

## Urban Medical 711

### Chapter 711: Many visions!

"Okay." Ye Chen put his hands behind him, his body was light, just about to leave. A black shadow is coming! "Little beast, what the \*\*\*\* do you mean, return the corpse, your corpse!" As soon as the words fell, Ye Chen's eyes flashed with cold murderous intent. He didn't even bother to shoot at these two people, just want to hurry, but the two of them must hit the gun! It's almost dead! The shadow suddenly stopped. Ye Chen didn't even start, and when he stepped on his feet, an invisible wave of air seemed to turn into a wind blade and went directly to the man who did it. The opponent's body seemed to be petrified. The pupils were extremely frightened. Extremely weird. "Let's go." Ye Chen didn't plan to waste any more time, and quickly walked down the mountain. Du Yunyan and Chen Xia glanced curiously at the man who was still in front of them. Although suspicious, they didn't think too much, and quickly followed. Just after the three of them left, another man rushed up: "Shao Feng, you are..." Before the words were finished, a head fell directly to the ground. The body full of blood fell directly into the man's arms. Then a panic sound resounded throughout Kunlun Mountain. ...Flight k2578. Du Yunyan and Chen Xia felt the coldness of a man. The two of them looked for information in front of Ye Chen intentionally or unintentionally, but Ye Chen answered no more than five words. Extremely cold. In desperation, the two did not continue to talk with Ye Chen. "Yunyan, didn't you say that he is a professor? How come you feel a little autistic, not even speaking, it's better to watch the sunrise with those two guys." Chen Xia complained. Du Yunyan quickly covered Chen Xia's mouth and whispered: "Don't talk nonsense about this, Mr. Ye has a special status. Forget it, I won't explain it to you, even if I explain it to you, you won't understand it." Chen Xia glanced at Ye Chen suspiciously, and stopped talking, but she muttered: "Is a special status? Young, what can be special, it is probably a good birth, a little bit of money." For half an hour After that, the Capital International Airport. The plane landed slowly. Ye Chen was a little bit excited, and he didn't know how his mother would know the news of his father's safety. I am afraid that the happiest one is the mother. He stood up directly, regardless of Du Yunyan and Chen Xia behind him and walked away quickly. Not even saying goodbye. Ye Chen's attitude made Chen Xia a little uncomfortable. She took the luggage directly and headed out with Du Yunyan. "Yunyan, it is the first time I have seen such an ungentleman since I was a child. Who does this guy think he is!" "I even feel like we are hot faces and cold butts!" Du Yunyan smiled helplessly, neither Know how to explain. "Don't be angry, let's go. It is estimated that Mr. Ye has something to do temporarily. This is the case." "Since he doesn't say goodbye to us, let's say goodbye to him." Chen Xia's expression became even more weird when she heard these words. He touched Du Yunyan's forehead: "What the \*\*\*\* is wrong with you Yunyan? How do I feel that you are always afraid of this guy? Even if this guy is rich and powerful, you don't have to be like that. Uncle is considered a distinguished status in Beijing, right? , And..." Chen Xia's voice stopped abruptly before she finished her words. Because she found that there were dozens of men in combat uniforms not far away. Iron bones are clenched, and the posture is straight. Not only that, but the sights of these people are all in the same direction. It is Ye Chen! Even, she suddenly discovered that there were so few people at the Capital Airport, as if it had been emptied. Those people on the same plane seemed to have been taken to other passages by a group of staff. A few people were planning to come to them, but when they saw that they had been following Ye Chen, they didn't come to inform them. This scene is too weird. Suddenly, dozens of people in combat uniforms stood at attention and saluted together: "Dragon Soul, I have seen the Chinese God of War!" The

momentum was so powerful that Chen Xia's eardrums were almost burst. Mars? Where is this! Chen Xia's white face turned out to have an urge to hell. But at this moment, Du Yunyan's eyes widened, and he subconsciously covered his small mouth. She knew Ye Chen's identity. She thought she was a person with that special system, so she deliberately approached but she didn't expect Ye Chen to be the undefeated God of War who had been circulating in various circles for that month. ! Although she didn't have much information, the scene before her was enough to prove everything. At this moment, Ye Chen didn't expect Dragon Soul to be the first to pick him up. Yes, I showed my identity when registering. I wanted to be low-key, but naturally I couldn't fool Dragon Soul's system. Headed by Lei Shuwei and Ying Qing. Ye Chen walked over and said lightly: "Don't give me this one. Don't perform the task today? Let people go." Lei Shuwei coughed slightly: "Mr. Ye, you won't give me a call when you return to China. , But that person confessed that no matter wind or rain, Kunlun Mountain also has a special plane waiting for it." Ye Chen nodded, no nonsense: "The Ye family should be fine these days." Lei Shuwei patted his chest, serious Said: "Mr. Ye, even though the person blocked all news at the beginning, you were still guessed a bit in your battle as the undefeated God of War. Now, how dare you move the Ye family in Huaxia?" "Besides, who would dare? Moving Ye's family, Lei Shuwei is the first to stand up!" "It's just..." Ye Chen's eyes shrank upon hearing these words, and said, "It's just what?" Lei Shuwei glanced at Ye Chen. Continued: "Mr. Ye, it's just that this month, there have been many visions over the Ye family, and I don't know who is breaking through. The residents in the vicinity have a great influence. Although some hot searches on the Internet have been removed, try to keep things clear. The impact was suppressed to a minimum, but it still caused a lot of panic. Because it is your family, we dare not say anything..." Ye Chen certainly knows why. If he guessed correctly, it is his mother who can cause such a vision. Since the father's accident, the mother has been locked in the training room to break through, enduring everything. It's time for my mother to stop practicing. I just don't know how far my mother has entered. "Lei Shuwei, send me to Ye's house." "Yes!"

Chapter 712: No need!

Jingcheng Yejia.

When the car stopped, Ye Chen felt an invisible murderous intent shooting towards this side.

It just dissipated quickly.

Ye Chen knew that this must be from the dark palace.

After he went to Kunlun Xu, he confessed to Ye Lingtian, no matter who it was, if he dared to break into Ye's house, he would kill him.

The safety of mother and Xia Ruoxue and others must be unconditionally protected.

After getting out of the car, the few dark palace experts guarding the gate of the Ye family saw Ye Chen, their eyes flashed with excitement!

The legend of the undefeated God of War makes everyone in the dark hall full of enthusiasm!

The Lord is where they believe in!

Although they were just guarding the gates of the Ye Family, their status was humble to the Ye Family, but the Ye Family today is not what it used to be!

Those martial arts masters, or China's top powerhouses, should respect them when they see them!

This is the remaining power of the Lord!

Several people knelt down one after another: "See the Lord!"

Ye Chen nodded: "Get up, this time has been hard."

"Hall Master, no hard work!"

Ye Chen handed a few pills to a few people, and said seriously: "A few of you are only one step away from breaking through. This pill can help you break through as quickly as possible. After you are on duty, you will prepare for the breakthrough. Right."

"Thanks to the Lord!"

Several people looked at the pill in their hands to the extreme.

The things that the hall master gave must be of great value!

At this moment, in the depths of the Ye Family, a strong breath of breakthrough struck!

At the same time, dark clouds are rolling in the sky, thundering robbery!

"Someone broke through!"

Ye Chen no longer hesitated, and rushed in.

He could feel the extreme instability of this breakthrough breath.

In this case, someone forced a breakthrough!

A little carelessness will inevitably pay a great price.

Soon, Ye Chen came to a training room.

This time, cracks appeared in the training room, and the violent aura rushed out like a sharp sword!

It is impossible for ordinary people to get close.

Looking at the training room in front of him, Ye Chen had determined that the person who broke through was his mother Jiang Huirong.

The key is that this realm is actually going to break through the ascension realm!

Huaxia's spiritual energy is thin, and her mother does not have the existence of the reincarnation cemetery, how can it be so fast?

Only, but seeing the thundercloud above the sky, Ye Chen's expression changed.

Mother's breakthrough is extremely dangerous!

Like walking a tightrope, if you are not careful, your soul will be destroyed!

At this moment, the training room.

Jiang Hirong sat cross-legged, her face pale, and there were faint blood stains on the corners of her mouth.

In the past few months, she has been silent in her cultivation breakthrough.

