Chapter 621: resistance!

Sure enough, a chill flashed in Lei Jianyun's eyes, and he said directly: "In this case, you can know the whereabouts of Ye Chen! Today, I will see what the group of surnamed Ye is!"

His tone is domineering, as if he is in control.

Elder Zheng had some excitement on his face, and continued: "Sir, my flight has been arranged, and Ye Chen is now in Jiangnan Province! Today is his death anniversary!"

"Okay! Let someone take the conversation. If this child kneels outside the airport before I get off the plane, I will consider giving him a way to survive. Otherwise, the blood alliance will suppress and bloodbath Jiangnan!"

With a wave of Lei Jianyun's big hand, the team of hundreds swept deep into the depths with cold murderous intent.

No one thought that Kunlun would have a day when cultivators would trample on the rules of China.

Right now, it is very difficult for China to stop.

...

Beijing, a mysterious base.

An old man looked at the picture in front of him, frowning tightly between his brows.

What he was afraid of still came.

Can't hide it at all.

"Leader, how should we deal with this matter? For so many years, there have never been so many Kunlun virtual powerhouses entering China. Do you need to use the power of the Jagged Camp?"

The old man shook his head: "The Iron Blood Camp can't stop this group of people. If they go, they will only die. Now it is time to use the power of Huaxia's dark place. If you look back, Kunlun Xu can also be regarded as Huaxia's territory. Back then, Kunlun Xu's major forces It even signed a conservation treaty with Huaxia. After so many years, these people have long forgotten that treaty."

"Although the chance is slim, try it too! You let those people bring the documents! Ye Chen, I must protect it today!"

The old man exudes a strong breath.

The attitude is extremely firm.

"Yes, leader!"

...

Twenty minutes later, the man returned in a hurry!

His face was extremely pale!

"Leader, it's not good!" the man hurriedly said.

The old man's eyes condensed, although he guessed something, he still said, "Say, what happened?"

"Those blood alliances directly tore the treaty to pieces, and not only that, none of the strong men sent out came back!"

"These people are already on the plane! The next stop is Jiangnan Province!"

"They also left a word..."

The old man looked serious, and said quickly: "What?"

The man hesitated for a few seconds before saying: "If Mr. Ye kneels directly outside the airport before they get off the plane, they will consider giving him a way to survive. Otherwise, the blood alliance will suppress and bloodbath Jiangnan!"

The old man's face changed drastically at this moment!

Even though the heart is angry, but what can I do!

Who can stop this army of a hundred practitioners!

The realm gap is too big!

"Leader, what should we do? This is a big deal. If it is not handled properly, it will inevitably cause panic!"

The old man clenched his fists, his body exploded with a strong evil intention!

"First, immediately expel all personnel outside the airport where they landed!"

"Second, send someone to set up a formation to minimize the impact!"

"Thirdly, the Guardians of China, the Jagged Battalion, and all technological weapons are all on standby! You must delay time, I will personally invite those strong retreats to take action!"

The old man's words were full of anger, but this was the only solution.

The man nodded. Just about to rush out, he thought of something. He stopped and said in amazement, "Don't tell Mr. Ye?"

The old man hesitated for a few seconds, knowing that Ye Chen would not leave, only to face it.

"Let Bai Lixiong invite Ye Chen on the plane at all costs. If it doesn't work, then tell the matter! You can only face it together!"

"Yes, leader!"

At the same time, Mingcui Villa.

It is late at night.

When Wei Ying and Xia Ruoxue went to Yintai City, Ye Chen practiced in the living room.

Zhanlongwentian Sword is still condensing, and there is no meaning to succeed in casting the sword, but the Lord of Immortality is much weaker.

He could feel the breath of the Immortal Lord had changed.

This sword can be regarded as the hard work of the Lord of Immortality.

Suddenly, Ye Chen, who closed his eyes tightly, noticed countless text messages from his mobile phone.

It was sent by some base stations in Jiangnan Province.

All flights are cancelled.

Ten miles near the Jiangnan International Airport, all were evacuated.

It seems that the Earthquake Administration has detected some conditions.

Ye Chen keenly felt that something was wrong, this time point was too sensitive.

Are those guys here?

Before Ye Chen could think clearly, the door was knocked, and Ye Chen shook his five fingers, and the door opened directly.

Bai Lixiong walked in hastily.

"Mr. Ye, the situation has changed now. Please also ask Mr. Ye to enter Kunlun Xu with me immediately. It will be troublesome if you are late!"

"Mr. Ye, aren't you eager to rescue your father? This is the best opportunity."

Although Bai Lixiong didn't seem to fluctuate much, the anger in his eyes was undoubtedly revealed.

"Bai Lixiong, let's talk about it, what happened? Now it's asking me to get on the plane again, and the airport is blocked again. The group of people should be here."

Bai Lixiong was startled, knowing that he could not hide it, and clenched his fists: "Mr. Ye, Kunlun Xulai! There are a hundred people! The top powerhouse of the Blood Battle Hall! One of them is Kunlun Xu's extremely famous God of War!"

"Mr. Ye, although I want to enter Kunlun Xu, I want to fight for China!"

"I was angry, these Kunlun imaginary guys really thought they were heaven!"

Ye Chen squinted slightly, his whole body glowing with a hint of coldness, and he said, "Did these people mention anything?"

Bai Lixiong paused for a moment and still said: "Mr. Ye, they want you to kneel outside the airport before they get off the plane, otherwise, the Jiangnan will be bloody!"

As soon as these words came out, Ye Chen's murderous intent was released.

This matter started with him, it should be ended by him.

This group of blood alliances spread to others, and it really passed.

Since these people want to see him so much, today, he has fulfilled their dreams!

No longer thinking about it, Ye Chen stepped forward and walked directly outside.

"Mr. Ye, are you going to get on the plane?" Baili Xiong said.

Ye Chen sneered, cold light bloomed: "Send me to the airport."

...

Jiangnan International Airport.

It is almost the largest airport in this area.

There are many international flights, covering a large area.

At this moment, there is no one!

Extremely quiet!

Ye Chen and Bai Lixiong got out of the car. He glanced around and found that several cultivators were building formations trying to stay out of the way.

"Mr. Ye!"

Suddenly, Bao Peimin and a group of guardians of China walked over and said respectfully.

That day, Ye Chen killed Fang Zhenye and Sun Miao in Jiangdaoshan, which was enough to become their nightmare.

Ye Chen is now the veritable No. 1 person in China, who dares to be disrespectful?

Ye Chen glanced at Bao Peiming and the many powerful people who came to this side.

Some even belong to the martial arts family in Jiangnan Province.

At this moment, facing the Kunlun imaginary strong, Huaxia people have unprecedented cohesion.

Chapter 622: 1 person is enough!

Ye Chen looked at Bao Peimin and curiously said, "Are you setting up an array?"

Bao Peimin nodded: "Mr. Ye, no matter what, the meeting will be a big battle. If there is no formation, the impact will be too great."

"Unfortunately, our formation skills are not strong. In such a vast area, it is simply too difficult to establish formations. We can only simply set up formations on the side close to the residential area."

Ye Chen glanced at the formation. It was indeed simple, and he said: "Retreat. I am here today and it won't affect any place in Jiangnan Province."

Without waiting for Bao Peimin and others to react, Ye Chen bends his knees and burst out suddenly, his body vacated!

Step on the wall, soar up!

In an instant, he came to a building.

Ye Chen stood on the top of the building, with his hands behind him, closed his eyes, and a powerful aura spread out.

Seeing this scene, the guardian of China, Bai Lixiong, and many of China's strong, face terrifying!

Ye Chen at this moment is like a **** in their eyes!

How can China accommodate such a powerful person!

Suddenly, Ye Chen opened his eyes, like the brightest stars in the night!

He stretched out his hand and pointed directly at the sky: "Thunder!"

Above the sky, dark clouds are rolling, thunderclouds are surging!

Thunder and lightning fell crazily!

The moment it fell on Ye Chen, Ye Chen quickly pinched his hands, and the momentum of the formation gradually condensed.

Strong wind is coming from Jiangnan International Airport! The magnetic field changes! Great earthquake!

Such a vision makes the people below amazed!

Bao Peimin even exclaimed: "Mr. Ye is in the formation! And this formation is extremely terrible. I have been to Kunlun Xu and I have seen the formation master inside the formation, and there is no such a vision!"

