### Chapter 631: Killing air!

At this moment, Ye Chen exhaled a long breath.

He seemed to be in a sea of blood.

To be honest, although he walked the way of killing.

never killed so many Kunlun virtual powerhouses.

If there is no Dragon Slashing Asking Heaven Sword, if there is no help from the Reincarnation Cemetery, today, it may be him who died.

Suddenly, he discovered that there was a vague blood condensed in this sea of blood, and he flew towards Ye Chen frantically.

"this is?"

Before Ye Chen could react, the blood dragon phantom in his body condensed again, absorbing the blood evil spirit wildly.

The blood of a hundred people, this is a great tonic for Ye Chen's way of killing and the blood dragon phantom in his body.

Vaguely, Ye Chen found that the blood dragon phantom was flashing red light all over his body, and his body was getting bigger.

Not only that, those auras even penetrated into Ye Chen's body, and even gave Ye Chen a hint of breakthrough.

"Could it be that killing can make me stronger?"

Ye Chen frowned and said to himself.

The Slaughter Daoist once said similar words, but he didn't take it seriously, but now it seems that it may be true.

ten minutes later.

Everything is absorbed cleanly.

The blood dragon also returned to Ye Chen's body.

Ye Chen put the Zhanlongwentian sword into the reincarnation cemetery first, and at the same time took out a jade pendant in his hand.

This is the key to the blood dungeon.

Now that I have this key, it is time to go to the blood alliance.

Although there is a power in his father's body to guard him, those in the blood alliance will always have a way to deal with.

I just don't know what happened to Kunlun Xu this time.

Is right?

Are the people you met five years ago still alive?

Ye Chen put away the key to the dungeon of the blood alliance and walked out of the Jiangnan International Airport.

Before he went outside, he found countless figures standing outside waiting for him.

Not only Bao Peimin and Bai Lixiong, but even the old man who controls the highest power in China also came.

Ye Chen pinched his fingers, and the formation directly disappeared, and it had no effect.

"Mr. Ye!"

Bao Peimin took a step first, his expression was extremely excited!

"Mr. Ye, for thousands of years, you can definitely be called the first person in China!"

"The scene just now made me enlighten me a bit! Peimin thanked Mr. Ye for this."

Bao Peimin and the Guardian of China behind him are quite respectful.

Although they are considered to be the strongest existence on the surface of China, they are guarding China!

But compared with Ye Chen, the gap is too big!

One person killed a hundred Kunlun imaginary strong people, for thousands of years, no Chinese can do it!

Kunlun Xu actually belongs to China, but because of the great difference in spiritual energy.

In order to prevent Kunlun Xu's spirit from flowing into Huaxia, thousands of formations can condense an ancient formation to separate Huaxia and Kunlun Xu! And Qianwei Daneng signed an agreement with the Chinese authorities.

Kunlun imaginary strong people will never use force in China, and offenders will be punished!

Unfortunately, with the passage of time, this paper document has long lost value.

The thousand mighty powers that set up the formation have long since disappeared.

Huaxia's aura is getting thinner and thinner, but Kunlun Xu's aura is getting stronger and stronger.

The gap is huge, and Kunlun Xu naturally has no interest in making a deal with China.

But who knew Hengkong had come out Ye Jitian and Ye Chen!

The two manpower turned the tide, crushed everything, and even beat the entire Kunlun sect and the strong!

is really evil.

Ye Chen nodded towards Bao Peimin, and patted him on the shoulder.

He can feel the meaning of breakthrough in Bao Peimin. It seems that this battle has a huge impact on him.

But Bao Peimin is also his own, and Ye Chen naturally hopes that the other party will become stronger.

Then, Ye Chen's eyes fell on the old man.

The identities of everyone present can't compete with the elderly.

The old man naturally noticed Ye Chen's gaze, and the old voice sounded: "Ye Chen, you come with me, I need to tell you something."

"it is good."

.....

At the same time, Kunlun is empty.

on a lofty mountain top.

The seven old men looked at the sky full of clouds and exchanged the situation of Kunlun Xu.

Any one of these seven old men was taken out, enough to tremble the entire Kunlun Xu!

They control Kunlun Xu's resources, and they hold supreme power! They are strong enough to destroy everything!

One of them is the leader of the blood alliance sword blood sedimentation!

An old man in a golden robe put his hands behind him and touched his beard and said lightly: "I heard that there is an interesting story about Huaxia during this period. Huaxia Kunlun Mountain, which is also near the entrance of Kunlun Xu, broke out in a big battle. A young man named Ye Jitian!"

"It is rumored that this Ye Jitian is extremely enchanting, with a root of about 20, and his realm is actually above the holy state or even the holy king state! Looking at Kunlun Xu, there is no such talented person."

"Not only that, this person has the supreme sword art, but also controls the divine thunder and the giant dragon, so that if he grows up, Kunlun is afraid that he will never live peacefully."

The other old man had obviously heard about it. He looked at Jian Xue Shen and said, "Although Ye Sutian has only appeared once, it has caused Kunlun Xu to panic, and my sect disciple has no intention of practicing. And In that battle, the worst is the Yibaoge and the blood alliance. I have heard that the two powers, one does not stay, can be called annihilation."

As soon as he said this, countless eyes fell on Jian Xue Shen's body.

Jian Xue Shen has cold eyes, he has asked the people of the Blood Battle Palace to take Ye Sutian, it should not be long before there will be results.

Seeing everyone's eyes focused on his body, Jian Xue Shen coldly snorted: "This is just dazzling. Ye Jitian is so exaggerated, but my blood alliance did lose a few disciples, but these disciples are all It's an influential existence, it's hard to even step into the Palace of Blood!"

"Also, it is impossible for Ye Xitian to kill the people of the blood alliance. It is impossible to get out of the blood. I have sent the strong of the blood battle hall to take this!"

"Maybe, tomorrow, you can see Ye Xitian."

The blood of the sword fell and the corner of his mouth revealed the joy of the winner.

The other few people nodded when they heard the Blood Battle Hall, "I've heard of Lei Jianyun, God of War. I have reached this level of strength at this age, and even beheaded so many powerful people. This person should have won Ye Sutian. Maybe. It seems that Ye Xitian will be exposed soon."

"He shouldn't be wrong, just shouldn't offend Lao Jian you!"

There was a hearty laughter.

Jian Xue Shen also smiled, but soon his smile became stiff!

Because the connection in his mind suddenly broke!

Elder Zheng and Lei Jianyun both fell!

how is this possible!

At this moment, his face is extremely pale!

He subconsciously thought that he had made a mistake, but soon, the spiritual creature hanging around his waist rang.

Chapter 632: Who in the world can find Ye Sitian?

The shape of this thing is a bit like a mobile phone, but it is a lot more advanced, surrounded by aura.

"Holy lord, it's not good! Something big happened! Just now, hundreds of life plates were all shattered! This is not the most terrible, the terrible thing is that Lord Lei and Elder Zheng have all fallen!"

"They went to Huaxia this time! Could something happen to Huaxia!"

There was a terrified voice over the phone!

Although the voice is very soft, the few people present have cultivated tyrannical strengths, and it is so easy to hear it!

All their faces changed slightly!

even took a breath!

is Huaxia again! The key is that the \*\*\*\* battle hall is not a weak force!

How could something happen for no reason!

At this moment, Jian's blood is heavy and his face is pale!

If he remembers correctly, Huaxia will send out a hundred people!

This team of one hundred people is mainly looking for Ye Jitian!

Obviously, the beheading of a hundred people must have something to do with Ye Xitian!

He really couldn't think of the existence of such evil spirits in China, a place lacking aura!

Isn't one Ye Sitian not enough!

At this critical moment, he really has nothing to do with his face!

The powerhouse of the blood alliance was bloodbathed by an unknown guy from China!

is just a \*\*\*\* shame!

"Ye Jitian!"

The sword blood sedimentation is released, and the dark clouds above the mountain surge!

Ten thousand feet of thunder crashed down!

The giant tree under the mountain shattered, even turned into a flame and started to start a prairie fire.

The old man in the golden robe saw this scene, his robe shook, the wind rolled, and the flame went out.