What she originally hated has become what she must pursue now.

That day Ye Tian was taken away by Lin Juelong, and even Ye Chen was injured, making Jiang Hirong see many things clearly.

The rules of this world are so cruel.

If you don't have the strength, you can only watch the people around you leave!

Although Ye Chen's strength reached the sky, Jiang Weirong didn't want her son to be injured again.

At least, when she is strong enough, she won't cause trouble to her son again!

You can even rescue Ye Tianzheng from that place.

Mother is selfish, but also selfless.

"Chen'er, wait for my mother to break through to the Ascension Realm, then go to Kunlun Xu to find you!"

Jiang Xirong gritted her teeth and forced out a drop of blood, trying to break away from the restraints of her body!

But soon, she found that the \*\*\*\* was like a wall, and could not be broken at all!

At the same time, lightning fell suddenly above the sky!

Lei Jie shouldn't have appeared at this time, but Jiang Weirong's crazy actions obviously made Lei Jie advance.

"puff!"

Jiang Hirong couldn't help her body aura anymore and spit out blood on the spot.

And at this moment, rolling thunder robbery swallowed.

The entire training room could not bear this thunder.

Shattered in all directions on the spot!

At this moment, Jiang Hirong realized the seriousness of the matter, and just wanted to stop it, but realized that she could not move under this thunder.

It's like being restrained.

"How could this be?"

She looked at Lei Jie getting closer and closer, even that Lei Jie seemed to turn into a grimace, smiling gloomily.

She desperately broke free, it was useless!

She felt panic for the first time!

Just like the powerlessness of cultivation!

She didn't want to practice, but she really wanted to do more for this family!

At the moment when Lei Jie was about to swallow her body, the profound iron gate of the cultivation room was directly blasted open with a punch!

Then a black shadow rushed in!

Blocked directly in front of Jiang Yanrong.

"Thunder Tribulation in a mere trivial area, dare to hurt my mother and break it to pieces!"

With a roar, Ye Chen's breath burst out!

The blood dragon in the body rushed out directly, hitting the thunder robbery!

"Boom!"

Thunder Tribulation is invisible, and Blood Dragon is even more invisible!

The collision of the two forces, without a trace!

But it makes people feel that the whole earth is shaking.

The grimace that thunder robbery turned into seemed to see something terrifying, and wanted to escape, how could the blood dragon give him a chance!

A huge mouth, swallowed on the spot!

The violent thunder and lightning wanted to rush into the body of the bleeding dragon, but it was not qualified at all!

Everything is calm.

Jiang Yanrong was in a daze. When she saw Ye Chen in front of her, her eyes were extremely excited.

Although she has been in retreat, she also came out once.

At that time, he wanted to find Ye Chen for the first time, but he didn't expect to be told that Ye Chen had entered Kunlun Xu.

She was eager to break through.

I thought I couldn't survive this thunder robbery, but I didn't expect Ye Chen to come back!

It's really back!

"Chen'er, is it really you?"

Jiang Huirong said excitedly.

Ye Chen nodded, took out a pill for his mother to take, and at the same time pointed out, the true energy gathered in the mother's body.

The chaotic breath was completely suppressed.

Fortunately, I arrived in time, but the consequences would be disastrous.

"Mom, why are you doing this? Breakthrough is about chance and a natural progression. It hurts the most when you break through forcefully. Besides, Kunlun Xu doesn't only look at cultivation base, but also value strength."

Jiang Hirong heard Ye Chen's reproach and didn't know how to refute: "Chen'er, I just want to help you a little bit. Besides, your dad is in the heat of water now, I know my strength. It's nothing to Kunlun, but at least it can make you less worried."

When Ye Chen heard these words, he shook his head helplessly, and then said: "Mom, from today, can you practice for one year."

"but--"

Before Jiang Xirong had finished speaking, Ye Chen continued: "Also, Mom! I want to tell you the great news. One day ago, I had rescued Dad from the Kunlun Deficiency Blood Alliance. Not only that, the blood alliance. Everyone was killed by me!"

"This time I came back to take you to Kunlun Xu. It's time for our family to reunite."

Hearing these words, Jiang Yanrong was in a daze for a long time.

"Chen'er, you...what did you just say...you said Tianzheng was rescued by you?"

Jiang Huirong's voice trembled a little!

Chapter 713: Spy!

She knew that Ye Chen could not lie to her on this matter, but there was still a feeling that made her feel like a dream!

"Mom, I said that no matter who it is, any existence that blocks our family will be crushed to hell!"

"But how can your strength..."

Jiang Hirong stood up, checked Ye Chen, and sighed for no injuries.

Afterwards, the mother and son chatted for a long time, and Ye Chen also said something about Kunlun Xu.

Of course some content was hidden by him.

Now my mother is a little unacceptable about this matter, and then she can't bear the shocking things for a short time.

Jiang Xirong was extremely excited: "Na Chener, when shall we go to Kunlun Xu?"

"Today or tomorrow?"

Ye Chen thought for a few seconds, then said: "Tomorrow."

"Well, you just came back. Mom will cook for you today."

Jiang Weirong was just about to leave, arguing for Ye Chen.

Although the Ye family hired the best chef, the taste of his mother's cooking was beyond the reach of any \*\*\*\* of cook.

She took a few steps, and suddenly thought of something: "By the way, Chen'er, Sun Yi and Ruoxue have been dealing with the internationalization of the Tianzheng Group for a while, and they have not yet come back. As for the girl named Zhu Ya, she went back to Jiangnan Province. Nothing happened."

"One more thing. A few days ago, it seemed that the teacher from the Normal University came to Ye's family to look for you. His expression was not right at the time. I don't know why, but it looks like a different person! I was completely cold, I haven't When she spoke, she left directly."

Hearing these words, Ye Chen felt a little bit in his heart!

At that time, he left Huaxia to go to Kunlun Xu and made all the preparations and notices, except Wei Ying!

This \*\*\*\* girl!

He went to Kunlun for such a long time, the soul profound stone on Wei Ying's neck obviously couldn't suppress the \*\*\*\* cold body!

This is one of Kunlun's ten largest mortal bodies. Once it breaks out, the consequences will be disastrous!

"Mom, did you notice that Wei Ying was wearing a necklace on her neck?"

Jiang Huirong frowned for a few seconds and shook her head: "I remember she was wearing a skirt, her neck was clean and there was nothing."

"You reminded me that when you said that, the girl seemed to be talking to herself about a necklace at the time, but she had a weird attitude, good and bad..."

Ye Chen was completely certain.

Wei Ying's \*\*\*\* cold body broke out!

Extremely dangerous!

No longer hesitating, Ye Chen hurriedly went outside: "Mom, I'll go out for a while, try to come back and finish the meal!"

Jiang Huirong looked at Ye Chen's distant figure and sighed, "Is Chen'er also interested in this girl?"

...

Ye Chen directly found Lei Shuwei outside the door.

"Mr. Ye, why did you come out so quickly?"

As soon as Lei Shuwei spoke, Ye Chen interrupted: "Check a person for me, this person is Wei Ying, an English veteran at Beijing Normal University, the fastest! Use all authority!"

Lei Shuwei was startled. It was the first time he saw Mr. Ye being so excited. He stopped hesitating and took out a notebook from the car.

Enter the quality fingerprint and iris verification.

The sky eye system is opened directly.

Wei Ying's information is undoubtedly revealed.

Even entering there at that point in time is extremely clear.

But the system can only track the picture three days ago.

"Mr. Ye, it's a bit strange. Heaven's Eye can check all the pictures three days ago, but three days later, this girl named Wei Ying seems to have evaporated."

"That person gave Mr. Ye a single permission to view all the information of Huaxia, and now that Tianyan cannot search for Wei Ying's whereabouts, it is impossible for anyone to grasp the entire Huaxia."

Ye Chen knew that the power of technology could no longer be used, so he stopped thinking about it and got directly into the driver's seat.

"I'll drive the car first, and you will be responsible for the traffic lights from here to Beijing Normal University."

"Yes, Mr. Ye!"

The accelerator slammed down and the car rushed out like a beast! Fast to the extreme.

With the green light all the way, in just fifteen minutes, Ye Chen rushed to the classroom apartment of Beijing Normal University.

He ignored the elevator, his infuriating energy acted on his feet, stepping into the air, and using the window sills, he came directly to Wei Ying's apartment on the tenth floor.

