Chapter 561: Anyone who threatened me is dead

Just when everyone was panicking, Ye Chen had already appeared in front of Deng Botian. Top point

Five fingers tore through the air, and slammed them on the opponent's neck.

Even because of the force, Deng Botian's neck has already appeared a trail of blood.

Shocking.

At this time, those strong swordsmen who are ready to do it dare not move.

The atmosphere is suppressed to the extreme.

An elder who had a good relationship with Deng Botian in the Fall of Jianzong took a step forward and threatened: "Ye Chen, if you dare to kill Deng Botian, the consequences will be very serious!"

"This is a warning for you! If you move him, not only the Ye family will be buried for you today, but the entire Huaxia will be buried for you!"

Sect Master Sun did not continue to speak at this moment, he was holding a short sword in his hand.

Short sword aura overflows.

In his eyes, Ye Chen is certainly strong, but there is no way out.

If he does, this child will die.

It's just that he doesn't want Deng Botian to have an accident.

This kid's life is worthless for Deng Botian's life.

Wan Jianzong elder Shen Shixi glanced at Sect Master Sun, with a very interesting taste: "This kid is a bit interesting. It is clear that the True Primordial Realm can actually fight against the powerhouse of the Immortal Ascension Realm. Kunlun does not lack the existence of such leapfrog killing, but this kid comes from China.

Huaxia's aura is so thin, I am curious, how did he do it? "

Sect Master Sun was taken aback, glanced at Shen Shixi, and said: "My lord, do you want to protect this son?"

Shen Shixi shook his head: "Why do you want to protect him? No matter how talented he is, in the eyes of my Wan Jianzong, it is nothing! You kill and kill. By the way, your people don't seem to be good. Do you need me to suppress it? "

When Sect Master Sun heard these words, he shook his head like a rattle: "My lord, you are killing me, killing this kid, I can fall into the Sword Sect, you don't have to worry. Those people just tried this kid's It's just shallow..."

Shen Shixi narrowed her eyes slightly, and put her hands on her chest without any fluctuations.

"Good too."

In fact, Shen Shixi still has a doubt in his mind, that is, Ye Chen's boxing methods and methods seem simple, but they are not like the products of Huaxia and Kunlun Xu.

even has the meaning of returning to the basics.

For a moment, he even felt that every move Ye Chen used was from ancient times.

But soon, he shook his head and said in denial: "I think I think too much, but I don't know how this kid's swordsmanship is."

"If this child is talented in swordsmanship, Wan Jianzong may consider taking someone from the hands of Falling Jianzong."

At this moment, the atmosphere in the arena is extremely strange.

Sect Master Sun doesn't want to drag on any longer, if Sword Falling Sect can't deal with a Chinese True Essence Realm kid, what would the Elder Wan Sword Sect beside him think?

Maybe all the good impressions accumulated in the past few days collapsed!

Thinking of this, Sect Master Sun motioned a bit.

The strong Sword Sect or the elders around him naturally understood something, and the figure surged and immediately wrapped Ye Chen.

Ten powerhouses in the ascension realm!

Deal with a young man in the real world!

enough!

Those who are strong in the sword sect even pinched their fingers, and then the long swords danced, and countless sword lights interlaced in the sky!

seems to form a big net, covering everything.

Ye Chen, there is nowhere to escape.

Sect Master Sun seemed to have eaten Ye Chen, and said: "Ye Chen, you have no way to escape now. If I were you, let Deng Botian go."

"According to our investigation, your mother should be in Ye's house. Also, you seem to have a few confidantes. Even if you don't think about it, you must also consider your mother."

"Are you going to let these people pay for your mistakes?"

"I will give you the last chance to let me go from the Sword Sect. I will only pursue you for this matter, not anyone!"

After finishing speaking, Sect Master Sun put his hands behind him, waiting for Ye Chen's answer.

The ten masters of the Immortal Ascension Realm of the Fallen Sword Sect are released!

ready to do it anytime!

You must not stay here!

Deng Botian smiled gloomily when he saw the realm here!

"Ye Chen, you dare not kill me!"

"Although the Falling Sword Sect is not a big sect in Kunlun Mountain, it is not something you can provoke!"

"If you dare to hurt me again, believe it or not, your mother and woman will be played by me in the end!"

"Maybe I will do something interesting with them in front of your body..."

Just when everyone was sure Ye Chen would choose to let go, Ye Chen raised his head, and his cold eyes scanned everyone.

Then, a faint word sounded: "Are you threatening me?"

"One of the things I hate most is that others threaten my family."

"Anyone who threatens me is dead."

The words fall.

is very calm.

Finally, his eyes stayed on Deng Botian's face.

is extremely cold.

The dragon will die if it touches the scales.

In the next second, in the horrified eyes of everyone, Ye Chen's five-finger violent power burst out!

"Boom!"

A loud noise!

Deng Botian's head was forcibly picked off by Ye Chen!

Blood splashes!

That Deng Botian died and never thought that something would happen to him!

This kid will even kill him in this situation!

Once he dies, this kid will have no support!

Falling Sword Sect's anger, how can he bear it!

Deng Botian's head was casually thrown on the ground by Ye Chen, and even rolled at the feet of Sect Master Sun.

"I killed him, so what?"

Sect Master Sun hadn't spoken yet, among the ten people surrounded, one could no longer sit still!

Do it directly!

didn't even listen to the command of the suzerain!

A lowly person, killing in front of so many people in Sword Falling Sect, if you don't do it, then Sword Falling Sect is nothing!

"Boy, since you like to twist your head so much, I will let you taste it today!"

There was a long scream, regardless of everyone's eyes, that figure flashed and headed straight towards Ye Chen!

After seeing the murderous intent coming straight, Ye Chen's pupils shrank, his eyes filled with cold light.

How can he let the other party succeed?

"Ten Thousand Ways of Sword Technique!"

Wrists shook, and the Soul Sword in his hand! Facing Ma Daoxuan who was rushing forward, Ye Chen swept out with a sword.

Brush!

With the ten thousand swordsmanship cast, the sky is full of sword energy, sweeping towards the opponent.

This sword aura made Ma Daoxuan's figure pause.

"kill!"

As far as Ye Chen is concerned, the amount of effort between his body shape is enough for him to kill the opponent.

The sword's edge has turned, and the murderous shot in his eyes, without waiting for the other party's reaction, Ye Chen's long sword cut horizontally.

"Do not!"

A desperate roar came.

The man made the final roar.

He knew Ye Chen's boxing skills were very strong, but he didn't know that his sword skills were so terrifying!

Just, at this moment, can Roar stop Ye Chen's ultimate move?

As the dull penetrating sound came, as the blood shot, and as the person's body was divided into two parts and fell to the ground, the entire field was silent.

Death silence!

Heaven and earth seemed to stop spinning at this moment.

Chapter 562: This Nima is the True Origin Realm?

The cold wind howled, and the breathing of everyone present could be heard clearly. Top point

Everyone's eyes were focused on the blood on the ground. There is also Ye Chen, standing with a sword in a pool of blood. At this moment, people look up at him like a mountain peak.

How long did Ye Chen kill so many strong swordsmen in front of so many people!

"This kid is crazy!"

The silence lasted for an unknown amount of time, and finally, the people of the Sword Sect who recovered, took a breath of air-conditioning.

"Ye Chen!"

Sect Master Luojian screamed with red eyes.

"Good! Very good! You really have a little courage!"

Sect Master Luojian no longer had the calmness he had before. He rushed into the crowd and stared at Ye Chen fiercely. The murderous intent on his face was no longer concealed!

"Ye family, don't keep alive!"

"Yes, suzerain!"

Nine figures shot out at the same time, facing Ye Chen.

sword, light, sword, shadow, momentum soaring.

The air is full of murderous air.

Facing Ye Chen, they obviously had no fear at all.

With the momentum of the nine people bursting out, they tried their best to show the strength of the Immortal Ascension Realm, and they were even stronger than the few people who were killed by Ye Chen before!

Rao is Ye Chen, he noticed the momentum of the nine people, and his expression changed a bit.

It is impossible for him to deal with the nine with his current strength!

"Nine days of thunder!"

Ye Chen can only release all that power!

Soul Soul Sword is full of thunder and lightning!

A billowing thundercloud even appeared over the capital!

Anomaly!

Everyone in the Fallen Sword Sect saw this scene with weird expressions.

No one would have thought that this kid would cause such a vision!

Sect Master Sun's eyes are gloomy, no longer hesitate, and disappear completely!

