

Urban Medical 761

Chapter 761: begging!

He was full of spirits and shot out!

Turned into a thousand feet!

"Today, I will show you my Tianyun Spirit Snatcher!"

Ye Chen's face changed drastically, and the hand holding Zhanlongwentian Sword was also shaking!

He fiercely condensed the power of the blood dragon and this command talisman, and smashed it with a single sword!

He wants to try the gap between himself and the Void Return Realm!

True strength is not just relying on the cards!

"Boom!"

The result is still the same, he took a dozen steps back!

Spit out a mouthful of blood!

"It seems that the gap between me and the Void Returning Realm is still too big. After today, I must break through quickly! Only by breaking through can I protect the people around me!"

Hearing Ye Chen's murmur, the old man sneered: "Ye Jitian, do you still want to be after today? Ridiculous! I want you to die, you can't survive!"

When Hong Tao saw that the old man around him turned into auspicious things, he was so excited that he quickly said to the old man: "If you kill Ye Tiantian! I will refine the ancient pill for you, so that your strength will cross a great realm!"

"Thanks to Hong Danzun, this little beast is not as powerful as the rumors, I want to kill, one shot is enough!"

The old man is full of confidence!

Hong Tao was afraid that the night would have many dreams, and quickly said: "Hurry up! I don't want his flames, just kill them!"

"it is good!"

The old man turned into an afterimage in an instant, and the spear turned and shot directly at Ye Chen, the speed is even faster to the extreme!

The spear roared and galloped like a flood, making it impossible for people to dodge at all. A terrifying spear intent almost pierced Ye Chen's body!

With one shot, he is heaven!

"Count us!"

Suddenly, three voices resounded, something that surprised everyone!

The three Void Returning Realm who left have actually returned!

At this moment, the three of them released the strongest sword and headed towards Ye Chen!

"Hong Danzun, we left just now to ask that one with a secret method!"

"The one from the Slaughter Land will soon send a strong one!"

"But it doesn't seem to be necessary anymore!"

Hearing these words, Hong Tao was ecstatic in his heart, now he is completely invincible!

If the four Void Returning Realm still can't kill a transcendental kid, that would be Kunlun Xu's biggest joke!

The onlookers around shook their heads helplessly, everyone was very clear:

The legend of Ye Jitian will end in the Land of Slaughter.

Prior to this, Ye Xitian deceived everyone, but in the end he was exposed to the real powerhouse.

This is Kunlun Xu, this is martial arts respect.

The four realm of returning to the virtual realm's strong blow seems to be completely integrated!

The earth trembles!

The sky changes color!

No one can escape!

Ye Jitian must turn into blood mist!

A generation of strong men has fallen!

Duan Huaian looked at the scene in front of him, extremely lonely.

Today, Ye Chen gave him too many surprises.

But never thought it would be such a tragic ending.

He suddenly became afraid of death, he wanted to see Ye Chen standing on the top of Kunlun Xu's mountain.

But is there really a chance?

If something happens to Ye Chen, there is no need for him to survive as a master.

At this moment, Ye Chen looked at the four powerful blows of the Void Return Realm, but wiped off the blood from the corners of his mouth, his expression was indifferent, and said: "Do you really think that is my true strength? I was just playing around!"

"Void Return Realm? Ha ha! I can't kill Ye Qi Tianzhao!"

"Jiuxiao Thunder Sword, come out!"

Ye Chen let out a roar, and a long sword with a terrifying aura was instantly suspended above his head!

This sword was left by Duan Leiren before he left!

Let him use it in times of crisis!

At that time, Lei Ren performed in the reincarnation cemetery, it was extremely terrifying!

Today, he let this Nine Heavens Thunder Sword resound throughout Kunlun Xu!

"Jiuxiao Thunder Sword! The sword goes out of Jiuxiao and kills the mortal world!"

A terrifying roar!

The thundercloud covers a kilometer and obscures the sky!

The feeling of dullness made the complexion of everyone present slightly change.

This vision actually disturbed everyone.

Suddenly, the sky's Wanjun lightning shrank rapidly!

In the blink of an eye it turned into a behemoth of thunder, rushing from above the sky!

Every step is to shock the space!

Before it fell, many people kept backing away because of the air waves.

Even spit out a mouthful of blood!

This power is too **** good!