Blasted through the glass with a punch and went straight inside.

As soon as he stepped into it, Ye Chen felt that the ground was full of ice!

Not only that, the chill inside is extremely terrifying!

It's like entering a thousand-year ice cave!

There are even fluctuations in spells around! Someone sealed this icy land with spells! Undetected by the outside world! It will not melt!

Is it Wei Ying?

Awakened even the magic?

The \*\*\*\* cold body swallowed Wei Ying?

"Damn it!"

Ye Chen's heartstrings were tight, he glanced at it, and the first thing he noticed was something close to the sofa.

Pink panties.

Very sensitive.

But Ye Chen couldn't take care of that much anymore, the more intimate things, the better the effect!

"A Great Way" is the only chance!

Ye Chen pinched his fingers, and kept muttering something in his mouth: "The essence of life is reduced, and everything is born. The source of turbidity is the source of turbidity, and the foundation of tranquility is the foundation of movement..."

It's a life-breaking, looking for people a thousand miles away!

As Ye Chen's speech became faster and faster, the runes and pink objects in front of him were suspended!

In the next second, burn directly!

The flame is cyan! It even formed a strange shape.

"It's now!"

Ye Chen bit his finger and shot out a burst of blood! When the blood hits the flames, the flames are overwhelming!

A picture appeared in his mind.

A young girl was sitting cross-legged with a freezing point on her eyebrows.

The breath is surging, extremely strong.

The surrounding environment is colder than the apartment!

It's like a huge ice city!

The endless cold air was swallowed by Wei Ying!

Wei Ying's face was sometimes cold and sometimes struggling.

Suddenly, Wei Ying spoke.

"Your will is too weak, you can only have a chance if you are under my control."

"When I cultivate into the Ancient Bingsha Jue, there are only a handful of people in the world who want to move you."

"Don't struggle, let me swallow your soul."

"Also, what stinky man is in my mind, that stinky man can't give you anything, only pain."

"As long as you are strong! You can dominate the world, and will be in all directions; youth will stay forever, immortal and immortal! At that time, men will only be your vassals!"

"If you resist again I can only swallow your will forcibly!"

At this point, Wei Ying suddenly opened her eyes!

What kind of eyes are that!

Extremely cold!

It's palpitating!

Hit the soul!

Even Ye Chen felt that Wei Ying's \*\*\*\* cold body had discovered herself!

This look is a warning to him!

"Even I dare to watch, no matter who you are, quickly get rid of the spell, otherwise, I will find you and make you a sacrifice to the ice body!"

The words fell, a monstrous evil intention swept in all directions!

There was a horrible shock in the whole house instantly!

Chapter 714: Get out!

Ye Chen opened his eyes, his blood surged

"So strong! The \*\*\*\* cold body almost completely dominates Wei Ying, and if this continues, Wei Ying's will will no longer! The consequences are disastrous!"

Ye Chen clenched his fist and dialed Lei Shuwei's phone again: "Lei Shuwei, there is an ice sculpture exhibition in a hundred miles recently, or ice city, the temperature in that place is extremely low, one minute Within, give me an answer."

In less than one minute, twenty seconds, Lei Shuwei answered the call: "Mr. Ye, in the area of Gouzhuang, Beijing, someone has built an underground ice city, which is produced by the combined action of hundreds of top refrigeration equipment, and the temperature is extremely low. Also, there was a homicide in this place a few days ago. The official has blocked it. It is estimated that even the power supply may be cut off."

Ye Chen was almost certain that the Shaxue Cold Body was in this place.

After hanging up the phone, Ye Chen's eyes were extremely cold.

"The \*\*\*\* body, I want to see the strength of the existence that once scared countless people in Kunlun Xu!"

...

Gouzhuang, the underground ice city.

When Ye Chen arrived, he could clearly feel a wave of power constantly overflowing from it.

He directly opened the door, and countless ice sculptures stood in front of him.

Lifelike, obscuring sight.

Ye Chen didn't come to admire some ice sculptures, so he hurriedly walked inside, because the cold air was so terrifying, he could only run the Nine Heavens Xuanyang Jue, and barely made his body stable.

The deeper he got into it, the more he felt the coldness of the ice city pierced like a knife.

Extremely uncomfortable.

As he walked to the central place, there was a sudden wave of cold wind dancing, and a cold killing intent seemed to envelope Ye Chen.

The \*\*\*\* cold body appeared!

"Whoo!" A sound of breaking through the air resounded!

As far as he could see, Ye Chen saw a dozen ice swords swept by!

The speed is too fast, it even feels like it can tear the air!

Ye Chen snorted coldly, Zhanlongwen Tianjian directly sacrificed!

The strength of this ice sword alone has reached the Saint King realm, he is not qualified to take it lightly!

"Boom!"

Zhanlongwen Tianjian instantly collided with that huge ice sword!

Substantial sword auras spread in all directions, and then turned into a flood of sword rain, as if it turned into bursts of snowflakes.

Suddenly, like a violent storm, it smashed towards the ground.

The crisp sound of collision exploded in a moment.

The sky is full of sword energy, the sword light is shining, the cold wind is sweeping, the grass is broken!

At this moment, Ye Chen was the center of gravity, and the ice sculptures were all destroyed!

The ground also spread out like a spider web, shocking.

At the same time, a figure walked out of the darkness.

Is a girl.

The girl's long flowing hair is simply tied into a ponytail, extremely capable.

Wearing a simple khaki trench coat and a pair of jeans.

Although it is simple, it can't conceal the bumpy figure.

The eyes are as cold as the bone marrow, like a clear spring on the snow-capped mountain!

That temperament is even colder than this ice city.

Wei Ying!

Or maybe it's \*\*\*\* cold body!

"You shouldn't have come."

"I promised this girl not to kill you. But now that you are here, I feel threatened and I must kill you."

"If I guessed correctly, it was you who spied on me just now."

The girl said lightly, her tone without a hint of warmth.

Ye Chen stepped forward and released his murderous intent!

Endless murderous intent is enough to resist all cold!

"I only give you one chance to let Wei Ying control this body. You and her are in communion. Now you want to destroy Wei Ying's body and get it alone. Isn't it too much?"

"If you don't get out, then I can only deprive you."

The girl moved her neck and continued: "You should know the rules of this world better than me. That girl's state is enough to be a university teacher. In my opinion, this is simply a shame. I can let Kunlun be superior. Above the imaginary! I can let her enjoy everything!"

"When I devour her soul, I will go to Kunlun Xu. When that happens, who dares to refuse?"

The girl was extremely arrogant.

She had already seen Ye Chen's cultivation base, the extraordinary realm.

He is very aware of his current state.

Although she was surprised why Ye Chen made such rapid progress, it was no longer important.

After all, this son is still a threat and must not stay.

Ye Chen heard the girl's arrogant words, and the Dragon Slashing Sword in his hand pointed at the girl:  
"I'm not convinced."

"Since I can suppress you with Earth Soul Profound Stone, it will make you worse off than death!"

The girl snorted coldly, and in the next second, a sword of icy cold condensed in her hand, and she moved in front of Ye Chen!

"Boy, if you refuse, I will let you kneel down!"

Cold light flashes, murderous intent rises!

The endless chill is like waves of coercion, trying to swallow Ye Chen!

The violent wind is surging, and the atmosphere between the world and the earth is full of that solemn atmosphere, and the atmosphere seems to be frozen.

The moment the Sword of Frozen Cold was about to touch Ye Chen, Ye Chen moved!

"You are very strong now, but you forgot one thing."

"What?" the girl subconsciously asked.

And Ye Chen sneered: "You forgot, there is a man in the world called Ye Chen."

The words fell, Ye Chen stepped forward, and thunder and lightning overflowed his body!

The momentum rose suddenly!

At this moment, Ye Chen turned into a mountain, standing between heaven and earth.

No one can stop!

"Huh? It's not a transcendent state? This is the breath of a holy state?"

Feeling Ye Chen's change, a hint of surprise appeared on the girl's face.

For a moment, he actually felt that he would lose.

"No matter what your realm is, cut!"

The girl's ice sword suddenly pressed down!

The sword vibrates and the sword spirit overflows!

The chill seemed to turn into a \*\*\*\* of death, and the ice sickle slashed towards Ye Chen!

