Chapter 691: Killing!

"Supreme Soul Root?"

Ye Tianzheng frowned, he vaguely guessed something.

During the five years when he and his wife Jiang Hirong were trapped in the Ghost Prison, he learned something from his wife.

Jiang Hirong is a spiritual root against the sky in China, and this will cause such big fluctuations.

And he is Fangen.

And it was tested.

It can even be said to be a waste of roots.

In the eyes of those in the Chinese martial arts world, they are not worthy of Jiang Huirong.

The Jiang family was obstructing everything.

But with the development of the past six months, he found that he was not so ordinary.

His child Ye Chen is so terrifying that he has cultivated to the present level in just five years.

The power to break through the ghost prison was shocking.

If he is really Fangen, how could he and Jiang Hirong give birth to such a heaven-defying child?

From the words of the man in front of him, the so-called soul root in his body is absolutely extraordinary.

It can even be said to be an extremely important existence!

Also, he has always had a power in his body to protect himself.

Even if this power is in the Kunlun Deficiency Blood Alliance, those people are helpless.

Finally, coupled with the constant interrogation of the group of people in front of him, he seemed to have discovered a huge secret.

About life experience.

Kunlun Xuye Home?

Is this the secret that the old man has been guarding?

The old man has always been away from home, without a job, but he has nothing to worry about.

Could it be that Kunlun Xuye Family is behind it?

But why did the old man go to China?

What is this avoiding?

As Ye Tianzheng was thinking about it, Ye Hongbin continued: "Ye Tianzheng, would you like to go back to Ye's house with me!"

"As long as you return to Ye's house, this blood alliance cannot restrain you! Not only that, you can get everything you want!"

His tone is quick!

Can't wait!

Over the years, Ye Hongbin's biggest regret was being kicked out of the Ye family!

If there is Ye Tianzheng, then it is a great opportunity!

He provided the Ye Family with supreme soul roots, and the Ye Family would definitely include him in it.

This credit is overwhelming!

When the elder of the blood alliance heard Ye Hongbin's words, his face changed a little.

They never thought that Ye Hongbin planned to take Ye Tianzheng away in front of them!

This is in a blood alliance!

One of the elders of the blood alliance stood up and said: "Senior Ye, you are like this... OK, Ye Tianzheng is a member of our blood alliance."

Ye Tianzheng's eyes narrowed slightly, and he was always enthusiastic!

He didn't even look straight at the elder of the blood alliance, and said, "I know."

"The position of the blood alliance in Kunlun Xu is not bad, but you should know that the blood alliance cannot be on the stage!"

"Also, do you think the blood alliance is qualified to shake the ancient family Ye Family!"

"Even your leader may not be qualified to touch!"

"You can treat this as a threat, but this is my attitude."

"By the way, don't you want to know the secret of Ye Tianzheng, this is the supreme soul root! I can tell you accurately, the supreme soul root is different from the ordinary rare soul root, it looks at the entire Kunlun emptiness is top Linggen!"

Hearing these cold words, the eyes of the elders of the blood alliance shone with chill.

Ye Tianzheng, they are naturally impossible to hand over!

No matter how strong the Kunlun Xuye Family was, it would have passed!

What's more, only a few of them know what happened here!

If Ye Hongbin had an accident, how would the Ye Family know that Ye Tian is the Supreme Soul Root!

A blood elder in a golden robe stepped forward, holding his hands behind him: "Ye Hongbin, don't go too far!"

"Even if Ye Tianzheng really comes from Kunlun Xuye Family!"

"Even if he is the supreme soul root!"

"If you dare to take him away, then our blood alliance can only make you fall here forever!"

Murderous release! Fill the whole house!

As soon as the cold murderous intent touched Ye Tianzheng, his body created a barrier to protect him!

But Ye Hongbin offered a sword in his hand, and the sword's edge pointed directly at the elder of the golden robe blood alliance!

"You dare to kill me? The sect behind me knows that I stepped into this place. If I don't go back for three days, will you bear the price?"

Ye Hongbin is unscrupulous!

He must take Ye Tianzheng away today!

People who do not believe in blood alliances dare to move him!

This is the rule!

For a time, the anger was solemn to the extreme!

Ye Tianzheng's expression on the side is a little weird, his feelings are still a hot seller?

Suddenly, his eyes shrank, as if he felt something.

This feeling is exactly the same as when Ye Chen entered the Ghost Prison!

"This kid won't enter Kunlun Xu, it should be impossible. It seems that I haven't rested well recently."

Just as Ye Tianzheng was talking to himself, a cold light flashed, Ye Hongbin's sword held by the hand of the elder Jinpao!

Afterwards, several people behind Elder Jinpao offered weapons one after another and pointed directly at Ye Hongbin.

"Ye Hongbin, please figure out your identity, why we let you come here!"

"Ye Tian is the person of our blood alliance, and it is the existence that the leader is concerned about. If you dare to take it away, I'm sorry, you can only fall here forever."

Elder Jinpao and even the strong blood alliance behind him released murderously.

The endless pressure made Ye Hongbin's face slightly changed.

He wanted to break free, but found that his sword seemed to be firmly welded!

It was then that he suddenly felt that the old man in golden robe who had not spoken outside was absolutely extraordinary.

After hesitating for a few seconds, Ye Hongbin spoke: "Since you insist on blocking, then this matter is put on hold, today I will go to Kunlun Xuye's house, let them come and ask for someone from your blood alliance!"

After speaking, he drew out the loose sword and headed outside.

But I didn't take a few steps, and I was touched by a cold behind my back!

His steps are stiff!

He could feel that there was a cold sword behind him, and his skin had already been broken. As long as he tried hard, he would definitely die.

"What are you doing! Planning to kill people?"

The old man in the golden robe sneered coldly: "How could our blood clan move you~www.mtlnovel.com~ It's just that you know too much, and it's fine anyway. Just stayed in our blood clan for a few days and waited for Ye Tianzheng's After the secret is clear, we will naturally let you go."

"Now, please cooperate, read Ye Tianzheng's memory, and search for things of interest to our blood alliance from his memory. This is good for you or our blood alliance."

Ye Hongbin knows that if he is a strong player today, he will definitely die! The only way is to listen to the opinion of the golden robe elder!

"It's not that I don't want to move Ye Tianzheng, you saw that just now, that power is also attacking me."

"I can't compete with my current strength."

This is the truth.

The elder Jinpao put away the sword in his hand, and said seriously: "Although the power shot at you, it obviously stopped a bit, otherwise you can't stand still. Other people in our blood alliance touched Ye Tianzheng, how many it even turned into blood mist on the spot."

Chapter 692: 1 cut price!

"You are not strong enough, no problem, we will give you a strength, with the strength of a few of us, the existence in Ye Tianzheng's body can naturally be solved."

Ye Hongbin glanced at Elder Jinpao with a deep sigh, then came to Ye Tianzheng.

He pointed out and touched Ye Tianzheng's forehead.

Elder Jinpao and the other elders were not idle either, Dantian's true energy surged, and then he slapped Ye Hongbin on the back.

The endless true energy all surging away!

Ye Hongbin's momentum is also rising!

The golden light of his fingers penetrated Ye Tianzheng's mind completely.

The pictures flashed by!

Picture from Huaxia Jiangcheng!

This time, although the power was hindering, it was directly broken by the power of a few people!

Pieces of memory got into Ye Hongbin's mind.

Intermittently.

He vaguely saw a young man.

The boy's name is Ye Chen.

The man of Jiangcheng, the son of Ye Tianzheng.

In Jiangcheng's circle, it was reduced to waste, and countless people laughed.

Ye Tianzheng comforted the boy, but it was still useless.

Until they received an invitation from Yunhu Villa.

Yunhu Villa.

Ye Tianzheng and Jiang Hirong wanted to rectify Ye Chen's name, but they did not expect that Lin Juelong appeared and the family died tragically.

Kill the door.

Later, Ye Tianzheng and his wife came back to life and entered the ghost prison.

Countless such interrogations.

Only for the secret behind Ye Tianzheng.

The screen flickers.

Ye Hongbin saw an old man, who called Ye Tianzheng to the study, took out a black stone, and carefully handed it to Ye Tianzheng.

"Tianzheng, this stone is my birthday gift to Ye Chen. If an accident happens one day, I will give this stone to Ye Chen in the third year after the accident."

"Remember, don't make a mistake!"

"You can't afford this price! I put all my bets on Ye Chen. If I lose, the consequences will be disastrous!"

The picture came to an abrupt end here.

Ye Hongbin frowned slightly, what is the black stone, why is Ye Tianzheng's father so cautious?

He wanted to go back, but found that Ye Tianzheng's neck and face were bruised, very uncomfortable!