Not to mention the general Saint King Realm, even at the peak of the Saint King Realm or even the Return to Void Realm, it is not necessarily qualified to resist!

At the moment when the four powers were about to fall on Ye Chen!

The behemoth of thunder came fiercely!

"Boom!"

A loud bang resounded!

Splashing dust!

The rest of the ground shaking cannot dissipate for a long time, as if the end is coming!

The four powers disappeared directly!

Crush!

Not only that, the Thunder behemoth ran towards the four Void Returning Realm powerhouses!

The four felt that something was wrong and wanted to escape, but found that they couldn't move!

"how is this possible....."

Before they could react, a beast sounded, and their bodies were directly swallowed by the thunder beast!

There is no blood mist!

The dust dispersed.

Everything returned to calm.

Hong Tao and all the onlookers found that the four strong men had disappeared, only the rags of their clothes were still floating in the air.

A blast of death spread There is no blood, but everyone's bodies are shaking.

There is only one person in a radius of 100 meters.

That is Ye Xitian!

Who could have imagined that Ye Jitian, who had just revealed his fatigue, would kill four Void Returning Realm powerhouses with one move!

How old is this genius Ye Su?

So defying!

If you give him another ten years, the Kunlun virtual top sect will tremble for him!

Feng Lao, who had not spoken not far away, finally understood why Ye Jitian refused Dan Xu Pago so resolutely.

With this kind of martial arts strength, what is Dan Xu Tower!

Everything is far from stopping.

Ye Chen held the Dragon Slashing Wentian Sword in his hand and had already arrived in front of Hong Tao.

Zhanlongwentianjian was placed on Hong Tao's neck again, and his legs trembled with the cold feeling.

None of the four Void Returning Realms can stop Ye Jitian, how can he stop!

"Plop!" A cry!

Hong Tao knelt directly!

"Mr. Ye, I don't know Taishan, please let me go! I am willing to practice the pill for you for a lifetime!"

Ye Chen sneered: "Do you think I still need you to refine alchemy?"

Hong Tao's expression was stiff, he was extremely helpless!

At this moment, Senior Feng stood up and advised: "Ye Jitian, you don't need to kill them all. This Hong Tao has a lot to do with that person. If you kill it, it will be bad for you. This is my advice to you. ."

Ye Chen Yuguang glanced at Senior Feng, and said directly: "What are you, I want to listen to your opinion on Ye Jitian killing people? Even if your Dan Xu Tower's top powerhouse comes, you are not qualified, understand?"

"If you dare to say something, I will kill you too!"

The cold words made everyone take a breath!

Even if Dan Xu Tower is not in his eyes, I am afraid that Kunlun Xu has only Ye Jitian!

"you!"

Senior Feng saw that Ye Xitian could not tell, he waved his sleeves and left directly!

Chapter 762: reinforcement!

Senior Feng knew very well that the three of them were said to have asked for the rescue. When the rescue comes, he will want to see what Ye Sitian has to say!

Ye Chen's gaze fell on Hong Tao who was kneeling on the ground again.

"Aren't you trying to plunder my inextinguishable fire? Are you trying to kill my master? Now I give you a chance, how about?"

His voice was so soft that only Hong Tao could hear it.

master?

Hong Tao's eyes widened, and he discovered what his thoughts had captured!

Ye Xitian turned out to be an apprentice of Duan Huaian, a school of medical god?

How the **** is this possible!

He vaguely remembered that Duan Huaian had only one apprentice surnamed Ye!

But that Kunlun Xu's famous Fan Root waste could not be Ye Jitian at all!

Check out this new online game!

"Sorry, I forgot to introduce myself, I still have another name, Ye Chen!"

A sound fell into Hong Tao's ears!

For a dead person, the secret will naturally be guarded!

Ye Chen doesn't hurt to say it!

Hearing this answer, Hong Tao's eyes widened, and he stretched out his finger to point at Ye Chen:
"How is it possible! You are actually that root waste! You..."

Before he finished speaking, Ye Chen's Dragon Slashing Wentian sword moved!

It has not penetrated completely, dozens of violent auras come from a distance!

"Ye Jitian, if you move your sword! You will definitely die!"

A voice came one step ahead!

Threat!

The people behind the Slaughter Land are finally here!

Hong Tao's eyes were happy, what just wanted to say!

A sword light cut through!

