

Urban Medical 821

Chapter 821: ally!

Om...

Everything creeps, the world changes color.

A powerful sword burst out, sword aura.

"This... a powerful sword!"

"This section of Huai'an is so terrifying!"

Feeling the sword aura, many people's eyes widened.

Some even started to run around!

The protector felt something was wrong, and quickly slapped it on the ground, preparing to leave with the secret method!

"Want to go, have you asked me!"

"dead!!"

Duan Huaian shouted loudly.

Pedal...

There was wind under his feet, and Duan Huaian turned into a violent wind, falling from the sky.

"A hundred swords shake mountains and rivers!"

A long scream!

Tear...

The terrifying sword aura spread, and the powerful sword power permeated.

There was a dull tearing sound, and the world seemed to be completely torn apart.

The air was twisted and shattered as the sword edge passed by, visible to the naked eye.

Supported by his powerful sword power, the sword technique that Duan Huai'an has shown now has the aura of evasiveness!

"Be careful! This sword is very strong!"

"Everyone back away!"

"stop!"

Duan Huaian rushed towards the crowd with the momentum of thunder, and did not give them a chance to breathe.

Seeing such a scene, the people in Slaughter Land suddenly became anxious.

The exclamation sounds one after another!

boom.....

However, they have no right to resist at all!

A roar exploded, the air wave rolled, and the sky was full of sword energy!

Om...

But see, in the midst of a scream, the guardian who was about to escape turned into a **** mist on the spot!

"Wow!"

The sword intent is overwhelming, and Duan Huaian's old body is like carrying the stars, crushing everything in the world! Duan Huaian at this moment is like a **** and demon coming! Everyone, was completely suppressed!

One second!

Ten seconds!

Twenty seconds!

The world fell into silence and panic.

The thick blood continued to overflow.

Duan Huaian's body fell steadily, his eyes extremely cold.

And everything around him, hundreds of people all fell!

The land under your feet is like a river of blood, shocking!

Who would have thought that the head of the abolished medical **** sect had such power to crush everything!

After a few breaths, Duan Huaian's mouth showed a smile.

Of course, the medical gods are all in the world, but it does not mean that the medical gods can only be bullied!

Some people should be killed if they are not allowed to stay!

He challenged to breathe, looking at Ye Chen not far away: "Trainer, how?"

Ye Chen was completely stunned!

From the mouth of the ancestor of Qingxuanfeng, he knew that the master Duan Huaian used to be extremely powerful in Kunlun Xu's martial arts.

If the dantian is not abolished, I am afraid it would have become one of the top powerhouses of Kunlun Xu!

The medical gods will not decline!

But he was completely shocked by the picture before him!

This is the old man he knew?

This is too **** horrible.

He believed it was the bloodthirsty demon!

Looking at the surrounding blood sea, Ye Chen swallowed, and replied: "Master, what realm are you now?"

Duan Huaian wiped the blood on the sword body, and spoke quite arrogantly: "Tui'er, the realm of the teacher is probably above the virtual king realm, but the realm and sword intent are not stable, just a few blows, The body is not too adapted."

"Although I have entered the Void King Realm, my realm and strength are nothing in the eyes of some people in Kunlun Xu. If I face the killer and the other strong people, I can only do not embarrassed, but I want to kill. so easy."

"I can feel a few strong killing air now, if I guess right, one of them is the killer"

"To be on the safe side, let's go back to Qingxuanfeng first. I left something there. With that kind of thing, at least I can improve my realm!"

"In the past few years, because I can't use my dantian and get involved in martial arts, I have studied some things a bit. As long as I give me time, what is the matter of the virtual king realm, I can cross the Daoyuan realm! When the time comes, I will decide Bring you back to cut weeds and roots!"

Ye Chen nodded with solemn eyes, "Okay!"

Afterwards, the two quickly swept in one direction.

After the two left for a minute, dozens of figures fell instantly.

One of the middle-aged men was the killer.

The killer and the strong behind him all fell together, and when they saw the scene of blood flowing into a river, their eyes shrank.

It's even incredible!

"Kill the Lord, this...our people are actually dead! Isn't Ye Jiu innocent to be at odds with us!"

An old man said coldly.

Killing Master squinted his eyes slightly, his eyes look more serious than ever.

He was furious, but so what!

He closed his eyes, feeling everything around him, suddenly, his eyes opened!

The violent breath spreads from the soles of the feet!

The ground shook!

"It's not Ye Sutian! It's someone else! And this person is extremely strong! It's likely to be stronger than Ye Sutian!"

Hearing these words, the old man was startled, his eyes widened: "Could the rumors be true? Ye Jitian is from the hidden family? It was the people behind him who shot?"

"Kill the Lord, should we send someone to chase it!"

Kill Master's fist clenched, solemn to the extreme!

"You don't need to chase, we don't know how many people are so strong. Even if we chase, more people will fall! The most important thing at the moment is to investigate the true origin of Ye Sutian!"

"The biggest breakthrough was that Duan Huaian. Ye Xitian rescued Duan Huaian. Maybe it had something to do with the God of Medicine, otherwise everything doesn't make sense."

"Zhou Yan, you send someone to Daozong. I heard that Daozong has been chasing and killing the God of Medicine and Ye Jitian. What we need now is allies."

The old man's expression was a little weird, after all, the killer had never looked for an allies but this time it was for Ye Jitian's thing to compromise?

"Yes, kill the master! I'm going to Dao Sect!"

The killer thought of something, and changed his words: "Forget it, this time all the foundations I have established for many years have been destroyed, and there is no need to stay in the land of killing. I will go to Dao Sect myself!"

"Then these corpses..."

"A bunch of rubbish, die when they die! Go!"

The killer's face was full of hideousness, he had never been so embarrassed because of a person.

No matter what price he paid, he would take the fate of Ye Jitian!

Soon, everyone left, and the blood sea returned to calm.

shocking.

Chapter 822: Another great power!

After the killer and others disappeared, two shadows appeared quietly.

It was Ji Siqing and Ji He who came here.

When Ji Siqing saw this sea of blood, his face changed drastically! The body trembled even more!

Because this is where she saw Ye Chen just now.

Such a sea of blood, without a trace of vitality, cannot survive. Could it be that the guy is unfortunately hiding in the sea of blood?

The key is that not long after she left, why did something happen?

Did Ye Chen provoke others?

Could it be that Granny Hua changed her mind?

Or kill the master?

"Sister Siqing, will that kid..."

"will not!"

Ji Siqing suddenly cut the railroad.

Although everything that happened now was very unfavorable to Ye Chen, in her eyes, Ye Chen was not so easy to die.

Even if a very strong battle broke out here, it would not necessarily make Ye Chen fall.

She pinched her finger to force a drop of essence and blood, which floated on the center of her eyebrows, like a plum blossom.

Suddenly, a blurry picture appeared in my mind.

I can't see the probabilities, after all, the strength of the strong erupting here is above her.

But one thing is certain, Ye Chen is fine.

The stone in Ji Siqing's heart fell completely, but he didn't know who the shot was.

Why does this person help Ye Chen?

Why are these people killed?

Could the Lei Jie vision be caused by this person?

Ye Xitian?

No, although the picture is blurry, the shot seems to be an old man.

According to legend, Ye Sitian's roots and bones are similar to her, so naturally he cannot be the old man.

It is estimated that the change in Ye Chen's strength should be related to this mysterious old man.

It seems that everything can only wait to see Ye Chen.

The next time they meet, it won't be too long, after all, Ye Chen and the flower mother-in-law have an agreement.

Ye Chen will definitely participate in the battle of Kunlun Xu's genius.

There are not many days since this day.

She was a little curious. Where did Ye Chen's self-confidence in the face of Granny Hua come from?

Obviously transcendent, but he is not afraid of the powerhouses who can reach several great realms. Such people are either crazy or genius!

He hoped that Ye Chen was the latter.

I hope that in a few days, this guy can surprise himself.

No longer thinking about it, she glanced at Ji He and said, "Let's go back to Ji's house."

Ji He was startled, his eyes widened and curiously said: "Sister Siqing, aren't we looking for Ye Jitian?"