This kind of magic is a kind of devastation to Ye Tianzheng!

Ye Tianzheng wanted to struggle. Although he had a special bloodline, he hadn't cultivated after all, and was suppressed by so many strong people. How could he resist!

Ye Tianzheng's mouth gradually overflowed with blood.

That power was suppressed by the full blow of so many powerful people!

He can only rely on his own body to resist now!

How can we not get hurt!

Ye Hongbin glanced at Ye Tianzheng, but his eyes became cold.

Although the guy in front of him can help him enter the Kunlun Xuye Family, it doesn't matter.

He discovered that the secret is more important!

Kunlun Xuye Family has been silent for thousands of years, why suddenly went to Huaxia decades ago!

Combined with part of Ye Tianzheng's memory, it was obviously for the ashes of the old man!

The Kunlun Xuye Family placed the old man's ashes and spirit tokens in the Kunlun Xuye Family's ancestral hall, which is enough to show that this old man's identity is extraordinary!

And the black stone he explained many times must be the biggest secret!

This black stone is on a young man named Ye Chen!

Everything is clear!

Ye Tianzheng couldn't bear it anymore, the blood in his mouth kept spitting out!

And Ye Hongbin is still plundering frantically!

Seeing that Ye Tianzheng was on the verge of life and death, a black robe figure suddenly appeared!

It is Ye Chen!

Ye Chen naturally saw what this group of people did to his father for the first time!

At this moment, the anger in my heart burned completely!

If he waited another day, or a few minutes later, he and his father would be separated by yin and yang!

The key is that he saw the magic of this group of people for the first time!

Plunder memory!

This action may only slightly hurt the practitioner!

But my father is an ordinary person!

What did he do wrong!

grass!

Ye Chen couldn't help it anymore, and directly sacrificed the Soul Suppression Sword!

The arm really turned, and the Soul Sword shot out like a javelin!

"laugh!"

There was a sharp sound of breaking through the air, and the soul-suppressing sword struck the sky like a meteor!

Carrying the billowing energy and roaring!

This scene caused the temperature in the air to rise a lot!

Everyone in the blood alliance, even Ye Hongbin discovered it!

They turned their heads abruptly, and when they saw the Soul Suppression Sword burst through the air, they couldn't take care of everything, so let go!

One of them is too late!

Directly shot through by the Soul Sword!

Blood shot!

The Soul Sword did not stop!

Go to Ye Hongbin again!

Ye Hongbin can't take care of everything, and forcibly interrupts plundering memories! Backward!

but! It's still too late!

"Boom!"

One sword cut off half of his arm directly!

The powerful air wave directly lifted his body!

With a sound of "ding!", the Soul Suppression Sword and the body of the blood alliance were nailed to the wall of the dungeon!

Like a demon's trial!

A strong sense of depression made the whole world quiet.

Rolling dust swept across, blood gradually stained the earth.

Single sword! Kill one! Cut an arm!

Then Ye Chen desperately rushed towards Ye Tianzheng!

Hug!

"Dad! I'm sorry! I'm late!"

Ye Tianzheng saw Ye Chen in a daze, his painful face showed a smile of relief.

"Chen..."

He wanted to reach out, but he spits out a mouthful of blood.

Hard to suffer the extreme, consciousness gradually dissipated!

Ye Chen suppressed the anger in his heart forcibly, and took out the refined bottle of Primordial Virtual Reality Pill from the Reincarnation Cemetery!

Taikoo Xushidan has miraculous effects on spirits and injuries!

And my father was hurt at this moment!

Even though the Taikoo Xushi Pill was extremely precious, he still poured out two of them and fed them to his father!

At the entrance of the pill, Ye Tianzheng's originally pale face eased a bit.

But when Ye Hongbin, Elder Jinpao and others saw this scene, their eyes instantly became hot!

"The Primordial Virtual Reality Pill! The jade bottle contains the Primordial Virtual Reality Pill! The complete Primordial Virtual Reality Pill!"

Someone suddenly exclaimed!

This is Taigu Xushi Dan!

In the ancient times, it was a priceless existence!

In modern times, it is even more terrifying!

Concentrate on your soul, stabilize your cultivation, and cure all injuries! It's a holy pill!

The only time it appeared recently was at the Yibaoge auction and was acquired by Ye Xitian.

But the Taikoo Xushi Pill that was auctioned off is an incomplete pill and has no value!

No one in the world can refine ~www.mtlnovel.com~ but now, they have discovered that the black-robed young man is holding this precious pill!

Can they not be crazy!

"You are Ye Chen! Huaxia Ye Chen! You dare to break into the blood alliance dungeon!"

Someone exclaimed again!

Ye Chen's dad can guess his identity just now!

The key is that they don't believe it at all, a Chinese kid dare to enter Kunlun Xu! Dare to break into the blood alliance!

How did he get in?

Ye Chen ignored it, and took out a few silver needles again, a trace of spiritual energy condensed on the silver needles, and the silver needles fell one after another!

Densely and constantly trembling!

Now his father's situation is very dangerous, he must stabilize his father at all costs!

Chapter 693: Give you a chance, you don't cherish it!

His father's spirit was almost scattered, and his body almost collapsed.

If there is no Taikoo Xushidan, the consequences will be disastrous!

Now he lacks a lot of medicine, the only thing he can do is to stabilize his father's state.

Ye Hongbin stared at the jade bottle in Ye Chen's hand and glanced at the elder Jinpao: "You should know the value of Taigu Xushi Dan, how do you divide this thing?"

Elder Jinpao waved his sleeves: "Whoever gets it will go to whom, how?"

"it is good!"

Ye Hongbin stepped out one step at a time, and just wanted to do it, the other blood elders had already rushed towards Ye Chen!

"Bold Ye Chen, dare to break into the blood alliance, then we will take you down and dedicate it to the leader!"

After the words fell, a few voices madly rolled!

The breath of these people is at least above the holy realm!

Extremely murderous!

It is said that Huaxia Ye Chen is the invincible God of War, but they want to learn something!

But the real reason is that I want to get the jade bottle in Ye Chen's hands as soon as possible!

Ye Chen squinted slightly, feeling the murderous intent, but he was motionless. He placed his father not far away, and calmly gathered a formation to protect his father from any injuries.

After doing all this, Ye Chen turned around.

A cold sword had already pierced his arm.

"Today, all of you don't even want to leave. Everyone."

The indifferent voice sounded!

Ye Chen raised his head!

Almost bloodthirsty and craziness remained in those eyes!

Like a beast from hell!

The man who drew the sword was also taken aback.

Suddenly, Ye Chen moved!

With five fingers spread out, he directly grasped the long sword coming at high speed!

Then step on!

There is endless thunder and lightning!

violent!

"roll!"

With a roar, Ye Chen seemed to hold a thunderball in his palm, and it exploded!

"Kacha!" A cry!

The sword broke in half!

Ye Chen firmly held the broken sword, Canglong's phantom body surged, and his right arm slammed out!

The strong blood alliance was completely stunned, and could only slash towards Ye Chen with a palm!

I thought Ye Chen would dodge!

Unexpectedly, Ye Chen carried it down abruptly!

Immovable!

then! The broken sword tore the air and was directly smashed into the opponent's heart by Ye Chen!

The heart burst on the spot!

Then jerked! The blood hole spreads!

That person's body was abruptly torn apart!

"First."

It sounded like a voice from hell!

This scene completely shocked everyone!

People of the blood alliance respect the killing, but they have never seen such cruel and crazy actions!

"hiss--"

The old man in the golden robe and Ye Hongbin even felt a little chill on their backs!

This is the Chinese God of War Ye Chen?

madman!

A complete lunatic!

Ye Chen didn't stay in the slightest, like a war, with violent thunder and lightning moving around his body, shuttled among the strong blood alliances!

Separation of flesh and blood!

Broken arm!

All blood!

"sixth!"

Ye Chen's black robe was soaked with blood, he tore it off!

The mask on his face was also full of blood.

shocking.

His **** eyes looked at the remaining two people.

Ye Hongbin! Elder of the blood alliance golden robe!

The strength of these two people is probably in the Saint King Realm!

The breath of the golden robe old man is even more dangerous!

But Ye Chen didn't have a trace of fear!

He stared at the two men, like a blood wolf staring at the prey.

This look made the two of them feel a little confused!

"You shouldn't touch my father, you really shouldn't."

"I entered Kunlun Xu from Huaxia, just for my father."

"Now that my father is hurt like this, I will give you a choice."

"Kneel down, then destroy the dantian and cut off his head, otherwise I will let you feel what the **** torture is."

Ye Chen's voice was very flat.