He subconsciously covered his neck, but found that there was no chance!

"Patter!"

The head fell to the ground, and the body couldn't withstand the power of the sword of Zhanlongwentian, directly turned into blood mist!

Hong Tao, die!

After doing all this, Ye Chen walked towards Duan Huaian calmly, and directly untied Duan Huaian.

"Master, let's go!"

As soon as the words fell, dozens of breaths appeared directly!

The headed man is riding a huge cheetah!

"Ye Jitian! What a courage! Even the killer dare to move!"

The man glanced at Hong Tao's head, his face was hideous, and roared!

The onlookers were completely pale when they heard the word killer.

This name is scarier than Ye Jitian!

Who is king in the land of killing? Only kill the Lord!

The existence of the killer is the biggest reason that really prevents those sects from stepping into the land of killing!

Ye Chen frowned, and said a little displeased: "Kill the Lord? What kind of thing is he, I want to leave Ye Jitian, do you want to stay too?"

The man's eyes were cold: "Dare to insult and kill the Lord, and seek death!"

After the words fell, the man made a jade seal on his finger!

The jade seal is floating in front of Ye Chen!

The ultimate move, the world changes!

The supreme coercion came over!

Most of the people present couldn't help but spit out a mouthful of blood!

Suddenly, someone recognized the jade seal and exclaimed: "The seal of killing the lord! This is actually the seal of killing the lord!"

At this moment, the crowd was restless and backed away.

As soon as this thing came out, it was like the murderer himself! It also comes with a force to kill the Lord!

No one can shake!

"puff!"

Duan Huaian spit out a mouthful of blood, he was already injured, although he was protected by a magic barrier from Ye Chen.

The barrier was still under the seal of the killer, shattering on the spot!

"master!"

Ye Chen quickly took out a pill and fed it to Duan Huaian!

At the same time, staring at the jade seal, anger exploded!

"I don't like this jade seal very much. If it is so, it will be destroyed!"

In the next second, a silver needle appeared in Ye Chen's hand!

This is what Ye Chen got under the Qingxuanfeng stone stele!

This silver needle represents the Supreme Path of Medicine!

There is even a strength of Lin Qingxuan!

He wanted to see if this killer's strength was strong, or Lin Qingxuan's strength was against the sky!

"Silver Needle, break this jade seal for me!"

Ye Chen drew the two-finger silver needle!

In an instant, the radiance was radiant and covered!

"Swish!" With a sound, Silver Needle broke free of Ye Chen's arm and flew out!

It seems to be heading towards Yuyin!

"Boom!"

The killing intent suddenly rises, and the power of heaven and earth is used!

The boundless energy condensed, and the small silver needle actually expanded on the spot!

In a blink of an eye, it turned into a crimson long spear!

There was a burst of crisp noise.

Even let everyone find in a daze that this hundred-zhang long spear is about to break everything in front of you!

"Ding!"

The scarlet hundred-zhang spear directly hit the jade seal!

The jade seal that originally released endless Wei Ying became extremely small at this moment!

After the loud noise, the jade seal turned directly into powder!

No one can stop it!

A violent air wave suddenly surged, the dazzling firelight flickered, and the earth trembled violently.

Unfortunately, the power of the silver needle gradually disappeared.

Because Ye Chen's dantian vitality has been exhausted.

Cannot continue to support Silver Needle.

Lin Qingxuan's silver needle is closely related to his state.

Ye Chen even received a backlash, spitting out a mouthful of blood.

The man riding the giant leopard paused, he couldn't imagine that the power to kill the master could not be stopped!

Is this Ye Slaying innocent as terrible as the legend?

The crowd onlookers was also shocked, adding three points of silliness in fear!

Ye Jitian is actually stronger than the killer?

The killer is the one who will stand for a hundred years!

"How do I feel that power is not like martial art... more like medical art..."

Someone asked.

As soon as the words came out, everyone present took a deep breath!

Looking at Ye Chen again, in addition to fear or fear!

Who on earth is Ye Sitian!

Budo is against the sky! Dan Dao against the sky! Now another **** doctor!

A young man in his twenties has so much time to practice these?

When the crowd was frightened, the man on the giant leopard at raised his arm and clenched his five fingers!

"Everyone, let's do it together. Ye Jitian has been injured. This is the best chance! Kill directly! Don't stay!"