Ji Siqing shook his head: "It is impossible for Ye Sutian to be here. It would be a waste of time for us to look for it. We might as well prepare for that matter for a few days. It seems that I am destined to miss that Ye Sutian."

Ji He nodded, thinking of something, and jokingly said: "Sister Siqing, that Ye Xitian is about the same age as us, do you think he will participate in the competition a few days ago?"

Ji Siqing narrowed his eyes and said lightly: "I hope he will participate, but there are various signs that this person does not like to reveal his identity. It should be impossible to show others with a mask. If he participates, I would be willing to accompany him to the end."

...

After half a day.

Ye Chen and Duan Huaian returned to Qingxuan Peak.

The ancestor of Qingxuanfeng naturally greeted him immediately.

"Mr. Ye, head of Duan." Qingxuanfeng ancestor said respectfully.

Duan Huaian was startled, but he knew the arrogance of the ancestor Qingxuanfeng, how could he have such an attitude?

Even if Ye Chen is Ye Jitian, there is no need for it!

He glanced at Ye Chen with a deep meaning, and didn't ask much.

Ye Chen can get to this point and he can repair his dantian better, so there must be a secret in him.

No cultivator's secrets should be touched too much.

This is the principle.

"What's wrong with my parents these days?" Ye Chen asked.

The ancestor of Qingxuanfeng shook his head: "Mr. Ye can rest assured, they are all safe, but the two of them have been very interested in cultivation recently, and they continue to express the meaning of breakthrough."

Ye Chen naturally knew why his parents were like this. I'm afraid that his father and mother's promotion of cultivation was for the Kunlun Xuye Family.

After all, both grandpa and grandma died at the hands of the Kunlun Xuye Patriarch.

No matter what, Kunlun Xuye's house, he and his parents will definitely go!

Some accounts are naturally calculated!

It's just that at the moment, they don't know where the Kunlun Xuye Family is.

Grandpa left some messages during his lifetime, asking him to find his former friend.

But the only time I met was ended quickly, and some questions were too late to ask.

I don't know where the old man with a hip flask is now.

Only by finding this person can the dusty things in the Kunlun Xuye Family be completely opened.

"Is the things I left in Qingxuanfeng still?" Duan Huaian asked suddenly, his tone seemed a little anxious.

The ancestor Qingxuanfeng nodded: "Head of Duan, please follow me."

"Disciple, I'll come as soon as I go, you have some injuries, you might as well take a break first." Duan Huaian said.

"it is good."

Ye Chen hasn't taken a bath for a few days, and the only thing he wants to do now is take a hot bath first.

Back to the room, Ye Chen took off his clothes directly, lay in the bathtub, closed his eyes, and relieved a bit.

This kind of life is what he wants.

Suddenly, he noticed something, his eyes suddenly opened, his right hand stretched out of the water, and he said: "Zhanlong asks the sky sword!"

Zhanlongwentian Sword appeared in the palm of his hand instantly, and the water in the bathtub surged like waves! Keep overflowing.

Ye Chen turned around, and Jian Feng pointed in one direction, killing intent!

Because he found someone in the house!

At the moment Jianfeng is pointing to a young girl who is standing interestingly!

The girl wears a long red dress, the wide dress is embroidered with a phoenix pattern, and her white arms carry some smoke and purple light silk.

Qianqian has a thin waist, with a red belt wrapped around her waist.

There is also a scarlet thin sword around the waist.

The long black hair fluttering slightly, a few strands of hair falling on the arrow, the facial features are extremely beautiful, and the eyebrows have a bright pattern.

Like an ancient rune.

His eyes are like water, as if he can see through everything and control the future.

And at this moment, the enchanting eyes were staring at Ye Chen in the bathtub.

Very curious.

Ye Chen found that he couldn't detect this woman's cultivation level at all!

The other party appeared here quietly, there was only one possibility, the other party's realm was far above her!

Could it be a killer?

Who can invite a killer of this level?

Just as Ye Chen's eyes were so serious, the woman smiled.

Like a fairy who cannibalize fireworks and fireworks, a smile is raised, as beautiful as fireworks, with a hint of rhyme.

Red lips opened: "Are you the tomb owner of the reincarnation cemetery? Haha, that's all!"

Hearing these words, Ye Chen's scalp numb!

What suddenly occurred to him!

The Nine Profound Stones that Ji Siqing gave her shattered in the reincarnation cemetery, which should have inspired a great power.

Later, because of Duan Huaian's departure, he never paid attention to the reincarnation cemetery.

Now it seems that this woman with terrifying aura in front of you is the mighty power that arouses?

But isn't the ancient power all the old men who have lived for thousands of years?

How come a beauty this time?

Chapter 823: Who is respected!

Ye Chen at this moment is too confused!

The key is that he is lying in the bathtub without wearing anything.

Once you stand up, you have to be watched by the woman in front of you.

Even if this is powerful, it shouldn't come out casually.

At least ask for his opinion!

"Who are you anyway?" Ye Chen asked.

The red-clothed girl heard these words, with a smile in her eyes, step by step towards Ye Chen.

Finally, I stopped in front of the bathtub, leaned forward slightly, and sat directly on the edge of the bathtub.

A touch of whiteness is even more revealing, and the slender thighs are straight, too hot.

"You motivated me, but asked who I am?"

"Unfortunately, there is a big gap between you and the owner of the reincarnation tomb in my imagination. What qualifications does a transcendent realm have to hold a hundred powers?"

The words fell, the thin sword from the waist of the red-clothed girl was directly drawn out, the light flickered, and the true energy was rippling.

is full of deterrence!

The sword did not move, but the powerful sword aura shook the entire ground!

The cold killing intent is released.

"Fuck!"

Ye Chen was taken.

Is this woman in red still planning to kill herself?

Ye Chen didn't hesitate anymore, Zhanlong asked Heavenly Sword directly cut away!

"Ding!"

A crisp sound rang out!

The water splashes like waves!

"Crack!"

The bathtub broke directly! The water splashed wildly!

A powerful counter-shock force struck, Zhanlongwen Tianjian was shocked and flew out on the spot, directly inserted into the wall.

A wall is completely turned into rubble!

At the same time, Ye Chen flew out, grabbed a bath towel and wrapped it around his body.

The moment he landed, he stepped back several steps before barely stabilizing his figure.

He can clearly feel that his internal organs have been extremely shaken!

The key is just a casual sword made by a woman in red!

If he really broke out with all his strength, he would have died long ago.

The red-clothed woman glanced at Ye Chen, put the thin sword into her waist, and said lightly: "It's not bad, most people resist my sword, and the arm burst long ago, but you can be intact, at least it means you are not that weak. ."

"But don't worry, I will naturally not kill you. Dealing with a waste is a waste of time in my eyes,"

Ye Chen's eyes were cold, he really couldn't figure out where this woman in red was so proud!

If he doesn't break the nine profound stones, how can this woman be qualified to come out!

Ye Chen didn't care, stepped out and said coldly: "Since you know that I am the master of the cemetery of reincarnation, you should also know that I am the only person who turned over. Duan Leiren has gone to find clues behind the cemetery of reincarnation. Getting out of that place will depend on me in the end! Understand?"

When the woman in red heard this, her eyes flashed with surprise. In her eyes, this kind of junior should have great respect for her, but the person in front of her is not afraid of it.

"Others recognize you, but it doesn't mean that Mo Ning'er must recognize you. When I stepped into the highest realm, your ancestors from the Ye family were probably my subordinates."

Ye Chen snorted coldly: "You said it was back then. You should first figure out your current situation. I control the reincarnation cemetery. It is too easy to destroy you!"

Ye Chen doesn't care about the origin of this great power!

With such an attitude, he will naturally not get used to it!

"you!"

Mo Ning'er's expression was completely cold, her slender fingers spread, and the surrounding temperature dropped suddenly.

An ice sword instantly formed in the palm of his hand!

"Do you really think I dare not kill you?"

The ice sword shot out suddenly, as fast as lightning!

even pierced the air, carrying sparks.

When he was about to touch Ye Chen, the black stone in Ye Chen's pocket flew out!

A barrier suddenly formed!

The ice sword seemed to be restricted by an invisible force, directly turning into fragments.

Mo Ning'er saw this scene, her eyes shrank, even a little frightened!