At this moment, Wan Jianzong Shen Shixi's expression is a bit strange.

When Ye Chen used the Ten Thousand Dao Sword Technique, he actually saw the shadow of the Ten Thousand Sword Sect sword skill!

Is this a coincidence?

His brows frowned.

And at this moment, Ye Chen naturally no matter what the people think, his complexion is deep, and he let out a cold snort, trying his best to urge the soul calming sword in his hand.

The sword light was overwhelming, and the sword aura was strong, Ye Chenru carried the violent storm and covered it.

"Why is this kid's breath getting stronger and stronger!"

Finally, when Ye Chen showed his aura, the expressions of the nine members of Luo Jianzong couldn't help but change.

True Origin Realm?

Ye Chen's strength is indeed True Essence Realm, but the breath that bursts out makes people frightened.

What seeing is believing is believing, hearing is not, all are deceptive.

What the eyes see is not necessarily true.

Is this the aura that a real yuan realm warrior should have? It's not even weaker than the warriors in the Ascension Realm!

Especially the long sword in Ye Chen's hand, the sky full of thunder arcs that erupted, it was horrified.

This is a magic weapon, and a powerful magic weapon.

Is this Ye Chen's support?

The hearts of the nine people suddenly sank.

"Hurry up! It will change later!"

Although he was shocked in his heart, but thinking that there were nine strong people joining hands on his side, their hearts finally felt better.

There was a long roar, and the nine people fought Ye Chen hard.

Boom!

The wind and rain collided, the light swallowed, and the roar exploded.

Countless thunder and lightning seem to burst out!

The wind rushed into the sky for an instant, and the light bloomed like a volcano bursting.

Under the impact of huge force, the Ye Family's range of tens of meters was flattened, and the vegetation was broken.

The yard was destroyed directly!

Wow!

The power of the competition makes the space seem to be distorted.

Zi Zi Zi!

The friction and collision between the weapons caused Ye Chen and the nine middle-aged men to stand in a stalemate, and the atmosphere became solidified.

"Go away!"

A drop of sweat slid down on his forehead, facing the obstacles of nine middle-aged men, Ye Chen shouted in a deep voice.

The energy in the body burst out desperately!

Boom!

Thunderbolt Nine Heavens. With the release of the Soul Suppression Sword, this energy reached its limit.

The sound of thunder exploded, and among a few muffled hums, Ye Chen and the nine middle-aged men burst back toward the rear.

Clash with one move, with one enemy and nine, regardless of the outcome!

Withdrew more than ten steps, Ye Chen steadied his figure and gasped.

If an outsider sees such a situation at this moment, he will definitely be shocked.

A boy in the True Primal Realm, with one enemy to nine, is actually comparable to nine warriors in the Ascension Realm?

how can that be?

The further the cultivation goes to the back, it can be said that each level is very different.

Awakening Realm, crushing the True Element Realm, can be described as easy.

What's more, there are nine powerhouses in the Ascension Realm?

How could it not be possible to take a person from the True Element Realm?

But now this situation has really happened.

If someone had told this Falling Sword Sect that there would be such a heaven-defying True Element Realm martial artist, they would definitely think this was a big joke.

However, at this moment, the nine cannot laugh anyway!

Because Ye Chen stood in front of them.

"Huh! Divine Ascension Realm? But so!"

Looking at the nine people with uncertain expressions, Ye Chen hummed coldly, without the slightest hint of timidity.

Although one-handed confrontation has never had the upper hand, but he has never been disadvantaged, has he?

The other party may not have tried their best. But Didn't you use your best?

"Ye Chen, don't be arrogant!"

Hearing Ye Chen's mocking cold snort, the nine people's expressions were distorted.

This is a shame.

"Arrogant? Hahaha, what if I am arrogant? Nine of you, can't stop me! If I want to go, who can stop? If you don't believe it, you can try. I will make you **** a thousand feet!"

With a flick of his wrist, Ye Chen's murderous intent was revealed as the sword was facing.

His look is unprecedentedly cold.

He must kill everyone before the thunderous nine days' power is exhausted!

"brush!"

The wrist flicked, and the sword danced.

The zhenqi already accumulated in the body is like a torrent erupting.

"A thousand ways to burn the sky!"

Even, Ye Chen directly displayed Wandao Burning the sky.

This is also one of the swordsmanship Chen Tianli taught him.

This set of swordsmanship might not be the most powerful. However, the speed is definitely the fastest.

What's more important is that these ten thousand ways of burning the sky are elegant and changeable, saving true energy. It is the best choice to face such a situation.

Under Ye Chen's urging, there was a soft groan, real energy and thunder and lightning erupted together, and the soul calming sword rose into the sky.

The blood dragon gushes out!

The thunder of the natal talisman burst out!

Chapter 563: I teach you one trick to break the thunder!

The blood dragon is flooded with thunder and lightning at this moment, unprecedented in history, rushing into the sky and covering the sky.

The phantom body of the Canglong Dragon was shown to the extreme, and Ye Chen's figure instantly turned into several phantoms, everywhere.

A sword blasted out, and the world changed color.

Ye Chen's counterattack began.

Ye Chen walked around these Fallen Sword Sect powerhouses.

The casual clothes on had been shattered a bit.

There are even a few sword marks on him!

How difficult it is to deal with these nine people!

But he also discovered the drawbacks of these people!

Although they are all in the Immortal Ascension Realm, they are not as stable as themselves!

In other words, these people are all made of pill.

And he is the realm of condensation between life and death!

Although the realm of is quite different, but in terms of real strength, there is not much difference!

The sword rises, the sword falls.

Ye Chen seems to bloom in the killing!

At this moment, he understood Chen Tianli's sword skills more and more!

One fell down, two fell down!

At the end, all nine people fell!

There is no power to fight!

And Ye Chen was also panting, his casual clothes had been stained red with blood.

His eyes are bloodshot, terrifying to the extreme!

This seems to be his limit.

But this feeling is so cool!

He even felt a sense of breakthrough!

After this time, he will be able to step into the fourth level of the True Element Realm!

Suddenly, a feeling of coldness came.

Ye Chen shrank his eyes and dodged subconsciously.

But it's too late!

A short sword broke open and penetrated Ye Chen's body directly!

Fortunately, it is not the point!

Ye Chen lowered his head and glanced at the wound, only to find a trace of black spreading.

"Poisonous!"

He no longer hesitated, and took out a pill from the reincarnation cemetery, and the black wound stopped spreading after the pill entered.

He swept in the direction where the short sword was shot, it was Sect Master Sun of the Fallen Sword Sect!

At this moment, Sect Master Sun is murderous, covering the sky, and terrifying.

Who would have thought that when dealing with a nasty kid, everyone he brought out would fall!

Falling Sword Sect was almost a serious injury!

The price is too great!

He is angry!

"I underestimated you, but now you must die!"

With his eyes, he looked at Ye Chen like a dead person.

"Stop talking nonsense, fight if you want to fight."

Ye Chen didn't want to talk nonsense with this Sect Master Sun.

Although he knew that he was invincible, he still wanted to feel the strength of some Kunlun Xuzong Sect Sect Master!

He wants to know how much he still has a gap!

Even if he loses, he still has the last hole card!

But this hole card is only used when it is most critical!

Ye Chen didn't want to rely on him!

"Dead!"

Sect Master Sun condensed his eyes and shouted loudly.

brush!

With a long scream, Sect Master Sun suddenly disappeared in place.

"So fast!"

A huge crisis spread towards Ye Chen instantly.

"not good"

In an instant, a breath of death enveloped him, and Ye Chen's expression changed drastically.

"Go away!"

Regardless of everything, Ye Chen held a long sword on his face and swept forward.

Ding!

just a moment, there was a crisp crash.

Boom!

The terrifying roar exploded.

A mouthful of blood spurted out, and Ye Chen's face became pale. He was blown out like a boulder.

Above the Soul Sword, the light of thunder dissipated, suddenly depressed.

The power of thunderous nine days has disappeared!

boom!

Ye Chen fiercely fell on the ground seven or eight meters away, only feeling that his body seemed to be shattered.

was just a confrontation, and he suffered a heavy blow without even seeing how Sect Master Sun made the move?

Is this the strength of Sect Master Sun?

With a horrified heart, Ye Chen struggled to get up and looked at Sect Master Sun who appeared in the place where he stood before, Ye Chen looked surprised.

"I am the pinnacle of the Immortal Ascension Realm, even a half-step Transcendent Realm, you still want to struggle!"