"Yes! Commander!"

In the next second, dozens of silhouettes with violent auras moved towards Ye Chen and Duan Huaian!

Everyone is above the Holy King Realm! Ten of them are even more of the Return to Void Realm!

How did the injured Ye Sitian leave!

Duan Huaian frowned, he regretted it! If the Dantian had not been destroyed by the Dao Sect Sect Master, he might now have the strength to fight alongside Ye Chen!

And now he can only hide behind Ye Chen, with nothing to do!

"Disciple, you go quickly, leave me alone, I blew myself to stop these people, you leave immediately!"

Duan Huaian made up his mind, this is the only possibility!

Ye Chen shook his head, silently put the sword away, looked at the giant leopard man who was coming quickly, and said: "Do you think you have a rescuer? I have Ye Sutian too!"

"Ten thousand beasts follow the order, and level the land of killing!"

A cold word resounded across the sky!

Everyone hadn't reacted yet, suddenly, the ground shook!

The feeling of vibration is getting stronger and stronger!

"What is this! Is there an earthquake?"

"How do I feel that the storm is full of evil spirits!"

"What kind of magic is this, countless powerful people are coming?"

At this moment, they discovered that there was dust in all directions!

The dust keeps shrinking!

"Disciple, this...what is this? How many people did you bring?" Duan Huaian asked suddenly.

Ye Chen squinted his eyes and said, "Master, my rescuer is not a man! It's a slaughter of beasts!"

Chapter 763: Can only surrender!

Killing beasts?

Duan Huaian had a strange expression.

When he entered the land of killing, he almost died because of the murderous beasts!

He naturally knew how terrible these beasts were!

Especially the mad black tiger, a group of ferocious beasts, if they are targeted, they will undoubtedly die!

If he hadn't been proficient in some spells, he might have died under the minions of these beasts.

And now, his apprentice actually said that the rescuer is a beast?

How could a fierce beast of this level help humans!

I should wait to devour all human beings!

"Disciple, are you really kidding?" Duan Huaian asked suspiciously.

Ye Chen squinted slightly, extremely indifferent, and did not answer Duan Huaian's question.

Some things, seeing is better than everything.

And the surrounding dust is getting closer and faster.

Soon, the dust was reduced to 100 meters!

The meaning of the earthquake suddenly disappeared.

Everything returned to calm.

The scene was quiet and terrible.

"This... is this over?"

Someone swallowed and said suddenly.

"What the **** was that dust just now! Tornado?"

"Tornadoes are not like this!"

"Fuck! What the **** is that!"

The dust gradually dispersed, and a pair of cold **** eyes appeared in everyone's sight.

Kill.

Bloodthirsty.

The temperature suddenly dropped to the extreme.

Everything is clear.

When everyone saw what was surrounding it, they subconsciously covered their mouths!

The eyes almost stared out.

"Crazy black tiger! It is crazy black tiger! How could it be possible! So many crazy black tigers! Nearly a thousand!"

A sacred onlooker with severed arms directly sat on the ground, his frightened voice was extremely clear in such a quiet environment!

The reason why he was scared was because one of his arms was bitten off by the mad black tiger!

He finally got his life back!

Anyone who enters the land of killing must pray not to encounter these beasts! Once you touch it, you will not die or be disabled!

But how could so many mad black tigers appear here!

This place is a land of killing, an area where human powers live!

For nearly a thousand years, the beast outside has never crossed the wall!

The commander holding a spear and riding a giant leopard completely stopped, and he could feel the giant leopard trembling under him!

This is the pressure from the blood!

After all, the leopard is a leopard, how can it be compared with the king of beasts!

The key is the king of thousands of beasts!

The dozens of powerful men behind the army master all stopped, with a hint of coldness in their eyes.

"Military Lord, how could all the mad black tigers appear here? Judging from the time, it should not have reached the beast tide yet!"

A strong man of Returning Void Realm spoke.

The commander shook his head, he didn't know.

This fierce beast is fickle, after all, it is a beast, and it is very difficult for humans to guess.

But the appearance of this group of beasts has completely interrupted this game.

Now if you want to kill the sky, you must also consider these guys.

Suddenly, the army master thought of something, his eyes suddenly shrank, and then he shot Ye Jitian firmly!

He vaguely remembered what Ye Xitian said about saving soldiers!

