

## Urban Medical 641

Chapter 641: Offenders, cut!

A black shadow flashed out of the crowd, and the black shadow held a short knife in his hand and walked towards Li Xin!

Crazy and cold!

There was blood flowing on this short knife, which was obviously a strong blow.

Li Xin Huarong pales!

Seeing that the short knife fell on Li Xin's white and slender neck.

Gao Fengping beside him sneered: "Things that do not live or die, even my Gaofengping women dare to move!"

In the next second, Gao Fengping's anger condensed, and he hit it out with a punch!

This punch, the wave of air is shocking! As if tearing the air!

There was even bursts of thunder.

"Boom!"

A strong punch hit the short knife like this!

The air flow is messy and overflowing.

The short knife shattered on the spot!

And the black shadow that assassinated was flew out by this force!

The crowd is in an uproar!

No one thought that someone would dare to assassinate Li Xin on the day that Li Xin and Gao Fengping got engaged!

This is the jewel of the Li family!

With so many masters, how can it be successful!

Countless eyes looked at the figure that fell out.

That was an old man in his sixties. He was wearing plain clothes and a black cloth hung on his arm.

Apparently, the funeral has just finished recently.

Although the old man was injured, his cold eyes were staring at Li Xin!

This look is like an evil beast!

When Li Xin and her father Li Hu saw the assassin clearly, they had some surprises on their faces, but they made sense.

Because the assassin was Shi San's father Shi Zhenhai!

Li Hu stepped forward and looked at Shi Zhenhai condescendingly, saying word by word: "Shi Zhenhai, bastard! Do you know what you are doing! Shi family and Li family are somehow friendships! You really intend to take the only trace of this. Is the friendship ruined!"

Shi Zhenhai spit out blood and looked at Li Xin and Li Hu coldly.

Since he is here, he doesn't plan to go back!

The only son died, what is the value of his life!

"You Li family still know the friendship between our two families! If you really know why the friendship is killing my son!"

This roar resounded throughout the entire Zuixianlou!

This is the anger of a father!

He cannot protect his son, at least he has to give his dead son an answer!

Li Xin regained her calm, her arrogant chin was raised like this, and her eyes looked a little disgusted when she looked at Shi Zhenhai.

"Don't spit blood on things that don't die. What evidence do you have to prove that Shi San's death is related to my Li family? I tell you that Shi San's death only shows that he is useless!"

"Also, you assassinated me today, but you know the cost! I won't miss my old feelings!"

Li Xin's voice is extremely cold, and the words are even more aggressive!

This Shi Zhenhai has ruined her engagement banquet!

What's the value of a bad life!

Kill when you kill!

Shi Zhenhai's eyes were blood red. He supported his body and stood up and smiled: "The price? Since I came today, I didn't plan to leave! Even if I die and turn into a ghost, I will find your Li family and let you live forever. No peace!"

"Li Xin, you better remember what you did! Remember that the death of my son Shi San has something to do with you! You used all means to destroy the marriage contract for your own selfish desires, why are you doing this! Even if you don't My son, there is no need to be so cruel! Shi San is the only blood of my Shi family! He is magnanimous throughout his life, stepping into the path of the \*\*\*\* of medicine, just to help more people! Why do you want to Destroy such an ideal child!"

Shi Zhenhai sounded hoarse, painful.

In the next second, a crimson rune appeared in his hand.

When everyone saw this rune, their faces changed!

This talisman is the soul extinguishing talisman! Once activated, the soul will inevitably burst, and the body will turn into a powerful force! It is comparable to the strong blow of the Saint King Realm!

Then the whole Zuixianlou might collapse!

lunatic!

Completely crazy!

actually want to bring everyone to bury it!

Seeing that the power of the Soul Extinguishing Talisman was about to explode, Gao Fengping's eyes were cold: "Old immortal things, do you think I will give you this opportunity!"

Li Xin also said: "Fengping, quickly kill this old immortal! Don't let him succeed!"

Gao Fengping's momentum suddenly rose, and he had reached the Holy Land faintly!

Then a red light shot out from his fingertips, heading towards the Soul Extinguishing Talisman in Shi Zhenhai's hand!

The red light burst out suddenly, transforming into a blood sword, and directly tore the uncondensed soul-killing charms apart!

Shi Zhenhai was instantly backlashed, and even vomited a mouthful of blood!

Then, an afterimage flashed by!

The peak has moved!

even appeared in front of Shi Zhenhai, the long sword from his waist was drawn out, the cold light overflowed, the sword spirit was lingering, and he moved towards Shi Zhenhai's neck with a sharp sword light!

Under a sword, Shi Zhenhai must be separated first!

even turned into a blood mist!

Gao Feng's mouth showed a grim smile, and he enjoyed the pleasure of killing.

Crushing this kind of ant will only make his image taller in everyone's hearts!

Shi Zhenhai looked at the sword intent, smiled bitterly, and said to himself: "Daddy still hasn't done anything for you, but it's okay, you must be lonely down there. I'll accompany you once."

He chose to close his eyes.

Life and death calmly.

The people in the distance shook their heads helplessly, Ding Yun'er also sighed, just about to say something to the youth around him, only to find that the youth around him was gone!

The whole body is even more windy!

Following the wind, he saw an afterimage rushing away!

The afterimage wrapped the blood evil spirit and anger steadily fell in front of Shi Zhenhai!

Then!

Five fingers stretched out and directly grasped Gao Fengping's long sword!

Hold it tightly!

The long sword cannot go further!

This sudden change has greatly changed the faces of all the guests and even the Li family!

No one would have thought that someone would save people at this time!

Don't die!

Gao Fengping glanced at the masked youth who had rescued Shi Zhenhai, and said coldly: "What the \*\*\*\* are you, I will give you three seconds, get out! Otherwise, even you will be killed today!"

Ye Chen's eyes were cold, and the anger in his heart had burned to the extreme!

He is almost certain that Shi San's death is related to the dog and the man!

He does not allow Shi San's father to miss the slightest!

No one is qualified to hurt Shi Zhenhai!

The blood dragon roars inside!

The endless blood dragon air and the killing air entangled Ye Chen's arm!

"Today, no one has the right to touch him, it is no one."

"Offender, cut!"

The words fell, "click!" A sound, very crisp!

The sword in Gao Ping's hand was directly broken by five fingers!

At the same time, Ye Chen held the blade of the broken sword in his hand, and roared, and the blade stabbed frantically, like a dragon roaring, and even more like a roar of thousands of giant beasts.

came directly to Gao Fengping!

The crazy sword intent has fallen!

Gao Fengping noticed something was wrong, and quickly backed away!

But no matter how fast the reaction is! The blood is still getting on!

Chapter 642: Not enough, break it for me!

Gao Ping discovered the loss of his hand!

It hurts!

He glanced at his arm!

Empty!

Was cut off directly!

This scene solidified the expressions of everyone present!

No one thought that at this moment, someone would suddenly be killed to turn the tide and cut off one arm of the peak of the Ling Fu list!

What kind of strength is this?

Shi Zhenhai felt something was wrong, opened his eyes, and saw a figure blocking him.

He felt familiar, but he couldn't tell.

"Little brother, you don't have to take risks for me. I'm old and won't live long, but you are still young!"

Shi Zhenhai regrets a bit! Because he dragged down others!

Ye Chen ignored it, and walked towards the peak step by step.

Soon he came to Gao Fengping.

"Give you a choice, kneel down, self-defeating, I will consider giving you a whole body."

"Otherwise, you won't even be eligible for the whole body."

The voice was cold, like the judgment of death.

At this moment, everyone was dumbfounded!

They have never seen such an arrogant person!

With so many strong people present, how can this masked youth have such a strong confidence!

Self-abolishment? The whole body?

Gao Feng's scarlet eyes stared at Ye Chen, anger broke through his brain, and he roared in one direction:  
"What are you still standing there for! Take down this little beast! I want this little beast to live and die!"

The words fell, and several figures in the dark appeared beside Ye Chen instantly!

Ten people!

The realm of ten people can't be lowered into the holy realm!

And Li Hu also reacted and roared: "Come here, take down the troublemaker! Cut off his hands and feet!"

All the masters in the depths of Li's family and the strong in Drunken Xianlou appeared!

How can they be defenseless on such a big day today!

In an instant, dozens of people surrounded Ye Chen and Shi Zhenhai!

The long sword shines, the cold light is dazzling!

The sword is not moved, the sword intent comes first,

The sword light expands by thousands of feet, like a dragon coming out, covering the world!

The entire Zuixianlou seemed to be shrouded.

Tensions to the extreme!

