your grandfather's face, I am willing to take you to a place away from disputes. Your grandpa laid out at the cost of his life. He doesn't want you to die early, and I don't want it. What you do is no longer controllable. Go, the consequences are serious."

Chapter 559: Your life is worth

Is this old man the friend whom Grandpa said?

"Are you the friend of Grandpa Xiangjiang?"

Ye Chen asked.

There was no answer on the other end of the phone.

After a long silence, he said: "I just got the news that Sword Sect Luo has stepped into the capital and is coming towards the Ye family."

"There is not much time to explain. If you agree with me to take you away, I will be at Ye's house within a minute."

Ye Chen frowned and said, "Then what about my mother and the rest?"

The old voice sounded again: "Their lives are worthless, only yours is worth. I can only take you away."

Ye Chen sneered when he heard such inexplicable words: "That's not necessary, I can solve my problem by myself."

Afterwards, the phone hung up directly.

At the same time, on the top floor of the Maoyuan Building in the capital, an old man holding a gourd jug shook his head helplessly, holding the phone and turning it into powder instantly.

He picked up the hip flask, took a sip, looked in the direction of the Ye Family in Jingcheng, and muttered: "Old man, I have given your grandson a chance. He doesn't cherish it. He stabbed such a big basket. There is no sense of crisis at all."

"Your plan will die sooner or later, but that's fate."

At the end of the speech, the old man took another sip of wine, and then jumped directly from the rooftop and disappeared into the air.

After Ye Chen hung up the phone, he glanced at Xia Ruxue who was sleeping, his fingers pinched, and a masking formation formed.

It's time to come.

I didn't expect it so fast.

Then he will take care of the next thing.

Falling Sword Sect?

Sovereign came to China in person, it was interesting, really interesting!

There is another noble person?

No matter how noble, what if it comes!

He now has Duan Leiren, and there are two other tombstones to inspire.

What is he afraid of?

It just so happened that Sword Falling Sect was always a threat, since it has come, just wipe it out!

When the affairs of the Fallen Sword Sect were finished, he personally went to Kunlun Xu to find the blood alliance!

Ye Chen came to the training room and also set up a large shielding formation.

He didn't want the noise outside to make his mother and others break through cultivation.

Then he moved a chair and sat in the middle of the door of the Ye family.

He even lit a cigarette, leaning against it, vomiting fog.

It seems to be very leisurely.

Ten minutes later.

There were a few cigarette butts under Ye Chen's feet, and the sound of footsteps in the distance finally came.

Falling Sword Sect, here comes!

In two days, the sword sect fell up and down shaking!

Because the elders and disciples who went to China are all dead!

This is already a big deal for Falling Sword Sect.

Originally, the Sect Master shouldn't have intervened personally, but in the past two days, a noble elder of the Ten Thousand Sword Sect happened to be in the Fall of Sword Sect!

And the elder of the Ten Thousand Sword Sect once said that if the group of people is unbalanced, he is going to China and can help Fallen Sword Sect to settle the matter!

How could Sect Master Falling Sword let such a noble person solve such a trivial matter!

So I can only accompany me personally!

Just take this noble person to China for travel!

After a short while, they came to the door of the Ye family.

Seeing a man in casual clothes sitting at the gate of Ye's house and smoking a cloud of smoke, everyone frowned.

They naturally knew that this child was Ye Chen!

Ye Chen, whose hands were stained with the blood of the elder and disciples of the Falling Sword Sect!

Sect Master of Falling Sword Sect is extremely angry!

This kind of murderous demon is still in the mood to smoke here!

Wan Jianzong Elder Shen Shixi glanced at Ye Chen who was smoking, with a hint of interest in his expression: "Sect Master Sun, that kid seems to know that we are coming, waiting for us, it is interesting. Such a confident existence, I saw it the first time. ."

Shen Shixi didn't have much hatred for Ye Chen. His main purpose of coming to China this time was not Ye Chen, but to find the Senior Sword Sovereign.

Wan Jianzong finally traced to China through some means.

As for where the strong senior is in China, they don't know.

The only clue is a piece of jade pendant.

Anyway, when you come to China, you can only try your luck.

If Luo Jianzong can't solve the kid, he will take action by the way and sell his favor.

When Sect Master Sun heard Shen Shixi's words, his face was a little bit uncontrollable, and he said to a disciple next to him: "Xuan Yi, you go and try that kid's depth, I'm curious, this kid is only true essence realm cultivation base, **** I have so many strong people in the sword sect!"

"Yes!"

A young man with cold eyes stood up!

The young man's name is Xuan Yi!

One of the geniuses of Falling Sword Sect!

At the age of thirty-five, he entered the first level of the Ascension Realm!

In everyone's eyes, it is enough to crush!

"Sect Master, I'm here to kill this little trash to avenge the dead Sword Falling Sect!"

You can't let Ye Chen go arrogant, otherwise, how could the sword sect of the Fallen Sect still have a face to stand on the Kunlun Xu Earth?

Thinking of this, Xuan Yi burst out.

