

Urban Medical 601

Chapter 601: The center of the storm!

"Take a dragon into the sky?"

Ye Chen glanced at the blood dragon above his head, he did not expect that these three drops of blood were the blood of the dragon.

At that time, the girl of the Ji family was so careful, he thought it was a precious medicine.

It now appears that the Ji family really gave him a big gift.

This love owes too much.

But having said that, five years ago, Ji Siqing's existence made him owe the Ji family.

The other party helped him several times in Kunlun Xu.

At that time, he only stepped into the way of cultivation, without any foundation, even more of a mere root.

The reincarnation cemetery has not been fully opened.

Without Ji Siqing and Ji Lin, I am afraid I would have died in a certain corner long ago.

I really want to pay it back, I don't know when it will be paid back.

"Fine, the Ji family will be in danger from now on, so let's do it yourself."

Ye Chen murmured.

The dragon roar on his head kept ringing.

"Master, what has changed in this blood dragon? What do you mean by the essence? Can he become a real dragon?"

Ye Chen said again.

Duan Leiren squinted: "This road is a long way to go, but these three drops of blood are an opportunity. This is your life. As for whether you can truly transform the dragon, it depends on your remaining opportunities."

"To some extent, the cemetery of reincarnation is not your biggest trump card, this blood dragon is. But now this blood dragon is still very weak and can't exert its real power."

"If one day he exerts his true power, the sky may not be able to hold you down."

"The power of the dragon can control flames, condense rivers, release lightning, and even tear space!"

"Plus your natal talisman, to a certain extent, your future achievements will far exceed those of Kunlun Xu young people."

"Not much nonsense. Right now you have to do two things. The first thing is that I need Taigu Xushidan. You must mobilize the second tombstone to release the big man. The second thing, you go to a place. ..."

Duan Leiren suddenly thought of something and changed his words: "Forget it, that place is in Kunlun, so there is no hurry right now."

"The first thing is the most you do."

Ye Chen's eyes fell on the second tombstone, the tombstone gleaming with dazzling light.

He could feel an old breath condensing.

"Master, is this an alchemist?"

Ye Chen said curiously.

Duan Leiren shook his head: "He is not that simple, you will understand when you see him."

Ye Chen no longer hesitated, stretched out his hand and touched the tombstone!

In an instant, the tombstone shines!

The whole face of samsara was shaken!

Even that small dragon vein had cracks due to the vibration.

Ye Chen thought that the tombstone would split, and then a figure appeared directly.

But waited five minutes!

Nothing happened at all!

Just when Ye Chen lost his patience, the medicine tripod obtained at the auction was directly suspended!

It even appeared in midair.

Streams of light flowed around the medicine cauldron.

Suddenly, "Boom!" With a loud noise, the medicine cauldron slammed directly down!

It fell firmly in front of Ye Chen.

"If you want me to come out, you can, as long as you can refine water spirit pills."

"If you can't even refine the water spirit pill, you, the tomb owner of the reincarnation cemetery, I don't admit it!"

"Because you are not qualified!"

"A trash is not qualified to be my apprentice!"

Cold words resounded from the tombstone!

arrogant! Arrogant!

It's not even an exaggeration to use an odd temper.

Ye Chen has seen a lot of great powers in the reincarnation cemetery during this period, Chen Tianli, Luo Yuntian, Slaughter Daojun, Duan Leiren and so on.

These people confirmed their identities almost at the beginning.

There is no big test!

But what the **** is this guy in front of me!

Water Spirit Pill?

He naturally knew this pill, but the refining of this pill was extremely complicated, and it was impossible for him to refine it now!

Isn't this difficult for a strong man!

Ye Chen looked at Duan Leiren, who also shook his head with a wry smile: "This guy's temper is notoriously weird, and I can't help it."

"Disciple, how about you try to refine a water spirit pill?"

"If it really can't be refined, then the Taigu Xushi Dan will forget it now."

Duan Leiren can only say that.

Ye Chen glanced at the tombstone that was overflowing with red light, curious in his heart.

With such a temper, he gave himself a slap in the face at the beginning, does this guy's identity have a lot of background?

"Aren't you just water spirit pills, I will refine a bunch for you!"

Ye Chen's temper came up.

Although he has never made a successful water spirit pill, even if his strength is refined now, there will be great consequences!

But he wants to give it a try!

He still doesn't believe in this evil!

Isn't it just a broken pill! What are you afraid of!

Ye Chen no longer hesitated, sitting cross-legged, surrounded by real energy, closing his eyes.

Suddenly, his eyes opened, and a cold light burst out.

At the same time, a drop of blood was forced out and shot on the medicine cauldron.

Before refining the pill, the most important thing is to establish contact with Yaoding!

Everything was ready, Ye Chen shook his five fingers, and the medicinal materials on the reincarnation cemetery swept into Ye Chen's palm!

Put directly into the medicine pot at the right time!

The flames are vertical and horizontal, and a slight fragrance of medicine overflows from it!

"Get me up!"

Ye Chen roared, just about to control the flame!

A sense of shock suddenly came from the medicine cauldron!

"Boom!"

In the next second it's frying!

Obviously failed!

Ye Chen didn't feel discouraged, tried several times, but the result was the same.

"Boy, if you can't even refine the water spirit pill, to be honest, the reincarnation cemetery can't play his value in your hands!"

"It's better to give the reincarnation cemetery to others!"

There was another cold word in his ear, Ye Chen's eyes shrank, and he glanced at the tombstone indifferently!

"Blood Dragon, come!"

With a dragon chant, the blood dragon suddenly appeared!

Because the phantom of the blood dragon had entered the land of the Qinling dragon veins!

Its whole body already carries a trace of fire attributes!

The blood dragon and Ye Chen had the same thoughts, and naturally understood Ye Chen's meaning, no longer hesitating, and coiled around the medicine cauldron.

Not only that, the flames around the body are gradually released!

The temperature in the reincarnation cemetery has risen a lot.

"Natural talisman, come out!"

In the air, a trace of thunder and lightning surged!

"Thunder come!"

Ye Chen roared!

In an instant, thunder and lightning fell from the destiny magic talisman, winding around the medicine cauldron accurately!

At this moment, the spiritual energy in the reincarnation cemetery continued to surge towards the medicine cauldron!

And Ye Chen's whole body is even more necessary medicinal materials for the refining of water spirit pills!

Ye Chen looked serious and threw the medicinal materials directly into it again!

At the same time close your eyes and slap a palm on the medicine cauldron!

Although the water spirit pill is precious, it is not impossible if he does his best!

Not worthy to be the owner of the reincarnation cemetery?

waste?

Today he slapped this mighty face!

How about you come from ancient times! Even if you are an ancient alchemist, Ye Chen's talent is not weak at all!

Five years ago, the old man rescued him from the lower reaches of Dongqian Lake, and even brought him into Kunlun Xu, because he fancied his talent in alchemy and medicine!

Chapter 602: Not eligible to belittle!

"Boom!"

The center of the reincarnation cemetery seems to be swept by a storm!

And Ye Chen is at the center of the storm!

When the tombstone saw this scene, a soft voice suddenly sounded: "Hey, this guy is actually..."

The voice disappeared before the words were finished.

At the same time, an old figure wearing a white robe with an ethereal aura emerged from the tombstone, looking at Ye Chen in the storm more interestingly.

It is the power in the second tombstone!

...

at the same time.

Kunlun Xu, a magnificent palace.

Standing on the top of the mountain.

Extremely strong aura.

In the deepest part of the temple, a simple gate was closed.

The sect disciples who come and go will glance at the door inadvertently.

Cautious and extremely jealous.

They all know that behind this door is a girl of heaven who can tremble Kunlun Xu.

Ji Siqing!

Ji Siqing's existence is almost the dream goddess of Kunlun Xu's countless cultivators.

For them, even if they meet, they are willing to lose ten years of life.

Unfortunately, Ji Siqing has been in retreat.

The character is extremely cold.

I rarely even chat with outsiders, let alone the opposite sex.

The only exception is Ye Chen who has disappeared for more than half a year.

Hundreds of sects refused, making this name a joke.

But it was this joke that made Ji Siqing come forward countless times!

They were extremely helpless.

He even had the heart to kill Ye Chen.

At this moment, outside the hall, two shadows hurriedly walked towards the quaint gate.

If Ye Chen were here, he would definitely find that these two were Ji Lin and Ji He who had just said goodbye to Kunlun Mountain.

After Ji Homer entered Kunlun Xu non-stop, he rushed here directly.

"Sister Ji He, what are you asking my sister to do in such a hurry? Could something happen to Cheng Ji's family?"

Ji Lin said curiously as he walked.

Ji He frowned, his chest trembling constantly because of his fast steps.

"Sister Ji Lin, this is no ordinary thing, not only about the Ji family, but also about the entire Kunlun Xu!"

Ji Lin disagrees: "Could it be that something fun has happened recently?"

"You'll know later, Sister Siqing should be out."

"Well, the breakthrough just ended yesterday, and it's inside now."

Not long after, the two came to the gate of Gupu. Ji Lin knocked on the door. Before finishing speaking, a cold voice came from inside!

"Come in!"

The door opened directly, and the two were stunned for a while before they went in.

I saw a young girl sitting cross-legged on a colorful stone in the house.

