

Urban Medical 591

Chapter 591: Do you know how to write dead words!

Ye Chen not only broke through his sword, but also went straight to his flaws.

If Mr. Fan hadn't reacted in a timely manner, I'm afraid I would be killed by this one move!

The key point is that Ye Chen's burst of power is actually close to the Transcendent Realm!

How can a kid who hasn't entered the Immortal Ascension Realm explode the power of the Transcendent Realm?

The shock that Ye Chen brought to Lao Shan was unimaginable!

The old eyes struggled.

"Unbearable!"

With one move, Ye Chen ignored the shocked people, not even the shocked Shan Lao, looking at the upside down Shan Lao, with a sneer at the corner of his mouth!

The sword skills of Wan Dao Sword Sovereign, plus the power of blood dragon and magic talisman! If you dare to despise yourself, you are digging your own grave!

But the realm gap is still too big.

Otherwise, this fan is always under the intent of the sword, and it should have died long ago.

"You dare to stop!"

Ye Chen shouted loudly.

Pedal...

There was wind under his feet, Canglong's phantom body stepped out, Ye Chen turned into a violent wind, and stepped up.

"Slash the sky with one sword!"

With a long roar, the Poyang Sword shot again!

Tear...

The terrifying sword aura spread, and the powerful sword power permeated.

There was a dull tearing sound, and this space seemed to be completely torn apart.

As the sword edge passed by, visible to the naked eye, the ground cracked and the furniture shattered.

With the strong sword power as the support, the sword technique that Ye Chen has now displayed is extremely powerful!

"Be careful!"

"court death!"

Zhuang Bufan in the distance has a hideous expression!

He never expected that this kid's breath would be strangely powerful again.

Even the secret technique cannot be so.

How can this kid's body bear it?

What is the origin of Ye Sitian?

At this moment, Ye Chen slammed out again, crushing towards Shan Lao with the momentum of thunder, without giving Shan Lao a chance to breathe.

Seeing such a scene, the people of Yibaoge suddenly became anxious.

The exclamation sounds one after another!

boom.....

However, far water can't save near fire!

In the previous confrontation, relying on the magic talisman to find the other party's flaws, Ye Chen not only broke through Shan Lao's sword, but also shook Shan Lao's internal organs, stirring up the blood all over him.

Nowadays, his figure is unstable, his blood is rolling, how is Shan Lao Ye Chen's opponent? Those Yi Baoge elders in the distance did not even think that Ye Chen would be so strong, how could he stop him?

A roar exploded, the air wave rolled, and the sky was full of sword energy!

Om...

But see, in the midst of a mournful cry, the weapon turned into by the fan in Old Fan's hand was shaken out.

brush.....

His complexion was pale, and the blood spurted from the mouth of the old fan. He was like a kite with a broken line, smashing towards a wall of Yibao Pavilion.

With this move, Ye Chenru carried the power of stars and crushed everything in the world! Ye Chen at this moment, like a **** and demon coming! Old Shan, was completely suppressed!

Until the dull sound came, dust splashed, and the whole Yi Bao fell silent in deathly silence.

"Old Shan, how are you?"

"Old Shan, this little beast..."

It wasn't until the people from Yibao Pavilion arrived that there were bursts of anxious voices. Seeing the group of people preparing to lift the old fan with blood on the corners of their mouths, people seemed to come back to their senses.

Wow...

Everyone was boiling.

No one thought that Ye Jitian was so powerful!

"God... I'm not dreaming, am I?"

Someone couldn't help rubbing his eyes.

What I saw in front of me was really unimaginable.

"It's not a dream! This...the old Shan of the Transcendent Realm is actually not equal to Ye Jitian..."

"A disastrous defeat. Ye Qitian was crushed by force in this battle!"

"Two moves! It's just a confrontation of two moves, right? The first move is to break the old sword technique of opening the fan, and the second is to directly crush. In this battle, Ye Jitian suppressed the old fan of Yibaoge with the power of destroying the dry and decayed!"

"How could this be? Elder Shan is a powerhouse in the middle and late stages of the Transcendent Realm. Even at the level of strength, I am afraid that most of the people present can not match it. It can be said that he is an important figure in the Yibao Pavilion Huaxia Branch Pavilion. And that Ye Sui. It's still a mystery, how did he manage to crush it in three days?"

Everyone looked at each other and exclaimed again and again.

It was really this battle that broke out too fiercely and ended too quickly, making people too late to react.

This makes people no longer able to calm down.

The entire Yibaoge was a huge wave at this time!

Shen Shixi, who was fighting the four strong men, also shrank his eyes and let out a long sigh.

He still underestimated Ye Chen.

The apprentice of Wandao Sword Sovereign is really evil!

But right now, he must quickly get rid of these four transcendent realm powerhouses!

"Grandpa Yun, what are you still hesitating about? Ye Sutian actually crushed Shan Lao. He is only twenty years old. Today, if the Ji family does not fight for Ye Sutian, then when Ye Sutian really grows up, then it will be the Ji family. Can't afford to climb too high!"

Compared to the people who exclaimed and stunned, Miss Ji Jia was happy to see this result.

The hanging heart was immediately put down, and a smile of excitement filled his face.

The eyes of the old man beside her changed from solemn to shock, staring at Ye Chen, as if to see through this person.

"This guy, when did he become so strong?"

The old man couldn't help but twitched.

Such an increase in speed is already extremely scary!

What was even more unexpected was that he had never seen the sword skills he used before!

This kind of person is either a person with a great opportunity or a strong support behind it.

This person's last name is Ye.

Could it be the Ye Family from Kunlun Xu?

Seeing that the people in Yibaoge wanted to take away the seriously injured Shan Lao, Ye Chen stepped out of his cold eyes and shot at those people: "Did I ask you to take it away?"

As soon as these words came out, the people in Yibaoge didn't dare to move!

After all, Ye Chen's sword just now was too terrifying!

Their faces are full of embarrassment!

Even a little aggrieved!

As the people of Yibaoge, although they are divided into cabinets, they have never suffered such grievances!

I was threatened at the door of my house!

grass!

The key to the old Shan has been hurt like this, and the grievances are almost there, this kid actually doesn't plan to let it go?

Turning the Poyang Sword in Ye Chen's hand, he pointed directly at Shan Lao, and said lightly: "I said, whoever dares to stop me from taking away the **** glory will die!"

"The words are out, if this old fan is blocking, he should die!"

Ye Chen at this moment is like a judge!

The air of killing package! Blood Dragon Cohesion!

As if the blood dragon overflowed from the body and coiled around Ye Chen!

Ye Chen knows very well ~www.mtlnovel.com~ If there is no help from Duan Leiren just now, what will be the result!

He is dead!

Who gives him mercy!

Therefore, this old fan must die!

Those people can only look at Zhuang Bufan, who is standing with his hands on stage!

Zhuang Bufan's eyes flashed with anger, and he was full of anger!

Jump down!

"Bold Ye Sitian! Not only dare to do it in my Yibaoge, even the people of my Yibaoge! Do you know how to write dead words!"

Chapter 592: Bite the bullet

"I don't care if you are from China or from Kunlun Xu's sect, kneel and surrender, otherwise I will let you disappear forever!"

"With me today, Mr. Shan is not qualified to move!"

The powerful breath swept!

Zhuang Bufan at the pinnacle of the Transcendent Realm finally made a move!

Covered with endless majesty!

Everyone held their breath!

As if scared!

The Ji family elder who had originally planned to take the shot also did not move.

From the perspective of Ye Chen's talent and the meaning of swordsmanship, he planned to pull Ye Chen together and sell his affection.

But now that Zhuang Bufan stepped up in person, the matter was serious.

Directly rise to the Yibao General Pavilion!

Ye Chen sneered: "No one can stop the person I want to kill. That old man is the best end. If you want to stop, are you sure you have this qualification?"

When the words fell, Ye Chen released him murderously.

The spirit sword shot from Yi Bao Pavilion suddenly appeared!

Shoot directly!

Without any hesitation!