With the blood on his body, the dungeon of the blood alliance became eerie and terrifying!

Ye Hongbin came here clearly!

He realized that Ye Chen's cultivation base was a transcendent realm! Even if it is strong and able to leapfrog the battle, the burst of power is also in the Holy Realm!

What's so scary about him in the supernatural realm!

He stared at the jade bottle in Ye Chen's pocket, and stepped out.

"Boy, don't tell me, I was really frightened by your aura, hand over the Taigu Xushidan, I will give you a good way to die."

"Also, you broke my half arm. You have to pay this price!"

After the words fell, a sword appeared in Ye Hongbin's hand.

The spirit flow is extraordinary everywhere.

Ye Chen smiled.

His **** hand reached into his pocket, and then took out the jade bottle: "You said, you want this?"

Ye Hongbin never expected Ye Chen to be so cooperative, and nodded fiercely: "Hand over the Primordial Virtual Reality Pill!"

Ye Chen gently tossed the jade bottle and placed it firmly in the corner.

"It's there, you can get it if you have the ability."

"Of course, you have to take it!"

Ye Hongbin snorted coldly, and headed toward the jade bottle desperately, but before he took a few steps, a figure full of blood stood in front of him!

"Little beast, get out of here!"

Ye Hongbin swept out!

Even if half of the arm is broken, Ye Chen is enough!

At the same time, his body was falling like a star, rushing towards Ye Chen!

too fast!

Ye Chen's eyes were filled with madness.

The bloodthirsty made his blood seem to boil.

He likes this feeling!

The blood dragon in his body kept roaring, ready to explode at any time!

"Just now you plundered my father's memory and hurt my father desperately. You know something you shouldn't know, so you **** it!"

The words fell, the wrist flicked, and the sword straightened!

A sword came out and shook the earth.

The entire blood alliance dungeon is completely dim!

The two sword intents collide!

A huge wave came into being!

The thunder and lightning of the natal talisman is also flashing!

Pedal!

With one sword, Ye Hongbin took five steps back!

Ye Chen is the same!

But Ye Hongbin's face was full of horror!

He couldn't believe that this sword was made by a kid in the transcendent realm!

This power is no different from the early stage of the Holy King Realm!

Kunlun Xu, cross-border operations are very common!

But across two realms! Very rare!

What the **** is Ye Chen!

Is it... Is it all because of the black stone!

Before he could react, Ye Chen rushed out like a cheetah!

Thunder and lightning all over!

The power of blood dragon blessing!

Life Talisman released!

He dare not have any reservations!

All you need is crazy killing!

The soul-suppression sword smashed directly down!

Like a huge mountain under the pressure, Ye Hongbin no longer dared to take it lightly, all the qi in his dantian condensed on a sword!

"Hong kill Jianyi! Cut!"

This sword, filled with extremely rich aura, fell madly!

That bloodthirsty arc seems to swallow everything!

"Let me sacrifice this sword~www.mtlnovel.com~You are also worthy of death!"

As soon as the words were spoken, two destructive forces collided like huge mountains!

The powerful counter shock is swept! Red light flashes!

Ye Hongbin spit out blood on the spot!

The internal organs are shaking!

Ye Chen didn't feel well either, his arm was almost numb!

Not only that, the two swords flew out directly!

Inserted on the wall!

Ye Chen couldn't care to wipe off the blood stains from the corners of his mouth!

"The killing has just begun."

Chapter 694: What kind of battle?

Ye Hongbin can't control Ye Chen's rhythm at all!

The key opponent is too messy!

Like a lunatic!

I would rather hurt myself than hit the enemy hard!

What the **** is this!

Kunlun Xu doesn't have it at all!

Not even the body refiner!

Even if you want to die, why do you want to get him!

Fuck!

He just wanted to swallow a pill and adjust his breathing, but! Ye Chen appeared again!

Killing intent released!

Like a demon crawling out of hell!

"Burning Heaven Palm!"

Without hesitation, Ye Chen blasted out!

An endless scorching sensation is coming!

Ye Chen's hands suddenly burst into flames!

Between the waves, the brilliance flickered, the wind roared, and the flames roared!

A scarlet empty palm just blasted out!

Energy ripples, like waves, violently spread.

This palm seemed to tear the space, bringing out a crimson sky.

The roar was deafening, as if the sky and the earth were cracking, as if the whole ground had split apart.

Extremely domineering!

Stepping into the transcendent state, Ye Chen became more proficient in those powerful martial arts!

The power released is getting stronger and stronger!

Ye Hongbin couldn't react to this palm. In addition to being injured, he could only choose to carry it abruptly!

"Boom!"

Flame empty palm directly touched his body.

The clothes burned out!

His body also flew out on the spot, and then slammed heavily on the wall of the blood alliance dungeon!

The wall broke on the spot!

"puff!"

He couldn't help it anymore, a mouthful of blood spewed out on the spot!

The bones of the whole body seem to be broken!

Who would have thought that a strong man in the Saint King Realm would be beaten into such a panic by a Transcendent Realm!

Too **** frustrated!

Ye Hongbin woke up and just wanted to stand up, but he dared to feel a mountain sweeping over him!

This breath made him extremely uncomfortable!

Shadow coverage!

The devil has appeared again!

This is a heavy blow to Ye Hongbin!

Can't you catch your breath!

Damn it!

He can't take care of everything, forcing a drop of blood, the blood is burning!

Then a strange rune appeared in his hand, the rune gleaming with black light!

People feel heart palpitations.

This is what he stayed on to save his life!

Have not been used!

There is no choice now!

The blow of this talisman was enough to knock Ye Chen back!

It can only be repelled!

That drop of blood turned into a sharp arrow, penetrating the rune, and black light burst out! Attached to the sharp arrow and headed towards Ye Chen's chest!

The sharp arrow drove extremely violent, in fact, like a wild beast!

Ye Hongbin exhaled. He thought it would be easy now, but he didn't expect a loud roar to sound in his ears!

"Blood Dragon! Come out!"

This voice came from Ye Chen!

In the next second, a blood dragon burst out of Ye Chen's body!

The blood dragon is huge, and its breath is extremely terrifying! The sound of dragon chants is like the sound of thunder!

As soon as the blood dragon came out, the phantom of the wild beast was completely shattered!

Coercion alone is enough to destroy!

There is no enemy at all!

Ye Hongbin opened his eyes wide, he couldn't think that there was a dragon inside Ye Chen!

And the killing intent on this blood dragon is even stronger!

As if born of killing!

Before he could react, the blood dragon swooped down!

Rumble!

The blood dragon directly hit Ye Hongbin's body!

The heavens and the earth have been obscured.

A wave of air, turned into substance, gushing out in all directions.

The smoke splashed and a huge pit formed!

Ye Hongbin vomited blood!

The meaning of death package!

Ye Chen looked at Ye Hongbin condescendingly, and said, "The mayfly shakes the tree, and I can't help it!"

"Today, I will let you enjoy the supreme torture!"

"The sword is coming!"

The Soul Suppression Sword flew directly to Ye Chen's palm!

Without any hesitation!

Cut with a sword!

Jian Yi directly cut off Ye Hongbin's other arm!

Ye Hongbin roared, his voice was extremely painful!

He stared at Ye Chen fiercely!

"Ye Chen, all the blood in you and me comes from the Kunlun Xuye Family! Why do you want to kill your compatriots!"

Hearing these words, Ye Chen smiled.

"Compatriot? You deserve it too! Don't say you are from the Kunlun Xuye family, even if you are the head of the Kunlun Xuye family, I, Ye Chenzhao, can't miss it!"

In the next second, the Dragon Slashing Sword in Ye Chen's hand directly pierced down!

Ye Hongbin's dantian shattered directly!

Countless spiritual energy overflowed and completely ruined!

He is desperate for life!

But helpless!

"Ye Chen, I, Ye Hongbin, will never let you go as a ghost!"

The roar shook the entire blood dungeon!

"Do you still want to be a ghost? You shook my father's spirit, and today, I will kill you!"

Hearing these words, Ye Hongbin took a breath, his eyes were full of horror!

The soul is gone, this lunatic! Even the soul is not let go!

"I can give you anything without me!"

But it was too late, Ye Chen's fingers kept choking!

Lei Guang is entwined in the fingers!

A huge rune came out suddenly!

The cold wind howled, the world twisted.

"Pump!"

The terrifying impact caused Ye Hongbin to spout a mouthful of blood again.

His face is pale!

"drop!"

Ye Chen's eyes condensed, and the rune in his hand was directly photographed by him!

Falling into Ye Hongbin's body!

The runes rippled away, and Ye Hongbin's eyes were instantly hollow!

Divine Soul tore on the spot!

