Chapter 811: opportunity!

"Am I dreaming?"

Duan Huaian's five fingers were slightly clenched, and the vigor overflowing from the palm of his hand wrapped around him.

Suddenly, he slapped in front of him violently, and an empty palm formed directly!

"Boom!"

With a loud noise, the cave seemed to shake!

A huge palm print is directly formed! A full meter deep!

At this moment, he could feel that this was not a dream!

Dantian was really repaired!

Duan Huaian's excited eyes shot at Ye Chen fiercely, and his lips trembled: "Tier, you..."

He wanted to say countless words, but at this moment, he didn't know how to speak!

This apprentice gave him so many surprises!

The martial arts are powerful, commanding fierce beasts, alchemy, plus this means of repairing the dantian against the sky!

He was injured by the Dao Sect Sect Master at the beginning, but he rummaged through ancient books, and even ran through the entire Kunlun Xu to find a way to relieve it!

However, the Dao Sect's Sect Master's methods against the sky made him struggle hard!

There is no way to crack it!

After so many years, his heart was dead, but at this moment, Ye Chen gave him a new life!

A thorough freshman!

Ye Chen smiled when he saw the master's appearance.

All the hard work I did was not wasted.

Although he is cold and bloodthirsty, and walks in murder, but he knows who treats him well.

If the master hadn't rescued him from Huaxia Dongqian Lake, perhaps the reincarnation cemetery would not open, let alone his today.

He stepped into Kunlun Xu and changed from waste to self-preservation. Duan Huaian led the door.

Now that he has the ability, he naturally wants to repair Duan Huaian's dantian.

This is also one of his wishes.

As a result, Ye Chen also felt Lin Qingxuan's strength, and the medical school crushed the martial arts back then, and he was considered a must.

If you want to be strong, learning Lin Qingxuan's supreme medical magic is undoubtedly the best way.

Duan Huaian eased his excitement abruptly. He suddenly thought of something. He sat cross-legged, closed his eyes, as if feeling something.

Not long after, Duan Huaian opened his eyes, and there was a sense of loss in his eyes.

"I thought I would be able to return to the state where the accident occurred, but now it seems that the state I am staying at is just a spiritual ascension state. After all, I haven't cultivated for decades. Dantian's perception of cultivation is too weak. However, this is for me. It's already fulfilled, the big deal is to start practicing again."

"After I rebuild for twenty years and enter the Void King Realm again, there is no need to fear the killer of the Slaughter Land!"

Ye Chen naturally noticed that Duan Huaian's cultivation base was indeed in a spiritual ascension realm, a realm weaker than himself.

If it really needs to be rebuilt, when will this happen?

He hurriedly communicated with Lin Qingxuan in the reincarnation cemetery, and asked: "Master, I have a puzzle. Of course, the dantian has been repaired. Does the realm need to be re-trained?"

Lin Qingxuan heard Ye Chen's doubts and snorted coldly: "Trainer, you too underestimated my medical skills! Since I can repair Duan Huaian's dantian, naturally I can restore him to his original peak cultivation level!"

"Do you think that pill cauldron and medicinal materials are really just not displayed? Why don't you go to see that pill cauldron again!"

After speaking, Lin Qingxuan returned to silence again.

Ye Chen understood, stepped forward and came to the pill cauldron, and instantly found that a red pill was lying quietly in the pill cauldron.

The surface of the pill is smooth, there is no fragrance, but it is extraordinary everywhere.

Could it be that this pill can restore the master to peak state?

Ye Chen opened his five fingers and squeezed it lightly, and the pill appeared in the palm of his hand.

He even found that the pill had a burning sensation. If he had not been prepared for it, he would have burned his palms.

Fortunately, the burning sensation quickly disappeared.

"Apprentice, quickly take this pill to Duan Huaian. Once the effect is over, he will not be able to return to his peak state!"

There was a sudden voice in my ear.

Ye Chen knew the seriousness of the matter and immediately came to the master Duan Huaian:
"Master, take this pill quickly, he can help you restore your strength!"

Duan Huaian naturally had no doubts about Ye Chen's words, and swallowed the pill abruptly. In an instant, a special feeling came from Dantian!

The endless aura seemed to be generated, crashing into the entire Dantian.

Duan Huaian hurriedly ran the Nine Heavens Xuanyang Jue, and told Ye Chen: "Tui'er, I probably understand the effect of this pill. I need to retreat for a few hours, and no one can destroy it, so I'll trouble the practitioner to protect me! "

"it is good!"

Ye Chen stepped out and stood in front of Duan Huaian, his eyes were cold, and he sat down directly.

Just now he used the technique of the God of Medicine, his wastage was too great, both his body and his dantian were almost exhausted, and he recovered a bit now.

There is a mad black tiger guarding outside, and there shouldn't be any major incidents. If there is an accident, it will not be too late for him to make a move.

Once the master returns to the original peak state, whether it is killing the master or other people, it won't be that simple to move them!

...

At this moment, outside the cave, not far away.

An old woman on crutches and a young girl suddenly appeared.

The old woman wrinkled her face, wearing a cloth, looked very simple, but the brilliance of her eyes did not have the feeling of an old man, but there was a trace of coldness and cold blood that shouldn't be there.

The young girl is even more special, with flax-colored hair tied into a ponytail and wearing a peaked cap.

Although the pressure of the peaked cap is very low, it can make people feel her delicate features.

She wore a set of comfortable black sportswear on her lower body, which set off her figure.

A jade pendant was hung around her waist, and three large characters were engraved on the jade pendant.

Qingluanzong.

The girl lifted the peaked cap slightly, revealing a pair of eyes.

The eyes were very arrogant, and there was even a hint of disdain, as if everything could not enter her eyes.

"Master, the cyan beam of light has disappeared, and it looks like it should be nearby."

Granny Hua nodded and glanced at her surroundings: "Ruohuan The cyan beam of light is of extraordinary origin. There must be secrets here. We can't let any possible existence, maybe some gods have come to the world. Maybe."

"Also, be careful of your surroundings. The beam of light is so clear that it is very likely that someone has already arrived first.

Hua Ruohuan nodded: "Master, you and I are here, even if someone gets on the ground first, we won't be able to take this thing by force! With the strength of the master, it is enough to crush this powerful man! Even if the killing is killed. What about the Lord's coming?"

"The value of the words Qingluanzong is enough to make many people who do not live or die feel terrified!"

Granny Hua glanced at Hua Ruohuan and reminded: "Ruohuan, we did not cause trouble when we came out of Qingluanzong this time. Don't forget, you will be participating in the Kunlun Xu's genius battle in a few days. This year, I heard that Ji Siqing may not participate. This is our best opportunity!"

Chapter 812: dead!

"If you win the top three, you will not only get a chance, but you will also become a vigorously cultivated object of the Qingluan Sect. ㄟBo § Luo § Xiao ㄟ said

At that time, your cultivation will be inexhaustible, so before that matter begins, you can't make any mistakes, it's better to be careful. "

Hua Ruohuan was a little uncomfortable with the master's cautiousness, but still said: "Master, if Ji Siqing really doesn't participate, then I will fight for it. The first three may be really hopeful! By the way, she is so strong, why did she suddenly stop participating in this session? Don't you have a chance for nothing?"

Granny Hua tightened her crutches and explained: "I just heard some gossip, that Ji Siqing is arrogant, he is always the number one every time. He should be tired, and the people behind seem to be planning to let her Be one of the referees of this genius battle."