"Since you tried to block me with ice intentions! Then I will devour everything about you with supreme flames today!"

Ye Chen roared!

The unquenchable fire in the middle of the eyebrows raged out!

He has experienced the strength of this flame!

The flames on the spot covered the Dragon Swordsman Heaven Sword!

The flame spreads.

A powerful sword swept through, and the whole world seemed to be silent!

Ye Chen's whole body is a sea of fire for Huawei!

The ice sculpture melted!

The ground melted too!

Even the girl's ice sword is gradually melting!

The feeling is about to disappear!

"What kind of flame is this!"

The girl exclaimed!

But Ye Chen's billowing flames were directly cut down!

Avoid the gods and demons! The fire swallows the sky!

With the sword moving, the ice city is silent!

The terrifying sword force is full of everything!

"Boom!"

A roar exploded.

Suddenly, a stronger sword aura spread.

The condensed ice death, shattered on the spot!

Turned into flying snow!

Not only that, the ice sword in the girl's hand broke apart!

She could clearly feel the qi and blood in her body roll, spouting a mouthful of blood, her pupils dilated, and the whole person flew out.

How did this kid become so scary!

This blow seemed to have reached the Holy King Realm!

She even felt the chill was suppressed by madness!

Chapter 715: This pose!

"Bang!" The girl slammed into an icicle. The icicle is completely broken. Turn into fragments. The moment she landed, the girl made five fingers, and a cold wind rolled up on the ground. The cold wind seemed to be like a pair of big hands, forcibly supporting the girl. "Deng Deng Deng!" The girl stepped back and stabilized her figure. She stared at Ye Chen in the distance, and said coldly, "Who are you!" Ye

Chen placed the Dragon Swordsman on the ground, floating above a point. Then, the indifferent gaze directed at the girl: "Return the body to Wei Ying. I allow you to stay in her body, but you are not allowed to occupy her body." Ye Chen never thought of destroying the \*\*\*\* cold body, Kunlun The virtual ten body is not so easy to destroy. What's more, Wei Ying has a close relationship with Shaoxuehan Body. If there is an accident on either side, the other side should not even think of a good death. The only thing he can do right now is to suppress the Shaxuehan Body, and then when Wei Ying's cultivation is sufficient, he can control it by himself. At that time, Wei Ying's cultivation speed and strength will be more terrifying than anyone. The girl spit out a mouthful of blood and did not waver at all: "I admit that I underestimated you. I knew you had such strength. I should have killed you when I was in the normal university." "I might as well tell you that I swallowed the soul of this girl. , It's nothing more than for her good, don't you find that Huaxia's cultivators are increasing?" "During your disappearance, at least forty cultivators appeared in Huaxia Capital, most of whom were Kunlun Xuge People from the big sect, Ye Jitian made them terrified. Naturally, they had to look for talents in China." "And just three days ago, someone found Wei Ying. If it weren't for me, this girl would have been deceived to Kunlun. I'm in the void." "Also, someone has guessed that her body is special. If I don't occupy her body, who will protect her? I don't want to hurt myself because of this girl's cowardice." Hearing these words, Ye Chen's eyes condensed. He did find that some cultivators appeared in the capital before, thinking that they were looking for Ye Sutian, but now it seems that it's not just that. Those Kunlun Xu sects have already noticed that Huaxia has a genius to come out. If another existence similar to Ye Jitian is found, that sect will definitely last forever. There are even Zongmen who have already contacted Wei Ying. Wei Ying's \*\*\*\* cold body is not only excellent in cultivation talent, but also a great tonic for some old monsters! The blood in her body is enough to break away some of the shackles of cultivation! You can even use essence and blood to refine alchemy. Ye Chen was afraid that these sects would have such cruel thoughts towards Wei Ying. Kunlun Xu was crueler than he thought. The girl seemed to see Ye Chen's shaking, and continued: "Now you still want to stop me?" Ye Chen came back to his senses, holding five fingers, Zhanlongwentian Sword pointed directly at the girl: "From today, Wei Ying will leave me alone. Protect, and you, return to her body obediently, that's it." His tone was indifferent, as if he was telling a little thing. The girl's face was cold: "I'm looking for death! You really think I'm afraid you won't make it!" "Blood, congeal!" I saw the girl's fingertips force a drop of blood. As soon as the blood came out, endless cold air rolled in from all directions! In the blink of an eye, the blood dispersed. It even turned into countless aura-rich ice cones! The ice cone was densely packed, with the meaning of chill and death, rolling towards Ye Chen! It even blocked all the vitality of Ye Chen! "Boy, you blocked my way, if that's the case, you will be my stepping stone today!" The girl's words fell, and waves of waves rolled up around countless ice cones! The sound of breaking through the sky resounded! In her opinion, even if this kid's strength is not bad, it can't be stopped! The blood of the \*\*\*\* cold body is extremely precious! The burst of power far exceeds the Holy King Realm! This is her biggest hole card! Looking at the tens of thousands of killing intents, Ye Chen felt something was wrong, and the Dragon Slashing Question Heaven Sword in his hand blocked him! At the same time, the other hand quickly squeezed, the aura on his body soared, his casual clothes were torn a bit, dancing in the strong wind! The whole body seems to have generated countless sword intent! The sword intent suddenly gathered, and the sound of howling was endless. "What about the evil blood, I still break it!!" At the moment when countless ice cones wanted to touch Ye Chen's body, he didn't evade in the slightest, and swept away with Wan Jian! Who can stop Chen Tianli's sword skills! In an instant, countless forces collided in the air. Dense! Bursts of sparks. The magnetic field in the entire space seems

to be changed. Under the two powers, they seem to be on par. But in fact, Ye Chen's blood surged and kept moving back. The power of the essence and blood is too violent, if he does not retreat, the consequences will be serious. With a sound of "ding!", the countless cones of ice shattered into pieces on the spot! Seeing Ye Chen's defeat, the girl showed a trace of disdain in her eyes, and then violently moved towards Ye Chen! She also didn't have any plan to use weapons, she had appeared in front of Ye Chen with a grip of her five fingers, and she patted Ye Chen's chest even more! Ye Chen is not afraid of fighting strength. He forcibly pressed down the blood, and at the same time he moved back, put out his hand. "Hey!" He quickly clasped it on the wrist that was swept by the opponent. Extremely cold. "Stay away from me!" The girl saw that Ye Chen dared to touch herself, her face flashed with anger, and her other hand was as fast as lightning, as if it turned into a blade and slashed towards Ye Chen. In the event of a collision, it may pass through the neck on the spot! Separation of the head. "On melee, I really haven't been afraid of anyone." Ye Chen's indifferent voice suddenly sounded! Then, he seemed to overflow with countless arcs! At the same time, the power of the blood dragon penetrated into the arms! The hand that originally clasped the opponent's wrist was pressed down! At the same time, twisting her body, threw the girl out on the spot! The girl never thought that as a cultivator, she would make such a move. She wanted to stop it, but it was too late! In desperation, she could only rotate her feet three hundred and sixty degrees in the air, and then one foot towards Ye Chen's chest! Ye Chen did not dodge, but leaned forward and grabbed the opponent's wrist again! Push his right hand horizontally! The girl's body was pushed out on the spot, and even hit an ice wall. This is not over yet! Ye Chen would no longer give the other party a chance. He had already appeared behind the girl. Seeing that the girl was about to do something, his hands clasped the other's wrists, and his true energy condensed, "Bang!" and forced the girl's hand into the ice wall. "Let go of me!" The girl just wanted to move her foot, but she didn't expect Ye Chen to suddenly approach! A masculine breath came out, Ye Chen pressed the opponent against the ice wall with his body, unable to move! The sensitive parts are tightly attached to the girl's pretty buttocks! This picture is too ambiguous!

Chapter 716: invite!

