Chapter 581: Want to die? I fulfill you!

Blood Fenghua's eyes were cold: "Boy, you are plundering resources and you are simply irritating the public! What is wrong with the people of our blood alliance who killed you!"

"The anger? Hehe, what is your blood alliance! I not only want to provoke the anger, I want you all to kneel down!"

Ye Chen's eyes suddenly became cold.

"kill!"

With a long howl, Ye Chen suddenly shot out.

"My lord, this kid is so arrogant, let me learn something!"

A disciple of the blood alliance closest to Ye Chen stepped out, the red door tattoo on his neck shone with dazzling light.

The strength of this blood alliance disciple is on the sixth floor of the Ascension Realm!

is not too weak!

The long sword in his hand bursts with murderous intent, taking Ye Chen's vitals!

But he didn't know it! At the third level of Ye Chen's True Primordial Realm, he could kill the powerhouse on the sixth level of the Divine Ascension Realm!

And now he has reached the eighth floor!

How can this person stop!

"Boom!"

Ye Chen didn't move his sword!

shoot directly with one palm!

This palm is Chen Tianli's wrath of burning the sky!

Now he can directly use the Fury of Burning Heaven to its extreme with a wave of his hand!

In the midst of a dull roar, the disciple of the blood alliance had no time to let out a scream, too late to react.

He looked down at his chest, full of amazement.

Ye Chen's palm directly penetrated his chest at this moment, shattering his internal organs. Even the soul was completely shattered.

"Dead!"

Ignoring the stunned disciple, Ye Chen snorted coldly.

"Boom!"

A burst of true energy exploded centered on Ye Chen's palm.

That majestic energy rushed into the whole body of this blood alliance disciple, and in a blink of an eye, he completely cut off his vitality!

boom!

Until this blood alliance disciple fell to the ground, the soul condensing platform was dead silent!

"This?"

"Is this \*\*\*\* dead?"

"How did you do it? I didn't see how the kid did it? There seemed to be a faint flame."

"The opponent didn't even use weapons, how do I feel more aggressive than Miss Ji's?"

"What realm has this kid stepped into in these three days? The third level of the True Primal Realm, only three days, even if there is a soul condensing platform, it is impossible to enter a big realm! It is impossible in Kunlun Xu!"

"What is the origin and name of this kid? Mr. Ye?"

"Which surname Ye in Kunlun Xu is so terrifying?"

After a full moment, in the cold wind, after recovering, everyone could not help but shudder, and their faces were shocked.

Ye Chen's shot made everyone feel terrified.

can't see how to make a move, just kill a cultivator in the Ascension Realm!

This is unacceptable!

"Chihuahua dog, vulnerable!"

Ignoring the shocked eyes from the surroundings, Ye Chen showed a sneer of disdain.

A cultivator on the sixth floor of the Ascension Realm of the Blood Alliance?

now looks like an ant in Ye Chen's eyes.

This should be the greatest contribution to the reincarnation cemetery!

His training is more solid than anyone else!

What's more, when every power disappears, a part of his power gathers into his body, allowing him to cross two realms almost every time!

This time the Soul Condensation Platform has caused a huge change in the cemetery of Samsara!

It's just that he didn't take the time to feel it because of external affairs.

After dealing with the soul condensing platform, there is no rush to make a move!

"You seem to want to die too?"

Ye Chen turned his head, and looked not far away, a pale-faced disciple of the blood alliance who slowly approached him, and said blankly.

Some words, like the judgment of death, make people chill.

"Boy, you know what it is to offend the Blood Alliance! With so many people watching on the Soul Consolidation Platform, if you do it again, the Blood Alliance will inevitably hunt you down!"

seemed to have been greatly stimulated, the disciple of the blood alliance close to Ye Chen was crazy.

Under the extreme horror, either collapsed or went crazy.

This blood alliance disciple was mad, as Ye Chen expected.

Looking at this man, his whole body exploded, his expression savage, Ye Chen spoke disdainfully:

"Blood alliance? I really haven't been afraid of it! If you offend it, you will offend it! Remember, my name is Ye Jitian!"

"From today on, I, Ye Jitian, saw a blood alliance once, and I killed one!"

"Until the blood allies are killed!"

"Destroy the blood alliance in the Kunlun Void!"

The cold words resounded!

shocked everyone!

Of course, the name Ye Jitian was chosen by Ye Chen casually. Anyway, I felt a little domineering, so I used it temporarily.

He is now disguised, and naturally he will not reveal Ye Chen's identity, otherwise he will be a threat to the Ye Family in Jingcheng and China!

From now on, let the legend of Ye Jitian spread in Yibaoge!

Ye Chen's voice echoed throughout the soul condensing platform.

At this moment, the silence reached its extreme.

Everyone present has heard such slurs!

This is still spoken from a kid who was only in the True Origin Realm three days ago!

True Element Realm challenges the entire blood alliance?

If those people in Kunlun Xu hear it, they will definitely sneer, and even say something beyond their own control!

But at this moment, most people on the Soul Necklace Platform actually believed a little!

Because Ye Chen's explosive strength made them believe.

After the silence, there was an uproar.

"So this person is called Ye Jitian! Is there such a strong in Kunlun Xu?"

"Sill the sky, this person dares to kill even the sky, so why doesn't he dare to move into a blood alliance!"

"The name Ye Jitian is too domineering, plus this kid's talent against the sky, as long as he doesn't die, Kunlun will tremble within ten years!"

"It is estimated that only Ji Siqing from the Ji family can be compared with the talent of Ye Xitian..."

Everyone remembers the look of that young man!

even put the three words Ye Jitian in my heart!

No matter what They and the forces behind them must not be offended.

At this moment, Shen Shixi, the only person who knew Ye Chen's identity, had an extremely strange expression.

"Ye Jitian? Master really dared to take him, even the sky can't hold him, what is Kunlun Xu?"

"If Master retreats all over today, I am afraid it will not be long before every corner of Kunlun Xu will resound with Ye Jitian's name."

"The most annoying thing should be the blood alliance, they must have never thought that Ye Jitian and Ye Chen are the same person!"

The mad disciple of the blood alliance listened to the sound in his ear, and then glanced at the \*\*\*\* glory.

Xue Fenghua nodded at him, he stopped hesitating, and rushed out.

Xue Fenghua didn't rush to make a move, he just wanted to find out Ye Sutian's details with the help of his blood alliance disciples.

It's best to make Ye Xitian exhausted with a wheel fight, and he will take action again when that time comes, absolutely suppress!

Although this method is a bit of a villain, but facing Ye Jitian who doesn't know the depth, this method is the safest!

"Really want to find death? I will fulfill you!"

Looking at the maddened blood alliance disciple, Ye Chen snorted coldly, and flew forward.

brush!

drew a row of phantom shadows, Ye Chen's speed, like thunder and lightning across the sky.

"Get me down!"

Chapter 582: Ye Jitian!

blasted directly with a punch, a powerful wave of air exploded!

Boom!

Thunder roars, fist wind roars.

boom!

But in the blink of an eye, this fist of Ye Chen blasted on the palms that the blood alliance disciples resisted!

Click!

suddenly the crisp voice exploded.

"no!"

The disciple of the blood alliance suddenly let out a heart-piercing roar.

His complexion is distorted!

At the moment of the confrontation, Ye Chen was unstoppable! A punch is like breaking a bamboo! The arms of the disciples of the blood alliance were directly exploded! Flesh and flesh fly, bones torn apart!

But, this is not the end!

With a blast, Ye Chen's fist swept down, and after completely shattering the arms of the blood alliance disciple, the final strength fell on the blood alliance disciple's body!

boom!

Amidst a muffled noise, the screams of the blood alliance disciples stopped abruptly!

He was in the shape of a cannonball, flying backwards backwards, in the air, he was already cut off!

Ye Chen's attack, from the outside to the inside, directly destroyed the whole body of the blood alliance disciples!

Hoo!

In the cold wind, everyone was even more shocked to see that the disciple of the blood alliance who was blown out, flew directly out of the soul condensing platform, and fell to the ground tens of meters below!

It seems as if between, people heard the harsh landing sound, as if between, people heard the creepy bone crushing sound!

It was just a few breaths, two moves, Ye Chen killed two blood alliances one after another!

In addition to the one person killed by Miss Ji's town that day, the few powerhouses of the blood alliance who entered the soul condensing platform this time, almost the entire army was destroyed, and no one survived!

In addition to the blood!

Facing such a situation, the remaining cultivators on the scene looked at each other with horror.

Is this Ye Jitian's current strength?

The peak of the Ascension Realm might not be able to stop it!

Could it be that this guy has really entered the Immortal Realm from the True Element Realm?

Or Transcendent Realm?