"Mr. Ye really deserves to be the first person in China!"

"It's a pity that Mr. Ye can't compete with the Hundred Man Legion! If the Sword Master of Ten Thousand Dao behind him is willing to make a move, there may be a chance!"

Ye Chen didn't care about the following remarks, his fingers were getting faster and faster! There are even lines of Sanskrit flashing out!

A red barrier seems to have formed around Jiangnan International Airport!

The barrier is up!

A trace of coldness flashed in Ye Chen's eyes, and his life spirit talisman came out!

The meaning of thunder and lightning is getting stronger and stronger!

At the same time, he pointed out, the blood was forced out, and it fell on the crimson barrier!

The red light is dazzling, covering everything!

Even vaguely, the people below seemed to find two long dragons swimming on the barrier!

"Ten Thousand Ways Guardian! Get up!"

Ye Chen yelled, and the two long dragons plunged directly into the ground from the barrier.

The barrier suddenly materialized and then disappeared!

Ye Chen stepped out even more, fell directly from the height, and steadily reached the ground.

Bao Peimin and the guardians of China haven't recovered from the shock!

How long has Ye Chen left Jiangdaoshan, his strength has reached this level?

This is too incredible!

Bai Lixiong slapped the air in front of him, and suddenly, the barrier showed.

At the same time, an extremely strong formation directly shook Bai Lixiong back a dozen steps.

"This formation is so domineering!"

The Guardians of China and the strong ones wanted to give it a try, but at this moment, a plane slowly came from a distance!

There is only this plane in the entire sky!

Obviously, the people of the blood alliance are here!

The army of a hundred strong is here!

The nightmare of China has come!

Bai Lixiong's eyes were filled with anger, and he directly said to the Jagged Camp behind him: "The Jagged Camp soldiers obey the orders, our mission is to protect! Although we are far from the Kunlun virtual powerhouses, as long as we are united, we will Can defeat all enemies!"

The predator soldiers behind him even roared!

They are willing to die for China.

Bao Peimin and all the powerhouses around are moved, they are full of enthusiasm, ready to fight.

At this moment, Ye Chen turned around and said lightly: "I, Ye Chen, will start this matter. Today, I will bear it alone, and you can be outside."

"Mr. Ye! No!"

Bai Lixiong was the first to refuse!

Ye Chen is certainly strong, but how could he be the opponent of this Bloody Battle Hall!

This is a hundred strong people!

One of them may far exceed Ye Chen's strength, let alone a hundred people, how to stop it!

Bao Peimin suddenly thought of something and quickly asked, "Mr. Ye, did that adult also come?"

Ye Chen naturally knew who the adult was referring to in Bao Peimin's words.

Chen Tianli.

Unfortunately, Chen Tianli is not there for the time being.

Ye Chen shook his head: "This time, I am alone."

After speaking, Ye Chen stepped into the formation, and even walked towards the airport.

The lonely figure is more like a farewell and death.

Bai Lixiong and Bao Peimin wanted to follow, but found that the formation blocked everything.

No one can get in except Ye Chen.

"Mr. Ye, why do you want to do this! He is only twenty years old, should he suffer such pain alone?"

"China has Mr. Ye, what else can I ask for!"

"I hope Mr. Ye can return in triumph, but..."

Did not go on.

miracle?

Even though Ye Chen has created countless miracles, now, there is really no miracle anymore.

Only the fact that blood is sparkling.

...

Ye Chen came to the vast place in the formation.

There is no obstruction.

The plane landed slowly.

With his hands behind him, the wind danced wildly, blowing his casual clothes slightly, his hair was messy, but there was a mysterious smile at the corner of his mouth.

If he guessed right, Elder Zheng should be there.

That's best.

Ye Chen took the life of Elder Zheng.

Ye Chen also wanted the key to rescue his father.

As for the hundred people, their lives, Ye Chen wants him!

On the plane, Elder Zheng naturally saw the Leng Ao figure below!

He hurriedly looked at Lei Jianyun and exclaimed: "Master Lei, Ye Chen really came, a thousand words, not as good as your one sentence! I'm afraid, this kid is already scared to pee!"

In the eyes of Elder Zheng and everyone, Ye Chen was obviously here to die.

Maybe he knelt on the ground for a long time as soon as the plane landed.

The corner of Lei Jianyun's mouth outlines a disdainful smile: "Elder Zheng, you can't do it, this little beast can't hold it for so long, so I actually want me to do it myself."

Hearing these words, Elder Zheng's face changed slightly, but he still smiled: "No matter how I say you are just an elder, you are the God of War in the Blood War. What is the God of War? That is invincible! Who dares to stand in front of you? ?"

Lei Jianyun nodded in satisfaction He even thought about it, once he landed, he would screw off this kid's hands and feet first!

Suddenly, a strong blood alliance exclaimed: "That kid seems to be something wrong."

As soon as these words came out, countless lines of sight went down again!

As soon as their eyes fell, they found Ye Chen moved!

I don't know when a long sword appeared in the palm of my hand!

The long sword was held back, stepped out in one step, and the right arm suddenly exerted force!

Vaguely, a red light burst out suddenly!

Chapter 623: You shouldn't perform in front of me!

Then, the long sword shot over like a javelin!

The speed is extremely fast, like thunder gliding across the sky!

Everyone's complexion changed drastically, never thinking that the other party would come out like this!

"I can't help myself!"

Lei Jianyun has a hideous face! With a sudden footstep, the entire plane shook! It fell suddenly!

With a scream, the long sword shot on the wing!

Direct penetration!

The flames on one side of the wing are crisscrossing, and the plane is obviously going to have an accident!

Fortunately, he was about to land, Lei Jianyun kicked on the cabin door, the door was directly surging by the air current, and countless things flew!

"Go straight down!"

"Yes, my lord!"

For the cultivator of the Immortal Ascension Realm, this kind of height is naturally nothing.

One after another jumped down.

"Boom! Bang! Bang!"

Hundreds of figures hit the ground, the ground was torn apart, and deep pits suddenly formed!

The hundred people in the Blood Alliance and Blood Battle Hall stared at the single young man not far away.

One person, a hundred people.

The gap is too obvious.

They even looked at Ye Chen with pitiful eyes.

Lei Jianyun stepped forward, his huge body looked at Ye Chen condescendingly, "Little beast, just now you wanted to destroy the plane!"

Ye Chen glanced at Lei Jianyun, he could feel that the other party's breath was terrifying.

Moreover, vaguely, the aura on the opponent's body seemed to be more than just a cultivator.

There is even a hint of refinement.

Seeing that Ye Chen didn't answer his own question, Lei Jianyun was extremely angry!

"Little beast, didn't you hear me talking to you?"

Ye Chen condensed his eyes, and said lightly: "What are you?"

After that, his gaze shot towards an old man in purple robe!

Cold and bloodthirsty! Because this man is Elder Zheng!

Elder Zheng who imprisoned his father!

The anger in his heart could no longer be restrained, and he said coldly: "You, come here, die!"

As soon as this was said, everyone laughed!

This Chinese kid is afraid of being crazy!

Did Elder Zheng die?

Doesn't this kid know his situation?

Even if everyone spit, it was enough to drown each other!

But now he has said such a sentence without knowing the heights of the sky, it is simply a matter of life and death!

Elder Zheng's face was very ugly, and the purple robe moved slightly.

"Ye Chen, you kill my beloved disciple, and you don't even know how many strong blood alliances have fallen on your hands! If you have your head severed today, we can consider letting others around you go, otherwise, the consequences are not something you can bear."

Ye Chen shook his head helplessly: "I said that I would kill all of your blood alliances, and a hundred people came over today, just in line with my heart."

"In my eyes, the blood alliance can be renamed, why don't you change the name to the death alliance from today?"

At this moment, those powerhouses in the blood battle hall were completely angry when they heard this slander!

Stepping out in one step, Qi Qi rushed towards Ye Chen!

At this moment, the cold murderous intent made the air seem to freeze!

"The Lord of War, this son is so arrogant, today we will capture this son in front of the adults!"

The three **** battle hall powerhouses at the peak of the ascension realm directly stood up!

Their strength is regarded as the weakest existence among this group of people, and it is rarely revealed.

But it is more than enough to deal with that kid now!

Lei Jianyun nodded, he saw that Ye Chen's cultivation was only in the early stage of the Ascension Realm, and the three peaks were enough to crush!