Shi Zhenhai was completely stunned. He never thought that so many people would suddenly appear!

He glanced at Ye Chen who was wearing a mask, and quickly said: "Little brother, leave me alone, I will hold them, you can run away!"

Ye Chen smiled, Yun Danfeng looked at Shi Zhenhai lightly, and said softly: "Uncle Shi, Brother Shi treats me very well, although he is dead, I will treat you as a relative. Today, neither of us will Something happened."

Shi Zhenhai just wanted to say something, suddenly, he found that the voice was very familiar!

Look at those eyes again!

He is almost petrified!

This masked man is actually Xiaochen!

Although the voice and appearance have changed a little, it can't be wrong!

They only met a few hours ago!

He just wanted to exclaim, but found that Ye Chen blinked at him, obviously meant to keep a secret.

He shook his heart!

It's all over the corner, so what secrets are you keeping!

He knew Ye Chen's strength, and he was much worse than his son Shi San!

How to live in such a dangerous situation?

Li Xin knew that the winning ticket was in his hands. He was a little bit bolder. He stared at Ye Chen and stepped forward. Then, a cold voice sounded: "Boy, you want to be a hero while wearing a mask? Did you intentionally ruin my engagement dinner? "

"Stupid trash, do you know how many strong people my Li family and Gao family hide in the dark? Let's talk, who is the person behind you!"

Ye Chen then turned his gaze on Li Xin.

His eyes were filled with endless anger!

This woman ruined everything about Shi San!

"I just ask, is Shi San's death related to you?"

Li Xin was taken aback, and he never thought that this masked youth was also here for Shi San!

When did this kind of powerhouse appear around Shi San?

She stopped thinking about it and sneered: "How about the death of Shi San's waste is related to me? How about it has nothing to do with me? He is just a toad who wants to eat a swan..."

Before Li Xin finished speaking, a cold wind suddenly started!

Immediately!

With a sound of "pop!" A red palm print was directly printed on Li Xin's cheek!

At the same time, Li Xin flew out all over!

A mouthful of bright blood came out of his mouth!

This slap was mixed with Ye Chen's anger!

If it were not for him to investigate Shi San's real cause of death, this slap might have taken off Li Xin's head directly!

He will not let this woman die so easily!

Everyone present did not expect so many powerful men and long swords to be surrounded, that masked youth would arrogantly do it!

Is this masked youth really crazy?

Li Hu reacted and quickly helped his daughter up, and said with concern: "Li Xin, is there anything wrong with you? Is there any injury."

Li Xin stood up, clutching his almost swollen face, staring at Ye Chen fiercely, and said angrily: "The strong Li family listens to the order, do it immediately! This kid and the old undead kill him!"

"Yes, miss!"

In the next second, the strong Li family headed towards Ye Chen and Shi Zhenhai with a monstrous sword intent!

As if turned into a behemoth of sword light, wanting to swallow two people!

Gao Fengping also reacted and instructed the strong Gao family: "Everyone in the Gao family listens to the order, gathers the sword formation, and tears the two beasts with little eyes apart!"

"Yes, master!"

The sword burst, the powerful momentum seemed to swallow everything!

The sword moves tore all the surrounding furniture on the spot!

The same turned into the phantom of the Dao behemoth!

The entire Zuixianlou seems to be unable to withstand the power of these two killing beasts!

Faintly falling down!

The onlookers retreated one after another, and once they got close, their bodies might be torn apart!

They looked at the two most powerful forces, and their hearts were extremely shocked.

No one would have imagined that the Gao family and the Li family would be so crazy, using this power to deal with them!

With such power, let alone those two people, even the ten Saint Realm powerhouses can't bear it!

In their opinion, the masked youth and Shi Zhenhai must die!

Ding Yuner's beautiful eyes flowed, and she wanted to stand up and say a few words for the masked youth, but let it go after thinking about it.

Although he is not afraid of the Li family.

But if the Li family and the Gao family are together, it will be unnecessary trouble!

Besides, she is not familiar with the masked youth, and she doesn't even know her name.

Why help a dead person who is not necessarily valuable?

The giant beast is violent, with sword aura.

Everyone exclaimed again and again, astonished eyes condensed towards Ye Chenyang, and the reactions of all parties were mixed.

But all of this couldn't shake Ye Chen's calm heart.

Seeing the sword power sweeping over like a river, Ye Chen smiled coldly.

Offering a sword art directly!

This sword can make Wan Jian surrender!

What the \*\*\*\* is the behemoth of sword intent!

Ye Chen stepped out in one step, and his breath suddenly released!

Staring at Li Xin and Gao Fengping fiercely, he roared, "Get me back!"

Mountains and rivers overturned.

The behemoth runs!

That sword intent seemed to be completely out of control!

A breath of ancient times enveloped the entire Zuixianlou. Under this violent collision, the overflowing sword aura would instantly turn into a \*\*\*\* on earth.

Sword Qi flew horizontally, and those holding swords were directly hit by backlash.

Blood spray!

"Not enough, give me another break!"

In this roar, Ye Chen's aura broke out again.

As the sword edge passed, the river shattered.

The wind roars! Everything swept!

People turn on their backs! Only silence!

Chapter 643: Break 1 cut!

Drunk Xianlou.

Countless bodies smashed to the ground like this.

Many strong swordsmen from the Li family and even the Gao family smashed to the ground!

The sword in their hands was either shattered or stuck on the ground, the hilt of the sword tilted towards the direction of the masked youth!

Like surrender.

Within ten meters, only one young man stood with his hand!

That is Ye Chen!

Painful wailing and blood flow like a river in Zuixianlou.

shocking.

Ye Chen knew that the Wanchen Sword Art was powerful, and this was not the first time he had used it, but he did not expect that the Wanchen Sword Art would explode with such a powerful power!

Far beyond the power at the Jiangnan International Airport?

Is it because it is in Kunlun?

Kunlun is full of virtual aura, is this also the reason that Wanchen Sword Art becomes stronger?

But he also knows very well. Fortunately, these powerful men are using swords. If they are replaced with other weapons, he really has no chance of winning.

He glanced at everyone present, as far as he could see, everyone subconsciously stepped back!

In addition to horror, the eyes are fear!

The entire Zuixianlou is extremely silent!

Who could have imagined that the mysterious young man who seemed to be in a mysterious world had such strength!

These are dozens of strong people!

Most of them are transcendent realm or sacred realm strength!

Although the Transcendent Realm and the Saint Realm are only average in Kunlun Xu, in this Zuixianlou, all the power is gathered, even the Saint King Realm may not necessarily bear it!

What's more, they didn't even see how the mysterious young man took action!

Just take a step!

Have this kind of power against the sky with one kick?

Damn it!

Ding Yun'er covered her mouth subconsciously, and a slight exclamation still overflowed.

Before that, the reason why she approached Ye Chen was because she saw something different about Ye Chen.

She knew that Ye Chen might have hidden her strength, but she didn't expect to be so enchanting!

A single move is enough to break everything, no one in the room will do it!

When is there such a mysterious powerhouse around here?

Not only Ding Yun'er was surprised, but Shi Zhenhai!

In five years, Ye Chen also went to Shi Zhenhai's house many times, and Shi Zhenhai learned something about Ye Chen from his son Shi San's mouth.

From China, there is no cultivation base, and the family is in decline.

There is not even a spiritual root.

Only Fangen.

Fangen can cultivate, but he doesn't do much in his life.

This may also be the reason why the master of the medical gods took Ye Chen in.

In five years, Ye Chen spent almost two years in cynicism. In the following years, Ye Chen was not at the Medical Gods. It seemed that he had gone to a secret realm in Kunlun Xu. Once he came out, he only stayed at Ye Chen. Previous impressions.

Unexpectedly, at this moment that Fangen young man actually turned the tide!

Dozens of powerful people in the transcendent realm and even the holy realm can do nothing!

This is too scary.

He even suspected that this young man wearing a mask is really Xiaochen?

But at this moment, Ye Chen, who was wearing a mask, walked towards Gao Fengping and Li Xin step by step.

He could feel a few dangerous auras in the depths staring at him.

If it hadn't been for that sword tactic that suppressed so many powerful people, those auras might have been shot long ago.

Before this group of people reacted, he must make a quick decision.

Soon, Ye Chen stopped, and his cold eyes glanced at Li Xin and Gao Fengping.

"Now, am I qualified to know the answer?"

Li Xin's beautiful face is only eclipsed at the moment!

She never thought that such a strong man could speak for Shi San!

And she knew very well that Shi San died because of her. Once the masked youth knows the truth, she will definitely die!

She was close to her father, and her other hand grabbed Gao Ping's hand. At this moment, only these two people can make her feel at ease.