This time the blood alliance really suffered a heavy loss.

You need to know the cultivator who can board the soul condensing platform, which one is not the key training object of the sect?

Even if it is a blood alliance, it is no exception!

How much effort and resources did the blood alliance spend on these fallen powerhouses?

However, just such a few disciples who had great prospects and high hopes have all died now.

Even the blood confederacy could not bear such an end.

Looking at Ye Chen, the more people, the look became horrified.

"one left!"

It's a pity, where does Ye Chen care about outsiders' eyes and sights?

After killing two people one after another, Ye Chen took a deep breath and turned to look behind him.

There is one person who hasn't solved it!

Bloody! This is the most dangerous existence, the guy Ye Chen cares about the most!

This son is about the whereabouts of his father!

No matter what, it must be won!

"Not good! Bloody Fenghua wants to escape!"

"Blood Fenghua has escaped!"

"It seems that the blood is scared!"

When Ye Chen turned his head to look around, the people who had noticed the \*\*\*\* glory were exclaimed.

It turned out that, I don't know when, Blood Fenghua has already rushed towards the soul condensing platform!

Obviously, at the moment when he knew Ye Chen's strength, Xue Fenghua was aware of the danger!

Even though his strength is strong, Ye Chen still has Miss Ji Jia and another strong man beside him!

If the three of them work together to deal with him, the consequences would be disastrous!

He must run!

While Ye Chen was distracted, Xue Fenghua's figure was already flashing rapidly, and he swept under the Soul Condensing Platform!

Blood Fenghua escaped!

Seeing this scene in everyone's eyes, the eyes of the people on the Soul Condensing Platform became weird and complicated.

You must know, before this, how powerful and powerful was a person like Xue Fenghua? What dignity does he have?

However, in front of Ye Chen, Blood Fenghua fled in embarrassment. He abandoned his dignity and everything!

He just wants to survive! He didn't even have the courage to fight Ye Chen!

This makes people feel chills when they look at it!

What a terrifying impression Ye Chen has left on Blood Fenghua.

The key is that everyone doesn't know what cultivation level Ye Chen has entered in three days!

Be afraid of the unknown!

"Huh! The bereaved dog, want to escape too?"

Seeing Xue Fenghua's figure fleeing under the soul condensing platform, Ye Chen's eyes flashed with cold light.

can't let the \*\*\*\* glory escape!

If you let him leave this soul condensing platform, it would be even more difficult to win the blood glory!

Want to find a father is more troublesome!

He came here, the main purpose is blood alliance!

Thinking of this, Ye Chen's expression changed, and his figure flew out like a meteor!

"Canglong phantom body is determined!"

Because of the powerful realm, Ye Chen seemed to be stepping on a blue dragon at this moment, and Ye Chen's figure turned into a phantom.

"Blood Fenghua, leave it to me!"

Ye Chen at this moment, like chasing the stars and chasing the moon, in a blink of an eye, he chased not far from the blood and wind.

"Wow!"

The light burst out, and Ye Chen condensed a spirit sword that had just been shot! Sweep straight ahead!

The Soul Refining Sword and the Dragon Slashing Sword are not suitable for shooting, because now his identity is Ye Jitian, not Ye Chen!

brush!

The essence of the sword aura condenses, penetrates the air, and goes straight behind the \*\*\*\* beauty.

"Asshole!"

Feeling the bitter chill coming from behind, knowing that Ye Chen has already made a move, the \*\*\*\* Fenghua who flees gritted his teeth, his face is gloomy!

Embarrassed! Shame!

How was he so embarrassed in his \*\*\*\* glory?

You must know that since he was young, he has been cultivated by his blood alliance. He has always been the best among his peers.

a lifetime of glory and much admiration.

But, today, what happened again?

is in desperation now?

The key is to harm a real elementary realm kid!

Ye Suten!

All this is Ye Jitian!

"Today, I must leave! Only by asking Elder Zheng to take action can this person be suppressed!"

"Compared with Huaxia Ye Chen Ye Jitian is more terrifying!"

His eyes were fierce, and the \*\*\*\* wind snorted fiercely.

"Go away!"

Wrist flicked, a cold light flashed, I saw Blood Fenghua but threw out a rune without looking back!

Boom!

The rune exploded, turning into a substantial barrier, blocking Ye Chen's spirit sword.

The sound of collision exploded in an instant, and the air wave swept out towards the surroundings, Ye Chen's sword suddenly paused.

This is a powerful rune. In the rune, the faintly roaring beast soul is shaking the earth! This is one of the means of life-saving life!

He has no choice!

Ye Xitian gave him a great shock and fear!

He must tell Elder Zheng or the leader everything!

Killing Huaxia Ye Chen can be postponed!

But this Ye Xitian must die!

Otherwise absolutely threaten the entire blood alliance!

With such talents and breakthrough speed, within five years, Ye Ji is innocent, just like his name, killing the sky!

What is the blood alliance!

Chapter 583: Really think you can kill the sky?

Under the extremely strong crisis, the \*\*\*\* life-saving rune has completely bloomed!

In his eyes, Ye Jitian is not necessarily his opponent, but it is definitely not that simple here!

He must leave immediately.

The power of the rune surged between Blood Fenghua's feet. Seeing Ye Chen about to catch up, he quickly opened the distance.

The speed is extremely fast!

Ye Chen's eyes are shining with cold light, he will naturally not let the \*\*\*\* wind leave!

This person is about whether he can enter the blood alliance.

is the main purpose of this trip!

Seeing that he couldn't catch up with Blood Fenghua in time, suddenly a sharp burst of air had already exploded, accompanied by faint exclamations.

A scorching wave of air seemed to overwhelm the sky instantly, burning the sky and the earth.

turned his head and looked, on the soul-condensing stage, Miss Ji Jia held a long bow, her expression indifferent.

A flash of red light, like a meteor penetrating the sky and the earth, went straight behind Blood Fenghua.

Miss Ji's action.

Ye Chenzhen killed the blood ally, Miss Ji Jia kept silent.

She was only interested in the things on Ye Chen at first!

But having witnessed Ye Chen's breakthrough just now, she was more interested in this person!

even not hesitate to offend the blood alliance! Ji's family also wants to win over this person!

The arrows gushing out with fiery arrows, the majesty is boundless!

seemed to perceive the danger coming from behind, Xue Fenghua's figure paused, turned his head and looked around, and looked at the rushing firelight, Xue Fenghua let out a desperate roar!

Sure enough, Ji's still shot!

He can't continue to leave, he can only go to one side!

At the same time, a long sword was sacrificed in his hand, and the powerful aura of the blood alliance surged, splitting the arrow on the spot!

"Crack!" With a sound, the fire cut off on the spot!

And Blood Fenghua also took a few steps back, his face full of anger.

At the same time, Ye Chen had already fallen.

look cold.

"You can't go, give you a choice, abolish the cultivation base, I will not kill you."

Ye Chen's indifferent voice resounded.

He should be the first existence in the world to dare to threaten the blood with the True Element Realm!

Blood Fenghua knew that it was impossible to leave again, Miss Ji Jia's bow and arrow were aimed at herself, once he left again, the consequences would be absolutely troublesome!

Right now, only this man named Ye Jitian can be killed!

He has a chance to leave!

After thinking about everything, Xue Fenghua's face suddenly turned cold, and the sword pointed at Ye Chen, and said angrily: "I don't care if you are Ye Sutian or Ye Potian, you are killing so many powerful people in my blood alliance on the Soul Consolidation Platform. Do you know the consequences!"

"I might as well tell you that although this place is the boundary of Huaxia, it is still a little away from Kunlun Xu, but my blood elder Zheng should almost enter Huaxia, and his strength is enough to crush you!"

"If you dare to be presumptuous anymore! The anger of the blood alliance is not something you can bear!"

His tone is very majestic!

This is the confidence given to him by the blood alliance!

The surrounding forces also nodded.

When some people hear the three words of Elder Zheng, their expressions are obviously a little afraid!

There is only one Elder Zheng in the blood alliance!

Although it is only an elder, it is a decisive existence!

It is rumored that the cultivators who died in the hands of Elder Zheng had no one hundred thousand but ten thousand!

is even called the butcher of the blood alliance by Kunlun!

This butcher that everyone fears also wants to come to China?

The people on the stage of Soul Condensation suddenly took a breath.

Some people even sympathized with Ye Chen.

"This Ye Xitian should not dare to do it again. We have experienced the terrible elder Zheng."

"At that time, one hand suppressed more than a dozen transcendent realm powerhouses! In Kunlun Xu, he has a certain right to speak!"

"Although Ye Jitian is very arrogant, he should be well-measured."