Sect Master Sun sneered again and again.

If it wasn't for the elder of Wan Jianzong by his side, he didn't want to bully the small with the big, otherwise he would have taken action early!

Now, he can't care so much!

"Fall sword, suppress!"

When 's words fell, he saw Sect Master Sun pinching a rune, his wrist flicked, and a sharp sword appeared as if it broke through the air, turning into a flying rainbow, and shooting towards Ye Chen.

How fast is this sharp sword shot? Such as tearing the space, bringing a low and sharp sound, like the sickle of the **** of death, with the death breath of judgment.

With this sharp sword shot, it was just an instant that the whole world seemed to freeze, and the entire time and space seemed to freeze.

Ye Chen only felt that he was plunged into the mud, unable to extricate himself.

That long sword completely locked his breath, Ye Chen was inevitable.

The huge crisis has already enveloped.

"What a terrifying sword spirit!"

"Is this the strength of a half-step transcendent realm powerhouse? This sword is the power of the flying sword?"

Rao is Ye Chen. Seeing the sword light rushing, he couldn't help but breathe in the air.

The sword kills?

This Sect Master Sun is a half-step Transcendent Realm. However, not all people who step into the transcendental realm have such means. This requires a deep understanding of kendo, but also a strong support!

Besides, there is too much gap between this method and Chen Tianli!

Maybe ordinary people can lie, but they can't lie to him!

This sword looks like an imperial sword to kill people, but there are tricks in it!

Sect Master Sun has a cold smile on his mouth.

He is in charge of everything.

This sword was actually made deliberately by him!

He wants to show it to the elder Wan Jianzong beside him!

Ye Chen, can't stop it at all!

And Ye Chen at this moment is Duan Leiren who consciously communicates with the cemetery of reincarnation!

"Master, can you give me strength to deal with the situation before me!"

Ye Chen said.

Duan Leiren stood with his hand in his hand and nodded: "You have blocked so many people with the True Essence Realm, which is not bad. Since these people are crushing you by the realm, then I will teach you a trick to break the thunder!"

Next second The infuriating energy consumed by Ye Chen's Dantian seems to be reunited!

At the same time, a message appeared in my mind!

When he saw the content of this information stream, the corner of his mouth was outlined.

"Break it for me!"

Ye Chen let out a long howl, and the Soul Suppression Sword in his hand burst out again with dazzling brilliance.

"Break the thunder!"

I dare not hesitate any more!

Sect Master Sun's move is not a real sword killing technique, but its power is amazing!

Only Duan Leiren's Thunder Breaking Slash can resist!

"brush!"

With a long howl, the long sword in Ye Chen's hand slashed out.

Within one thought, the Nine Heavens Xuan Yang decisively revolves to the extreme, and the zhenqi in the 36 acupoints and dantian within the body roars like a torrent.

Endless infuriating energy was injected into the soul-suppression sword, and in an instant, the soul-suppression sword made a trembling sound of a whisper, burst out a dazzling light, like the sun and the moon lifted into the sky!

At the same time, the thundercloud above Ye's family suddenly erupted!

More than a dozen thunders and lightnings slammed on the Soul Suppression Sword!

Ye Chen seems to be wrapped in lightning!

Soul Soul Sword is even more connected to the sky!

Huhuhu!

The cold wind howled, the wind and clouds changed color.

Chapter 564: Who is behind you!

Break thunder, provoke thunder and lightning, and integrate the power of heaven and earth!

Ye Chen wants to use the power of thunder and lightning to counter Sect Master Sun's moves!

stab!

With that yellow light across the sky, it cut through the thunder, rolled the wind and clouds, and fell suddenly with the momentum of thunder. Fiction.

The thunder light was shining for a while, competing with the sword light shot by Sect Master Sun.

Under the extreme sword light, the onlookers are forced to regress, and they dare not even look directly.

Boom!

Suddenly, a roar exploded, and the two sword lights collided fiercely.

Like mountains collide, stars collide.

With this roar, the earth shakes the mountains.

The entire periphery of the Ye family was completely in ruins.

Wow!

A wave of extreme sword aura spread out toward the surroundings.

The trees on both sides of the road were shattered by the sword gas.

"what!"

"Rewind!"

The onlookers who originally gathered around, their expressions changed drastically, and they moved backwards in a hurry.

Zi Zi Zi!

Lei Guang and Bai Guang stalemate, the collision of the two huge forces produced bursts of sharp sounds.

"Ye Chen, I didn't expect your strength to be good. You can resist my sword? But, do you think you are safe?"

looks gloomy. Seeing the sword light he fired, he was resisted by Ye Chen's sword, and he could no longer make an inch. Sect Master Sun was embarrassed in a cold face.

The strength of his half-step Transcendent Realm has been fully demonstrated.

This sword-killing technique has also been performed.

It can be said that Sect Master Sun has shown his strength to the extreme.

Originally in his opinion, such a move, killing Ye Chen, was as simple as crushing an ant. But now he was actually resisted?

Can't stay here!

The idea in the heart of Sect Master Sun became firmer.

Even in the True Origin Realm, this Ye Chen is so against the sky. If he were allowed to step into the ranks of the transcendent realm, what storms would he cause?

Kunlun Xu will change the sky!

If you don't cut this son today, in the future, the Sword Falling Sect will definitely fall into a place where you can never recover!

"I see how you stop it!"

Thinking of this, Sect Master Sun did not dare to hesitate anymore.

With a cold snort, he pinched out several symbolic seals in his hand.

even forced a drop of blood!

With every rune and essence and blood sacrificed, Sect Master Sun's complexion paled. He no longer had the calmness and calmness he had before.

Obviously, what he is doing now is extremely reluctant for his level. In order to kill Ye Chen, Sect Master Sun did not hesitate to pay!

Buzzing!

With those runes pinched out, the sword light that contended with Ye Chen's Soul Sword made a sharp roar.

As if in between, that sword light once again suffered the infusion of endless energy!

Boom!

Finally, after the glory rose up, a roar exploded.

The sword light that had originally stalemated with Ye Chen's Delei Zhan, like a scorching sun, suddenly cut through the Thunder!

Wow!

The terrifying air wave opened, and as the Thunder Slash was broken, Ye Chen's figure shook severely.

In the sword energy that swept through, Ye Chen was lifted out.

stab!

There was a sharp pain.

Ye Chen's clothes on his chest were actually torn apart.

If Ye Chen hadn't avoided it, I'm afraid he would be killed on the spot under this blow!

Breaking Thunder Slash is just a sword that Duan Leiren taught him on the spot, not the powerful display of Duan Leiren.

Thunder Breaking Slash is powerful, but the realm gap is too obvious!

At this moment, Duan Leiren another voice sounded in Ye Chen's mind.

The voice fell, and Ye Chen's mouth was drawn with a smile.

Sect Master Sun did not notice, and now he had a terrifying expression on his face, walking towards Ye Chen step by step!

In his eyes, Ye Chen's strength ends here.

"Haha! Ye Chen, I see how you can be presumptuous!"

Although he paid a considerable price, Ye Chen was severely injured by this blow, and Sect Master Sun exhaled.

Panting slightly, looking at Ye Chen who was struggling to get up in the distance, Sect Master Sun sneered.

Although this trick could not directly take Ye Chen's life, it made Sect Master Sun quite regretful. But so what?

Ye Chen was seriously injured.

Next, killing him by himself would be as simple as crushing an ant.

"Do you think you won?"

Enduring the pain that permeated the whole body, Ye Chen said.

has sharp eyes, cold light flickering in his eyes.

Sect Master Sun laughed wildly, but Ye Chen also laughed.

He looked at Sect Master Sun coldly, wiped off the blood stains on the corners of his mouth, and showed wolf-like eyes in his eyes.

try{mad1(\'gad2\');}catch(ex){} Sun lord? He thought he won?

Unfortunately, Ye Chen was destined to disappoint him.

Since Ye Chen stood here, he naturally had his own means.

"Huh! Dare to be arrogant when you die!"

Upon hearing Ye Chen's words, Sect Master Sun was full of disdain.

In the eyes of Sect Master Sun, the current Ye Chen is nothing but a dying struggle, a dead duck with a hard beak.

He was seriously injured, how can he continue to contend with himself?

"Arrogant?"

Ye Chen laughed suddenly. The laugh makes countless people know why.

In that case, let you see my arrogant capital! "

I saw Ye Chen's wrist flicked A Fu Jue appeared in Ye Chen's hand.

Duan Leiren gave this to him!