Could this group of fierce beasts be his rescuer?

impossible!

Human cultivators have nothing to do with fierce beasts since ancient times!

Although Kunlun has the existence of beast trainers, but the spirit beasts of beasts are generally kept in captivity!

And the mad black tigers around the Slaughter Land respect slaughter. This fierce beast has a fierce temper, and Kunlun Xu does not have many beast trainers to surrender!

When he thought of the command to kill the master, his eyes suddenly turned cold: "Everyone listens to the order, these beasts are not our target, the killing of the master has the order, then Ye Jitian must take it! First!"

"Yes!"

When the crowd heard the order, they no longer cared about the mad black tigers surrounding them, and went straight to Ye Chen again.

At this moment, Ye Chen's eyes were cold, watching the army chairman of the Slaughter Land roll over, he smiled coldly: "It seems you don't give up if you don't see the coffin!"

"Thousand beasts roar!"

With an order, suddenly, the thousand-headed black tiger roared!

The supreme sonic wave is violent in all directions!

The air of killing exploded, as if a blood tiger fell from the sky! Smashed to the ground!

"Boom!"

Those strong onlookers were all shaken out!

The army owner riding a giant leopard clasped his spear and couldn't care about everything!

What if these mad black tigers roar! If Ye Jitian doesn't kill, it will be troublesome!

Seeing that the spear was about to pierce Ye Chen, Ye Chen still had no plans to fight back!

The army master's eyes were a little surprised: "What does Ye Jitian mean? He doesn't stop him?"

"Huh, so arrogant, death is not a pity!"

At this moment, a huge black shadow flickered out!

In the next second, he was horrified to find that an extremely terrifying behemoth stood in front of Ye Chen!

Crazy black tiger!

wrong! This thing is a lap bigger than the average mad black tiger!

The sense of killing and spirituality in the key eyes is the same as that of humans!

"This...this...this is the king of the black tiger! The true king of the fierce beasts in the Slaughter Land!"

The commander said in horror!

He never expected that such legendary things from the older generation would actually appear!

Before he could react The Black Tiger King clenched his feet and bent his limbs!

Head shot!

A shocking roar was released!

When the crowd heard this sound, their hearts seemed to stop beating!

The thousand-headed mad black tiger surrounded is also roaring again!

"thump!"

The giant leopard directly under the commander's knees!

The coercion of blood and momentum cannot make the mount under him go further!

Can only surrender!

This scene is like a slap in the face of the army master!

His body turned over and barely stood firm!

But before he could react, the black tiger king exploded, with a huge mouth, and his hideous fangs instantly bit on the giant leopard's body!

"Wow!" With a sound, the giant leopard's bones all broke and turned into a pool of flesh and blood!

Directly swallowed by the King of Black Tiger!

The army owner was completely frightened, his pupils shrunk to the extreme, but the invisible anger was even more! He had no idea that the king of black tiger would actually come at him!

This mount has accompanied him for six years, from death to life!

But now it has become the food of the black tiger king!

How could he not be angry in his heart!

In the next second, he clenched the spear, his spiritual energy exploded, and he was about to kill the king of the black tiger, only to find that the king of the black tiger was walking towards Ye Chen!

Did the mad black tiger start to eat people?

This is nature!

The crowd onlookers also noticed this and held their breath.

They were even waiting for Ye Jitian's counterattack.

Sure enough, when the mad black tiger approached Ye Sutian, Ye Sutian stretched out his hand!

It seems that a palm is slapped towards the head of the crazy black tiger!

wrong!

Ye Xitian didn't do anything at all, but... but touched it!

Chapter 764: Like ants!

Tigers can't touch their ass, let alone the king of the black tiger! But this Ye Jitian actually did this!

Everyone thought that Ye Jitian would be swallowed by a huge mouth on the spot, but nothing happened.

On the contrary, the mad black tiger was very enjoyable, and even rubbed Ye Sution with his huge head!

Seems to please?

"hiss!"

Everyone present took a deep breath!

Who would have thought that the famous fierce beast in the Land of Slaughter would actually look like a cat in front of Ye Jitian!

This is simply too shocking.

"How do I feel that my eyes are dazzled, that is the mad black tiger? Doesn't the mad black tiger only eat practitioners?"

Someone tremblingly said.