Painful, uncomfortable!

Then, the body exploded!

The body and soul, all dissipated!

Only the Soul Suppression Sword was stained with blood and stood above the pit.

Ye Chen gasped violently, then thought of something, his cold eyes shot in one direction!

The last one!

The golden robe elder of the blood alliance!

"Fuck!"

Elder Jinpao met Ye Chen's eyes and suddenly clapped.

He looked at the young man under the phantom of the blood dragon, his horrifying eyes gradually turned into interest.

"Ye Chen, you surprised me."

"Your strength, hundreds of people in the Bloody Battle Hall have fallen, not injustice."

"To be honest, I never thought that Huaxia could step out of a person who is like you."

"Unfortunately, even though you are talented, you have come where you shouldn't be."

"You remind me of a person, the Kunlun Xu demon Ye Jitian."

"If you are given enough time, maybe you can really become an existence like Ye Jitian."

"Unfortunately, there won't be any more."

The old man in the golden robe slowly walked towards Ye Chen.

The reason why he hasn't made a move is because he wants to take advantage of the fisherman's profit!

Ye Chen's body is extremely weak now~www.mtlnovel.com~ I am afraid that Dantian's aura is also lacking, so why fight?

"Boy, what do you think you can do?"

"I kill you like a chicken!"

Ye Chen raised his head, moved his neck, and said lightly: "Really?"

"When you see my sword, you will take this sentence back."

sword?

Elder Jinpao was startled and looked at the soul-suppression sword in the deep pit.

This sword rank is not bad, but it is not a treasure in front of him!

What are you afraid of?

He just wanted to speak, Ye Chen's indifferent voice sounded again: "I'm sorry, it's not that sword, it's this handle!"

"Zhanlong asks Tianjian, come out!"

Chapter 695: Cremate you

Elder Jinpao frowned upon hearing Ye Chen's words.

Still have a sword?

Where's the sword?

Before he could react!

There was a gap in the air in front of you!

Afterwards, it seemed as if a red light shuttled!

The moment the red light appeared, he seemed to be locked!

As if a pair of cold eyes were staring at him in the dark!

The red light is getting closer!

Elder Jinpao's expression completely changed!

He saw a long sword that was simple in shape but exuded endless pressure!

Absolutely extraordinary!

He never expected that the feeling of staring came from a sword!

how is this possible!

How could a sword make him feel this way!

wrong!

He suddenly felt that this sword was a bit familiar!

But I can't say it!

"Zhanlong asks Heavenly Sword, kill!"

Ye Chen's eyes flashed sharply, angrily said.

He and Zhanlong Wentianjian had one mind, because he had personally refined the Zhanlong Sword, and even fought **** battles all the way in China.

After experiencing everything, Broken Sword was reborn, and the Lord of Immortality gave him a new life with the power of supreme sword-making!

This is also Ye Chen's new life!

Suddenly, the endless killing aura on Ye Chen swept away!

Fusion on the Dragon Slashing Question Heaven Sword.

He never regarded Zhanlongwentian Sword as a weapon! But a companion!

In many cases, Ye Chen didn't even have to take action, and the Dragon Slashing Sword could suppress everything!

This is the power of sword spirit!

The sword aura became more fierce, and the surroundings completely lost their brilliance.

The aura of heaven and earth gathered crazily.

The wind is dancing!

The old man in the golden robe realized the danger, and he even felt that this sword was far more dangerous than the kid Ye Chen!

Sword is better than man?

impossible!

This kid is weaker than the sword, how can he control it so easily!

He can't take care of everything, he sacrifices a long sword in his hand!

This sword is called Blood Moon Sword!

One sword cuts the blood moon, one sword swallows the world!

This sword is his personal sword for many years!

I don't know how many people helped him kill!

But when the Blood Moon Sword had just appeared, the Dragon Slashing Wentian Sword had already emitted a dazzling and biting light!

As if to completely cover all the glory.

At this moment, this sword is the sun and the moon! It is the stars!

He can kill the dragon!

Step on the sky!

Countless sword lights burst out, one or a hundred, it is impossible to count!

Every sword light is in essence.

The endless violent air, as if turned into a killing sickle, swallowed toward the Blood Moon Sword!

The blood moon sword of the golden robe elder has its own sword spirit, but at this moment, it broke free from the arm of the golden robe elder!

Flee in one direction!

The old man in the golden robe was completely dumbfounded!

The Blood Moon Sword, who fought his **** battle, actually flinched?

Don't even mean to resist?

This is **** shameful!

Even though the Blood Moon Sword ran away, Zhanlong asked Tianjian if he would give him a chance!

Sword energy, chasing away!

The horrible breath is enough to suffocate people.

"Papa!" With a sound, the Blood Moon Sword did not escape in the end, turning into a pile of fragments!

After that, without a trace of stay, he headed towards Elder Jinpao!

At this moment, the elder Jinpao was completely disrupted by the Dragon Swordsman, and he could only resist in embarrassment!

Bursts of sword light covered it!

Elder Jinpao snapped it out with a palm, dare not care, the power of the Holy King Realm burst out!

"Boom!"

Two air waves overflowed in all directions, and the ground seemed to be reduced to rubble!

Zhanlongwen Tianjian flew out and landed on Ye Chen's palm, shaking it gently.

Violent spirit, not decreasing but increasing!

But Elder Jinpao took a full five steps back!

Qi and blood surged, it was very uncomfortable!

He stabilized his figure and stared at the Dragon Slashing Heaven Sword in Ye Chen's hand!

"The breath of this sword doesn't look like Kunlun's imaginary. Who made it! Where did you come from!"

"It seems that Ye Chen has a lot of secrets in your body!"

"But these secrets, after today, all belong to me!"

The old man in the golden robe didn't plan to use any weapons anymore, and with his five fingers, a flame suddenly formed!

The appearance of the flame made Ye Chen feel suffocated and cold.

This is not like a flame, more like a piece of ice.

"What kind of fire is this?"

Ye Chen felt something was wrong.

No longer thinking about it, the place turned into an afterimage, frantically rushing towards the elder Jinpao!

At the same time, Zhanlong asked Heavenly Sword to cut directly!

The powerful sword intent tore the air in front of him, and the surrounding cages were directly shattered!

Visible power!

Not only that, the blood dragon descended from the sky and got into the Dragon Slashing Question Heaven Sword!

At the same time, the thunder and lightning of the natal magic talisman also entered the Dragon Slashing Heaven Sword!

This sword is enough to suppress everything!

Although the old man in the golden robe has some surprises in his eyes, the sense of surprise is fleeting!

He smiled coldly, "I can't help myself!"

With fingers pinched, the flame instantly covered Ye Chen and Zhanlongwen Tianjian!

The fire burns, burning the world!

The sword light of Zhanlongwentianjian expanded thousands of feet, and the blood dragon and thunder and lightning continued to gush out, but it still couldn't compare with the might of the fiery fire!

The entire blood alliance dungeon seemed to be involved in a huge furnace.

In the next second, Ye Chen discovered that his connection with Zhanlongwentianjian seemed to be cut off mercilessly by a force!

"how is this possible!"

Before Ye Chen could slow down, the endless flame turned into a giant beast, running!

At every step, the ground vibrates crazy!

Ye Chen's face changed slightly, and he glanced at Zhanlongwen Tianjian. For some reason, the sword body was constantly shuttled in the flames!

Trying to break open!

But even if a flame is cut, a new flame will grow around!

Endless!

Seeing the flame behemoth coming towards him, Ye Chen could only use the power of his life magic talisman to the extreme!

"Lei Luo!"

A cold light flickered, like a nine-day **** thunder, falling down.

This is the thunder calamity in Ye Chen's life charm!

Thunder and lightning in the sky dragged out a phantom, making people's eyes even unable to keep up.

"Boom!"

The two forces collided, and Ye Chen was knocked out on the spot!

Spit out a mouthful of blood!

The power of this thunder robbery can't even resist this flame!

At the moment of landing, Ye Chen slapped one hand on the ground, barely stabilizing his figure.

The body is very uncomfortable.

The old man in the golden robe was very satisfied with the state in front of him. He enjoyed the pleasure of crushing and smiled gloomily, "Little beast, can you feel despair? I am the beginning of your despair!"

"Why tell you ~www.mtnovel.com~ This flame is something I accidentally acquired many years ago, it is rare in the world, let alone you, even if you are a strong person in the Void Return Realm, it is useless!"

"The fire is still crushed!"

"Well, I won't talk nonsense with you! Today I personally cremated you, just to save some unnecessary means!"

After the words fell, the flame rose up and turned into a long dragon, swallowing towards Ye Chen again!