Holding a talisman, Ye Chen was so proud, his aura changed drastically.

"go with!"

Without waiting for Sect Master Sun to recover, Ye Chen suddenly urged Fu Jue.

With the invigoration of his body, in an instant, Fu Jue made a violent sound, and the whole body flickered.

The black light is very weird, and even under the scorching sun, it still gives people a cold and biting feeling.

woo woo woo!

As the rune was excited, dozens of phantoms shot out in an instant.

Brush!

Between heaven and earth, howling ghosts and wolves!

"this is....."

Sect Master Sun's expression changed as he watched the phantoms shot out.

"not good!"

Suddenly, as if he had noticed something normal, Sect Master Sun's figure quickly retreated towards the rear.

"Jie Jie Jie Jie!"

When Sect Master Sun realized that there was something wrong and retreated, a cold laughter came.

brush!

A black shadow flashed quickly.

stab!

A sharp tearing sound came instantly.

"what!"

Sect Master Sun let out a scream, staggering backwards.

"This is Kunlun Xu's disappearing puppet! How could you have! Who are you! Who is behind you!"

Sect Master Sun looked at the phantom floating not far in front of him in a panic, and exclaimed.

Chapter 565: help me!

Puppet talisman is an extremely rare existence of magic talisman.

Even Kunlun Xu has disappeared for many years.

appeared last time at an auction in Kunlun Xu.

The price obtained by is even more expensive!

was finally obtained by the overlord of Wan Jianzong!

Shen Shixi by his side should know best!

Sect Master Sun looked at Shen Shixi: "My lord, is this a puppet?"

Shen Shixi's eyes were extremely complicated, and even a little greedy, he nodded heavily: "It is indeed the same as the master's puppet, and this kid's puppet seems to be stronger."

"You may not be his opponent, let me do it."

Sect Master Sun was startled, hesitated for a few seconds, but he said: "My lord, this kind of little character is not worth your shot. Although this child has a puppet, it is not that easy to kill me. In that case, I personally took it. Give this puppet talisman to an adult!"

Sect Master Sun has no choice.

Today, the strong men of the Fallen Sword Sect have fallen or been injured one after another, if he can't take Ye Chen! That really made Shen Shixi see a joke!

From now on, how will Wan Jianzong view the Falling Jianzong?

In this battle, he must bet on his own future and the fate of the Fallen Sword Sect!

Before Shen Shixi could reply, Sect Master Sun rushed out!

This time, he burned his cultivation as a price! Suddenly strengthened!

breath is constantly rising!

Ye Chen was full of disdain when he saw Chairman Sun Zong roll over.

"kill!"

The voice fell, no more nonsense, with a cold snort, Ye Chen held the talisman in his hand and shouted in a deep voice.

"Jie Jie!"

Under Ye Chen's urging, the black shadow let out a sharp laugh, and his figure flew out.

For a time, the sky and the earth are dark, the sun and the moon are dark, the wind and wind roar, and the cold is pressing.

Brush!

phantom shadows criss-cross.

Every time the phantom flashed by, Sect Master Sun was extremely embarrassed.

Half-step Transcendent Realm early powerhouse? so what?

This is the Fu Wen refined by Duan Leiren himself!

This is completely different from the power of Thundering Nine Heavens!

What's more, Sect Master Sun broke Ye Chen's Thunder Slash before, and he wanted to pay some price.

Under such circumstances, facing the siege of the phantom, the situation can be imagined.

For a time, the scene turned around, and Sect Master Sun roared again and again.

No one thought it would be such a result.

Ye Chen, who was still on the verge of death just now, came back again? Sect Master Sun, who is optimistic by everyone, has fallen into desperation?

Looking at Ye Chen, those onlookers who were hundreds of miles away gave a look of amazement and a look of horror.

Those strong men who wish Ye Chen to die are sweating in cold sweat at this moment!

It is hard to imagine, if they dealt with Ye Chen just now, what would be the result of Ye Chen's release of such a method?

I'm afraid that with one move, they will definitely die!

Everyone in Huaxia thought that Ye Chen and Bai Lixiong were dead and that the Ye family was no longer.

But no one would have thought that at this moment, Ye Chen returned strongly.

Even the sect in Kunlun Xuzhong can't stop it!

"what!"

In this deathly silence, a heart-piercing scream suddenly came.

Facing the siege, Sect Master Sun, who was in a hurry, was hit hard again!

With a sharp tearing sound, Sect Master Sun's soul was severely torn apart by the puppet talisman. With blood spitting out and his face pale, Sect Master Sun looked like a lunatic.

"My lord, save me!"

At this moment, Sect Master Sun can no longer take care of his face, and asks for help from Shen Shixi!

Right now, only Shen Shixi can save him!

"No one can save you! The sword is coming!"

Ye Chen's eyes condensed, holding the Soul Suppression Sword in his hand, and heading directly towards the injured Sect Master Sun!

"Ye Chen, don't want to be presumptuous!"

However, just when everyone thought that Sect Master Sun was bound to die, just as Sect Master Sun saw that he was about to die under Ye Chen's sword, a burst of anger came.

Boom!

On the street in the distance, a wave of air exploded, and a figure came frantically.

The sword light in his hand soars into the sky, that momentum is simply unparalleled!

Shen Shixi shot!

"Oh my God, what cultivation is this person?"

"This person's aura is stronger than the aura shown by Sect Master Sun before!"

Because of the excessive movement, there are more and more martial arts experts around the Ye family.

Since Ye Chen's accident, many families have been secretly paying attention to the Ye family.

Now they heard movement and appeared one after another.

It's just that they only dared to look at from a distance, not a step closer!

was attracted by the roar, and looked at the figure that came out of the sky, the people who were holding their breath, exclaimed.

Ye Chen, who also noticed this scene, only felt that his aura was completely locked, as if he was about to fall into a deadly place next moment.

Transcendent realm powerhouse?

This is actually a real transcendent powerhouse!

"Huh! I don't care who you are, no one can save Sect Master Sun today!"

While horrified, Ye Chen made a choice between electric light and flint.

A light flashed in his eyes, Ye Chen's murderous intent was undoubtedly revealed!

Regardless of who this powerful person who has reached the transcendent realm is, Ye Chen will never let this person succeed!

If you don't kill Sect Master Sun today, it won't be that simple if you want to kill Sect Master Sun again in the future.

I don't know how long to wait!

Mother and Ruoxue must be dangerous!

Don't care, kill Sect Master Sun first!

He made up his mind, Ye Chen's eyes no longer wavered, the bright light in his eyes was crazy!

"My lord! Help me!"

Facing the crazy Ye Chen at this moment, Sect Master Sun panicked!

"kill!"

With a long howl, Ye Chen's sword light slammed.

Among the horrified eyes of Sect Master Sun, the long sword pierced Sect Master Sun's chest without a doubt!

At the moment of piercing Shen Shixi arrived!

but a bit late!

Five fingers clasped Sect Master Sun's shoulder and threw it out!

Time freeze frame, space freeze frame!

The world is quiet.

Sect Master Sun couldn't believe it.

Ye Chen, this true elementary realm boy, not only did Sword Sword Sect fail to crush him to death, but his life was passing, his body was cold, and the world became hollow and dark. Sun Zong advocated his mouth, trying hard to say something. But after all, I can't say it!

Not reconciled!

I tried my best, and finally I was about to step into the transcendent realm. How could I go to **** without being prestigious?

Ye Chen is this goddamn!

Knowing this a long time ago, Sect Master Sun would not fight Ye Chen after he died! Not even going to trouble Ye Chen!

Who would have thought that Ye Chen would have endless methods?

Boom!

can no longer make a sound, straining all the energy of the whole body, shaking his fingers and pointing at Ye Chen, Sect Master Sun is spitting blood in his mouth, and his body crashes backwards!

At this moment, Shen Shixi's eyes are cold!

Fallen Sword Sect is a sect under Ten Thousand Swords anyway!

For thousands of years, I have been sheltered by Wan Jianzong!

Who would have thought that the lord would be beheaded like this!

He glanced at Sect Master Sun, no longer hesitating, took out a pill from his waist and stuffed it directly into Sect Master Sun's mouth.

Fortunately, I just pulled Sect Master Sun a bit, avoiding the most important part of the heart, otherwise he would be completely dead.

Chapter 566: Are you from Wan Jianzong?

"Take the pill! Sink your dantian and heal your wounds!"

Shen Shixi's icy voice sounded.

Sect Master Sun nodded, and the moment he took the pill, the flow of vitality slowed down significantly.