Then he patted Jian Xueshen's shoulder even more: "Old sword, a hundred people in the Blood Battle Hall can't kill a single Ye Jitian? Is it possible that Ye Jitian is above the Saint King Realm?"

"Even if this Ye Jitian is the Kunlun Xu's power, it is impossible to cultivate it so badly. To a certain extent, this Ye Jitian has threatened us, and even the entire Kunlun Xu. I suggest the entire Kunlun Xu Huaxia wanted Ye Xitian! We can even join forces with the Kunlun Xu majority sect to block this person!"

"I don't believe it, Ye Xitian can still surpass Kunlun Xu!"

Jian Xueshen glanced at the old man in the golden robe, pondered for a few seconds, and finally nodded fiercely: "Okay, my blood alliance still has some cooperative sects. Let's move separately! Kunlun Xu's pattern and rules have been set, and others are not allowed to destroy it. This Ye Xitian is not only the enemy of my blood alliance, but also the enemy of the entire Kunlun Xu!"

The six figures determine everything, stepping out in one step, and directly dissipating in the clouds.

is like a fairy! Visible strength is terrifying!

.....

on a tall building rising from the ground.

top floor.

Highly guarded.

There are only three people in the whole house.

Ye Chen, the old man and Bai Lixiong.

The power of the three was enough to shake the entire Huaxia, and this was an epic meeting.

The old man looked at the direction of Jiangnan International Airport through the glass window. Soldiers in camouflage uniforms were already doing the finishing touches.

All flights in China have also resumed.

It's just that it's almost impossible to use Jiangnan International Airport in a short time.

The old man turned his head, and a long-lost smile appeared on the old face: "Ye Chen, I have been optimistic about you from the beginning, and now I am not mistaken. Your current strength can shake the blood battle hall and even kill hundreds of people. The \*\*\*\* battle hall has been famous for a long time, this battle is enough to be recorded in the history of Chinese martial arts!"

Ye Chen shook his head: "It's just luck."

The old man turned around and said word by word: "Do you know that luck is also part of strength?"

"I am looking for you this time, mainly for two things."

When the old man said this, he glanced at Bai Lixiong, Bai Lixiong naturally understood something, took out a box engraved with the China logo, and placed it in front of Ye Chen.

is extremely refined.

made of black iron.

Ye Chen looked at the box in front of him and frowned: "What is this?"

"This is your thing, and it's the time I exercised my power the most." The old man said.

When he was on the rooftop, he let the people below do it.

Regardless of the result, this belongs to Ye Chen.

Ye Chen opened the box and saw a certificate and a medal in it.

On the medal was engraved with a cold and proud figure, and a blood dragon hovered around the figure.

Ye Chen didn't surprise Ye Chen, but what surprised him was the words above-Zhen Guo War God!

These four characters are like some kind of magic power, which can counter everything!

Domineering!

"Ye Chen, I know you don't like any restraints, and Huaxia is not qualified to restrain you. I hope you can accept this honor."

"The God of War of the Zhen Kingdom has surpassed all the rights of Huaxia. The Martial Arts Bureau or any department of Huaxia cannot restrain you. Even in front of Bai Lixiong, if you take out this thing, he will obey you."

"The significance of this medal surpasses everything."

"I know you won't care, but this is what Huaxia should give you the most. Also, the Ye Family in Beijing will also become the top family officially recognized by Huaxia and will be protected by the highest level of Huaxia."

Ye Chen glanced at the medal and the certificate in the box, nodded, and accepted it.

Although this thing is of no practical use to him now, it represents Huaxia's attitude.

"The second thing is also the most important thing for me to come to you. You have disappeared for five years, and you have crossed from an ordinary person to become the God of War of the Kingdom of Zhenguo. If I guess right, you should be in Kunlun for the past five years. The old man squinted.

"I didn't mean to spy on your secrets. I just want to remind you that this matter is far from over."

Ye Chen tapped his fingers on the desktop, and admitted openly: "I have indeed spent the past five years in Kunlun."

This is not a secret anymore.

Although the old man was prepared, his eyes shrank, and then he said seriously:

"Sure enough. Ye Chen, I know a little bit about the blood alliance. His existence is above the rules. The blood battle hall is just a force in the blood alliance. Although important, it is still far behind the strong people in the blood alliance. There are some."

"You come from Kunlun Xu. You should understand the rules of Kunlun Xu. The weak eat the strong, and the forces in it are the ultimate protection. You have killed so many people in the blood alliance, and the leader of the blood alliance is naturally unable to sit still. What should I do next? Go, I hope you think it through yourself.

But don't worry, I will send someone to erase the memory of all the onlookers today, and no one will reveal it. "

Ye Chen can feel the old man's intentions, but he is not afraid of revenge from the blood alliance.

From the moment the blood alliance took away his father, there can only be one blood alliance.

When the time is right, he will kill the blood alliance!

made these people feel what is terrible anger.

At the moment, it is impossible for the blood alliance to retaliate. According to the intention of this group of people to enter China, it is estimated that the blood alliance will inevitably blame Ye Sutian for all this.

But is there really Ye Jitian in the world?

Ye Chen said yes, so yes.

Ye Chen said no, who in the world can find Ye Xitian?

Chapter 633: I just want to have you

The old man felt the powerful self-confidence burst out of Ye Chen, and continued: "Ye Chen, where are you going to go next?"

Ye Chen stood up and looked in the direction of Kunlun Mountain: "I'm going to Kunlun Xu. I'm not sure how long. Ye family and my friends will take care of you temporarily."

"I may come back anytime."

It's not that he doesn't want to bring his mother and Xia Ruoxue into it.

But this time, he is heading for the blood alliance, and no one knows the danger inside.

Bringing mothers and them will only put them in a dangerous situation.

Once he rescues his father, he will return to Huaxia. If they want to enter Kunlun Xu, Ye Chen will also bring them in.

The old man naturally knew what Ye Chen was going to do, and wanted to admonish him, but he still didn't say anything. He could only say: "Ye Chen, don't worry, if I am here, it's impossible for anyone to move Ye's family! Physically he stepped over!"

Hearing this oath, Ye Chen was moved in his heart. The next second, he took out six bottles of medicine from the reincarnation cemetery.

"This thing is considered a gift from me. Please accept it. If you don't accept it, I won't need the words "God of War".

The old man hesitated for a few seconds, then nodded and accepted.

Then, Ye Chen sacrificed another drop of blood, and the blood shot directly into the sea of consciousness of the old man.

"This blood can establish contact with me, even if it is thousands of miles away. At the same time, this blood has a strength of mine. If you or the Ye Family are in danger, you can sacrifice it!"

The old man felt the power of the blood in the sea of knowledge, and said seriously: "Okay!"

.....

Ye Chen finally left the top floor.

When parting, he chatted a lot with Bai Lixiong.

Bailixiong will enter Kunlun Xu early tonight.

Ye Chen asked Bai Lixiong to enter with him, but was refused.

Bai Lixiong has dragged the relationship, and someone leads the way.

just tonight.

The Kunlun virtual guide will not give him a second chance.

He bet everything, just want an answer.

This may be Bai Lixiong's blood and seriousness.

Bailibing is home to the Baili family, so naturally there can be no danger.

China is now considered Anbang apart from Kunlun's imaginary uncertainty.

He really wants to do something for himself.

Mingcui Villa.

Ye Chen returned to the villa and found that Xia Ruoxue and Wei Ying had already counted the spoils that Yintai had returned today.

"Xiao Chenzi, the weather in Jiangnan Province is really wrong today. Several roads have been blocked by traffic police, and the sky is even bright and dark. At that time, Wei Ying and I thought the end of the world was the end of the world."

"What do you think of my suit?"

Xia Ruoxue blinked her eyes, feeling pretty good.

But soon, Xia Ruoxue noticed something wrong with Ye Chen.

She is not stupid. After contacting some things, she understood something. She grabbed Ye Chen's hand and walked towards the second floor: "Yes, there is something upstairs that I forgot to give to you. Come with me. ,quickly."

On the first floor, only Wei Ying was sorting things.

