Chapter 851: Not ashamed!

"Pump!"

Jianghuai blood spurts out!

Under the impact of this force, his face paled! !

"Kakkaka!"

Vaguely, everyone underneath could clearly hear the sound of bone fracture!

is not from Ye Chen, but from Jianghuai!

The next second, Jiang Huai screamed in horror, his voice was heartbreaking, and his body flew out on the spot!

He can feel how badly he is hurt!

Seeing that he was about to fall off the ring, he violently forced out a drop of essence blood, the essence blood was sacrificed, and the blood mist covered his body.

At the same time, a golden pill was taken.

The body condition is a little better.

He held the foot of the ring with his right hand, and wanted to return to the ring, but found that there was already a young man holding a cat in front of him!

is Ye Chen.

His face changed drastically, no matter how vicious, an arrow shot from the cuff.

The arrows are black and fast, and at such a short distance, there is no possibility of dodge.

This is a means his master gave him to save his life!

is enough to seriously injure most of the strong at a critical moment!

Once stabbed, Da Luo Jinxian can't be saved!

He wants Ye Chen to die!

How can he Jianghuai be kicked off the ring by a waste.

Seeing that the arrow was about to touch Ye Chen's chest, he suddenly found that the cat that Ye Chen was carrying had opened its eyes!

Those eyes are like bloodthirsty ancient beasts!

A single eye made him feel cold from behind, and the blood stopped flowing!

An invisible pressure swallowed him completely.

"Snapped!"

His eyes widened, because the cat stretched out her pink hand and directly embraced the arrow.

He knows that there is an ancient magical power in this arrow, which no human cultivator can resist, let alone a cat!

As I opened my eyes, the arrows shattered and the poison disappeared.

Under one foot, he felt the abnormality of Ye Chen's strength! At least above Void Return Realm!

This is scary enough, but I didn't expect the cat in this guy's arms to be even more terrifying!

is like a big devil!

Before he could react, Ye Chen's murderous intent broke out. With a step on his feet, his right foot came out again!

This time it hit Jianghuai's chest firmly!

A huge blood hole penetrated instantly!

The body flew unreservedly, swaying blood, and a parabola slammed under the ring!

This is far from over, Ye Chen spread his five fingers, and the spear that originally belonged to Jianghuai on the ring flew to the palm of his hand.

Ye Chen's arm shook, and the spear flew out with a whistling sound!

is even more spear-like, descending from the sky, inserting into Jianghuai's eyebrows.

The waves of air rippling, the dust splashes up, the head is shattered, and the headless corpse detonated everyone's attention!

Jianghuai is dead!

died unexpectedly!

I thought that Jianghuai would crush Ye Chen under the ring, but he didn't expect that in the end it would be Jianghuai who fell off the ring, and he didn't even have the right to survive!

"Are Qingluanzong all these vulnerable waste?"

Ye Chen hugged the little yellow in his arms, like a Hanmei independent, but the cold voice was blowing in everyone's ears.

Ye Chen said this to Qingluanzong!

At this moment, the scene is extremely quiet.

even makes people feel suffocating.

It wasn't until a cold wind hit outside the city of Qianjue that everyone couldn't help but beat a spirit, and then they came back to their senses.

"Boom!"

Next one, the field is boiling!

even affected the remaining arenas that are being eliminated.

"The root waste of the God of Medicine actually killed the Jianghuai of Qingluanzong with two feet!"

"I didn't have a dream, right? That guy is holding a cat, and JAC is not even qualified to resist!"

"There is no resistance! This is really the \*\*\*\* Fangen that was ruthlessly kicked off the ring five years ago?"

"The bursting power of that guy just now is approaching the Return to Void Realm! How could it be possible!"

The scene is chaotic!

can't believe it!

No one would have thought that their least optimistic would have won!

even makes people feel like a dream.

At this moment, their eyes became in awe!

At this moment, they only have dignity and shock!

Xiaobi and Old Xue of the God of Medicine were completely stunned!

don't know what to say!

The God of Medicine actually won?

But Ji Lin was lying on a chair, eating potato chips, and gave Ye Chen a white glance: "This guy is going to die if he doesn't pretend to be? But the strength is indeed much stronger, and I don't know how he did it! What's the matter with the orange cat in here? When did this guy start raising cats?"

The beautiful eyes of Ji Siqing on the referee's bench were flowing, and there was still some worry, but seeing this scene, the stone in his heart fell completely.