"A player who was supposed to be a contestant has become a referee. I am afraid that Kunlun is the only one who has Ji Siqing. The Ji family is really a smoke from the ancestral grave, and he has given birth to such a beautiful girl."

There was some loss in Hua Ruohuan's eyes, her heart was equally proud, but in the face of an existence like Ji Siqing, she could only look up.

The gap is too obvious.

She didn't want to stay longer on this topic, looked in one direction, and went quickly: "Master, there seems to be someone there!"

...

At the moment, two sisters Wen Shishi and Wen Tingting were wandering anxiously at the entrance of the cave.

They naturally knew the vision inside, and also knew that Ye Chen and the old man were cultivating inside.

Can't be disturbed by anyone.

The key point is that this vision is too dynamic, although it disappears quickly, but if someone pays attention to it, it will still find it.

Wen Shishi glanced at the entrance of the cave and said to Wen Tingting: "Sister, what are you saying about Big Brother Ye doing in there? Why did the moment that green pillar appeared, I felt a sense of fear in my heart."

Wen Tingting shook her head: "Father said that Mr. Ye is not an ordinary person and cannot be judged by common sense. But one thing is certain, we will follow Mr. Ye and it will be absolutely profitable and harmless."

"It's a pity that Mr. Ye couldn't be moved by us that night. Otherwise, if we could have a good time with Mr. Ye, we would be considered to be some destination. This was explained by my father before he left."

Wen Shishi's face turned red when she heard these words, and she thought about something that happened to her and Ye Chen after her sister fell asleep that night.

Just a little bit, she and Ye Chen might be able to completely ignite the flame.

"Sister, if my father really finds us, does it mean that the two of us will be separated from Mr. Ye?"

Wen Tingting sighed and patted her sister on the shoulder. The sisters are of the same heart. She knows this sister better than anyone.

From the very beginning, Ye Chen's appearance moved her sister's heart.

It's a pity that Ye Chen is no ordinary person, and their future achievements are not what they can imagine.

The younger sister will eventually get further and further away from Ye Chen.

The innocence of the younger sister couldn't stop Ye Chen from advancing.

"Poetry, some things depend on fate and cannot be forced. Mr. Ye does not belong to the land of killing, he belongs to the entire Kunlun Xu.

It is an indisputable fact that the two of us may not be worthy of Mr. Ye. "

Wen Shishi heard these words, her eyes were a little hollow, and then she nodded earnestly: "Sister, I understand."

Just as the two sisters comforted each other, an old and a young suddenly appeared in front of them.

It is Granny Hua and Hua Ruohuan.

Hua Ruohuan raised his chin, glanced at sister Hua's cultivation base, and snorted coldly.

The strength of these two people is too small to enter the Holy Realm.

I don't know how to appear in the land of fierce beasts.

She stepped forward, and a cold voice sounded: "Why are you two here, have you noticed that there is a blue light around you rushing into the sky?"

When Wen Shishi and Wen Tingting saw the two people in front of them, they felt a little bit in their hearts. She could feel the terrible strength of these two people!

Far above them!

The key point is that it is definitely not easy for the two to appear here.

Wen Tingting was the most awake, and she glanced at the entrance of the cave. Because of the obstruction of weeds and branches, most people would never notice it without paying attention.

She looked at the two people in front of her and shook her head: "My sister and I are just passing by here and taking a break. As for the cyan beam of light just now, I have indeed seen it, as if it were in the north."

After the words fell, Hua Ruohuan snorted coldly, shaking his body, and came directly to Wen Tingting, "Pop!", showing off his hands.

Without warning, he slapped Wen Tingting's face directly with a slap.

A red palm print appeared on Wen Tingting's face instantly, a blood spilled from the corner of her mouth, and her body stepped back dozens of steps!

"sister!"

Wen Shishi quickly supported her sister, staring at Hua Ruohuan!

She just pulled out the cold sword, but was pressed by Wen Tingting.

A look motioned.

Obviously, Wen Tingting told her not to act!

Because once it is shot, it is dead!

She covered her face and was a little angry, so she could only shout, "Why did you beat me! We have no grievances!"

Hua Ruohuan glanced at her sister Hua condescendingly, and said coldly: "Any ant, I really thought Hua Ruohuan was a fool. We just came from the north. You pointed us in this direction. Why shouldn't you fight!"

"You should be grateful that you still have a little use value, otherwise I am not as simple as a slap, I will directly screw off your ant's head!"

From Hua Ruohuan's point of view, what was the point of killing these two women!

So humble, you shouldn't have lived in the world!

Wen Tingting's face was pale. She never expected that these two people would see through her lie at a glance. She could only gritted her teeth and said: "My lord, we really don't know what the blue beam of light is. I was just afraid that you would hurt us. So! You can also see how our two cultivation bases how dare to deceive adults!"

Hua Ruohuan lowered the peaked cap a few points, and folded his arms around his chest: "Two rubbish, I don't want to listen to your nonsense, I will ask again, where is the blue light beam! If you don't say it, I will make you regret coming to this world. ."

The cold threat sounded.

At this moment, the mother-in-law Hua behind Hua Ruohuan noticed something, and her eyes narrowed slightly: "Ruo Huan, there seems to be a hole over there, why not go and take a look! It's definitely weird!"

Hua Ruohuan followed Granny Hua's sight, and she found a hole. Just as she wanted to step in, Wen Tingting and Wen Shishi offered two long swords!

Block in the hole!

The two looked at each other, and there was a trace of determination in each other's eyes.

"Mr. Ye has helped us so many times, no matter what the price is, we have to drag these two people!"

Hua Ruohuan saw that sister Hua actually stood in front of her, and sneered: "I don't know whether to live or die, but with your **** cultivation base, I dare to stand in front of Hua Ruohuan! Death!"

Chapter 814: Damn it!

Suddenly, Ye Chen's eyes shrank, and he came to Wen Tingting, squatted down, stretched out his hand, and touched Wen Tingting's cheek.

A red palm print is extremely clear.

"Who beat it?"

Ye Chen's voice doesn't have any temperature, but it makes people feel scared.

Wen Tingting glanced at Hua Ruohuan, but did not speak.

"I know."

Ye Chen stood up, his eyes fell on the black tiger king with blood flowing on him again.

The King of Black Tiger wanted to stand up, but he was obviously seriously injured. The injury mainly came from Granny Hua!

It looked at Ye Chen's eyes with a trace of guilt, as if to blame himself for not holding these people with the master.

Ye Chen touched Heihu's head and smiled: "You have done a great job."

"Since I am your master, naturally I also have to protect you."

"The world, only I can hit you, no one else is allowed!"

The indifferent voice suddenly fell, Ye Chen turned around abruptly, and the cold eyes shot at Hua Ruohuan!

"Although I don't know who you are, your behavior makes me very unhappy! Very unhappy!"

At this moment, Hua Ruohuan stared at Ye Chen, a sense of familiarity struck!

She feels like she must have seen this guy somewhere!

must have seen it!

It's just a long time ago, she can't remember!

She no longer thought about it. She pointed at the spirit sword in her hand and sneered: "I thought there was some ruthless character, a trash from the transcendent realm. Looking at the aura on your body, there are still a few steps from entering the holy realm. Talk to me in this tone, who gives you the courage?"

Huaruohuan is condescending!

In her opinion, this kind of waste comes to death!

"Little waste, do you know who I am? I might as well tell you that Qingluanzong is the sect behind me. If you kneel down obediently now, I might give you a job."