"Go ahead."

"Yes, my lord!"

In the next second, the three figures swept away quickly.

Elder Zheng knew Ye Chen's power, he wanted to say something, but he stopped.

It's too late.

In the blink of an eye, the three of the blood battle hall came to Ye Chen's front, and there were huge waves all over them!

Like a king coming!

"Little beast, today I will let you feel what crushing is!"

The words fell, three fist winds burst out!

In their eyes, Ye Chen is not worth their swords at all! Three punches are enough!

Maybe it will become a pile of mud soon!

Three physical waves swept away, blocking everything about Ye Chen.

Ye Chen didn't move, even shook his head helplessly.

"The peak of the Immortal Ascension Realm? It's too rubbish, I don't want to do it!"

After the words fell, Ye Chen raised his left foot, and then pressed down!

The endless true energy crashed on the ground!

In an instant, countless boulders on the ground lifted off!

At the same time, an extremely strong force rushed out from the ground!

"Bang!" The sound directly collided with the three waves of air!

The roar resounded!

The air wave erupted like a volcanic eruption, sweeping the entire airport.

Everything around was ruthlessly destroyed!

Ye Chen at this moment seems to be a **** who destroys the world and kills violently!

Those three realized that the situation was not right, and wanted to evacuate, but it was too late!

The violent power rips their arms crazily!

First, the arm burst, and then the body was completely burst!

The blood rains all over the sky, and it keeps falling, shocking!

Who could have thought that Ye Chen could be so crazy!

Without a shot, just a single foot, suppressed the three strong!

Is this still a paradise?

"impossible!"

Lei Jianyun and all the disciples of the Blood War Palace around could not help but exclaim.

They can even feel an invisible force in the air.

This is not the power of an early stage of the Ascension Realm at all!

It has even reached the transcendent state!

At this moment, Lei Jianyun became solemn.

He finally understood why the people of the blood alliance suffered from this kid this time!

How can such a confusing strength not suffer?

"I said, all of you will fall here, no matter what."

Ye Chen's indifferent voice sounded, and in the eyes of some blood alliances, there was even some fear.

After all, the trick just now was too shocking!

Elder Zheng hurriedly said to Lei Jianyun beside him: "My lord, this kid is capable of reaching the sky. Don't underestimate it. I recommend everyone to take this one together, so as not to have more dreams!"

Lei Jianyun ignored it, but said to the people behind him: "You gather ten steps to kill the formation and take this one."

"I don't believe in the Bloodline Killing Array, plus ten extraordinary realm powerhouses can't take this kid!"

"Yes, my lord!"

In an instant, ten extremely terrifying figures swept out directly, surrounding Ye Chen!

Everyone took ten steps, holding a long sword, and the steps seemed to have a certain frequency.

With the lessons learned just now, they dare not keep the slightest hand! of

Direct suppression!

When the tenth step came out, the ten people shouted angrily, and suddenly a blood gate flashed under Ye Chen!

At this moment, countless sword intent surged!

Very harsh!

At the moment when he was about to touch Ye Chen, the sword light exploded like a scorching sun.

At that moment, as the aura exploded vigorously, if there were thousands of troops rushing in.

In their opinion Ye Chen has no retreat!

There is only a dead end!

At this moment, Ye Chen finally got a little serious in his eyes, and said lightly: "Ten steps to kill the formation is not bad, but unfortunately, you shouldn't show it in front of me!"

"Today, I will let you see what the real killing formation is!"

"Natural talisman, come out!"

At this moment, the world changed color!

And Ye Chen is the only **** king in this world!

Chapter 624: Shocking!

In five years, in Kunlun Xu, the old man did teach him some tactics.

But it can only be said to be fur!

It can't even be called a real formation!

Five years later, the reincarnation cemetery opened, and Ye Chen was fortunate to be Cang Haiping's apprentice!

Step into the way of magic talisman!

The Tao of Spirit Talisman can even be said to be the ancestor of the formation!

Ye Chen's understanding of the formation method at this moment is not what it used to be!

It can be said that his formation attainments far surpass most people in Kunlun Xu!

What's the point of the killing array of the mere blood alliance!

He not only understands the formation, but also the way of killing!

Today, he wants to let the blood alliance feel what fear is!

Ye Chen quickly pinched his fingers, and a burst of red light spread from within his body!

Countless red runes drilled from the ground!

The strong killing air seemed to tear everything apart.

At this moment, the formation was out, and the sword intent all over the sky dissipated!

Can't resist at all!

The expressions of the ten people in the blood alliance changed drastically, never expected that Ye Chen really understood the formation!

Although I don't know what formation Ye Chen condenses, it is not important anymore.

Under the fear of death, their blood seemed to be solidified.

The ten people looked at each other and couldn't calm down anymore. One of them quickly said:
"Forcing the blood, this kid is a bit evil. If he is allowed to form a formation, we will all be in danger!"

They are no longer hesitating, the blood is ejected!

Ten drops of blood gathered together!

The air vibrated, and their breath even began to rise!

"cut!"

The ten people roared one after another, and shook their long swords tightly, heading towards Ye Chen with a biting sword light!

A series of substantive sword marks suddenly appeared, as if they turned into a net of heaven and earth, shrouded toward Ye Chen!

There is blood mist under the net of heaven and earth!

Extremely cold!

Once it fell, Ye Chen wouldn't be qualified to sacrifice even if he had a strong formation.

Suddenly, Ye Chen opened his eyes.

What kind of eyes are that!

Like a scarlet hungry wolf! Like a violent behemoth!

"Heaven and Earth Killing Array, come!"

Ye Chen's hand stopped suddenly.

Then, when he pointed it out, the thunder light of the life talisman exploded!

The whole body was surrounded by thunder and lightning, and the sky was covered with dark clouds.

A piece of black crushed, like a black cloud crushing a city! The end is coming!

The only light is Ye Chen who is carrying thunder and lightning at this moment!

Suddenly, the overflowing thunder and lightning gradually gathered and turned into a thunder sword!

Lei Guang Great Sword broke free of Ye Chen's hand and flew straight to the sky! Get into the thundercloud!

Although the ten people were surprised when they saw this scene, they still let out a sigh of relief.

If the Leiguang Great Sword came towards them, they would have to pay a great price if they wanted to resist!

Fortunately, it has disappeared.

Just as they were so relieved, the thundercloud above the sky burst directly!

Then, a big sword full of thunder came crashing down!

Every 100 meters down, it will abruptly expand tenfold!

Soon, this big sword turned out to be several tens of feet, madly coming towards them!

"how can that be!"

These ten people are dumbfounded! They have never seen such a method in Kunlunxu!

There is no record in the ancient books!

For a time, they didn't even plan to break the game, they just wanted to escape!

How could this kid burst out of this level of power!

Is this the **** realm? Even the formation mage at the pinnacle of Transcendent Realm might not be able to use such a method!

Seeing the thunder and lightning soldiers land violently, they are not even qualified to take a step!

They even felt that what they were facing was not a long sword, but a violent Thunder Dragon, staring at the common people!

They are the most disdainful ants!

"Boom!"

In an instant, Thunder Dragon fell directly, suppressing everything!

As if stars collided, seven or eight cracks were formed on the ground of the airport!

"Puff!"

What qualifications do those ten people have to stop, the whole body shattered in the horrified eyes!

Not even qualified to burst the blood mist!

Ten people have fallen! Under the momentum of that thunder, there is no power to live!

The picture freezes, at least before their consciousness dissipates, they see the real ancient killing array!

At this moment, Lei Jianyun watching the battle from a distance was completely messed up.

He discovered that this Ye Chen is not only stronger than anyone in the same realm!

Even know the way of formation!

Such an enchanting person, only one person can be compared! Ye Xitian over there!

Now, he fully believes that Ye Jitian and Ye Chen know each other!

Only by understanding can everything be explained.

Fortunately, Ye Chen's current burst of power is at most the pinnacle of the Transcendent Realm, which is much worse than that of Ye Jitian who suppressed everyone by Yi Baoge.

If he shoots now, Ye Chen can't survive at least three moves.

But if he faces that Ye Jitian, he has no chance of winning, which is one of the reasons why he brought so many strong players out this time.

...

At the same time, looking at the cracks and pits not far away, Ye Chen panted slightly.

That formation method placed extremely high demands on him. At this moment, his dantian vitality had disappeared by one third!