Ye Chen's eyes were solemn, and he glanced at his father in the distance, gritted his teeth!

Just about to rush towards the flames, a sound suddenly sounded from the reincarnation cemetery!

Chapter 696: heavy bomb!

Ye Chen's eyes became more solemn!

He never thought that the old man in the golden robe had mastered this kind of flame!

Now that Zhanlongwen Tianjian is trapped, it is very difficult to break free!

Without Zhanlongwentianjian, Ye Chen seemed to have lost his right hand!

He quickly asked Duan Leiren, "Master, since you know this flame, there must be a way to deal with it! Please master!"

Duan Leiren touched his beard, his eyes with a hint of playfulness, "Apprentice, don't think about things too complicated. Although this flame is very strong, it is too uneconomical for me to shoot."

"Besides, you have the ability to deal with this fire."

Ye Chen was a little dumbfounded. Just about to say something, Duan Leiren continued, "Apprentice, do you remember that the Lord of Immortality has a flame on his body, called the Fire of Immortality?"

Hearing the unquenchable fire, Ye Chen was suddenly stunned!

When I first saw the Lord of the Immortal in the Reincarnation Cemetery, Duan Leiren once mentioned the immortal fire. It is said that the immortal fire was taken from the depths of a sacred mountain magma, and used it to refine the seventy-nine-nine. Genius was born, there have been countless strong men watching, but in the end all died in the hands of the unquenchable fire.

Even thousands of top powerhouses encircled and suppressed the indestructible one, but he did not put out the fire, and all people died! Cruel!

"But master, the divine mind of the immortal Lord has disappeared, and I don't have an immortal fire, what should I do?"

Ye Chen said.

Duan Leiren's mouth showed a mysterious smile.

"You are wrong. Although the Lord of Immortality has temporarily left, he actually left something for you long ago."

"The kind of unquenchable fire."

"At the center of your eyebrows."

"The unquenchable fire swallowed all fires and formed completely. It will never be annihilated, extremely powerful! This time, it is under your control!"

"Disciple, feel the flame in the center of your eyebrows. The flame that swallowed that old fellow will benefit the immortal fire and you too much!"

The sound disappeared.

Ye Chen returned to reality, he looked at the engulfing flame, his eyes closed!

Condense all power on the eyebrows!

In the next second, a flame sprang out from the center of his eyebrows, floating in front of his eyes.

Ye Chen thought how powerful he was, but found that it was just a smiling flame!

This flame is too small, can it really fight against the power of the golden robe elder?

Just above Ye Chen's doubts, the unquenchable fire seemed to have sensed something and suddenly magnified!

It instantly turns into a giant net, which extends endlessly!

Countless forces continue to converge at this moment.

The giant net formed by the inextinguishable flames swallowed that violent flame abruptly!

At this moment, Elder Jinpao's smile was completely stiff!

"This...how is it possible! My flame! Little beast, you return my flame!"

He roared and rushed towards Ye Chen!

This flame has always been his greatest support! But at this moment, he couldn't imagine that this flame was swallowed abruptly!

His connection with the flame is completely erased!

His heartache!

Before the golden robe old man could react, Zhanlongwentian sword flew back to Ye Chen's hand!

"Kill me!"

With a roar, Ye Chen has appeared in front of the old man in Jinpao!

The sword fell, and the dragon roared! The flame behemoth roared endlessly.

"Boom!"

The flame that the old man in the golden robe relies on the most for survival has actually been taken away! It becomes the opponent's power to kill himself!

Elder Jinpao can't wait to vomit a mouthful of blood!

This blow, like a flood, under a sword, thousands of energy blasted towards the old man in the golden robe.

Mountains and rivers overturned.

The old man in the golden robe saw this scene, all he could do was gather a formation to block it!

Otherwise, this flame and sword intent would turn the entire square into **** in an instant.

Fire erupts like fireworks.

Sword Qi flew horizontally, like a sword formation opened.

The roar of wild beasts, the roar of dragons, the roar of Changhe... the sound is ear-sounding.

"Boom!"

After this shot, the old man's formation shield was completely shattered!

And the old man in the golden robe also vomited a mouthful of blood!

This is far from over!

He stretched out his hand to stop the sword, but he couldn't stop it at all!

Touch with your arm!

Broken arm! Blood mist bursts!

Zhanlong asked the sky sword to land on his body without hindrance.

A deep blood mark crossed!

The old man in Jinpao opened his eyes wide. He just wanted to say something, but his body was split into two on the spot.

His eyes were hideous from beginning to end, as if he had seen something terrifying!

After doing all this, Ye Chen held the Dragon Slashing Question Heaven Sword in his hand, inserted it on the ground, and held it fiercely.

His body is in pain!

The battle here almost exhausted him.

He took out a few pills and took them. Just after he swallowed them, the surrounding flames seemed to be conscious. They followed his feet directly, climbed onto his body, and even penetrated between his eyebrows.

Everything returned to calm, as if it had never happened.

Ye Chen reluctantly came to Ye Tianzheng, but his father still did not wake up.

Ye Chen stretched out a hand, put a hand on his shoulder, and then walked outside step by step.

"Dad, I will take you away."

"When I wake you up, I will get mom in!"

"Today, if anyone dares to stop, even if it is a god, I will personally pull him off the altar."

Ye Chen's eyes flashed with unprecedented determination.

...

At the same time, Wan Jianzong.

The atmosphere is solemn.

In the main hall, there are a hundred disciples of Wanjianzong standing on both sides!

Behind every disciple is a spirit sword!

Strong strength!

And at the top of the hall is the Sect Master of Ten Thousand Swords and the elders and protectors!

The breath of these people in Kunlun Xu is enough to cause a huge threat!

We must know that although Wan Jianzong is not considered to be the Kunlun virtual top sect, it is also a large sect!

Don't underestimate it!

At this moment, everyone's eyes are now focused on an old man!

Shen Shixi!

Something happened when Shen Shixi was on the way, and he was even more injured. It was only a few days late.

At this moment, his eyes flashed with excitement and blood.

Sect Master Wan Jian looked at Shen Shixi condescendingly, and said, "Elder Shen, what is it that you ring the profound bell of the sect today?"

"Also, it seems that you haven't returned to the sect for a long time, do you even forget Wan Jianzong!"

There was a hint of chill in the sovereign's tone.

Shen Shixi's eyes were calm, and he stepped forward, "Sect Master, none of this is important. I will come back this time for one thing! It is extremely urgent! Please also ask the Sect Master to lead all the disciples to set off immediately!"

Go now?

"Where to go? What's the urgency in your mouth! Say it!" Although it was unhappy ~www.mtlnovel.com~, Sect Master Wanjian still said.

In the next second, Shen Shixi threw a blockbuster!

"Sect Master Qi, I saw Master! Master is in Kunlun Xu!"

Sect Master Wan Jianzong frowned, "Why do I have a master in Wan Jianzong?"

As soon as he spoke, he seemed to have noticed something and stood up abruptly!

His voice trembled, and he continued, "The Master you are talking about is the one!"

Chapter 697: Condescend!

Shen Shixi took out a piece of jade directly, his body exuded a very strong aura, and continued: "This time I met the person who explained in Huaxia. Seeing this jade is like seeing the master! Sect Master remembers!"

"Where is the person who explained! What is his name! Hurry up!" Sect Master Wan Jianzong came to Shen Shixi step by step, grabbing Shen Shixi's hand, and said excitedly.

"This son is named Ye Chen! In terms of seniority, he is the Supreme Master of all my Wanjian Sect!"

Afterwards, Shen Shixi took out a rune, forced out a drop of blood, closed his eyes, and felt it slightly.

This was given to him by Ye Chen, who could detect Ye Chen's current position.

Convenient for gathering.

Suddenly, Shen Shixi's face changed drastically, his eyes opened, and he exclaimed: "No! Master is in danger!"

Sect Master Wan Jianzong shrank, and said coldly: "Shen Shixi, speak clearly! What danger! Where is the master now!"

When Chen Tianli came here, the shadow still hung over Wan Jianzong.

The apprentice of such a peerless and powerful person is even more regarded as his master, no matter what, he must not let that person have an accident in Kunlun!

Even with the fate of the entire Ten Thousand Sword Sect to resist!

Shen Shixi no longer hesitated, and hurriedly said to the suzerain: "Enlighten the suzerain, I just used a secret method to perceive that the master is in the Kunlun Void Blood Alliance!"

"The key master's breath is a bit weak, it is very likely that he has been injured!"

Sect Master Wanjian heard these words, his face completely sank!

Although Wan Jianzong does not want to provoke the blood alliance!

But this matter involves the respected master, so I can't help him!