The aura in the house is overflowing from the colorful stones.

The **** the colorful stone is beautiful, every part seems to be Nu Wa's most satisfying existence.

Even Ji He felt a little inferiority complex.

"What did you two come to see me for, and the Ji family urged me to go back?"

Ji Siqing's indifferent voice suddenly sounded without any fluctuations.

Ji He no longer hesitated, and quickly said: "Sister Siqing, there has been a big event in Kunlun these days, and my father asked me to come over and tell you immediately."

Ji Siqing still closed his eyes and said lightly: "Let's talk."

"In the past few days, a top powerhouse has been born! The blood alliance and Yi Baoge have suffered a loss in this person's hands, and I don't even know the realm of the other party!"

"Zhuang Bufan, Blood Fenghua, and even other existences that offend this person are all dead!"

'This is not the most important thing, that person holds the thunder in his hand, like a **** descending to the earth! In three days, it seems to have entered the transcendental realm from the true essence realm, perhaps even more terrifying! '

The previous words made Ji Siqing not react at all, but after a word fell, Ji Siqing suddenly opened his eyes and stood up!

"In three days, from the True Primordial Realm to the Transcendent Realm? Ha ha, Ji He, would anyone believe you this joke?"

"Also, Yibaoge and Blood Alliance are both very difficult existences in Kunlun Xu. It is impossible for ordinary people to offend. You should have heard about this matter."

Ji Siqing said.

Ji Lin on the side also nodded, naturally she didn't believe it either.

Ji He was a little anxious: "Sister Siqing, I dare to bet with my soul! I have witnessed this with my own eyes! Grandpa Yun and many of Kunlun Xu have witnessed it. It is estimated that it will not be long before the incident will spread throughout Kunlun. It's empty."

Ji Siqing frowned upon hearing Ji He's oath, and began to believe it.

Shenhun swears, the price is too great.

"What is this person's age and from what power? And, what is his name?"

Ji Siqing asked.

Such a wicked person, she has more or less a trace of interest.

Ji He's eyes were firm, and he said word by word: "This person is about the same age as Sister Siqing! Even... even more talented than Sister Siqing!"

"what!"

Ji Siqing and Ji Lin's expressions changed.

Twenty years old, three days into the transcendence?

Kunlun Xu still has this kind of evildoer?

Before they could react, Ji He said astonishingly: "Where he comes from, no one knows, this happened in China! Kunlun Mountain!"

"The only information I know is that the person's surname is Ye."

Before Ji He finished speaking, Ji Siqing's eyes flashed with surprise.

He is from Huaxia and his surname is Ye. Is it Ye Chen?

But Ye Chen's talent was simply impossible.

Her eyes were a little lonely, to be honest, this guy has been away from Kunlun for half a year, and she doesn't know how it is in China.

Although Ji Lin had been there last time, but after so long, I don't know if something happened.

Ji He knew what Ji Siqing had thought of, and continued: "Sister Siqing, I haven't finished yet. His surname is Ye and his name is Killing Tian! This person is extremely domineering and ignores all rules. In comparison, one is the sky and the other is the earth..."

Suddenly, the whole room was frosty!

A trace of murder spread!

Ji He looked pale, raised his head, and instantly saw a pair of ice-cold marrow eyes.

From Ji Siqing.

"I'll say it again one last time, everyone in the Ji family is not qualified to belittle Ye Chen!"

"I'm going to practice, let's go, no one from the Ji family can come to see me within a month."

Cold words are like commands!

Ji He trembled, sighed, turned around and left.

After so many years, Ji Siqing's personality has not changed.

"A vanity-rooted person will eventually disappear in the dust, and can only silently look up at the stars in the sky."

"Then Ye Chen is dust."

Chapter 603: Wanchen Sword Art!

At the same time, the reincarnation cemetery.

Ye Chen naturally didn't know about Kunlun Xu Ji Siqing.

At this moment, he is frantically refining water spirit pills.

The flame above the medicine cauldron became stronger and stronger, and the sound of dragon chants continued to hear.

The flames of the blood dragon and the lightning almost caused the entire medicine cauldron to burst!

This strength almost exceeds the strength that Yaoding can withstand!

Although the medicine cauldron is of great value, it is difficult to resist the impact of the power of thunder and flames.

Fortunately, in the medicine pot, a strong medicinal fragrance gradually condenses.

Ye Chen's body was already drenched.

All Dantian's true energy swept away!

The second tombstone was so cold and disdainful, all he had to do was slap this mighty face!

Suddenly, the medicine cauldron, where countless forces had gathered, shook slightly.

A crisp sound rang in my ears!

At the same time, Ye Chen forced out a drop of essence blood, which turned into blood mist, wrapped around the medicine cauldron.

"Shui Ling Pill, condense me!"

With a roar, lightning and flames raged!

There are countless lines on the whole body of the medicine tripod that was just taken from Yibaoge!

To be broken!

Ye Chen opened his eyes and suddenly grabbed his five fingers!

A cyan pill appeared directly in the palm of his hand.

The pill has an extremely strong fragrance, and more importantly, its lines are extremely clear.

Amazingly it is the water spirit pill!

Seeing this scene, the phantom on the second tombstone blushed.

It's not because Ye Chen refined the water spirit pill!

But the rank of this water spirit pill is extremely high!

It can even be said to be perfect.

Duan Leiren glanced at the old man next to him, and said lightly: "Although I know you have a weird temper, what you said just now is probably a stimulus."

The old man didn't speak, his eyes narrowed slightly, and he stared at Ye Chen interestingly.

A few seconds later, he said, "I'm telling the truth. If the tomb owner of the reincarnation cemetery can't even refine the water spirit pill, do you think he is qualified to be our turn-over? Don't forget, this kid Carrying the hope of a hundred of us!"

"The war in the ancient times trapped a hundred of us. We cannot rebirth and reincarnate, let alone redeem."

"Also, you should be aware of the strength of that power. Although the current realm of this child can be considered past, it is still too far away from that road."

"Once that force finds out that this child controls the reincarnation cemetery, do you think they will give this kid a chance to survive?"

"With the strength of this boy, those old guys hiding in the depths will definitely notice this boy. I don't hope that this boy will not even be able to control his own destiny by then. The end result is that 100 of us will not be able to turn around for a lifetime. ."

Duan Leiren's smile gradually stiffened when he heard such words.

Even the eyes fell into deep contemplation.

He could not refute the other party's words.

"Duan Leiren, do you really think this kid will give us hope?" the old man asked suddenly.

Duan Leiren looked at Ye Chen, who was holding the water spirit pill, without thinking, and said directly: "I didn't think so at the beginning, but the more I understand this kid, the more confident I will be in him. When he will nurture the blood dragon, then The destiny talismans are transformed into the way of supernatural powers, and then it is the power that should be feared."

Ye Chen at the moment naturally didn't know that these two people were talking about themselves.

He glanced at the Shui Ling Dan on the palm of his hand, and a smile was drawn at the corner of his mouth.

Then his eyes shot in one direction!

The second tombstone has lost its light.

But Duan Leiren was surrounded by an old man.

You don't need to guess to know that this person is the power who speaks coldly to yourself.

Ye Chen sneered, and the pill in his hand shot directly: "Old man, this is the water spirit pill you want, now can you admit that I am the tomb owner of the reincarnation cemetery?"

The old man didn't make any movement, and the water spirit pill seemed to be hindered by some kind of obstacle, and it hovered directly in front of the old man to stop.

His indifferent eyes glanced at Ye Chen, and said: "Do you really think that you have refined the Shui Ling Pill and you are in control of the pill Dao? Ridiculous! In my eyes, the Shui Ling Pill is just the most **** foundation! You are just now just now It only meets this requirement. If you want to become my apprentice, you are far from qualified."

After speaking, the water spirit pill came towards Ye Chen!

Powerful energy wraps around, as if in control of everything!

"Boom!"

The moment Ye Chen caught the Shui Ling Pill, the air wave rolled, Ye Chen spit out a mouthful of blood on the spot and was directly shocked.

Damn it!

Even if this mighty has a temper, he even hurts himself?

Before Ye Chen got up, the figure appeared in front of Ye Chen, looking condescendingly, and said indifferently: "Although I don't want to admit it, the Samsara Cemetery chose you, and I can't escape."

"I am the immortal master. Since you wake me up, I don't want to owe you favors. Today, I will send you a sword technique."

Yuluo, before Ye Chen could react, the Lord of Immortality pointed at the center of Ye Chen's eyebrows.

A powerful flow of information surges!

Wanchen Sword Art!

This sword art has no attack power!

Seems tasteless!

But it can make Wanjian surrender!

What a spectacular sight!

If your enemy can't use the sword, he can only condense the sword, that will be the biggest advantage in the battle!

The key to this swordsmanship is to defeat the enemy without fighting!

Don't be too cool!

Ye Chen was short of breath. Although this immortal lord had a weird temper, sending such a gift at this time was enough to prove that all the other party's actions were nothing more than agitation.

Ye Chen felt the Wanchen Sword Art. Although this sword art was strong, it had certain limitations.

Within three days, it can only be performed once, and it depends on the cultivation level of the cultivator.

There are some extremely heaven-defying spirit swords, even if Ye Chen used this sword tactic now, it was useless.

The Immortal Lord released his finger and turned and walked directly towards the tombstone.