"Murder demon Ye Chen, today, you take your life!"

With a long scream, Xuan Zhou's momentum skyrocketed, and his murderous intentions were revealed.

brush!

In the long howl, I saw Xuan Yi's figure transform into a stream of light, like a sharp sword shooting out, with aura.

call!

A gust of wind swept!

The fist wind exploded, and Luo Jian Zongxuan's pair of fists blasted out of thin air, shaking the world.

Seeing Xuan Yi's move, everyone's mouth showed a hint of playfulness.

They saw the gap between Ye Chen and Xuan Yi at a glance.

This is almost a crushing game.

The result is obvious.

Ye Chen naturally noticed the other party's killing intent, and calmly pinched out the cigarette in his hand.

"So despise me?"

"Do you think your strength can fight me? The worm shakes the tree and seeks his own death!"

Xuan Yi's murderous intent was full, and Ye Chen was naturally no longer polite.

Seeing Xuan Yi who was in front of him, Ye Chen's eyes were cold!

Xuan Yi's aura is quite powerful, but compared to Shali, it is much worse!

With such strength, want to kill yourself?

This Fallen Sword Sect looked down on himself too much.

That being the case, he has to pay the price!

"Let's start with you!"

Thinking of this, there was a long roar, Ye Chen's aura soared!

Pedal!

The long wind and waves stepped out, Ye Chen went straight to the sea!

Facing the throbbing Xuan Yi, Ye Chen didn't mean to shrink at all. A person who has stepped into the Immortal Ascension Realm by relying on medicinal pills, the actual combat power is only the True Element Realm!

Want to be presumptuous in front of Ye Chen today? There is no tricks~www.mtlnovel.com~ There is no tricks at all, facing the opponent's double fists, Ye Chen blasted out a fist.

boom!

The roar exploded like thunder, setting off stormy waves.

"No, Xuan Yi retreat!"

Seeing the momentum of Ye Chen's punch, the pupils of the Sect Master of Falling Sword Sect shrank, his expression changed drastically.

Prior to this, all the elder disciples sent out were dead. In his opinion, Ye Chen should have used some small tricks.

Or, there is an expert who takes the shot!

Now, as soon as Ye Chen made his move, it made the Sect Master of Falling Sword feel uneasy.

It is not fear, but this punch is not the power of the third layer of the True Element Realm at all!

What a powerful punch, what a violent punch!

Chapter 560: Shocked!

"Quit? It's too late!"

While the Sect Master of Luo Jian Sect exclaimed, Ye Chen's sneer had already come.

Since I look down upon myself, I have to pay the price.

He never thought of provoke the Fallen Sword Sect, but the Fallen Sword Sect was aggressive again and again!

Today, Ye Chen wants to get back what Luo Jianzong owes him!

kill!

Thinking of this, Ye Chen's expression condensed, and Ye Chen shouted.

Boom!

The fist wind suddenly soared, and a fist blasted a yellow light all over the sky, like a raging fire, sweeping the wasteland!

boom!

The dull crash sound came the next moment.

Click!

What erupted at the same time as the impact was the crisp sound of bone cracking.

"Ah!"

Xuan Yi, who was still frantic before, let out a heartbreaking howl.

With this punch of Ye Chen, when he confronted him, he broke open his fist and broke his arms!

"Huh! Die to me!"

The person who fell in the Sword Sect today wants to kill himself? In that case, why should Ye Chen keep his hands!

Direct suppression!

Xuan wanted to kill himself, then Ye Chen would kill him first!

There was a long roar, and the power of the punch was undiminished.

rumbling!

Ye Chen's attack smashed Xuan Yi's arms with a force of destruction.

boom!

Then, the Yu Wei of the punch fell directly on Xuan Yi's chest!

Click!

There was another crackling sound.

Visible to the naked eye, Xuan Yi's chest collapsed under the terrifying destructive power.

Puff puff!

Blood spurted wildly, with a trace of visceral fragments.

Xuanyi couldn't even scream out at this moment.

He opened his mouth wide, his eyes widened, and his eyes were bloodshot.

He looked at everything in front of him incredulously, and looked at Ye Chen in front of him.

"How can the True Element Realm be so powerful!"

Xuanichi couldn't believe it.

Ye Chen, just over twenty years old, is he so powerful?

How could this be?

It's no wonder that the strongest swordsmen who stepped into China all died.

I underestimated Ye Chen! Own, this time, it's over!

His eyes gradually lost consciousness, and Xuan Yi's heart was filled with regret afterwards!

boom!

Until a huge impact exploded again, Xuan Yi's body was blown out like a kite with a broken line, and fell under the feet of everyone in the Falling Sword Sect, and the world became clean.

was taken aback for a while, and looked at Xuanyi, who was **** and breathless, and the few Sword Sect members present were crazy, they were all crazy!

Everyone can't accept what's happening in front of them.

How could this be?

With one move, Ye Chen actually used the power of destroying the dry and decayed to kill Xuan Yi who stepped into the Immortal Ascension Realm?