"Blood dragon, trap us!" Ye Chen roared, the phantom of the blood dragon rushed out of his body, hovering in the sky for a few seconds, and then came to the two of them, tightly binding them! At this moment, the girl's originally frosty face climbed into Hongxia! She can clearly feel that there is a foreign object behind her ass! This is the man's stuff! She wants to struggle, it is impossible! Although this is Wei Ying's body, it is not Wei Ying that controls this body, but her! From her point of view, this is blasphemy! "Ye Chen, if you don't get out of the way, I promise you will die miserably. www." A cold anger resounded! Although Ye Chen felt a bit embarrassed by this action, after all, a man pressed a woman against the wall next to his skin, but the threat of his \*\*\*\* cold body was too great. If the other party hadn't just taken it lightly, he might be in danger. ! Now this is the only way. "Isn't this through the clothes? As for such a big reaction? If you agree to leave Wei Ying's body, I will consider letting you go." Ye Chen glanced at the picture below him, the tip of his nose was a little hot. He was a normal man no matter what, so he pressed a woman with a perfect body, and there was always some reaction. The key point is that Wei Ying has always had the habit of fitness and has the peach \*\*\*\* that countless girls envy. Plus, I only wore a pair of thin pants today. The touch is particularly strong. The girl felt the fiery feeling behind her, and became angry from shame! But for some reason, Wei Ying's body had a subconscious reaction. Not only that, but Wei Ying's spirit, who was originally trapped, has begun to

break through the shackles. Damn it! "If you don't leave again, I will blow myself up, and I will die together!" As soon as she finished her words, the meaning of Bingham was reduced. There was also a hint of shyness and even determination in those chilly eyes! "You can't hurt Mr. Ye!" The girl's face changed drastically. She knew that Wei Ying's spirit had completely awakened, and it was impossible to refine and swallow it this time! At the same time, countless arcs surged! Her body is overwhelmed! The girl glared at Ye Chen fiercely: "If I wake up again next time, I will be the first to kill you!" After the words fell, the surrounding chill suddenly disappeared. But her eyes were closed. After three seconds, open it again! This time, these eyes didn't have any murderous intentions, only doubts and shyness. "Mr. Ye, would you be too fast like this..." Wei Ying's gentle voice suddenly sounded. She felt a bit of flooding, but she couldn't tell. Ye Chen was stunned when he heard this sound, and then he realized that the \*\*\*\* cold body was temporarily sleeping, and the woman who was close to her body at this moment was Wei Ying! He quickly released his hand and explained: "Wei Ying...well, things were a bit sudden just now, I didn't mean it." Wei Ying flushed, her back turned to Ye Chen, her breathing was a bit short. I don't know why, when Ye Chen left, she felt a little lost in her heart. Ye Chen has disappeared for so long. During this time, when she goes home, she often glances at the door of the apartment opposite. But the door never opened again. The former Professor Ye is no longer there. Now there is only Ye Chen, the Ye Chen who controls countless powers. Wei Ying adjusted her state. Although her face was still blushing, she turned to look at Ye Chen: "Well, just assume that nothing happened before. By the way, Mr. Ye, when did you come back? "I have been in a trance in my memory these few days. The woman's voice kept ringing, and I was about to collapse." "Also, Mr. Ye, the Earth Soul Profound Stone you gave me was also broken a few days ago." Ye Chen Only then did he remember something. He took out a piece of Earth Soul Profound Stone from the Reincarnation Cemetery, then pinched it with his fingers, and a golden light penetrated into the Earth Soul Profound Stone. Afterwards, Ye Chen found a rope, passed through the earth soul profound stone, and put it directly on Wei Ying's neck. "Wei Ying, this earth soul profound stone can only suppress the \*\*\*\* cold body for a month at most. If there is any damage during this period, you must find me. Otherwise, the result will be unimaginable." Wei Ying looked at the bright stone on her neck, seriously. Nodded: "Okay." "But Mr. Ye, if you leave for a long time, what should you do if you come out again?" Ye Chen hesitated for a few seconds, looked at Wei Ying extremely seriously, and said: "I ask you, Are you willing to give up your current decent job and ordinary life? I will take you to another place in China. That place, Lin Yun, the strong, can even be said to be extremely dangerous." "You can refuse, so I will every month I will go back to the capital to suppress the \*\*\*\* cold body for you." Before Ye Chen finished speaking, Wei Ying said: "Mr. Ye, I am willing The place you mentioned should be Kunlun Xu, right? , A few days ago, an old woman came to me. She said she was the elder of the Northern Ming Sect and she wanted to take me to the Northern Ming Sect in Kunlun Xu to practice." "You promised?" Ye Chen frowned. Tao. Wei Ying nodded: "At that time, I guessed that Mr. Ye went to Kunlun Xu, so I agreed to go and see inside, but later, the old woman didn't come to me again." Ye Chen naturally wouldn't let Wei Ying. Follow Bei Mingzong to leave. Let alone the purpose of this Northern Ming Sect, even if it really wants to cultivate Wei Ying, it is not something that ordinary sects can cultivate! Only the top sect of Kunlun Deficiency is qualified to cultivate the \*\*\*\* cold body! "You go to sort things out today. Tomorrow morning, I will take you to Kunlun Xu. As for the Northern Mingzong, there is no need to bother." "Yes, Mr. Ye." Wei Ying nodded rather well, in her opinion, she can enter Kunlun Xu means that he can stay with Ye Chen for a long time. This is what she dreams of, how could she refuse. ... Ye Chen wanted Wei Ying to go to Ye's house for a meal, but Wei Ying refused. In her opinion, how embarrassed to see Ye Chen's mother Jiang Rong in her current state. At least you have to

dress yourself up beautifully. Ye Chen didn't force it, and asked the two strong men in the dark hall to accompany Wei Ying to the Beijing Normal University, while he went to the living room of the central villa of the Ye family. As soon as I walked through the door, a fragrance came out. In the next second, a group of soft stumbles entered Ye Chen's embrace. Yu's hand embraced Ye Chen, and his red lips kissed Ye Chen's cheek even more. Ye Chen knew who the other party was without looking. After all, the other party's huge weapon was almost squeezing his chest, and there was no one else except Sun Yi. "Xiao Chenzi, you are finally thinking about coming back. I heard my aunt's call and didn't even plan to open the meeting. I came back directly after it was over." "Say, how has Kunlun stayed during this time? What beauty?"

Chapter 717: Not worthy!

Ye Chen hugged Sun Yi's beautiful body, and when he was about to speak, he heard a sound of coughing. Jiang Rong came out with the vegetables herself, but her mother just glanced at it and walked towards the kitchen, pretending not to see it. Sun Yi hurriedly jumped off Ye Chen's body, and said, "I blame you!" Ye Chen touched his nose, glanced at the living room, and curiously said: "Ruoxue didn't come back with you?" Sun Yi quickly explained Said: "If Ruoxue knows the news of your return, she will definitely come back, but unfortunately she is not in China now." "Recently, Tianzheng Group is expanding the international market. Some things have happened in country m. The person in charge needs to negotiate. Ruoxue morning I went by plane. As for when I will come back, it is estimated that I will have to wait for the end of the matter over there." Now Tianzheng Group does not have much use value for Ye Chen. The only advantage is that Ye Chen can spend a lot of money to find something in China. Kunlun Xu is also a part of Huaxia. In ancient times, Huaxia was also a battlefield. If you really want to find some ancient relics, it is also possible. When returning to Beijing by plane today, he scanned the magazines on the plane and found that Tianzheng Group has become the world's top ten company by market value. It's just that Tianzheng Group has not made various data public because it is not listed, and people who count this data cannot really rank. If it is made public, Tianzheng Group will inevitably become the company with the largest market value. Xia Ruoxue didn't have to fight like this. Obviously, she treated the Tianzheng Group as a child. After all, she was there along the way. Ye Chen made a transoceanic call and asked what Xia Ruoxue meant. Although Xia Ruoxue was very excited, she hesitated for a few seconds and decided to wait for the Tianzheng Group's globalization to end before going to Kunlun Xu. Ye Chen didn't try to persuade either. Xia Ruxue had already stepped into the way of cultivation now, enough to protect herself. Even if it is really in danger, there are also hidden palaces and Huaxia guards. It is unlikely that something will happen. It is estimated that the globalization of Tianzheng Group will not be long, and then it will be enough for Shen Haihua to take over. When Kunlun Xu finished dealing with the master's affairs, he took Xia Ruoxue to Qingxuanfeng. After hanging up the phone, he looked at Sun Yi and said seriously: "Sun Yi, would you like to go to Kunlun Xu with me?" Sun Yi heard Kunlun Xu and curiously said, "Xiao Chenzi, you were with me in Jiangcheng. Is that place that you are talking about? You went to this place for the past five years when you disappeared?" "Yes." Sun Yi heard Ye Chen admit, a smile appeared on the corner of his mouth: "In that case, of course I will go and be a group. I'm traveling at public expense. I also want to see how that place is. Is it abroad?" Ye Chen shook his head: "It's in the country, deep in Kunlun Mountains. You prepare, we will leave tomorrow morning." Sun Yi seemed to be quite curious about Kunlun Xu, and then said: "Ye Chen, Kunlun Xu's sun poison is not poisonous, do you think I should wear a skirt? Should I bring sunglasses?"