"Nothing special, don't find me, I repeat it again, I don't fully approve of you, nor will I teach you other things, let alone help you."

The ghost disappeared after speaking, and the tombstone fell into silence.

Duan Leiren came over and patted Ye Chen on the shoulder: "Let's put aside the matter of the Taigu Xushidan, this is the character of the immortal lord. When he understands you better, he will naturally accept you. As far as I know about him, he is not a hard-hearted person."

Ye Chen nodded: "Master, you said this person is an alchemist, why did he just give me a sword art?"

Duan Leiren glanced at the tombstone with a deep meaning, and said leisurely: "I never said that this person is an alchemist, he just knows alchemy."

"He not only understands alchemy, but also dabble in battle formation, swordsmanship, and magic charms. He is a strange person. If you have the guidance of this person, martial arts will be of great benefit to you."

"Well, it's time for you to leave the reincarnation cemetery, you have stayed in it for too long."

Chapter 604: mutation!

China, Beijing International Airport.

Ye Chen flew directly to the capital at Kunlun Mountain Airport.

He went to Ye's house immediately.

"Xiaochenzi!"

As soon as Ye Chen stepped into the door, a beautiful shadow rushed over.

Stepping away, he jumped directly onto Ye Chen's body.

Both feet were directly hooked around Ye Chen's waist, and the turbulent thing in his chest pressed Ye Chen fiercely.

Sun Yi!

"Xiao Chenzi, didn't you tell Ruoxue to go there for one day? It's the fourth day. If it wasn't for Senior Shen who said you were okay, I would go to Kunlun Mountain to find you."

Ye Chen hugged Sun Yi, his body felt a different touch. He glanced around and said, "Why are you alone, Ruoxue and the others? What about my mother?"

Sun Yi had no idea of coming down, and explained: "Auntie has been breaking through in the training room since that day. I don't know how many realms she has broken through. Something should have affected her."

"She is still breaking through."

"As for Ruoxue and Zhu Ya, they did not practice, but something happened in Jiangnan Province. Both the Zhu family and Xia family were in Jiangnan Province. They took a plane back last night."

Ye Chen frowned, something happened in Jiangnan Province?

What he wanted to ask, a pair of red lips kissed directly.

"Xiaochenzi, do you think the weather today is pretty good, should you do some exercise?"

The moist tip of the tongue stirred Ye Chen's heartstrings.

The key point is that their current posture is rather ambiguous.

Ye Chen knows Sun Yi's character and understands her initiative in that area better.

Now she is doing this, just to appease him and prevent him from thinking about something.

Ye Chen was silent in Sun Yi's wet kiss.

He even hugged Sun Yi towards the room on the second floor.

The love reached the depths, and within a short while, there were waves of groans and collisions in the room.

The house is full of spring.

...

At two o'clock in the afternoon, Ye Family Hall.

Ye Chen saw Xue Fenghua and Shen Shixi.

"The disciple has seen Master!"

"Blood Fenghua has seen the master!"

The two said in unison.

Ye Chen nodded, his eyes fell on the two of them, and he said: "Do you have any news about the whereabouts of Elder Zheng of the blood alliance?"

"Blood Fenghua, didn't you mean that Elder Zheng has already come to China?"

For Ye Chen, the most important thing right now is the elder Zheng of the blood alliance.

This person holds the key to the blood dungeon.

It is the key to rescue the father!

Xue Fenghua heard Ye Chen's tone and knelt down quickly: "Master, I really don't know the specifics, but one thing is for sure. Elder Zheng is indeed in China. Logically speaking, he should come to Beijing. After all, The Yejia in Jingcheng is the biggest doubt."

"But in the past few days, we have contacted some people, even if we call up the monitoring of the entire capital, there is no news of Elder Zheng's group."

"Master, do you think they learned about Ye Sutian and went to Kunlun Mountain again?"

Ye Chen didn't speak, his fists clenched.

In Huaxia, it is their own territory in theory, and it should be extremely easy to find someone.

What's more, the breath of Elder Zheng and those with strong blood alliances will definitely be noticed by some people.

It is impossible for the world to evaporate!

It seems that Bai Lixiong must be called.

Only through the power of the country.

As soon as Ye Chen took the phone out of his pocket, the phone rang.

Lei Shuwei from Dragon Soul!

"Mr. Ye, you will finally get to the capital, something big happened!"

Ye Chen's expression changed: "What's the matter?"

The voice of Lei Shuwei on the other end of the phone was very excited, and he quickly said, "Mr. Ye, things in Jiangnan Province can't be suppressed!"

"This trace of the coming of the strong, many places have been turned into ruins overnight!"

"Not only that, it seems that the old Jiangcheng house of the Ye family has also been broken open. The gate and the wall are directly shattered. Those who guard the old house of the Jiang family are not spared!"

"Also, the Tianzheng Building in Jiangnan Province nearly collapsed. Above the twenty-seventh floor, it seemed to be cut directly by a sword! The death toll has risen to seven!"

At this moment, Ye Chen was not calm.

Both Ye Family Old House and Tianzheng Group are related to him.

Those who can be destroyed with such strength are most likely to be the people of the blood alliance!

Including Elder Zheng!

The only doubtful place is this group of people, why didn't they come to Beijing to deal with Ye's family, but start from Jiangnan Province and Jiangcheng instead.

Not even let go of the old house.

What are they looking for?

The secret in yourself?

Or in other words, what has the father already explained?

Suddenly, Ye Chen thought of something, Zhu Ya and Xia Ruoxue both returned to Jiangnan Province!

Although Elder Zheng may not know the two, they may be threatened.

After thinking about everything, Ye Chen stood up directly: "Prepare a plane for me, I will go back to Jiangnan Province soon."

Lei Shuwei was obviously ready and said directly: "Mr. Ye, the car is already at the door, and the nearest airport is ready."

More than an hour later.

When the plane landed, Ye Chen went to Tianzheng Group in Jiangnan Province for the first time.

Fortunately, the focus of Tianzheng Group has been transferred to its headquarters in Beijing.

There are not many office staff on the 27th floor here in Jiangnan Province. It happened that the day of the accident was Sunday.

Otherwise, the consequences are unimaginable.

Standing downstairs, Ye Chen could vaguely feel that violent sword mark!

With such power, the people who came out of the blood alliance this time were not that simple.

What are they looking for?

Twenty minutes later, Ye Chen arrived at the Ye Family's old house in Jiangcheng.

After the Yunhu Villa incident happened that year, the old house was sealed up by the court.

Later, Ye Chen bought it directly.

I've only been there a few times because I'm afraid of touching the scene.

Ye Chen was quite moved when he came to the Ye Family Old House again.

If his father is not rescued from the blood alliance, he will not be reunited.

No matter what, Ye Chen has already forged a feud with blood.

Ye Chen entered the old house and was in a mess. The inside of the original surrender was turned over.

Even the old house was damaged a lot, and the ground was opened a bit.

Ye Chen's eyes flashed with coldness, sitting cross-legged.

"I want to see, why are your blood alliances here!"

Ye Chen pinched his fingers!

"Away Searching" is launched directly!

Now that he has stepped into the Ascension Realm, this spell is even more powerful!

The restored scene is also more real.

Surrounded by blood and light.

The speed of the fingers is getting faster and faster!

Suddenly, Ye Chen opened his eyes, and a flash of brilliance flashed!

The whole house seems to be countless phantoms appearing!

It is the blood alliance!

A purple-robed old man headed by has a misty breath, with his hands behind him!

It must be Elder Zheng in the mouth of Blood Fenghua!

Elder Zheng glanced around, and directly ordered the people behind him: "Even if you go through the entire Ye Family, you must find and engrave something with this text!"

"The sudden rise of Ye Chen definitely has something to do with the Ye Family! I suspect that there are secrets of Kunlun Xuye Family hidden here!"

Chapter 604: I look down on these swords

...

Spring Grass Leisure Villa in Jiangnan Province.

Fang Xingyun and a few strong blood alliances were drinking, each with a nice beauty in their arms.

The beauty barely wears clothes all over, and she is trembling!

They can feel the horror of these people in front of them!

Just now a young girl refused these people's unreasonable demands, but died on the spot! Turned into a pool of blood!

They have never seen such a method!

I don't even know where these people come from!

Foreign accent, the means are extremely spicy!

There are some key things that completely exceed their knowledge!

With any finger movement, the wine glass will float automatically!

It is even more terrifying than the legendary gods!

Fang Xingyun put down the wine glass, his eyes blurred, he looked at the naked woman in his arms and snorted coldly: "Hua Xia's women don't have the slightest aura in them, they are too ordinary. I'm really disappointed in China!"

"The point is, I don't like my woman's frown."

"You completely disturbed my interest in drinking."

When the woman heard such cold words resounding in her ears, her face changed drastically, and she quickly knelt in front of Fang Xingyun: "Master Fang, I know I was wrong. Please forgive me. I will laugh now. How do you want me to laugh? I just laughed!"

The woman cracked a smile, reluctantly.

Between life and death, she has no choice!

These people in front of you, but they kill at every turn!

"Forgive?" Fang Xingyun looked grimly, "In my eyes, Chinese people are nothing more than ants. If I want to kill them, I will kill them. What qualifications are there to be forgiven by my blood alliance!"