Before he could breathe and play, a purple figure rushed over!

It is Elder Zheng!

Although Elder Zheng's injury was not completely healed, he shouldn't have taken the shot, but when he saw Ye Chen's strength in real terms, his heart was shocked too much.

Even panicked!

He knew that he had to take Ye Chen at all costs!

Otherwise no one can bear the price!

The sword intent in his hand burst out, and even flames poured out of his palm, like a fire dragon trying to swallow everything!

That terrifying power and violent aura, like a behemoth of hell, unstoppable!

"Little beast, you should feel honored to die under my sword!"

Ye Chen's eyes condensed, and the Soul Suppression Sword was directly sacrificed!

I wanted to sacrifice the Dragon Slashing and Asking Heaven Sword, but unfortunately this sword is still being refined and it takes time!

But judging from the state of the Immortal Lord, it's coming soon!

When this sword came out, it was the day when the heroes were suppressed.

"Ten thousand swords! Break!"

Ye Chen roared, the sword light flickered, tearing away!

"Boom!"

Two powerful forces suddenly collided!

The waves are rolling!

Ye Chen can clearly feel how terrifying the power carried under Elder Zheng's sword power. Is this the real strength of Elder Zheng!

He stepped back a few steps, but Elder Zheng did not move!

Elder Zheng snorted coldly: "Little beast, today you are a sleepy beast. No matter how many methods you use, you can't change your mortal ending!"

"Today I will let you feel my sword intent of fame! Blood Gate Spirit Sword!"

After the words fell, Elder Zheng's sword rushed out!

The world seems to be covered by chill!

The door of **** seems to open quietly!

As long as Ye Chen moves forward, he will definitely fall into the abyss of death!

He even felt that his dantian's true energy was locked!

The coercion is like the collapse of peaks, crazily depressed.

He can see a hideous face.

The Blood Gate Spirit Slashing Sword is getting closer seems to be about to penetrate Ye Chen's body.

Suddenly, Ye Chen moved!

"What about the Blood Gate Spirit Slashing Sword! If your blood alliance can slash spirits, then Ye Chen can slash the sky!"

Step forward!

Ye Chen was surrounded by bleakness.

"Ten thousand swords return to the clan!"

These four words seem to stir up a thousand waves with one stone, and the stone breaks the sky.

Chapter 625: Blood wolf phantom!

With the fall of Ye Chen's words, the entire Jiangnan International Airport seemed to faintly shake.

There seemed to be a dormant beast awakening in the air.

Thunder roared above the sky.

At the same time, the true energy in Ye Chen's body was fading rapidly.

He didn't dare to be big, the realm of Elder Zheng was much higher than him.

Last time, it was because of the control of the opponent's essence and blood and the use of spells that he had the opportunity to seriously injure Elder Zheng.

Fighting now, it is difficult to win!

It's three big realms!

Therefore, Ye Chen can't have the slightest contempt and keep his hands!

The only existence that can contend is the return of Wan Jian!

The scrolling of the world made Elder Zheng's eyes look more serious than ever!

"Little beast, return ten thousand swords to the sect? It seems that you want to see your dead ancestor! I will perfect you!"

Elder Zheng roared, and the sword intent swept across.

Behind him came bursts of exclamation!

"This kid can be considered a character if Elder Zheng can perform this trick."

"The last time I saw this trick, it was when the blood alliance was washing a sect in Kunlun! At that time, Elder Zheng was extremely domineering, and it was even more a good story!"

"It's a pity that this kid, the Immortal Ascension Boundary bursts with such power, if you don't die and step into Kunlun Xu, it will inevitably shake the world within ten years, but now this kid should be dead."

Looking at Ye Chen from those strong in the Blood Battle Hall, many people showed sympathy!

After all, ants are ants, and even if there are adventures, they cannot change the facts.

Lei Jianyun put his hands behind him, and said nothing from beginning to end.

He killed countless people and walked the same way.

He could clearly feel Ye Chen's killing intent, which even surpassed him.

He really couldn't figure out that the killing intent of a humble Chinese ant could actually surpass Kunlun's virtual self.

How many people did this kid kill?

Before Lei Jianyun could think clearly, Elder Zheng's sword intent pierced the air, and he had already arrived in front of Ye Chen!

At this moment, Ye Chen condensed Wan Jian to the extreme!

"Today, I will destroy everything about you!"

Ye Chen stepped out, his momentum skyrocketed, his casual clothes tore a bit, dancing in the strong wind!

The whole body seems to have generated countless sword intents!

The sword intent suddenly gathered, and the sound of howling was endless.

"broken!"

At the moment when Elder Zheng's sword fell, Ye Chen did not evade in the slightest, and swept away with his Wanjian sword!

Who can stop Chen Tianli's sword skills!

In an instant, Elder Zheng's long sword could not withstand the strength of the return of ten thousand swords, and numerous cracks appeared on the sword.

Dense!

The sound of "ding!" even turned into pieces!

It wasn't until this moment that Elder Zheng woke up, the fragmentation of the spirit sword even made him suffer!

A mouthful of blood spilled from the corner of his mouth!

"How is it possible! My sword was shattered! What kind of power is needed to do this?"

The words hadn't fallen yet, Ye Chen brought Wan Jian back to the sect and broke through everything and came to Elder Zheng!

The domineering and powerful sword intent blocked Elder Zheng!

It is impossible for Elder Zheng to dodge!

"Damn it, it's too late!"

Elder Zheng's eyes flashed with fear, and he took out a jade pendant from his waist!

This jade pendant is from the Kunlun Xuye Family!

It can even be said to be a magic weapon, which he obtained by accident!

The strength of this jade even blocked him from multiple damages!

The jade pendant gleamed, as if forming a barrier in front of Elder Zheng!

"Boom!"

Wan Jian's return to Zong collided with the barrier!

Like mountains and rivers, the world is suppressed!

A domineering sword intent broke out completely at this moment.

"Crack!"

Cracks appeared in the barrier, and at the same time, Wan Jian Guizong rushed away with the barrier!

It hit Elder Zheng directly!

"Little livestock--"

Before the old elder Zheng had finished speaking, he flew out directly!

He was injured, and his strength dropped a lot, but now Ye Chen is in the most peak state! ~

How does he stop!

He could clearly feel that countless ancient giant beasts penetrated through his body, and terrifying power was injected!

His body trampled by the beast!

"Pump!"

A mouthful of blood spurted out! Thunder roar!

Elder Zheng's body hit the ground fiercely, causing dust to rise!

A huge pit just appeared above the airport.

At this moment, everyone clearly heard the sound of Elder Zheng's bone fracture.

The people in the Blood Battle Hall and even Lei Jianyun rubbed their eyes, they couldn't believe it.

Can a psychedelic realm span three great realms?

Even if Elder Zheng underestimates the enemy and is injured, it is impossible!

When I woke up, there was a sound of cool air from the airport.

A domineering gust of wind rolled, the dust dissipated, and Elder Zheng in the deep pit stood up embarrassed.

The whole body was full of blood, and the purple robe was completely shattered.

Extremely embarrassed!

His scarlet eyes stared at Ye Chen who was gasping in the distance.

He has never been defeated so embarrassed!

It has never been so unbearable in front of the strong blood alliance!

He allowed this in front of the Kunlun imaginary powerhouse, but he did not allow it in front of this Chinese kid!

"Ye Chen!"

The shaking roar resounded right now!

Ye Chen didn't move at all. At this moment, there was a piece of jade pendant lying quietly in his hand!

It is the Ye Jiayu Pei that Elder Zheng just displayed!

He looked at the familiar text above and confirmed that it came from Kunlun Xuye's family.

"Why is this jade pendant on the people of the blood alliance?"

Ye Chen stopped thinking about it, and threw the jade pendant into the reincarnation cemetery.

Then, as soon as the Soul Suppression Sword came out, Ye Chen moved again!

There was a burst of wind in the ear, and afterimages were looming!

"Old stuff, today I not only want your life, but also the dungeon key in your hand!"

The Soul Suppression Sword came down quickly with a biting cold light, and it was about to penetrate the body of Elder Zheng!

In the next second, Elder Zheng smiled grimly.

His hands are **** and tangled!

Afterwards, he directly held Ye Chen's soul-suppressing sword!

"Little beast, I admit that you are very strong and even injured me badly, but do you think you really have a chance to kill me?"

"The God of War in the Blood Battle Hall is enough to suppress you!"