But even if he survives, his cultivation level will fall!

Falling Sword Sect is no longer.

Thinking of all this, Sect Master Sun's icy eyes shot at Ye Chen!

I can't wait to swallow Ye Chen's meat piece by piece!

Ye Chen destroyed all of this!

Why!

"My lord, I have a request, please let me be satisfied!"

Sect Master Sun's icy voice sounded.

Shen Shixi glanced at each other and said lightly: "Let's talk."

"My lord, I want this boy to tear his arms one by one! I want him to be a useless man, his soul burned! Painful! I want him to die!"

Sect Master Sun gritted his teeth.

The painstaking effort is ruined!

Shen Shixi sighed, looked at Ye Chen, and nodded: "Okay, I promise you that if you lose so many lives by yourself, the sword sect has lost."

Shen Shixi's eyes flickered with cold.

brush!

The voice fell, and while his figure flickered, Shen Shixi was killed in front of Ye Chen: "Boy, take your life!"

There was a long howl, and a red light passed by, covering the sky and the earth.

Shen Shixi shot.

This is definitely not an ordinary transcendent powerhouse. Before the shot, there was a stormy sea.

Before even seeing what that red light was, Ye Chen was already terrified.

"boom!"

In a hurry, Ye Chen could only turn the sword's edge, resist and leave.

There is only one chance to use the puppet symbol!

This time, his support is gone.

He just wanted to communicate with the reincarnation cemetery, but the murderous intention has fallen!

A dull roar exploded, and Ye Chen's figure was blown out like a cannonball.

Shen Shixi's attack, more than just a mighty force?

In Shen Shixi's eyes, Ye Chen looked extremely weak.

He is like a mountain, crushing ants!

Ye Chen flipped in mid-air, barely stabilizing his figure!

His blood surged, if he hadn't suppressed it, he would have vomited a mouthful of blood.

Is this Kunlun Xu's powerhouse?

Ye Chen can almost conclude that this Shen Shixi is a powerhouse in the mid-Transcendent realm.

Compared with Sect Master Sun, one heaven and one earth!

The current self, in front of Shen Shixi, is just as weak as an ant.

A deep crisis breeds from the depths of Ye Chen's heart.

`try{mad1(\gad2\);}catch(ex){}` "Hmph! Little ants, dare to be presumptuous! You can't touch the sword sect!"

Ye Chen blasted off with one move, and Shen Shixi snorted coldly.

Until then, people can't see clearly what the previous red light is!

Isn't that a blood-red meniscus?

Scimitar? Not like! However, on the periphery of the meniscus, the cold light flickered and was extremely sharp.

There are lines all over the crescent moon, which is very mysterious. On the other side, it is a handle.

At this moment, Shen Shixi held the crescent moon, condescending, and coldly looked at Ye Chen in the distance.

The crescent moon in his hand is like a knife and a shield!

This is a magic weapon!

Sect Master Wan Jianzong personally rewarded him!

Looking at the scene before them, many people took a breath.

Ye Chen is really going to lose this time.

The realm and breath are too far apart!

"Ye Chen, I, Shen Shixi, promised Sect Master Sun that I want you to suffer all the torture, don't blame me for being ruthless, Kunlun Xu's rules are like this."

Finally, Shen Shixi took a deep breath and turned his attention to Ye Chen, and said coldly.

'S words are plain, but they are like a trial, with great majesty.

"go with!"

The voice fell, Shen Shixi did not even give Ye Chen a chance to speak, his wrist flicked, and the crescent moon in his hand flew out again.

hum!

There was a trembling sound of soft moans, and as the crescent moon swept out, in an instant, the Ye family seemed to be shrouded in red light.

A horrible aura spread out, and the red light swallowed directly towards Ye Chen.

Ye Chen's expression changed abruptly in the face of the red light shrouded in it.

hastened the blood dragon and the natal talisman!

Shen Shixi in the mid-Transcendent realm? The appearance of such a strong man made Ye Chen's heart fall to the bottom.

But, in the face of Shen Shixi's ultimate move, how could Ye Chen sit still?

urges the soul-scaling sword, the sword intent is raging!

The thunder and lightning blood dragon all over the body rushed away with sword intent!

"Do you still want to use this little carving skill? Cut!"

Without any hesitation, Shen Shixi moved, the red light seemed to turn into a torrent of water, swallowing it down.

woo woo woo!

The red light passed by, although the blood dragon resisted, it quickly dissipated!

The blood dragon was weakened by Ye Chen's true energy and strength! How to resist Shen Shixi's blow?

"Damn it!"

Facing the red light that continued to kill, Ye Chen couldn't help but roar!

The whole body burst out in real anger, Ye Chen held the Soul Calming Sword, and displayed the sword art of the Ten Thousand Dao Sword Sovereign.

The sword aura soared into the sky, and in a blink of an eye, the sky full of sword light rose up straight into the sky, colliding with the red light.

try{mad1(\'gad2\');}catch(ex){} The volcano erupted, and the red light was radiant, like flames in the sky, burning!

rumbling!

The tumbling air wave roared towards the surroundings, and wherever he passed, most of the trees on the road were almost turned to ashes.

"what!"

Some onlookers who couldn't avoid it, screamed repeatedly in this wave of air.

The weaker generation was directly killed on the spot. Even if he is a powerful person, he still has a scar on his body, so he can barely get out!

The gods clash, the little ghost suffers!

Ye Chen's contest with that powerful Shen Shixi was already earth-shattering.

But of course, the realm of the two is too great, and Ye Chen's loss is too great. Soon, the red light will cover everything!

Ye Chen's body flew out! Smashed to the ground!

very embarrassed!

Sect Master Sun, who was seriously injured, was extremely happy to see this scene!

"My lord is awesome! My lord Hurry up and cut off this boy's arms! I want him to torture to death!"

Sect Master Sun smiled ferociously.

Shen Shixi let out a cold snort, and walked towards Ye Chen step by step, stopping at a distance of five meters from Ye Chen.

"You and I have noticed too much, killing you a bit lost my Wan Jianzong face, but even so, you still deserve to die! I will break your arms first!"

The weapon in Shen Shixi's hand is raised high, and the killing intent is released!

But Ye Chen at this moment has a strange expression!

He wanted to communicate with the reincarnation cemetery, but he heard a familiar word!

Wan Jianzong!

Isn't this the sect that Chen Tianli, the sword master of Wandao said?

Could it be!

In the next second, Ye Chen stood up and smiled coldly: "Are you from Wan Jianzong?"

"Stop talking nonsense!"

The red light is about to touch Ye Chen's arm!

And just when Shen Shixi's expression was hideous, a jade pendant appeared on the palm of Ye Chen's palm!

The moment the jade pendant appeared, Shen Shixi's expression changed!

The red light also stopped!

Because this jade pendant is a ghost left by Sword Master Wandao!

exactly the same!

And the young man in front of him is the one that Sword Master Wandao wants them to protect!

"Pump!"

When everyone thought Ye Chen would die, Shen Shixi made a move that shocked everyone!

He knelt down!

Chapter 567: As for?

Shen Shixi left Kunlun Xu and stepped into China this time just for one person.

Wan Dao Sword Sovereign.

The previous opponent's several tricks in Wan Jianzong were enough to crush everyone!

One of the key words left by the other party!

"The shape of the sword falling is my incompetent apprentice. Today I came to you Wan Jianzong for another person!"

The ancestors are all apprentices of this son, so this kind of existence is definitely an ancient power!

Who dares not follow the ancient power of explanation!

The life and death of Wan Jianzong can be determined with a wave of hands!

What kind of temper can he have with this kind of power that even Sect Master Wanjian has to take care of!

Shen Shixi looked at Ye Chen subconsciously.

The words of Wandao Sword Sovereign kept ringing in the ears.

"Seeing this jade pendant is like seeing the master!"

And the young man in front of him is the one that Sword Master Wandao explained!

It's equivalent to Master being here in person!

Even the suzerain must kneel down!

Can he not kneel down!

At this moment, Sect Master Sun of the Fallen Sword Sect and the onlookers were completely confused!

What is happening right now!

Shen Shixi clearly controlled everything, and even killed Ye Chen effortlessly!

But at this moment, it is kneeling to an ant!

This is the noble Elder Wan Jianzong!

His identity and status in Kunlun Xu is not something that ordinary people can contend with!

Even in front of Sect Master Wanjian Sect, he might not kneel down!

But what is going on right now!

Those onlookers also opened their mouths wide, like petrified.