After the words fell, Fang Xingyun spread his five fingers and directly clasped the woman's neck!

Suddenly mention it!

The Chinese girl felt that the breath should not be plundered, struggling desperately, but it was impossible!

There is only panic in the pupils!

"In my eyes, you Chinese, and Ye Chen, are all humble as dust. If I want to, how about killing all of you! Bah!"

After the words fell, the power in Fang Xingyun's hands burst out!

The powerful waves and evil spirits rolled, and the girl in her hand turned into blood mist!

Extremely cruel.

The remaining women panicked directly and got up and fled!

But the result is obvious!

In the hands of such a mighty, escape is simply a luxury!

After Fang Xingyun and the people of the blood alliance settled everyone, a strong blood alliance said: "Mr. Fang, what should we do next? Elder Zheng went to Kunlun Mountain. Before he returns, we better do something practical. stand up."

Fang Xingyun tapped his fingers on the tabletop, sketching a frantic smile at the corner of his mouth, and said: "That kid is hiding in China and refuses to come out. What we have to do is adjust the movement to the maximum. Starting today, kill and this son. Everyone involved!"

"I don't believe it, kill Huaxia, this kid can still be indifferent!"

"Offend my blood, there is no choice but to die!"

"I want this kid to fall into eternal self-blame! Hahaha!"

The grinning laughter resounded throughout the room.

Just at the extreme enthusiasm of everyone, "Boom!", a loud sound resounded directly!

In the next second, they found that the door was directly blasted open!

Not only that, but the guardian formation they set up at the door was ruthlessly torn apart!

how is this possible!

They used this formation just for fear of accidents!

This formation in Kunlun Xu was enough to withstand a strong attack, but right now, it was actually blasted by someone?

Billowing smoke!

They couldn't see what was in the dust.

A cold wind suddenly rolled up, and after a few seconds, everything returned to silence.

A cold and proud figure of a young man appeared in his sight!

The young man is dressed in casual clothes, with a cigarette dangling from the corner of his mouth, and his head down, very lazy!

But being lazy, it makes people feel cold!

The whole house seemed to have become an ice cave.

"Grass! Who the **** are you! Do you know our blood alliance..."

Before a strong blood alliance finished speaking, the lazy voice spoke directly: "You are too noisy, I like to be quiet."

The next second, murderous intent broke out! A touch of blood flashed!

The strong blood alliance sensed the crisis and subconsciously wanted to stop it!

But found that his power is extremely small at this moment!

The blood light penetrated his body directly!

Blood splattered, bones revealed!

Died on the spot!

This hand alone trembled everyone present!

There is such a strong in Huaxia!

And the other party's action is obviously, it is directed at their blood alliance!

Fang Xingyun's eyes condensed, and just about to speak, he found that the young man according to Leng Ao raised his head.

He is very familiar with that face!

Ye Chen!

The Huaxia Ye Chen that the master asked him to hunt down!

At this moment, Fang Xingyun laughed loudly: "Ye Chen, you dare to come here! In that case, I will give the master a surprise!"

"The blood alliance listens to the order, condenses the formation, take this one!"

"Yes, Mr. Zheng!"

Regardless of the slightest hesitation of the rest of the blood alliance, the sword is drawn out, and the murder is released!

In just three seconds, Ye Chen was surrounded!

Not only that! Steps have taken weird steps!

A blood alliance kills formation directly!

Some opportunities for Ye Chen to escape were blocked!

"kill!"

With a roar, the long swords in the hands of those people shot out!

The sword intent in all directions seemed to break the air and penetrate towards Ye Chen!

In this killing formation, they have absolute confidence that they can take down this arrogant Chinese Ye Chen!

Ye Chen looked at the cold sword that swept over, and shook his head helplessly: "This is the power of your blood alliance to chase me down?"

"I was so disappointed."

The words fell, Ye Chen stepped on suddenly!

The strong wind is like a stormy sea!

The ground spreads and cracks like a spider web!

And the roof was directly broken by the air wave!

At the same time, those cold swords that were directly at the heart of Ye Chen stopped completely before they even touched Ye Chen!

It seems that there is a strong obstacle to control everything!

Gradually, blood was spilled from the corners of the mouths of the strong blood alliances who were holding the winning ticket!

In an instant, the formation has been forced!

They were all backlashed by the killing array!

One word, one kick, break the powerful killing formation of the blood alliance!

how is this possible!

At this moment, everyone has deep fear in their eyes!

As if an invisible hand strangled their throat!

And the young man in the center is the **** of death!

"I look down on these swords, so I will return them to you."

Ye Chen's indifferent voice fell, and the breath of the blood dragon in his body burst out!

The dangling sword is flipped directly! Qi Qi is heading towards the people who cast the formation!

"Puff puff!"

The bodies of the strong blood alliances that shot were directly broken open!

He died under his own sword!

The blood is gradually staining the earth!

Who would have thought it would end this way!

Didn't Ye Chen just step into the True Origin Realm?

But why the bursting power at this moment is above the Immortal Ascension Realm!

The key is not only in the spiritual world!

Damn it!

Chapter 605: prey

Ye Chen just watched these people frantically searching in the Ye family old house.

But even if I rummaged through the entire Ye Family's old house, there was nothing to gain.

However, Ye Chen noticed a piece of jade pendant in Elder Zheng's hand.

On the jade pendant, there is an ancient writing.

Ye Chen has seen this text!

is exactly the word "Yeji"!

from Kunlun Xu!

In Jiangdaoshan, he had seen exactly the same existence.

But why does the blood alliance have the Kunlun Xuye Family's jade medal.

After a short while, this group of people searched over.

Elder Zheng's face was a little sullen, he glanced at a portrait hanging on the wall, held it with his five fingers, and tore it directly.

"There was also a major event on Kunlun Mountain. I heard that a Ye Jitian was born, and he was crushing the blood alliance in front of everyone! Blood Fenghua might also be killed by Ye Jitian! I was puzzled. The surname Ye and the blood alliance have hatred?"

"Since the accident in the Ghost Prison, the blood alliance has not had a peaceful day! No matter what, Ye Chen must not stay here! Fang Xingyun!"

A young man in casual clothes stood up directly: "Master, what's your order!"

Elder Zheng glanced at Fang Xingyun, patted the other person on the shoulder, and said: "Xingyun, you are the most proud disciple of the teacher. The teacher has always cultivated you as a son. Now your strength is at the peak of the Immortal Ascension realm, and the distance is extraordinary. The realm is just a step away, and you are not afraid to face the strong in the transcendent realm."

"Because of Ye Xitian's affairs, I must go to Kunlun Mountain as a teacher to see the specific situation. No matter what, if something happens to the blood alliance, I will take action."

"From the rumors, this Ye Jitian is even more dangerous than that Ye Chen! It's not even on the same level."

"So, in the next few days, you stay in Jiangnan Province to investigate the relationship between the Ye family and Kunlun Xu!"

"Jiangcheng, Jiangnan Province, and even Beijing, any person and place related to Ye Chen must be investigated!"

"Once you find Ye Chen, use the secret method to notify me, if the situation is urgent, take Ye Chen directly!"

After finishing speaking, Elder Zheng forced a drop of blood on the palm of his hand.

The blood was shot directly into Fang Xingyun's eyebrows.

"Nebula, this drop of blood has the power to be a teacher. Although this time may be useless, you still accept it just in case."

Fang Xingyun's eyes were firm, and he knelt directly in front of Elder Zheng: "Master, don't worry, Ye Chen's little mess, if he dares to show up, I will let him bear the monstrous anger of the blood alliance! Just investigate the blood and Ye Just kill the sky."

"Well, you are always at ease for your teacher when you work. Three days later, no matter what happens to Kunlun Mountain, I will come to you."

The words fell, and the figure of Elder Zheng completely disappeared in the old house of the Ye family.

only took away a strong blood alliance.

As for the remaining blood confederates, they all guarded Fang Xingyun's left and right, in case of emergency.

Soon, the Ye Family's old house recovered its silence and mess.

Ye Chen opened his eyes, and a cold smile was outlined at the corner of his mouth.

"Elder Zheng, I don't know if Fang Xingyun's death will cause you a huge blow."

"You can't imagine that Ye Jitian and Ye Chen will be the same person!"

Ye Chen stood up, tidied up the old house briefly, and planned to visit Xia's house.

But when he was just about to leave the Ye family old house, the black stone in his pocket flew out!

There are fluctuations in the reincarnation cemetery!

"this is....."

Ye Chen's eyes condensed, and he quickly followed the black stone!

Not long after, the black stone stayed on the garage of the old house.

An old Audi 6 parked there, almost scrapped.

"What do you mean? Want me to drive this car?"

Ye Chen frowned and said.

Black Stone seemed to understand Ye Chen's words, made a push, and even flew around the chassis of the car.

Ye Chen understood something instantly, his true energy was concentrated in the palm of his hand, he clasped the car with one hand and lifted it directly!

even put the car in the yard!

At the same time, he unexpectedly discovered that there was a formation on the ground under the car!

This formation is extremely concealed. If it weren't blocked by the Audi, Elder Zheng would have discovered it.

Ye Chen pressed his fingers, and a golden text hovered in the palm of his hand!

Then, take a photo directly!

The way of magic talisman taught by Cang Haiping is enough to break this formation.