"Dad, what to do..."

Li Hu's face was gloomy, he didn't even know the strength of the kid in front of him!

Although it is the breath of the gods!

But the move just now is enough to show that the opponent is above the Saint King Realm!

Obviously, the breath is obscured.

He could only bite the bullet and said: "This gentleman, will you be too much? My Li family and Zhou family are also big families nearby, and their background in Kunlun is not weak. You ruin the little girl's great joy so much. But it will be condemned by God!"

"Most of the people here have come on behalf of all forces. If you don't stop today, the consequences will be disastrous!"

Ye Chen sneered: "What are you, have I asked you something?"

Li Hu's face changed drastically, and he couldn't help it anymore. He directly forced out a drop of blood and shot it at Ye Chen: "Little beast, toast and not eat fine wine!"

"I really thought I was afraid that you would not succeed!"

Essence and blood bloom, blood mist bursts!

At the same time, a guqin appeared in Li Hu's hand!

As soon as the Guqin came out, an evil aura surged!

The crowd exclaimed: "Li Yuezhiqin! This is actually the Liyueqin that has disappeared in Kunlun for many years!"

"The legend that a magic sound shook Kunlun back then was terrifying!"

"This magic weapon was obtained by the Li family. Once the magic sound is activated, the consequences will be disastrous!"

Even Ding Yun'er in the crowd frowned and cursed secretly: "Old Fox!"

If it weren't for this masked youth to kill, I'm afraid this thing would have been hidden by Li Hu!

And Ye Chen's expression at this moment is indeed extremely strange!

Because there was a sound from the reincarnation cemetery!

From the Immortal Lord!

"Boy, the wood of Liyuezhiqin is ancient Liyuemu. Your Dragon Slashing Sword is missing a worthy scabbard. Do you understand my words?"

Ye Chen understands naturally!

With the long sword in his hand, the sword's edge shook, and the sword vigorously went straight towards Li Hu!

"I want your Li Yuezhiqin!"

Li Hu has a hideous face at the moment, he has no choice!

If you don't kill this kid today, their family will not want to retreat!

No longer hesitating, Li Hu hovered Li Yuezhiqin in front of him, flicking his fingers!

A crisp sound resounded through the entire Zuixianlou!

A string of soft sounds of flowing water seemed to turn into an icy sword and rush towards Ye Chen frantically!

"Boy, I don't care who you are. Since you must be an enemy of my Li family today, stay here forever!"

"broken!"

With the roar, the countless shadows of long swords swept away!

Only in it Ye Chen can feel the pressure brought by this piano.

As if a huge mountain was crazily depressed!

Not only that, but the sound of the piano seemed to have some magical power, preventing him from condensing his true energy!

Feeling the influence of the sound of the piano, Ye Chen took a deep breath and sacrificed his life!

In an instant, Ye Chen was wrapped in countless lightning!

Lightning seems to be able to break everything!

And the sword in Ye Chen's hand turned into a sword of Heaven Slash!

"Small magic sound, I really thought it trapped me!"

Ye Chen took the Wanjun Thunder and Lightning a few steps directly, and then smashed it down with a sword!

The air wiped out a violent spark!

Chapter 644: Irresistible

A disdainful smile appeared at the corner of Li Hu's mouth.

A high-pitched piano sound burst out suddenly.

As the sharp voice fell, a substantial sound wave swept towards Ye Chen!

At the moment when he was about to touch Ye Chen, it seemed to turn into a huge wave!

Once hit Ye Chen's body, he will definitely die!

Ye Chen felt the crisis, and no longer hesitated, the long sword in his hand disappeared!

In the next second, a cold light broke through the air.

It is Dragon Slashing Asking Heaven Sword!

As soon as Zhanlongwen Tianjian was released, the aura of heaven and earth seemed to be absorbed!

You don't even need Ye Chen to do it!

"Boom!"

The long sword cut horizontally and exploded with a roar.

The roof of Zuixianlou was ruthlessly lifted off!

It shows how terrifying the power is!

"Ding Ding Ding!"

Ye Chen stepped back a few steps, and Li Hu did the same!

He even spit out a mouthful of blood!

Li Yuezhi's piano is full of blood, shocking!

"How is it possible! There is a sword that can break my Li Yuezhiqin!"

He stared at the long sword floating in the air for unknown origin, just about to speak!

That sword moved again!

With bursts of blood, swept over!

Zhanlong asks the sky sword to be alive, anyone who moves Ye Chen, kill!

There is no reason!

Li Hu saw the strange sword coming again, forcibly stabilized his body, and swallowed a pill!

Then, five fingers pull the strings!

Like a bow and arrow!

Bowstring release!

The wind and clouds changed, and the wind swept across.

An arrow that looked like a hundred zhang shot directly, and headed towards the Dragon Swordsman!

This blow is enough to destroy all magical soldiers!

Ye Chen naturally felt that something was wrong, and the Dragon Slashing Sword alone might not be enough to contend!

He no longer hesitated, and roared: "The sword is coming!"

Zhanlongwen Tianjian flipped in the air, and then suddenly came to Ye Chen's body!

Five fingers and one grip.

The power between heaven and earth seems to be in your hands!

At this moment, Ye Chen felt in control of the whole world!

His other lightly patted Zhanlong and asked the Heavenly Sword: "Today, you and I are fighting side by side, as this is the first step to split this Kunlun emptiness rule!"

"Ten thousand swords, addiction!"

A roar!

Wan Dao Jianyi carried countless thunder and lightning gushing out of Ye Chen's body!

Integrate into Kendo into a thunderous blow!

Now that Ye Chen's strength coupled with the Dragon Slashing Question Heaven Sword, how terrifying it is!

For a time, above the sky and dark night, the wind and clouds surging!

Many visions!

Visible to the naked eye, all the aura within a hundred miles of radius poured into the mysterious youth and strange swords!

The Changhong ran through the sun, as if it turned into a Tianhe, roaring down from the sky, and went straight to Li Hu's powerful arrow.

This sword is Ye Chen's strongest blow!

This sword is also the first sword that the Dragon Slashing Wentian Sword truly displays!

No matter what, an indelible scar will be left in Kunlun Xu!

He wants to tell the world that he Ye Chen is back!

The \*\*\*\* of death Ye Jitian swept over!

The sword aura swept across the sky, Ye Chen's aura reached an extremely terrifying point.

A single sword made the faces of the onlookers shocked!

"Where is this mysterious young man sacred! So young and with such strength, I am afraid it is a young talent in the list of spiritual gifts!"

"Nonsense, the Ling Fu list is a collection of all the talents of Kunlun Xu! This mysterious young man has more than 20 roots and is absolutely qualified to enter the Ling Fu list! Maybe this kid can be ranked in the top 50!"

Feeling the shocking weather that Ye Chen bloomed, many strong people were quite moved.

This sword is too strong.

"Isn't it enough for Kunlun to have a Ye Jitian? Is there a masked youth?"

Someone murmured.

"Do you think this kid is Ye Sutian?"

"You think too much, if it's that Ye Xitian, this masked young man may have already spurred Shen Lei and Shenlong, then Li Huna is still qualified to stand!"

"And it is rumored that Ye Xitian doesn't like to use swords and likes to use plum blossoms to kill people. The other party shouldn't."

When the crowd was discussing, Li Hu felt the crisis, and no longer hesitated, the power of the strings suddenly increased to the extreme!

This time, the sound of the piano broke out more thoroughly, like thunder exploding, echoing in the sky.

A wave of air suddenly spread, it seems that the wave of air has turned into a thousand behemoths, rushing out of hell! Bite ruthlessly towards Ye Chen!

"I said, your guqin, I want it!"

Ye Chen's words fell, that shocking sword intent swept down!

The two forces collide directly!

The sound of thunder blasted through the clouds.

Numerous giant beasts collided with the Dragon Slayer Wentian sword!

Substantial waves rippling out, sweeping towards the surroundings.

Zuixianlou's formation broke directly!

The whole building seems to collapse at any time!

"Damn! Go back, everyone!"

"Drunk Immortal Tower is going to fall!"

Looking at the violent air waves and crumbling walls, all the guests and even Gao Feng peaceful Li Xin, all retreated to a safe place!

Even Shi San's father is the same!

When everyone left, a loud noise came!

Billowing smoke!

The Drunken Immortal Tower collapsed!

Splashing dust!

Covered everyone's sight!

I don't know why, everyone subconsciously thought of Ye Jitian!

Only Ye Jitian dare to be so crazy!

That masked young man is not really Ye Xitian, right!

The sound of vibration is getting lighter and lighter.