No one could think that Ye Chen was not the one who died with a single knife!

But let a strong man directly kneel and surrender!

Ye Chen just took out a piece of jade pendant from beginning to end, and it actually had such an effect?

Is this jade pendant a royal jade seal?

Ye Chen looked at Shen Shixi condescendingly, but he was actually the most daunted.

He never expected that the jade pendant left by Chen Tianli would have such an effect!

He knew Shen Shixi's strength. He thought that this jade pendant could only make the opponent stop his hand, but he didn't expect the opponent to kneel down!

What did Chen Tianli do when he went to Kunlun Xu during that time?

Can the people of Wan Jianzong be so afraid?

Now he no longer thinks too much, waits to solve the immediate matter, and then asks the other person.

When he just wanted to speak, Sect Master Sun of the Fallen Sword Sect spoke: "My lord, what are you doing... Why didn't you abolish Ye Chen, instead..."

Sect Master Sun didn't dare to say anything to death, and looked at Shen Shixi in surprise.

Unexpectedly, after hearing this sentence, Shen Shixi's expression completely changed, killing intent.

"Master, how dare an ant yell so loudly, it's almost dead!"

In the eyes of Shen Shixi, holding a jade pendant is a master!

Judging from the attitude of Wandao Sword Sovereign and Ye Chen's sword skills, Ye Chen is very likely to be the apprentice of Wandao Sword Sovereign!

In terms of seniority, that is the same position as the one who founded the Ten Thousand Sword Sect!

even! It could be higher!

In this way, everyone in Wan Jianzong, and even the master, should be called Master Ye Chen!

Without waiting for Ye Chen's reply, Shen Shixi stood up fiercely, turned into a violent wind, and moved toward Chairman Sun Zong!

The cold killing intent made Sect Master Sun pale!

He never thought that Shen Shixi would do something to him inexplicably!

Master?

The elder of Wan Jianzong is actually called Master Ye Chen?

how can that be!

How could a young man in his twenties be the master of Wan Jianzong!

Countless doubts linger in the mind of Sect Master Sun!

But he couldn't help thinking!

Killing intent came like a storm!

Shen Shixi has appeared in front of Sect Master Sun!

"grown ups....."

Before Sect Master Sun finished speaking, Shen Shixi's five fingers grabbed the opponent like this!

Lift the opponent directly!

At this moment, heaven and earth seemed to have felt the changes in Shen Shixi, and changed accordingly.

The air freezes, the atmosphere is depressed, and the whole world is suddenly quiet.

The deathly silence makes people feel suffocated!

Shen Shixi's eyes seemed to be able to see through the world, looking at Sect Master Sun.

The sharp eyes made Sect Master Sun only feel that his throat was stuck and it was difficult to breathe. At this moment, he seemed to be facing a vicious beast!

"Sect Master Sun, you should not do anything, you have offended Master! Not only you, but the entire Falling Sword Sect will be destroyed from today! Master's anger, no one can bear it!"

These are the original words of Shen Shixi.

The power of the five fingers exploded and had penetrated Sect Master Sun's neck!

Blood is flowing!

The methods are extremely cruel!

Sect Master Sun's expression completely changed, even a little horrified: "My lord, why! How could he be the master of Ten Thousand Sword Sect, you must have admitted the wrong person!"

"I didn't admit my mistake! Let alone you, even if the Sect Master or even the founders of this Sect see him, they must kneel and surrender! What's the point of your Falling Sword Sect! Death!"

Sect Master Sun's eyes widened, staring at Ye Chen in the distance.

At this moment, he felt fear!

A Kunlun Xuwan Jianzong admired by thousands of people, was actually offended by himself?

The key is who the **** would think that the master of Wan Jianzong is a brat!

"Crack!"

His neck was broken directly, extremely crazy and cruel!

No life!

Sect Master Sun of the Fallen Sword Sect has thus fallen!

After doing all this Shen Shixi's arm shook, the blood on his hand dissipated, and then he walked towards Ye Chen step by step.

When he walked to Ye Chen, Shen Shixi knelt down again: "Master, today is a disciple! I didn't recognize Master at the beginning, the crime deserves a million! Even standing on the side of the Fallen Sword Sect, even attacking Master. The disciple is willing to abolish the cultivation base and bear everything!"

The words fell, Shen Shixi took a palm toward his chest!

Once it is photographed, it is bound to be lost!

Once the Kunlun virtual powerhouse has no cultivation base, then life is better than death!

The Chinese martial arts experts who were onlookers were completely speechless, almost bursting into their eyes!

This strong man actually abolished his cultivation because of a small matter?

When did this world become so crazy?

Damn it!

As for?

Even if you want to please Ye Chen, it won't stop there!

Ye Chen was a little bit ridiculous when he saw this scene.

Is this Shen Shixi so afraid of herself?

Seeing that Shen Shixi was about to abolish her cultivation base, Ye Chen quickly said, "Stop!"

Only then did Shen Shixi stop, palms blowing gusts of wind, it can be seen that he did kill just now.

"I don't blame you for this matter, there are so many people here, you stand up, let's go in and talk about it." Ye Chen said.

When Shen Shixi heard these words, he exhaled, and then excitedly said, "Master Xie Shizun doesn't care about the villains!"

Shen Shixi stood up and suddenly thought of something.

As the master of Wan Jianzong, Ye Chen can't spread out at the moment. Only when Ye Chen returns to Wan Jianzong, can it be exposed to everyone's sight!

Right now, since some people have noticed it, he has to wipe it out.

Thinking clearly about everything, Shen Shixi went to those onlookers!

Like a breeze!

I can't see it at all!

Chapter 568: Take me now!

Those onlookers noticed something was wrong, and just wanted to leave, only to find a pair of phantoms seemed to have penetrated their minds!

What did you show abruptly!

They don't even have the power to resist!

Of course, there are still people struggling!

But in the end it turned into blood mist on the spot!

Visible power!

Wherever Shen Shixi went, everyone's memory was directly erased ruthlessly!

This is a technique of Wan Jianzong. Although it is a bit immature and even makes people comatose, he doesn't care about so much!

For him at this moment, everything about Master is above the sky!

Ye Chen in the distance saw Shen Shixi's actions, without any expression, and went straight to the Ye family.

I thought Kunlun Xu would rely on the reincarnation cemetery, but now it seems that with the Ten Thousand Sword Sect, that would be much easier.

don't know what Chen Tianli did during that time?

Luo Jianzong is his move, so what is the next move?

No matter what, he must go to Kunlun Xu in the near future.

No, it's better to leave immediately!

My father is still suffering in blood.

Even if he pays a great price, he will rescue his father!

.....

Ye Family Central Villa.

Shen Shixi settled everything and came to the living room. When he saw Ye Chen, he just wanted to kneel. Ye Chen said, "Kneeling is unnecessary. Also, why do you call me Master?"

This is Ye Chen's most doubtful place.

It is not an exaggeration to say that I am respectful, but the biggest problem is actually the word "Master".

He stayed in Kunlun for five years and knew what these two words meant to a sect!

is above the sovereign!

Shen Shixi heard this question and guessed that Wan Dao Sword Sovereign hadn't told Ye Chen everything, he didn't hesitate, and directly told Ye Chen everything that happened before Wan Jianzong.

includes the meaning of jade.

Five minutes later, Ye Chen was completely stunned.

It turned out that Chen Tianli did not hesitate to waste energy and turned into a substance to step into the Kunlun emptiness.

Chen Tianli must have thought that his current cultivation base is still a bit short.

After all, he started too late.

Only five years of practice.

Many people in Kunlun Xu started practicing at the age of three, and there are countless resources piled up.

The gap is not one and a half.

Fortunately, he has such a heaven-defying existence like the reincarnation graveyard.

Wan Jianzong's move can at least protect himself at a critical moment.

`try{mad1(\gad2\');}catch(ex){}` This power is extremely powerful!

Once used, it is enough to solve 90% of the problems Kunlun Xu faces!

Although Wan Jianzong is not the top sect of Kunlun Xu, at least it is not weak!

He vaguely remembered that five years ago, the old man took him to Wan Jianzong, but he was blasted out before he stepped into the door.

But I did not expect that five years have passed.

His identity changed, and he became the master of Wan Jianzong.

The world is a little too interesting.

"Master, can you come with me to the Ten Thousand Sword Sect in Kunlun Xu, the Sect Master, the Supreme Elder and others want to see you, they will be very excited to see you!"

Shen Shixi said.

His palms are sweaty!