"Boom!"

The formation is broken directly!

At the same time, the garage floor cracked directly!

A pit about one meter deep appeared directly.

In the deep pit, there is a brocade box.

On the brocade box there seems to be the ancient script of the Kunlun Xuye Family!

Ye Chen could vaguely guess that this was left by his grandfather. He no longer hesitated. With his five fingers, he grabbed the brocade box directly in the palm of his hand.

"Crack!"

The brocade box opened, and to Ye Chen's surprise, there was a jade pendant of special shape lying quietly inside.

Although this jade pendant is related to the Kunlun Xuye Family, it is far from the jade pendant held by Elder Zheng.

There is no aura on the surface, but once infuse the true qi, you can find the vast aura gushing out of the jade pendant!

is definitely not a mortal thing!

There is a dragon carved on the jade pendant.

The dragon is fierce, coiling around one side, as if guarding something.

Before Ye Chen could thoroughly study the object, there was a shock from the Samsara graveyard.

Immediately afterwards, the jade pendant disappeared and was directly absorbed by the reincarnation cemetery!

Ye Chen glanced at the reincarnation cemetery, and suddenly discovered that this jade pendant was floating above the reincarnation cemetery!

all the endless auras inside are released!

In an instant, the reincarnation cemetery seemed to recover, and the remaining tombstones shook together! 新ヤ~⑧~1~中文网ωωω.χ~8.~1zщ.còm

Even Duan Leiren, who was in the cemetery of Samsara, looked up at the sky, his eyes were deeply shocked!

"Disciple, where did you get this jade?"

Ye Chen quickly explained what happened today, and soon Duan Leiren fell into silence.

I don't know how long it took before he opened his mouth and said: "Truly, judging from the energy in this jade, the identity of the person who held this jade at the time is not low, and even the head of the family!"

"The words and patterns on this jade are even more noble. If I guess correctly, controlling this jade pendant is equivalent to controlling the family!"

Hearing Duan Leiren's words like this, Ye Chen was deeply shocked.

A piece of jade pendant controls a family? This **** is better than the ancient jade seal!

"Of course, this is also a guess for the teacher. Anyway, as long as you know the value of this jade is extraordinary, you must carefully keep it, and you must not fall into the hands of others, otherwise there will be endless troubles!"

Ye Chen nodded, and launched the reincarnation cemetery.

The value of this jade pendant doesn't have much to do with him now. The key to dealing with the blood alliance is now. New Bayi Chinese website first released <https://https://>

His eyes released a strong killing intent, took out his pocket mobile phone, and dialed a call: "Lei Shuwei, help me find someone. This person should be in Jiangnan Province now. His characteristic is... "

After the call was hung up, a text message was displayed after two full minutes.

There is this address on it.

is a remote recreational villa in Jiangnan Province.

"Elder Zheng, you have been searching for me so hard, today, I will let you feel my other identity hunter! I want you to see who is the real prey!"

Chapter 606: I look down on these swords

Seeing this puppet symbol, how could Sect Master Sun calm down.

Puppet talisman is an extremely rare existence of magic talisman.

Even Kunlun Xu has disappeared for many years.

The last time it appeared was at an auction in Kunlun Xu.

The bid price is even higher!

Finally obtained by the Sect Master of Wan Jianzong!

Shen Shixi by his side should know best!

Sect Master Sun looked at Shen Shixi: "My lord, is this a puppet?"

Shen Shixi's eyes were extremely complicated, and even a little greedy. He nodded heavily: "It is indeed the same as the Sect Master's puppet, and this kid's puppet seems to be stronger."

"You may not be his opponent, let me do it."

Sect Master Sun was startled, hesitated for a few seconds, but he said: "My lord, this kind of little person is not worth your shot. Although this child has a puppet, it is not easy to kill me. In that case, I personally took it. Give this puppet talisman to an adult!"

Sect Master Sun had no choice.

Today, the strong men of the Fallen Sword Sect have fallen or been injured one after another, if he can't take Ye Chen! That really made Shen Shixi see a joke!

From now on, how would Wan Jianzong view the Falling Jianzong?

In this battle, he must bet on his own future and the fate of Fallen Sword Sect!

Before Shen Shixi could reply, Sect Master Sun rushed out!

This time, he burned his cultivation as a price! Suddenly strengthened!

The breath is constantly rising!

Seeing Chairman Sun Zong roll over, Ye Chen was full of disdain.

"kill!"

The voice fell, no more nonsense, with a cold snort, Ye Chen held the talisman and shouted in a deep voice.

"Jie Jie!"

Under Ye Chen's urging, Sombra let out a sharp laugh, and his figure flew out.

For a time, the sky and the earth were dark, the sun and the moon were dark, the wind and wind roared, and the cold air was pressing.

Brush up!

A line of phantoms criss-crossed.

Every time the phantom flashed, Sect Master Sun was extremely embarrassed.

The strong at the beginning of Half-Step Transcendent Realm? so what?

This is the Fu Wen refined by Duan Leiren himself!

This is completely different from the power of Lei Dong Jiu Tian!

What's more, Sect Master Sun broke Ye Chen's Lightning Slash before, and he wanted to pay some price.

Under such circumstances, facing the siege of the phantom, the situation can be imagined.

Suddenly, the scene changed, and Sect Master Sun roared again and again.

No one thought it would be such a result.

Ye Chen, who was still on the verge of death just now, came back again? Sect Master Sun, who is optimistic by everyone, has fallen into desperation?

Looking at Ye Chen, those onlookers who were hundreds of miles away gave a look of horror and a look of horror.

Those strong men who longed for Ye Chen's death were sweating coldly at this moment!

It is hard to imagine, if they dealt with Ye Chen just now, what would be the result if Ye Chen released such a method?

I'm afraid they will die with one move!

Everyone in Huaxia thought that Ye Chen and Bai Lixiong were dead and that the Ye family was no longer.

But no one would have thought that at this moment, Ye Chen returned strongly.

Even the sect in Kunlun Xuzhong couldn't stop it!

"what!"

In this deathly silence, a heart-piercing scream suddenly came.

Facing the siege, Sect Master Sun, who was in a hurry, was hit hard again!

With a sharp tearing sound, Sect Master Sun's soul was severely torn apart by the puppet talisman. With blood spitting out and his face pale, Sect Master Sun looked like a lunatic.

"My lord, save me!"

At this moment, Sect Master Sun no longer cared about face, and asked for help from Shen Shixi!

Right now, only Shen Shixi can save him!

"No one can save you! The sword is coming!"

Ye Chen's eyes condensed, holding the Soul Suppression Sword in his hand, and heading directly towards the injured Sect Master Sun!

"Ye Chen, don't want to be presumptuous!"

However, just when everyone thought that Sect Master Sun was bound to die, just when Sect Master Sun saw that he was about to die under Ye Chen's sword, a burst of anger came.

boom!

On the distant street, a wave of air exploded, and a figure came frantically.

The sword light in his hand soars to the sky, that momentum is simply unparalleled!

Shen Shixi made a move!

"Oh my god, what kind of cultivation is this person?"

"This person's aura is stronger than the aura displayed by Sect Master Sun before!"

Because the movement was too loud, there were more and more martial arts experts around the Ye family.

Since Ye Chen's accident, many families have been paying attention to Ye Family secretly.

Now I heard movement and appeared one after another.

It's just that they only dared to watch from a distance, not one step closer!

Attracted by the roar, the people who were holding their breaths exclaimed as they looked at the figure that came out of the sky.

Ye Chen, who had also noticed this scene, only felt that his aura was completely locked, as if he was about to fall into a deadly place next moment.

Supernatural power?

This is actually a real transcendent powerhouse!

"Humph! I don't care who you are, no one can save Sect Master Sun today!"

While horrified, Ye Chen made a choice between Lightning and Flint.

A light flashed in his eyes, Ye Chen's murderous intent was undoubtedly revealed!

No matter who this powerful person is, Ye Chen will never let this person succeed!

If you don't kill Sect Master Sun today, it won't be that simple if you want to kill Sect Master Sun again in the future.

I don't know how long to wait at that time!

Mother and Ruoxue must be dangerous!

No matter what, kill Sect Master Sun first!

Make up his mind, Ye Chen's eyes no longer waver, the bright light in his eyes is crazy!

"My lord! Save me!"

Facing the crazy Ye Chen at this moment, Sect Master Sun panicked completely!

"kill!"

With a long roar, Ye Chen's sword light slammed.

Huh!

In the horrified eyes of Sect Master Sun, the long sword pierced Sect Master Sun's chest without a doubt!

And at the moment of piercing, Shen Shixi arrived!

It's a bit late!

Five fingers clasped Sect Master Sun's shoulder and threw it out!

Time freeze frame, space freeze frame!

The world is quiet.

Sect Master Sun couldn't believe it.

Ye Chen, this true elementary realm boy, not only did Sword Sword Sect fail to crush him to death, but his life was passing, his body was cold, and the world became hollow and dark. Sun Zong advocated his mouth, trying hard to say something. But after all, I can't say it!

Not reconciled!

I tried my best, and finally I was about to step into the transcendent realm. How could I go to **** without prestige?

Ye Chen is this goddamn!

If I knew this, Sect Master Sun would never fight Ye Chen after he died! Not even going to trouble Ye Chen!