Are there sunscreens for sale there?" Ye Chen: "... .." Sun Yi kept talking like a hundred thousand why, obviously he really regarded this trip as a tour. Fortunately, Jiang Rong urged the two to eat, and then stopped. A dinner was very rich, and Ye Chen also saw a smile and excitement on his mother's face for the first time. Obviously, she waited too long for tomorrow. ....At the same time, Kunlun Xu, in a mountain range that stretches for thousands of miles. The mountains are undulating and full of spirit. A sect of a thousand acres stands on the top of the mountain. There is a huge stone in front of the sect, and two ancient characters are carved on the huge stone. Daozong! The master of Ye Chen's medical sacred school once abolished his dantian and expelled Dao Zong from the martial arts world! Dao Zong Hall. An old figure sat cross-legged on the round platform. The round table is engraved with the golden dragon pattern, and the momentum is compelling. Around him are a dozen powerful men with terrifying strength! The lowest is no more than Saint King Realm! The highest is even the Void King Realm! Visible horror! But such a terrifying existence faced the old man on the round platform, and could only lower his head, and did not dare to take a breath. Because that old man is the master of Taoism! His strength status is unbeatable! Suddenly, the old man opened his eyes, and those eyes that seemed to come from the ancient times glanced at the people under him and said: "Which genius has Kunlun Xu recently come out? There is something wrong with Daozong's blood bank. If there is no evil talent Or, how did Dao Sect become the top sect in Kunlun?" An old man in a green robe stood up and said, "Sect Master Qi, when you were in retreat, there was indeed a peerless powerhouse who came out." "It's just this. Peerless strong men are extremely mysterious, it is very difficult to find them, and..." The Qingpao old man's words stopped abruptly. "And what, say! If you chirp again, I will destroy the soul!" Dao Sect Sect Master said lightly With this, the whole hall seemed to be covered by ice! The endless will of death made everyone present pale. Hearing this, the green-robed old man knelt down in shock, and quickly said: "Sect Master Qi, this peerless and powerful man is named Ye Jitian! His strength is unpredictable! Many sects of Kunlun Xu are shrouded in him Under the shadow of, some people had previously rumored that Ye Sutian was nothing more than the Immortal Ascension Realm, but soon many sects discovered that Ye Sutian had stepped into the Holy King Realm! And what happened a few days ago proved that Ye Sutianji It may be the Return to Void Realm, or even higher!" Dao Sect Sect Master raised his eyebrows and said coldly: "Kunlun Xu's rumor, three people become tigers, do you believe this? It's just nonsense, just say something else." The green-robed old man continued: "No, no, no, Sect Master, I thought so, but not long after, Ye Jitian easily killed the blood alliance and Zhen Haizong with the power of one person and a plum blossom! The corpse of Kunlun is horrible!" "With such strength, that Ye Qi naive may be above the Void Return Realm! The key is that this child is only more than 20 years old!" "Now Kunlun is in a panic, and those small sects are even more sects. The nearby plum tree is cut down!" "There are even rumors that as long as Ye Jitian has a plum blossom in his hand, even the gods will kneel down and beg for mercy!" There was a tremor in the words of the elder Qingpao, not knowing whether it was because of the suzerain or Ye Ji day. "Bastard!" An angry shout suddenly resounded through the hall, and Dao Sect Sect Master on the round platform stood up! With his hands behind his back: "A stinky boy who has never seen it makes you so scared! You are not worthy of my Dao Sect!" The words fell, Dao Sect Sect Master stepped on his feet, and an invisible wave of air rolled in the air. Zhonghua turned into a sharp arrow and shot directly at the old man in Qingpao! "No!" The old man in Qingpao had a grim face and wanted to dodge, but found that his blood had solidified. In front of the Dao Sect Master, he was not qualified at all! In the next second, a sharp arrow penetrated his body and turned into blood mist on the spot.

Chapter 718: Destroy 1 cut!

This scene caused the remaining strong men to kneel down one after another, afraid to speak at all. The Dao Sect Sect Master glanced at everyone and said coldly: "My Dao Sect exists in ancient times, and no one can be a threat to us." "Since this Ye Jitian rumor is so terrible, I will order you to find this person! Bring back Daozong!" "If I don't see Ye Jitian within a month, everyone in the room will raise their heads to see me!" Hearing this command, everyone in the room was a little bit chilly. They didn't want to offend Ye Sutian, but now it seems they have to offend again. "Yes, Sect Master!" Dao Sect Sect Master nodded, and then said again: "Except for this Ye Jitian, have other things happened during my retreat for a few months?" The audience was calm. Suddenly, an old man with a goatee stood up, arched his hands, and said, "Enlighten the suzerain, one thing is related to the suzerain." "Say!" The goatee continued: "In the past few days, some of the Taoist disciples discovered Duan Huai'an appeared near Yucang Mountain and most likely entered the land of killing." Hearing the words Duan Huai'an, Dao Sect Sect Master's eyes shrank: "Duan Huai'an you said is the head of the God of Medicine?" The goatee nodded. Head: "It's this person." Sect Master Dao snorted coldly: "If I remember correctly, I asked you to cut the grass and root out the roots before. This magical sect still exists now?" Goatee's face became a little embarrassed: "My lord, Dao Zong sent people to destroy the God of Medicine Gate, but when we arrived, the Gate of Medicine God had been abandoned for some time, and everyone disappeared. According to my guess, it should have escaped. After all, the Sect Master had Duan Huaian's dantian was crushed, and it has been reduced to a useless person. Since then, it has nothing to do with martial arts. It is estimated that Duan Huaian heard the wind, and then abandoned the God of Medicine and took a group of disciples to leave early." "We originally planned to find these people through some means. , But I did not expect that this section of Huai'an went to the killing land of Yucang Mountain." "Although it is close to us, the killing land has always been tricky. I can only send a disciple to sneak in and follow." "Not only that, Dao. Zong also got the news that the Fangen disciple Ye Chen from Huai'an seemed to have entered Kunlun Xu. For some reason, Duan Huaian seemed to be very interested in this kid over the past five years. He once took this Fangen disciple to Baizong to request acceptance. , It's a pity that they were all rejected. Do you need Dao Sect to go ahead and erase it?" Dao Sect Sect Master sneered when hearing these things, "That trash Duan Huai'an and Fan Gen disciple are truly a match, although these two people have nothing to do with me. Threat, but my principle has always been to leave nothing alive. I hope that within 30 days, these two wastes and other disciples of the Medical God Sect will all disappear in Kunlun Xu, do you understand?" "The disciple understands!" Goatee old man's eyes A trace of killing intent flashed in his eyes. Dao Sect Sect Master nodded with satisfaction: "Also, the annual genius competition is estimated to begin. Send a few Dao Sect geniuses. In addition, help me to pay attention to the geniuses that came out in that event. Generations! The top ten have no background, I want them all!" "Those who disobey, kill them directly!" "Yes!"... The next morning, Beijing Normal University. A Bentley stopped slowly. A young man in casual clothes got out of the car. The breath and appearance alone made some female students passing by at the gate of the Normal University stop and watch. Mainly, the temperament of youth seems to have an inexplicable attraction, which makes people fall into it. The young man is Ye Chen. Ye Chen glanced at the time before heading to the teacher's apartment. I don't know how Wei Ying has prepared. At this moment, Wei Ying put on a chiffon dress, her slender and white thighs were exposed, which made people coveted. She turned around in front of the mirror, felt it was inappropriate, and changed her body again. After changing ten sets, I decided to wear it today. Then she pulled the suitcase, glanced at the WeChat sent by Ye Chen, and was about to take the elevator. She just opened the door, only to find three people standing at the door. An old