What did she realize, just as she was about to disappear, the black stone flew in front of her, and a series of ancient words formed!

Suppression!

When the ancient words fell between Mo Ning'er's eyebrows, Mo Ning'er's expression was even more painful!

The breath on seemed to be completely suppressed.

"Apprentice, come in."

The voice of Lin Qingxuan sounded in the reincarnation cemetery. In the next second, Ye Chen and Mo Ning'er disappeared in place, and even appeared in the reincarnation cemetery.

"bump!"

Because of being limited by the black stone, Mo Ning'er seemed to be unable to use his strength, and smashed onto the ground, looking a little embarrassed.

She just wanted to stand up, but found that Ye Chen had already appeared in front of her.

condescending.

"Now you can admit that I am the tomb owner of the reincarnation cemetery?"

Ye Chen said lightly.

The appearance of the black stone was obviously to protect himself, and this Mo Ning'er's behavior naturally violated the original intention of the reincarnation cemetery.

This ended up being suppressed.

Mo Ning'er glanced at the black stone with a little fear, turned his head, said nothing.

She knows very well that her strength is now completely restrained by the black stone, and even if she moves again, she may be forcibly beheaded.

Ye Chen squatted down, holding Mo Ning'er's chin with his fingers: "My question just now, you haven't answered me."

What about the ancient power!

Even if you don't know your origins, he is respected in this reincarnation cemetery!

Mo Ning'er glared at Ye Chen fiercely, and said directly: "Acknowledge!"

"it is good."

Ye Chen stood up, no longer looked at Mo Ning'er, but walked towards Lin Qingxuan.

"Master, this girl really exists like you? Why can't I feel the same breath in her as you?"

Lin Qingxuan glanced at Mo Ning'er, who had already stood up, and explained, "It was actually an accident that this girl entered the reincarnation cemetery."

"Accident?" Ye Chen was a little dazed.

"Yes." Lin Qingxuan nodded, "She was only involved in that incident by accident, and was involved in it. With her strength, she is actually not qualified to enter the reincarnation cemetery."

"Of course this is not qualified because for the reincarnation cemetery, the energy of the nine profound stones can only turn on her, but with her strength, it can help you solve many problems, but you can use it several times.

"As for you want to learn something from this woman, don't count on it. Her origin is from an ancient female sect in Kunlun Xu. Regardless of her cultivation techniques and methods, she was born for women, and what you practice is the Zhiyang technique. , If you practice blindly, it will only conflict. It will even go crazy with disastrous consequences."

"Her nature is not bad. Before entering the reincarnation cemetery, she was not much older than you, so she naturally looked down on you."

"If you are in danger in the future, as long as it is not Kunlun Xu's top power, she is qualified to help you settle."

Chapter 824: Take advantage of the gods to break!

Hearing these words, Ye Chen's breathing was a little short, and he nodded repeatedly: "Thank you, Master!"

Lin Qingxuan glanced at Mo Ning'er expressionlessly, turned and walked in one direction.

Ye Chen also followed.

When Lin Qingxuan took a few steps, he suddenly thought of something, stopped, and said lightly: "No matter how special your origin is, since you have become part of the reincarnation cemetery, you should also assist the tomb owner. Let me ask you, can you grow old? Do it honestly?"

Obviously this sentence was meant for Mo Ning'er.

"If you refuse, of course it's okay, but I will erase the remaining power in your body, and the only consciousness will dissipate. As for the future of your body, it has nothing to do with us."

Kindness becomes a threat instantly!

Mo Ning'er's eyes widened, she knew very well that her strength was still a few points behind Lin Qingxuan.

If the other party uses means to erase her, or it is possible to go back to the same place.

What was placed before her was not a choice at all.

After hesitating for a long time, Mo Ning'er finally said, "Senior Lin, I understand that what happened just now will not happen again. I have no intentions."

She compromised.

Lin Qingxuan nodded: "Okay, you just have to remember that the existence of the tomb owner is the only possibility for us to stand up. You have to let him survive at all costs, or be stronger, this is only good for you, no harm."

"Yes, Senior Lin."

.....

Lin Qingxuan took Ye Chen to an open space, with his hands behind him: "Trainer, you can be considered to have mastered some of my things, do you know where the real power of medicine is?"

Ye Chen took out the silver needle: "Master, now I can explode the strongest medical blow, it is this silver needle."

"I think the silver needle is addictive and the strongest existence of medical magic!"

Lin Qingxuan shook his head, and with a light wave of his arm, the whole reincarnation cemetery was winded up!

came like a tornado.

Suddenly, his fingers pressed firmly, and his footsteps were extremely strange.

Every step has a hint of rhyme.

Any place where the toe touches the ground, it is broken.

When the ten steps stopped, Lin Qingxuan suddenly raised his head and pinched his fingers.

The violent power of the whole body shocked the space!

A void seems to have appeared vaguely!

And in the mouth, countless silver needles appeared!

"The most powerful thing in the path of medicine is Dao! The core of Dao is borrowing power!
Borrowing the power of the heaven and the earth! Borrowing the power of others! The enemy is

stronger and you are stronger! Today I will teach you the supreme meaning of the path of medicine, and use the power to break through the gods!"

With the last five words alone, Ye Chen felt a sense of desolation in the entire reincarnation cemetery!

The power of the ground seemed to be completely absorbed, and the aura in the air was crazily condensed, turning into a blow!

This method is too bad!

"Boom!"

Use the power of the gods to cast a spell at a certain moment, and the sky above the reincarnation cemetery is like the end of the day!

There are even more shocking traces on the ground, centered on Lin Qingxuan.

It seems that someone will kill from the sky with one sword after another! In a vain attempt to destroy the reincarnation cemetery.

The dust is full, and the violent power swallows everything.

Ye Chen felt the countless silver needles coming towards him, and wanted to stop him, the power of the blood dragon and the life talisman exploded at the same time!

A blood dragon phantom wrapped in thunder and lightning rushed out of his body and struck away desperately!

But although it was powerful, after Lin Qingxuan's use of the power to break through the gods, he also disappeared on the spot.

"bump!"

Ye Chen's body flew out without warning, and even spit out a mouthful of blood!

Who would have thought that this blow would have such a destructive power, the key to resisting Ye Chen was only the aftermath.

Waiting for him to stand up in the dust, he saw a hand, it was Lin Qingxuan.

"Disciple, can you feel the power of this medicine?"

Ye Chen nodded and wiped the blood stains from the corners of his mouth: "Master, this trick is very strong, but it is based on your cultivation level, and I may not be able to use it."

Lin Qingxuan touched his beard and said with a smile: "Tui'er, you have misunderstood. If I said that the realm I had just displayed was only the holy realm, would you believe it?"

"The most powerful way of taking advantage of the power of the gods is to take advantage of the situation. The harsher the environment and the stronger the enemy, the stronger it will be. If you face only the general Saint King realm strong, I am afraid that even There may be nothing to display."

"I also took into account that the enemy you are facing has some threats, so I taught you this trick in advance."

"Well, now I will raise my cultivation base above the Void Returning Realm. You can't use other means, only rely on the power of the gods to break me back."

Lin Qingxuan's words fell, and when he pointed it out, a flow of information surged in Ye Chen's eyebrows.

Although obscure and difficult to understand, Ye Chen understands roughly.

Before he could react, Lin Qingxuan took a shot and shot out with a palm, driving the momentum of the world, as if it could destroy everything.

This power is not limited to the Holy King Realm, it is very likely to return to the Void Realm!

Seeing that the virtual palm was about to fall on his body, Ye Chen subconsciously wanted to pull out the Dragon Slashing Heaven Sword, but found that the virtual palm suddenly accelerated and fell directly.

His body was blown off on the spot, and his bones seemed to be broken.

"I said, you can't use any power, swords and blood dragons are not good, if there is another next time, I will not regain strength!"

Ye Chen's body was smashed into the air again and again. He had long been used to the power of the blood dragon and natal talisman, and now he couldn't use it. It was impossible for him to rely solely on the gods to break through!

Injured again and again, even on the verge of life and death, Lin Qingxuan will rescue Ye Chen again and feel it again.

Gradually, Ye Chen mastered a bit of taking advantage of the power to break through the gods, at least not as embarrassed as before.