Who would have thought Ye Chen would have endless methods?

boom!

I couldn't make a sound anymore, struggling with all his strength, shaking his fingers and pointing at Ye Chen, Sect Master Sun spit out blood, and his body crashed backwards!

At this moment, Shen Shixi's eyes were cold!

Falling Sword Sect is a sect under Ten Thousand Sword Sect anyway!

For thousands of years, he has been protected by Wan Jianzong!

Who would have thought that the Sect Master was beheaded like this!

He glanced at Sect Master Sun, no longer hesitating, took out a pill from his waist and stuffed it directly into Sect Master Sun's mouth.

Fortunately, I just pulled Sect Master Sun a bit, avoiding the most important part of the heart, otherwise he will be completely dead.

Chapter 607: give up?

A corpse, sloppy.

The sense of desolation swept away.

As the cold wind passed, Fang Xingyun of the blood alliance came to his senses.

When he was in the blood alliance, he heard countless rumors about Ye Chen.

What kind of enchanting talent, the posture of the sky, the first person in China.

He sneered at these titles.

Because Huaxia's aura is so thin that it is impossible to give birth to any genius!

In this world, everything except Kunlun Xu is ants and waste!

No matter how strong Ye Chen was, he just got some chances.

But at this moment, he found himself wrong.

The power that Ye Chen exploded right now was not weak in Kunlun.

At least I underestimated him.

His eyes fell on Ye Chen, and finally he said: "Ye Chen, it seems that everyone in the blood alliance has been deceived by you. Your realm and strength really made me almost unable to react."

Ye Chen's eyes were indifferent, and he pinched out the smoke in his mouth: "Fang Xingyun, if you kneel down now, I might give you a whole body."

"Your blood alliance took away my father. I once told the people of the world that Ye Chen and the blood alliance don't share the enmity of the heavens. When we see him once, we will kill one person."

Fang Xingyun's anger burned when he heard such slander.

Although Ye Chen's strength surprised him, it was impossible to deal with him!

He is at the pinnacle of the Transcendent Realm!

How can you be afraid of the waste of a magical world.

No matter how strong Ye Chen is, in his eyes, he can't change the identity of the ant!

"Little beast, today, I will show you what is the real heaven!"

When the words fell, Fang Xingyun moved, and the whole body was full of anger!

All the surrounding furniture shattered!

The powerful breath seems to control everything!

Suddenly, he shook his five fingers, and a chopstick on the table was directly suspended, even being firmly grasped by him!

In the next second, the chopsticks shot out suddenly!

Go straight to Ye Chen's heart!

Once shot, the consequences would be disastrous.

The chopsticks were glowing red, like a sharp arrow in the dark!

Seeing that the chopsticks were about to come in front of Ye Chen, Ye Chen moved.

The squeezed cigarette **** shot directly.

"Ziss!"

Cigarette butts rubbed the air, violent sparks flickered!

Falling into the sky like a meteorite!

Fang Xingyun saw the scene before him and shook his head helplessly.

He knows the internal structure of Huaxia cigarettes.

It's actually cotton.

Can this thing stop?

Extremely ridiculous!

Overwhelming waste!

But soon, his smile suddenly stiffened!

Cigarette butts and chopsticks touch in the air!

The sky is red!

The powerful energy is even more deadly!

"Boom!" With a loud noise, the four walls of the entire house collapsed!

The violent air wave even caused Fang Xingyun and Ye Chen to step back a few steps!

Under one blow, it was even comparable.

"how is this possible!"

No one understands the shock in Fang Xingyun's heart!

He is the pinnacle of Transcendent Realm! And this Ye Chen is at most in the Ascension Realm!

Then why is the current situation happening now!

Can anyone explain to him?

Before he could react, Ye Chen Canglong's phantom body surged!

He came to Fang Xingyun in an instant, opened his five fingers, pressed down fiercely, and buckled Fang Xingyun's neck like an eagle claw!

There is a flash of red light between the five fingers!

Fang Xingyun suddenly awoke from the shock, his true energy gathered, and he shot out with one palm!

A blood gate suddenly formed!

The empty palm passed through the blood gate and suddenly blasted on Ye Chen's eagle claws!

"Boom!"

Ye Chen only felt a mountain of coercion rolling in!

"Ding Ding Ding!"

His body then retreated suddenly, and his arm was even more numb.

The power of this Fang Nebula is so terrifying!

Even Zhuang Bufan who far surpasses Yibaoge!

Fang Xingyun smiled coldly when he saw Ye Chen's embarrassed look: "Little beast, do you know my true identity?"

"I might as well tell you that I am Elder Zheng's most proud disciple. I started practicing at the age of three and entered the realm of true origin at the age of ten! At the age of fifteen, I became a core member of the blood alliance hunting team! At twenty-three, The pinnacle of Transcendent Realm!"

"What can you compare with me!"

After the words fell, Fang Xingyun stepped forward, offering a cyan long sword in his hand!

Green light lingers, sword intent bursts out!

Tore directly towards Ye Chen!

The phantom of the sword intent is directly transformed into countless ways, densely packed, like a sea of swords covering Ye Chen!

The whole world seems to be covered!

Dark clouds crush the city!

Fang Xingyun looked at Ye Chen condescendingly, in his eyes, everything was over.

The problem that the blood alliance finds difficult is nothing more than that.

He is enough.

Seeing Jianhai completely enveloped Ye Chen, Ye Chen closed his eyes at this moment.

"give up?"

Fang Xingyun's disdain was particularly obvious.

But that's right, in the face of a powerhouse of his level, giving up is the best result!

Otherwise it will only make yourself more painful!

"Little beast, after you die, I will let the old beast from the blood alliance dungeon go down with you!"

"The master also thinks that you are in contact with the Kunlun Xuye Family, and now it seems that Kunlun Xuye Family has no waste like yours!"

Just when he was sure that Ye Chen would turn into a **** mist, the young man surrounded by the blue light sword sea suddenly opened his eyes!

What kind of eyes are that!

Kill! bloody!

Like the look in the eyes of Jiuyou Devil!

There are like trapped beasts in a cage!

This look alone made Fang Xingyun start a few steps back!

Even shortness of breath!

"This kind of sword intent, you still want to deal with me? I will show you what the real sword intent is! The second sword of Potian Sword Intent, falling stars!"

Ye Chen roared, his whole body blooming!

The blood dragon roars inside!

The Soul Suppression Sword flew out directly!

It landed firmly on Ye Chen's hand!

Ye Chen held the Soul Suppression Sword in his hand, and the sea of blue light swords was directly torn apart ruthlessly!

At the same time, the violent sword intent seemed to be divided into two!

Two is divided into four!

Drop like falling stars!

The same is Jian Hai, but at this moment, Fang Xingyun's Jian Hai is weak!

Fang Xingyun looked at the murderous intent, his face changed drastically, and his body quickly retreated!

Stormy seas are set off in his heart!

I can't understand how a little beast is qualified to gather such a powerful force!

Even at the peak of the Transcendent Realm, at this moment, there is only fear and panic in his heart!

The sword in his hand wants to split this sword sea! But found that it is simply a luxury!

Even if this moment splits the sword sea will form again in the next second!

What the **** is this swordsmanship! Why has he never seen it in Kunlun Xu!

When Jian Hai fell, Fang Xingyun's fingers choked off, condensing a barrier to block it!

But the barrier shattered on the spot, and Fang Xingyun was hit hard! A mouthful of blood came out of his mouth, and his body flew out like a kite with a broken line!

Smashed down a plum blossom forest behind the manor!

A piece of plum tree broke directly!

However, he stabilized his figure, his eyes fixed on Ye Chen who was approaching him in the distance.

Chapter 608: There is no word!

Ye Chen looked at him and said coldly: "I'm not as enchanting as you. I have been practicing since I was sixteen, and I haven't entered the pneumatic realm in five years, but in half a year, I crossed four from the pneumatic realm. Great realm, go straight to the immortal realm!"

"Also, my Ascension Realm is enough to crush your Transcendent Realm!"

At this moment, Fang Xingyun was dazed.

The brain is blank!

It's not an evildoer for Ye Chen to step into the Ascension Realm at such an age!

But within half a year, from the Pneumatic State to the Immortal Ascension State, this is shocking enough!

Looking at Kunlun Xu, no one can do it!

He immediately felt that Ye Chen was joking, but the certainty of the other's eyes made him panic!

Is this all true!

If this is the case, then Ye Chen, I am afraid that even Kunlun Xu's Ji Siqing must look up!

"impossible!"

Fang Xingyun shook his head fiercely, ignoring the blood at the corner of his mouth, and forced a drop of blood from his fingertips, directly on the blood gate tattoo on his neck!

In an instant, the blood gate tattoo flashed a dazzling red light!

His aura has risen suddenly!

Above the sky, dark clouds rose, and the whole world dimmed at this moment!

As if the end!

At the same time, Fang Xingyun took seven full steps!

Every step, the plum blossom forest shakes a bit!

When it came to the seventh part, the ground suddenly cracked!

With the help of strength, the body leaps ten meters high!

Hold the green sword with both hands!

Falling crazy!

"Blood Gate Zhanyue!"

This sword was taught by Elder Zheng!

The level is extremely high!

Not to mention the Transcendent Realm, even some cultivators in the early stage of entering the Holy Realm may not be able to bear it!