He spread his five fingers, and a green sword above the hall flew directly into his hand.

Aura burst!

In the next second, he stared at everyone in Wan Jianzong: "The Wan Jianzong listens to the orders, the major guardians of the sect, the elders, and the disciples prepare weapons, and immediately go to the blood alliance!"

"In the world, no one can touch our master!"

"Yes, Sovereign!"

A shocking sound resounded across the sky.

Countless figures quickly swept in one direction!

The door of Wan Jianzong, which has not been closed for a long time, is closed for the first time!

A mighty team headed towards the land of blood alliance.

A hundred people!

Everyone has a long sword behind them.

Murderous and awe-inspiring.

Taking the sword as the sect, they still have to use the sword behind to make a **** path today!

Kunlun Xu.

Ji family.

Ji Siqing paced back and forth in the yard.

Look worried.

No matter how strong she is, no matter how talented she is, there are things that she can't compete with.

She can be called a bright road in martial arts, and countless people admire and admire her.

But before the real life and death, there is no ability to resist.

Although the family's genius doctor temporarily stabilized her father's problem, she found that her father's death spirit continued to spread over the past few days, and the consequences would only get worse.

If you can't find Ye Sutian, or Ji Lin can't bring back Lin Qingxuan's disciple, his father will be very dangerous.

But since Ye Xitian appeared in Zuixianlou last time, there has been no movement.

As if the world has evaporated.

She used all the strength of Ji's family to find Ye Sutian, and after a few days, there was no result at all!

Her fist was slightly clenched, an invisible wave of air radiated, and cracks appeared on the ground!

This was the first time she felt powerless in her heart!

Suddenly, a member of the Ji family crawled in and said, "Miss Lin is back!"

"She is back with Lin Qingxuan descendants!"

Hearing these words, Ji Siqing's eyes were a little surprised, Ji Lin actually succeeded?

Could it be the function of that golden core?

No longer thinking about it, she turned into an afterimage, like a breeze blowing by!

He appeared in the Ji Family Hall in an instant!

At this moment, Ji Lin and Lin Ruhai also walked in quickly!

When Ji Lin saw Ji Siqing, he rushed over, his small body jumped directly onto Ji Siqing's body, and even buried his head on Ji Siqing's softness.

Very comfortable.

"Sister, I have lost a lot of weight after being out for so many days, but I can bring people back, so please praise me."

Ji Lin looked like he was waiting for praise.

A smile appeared on Ji Siqing's sad face, put Ji Lin down and touched her head, then his eyes fell on Lin Ruhai.

She thought that Ji Lin should be a genius doctor like Qingxuanfeng, but she didn't expect to bring Lin Ruhai back directly!

Lin Ruhai's position in Qingxuanfeng is below 10,000 people.

The key is that this person has such a great ability, why did he come here with Ji Lin?

A golden pill cannot be bought!

Lin Ruhai also stepped forward, arching his body, and said, "Miss Ji, I've heard the name for a long time."

Ji Siqing nodded and said earnestly: "Senior Lin has worked hard, and my father's affairs will have to trouble you, or I will help Senior Lin first, then"

Before he finished speaking, Lin Ruhai said: "No, no, no, take me directly to see my grandfather, but Mr. Ye gave me an order. Healing my grandfather is the key."

Mr. Ye?

Ji Siqing frowned.

On Qingxuan Mountain, there seems to be only one ancestor with a higher status than Lin Ruhai.

What's more, everyone in Qingxuanshan's surname is Lin, why suddenly a Mr. Ye popped up?

However, his father's safety is more important than anything else. Ji Siqing made a gesture and walked towards the depths of Ji's house.

"Senior Lin, please come with me."

Not long after, Ji Siqing, Ji Lin and even Lin Ruhai came to a bedroom.

On the bed in the bedroom lies a middle-aged man, dying.

Lin Ruhai glanced at the Patriarch Ji, his eyes shrunk: "My grandfather seems to be injured by a top powerhouse."

"If it hadn't been for some power to help my father to hold back a bit, I guess the body would have turned into blood mist."

"Moreover, the opponent's power is a bit special, Kunlun Xu is very rare."

Hearing Lin Ruhai's words, Ji Siqing's cold eyes flashed with murderous intent: "Does Senior Lin know who did it?"

Lin Ruhai shook his head: "We still have to wait for my father to wake up. Besides, my father's situation is very complicated, and I may not be able to succeed. I can only give it a try for the time being. Go out first."

Ji Siqing nodded, she naturally knew that Lin Ruhai was going to perform some secret techniques and directly pulled Ji Lin toward the garden.

The central pavilion in the garden~www.mtlnovel.com~ Ji Lin took out a handful of potato chips, just about to take it apart and eat, suddenly thought of something, took out the golden pill, and threw it to Ji Siqing: "Sister, this thing is useless."

Ji Siqing held the golden core in his hand, his eyes were extremely puzzled!

This Dan is actually useless? Then why did Lin Ruhai come here in person?

She had heard of Lin Ruhai's temper. Many strong people had asked for help, but the other party ignored him and was extremely arrogant.

But what the **** is it right now?

Her Ji family's reputation is not strong enough to make people like Lin Ruhai condescend!

Ji Lin saw Ji Siqing's doubts, the corners of his mouth were outlined, and he smiled: "Sister, guess who I saw this time?"

Chapter 698: Catch the turtle in the urn!

Ji Siqing shook his head: "Let's talk about what happened these days."

"Everything must not be missed."

Ji Lin took a bite of potato chips, and felt that her sister was too incomprehensible. She narrowed her mouth and said, "You don't care about that kid from China?"

Hearing these words, Ji Siqing's eyes suddenly shrank: "You said Ye Chen, right?"

"Of course!" Ji Lin snapped his fingers and smiled, "Ye Chen came to Kunlun for nothing! Also, if there is no Ye Chen this time, I guess I might not be able to come back!"

Ji Lin's shocking words made Ji Siqing's face slightly changed.

She really couldn't imagine what Ye Chen and Ji Lin would be related to.

Even if the two meet, Ye Chen's strength can't be on the stage in Kunlun Xu, how can you save Ji Lin?

Ji Lin had long wanted to say everything, and continued: "Sister, last time I saw him in the Pneumatic state, this time I saw him, he was actually in the Spiritual Ascension state! I doubt that this kid must have an adventure in him! "

"This is not the most important thing, this kid has somehow mastered the formation method! The formation method attainments can be called a monster! Even the formation genius Bai Zhanyuan can't compete!"

"what!"

Ji Siqing Gu Jing Bubo's face was shocked.

Ye Chen is Fangen, this is an indisputable fact.

The entire Kunlun Xu sect knows it.

Logically speaking, this kind of people want to cultivate, and it will be difficult for them to reach the spiritual ascension state in their lifetime.

But Ye Chen did not expect it to be done.

This is not the most important thing, Ye Chen even mastered the formation, even Ji Lin still used the word evil in his mouth to describe it?

As her younger sister, Ji Lin has seen a lot of formation geniuses, so naturally she will not use the word evildoer casually.

The key also involves Bai Zhanyuan! Kunlun Xukou is a legend of Bai Zhanyuan!

These three words are synonymous with formation talent!

In this way, Ye Chen's attainments in formation is absolutely appalling.

Ji Siqing's chest rises and falls, and grabs Ji Lin's hand: "Since you left, everything is fine! I want to know everything."

Ji Lin felt the pain in his arm, put down the potato chips, and said all the things that had happened in the past few days.

From Bai Zhanyuan to Ye Chen's appearance, then to Ye Xitian's secret attack, killing Bai Zhanyuan and that great power, and then to the Qingxuanfeng matter.

It's just that Ji Lin learned a lot of things from Ye Chen, and Ye Chen didn't say much about the specific things.

Until now, why Lin Ruhai respected Ye Chen so much was still puzzled.

Ji Siqing's beautiful eyebrows kept frowning and did not stretch.

Only surprise remained in her eyes.

Never imagined that Ye Chen, who had been away for half a year, would come back so powerfully.

She had helped Ye Chen countless times and didn't expect anything in return.

And now, she found that the appearance of Ye Chen directly broke the Ji family's predicament.

It's incredible, but I have to admit it.

Ye Chen saved the Ji family.

"In the past six months, what adventure has this guy really got?"

"It's a pity that he is only staying in the Immortal Ascension Realm now. His starting point is too late. Even if there are Qingxuanfeng and Heshenmen behind him, it is difficult to have a certain right to speak in Kunlun.

"After all, Kunlun Xu is the respect of martial arts, and the medical gods are completely in decline. Without the protection of powerful forces, it is very difficult for Ye Chen to make a reputation in Kunlun Xu."