There was a trace of chill on her body, and the soul stone on her neck shattered a bit.

Ye Chen just put it on for her.

But today's vision in Jiangnan Province has made the dormant power in her faintly awakened.

There were even voices in my mind constantly, confused, vaguely related to the word Kunlun.

On the second floor of the villa, the door is closed.

Xia Ruoxue looked at Ye Chen, and took a broken leaf from Ye Chen's hair with her slender fingers: "Are you going to Kunlun Xu?"

Xia Ruoxue's voice was extremely calm, without a trace of fluctuation.

Ye Chen's eyes widened when he heard these words, but he didn't say anything. How could Ruoxue know.

Seeing Ye Chen's reaction, Xia Ruoxue smiled, and Qingcheng smiled.

"I heard you talk about Kunlun Xu a long time ago, and my uncle should also be brought into Kunlun Xu. I still don't understand your temper. Your expression on your return looks like hesitant to talk, obviously you are going to go. There."

"Ye Chen, I want to say, would you like to take me with you?"

Xia Ruoxue's eyes were filled with expectation.

Ye Chen shook his head: "Going to Kunlun this time is extremely dangerous. If you take you, it will only be even more dangerous."

"But when my Kunlun virtual affairs are done, I will pick you up and go in."

"Also, Kunlun Xu itself is in Huaxia. If I figure it out, it will be very easy."

Xia Ruoxue frowned her eyebrows and thought for a few seconds, and then said in relief: "I said, I will stand behind you to support you, but this time, I will give you one month, within one month, whether it is resolved or not, You are all coming out to see me."

"If you don't come out, I will go in with Sun Yi and others to find you."

"This month, I will help you guard Ye's family well, and then I will practice hard and try not to shame you Yuluo, Xia Ruoxue stretched out her hand and pressed it on Ye Chen's strong chest Above.

"As for now, I just want to have you."

Ye Chen hadn't reacted yet, he felt a faint air current enveloping him.

In the next second, he was pushed onto the bed by Xia Ruoxue.

Xia Ruoxue sat on Ye Chen like this.

Even though the clothes are separated, the touch is particularly strong.

Xia Ruoxue spreads the waterfall on one side as long as it is, with red lips directly approaching

touched Ye Chen's soft lips,

The lips gathered together, and the tip of the tongue stirred Ye Chen's heartstrings.

Under a kiss, it's hard to get rid of it.

The neck, ears, chest, and abdomen are all covered by red lips.

Ye Chen's clothes were also removed.

The two embraced naked, and the last \*\*\*\* was burned.

"You have to give me the amount for this month, and I want the amount for the next month."

The panting sound gradually sounded, and Xia Ruoxue held something, fiery, and slowly put it in.

The spring scenery full of houses is unforgettable.

.....

The next day, Beijing.

Ye Chen returned to the Ye family in Beijing.

Sun Yi has broken through the barrier, and under Ye Chen's powerful pill, successfully entered the separation and separation realm.

Zhu Ya came back early a few days ago, and her realm was stable at the fourth level of the Separation Realm.

Only mother Jiang Yanrong still did not leave.

Ye Chen looked at the wave of fluctuations in the training room, and looked at Sun Yi: "My mom hasn't come out yet?"

Chapter 634: Killing intent on you!

"Xiaochenzi, do you think Auntie is going crazy?"

Ye Chen just wanted to speak, and a strong breath of breakthrough swept through!

Not only that, the thunder and tribulation is extremely violent above the sky!

Ye Chen looked at that Lei Jie with a hideous expression!

Because he felt that what his mother is now entering is actually a spiritual ascension state!

This is too scary!

I have been practicing for five years, and there is such a heaven-defying existence like the reincarnation cemetery!

Although he has supplied his mother with countless pills, it is impossible for him to break through at this speed.

Even if his mother was the most talented person in China back then, she couldn't be so exaggerated!

For the first time, he discovered that he underestimated his mother.

Can someone who has only stepped into the path of cultivation for less than a month reached the current achievement?

Just when Ye Chen was puzzled, Duan Lei Ren's voice sounded in the reincarnation cemetery.

"Apprentice, it seems that your mother has completely awakened. It should be something that hit your mother and made your mother awaken her blood in despair."

"The strangest thing, the blood in your mother's body is not simple!"

"Your father, Ye Tianzheng, and the secrets of your mother are far from qualified to touch, but it is precisely because of the talents and secrets of the two that gave birth to you, and the reincarnation cemetery chose you for no reason."

Ye Chen took a deep look at the practice room, did not choose to interrupt, but told everyone that he was leaving.

Although Sun Yi and Zhu Ya wanted to follow Ye Chen into Kunlun Xu for the first time, they finally gave up under Xia Ruoxue's persuasion.

They knew their strengths, and entering Kunlun Xu now was nothing but trouble for Ye Chen.

Besides, Ye Chen promised them that they would definitely come out in a month.

They can only regard this as Ye Chen traveling abroad for a month.

Then, Ye Chen stayed at Ye's house for another day.

On this day, he did nothing but company.

.....

The next day, Kunlunshan International Airport.

Three figures got off the plane and drove the off-road vehicle towards the depths of Kunlun Mountain.

These three figures are Ye Chen, Xue Fenghua and Shen Shixi.

Blood Fenghua has changed his face, after all, to the blood alliance, he is already a dead person.

If I go back alive, many things are unclear.

Xue Fenghua understood the blood alliance and became Ye Chen's servant.

It is extremely crucial to deal with the blood alliance this time.

Shen Shixi's strength and knowledge of Kunlun Xu are enough to be his left arm and right arm.

It's safest to take two people.

The car stopped quickly, Shen Shixi glanced at Ye Chen, and said softly, "Mr. Ye, do you need to go to Wan Jianzong first?"

Ten Thousand Sword Sect is considered to be a large sect in Kunlun Xu, and the blood alliance does not dare to move the Ten Thousand Sword Sect. If all of the Ten Thousand Sword Sect join forces to deal with the blood alliance, although it is impossible to defeat it, serious injuries are still possible. "

Ye Chen shook his head: "Although the strength of Wan Jianzong is strong, there are too many people, there is no need to head-on. After entering, the fewer people, the better, the blood alliance will naturally be destroyed, not now. The most important thing at the moment is to rescue me. father."

Shen Shixi thought carefully, and it was true: "Mr. Ye still thinks thoughtfully."

The three of them got out of the car and were about to walk towards a gate far away inside, but the \*\*\*\* wind stopped.

"Mr. Ye, come here quickly."

Xue Fenghua stared at a notice board and said.

Ye Chen and Shen Shixi frowned, walked to the notice board, they found two portraits!

is Ye Jitian and Yi Rong's Shen Shixi!

Shen Shixi's eyebrows were extremely serious, and his eyes burst into cold light.

Because this is not a normal wanted order!

is the order of a hundred pursuits!

Hundreds of sects on Kunlun Mountain joined forces to hunt down Ye Jitian!

What is even more ridiculous is that among the hundreds of sects, one of them is Wan Jianzong!

Shen Shixi didn't know whether to cry or laugh.

Before he could bring the news back, Wan Jianzong unexpectedly wanted Master!

This is Master!

The one who personally guards the sword sovereign!

If Sect Master Wanjian Sect knew the truth, he didn't know what his expression would be!

is probably going to be trembling all over!

"Mr. Ye, Wan Jianzong didn't even know, please forgive me, and let Wan Jianzong withdraw when I return."

Ye Chen shook his head: "There is no need to quit, this will only make people suspect Wan Jianzong.

Kunlun gave a hundred orders to kill him, obviously he was really scared. "

"I have thought about returning to Kunlun Xu's scenes countless times, but I didn't expect it to be in such an identity. I don't know what kind of expressions those old friends would look like when they knew that they were Ye Jitian!"

Five years!

Kunlun Xu!

Ye Chen has too much anger and hatred!

He is the only Fangen! Dismissed and questioned by countless people!

The old man took him to find the way to practice, but he did not expect that hundreds of sects rejected him!

There are even endless people humiliating themselves and the old man!

He deeply remembered the helpless look in the old man's eyes.