woman, two women in purple. Seeing these three people, she felt a bit in her heart. It was the Northern Mingzong who came to her a few days ago! She thought these people had forgotten themselves, but she didn't expect to show up at this time! The two women in purple clothes even had a cold sword between their waists, and their eyes were cold, and they even had a condescending feeling of looking at people. Wei Ying was very uncomfortable. "Where are you going?" the old woman said. Wei Ying stepped back subconsciously. Just about to close the door, a purple-clothed woman grabbed one side of the door with a slight force! The security door twists instantly! "You have prepared luggage and this outfit, do you know that we are coming and are going to go to the Northern Mingzong with us?" Wei Ying shook her head quickly: "I...I still have some things to do, can you give me a few more days? Time?" One of the purple-clothed women stepped forward, and the long sword in her hand was placed on Wei Ying's chest! "It is your honor for my Northern Mingzong to take you away! How can there be so much nonsense! And You still dare to negotiate terms with our elders?" The sheath was still there, but a wave of anger hit Wei Ying's chest abruptly! Wei Ying staggered and slammed directly on the shoe cabinet entering the door. Although she has some cultivation bases, compared with these Northern Mingzong cultivators, she has no power to fight back. The woman in purple clothes looked at Wei Ying, who was vulnerable, and sneered: "If you have a special bloodline, do you really think you are a human being?" "Today we and the elders are going back to Beiming Sect. Even if you don't want to leave, you must leave. !" Wei Ying was a little angry. She wanted to call the Shaxuehan Body, but discovered that after yesterday's events, Shaoxuehan Body fell silent for a short time. Damn it! She could only look at the old woman and said, "My elder, just give me a few hours. After a few hours, I will definitely go to Kunlun Xu." The old woman looked condescendingly at Wei Ying with her eyes. Afterwards, he said: "You are dressed so beautifully. I am afraid that you are seeing a little lover. Sexual relations between men and women are the taboos of cultivation. Your appearance is too attractive. You are like a fox. You went to the Northern Ming School. It is estimated that they will also recruit bees and butterflies to make those male disciples unintentional to practice." "In that case, Zhuo Ya, destroy this girl's beautiful skin." The old woman was like a trial. She herself is so ugly that she naturally does not allow such women to enter the Northern Ming Sect. Destroying the appearance is undoubtedly the best choice. She didn't think there was anything wrong with this. Her identity and strength were destined to be able to control these ants casually. "Yes, elder!" The purple-clothed woman named Zhuo Ya's eyes were cold, she put her long sword on her waist, slapped towards Wei Ying with a lunge! With this slap, chaotic infuriating energy wrapped around the palm of his hand! Enough to ruin a beautiful face! Just as the palm of the hand approached, "ding!", the elevator door suddenly opened. A young man in casual clothes appeared in everyone's sight.

Chapter 719: Invisible power!

Ye Chen in the elevator played with this cigarette in his hand, expressionless.

Originally, he planned to wait for Wei Ying downstairs. After all, Wei Ying said on WeChat to come down soon.

But after waiting for a full five minutes, several cigarettes were smoked, and no one was seen.

Sure enough, the time in a woman's mouth can't be counted, it definitely takes half an hour to start counting.

He was afraid that Wei Ying could not get out for a long time, so he could only take the elevator up to urge.

But I didn't expect that something happened on the tenth floor!

When the elevator door opened, Ye Chen felt something was wrong.

Reiki fluctuation!

In an instant, his face was completely gloomy.

His eyes were directed at Wei Ying, who was quite embarrassed and in a dangerous situation!

And Wei Ying, who fell on the edge of the shoe cabinet, naturally saw Ye Chen. She seemed to grab a life-saving straw and said quickly: "Ye Chen!"

Zhuo Ya snorted when she heard this sound, her strength suddenly increased!

"Dare to talk nonsense when death is near!"

Seeing that the chaotic slap of Zhen Qi was about to touch Wei Ying's cheek, a burst of air suddenly sounded!

I saw a cigarette cut through the sky and came towards Zhuoya!

It's too fast!

There is even the sound of sizzling in the air, as well as intense sparks!

Very dazzling!

Zhuo Ya naturally felt the crisis behind him, and wanted to stop to find that it was too late!

"puff!"

A cigarette penetrated Zhuoya's hand like a sharp arrow!

The blood is getting stained! Just like plum blossoms!

At the same time, an invisible force seemed to erupt from the cigarette!

"Wow!" With a sound, the cigarette exploded on the spot!

And Zhuo Ya was also rushed out by the air wave, and placed on the wooden table in the living room fiercely!

The wooden table was shattered on the spot! Countless sawdust flying!

All this is far from over, an afterimage flashes in everyone's sight.

Very fast.

The moment the shadow passed through the door, it directly picked up Wei Ying.

The tender body moved in an instant.

The violent wind rolled, and after a few seconds, the two figures stopped completely.

Ye Chen and Wei Ying appeared ten meters away.

Temporarily safe.

Ye Chen glanced at Wei Ying's pale face, clenched his fists, and said concerned: "Did these guys hurt you?"

When Wei Ying saw Ye Chen, her hanging heart sank. She shook her head repeatedly: "Ye Chen, not yet."

"But if you come a few seconds later, my face will be ruined."

"They... They are the Bei Mingzong who came to me last time."

Wei Ying looked at the three people, still a little afraid.

Her body was slightly closer to Ye Chen, which could make her feel at ease.

"Sister!"

The other purple-clothed woman was relieved, and quickly entered the house to help Zhuo Ya up.

Unexpectedly, Zhuo Ya's arm shook, she pushed the purple-clothed woman away, and said angrily, "You don't need your help!"

Then, those eyes stared at Ye Chen and Wei Ying, and said word by word: "Boy, you were behind you just now! You despicable little beast!"

She naturally knew that Ye Chen was a cultivator, but from the aura point of view, the opponent was just a transcendent realm!

Not to be afraid!

What made her unbearable was that the other party hurt herself with a hidden weapon!

The old woman glanced at Zhuo Ya and said faintly: "Since some people have broken the rules, then erase them, just to make that girl give up."

"Yes, elder!"

Zhuo Ya directly drew the cold sword from her waist and pointed at Ye Chen and Wei Ying: "Little bitch! I really thought that standing behind a cultivator would be able to counter our Beiming Sect! If we want you to die, you will die! "

"And you, little beast, if you are willing to kneel in front of me and cut off the hand that started, I can consider giving you a whole body!"

Zhuoya's neck was raised, condescending, as if in control.

But Ye Chen's murderous intent at this moment is constantly gathering.

His heart is burning with anger!

The woman in front of me tried to treat Wei Ying with such vicious means!

I really think that the Kunlun imaginary strong can easily decide the life and death of others in China!

Do you really qualify for being so high?

This woman's cultivation is just entering the Holy Realm!

In his Ye Chen's eyes, it was like dust!

I really don't know where this shrew's confidence comes from!

Ye Chen took a step, guarding Wei Ying fiercely, and said to the woman: "I only give you a chance to draw your face, and then apologize to Wei Ying, otherwise I will do it myself, and you will not be able to bear the consequences!"

"Humph! What qualifications do you ants have!"

Hearing such arrogant words, Zhuo Ya was completely angry, and took the sword to Ye Chen, and Bei Ming's sword technique came out!

The entire teacher's apartment seemed to be shaken!

Countless sword intents are like phantoms, tearing away towards Ye Chen!

The Northern Ming Sect has a profound foundation in Kunlun Xu, with many disciples!

Among them, Kendo is the avenue of my Northern Mingzong.

The North Ming swordsmanship is the supreme martial skill, enough to crush the powerhouse of the same realm!

In Zhuo Ya's eyes, this mere transcendental kid is the dust in the fireworks!

When the sky was covered by the sword shadow, Ye Chen snorted and stretched out a finger!

"I don't even have a finger to deal with your rubbish!"

The true energy on Ye Chen's body was concentrated on one finger!

A few steps out, with a force of destruction and decay, spotted on one of the sword shadows!

With a sound of "ding!", the two forces suddenly collided!

Zhuo Ya sneered again and again in her heart! With such a cultivation base, he tried to solve everything with one finger!

It's almost reckless!

But soon, her expression solidified.

Because she found that the spirit sword in her hand trembled violently, as if she couldn't bear the power of that finger!