"Unless one day, Ye Chen, like that Ye Jitian, did a major event that shocked Kunlun Xu, only then can he participate in formulating Kunlun Xu's rules."

Seeing Ji Siqing murmur something, Ji Lin said, "Sister, why did you say Ye Sutian wanted to save me and Ye Chen?"

"Is it because he wants to use me to approach you? If Ye Chen and Ye Jitian stood in front of you at the same time, who would you choose, sister?"

Ji Siqing ignored it, and moved to the side of the hall: "Xiao Lin, only children like you can make a choice."

"How does Ye Chen's Immortal Ascension Realm compare with Ye Jitian, who may step into the Void Return Realm? But for today's matter, my Ji family owes Ye Chentian great favor."

"If you really want to choose, I will choose Ye Chen. Even if he is Fangen, I always feel that there is something special in him once this thing blooms, the consequences will be disastrous."

At the same time, the blood dungeon.

In the dark, two figures approached towards the light.

The mottled light and shadow hit Ye Chen's mask, shocking.

The blood has dried up, but Ye Chen's murderous intent is still there.

Very cold.

Soon, Ye Chen brought Ye Tianzheng to the outside.

His footsteps stopped.

Looked up.

It's dark outside.

The many powerhouses in the blood alliance are all waiting outside early.

Ye Chen didn't have a trace of fear, but smiled.

He had guessed that it was not so easy to leave.

The disciples guarded by the blood clan dungeon were killed, and all the elders who entered the clan dungeon fell. If the blood clan can't react any more, it would be ridiculous.

In fact, it should have brought Qingxuanfeng's strong people here, at least half a point can be resisted.

Even if Qingxuanfeng ancestors took action, things would be much simpler.

But he could not wait so long, nor could his father.

His gaze shot at a burly man, the aura on him was extremely terrifying.

The burly man stood in front of everyone, the stars arched over the moon.

If you didn't guess wrong, this person should be the master sword of the blood alliance!

It is also the man behind the Lin family in Beijing, the ghost prison, and the imprisoning of their parents, in order to obtain the secrets of the Ye family.

His eyes met, and violent sparks burst into the air.

Looking at Ye Chen condescendingly, he said: "Who are you, why did you take Ye Tianzheng away, and why you want to kill the golden robe elder of my blood clan! You know how precious the golden robe elder is in my blood clan!"

He naturally didn't know that Ye Chen was under the mask, so he could only ask.

Ye Chen sneered: "Ye Tianzheng, I just want to take it away today, do you have any comments?"

"If there is, I will blaze a trail."

"If not, your blood alliance can continue to exist in Kunlun Xuzhong."

Ye Chen exploded with strong confidence!

Fearless!

As soon as these words came out, the crowd was quiet for a few seconds.

A few seconds later, it broke out!

Loud laughter!

"Boy, you are afraid that you have mistaken the situation, the place where you are stepping on is a blood alliance!"

"Besides, you are alone with a half-dead ordinary person, is it possible that you still want to go out of the blood alliance?"

"Haha, I'm afraid this is a lunatic! Don't think that you have some strength~www.mtlnovel.com~ can control everything!"

"Any strong man is an ant in front of our leader!"

"Leader, our government is requesting to go to war, and we will surely subdue this boyzhi!"

"Leader, give this little beast to me, give me five seconds, I will break his arms and legs!"

The crowd talked a lot.

They saw the injuries on Ye Chen's body, and even more saw Ye Chen's cultivation!

The breath of transcendent realm or holy realm!

They don't know exactly how it is, because the evil spirit on Ye Chen has overshadowed everything.

But it will definitely not exceed the Holy Land!

Chapter 699: Small!

Seventy percent of the strong blood alliances present are enough to contend!

The blood alliance master Jian Xue Shen looked at Ye Chen, and continued: "Now the situation is very clear, no matter how you argue, it's useless."

"Ye Tian is the person my blood alliance wants, and must stay, not only that, but my blood alliance also wants your life."

"Since you wear a mask and refuse to see people, then I will let my people take off your mask personally!"

"Wang Man! Didn't you say that you can break his arms and legs in five seconds? I will give you this opportunity now!"

After that, the burly man who spoke before stood up.

Wang Man is a full 2.5 meters tall, which is much taller than Yao Ming of China. A simple step is a sense of oppression on its own, making it difficult for people to experience the extreme.

The key is that his realm is not weak, entering the peak of the holy realm, half step into the holy king realm.

In Jian Xue Chen's eyes, such strength is more than enough to deal with an injured kid!

Wang Man bowed his hands to the sword and said: "Hall master, don't worry, some of my powers are beyond the power of the early holy king realm, not to mention this little beast, he may not need it for five seconds."

"I will take off his head directly, but I want to see what this little beast is afraid to see!"

The words fell, Wang Man stepped forward, and the ground vibrated!

Ye Chen squinted slightly. Judging from the opponent's aura alone, he was either a body refiner or the existence of cultivation power!

Head-to-head with this kind of person, if not, the body may turn into blood mist.

With gusts of wind swept through, Wang Man appeared in front of Ye Chen in the blink of an eye!

A punch!

This fist shocked the world!

The air seems to be suppressed!

Regardless of Wang Man's burly, his speed is surprisingly fast!

Once it is dropped, the consequences will be disastrous!

Since Ye Chen is still carrying his father, it is impossible to dodge!

In desperation, his eyes condensed and he forced a punch!

He even leaned forward to prevent his father from being hurt by the other side, and forced it down!

"Boom!"

Two punches touched suddenly!

The air waves rolled, and the dust rolled up like yellow sand in the sky!

Because Ye Chen was forced to bear the strength, he was injured again, facing this punch, the aftermath was rippling, and he had to bear it! !

The blood rushed up, the corner of his mouth overflowed with a blush, and he took five or six steps back.

He glanced at his father, there was nothing serious about it, and he exhaled.

Subsequently, he carried Ye Tianzheng behind his back.

He didn't dare to put it on the side like he was in the dungeon just now. After all, there are too many strong blood alliances outside. If he is not careful, his father will have an accident!

Behind yourself is the safest.

However, his back is wrapped in spiritual energy, and there is not much restriction.

Ye Chen raised his head and looked at Wang Man coldly!

The eyes are bloody, like a **** beast.

"You like feeling power?"

Ye Chen Bingham's words fell.

When Wang Man saw that Ye Chen was not dead, his expression was a bit sullen!

The leader can watch from behind, if he doesn't take down this little beast, where will his face be put!

"Little beast, are you sure you want to carry such a burden?"

"Then don't blame me for punching two people to death!"

At the end of the speech, Wang Man roared, his anger sinking into his dantian, and he took three steps!

The last step, the ground cracks!

Bend his knees and suddenly vacated!

A full height of six or seven meters!

Then fell suddenly, like Mount Tai! Carrying the power of Thunderbolt, a punch fell from the sky!

This is his proud boxing skills!

"Zhenshan Boxing!"

A punch shakes the mountains and rivers! Unstoppable!

At the moment when the punch was blasted, everyone could clearly hear Wang Man's huge body, his muscles and bones croaking together, making a crackling sound!

"Boom!"

The fist wind was violent, and the power of Wang Man's body was blasted out!

At this moment, he is full of killing aura!

Under that terrifying aura, the entire blood alliance faintly shook.

The power of the top powerhouse, who dares to touch it!

He descended like a tiger! It's like a meteorite hitting the sky!

Those blood elders and disciples took a breath!

"Wang Man actually broke through! The power of this punch, even I can't stop it!"

"One punch didn't kill the mask boy, it seems that Wang Man is serious."

"In terms of strength, under the Saint King Realm, it is almost invincible!"

"That kid is miserable. With a half-dead person on his back, how can I resist it? Even if it's too late to run!"

At this moment, everyone has long recognized the result!

It must be a crushing game!

They have even seen the scene where the two turned into blood mist on the spot.

But Ye Chen was staring at the figure rushing from above the sky, and the corner of his mouth flashed crazy!

The power of the blood dragon in the body is all gathered on the fist!

Even the immortal fire in the center of the eyebrow felt Ye Chen's breath, and it surged to Ye Chen's right arm!

His right hand seemed to ignite bursts of flames!

"The master said that the immortal fire has spirit, and it is extremely terrifying. It seems reasonable."

At this moment, Ye Chen could feel the power of his right arm so violent that it almost burst open!

He no longer hesitated, taking the father behind him, bending his knees, and then rushed out!

"Today I let you feel the ancient boxing skills! Rosha boxing!"

With a roar, Ye Chen's burning right arm tore through the hurricane and headed directly to Wang Man!

Long Yin bursts, swallowing thousands of miles!