The old man pursues medical skills and alchemy all his life! Something lacks in martial arts!

He wanted to give Ye Chen the best environment, but he didn't expect to be treated coldly!

He hasn't asked anyone for hundreds of years, but it's on Ye Chen's body. I don't know how many people have asked!

Ye Chen still remembers the lonely figure and the encouragement to him!

In Kunlun Xu, except for the help of Ji Siqing and Ji Lin!

Ye Chen is most grateful to the old man!

If the old man hadn't saved him from Dongqian Lake back then, there would be no self now!

Ye Chen broke out with a strong murderous intent.

The three of them have arrived at the entrance of Kunlun Xu before they know it. It is a huge golden gate and a stone wall condensed by ancient formations!

Suppress everything, it is impossible for anyone to try to break through!

Not only that, there are four strong men standing at the door!

See the realm at least above the holy realm! It may even be the Holy King Realm!

They held spears and looked condescendingly at the oncoming three people!

One finger of the spear fell on Ye Chen, Shen Shixi and others!

"Who! Show Kunlun Xu's identity token!"

Shen Shixi and Xue Fenghua were a little confused. They remembered that when they came out, it was obviously not these four!

The realm gap is also very large.

Why suddenly changed a group of strong men?

Shen Shixi and Xue Fenghua smiled, and quickly handed out three pre-prepared identity tokens.

even took out some spiritual stones, and carefully handed them over: "Four adults, we have just returned from Kunlun Xu from doing things, and there is no respect for it."

This is the rule.

Unexpectedly, the four of them directly pushed away the hands of the two of them, and their cold eyes swept the three of them, and said coldly: "Remove your spirit stones, very time! Anyone who enters China must be strictly checked! Don't come to this set. !"

One of the guards shot Ye Chen with colder eyes, and the spear fell ten centimeters away from Ye Chen!

"Boy, why did I feel killing intent from you? Kneel me down! Get checked!"

"If you dare to voluntarily, I will let you feel death!"

Chapter 635: Trembling!

As soon as these words came out, the four pairs of eyes shot at Ye Chen!

At the same time, the other three spears condensed by spiritual energy and evil spirit also fell in front of Ye Chen.

Swords drawn! Triggered in World War !!

Since the birth of Ye Jitian in Huaxia, the atmosphere of Kunlun Xu has obviously changed a bit.

Some people even panic!

It is logically impossible for a person who has entered the Holy Realm or the Holy King Realm to cause such a big impact!

But Kunlun was truly shrouded in a shadow.

Because of that man named Ye Jitian, no one knows what his cultivation skills are!

The only thing I know is that the man holds the God Thunder and the Nine Sky Dragon!

Check out new PVP arena battles!

The last two alone are enough to be daunting.

Because of Ye Xitian's affairs, the person who originally guarded the boundary was directly stripped away and replaced by the person who arranged for a hundred!

After all, Ye Jitian appeared in Huaxia, and it is extremely possible to enter Kunlun Xu from Huaxia!

And the four of them are the strong ones selected by a hundred!

Naturally, the spirit stones of Shen Shixi and Blood Fenghua will not be collected!

All they have to do is to stop all suspicious people!

Ye Chen is currently the most suspicious existence.

Seeing that the situation is not right, Shen Shixi chuckles in his heart, and quickly laughed: "Four adults, don't get me wrong. He is a relative of me in China, he is ignorant and has never seen the world. Please forgive me. This is our identity certificate. Adults can take a look."

Shen Shixi dare not be the slightest carelessness, after all, it is not easy for these four people to be arranged here!

More importantly, if these four people have an accident, the strong in Kunlun Xu will definitely find out!

Then they can't escape with their wings!

"Go away, I didn't ask you, if you talk nonsense, I will be the first to kill you!"

The gatekeeper's words are extremely cold!

The cultivation level of these people, he saw at a glance, to him, it was nothing!

If he wants to do it, it's easy!

He feels right now!

Even if it's just a dog at the gate of Kunlun Xujiekou!

is also better than most people in Kunlun Xu and Huaxia!

Besides, just now, a few people from other sects happened to pass by and belittle him!

This makes him extremely unhappy!

And now, all the anger was sent to Ye Chen, Shen Shixi and others!

Ye Chen's killing intent was reduced, and he woke up from Kunlun Xu's memory.

He looked at the four people in front of him, his eyes indifferent.

"My identity token is in his hand, won't you read it yourself?"

Shen Shixi's face turned pale when he heard Ye Chen's attitude!

He knows Ye Chen's character, so he doesn't look good at all!

This is the key to the attitude of the other party!

But people have to bow their heads under the eaves!

"Boy, do you know who you will talk to again? I make you kneel, you must kneel!"

In the next second, a wave of supreme coercion moved towards Ye Chen!

The coercion even changed the expressions of Xue Fenghua and Shen Shixi!

The blood seems to solidify!

It can be seen how terrifying the strength is!

The gatekeeper has a proud smile on his mouth!

He roughly saw Ye Chen's cultivation level!

is too far from him!

This kind of person, to him, is no different from ants!

Even if there is something to kill, who dares to object!

Ye Chen watched the coercion sweeping over, and the corner of his mouth sneered: "Let me kneel? Are you sure you have this qualification?"

The words fall.

The power of the blood dragon inside roars!

Life Talisman offering!

Ye Chen's momentum has risen!

stepped out one step, the supreme coercion disappeared!

Not only that, the expression on the face of the pressured goalkeeper freezes, and it takes a few steps back!

Blood surges!

His eyes widened, staring at Ye Chen firmly.

For a moment, he actually felt cold death!

It's like if he dares to do anything, he will definitely die!

The other three goalkeepers naturally felt something was wrong, and they broke out!

"This boy dares to resist, let's do it together!"

The four directly condensed the formation, and the cold spear swept away with bursts of cold light!

The meaning of four shots, gusts of wind, the spiritual energy of heaven and earth is swept here!

Countless red lights are blooming!

makes people feel palpable!

Ye Chen glanced at everyone, ready to sacrifice the Dragon Slashing Wentian Sword!

He doesn't care about the lives of these four people!

Since he touched his brow, then kill it!

Kunlun Xu is messy enough, so Kunlun Xu is simply shrouded in an invisible shadow!

And what Ye Chen has to do is to blaze a trail!

At this moment, he noticed a piece of Yejia jade pendant in the reincarnation cemetery shining brightly.

"Apprentice, it's better not to do anything here. I can feel a pair of cold eyes staring at you 100 meters away. The other party is very dangerous. Once you do it, this person will do it. The consequences will be disastrous."

"If I guessed correctly, this jade pendant is enough to solve the immediate predicament."

"it is good."

Ye Chen snorted coldly, and in the next second, he directly sacrificed the jade pendant in his hand.

The jade pendant is suspended in the air.

was naturally seen by the four gatekeepers who were about to kill Ye Chen!

When they read the ancient words on the jade pendant, their movements stopped completely!

seems to be petrified.

Hold your breath.

There was even a hint of panic in his eyes! It's like seeing something terrible!

"If you are still ready to do it, I don't mind stepping in on your corpses!"

Ye Chen's cold words resounded!

The four spears suddenly closed!

The four of them knelt down!

They know the origin of Yu Pei!

Kunlun Xu's top family!

is one of the ancient families!

Although has fallen a lot with the passage of time, it is not that few of them who have no identity can provoke them!

If the young people in front of you get angry, the sect behind them will not necessarily save them!

"My lord! We are blind to Mount Tarzan! Please be merciful!"

Their attitude is extremely sincere!

Even the voice is shaking!

They finally understand why this young man can break the pressure casually!

He doesn't even have a trace of awe for them, with a jade pendant on his body and standing behind such a behemoth, what awe he needs!

Shen Shixi and Xue Fenghua were a little confused.

They naturally didn't know that Ye Chen still had this identity in it.

The key to Ye Chen's jade pendant gives them a hint of surrender right now!

Ye Chen shook his five fingers, and the jade pendant flew back to his hand, even disappearing.

"Now, are you still killing me?"

Ye Chen's indifferent words fell.

"Adult, the little one dare not!"