Just when everyone was talking about it, Ye Chen said: "I said, I want to kill the blood alliance, don't talk about you, even if Elder Zheng really comes here, he must die!"

"hiss..."

Hearing Ye Chen's words, the practitioners shook their heads helplessly.

This guy is a lunatic, right?

slaughter the blood alliance? Not even Elder Zheng?

is simply reckless!

"Kyugan!"

Ye Chen's words seemed to stimulate the blood.

"Ye Jitian, I really thought I was afraid that you would not succeed! Killing a few blood alliances, I really thought I could kill the sky? I will let you know today what a mountain is higher than a mountain!"

There was a long roar, and the \*\*\*\* figure shot out.

Huh...

At the same time, a violent wind suddenly rolled up.

Turned into a phantom of blood, the whole body soared, and the robe danced wildly.

The majestic mountain momentum spread towards the entire soul condensing stage.

Blood Fenghua took the lead.

He showed all his strength without reservation.

With such strength, he will completely crush Ye Chen.

Don't give Ye Chen a chance!

"So powerful! Blood Fenghua has reached this level!"

"Why does he run with this strength? He can deal with Ye Jitian!"

"It's probably not Ye Sutian that he fears, but the old man next to Ye Sutian and the shot Miss Ji Jia. The three of them are in trouble together, and he should not be able to stop him alone now." Someone's eyes narrowed and analyzed. .

"That's it! It's just that Ye Xitian just broke through from the True Origin Realm, and his breath is still unstable. Will something happen?"

"That Ye Xitian is not a good stubborn, there is a good show, but both of them left the soul condensing platform, and started here, will Yi Baoge intervene?"

Feeling the spreading aura, everyone in the field took a breath of air and opened their eyes.

Ye Sutian, it's dangerous.

sees the strength displayed by Blood Fenghua at this moment, most of the people in the soul condensing stage are excited, then Shen Shixi and Miss Ji Jia are undoubtedly heavy.

Ye Chen's talent is against the sky, but after all he just broke through.

This bloodbath is not comparable to those with strong blood alliances!

They looked at Ye Chen with worried eyes.

"Ye Jitian, today, no one can save you! I don't believe it, you can cross two realms from the True Element Realm to the Transcendent Realm!"

his momentum soared to the apex, he rushed towards Ye Chen, and heard the uproar from the soul-condensing stage, his \*\*\*\* expression was stern.

"Now, I want you to take advantage of this and return the shame of the blood alliance to you!"

Such strength gives Xue Fenghua the proud capital.

"Oh? Are you so confident that you can crush me?"

Ignoring the crowd boiling up and down on the Soul Condensing Platform, Ye Chen narrowed his eyes as he coldly looked at the murderous blood.

Ye Chen expected this situation.

Therefore, Ye Chen cannot be too shocked at this time.

Even, Ye Chen has a hint of excitement in his heart.

"Let me see how powerful you are!"

Suddenly, at the time when Blood Fenghua was in front of him, Ye Chen stepped forward amidst the exclamation of everyone.

Chapter 584: All the strength!

"Canglong Magic Body Art!"

There was a long roar, Ye Chen's figure seemed to disappear from the same place out of thin air!

Moving like thunder!

In an instant, Ye Chen's speed was approaching a terrifying level.

Before people could even react, the grinning smile on Blood Fenghua's face was frozen.

"not good!"

One shot fell into the air, Ye Chen's speed surpassed the imagination of Blood Fenghua.

was shocked in his heart, a feeling of uneasiness spread, and a cold chill rose from his spine.

"Retreat!"

With a roar, Blood Fenghua forcibly stopped his figure, and rushed to the side.

"Where to go!"

Seeing that Xue Fenghua noticed something wrong, and wanted to avoid it, Ye Chen let out a loud shout.

I don't know when, he already appeared behind Xue Fenghua.

"Tie Shan Kao!"

did not use other moves.

Close fight, this poster Shankao, is Ye Chen's first choice.

Kunlun Xu's powerhouse has long been accustomed to fighting with swords. Facing this kind of simple and rude Chinese martial arts, he is absolutely unpredictable!

With the breakthrough of cultivation base, Ye Chen's physical strength continued to increase, more than just a little bit tougher!

stick to the mountain, but it is the most physical move! Therefore, this is undoubtedly Ye Chen's best choice.

Especially in this \*\*\*\* arrogant arrogance, wanting to easily crush Ye Chen, gave Ye Chen a chance to get closer.

Tie Shan Kao is not used at this time, when will it be more?

So amidst the bursts of exclamation, Ye Chenru a ghost avoided the blow of Blood Fenghua, and appeared behind Xue Fenghua like thunder.

boom...

twisted his waist and raised his hips, and the whole body burst into anger. Ye Chen's upper body suddenly rushed towards the \*\*\*\* wind.

Of course, Ye Chen naturally cannot use the current eighth level of the True Primal Realm to resist the \*\*\*\* glory!

He asked Duan Leiren in the Reincarnation Cemetery for a piece of strength!

Improve your breath and cultivation in a short time!

He won the Taigu Xushi Dan, Duan Leiren was naturally willing!

breath rises!

The terrifying air wave exploded like a muffled thunder.

Ye Chen at this moment, in everyone's eyes, seemed to turn into a mountain, rolling away toward the \*\*\*\* wind.

"Ye Jitian, I still want to touch me with such a method, looking for death!"

A trace of panic appeared on his face, and his expression turned pale.

A huge crisis burst out from the heart of blood.

Both eyes were covered with bloodshot eyes. At the moment Ye Chen's body blasted, Blood Fenghua quickly exploded the whole body's true energy, and moved towards Ye Chen to resist.

What if Ye Chen's move was really made? The consequences could be disastrous.

Under the threat of death, in the shortest time, Xue Fenghua made the fastest and fastest response.

"Rumble..."

The next moment, thunder bursts. The roar was deafening.

噗嗤...

The blood was sprayed, the \*\*\*\* expression turned white, and the figure was like a kite with a broken line, which was shaken out.

Not moving like a mountain, moving like a tiger!

At the beginning of the confrontation, Ye Chen's strength showed that people who were not optimistic about Ye Chen already took a breath of air.

"Is this Ye Jitian's power?"

"The power of this child is at least in the Transcendent Realm!"

"The key hasn't moved the sword yet!"

"Is it really a transcendent realm? Soul Ningtai actually made a kid cross two realms! Crazy!"

"The hero is a boy. What a domineering blow. Simply crushing the opponent with the body. No matter how fast the \*\*\*\* reaction is, it still suffers a lot."

The situation in the field took a turn for the worse, causing many people to stare.

"Come again!"

Amidst the bursts of exclamation, among those horrified eyes, with one blow, where could Ye Chen be idle?

Looking at the \*\*\*\* Fenghua that was blown out by the shock, Ye Chen's figure flashed, as if turning into thunder, chasing towards the \*\*\*\* Fenghua.

"Ye Jitian, don't you \*\*\*\* think about it!"

Knowing that the crisis is coming, his body is still exploding, and seeing Ye Chen's ultimate move come, his \*\*\*\* eyes are splitting.

Ding Ding Ding...

There was a sharp impact, and the fire burst out.

When retreating, Xue Fenghua offered a sword and forcibly stabilized his figure.

"Thunder Light!"

Immediately afterwards, with a flick of his wrist, the long sword shot out and went straight to Ye Chen.

At the same time, Blood Fenghua's fingers pressed together, forcing a drop of blood!

The essence and blood turned into a blood-red ancient door phantom! Attached to the long sword!

This move is a killer skill of the blood alliance!

Using the power of blood and blood, it is difficult for ordinary people to block it!

"Ye Jitian, go to death!"

Blood Fenghua's complexion is ferocious and crazy.

I thought I could crush Ye Chen easily? Unexpectedly, it failed.

What level of anger has risen in Blood Fenghua's heart!

is simply unforgivable!

Ye Jitian wants to kill himself? Thinking too beautiful!

Don't forget, what is the best thing about the blood alliance?

is killing!

In the sharp whistling sound, the cold light tore the air, and with a cold murderous intent, he went straight to Ye Chen.

"Mr. Ye, be careful!"

Ye Chen could even hear a burst of exclamation, coming from the Soul Condensing Platform.

comes from Shen Shixi.

Shen Shixi even prepared to shoot.

Ye Chen glanced around and said lightly: "You don't need to act."

If it was himself a few months ago, facing this sudden sword, Ye Chen would be afraid of falling into danger.

But now?

Different!

"Break it for me!"

With a flick of his wrist, the spirit sword he bought from the auction was taken out.

Ding.....

A dazzling silver light spilled out, and the spirit sword was raised from the bottom up.

A crisp impact sound followed.