In terms of aura, Ye Chen at this moment is even more unbeatable!

At this moment, Ye Chen seemed to transform into a sky-swallowing fire dragon, bombarding towards that Zhenshan Fist!

With the power of immortal fire and blood dragon, this punch seems to be able to break everything!

"Wow!"

Fist wind rolled up huge waves!

The giant tiger phantom condensed by Zhenshan Fist was torn on the spot!

"how is this possible!"

Ye Chen's horrible fist and style of fist made Wang Man's eyes widened, and his expression was even more hideous!

For a moment, there was fear in his heart!

Fear from death!

The difference between the Tiger and the Fire Dragon is too obvious!

The stronger the shadow behemoth condensed by the fist wind, the stronger the power!

Feeling the powerful power shown by Ye Chen, Wang Man's face flushed!

Regardless of everything, spit out a mouthful of blood and strengthened Zhenshan Fist crazy!

He will completely destroy this masked youth!

"Boom!"

With a loud noise, the two forces suddenly collided!

The earth is shaking! From the dust!

The invisible air wave rolled and the dungeon door collapsed!

Not only that, but those close blood alliances were also shocked by blood!

Everyone backed away one after another, who would have thought that the mask kid had an enemy!

In the gusty wind~www.mtlnovel.com~ the dust is all over the sky!

Cracks appeared on Wang Man's arm in the dust, and the veins burst!

There is only horror in his eyes!

Even as the cracks in his body spread, his complexion quickly distorted, becoming extremely painful and frightened!

My own strength is totally invincible!

Even small!

It's like a collision between stars and Haoyue!

Not a level!

This kid can't even be a body refiner!

Chapter 700: How to play!

"Wow!" With a sound, Wang Man's arm broke directly! Blood is growing!

This is not over yet!

An indifferent voice sounded in Wang Man's ear: "Now, I will personally send you on the road."

In the next moment, Ye Chen appeared in front of Wang Man again, with a punch with an inextinguishable fire, which completely broke out in Wang Man's chest!

"Pump!"

Blood stained the sky, Wang Man had no time to react, all the bones of his body shattered!

Then, it hit the ground heavily!

"what!"

The whole blood alliance resounded through his heart-piercing voice!

"Boom!"

A deep hole formed on the ground, and Wang Man, who was more than two meters long, had disappeared!

Only a pool of blood is left in the pit!

silence!

Check out this new online game!

The square of the blood alliance is extremely quiet.

It was so quiet that even everyone present felt suffocated.

It wasn't until a cold wind blew that the elders of the blood alliance and the disciples were clever.

Not only did Wang Man, who dominated by strength, failed to take down the kid within five seconds, he was crushed by the kid with a punch!

Damn it!

Is this masked kid a body refiner!

It is still the existence of the kind of body refining against the sky!

When they reacted, Ye Chen walked outside in front of everyone in the blood alliance!

For a time, no one stopped!

The cold wind is dancing, the hero go!

Jin Ge iron horse, no one stopped!

Hundreds of people were surrendered by the power of that punch!

It is naturally impossible for Ye Chen to leave with Jian Xue Shen, and he coldly snorted: "Are you blind? If this child goes to the bleeding alliance, you will cultivate at your own expense!"

As soon as this was said, everyone's expressions changed drastically, and in the next second, countless weapons pointed at Ye Chen!

Everyone surging, cast a murderous spell, surrounded Ye Chen!

Circle after circle!

Don't open one man!

Endless pressure falls from the sky, this is the power of hundreds of top experts in the blood alliance!

Most people will undoubtedly die under this coercion!

And Ye Chen's feet were also trapped in the ground, unable to move a step.

"Do it!"

An elder of the blood alliance spoke.

After that, countless figures swept towards Ye Chen, the sky full of sword shadows tearing everything apart!

Even some sword shadows are still going towards Ye Tianzheng!

Ye Chen's eyes flashed with murderous intent!

The natal talisman, the power of the blood dragon, and even the immortal fire are all gathered on the body!

At the same time, Zhanlongwentian Sword was held in the palm of his hand!

The long sword dances, carrying violent flames and thunder and lightning away!

The power of this sword is like a mountain and the ground cracks! Amidst the roar, the sound of bone fracture was clearly heard.

How can ordinary people block so many forces!

Ye Chen led his father into the crowd like this.

One sword, two swords, a few swords even Ye Chen didn't even know.

In order not to hurt his father, he abruptly took a lot of injuries.

There were cracks in his Versace casual clothes, and even blood kept oozing out.

And those blood alliances and elders are even worse!

The heads separated one by one, and the entire blood alliance square became a river of blood!

The blood dragon in Ye Chen's body is getting bigger and bigger!

This is its best nutrient.

At this moment, Jian Xue Shen, who has not been used, can't stand it anymore!

The figure was as fast as lightning, and in the blink of an eye, he came to the back of Ye Chen!

A palm hit Ye Tianzheng!

He was sure that Ye Chen would choose to take it himself!

Sure enough, when Ye Chen felt that his father was in danger, he even turned over suddenly!

His chest abruptly bears the palm of the sword blood!

"Boom!"

His body flew out on the spot, like a broken kite!

It hit a weeping willow tree abruptly.

A mouthful of blood was spit out directly.

Dantian's true energy has almost been exhausted!

He is still a human being after all, facing so many strong people, he was injured, and it is a miracle to be able to survive now.

The elders and disciples of the blood alliance quickly exclaimed: "As expected of the leader, one palm is enough to suppress this masked kid!"

Jian Xuechen held his hands behind him: "Don't talk nonsense, just take off the mask of this little beast!"

I want to see who the little beast is under the mask! "

Hearing Jian Xue Shen's instructions, a group of elders instantly moved towards Ye Chen.

But at this moment, Ye Chen put Ye Tianzheng on the ground, then stood up, and fiercely inserted the Dragon Slashing Wentian sword in front of his father!

"Help me keep him!"

Zhanlong asked Heavenly Sword to hear bursts of sword chants, as if agreeing to Ye Chen.

Ye Chen exhaled and looked at the few people who came by, the grinning smile at the corner of his mouth, as if he had eaten himself.

"Don't you want to know who I am? I will tell you today."

Yuluo, Ye Chen didn't take off the mask, but stretched out his hand, and with his five fingers, a weeping willow fell on the palm of his hand.

Is the weeping willow a sword?

What kind of lunatic is this? Really think this kind of weeping willow can shake the blood alliance?

Suddenly, someone discovered something!

That Ye Chen's figure and the gesture of holding the weeping willow!

Plus the Dragon Slashing and Asking Heaven Sword!

It is extremely similar to the sword picture flowing out of Zuixianlou!

"Ye Jitian, he is Ye Jitian!"

The man exclaimed!

Hearing these words, the elders who had planned to go to Ye Chen quickly stopped and did not dare to move forward!

Ye Xitian's fear has always dominated them!

Jian Xue Shen is also extremely gloomy.

Although I don't know why Ye Jitian's strength has dropped so much, he is afraid that it will change after the delay, and hastily said: "All the elders of the blood alliance disciples follow the order and take this Ye Chen by all means!"

In the next second, countless violent sword intent turned into a sea of swords and headed towards Ye Chen!

Originally they didn't plan to explode with all their strength, but when the three words Ye Jitian came out, they didn't dare to hide their strength!

Otherwise, their only end is death!

Watching that sword sea and endless murderous intent surging!

This blow was enough to destroy any Saint King Realm powerhouse, let alone Ye Chen.

But Ye Chen didn't panic at all, and said indifferently: "You shouldn't use swords the least!"

In the next second, the weeping willow in Ye Chen's hand swung, directly offering a sword art!

This sword can make Wan Jian surrender!

What did Jianhai do!

Ye Chen stepped out in one step, and his breath suddenly released!

The weeping willow is swaying, and the invisible coercion is released!

Suddenly, that sword intent seemed to be completely out of control!

An ancient aura enveloped the entire blood alliance. Under this violent collision, the overflowing sword aura would instantly turn into a **** on earth.

Sword Qi flew horizontally, and the sword intent that originally came towards Ye Chen and Ye Tian fell on the ground on the spot.

Lost all aura!

Turn into scrap!

"Fuck me back!"

Ye Chen let out a roar~www.mtlnovel.com~ The momentum of the sword jue broke out!

The countless swords that fell on the ground took off, and even turned over!

At this moment, to those spirit swords, Ye Chen is respected!

As the sword edge passed, the river shattered.

The wind roars! Everything swept!

People turn on their backs! Only silence!

The elders and disciples of those blood alliances are all crazy! Sword sea swallows, death to death, injury to injury!

Who would have thought that a weeping willow could explode such power!

What the fuck!