The dust slowly returned to calm.

Everyone exhaled.

I don't know who won the blow of the mysterious youth and Li Hu.

Until the smoke and dust completely disappeared, they saw a figure among the ruins.

The figure is proud of the world, holding a guqin in his hand.

"My dad won! That little beast is alive and dead!"

Li Xin saw Guqin exclaiming, she was extremely excited.

Unexpectedly, an abrupt voice sounded in his ear.

From Gaofengping.

"You take a closer look."

Li Xin was startled, then looked at the figure, only to find that the other party was still holding a sword in his hand!

The key is to wear a mask on the other party's face!

That mysterious young man is still alive!

Actually still alive!

Later, she even saw a headless corpse and a blood-sparkling head!

It is the head of her father Li Hu!

At this moment, time seemed to stand still.

At this moment, the light of the entire ring, only that figure remained.

The whole world fell into deathly silence.

This weird silence seemed to erupt after a thousand years.

Li Hu is dead!

The Li family is destroyed!

Kunlun Xu turned out to be a strong man against the sky!

Ding Yuner's body trembled I regret it!

If you were more active just now, does it mean that Yibaoge can win over a genius!

That mysterious young man has such a divine sword, if you add the piano of Li Yue, it is absolutely terrifying!

Ye Chensi ignored everyone's eyes and walked towards Li Xin.

When she came to her, her footsteps stopped: "I will ask one last time, how did Shi San die?"

Li Xin was so scared that he sat on the ground, Ye Chen at the moment was a demon from \*\*\*\* in her eyes.

Neither the Li family nor his father could stop it. Who could stop it.

Chapter 645: Empty glove white wolf

"Senior, Shi San's death really has nothing to do with me, I..."

Before he finished speaking, Ye Chen slapped it directly.

This slap was extremely crisp, and a blood-red mark was revealed.

Li Xin's entire face was swollen this time.

Blood is constantly overflowing from the corner of his mouth.

"Don't challenge my bottom line, I want to kill you easily!"

At this moment, Li Xin really panicked, her eyes dodged, and then she thought of something, she looked at Gao Fengping on the side, and quickly said: "Senior, this matter has nothing to do with me. It's all Gao Fengping meant, Shi San His existence completely hindered everything between him and me. He threatened Shi San with Shi Zhenhai's life. If Shi San does not die, not only will Shi Zhenhai have an accident, everyone around Shi San will not escape death!"

Check out new PVP arena battles!

Gao Fengping was startled, when he heard Li Xin's words, he almost spit out a mouthful of blood!

"Smelly bitch, do you dare to say that you didn't intervene in this matter? You dare to say that I meant it? Don't you be ashamed to say this!"

Gao Fengping is also angry!

Then his gaze fell on Ye Chen and pointed at Li Xin and said, "My lord, I admit that this matter has something to do with me, but Li Xin is the leader. If I have a half-word, the sky will strike thunder!"

Ye Chen just watched the two pushing around with cold eyes.

A few seconds later, Ye Chen interrupted the dispute between the two.

"You don't need to shirk."

"Today, you two will follow me to Shisan's grave."

"Knock a hundred blood heads! Then, I personally send you on the road!"

At this moment, everyone took a breath!

Every head will be knocked out and bleeding, a hundred will undoubtedly die!

The key to this method of death is extremely insulting!

Gao Fengping had a hideous expression, even if he died, he would not go to the grave of that waste to kowtow!

He possesses the unparalleled blood of the Gao family!

Not only that, but he also entered the Ling Fu list. No one dared to touch him at this level alone!

"You can't kill me! Once you kill me, it is equivalent to offending the Gao family! My Gao family's background is not comparable to the Li family you killed! Also, I was selected by the Ling Fu list, which means there is Won a death-free gold medal! If you..."

Before Gao Fengping finished speaking, Ye Chen moved.

The sword in his hand rose, and then the sword fell.

The cold light penetrated everything like this.

Tearing the night.

Afterwards, Gao Fengping's hideous head fell quietly like this.

"You talk too much nonsense, so I will send you on the road first."

No one at the scene expected that the mysterious young man would really kill Gao Fengping, and their eyes almost came out.

Isn't this guy afraid of the endless revenge of the Gao family!

Ye Chen grabbed Li Xin's clothes and said lightly: "I understood what I said just now. Would you like to go to Shi San's grave?"

"I...I do!"

Li Xin has no choice at all. If she doesn't go, her head will fall to the ground in the next second!

This evil \*\*\*\* dare to do anything!

"Okay." Ye Chen glanced at Shi Zhenhai again, "You too."

Shi Zhenhai finally reacted from the shock, his lips trembled, he wanted to say something, but in the end he didn't speak, and silently followed.

Just when Ye Chen and others were about to leave, an old figure walked out of the crowd, and even stood in front of Ye Chen.

The old man is dressed in Tsing Yi, with a misty breath.

This is one of the people who Ye Chen felt dangerous just now.

Most likely it is the Holy King Realm.

If this person blocks, it will be very troublesome.

Ye Chen remained calm and calm, and his indifferent voice fell: "You want to stop me too? My sword won't agree."

The old man shook his head: "Although I am an invited guest, I have nothing to do with the Li family. Now that the Li family is dead, I will not stand up for them."

"Then what do you mean now?"

"I want the piano of Li Yue in your hand. It is very important to me. I have been looking for this kind of magical instrument in my life. If you are willing to make a move, I can give you everything you want."

"Also, I forgot to introduce myself. My name is Qiu Dao. Some of Kunlunxu's friends looked at me and called me Qin Chi."

When the old man revealed his identity, Ding Yun'er and everyone else almost suffocated.

"It's actually Qiu Dao who is crazy about the piano! When Qiu Dao was still entering the Holy Realm, but a piece of magic sound killed ten powerful people who entered the Holy Realm! I didn't expect to enter the Holy King Realm now, if I get the piano of Li Yue, then his strength will definitely double several times!"

"It seems that Qiu Dao must win Li Yuezhijin this time!"

"But that masked young man is a sword repairman, and Li Yuezhijin is of no use to him. If you take out this thing and establish some relationship with Qiu Dao, it will not hurt him in the future in Kunlun!"

Ding Yun'er knew Qiu Dao's strength, so naturally she didn't want Qiu Dao to take action against Ye Chen, so she stood up and said to Ye Chen: "Sir, this deal can be done, but I heard that Mr. Qiu was in Kunlun. I got a spirit sword in a secret realm."

"Old Qiu, if you trade that spirit sword, you should be more sincere."

Obviously, Ding Yun'er was speaking for Ye Chen.

Qiu Dao didn't expect Ding Yun'er to even know about the secret realm. He glanced at the other person, then looked at Ye Chen: "I have given away the spirit sword, but brother, I can promise you, as long as you take Li Give me the Moon Piano, I owe you a favor! Also, if I get the magic weapon of the spirit sword next time, I will give it to you as soon as possible!"

Obviously Qiu Dao doesn't plan to trade anything at all!

But the empty glove white wolf!

Between the words, the coercion of the Holy King Realm shrouded Ye Chen!

Aggressive!

Ding Yun'er's face was a little angry, and she quickly said: "Mr Qiu, it's not good for you to use your cultivation base to deal with a junior like this. If it spreads out, your reputation in Kunlun will not sound good."

Qiu Daosi ignored Ding Yun'er, but looked at Ye Chen: "Boy, I know you are Jian Xiu, this Li Yuezhiqin is useless to you at all, you can figure it out."

"If you don't hand it over, I won't like it. There are some things that you may not have life to eat!"

Facing Qiu Dao's aggressiveness, Ye Chen smiled.

Very gentle with a smile.

Chapter 646: Identity

After that, a sentence fell slowly: "Who said that the piano of Li Yue is useless to me?"

After the words fell, Zhanlongwentianjian flew directly from the purpose of reincarnation!

In the next second, shoot towards the piano of Li Yue!

At the same time, Ye Chen pinched his fingers, and the Immortal Lord's refining technique continued to sound in his ears!

A flame burst out of his body!

The flame spread to the piano of Li Yue!

At the same time, Zhanlong asked Tianjian to insert it!

Destroy directly!

No one thought Ye Chen would do this!

Even if the piano of Li Yue is of no use to you, there is no need to waste it like this!

This is an ancient treasure!

Although it has been damaged a lot, it is also a priceless existence!

Everyone present has seen many prodigal dudes, but they have never seen Ye Chen like this!

Qiu Dao's smile suddenly solidified, and an invisible anger swept away.

"Boy, you dare to destroy my Li Yuezhiqin! Looking for death!"

A hysterical roar sounded!