The deeper he understood, the more Ye Chen felt the terrifying power of the gods.

This art of healing **** seems to be intolerable by heaven! It shouldn't exist, but Lin Qingxuan has mastered it!

He finally understands why Lin Qingxuan alone suppressed countless martial arts sects in Kunlun!

This taking advantage of the power of the gods to break is definitely the key!

.....

At the same time, Kunlun Xu, Daozong.

The door is closed.

Killing Lord and others came here, the bell outside the door was ringed by them, but no one from Daozong came out to pick up the guests.

Killing Lord frowned, this is too unreasonable, Dao Sect is also considered to be a large sect of Kunlun Xu, how could no one notice the bell?

Could Daozong have changed places?

"Kill the LordWhat's going on?" Someone asked curiously, "Could something happen to Taoism?"

Killer shook his head and came to the door, his palm touched the door and closed his eyes.

Suddenly, a strong counter-shock force struck, the killer spit out a mouthful of blood, and his body stepped back more than ten steps.

"Crack!" With a sound, the originally closed door suddenly opened.

An old man came out, it was a Taoist elder!

Chapter 825: Crisis is lurking!

The killer didn't dare to hold it big, he stepped forward and said, "This senior, I am from the land of killing, I have important matters to discuss with Dao Sect Sect Master!"

Hearing the Land of Slaughter, the elder Dao Zong's eyes shrank: "The Sect Master is in retreat. Just tell me what's the matter."

Killer nodded, just spit out three words: "Ye Jitian."

"Who are you anyway?" The Daozong elder murdered and released! Once the killer changes, he will kill!

No mercy!

The killer quickly explained: "This elder, it is true that I am the killer of the killing land. I originally control the killing land, but I did not expect Ye Jitian to suddenly come to my site, destroy my foundation and kill my men. , I now have some things in my grasp, and I know that the enemy's enemy is a friend, and I deliberately seek Daozong as an ally!"

While talking, he took out a piece of identity jade pendant.

The Daozong elder confirmed the identity of the killer, and said coldly: "In that case, you come with me!"

After a short while, the killer was led to a hall.

There is only one old man in black robe above the main hall, who is the Dao Sect Sect Master.

It's just that the Dao Sect Sect Master at this moment was seriously injured because of Ye Chen's breaking the ancient sorcery!

"Sect Master, someone is willing to provide some news about Ye Jitian. He is from the Land of Killing."

After finishing speaking, Daozong elders and the rest all retreated, leaving only the murderer.

The killer raised his head, his expression was a little frozen when he saw Dao Sect Sect Master.

He never thought that the master of the dignified Taoist school was actually injured?

And it seems that this injury was formed not long ago.

"Let's talk about it, I want to know everything about Ye Jitian in the Land of Killing. If you hide anything, I will personally suppress you. As for allies, you don't have the qualifications yet!"

An old and cold voice sounded.

Killing the Lord was startled, his expression was a bit ugly, but he knew the difference between the two, so he told everything that happened during this period.

Even the visions around the cave and the whole army overwhelmed in no way.

Dao Sect Sect Master clearly caught something, and the doubts in his heart were completely clear.

He stood up abruptly, stepped forward, and came directly to the killer, his five fingers clasped the killer's neck, and the violent air wave rolled!

"Are you sure you are not mistaken! Ten hours ago, there was a breakthrough near Ye Jitian by a powerful Void King Realm? Can you be sure!"

"I'm sure...sir, now the only clue is Duan Huaian of the God of Medicine. Ye Jitian rescued this man for a reason! Finding Duan Huaian is equivalent to grasping the whereabouts of Ye Jitian and that strong man!"

Killing Master couldn't think of why Dao Sect Sect Master would react like this! Can only tell the truth.

"bump!"

Before he finished speaking, he was ruthlessly thrown out by the Dao Sect Sect Master!

At this moment, the Dao Sect Master is swallowed by endless anger!

Killing intent is terrible!

The eyes are even more red!

He clenched his fists, and said coldly: "The strong man in the Void King Realm is Duan Huaian! The injury on my body is due to the two beasts!"

"What!" The killer was completely stunned!

"My lord, you are sure that you are not mistaken, Duan Huaian's strength..."

"bump!"

The body of the killer shook back a few steps. When he saw the cold eyes of the Dao Sect Master, he was completely shocked!

All these are facts!

Duan Huaian actually recovered his strength!

how is this possible!

"I heard that you are here to seek allies, right?"

Suddenly, Dao Sect Sect Master spoke.

The killer felt something wrong, but he still said, "My lord, that's it!"

"Okay." The Dao Sect Sect Master came to the killer with his hands behind him, "It is very simple to be an ally of my Dao Sect. That is to do things for me. If you are loyal enough, Ye Jitian and Duan Huaian will definitely die. "

"Let me ask you again, regardless of Ye Jitian, you and the current Duan Huaian have a certain degree of action."

"Seven points."

The killer hesitated for a few seconds or was still Dao. After all, Duan Huaian's martial arts skills were too shocking, even if he hadn't practiced for decades, he should not be underestimated.

"Seven points is not enough, I want ten points!" Dao Sect Sect Master said coldly.

"My lord, even if I can win Duan Huaian, what should Ye Jitian do? This Ye Jitian's strength may be even more threatening..."

Killing the Lord still expressed his worry.

Dao Sect Sect Master sneered and clapped his hands. In an instant, three young men came out of the darkness!

The appearance of these three people is almost silent.

The youth's eyes were hollow and cold.

But the killer could feel an extremely terrifying aura from these three people.

Suddenly, what did he find!

These three people turned out to be strong in the Void King Realm!

More importantly, the breath attributes surging in these three people are completely different!

There are countless arcs on one person.

There was chills all over his body.

The palm of the last person's palm is even more entwined with flames!

冰! mine! fire!

These three people feel like one person, but they have mastered the power of three different attributes!

If the three of them attack him and combine the formations, he may die under three moves!

Could this be the secret of Daozong?

Transforming talented practitioners?

The three people came to Dao Sect Sect Master and knelt directly: "See Master!"

Dao Sect Sect Master nodded and looked at the killer interestingly: "If you add these three people, these three are one of my Dao Sect's cards, do you have a chance?"

The killer nodded fiercely: "My lord, yes!"

Dao Sect Sect Master was very satisfied, and even sat back on the spiritual chair on the stage:
"Since you have a chance to win, then let me see your loyalty, sacrifice the blood and blood from me,
and be my servant!"

Killing Lord heard the last words, his face changed a lot!

to sacrifice blood, serve as his servant?

How could the king of his dignified killing land be controlled by others!

"My lord, will you pass this way! I'm here to seek allies, not to be your servant! If this is the case, I
can only say goodbye!"

The killer just wanted to leave, but found that the three young men had blocked his way, and the
cold pressure was released.

almost choked him!

An inner fear suddenly appeared.

"My lord, what do you mean!" The killer turned around and said coldly.

Dao Sect Sect Master stood up and said in a funny way: "Anyone who knows the secret of my Dao Sect has no choice, and the same goes for you."

"Of course, if you want to resist, you can, just see if these three people agree!"

Killing Lord's face pale!

He really has no choice at the moment!

You shouldn't have come to Daozong at that time!

In front of these three puppet-like powerhouses he can only surrender!

In the next second, he could only force a drop of essence blood, Dao Sect Sect Master closed his five fingers, and instantly inhaled it into the palm of his hand.

"Very well, since everything is ok, then you take these three people to a place in person, and it's time to clear some garbage."

"My lord, the whereabouts of Ye Xitian and Duan Huaian..."

Dao Sect Sect Master narrowed his eyes, and said lightly: "These two people are shrinking at Qingxuan Peak. They really thought that the dead Lin Qingxuan could protect them? Ridiculous!"

Chapter 826: The missing girl!

"Before you came, I had used the magic to know the whereabouts of Duan Huaian, even if Ye Xitian broke my ancient sorcery in Duan Huaian's Dantian!"

"He didn't even know that the ancient sorcery was broken, and there is still a power that can remain for a day! This power is enough to destroy them all!"

Dao Sect Sect Master laughed coldly.

He didn't want to use the power hidden in the dark, but the existence of Ye Jiantian and Duan Huaian had already threatened Daozong's luck!