After the words fell, Ye Chen noticed a dark shadow coming behind him, his face changed!

The burly man who hasn't moved has shot!

This person is far more dangerous than Elder Zheng!

"Damn it!"

Ye Chen gathered countless zhenqi on his right hand, and pulled out the Soul Suppression Sword directly! Then slammed to the back!

A dark shadow on the face has already fallen!

Lei Jianyun!

At this moment, Thunder Jianyun's hair is flying, and the breath is overwhelming!

In the cold wind like a demon descending!

The killing aura on his body turned into a blood wolf phantom!

This blood wolf is a lone wolf, and even an invincible head wolf!

"Boom!"

Lei Jianyun slammed down with a single fist and went straight to Ye Chen's key.

A strong breath, as if a fist is about to break the air!

Ye Chen's Soul Suppression Sword collided directly!

But it hasn't been touched yet, it shakes away on the spot!

The difference between the two forces is too big, Ye Chen's body quickly retreats!

Chapter 626: Break a blood path!

Ye Chen retreated more than ten meters before stopping!

This punch even made his internal organs very uncomfortable!

Lei Jianyun sneered, moved his fingers, and walked towards Ye Chen again!

"Boy, answer me a question, I can consider giving you a whole body!"

"Where is Ye Xitian now!"

His condescending tone was extremely cold.

In his eyes, Ye Chen is already a powerful crossbow bow!

The only value of this person is to know the whereabouts of Ye Jitian.

At this moment, Ye Chen's expression was a little weird.

Ye Xitian?

Why did this burly man look for Ye Jitian and find him?

Both he and Shen Shixi were disguised that day, and there should be no reason to doubt themselves.

Or is there something wrong with this?

At this moment, the injured Elder Zheng's expression changed drastically!

The relationship between Ye Xitian and Ye Chen was nothing more than a fiction.

If Ye Chen doesn't admit it, then it will be in trouble!

Lei Jianyun will definitely find that he is lying!

It's a capital crime to deceive the blood alliance! No matter what status!

No longer thinking about it, Elder Zheng hurriedly said: "My lord, the whereabouts of Ye Jitian can be said later, but the most important thing at the moment is to take this Ye Chen! If you delay, I'm afraid it will change!"

Lei Jianyun glanced at Elder Zheng with cold eyes, and snorted: "This kid is very strong, but it's nothing in my eyes. I want to kill him, a matter of a few seconds."

"but--"

As soon as Elder Zheng wanted to speak, Lei Jianyun interrupted: "Elder Zheng, please make it clear. I call you the elder to give you face, not to let you command me here! Today, you just need to watch by the side. Lei Jianyun will do what you can't do!"

After speaking, Lei Jianyun looked at Ye Chen and said angrily: "Boy, I'll give you another chance, where is Ye Jitian!"

Ye Chen held the Soul Suppression Sword in his hand, and the sword's edge pointed at Lei Jianyun, saying word by word: "What I know, and what I don't know!"

When Lei Jianyun heard these arrogant words, his evil spirit was completely released!

"I will let you surrender under my Lei Jianyun today!"

Suddenly, Lei Jianyun moved!

Pedal!

Five steps! Long wind and waves!

At each step, a huge pit full of depth appeared on the ground!

When stepping into the fifth step, I came to Ye Chen's body, and his momentum rose greatly!

Punch out!

With this punch, blood wolves seemed to gush out, and wolves howled!

The powerful pressure scrolls the air and presses it towards Ye Chen!

Ye Chen didn't dare to be careless, but also blasted out!

"Boom!"

There was a roar, and the fist wind burst out! Like falling to the earth!

There were even countless flames and thunder and lightning.

The two forces were in a stalemate, but soon the thunder and lightning weakened a bit!

In the next second, the flame swallowed everything, but Ye Chen's body flew out!

The realm gap is too big!

Ye Chen finally stabilized his figure, his blood surged, making him feel uncomfortable!

The numbness of the arm is very strong.

Before he could react, Lei Jianyun's figure fell again!

The ghost of blood wolf above his head is hideous and crazy!

Once again punched Ye Chen!

This time, Ye Chen no longer hesitated, and shouted, "Blood Dragon, come out!"

The blood dragon is one of his biggest cards, and the changes have been especially great these days!

He wanted to try whether that blood wolf phantom or his blood dragon phantom was better!

The roaring sound just fell, and between the heaven and the earth, the sound of a dragon's roar penetrated!

In the next second, Ye Chen's body flashed red!

Then, an astonishing blood dragon phantom came directly out of Ye Chen's body!

As soon as the blood dragon came out, Lei Jianyun's blood wolf phantom seemed to have seen something terrifying and shrank directly in the corner!

"this is....."

Lei Jianyun's eyes widened!

He couldn't think that Ye Chen was a mortal game, but he made a blood dragon!

Looking at the entire Kunlun Void, who can control the blood dragon!

No, there is one more person!

Ye Jitian!

What happened in Yibaoge a few days ago, it was heard that Ye Qitian not only provokes the divine thunder, but also controls the divine dragon! "

The same is true for Ye Chen in front of him!

Could it be that these two people have the magic weapon of Yulong?

If this is the case, wouldn't he have an extra hole card for his cultivation!

At this moment, his eyes became a little fanatical!

"Boy, hand over your martial arts!"

His fist wind soared instantly, broke everything, and hit Ye Chen directly!

Before falling, the blood dragon got into Ye Chen's right arm!

Ye Chen is like holding a dragon in his hand!

With a mad spirit, a punch!

This punch, split everything!

This punch shakes the mountains and rivers!

"Boom!"

A huge roar resounded.

"Crack!"

The sound of broken bones resounded throughout the airport!

The indestructible blood battle temple is actually injured!

How about across three great realms!

Ye Chen has never feared anyone!

Even if you are a god!

He Ye Chen will pull you off the altar without compromise!

"Damn it!"

Ye Chen hadn't received his fist yet, a cold light was approaching, and a purple robe figure swept over!

Just like the injured Elder Zheng!

mean!

But Ye Chen couldn't avoid it at all, he put all his attention on the extremely dangerous Lei Jianyun.

With a scream, a long sword surrounded by spiritual energy penetrated Ye Chen's shoulder directly!

The blood won't stop!

Ye Chen forcibly endured the pain on his body, held his five fingers on the long sword, and pulled it out directly!

He burst into blue veins, swallowed a pill, and stared at Elder Zheng firmly and said: "You dare to hurt me! Today I will let you feel what killing is!"

At this moment, Ye Chen was blushing.

Even if you pay the price today, let these people stay in China forever!

"Master, give me a talisman!"

Ye Chen said to Duan Leiren in the Reincarnation Cemetery!

The Lord of Immortality is refining the Dragon Slashing Wentian Sword, and has entered the final stage!

He naturally can't bother the Lord of Immortality!

The only person who can ask for help is Duan Leiren!

Duan Leiren's runes can enhance Ye Chen's strength in a short time!

"it is good!"

In an instant, Ye Chen felt an extra strength in his body!

At the same time, countless tiny thunder arcs overflowed from the skin surface.

"Natural TalismanBring it out to me!!"

"Blood dragon, give me a hand, today you and I will fight side by side to make a **** road!"

The dragon roars inside Ye Chen!

The soaring breath at this moment frightened everyone!

They didn't expect Ye Chen to change at this moment!

At this moment, they felt that they were facing a transcendent realm, even a holy realm!

Elder Zheng reacted and hurriedly said to Lei Jianyun: "Master Lei, you have also felt the danger of this child. It is definitely not as simple as the Immortal Ascension Realm. Hurry up and let the rest of the Blood War Palace set up an array. No matter what, kill this. I can't wait any longer!"

Chapter 627: Crazy

This time, Lei Jianyun did not refuse. He held the formation flag in his hand and said loudly: "The **** battle flag, the blood condensed fierce formation! The gods! Cut everything!"

The voice echoed in Jiangnan International Airport!

In the next second, all the remaining people showed a long sword in their hands!

The bursts of sword chanting sound burst out like thunder in the sky and the earth.

As if in between, thousands of troops are roaring!

Countless long swords pointed at Ye Chen!

This momentum formed a **** phantom directly in the sky!

Even the blood dragon in Ye Chen's body was affected!

A few days ago, they relied on this formation to behead a strong man in the Holy King Realm!

For them, although Ye Chen is strong, there is bound to be death but no life under this battle!