This sword drags out a long sword shadow! A full tens of meters!

Suppress strongly!

This power shakes the world!

The dark clouds above the manor are even more thunder and lightning!

Many visions!

Visible power!

Fang Xingyun smiled grimly!

"Ye Chen, you forced me! This sword, if it can't crush you, I will never touch the sword again in my life!"

This is his confidence!

The power of essence and blood in his body, with such a heaven-defying blood alliance sword skill, who is qualified to stop it!

Ye Chen looked at the violent murderous intent that fell from the sky with serious eyes!

He didn't run away, let alone flinching, but took one step into the air!

The life talisman is sacrificed directly!

The whole body is full of thunder arcs!

Not only that, the dragon roar broke out in the body!

A blood dragon got directly out of the body!

Baizhang blood dragon, soaring to the sky!

Killing intent!

"Ten thousand swords! Cut!"

The Soul Sword tore the air, with a dazzling light and the blood dragon lingering!

Directly, Fang Xingyun's blood door Zhanyue!

"Boom!"

Two invisible waves of air suddenly formed, and the entire plum blossom forest was blowing!

Countless plum blossoms are falling apart!

Not only that, thousands of plum trees are uprooted!

Some even got involved in the center of the storm and turned into dust!

Everything on the ground is flattened!

Fang Xingyun was blown out again!

Smashed to the ground!

This time, he was extremely embarrassed, and a deep pit was directly formed!

And Ye Chen is not much better!

Blood spilled from the corner of his mouth, and his body was thrown on the ground, and his whole body was a little numb.

He forcibly supported his body and stood firm!

In his eyes, everything in the blood alliance is rubbish!

How to compare with Chen Tianli's sword skills!

One is the sky, the other is the earth!

He staggered, walking towards the pit step by step!

Soon he came to the injured Fang Xingyun.

"You just said that if you can't crush me today and don't use a sword again in this life, then I will make you perfect!"

In the next second, a plum blossom dart appeared in Ye Chen's hand.

Don't keep it, roll the surging weather waves and shoot directly!

Driving far away, like a black light piercing the sky.

Fang Xingyun in the deep pit just stood up, took a pill, and just prepared to hold the sword to shoot, black light flashed!

In the next second, his clenched hand unexpectedly lost his intuition!

Later, he found that his shoulders were hot!

His eyes widened, and the moment his eyes touched his shoulder, he found his hand was broken!

It was cut off by Ye Chen!

"Do not!"

His heart-piercing roar!

Who could have imagined that, at this moment, he, who was aloft, was pulled down from the altar by a Chinese kid!

Cut off his sword hand, how did he use the sword in his life!

He is crazy! He is hideous!

He couldn't wait to turn into a fierce beast, biting Ye Chen's flesh fiercely, sucking Ye Chen's blood!

"Ye Chen, you little beast, I want you to die! I want you to die!"

Fang Xingyun roared, the blood from the center of his eyebrows gushing out!

There is a strength of Elder Zheng between this essence and blood!

Enough to crush Ye Chen!

He pinched his fingers, and just wanted to sacrifice his blood!

A figure has appeared in front of him!

The cold fingers passed through and held the blood!

It is Ye Chen!

Ye Chen used Dao Xunjue to detect this when he was in the Ye family's old house.

How could he give Fang Xingyun the power to sacrifice his blood!

Holding the essence and blood in your hand is equivalent to controlling everything!

Fang Xingyun couldn't think of it, Ye Chen would stop it at the moment he drew his blood!

Crucially, how did Ye Chen detect this?

"Ye Chen, return my blood!"

A loud roar resounded!

Fang Xingyun with a broken arm can only be smashed out with his left hand!

But before he took the shot, a blood dragon swooped down!

The billowing flames and murderous air wrapped around Fang Xingyun!

Fang Xingyun is like falling into an ice cave, how can he do it when he is seriously injured!

Not only that, above the sky, lightning fell, like a thunder dragon, staring at him.

He had no idea that people from the blood alliance would be wiped out at this moment!

Just because of a young man, Ye Chen!

He finally understood the countless stories about Ye Chen in the blood alliance!

That is not a lie, but a real fact!

At this moment, he was scared!

He is afraid of death!

He is still human after all!

He had just cultivated to the pinnacle of the Transcendent Realm. If he was beheaded, all his previous efforts would be wasted.

"Ye Chen, you can't move me, I am Elder Zheng..."

"Snapped!"

Before he could finish speaking, the Soul Suppression Sword slapped him on the cheek.

Very cold.

His cheeks became even more red.

Ye Chen held the Soul Suppression Sword in his hand and said interestingly: "Anyone with a blood alliance will die. This is my promise."

"I don't want to be a person who doesn't believe in words."

Chapter 609: Boom in the air!

While speaking, Ye Chen slowly placed the sword on Fang Xingyun's neck.

A cold murderous package.

"May as well tell you another secret, I have another name besides Ye Chen."

"Ye Xitian."

After the words fell, the Soul Suppression Sword slid gently.

The head fell directly.

The eyes of the skull are hideous and unexpected.

Fang Xingyun never thought that Ye Jitian that Master went to Kunlun Mountain to find was Ye Chen!

Ye Jitian can suppress even Zhuang Bufan, how can he resist!

Since the blood alliance came to China, this was a mistake!

Great mistake!

The blood gradually stained, and the headless body fell to the ground.

The blood dragon returned to Ye Chen's body.

Everything is calm.

However, this is not over yet.

Ye Chen spread out his hand, holding the drop of Elder Zheng's blood, a smile was drawn at the corner of his mouth.

"Elder Zheng, you said, I hurt you thousands of miles away with my blood, what kind of mood would you feel?"

The words fell, Ye Chen pinched his fingers and took out the spirit stone from the reincarnation cemetery!

Condensed formation!

The light flashes!

Start with the essence and blood, the formation method is the sword, the sword starts the way, hurting people in the air!

This is how Cang Haiping once taught him the way of magic!

Under normal circumstances, it is really tasteless!

After all, in the face of a strong enemy, how could the opponent hand over the blood to you!

But now, this is Ye Chen's opportunity!

Ye Chen's fingers were getting faster and faster, and golden runes flashed out.

Wrap that drop of blood directly!

In an instant, golden light penetrated, extremely dazzling.

...

At the same time, Kunlun Mountain International Airport!

Elder Zheng and a disciple of the blood alliance just got off the plane and directly rented a car and headed towards Yibao Pavilion.

Although the Yibaoge was destroyed, there was still a trace.

On the Mercedes-Benz, Elder Zheng closed his eyes tightly, feeling everything around him.

Suddenly, he seemed to notice something, his eyes opened!

It's terrifying!

His most proud disciple Fang Xingyun actually died!

Completely dead!

Even the soul is annihilated!

how is this possible!

Why doesn't Fang Xingyun use his blood! why!

He hit the car door with a punch!

The door was blasted open!

The disciple of the blood alliance driving in front was obviously shocked, his face was pale, and he stopped the car quickly.

"Elder Zheng, what's the matter?"

Elder Zheng's eyes condensed, and the blue veins on his neck violently roared: "Hurry back to the airport, Fang Xingyun has an accident!"

"Yes!"

The disciple of the blood alliance quickly started the car and turned around directly!

Before taking a few steps, Elder Zheng said: "Stop!"

Regarding Elder Zheng's capriciousness, the blood alliance disciple was puzzled, but he did.

Before the car stopped completely, Elder Zheng rushed out!

Sit cross-legged!

He has no choice!

In just an instant, his whole body actually evoked bursts of golden light!

Jin Guang has a strong feeling of burning, as if to burn his soul!

This degree is particularly strong!

He knew very well that someone was using magic techniques to burn his blood!

Take him back!

This technique appeared in some ancient books. He thought it didn't exist at all, but now it seems that someone has mastered it!

"Who is it!"

Elder Zheng's voice almost resounded throughout Kunlun Mountain!

He didn't care about everything and took out a piece of blood gate jade pendant!

The jade pendant was shining with bursts of light, and the blood gate phantom appeared directly.

Shrouded in the body of the elders!

At the same time, he forced a drop of blood to shoot on the blood gate!

"Fighting through the air, I want to see what strength you have!"

The words fell, the ancient Sanskrit on the blood gate seemed to rush out!

In an instant, the whole body of Elder Zheng was wrapped! Against the golden light crazy!

The golden light and Sanskrit continue to collide, and the billowing air bursts apart!

The disciple of the blood alliance resisted, spit out a mouthful of blood, and hurriedly evacuated to the rear.

The Mercedes Benz car was too late to evacuate, and it burned on the spot, shocking!

At the same time, Ye Chen on the other side was already soaked with sweat!

He thought that the formation could break through the blood, but he didn't expect that Elder Zheng, the old fox, would still keep a hand!

Seeing a few runes appeared out of thin air, Ye Chen roared: "Get away!"

In the next second, the blood dragon flashes red! Coiled around Ye Chen!

Looking at the Sanskrit that swept over, the blood dragon swallowed it directly!

But it's useless at all. The Sanskrit characters become more and more dense, covering everything!

Not only that, but those Sanskrit scripts have formed a blood gate!

Standing in front of Ye Chen!

The blood alliance suddenly opened, and the picture inside was Elder Zheng of Kunlun Mountain!