This sword was originally intended to be given to mother Jiang Hirong, but now it seems to be used to slap Yi Baoge in the face!

"Wow!"

Countless lightning entangled on the spirit sword.

Even Ye Chen pinched his fingers, and a drop of blood and runes were printed on the spirit sword.

The spirit sword turned into countless ghosts in the blink of an eye!

Can't find it!

Zhuang Bufan's expression changed, and he quickly stopped the spirit sword phantom!

But there are too many phantoms, so dense!

He blocked most of it!

It's useless!

The way of magical charms, but can he see through?

"Puff!"

The spirit sword directly pierced Shan Lao's heart.

Blood splattered.

Old Shan's eyes widened, he couldn't think that Zhuang Bufan would make a move and he would die.

The key is to die in Ye Jitian's hands!

He is not reconciled!

The blood was spit out, his vitality passed wildly.

Finally, fell in a pool of blood.

"Zhuang Bufan, the person I want to kill, now, do you think you are qualified to stop it?"

"Also, I want to take away the blood glory, if you make me unhappy, I don't mind killing you too."

The cold words fell.

Don't give Yibaoge any affection at all.

"Papa..."

Ye Chen's indifferent words were heard in Zhuang Bufan's ears, but they were exploded like thunder, like loud slaps!

Ye Chen downplayed, saying this indifferently? This is the biggest insult to Yibaoge!

The biggest insult to him Zhuang Bufan!

As if in between, Zhuang Bufan felt that the whole world, looking at him, was mocking and sneering.

In fact, how dare those people onlookers laugh!

In addition to shock or shock.

Puff...

Anxious in his heart, Zhuang Bufan's soul was turbulent, and he spouted blood.

This invisible revenge is the most terrifying.

After today, if Ye killed the sky, if he did not die, he would definitely become a laughing stock!

What does Yibao General Pavilion think of him!

Even the dignity of Yibaoge can not be kept, he is the sinner of Yibaoge forever!

How could Zhuang Bufan let Ye Chen leave? His strength is definitely not comparable to that of Shan Lao and his ilk.

Ye Xitian can defeat Shan Lao, but can he defeat Zhuang Bufan?

"Ye Jitian, you are too arrogant!"

Zhuang Bufan walked towards Ye Chen.

But at the moment Ye Chen stood with a sword, his expression cold.

He could feel the madness passing wildly.

Although Lao Shan was crushed just now, the damage to him was also great.

If he fights again, his strength will inevitably drop by a big level.

brush.....

The cold wind howled, in Ye Chen's thinking, a figure flashed by, and in a blink of an eye, the distance to Ye Chen was only tens of meters!

Wearing a blue shirt, his face is cold, the cold light surging between his eyes, murderous intent!

Zhuang Bufan is still doing it!

His eyes locked Ye Chen firmly, like a beast, ready to attack at any time, tearing Ye Chen completely apart.

"Ye Chen, today, let me learn about your strength! You owe me Yibaoge, and today I want you to pay for it."

Om...

With a flick of his wrist, the long sword came out of its orifice, above the blade, the cold light flickered.

Zhuang Bufan's sword pointed directly at Ye Chen, coldly hummed expressionlessly.

In those words, there was endless hatred.

Ye Chen killed Shan Lao and owed Yi Baoge's blood debt.

The sword power is rising, the sword energy is Ling Ran!

Zhuang Bufan was standing there with a long sword in his hand. He hadn't made any moves, but his sword energy had already begun to sweep away.

The wind is rustling, the world is silent!

The whole world became cold.

"eye for eye?"

Feeling this sword intent, Ye Chen's pupils faintly shrank.

Zhuang Bufan? It really is a strong one! Just the sword intent exuding at this moment is no longer comparable to the old fan!

"If you want my blood to pay off, it depends on your strength!"

Om...

With a trembling of the wrist, the whole body's zhenqi exploded, the Poyang Sword shook, and a soft groan spread throughout Yibaoge!

At this moment, before the battle started, the two powerful sword intents had already taken the lead to entangle and collide between heaven and earth.

The cold wind is like a knife, turning into sword energy!

During the collision, there were dull sounds.

"This is the contest of the strong!"

"What a powerful sword intent!"

"The sword power hasn't completely risen, but the sword intent is already creeping!"

"I heard that Zhuang Bufan's sword intent originated from a generation of swordsman Zhuang Youdao a thousand years ago. It is naturally extraordinary. But I didn't expect that Ye Sitian would actually..."

Time seems to freeze, the two figures have not moved yet, but everyone has already felt suffocated first.

"war!"

Suddenly, a loud shout came.

Zhuang Bufan's whole body exploded.

boom.....

There was a loud noise, and the air wave rolled.

Zhuang Bufan's whole body in a long gown, dancing in the wind, like a dragon like a snake.

Above the sword's edge, the light shone, and the sword light covered the sky and sun.

"Swing Kyushu!"

With a flick of his wrist, the sword light flashed into the sky, and Zhuang Bufan ran straight towards Ye Chen.

"It's so powerful!"

"What a terrifying sword!"

"This trick... so powerful!"

"Heaven, the pinnacle of the Transcendent realm? This... the pinnacle of the ordinary Transcendent realm, doesn't necessarily have such a momentum? Is it possible that Zhuang Bufan is about to step into the next realm?"

"This Zhuang Bufan is infinitely close to entering the holy realm. His combat power is probably comparable to the powerhouses in the early days of entering the holy realm!"

"Ye Jitian is against the sky, but it is absolutely difficult to deal with Zhuang Bufan!"

"This time, the genius is going to fall!"

The strong will know if there is any!

As Zhuang Bufan shoots out ~www.mtlnovel.com~ people are dumbfounded.

Under the square, Miss Ji Jia took a breath, and subconsciously leaned against Grandpa Yun, not even daring to look.

She was afraid that Ye Xitian would turn into a blood mist.

This Zhuang Bufan is more than just a little bit of a strong fan?

This move swept Kyushu, swept the sky, and turned into a sword aura with the power of heaven and earth, as if it was really going to sweep Kyushu, no one can stop it!

Ye Xitian, how to resist?

Sure enough, Ye Chen looked solemn now.

Seeing the sword intent swept over, Ye Chen could only bite the bullet and step forward!

Chapter 593: Plum blossom branches!

The realm gap is too big!

He glanced at the reincarnation cemetery, nothing happened!

"do not care!"

Ye Chen didn't arouse any sword intent, but choked it with his fingers, and sacrificed his life spirit!

Countless lightning surges!

Formed a barrier!

Block in front of you!

He must take this blow!

Now he has no real energy in his dantian, and he can't use the Wandao Sword Sovereign to teach him sword intent.

One by one, the strong will take turns.

Ye Chen at the crucial moment is only the eighth level of the True Element Realm!

Being able to do this is beyond ordinary people!

That is, at the moment when Ye Chen's spirit talisman was condensed, Zhuang Bufan's powerful sword force was already suppressing Ye Chen.

Check out new PVP arena battles!

Like thunder, heaven and earth collapse!

Puff...

The terrifying impact made Ye Chen tremble violently.

That is like the momentum of Mount Tai, let the barrier faintly collapse!

Following the increase in strength, the barrier was instantly torn apart!

A mouthful of blood spurted, Ye Chen's face suddenly pale.

With the destruction of the magic talisman formation, Ye Chen's soul trembles, and the blood in his body rolls, only feeling the internal organs as if shifting.

And this is not all!

Zhuang Bufan's sword didn't stop. Although the magic charm blocked it by a few points, it was far from enough!

Zhuang Bufan smiled coldly.

He already felt Ye Chen's weakness.

This is his opportunity!

It seems that he has been thinking too much!

No matter how strong Ye Jitian is, he can't shake Yibaoge! Can't shake him Zhuang Bufan!

At this moment, Ye Chen's pupils shrank rapidly, and in the cold wind, all he could do was resist with all his strength.

Rumbling...

In an instant, the dull roar exploded.

Puff puff.....