Before she finished speaking, she discovered that the figure of the young man suddenly disappeared!

too fast!

You need to know that Ye Chen's life charm and blood dragon power both have a speed bonus!
Plus the anger in my heart!

This speed is far beyond the control of ordinary cultivators.

Hua Ruohuan didn't react until a strong wind hit, she just wanted to cut off the spirit sword,
"pop!", a very crisp voice suddenly sounded!

Ye Chen has come before her!

is even more unscrupulous slap shot!

There was no end to this slap, and Hua Ruohuan slapped Hua Ruohuan on the spot!

She instinctively spit out a mouthful of blood, and her body flew out!

Who would have thought that this kid would not say a word, even his identity was not revealed, so he slapped her directly!

This is too simple and rude!

is completely unreasonable to play cards!

Even the flower mother behind him didn't react!

Until Hua Ruohuan fell to the ground, she was completely awake!

A feeling of anger turned into anger hits, she slapped her palm on the ground, her eyes were bloodshot, and the spirit sword in her hand swept away with a monstrous sword intent!

"I want you to die!"

There was a sharp breaking sound.

The sword light cuts through the sky like a meteor, tearing the world apart!

Very fast!

The violent breath swept everything!

For an instant, Ye Chen only felt cold all over, as if he was plunged into the snow and ice.

The woman in front of him was more terrifying than he thought!

is not only the Holy King Realm!

Ye Chen forcibly suppressed the horror in his heart, how strong this person is!

She shot the people around her aloof, even if it was the mysterious girl in the sky, he still slapped her with this slap!

Seeing the sword intent came, Ye Chen did not dodge, but went to meet the sword intent!

The destiny charms were sacrificed, and the arc lingered around the body, while the power of the blood dragon was concentrated in the palm of your hand!

"Ten thousand swords! Break everything!"

"The unquenchable fire, come!"

, the unquenchable fire was directly attached to the sword body, and the ten thousand swords intent that Ye Chen displayed even carried flames!

is extremely strong!

"bump!"

When the two swords touched, Hua Ruohuan was injured and naturally lost!

Her sword was picked up on the spot!

A domineering wave of air penetrated her internal organs even more!

Her eyes widened: "How is it possible! This kid is obviously a transcendent realm. Did he use secret techniques to deplete his cultivation level and also to injure himself severely?"

She was terrified!

Regardless of everything, she forced a drop of blood, just about to shoot it on the center of her eyebrows, and also activated the secret technique, a cold voice sounded in her ear: "This slap is because of my black!"

"Snapped!"

A palm print arrived, Hua Ruohuan realized something and wanted to stop her, her arm was directly shaken away!

slapped her face fiercely at the same time!

This slap slapped her peaked cap, and the pony tail spread out. At this moment, she was like a crazy woman!

Slap twice!

She has never been insulted like this since she was a child! But at this moment, he was slapped twice by an unknown person!

She might as well die!

Just then, a black shadow rushed out, and a crutch came through the air!

Granny Hua, seeing that something was wrong, finally made a move!

Ye Chen squinted slightly, his injury had not recovered, and coupled with the full blow just now, the real energy of Dantian disappeared!

Now that Granny Hua, such a strong person, is taking a shot against himself, he naturally can't avoid it!

can only carry it abruptly!

"bump!"

The crutches carrying endless waves of air slammed Ye Chen's chest!

Ye Chen was also smashed and flew out, his blood surged, and a blushing blood overflowed from the corner of his mouth.

Seeing that he was about to land, the injured Black Tiger King rushed forward and used his body to slow down the damage of Ye Chen.

Ye Chen and the Black Tiger King landed one after another, and the Black Tiger King's breath weakened a bit.

"Thanks."

Ye Chen swallowed a pill, and just about to stand up, a wave of supreme pressure came!

is from Granny Hua!

The opponent's realm is not the holy king realm! It's not a virtual king state! Not to return to the virtual world! Very likely to be close to the Void King Realm!

The gap is too huge!

The key is that Ye Chen doesn't have too many hole cards on him now, The silver needle of that Lin Qingxuan has not fully recovered!

This kind of pressure is enough to make him collapse!

Who would have thought that such a strong would come here!

"Boy, no matter who you are, you shouldn't hurt my apprentice. She is the one who is going to represent the Qingluanzong in the battle of geniuses. If you hurt her, it will take me a lot of time. In that case, I can only take you Obliterate!"

Granny Flower's old voice resounded!

"Now, you kneel down for me and accept my trial!"

In an instant, endless pressure swallowed Ye Chen, Ye Chen felt like a giant mountain pressed down, it was too **** uncomfortable!

His knees seem to bend!

There was even a sound of bending bones!

He seemed to really kneel down!

"Grass!"

Ye Chen roared, his body veins violent!

He asked Lin Qingxuan to take action, but there was no answer for a long time!

He wanted to activate the evil thing in the middle of his eyebrows, but found that the power of the middle of his eyebrows fell silent.

Chapter 815: How have you been in these 5 years?

Seeing that Ye Chen hadn't knelt down for a long time, Mother Hua looked like a green pine, and her eyes were curious: "This kid is a bit interesting, even if the Saint King realm powerhouse can't bear it under the pressure of me, how can he persist for so long? "

"In that case, I will let you feel what death is!"

At this moment, Hua Ruohuan stood up and said to Granny Hua: "Master, this person let me do it! He slapped me twice, I want him to endure endless pain! I want him to regret coming This world. ↓Bo "Luo "Said little ↓"

Granny Hua glanced at her apprentice and nodded. If she killed this kid easily, it would be simple, but Hua Ruohuan's Dao heart would definitely be affected.

Anyway, he restrained the kid with coercion, so the opponent naturally couldn't resist.

shot by her apprentice, this is the best ending.

Hua Ruohuan held the spirit sword and walked towards Ye Chen step by step.

"Big Brother Ye!" Wen Shishi wanted to rush over, but found that there seemed to be a barrier in front of her, she couldn't break it.

Hua Ruohuan squinted her eyes: "Brother Ye? This little animal has the surname Ye."

Suddenly, a light flashed, and she finally understood why she felt this young man was a little familiar!

He is the root waste of the God of Medicine!

That Kunlun imaginary joke, Ye Chen!

Five years ago, in the Kunlun virtual genius battle, everyone kicked the joke before entering the ring!

At this moment, Hua Ruo laughed: "Ye Chen, I didn't expect that you, Fangen Waste, would have got some chances to enter such a realm! It's incredible! But even so, it can't change the fact that you are waste, you The blood on the body is extremely humble, if it weren't for the use of occult techniques and secret calculations, do you really think it hurt me?"

Ye Chen never thought that the other party actually knew him, could it be that the other party was from China? He raised his head with difficulty and glanced at Hua Ruohuan: "Who are you on earth?"

Hua Ruo laughed: "You don't know me, I know you! Five years ago, I witnessed your feat. You participated in the battle of Kunlun Xu Genius recklessly, and you were kicked off the ring. It looks really ridiculous."

Ye Chen's anger burned when he heard these words, and the black energy in his eyebrows overflowed.

His body is even more straight, like a proud pine!

Never thought that this person was one of those five years ago!

Hua Ruohuan didn't notice Ye Chen's strangeness at all, and continued to laugh: "There is one more thing I forgot to tell you. The man who kicked you off the ring back then is from the Qingluan Sect, and even my junior! Haha !"

"Five years ago, you were humbled like an ant, and a disciple of the medical sect dared to participate, and did not know what to do. Five years later, you fell into my hands. I want to kill you easily!"