For Qiu Dao, the piano of Li Yue is a great opportunity!

He is bound to win!

But he never thought that this mysterious young man would be destroyed directly in front of him!

No longer hesitating, his five fingers spread out and turned into eagle claws, with aura surrounding them!

Going crazy toward Ye Chen's head!

This catch, under the Saint King Realm, will undoubtedly die!

But before touching Ye Chen, the piano that burns Li Yue burst out!

The flame suddenly became hundreds of feet!

It's like a fire dragon heading towards Qiu Dao!

Qiu Dao was startled, carrying the power of the Holy King Realm, and slammed it away!

In an instant, he felt a burst of destructive force rushing!

The flame disappeared, and what was left was a spirit sword!

But the spirit sword is no longer exposed, it seems to be wearing a supreme spirit garment!

The scabbard enters!

The aura of the scabbard seemed to be tailor-made for that divine sword!

Qiu Dao retreated abruptly, stabilized his figure, and stared at the sword floating in midair.

But Ye Chen clasped his five fingers, Zhanlongwentian Sword had flown back into his hand.

Seeing the complete Dragon Slashing Question Heaven Sword at this moment, Ye Chen's mouth formed a smile.

The Lord of Immortality did not lie to him!

With a twist of his five fingers, the scabbard made by Li Yuezhimu and the Dragon Slayer Wentian Sword were carried behind him.

He glanced at Qiu and said, "Li Yuezhiqin is the scabbard of the sword behind me. Are you satisfied?"

Qiu Dao's eyes were blood red and hideous!

Use Li Yuezhiqin as a scabbard! This is completely violent!

This kind of baby turned into a scabbard, it might as well be destroyed!

"Little beast, look for death!"

The cold wind is blowing, and the sword is overflowing!

The entire time and space become chaotic!

Qiu Dao's breath broke out completely because of his anger!

Suffocating.

A black long sword appeared in his hand!

Qin sword!

"Qin Jian Shanhe!"

Qiu Dao roared, this is his proud sword skill! Extremely devastating! ,

A sword falls, mountains and rivers are destroyed!

The sword moves, the sun and the moon are dark! The heavens and the earth are in refuge, and the mountains and rivers seem to fall into dead silence.

Just this one sword, as if to cut the world in half!

The strong wind swept across suddenly, and the sound of the wind was like howling ghosts and wolves!

Another example is the sound of the piano!

The cold breath makes people creepy. Everyone just felt that their throat was pinched and it was difficult to breathe.

Even the naked eye can no longer see Qiu Dao!

Only Jianying!

Ye Chen looked solemn, the Saint King Realm powerhouse, now he wants to stop it very hard!

But since the opponent has taken the shot, he just bites the bullet and wants to do it!

Zhanlongwen Tianjian directly sacrificed!

The life charm flashed out, and thunder and lightning surged in the sword body!

"Blood dragon, come out!"

A shocking dragon chant resounded directly!

Then, a blood dragon phantom directly drilled out of Ye Chen's body!

Cover the sky!

The power of the dragon is silent for an instant!

Above the sky, thunder and lightning smashed on the Dragon Slashing Wentian Sword!

The sword intent of Wan Dao tears everything, like a black hole, madly rolling towards Qiu Dao!

This is almost one of Ye Chen's most powerful moves!

With this sword, he has no reservations!

The powerful sword aura carries the power of thunder and lightning and the blood dragon on a rampage!

Rumble!

The sword intent exploded in stillness.

Everything seemed to be frozen. Under the raging sword aura, countless trees were cut into pieces.

Qiu Dao's Qinjian Mountains and Rivers collapsed directly!

Flying rocks all over the sky, wind and clouds surging.

Seeing this scene, the man who had previously suspected that the masked youth was Ye Jiantian suddenly exclaimed the beast!

"Ye Jiantian!"

"He is Ye Jiantian!"

Shenlong, thunder and lightning, powerful sword skills!

There can be nothing wrong!

These three words exploded like thunder in the crowd!

At this moment, everything about the masked youth seemed to coincide with those of the one hundred pursuit orders!

Countless people opened their mouths wide, but couldn't say what they wanted to say!

At this moment, Ye Chen, with a powerful counter-shock force, his blood surged, which was very uncomfortable!

At the same time, the mask on his face was torn apart!

The disguised Ye Jiantian appearance is completely exposed!

"Puff!"

Qiu Dao flew out like a broken kite!

It was hard to stabilize his figure, but when he saw Ye Jiantian's appearance, he was completely petrified!

If you look closely, you will definitely find that his pupils are shrinking.

Fear filled his eyes.

He never thought that this young man was the frightening Ye Jiantian!

If that is the case, then the blow just now is definitely not Ye Jiantian's strongest blow!

Rumor has it that Ye Jiantian can burst into the Holy King Realm with a plum blossom!

Can also provoke God Thunder! Extremely scary!

At this moment, the whole world was quiet.

The person who had planned to make a move in the depths was even more immobile!

Even retreat quickly!

Not only that, some men with weak cultivation base knelt down directly!

They were completely eroded by Ye Jiantian's fear!

This man is mysterious!

This man is beyond Ji Siqing's existence!

This man can crush all sentient beings with a plum blossom!

This man controls the divine thunder and controls the divine dragon! Destroy mountains and rivers with one sword!

This man is even the top ten in the Ling Fu list! Just give him ten years, he can dominate Kunlun Xu!

how to spell!

One person kneels, a hundred people kneel!

As if everyone surrendered!

Ye Chen was a little confused, he knew Kunlun Xu's fear of Ye Jiantian, after all, the power of Ye Jiantian's exhibition came from the powerful Duan Leiren in the reincarnation cemetery!

The strength of the ancient power is indeed not something that Kunlun Xu can resist but it is not necessary.

However, Ye Chen would naturally not reveal his current strength, instead, slowly put the Dragon Slashing Wentian sword into the scabbard behind.

Then, with his hands behind him, he let the blood dragon coil around him.

This scene gave people a great shock.

His eyes suddenly turned into a bright light and shot towards Qiu Dao: "Unexpectedly, the identity of the deity is still seen through by you. I am ordinary, but some people don't want me to be ordinary."

"Qiu Dao, now do you still want the piano of Li Yue?"

"Is there a plum tree nearby?"

There was a hint of coldness in the words.

Chapter 647: eye for eye

Hearing the plum tree, most of the bodies present tremble!

Soaked!

And Qiu Dao is the same!

For some reason, the appearance of the young man in front of him and that kind of terrifying legend completely swallowed him, and the fear in his heart continued to spread!

If this Ye Jian innocent burst out with all his strength, he wouldn't even be qualified to block it!

Now Ye Jiantian is only displaying the sky thunder, not the \*\*\*\* thunder!

If the thunder descends, he will undoubtedly die!

Thinking clearly about everything, "Pump!" Qiu Dao also knelt down!

"Senior Ye, don't dare to be young! I didn't know that Senior Ye came here, otherwise I would never have a prying heart!"

"I am willing to apologize with one arm!"

As soon as he finished speaking, Qiu Dao slapped his left arm with a palm!

Check out new PVP arena battles!

The left arm turned into a blood mist on the spot!

Seeing this scene, everyone took a breath!

Let the Holy King Realm break his arm, only Ye Jiantian can do it again!

Everyone thought that Ye Jiantian was in China, but they didn't expect Ye Jiantian to come to Kunlun Xu quietly!

They are sure that the entire Kunlun Xu will be earthquake in a short time!

Although hundreds of sects have issued chasing orders, it is just a formality!

There is no one hundred powers to encircle Ye Jiantian, who would dare to be an enemy of Ye Jiantian!

This is not looking for death!

Ye Chen was very satisfied with the effect in front of him, but he did not expect that Ye Jiantian's whimsical name could bring him so many benefits.

This may be the meaning of those who are defeated without fighting.

Of course, it is impossible for him to continue to pursue it, otherwise the dog will jump the wall in a hurry.

"let's go."

Ye Chen glanced at Li Xin with dull eyes, and said lightly.

Li Xin almost felt soft, but still followed Ye Chen towards the depths.

She knew that she had no choice.

Because the youth in front of you is Ye Jiantian!

When Ye Chen took a few steps away, he suddenly thought of something, and his eyes shot at a beautiful shadow.

Ding Yuner.

He knew that Ding Yuner was from Yibaoge.

If you really want to talk about it, the two are considered deadly enemies.

But he didn't feel any murderous intent in Ding Yuner's eyes.

"Do you still want to know my name?"

Ding Yuner's eyes shrunk, did not speak, her expression was extremely complicated, and she did not dare to look at Ye Chen's eyes.