His move to China is too wise, he approached Ye Chen earlier than anyone else!

With the protection of Master Ye Chen, his status in the Ten Thousand Sword Sect will continue to rise!

He wished Ye Chen would go to Wan Jianzong immediately!

Ye Chen shook his head, thinking of something, and said: "I don't have to be in a hurry to go to Wan Jianzong. I have another important thing right now. My father was taken away by the blood alliance. I want to go to the blood alliance first. You can know the specific address of the blood alliance, and How to step in?"

The blood alliance is protected by a powerful formation, it is difficult to break through with his ability.

Even if he has the reincarnation cemetery and the three powers, sometimes it will be restricted.

It was as if he had just learned that Duan Leiren could not control his body, let alone leave the reincarnation cemetery.

The more you go to the back, the greater the limits of the reincarnation cemetery.

This is also one of the reasons Duan Leiren only gave himself runes.

Shen Shixi heard that Ye Tianzheng was imprisoned by the blood alliance, and his eyes were full of anger!

"Bold blood alliance! How dare to watch Master's family!"

"Looking for death!"

After the anger, Shen Shixi reacted: "Master, the blood alliance has always been a cancerous existence in Kunlun Xu. It is very difficult to find and break the formation. The best way is for people with blood alliances to lead the way."

Ye Chen frowned, the only few strong blood alliances he knew were killed by him!

how to lead the way?

Are you waiting for the other party to come to you?

What if the opponent hasn't shot yourself for a long time?

At this moment, Shen Shixi said again: "But Master, when I came out of Kunlun Xu, I found that an Yibao Pavilion outside Kunlun Xu was preparing to hold an auction. This Yibao Pavilion has a long history, and Wan Jianzong must be afraid of it. .

Even on the day of the auction, there will be an Yibao training room open, and countless people will flood into it. Even if it is not for auction treasures, they will go to the training room to practice a bit, which is very good for cultivation. "

try{mad1('\gad2\');}catch(ex){} "I am not interested in auctions and Yibao Pavilion." Ye Chen said.

Shen Shixi said again: "Master, after listening to me, when I came out with the Sword Sect of the Fallen Swordsman, I found that several strong blood alliance tattoos also entered, maybe these strong blood alliance is a way."

Ye Chen heard these words and his eyes lit up: "When will the Yibaoge auction start?"

Shen Shixi's eyes condensed: "It's today, four hours later."

Ye Chen thought for a few seconds, no longer hesitating: "Take me now!"

"Yes!"

Before leaving, Ye Chen and Xia Ruoxue said Although Xia Ruoxue didn't want Ye Chen to leave, she only acquiesced when she heard that Ye Chen was only going to Kunlun Mountain and coming back within a day.

Yibao Pavilion, Kunlun Xu's largest auction house.

This is somewhat similar to China's Chow Tai Fook and other jewelry stores.

It's just that what the other party does is high-quality.

This time, an auction happened to be held in Kunlun Mountain, China.

Shen Shixi said, it seems that Yibao Pavilion will be held in China every twenty years.

After all, there are also some Kunlun virtual practice experts in China.

Even, there are many strong people near Kunlun Mountain.

Looking at the Kunlun imaginary, Yibaoge is well-known. Because this Yibao Pavilion can be said to be all over Kunlun Xu, controlling Kunlun Xu's largest treasure trading market.

Since has been passed down, Yibao Pavilion has gone through countless years, regardless of dynasties, Yibao Pavilion will stand tall. No one knows what kind of power is standing behind Yi Baoge.

However, everyone knows that even if the sect of the blood alliance, they dare not do anything wrong in the Yibao Pavilion.

One hundred years ago, there was Kunlun Xu's second largest sect. Because of offending Yibaoge, it was bloodbathed overnight and there was no grass!

Since that day, Yibaoge has become a myth of Kunlun Xu!

Standing in front of the Yibao Pavilion, looking at the magnificent building, Ye Chen was full of emotion. In five years, I don't know how many times I have passed through various Yibao Pavilions, but I have been expelled. At that time, he wanted to find Lin Juelong for revenge, and did not stay too much. This time he really stepped into this place. Up.

I only hope that the strong blood alliance is really here!

Chapter 569: The look has changed!

Eyes have changed! The Twenty-year Epro Conference is about to begin. Before the gate of the Epro Pavilion, people come and go, coming in and out, which is particularly lively and makes people boil.

"Mr. Ye, let's hurry in!"

Looking at Ye Chen standing there in a daze, Shen Shixi said cautiously!

Ye Chen discussed with him as a last resort and never called him a master.

can only be called Mr. Ye.

Even the two of them were a little bit disorganized.

After all, the blood alliance still knows what he looks like.

Right now, he cannot be exposed.

"Hmm! It's time to go in! If we do this, we won't be recognized, right?"

Recovered, touched his face, Ye Chen asked.

Ye Chen didn't know whether it was possible to hide from the sky!

"Hey... don't worry! Mr. Ye, this disguise technique is recorded in an ancient scroll I got in the early years. It can definitely be hidden from the sky. Whether it is a blood alliance or who wants to recognize us? Impossible!"

Shen Shixi is extremely confident in his disguise.

"That's good!"

Hearing what Shen Shixi said, Ye Chen exhaled.

He and Shen Shixi went around for a while, and found no blood alliances.

"Are you sure that people from blood alliances will appear here?" Ye Chen said again.

Shen Shixi nodded: "I'm sure, it hasn't started yet, the blood alliance should not come out yet, wait a moment."

"it is good."

Ye Chen nodded, he just wanted to say something, the cemetery of Samsara suddenly shook!

Then, Duan Leiren's voice suddenly sounded!

"Tie, I feel the breath of the Primordial Void and Real Pill here. Although it is a remnant, it is extremely important to me. No matter what, Tie must win!"

"It must be won! As for the reason, I will tell you later!"

Ye Chen's eyes condensed and nodded.

It must be extremely important to make Duan Leiren such an urgent thing.

He looked at Shen Shixi and curiously asked: "If I want to auction, should I use RMB to trade here or Kunlun virtual spirit stone currency?"

"Mr. Ye, do you want to auction things? Only spirit stones can be traded here, and the things are very valuable."

Shen Shixi came out this time without bringing too many spirit stones, and felt a little regretful in his heart.

Even so, he still took out the only spiritual stone in his body: "Mr. Ye, this time in a hurry, I didn't bring much, Please forgive me."

"Come with me, I will find a way for money."

Ye Chen didn't accept it, but glanced around, found something, and went straight to the Appreciation Room on the second floor of Yibao Pavilion with Shen Shixi.

I auction my baby, can't I take my baby out for the spirit stone?

His reincarnation cemetery happened to have something of that black explosive maniac.

Knowing from Chen Tianli's mouth that anything of the black explosive maniac is very valuable.

Even for Kunlun Xu.

Taigu Xushi Pill is quite precious. If you want to win this pill, you obviously need to do more preparations.

"Are you from Epro?"

Appreciation room, watching Ye Chen and Shen Shixi come, an old man asked with a smile.

"I have a few treasures, I am going to participate in today's Epro conference. Please estimate the price."

Hearing what the old man said, Shen Shixi lowered his voice and said.

He guessed Ye Chen's intentions, and without talking nonsense, took out some things from himself.

The status of Master is noble! He can only please.

It is a pity that some of his treasures are not very valuable, they are all things dedicated to him by the Sect Master of the Fallen Sword Sect.

"Ok?"

Looking at the three things Shen Shixi took out, the eyes of the old man who had been sitting there flashed.

"Not bad!"

Looking at the three things in front of him, the old man nodded with satisfaction: "The sword stone tree is really a good thing for refining magic weapons, and it is very valuable. In addition, this spar, if the old man reads correctly, I'm afraid it is the inner alchemy of the monster beast? It's a pity that the energy loss is not small over the years. However, it is also considered a treasure. As for the last bottle of things...this is...burning soul, taken from 10,000 meters underground The essence in the core of the magma below is extremely hot and can melt everything! This is something that some alchemists and craftsmen have been searching for, and its value is extraordinary!"

After carefully distinguishing the three things, the old man smiled, and his attitude was obviously more respectful than before: "Today happens to be the Yibao conference. These three things are really good to participate in the Yibao. I want to come to both of you to know. The rules of my Yibao Pavilion. Within the Yibao Pavilion, transactions are conducted in units of spirit stones. Sword stone wood is priced at fifty spirit stones, and this inner pill is priced at eighty spirit stones. As for this burning soul, I For the time being, let's put the price of three hundred Lingshi to start the auction. What do you think?"

try{mad1(\'gad2\');}catch(ex){ "It's up to you!"