The bones all over his body seemed to be shattered, Ye Chen's eyes went black, and the corners of his mouth overflowed with blood again.

What kind of power is this?

What an overbearing blow!

In this strike, there are thousands of forces, like a thousand troops and horses suppressing it.

If it hadn't been for this, Ye Chen had already prepared, in this blow, if the barrier helped Ye Chen shed most of his power, only this blow would be enough to turn Ye Chen into mud!

Under the terrifying impact, Ye Chen's figure burst out towards the rear.

Wow...

Before Ye Chen hit the ground, Zhuang Bufan swept toward Ye Chen again.

"Little beast, you are crazy!"

Miss Ji Jia saw Ye Chen so anxious, and quickly picked up the bow and arrow filled with flames!

Just planning to shoot a sword at Zhuang Bufan!

Stopped with two hands.

"Miss, forget it, Ye Xitian has offended Yi Baoge and the Ji family can't save him."

"The dealer where Zhuang Bufan is located has a certain share of Yibaoge, so Zhuang Bufan is a member of the general pavilion. If you make a move now, something big will happen."

Miss Ji Jia's face was pale, and she felt that her true energy was taken away.

She turned her head to look at the old man: "Grandpa Yun, let go, I always feel that Ye Jitian is worthy of our Ji family."

In fact, there is a talent hidden in the Ji family's women.

Can perceive some future trends.

Ji Siqing rescued Ye Chen five years ago because of that talent.

But now, this Ji family woman naturally felt something.

It's a pity that the old man beside him didn't move.

Seeing the scene in front of them, everyone was embarrassed.

I thought I could witness the birth of a Kunlun imaginary genius.

But now it seems that it is impossible.

Genius is doomed to death.

Blood Fenghua also awoke from cultivation, and he exhaled a long breath.

The ghost gate closed for a while.

Looking at Ye Chen, his face was fierce: "Little beast, dare to offend the Blood Alliance and Yi Baoge, you are the first! Of course, you will be the last! Haha! Live or die!"

Shen Shixi naturally noticed Ye Chen's danger and just wanted to rush over!

The four Yibaoge powerhouses blocked Shen Shixi's path, and even injured Shen Shixi with one blow.

"Damn! If it is really dangerous, I can only announce the identity of Wan Jianzong!"

And at the moment.

Ye Chen trembling hands, staring at the swept Zhuang Bufan.

Feeling the coming of death, Ye Chen looked grim and roared loudly.

"Don't want to kill me!"

Suddenly, at the critical moment of life and death, a warm current radiated from the reincarnation cemetery.

At the same time, a voice sounded: "Apprentice, let's hand it over to a teacher. There are some problems with this Primordial Virtual Reality Pill. I don't know that it was made by waste, but it is enough to use a part of the power to deal with that guy."

Ye Chen's eyes were happy.

"it is good!"

In an instant, Ye Chen's eyes changed!

It's like the eye of eternity.

See through everything.

If you have a heart, you will definitely be aware that Ye Chen's eyes are shining with thunder and lightning at this moment.

Zhen Lei Zong Duan Lei Ren!

Ye Chen watched Zhuang Bufan fall with a strong sword intent, and shook his head helplessly.

"The power of the outside world is so unbearable now? It seems that the ancient war destroyed too many things, even the foundation of the entire earth was destroyed a bit, the aura is thin, and it is even more difficult for the strong to advance."

When Zhuang Bufan heard this inexplicable words, he frowned, cursed a horrible pen, his hands were refreshed, and the sword became more and more terrifying!

It is about to turn this Ye Qitian into a blood mist!

"Junior recklessly."

Ye Chen spit out a faint sentence, then glanced at the Poyang Sword in his hand.

"I don't like using swords, so take it back."

After the words fell, Poyang Sword was recovered to the reincarnation cemetery.

Seeing this scene, everyone was dumbfounded.

What kind of nerves did Ye Jitian make?

Don't even use the sword?

Is it possible to give up?

Xue Fenghua smiled, Zhuang Bufan smiled too!

It's easier said than done!

Ye Xitian gave up is the wisest choice.

But soon, everyone's smiles solidified.

I saw Ye Chen step out and came to a plum tree planted in the middle of Yibao Pavilion.

"Crack!"

Pluck the branches of the plum directly.

Then the plum blossoms pointed to Zhuang Bufan, and said lightly: "For you, this plum blossoms is enough!"

what!

Everyone present looked at Ye Xitian like a fool!

Ordinary plum branches still want to kill?

This Ye Jitian could not bear the pressure and was crazy!

Miss Ji Jia and Grandpa Yun were even more stunned. When they reacted, they shook their heads.

This Ye Qitian is arrogant! ridiculous!

How does plum blossoms kill people!

Maybe Zhuang Bufan's sword aura is enough to destroy!

This is playing with fire!

At this moment, Ye Chen didn't retreat but moved forward in the face of the sword light that was shot at a rapid speed.

The plum blossom branch swayed and let out a soft moan, like a dragon flying into the sky.

Huhu...

The situation is changing!

The plum blossoms inspire Vientiane!

It's like everything in the world.

That trail of plum blossoms ~www.mtlnovel.com~ spans thousands of feet and divides the world.

"broken!"

boom.....

Like the sword of nine heavens, at this moment, the world is silent, and thunderclouds resound.

The plum blossom branches carry the power of heaven and earth, like a king coming!

It was stronger than any sword intent that Ye Chen had just shown!

Ye Chen's plum blossom momentum was urged to the extreme, and the power of this trick was exploded to the extreme.

Rumbling...

Thunder exploded, heaven and earth trembled!

Chapter 594: end!

There was a roar, like a black thunder rolling.

The entire Yibao Pavilion oscillated at this moment, and seemed to collapse.

The soul condensing platform next to it couldn't bear the strength of the plum blossom branches, and it shattered directly!

Between heaven and earth, there are plum blossoms!

Everyone almost stared out!

Is this the power of plum blossoms?

How terrible than the heavenly spirit sword!

grass!

"Not good! Retreat!"

With the momentum of those powerful plum blossoms overflowing, the people who watched the battle couldn't help but change their faces.

Amidst bursts of exclamation, the crowd quickly retreated to the rear so as not to hurt the pond fish.

Zi Zi Zi...

The wind was raging and the sword aura was vertical and horizontal. At the core, the plum blossom branch and the long sword in Zhuang Bufan's hand were entangled.

Such as two sky marks, competing against each other.

"boom....."

Finally, there was a stalemate for an unknown amount of time, but Ye Chen did not move Mount Tai with a roar.

On the other side, Zhuang Bufan was miserable!

Under the strong reaction force, his figure also staggered back.

It took more than ten steps to retreat to stabilize the figure.

Zhuang Bufan's expression was like a ghost, and he stared at the plum blossom branch in Ye Chen's hand!

how is this possible!

He was horrified!

He panic!

He even felt that Ye Xitian who was standing in front of him had become another person!

No matter what the momentum is!

"who are you!"

Steady his figure, panting slightly, looking at Ye Chen, Zhuang Bufan looked gloomy.

Ye Chen smiled, raised the plum blossom branch in his hand, and said faintly: "Little junior, what qualifications do you have to know, even if your ancestor of the dealer comes, you have to kneel in front of me!"

"Now, are you willing to kneel?"

"Kneel you? Looking for death!"

Taking a deep breath, Zhuang Bufan shouted loudly.

Immediately afterwards, there was a long roar, forcing a drop of blood on the long sword, Zhuang Bufan shot again!

The momentum is rising!

"The river is surging!"

The long sword danced and rolled up the wind.

Sword Qi is vertical and horizontal, turning into a river.

The Yangtze River yelled and roared, like a giant dragon, about to swallow Ye Chen completely.

This time, Zhuang Bufan was fully fired.

This move is hard to resist even if it is a strong Saint Realm!

Ye Xitian, can he resist?

Zhuang Bufan doesn't believe it!

Faced with such a majestic move, everyone's hearts were suspended.

"The Yangtze River, for your use? So what? Plum blossom branches are enough!"