Lingjian let out a sharp soft moan, bursting out terrifying power.

Ding Ding Ding!

The flames burst, and the sword that was shot at Ye Chen was chopped out by Ye Chen.

Blocking Xue Fenghua's counterattack, Ye Chen did not continue to pursue it.

Lost the opportunity to crush, at this time, to pursue the pursuit again, it is meaningless!

Standing in place, he squinted his eyes. Seeing that his killer skills were stopped, a trace of horror flashed across the \*\*\*\* eyes, and he coldly snorted, "Ye Jitian, what kind of clan are you from? door!"

His look is uncertain.

Today's battle, I'm afraid it's not that simple anymore.

"You are not qualified to know, the only thing you need to know is that today I will abolish your cultivation."

As soon as these words came out, the sneer at the corners of Xue Fenghua's mouth became strange: "Looking for death!"

With a wave of his hand, he retracted the flying sword that was shaken by Ye Chen. Xue Fenghua didn't know when, and there was an extra long sword.

"You forced me!"

The \*\*\*\* complexion suddenly became hideous.

"Today, I will show you all my strength!"

Blood Fenghua suddenly roared.

"brush....."

The voice fell, and the \*\*\*\* sword pointed at Ye Chen.

A simple action seems to have been practiced thousands of times, and a powerful momentum suddenly burst.

The air seems to freeze, and time and space seem to freeze.

That fierce momentum drew a strong wind.

The violent wind rushes like a knife!

thorn...

Ye Chen's sleeves were torn out.

Chapter 585: Ye Xitian's identity

"Very powerful momentum, very domineering sword spirit!"

Ye Chen's pupils were slightly retracted.

"In that case, let me learn and teach your moves!"

Ye Chen shouted coldly.

"Ten Thousand Ways of Sword Technique!"

The Canglong phantom body stepped out, Ye Chen held the spirit sword and took the lead!

Blood Fenghua cannot be underestimated. Ye Chen can't be careless if he wants to win.

seize the opportunity, not to give the other party a chance to breathe, this is Ye Chen's idea.

"Thunderfall!"

A flash of cold light, like nine gods of thunder, fell down.

This is the thunder calamity in Ye Chen's life charm!

The speed of Ye Chen's sword is more than just reaching the extreme.

Check out new PVP arena battles!

all over the sky, dragging out a phantom, people's eyes can't even keep up.

Ye Chen wanted to see, his ten thousand dao swordsmanship is strong, or the blood alliance's killing skills are strong!

What the Sword Master Wandao taught him, how can Kunlun Xu's \*\*\*\* exercises resist!

boom...

In a blink of an eye, a violent roar came.

Ye Chen's sword froze in front of Xue Fenghua.

At the moment when Ye Chen saw that Xue Fenghua's arm was about to be cut off with a sword, Xue Fenghua made a move! Between the electric light and flint, a mysterious and incomparable blood alliance swordsmanship blocked Ye Chen's falling sword intent.

The terrifying impact gave birth to layers of substantive air waves, sweeping towards the surroundings.

Between heaven and earth, sword energy flies.

Ding Ding Ding...

Every sword aura, with substantial lethality, splashed around the soul condensing platform fiercely.

I don't know when a layer of enchantment will be born, so it will envelop the battlefield of Ye Chen and Blood Fenghua to avoid disturbing the pond fish!

Obviously, the strong man in Yibaoge made the shot!

"Ten Thousand Ways of Swordsmanship? I have never heard of it! I guess it's also \*\*\*\*  
swordsmanship!"

Xue Fenghua sneered.

The knuckles of the fingers became pale due to excessive force.

Ye Chen sneered: "Garbage? I want to see, how long can you resist this garbage!"

While sneering, Ye Chen's expression suddenly turned cold.

"Go!"

There was a long roar, and another powerful momentum broke out.

boom...

He only heard a roar, and in the astonished expression, Xue Fenghua's chest became stuffy, and the whole person was shaken away.

Ten Thousand Ways of Swordsmanship, infinitely changing, gather the power of heaven and earth, create the power of the five elements!

The power of thunder is more than fast, the power of heaven and earth, but the power of thunder is the most ferocious!

Ye Chen's late-coming momentum contains the power of thunder, can it be resisted?

Until now, Ye Chen had probably judged the strength of Blood Fenghua.

Above the Transcendent Realm!

But at this moment, he has a part of Duan Leiren's power, as well as the supreme sword skills of Wandao Jianzun!

Who can stop!

Even the transcendent state!

Now that Ye Chen's fighting power has exploded, he is by no means inferior to his blood.

Pedal...

Looking at the horrified face, the \*\*\*\* atmosphere that burst away, Ye Chen's mouth showed a sneer!

"You can serve!"

Without waiting for Blood Fenghua to stabilize his figure, Ye Chen pursued again.

I will kill you while you are sick!

Once you have the upper hand, don't give the opponent a chance to breathe! Crush all the way, relying on the vigorous and domineering infuriating, until the opponent defeated.

Just like now!

After a thunderous attack, Ye Chen swept away directly.

"The meaning of ten thousand swords, burns a prairie fire!"

This is one of the sword skills Chen Tianli taught him!

He never showed it!

This is the first time!

is enough to shake everyone!

Instantly condensed the soul under the stage, as if it turned into a sea of fire, and the heat wave rolled.

The endless flames seem to converge into thousands of beasts, galloping and roaring, crushing towards the blood.

The fire is raging, and the beasts are running!

The raging fire power brewed by the ten thousand swordsmanship made the eyes of many people on the stage of Ning Soul wide open.

"This... so powerful!"

"Transcendent Realm? How come? Ye Jitian is so domineering!"

"What is the origin of Ye Sutian? He didn't even give Blood Fenghua a chance to breathe!"

"What a powerful Ye Jitian! Is it true that the blood is gorgeous, and he will lose today?"

Seeing the behemoth of the raging fire, swept away towards the blood, countless onlookers were amazed.

Before the start of the confrontation, when Xue Fenghua showed his strength, no one was optimistic about Ye Chen.

But what about now?

Ye Chen's performance has subverted the cognition of many people.

The gap between the two at this moment is a gap for many people!

What surprised them even more was that three days ago, this kid was only in the True Origin Realm!

In just three days, how to improve!

The key is that Ye Jitian seems to be only in his twenties!

Against the sky? It's not so \*\*\*\* exaggerated!

Even Ji Siqing, who is like Kunlun, can't do it!

If this matter is known by the entire Kunlun Xu sect, this Ye Jitian will definitely become a hot seller!

They even made up countless sects in order to fight for Ye Tiantou to break the blood!

Looking at the \*\*\*\* wind swept by the sea of flames, many people were hung up.

Many people who have a good relationship with blood are even more gloomy.

"Blood Fenghua, I'm afraid it will fall?"

If this \*\*\*\* glory wins, it's okay, everything is going well. If Xue Fenghua fails, will the blood alliance become a laughing stock again?

Moreover, this is a laughing stock in front of the world.

I would say that the most shocking is Shen Shixi.

"Unexpectedly, Mr. Ye has risen to this level! Compared to the day in Huaxia Capital, he is more than a little tougher!

I finally understand why Wandao Sword Sovereign left that sentence in Wan Sword Sect, so that Ye Chen was honored by the entire sect. "

"This kind of person is so talented, as long as they don't die in three years, then it is not Wan Jianzong who will guard Ye Chen, but Ye Chen will guard Wan Jianzong!"

"No matter what, I will swear to protect Master!"

Shen Shixi made up his mind.

And Ms. Ji Jia beside Shen Shixi The eyes are even more excited.

The hands holding the bow and arrow are sweating!

The surprise Ye Jitian gave her was too big!

The treasures of the entire Yibao Pavilion are not as good as this Ye Jitian!

She also secretly made up her mind, at all costs, the Ji family must win Ye Jitian!

At the same time, one hundred meters away, the sixth floor of Yibao Pavilion.

A few elders watched the scene under the soul condensing stage from a distance.

These old people are all extremely honorable people of Yibaoge!

In addition to Fu Bo in the Appreciation Room, several old people crowded around an old man in brocade.

The old man in Jinyi put his hands behind him, his expression solemn.

He is Zhuang Bufan, the person in charge of the China Kunlun Yibao branch.

"My lord, these two people have already left the Soul Condensing Platform, and they are already in the Yibao Pavilion. Do you need to suppress them?"

an old man with a terrifying aura cautiously said.

Zhuang Bufan did not speak, thought for a few seconds, looked at Fu Bo, and asked: "You and Ye Xitian should have been in contact. Can you know his true identity?"

Forber shook his head: "The subordinates checked it through some means, but I don't know it. The only clue is that the two men seem to be coming from China, and they were captured at Kunlun Mountain International Airport."