"Now, do you want to check my identity?"

"My lord, we really dare not! Please let us go!"

These four are really going to cry!

Ye Chen snorted coldly, glanced at the depths, and stepped directly into it.

These people, he really didn't take it seriously.

How about entering the Holy Land?

"let's go."

Ye Chen took Shen Shixi and Xue Fenghua directly into the Golden Gate, and the rich spiritual energy came to his nose.

After a full minute, the four people stood up, all wet.

Chapter 636: Things are wrong!

The four of them glanced at the direction Ye Chen left, and exhaled a long breath.

The evil spirit finally left.

If they really left behind, they might have to abolish the cultivation base to stop the other's anger.

Kunlun Xu is actually the same as Huaxia, whose strength can't play with power.

That jade pendant represents power.

"Kunlun Xuye Family, why has it been this Ye Family news recently? Could it be that Ye Family is going to return to its ancient status?"

"Forget it, some things are not something we can guess."

"When we finish this post, let's leave quickly."

The others nodded.

At the same time, an old man with a gourd on his waist also appeared in front of the door.

The old man took the gourd and took a sip of wine, his turbid eyes seemed a little blurred.

seems to be drunk.

But under these muddy eyes, there was a glimmer of light inadvertently.

"Old man Ye's grandson has finally entered Kunlun Xu. It seems that Old Man Ye's move is really right. If the layout behind Old Man Ye is correct, this kid might really be the only one to break through the eternal game!

Killing a hundred people in the Blood Battle Hall is really interesting. The secrets of this kid have made me more and more interested. "

"Kunlun Xu, Ye Xitian, who you are looking for, is back! I'm afraid I will be disturbed from now on."

"Hua Xia was disturbed by this kid, and it was miserable. Now Kunlun Xu is even more miserable."

After the old man finished speaking, he staggered towards Kunlun Xuzhong.

The four goalkeepers just wanted to stop each other. When they saw the old man's appearance, their eyes shrank together, becoming more frightened.

They quickly and respectfully said: "My lord, you... why are you here?"

They know the identity of this old man!

Kunlun Xu has a legend about this old man!

Not only that, there is a portrait of this old man in their sect!

Ye Chen can't offend, this old man can't offend even more!

The old man ignored the four, took another drink, smiled, and disappeared from the sight of the four.

.....

Kunlun Xu.

Shen Shixi stopped when he left the boundary gate for a kilometer, and said to Ye Chen: "Mr. Ye, let's go to the blood alliance now, or where?"

Ye Chen glanced at the map in his hand and narrowed his eyes: "The blood alliance is not in a hurry, I want to go to an old place! This is also the only place to go to the blood alliance, and it is the place where I grew up in Kunlun, or Said that he is the sect behind me."

Hearing the words Zongmen behind, Shen Shixi was breathing fast!

He is curious!

What kind of sect can nurture such a strong person!

Ye Chen's Heaven Defying He has witnessed it with his own eyes!

Although Wandao Sword Sovereign is Ye Chen's master, it is clear that there must be a powerful sect behind Ye Chen!

Otherwise it is impossible to be so unscrupulous!

"Mr. Ye, where is this place you are talking about?"

Ye Chen looked in a direction to the west, and said, "Medical God's Gate."

Shen Shixi and Xue Fenghua's expressions changed slightly when they heard the three words Medical Shenmen.

The illusory reputation of God of Medicine in Kunlun is not too big.

After all, Kunlun Xuwu Dao is respected.

Yidao has declined to some extent.

Without the support of martial arts, what is the use of developing medical science alone!

Although the cultivator will be injured, don't forget that Kunlun Xu still has medicines, refining medicine, formations, and various auxiliary means!

Many injuries, one pill is enough to resolve everything!

This is also one of the reasons why the medical school is gradually declining!

Another important reason is the head of the medical gods!

had no pursuit at all, and only accepted a few disciples in a hundred years!

There are no more than ten disciples of the medical gods!

The so-called powerful background behind Ye Chen that Shen Shixi never expected was this!

"Mr. Ye, you are not kidding..." Shen Shixi confirmed.

Ye Chen ignored him, and went straight to the direction of Shen Shenmen!

Although the old man is harsh on him, he is extremely excited at the moment!

I don't know what happened to the old man, Shi San, Xiao Bi, Lao Xue and the others in the Medical Gods.

I guess my self-cultivation level will startle these people with their jaws off.

In those five years, it was not too much to get along with these people, but these people have been silently helping him.

He remembered in his heart!

These seniors are also one of Ye Chen's few friends in Kunlun.

As for Ji Siqing.

He doesn't know how to define the relationship between the two.

has friendship, but never said a few words.

He is well aware of the gap with Ji Siqing. Even if Ji Siqing helps him, because of inferiority or preparing to avenge his parents, he did not communicate with Ji Siqing too much.

Seeing that the distance from the God of Medicine is getting closer, the excitement in Ye Chen's heart is getting stronger and stronger!

After half an hour, Ye Chen was finally almost outside of a sect hall!

Although dilapidated and silent, this is Ye Chen's first home in Kunlun Xu.

But when he came to the gate of God of Medicine, Ye Chen was stunned.

The smile on his face completely solidified.

Because at this moment, there is no vitality before leaving!

There are spider webs crawling over the gate!

It seems like it has not been cleaned for a long time!

"how is this possible....."

Ye Chen stared at the plaque, making sure that he didn't go wrong, no longer hesitating, and pushed the door open.

A breath of dust swept over.

Ye Chen's spiritual consciousness is released!

, it was discovered that there was no one in the medical gods!

The old man is gone!

Ishisan is gone!

The laughter and laughter are gone!

Between heaven and earth, Ye Chen is the only one!

Ye Chen released the murderous intent, Shen Shixi noticed something, and hurriedly stepped forward and curiously said: "Mr. Ye, do you think you will change the place of the healing god? The spiritual energy here seems to be exhausted. It is very likely to have moved. Our Wan Jianzong will change places almost every 100 years, and maybe the same is true of God of Medicine."

Ye Chen nodded, this is indeed a possibility.

He must calm down before he is sure what is going on with the God of Medicine.

He entered the depths of the main hall and glanced at all the places, indeed he meant to move away.

is empty.

It's just that the old man has a few important things that he didn't take away.

In less than a year, what happened to Kunlun Xu?

Why didn't they come to China to inform themselves?

Just when Ye Chen was puzzled, an old man in a commoner came from outside.

When looking at the three strangers inside, he was a little surprised, and then said: "You three went wrong, right?"

In the eyes of the old man, there is no one here for a long time.

The only explanation is that these three people went wrong.

Ye Chen heard a familiar voice, his body was startled, and he turned around abruptly!

He is very clear about this voice, Shi San's father Shi Zhenhai!

Shi Zhenhai obviously knew Ye Chen too, his eyes widened, and his fingers trembled: "Xiaochen, you...you actually came back?"

Ye Chen came to Shi Zhenhai in one step and two steps. Just when he wanted to speak, he saw a black cloth hanging on Shi Zhenhai's right arm!

The custom of this black cloth is the same as that of China.

My dearest passed away.

Shi Zhenhai has only one relative.

That is Shi San!

Chapter 637: lament

Ye Chen's eyes were a little wet for some reason.

He tried to wake up, looked at Shi Zhenhai in front of him, and smiled: "Uncle Shi, this is Xiaochen, where is Shi San? You take me to see him, I still owe him several drinks."

Ye Chen didn't dare to guess anything before he got the exact answer.

Shi Zhenhai heard Ye Chen's words, his eyes dimmed, his eyes were red, and his old hands trembled slightly.

"Xiaochen, Shi Sanhe... he is gone."

"He walked peacefully, so don't disturb him. This time I came to the Shenmen Medical Center to retrieve some of his things and burn him down."

Ye Chen's body was stunned when he said this.

An invisible breath overflows!

How could Ishizo leave!

Check out new PVP arena battles!

is impossible!

Shi San is Shi Zhenhai's third son.

Both of the first two sons fell in Kunlun Xu.

In order to prevent Shi San from following in his footsteps, Shi Zhenhai asked Shi San to choose the medical gods.