No matter what, the two must die!

But now his only doubt is how Ye Jitian would get involved with Duan Huaian from the Medical God Sect.

Duan Huaian has no children, and the two have different surnames, so they should be not related by blood.

As for the master and apprentice, it is even more impossible!

The trash sect of God of Medicine cannot cultivate a genius like Ye Jitian.

Of course, none of this matters anymore. The relationship between the two dying people is not important at all.

"My lord, when will you start?" the killer asked.

Dao Sect Sect Master's eyes narrowed slightly: "Qingxuanfeng is not simple. In addition to Duan Huaian, there is also an ancestor of Qingxuanfeng, which should not be underestimated.

In order to prevent some special circumstances from happening, I will use some means to distract this ancestor of Qingxuanfeng, and then it will be the time to take action! "

Killing the main eye shot a touch of determination: "My lord, I must be lucky!"

The words fell, and the four figures disappeared completely!

.....

Ye Chen spent a day in the reincarnation cemetery.

The door closed tightly.

He did not know how many injuries he had suffered, nor did he know how many times he was awakened by Lin Qingxuan.

Only between life and death can you completely control something.

He roughly controls the power of the gods.

I thought that I didn't need too much power to take advantage of the situation, but I didn't expect that the power of the gods would be extremely powerful.

Without Lin Qingxuan's spells, he could barely use it once.

Although the gods used the opportunity to break the great demands on the body, it was enough to become Ye Chen's trump card right now.

can at least fight against the strong above the Void Return Realm!

Even the life-and-death battle with that flower mother-in-law is a bit certain!

Ye Chen didn't come out of the reincarnation cemetery until the door was knocked. His spiritual sense was covered, and he naturally knew who it was.

With a flick of his finger, the door opened.

"Xiao Chenzi, you finally came back! By the way, do you miss this girl?"

Sun Yi stood at the door with a hint of smile and excitement in her eyes, and said interestingly.

Ye Chen stood up, and in the next second, he found that Sun Yi at the door had appeared in front of him.

Obviously, the Shen Fa he gave to Sun Yi in the first place has already achieved great results.

Sun Yi's current speed, in Kunlun Xu, the strong under the holy realm, it is impossible to touch Sun Yi's clothes.

As long as the cultivation base is further improved, even the Saint King Realm cannot embarrass Sun Yi.

This is also the reason why he let Sun Yi specialize in physical training.

Sun Yi jumped slightly, his arms wrapped around Ye Chen's neck, and his slender legs wrapped around Ye Chen's waist.

is very ambiguous.

The four lip **** blend together, moist and flexible.

"Xiao Chenzi, have you missed me for so many days?" Sun Yi's eyes are like water channels, "but this Qingxuanfeng is really boring, not as good as Huaxia means, the key is that I can only stay at Qingxuanfeng In the range of his formation, it was too boring. I planned to go down the mountain several times, but was stopped by others. When would you take me out to have a look."

Ye Chen nodded and hugged Sun Yi in his arms: "Okay, I will take you out and have a look after I finish the matter."

Sun Yi was very satisfied, Xiushou kept asking for Ye Chen, but soon she stopped and curiously said: "By the way, why didn't you see Wei Ying come back with you?"

"Wei Ying?" Ye Chen narrowed his eyes and said in surprise, "Isn't she with you in Qingxuanfeng?"

Sun Yi stood up suddenly, her eyes were very puzzled: "Not long after you left Qingxuanfeng, she showed your jade pendant and left Qingxuanfeng, saying that she had received your message and sent something down the mountain to you. "

"If you don't believe me, you can go to the ancestor of Qingxuanfeng, the jade pendant is still on him."

Hearing these few words, Ye Chen shook his heart!

Wei Ying's character is naturally impossible to do such a thing, the only possibility is the **** body in her body!

After entering Kunlun Void, the Earth Soul Profound Stone has been unable to suppress the Shaxue Cold Body?

The evil blood and cold body itself is one of the ten major evil bodies of Kunlun deficiency.

Fierce body, born for aura.

Originally in China, the power of the **** cold body could not be reflected, but in Kunlun Xu, it will completely explode!

He thought that within a few days, the **** cold body would not have any accidents on Wei Ying.

But now it seems that he still underestimates the **** cold body!

And it is very likely that after Wei Ying entered the Kunlun Void, the **** cold body has taken the lead!

Even the Earth Soul Profound Stone cannot suppress it!

Damn it!

"Sun Yi, did you feel anything strange before Wei Ying left?"

Ye Chen frowned and said.

Wei Ying thought for a few seconds and replied: "There seems to be no strangeness, but at the time I asked for a safety charm for you and asked her to pass it to you. When I touched her hand, I found it was cold, like ice. I asked her if she was sick. She just smiled and didn't say anything."

Ye Chen has been completely determined in his heart.

He no longer hesitated, and quickly got up and went to Wei Ying's previous room.

took out something close to Wei Ying.

Wei Ying's cultivation base is much lower than his. "The Great Dao Xun Jue" should be able to trace some information.

In the next second, Ye Chen pinched his fingers, then lightly danced in the air, and a magic talisman was drawn directly!

A strange rune appeared in the air in front of him instantly.

He let go of his hand, and his body floated, clinging to the rune.

Ye Chen kept muttering something in his mouth: "The essence of life will be reduced, and everything will be born. The source of turbidity is the source of turbidity, and the foundation of tranquility for the mover..."

Desperate life, looking for people a thousand miles away!

As Ye Chen spoke faster and faster, the rune and thought in front of him actually floated!

The next second, burn directly!

The flame is cyan! It even formed a strange shape.

"It's now!"

Ye Chen bit his finger and shot a burst of blood! When the blood hits the flames, the flames are overwhelming!

A picture was formed in the sky!

is like a projector!

Wei Ying is standing in the middle of a hall The hall is very strange, because everything around is made of ice!

It's extremely cold!

Everything around is like the most satisfying masterpiece of the Creator.

Even Ye Chen had to admit that this ice palace-like existence is very suitable for Wei Ying's **** cold body!

In the Ice Palace, Wei Ying is not the only one, there are more than a dozen elders around her!

At this moment, more than a dozen elders actually kneel down to Wei Ying!

is very respectful!

But Wei Ying Bingham's gaze was directed at a woman with curled hair on top of the Bing Palace.

Chapter 827: 0 cold body!

The woman sits on an ice chair, like a throne, with a solemn expression and no anger. X23US.COM

"Wei Ying, your **** cold body was born for my Absolute Cold Sect. As long as you nod your head, I can give you supreme resources."

The woman is condescending.

Wei Ying's eyes didn't fluctuate at all, she walked toward the woman step by step, and stopped completely after ten steps. She raised her head and said lightly: "I don't need resources, I just want your seat."

The woman's expression was suffocated, and most people watched her position, she must be furious, but at this moment, she got a trace of interest, stood up, and said: "You want this position. Of course I am willing to give it up. I only have one request. You represent our Absolute Frost Sect in the Kunlun Xu Zongmen genius battle soon. This time I don't know if Ji Siqing will participate, but whether she participates or not, I want you to win the first place."

"Before this, I am willing to give you all the resources! Help you break through!"

Wei Ying sneered and stepped onto the throne carved with ice and stone, regardless of the woman's reaction, she just sat down.

Her eyes were cold, she glanced at the crowd, and said lightly: "Although I don't know who Ji Siqing is, I will clear anyone who stands in front of me. The first one, I want it, this one, I want it too. ."

The screen disappeared completely.

Ye Chen wants to check it out again.

He couldn't think of what kind of cold sect Wei Ying would actually go to! And looking at the other person, it didn't look like Wei Ying was controlled by the **** cold body.

This feeling is more like Wei Ying taking the initiative!

The key Why did Wei Ying fight Kunlun Xu's genius battle?

Why must control the Absolute Frost Sect?

Just as Ye Chen frowned, a cold voice sounded: "The **** cold body shouldn't be restrained, she was born for the meaning of ice cold, and was born for more cultivation, since the ancient times , Any Evil Blood Frost Body experiences everything in front of him. From now on, it seems that the body and the Evil Blood Frost Body have formed some kind of contract.