Chapter 586: Burn the soul!

In Fubo's eyes, Zhuang Bufan was obviously planning to win Ye Sutian.

"Hua Xia? Such a person of strength and talent should not be Hua Xia. It is estimated that he has just returned from Hua Xia. The old man beside Ye Jitian is above the extraordinary realm, a strong man in the extraordinary realm called a young man in the true original realm as Mr. Some meaning."

"It's a pity that he shouldn't do anything on my territory, let alone move blood."

Hearing these words, Fubo's expression changed and he glanced at Zhuang Bufan: "My lord, what do you mean..."

Is it possible that Zhuang Bufan wanted to win Ye Xitian?

Zhuang Bufan sneered: "I have some friendship with Elder Zheng of the blood alliance. This \*\*\*\* life belongs to Elder Zheng, and I naturally want to take care of it.

As for Ye Jitian... If this child is willing to serve us Yibaoge unconditionally, accept it, if he doesn't want to, just kill it! "

"This son is too bad, if it can't be used by us, it will be a threat in the future! Never stay!"

"Old Shan, you go down, it depends on the situation."

The terrifying old man naturally understood what Zhuang Bufan meant and nodded: "My lord, I will definitely get things done!"

The words fell, and the figure disappeared instantly!

And at this moment, the soul condenses under the stage.

a roar exploded.

I saw the audience at the moment, the wind swept across, the sword energy overflowed, and the fire was flying.

After a few moments of confrontation, the imposing sea of fire woven by Ye Chen has been shattered.

"Bloodgate sunset!"

A trace of blood hung on the corner of Blood Fenghua's mouth, and he roared like a beast, forcing a drop of blood to hit his brow.

swayed the sea of fire that swept away, that sword light went straight to Ye Chen.

Ding.....

There was a crisp impact sound, and Ye Chen's advancement was stopped in front of the swift flying sword! After a pause, he withdrew a few steps toward the rear.

"Asshole! Ye Jitian, good! Good, it seems I really underestimated you!"

From Ye Chen's frenzied attack, he got a chance to breathe, and the embarrassed \*\*\*\* wind glared at Ye Chen not far away!

Fortunately, my reaction was fast enough, and fortunately, I stepped into a transcendent state.

The suffocation in my heart made the blood wind raging to the sky.

Why is this \*\*\*\* Ye Jitian so powerful!

If you are today's self, you can't use the secret technique to improve it, I'm afraid it is already defeated, right?

This makes the \*\*\*\* heart beat wildly!

can't fail! Can only succeed.

Blood Fenghua knows what this battle means and what it represents.

"Ye Jitian, even if I die, I won't let you live!"

opened his eyes wide, and in his anger, his eyes were already full of red blood.

Blood Fenghua roared fiercely.

"I want to see how strong you can be!"

The eyes seemed to stare out, and the \*\*\*\* wind snarled at Ye Chen, who looked cold.

Amidst the roar of , Xue Fenghua's hands quickly squeezed out a rune.

In a blink of an eye, several runes were pinched out, condensed, and turned into a weird red rune, printed in the \*\*\*\* Dantian.

boom...

With that rune printed in, Blood Fenghua's complexion became grim.

"Ah ah ah ah ah....."

seemed to be enduring unimaginable pain, the blood and wind roared fiercely, his whole body began to squirm, and the veins and veins, like long snakes, appeared ferociously.

With the emergence of those tendons, the aura of blood is constantly soaring!

With the blood wind at the center, a huge whirlwind swept across.

The \*\*\*\* beauty standing in the center of the whirlwind, like a troll, walked out of \*\*\*\* and quieted the entire soul condensing stage.

Blood Fenghua, finally under Ye Chen's persecution, he displayed his last resort!

Under Ye Chen's frenzied attack, the blood gusts were dangerous. Now finally got a chance to breathe.

When people were still silent in the shock brought by Ye Chen, the blood was unwilling to let Ye Chen so rampant!

His eyes are red, and his whole body is bulging!

"too horrible!"

"What exactly is going on?"

"Oh my god, what happened. The \*\*\*\* momentum has soared!"

"He... his aura... seems to break through the shackles of the realm! What the \*\*\*\* is this!"

The changes in the blood and elegance brought about a huge shock.

You know, between realms, there is a vast ocean.

How many monks, it is impossible to cross this ocean in a lifetime.

The gap between the two is simply the gap between heaven and earth. And now Xuefenghua has a faint feeling of breaking through this gap! This makes people stare.

"The soul burning secret technique of the blood alliance? Is this blood madness?"

Someone suddenly exclaimed.

Inside the crowd, Shen Shixi narrowed his eyes, and he leaned forward slightly.

In the distance, Miss Ji Jia, who was left alone, saw this scene, the smile on the corner of her mouth disappeared, and a cold light burst into her eyes.

Those with smiles in Yibaoge, at this moment, the smiles on their faces freeze!

The strength that Ye Chen showed before has made them never optimistic, until they are considered to be able to win!

And now, the change of blood and elegance seems to make this battle change again.

The blood union burns the soul. This is one of the banned techniques of blood alliance among rumors.

It is said that once this technique is performed, the strength of the monk can skyrocket within a short time! This is the most terrifying method of the blood alliance.

It is not surprising that Blood Fenghua uses this technique! However, under this situation, Ye Chen...I'm afraid it is really dangerous.

Relying on the powerful combat power, the first to win, Ye Chen suppressed the more powerful blood glory. But now the blood glory is gone, Ye Chen's difficult advantage will inevitably disappear.

How should he face the next battle?

Under the stage of condensing the soul, there was a burst of uproar from the crowd.

Seeing the changes in Blood Fenghua, Ye Chen frowned.

Blood Fenghua, have you finally used all your strength? This is the real blood glory? This is how Shen Shixi made himself be careful?

interesting.

The rising aura faintly surpassed the aura that should be in the mid-Transcendent realm.

Blood Fenghua, what is this exactly!

"Ye Jitian, this is my last resort, how about?"

Looking at Ye Chen's changing expression, his eyes were red with blood, and he smiled loudly.

"Ye Jitian! It's you! You forced me to such a point. You shouldn't have appeared in this world. My blood is gorgeous, and the face of my blood alliance can be humiliated by you ants.

Want to defeat me? Ye Xitian, you are going to have a dream.

Now, I have used the forbidden technique of my blood alliance-burning soul! The muscles and veins of the whole body run through. The true energy in my body is like the roar of the sea. It's not like you \*\*\*\* can match! Can you still fight me? At the beginning, my ancestors of the blood alliance were able to stand tall to the end with one enemy and five against five strong men whose strength exceeded him. Do you think you can resist me now? "

Chapter 587: I give you endless lightning!

Blood Fenghua roared loudly among the grinning laughter.

This is the forbidden technique of their blood alliance! It is also the last resort of the blood.

If it weren't for the last resort, he would not use such methods.

This method is very powerful.

However, the price that needs to be paid is also huge.

It is precisely because the people of the blood alliance know the price paid, so this soul burning technique is rarely shown in front of the world.

It's a pity that Ye Chen forced the blood to show.

In this battle, he cannot afford to lose!

In this battle, Ye Jitian must die!

Even after this battle, he will pay a step backwards in strength, and his muscles will be on the verge of collapse. Within a year, you can never think about the consequences of making an inch.

"The Art of Burning Soul?"

I can feel the resentment between the words of Blood and Wind.

Ye Chen narrowed his eyes slightly.

The muscles and veins of the whole body are connected to one another, turning the whole body into an unobstructed road. Is it consistent to the end? This is really against the sky.

But, how long can the blood glory last with this method?

There was a sneer at the corner of Ye Chen's mouth!

I failed?

Do not!

Blood Fenghua thinks too much.

as long as it lasts for a while.

"Ten Thousand Ways of Swordsmanship, Ice Breaks Sword Shuang!"

With a long scream, Ye Chen kicked his feet on the ground and suddenly shot.

The spirit sword swept out, and for a while, the whole world seemed to freeze.

Huh...

The cold wind howled.

The world, which was still carrying a trace of heat, seemed to have entered the midst of the cold winter.

There was snow in the sky, and the ground condensed into ice.

Click, click...

There was a crisp sound, and the ice and snow on the ground spread at a terrifying speed and swept towards the blood.

"Ice Break Jian Shuang!"

The cold light flashed, and the spirit sword swung out!

Hum...

Amidst a soft moan, I don't know when, the falling snow solidified and condensed into ice.

Hundreds of ice cones formed in Ye Chen's thoughts.

咻咻咻咻.....

Then came bursts of sharp howls.

The cold is shining, the ice and snow are everywhere!

There are hundreds of ice cones in the sky, each of them is like a sharp flying sword, unstoppable.