Collect hundreds of warriors! Play free!

Is it possible to be a kid in the Ascension Realm, who can resist dozens of the Ascension Realm, Transcendent Realm, Holy Realm, and even stronger existences?

Totally impossible!

At this moment, Ye Chen was trapped in the cage, alone blocking everything!

Outside Jiangnan International Airport.

Everyone came to the rooftop of a nearby tall building, and when they saw this scene, their hearts hung up.

No one is optimistic about Ye Chen!

Although they know Ye Chen evildoer, but no matter how evildoing, facing the Kunlun virtual powerhouse of nearly a hundred people, how can you stop it!

Not long after, surrounded by a few strong men in camouflage uniforms, an old man also came to the rooftop.

When Bai Lixiong saw the old man, his eyes shrank, and he quickly greeted him: "Leader!"

Everyone present knows the identity of the old man, his breathing seems to be stagnant, and he wants to speak, but he doesn't know what to say, so he can only hold out one sentence: "Leader! Why are you here!"

The old man ignored him, his eyes fell on the airport.

His face suddenly changed: "Is it only Ye Chen? Why didn't the other people I arranged enter? How can he fight it alone!"

Bai Lixiong explained: "Leadership, Mr. Ye has a strong formation and will go alone. We can't go in if we want to."

"This time, Mr. Ye is determined to take it alone."

The old man clenched his fists, and a touch of iron blood covered it!

"Huaxia wanted to protect Ye Chen, but he didn't expect to harm Ye Chen instead."

"It's just that after today, I don't know how it will turn out."

"If Ye Chen hasn't escaped the disaster this time, then set up a statue for him directly in Huaxia and named him the God of War! His deeds have been passed down through the ages!"

"And the Ye Family in Jingcheng is a famous warlord!"

This is the only thing the old man can do for Ye Chen.

He went to invite those who were in retreat today, even if he was his identity, he would not invite those people.

Those few people are devoted to cultivation, Huaxia is just a habitat for them, they don't care about other things.

After hearing the old man's promise, everyone present took a breath!

This promise is too expensive!

The two titles of Chinese God of War and the famous gate of war are enough to stand at the pinnacle of Chinese power.

From then on, no one in the Huaxia Ye Family can shake it!

It seems that this old man really values Ye Chen!

"Leader, what if Ye survived first..."

Although the possibility is slim, Bai Lixiong still said softly.

The old man waved his sleeves and snorted coldly: "If Ye Chen returns triumphantly, the promise above will still be valid! Only changed to the God of War! At the same time, all the resources of China, Ye Chen have the authority to call!"

As soon as the words fell, a loud noise came from the Jiangnan International Airport!

The power of the blood destructive array penetrated everything, and countless icy and bone-eroding murderous intents went crazy toward Ye Chen!

Ye Chen is undoubtedly in a dead silence!

There is no way to survive!

This explosive power is simply invincible!

Suddenly, someone on the rooftop exclaimed: "Mr. Ye moved!"

"He... he didn't hide, but rushed towards those Kunlun imaginary strong people!"

As soon as this was said, everyone's eyes shot out!

Found that there was only an afterimage in the same place!

But the real Ye Chen rushed into the crowd!

A sword! A person! One stop!

Shuttle unscrupulously!

The phantom body of the Canglong will condense to the extreme!

Phantom bursts!

Soon they came to say in front of several **** battle hall powerhouses, their momentum soared to the extreme, ten thousand swords flew out frantically!

Every sword is released to the extreme!

Duan Leiren's power!

The magic talisman of the natal talisman!

Even the power of the blood dragon!

At this moment, it turned into the sword intent in Ye Chen's hand!

"Tear!"

Endless innocence, like a rushing yellow river, fighting wildly!

In just a few seconds, the people in the blood battle hall of the condensed formation turned into a blood mist on the spot!

This is far from over!

Ye Chen once again swept towards a few people on the other side!

Wherever he went, a mess!

Except for blood and killing, there are only corpses!

Ye Chen was born to fight. He knew that he couldn't stop the Blood Fiend's life-death formation at this moment, only to defeat each one!

The more you break, the power is limited to a minimum!

He was panting, sweat and blood all over his body. Facing these powerful men, it was too exhausting!

With every few swords he displayed, he had to devour part of the medicine madly.

In a few seconds, ten people have been killed!

If you continue to kill, it is really possible to destroy the formation!

Lei Jianyun and Elder Zheng completely changed their colors, looked at each other, and swept directly towards Ye Chen!

One punch, one sword, break everything, unstoppable!

"Puff!"

Facing the pincer attack of the two top powerhouses, Ye Chen could only flip the Soul Suppression Sword, and instead swept towards them!

Even with resisting Lei Jianyun's blow, the condensed sword waves of Elder Zheng still blasted Ye Chen's body without reservation.

Ye Chen spit out blood on the spot and smashed it out fiercely!

At the moment of landing, step on an airplane, tap a few times, and land firmly on the top of the airplane.

He was pale, and bit his lip firmly.

And that blood evil death formation has been condensed to the extreme Then, countless swords intent came out of the sky.

This time, it was very difficult for him to break through.

Those on the rooftops outside, everyone clenched their fists!

They are angry, but what can be done!

In this world martial arts is respected, strength is king!

The Kunlun Imaginary Powers far surpassed them in both realm and martial skills!

They can only watch it on the rooftop!

If you step into it like Ye Chen, I am afraid that you can't hold it for a second!

Chapter 628: Mars!

"This kid really did his best, but...the time for him to grow is still too little. If you give him another ten years, no one in Kunlun Xu can shake him."

The old man sighed long, extremely lonely.

For so many years, he always thought he could control everything.

But now, the feeling of powerlessness makes him angry.

And inside the Jiangnan International Airport.

Everyone's strongest blow came to Ye Chen's body!

Getting closer!

Lei Jianyun and Elder Zheng didn't do anything, they smiled gloomily.

They knew very well that Ye Chen was seriously injured! I'm afraid that Dantian's true energy will not be much after those few blows.

Break the line?

How to break an almost useless existence?

They even felt a little pity in their hearts. After all, with Ye Chen's talent, if they entered the blood alliance, sooner or later they would become like them.

That countless murderous intent is getting closer and closer to Ye Chen.

Ye Chen was completely surrounded by the blood fierce formation!

All the surrounding aura disappeared!

Even if Ye Chen wanted to resist, he couldn't use his aura!

"Am I really going to die? No! I haven't stepped into Kunlun Void, and haven't rescued my father! I haven't even solved the mystery of my own life experience! Haven't seen the masters who have left! How can I die!"

At this moment Ye Chen stood up.

He quickly thought of the countermeasures in his mind!

Suddenly, a light burst into Ye Chen's eyes, and a mysterious smile appeared at the corner of his mouth!

This smile seems to be in charge of everything.

Standing at the tip of the plane, he looked at the murderous intent that enveloped him, twenty meters, ten meters, one meter!

When the final lock was as short as one meter, Ye Chen offered a sword art in his hand!

"I am the Lord of Immortality. Since you wake me up, I don't want to owe you favors. Today, I will give you a sword technique. Wanchen sword technique!"

Together, Wan Jian surrender!

It looks like a chicken rib, but it can decide life and death!

Ye Chen held the sword art in his hand, and in an instant, dark clouds shrouded Jiangnan Province!

The whole world is darkened!

"This is the Tengu Shiyue?" Those people on the rooftop exclaimed.

But it's not like it!

This vision is unheard of! It seems that the entire Jiangnan Province is plunged into endless darkness and hell.

The wind is blowing.

The cold air even made everyone shiver!

The same is true for Lei Jianyun and Elder Zheng!

It feels like being stared at by a pair of **** eyes.

Creepy!

"What kind of breath is this, can it come?"

Lei Jianyun said in amazement.

Elder Zheng, no matter what vision, he stared at Ye Chen!

As long as Ye Chen dies, it doesn't matter what vision comes!

Seeing that the sword was about to pierce Ye Chen's body!

Suddenly, the abnormality came out!

A golden light covered Ye Chen's body!

The essence of light instantly spread from Ye Chen to the center!

The whole world is lit up at this moment!

This is not the most terrible!

The scary thing is that the spirit swords in the hands of the dozens of blood battle hall powerhouses are completely solidified!

Can't get close to Ye Chen!

"What the **** is this!"