"The humble bloodline of waste in your body can never be changed!"

Hua Ruohuan's face is a bit hideous at this moment.

Although she is a woman, she is naturally arrogant and prefers torturing this kind of waste!

In her eyes, this feeling of being in charge of everything is so cool!

A word, as if to uncover Ye Chen's dusty scars, his eyes were red, as if to be enchanted.

He is ferocious, an evil force seems to devour him.

This is the power he desires.

Granny Hua felt something was wrong, and hurriedly urged: "If Huan, kill him directly, go to the cave is the key."

"Yes, master!"

Hua Ruohuan no longer hesitates, the spirit sword in his hand is full of energy!

hacked towards Ye Chen's head!

In her eyes, killing such ants, what the hell!

Does that humble medical sect still dare to trouble Qingluanzong?

"Five years ago, you had Ji Siqing to protect you. Now Ji Siqing is not there, I see who can protect you! Die!"

Seeing that a sword was about to fall on Ye Chen's neck, a breeze rolled.

A faint fragrance overflows the entire space.

A figure came quickly in the distance.

too fast!

I can't see clearly!

The figure is ethereal and agile, and it has a unique momentum on its own.

The whole world is quiet because of that figure.

"ding!" A peerless sword broke through the air!

When touching Hua Ruohuan's sword, countless sword shadows formed.

Hua Ruohuan's sword shattered on the spot!

vulnerable!

At the same time, an extremely powerful breath swept across.

This breath broke the pressure of Granny Hua!

At the same time, Hua Ruohuan's body flew out!

Very powerful and terrifying!

"This sword..."

Hua Ruohuan looked at the thin sword floating in front of Ye Chen, her eyes shrank!

At this moment, a beautiful shadow slowly fell from the sky.

This shadow is unique and independent!

is extremely stunning.

dressed in white, fluttering like a fairy.

His eyes are like a puddle of clear water. When I look forward to it, I have a high-cold temperament, which makes people photographed, embarrassed, and dare not profanity. That cold arrogant agility is like an iceberg.

One look can determine his life and death!

Qianying held the sword that was hanging in the air, and guarded Ye Chen's body. She swept her cold eyes: "I want to protect him, Ji Siqing, you have an opinion!"

The sentence is undoubtedly chilling.

Hua Ruohuan took a few steps back, unable to react at all.

How could Ji Siqing appear here?

How could this Kunlun Xu's beautiful girl appear here!

Is it possible that Ji Siqing has to guard this trash all his life?

Why!

The gap between the two is like a sky, why do you protect it like this!

Ye Chen was also stunned He thought about the countless scenes of meeting Ji Siqing.

may be that genius battle, or it may be a few months later!

But definitely not now!

Looking at the cold girl in front of him, he found that Ji Siqing's cultivation was much stronger than when he left five years ago.

I can't even notice it!

Is this the gap?

Ji Siqing turned around and glanced at Ye Chen. When he saw the wound on Ye Chen's body, there was obviously a trace of anger in his eyes.

Then, she turned around and looked at Hua Ruohuan: "You shouldn't be like this."

The words fell, and the figure floated, Ji Siqing appeared directly in front of Hua Ruohuan!

"Snapped!"

slap indifferently, carrying the mighty power.

Hua Ruohuan's eyes widened, spit out a mouthful of blood, and flew out!

She never thought that Ji Siqing would dare to do it in front of her master!

Why!

After doing all this, Ji Siqing quietly came to Ye Chen's side, showing a smile:

Chapter 816: you misunderstood!

This smile made Ye Chen feel like a spring breeze.

There was even a moment of distraction.

It was completely different from the coldness of fanning Hua Ruohuan just now.

It is a sharp contrast.

Ye Chen slowed down, his injuries recovered a bit, but Dantian's true energy was still not much, he looked at Ji Siqing, but there was a touch of indifference in his eyes.

In the past, he might be a little inferior to Ji Siqing.

And now, he controls the reincarnation cemetery, and one day he will shorten the gap between the two.

It might even make Ji Siqing look up at him.

This is why he is indifferent and unhurried.

Suddenly, Ye Chen's eyes burst into strong self-confidence, and he said: "Not bad, at least not as embarrassed as five years ago. By the way, how is uncle's condition? Ji Lin and Lin Ruhai should be at Ji's house. Right."

Check out this new online game!

Seeing the confidence in Ye Chen's eyes, Ji Siqing squinted slightly, a little confused and surprised.

But I didn't think too much.

This kind of self-confidence is completely different from that of the teenager five years ago.

This is a kind of freedom that is not afraid of everything.

During this period of time, she learned something from Ji Lin about Ye Chen's return, and knew that Ye Chen should have got some chances, otherwise it would be impossible to rescue Ji Lin from the alliance genius.

The change of this guy made her very pleased.

Perhaps this is the reason for her premonition.

Unfortunately, Ye Chen grew up too late.

He only started practicing in his teens, and even now he still only stays in the transcendent state.

Others have practiced for decades, but he only has five or six years.

The time gap is flawed.

Ye Chen's current Transcendent Realm is just average in Kunlun Xu, but if compared with the geniuses of those sects, it is far worse.

Generally not considered.

Not to mention the powerhouse of Hua Ruohuan's level.

She naturally knew Hua Ruohuan, and she also knew that she was from the Qingluan Sect.

But how does that make her unhappy, she will still do it.

Just because the sect behind her is far stronger than Qingluanzong!

Just when Ye Chen and Ji Siqing looked at each other, Hua Ruohuan got up, the blood from the corners of his mouth kept flowing.

Very embarrassed.

Her face became swollen and her beautiful facial features were a little deformed.

She came to the mother-in-law Hua, whimpering with tears, saying every word: "Master, you must be the master for me!"

Although Granny Hua knew that Ji Siqing's identity was special, she couldn't just ignore her disciple's humiliation.

The crutches in her hand tapped the ground lightly, then looked at Ji Siqing, and said, "Ji Siqing, you are my apprentice, is it a bit too much? Or you didn't put the Qingluanzong in your eyes! "

Ji Siqing heard the sound and turned around, smiling no longer.

The chill radiated.

"Passed? Haha, I'm sorry, the little girl never felt it."

"It's you, Granny Hua, you are also the elder of the Qingluan Sect at any rate. You are so powerful that you and your apprentice are embarrassing a transcendental junior. If you don't feel ashamed, I will be ashamed for you!"

"It's ugly, you two have lost the face of Qingluanzong!"

The cold voice resounded!

Granny Hua and Hua Ruohuan never thought that Ji Siqing would dare to speak like this!

No face at all.

It's an insult without fear!

Granny Hua's face is ugly, and the killing intent is released: "Ji Siqing! Bold! Don't think you are the daughter of Kunlun Xutian, I dare not touch you! There is no outsider here. If I kill you, who will Can know."

Threat!

The threat of the strong!

Ye Chen naturally felt Granny Hua's killing intent, and his anger was filled, and the evil thing in his eyebrows became more and more abnormal.

If Ji Siqing didn't show up just now, he might be able to fall into the trap.

By then, this might be the dead woman and Hua Ruohuan.

Ji Siqing seemed to have saved himself, but in fact he saved these two people!

At this moment, Ji Siqing turned a deaf ear to the threat of Granny Hua. The rapier in his hand pointed directly at Granny Hua and said lightly: "Mother Hua, are you sure you can kill me? Although you are a bit stronger than me, but don't forget, There is a blood of my master in my eyebrows."