Medicine, Taoism and God are always safer than the peak of martial arts.

During the five years when Ye Chen entered Kunlun Xu, Shi San and him went from death to life many times.

At that time, Ye Chen couldn't survive because he hadn't fully stepped into cultivation. If there was no Shi San, he might have died in the mouth of a wild beast.

What impressed Ye Chen most was that Shi San broke an arm in order to block Ye Chen's sword!

Although the old man used a spell to restore Shi San's arm, he suffered a permanent sequelae.

This is something that medicine can never obliterate.

Ye Chen once secretly swore that once one day he returns strongly, he will return Shi San's supreme kindness!

I kept reminiscing about the days when I was in Shenshen Men, Shi San's honest smile seemed to be still yesterday!

"Xiao Chen, I have no lofty ambitions in my life, Shi Sanyi, I just want to marry a wife Hotangtou."

"Kunlun's emptiness is so big, so big that Shi San feels that I am very small. I entered the sacred door of medicine just to set foot on the supreme path of medicine. At that time, it would be a big thing to save the wounded and the wounded in Kunlun.

"There are a group of children homeless in the north of Kunlun. They don't have much talent. They are abandoned by the world. They have been affected by the fighting of the strong all the year round. Some people have lost their eyes and some have lost arms and legs. I think one day I can give these people a second life. I want them to know that Kunlun Xu is also human and warm, and the pursuit of martial arts is not the only thing."

"Xiaochen, have you seen my fiancée? My grandfather had already made a marriage contract for me back then. I recognize him no matter what the other person looks like, but I accidentally discovered a few days ago that my fiancée is just like a fairy! In an instant, I didn't feel good enough for her."

"Xiaochen, on the day of my wedding, I will entertain some powerful Kunlun Xu to sit down and marry her home gracefully. You must come to be my best man, but you are not allowed to be more handsome than me that day. My limelight."

"Xiaochen, although I was not born in a top-notch family, I am also satisfied in this life. A sweet wife, a few close friends, wine and stories, this kind of life is really beautiful."

"I heard that you are going to Huaxia, Kunlun Xu and Huaxia are not much different, but a little less aura. Next time you come back, you will bring me a beautiful younger brother and sister. Although I hope that Ji Siqing is your woman, It's impossible to think about it, who made your kid enter Kunlun Xu now..."

A line that Shi San once said rang in his ear.

seems to be still yesterday.

The Shisan Zhengyi he knew was awe-inspiring!

The Shi San he knows is optimistic!

How can you die even if the medical skills are close to Tongshen?

Everyone in the world may die, but it is impossible to be a disciple of the God of Medicine!

Ye Chen suddenly reduced the murderous intent on his body, suppressed his cold eyes, and grabbed Shi Zhenhai's hand: "Uncle Shi, what are you kidding, I don't understand the third brother Shi? Tell me, where is he?"

Shi Zhenhai shook his head and stretched out a hand to pat Ye Chen's shoulder: "Xiaochen, I didn't lie to you, he really left. After five days of walking, there are things I can't understand more than you, but it really happened."

Shi Zhenhai's voice choked, and tears could not be controlled from the corner of his eyes.

"From then on, my Shi family really has no future. I thought he entered the God of Medicine Gate, and he could escape from the Kunlun Xu martial arts sect. Now it seems that God will destroy my Shi family. What can my Shi family do!"

Between the words, Shi Zhenhai seemed to collapse. At this moment, the emotions that he had been trying to suppress these days completely burst.

fell back weakly.

Ye Chen's appearance was the last straw that crushed the camel!

Ye Chen saw this, and quickly gathered his infuriating energy and helped Shi Zhenhai up.

"Uncle Shi, what happened during my absence, where did the doctors go, where did the master go, and how could something happen to the third brother Shi?"

He is extremely calm at this moment, no matter what, he must investigate everything clearly.

Fortunately, the blood alliance is eager to find the whereabouts of Ye Jitian, and there is another force in his father's body to guard it. The blood alliance cannot move his father at all. The father is safe for a long time.

As long as the blood alliance does not realize that Ye Xitian is himself.

Shi Zhenhai calmed down a bit, then looked at Ye Chen and wanted to say something, but still did not say: "Xiao Chen, Shi San, he committed suicide and has nothing to do with anyone. As for the medical gods, in the second month after you left, you moved out and you were very anxious when you left. I don't know why."

"Shi Sanben wanted to leave together, but because of me, he still stayed. He even said that if one day, if you come back, he might be able to bring you a few more words.

There must be someone at the medical gate. "

"Almost every few days, Shi San will come here to clean and clean, but a month ago, for some reason, his personality became very withdrawn, and he never came here again."

Shi Zhenhai's voice became lighter and lighter, and finally turned into a deep sigh.

Suicide?

Ye Chen sneered, anyone in Kunlun Xu committed suicide?

What's more, even if people all over the world commit suicide, Shi San cannot commit suicide!

Ye Chen looked colder and colder, but the more he asked, the more Shi Zhenhai avoided, as if there was something unspeakable, Ye Chen wouldn't be embarrassed.

Want to know something, he is too easy.

"Uncle Shi, my friend and I happen to have something to do, so I won't disturb you. I'll bring something to see you later."

When Shi Zhenhai saw that Ye Chen stopped asking, he took a long breath: "Xiaochen, you will be busy with you first. Then I will take you to Shisan's cemetery. It is estimated that if your third brother Shi knows that you are going to see him, he will be there. Very happy."

"Okay, Shen Shixi, \*\*\*\* glory, let's go."

Ye Chen's eyes were gloomy, and he walked toward the door of the God of Medicine.

Shen Shixi and Xue Fenghua also followed.

After the three of them left completely, Shi Zhenhai let out a long lament.

has a profound meaning.

Chapter 638: reason!

"Xiaochen, it's not that I don't want to say, there are some things that we really can't compete.

The rule of Kunlun Xu is that martial arts are respected. Without strength, dignity cannot be guarded.

Shi San has left, I don't want you to be implicated, Uncle Shi. "

"This matter, let's stop here, let it be silent like this dust. Shi San may also mean the same below. He has always regarded you as his younger brother. He wants you to live better than anyone else."

.....

Outside the gate of the \*\*\*\* of medicine.

Shen Shixi glanced at Ye Chen and said respectfully: "Mr. Ye, this should not be that simple."

"I know."

Ye Chen's eyes were full of coldness, which was so cold that it made one's heart palpitating.

"The disappearance of the God of Medicine, and even Shi San's accident, is by no means simple!"

"No matter who is behind, I will pull him out and let him kneel in front of Shi San's grave and apologize!"

Because the sky is getting late, the three of them can only find a hotel in Kunlun Xu to stay.

The hotel is magnificent.

The people who come and go are of different levels, and the lowest is also in the ascension state. As for the strongest, it is impossible to estimate.

Ye Chen could clearly feel a few pairs of eyes deep in the hotel and glanced at the three of them.

did not stay too much, obviously thinking that they were not afraid of threats.

The opponent's cultivation base is at least above the Saint King Realm.

The three of them ordered some food on the sixth floor of the hotel. It was not long before they had eaten it, and there was a sound of discussion from the surrounding tables.

"In a few days, the young lady of the Li family will be married to the peak of Kunlun Xu's entry into the Ling Fu list. This is a big event."

"What a few days later, at 8 o'clock this evening, it will be the engagement ceremony of the two. I heard that the strong people nearby will come here admiringly."

"Also, Li Xin's appearance and figure are really unbearable. It's a pity that most people really can't eat this beauty, a devil, but there is a devil inside."

"Brother, what do you mean by this?" a man of extraordinary realm curiously asked the fat man next to him.

The fat man ate a few peanuts, glanced at his surroundings, and said softly: "You don't know my brother, Li Xin had a marriage contract before, and her fiancée committed suicide inexplicably just five days ago. , Don't you find it strange?"

"If I remember correctly, the saddler is Shi San from the God of Medicine, with little medical skills and strength, but unfortunately, he can't get into Li Xin's eyes. Toad just wants to eat swan meat, so he doesn't weigh his own strength."