Haven't waited for them to react!

"Cracking!" resounded above the earth!

Everyone's swords fell on the ground, even bent!

The bending direction is Ye Chen!

This feels like Wanjian surrendered!

"how can that be!"

The strong man in the blood battle hall was shocked! It is even more raging!

Their swords are not junk goods, they must be top-notch ones in China!

Even every sword is extremely arrogant, it is impossible to surrender!

But at this moment, it actually happened!

Lei Jianyun was stunned!

Elder Zheng trembled even more, and a bad premonition spread all over his body!

Who would have thought of a powerful blood alliance killing array, at this moment, it was cracked like this!

The key is not sure who it is!

Could it be Ye Chen?

At this moment, Ye Chen moved.

Rush into the crowd crazy!

Surrounded by blood dragons, wherever he went, thunder and lightning burst!

His sword light is a red light, like a raging flame, burning the world!

Unstoppable!

"Puff puff!"

Those powerhouses who have not yet slowed down from the scene of surrendering the sword, their bodies are cut apart!

Separation!

The ground is full of endless blood, like a river of blood!

The miserable sound, the sound of pain, the sound of begging for mercy, resounded a hundred meters in radius!

But Ye Chen remained indifferent!

He gathered all the power in his dantian into the soul-suppressing sword, and as far as the sword intent was, it was the Dead Sea!

"Master Lei, help!"

"Help!"

Facing Ye Chen's strength, those in the Bloody Battle Hall panicked!

One after another turned to Lei Jianyun for help!

"Help? I have already said that today, no matter who it is, it will completely fall here! The king of heaven will not be able to save you!"

Ye Chen's voice resounded through the sky, like thunder and explosion!

At this moment, he is the King of Slaughter!

Sword after sword fell, endless killer moves were released.

Buzzing!

The world has changed color!

Ye Chen at this moment seemed to be completely integrated in the ten thousand swordsmanship.

It has reached the realm of the unity of man and sword!

The whole person is like a changhong circling the sun, piercing the sky.

The wind howls, the ground is trembling, who will fight for the front!

Even, because Ye Chen's speed was too fast, no one could see Ye Chen's movements clearly when he was about to arrive!

The old man on the roof can't, Bai Lixiong can't, neither can Lei Jueyun and Elder Zheng!

Ye Chen left them only a shadow.

As far as the virtual shadow is, there is blood.

"Damn! Ye Chen, dare you!"

Lei Jianyun's roar suddenly came out, and he and Elder Zheng went crazy!

He wanted to block, but Ye Chen stopped at this moment.

The Soul Suppression Sword was inserted on the ground, with his hands behind him, and his casual clothes were full of blood.

"Now you two are left."

The indifferent voice just fell quietly.

The words fell, dozens of bodies exploded!

All dead!

Who could have imagined that many strong men in the Blood Alliance and Blood Battle Hall would die like this!

Not only was the blood-killing formation smashed by someone, but it was all turned into blood mist in just ten seconds!

At this moment the whole world seems to be quiet.

Everyone on the roof trembled!

"Mr. Ye, actually survived..."

"hiss!"

They stared at Ye Chen's proud figure!

Incredible!

Even as if it were a dream!

This is China's God of War?

China has such a God of War, who can stop it?

Chapter 629: Beheaded!

The old man smiled: "It seems that my worries are superfluous. The world is so great that Ye Chen is the only one who can trap Ye Chen, not others!"

At this moment, Elder Zheng and Lei Jianyun were burning with anger!

These hundred people are the elite of the blood battle hall of the blood alliance! I don't know how many problems have been solved for the blood alliance!

But at this moment, it's all dead!

No one survived!

This time, not only did Ye Chen live or die, but when they returned to the blood alliance, they would have to endure the monstrous anger of the leader!

"Little beast! How dare you destroy the foundation of the blood alliance! Today, I want the entire China to make amends for you!"

"Elder Zheng, condense the blood and kill Ye Chen!"

Lei Jianyun was like a lunatic, rushing towards Ye Chen!

Elder Zheng also forced a drop of blood, even burning!

His aura climbed to the extreme and his injury disappeared!

At such a price, just to kill a Divine Ascension Realm! It would be a joke if anyone in Kunlun knew it!

Ye Chen looked at the murderous in front of him, his fists clenched!

Dantian Zhenqi has completely disappeared.

He is really tired.

Killing these people is no joke.

Even the strong man who entered the Holy Realm was not qualified, but he did.

Not only because of that sword art, but also because of his desperate efforts!

"Boom!"

The three forces suddenly collide!

The blood dragon roars! Surrounded by thunder spots!

Fire erupts!

"Puff!"

Ye Chen's body shook, and he spouted a mouthful of blood!

The blood dragon dissipated directly!

It's already the limit!

And the destiny magic talisman also retracted his body, and could no longer fight for Ye Chen.

Ye Chen only felt suffocated for a short time, his eyes went dark, his body lost control, and he flew backwards.

"Little beast! No matter how strong you are!"

Lei Jianyun hit Ye Chen's body with another punch.

It is impossible for Ye Chen to condense the formation talisman!

And Elder Zheng did not relax at all, his sword intent was overwhelming, like a sword rain falling down.

Ye Chen's casual clothes shattered.

He bare his upper body, showing scars!

Scars are shocking!

This is what Ye Chen has endured in Kunlun Xu these five years!

Lei Jianyun and Elder Zheng were shocked.

What did this kid go through?

But didn't think too much, lifted the sword and went to Ye Chen!

At this moment, Ye Chen's blood was rolling, and his internal organs were shaken.

His arms were numb, and there was almost no strength to resist.

Even the pill will not help.

"Boy, I don't want to know the news about Ye Jitian, I want you to die today!"

Lei Jianyun and Elder Zheng forced a drop of blood, and the blood shot at Ye Chen, turning into a blood mist package!

At the same time, the two strongest blows blasted out, and the earth shook!

The wind roars!

Anything that comes close is ruthlessly torn apart!

It seemed to be an ancient behemoth with blood condensed, swallowing it towards Ye Chen!

Ye Chen forcibly supported his body not to fall down!

This is the only thing he can do.

The Immortal Ascension Realm has reached dozens of powerhouses above the Transcendent Realm, and even beheaded!

I'm afraid it's even more shocking than Ye Jitian's legend.

Ye Chen laughed at himself.

Seeing that the slaughter ancient behemoth was about to devour Ye Chen, at this moment, the reincarnation cemetery flickered! A violent breath burst out!

Ye Chen's eyes widened!

He glanced at the reincarnation cemetery!

But found that the Lord of Immortality has opened his eyes!

Zhanlongwentianjian was successfully refined!

Before Ye Chen could react, the Dragon Slashing Wentian Sword felt everything from the outside world and rushed out!

Dragon Slashing Wentian Sword has the sword spirit of Dragon Slashing Sword!

Between countless lives and deaths, he and Ye Chen had a strong understanding!

Carrying the violent killing intention, he directly rushed out of the reincarnation cemetery!

The sword light flashes!

Suspended in front of Ye Chen!

"Dragon Sword..." Ye Chen murmured softly, and even reached out his hand to touch the sword floating in front of him.

The blade was cold, but there was a hint of warmth.

One comes from the sword body and one comes from the sword spirit.

"Are you willing to fight with me?" Ye Chen said.

"willing."

What surprised Ye Chen was that a voice came from Zhanlongwentianjian!

This!

Ye Chen was completely frightened!

Before he could react, he saw Zhanlongwen asked the sky, and a phantom was suspended!

The phantom is blurred, with his hands on his back, but the outline can be felt, exactly like Ye Chen!

Seeing the giant beast swallowed, the phantom above the sword outlines an arc: "I was born in killing, and I will die in killing. I live for the owner of the tomb and die for the owner of the tomb. I want to use me The sword ends the evil in this world, even though the blade in my hand is broken, it cannot stop my path.

Cut the dragon.

Ask God. "

The figure is cold!

In the next second, the sword will penetrate everything!

Zhanlong Wentian Sword is heading towards the power of Lei Jianyun and Elder Zheng!

When it touches the phantom of the giant beast, it tears directly!

Brush up!

In an instant, countless sword shadows covered the world!

Go directly to Lei Jianyun and Elder Zheng!

The sky was full of sword light, and the sword energy overflowed.

"This...what kind of sword is this!"

Lei Jianyun was completely shocked!