He lowered his head cowardly.

She knew very well that Ye Jiantian was so powerful that no one could stop it.

Ten days ago, Ye Jiantian came to Yibao Pavilion and directly destroyed the Huaxia branch pavilion, beheading Zhuang Bufan and the strong blood alliance.

Today, Ye Jiantian descended on Kunlun Xu, ruining Zuixianlou and slaughtering the Gao family and Li family.

With just one action, that notoriety will resound throughout Kunlun Xu.

This time, it was not a warning.

It is a threat to the entire Kunlun Xu!

He Ye Jiantian came back.

...

Burial tomb, the tomb of the three stone.

Ye Chen looked at the words on the tombstone, clenched his fists, and an invisible anger swept through his body.

"Kneel down."

Ye Chen's voice sounded like this.

Five years ago, stepped into Kunlun Xu.

The old man led the door, but the practice was not an individual, but Shi San's help.

Shi Sanyong action taught Ye Chen Kunlun Xu to be cruel.

He owed Shisan a life, and thought he could repay it after he got the reincarnation cemetery.

But I didn't expect that when I saw it again, it was yin and yang separated.

The kindness cannot be paid back.

The only thing that can be done is to pay the blood debt.

Li Xin directly knelt down, tears dripping continuously, just about to kowtow, Ye Chen pointed out.

It fell on Li Xin's forehead.

The memory of Shi San swept across.

Shi San secretly fell in love with Li Xin, so he plucked up the courage and went to Li's house to meet this fiancée.

But he was turned away by Li's family for various reasons.

The cynicism of Li's subordinates did not make Shi San lose hope.

He believed that fiancée was as gentle and generous as her face.

He finally saw Li Xin, but he didn't expect that Li Xin tried to force him with bad words.

It's ugly.

The toad also wanted to eat swan meat, which completely caused Shi San to fall to the bottom.

After Shi San left, he was depressed and unhappy for a month.

The desperate new student, he thought of Kunlun Xu's group of children in need of treatment, and remembered the promise he had made in front of Ye Chen.

What does the woman do.

Only by holding up the path of medicine to help the gods and sacrificing the world with medicine, can the cold world of Kunlun Xu have some temperature.

He was just about to leave this place of right and wrong, but he did not expect to see a couple of dogs and men.

The vicious faces of these dogs and men are unforgettable.

They wounded Shi San.

Like a dead dog.

They asked Shi San to unilaterally destroy the marriage contract, and Shi San agreed.

Unexpectedly, the couple changed their minds.

Shi San did not commit suicide, but murdered!

Died by Li Xin!

Ye Chen released his finger, and Li Xin didn't notice Ye Chen's strangeness.

Kob his head fiercely.

His forehead was \*\*\*\* and shocking.

When it hit the sixtieth, the ground was full of blood!

She can't hold it anymore!

Li Xin was in extreme pain, and his eyes looked at Ye Chen like water:

"Senior, give me a good time, I...I can't hold it anymore."

"happy?"

Ye Chen smiled.

"Yes, although Shi San's death has something to do with me, I admit that I am selfish, but the main reason is really not me!"

Ye Chen's eyes condensed: "Okay, I promise you and grant you a death."

Li Xin exhaled, thinking of asking.

Unexpectedly, a dozen silver needles suddenly shot out from Ye Chen's hands!

As soon as the silver needle came out, her body was like thousands of ants biting wildly!

Very uncomfortable!

This feeling is more painful than death!

Her whole body rotted! Even the soul is ruthlessly torn apart!

Like a yin fire burning her whole body!

"Senior, didn't you promise... promise me... ah!"

Li Xin screamed in horror, she rolled frantically on the ground!

The body is already full of holes!

Ye Chen pinched his fingers to form a closed formation to prevent this woman's blood from touching Shi San's clean grave.

The endless sound of pain resounded like a ghost crying and howling wolf!

Ye Chen remained indifferent.

Ten minutes later, Li Xin turned into a blood mist.

Desperate in pain.

Ye Chen took off his disguised appearance and revealed it in a true manner.

He looked at Shi Zhenhai: "Uncle Shi, what are your plans for the future? Although the third brother Shi is dead, he definitely hopes that you can continue to live and live well."

Shi Zhenhai took a deep look at the tombstone. Suddenly, "Plop!" Kneeled in front of Ye Chen!

"Mr. Ye, thank you for everything you have done for my son!"

Ye Chen quickly helped Shi Zhenhai up: "I and Shi Sanben are brothers in the same school, don't kneel on me!"

"Also, just call me Xiaochen, or I will get angry."

Shi Zhenhai eased a little, and could only silently record Ye Chen's kindness.

"Ye Xian...Xiaochen, I plan to go to the west of Kunlun. Shi San once said that I would go there to see, just as my father fulfilled my child's wish."

Ye Chen respected Shi Zhenhai's plan, and even took out some spirit stones and a few runes, and gave them to Shi Zhenhai: "Uncle Shi, you can accept these things, at least you can protect yourself in danger."

Chapter 648: Ye Chen, broke the game, the only one!

Shi Zhenhai glanced at what Ye Chen was holding. Although he wanted to refuse, he finally accepted it.

From some of the things Shi San said before his death, he still understood Xiao Chen's personality.

If you don't accept it, Xiaochen will definitely try to get him to accept it.

Suddenly, Shi Zhenhai thought of something, and quickly took out something wrapped in silk from his pocket.

The silk was opened, and inside was a golden array.

"Xiaochen, this thing was left by your master and his disciples before leaving the gate of the God of Medicine. He was handed to Shi San at the beginning. After Shi San's accident, I sorted it out from Shi San. I don't know what it is. What, you look at it, maybe you can study it out."

"This is the only thing left by your master."

"Also, I heard from Shi San that before the people of the God of Medicine gate left, there was an old man who was seriously injured appeared at the Gate of God of Medicine. Your master took this old man into the God of Medicine Temple. Out."

"Three days later, the old man disappeared, not knowing his life or death, but your master's temperament changed drastically. One day later, he and the disciples of the God of Medicine all left, leaving in an extremely hurried manner."

"All I know is that, Xiaochen, although you have the strength now, it is not a good thing to be completely exposed to many forces today. At any time, there is nothing wrong with converging."

After Shi Zhenhai gave the explanation, he disappeared into Ye Chen's sight.

There are some things that Ye Chen can only think about.

Ye Chen looked at Shi San's tombstone and fell into deep contemplation.

Why did the old man leave in a hurry with the people of the medical gods?

He understands the character of the old man, he doesn't like to argue, he doesn't pursue fame and fortune, and he doesn't even see happiness and sadness in the old man.

But from the words of Uncle Shi, it was obvious that something went wrong with the God of Medicine.

The fuse of this incident was the injured old man.

Ye Chen tried to recognize the master with a drop of blood on the golden array, or perhaps his spiritual sense penetrated into it.

It's not useful at all.

Although this thing is a formation, it seems to be blocked by some kind of force.

It can't be opened at all.

Suddenly Ye Chen thought of something and hurried to the former site of the God of Medicine.

If you want to find the answer, there is another way.

Find a decision on the road, restore everything!

It's just that Daoxun Jue is a powerful technique taught by the old man, and he naturally has a targeted technique.

I don't know if the old man erased everything before leaving.

If it is erased, then no magic can be found.

...

God of medicine.

Ye Chen sat down in front of a stone chair in the central garden.

Take out the golden array.

In the next second, Ye Chen pinched his fingers, then lightly danced in the air, and a magic talisman was drawn directly!

A strange rune appeared in the air in front of him instantly.

He released his hand and the golden circle floated, clinging to the rune.

Ye Chen kept muttering something in his mouth: "Destroy the roots, and create all things. The clear is the source of turbidity, and the move is the foundation of quiet..."

It's a life-breaking, looking for people a thousand miles away!

As Ye Chen's speech speed got faster and faster, the runes and golden formations in front of them were suspended!

In the next second, burn directly!

The flame is cyan! It even formed a strange shape.

"It's now!"

Ye Chen bit his finger and shot out a burst of blood! When the blood hits the flames, the flames are overwhelming!

The powerful backlash came suddenly!

Ye Chen's expression changed, he knew it wouldn't be so easy!

"puff!"

Ye Chen spit out a mouthful of blood, his face pale!

He can't take care of everything, no matter what, he must know the truth.

The blood dragon poured out of the body, and at the same time, the life charm came out!

The true energy of the dantian also converged continuously into the golden circle and flames.

An invisible force seemed to tear Ye Chen's body apart!

It is impossible to condense successfully!

"Are you going to give up?"