Ye Chen, who was eating at a table next to him, had his chopsticks hanging in the air.

A faint red light flashed through his eyes.

Bloodthirsty.

kill.

cruel.

He knows Li Xin, this woman, Shi San has been talking about this beautiful fiancée in his mouth for five years.

"Xiaochen, you have to remember, your future sister-in-law is Li Xin, the daughter of the Li family! When you come back from China, I will show you what a fairy is!"

"Not to mention, I always think that the Shi family can only be regarded as the smallest family in Kunlun, but I did not expect that the ancestors of the Shi family were once brilliant, and they left me this way of retreat. I just don't know what Li Xin was to me. What does it feel."

"Successful people like me are afraid that this woman will be fascinated to death, Xiaochen, you have to come on, hey, don't wait for my children to have them, you have no objects."

The words that sounded in Ye Chen's ears were all drunken words that Shi San said when he was drinking.

For him, the only thought of a better life in the future is Li Xin.

Ye Chen smiled at that time, and at this moment, Li Xin's two names are like a knife stuck in his body!

If Shi San's death is really the work of Li Xin, then he will have the entire Li family buried with him!

At the moment Ye Chen's anger swept through, the fat man at the next table continued: "But that toad's death is really a problem. There is no need for Li Xin to perform such cruelty. I think this matter may still be at the peak. There is something to do with peace."

"Gao Ping has entered the Ling Fu list, and he is considered one of the 100 talented people in Kunlun. As long as he does not die in the future, his future is limitless. It is normal for Li Xin to choose Gao Ping. A waste and a genius. It's you, who would you choose?"

The transcendental man took a sip of wine: "What the \*\*\*\* do you choose? The death of that waste is the elimination of good and bad, in other words, it deserves it."

Seeing that Ye Chen was on the verge of an outbreak, Shen Shixi quickly stood up and walked in front of the two men and whispered in a low voice: "Second, it is not good to consume a dead person like this, I advise you to eat honestly."

The fat man glanced at Shen Shixi and frowned: "What are you, what does my chatting with my friend have to do with you? If you are nosy, believe it or not, I will let you stay here forever !"

After speaking, the fat man suddenly smiled and said:

"I understand. If you can't listen, does it mean that you have something to do with that trash?"

The words fell, Ye Chen couldn't help it anymore, raising his head, Bing Han's eyes shot out.

"Shi San is my friend. I don't allow you to insult him like this behind your back. If you want to survive, kneel and abolish the cultivation base, otherwise you will have a dead end."

Ye Chen's indifferent voice just fell, extremely calm.

seems to dominate life and death.

The fat man was startled and looked at Ye Chen. When he felt Ye Chen's realm, his mouth was filled with disdain.

"Little waste, I'm—"

Before he finished speaking, Ye Chen's eyes became cold, and he slapped a palm on the table, and the powerful counter-shock force directly shook the peanuts in front of him!

Ye Chen grabbed with two fingers, a peanut is between the two fingers.

At the same time, the arm swayed gently, and the invisible killing intent and airflow wrapped the peanuts and shot directly!

Very fast!

Those little peanuts hit the earth like a meteor, tearing everything apart!

At this moment, the fat man naturally felt the crisis, and the meaning of death seemed to erode everything in him.

He just wanted to withdraw the long sword around his waist to resist, but found that he was not qualified!

The peanuts penetrated the fat man's throat with cold light.

with a touch of blood, embedded in the wall of the hotel.

Chapter 639: Disturbance!

The fat man didn't even have the power to speak, and fell directly on the dining table.

This downfall, the delicacy is destroyed, and even the companion in the Transcendent Realm feels scalp tingling.

A peanut can be a murder weapon?

The key was the moment when Peanuts shot, he felt the strong confidence and murderous intent of that young man.

is like between heaven and earth, the other party is the king of life and death!

Terrifying!

After doing all this, Ye Chen's eyes fell on the only person left: "You should have heard what I said just now."

The man's face was pale, he glanced at his palm tremblingly, no longer hesitating, and slapped his palm on the dantian.

A mouthful of blood spurted directly.

The pubic field is broken, and the cultivation base is destroyed!

Just an instant, that person understood a truth.

If the dantian is not abandoned today, he will be left with a dead end.

"Blood Fenghua, this matter will be handled by you."

"Shen Shixi, let's go, if that Li Xin and Gao Fengping are really the murderers who killed Shi San, then today's engagement dinner will be controlled by me, Ye Chen."

Shen Shixi's expression changed, and he never expected Ye Chen to start making trouble when he came here.

Although Shi San's death is likely to be related to Li Xin, this is not China, this place is Kunlun Xu!

Kunlun imaginary and powerful people are like clouds, and once they are targeted, the consequences will be unimaginable.

"Mr. Ye, I think you are too impulsive. This engagement banquet is bound to be grand. If you hit the venue and others will see through your identity, it will be troublesome!"

"Although the blood alliance will not attack us for a short time, they will inevitably send people to pay attention to it. If the trouble is not good, we will all explain it here."

Shen Shixi knew that Ye Chen was very strong, but no matter how strong he was, he would not dare to be arrogant in Kunlun.

Even if this place is not the deepest part of Kunlun Xu, there are not too many strong ones.

But it is dangerous enough for them.

"Mr. Ye, do you think this is okay? I will go to Wanjianzong now and ask the Wanjianzong master and all the elders to take action. Their power is enough to crush the Li family, and I am not afraid that the investigation will not be able to find the truth."

This is the only best plan Shen Shixi can think of.

Ye Chen glanced at Shen Shixi, and shook his head helplessly: "Since you are going to Wan Jianzong, you go, I am enough."

Shen Shixi could feel the displeasure of Ye Chen's words, and quickly knelt in front of Ye Chen: "Mr. Ye, oh no, Master, I don't underestimate you, but focus on the overall situation. Now we have no influence. , Rash exposure and shooting will only be limited to death!"

Ye Chen's eyes condensed and said lightly: "Shen Shixi, I now order you to go to the Ten Thousand Sword Sect immediately. You can't resist, but you can rest assured that I know something in my heart, and I won't stoke any moths, and I don't use it now. Face to this banquet."

Shen Shixi sighed after hearing these words: "Master, but do you want to disguise?"

Ye Chen nodded: "That's natural."

"I have come to Kunlun Xu anyhow, and it's time to give Kunlun Xu a big gift."

In the next second, Ye Chen pinched his fingers, his face suddenly changed.

When Shen Shixi heard Ye Chen's words, he didn't feel anything at all, but when he found Ye Chen's current face, his eyes almost stared out.

Because Ye Chen now is the Ye Sitian who is frightened by countless forces in Kunlun!

Is the Master crazy? Ye Jitian's identity was exposed, but he was extremely dangerous.

He just wanted to persuade something, Ye Chen put on half of the mask again.

The mask covered half of his face, and he couldn't see the specific features at all.

"Mr. Ye can't, if you really do this, who will guarantee your safety?"

Shen Shixi can't let Master be restricted to dangerous situations!

Ye Chen put his hands behind him, looked at a restaurant in the distance, and said lightly: "I am responsible for my safety. If you don't leave here, I won't step into the Ten Thousand Sword Sect from now on."

"As you said, my current power is too weak, and I really need the strongest swordsman to take control!"

Hearing these words, Shen Shixi glanced at Ye Chen worriedly and completely disappeared from sight.

Wan Jianzong issued a killing order to Master, it should be revoked.

And judging from the first battle at the Huaxia Jiangnan Airport, the master's strength far surpassed him.

He is just a little elder in Wan Jianzong, and it is impossible to help Ye Chen now. Only by going to Wan Jianzong to find a stronger master can he have the opportunity.

Otherwise, at the speed of Ye Chen's troubles, it won't take long for Kunlun to be smashed by this guy!

Soon, the world returned to calm.

The corner of Ye Chen's mouth, wearing a mask, had a hint of coldness, and he walked quickly toward the brightly lit restaurant in the dark night.

There is the place where Li Xin and Gao Fengping held their engagement banquet.

It was a happy event, he didn't want to spoil it.

However, someone destroyed a pure land in his heart.