"If I sacrifice this drop of blood, do you think you can stand still?"

"In my eyes, if I want to kill you, what about Sect Master Qingluan here!"

"It's a pity that you two horrible lives, I look down on Ji Siqing, let alone use Master's power to kill you!"

Fate! Disdain! These two words were just spit out by Ji Siqing at will.

Touched the bottom line of the two!

Hua Ruohuan is desperate!

She knew that Ji Siqing was very strong, but she didn't know how crazy it was!

She spit out a mouthful of blood and said coldly: "Ji Siqing, you really think you can control everything!"

"Otherwise." Ji Si said lightly.

"Master, do you really watch it? Ji Siqing actually insulted us so much!"

Hua Ruohuan quickly said when seeing mother-in-law Hua stayed still for a long time.

But at the moment, Granny Hua stared closely at Ji Siqing's eyebrows, a touch of fear spread.

Ji Siqing was very fond of that master, and it is very possible that the one who gave her a drop of blood!

If Ji Siqing did it, they would definitely die!

"let's go!"

Granny Hua made up her mind and said.

Hua Ruohuan opened her eyes wide, just about to say something, but found that the master gave her a fierce look.

"Don't talk nonsense, listen as a teacher!"

Hua Ruohuan stomped her foot and moved forward unhappy.

Today's insult is destined to become her shadow.

When Ji Siqing saw the two people leave, he did not stop him.

If she really talks about her strength, she is not an opponent of Granny Hua, so this is the best choice to force them back.

Just as the two were more than ten meters away, a cold voice sounded from behind Ji Siqing: "Did I let you go!"

Ji Siqing was startled, and turned around in surprise, only to find that Ye Chen's red bloodthirsty eyes were staring at the two who left.

Granny Hua and Hua Ruohuan stopped.

"Boy, don't think that Ji Siqing is behind you, I dare not move you!"

Granny Hua said coldly.

She guessed that Ye Chen was just an arrogant generation of foxes.

act recklessly!

Without Ji Siqing, he might have died long ago!

Ji Siqing glanced at Ye Chen and said, "Ye Chen, don't make trouble."

Ye Chen smiled and passed by Ji Siqing. After walking a few steps, his steps stopped: "Today's things are not over. If I guessed correctly, then the Kunlun virtual genius ratio, you should participate."

Granny Hua didn't know Ye Chen's intentions, but she still said, "My Qingluanzong is destined to take the top three spots, brat, what do you mean! Do you want to challenge our Qingluanzong?"

Ye Chen smiled, pinched his fingers and formed a rune!

The rune was suspended in the air, and Ye Chen forced a drop of blood and shot it on the rune: "Since you are going to participate, you dare to swear with my blood, in the battle of genius, there will be another ring, the battle of life and death, to resolve You and me!"

Ji Siqing frowned, and said to Ye Chen, "Ye Chen, are you sure? That Hua Ruohuan is several levels higher than you."

Ye Chen gave Ji Siqing a confident look, and Ji Siqing stopped talking.

Hua Ruohuan heard Ye Chen's ridiculous and self-defeating request She laughed!

If the battle of life and death is in full view, Ji Siqing will not be able to stop it!

At that time, she can torture Ye Chen as she wants!

She stepped forward and said: "Ye Chen, since you are looking for death, I will take this battle!"

After speaking, Hua Ruohuan was ready to force the blood on the rune.

At this moment, Ye Chen unexpectedly stopped and said, "Wait a minute!"

Hua Ruohuan frowned: "Ye Chen, are you going to regret it?"

Ye Chen shook his head, stretched out a finger, and suddenly pointed at Granny Hua!

A cold sentence blasted in everyone's minds like a nine-day profound thunder: "Sorry, it is not you that I want to challenge, but the old woman behind you!"

Chapter 817: So do it yourself!

At this moment, everyone is a little bit too slow.

Quiet to the extreme for a while.

Even Ji Siqing opened his mouth slightly, and his beautiful eyes without a trace of emotion were all confused and surprised.

She didn't believe that this sentence came from Ye Chen's mouth.

Challenge Granny Flower?

What kind of strength is Granny Hua, even she must be jealous, otherwise she wouldn't be able to let them go.

But now Ye Chen wants to challenge each other recklessly?

Isn't this ruining your own future?

At that critical moment, it was impossible for her to help.

She wanted to see Ye Chen through, but found that Ye Chen didn't look like a joke.

On the contrary, very serious.

"Ye Chen, Granny Hua's strength may be able to kill you with a single finger. Take it back. They dare not pursue it with me."

"If you challenge Hua Ruohuan, I might still agree."

Ji Siqing thought for a few seconds before persuading.

Ye Chen shook his head, his eyes were very firm, he stared at Granny Hua, and continued: "Old lady, are you willing to accept the challenge? If you are afraid, when I didn't say it."

Although he wanted to keep the two of them now, he knew very well that he had damaged too much because of repairing Duan Huaian's dantian.

Only when it returns to its peak state, the silver needle should cool down.

It would not be too difficult for Lin Qingxuan's inheritance to master the path of God of Medicine, break through the constraints of realm, and kill Granny Hua.

At this moment, Hua Ruohuan felt that he had been inexplicably insulted!

Shouldn't this little beast let her accept the challenge? Instead, challenge the master?

This is nothing to look down on her!

Did this kid forget the scene when he was kicked off the ring by the Qingluanzong disciple?

She stepped forward and said to Granny Hua: "Master, this little beast can't help it, leave it to me!"

After that, he turned his head and said to Ye Chen: "Ye Chen, five years ago, my disciple of the Qingluan Sect could humiliate you in front of everyone. Five years later, I can still do what Hua Ruohuan is! You can challenge my master. In my eyes, you are an ant. I will let you kill you with one hand! If you have the ability, challenge me!"

Ye Chen replied: "You are not worthy to do it with me, but if you show up that day, I will personally send you on the road."

"you!"

Hua Ruohuan's eyes widened, Ji Siqing insulted her, she admitted! Because the other party has this qualification!

But she never thought that this **** even dared to speak wild words!

Not worthy?

ridiculous!

Her murderous intent was released. Just when she wanted to speak, the mother-in-law Hua behind her spoke: "Well, since you insist on doing this, boy, I will do you well, but I don't want to get a reputation for being bullied. Make three moves. If you can stand within the three moves, it means I lose."

The words fell, Granny Hua shot a drop of blood!

The blood falls on the rune, and the rune burns completely!

From then on, once one party violated it, Dao Xin would be damaged, and he would not be able to make a leap in the cultivation realm for a lifetime.

In the eyes of Granny Hua, Ye Chen was just a young man who knew nothing about life and death.

If you want to kill him, one move is enough.

But in order to prevent accidents from happening, she still said three tricks.

"Ruohuan, let's go."

Granny Hua went in one direction.

"Master, how can you promise him, what status are you, the elder of the Qingluanzong, he is a transcendental trash, what qualifications is there to challenge you!"

Hua Ruohuan was obviously a little excited, she didn't understand why Master agreed to Ye Chen's challenge!

"Since you have decided to be a teacher, you don't need to talk nonsense. If I hear you say more, I will expel you from the Qingluanzong."

Granny Hua said coldly.

Hearing these words, Hua Ruohuan stopped talking, glanced at Ye Chen fiercely, and followed directly!

No matter what, this waste is dead!

It's just that the master makes his death more valuable!

When the two left, Ji Siqing sighed: "Ye Chen, why are you doing this again."