The contract will not affect each other's lives, but it will allow both the body and the evil body to achieve their goals. "

Ye Chen turned around and naturally found that the red-clothed girl in the reincarnation cemetery had appeared again.

Why can the opponent enter and leave at will?

The girl in red was lying on Wei Ying's bed, holding her head in her hands and tapping on Erlang's legs, very pleasant. She sniffed the tip of her nose, and continued: "The Evil Blood Body is not a disease, let alone a disaster. On the contrary, she is a great opportunity for the cultivator. The Evil Blood Body in every era has enough right to speak. ."

"I can see from the picture that this girl named Wei Ying is struggling and longing for something. She needs a strength, and the Absolute Frost Sect is the opportunity. Moreover, this girl is the most suitable for the **** cold body I have ever seen. The presence."

Ye Chen shot his eyes at the girl in red, and asked: "Why do you know so clearly?"

The woman in red sat up from the bed and stretched her waist, her chest full of heartstrings: "Because she and I are the same kind of people. In ancient times, I was also tortured by the same confusion. I have experienced know."

Oh, by the way, I am Qianjiehan among the Ten Evil Body. Although we are both in cold body, there is a big difference between the two of us. I have to endure more pain than her. "

Ye Chen didn't expect that the other party turned out to be a thousand extremities!

Thousands of Absolute Cold Body, above the icy cold attribute, can't compare to Wei Ying's **** cold body, but can integrate part of the power of others!

Ye Chen just wanted to ask, the girl in red came to Ye Chen's side and said lightly: "I am not here to discuss this with you, but another matter."

"what?"

The girl in red came to the window, looked at a peak not far from Qingxuan Peak, and said astonishingly: "Someone observes this place from a distance through a secret method. These people carry cold murderous intent on them. Obviously, you are Their prey."

"Furthermore, there are only four people, and each of them is above the Void King Realm. The strength of three of them is a bit weird. I can't say it, but it's definitely not easy to deal with. You can do it yourself."

"There are already some problems with the formation outside Qingxuanfeng. If the four of them think, maybe there are means to break it, then the consequences will be disastrous."

After finishing speaking, the girl in red completely disappeared.

She has completely accepted that Ye Chen is the result of the reincarnation tomb owner.

Since Lin Qingxuan is sure, that Ye Chen is alive is very important to that secret.

might really be the one who turned over a hundred of them.

Ye Chen's gaze shot down the window, and he naturally couldn't notice the crisis in the distance after a mountain was separated.

Only the power of the reincarnation cemetery is qualified.

How could anyone know that he is at Qingxuanfeng?

And it seems that the other party is sure of himself?

Four Void King Realm powerhouses!

Such a big handwriting, ordinary sects definitely do not have this qualification!

The key is that three of them are afraid of even the red-clothed girls.

No matter what, Ye Chen would never let this threat exist.

Qingxuanfeng is his current base camp, Sun Yi, parents and master are all here.

If these four people were to target the entire Qingxuan Peak, the people around him would be caught in the heat.

Stop thinking about it, Ye Chen went straight in that direction.

Four virtual king realms, he is naturally invincible, but he can still probe the origin of the other party.

After all, knowing oneself and one another is not dead!

The night is late.

A bonfire is burning, very dazzling.

The four figures sat cross-legged, and the flames reflected their faces.

One of them is naturally the killer!

But there is a cloud of black mist floating above their heads!

This black mist is an ancient sorcery left by Dao Sect Sect Master.

At least you can observe everything at the entrance and exit of Qingxuanfeng from a thousand miles away.

Suddenly, a Dao Sect young man opened his eyes, and a flash of coldness flashed past. He stared at the black mist, and said: "Someone has come out, it seems to be a young man, his cultivation level is not high."

The killer opened his eyes and glanced at the black mist. Naturally, he couldn't see anything famous, and he said: "It's normal for someone from Qingxuanfeng to come out. Just now, a few Qingxuanfeng disciples went down the mountain. Unfortunately, those disciples are tight-lipped. He would rather blew himself up than disclose the information inside."

"Don't be surprised, take a good rest, and wait for the ancestor of Qingxuanfeng to move away, and it won't be too late to start. Our goal is Ye Jitian and Duan Huaian!"

Killing the Lord said a few words, then closed his eyes again, ready to continue practicing.

But he just closed his eyes, this time, the three people around him suddenly stood up.

The cold breath on his body kept shooting out.

"What's wrong with you?" The killer is regarded as conquering these three people I don't know what Dao Sect Master did to these three people. I always feel that these three people are extremely sensitive to everything outside. Surprised.

The three of them ignored the killing, and pulled out the long sword behind them directly, and their eyes shot in one direction!

Bloodthirsty, violent.

"That young man is rushing towards us! Sect Master's ancient sorcery has been discovered!"

Such a sentence makes the air freeze!

Because there is only one person who can destroy the ancient sorcery of Dao Sect Sect Master!

Ye Suten!

Chapter 828: Destroy your Dantian!

The killer and the other three Taoist experts thought that Ye Xitian and Duan Huaian had become their prey steadily.

Let them enjoy.

Once the ancestors of Qingxuanfeng were distracted by the suzerain, it was their feast of massacre.

But now the accident has broken their position!

Ye Xitian discovered them!

Now they have become prey!

The killer looked at the other three powerful Daoist masters who broke out with murderous intent, and said: "Are you sure that Ye Jitian is alone? Since he found us, both Duan Huaian and Qingxuanfeng ancestors may appear!"

"He is alone. Also, his breath has completely disappeared, I can't perceive it. Be careful, everyone!"

At this moment, everyone looks serious to the extreme.

At this time, Ye Chen was standing on a giant tree, hundreds of meters away from the killer and others.

Raid: Shadow Legends! Play Now!

Countless branches and leaves blocked his sight, and at the same time a golden light was swimming on the surface of his body.

Completely obscured the breath.

He naturally noticed these four people, and he understood the killing, but the other three did not know the origin.

Compared with killing the master, the existence of those three seemed more threatening.

There was even a sudden change in his natal magic talisman.

"Could it be that these three people have also stepped into the way of spirit talisman?" Ye Chen muttered.

"You guessed it right, do you really think Kunlun Xu is the only one who owns the magic talisman?"

A cold voice sounded beside him.

It is Mo Ning'er, a girl in red!

At this moment, Mo Ning'er was sitting on the higher branches, her slender legs swaying slightly.

"But at such a distance, I found something remarkable. The trio of life charms were not condensed and comprehended by themselves, but... they were forcibly added!"

When Ye Chen heard these words, his eyes shrank: "Forcibly add it? How is it possible!"

Mo Ning'er pushed her arm and came to Ye Chen's side, holding her chest with her arms around her chest: "These three people's natal talisman attributes are ice, thunder, and fire! This is not strange in Kunlun, but these three natal talisman are too much. It's pure, the abnormality must be a demon! Didn't you find that the aura around them was too obvious?"

"The state of the natal magic talisman is hidden, so I guessed that, it seems that the people behind them are capable of reaching the sky, tomb owner, you have to be careful."

After listening to Ye Chen's eyes, he narrowed his eyes and curiously said: "My current strength is against these four people, what is the chance of winning?"

Mo Ning'er glanced at Ye Chen blankly when she heard these words: "You're not small, if you really talk about the chances of winning, you won't even have a chance,"

"However, it is not impossible for you to win these four people. I am willing to help you."

Ye Chen heard Mo Ning'er's words, showing a hint of joy: "Mo Ning'er is an ancient power-level existence. Although it is not comparable to a strong man like Duan Huaian and Lin Qingxuan, he is also a strong man in ancient times. ! These four people are enough to sweep away!"

Mo Ning'er saw Ye Chen's joy, and said lightly: "Tomb owner, if I help you, it will consume a lot of my strength and cost a lot. I hope you can promise me a condition, which is related to my personal affairs. Of course , You are the owner of the tomb of reincarnation, you control everything, it doesn't matter if you don't agree."

Ye Chen glanced at Mo Ning'er, saw the expectation of the other's eyes, still nodded and said: "What conditions? I will consider."

Mo Ning'er's beautiful eyes blinked slightly, and a smile appeared: "When these four people are resolved, it will not be too late, let's go, master of the tomb."