Ye Chen was indifferent.

When the words fell, Ye Chen actually overflowed with countless thunder and lightning, connected to the sky, plum blossom branches seemed to be wrapped in thunder and lightning, and rolled up the sky and thunder sea!

The whole world seemed to become enthusiastic in an instant.

Ye Chen's imposing manner has risen wildly! With this move, he will destroy the world!

Thunder and lightning broke out, destroying the world!

The plum blossoms move like thunder!

With the expansion of Lei Guang, it covered the sky.

The entire square seemed to be involved in a huge mine furnace.

"God... this is God Thunder!"

"How is it possible! This Ye Jitian actually possesses the power of divine thunder!"

"Could it be that plum blossom branch? The plum blossom branch is a treasure that provokes the thunder?"

"Heaven and earth are rare, God Thunder is definitely the treasure that countless monks dream of, even if it is impossible to enter the Holy Realm! He actually... did it!"

"Now, Zhuang Bufan is dead!"

Seeing the menacing divine thunder, everyone watching the battle was shocked.

"Shen Lei, that kid..."

The members of the Ji family couldn't help but stare at each other at this moment.

"What is the origin of this kid, Ye Jitian!"

Ji Jiayun's eyes always widened.

With the appearance of Shen Lei, the scene has become different.

"The group of Yibaoge guys, I'm afraid they are going to fall now! This Ye Sutian is carrying a **** of thunder!"

As the divine thunder broke out continuously, the expressions of everyone became serious.

"This son is terrible. He is possessed of divine thunder, and his talents are superb and limitless. If he continues to grow, I am afraid that he will become a confidant of Yibaoge in the future!"

For a while, the complexions of everyone present at Yibaoge became serious.

...

Shen Lei is violent, sword aura is vertical and horizontal.

Zhuang Bufan panicked at this moment!

Completely panicked!

"Get out of here!"

But it was too late.

There was a long roar, the sword fell, and the dragon roared.

Thousands of thunder and lightning beasts roared endlessly.

Rumbling...

Like the arrival of the wild, under the guidance of the divine thunder, thousands of energy blasted towards that weak spot.

boom.....

boom.....

boom.....

Everything is overturned.

If it hadn't been for the ancient formation of Yibao Pavilion, covering the entire high platform, under this violent collision, the overflowing sword aura and thunder and lightning would turn the entire square into a **** on earth in an instant.

However, even with the obstruction of that layer of seal, it still shakes the mountain.

Fire erupts like fireworks.

Sword Qi flew horizontally, like a sword formation opened.

Ye Xitian's plum blossom branches are terrible!

The roar of wild beasts, the roar of dragons, the roar of Changhe... the sound is ear-sounding.

"Today, I will let you understand the fate of offending my apprentice Duan Leiren!"

Ye Chen suddenly spoke again.

In an instant, Ye Chen's momentum rose again!

Roar.....

God thunder destroys the world, not a joke.

No matter how crazy the long river and huge waves were, it was vulnerable to the divine thunder and turned into nothingness in an instant.

Rushing...

With the help of this energy, Ye Chen's momentum was like a broken bamboo.

As the sword edge passed, the river shattered.

"Do not....."

Zhuang Bufan's pupils contracted and let out a horrified roar.

His own river was surging, and he was about to be broken open by Ye Jitian's plum blossom branches!

how is this possible!

This is an ordinary plum blossom branch!

If this kid uses the spirit sword, isn't the entire Yibao Pavilion turned into flat ground?

Could it be that Ye Jitian was the one with hidden strength landing here?

With his mind trembling, Zhuang Bufan couldn't help but sprayed out another blood, his face suddenly pale!

Wow... Amidst bursts of exclamation, Zhuang Bufan was blown out by Ye Chen.

"grown ups!"

Above the Yibao Pavilion, there were bursts of exclamation.

After a stalemate, Zhuang Bufan was actually blown out by Ye Chen?

This is beyond everyone's imagination!

Ye Chen was simply unstoppable.

"This is the end of your destiny."

In a thought, the plum blossom branch moved again, and the spiritual energy of heaven and earth swept wildly, surging towards the plum blossom branch.

Buzzing...

Under the powerful energy perfusion, the plum blossom branch groaned bitterly.

Obviously, under Ye Chen's full urging, Mei Huazhi also bears an unimaginable load at this moment.

The world is silent.

Time and space freeze. At this moment, only Ye Chen is left in this world!

Ye Chen is the Immortal Venerable, carrying the power of the Immortal Venerable to suppress everything.

Wow...

The plum blossom branch left Ye Chen's hand, floating in the air.

Everything in the world is shattered.

Just a few tens of meters, it seems that it is centuries apart, and it seems that it is only close at hand.

Om...

The next moment, a plum blossom shot out, and the figures of Ye Chen and Zhuang Bufan disappeared from people's sight at the same time.

Until the two figures were clearly seen again, people saw the plum blossom printed on Zhuang Bufan's body.

Flesh and blood burst.

Zhuang Bufan, dead!

Died without warning!

Heaven, broken.

The ground is sinking!

Everything is destroyed.

This is the end of the world!

The whole world turned into a **** on earth.

No sound, no roar, everything is quiet and strange!

Every picture ~www.mtlnovel.com~ seems to have slowed down countless times and appeared in people's sight. Bring the greatest spiritual impact to people.

boom.....

Until a long time later, a roar suddenly exploded.

People saw the collapse of Yibaoge...

Thunderstorms are coming.

The world did not know when it was shrouded in dark clouds and the heavy rain fell.

Ye Xitian's figure began to blur.

Chapter 595: Like a nightmare

Thunder and heavy rain enveloped the entire Yibao Pavilion.

But the Yibao Pavilion at this moment is turned into ruins.

The ancient formation of Yibaoge broke open.

Who would have thought that all this was done by a young man who turned out to be.

The key point is that the opponent was only the True Origin Realm three days ago!

Leading the gods and thunder!

Cut Zhuang Bufan!

Call the wind and call the rain!

Is this a **** human?

Everyone wanted to see the situation clearly, but found everything blurred.

It's as if a mighty power covers everything.

Miss Ji Jia stretched out her hand to cover her mouth and almost screamed!

She wanted to win Ye Sutian at all costs!

But now it seems how the Ji family wins!

Check out this new online game!

So powerful, would you see Shang Ji's house?

Maybe the Ji family will please Ye Sutian!

This is God Thunder!

There are so many top powerhouses in Kunlun Xu, how many people can do it!

She finally understood why Ye Jitian was so disdainful of Yi Baoge!

With such ability, he is still afraid of Zhuang Bufan!

Maybe even Yibao General Pavilion is not necessarily willing to do something with Ye Jitian!

A plum blossom destroyed the ancient formation and killed Zhuang Bufan!

Enough to tremble the entire Kunlun Xu!

This is the attitude of the top powerhouse!

Ji Jiayun's body kept trembling.

As the strongest person in the Ji family team this time, he felt fear for the first time.

He knew he had missed the best opportunity.

If you just listened to the young lady's words and stood up without hesitation, maybe the Ji family could really have something to do with Ye Jitian!

He always thought that in Kunlun Xu, Ji Jiayou Ji Siqing and other enchanting talents were enough to seize the initiative in future rule-making.

This is also the reason why Ji Jia prefers all resources to Ji Siqing.

But now, Ye Jitian's appearance seemed to have broken everything.

In the past twenty years, why is Kunlun so genius?

Could it be that Ye killed the sky for twenty years, just to soar into the sky in Yibaoge today.

Old Yun's breathing became more and more rapid, and he found that everything had disappeared.

The fuzzy figure finally appeared.

Standing in the middle like this, there is a very strong evil spirit between the eyebrows.

Like a **** descending.

Some of those onlookers were injured because of the destruction of the Yibao Pavilion!

If you put it in the past, all forces will inevitably find Ye Xitian trouble!

But now, they dare not at all.

They stared at Ye Jitian, even breathing seemed to be a luxury.

The battle between Shen Shixi and the four also stopped.