It was a foregone conclusion, she could not stop it.

She was a little disappointed with Ye Chen.

Even a little angry!

Although Ye Chen gave her a hint of surprise, her mood was still like this, paranoid and arrogant.

The strength is not equal to his arrogance, this kind of person, she can save it once, but can't save it a second time.

"Your entry into the cultivation world is still too short. You don't know many things. Even if you are growing fast, don't forget what strength you are now. The gap between you and Granny Hua is too great. In this battle, you must lose."

"You are an adult. Adults have the right to make their own decisions. I can't help you. You have to bear some consequences yourself."

This is the one that Ji Siqing has said the most.

Lamenting its misfortune, anger is indisputable.

Ye Chen naturally understood the meaning of Ji Siqing's words, which would be the case for anyone.

He just wanted to explain something, just at this moment, a young girl hurried over in the distance.

"Sister Siqing, I finally found you, you ran too fast! I asked a few people just now I roughly inquired about the whereabouts of that person! It is very likely to be in the land of killing!"

The person here is Ji He!

When Ji He saw Ji Siqing, Ye Chen and the others, he was slightly startled. For some reason, her eyes fell on Ye Chen subconsciously.

For a moment, she felt that the temperament of this man was very similar to Ye Jitian of Yi Baoge!

But when I changed my mind, I realized that this man was Ye Chen that Ji Siqing had been protecting.

I didn't expect to see it here.

Ji Siqing nodded: "In that case, let's go to the Land of Killing. Anyway, the vision has disappeared. I'm afraid those great powers have also left."

"Okay, Sister Siqing, let's go then"

The two of them didn't bother Ye Chen either, and instantly went in the opposite direction.

Ji Siqing took a few steps, thinking of something, stopped, and took out a jade pendant from his waist! I thought of Ye Chen directly!

Ye Chen took five fingers and instantly held the jade pendant in his palm.

At the same time, an indifferent voice sounded: "Ye Chen, you don't have much time. This jade pendant contains a lot of spiritual energy and opportunities. You can try to practice this few days, and maybe you can withstand the three tricks of Granny Hua by then. Good for yourself! "

Although the voice was cold, everyone present could feel a trace of concern.

Ji He looked at that jade pendant, but his eyes widened. This jade pendant is a personal thing for Siqing sister!

How many years have been with sister Siqing in her practice!

The key is that this jade was given to her by the master!

But Sister Siqing gave such an important thing to Ye Chen casually?

Just about what she was about to say, Ji Si took a look at Ji He and said, "The time left for us is running out, hurry up!"

"Yes, Sister Siqing..."

Ye Chen watched Ji Siqing leave and shook his head helplessly.

This girl is this character.

Chapter 818: No grievances and no grudges!

Ji Siqing has always been like an iceberg that people dare not approach.

The surface is cold, but in fact it is kind.

He glanced at the jade pendant in his hand and squeezed it lightly, and he felt endless spiritual energy pouring into his dantian.

It's almost like the last small dragon vein!

"this is....."

Ye Chen thought this thing was an ordinary spirit stone, but he didn't expect it to be so precious!

"Tui'er, this stone is named Jiu Xuanshi. Looking at Kunlun Xu, it is also a very valuable existence. In the ancient times, as far as I know, this stone is only ten. It is a pity that your Nine Xuanshi is incomplete. , Maybe it can trigger several tombstones in the reincarnation cemetery."

Lin Qingxuan's voice suddenly came.

Ye Chen was startled and curious: "Master, do you mean that these nine profound stones can stimulate the power of the reincarnation cemetery?"

Lin Qingxuan nodded: "Yes, the woman is willing to give this kind of treasure to others easily. As for mobilizing power, this broken Nine Profound Stone in your hand should be able to mobilize a not too strong antiquity. Mighty!"

Not too strong?

Ye Chen didn't care too much about these four words!

It may not be strong for Lin Qingxuan, but for the many practitioners and sects of Kunlun Xu, it is absolutely fear!

No longer hesitating, Ye Chen put away the things Ji Siqing gave.

He even took out some medicinal materials, crushed them thoroughly, and then came to the king of the black tiger and applied the medicinal materials to the wound on the black tiger.

"Xiao Hei, bear with me, it may hurt!"

The black tiger king nodded and issued a soft tiger roar.

As soon as the medicinal materials touched, the king of the black tiger instantly became fierce and his body shook!

Fortunately, Ye Chen moved very quickly, and soon applied medicinal materials to Xiao Hei's wound.

At the same time, he took out a bottle of pill and fed it to Xiao Hei in a brainy manner.

This was originally a pill taken by the cultivator, and it worked on the fierce beast and required a larger dose.

This bottle should restore Xiao Hei a bit.

With a powerful aura rippling, Xiao Hei silently came to the corner, and his body smashed into the mountain, which should release the medicinal effects in his body.

After doing all this, Ye Chen treated the two sisters again.

It should be fine.

What we need to do now is to wait for the master to completely swallow the pill and restore her strength.

I just don't know how long it will take.

Suddenly, a vision came from the cave!

A strong breath of breakthrough is directly formed!

At the same time, the dark clouds billowing over the cave condensed, and the terrifying thunder tribulation slammed down!

Ye Chen's eyes shrank and he was surprised to the extreme!

As long as the master can withstand these thunder tribulations, he will be able to return to his former peak period!

But this Thunder Tribulation was extremely shocked, and there was a sense of depression in the air!

Can the master really take it?

Ye Chen was a little worried.

"Boom!"

Almost ten thousand lightning bolts penetrated the mountain and headed towards the cave.

The fierce beasts within a radius of ten miles are also going violently everywhere.

The King of Black Tiger was obviously also afraid, and he hurriedly came to Ye Chen's side, and his huge body was close to each other.

The Wen sisters also approached Ye Chen subconsciously.

For them, being close to Ye Chen means safety.

At this moment, Ji Siqing and Ji He who came to the Land of Slaughter obviously also noticed the vision behind them.

Ji Siqing frowned: "This breakthrough breath, at least in the Void King Realm! Could it be Granny Hua?"

"Forget it, someone else's breakthrough has nothing to do with me. You must find Ye Jitian immediately."

The two entered the city gate, only to find that no one was guarding the gate of the Slaughter City!

It also seemed to be a dead city inside.

Ji Siqing's expression became more and more suspicious: "I heard that this land of killing is controlled by the killer behind it. It is so solid. Why does it seem to me to be an abandoned city?"

"Ji He, are you sure Ye Xitian is here?"

Ji He nodded: "I met a person who had just come out of the Killing Land. The person said that Ye Jitian actually returned inside in front of the Killer, and even more restlessly caused the Killing Land's chickens and dogs, and the Killer was furious. Order the whole city to search!"

Ji Siqing had some doubts, but still said: "No matter what, I will find a few people to ask first, this dead city is not that simple."

At this moment, a bearded man hurriedly walked outside with his suitcase on his back, passing by Ji Siqing and others.

"stop!"

The bearded man was startled, stopped, and instantly found a sword pointed at his back.

At the same time, an invisible coercion poured down on him.

He hurriedly said: "The two of me have no grievances with you, there is no need to do this."

"Where is Ye Xitian?" Ji Siqing said coldly.

The people in the Slaughter Land are not good people, and the man is so full of blood that he must have killed many people.

For this kind of person, Ji Siqing would not have the slightest pity.