"Okay, but you don't need to take action for the time being, I just try to take advantage of the newly learned gods to break! My way is to kill, only fighting can make me break through!"

After Ye Chen finished speaking, he didn't hesitate anymore, jumped up, and while falling rapidly, put on Ye Jitian's mask.

Although these four people are bound to die, he is not sure what kind of magic techniques these three people possess!

He will not reveal his identity until he can't determine the person behind him.

And Mo Ning'er's figure disappeared completely, obviously entering the reincarnation cemetery.

...

At this moment, the killer and the remaining three powerhouses of Dao Zong held their breath and concentrated their minds.

As if waiting for something.

"he came."

A Taoist expert who was covered with thunder arc suddenly said.

In the next second, the four weapons were directly sacrificed, and everyone's eyes shot in one direction.

The footsteps are getting closer!

Ten seconds later, a young man wearing a mask appeared in everyone's sight!

It is Ye Chen!

"Oh? What a coincidence, the four of you are playing mahjong here?" Ye Chen said lightly.

When the killer saw Ye Chen wearing a mask appear, his eyes were instantly bloodshot!

Extremely bloodthirsty!

He was the king in the Land of Slaughter, and it was Ye Jitian who destroyed his foundation!

Such hatred is not shared!

"Ye Jitian! How dare you show up! What a courage!"

The killer shouted angrily.

Ye Chen ignored the killing, but his eyes fell on the other three people, and said lightly: "I'm curious, who is standing behind you?"

The three people didn't intend to answer, but they said, "Ye Jitian, who you offended yourself is not clear? Since you have sent it to the door, we don't have to wait for the ancestor to open the Qingxuanfeng ancestor Today, this is the place where you and Duan Huaian were buried!"

"Three, hurry up and use the ancient sorcery that the Sect Master left us! Don't let this kid run away!"

The three nodded, pinched their fingers, and forced out three blood, forming a black rune on the sky.

The billowing black mist rises like a devil's face, looking down at everything.

Ye Chen even discovered the black enchantments formed around him!

The surrounding atmosphere is very familiar, and it is exactly the same as the ancient sorcery that seals the dantian in the master Duan Huaian!

Daozong!

After figuring out everything, Ye Chen's eyes were instantly cold, and it seemed that he had broken the master Dantian's spell and also exposed everything at the same time.

Sect Master Dao Sect had been hurt, but he had completely ignited his desire to kill himself.

And these four people are his support to strangle everything in the cradle.

The barrier was completed in a moment, like a cage, Ye Chen seemed like a trapped beast!

The killer's mouth was filled with a grim smile: "Ye Jitian, no one can help you now, I heard that your strength is extremely against the sky, today, let me see how unbearable you are!"

"You want me to commit suicide, or you should kneel down and abolish the cultivation base!"

The killer is extremely confident, no matter how strong Ye Xitian is, he cannot be the opponent of the four of them!

This trap was undoubtedly dead, but he stepped in without hesitation!

Too ridiculous!

Ye Chen stepped forward, Zhanlongwen Tianjian directly sacrificed, he raised his state to the peak, then Jianfeng pointed at the killer, and said calmly: "What if I don't want to die?"

The killer smiled coldly and said: "I don't want to die! You can't do that! Don't worry, I won't let you die so easily. I will squeeze every finger of you, ruin your dantian, and let your blood dry up drop by drop. !"

Chapter 829: You think too much!

"I will show you what a real killing is!"

"Shabi. m" Ye Chen spit out two words, but these two words made the killer extremely angry.

This kid is too arrogant, he must show him some color. The killer no longer hesitated, his body instantly disappeared in place, and his entire body was swept by powerful blood!

appeared in front of Ye Chen in a blink of an eye!

The blood sword in that hand fell from the sky without hesitation!

suppress everything!

Ye Chen yelled: "Blood dragon, come out!" The blood dragon rushed out of the body!

The sharp claws were directly wrapped around the blood sword!

The speed suddenly slows down!

Ye Chen's figure flashed, and he took a single step, avoiding the sword intent.

At the same time, bring the surrounding aura to show it out!

"Xuanyi sword technique!"

This sword technique was taught by Lin Qingxuan not long ago!

The way of the **** of medicine, swordsmanship is one of them!

The speed of Xuanyi swordsmanship is fast, like a silver needle free from the palm of your hand!

If you cooperate with the gods to break through, there will definitely be unexpected effects!

The whole body is full of energy, Ye Chen's breath is instantly misty, and the casual clothes are dancing, full of mystery.

"Swipe!", the sword light tore everything in front of him, like a sky mark, devouring everything.

The crisp burst sound suddenly sounded.

The blood sword and the Dragon Sword collide violently!

Mars is lingering!

The bloodthirsty sword intent to kill the master was abruptly blocked!

But although it was blocked by a few points, Ye Chen was still shaken back several steps!

The difference in strength is too huge!

In the astonishment of the killer, Ye Chen shook his wrist and left with a sword again!

The aura of heaven and earth gathered in the Dragon Slashing Question Heaven Sword.

One sword to avoid ghosts and gods.

A powerful sword broke out, and the killer shrank, not dare to despise it!

Between heaven and earth, there is a strong smell of blood.

"Little beast, I see how you can stop this blow!"

With a roar, the killer slashed away directly with a sword, a powerful wave of air tumbling!

All the trees around were shattered by air waves!

Ye Chen quickly blocked the Zhanlong Wentian Sword in front of him, and the powerful counter shock spread from the palm of his hand to the internal organs.

His blood surged.

Both feet plunged a few feet into the ground, and his body was forced back!

The killer smiled triumphantly, Ye Jitian was not as powerful as the rumors. Taking advantage of the victory and pursuing, this release of the hand holding the sword, a palm suddenly penetrated his sword!

The **** empty palm is ruthlessly walking towards Ye Chen!

At the same time, the sword body shattered and turned into countless sharp objects, attached to the **** virtual palm, and stabbed at Ye Chen fiercely!

This blow, he has enough confidence!

Don't talk about Ye Xitian, even Duan Huaian in his heyday may not be eligible to stop!

"bump!"

Ye Chen's face changed!

The body took a step back abruptly.

Fingers pinched, forcing a drop of blood, a barrier was instantly formed in front of you!

At the same time, the blood dragon descended from the sky, blocking everything!

Rongyin resounds!

The **** empty palm was so strong that Ye Chen's barrier shattered on the spot.

Even the blood dragon can't stop it!

A few pieces of blood sword fragments penetrated, Ye Chen barely dodged, but blood stains appeared on his arms and legs.

Shocking.

The **** empty palm also patted Ye Chen's body without hesitation, and spit out a mouthful of blood. His body broke five or six giant trees before he barely stopped.

Seeing this scene, he was very aggressive, and said to the three Taoist experts behind him: "It seems that the master is thinking too much, I alone can kill Ye Sutian!"

"I thought the rumors of Ye Jitian were so awesome, but in fact it is nothing more than that! No matter how strong the enchanting evildoer is, it is also a waste in front of my killer!"

After finishing speaking, the killer headed towards Ye Chen step by step.

He grabbed his right hand upward, and held a spear directly in the palm of his hand.

"Ye Jitian, you have felt despair! You are the nightmare of many sects in Kunlun Xu, and today, I am your nightmare! Hahahaha!"

no longer hesitate, the killer held the spear tightly, and the evil spirit burst out!

There seemed to be a shadow of a scarlet great ape on his body!

The spear he is holding now is his natal weapon, refined from the blood of a Kunlun Void Monster Beast!

Very powerful!

He wanted Ye Xitian to be completely silent under his fear and shadow!

He wants Ye Jitian to understand what the gap is!

The shadow of the scarlet ape roars! Carrying gun will tear everything!

Even everything around has turned into a **** mist!

Seeing this scene, Ye Chen's eyes shrank!

The coercive feeling of the shadow of the scarlet ape makes people breathe into a luxury!

"This is the real strength of the Void King Realm?"

There was a moment of timidity in his heart!

Suddenly, a cold voice sounded in the reincarnation cemetery: "Do you need me to take action?"

Ye Chen shook his head, but decided: "No need!"

Then, instead of dodge, he stepped out!

The pace is very strange!

When the distance from the killer was less than ten meters, the footsteps suddenly stopped!

Close your eyes!