Shen Shixi's lips were trembling, not knowing what to say.

This master shocked him too much!

That blow just now, even oneself may not be able to bear it!

The four powerhouses of Yibaoge were even more shocked!

Zhuang Bufan is dead!

Where are they going!

At this moment, Ye Chen raised his head, and his indifferent eyes glanced at the four of them!

"thump!"

"thump!"

The four knelt down!

"Senior Ye, we don't know your true identity, please forgive me!"

"We are willing to be your servants and do anything for you!"

Right now, they can only do this to survive!

Yi Baoge couldn't go back, only following Ye Jitian could there be a way out.

Seeing this scene, Ye Chen smiled: "You are not qualified to be my servants!"

"If I don't make a move today, maybe the four of you will have another attitude, so..."

Ye Chen paused, suddenly squeezed his five fingers, and the plum blossom on the plum tree was directly grasped by Ye Chen.

Pluck off the four petals and shoot them directly!

The four Yibaoge powerhouses subconsciously wanted to dodge, but it was too late!

They have long been covered by fear, knowing they can't escape!

"Puff!"

The petals penetrated the bodies of the four, and the four fell on the spot.

After doing all this, the lightning on Ye Chen gradually dissipated.

"Apprentice, no one will dare to do anything next. You have a strong breath of breakthrough. You have benefited a lot from this battle. It is estimated that you will be able to step into the mysterious state immediately. After solving the problem, quickly find a place to break through again."

Linguistic.

Duan Leiren left Ye Chen's body.

Ye Chen looked at his hands and the ruins around him, his eyes were only shocked.

He knew Duan Leiren was very strong, but he didn't expect it to be so scary.

Half of the incomplete Primordial Virtual Reality Pill suppressed most of Duan Leiren's power, and it actually had such power.

So if a complete Taikoo Xushi Dan, it would be terrifying.

But whether it is Zhuang Bufan or the rest, although the realm here is strong and the peak of the transcendent realm, it is not a big deal in Kunlun Xu.

After all, Kunlun Xu has too many powerhouses.

Zhuang Bufan is nothing but a member of the Yibao Pavilion China Kunlun Mountain branch pavilion, but it is not so easy for a strong Yibao General Pavilion.

This time, I was smashed into the sky.

Not only offended the blood alliance, but also offended Yibaoge.

But what about it.

Those people who are empty of Kunlun should look to Ye Jitian if they want trouble.

After today, only him, Ye Chen.

However, the three words Ye Sitian could be counted as a life-saving charm.

After all, from now on, this name will inevitably tremble all forces.

If you need to announce your identity when necessary, you can definitely be a soldier without a fight!

Of course, this requires strength as the premise.

At this moment, Ye Chen shot in several directions in the depths!

There are several murderous in the depths.

But the murderous intentions converged quickly.

"You guys are going to do something to me, Ye Xitian?"

Ye Chen's eyes were cold, and he said lightly in one direction.

Not long after, several old men walked out of the depths and knelt before Ye Chen directly: "Mr. Ye, we never dared to do it, just..."

They know the explanation is pale.

No longer hesitating, a palm hit his dantian.

"I am willing to abolish my Dantian, and ask Mr. Ye to go around us."

This scene frightened everyone again.

These elders belonged to the Xu Liu family in Kunlun. Now, because of Ye Jitian's words, they have cultivated at their own expense?

The power of Ye Jitian was also terrifying.

At this time, everyone was afraid to look at Ye Chen.

Shen Shixi finally came to Ye Chen's side and whispered: "Mr. Ye, Zhuang Bufan is dead. The Yibao General Pavilion will definitely send someone over. There is too much movement here, and people from the Kunlun virtual entrance will also appear. We Can't stay for long."

Ye Chen nodded, the breakthrough aura on his body was extremely strong, and it was time to step into the ascension state.

It's time to leave.

At this moment, Ye Chen's eyes fell on Xue Fenghua's body.

A look at [~www.mtlnovel.com~](http://www.mtlnovel.com) scared the blood and did not know what to do.

After all, everything about Ye Chen just now was like a nightmare.

He couldn't take care of everything, and knelt directly in front of Ye Chen: "Mr. Ye, I...I know I was wrong, I don't dare anymore...Please disturb my life."

Ye Chen would naturally not kill him.

Bloodiness is the key to saving his father.

He grabbed the blood glory, like a chicken!

Blood Fenghua didn't even have the desire to struggle.

Ye Chen strode away in front of everyone like this!

Chapter 596: Fear!

Shen Shixi glanced at the people engulfed by fear, shook his head, and left completely.

After today, Kunlun was afraid that it would be an earthquake because of the incident in Kunlun Mountain in China.

The name Ye Jitian must spread throughout Kunlun Xu!

Enough to be tied with Ji Siqing, the goddess of Kunlun Xu!

No, even far beyond Ji Siqing!

Interesting, really interesting!

Two minutes after Ye Chen and Shen Shixi left.

Everyone recovered.

"Mr. Ye left...whoop... finally left."

The back of the speaker is soaked.

He is really dominated by Ye Jitian's fear.

For fear of being killed by Ye Qitian.

"What is the origin of Ye Jitian? His true strength is completely intangible. It can't be the True Primordial Realm, the Immortal Ascension Realm, nor the Transcendent Realm, or the Holy Realm. Is it the Holy King Realm and the Void Return Realm? The higher realm...hh, he is the one who controls the divine thunder!"

Someone took a breath.

Then, the whole world seemed to be quiet.

Soon, there was another uproar!

"No, I must enter Kunlun Xu from Kunlun Mountain immediately, and give this portrait of Ye Jitian to the patriarch and suzerain. I must not offend!"

"Beginning today, no one can offend Ye Sutian and seal the first family law for me!"

"Yes, yes, yes, I am afraid that Ye Xitian is about to enter Kunlun Xu, and I must tell the sect as soon as possible, otherwise no one can offend this evil spirit with eyesight, maybe a plum blossom will destroy the entire sect!"

In the horror of everyone, a woman thought of something and hurriedly chased in the direction where Ye Chen disappeared!

The same goes for Old Yun!

Now, no matter what, I have to show Ji's attitude!

Don't ask Ye Sutian to win over Ye Sutian, just ask Ye Sutian not to have any evil with Ji's family!

Such an evildoer, there must be a stronger existence behind it!

...

Kunlun Mountain, near the Kunhe Valley.

Ye Chen and Shen Shixi finally stopped.

Ye Chen threw the **** Fenghua to the ground ruthlessly.

Xue Fenghua looked at the two people in front of him, and their bodies trembled: "My lord, I really know that I was wrong. Even if you want to kill me, there is no need to bring me to this place."

Ye Chen smiled coldly: "I ask you, do you want to survive?"

Blood Fenghua was startled, and quickly said: "Yes, of course I do."

"Since you want to, would you be willing to contribute your blood to me and be my servant!"

When Xue Fenghua heard these words, he was extremely excited.

Is there such a good thing?

I'm not dead?

No longer hesitating, the blood nodded fiercely: "Of course I do! I am even willing to betray the blood alliance for the adults."

When the words fell, Blood Fenghua directly sacrificed a drop of blood.

Ye Chen also pointed at the essence and blood, and at the same time, his fingers choked.

Instantly refine your blood!

He has completely controlled the blood glory in his mind!

Ye Chen exhaled, and then stopped hesitating, and asked: "Let me ask you, do you know the whereabouts of Ye Tianzheng!"

Ye Tianzheng?

Hearing these three words, the blood was startled.

Of course he knows this person!

He even went to see it!

But why did Ye Jitian ask this question?

Ye Tianzheng, Ye Jitian...

Suddenly, Xue Fenghua thought of something, his eyes widened, and he stared at Ye Chen firmly.

A sense of familiarity gushes out!

"You...you are actually that Huaxia Ye Chen! Ye Tianzheng's son!"

Who would have thought that Ye Chen and Ye Xitian were the same person!

Damn it!

There was a great wave in his heart!