Ye Chen just wanted to withdraw his hand, and the black stone in his pocket was suspended in front of Ye Chen!

At the same time, an ancient meaning is covered!

"Boy, I'll help you once. Not as an example."

The voice of the Immortal Lord suddenly sounded.

After that, the fire became more and more prosperous, and the golden circle trembling violently.

This time a picture was formed in the air!

In the screen, Ye Chen saw two old men!

One of them is the head of the God of Medicine, the old man who rescued Ye Chen in Dongqian Lake in China.

But the other old man had a weak breath, obviously, he was the key person in Shi Zhenhai's mouth that was seriously injured.

The old man held the golden array in his hand, and sighed to the old man: "How much time is left in the medical gods?"

The injured old man pinched an exponential second, and said: "Less than a year."

"The God of Medicine can't escape the catastrophe. The guys in the dark have already started to do it. If I were you, take my disciples and leave, at least it can be delayed for a while."

The old man snorted coldly, and the blue veins in his hands holding the formation violently: "It is impossible for me to leave here! If those people really want to destroy the God of Medicine, they will first step on my corpse! The path of medicine is in ancient times. The times are the avenues, and Lin Qingxuan, the Taixu God of Medicine, stands above the countless powers by relying on the avenue of the medicine gods! The Kunlun Xu is powerful!"

"Why do you give up when you come to me? It's not my style to be a deserter!"

The old man was extremely emotional.

The wounded old man sighed: "You are not afraid of life and death, but have you thought about those apprentices?"

"They are still young and will be buried in this catastrophe?"

Hearing these words, the old man calmed down.

"Is there really no way?"

Some helplessness in the words.

The injured old man moved his fingers slightly, as if he was trying to figure out something.

Suddenly, the sky changed color and a vision arose.

The injured old man spit out a mouthful of blood on the spot. At the same time, he grabbed the old man's hand and said excitedly: "Do you remember a kid you rescued in China?"

"Ye Chen?" The old man's face changed slightly, as if thinking of something.

"Yes! I did a divination for this son at the beginning. His fate is weird and he can't even survey the heavens! He is a rare breaker in the world. This dead end, this son is the only life! If he is by his side, maybe There is still a chance! No, I don't seem to have seen this kid at the Medical Gods door today."

The injured old man frowned.

The old man raised his head and murmured: "I used my spells to break the secrets of heaven. There is a star in China that is extremely shining. It is an emperor star I guess that kid has a chance against the sky in China, so he asked him to return. Huaxia is here, now I don't know how."

When the wounded old man heard it, he sighed: "Perhaps this is the fate. Since he has gone to China, we don't count on it anymore. Right now, you should take your disciples to Qingxuan Peak. The descendants of Lin Qingxuan, the supernatural medicine god, are there. The \*\*\*\* of medicine is also a heritage of Lin Qingxuan anyway, if Lin Qingxuan's descendants are willing to take action, this catastrophe can be eased a bit!"

"it is good."

The old man hesitated for a few seconds, glanced at the formation in his hand and made up his mind.

The screen is interrupted.

"Qingxuanfeng? Lin Qingxuan, the doctor of Taixu?"

Ye Chen frowned and muttered.

Suddenly, his expression changed, because he found that the reincarnation cemetery was shaking just after the words fell!

This shock comes from the third tombstone that has not yet been triggered!

Chapter 649: come out!

Ye Chen hadn't thought much about it, but the vibration of the reincarnation cemetery was getting stronger and stronger.

Could it be that the third tombstone has something to do with Lin Qingxuan, the Taixu medical god?

Isn't it him?

Ye Chen entered the medical gods for the first time, and the old man talked about the history of medical gods.

The Medical God Gate existed in ancient times and was created by the spirit of Lin Qingxuan, the medical \*\*\*\* of Taixu.

Because it was just a divine mind, it only retained part of the medical skills of Taixu Healing God.

Even if it is part of the medical skills, it has made the medical gods brilliant for a whole thousand years.

Kunlun Xu was completely different from now!

Martial Dao is now respected, but in the past, medical Dao was able to overcome the martial art!

The Medical God Sect is one of the three top sects of Kunlun Xu!

Unfortunately, the essence of medical practice gradually disappeared.

Even a large part of it was lost in the long river of years!

This is also the reason why the medical gods have fallen to the present level.

The old man lamented countless times that the decline of the God of Medicine had something to do with him, but Ye Chen knew that the real decline began a thousand years ago.

Lin Qingxuan's magical skills almost disappeared in Kunlun Xu!

Even the descendants of Qingxuanfeng Taixu Healing God are the same!

"Disciple, come in quickly!"

Duan Leiren's voice came from the reincarnation cemetery.

Ye Chen no longer hesitated, and his consciousness directly entered the reincarnation cemetery.

When he came inside, Ye Chen found Duan Leiren and the Immortal Lord were looking at a tombstone interestingly.

This is the last tombstone that Ye Chen can provoke.

The tombstone at this moment was constantly shaking, surrounded by a strong golden aura.

The spiritual energy kept gathering, and an invisible pressure made Ye Chen breathless.

"Master, this one is..."

Ye Chen asked Duan Lei Rendao.

Duan Leiren touched his beard and said, "I don't know who is inside before the text on the tombstone is revealed."

"But judging from this breath, some of your words and actions outside just now have something to do with this great power, otherwise the other party won't have such big fluctuations."

The immortal Lord on one side frowned and said: "If I guessed right, this tombstone shouldn't have come out so far, judging from the breath on the tombstone, among the hundreds of mighty powers, he Extremely back."

"Even if it's me, if I want to do it, it's not necessarily the opponent's opponent."

"It's even more weird. The aura on his body is not like martial arts and cultivation, more like a kind of power of heaven and earth. Aura is generally colorless and tasteless, but when it comes to him, it turns into gold. This is The best state of heaven and earth aura."

"Boy, if you want to know the identity of the other person, it's very simple, put your palm on the tombstone."

Ye Chen nodded and stepped forward to the black tombstone.

He stretched out his hand and touched it directly on the tombstone.

In the next second, the golden aura seemed to have sensed something, and rushed towards Ye Chen!

"Boom!"

Before Ye Chen could react, the golden breath penetrated Ye Chen's body like a sharp arrow!

It's too fast!

The Lord of Immortality and Duan Leiren did not react!

They didn't expect this to happen!

The owner of the reincarnation tomb is the master of this reincarnation tomb!

The fate of a hundred of them is in the hands of Ye Chen, how could anyone hurt Ye Chen!

"puff!"

Ye Chen spit out a mouthful of blood, and was shocked to find that there was a big hole in his chest.

His eyes widened, and he could clearly feel the crazily passing of life!

"Did I finally die in the hands of the reincarnation cemetery?"

Just when Ye Chen was horrified, the golden spiritual temperature became much calmer, and it even covered Ye Chen's whole body!

In the next second, countless vitality crazily poured into Ye Chen's body.

"This....."

The shocking wound gradually disappeared!

Fusion of bones.

Flesh and flesh recovery.

It's like a miracle.

Not only that, Ye Chen also found that the golden aura was actually surrounding the blood dragon in his body.

The moment he touched the blood dragon, a series of dragon scales suddenly formed.

The original Blood Dragon phantom was actually a bit more substantial!

The Lord of Immortality and Duan Leiren sighed for a long while seeing this scene.

It seems that the golden aura is not intended to hurt Ye Chen, but a chance for Ye Chen.

Ye Chen felt the many changes in his body, he always felt that there was something in his body, but he couldn't tell.

At this moment, an old voice sounded: "Why do you have the Nine Heavens Profound Yang Jue?"

From that tombstone!

Ye Chen looked at the tombstone and said, "This senior, the disciple comes from the medical gods. This nine-day Xuanyang must be taught to me by my Kunlun Xu master."

"The God of Medicine?" The old voice was filled with doubts.

Obviously, the other party had never heard of the God of Medicine.

"Your Nine Heavens Profound Yang Jue is just a fragment, and it can even be said that it is not a real nine days Profound Yang Jue.

Fortunately, your understanding of the Nine Heavens Xuanyang Jue is not deep enough, otherwise your future achievements will stop here.

Seeing that you are the owner of the Tomb of Reincarnation, I will give you a complete nine-day Xuanyang Jue! "

The language seems to stretch out a hand in the tombstone!

That skinny hand even touched Ye Chen's brow.

In an instant, the light flickered!

Ye Chen was surprised to find a stream of information appeared in his mind!

The content of the information flow was somewhat similar to the nine-day Xuanyang Jue he had been practicing, but it was more complicated.

Even the content behind the Nine Heavens Xuanyang Jue is completely different!