Above the ground, the spreading ice and snow world, like a vast abyss, swallowing the earth!

This is Ye Chen's current state, the only one of the most powerful swordsmanship moves he can display!

He can feel the infuriating madness passing by!

seems to be exhausted soon!

This trick requires not only a huge amount of energy, but also a powerful spirit as support!

If he hadn't stepped into the eighth level of the True Element Realm on the Soul Condensation Platform, he would never be able to do it.

The appearance of this trick has already silenced the entire soul condensing stage.

Ye Chen's move was too shocking and too domineering.

Many people paled.

Ye Chen, is he really just a transcendent person? Such a transcendent realm, can't it be regarded as the top talent?

In front of the crowd, there are many Tianjiao, and their pupils faintly shrink.

Ye Chen was once again impressive.

Even Zhuang Bufan Gujing Bubo's face from a high place was shocked!

"What an overbearing sword technique! I have never seen it in Kunlun Xu! Then what adventure is there for Ye Jitian!"

Zhuang Bufan's greed and killing intent gradually condensed.

He even sent a voice to Mr. Shan: "If this child doesn't want to follow us, before killing him, try to figure out his secret! Even use spells to deprive the memory!"

"Yes, my lord!"

.....

Ice and snow, murderous!

The whole soul-condensing stage fell silent. People seem to forget to breathe. Under the soul-condensing stage, watching this thrilling scene quietly, feeling the incomparable murderous intent, the corner of Blood Fenghua's mouth sketched a devilish sneer.

"I have to say, if you performed this move earlier, I would be hard to resist!! But now? You want to hurt me? It's not enough!"

Suddenly, Blood Fenghua's complexion became grim.

"One sword breaks everything!"

Scarlet eyes burst out with a suffocating light.

brush.....

With a flick of his wrist, a flash of red light flashed quickly.

Huh...

The wind is blowing, the thundercloud is moving.

thorn...

The air is torn apart.

boom...

In the end, that flash of light, really like stars falling from the sky, fiercely blasted with Ye Chen's moves.

boom...

Like a mysterious thunder, it explodes continuously.

A wave of earth-shaking air swept towards the surroundings.

The whole earth trembled faintly.

The cold wind howled, the ice and snow splashed everywhere!

The red light passes by, the momentum is like a broken bamboo!

rumbling...

Along with the last roar, the ice cones that had filled the sky were all shattered and turned into crystal clear ice and snow, flying everywhere.

The world of ice and snow that had spread from the ground seemed to melt for a while. The snow quickly dissipated.

Ye Chen turned white as he was hit hard, and he took a few steps back.

Only this one move confronted, and Blood Fenghua almost crushed Ye Chen's moves and suppressed Ye Chen himself!

hiss...

This caused countless people to gasp severely.

Blood, so powerful?

As Xue Fenghua just said, Ye Chen now has a fighting power that is not inferior to the extraordinary realm!

Even the sword technique that Ye Chen showed just now, the brewing world of ice and snow, the power of the ordinary and extraordinary realm, may not be able to crack and open.

However, the blood is just a trick... A simple sword, shattered the world of ice and snow?

Is this really the \*\*\*\* glory suppressed by Ye Chen before?

How did he become so strong?

The Art of Burning Soul? This is the soul burning technique of the blood alliance? Too bad!

Countless people's eyes flashed with surprise and uncertainty.

Blood Fenghua turned his head slightly, and the corners of his mouth raised: "Ye Jitian! I can't wait. Now, it's time for you to enjoy hell!"

Blood Fenghua's eyes became scarlet "Ye Jitian, die! "

There was a long scream, and a stream of light flashed through Xue Fenghua's hand again.

Wow...

Flying sword shot again!

The domineering sword aura, like coming from all directions, suppressed from the sky.

Ding Ding Ding...

Before the sword arrives, the sword spirit arrives first.

Thousands of sword auras raged under the stage, smashed to the ground, leaving a trail of sword marks, bursting out endless fire, like a splendid firework, blooming.

Ye Chen felt tingling pains all over his body.

took a deep breath, suppressing the qi and blood tumbling in his body, feeling the pain in his skin under the sword aura, Ye Chen looked ugly.

Is he afraid of blood glory!

His eyes shot in one direction!

That is an old man with a fan!

The appearance of this old man just now suppressed him with coercion secretly!

Otherwise he won't get hurt!

is too mean!

It is like facing two strong people alone!

The key is that the old man is more threatening!

Ye Chen broke out murderously, he stepped out and roared: "Bring out the blood dragon! I will give you endless lightning!"

Chapter 588: It doesn't matter who comes!

In an instant, dragons chanted!

Then, a blood dragon rushed out under the shock of everyone!

"Want to come back? Bloodbath, I will not give you this opportunity! Today I will suppress you with it!"

At the moment when the flying sword swept in front of him, Ye Chen even forced a drop of blood into the blood dragon.

boom...

With a loud noise, the blood dragon is red light!

Houhouhouhou...

As in the prehistoric era, the dragon is galloping.

A huge and extremely ancient dragon, under the urging of Ye Chen, moved towards the thousands of sword energy and the sword light to resist.

Behind the dragon, what is dragging is a mountain. Such as propped up the entire sky pillar.

cyan light and red light are intertwined!

"There is a blood dragon in Ye Jitian!"

"This blood dragon is covered with flames and lightning, how could it be possible!"

"Is this Ye Jitian the man of the Royal Dragon!"

The crowd is shocked!

Some people's eyes can't wait to pop out!

Ms. Ji Jia and Zhuang Bufan's expressions were horrified to the extreme.

Although this blood dragon is just a ghost! But looking at Kunlun Void, who can master this blood dragon phantom!

The key is that this blood dragon still has flames and lightning!

Not only that, but also a strong killing aura!

The whole audience was caught in a dazzling scene at this moment.

The collision between the blood dragon and the sword qi, every time, there is a earth-shaking roar!

This is a \*\*\*\* battle. Constant collision, constant roar...

As if it was just a moment, as if after thousands of years, countless sword auras seemed to die together with the blood dragon.

Finally, the sword light hit like thunder and fell fiercely.

Finally, the mountain that resembles a pillar of heaven, heading for the sword light!

boom...

Shocked, shaking Kyushu!

The world is strangely quiet at first, and then a crazy explosion.

The whole land is gone.

A series of cracks intertwined a complicated skynet!

The sword light shattered, and the blood dragon screamed and flew back.

Puff puff.....

Ye Chen staggered back.

Xue Fenghua's face flashed with an unbelievable look, and his figure retreated a few steps, spitting out blood.

Not only that, but the soul condensing platform had a crack at this moment, spreading towards the surroundings.

seems to be shattered soon!

This blow actually broke the soul condensing platform, which is too \*\*\*\* exaggerated.

Blood Fenghua is going crazy.

His own killer blow was actually resisted?

Looking at Ye Chen who stood firm and wiped off the blood on the corners of his mouth, the blood screamed.

Being forced by Ye Chen to perform a forbidden technique, Blood Fenghua had already paid a heavy price.

But, this price didn't let him crush Ye Chen?

This is really unacceptable!

The fire in the heart of Blood Fenghua is enough to burn the sky!

With this anger, Blood Fenghua once again offered a sword.

The sword body vibrated, condensed into light, emerged from a phantom, and went straight to Ye Chen's key.

Ye Chen is not dead, and the offensive will not retreat!

Blood Fenghua intends to die with Ye Chen.

Watching Blood Fenghua shoot out the flying sword again, turning into a sword light and sweeping towards Ye Chen, people's hearts hang subconsciously, worrying for Ye Chen.

"Blood Fenghua, want to kill me? This trick is not enough!"

Seeing that sword light came, Ye Chen forced himself to endure the turbulent viscera and roared loudly.

"Poyang sword, come out for me!"

Since the Soul Suppression Sword cannot be used, he still has the Sun Pouring Sword!

The Soul Suppression Breaks the Sun, and the Sword Breaks the Yang Sword does not lose the Soul Surge Sword!

At this moment, Ye Chen closed his eyes tightly, and a smile gradually appeared at the corner of his mouth.

boom...

With the epiphany in his heart, with the understanding of the sword power, Ye Chen's body momentum is rising!

Huhuhu...

The wind howled.

Every gust of wind seems to be like a sword aura.

At this moment, Ye Chen seemed to merge with this place.

"Break me!"

Suddenly, a long howling sound came from Ye Chen's mouth.

boom...

The whole earth trembles faintly.

Ye Chen's aura climbed to the extreme at this moment.

That momentum spread, the wind swept across, the mountains and rivers changed color, and the vegetation withered!