Ye Chen did not answer, and the cold voice sounded again: "Answer my question, otherwise I can let you enjoy endless pain at any time."

Xue Fenghua no longer hesitated, and hurriedly said: "Sir, of course I know that Ye Tianzheng is in the dungeon of the blood alliance now."

"Then you immediately take me to the blood alliance dungeon!" Ye Chen said eagerly.

The cold murderous intent even made Blood Fenghua unable to breathe.

This is the power of the strong!

Xue Fenghua paled, thinking of something, and continued: "My lord, I can take you to the blood clan at any time, but only Elder Zheng has the key to the dungeon... Moreover, the blood clan dungeon cannot be broken by force, even if you are strong. also the same."

Hearing Elder Zheng's name, Ye Chen's heart flashed with anger.

Elder Zheng!

It's Elder Zheng again!

What did the Ye family offend him!

Since the dungeon needs a key, then kill this elder Zheng.

"Elder Zheng can be in the blood alliance?"

Xue Fenghua replied again: "My lord, if I'm not mistaken, Elder Zheng should already be in China. This time, he will personally kill you."

"But now that such a big thing has happened in Yibaoge, it is estimated that it will be heard in Elder Zheng's ears soon. I don't know the specific movement of Elder Zheng."

At this moment, Ye Chen squinted slightly.

He must go back to the capital. Now that the elder Zheng has come to China, the authority of the Dragon Soul and the old man should be able to be found.

As for this blood glory, the other party controls the specific information of the blood alliance, which is the key to his entry into the Kunlun Deficiency Blood Alliance.

Can't kill for now.

Now as a slave, he must be absolutely loyal.

At this moment, Shen Shixi noticed something and said: "Mr. Ye, I feel two auras coming here. There is no malice. According to my guess, it should be the two of the Ji family."

"How to deal with it?"

Ji's family?

Ye Chen naturally didn't think that the Ji family would take action against him. He glanced at that direction and confessed: "Shen Shixi, you will return to the capital first with your blood, I will follow up later."

"Yes, Mr. Ye."

No longer hesitating, Shen Shixi patted Xue Fenghua's body and swept towards the capital.

Only Ye Chen remained in the same place.

Ye Chen stood with his hands folded, closed his eyes, his brows were cold.

Like an expert.

Ten seconds later, Ye Chen said:

"Since it's here, come out."

A faint voice sounded ~www.mtnovel.com~ An old and a young came out in the dark.

It is Miss Ji Jia and Lao Yun.

"Follow me, do you know the cost?"

Ye Chen's indifferent voice fell.

Gives people a sense of depth.

When the two saw Ye Chen at this moment, they hurriedly respectfully said: "Mr. Ye, misunderstandings and misunderstandings. We just followed up with a few apologies. Just now, Mr. Ye was limited to fire and water. We did not act. This is unjust."

Ye Chen ignored Old Yun, glanced at the slim girl, and said, "By the way, what is your name."

Chapter 596: Fear!

Shen Shixi glanced at the people engulfed by fear, shook his head, and left completely.

After today, Kunlun was afraid that it would be an earthquake because of the incident in Kunlun Mountain in China.

The name Ye Jitian must spread throughout Kunlun Xu!

Ye Chen ignored Old Yun, glanced at the slim girl, and said, "By the way, what is your name."

Chapter 598: Those who are close to 0 meters must die!

Ye Chen naturally knew the dominance of the blood dragon. Even if it is suppressed, the remaining energy is very tolerable.

As for the blood of the monster beast whose origin is unknown? The energy contained even surprised Ye Chen.

Abnormally domineering and fierce.

As if that energy turned into an ancient behemoth, it began to raging and roaring within Ye Chen's veins.

"Refining for me!"

Not dare to be careless, Ye Chen hurriedly ran the Nine Heavens Profound Yang Jue to suppress these two energies.

Time passed by one minute and one second. I don't know how long it took. Finally, when the two energies gradually converged, and when Ye Chen could no longer hold on, with a long roar, Ye Chen led the energy in his body and wandered towards the spirit. The shackles of the environment impacted away.

Wow...

Wow...

Wow...

Like the stormy waves hitting the shore, the roar was unconscious.

Ye Chen only felt the qi and blood in his body roll, and his eyes were dark, almost fainting.

The violent impact shook Ye Chen's internal organs, and shook Ye Chen's spirit.

"Not enough! Take the second drop of blood in the jade bottle!" Duan Leiren's voice sounded again.

"Yes, Master!"

That layer of shackles was turbulent and vibrated in the impact, but there was never the slightest sign of shattering. Feeling this, Ye Chen was like a crazy gambler and swallowed the second blood!

"Come again!"

Another quarter of an hour later, Ye Chen swallowed the last drop of blood into his mouth.

How irritable was the energy in Ye Chen's body after swallowing two drops of blood? How crazy has it become? Under the impact, that layer of barrier finally began to loosen, gradually cracking.

However, this is not enough!

The third drop of blood will be the last straw to crush the camel!

With a long roar, the energy of the third drop of blood was ignited in Ye Chen's body.

Roar.....

In an instant, there was a long roar from within Ye Chen's body, like a wild beast waking up.

That energy can no longer be controlled, like a volcanic eruption, rushing towards the barrier of the Immortal Ascension Realm.

Success or failure, in one fell swoop!

boom.....

Such as flash floods.

Finally in Ye Chen's body, the energy accumulated to the limit exploded.

With a roar, like a volcano burst out, like a roar of beasts. This energy rushed towards that layer of shackles with an unstoppable force.

Success or failure, in one fell swoop!

Wow...

Under the impact of this energy, the whole world seemed to shake.

Divine Ascension, that layer of invisible shackles violently shakes.

Under the impact of the energy that broke the limit, cracks began to occur and spread to the surroundings.

boom.....

In the end, amidst a roar, the shackles were completely shattered.

Ye Chen seemed to have opened a brand new world.

The crazy energy in the body poured into that brand new world.

Within the pubic area, a sea of qi surges!

Within the veins, ten thousand beasts roared.

The reincarnation cemetery is surging!

Huhuhu...

The cold wind roared, and the reincarnation cemetery was extremely cold. Amidst the ice and snow, heaven and earth aura condensed from all directions, and finally all merged into Ye Chen's body.

The sea of qi keeps expanding, and the dantian keeps firming!

A red light burst out, as if opening up the world.

Ye Chen suppressed the excitement in his heart, running the Nine Heavens Xuanyang Jue with all his strength.

That layer of shackles broke through. That's right! Ye Chen knew that he succeeded.

He successfully stepped into the threshold of the Ascension Realm. What Ye Chen needs to do now is to strengthen his dantian.

A stream of its pure energy was born during the operation of the Nine Heavens Xuanyang Jue and gathered in the Dantian.

Purple air is coming from the east, red light!

At this moment, the world within Ye Chen's Dantian became exciting.

Rumbling...

And when Ye Chen was making the final breakthrough, on the Kunlun Mountain, I don't know when, a dark cloud in the sky has already condensed!

The snow falling in the reincarnation cemetery suddenly stopped at this moment.

The whole world is so depressed that it feels suffocating.

"Wow..."

Suddenly, a thunder light flashed, and the whole cloud vibrated! A majestic breath diffused and enveloped the world.

Even this breath shocked the group of people attending the Yibao Pavilion auction who were healing in the distance.

Even Ji He and Yun Lao, who hadn't left completely, also noticed.

The change above Kunlun Mountain is too obvious!

"Oh my God, what happened?"

"Thunder Tribulation? What's the matter? There is someone in China Kunlun Mountain who wants to meet Thunder Tribulation?"

"It seems to be the direction of Kun River Valley?"

"Kun River Valley? How could that place..."

I don't know how many people, and at the same time they looked in the direction of the Kun River Valley covered by dark clouds, their expressions are uncertain.

"Who is it?"

Two figures flashed, an old man and a young girl appeared near the Kun River Valley.

Looking at the dark clouds hovering in the sky, they showed a look of surprise.