"You have no dizziness, Ye Jitian not only has a mad black tiger, he has thousands of heads..."

"What the **** did Ye Sitian come from! Martial Dao! Alchemy Dao! Medical Dao! Why the **** is pulling out the beast?"

"Could it be that Ye Jitian is the heir of the ancient family?"

"Why don't I think that the ancient family can't cultivate this kind of person against the sky!"

At this moment, the onlookers looked at Ye Sitian again, only fear!

It seems to be a fear of God!

Ye Chen knew that he couldn't stay here any longer, and stepped over to the king of the black tiger. At the same time, with a thought, another majestic black tiger came to Duan Huaian's side.

Kneel on all fours and surrender!

"Master, go up, I am going to make a **** road!" Ye Chen urged.

Duan Huaian looked at the scene before him, his brain was blank.

He looked at Ye Chen, really couldn't believe it!

He even wondered whether the person in front of him was Ye Jitian or who!

How could Ye Chen achieve this kind of achievement in just one year?

He went to Huaxia!

A place where aura is thin!

No longer thinking about it, he stepped onto Kuangsha Black Tiger's body, grabbing the long hair on Kuangsha Black Tiger's neck with both hands, and pressed his body against it.

Right now, leaving is the key.

"go!"

Ye Chen gave an order, and two giant tigers with terrifying aura headed outside!

At the same time, there are thousands of mad black tigers staring at it!

If anyone dares to move, just shoot!

Who could have imagined that Ye Xitian was chased by the army master of the Land of Slaughter, and walked away in the leisure court!

No one dared to move the key military master and the strong men he brought!

Humans will still fear life and death! This kind of fierce beast doesn't know how, its skin is thick and thick, just like armor!

If you can't kill with one blow, he can bite your neck!

More importantly, these are not dozens of **** heads, but thousands!

When Ye Chen and Duan Huaian left more than ten meters away, the body of the army master moved slightly!

He knew very well that if Ye Sutian couldn't stay, that one would not let him go!

He has no choice!

"Ye Jitian! Take your life!"

The army master stepped on, forcing a drop of blood! The blood smashed on the spear and dispersed completely, the spear pointed at the sky, and the endless thunder and lightning fell on the sky!

At the same time, the aura of heaven and earth was condensed by this shot.

This gun stirred up gusts of wind, carrying his anger and all his strength.

He only has one chance!

If you fail, you will become benevolent!

The black tiger king turned around fiercely, and his scarlet eyes were staring at the looting army master!

A tiger roar, in all directions, dozens of mad black tigers came instantly!

Surrounded the army owner directly!

"Beast, get out!"

The spear in the hand of the army master smashed, abruptly repelling some mad black tigers, and some even turned into blood mist!

He is a strong person in the Void Return Realm, and the Xeon Strike is naturally not something that those mad black tigers can stop!

However, because of the blocking of these mad black tigers, his power was reduced by half!

Ye Chen's eyes became cold, and he said: "Kill!"

The cold words fell, and the King of Black Tiger under him became violent!

Zhanlongwen Tianjian flew directly to Ye Chen's palm!

The lightning release of this command talisman!

One person and one tiger are flooded with thunder arcs!

Not only that, this sword also has the power of a blood dragon!

Ten thousand swordsmanship, Ye Chen went straight to the point!

Want to kill him, he must kill!

"Boom!"

The sky was full of thunder, which immediately expelled the chill.

But between the lightning and flint, the sword smashed through the air, carrying the behemoth that turned into endless thunder and lightning, and slammed on the military owner's spear!

At the same time, the King of Black Tiger under him also rushed towards the opponent!

The killing breath broke out!

Om...

Everything surrendered and the earth quaked.

A powerful sword burst out, sword aura.

"This... a powerful sword!"

"What is the origin of Ye Sitan..."

Feeling the sword aura, many people in the square opened their eyes wide.

"Swordsmanship! What a domineering swordsmanship! Ye Jitian also understood his own swordsmanship!"

"This kendo is simply born for killing! After today, Ye Jitian's reputation will inevitably be passed on to Kunlun Xu!"

"Also, if the killer of Slaughter Land knows that Ye Jitian is so provocative, it will be troublesome!"

"The struggle between the two slaughter kings, Kunlun Xu will probably become a battlefield!"