The cold wind swept like a sword air, with Ye Chen as the center, everything tens of meters in radius, all shattered!

Poyang Sword seemed to feel something, turned into a red light and broke through the air!

The cold murderous intent covers the audience!

Everyone is walking on thin ice!

Blood, Ye Chen must be abandoned!

In a blink of an eye, the Poyang Sword pierced Xue Fenghua's body!

The blood is getting stained!

The direction of penetration is impressively Dantian!

The dantian is destroyed, which is simply painful for the cultivator.

"what!"

However, in the midst of the roar of Blood Fenghua, when everyone thought that Blood Fenghua was about to end, a cold snort came suddenly.

Boom!

The next moment, a golden light flashed, the Poyang Sword paused, and a roar exploded.

In the hurricaneous air wave, Ye Chen saw that the old man who secretly shot appeared!

The Poyang Sword was directly shaken out, and it was inserted one meter in front of Ye Chen!

stuck in it!

The powerful sword aura made Ye Chen step back a few steps.

"Ye Jitian, this is Yibaoge, you are not qualified to kill people here!"

The cold voice of the old fan resounded!

After finishing speaking, he even took out a pill from his waist and handed it directly to the ruined blood Fenghua of Dantian!

"Take the pill and heal the wound slowly."

Blood Fenghua was startled, suddenly thought of something, and looked up the Yibao attic!

He saw Zhuang Bufan!

He knew that Zhuang Bufan and Elder Zheng had some friendship!

Obviously, Zhuang Bufan did not sit idly by!

The excitement in Blood Fenghua's heart was beyond words, and he gave Ye Chen a vicious look, directly took the pill and began to heal his injuries.

Although the dantian is destroyed, there may still be a chance of rescue now.

At this moment, Ye Chen looked at Shan Lao coldly, saying every word: "What are you, you can only let others kill me?"

As soon as these words came out, those onlookers looked terrified!

They recognized the identity of Shan Lao!

is like a master around Zhuang Bufan!

And now That Ye Xitian actually said that the old fan is something!

Lao Shan heard Ye Chen's words like this, and his heart was a bit irritated, and he stepped forward with a murderous release!

"Ye Jitian, are you going to be an enemy of Yibaoge? Don't talk about you, even if you are behind you, you are not qualified to provoke Yibaoge! You can't kill this blood! No matter who comes!"

"Also, your team said so just now, I advise you to kneel down and apologize, otherwise I will make you regret coming here!"

When the sword was drawn, a figure stood in front of Ye Chen.

is Shen Shixi!

At the same time, Ms. Ji Jia also appeared at Ye Chen's side.

Ms. Ji Jia glanced at Shan Lao and smiled: "Shan Lao, you are not righteous to do this. This is the grievance between Ye Jitian and Xue Fenghua, why did you not take action early and late? What?"

Lao Shan naturally knew the identity of the woman, and said coldly: "I just saw it, can't it?"

Ms. Ji's eyes narrowed slightly: "Of course it is possible, but let Ye Jitian kneel down is it? It depends on the face of my Ji's family, how this matter ends."

She knew very well that the person behind Shan Lao must be Zhuang Bufan.

Although Zhuang Bufan is not the core person of Yibaoge, he has the right to speak here.

No one can move.

The most important thing right now is to protect Ye Jitian.

Chapter 589: Active into passive

Because the Ji family stood up, Shan Lao didn't let Ye Chen kneel down anymore, and his expression softened a bit.

He thought of Zhuang Bufan's explanation, and said to Ye Chen: "Ye Jitian, you can do it if you don't want me to be embarrassed. You have a good talent. I will give you a chance. Would you like to join our Yibao Pavilion?"

"I don't need to say anything about Yi Baoge's position in Kunlun Xu. This opportunity is hard to find."

In an instant, the entire Yibao Pavilion was quiet.

No one thought that Yi Baoge would be the first to throw an olive branch to Ye Jitian!

This is Yibaoge!

It's one of the big powers that make false calculations in Kunlun!

As long as Ye Jitian joins Yibaoge, there will be endless resources, and Ye Jitian will surely become the strongest person in Kunlun at the fastest!

Such conditions are so exciting!

But this fan made Ye Sutian kneel first, and then drew it together again. This is too shameless!

Miss Ji Jia bit her lips, glanced at Ye Sutian, regretful in her heart.

Although she wants Ye Sutian to join the Ji family, everything depends on Ye Sutian's decision.

She is not qualified to help Ye Xitian choose.

At this moment, countless light fell on Ye Chen's body.

Waiting for reply!

In everyone's eyes, this temptation cannot be denied!

And just a few seconds later, Ye Chen smiled: "I am not interested in your invitation from Yi Baoge! Also, Blood Wind is the one I want! If you protect yourself, I will kill you!"

what!

As soon as these words came out, the entire Yibao Pavilion was silent for an instant.

I even held my breath!

Everyone on the scene stared at Ye Chen, like hell!

Shen Shixi's mouth twitched, almost vomiting blood.

Master, what are you doing!

Although Wan Dao Jianzun and Wan Jianzong were standing behind him, it was clear that this was the territory of Yi Bao Pavilion.

Once you do it, the consequences will be disastrous!

For so many years, no one has dared to make trouble in Yibaoge!

Even Miss Ji Jia's eyes looked at Ye Chen changed.

The look in his eyes seemed to feel that this man named Ye Sutian was indifferent.

She wanted to save Ye Sutian, but now Ye Sutian has offended people to death, how can she save?

Her eyes shot up to Yi Bao's attic.

Sure enough, Zhuang Bufan frowned, his expression very unhappy!

Big trouble!

"Ye Jitian...I..."

Just as Miss Ji Jia was about to persuade something, Old Shan's angry voice sounded: "Ye Jitian, it seems that you really can't figure out the situation in front of you!"

"If you refuse Yi Baoge's invitation, it is tantamount to court death!"

Shan Lao is well aware of Zhuang Bufan's explanation.

Once Ye Jitian refused, he would kill him directly!

This kind of genius cannot be used by Yibaoge, and no one is qualified to have it.

Now this kid is so arrogant, just giving him an excuse to do it.

Ye Chen's expression was indifferent, he glanced at the \*\*\*\* Fenghua who was healing his injuries, and then walked step by step.

"For others, Yibaoge may be an existence that is not easy to offend, but in my eyes, Ye Jitian has nothing to do. I will finally give you a chance to get out of it, otherwise, the new accounts and old accounts will be calculated together."

At this moment, the murderous intent on Ye Chen was released!

No fear!

Had it not been for this old fan just now, he would have won the blood glory!

Such insidious people, what if they are killed!

Yibaoge hunts down himself?

What is he to be afraid of!

After today, there is no Ye Jitian in the world! Only him Ye Chen!

Old Shan's expression was completely ashen. He didn't do anything for the first time. Instead, he looked at Zhuang Bufan upstairs: "My lord, Ye Jitian started his hands in Yibao Pavilion, and he didn't put the majesty of Yibao Pavilion in his eyes. Request to be killed!"

"quasi!"

Zhuang Bufan's voice fell directly!

At this moment, everyone in the entire Yibao Pavilion took a breath!

Zhuang Bufan is all right, then Ye Jitian will definitely die!

Just as Miss Ji Jia wanted to stand up and say something, an old man appeared beside her.

Seeing this old man, Miss Ji Jia hurriedly said: "Grandpa Yun, you are powerful, you may beg for mercy from Zhuang Bufan, maybe you still have a chance."

The old man shook his head and whispered: "Miss, although the Ji family is not afraid of Zhuang Bufan, it is too costly to anger Yi Baoge for an outsider."

"Let's not interfere in this matter."

"Although Ye Sutian is good at strength, he is too arrogant and will inevitably die early. This kind of person is not worthy of the Ji family."

Miss Ji's eyes widened, she never expected Grandpa Yun to give up.

"But Ye Jitian..."

"No, but when I came out of Kunlun Xu, the master told me that I was right about this kind of thing."

Miss Ji Jia glanced at Ye Chen, sighed, and stepped back.

All she can do is watch the changes.

If her actions harmed the Ji family, then she would be a sinner through the ages.

At this moment, Shen Shixi already knew that the arrow had to be sent on the string, he came to Ye Chen's body: "Mr. Ye, I will deal with it, you leave first."

There are so many masters here, he has no choice.

No matter what, you must protect your master!

Of course, he will reveal his identity when he has to!

What Wan Jianzong fears is the Yibaoge General Pavilion!

The Zhuang Bufan in front of him is just the master of the pavilion, so what is there to be afraid of!

He didn't believe that Yi Baoge would oppose Wan Jianzong for a Zhuang Bufan!

Their Wan Jianzong is not vegetarian either!