His eyes opened suddenly!

Facing each other!

Elder Zheng's expression was extremely hideous, and his eyes burned with anger: "Ye Chen, it's you!"

He not only saw Ye Chen, but also the head of the disciple on the ground!

Fang Xingyun's head was cut off by Ye Chen!

The disciple he had always regarded as his son was cut off!

Who can bear the pain of addiction!

"Little beast, you killed so many people in my blood alliance, today I will punish you even if I fall into my cultivation base!"

No longer hesitating, Elder Zheng took out a rune from his waist!

The rune came out, and he suddenly spit out a mouthful of blood!

The blood-stained runes burned at the same time!

Gradually, it turned into a long sword full of flames!

Penetrate the blood gate and head towards Ye Chen!

"Ye Chen, do you think you can use your blood and essence to hurt me severely? Even if I am injured today, I will drag you to hell!"

The roar of Elder Zheng sounded!

Ye Chen should also be honored to die on this rune!

At this moment, Ye Chen's expression changed slightly when he looked at the flame that rushed in!

He wanted to let go and block, but found that once blocked, he would be eaten away by blood!

Damn it!

Even using blood dragons and natal runes is impossible!

At this moment, the sense of crisis is in my heart!

At this moment, the sound of shaking in the reincarnation cemetery sounded!

In the next second, two cold rays of light penetrated!

Directly hit the flame sword!

"Chiff!" With a sound, the two abilities collided suddenly!

Suddenly disappeared between the flames!

At the same time, those two cold rays were completely revealed!

What surprised Ye Chen was that it turned out to be the Dragon Slashing Sword!

This is the second time Zhanlongjian rushed out to rescue him!

Last time I rescued him, he suffered tremendous strength and broke directly!

This time, even if it broke, the sword spirit in the Dragon Slashing Sword was still willing to stop everything for him.

Looking at the two broken swords that were almost black in front of him, Ye Chen clenched his fists.

The Soul Suppression Sword is also good The Poyang Sword, although it is of higher rank than the Dragon Slashing Sword, it is the only one who has been bleed and desperately fought.

Man has a soul, sword has a spirit.

But the Dragon Slashing Sword recognized Ye Chen.

"Don't worry, I will definitely restore you to the original state, and even make you the number one sword in the world."

Ye Chen said lightly.

After speaking, he suddenly raised his head, his gaze penetrated the blood gate, and fell on Elder Zheng!

"Your life is not as expensive as my sword. The Dragon Slashing Sword is destroyed by your blood alliance, so today, I will destroy your body! At all costs!"

Chapter 610: I swear not to kill you!

In an instant, Ye Chen pinched his fingers, and lightning flashed out!

Wrapped on the arm!

Very crazy!

Dantian's true energy was all gathered between his hands!

"puff!"

Ye Chen forced a drop of blood! The blood is burning frantically!

In the reincarnation cemetery, two old figures naturally noticed this scene.

"Are we really not taking action? This kid is a lunatic. Although this blow can severely wound that person in the air, he will also pay a huge price."

"If we help, maybe this kid can get out of his body."

Duan Leiren said to the old man beside him, he didn't want Ye Chen to make any mistakes.

The Lord of Immortality narrowed his eyes slightly, and a smile was drawn at the corner of his mouth, obviously because he was somewhat interested in Ye Chen's actions.

After a few seconds, he opened his mouth and said: "Why do you want to take action? Don't you understand the value of the existence of the reincarnation cemetery? We can only take action when it is critical, but it does not mean that this kid depends on us for everything."

"Now this kid is resisting frantically on his own, but I have some interest in him."

"Let him go, no matter what happens in the end, this is an opportunity for the tomb owner."

"What's more, the cultivation base he dealt with the old man is not weak, and it is several great realms higher than this kid. Wouldn't it be a good thing if he hurts the opponent seriously?"

Duan Leiren was startled and shook his head helplessly.

This guy is not only a weirdo, but also a lunatic!

At this moment, the drop of essence and blood that Ye Chen burned became more and more crazy!

Almost all the true energy in Ye Chen's Dantian was concentrated on that essence and blood!

The blood has turned into a fireball full of thunder and lightning!

The violent power is no less than a nuclear bomb!

Elder Zheng at the blood gate naturally felt something was wrong, and his smiley and hideous face suddenly solidified!

"This kid is a lunatic! I really want to play with me and die!"

He knows better than anyone that if that thing penetrates, he will be seriously injured if he does not die!

He panicked!

He is also scared!

No matter how ruthless people are, they are afraid of death!

No longer hesitating, Elder Zheng opened his five fingers, and the countless runes that gathered the blood gate were directly pulled away!

Must be disconnected, otherwise endless troubles!

The blood gate has been broken a bit!

Just as soon as it was about to close, Ye Chen's cold voice fell directly: "Old thing, want to go, it is so easy, today I will give you a big gift! The blood of the soul, blow me up!"

Speaking!

The thunder and fireball that the blood turned into penetrated the cracked blood gate!

True Qi, Essence, Thunder and Lightning, Flame, the power of the four attributes burst out!

The blood gate built in Sanskrit collapsed!

This is just the beginning!

Elder Zheng panicked, he forcibly disconnected, and a great backlash came!

He couldn't help it anymore, and he spit out a mouthful of blood!

But that power still appeared!

It was about to fall on him!

He scratched with five fingers, and the disciple of the blood alliance in the distance felt the suction penetrating!

His body was directly caught by Elder Zheng!

At the same time, hit the thunder and lightning fireball!

"Elder Zheng, don't... why do you treat me this way! I have always respected you! Why!"

That blood alliance disciple is unwilling!

He never expected that he would become a shield in Elder Zheng's hands!

"Dying for me is your greatest honor!"

Elder Zheng said coldly!

"Boom!"

That blood alliance disciple turned into a blood mist!

Although it hinders part of the power of the lightning fireball! But still violent!

Elder Zheng has a hideous face, knowing that he can't hide it! Can only bite the bullet and go up!

Sacrifice a spirit sword in his hand and split it directly!

"Boom!"

Thunder and lightning fell suddenly!

Flame erupts!

The surrounding land was razed to the ground directly! Turn into ruins!

Smoke billows!

In the smoke and dust, Elder Zheng was even more mercilessly lifted out!

All the clothes on his body were destroyed, and blood was flowing between the flesh!

Very embarrassed!

This is his first time since he entered the blood alliance!

"Ye Chen! If I don't kill you, I swear not to be a man!"

The shaking roar echoed above Kunlun Mountain.

Or miserable, or angry.

After being seriously injured, if Elder Zheng wanted to reach the top in a short time, it would be impossible!

...

At the same time, Jiangnan Province, plum blossom forest.

The same ruins.

Sitting cross-legged, Ye Chen spit out a mouthful of blood.

There was a pain all over the body.

In order to seriously hurt Elder Zheng, Ye Chen paid too much.

Even at the expense of yourself!

But it's worth it!

Unheard of before, the Spiritual Ascension Realm seriously injured a strong man above the Holy Realm!

But Ye Chen did it!

Ye Chen exhaled a foul breath, and a powerful feeling of exhaustion came.

The next second, he fell directly into the plum blossom forest.

He is too tired and needs enough time to rest.

There was a deserted person around, and the owner and employees of the manor were also slaughtered by blood allies.

It seemed that Ye Chen was the only one left in the whole world.

When Ye Chen was in a coma, a black stone came out directly and suspended in the air.

Endless spiritual energy surged in, and Ye Chen's injuries were recovering at a speed visible to the naked eye.

Reincarnation cemetery.

Duan Leiren looked at the immortal master who was instigating the magic spell beside him, and sneered: "Didn't you say you don't admit this guy, why do you want to help him?"

The Lord of Immortality smiled: "I don't admit that he and saving him are two different things. I like this kid's style of doing things. Only crazy people can make great things!"

"His madness might be able to rescue a hundred of us! No wrong person was selected in the Samsara Cemetery."

...

The night is dark.

Ye Chen was still in a coma.

The injuries on his body have disappeared, and the surrounding corpses and blood have been covered by the ruins.

...

The night is dark.

Ye Chen was still in a coma.

Most of his injuries have been recovered, and even his cultivation base has risen a lot, and the surrounding corpses and blood have been covered by the ruins.

Not long after, a little girl in plain clothes with a bundle of firewood passed by.

The little girl is thirteen or fourteen and is a minimum living guarantee in a nearby village.

There was only grandpa, a father who was paralyzed in bed, and her.

In order to reduce the burden on the family, she would carry a bundle of firewood back home every day after school.

She often comes here to see plum blossoms.

This is her greatest enjoyment after a day.

But at this moment, she was stunned, there were no plum trees, and no beautiful houses.

"This... what happened here?"

Suddenly, she noticed something and walked over quickly.

When she saw Ye Chen lying like this, she hesitated for a long time, but she reached out her hand and probed the tip of Ye Chen's nose.

"Fortunately, you just live."

"Brother, wake up, can you hear me?"

The little girl pushed.

But Ye Chen, who was in a coma, ignored it.

The little girl wanted to call the police, but found that there was no mobile phone and no one nearby could ask for help. In desperation, she could only find a two-wheeled cart outside the ruined manor and finally helped Ye Chen up. , Towards the village deep.