.....

Kunlun Xu, Zuixianlou.

This building was built by Yibao Pavilion and was later handed over to the Li family.

Li family counts as a big family with a hundred li above.

At this time, guests are in an endless stream.

a festive season.

Ye Chen wearing a mask appeared directly in the restaurant.

Although you can only enter with the invitation, there is a good formation here, but it is nothing to Ye Chen.

The unreliable inheritance he accepted made him understand the formation method in Kunlun Xu far beyond anything.

How could he be restrained by the mere fact that heThe engagement has not yet begun.

Ye Chen found a quiet place to sit down.

is surrounded by powerful people and celebrities of the nearby generation.

Fortunately, Ye Chen glanced around, and found that most of them were supernatural, holy, and holy kings.

As for the Ascension Realm, there were only three people in the audience.

Two of them are waiters.

Although Ye Chen is in the Immortal Ascension Realm, but in terms of strength, at least above the Transcendent Realm.

In addition to the Dragon Slashing Asking Heaven Sword, it is not difficult to slash into the Holy Realm.

But to deal with a powerful person like the Saint King Realm, one can only rely on the two great abilities of the reincarnation cemetery.

Ye Chen sat there, and countless suspicious and unkind gazes came, attracting everyone's attention.

"Who is the kid wearing the mask? The Immortal Ascension Realm is actually the person invited to this banquet?"

"Why do I think this kid is a little familiar, where do I always feel that I have seen it?"

"Don't forget, Kunlun Xu has some confusing techniques that can conceal the breath of cultivation. That Ye Jitian is the best example. I heard that he fought in the Yibao Pavilion of Kunlun Mountain in China for the first time. The aura revealed is the true origin realm. Do you think the true origin realm can kill Zhuang Bufan? And just use a plum blossom?"

Can the True Origin Realm summon the Dragon and the Thunder? According to my analysis, Ye Xitian was just covering his breath to confuse everyone. "

Hearing Ye Jitian's name in the crowd, his eyes became completely frightened.

During this period of time, it seems that the entire Kunlun Xu is spreading Ye Sutan's battle!

After all, there are almost no people who can work on Yibaoge and the blood alliance!

Chapter 640: What a mess!

Some people say that Ye Jitian's realm is unfathomable, and it looks weak on the surface, but in fact he is a powerful person in the Saint King realm or the Return to Void Realm!

He reached this achievement when he was about twenty years old. There was only Ye Chen in Kunlun Xuming!

Even Kunlun Xu Lingfu ranked Ye Jitian in the top ten!

The only thing that can compete is Kunlun Xu's first day's sweet girl Ji Siqing!

Even if the peak that everyone is going to fawn on today is on the list of spiritual gifts, it is only 99!

is undoubtedly the last existence!

No one talked about Ye Chen anymore. In their opinion, the topic of Ye Xitian was undoubtedly more interesting.

But in the depths, there was someone staring at Ye Chen's mask.

His body trembled a little, because Ye Chen's eyes and temperament reminded him of Ye Xitian.

And he happened to be one of the people who witnessed the destruction of the Chinese Kunlun Mountain Yibao Pavilion and the strong rise of Ye Jitian!

"How can it look like this..."

.....

Ye Chen didn't care about these eyes at all. After tonight, he and these people will not have any intersection.

He only cares about the answers in those two populations.

At this moment, a beautiful shadow swept towards Ye Chen.

Qianying is elegant and refined, with an ethereal breath on her body, slender thighs, and beautiful eyes like tassels.

even sat down beside Ye Chen.

Ye Chen glanced, there was no fluctuation.

The woman seemed to be very interested in Ye Chen, she stretched out her hand and greeted her: "Mr. seems to be a little faceless. This is the first time you come to Drunk Xianlou?"

"My name is Ding Yun'er, and I am arranged by Yi Baoge to witness the engagement of a couple."

"I don't know how to call Mr.?"

Ding Yun'er has enough self-confidence, her family is in charge of an Yibao branch pavilion, and she is considered an upper-class figure in Kunlun Xu.

As soon as I stepped into the Zuixianlou, I felt the complacency of many people.

The three words Yibaoge are enough to change all the views on her.

The reason why she approached Ye Chen was because she was a little curious about Ye Chen's temperament.

Mingming Shenyu Realm, there is not a trace of weakness around many strong people, but there is strong confidence in the eyes.

This kind of person, no matter what, there is absolutely nothing wrong with it!

Ye Chen sneered when he heard the other party from Yi Baoge: "My name is unnecessary. You don't want to know me."

Just finished speaking, a cry of exclamation came.

In the next second, Ye Chen stood up and stared at a \*\*\*\* girl!

The girl was dressed in a rose robe, and her waist was tied into a big bow with a purple ribbon, and her long hair poured out like a waterfall.

The body is enchanting, enough to describe it as a devil, with a frown and a smile, intriguing.

Li Xin!

At this moment, Li Xin's chin is raised, arrogantly invincible!

As if the whole world revolves around her!

But beside Li Xin stood a tall and handsome man.

The man is probably the pinnacle of the Transcendent Realm, with his left arm around Li Xin's waist, he nods to many people.

Everyone was amazed!

is indeed a talented woman!

Although Ye Chen wanted to control the anger in his heart, he still couldn't bear it, and the cold murderous intent was released.

This murderous intent made Ding Yun'er's body startled, and then her breathing stopped.

A pair of invisible hands seemed to strangle her throat.

She glanced at Ye Chen's direction, and couldn't figure out why this cruel youth broke out such a murderous intent!

Did this Li Xin hurt this cold young man back then?

The murderous intention quickly converged.

Ye Chen asked the waiter for a glass of wine and drank it all in one go.

Ding Yun'er snapped his fingers, also ordered a glass of wine, gently shaking the glass, and said: "Sir, if I guessed correctly, you should have suffered a lot of injury in love, what's the matter in this world? A hurdle that cannot be passed."

"What's more, Li Xin is not a suitable wife. Don't be fooled by her gentle appearance."

"Women, I like to lie the most."

Ye Chen then turned his attention to Ding Yun'er: "It seems that you know Li Xin well?"

When Ding Yun'er heard Ye Chen finally talk to her, she showed a hint of interest and continued: "Although this is Li Xin's engagement banquet, I don't look at Li's face. As far as I know, Li Xin is very Woman with means."

"This Zuixianlou was originally my Yibaoge property, but this Li Xin ate this place by means. With this appetite and means, I really can't find one within a hundred miles."

"and also."

Ding Yun'er's body was slightly close to Ye Chen, her chest wide open, tall and attractive.

But Ye Chen didn't react at all Ding Yun'er lost a bit, approached Ye Chen's ear, and continued: "There are also rumors that Shi San from the Medical God's Gate is Li Xin's original fiance was forced to death by Li Xin.

Shi San had been to Li's house many times to find Li Xin, but they were all turned away. Only once Li Xin came forward. That time she gave Shi San a kind of hope, but she threw Shi San to \*\*\*\* again. That time, Li Xin humiliated Shi San in front of everyone. It was very ugly, even I couldn't stand it anymore. "

Ding Yun'er didn't notice the murderous intent on Ye Chen's body at all, and continued: "This is not the most important thing. Shi San was devastated after returning from Li's house. This vicious woman's revenge has just begun. She tried every means. Shi San was forced to break the marriage contract, but Shi San refused. The next day, Shi San's father seemed to have broken a leg."

"Later, I heard that Shi San of the God of Medicine had committed suicide for no reason. Although I don't know the reason, I am afraid that this matter has nothing to do with Li Xin!"

In Ding Yun'er's eyes, this cruel youth must be one of the people who failed to pursue Li Xin, otherwise it would not expose such a big murderous intent.

In that case, she said some bad things about Li Xin, and maybe she could get more valuable things from this young man.

Of course, these are rumors in the public, and I don't know if they are true or not.

But there are some things that are by no means groundless.

"Sir, I told you so much information, can't I still know your name?"

Ding Yun'er just wanted to put one hand on Ye Chen's shoulder, when suddenly, an exclamation burst open!

The whole Zuixianlou seems to be completely messed up!