"Lao Yun, could it be Mr. Ye?"

"It should be. Just now when we chatted with him, I discovered that he has a strong breakthrough aura, and he can't even control it."

"Didn't he just break through? Why is he breaking through again? This is too enchanting."

"How do I feel that breaking through is as easy as eating for him?"

Ji He said helplessly.

People are more popular than people!

Elder Yun sighed: "This son cannot be considered in the light of ordinary geniuses, and I have never seen such evildoers in my life."

"It is estimated that it will not be long. This Mr. Ye is afraid that he will become a nightmare for countless forces and sects. The first thing to happen is the blood alliance.

If Yibaoge doesn't take correct measures, it will be dangerous. "

boom.....

As the two of them watched, finally the first profound thunder had fallen.

There was a roar, and the earth moved and the mountains shook.

A bolt of thunder and lightning across the sky!

A terrifying coercion spread away ~www.mtnovel.com~ With a tyrannical aura, the thunder and lightning that was as thick as an adult's thigh fell fiercely toward the Kun River Valley.

Vaguely, you can see a figure standing proudly in the cold wind under the light of thunder.

Ye Chen was already standing on the top of the mountain to meet the thunder and lightning!

This is what Duan Leiren requested!

As for other people's interruption, it is impossible!

The three words Ye Jitian represent a nightmare! Who dare to bother!

What's more, Duan Leiren personally protects the law!

Those who are close to 100 meters will die!

Chapter 599: Strong!

Some people naturally discovered Ye Chen and couldn't help but hold their breath.

"coming!"

On the top of the mountain, Ye Chen narrowed his eyes when he saw the thunder and lightning falling from the sky.

Very powerful thunder robbery.

Compared with the Thunder Tribulation I encountered several times before, it was stronger.

Once this step is taken, what is placed in front of Ye Chen's eyes is a avenue of wonder!

"Break for me!"

Still chose frontal confrontation.

Although the first two Thunder Tribulation experiences were extremely thrilling, although they both suffered tremendously. But so what?

Ye Chen got enough benefits!

With the help of those two thunder tribulations, Ye Chen's body was tempered, but it was not as simple as a little bit stronger.

Even the original Soul Suppression Sword, under the baptism of thunder and lightning, is faintly changing.

Therefore, Thunder Tribulation is both a crisis and an opportunity!

In Ye Chen's view, this is more of an opportunity.

With a long howl, Ye Chen finally moved at the moment when the lightning fell.

In the aura of ruining the sky and the earth, under the dazzling thunder light, Ye Chen's figure rose from the ground.

brush.....

A white light burst through the sky, Ye Chen seemed to merge with the white light, and headed towards the thunder and lightning.

"Oh..."

The white light lifted into the sky, as if it turned into a huge dragon.

The dragon roared and swallowed the lightning.

"This....."

Looking at the scene above the Kun River Valley from a distance, Old Yun's eyes widened, and Ji He's expression changed.

"Fight head-on, baptize yourself with thunder!"

Old Yun showed a solemn expression, and his eyes burst out with a gleam of light.

"I still underestimate Mr. Ye! Perhaps that's the case, this is how Mr. Ye will reach today! Baptism with thunder? Especially without the help of Thunderbolt? The difficulty is not small!"

Old Yun laughed, the look of appreciation on his face became more intense!

Even in Kunlun Xu, there are not many people who choose to fight Thunder Tribulation in this way! Even for those geniuses who chose this method, which one was not fully prepared before facing Thunder Tribulation?

At the very least, Piledan is essential.

Swallowing Lightning Pill and enhancing the power of resisting thunder and lightning will increase the chance of a practitioner to resist thunder tribulation.

And Ye Chen? Obviously not prepared!

Can he succeed?

Maybe he also faced Thunder Tribulation the first two times?

Yun Lao sighed in his heart.

"Sword Qi is very overbearing. Longyin World, like a flying dragon, is so powerful! I am more and more curious about the origin of this Mr. Ye. It is estimated that Sister Siqing is also very interested in this Ye Sutian..."

The girl was full of emotion.

Ye Chen's sword skills displayed at this moment obviously made people shine.

boom.....

Amidst everyone's surprise, a violent shock burst out suddenly.

The whole world seemed to shake.

The blood dragon rising up into the sky collided with that lightning bolt.

The sword is full of vigor, and Lei Guang is wanton.

Under this collision, the whole world seemed to be desolate.

Rumbling...

Above the Kun River Valley, the roar is deafening!

Electric go dragon snake! In the collision with the giant dragon, the seemingly overwhelming thunder and lightning split instantly and sputtered towards the surroundings.

Crackling...

At the core of thunder and lightning, Ye Chen looked solemn, and the remaining thunder and lightning walked around him, the scene was terrifying.

A heart-piercing pain spread, and Ye Chen still couldn't help shaking with the strength of his body now.

Running the Nine Heavens Xuanyang Jue with all strength, Ye Chen worked hard to thoroughly temper the thunder and lightning power that wandered on his body.

Every cell in the body, every bone, seems to start to squirm and grow at this moment.

"happy!"

After a full cup of tea, all the lightning dissipated, Ye Chen stood on the top of the peak and couldn't help laughing.

After the pain, the happiness brought, made Ye Chen feel proud.

"You are also very excited, aren't you?"

Seeing the soul-suppressing sword in his hand and the blood dragon on top of his head, the smile on the corner of Ye Chen's mouth became stronger.

For more than two months, after refining the Soul Suppression Sword, Ye Chen could feel the sharpness and desire of this sharp sword!

At this moment, under the urging of True Qi, a faint cold light flickered on the Soul Suppression Sword, the sword body shook, and a soft moan sounded, seeming to be particularly excited.

The same is true for the blood dragon, and the body is constantly expanding!

"coming!"

Suddenly, Ye Chen's eyes condensed, looking at another thunder light that suddenly fell from the sky, his eyes were bright.

boom.....

After the thunder, there was a violent roar!

This thunder and lightning is already comparable to the thickness of an adult's waist.

"Break for me!"

At the moment when the lightning fell, Ye Chen's soul calming sword burst out with dazzling light.

Sword energy burst out, sword light filled the sky.

Rushing...

The long sword sank into the thunder light as if carrying a mighty force.

Puff...

A mouthful of blood spurted out, and Ye Chen's expression suddenly changed.

What a powerful second lightning!

Even in a short time, Ye Chen used the Heaven-Breaking Sword Intent, but he couldn't shake this thunder.

"Ten Thousand Ways of Sword Technique!"

One move, ten thousand swordsmanship, Ye Chen broke through the thunder and lightning forcibly.

"Break it for me!"

Ten thousand swords are not enough! Ye Chen immediately displayed the other sword intent that Chen Tianli taught him!

These two moves can be said to be one of Ye Chen's most powerful swordsmanship today.

The two swordsmanship burst out, and the horror spread.

Wow...

Under the thousands of swords, the thunder and lightning was finally torn apart.

The huge thunder and lightning, turned into thousands of thunder lights, wandered above the Kun River Valley.

The entire Kun River Valley seems to be trembling at this moment, and may collapse at any time.

Puff...

Two more cups of tea have passed, and Ye Chen spouted a bit of blood again to break this thunder tribulation!

"Divine Ascension Realm, triple heaven tribulation, this third heaven tribulation, so powerful!"

Ye Chen's face was pale until the thunder light dissipated.

Seeing the dark clouds in the sky that had never disappeared, his expression became more solemn.

Compared with the Thunder Tribulation encountered twice before, this time the Thunder Tribulation is more than a little bit stronger.

"boom....."

Without waiting for Ye Chen to think more, the third thunder and lightning fell.

This was the last thunder and lightning, but it was extremely powerful.

This thunder and lightning even showed a faint purple-white light.

"Ten thousand swords return to the clan!"

Facing this last thunder and lightning, feeling the terrifying aura contained in it, Ye Chen didn't dare to be careless!

The streamer came out, and the sword shot out!

brush.....