"Crack!"

In the next second, the sword was broken!

The young figure has appeared in front of him!

The distance is only ten centimeters!

With a single finger, the wind and rain are changing, and the sword wind swept!

For a time, the world was eclipsed by ghosts and spirits.

It's like, at this moment, only Ye Chen and Zhuo Ya are left in a radius of a hundred miles!

"Boom!"

Ye Chen's finger broke through all obstacles and fell directly in front of Zhuo Ya's eyes!

Once pierced, she will definitely die!

"No!" She uttered in horror, but she didn't expect her fingers like a sickle of death to stop!

Are you saved?

Before Zhuo Ya could react, Ye Chen spread his other four fingers, turned into a slap, and snapped a photo!

"You owe my friend this slap!"

"Snapped!"

The power of violent sweeping seems to swallow everything!

Seeing that this palm was about to be photographed, Zhuo Ya couldn't react at all, and her whole body was locked by an invisible pressure!

Who is this young man!

When did China have such an enchanting character!

Is this still transcendent?

No matter Zhuoya was thinking, she felt like flames burning on her cheeks!

Then, an invisible force penetrated her body!

It even made her feel suffocated!

"Boom!"

She couldn't bear it anymore and vomited a mouthful of blood on the spot! It's flying out even more!

One side of her cheek is bloody!

Chapter 720: unattainable!

"Junior sister, elder, save me!"

The moment Zhuo Ya hit the wall, Ye Chen appeared again!

This time Ye Chen didn't leave his hand at all, and with his five fingers, the broken spirit sword fragments fell into his hands!

"Boy, stop! She is from my North Ming Sect, you are not qualified to move!"

The lady in purple and the old lady just wanted to make a move!

Ye Chen won't have any stay!

North Mingzong? Even the top sect is not worthy!

The fragments are shot directly!

Zhuo Ya's eyes widened, and she couldn't help but a cold light flashed.

Her head is directly separated from the body!

Blood is gradually on the spot!

After doing all this, Ye Chen's bone-cold eyes shot at the old woman and the purple-clothed girl: "I don't like killing women."

"However, I am willing to change my habits today."

"Next, it's your turn."

Then Ye Chen's figure disappeared instantly, and he went directly to the two!

The purple-clothed woman was fearful, but she still forced a drop of blood to shoot on the long sword, and then headed towards Ye Chen!

But at this moment Ye Chen's momentum is like a broken bamboo, no one can stop!

The purple-clothed woman didn't even hold the sword firmly, so Ye Chen's five fingers grabbed the edge of the sword, turned abruptly, and moved towards the opponent's neck.

The purple-clothed woman's pupils suddenly contracted, trying to say something, a dull penetrating sound came, and the next moment blood sprayed.

Completely dead!

In just a few seconds, an accident happened to the two disciples!

The old woman looked serious, naturally aware of Ye Chen's strength, and the crutch in her hand instantly turned into a rapier!

"Boy, offend my Beiming Sect, you will never be peaceful forever!"

The thin sword shook, and the sword energy seemed to turn into a giant snake, swallowing it towards Ye Chen!

Fierce, bloodthirsty!

And the strength of the old woman seems to be the Saint King Realm!

The breath broke out, cracks appeared in the entire tenth floor!

It seems to break and collapse at any time!

Ye Chen snorted coldly, and the Poyang Sword appeared in his hand!

Wan Dao Swordsmanship is directly displayed!

At the same time countless thunder and lightning flooded!

A blood dragon overflowed the body! Panrao is around Ye Chen!

The Poyang Sword turned into countless ghosts in a blink of an eye!

Can't find it!

The old woman's expression changed, and she quickly stopped Jianying!

But there are too many sword shadows, densely packed!

He blocked most of it!

It's useless!

"Puff!"

The spirit sword slammed directly on her body, and her body retreated violently, embarrassed to the extreme!

Stormy seas were set off in her heart!

I really can't figure out why a Chinese kid would have the power to counter the Kunlun emptiness!

Could this son come from Kunlun Xu?

The old woman looked at Ye Chen again, but at this moment Ye Chen was surrounded by a blood dragon, holding a long sword, and she was all over the world!

Can't help but feel shocked!

and many more!

Suddenly, the old woman discovered something!

His eyes were bloodshot, staring at the sword in Ye Chen's hand! Thunder and lightning all over! And that blood dragon phantom!

This picture, all this, is so familiar!

The key is to \*\*\*\* happen in China!

The figure of the young man not far away suddenly overlapped with the figure of the young man in a portrait!

"You are Ye Jitian!"

An exclamation suddenly resounded across the tenth floor of the teacher's apartment!

The voice of the old woman was trembling!

What the three words Ye Sitian mean, she knows better than anyone!

In Kunlun Xu, these three characters are the symbols of demons and death!

The key is that the evil spirit is not in Kunlun!

Why did you suddenly appear in Huaxia!

Damn it!

The old woman watched the youth get closer and closer, and her fear spread!

Can't help it anymore, "Plop!" Kneeled directly!

"Master Ye, I... I don't know that girl is yours! I beg your lord to let me go!"

Ye Chen stopped, but she didn't expect this old woman to recognize herself as Ye Sutian.

But it was indeed too obvious that the Poyang Sword, the Blood Dragon, and the Thunder appeared at the same time.

"You let me let you go?"

Ye Chen said lightly.

The old woman nodded repeatedly: "Master Ye, I am willing to serve you as a slave! I will do what you ask me to do!

"I am so entrusted by the Sovereign! Sir, I am just a subordinate, please forgive me!"

Ye Chen sneered: "Since you know that I am Ye Jitian, you should also know that I, Ye Jitian, never keep alive!"

Upon hearing these words, the old woman's face was pale, and Ye Chen took a palm from Tianling Gai when she was about to do something!

The blood dragon all over the body went straight through the arm!

The old woman turned into a blood mist on the spot!

The endless blood mist was swallowed by the blood dragon!

After that, Ye Chen called Ye Lingtian and asked him to send someone from the dark hall to deal with it.

After doing all this, Ye Chen looked at Wei Ying who was panicked.

Although Wei Ying had seen him kill, she had never seen such an outbreak.

"Mr. Ye, this... is that all Kunlun Xu you said?"

Ye Chen nodded: "I haven't set off yet, it's too late to regret it. If you stay here, I will refine a few amulets for you, enough to protect you."

Wei Ying shook her head quickly: "Ye Chen, I am not regretting, I just want to say, this Kunlun Xu is too cool!"

Ye Chen: "..."

The two went downstairs and got directly into the Bentley.

Wei Ying couldn't help it, and she spoke again: "Ye Chen, why did the old woman just now say that you are Ye Sutian? Do you have another name? Or did he admit the wrong person?"

Ye Chen thought for a while, and decided to hide this secret: "It is estimated that the guy has admitted wrong, otherwise I have no room for action."

"Wei Ying, you remember one thing. When you get to Kunlun Xuzhong, if someone dares to hurt you, you can give out this name. Maybe you can save your life."

Wei Ying nodded, seemingly understanding.

Half an hour later, Ye Chen, Sun Yi, Wei Ying and even Jiang Xirong boarded a private jet.

And the destination of the plane is Kunlun Xu!

On the plane, Ye Chen clearly felt the Kunlun imaginary movement sounded. He glanced at the reincarnation cemetery and found that it was not the cause of the tombstone, but a jade order in the corner.

Yuling shone with light, and a line of text kept flashing.

Ye Chen's eyes shrank, holding Yu Ling in his hand, only then did he remember a big event!

The annual Kunlun Xu Zongmen genius battle is about to begin.

Back then, the master finally got a place, but he became the laughing stock of Kunlun Xu's major sects.

At that time, I didn't even have the qualifications to set foot on the ring Numerous ridicules, abuses, humiliations, as if vividly.

If Ji Siqing hadn't taken a shot, perhaps he would have died on the ring that time.

It is estimated that when Ji Siqing asked Ji Lin to give the jade order to himself, he wanted to motivate himself.

Ye Chen looked at the tiny mountains and towns under the clouds, his fingers clenched, and the light in his hands flickered.

Some lost things, he should personally take back.

The man of roots?

The waste of medical gods?

The laughing stock of Baizong's rejection?

"Since Ye Chen is back this time, I will show you what is truly unattainable!"