Although Xuan Yi has just stepped into this realm, he is also a powerhouse in the Immortal Ascension realm, not the late True Yuan realm!

How did this kid do it? How strong is he?

"Ye Chen, you dare to kill my apprentice of Deng Botian! I want you to pay for it!"

In the midst of grief and indignation, the sword sect is a middle-aged man with a roar, bursting out!

He is the master of Genichi!

Falling Sword Sect Deng Botian!

Seeing the figure that burst out, Ye Chen did not react at all, but sat back in position! Another cigarette was lit.

Although it seemed relaxed, Ye Chen couldn't help but shrink as he felt Deng Botian's aura.

"The Late Stage of the Ascension Realm?"

Ye Chen was a little surprised.

As for the specific realm, Ye Chen couldn't detect it.

"But you want to kill me? It depends on your ability!"

Although he was surprised in his heart, Ye Chen's expression never changed at all.

A person in the late Ascension Realm wants to kill himself? You have to look at it, if you can't agree.

A Xuan Yi is far from enough to make Falling Sword Sect pay a sufficient price.

Deng Botian's fate, he also wants Ye Chen.

"kill!"

Thinking of this way, Ye Chen didn't have the slightest fear, and killed Deng Botian, and at the same time, the blood dragon and the life charm were sacrificed.

Not only that, part of the power of Thundering Nine Heavens is also absorbed!

This is equivalent to a trace of his power in controlling Duan Leiren!

is comparable to the powerhouse of the Immortal Ascension Realm!

Since I want to kill, I will kill it.

A Xuan Yi is not enough to make the sword sect hurt? What if Deng Botian is added? What about Falling Sword Sect?

The smile that emerged from the corner of Ye Chen's mouth was very cold!

"Ye Chen, you have a big tone!"

Ye Chen's rude words made Deng Botian even more angry.

If you don't kill Ye Chen today, how does his Deng Botian gain a foothold in the Sword Sect? How does he succeed as the elder of the Fallen Sword Sect?

"Through Cloud Palm!"

In the roar of , I saw that Deng Botian's palms overlapped and burst out suddenly.

In the blink of an eye, in front of Ye Chen, there were palm shadows.

A group of palm shadows, like a star or meteorite, fell towards Ye Chen.

"Wear cloud palm? Hahaha I wore your cloud palm today!"

This cloud palm, the momentum is amazing. Unfortunately, the power is still a bit worse. It looks like a palm shadow, but it is full of flaws. At the very least, this Deng Botian has not cultivated home!

The fist palm skills taught to him by the evil fist sect Luo Yuntian, any one of them is enough to break through the cloud palm!

You want to stop yourself with such moves?

Ye Chen sneered!

This Deng Botian is just looking for death! Since he was looking for death, Ye Chen fulfilled him.

"Break it for me!"

The figure shot out, and Ye Chen blasted out with a roar.

went straight to the flaw of the sky full of palm shadows.

Boom!

The muffled sound exploded, and the wind swept across.

The sky full of palm shadows, under this blow, Shengsheng was torn out by Ye Chen.

"Canglong phantom body is determined!"

Stepping on the Canglong phantom body, he didn't pay attention to the surprised Deng Botian at all, Ye Chen flickered.

"No, Elder Deng, avoid it!"

The voice of Sect Master Falling Sword came again.

Obviously, he noticed something wrong.

It's a pity that far water can't save near fire.

Wait until Deng Botian realizes something is wrong, is it too late?

Ye Chen looks like a ghost, but he has already appeared next to Deng Botian.

"Tie Shan Kao!"

Walk like the wind, move like a tiger!

A note sticks to the mountain, shocking all directions.

boom!

Twist and exert strength!

There was a dull impact like a muffled thunder exploding, Ye Chen's body violently collided with Deng Botian.

For an instant, the sound of bone fracture can be clearly heard.

"what!"

Among the heart-piercing screams~www.mtlnovel.com~ Deng Botian's whole body is like a sandbag, but Ye Chen flies out.

Blood was all over the sky, Deng Botian's entire back seemed to collapse.

With this blow, Ye Chen really hit Deng Botian's body.

Deng Botian, who was caught off guard, how could he withstand the full blow of this mountaineering?

At this moment, although he was still hanging, but, I am afraid that the bones of his whole body were already broken in the blow of Ye Chen, right?

Even if he can't rescue him in time, this Deng Botian will undoubtedly die.

"Do you still want to kill me?"

Deng Botian was hit hard with one blow, and Ye Chen was like a rainbow.

Looking at Deng Botian flying upside down, he screamed and chased away.

Kill you while you are sick! At this moment, Ye Chen planned to kill Deng Botian directly.

"Asshole! Ye Chen, don't want to be presumptuous!"

"Ye Chen, you don't want to succeed!"

"Ye Chen, stop!"

Ye Chen's murderous pursuit by Ling Ran shocked everyone in the sword sect.

Xuanyi is already dead, does Ye Chen really want to kill Deng Botian?

can't do it!

If Deng Botian died, what blow would it have to the Sword Sect?

At this moment, the sword sect fell completely in a mess!