At this moment, the army master is naturally impossible for the enemy to pass Ye Chen's full blow and the power of the Black Tiger King!

"Boom!"

The sword aura and the killing aura pierced through the body of the army master fiercely!

"why!"

The body of the army master flew out directly, spouting a mouthful of blood!

The internal organs are completely shattered!

At this moment, his eyes were only scared!

Despair ~ www.mtlnovel.com ~ fear... This moment is completely permeated.

This is Ye Jitian's true strength?

Extraordinary?

This is a **** supernatural realm!

Although I failed, a large part of the reason was because of the crazy black tiger!

But being able to tame this beast is also part of the strength!

He finally knew what kind of person he had offended!

He finally knew how ignorant and naive his idea to kill Ye Jitian to prove to the killer was before!

"Ding!"

The blade of a long sword directly touched his apple.

The cold suffocation swallowed him.

His eyes are bloodshot, as if it will explode in the next second!

He is scared!

He doesn't want to die!

"Ye Jitian, I am the person next to the killer, you can't kill me! You really can't kill me!"

His body was shaking, and his flesh and blood was crumbling.

Blood was constantly spitting out from his mouth, and the words were even a little fuzzy.

He knelt on his knees.

Such as ants.

Longing for Ye Xitian to give him a way to survive.

This was the first time he gave in.

"Kill the Lord? Haha, if he dares to come to me, I will kill him with him!"

Ye Chen sneered!

"Puff!" With a sound, the coldness on the army master's neck penetrated completely.

The commander found that his time was completely dark.

He wants to give birth, but he has no right!

After doing all this, Ye Chen rolled his eyes and glanced at everyone behind the remaining army master!

Holy King Realm! Even some people who have just entered the early stage of Void Return!

Seeing Ye Chen's eyes, these people also knelt down and begged for mercy!

If they resist, they do have a chance to kill Ye Chen, even these mad black tigers can't help him!

But at this moment their Dao Heart has been damaged!

Chapter 765: crime!

Ye Jitian's fear grew more and more!

The martial artist has no Dao heart, only thinking about begging for mercy, not resisting!

How to stop this kind of person!

Ye Chen looked at these people, sneered, Zhanlong asked Heavenly Sword held high!

Thunder and lightning fell crazily among the thunderclouds of the sky!

Like Thor!

"Crazy Black Tiger Hears! Kill me! Don't keep one!"

Ye Chen's eyes burst with cold light, like a point of thunder swallowing!

"boom!"

Under Ye Chen's roar, a mad black tiger with a thousand heads of aura climbing to the peak came quickly!

Swallowed those dozens of powerhouses instantly!

Roar! Roar! Begging for mercy! Rebellion! Thoroughly resounded!

It seemed to be a **** light, carrying the power of heaven and earth, crushed down.

Someone resisted and killed several mad black tigers, but was it useful!

They will be swallowed by the mad black tiger again!

Fragmented, blood gradually stained!

"Ahhhhh..."

Flesh and blood flew across, the bones were broken, and the screams of countless cultivators were heartbreaking.

This land of killing seemed to sound the song of death because of Ye Chen.

I don't know how long it took.

Maybe ten seconds, maybe one minute.

The whole world fell silent.

The scream stopped abruptly.

Thick blood permeated the entire square.

Some onlookers couldn't help it anymore, vomiting together!

Although they have seen many slaughter battles, they have never seen such a crushing and tragic battle!

They looked at Ye Chen again, even if Ye Chen didn't look at them, they couldn't breathe!

This is the aura!

The aura of Ye Jitian, the **** of killing!

A cold wind blew, everyone couldn't help but shudder.

Because most people didn't dare to look at Ye Chen, everyone didn't notice that all the blood in the land of death surged into Ye Chen's body.

The blood dragon seems to be reveling!

Ye Chen felt it naturally, and murmured: "These blood qi is the best nourishment for the blood dragon. If this continues, it may not be long before the blood dragon will be completely essential."

"hiss."

Suddenly, Ye Chen felt a tingling pain in his eyebrows.

He stretched out his hand to touch it, and suddenly felt the movement of his eyebrows.

It was the evil thing!

"Could it be that this blood and slaughter will also affect the evil things in the middle of the eyebrows, and may even speed up their enchantment?"

Ye Chen murmured.

No longer thinking about it, he said to Duan Huaian: "Master, it is not suitable to stay here for a long time, let's go!"

