

URBAN MEDICAL GOD

Chapter 6: I am the one you can never afford!

.....

Ballroom.

Lao Ming took a few steps and came directly to Ye Chen. He narrowed his eyes and put his hands behind him, just like a master.

"Boy, don't think you will be lawless after you learn a few tricks. In the eyes of the old man, you are just an ant."

Chen Feng was ecstatic when he saw that Ming Lao had shot!

He knew that Ye Chen would definitely die this time!

All madmen can only die before Ming Lao!

"Ming Ming, I want this kid's right hand!" Chen Feng shouted.

Lao Ming nodded, and the old voice sounded again: "Boy, now my Chen family wants you a hand, do you have something to say?"

Ye Chen was really speechless, and said coldly: "It's really noisy! If you talk nonsense, I will let you be a useless person in this life!"

This sentence instantly spread to everyone's ears in the hall. In that moment, it was clearly visible that at least half of the people could not help covering their mouths, they were afraid they would exclaim.

Ming shook his head and sighed: "Arrogant young man."

After said, his figure suddenly disappeared! The whole banquet hall was windy!

suddenly appeared in front of Ye Chen!

Bring the wind with one palm! Cut directly towards Ye Chen's right hand!

"I will let you know what a frog at the bottom of the well is today!"

Ye Chen hurriedly ran "Nine Heavens Xuanyang Jue", his dantian surged, and a qi directly poured into his arm. If anyone pays attention, he will definitely find that Ye Chen's palm is glowing at this moment!

"Go!"

Ye Chen slammed up into the wind and directly collided with Ming Lao!

In an instant, the surrounding glass table shattered! A strong air current is even going in all directions!

"Boom!"

Something that everyone expected happened!

Lao Ming flew out!

There was a splash of blood in the air!

One move, Ming Lao loses!

The seat is full of silence, and a needle can be heard clearly.

Everyone in the room stared at Ye Chen with incredible eyes.

, Sun Yi covered her mouth, her eyes were round and her face was unbelievable.

Chen Zhengguo and Chen Feng who are not far away are petrified and stay on the spot!

has always thought that the powerful old man was actually defeated! And still lost to a young man!

What's happening here?

how is this possible!

To say that the most shocked of these people is only Ming Lao, when his palm and Ye Chen collide! No one knows what kind of stormy waves are set off in his heart!

He forcibly supported himself and raised his head, almost squeezing a word from his throat: "Who are you! How could your cultivation base be..."

"Who am I?" Ye Chen looked at the old man on the ground condescendingly. At this moment, his temperament completely changed, and the whole person seemed to be above all things, overlooking all beings!

"I am someone you can never afford to offend!"

Ye Chen's voice sounded like a rolling thunder in the banquet hall.

Lao Ming didn't know why, when he heard these words, he spit out another mouthful of blood and passed out completely.

Then, Ye Chen's eyes fell on the Chen family father and son again.

"Chen Zhengguo, what else do you have to say?"

Chen Zhengguo's complexion changed drastically when he heard it, and he couldn't take care of anything anymore, so he kicked Chen Feng's leg!

"Pump!" Chen Feng knelt down!

"This lord, it's my godson who can't do anything! You can dispose of this **** thing whatever you want!"

When Chen Feng heard that his father had abandoned him, he realized the seriousness of the matter and quickly begged Ye Chen for mercy: "I...I really don't know that Miss Sun is your woman... I was wrong, I was really wrong! "

Ye Chen pulled out a chair and sat down, looked at Chen Feng with amusement, and said, "Do you think I need to apologize?"

Chen Feng felt a little bit in his heart, and immediately understood, he knelt down in front of Sun Yi, begging for mercy: "Miss Sun...Yes...I'm sorry...I am a dog who looks down on people...I shouldn't scold you, I...Yes Bitch, my whole family is bitch..."

Chen Feng said, and even slapped himself with a hand. He was born in a big family, and he naturally knew how to watch his words and looks, and now Uncle Ming is down! Their Chen family really has no support! The most important thing now is to survive from the hands of this demon!

Sun Yi was a little frightened, watching the old man kneeling in front of him, she didn't know what to say for a while.

A minute later, she tremblingly said: "You...you go."

Chen Feng raised his eyebrows and glanced at Ye Chen, and found that the other party had no objection, he quickly stood up, came to Chen Zhengguo, and whispered: "Dad, let's go quickly, let's go to the police station to kill this kid..."

Chen Zhengguo nodded. He didn't want to stay in this place for another second, now his back was soaked.

The two were about to leave, a lazy voice sounded from behind:

"Chen Zhengguo, did I let you go?"

Chen Zhengguo stopped, stiff! He slowly turned around, and looked at the young man who was sitting not far away questioningly: "You are calling me? I don't seem to offend..."

"Kneel down!"

Ye Chen shouted angrily!

If Sun Yi were not by his side, the evil spirits all over him would have filled his whole body!

Today's events are over, but the events of five years ago are far from over!

Chen Zhengguo only felt a powerful pressure coming, his shoulders were like a huge mountain!

"bump!"

Chen Zhengguo knelt directly on the ground!

At this moment, the faces of everyone present changed.

The battle just now happened very quickly, and they couldn't understand it, they just knew that Ye Chen could fight very well.

What if you can fight? This society is a society under the rule of law! No matter how you can fight, you can't beat bullets!

But Chen Zhengguo knelt down in front of him, it was completely different!

Although the Chen family is not the top family in Jiangcheng! But it is also an extremely powerful existence!

The helm behind such a powerful family actually kneeled to a young man in his twenties?

No one will believe it!

The first reaction in everyone's heart is that Jiangcheng is about to change!

has changed completely!

Ye Chen, regardless of the reactions of the people around him, stood up and walked towards Chen Zhengguo step by step!

'S footsteps are very light, but in Chen Zhengguo's eyes, this is the footsteps of death!

Soon, Ye Chen stopped, he looked at Chen Zhengguo condescendingly, as if the heavens looked down on the ants!

He slowly opened his mouth, just about to speak, "Boom!" The door was knocked open!

A dozen special police officers armed with guns rushed in!

"Don't move!"

Chen Zhengguo couldn't help sighing when he saw these special policemen, his fortunes were saved.

Although there are ancient warriors in China, no matter how powerful ancient warriors are, they are also restricted by the state apparatus.

So for so many years, there have been very few riots of ancient warriors.

Ye Chen glanced around, his eyes did not waver, the old man told him something about Huaxia, and he also knew that the Huaxia authorities were in charge of ancient martial artists and cultivators, but he must revenge today!

"The standing guy, I order you to squat down with your head! If you don't squat down again, I have reason to kill you! Warning for the first time!"