He had seen countless divine swords in Kunlun Xu, but he had never seen the Dragon Swordsman Heaven Sword in front of him!

The key is that the sword spirit in this sword actually appeared on the sword body!

"This is a vision unique to the Ancient Sword! Why does it appear in China now!"

Elder Zheng has a cold body!

He looked at Ye Chen again and only had endless fear!

Who would have thought that everything broke out of this kid!

The two who were injured only felt a giant peak suppressed!

Elder Zheng stretched out his hand, subconsciously trying to break it!

Unexpectedly, the sword intent entangled his arm!

Torn on the spot!

"what!"

The roar sounded, he wanted to get rid of, but found it impossible!

He can only bear the endless sword intent penetrating his body!

Lock everything in him!

Zhanlongwentianjian tore the whole body of Elder Zheng like this!

Both his hands were cut off mercilessly!

There are hundreds of wounds, large and small!

shocking!

The only thought in his mind is to survive!

But before this sword, he has no ability to resist!

Lei Jianyun is not much better, his wounds are getting more and more!

If it hadn't been for refining, his physical body would have been unable to bear it!

He glanced at Ye Chen in the distance, he knew very well that he wanted to get rid of this divine sword!

The only way is to kill Ye Chen!

No longer hesitating, he forced a drop of blood on his eyebrows the blood burned, and quickly swept towards Ye Chen.

As soon as he was about to touch Ye Chen, the latter smiled coldly and shook his five fingers: "Come on!"

In an instant, the red light seemed to penetrate the long river of time and fell on Ye Chen's hand.

Holding the Dragon Slashing Asking Heaven Sword in his hand, Ye Chen unexpectedly discovered that his dantian's true energy was recovering crazily!

Only then did he remember that this Dragon Slashing Asking Heaven Sword had a small dragon vein hidden!

This immortal Lord simply gave him a gift!

He looked at the oncoming Lei Jianyun, and said lightly: "You and I have no grievances, you should never step into the land of China, let alone join the blood alliance! I said, the blood alliance person, I We must kill them all!"

Chapter 630:

In the next second, the sword in Ye Chen's hand moved!

A move, shocked!

Two moves, weeping ghosts!

Ten thousand swords, supreme swordsmanship, cut!

The Dragon Slashing Wentian Sword in his hand seemed to converge into a long sword, directly at the severely injured Lei Jianyun!

This split cuts off life and death!

Lei Jianyun's eyes widened, and under the shadow of the sword, he found himself extremely small.

God of War?

At this moment, this honor seems to be a shame!

can't even kill a kid in the Chinese Wonderland!

God of War!

He knew very well that in this battle, the blood alliance was destined to be annihilated.

Hundred Dao Life's nameplate shattered.

The leader and protector were furious.

The entire Kunlun Deficiency Blood Alliance will be earthquake!

And the initiator of all this is the young man in front of him, Ye Chen!

"Tear!"

This sword fell suddenly.

The sun and the moon are dark, the mountains and rivers shake.

Lei Jianyun wanted to stop, but found it impossible!

He kept spitting out blood from his mouth, and he was extremely embarrassed.

could not bear it anymore, his blocking arm was directly split!

As if half of his body was cut off!

The powerful sword aura shook him out!

"噗哧!"

He flew a full ten meters, and his whole body was heavily hit on the plane.

Splashes of dust in the sky.

But a deep sword mark appeared on the airport in Jiangnan Province.

is like the sky!

"Hiss!"

Seeing this scene, the onlookers on the rooftop took a breath.

Not only a hundred people were killed by Ye Chen!

The two men with extremely terrifying auras lost their fighting ability!

Ye Chen turned the tide with one person!

"Oh my god, Mr. Ye won! Mr. Ye could be able to kill with ease in the hands of hundreds of Kunlun illusions! After this battle, Ye Chen's name is estimated to resound through the entire Kunlun illusion!"

"You think too much, everyone is dead, who will pass the information to Kunlun Xu?"

"This secret, we must rot in our hearts, otherwise there will be endless troubles."

Everyone thought that the battle was over, Ye Chen died mercilessly in the hands of the two powerful men.

did not expect, the result was once again shocking!

Ye Chen actually crushed with a sword, full of spirit!

one move!

How did Ye Chen do it!

He is only in his twenties!

Twenty years old, from the first person in Jiangcheng to the first person in China in only half a year!

Is this Ye Chen going to be the first person in Kunlun Xu now?

Will he be the first Kunlun virtual top powerhouse to come out of China?

Those onlookers were shocked besides being shocked.

At this moment, Ye Chen walked towards Lei Jianyun and Elder Zheng step by step.

The two can only lie on the ground, looking up at Ye Chen.

Their eyes are full of anger, but they are helpless.

But their performance is even more mixed.

Elder Zheng supported his body and knelt in front of Ye Chen: "Mr. Ye, I don't know Taishan. I also ask Mr. Ye to spare my life. My realm is not weak in Kunlun. I am willing to leave the blood alliance for Servant of the adults! Be a cow and a horse for adults!"

Lei Jianyun gave Elder Zheng a fierce look, and said angrily: "What the **** are you talking about! You sold your blood alliance to survive! If the **** leader knows about it, you might endure the anger of the leader!"

Elder Zheng ignored him and continued to beg Ye Chen for mercy.

If you don't beg for mercy, you are dead now, and begging for mercy might live a few days!

Ye Chen's sword edge fell on Elder Zheng, and said lightly: "I just want to know one thing, my father Ye Tianzheng can be locked in a blood alliance dungeon by you."

Elder Zheng glanced at Zhanlongqiantian Sword, his eyes shrunk to the extreme, and he quickly said: "Mr. Ye, I know I know! I swear to you, I didn't touch a single hair of him, he is well in the blood alliance dungeon! "

Suddenly, he thought of something, and quickly sacrificed a piece of blood alliance jade pendant.

is engraved with the word Tianlao.

"Mr. Ye, this jade pendant is the key to the blood alliance and the dungeon. The dungeon is an ancient prison. There is no other way to open it except for the two blood alliance keys. There is also a key with the leader."

"Also, there is a power in your father's body to protect him. The blood alliance cannot break this power no matter what means it uses. This is also the reason why our investigation was interrupted."

Ye Chen shook his five fingers, and the jade pendant fell directly on the palm of his hand.

He can feel the mysterious power in the jade pendant, which must have something to do with a formation.

The other party should not lie to him.

Now that he got the key, this elder Zheng is worthless.

Ye Chen's killing intent was released.

"Mr. Ye, don't kill me, my strength is enough to be your servant! At least I can help you solve a lot of things! You must enter Kunxu, even the blood alliance, I can just be a guide!"

Feeling Ye Chen's murderous intent, Elder Zheng said quickly.

'S voice trembled even more.

Ye Chen sneered, and a sword fell.

Elder Zheng's head just fell to the ground.

His eyes widened, extremely ferocious.

He never thought that he would really die.

The blood gradually stained the earth, shocking.

Ye Chen's eyes were only indifferent.

Even if these people are of great value, he will not stay.

Then Ye Chen's eyes fell on Lei Jianyun again.

But Zhanlongwen Tianjian touched the opponent's neck.

is extremely cold.

Lei Jianyun is straight on itself, without the slightest fear.

He stared at Ye Chen fiercely, and said angrily: "I won't beg you! Kill if you want!"

Ye Chen outlined a smile at the corner of his mouth, and suddenly said, "Did you just ask me about Ye Jitian?"

"If I didn't guess wrong, this time, your army is overwhelming. This should be mainly used to deal with Ye Xitian."

Lei Jianyun heard Ye Jitian's name, his eyes shrank, and he said coldly, "So what!"

"Then I will satisfy you, since you want to know Ye Jitian, I will let you see Ye Jitian today!"

In the next second, Ye Chen pinched his fingers, and a ray of light radiated from the palm of his hand.

Ye Xitian's face appeared instantly.

Lei Jianyun's eyes widened!

Thousands of waves are set off in my heart!

Countless doubts are solved at this moment!

Blood Dragon!

powerful combat power!

Sword against the sky!

He stretched out his hand and pointed at Ye Chen and said, "You are Ye Jitian! How could it be...I...I should have thought of it long ago."

Ye Chen outlined a smile at the corner of his mouth: "Since you know, then I can send you on the road with peace of mind."

The sword rises, the sword falls.

blood sprayed.

A head just fell to the ground.