Duan Huaian nodded, and when he saw Ye Chen's eyes, his eyes shrank, and he exclaimed: "Train, why are your eyes so red!"

Ye Chen was startled, and quickly took out a mirror from the reincarnation cemetery, glanced around, and found that his eyes were strange.

He vaguely felt that this was definitely not a good thing!

No longer hesitating, he was running the nine-day mystery based on his eyes, and the **** light in his eyes completely disappeared.

"go!"

After doing all this, he and Duan Huaian headed towards the periphery of the Slaughter Land.

"thump!"

"thump!"

What surprised him was that where he passed, all the onlookers in the Land of Killing knelt, their heads lowered.

As if escorting, and as if surrendering!

But the real reason is that these people are protecting themselves!

The surrender of thousands of people is too spectacular!

Ye Chen looked at everything in front of him, stopped completely, and then his true energy condensed, and a voice spread across the kilometer!

"No matter who the killer behind the Slaughter Land is, if he dares to give me another idea! I, Ye Jitian, will personally come to claim my life!"

Threat!

Cold threat!

His Ye Chen's way is to kill.

It is a way to slaughter the heroes.

It is obviously impossible for him to erase the killer at the moment!

But if the killer dares to find another door, then Ye Chen will accompany him to the end!

In this Kunlun virtual mountains and rivers, what fear does Ye Chen have?

I don't know how long it took, everyone found that there was no more movement, and raised their heads.

When it was discovered that Ye Xitian and Kuangsha Black Tiger had all disappeared, everyone collapsed to the ground.

They know very well that Dao Mental Arithmetic is completely finished!

The three words Ye Sitian are enough to become their nightmare, they want to go further, they must die!

But could something happen to Ye Xitian?

He is an existence that even dared to threaten the killing!

...

At the same time, in a quaint building in the deepest south of the Land of Killing.

There is a stone stele on the building, on which there are only a few words:

Kill the land of the Lord, whoever approaches, kill!

The innermost part of the building is quaint, very similar to the courtyards in Suzhou and Hangzhou in China.

There is no way to connect this place with the killer that countless people fear.

In the innermost garden of the courtyard, a middle-aged man in gentle clothes was actually watering the flowers with a kettle.

Behind the middle-aged man stood two old men, and there seemed to be no cultivation aura on them.

But such a person feels extremely dangerous.

Their eyes are very small, like an eagle, and if there is a turmoil, they will inevitably take the shot immediately.

The strength of these two people far exceeds the Void Return Realm.

Suddenly, the middle-aged man watering the flowers put down the kettle, and one of the old men quickly handed over a towel.

"Kill the Lord!"

"Um The middle-aged man took the towel, wiped his hands, and threw it on his side, and said, "Didn't I send someone to deal with Hong Tao? Why hasn't there been any movement so far? Or, go and see, lest you get any problems. "

Another goatee old man said respectfully: "Don't worry about the killer. The soldier's strength is in the land of killing. It's hard for ordinary people to get him injured. It is estimated that there were some minor problems in capturing Ye Sutian. Will be back soon."

The middle-aged man nodded and sat directly on a wicker chair in the yard, closing his eyes as if he was preparing to rest.

He just closed his eyes when one of his men hurried over.

"Kill the Lord, it's not good! Something big! A big thing!"

The goatee old man's eyes became cold, his five fingers opened, and a powerful suction suddenly broke out!

The man only felt the wind rolling, and the next second, a pair of thin hands pinched his neck.

"The killer is preparing to take a rest. You should be guilty of making such a big noise!"

The man was completely frightened, and shook his head quickly: "Left Guardian, I didn't deliberately collide, but something really happened in the Land of Killing this time! There hasn't been such a big event in thousands of years!"

The old man with goatee frowned, feeling something was wrong, and quickly said, "Come with me!"

They were just about to leave, but the killer on the wicker chair suddenly sat up, narrowing his eyes: "What's the matter, let me talk about it here."

His voice was very cold and could not hear any temperature.

The goatee old man released his hand and directly threw the man on the ground: "Say!"

When the man saw the murderer, his face was pale, and he couldn't bear it anymore, and he knelt down with a sound!

"Qiqi kills the master, not only Hong Tao is dead! The military master and dozens of powerful men sent out are all dead!"