When the bearded man heard the words Ye Sutian, his body trembled for a few minutes, and then he said: "Two aunts, how could I know where Ye Sutian is! But yesterday, the killer seal could not be found in the whole city. Ye Jitian, not long ago, the killer took everyone and left in a hurry. If I didn't guess wrong, I must have gone after Ye Jitian!"

Ji Siqing squinted his eyes slightly The other party naturally cannot lie.

Ji He suddenly thought of something and asked: "According to his statement, Ye Jitian should be outside, Sister Siqing, do you think the breath that broke through just now is Ye Jitian? Is it possible for Ye Jitian to step into the void? King Realm..."

Hearing this sentence, Ji Siqing was a little surprised! According to Ye Jitian's strength, it is possible!

If this is the case, then Ye Jitian may be in danger!

"Go! Go to the direction of the thunder robbery!"

The two figures disappeared instantly.

...

At the moment, Ye Chen at the entrance of the cave had a serious look.

His spiritual sense felt the darkness around him.

someone is coming.

If he guessed right, it should be the guys in the killing land.

First the cyan light beam, then the breakthrough vision, if this group of people can't notice here, then they can laugh.

He wanted to leave, but unfortunately, there was no chance.

The master has not yet broken through.

If you are disturbed, you will definitely suffer backlash!

Abandon all previous achievements! Even life threatening!

Fortunately, Ji Siqing has already left, otherwise this incident may also drag her down.

Ye Chen thought of something, looked at the two sisters Wen Shishi and Wen Tingting, and said directly: "The situation has changed, you leave immediately. Xiao Hei will take you out of here, maybe you can still meet your father."

Wen Shishi saw that Ye Chen was about to drive them away, so naturally she knew what was going on. She shook her head repeatedly: "Mr. Ye, I won't go! No matter what, I am willing to die with Mr. Ye!"

Ye Chen smiled: "It is enough to have you, but if you think too much, I am not that easy to die, but your presence will inevitably affect my performance, and even make those guys threaten me. The old lady just now was The best example."

Chapter 819: procrastination!

"Xiao Hei, take them away!"

Under Ye Chen's orders, Xiao Hei rushed over in an instant, lying on his stomach, apparently letting the two sisters come up.

Although it wants to help Ye Chen, it also knows that it is useless to leave it in its current state, but it will drag its owner.

Wen Shishi still hesitated. Just about to say something, Wen Tingting slammed a hand knife on Wen Shishi's neck, and the latter fainted instantly.

Wen Tingting put her sister on Xiao Hei's body, and then climbed up!

She is more sober than anyone else, her younger sister's personality is too simple, but at the moment regarding life and death, the most important thing is not to trouble Mr. Ye.

"Mr. Ye, for the love these days, our two sisters will be grateful for the rest of our lives. When we meet our father and settle down, we will come to Mr. Ye again!

Ye Chen nodded, and glanced at Xiao Hei, Xiao Hei understood that that huge body moved, turned into a gust of wind, and went in one direction.

At this time, only Ye Chen was left to guard the cave.

He smiled coldly, took out Ye Xitian's mask from the reincarnation cemetery and put it on.

Zhanlongwentian sword inserted in front of him, killing intent to the sky.

At the same time, the blood dragon poured out from the body, coiling around the body.

is extremely deterrent.

What he has to do is delay time. Once the master Duan Huaian returns to the peak, it is definitely not a problem for the two of them to make a **** path!

Not only that, he even took out a chair from the reincarnation cemetery and sat down directly.

lit a cigarette and waited slowly.

is very leisurely.

He is naturally not afraid. If he is really lost, he will use the nine profound stones that Ji Siqing has just given him to inspire a great power!

Ten seconds later, the army was crushed.

A dense crowd appeared.

The breath is extremely terrifying, and blood is spreading across everyone's body.

The two people headed by are the two one-eyed guardians around the killer!

When everyone present saw Ye Jitian, their eyes shrank and their steps stopped!

dare not take one step closer!

After all, Ye Jitian's nightmare still exists in everyone's hearts!

More importantly, at this moment Ye Xitian was sitting alone, smoking a cigarette calmly!

is like being fearless!

After ten seconds of silence, one of the one-eyed guardians stepped out and said coldly: "Ye Jitian, the killer will be there soon! I advise you to catch it quickly!"

Originally, the killer came with them, but not long ago, the killer suddenly felt a strong presence nearby!

The killer suspected that it was Ye Xitian, so he led people to chase him.

The strong breath is naturally the flower mother of Qingluanzong.

and a few of them surround the land of thunder robbery!

Never let go of any possibility!

One of the law protectors even used a secret method to notify the killer. It is estimated that it will not be long before the killer will come in person!

"Ye Jitian, who really broke through in the cave!"

One-eyed Protector said coldly.

This breakthrough vision is absolutely terrifying!

It was Ye Jitian who broke through outside of his original, but he did not expect that there was someone else!

He will not even think of Duan Huaian!

After all, Duan Huaian is a person without a public field, how could it cause Lei Jie!

Ye Chen raised Erlang's legs, pinched out the cigarette in his hand, and stood up.

This stop alone caused everyone to step back!

Even the hands of the one-eyed law protector trembled, very frightened.

Ye Chen wanted this effect, he smiled: "You are so afraid of what I am doing, I am not a heinous person."

Hearing these words, everyone couldn't help but want to spit out a mouthful of old blood!

The entire Kunlun Xu, you can't move the door and slaughter the strong. If you are not inexorable, the entire Kunlun Xu is probably a great person.

Could you please point your face!

But this sentence, they only dare to think about it in their hearts, naturally it is impossible to say it!

"Ye Jitian, I persuade you to catch it, no matter how strong you are, it will not be easy to break the strongest blow of hundreds of strong people!"

"Moreover, the killing power is so powerful that once it appears, you are absolutely qualified to crush you!"

Ye Chen opened his five fingers, Zhanlongwentian Sword was directly held by him, and the blood dragon of his body went to the sky!

The sound of dragon chant brings a few shocks!

Those two one-eyed law protectors and everyone stepped back again!

No one dares to come near!

This is Ye Jitian's deterrence!

"Let's do it together and surround Ye Jitian! If you take down Ye Jitian before the killer arrives, there is no chance!"

One of the one-eyed guardians!

But despite saying that, nobody moved!

The one-eyed law protector saw that his words were useless at all, and his face couldn't hold back!
Draws a sword and slashes directly on the powerhouses around him.

instantly turned into blood mist!

"If anyone doesn't move anymore, there is only death! Ye Jitian is only one person. We are hundreds of strong men, what is there to be afraid of! Do it!"

Maybe because the law protector suddenly shot, those people still slowly walked towards Ye Chen.

Ye Chen narrowed his eyes and snorted coldly: "Who dares to take another step, cut!"

"Ten thousand swords return to the clan!"

Following Ye Chen's long howl, the Nine Heavens Xuan Yang within his body suddenly exploded. Ye Chen only felt that the true energy of the whole body was no longer under control, like a wild horse galloping out.

Only for a moment, Ye Chen seemed to turn into a demon.

Cut out with one sword!

Ten Thousand Swords Returning to the Sect in conjunction with the Dragon Slashing Question Heaven Sword is enough to shock everyone!

The unquenchable fire between the eyebrows is completely released!

The air wave rolled, the roar exploded, and the flames instantly swept across the entire world.

Wow...

In the heat wave rolling, under the roar, a dozen people close to Ye Chen were swallowed on the spot!

Amidst sword spirit and fiery fire there is a moan of pain!

Such a blow almost consumed all the power Ye Chen could display!