Killing the Lord was startled, completely confused why Ye Xitian did this?

give up?

want to die sooner?

Just when he was puzzled, Ye Chen's eyes suddenly opened!

Cold light shoots from both eyes!

makes people fear and surrender!

At the same time, a sense of desolation radiated from him!

The power on the ground seemed to be completely absorbed, and the aura in the air was crazily condensed!

Even more strange is that the killer found that his power seemed to be absorbed by madness!

is like being transferred mercilessly by others!

"this is....."

He felt something was wrong, and wanted to take back the shot, but he didn't expect that a terrifying roar burst in his ear!

"Take advantage of the power of the gods to break!"

"Boom!"

Taking advantage of the power of the gods to break out at a certain moment, the whole sky is like the doomsday!

There were even more shocking traces on the ground, centering on Ye Chen.

The incomparably powerful Scarlet Great Ape's shadow disappeared! It turned into bits and pieces to penetrate into Ye Chen's body Killing the master was completely dazed.

His strong blow was broken easily?

how is this possible!

With this trick, he didn't know how many strong people he had killed!

No one can stop!

But this Ye Jiantian didn't do anything, just spit out a few words, can he be so strong?

He looked at the youth not far away, as if he had seen a ghost.

The other party even showed a **** smile, making his heart tense!

He sensed the crisis, and quickly said to the three people behind him: "Don't hurry up!"

Before the words were finished, an extremely shocking force erupted from Ye Chen's body!

The boundless waves of air are rippling away!

"bump!"

Before the killer pushed away, the wave of air penetrated his body, and he spit out a mouthful of blood on the spot, and his body smashed out without warning, to the extreme!

Who would have thought that this blow would have such a destructive power.

The key is that he also found that the power of this blow is almost the same as his power!

It's as if the opponent reflected back through a certain spell!

Chapter 830: This method also wants to stop me?

His body slammed into the feet of the three powerful Daozong men, and the bones in his body seemed to be broken. m

The pain doesn't stop!

There was even more vomiting blood in his mouth.

Ye Chen is not feeling well at this moment, this is the first time he has performed Lin Qingxuan's trick outside!

is indeed powerful, but the infuriating energy of Dantian almost disappears!

Not only that, but there was a crackling sound from his body, and his arm was almost numb.

This blow almost exceeded the maximum load of his body!

Of course, he still walked towards the killer step by step.

with a majestic aura, giving people invisible coercion.

This makes the killer's eyes full of fear!

"Who is the ant now?" Ye Chen said lightly.

As soon as the words fell, the three powerful Daozong men stood in front of the killer.

The killer seemed to see hope, and the fear completely dissipated, and even more said: "Ye Jitian, if I'm not wrong, this blow should have almost consumed all of your physical energy! Now how do you do it? I might as well tell you , Any one of the three of the Dao Sect may be better than me! Haha! I cannot kill the Lord today, it is you who will die!"

Ye Chen smiled suddenly.

his eyes fell on the three Taoist experts.

"I will give the three of you a chance to abolish the cultivation base and kneel in front of me. I consider giving you a whole body."

Killing Lord and Daozong all changed their eyes when hearing this inexplicable words.

Looking at Ye Chen like a fool.

The killer couldn't help but laughed: "Ye Jitian, you have a problem with your brain!"

"Can you still not see the situation in front of you?"

"In that case, please trouble the three to take down this little beast! Don't take it lightly!"

"Boom!" The three breaths of Dao Sect were completely released!

The ground is like ice, as if it was frozen for thousands of miles!

The temperature within the enchantment dropped a few dozen degrees!

Snowflakes even fall.

When the meaning of ice cold stretched to the left and right of Ye Chen, countless ice cones rose from the ground!

Shuttle around Ye Chen, like a cage that confines Ye Chen to death!

At the same time, two other Taoist masters were born suddenly!

One person swept through the flames, and a sword broke through the air!

stab at Ye Chen's heart!

And the long sword of the other person pointed at the sky fiercely, and the endless thunder and lightning fell madly.

carrying this violent thunder and lightning, a sword fell from the sky!

ice, thunder, fire! The power of the three different attributes is like three behemoths, cutting off all the vitality of Ye Chen.

"You should never offend Dao Sect! Dao Sect has the right to speak in Kunlun since ancient times!"

"Anyone who offends is dead!"

Sounds like thunder blasted in Ye Chen's ears!

The killer also swallowed a pill and stood up, looking at Ye Chen's embarrassed look, he smiled gloomily:
"Ye Jitian, don't you want to kill me? Do you think you are eligible now! "

He doesn't believe it, none of the three powers can kill Ye Jitian!

The key Ye Sitian has no right to live at all now!

When Ye Xitian dies, they will break the formation of Qingxuanfeng and wash Qingxuanfeng with blood!

To cut the grass, you must remove the roots!

Ye Chen looked at the three people in front of him, without the slightest temperature, as if he was not afraid of life and death!

Suddenly, his eyes shot in the direction of the killer, and he said astonishingly: "Of course I am qualified! But, are you not curious, why do I dare to come alone?"

"Since you are dying, I might as well tell you a secret."

"I am not alone at all."

"Mo Ning'er, I will leave it to you next! Kill these three people. I will agree to your condition!"

The words fall, everything is silent.

Killing the main pupil seems to be enlarged, looking at no one around!

He didn't believe Ye Chen's words at all!

Under the ancient sorcery formations, how could someone get into it!

Even if it gets mixed in, they will notice it for the first time!

Seeing that the three forces of ice, thunder and fire were about to swallow Ye Chen, a fiery red figure actually appeared out of thin air!

That is a beautiful girl.

The girl floats, as if falling from the sky!

The toes were floating on a sword, and his cold eyes glanced at everyone, without a trace of emotion!

A golden light glowed all over her body, like a nine-day mysterious girl descending into the world.

This scene stunned everyone!

The first time horror appeared in the empty eyes of the Daozong three!

The expression of the killer is better like freezing!

Someone actually came in!

Although she is a woman, everyone present can feel the horror of this woman in red.

Daozong trio woke up, fully aware of the crisis of the woman in red, and did not hesitate, countless cones of ice suddenly formed under the ground!

turned into bursts of meteors and headed towards Mo Ning'er!

At the same time, the flame is like an ancient fierce beast, opening its huge mouth and swallowing it towards Mo Ning'er!

The sky's thunder and lightning hit Mo Ning'er fiercely!

These three people don't have any pity, Xiangxiyu! In their opinion, the level of danger for this young girl is far greater than Ye Jitian!

Mo Ning'er glanced at the three powers that came like a storm, and smiled coldly: "This kind of **** means dare to be ashamed in front of me? Now that it is here, I will let you feel what power from the ancients is!"

Mo Ning'er's cold voice resounded like thunder!

With a light wave of her show hand, the original ice-bound momentum has completely melted!

Ye Chen's shackles all turned into dust!

At the same time, the whole earth trembled violently, as if it was about to collapse at any time!

Numerous ice cones, lightning, and even flames swept toward Mo Ning'er, as if they were completely frozen!

The whole world seems to be still!

Killing the Lord and the other Daozong trio were completely dumbfounded!

What kind of means is this!

Unheard of!

"Are you surprised?"

Mo Ning'er said calmly.

"I'm even more surprised, I'm still behind! Ice Cold Sword Sea!"

When Mo Ning'er's words completely fell, the silent world seemed to be broken!

The sky is darkened, and it's black!

The four thought this was a vision, but when they saw the source of the darkness clearly their breathing seemed to stagnate!

I saw countless ice swords suddenly falling from the sky!

There are too many ice swords, densely packed!

Cover the sky and cover the sun!

The extremely cold temperature seemed to cover the Dao Sect three! They are not even qualified to move!

"Wow!"

violently getting closer, the Dao Zong trio knew very well that if they couldn't stop the icy sword sea, they would definitely die!

"Forcing the blood, burn the cultivation base to resist!"

The Taoist powerhouse carrying thunder and lightning suddenly said!

Instructed by the remaining two people, they forced a drop of blood!

The three essence blood collided in mid-air, and the cultivation base burned completely!

Their faces are pale!

At the same time, a blood barrier suddenly formed!

There is an ancient rune of Taoism on the barrier.