At this moment, Ye Chen almost confirmed the identity of the other party!

Lin Qingxuan is really too virtual!

Because the old man said that the Nine Heavens Xuanyang Jue was created by Lin Qingxuan, the Taixu medical god!

"Senior Lin, you really don't want to conceal it. The medical gods door I just mentioned was created by your divine thought."

Ye Chen said quickly.

Da Neng in the tombstone was surprised to hear Ye Chen actually say his surname and spirit.

In that era, in order to continue the inheritance, he not only left some of the inheritance at Qingxuanfeng to future generations, but also left a divine mind in the world.

If later generations can't carry forward his inheritance, then Divine Sense may still be able to do it.

At the moment, it seems that the \*\*\*\* of medicine founded by his divine mind, and the tomb owner of this reincarnation cemetery is a disciple of the \*\*\*\* of medicine.

He never thought that he and the owner of the reincarnation tomb would have such a fate.

The next second, golden light flickered.

The tombstone cracked.

A figure appeared directly.

It was an old man with a fairy style.

The old man wears a gossip robe, and carries a box engraved with primitive patterns on his waist.

There is nothing else.

Simple cannot be simpler.

Even so, the breath of the old man gave people a sense of remoteness.

With a single sweep of his eyes, Ye Chen felt like he had penetrated.

Who can bear this strong posture!

The Immortal Lord and Duan Leiren were a little bit surprised when they saw the old man, and they were even more surprised: "So it was him, why did he come out early?"

Chapter 650: shock!

"This may be destined. The tomb owner accepted a trace of Lin Qingxuan's inheritance before opening the reincarnation cemetery. To a certain extent, in addition to the way of killing, perhaps the path of Lin Qingxuan, the \*\*\*\* of supernatural medicine, is more suitable for the tomb owner. For five years, he has used this as the foundation of his cultivation."

Then the two looked at each other and disappeared.

Leave all time to Lin Qingxuan and Ye Chen.

Lin Qingxuan glanced at Ye Chen interestingly, and continued: "Do you know what happened to the God of Medicine and Qingxuanfeng?"

"Do they carry forward my mantle? And what is the current situation of Kunlun Xu? Is my medical discipline surpassing the peak?"

Between the words, Lin Qingxuan has incomparable arrogance and confidence.

Back then, Kunlun was empty, medical, martial, killing... many tens of thousands of ways, medical and martial art parallel dominate and crush everything.

If future generations will carry forward his inheritance, it will be enough to win Kunlun Xu!

Hearing Lin Qingxuan's words, Ye Chen's expression was a little helpless, but he still said: "Kunlun Xuwu Dao is respected, the medical gods are almost in decline, and there are no more than ten disciples. As for the Qingxuan Peak, there is almost nothing in Kunlun Xu. The news is rarely known."

"what!"

Lin Qingxuan's expression suddenly stiffened.

He thought about countless possibilities, but he didn't expect that the path of medicine would fall to this point.

"You tell me the current situation in Kunlun Xu and everything that happened."

Lin Qingxuan frowned.

Ye Chen nodded, and explained the current situation of Kunlun Xu and even the recent events in the Medical God Sect.

Even what he learned from the medical gods was used again.

Lin Qingxuan's expression became increasingly ugly.

He discovered that the world has only the form of healing, but there is no \*\*\*\* of healing.

His uninherited inheritance has passed through the years and no one really inherited it!

If there is no reincarnation cemetery, the way of medicine will definitely cease to exist in a hundred years!

This is a shame, make him angry!

"senior?"

Seeing that Lin Qingxuan hadn't spoken for a long time, Ye Chen just wanted to remind that Lin Qingxuan came in front of Ye Chen with his hands behind him, and his eyes were extremely hot!

"I only ask you one question, you are willing to accept my unrequited inheritance! Stand the path of medicine on the top of Kunlun's emptiness, and let the three words Lin Qingxuan resound through the world!"

How could Ye Chen be unwilling? He knelt down and said: "Master, I am willing!"

"it is good!"

Lin Qingxuan didn't have any nonsense, and with his five fingers, a golden gaseous state suddenly formed!

"Apprentice, since your cultivation level is not high and you cannot touch the core thing of the path of medicine, this spirit of spirit and spirit will be a meeting ceremony."

"The spirit of the spirit is the most important thing in the path of healing. Generally, only those who enter the path can condense. Today, I will let you ascend to the sky in one step! With this thing, not only can you strengthen your Nine Heavens Profound Yang Jue, but it can also allow you to cross the path of healing. Thousands of miles! Refining medicine, condensing pills, killing people, and like a godly help!"

"The only flaw is your current cultivation base, you can control the spirit of the spirit for one minute in front of you. If you exceed this time, you are very likely to explode and die, idiot, remember!"

After the words fell, the spirit of the spirit flew to Ye Chen's eyebrows.

Ye Chen just wanted to say something, Lin Qingxuan waved his arm, the reincarnation cemetery was swept by the wind, and Ye Chen returned to reality.

"Disciple, I have no other requirements. I hope you will go to Qingxuan Peak and get my things back."

"Since this group of junk people cannot carry forward my heritage, then they are not qualified to control those things!"

Between the words, there was an invisible anger.

Ye Chen just wanted to ask something, but found that Lin Qingxuan had disappeared.

He glanced at the dilapidated plaque of the Medical God Gate, which was meaningful.

Since the old man took everyone from the Medical God Sect to Qingxuanfeng, he naturally wanted to go.

Moreover, according to the map, Qingxuanfeng and the blood alliance are just separated by a mountain.

Does not conflict.

"It's time to go on the road, I don't know if Shen Shixi has rushed to Wan Jianzong."

...

At the same time, the abandoned Zuixianlou.

Surrounded by almost a thousand people.

Among these thousand people, every breath is extremely terrifying.

They watched the collapse of Zuixianlou, extremely complicated.

Ye Xitian actually came to Kunlun for nothing.

Quietly.

The nightmare is coming.

Seven elderly people with strong aura near Zuixianlou.

Taking out any one of these seven old men was enough to tremble the entire Kunlun Xu!

They control Kunlun Xu's resources, and they hold supreme power! Their strength is enough to destroy everything!

One of them is the Sword Blood Sink of the Blood Alliance!

Jian Xuechen looked gloomy, and then his eyes fell on a middle-aged man.

"Are you sure that the other party is Ye Sutian? Also, Ye Sutian is only one person? One person destroyed the Gao family and the Li family? Even this Zuixianlou with ancient formations was destroyed? If I guess right, this drunk Xianlou has the shelter of Yibaoge."

The middle-aged man knelt on the ground, feeling the powerful pressure of the sword's blood, trembling.

"Leader of the sword, I really don't have to lie. Also, I was not the only one watching at the time, there were a hundred people! It is estimated that starting tomorrow, this matter will be completely spread! If there is a lie, the sky will thunder and strike. !"

"That Qin Chi Qiu Dao broke his arm under the coercion of Ye Xitian. Can such a shocking thing deceive you!"

Jian Xuechen's eyes narrowed when he heard the words Qiu Dao.

This is a Saint King Realm powerhouse who cut his arm to survive?

So did Ye Jitian step into the Void Return Realm?

"Leader of the sword, and Li Hu's Li Yuezhiqin has been taken away by Ye Jitian."

"What! Li Yuezhiqin came out? It's in Ye Jitian's hands now?"

Another old man with a terrifying breath is short of breath!

This is an ancient treasure!

After mysteriously disappearing a hundred years ago, Kunlun Xu has no trace!

But now it is reappearing in the world!

The old man grabbed the middle-aged man's clothes and said excitedly: "Are you sure that Li Yuezhiqin is in Ye Jitian's hands?"

The middle-aged man's expression turned bright and dark but he shook his head again: "My lord, no... no more."

"Boom!"

As soon as the words fell, the middle-aged man was thrown out by the old man!

The body slammed heavily on the ground, spitting out a mouthful of blood on the spot.

"Ghost talk! You just kept saying that Ye Jitian had taken the Qin of Li Yue, but now you said that it was not in Ye Jitian's hands! I really thought we were fools!"

The old man's voice is extremely cold!

The middle-aged man felt that his bones were broken. He couldn't take care of everything. He swallowed a mouthful of blood and continued: "My lord listened to me. The piano of Li Yuezhi was originally taken by Ye Jitian, but he was taken away by him. It was ruined in front of everyone, and it was refined into a scabbard..."

The old man's eyes became cold and he naturally didn't believe it: "I want to lie to me! I'm looking for death!"

The old man carried the storm, and smashed the middle-aged man's heavenly cover with one palm!