Because he felt that the master's breakthrough has come to an end!

As long as these people are held, it is an opportunity!

This time, no one dared to move!

The two one-eyed law protectors looked at each other, and they felt Ye Chen's weakness.

no longer hesitated, his body turned into an afterimage and swept away.

Two cold murderous intentions instantly wrapped Ye Chen!

"Ye Jitian, I want to see what you can do!"

Ye Chen squinted his eyes slightly, feeling the crisis, swallowing a bottle of Qi Gathering Pill, Zhanlongwentian Sword shot out fiercely!

Chapter 820: What is Duan Huaian!

"kill!"

With a long roar, Ye Chen's figure suddenly disappeared in place.

boom.....

The powerful air wave rolled.

The nine-day Xuanyang in his body was revolving, and the energy in his dantian erupted like a volcano. In an instant, Ye Chen's aura soared to a shocking level.

Ye Chen's momentum is like lightning.

"Looking for death, broken sword!"

With a long roar, at the moment when Ye Chen's pinnacle swept down, the one-eyed law protector shook his wrist, and the sword shot to the sky!

Om...

A glimmer of blue light bursts directly into the sky.

Ding.....

Before Ye Chen's peak fell, Jian Feng, the one-eyed law protector, resisted Ye Chen's swift blow!

boom.....

The violent impact was deafening.

Collect hundreds of warriors! Play free!

A substantial wave of air swept all around.

With Ye Chen and the one-eyed guardian as his heart, within a radius of more than ten meters, the mountains and rivers are changing color, the vegetation is flying, and the sword is in full swing!

"Get out of here!"

The two long swords stood in a stalemate for a moment, and the one-eyed guardian suddenly shouted!

Another burst of energy inside the body.

Pedal...

Under this energy shock, Ye Chen and the one-eyed guardian simultaneously retreated toward the rear.

"Sure enough!"

With six or seven steps, Ye Chen's pupils faintly shrank.

The power of the blood dragon and the blow of the Dragon Slashing Wentian Sword were actually blocked by Shengsheng.

With this one move alone, we can see the extraordinary of this one-eyed law protector.

The key difference between the two is too big! Plus I was injured!

"Ye Jitian, I wonder one thing, why your strength always rises and falls? Could it be that you have some secret technique in your body!"

"With your current strength, I seem to be able to kill you easily. The gap is like Haoyue and Huangsha!"

The one-eyed law protector said coldly.

"Want to kill me? Not enough! The gap between you and me is like Haoyue and Huangsha? I want to see how wide the sky is! Today, I stepped on that sky and cut you off the dust! "

Taking a deep breath, Ye Chen's expression became serious.

He shouted loudly as the cold light flickered in his eyes.

A drop of blood was forced out, and the breath shot instantly!

The body overflowed with countless thunder and lightning, and a sword was opened, and the blood dragon also merged into the sword intent and poured out directly, as if it could swallow everything.

The one-eyed law protector did not dare to take it lightly, pinching his fingers, using a secret method!

The sword in his hand broke free from his arm, and instantly moved towards Ye Chen!

Two swords collide! The sound of ground shaking resounded!

Ye Chen is obviously lost!

The hand holding Zhanlongwentian Sword was constantly trembling. Once he let go, the consequences would be disastrous!

Suddenly, Ye Chen found that a violent murderous intent swept behind him!

too fast!

It's another protector!

Not only that, the hundreds of strong men also felt Ye Sutian's fall and fatigue, knowing that this was their best chance to kill Ye Sutian!

Everyone is surging!

At this moment, Ye Chen has to face hundreds of powerful people alone!

Any one is above the holy realm!

how to spell!

Ye Chen's eyes were full of madness, and he broke the Nine Profound Stones directly!

The reincarnation cemetery shook instantly.

At the same time, he found that the thunder robbery above the sky had disappeared!

The mountain behind him seemed to collapse!

Master Duan Huaian is out!

Seeing everyone is approaching, countless sword intents are like giant beasts devouring Ye Chen, and the cave bursts open instantly!

In the deadly dull atmosphere, bursts of crazy roars continued to bloom.

A whirlwind, like a continuous world, like a demon roar.

Suddenly, layer upon layer of air waves erupted from the inside out, like a volcanic eruption! This burst of energy directly caused the crumbling mountain to completely collapse.

In that terrifying whirlwind, rays of light wafted out toward the surroundings, and finally turned into particles and disappeared between the heaven and the earth.

"Puff....."

Vaguely, I saw a figure in the whirlwind, spouting a mouthful of blood, which was directly shocked by the wave of air.

It was a one-eyed law protector who wanted to plot Ye Chen!

Looking at the figure flying upside down, the guardian who was stalemated with Ye Chen's expression changed.

how is this possible!

There are such strong people!

Is this above the Void King Realm?

There are people behind Ye Sitian!

Just when he was puzzled, a hearty laugh suddenly resounded: "Apprentice, leave it to the master next!"

"It's just right. I'm back to my peak state. I haven't stepped into the martial arts for a long time. I should kill some people and try, otherwise, I am afraid that the entire Kunlun Xu has forgotten the shock of my Duan Huaian once above the martial arts!"

It was Duan Huaian who spoke!

Duan Huaian glanced at everyone with cold eyes, his aura was floating, as if a goddess came to the world!

The guardian who was deadlocked with Ye Chen was stunned!

The expression is even more frightening!

And the hundreds of powerhouses behind him were motionless!

That peerless strong man who suffered thunder tribulation can be anyone, but it shouldn't be Duan Huaian!

Isn't this guy's dantian abandoned?

If you have such strength, how could Hong Tao be so despised?

At this moment, Duan Huaian had already come to Ye Chen's side.

Ye Chen naturally understood that the power was released, and the guardian was retreated, and at the same time, his body steadily fell to the ground.

He has done what he can do, and bought enough time for the master!

Although I don't know what realm the master has recovered to, from the aura just now, everything in front of me is enough to shock!

Even facing the killer, he won't be embarrassed!

The law protector finally reacted, and quickly said: "Everyone will do it together, first kill Duan Huaian, and then take down Ye Sutian!"

Before he finished speaking, a figure suddenly shot out.

The speed is so fast that it is even hard to see!

With the appearance of Duan Huaian, a powerful momentum erupted!

Then, the dazzling golden light shot, and the palmprint condensed from a rune in the void suddenly blasted down.

When the guardian saw this scene, he was a little frightened, but he couldn't take care of everything, and a sword went towards the palm print!

One move!

It was just a confrontation, and the seemingly invincible guardian was directly shot out, one arm, completely burst.

Then, a powerful wave of air rolled, and the strong who approached the law guard flew out!

This is the posture of the strong!

Duan Huaian, who was strong in martial arts decades ago, is back again!

Until the body slammed heavily on the ground, the guardian hadn't reacted yet!

He didn't even think that Duan Huaian was like a different person!

The pain of a torn arm makes him more and more sober!

Combining with everything in front of me, it suddenly came to a sudden, and he exclaimed: "You...you have recovered your strength!"

Duan Huaian sneered: "That's right, but you know it's too late!"

After the words fell, Duan Huaian's momentum suddenly soared.

Horror to the extreme!

Om...

The whole body's zhenqi exploded, and a blast of zhenqi poured into the long sword in his hand, the sword body vibrated, and the sword sounded harshly.

"Today I will show you what Duan Huaian is!"

But between the electric light and flint, the sword smashed across the world, and the giant beast transformed into endless flames slammed down!