The streamer flashed and sank into the sky. The carrier's thousands of sword qi suddenly collided with that thunder and lightning!

boom.....

The heaven and the earth seemed to break apart~www.mtnovel.com~ above the streamer, the light suddenly converged.

Thunder and lightning travel between heaven and earth.

Just a face, the terrifying thunder and lightning broke Ye Chen's streamer!

After a slight pause, Thunder Tribulation, whose power has not been weakened too much, continues to fall!

"Born Talisman!"

Ye Chen's expression suddenly changed, and he quickly sacrificed his life spirit talisman!

The natal magic talisman resisted in front of Ye Chen.

Chapter 600: What you think is too simple!

Wow...

When the thunder and lightning fell and fell into the magic talisman, Ye Chen's figure was shaken.

Puff...

Two mouthfuls of blood sprayed out again, and the natal magic talisman could not absorb the thunder.

"Break for me!"

With no blood on his face, Ye Chen twisted the magic talisman and forced a drop of blood into a killer move.

During the burst of light, all the lightning in the magic talisman of life turned into a net of heaven and earth, strangling towards that lightning!

Wow...

That's the case, Ye Chen's magical talisman way was broken once the electric light collapsed, and the remaining lightning power swept Ye Chen's body in a blink of an eye.

"Damn..."

A painful scream came, and Ye Chen's body twitched violently.

too horrible!

Although it was weakened by at least two-thirds of the energy by the Wanjian Guizong and the Life Talisman, the remaining lightning power almost completely destroyed Ye Chen.

"boom....."

Fortunately, the three drops of essence and blood in Ye Chen's body erupted, releasing a warm current that enveloped Ye Chen's internal organs.

At the same time, the blood dragon seemed to metamorphose, carrying the meaning of thunder and lightning and flame, turning it into substance.

At this moment, the blood dragon seemed to have smelled the **** beast, and was rampaging.

The fire burned, and in Ye Chen's unbelievable gaze, he even began to talk about the thunder and lightning power that wandered outside of Ye Chen and wanted to destroy him, quickly swallowed!

With the eruption of the essence and blood and the blood dragon, Ye Chen finally let out a long breath.

The power of thunder and lightning collapsed little by little, and Ye Chen's heartbeat accelerated.

He knew very well what he would get as the last bit of lightning collapsed.

"What a terrifying third lightning!"

Under the cliff, looking at the last thunder and lightning that fell, Yun Lao was very surprised.

Is this really Thunder Tribulation?

Why has he never seen a thunderstorm of this intensity?

It seems that this thunder tribulation is more terrifying than some of Kunlun Xu's breakthroughs.

"What kind of force is standing behind Ye Jitian? What kind of force can cultivate this kind of existence?"

At least not in Yun Lao's memory.

Old Yun's eyes flickered, and he muttered to himself, he seemed to be thinking about something.

"Grandpa Yun, there seems to be something weird to resist the thunder tribulation in the end?"

Ji He was puzzled.

The power of the last thunder tribulation is very powerful, especially when it swept Ye Chen, what seemed to happen?

The distance is too far, it is difficult for her to see clearly.

Especially the power of thunder and lightning that wandered between the sky and the earth affected her sight.

Even so, she could feel it, as if there was a burst of energy in Ye Chen, refining the power of lightning?

"It's a little weird! But, so what? Who has no secret?"

"From now on, we will not talk about Ye Xitian. We will return to Ji's house later and tell the owner of this matter."

Yun Lao Dao.

"That's right! Thunder robbery, Mr. Ye's realm has been established! We should go back too!"

The only thing Ji He wants to do right now is to find Ji Siqing and tell her about it.

Sister Siqing, who has always been arrogant and cold, would have her jaw dropped.

She heard that Ji Siqing seemed to be very interested in a man with roots named Ye Chen a few years ago.

Ji's family repeatedly obstructed, but Ji Siqing still helped this waste man.

Ji Jiasheng was afraid that Ji Siqing would feel affection for this person, affecting his cultivation, and even using a killer to kill him.

But every time it was blocked by Ji Siqing.

Ji Siqing even threatened the Ji family, if the Ji family dared to move Ye Chen, she would leave the Ji family from now on!

Everyone has a headache about this.

At this moment, Ji He's mouth outlines a smile.

"The existence of Ye Xitian should shift Siqing's affection for Ye Chen."

...

"call....."

On the cliff, in the cold wind, Ye Chen sat paralyzed on the ground and gasped.

The last thunder catastrophe was extremely thrilling.

If the three drops of blood and the blood dragon burst out suddenly, the consequences would be disastrous.

"This Thunder Tribulation... really can't be resisted at will!"

After a long time, he took a breath, Ye Chen sighed secretly.

"However, now...the Immortal Ascension Realm, I have succeeded!"

Closing his eyes, carefully feeling the changes in the dantian, the smile on the corner of Ye Chen's mouth became stronger.

At this moment, how strong is the true spirit in the dantian? Even the life charm above the dantian is more than twice as magnificent as before!

How rich is the purple aura surrounding the dantian?

In a single thought, how terrifying is the energy Ye Chen can burst out?

"Sure enough, there is a big gap between the Immortal Ascension Realm and the True Essence Realm! With the hegemony of the Nine Heavens Xuanyang Jue and me, I now step into the Ascension Realm, and I dare not say that it is invincible in the Transcendent Realm. However, the Transcendent Realm can threaten me. People? But there are only a handful!"

After a long time, Ye Chen got up with a smile on his face.

True Origin Realm and Divine Tour Realm? Although it is only one step away, it is far away.

Ye Chen now has the ability to protect himself if he is in Kunlun Xu!

Even if he meets Elder Zheng of the blood alliance, Ye Chen will never be embarrassed!

At the very least, it won't be slaughtered and has no resistance!

Thinking of all this, Ye Chen's heart became more cheerful.

"This time the thunder robbery baptism, my body has not only grown a little bit!"

After moving his muscles and bones, Ye Chen's eyes lit up.

After Lei Jie's baptism, Ye Chen's physical advantage became much stronger.

"There is also the Soul Resurrection Sword and the Blood Dragon! The Soul Resurrection Sword has its own thunder intent under the baptism of Thunder Tribulation! The breath is powerful! If the baptism of Thunder Tribulation is repeated again~www.mtnovel.com~ this sword will definitely cross a rank!"

Looking at the soul-suppressing sword in his hand, Ye Chen was quite satisfied.

This is also a huge gain.

"The most important thing is the blood dragon!"

At this moment, Ye Chen found that the power of those three drops of essence and blood seemed to blend into the phantom of the blood dragon.

The breath of the blood dragon has a qualitative leap! The reminder has expanded tenfold!

The power of the blood dragon and the power of the natal spirit talisman must be even more terrifying!

Everything is moving towards the good side.

The stronger the blood dragon and the natal talisman, the more self-protection ability!

Today's improvement has made Ye Chen feel better.

"Now, what I need to do is to stabilize my strength as soon as possible. Then, find Elder Zheng, step into the Kunlun Void, and kill the blood alliance!"

After a while, withdrawing his thoughts, Ye Chen said to himself in a deep voice.

"Tsk tusk tusk... disciple, not bad! Without wasting those three drops of essence and blood, I finally stepped into the spiritual world!"

When he came to the reincarnation cemetery, Ye Chen said calmly when he saw Duan Leiren.

"Well! Without those three drops of essence and blood, I'm afraid it would be very difficult to step into the Ascension Realm, and Thunder Tribulation is even more unbearable!"

Ye Chen did not deny this.

Suddenly, Duan Leiren raised his head, looked at the blood dragon above the reincarnation cemetery, and said in a shocking voice: "The benefits of those three drops of blood are not only that, do you think that blood dragon is just how strong?"

"Master, what do you mean?" Ye Chen was startled.

Duan Leiren moved slightly, directly suspended in the air.

"Disciple, you know that those three drops of essence and blood are tangible blood of the dragon, which is invaluable! Your blood dragon has those three drops of essence and blood! It has substantial rights!"

"In other words, you have a chance to step into the air!"