Hearing Shen Shixi's words, Mr. Shan sneered: "I still want to leave? Entering Yibaoge is equivalent to entering the ghost gate. There is no return! No one wants to leave today!"

"Ye Jitian, you little beast, die!"

Shen Shixi was also angry when he heard these words: "Bold! You can insult Mr. Ye!"

After the words fell, Shen Shixi rushed out!

The long sword appeared in the palm of the hand, and the sword shadow swept away!

Like the waves!

It's terrifying!

Old Shan frowned, but he didn't expect that Shen Shixi was so terrible, and he didn't hesitate to turn the fan in his hand, as if it had become a machete!

Tearing the air and colliding towards the sword shadow!

"Boom!"

The next second, a loud noise shook the entire Yibao Pavilion.

Shan Lao and Shen Shixi took six steps back!

Comparable!

Old Shan stared at Shen Shixi, "Dare to ask who your excellency is, and if your cultivation level is good, why do you want to protect this one?"

"Do you know what it means to offend Yibaoge?"

Shen Shixi sneered, and the sword swept away again: "If you want to move Mr. Ye, first step on my corpse!"

He is loyal to the death!

As the master of Wan Jianzong, Ye Chen is the heir of Wandao Jianzong. There must be no mistakes!

Even if it loses the fate of the entire Wan Jianzong!

Seeing that Shen Shixi's sword was about to touch Shan Lao, four figures fell on the attic of Yi Bao!

Qi Qi surrounded Shen Shixi!

These four are extremely powerful!

Even facing Shen Shixi with the momentum of formation, she seemed to close Shen Shixi!

At the same time the four moved, and Shen Shixi instantly changed from being active to passive.

Chapter 590: Fight hard!

Elder Shan knew that these four people were sent by Zhuang Bufan, and the meaning was obvious, let him solve Ye Sutian immediately! Can't drag anymore!

He no longer hesitated and looked at Ye Chen in the distance: "Boy, do you do it yourself, or I will take off your head myself!"

The threat is obvious.

No one in the Yibao Pavilion can save Ye Sutian!

The only Shen Shixi is hard to protect himself!

As for the strength of that kid, he had already seen that he hadn't stepped into the mysterious world!

The ability to defeat the \*\*\*\* glory just now should be based on secret methods!

It is estimated that the time for the secret method is almost over!

Then, he took Ye Jitian with ease as if killing a chicken.

Ye Chen shook his wrist, white light came out of her sheath, and shook his head helplessly: "It seems that Yibaoge is determined to protect the blood and grace, in that case, from now on, Yibaoge will be my stepping stone for Ye Sutian!"

The Poyang Sword is out!

Killing intent!

Feeling Ye Chen's long sword pointing straight, the sword aura overflowed, and there was a little seriousness in Shan Lao's eyes.

"Arrogant little beast!"

Immediately afterwards, there was a soft snort, the wrist flicked, and the sword came out of its sheath!

The whole process is fast to the extreme.

Om...

The exercises operate, the whole body is filled with zhenqi, the sword oscillates, and the white light spreads.

For a time, the white light was dazzling, and the whole world turned silver.

A little bit of sword energy, like snowflakes falling, covering the sky and the earth.

"hiss....."

The white light in the sky and the endless sword aura seemed to envelop the entire world in silver, turning the entire plateau into a world of ice and snow. Seeing such a scene, the cultivators onlookers changed their expressions.

"Old Shan has stepped into the third level of the Transcendent Realm!"

"No, it's the mid to late stage of the Transcendent Realm! We can't tell the specific realm!"

"how come....."

"Yibaoge! As expected of Yibaoge! This Ye Jitian will definitely die!"

Some people in the crowd shook their heads to express their regrets, after all, Ye Jitian was a rare genius.

The momentum that Shan Lao burst out instantly made people stunned.

"This battle is in trouble!"

The bow and arrow that Miss Ji Jia took out in the distance was meant to help Ye Chen, but it was held by Grandpa Yun.

At this moment, Miss Ji Jia's expression became solemn.

Everyone's expressions changed drastically. Feeling the strength of Shan Lao, Ye Chen couldn't help but condensed!

He had just dealt with Blood Fenghua and spent extremely strong qi.

Even suffered some injuries.

It is very difficult to deal with Shan Lao now.

But he has no fear at all!

At this moment, a voice sounded from the reincarnation cemetery!

Duan Leiren!

"Disciple, I will give you another strength, it should be able to hold you for a few minutes!"

"There are some people here who are very threatening to you now. The only thing you have to do is to kill the old man in front of you, and give the rest to your teacher!"

Ye Chen heard Duan Leiren's words and was startled: "Master, didn't you say that I can't control my body?"

Duan Leiren smiled: "It might not be possible before, but now I have you to fight for me to come to Taigu Xushidan."

"I will leave a part of this Taikoo Xushidan as a sample, and take the other part. It should be able to help you win some."

"Okay, let's not say much. Although this old man has a strong aura, but with the power I gave you and the things I taught you, it is enough to crush!"

Ye Chen returned to his senses, his eyes exuding a different look.

With Duan Leiren's assurance, what fear does he have!

If Yibaoge is the heaven of Kunlun.

Then he, Ye Chen, is going to pierce this Kunlun virtual sky today in the name of Ye Xitian!

"Swordsmanship is good. It's a pity that the sword is slightly weaker, so I haven't entered the swordsmanship!"

Ye Chen's eyes flickered, but there was a sneer at the corner of his mouth!

Sword Master Wan Dao is his teacher. He accepts the most advanced sword intent guidance. Although the old sword intent in front of him is very powerful, it is no different from garbage in his eyes!

"Watch me break your ice and snow!"

Thinking of this, Ye Chen let out a long roar, and his figure shot out.

The power of the blood dragon and the power of the talisman are all open!

In the face of such a strong man, he dare not take it lightly!

Pedal...

The Canglong phantom body revolves decisively, one step tens of meters!

Ye Chen turned into a phantom.

"Ten Thousand Ways of Swordsmanship, Sword Fire has fallen!"

"Natural magic talisman, open!"

At the same time, Ye Chen directly opened his life magic talisman, and waves of violent thunder and lightning overflowed his body.

At this moment, he is like the real monarch of Thunder Dao!

"The flaw is obvious!"

Suddenly seeing something, a sneer appeared at the corner of Ye Chen's mouth!

Om...

The whole body's zhenqi exploded, and a blast of zhenqi poured into the Poyang sword, the sword body vibrated, and the sword sounded harshly.

"broken!"

Ye Chen saw the sword marks in the ice and snow!

As Ye Chen said before, this sword technique looks gorgeous, amazingly powerful, and awe-inspiring, but the sword hasn't risen after all!

Where is Ye Chen?

The most important opportunity to get in the reincarnation cemetery is to comprehend one's own swordsmanship, give birth to the sword, and complete the transformation, laying a solid foundation!

His kendo is killing!

Above the swordsmanship, the disciples of Wan Jianzong may not be able to compete with Ye Chen! Not to mention the old fan?

Coupled with the power of the destiny magic talisman, with this ten thousand swordsmanship, Ye Chen went straight to the point!

Wow...

The flames filled the sky, immediately expelling the chill and melting the ice and snow.

Ding.....

But between the electric light and flint, the sword's edge swayed through the air, and the behemoth turned into an endless flame, slammed on the old Shan's sword's edge!

Om...

Everything surrendered and the earth quaked.

A powerful sword burst out, sword aura.

"This... a powerful sword!"

"This Ye Jitian..."

Feeling the sword aura, many people in the square opened their eyes wide.

"Swordsmanship! What a domineering swordsmanship! He understands his own swordsmanship!"

"This kendo is so domineering. Just now, Ye Xitian dealt with Blood Fenghua. Although he was very strong, he never used kendo, but in front of him..."

"He is only in his twenties, so he has such a deep understanding of kendo? Even the strongest of the Ten Thousand Sword Sect is not necessarily so!" The onlookers took a breath.

Seeing this scene, Miss Ji Jia quickly looked at the old man beside him: "Grandpa Yun, look, this Ye Jitian has even understood the way of kendo. Is this talented person really not worth taking the risk of Ji Jia?"

"If Sister Siqing is here, she will definitely fight for it!"

The old man frowned, moved a bit, but still firmly said, "Look at it first."

Ding.....

Just as everyone looked at each other, when the whole scene fell into a brief silence, a crisp sound of collision spread.

"how come....."

With an incredible look in Shan Lao's eyes, his figure flew upside down.

Puff...

A mouthful of blood spurted out, with a trace of blood hanging on the corner of his mouth, Shan Lao's complexion was already pale.

One move!

It was just a clash, and even when he took the lead, he was directly crushed by Ye Jitian!