Hearing the old man's words, Shen Shixi frowned, but he quickly agreed.

The price offered by the old man is not high. If it is sold directly, it is definitely a loss. However, today's Epro conference is an auction conference. To qualify for Epro, it is to auction. The price set by the old man is only the starting price. So it doesn't hurt to be lower.

The most important thing now is to raise funds for Ye Chen to use.

"Haha...Okay! Let's do it then! This is the number card to enter the Yibao Hall, please keep it!"

Hearing what Shen Shixi said, the old man smiled with satisfaction. When the voice fell, he carefully put away the three things: "I wonder if you still have items that need Epro? If not, In another hour, the Epro conference is about to begin! Today, there are countless treasures at the Epro Conference. You can look at these two lists. If you are interested, you can make some preparations."

"I do not have anymore!"

Hearing what the old man said, Shen Shixi shook his head and said.

"There are two things on my side that I need Yibao!"

However, when Shen Shixi was about to leave, Ye Chen on one side said suddenly.

Looking at the two lists handed over by the old man, Ye Chen's eyes narrowed slightly, and his pupils shrank slightly.

Yibao Conference, there are countless treasures. How could Ye Chen give up such an opportunity?

It's a pity that Ye Chen's bag is now shy.

If you want to get the items you need at the Yibao meeting, you need to be fully prepared.

Even, Ye Chen needed some actions for the sake of Taigu Xushi Dan.

Thinking of this way, Ye Chen's wrist flashed with a silver light.

The entire treasure room, with the appearance of this silver light, the temperature dropped rapidly!

"Hi...this is..."

Looking at the huge silver scale armour that Ye Chen took out, the old man with a pale complexion couldn't calm down.

His eyes widened. Three steps in two steps, around the long table, the old man can't wait to arrive in front of Ye Chen: "Good thing! This is really good thing. It is extremely hard, the ice is like iron, and the aura wanders between faintly. This is... the leather armor of the spirit beast! And it's the leather armor of a black mad python that is about to transform into a dragon!"

"Are you sure this thing will participate in the Epro conference?"

The look in Ye Chen's eyes has changed.

Chapter 570: The strong are favored!

"Senior please estimate!"

Ye Chen said directly.

"Okay! Haha... it's infinitely close to the dragon's leather armor, which is extremely precious. But, this leather armor doesn't seem to be complete? I'm afraid it's only half? I wonder if you..."

The old man's eyes flashed, and he asked deeply.

"only these!"

Ye Chen said blankly.

"In that case, that's it! Even if it is not complete, the value of this item is not inferior to the previous three items. As far as I can see, how about ordering five hundred spirit stones at the starting price?"

The old man asked softly.

"Five hundred spirit stones? That's it!"

What the old man said made Ye Chen quite surprised.

This is a fortune.

After giving the leather armor to the old man, Ye Chen and Shen Shixi left the Appreciation Room.

Now, everything is ready, only the east wind is owed.

Ye Chen is waiting for the official start of the Epro conference!

Yibao Hall, located on the third floor of Yibao Pavilion, covers an area of thousands of square meters! The magnificence of this place is staggering.

In addition to the usual lobby seats, the entire lobby is also divided into private seats and private rooms according to their levels.

Because they have pledged enough treasures close to a thousand spirit stones in the Appreciation Room, Ye Chen and Shen Shixi took the purple house number and went straight to a private room at the end of the high-rise building!

Sitting in the high-rise private room, Ye Chen and Shen Shixi quietly admired the scene in the Yibao Hall.

The entire Yibao Hall, at this moment, the voice is full of voices.

Today, in addition to the hidden wealthy family of China and the various forces near Kunlun Mountain, even some of the Kunlun Xu forces also sent people to come.

Every E-Pro will be an opportunity for these forces to seek treasures!

It can be said that the Yibao Hall at this moment can be described as Crouching Tiger, Hidden Dragon.

"The people of the blood alliance really came!"

But for a moment, Ye Chen couldn't help but suddenly shrink his pupils as he watched several figures walking in the distance.

Among these few people, the headed person has a blood door tattooed on his neck!

This is the sign of blood alliance!

The key to these few emotions is very scary.

They went straight to a luxurious private room not far away.

"Mr. Ye, I said that people from the blood alliance will inevitably come. There are countless treasures at the Yibao Conference! The blood alliance will naturally look at a lot of things. This time, they must come prepared!"

try{mad1(\'gad2\');}catch(ex){} "There are a lot of strong people sitting here, we still wait for the end here to start."

After was surprised, Ye Chen muttered thoughtfully.

Shen Shixi narrowed her eyes and nodded.

This place, he didn't dare to do it, the price was too high.

Yibao Pavilion has been standing in Kunlun Xu for so many years, anyone who dares to do anything in their territory is undoubtedly looking for death.

Even if this is the Kunlun Mountains in China, it is the same!

"Mr. Ye, look, that's from the Ji family!"

While Ye Chen pondered, Shen Shixi beside him suddenly said.

Following Shen Shixi's eyes, Ye Chen couldn't help but pause, and his expression looked complicated.

Ji family, Kunlun Xu, counted as one of the top families.

Speaking of this Ji family, he has a close relationship with Ye Chen.

Because Ji Siqing and even Ji Lin are all from the Ji family!

Five years ago, he had just stepped into Kunlun Xu, and he did not know how much pressure he was under.

He just stepped in, without the strength, could only be trampled under his feet!

Trash, humble Fangen!

Every cultivator in is better than him!

He even missed the best time to practice!

Countless people laughed!

The only thing that made him feel warm was three people!

The first one is the old man who personally brought him into Kunlun Xu and taught him the techniques of cultivation!

The second one is Ji Lin, who is quirky!

The last one is desperate to help Ji Siqing who doesn't know how many times!

Give him the supreme pill! When he was in desperate situation, he desperately shot! Even at the mercy of a force!

He worked hard and cultivated desperately, but if there was no Ji Siqing in Kunlun Xu, he might have died in it long ago!

There is always a sentence of Ji Siqing coiled in his memory.

"Ye Chen, you can't die, even if everyone in the world is dead, you can't die!"

He doesn't know why Ji Siqing is so optimistic about herself.

He even felt that Ji Siqing knew about the existence of the reincarnation cemetery.

But thinking about it now, it's impossible.

At that time, he didn't even know the reincarnation cemetery, how could outsiders know?

Looking at the figures walking into the venue, Ye Chen's expression gradually became gloomy.

try{mad1(\gad2\');}catch(ex){ "Unexpectedly, they are here too! It's just that I never saw those two girls come!"

Taking a deep breath, Ye Chen murmured softly.

"Mr. Ye, you are talking about Ji Siqing and Ji Lin? I heard in Wan Jianzong that Ji Siqing seems to have been favored by a strong man! In the past two years, Ji Siqing's strength has risen extremely fast! What a monster!"

Seems to know who Ye Chen said she is, Shen Shixi said softly.

"Get the favor of the strong?"

Hearing what Shen Shixi said, Ye Chen was taken aback, and smiled faintly. Why didn't he get the favor of the strong!

It's just that he is more against the sky!

is the favor of a hundred strong people!

In five years, the Ji family sisters protected themselves. After those five years, if anyone dared to move them, they would kill themselves.

Just as the love of those five years.

"Now, no matter what they are! Today, that thing must be taken down!"

Reincarnation Cemetery, Duan Leiren's hasty voice came again.

"I know, I will take it."

Withdraw his mood, Ye Chen said directly.

Shen Shixi heard Ye Chen talking to herself, and said: "Mr. Ye has something to see?"

Ye Chen took out the snake leather armor for auction. How could Shen Shixi not know what this means?

"There are a lot of good things in this Yibao conference! The snake skin armor, although precious, is useless to me today! Besides, I can leave a part of it and use it enough. The rest is better. Change to spirit stones and see if you can easily get some practical things!"

Ye Chen did not deny it.

"Yes! Mr. Ye, the auction has begun!"

While speaking, Shen Shixi's eyes suddenly lit up and looked towards the high platform in the center of the Yibao Hall.

Under the light, a woman in a red dress slowly walked up to the high platform and introduced the rules of this Epro Fair with her charming voice.

This charming girl, with a fiery red dress, outlines her devilish figure. As she smiled and frowned, Yi Bao would kick off the enchanting voice, and soon the emotions of everyone present were mobilized.