It seemed that her worry about Ye Chen was unnecessary.

The real Ye Chen is back.

The clearest thing about all this is Mr. Zheng. He glanced at Ye Chen suspiciously, arousing curiosity for the first time.

A kid who clearly entered the Holy Realm cultivation base, actually crushed the powerhouse who was almost about to enter the Void Return Realm?

This is not only used to describe horror, it is simply a monster!

At this critical moment, he still can't see the depth of that kid!

"Jianghuai!"

Suddenly, in the area of Qingluanzong, Hua Ruohuan and the other two disciples saw the headless corpse and exclaimed completely.

Qingluanzong disciple actually ended up like this, it is really shameful!

Even the elder Qingluanzong on the referee's bench exudes a strong anger.

He tried to make a move several times, but found that a girl's eyes were staring at him.

It seems that as long as he makes a move, this girl will make a move!

"Ye Chen, you are looking for death! The battle of the ring, until the end, why do you want to be so cruel! Do you know how important Jianghuai is to our Qingluan Sect! You are irritating everyone!"

Hua Ruohuan roared!

"Senior Sister Request to play!!"

"Senior Sister, I also request to go to war! I want this kid to feel the horror of Qingluanzong's sword intent!"

Hua Ruohuan knows Ye Chen's terrible! But she and Ye Chen had an enemy! She should solve it!

She wants to kill everything at all costs!

She wants Ye Chen to enjoy endless torture!

"You two retreat, give me this medical sacred crap!"

After finishing speaking, Hua Ruohuan withdrew the long sword from his waist, ready to step on the ring!

Ye Chen probably hasn't recovered his dantian, this is the best chance!

"Sister!"

"Sister!"

The two genius disciples of Qingluanzong quickly said.

After all, the more the wheel fights behind, the more advantageous! They hope that Senior Sister will finally play!

At this moment, the indifferent voice of the young man on the ring slowly fell: "You have too much nonsense. Since you all want to fight, how about I let you go together! After all, I don't want to spend any more time on your rubbish. on!"

As soon as the words came out, the audience instantly ignited.

They finally got over from Ye Chen's crushing Jianghuai, but they didn't expect Ye Chen to challenge the three at one go?

A disciple of the medical sect actually brazenly challenged the three top geniuses of the Qingluan sect?

Chapter 852: Is this guy really a doctor?

madman!

Completely crazy!

Zheng Lao frowned and persuaded: "Ye Chen, this matter is not trivial. Although you have to face a wheel fight, the wheel fight is better than one-on-three. You must have capital for your arrogance! When you lose your life, you will regret it. It's time!"

Ye Chen ignored Zheng Lao, but looked at Hua Ruohuan and the other two: "Of course, if you are afraid, I can kill them one by one."

"It's just too challenging!"

The three of them rushed to the top of their heads with anger.

Once Ye Chen defeated these three, it would definitely become the most exciting battle ever!

The key is that all this comes from a root waste!

Who can think of it!

"Since Ye Chen insists on seeking death, then our Qingluan Sect will fulfill you!"

Check out new PVP arena battles!

"It's just that you will immediately understand how ridiculous your decision today is!"

The words fell, Hua Ruohuan and the other two people rose up into the sky!

climbed to the extreme!

Three green spirit swords were directly sacrificed, and the aura of the entire ring was completely changed!

It is impossible for one person to kill three people!

Unless you step into the Void King Realm!

But Ye Chen is so old, let alone the Void King Realm, even returning to the Void Realm is very difficult!

Facing these three people, Ye Chen didn't dare to take it lightly, placing Xiao Huang in his arms cautiously in the corner.

I thought everything was stable, but Xiao Huang opened his eyes and came to Ye Chen's shoulder again.

As if to fight alongside Ye Chen.

"Since you want to follow it, follow it, it is dangerous, pay attention to yourself!"

The words fell, two cold lights shot out, it was the two Qingluanzong disciples!

did not leave any hands, once touched, the body will definitely be ruthlessly torn!

Ye Chen took out a sword from the reincarnation cemetery. Because of the refinement of the \*\*\*\* thunder and the promotion of his cultivation, his strength and physical body had long changed.

The sound of "clang" sounded continuously, the sword intent was overwhelming, and Ye Chen was instantly blocked by Ye Chen!

There is a slight numb vibration in his arm, but it does not affect Ye Chen's strength!

Round sword intent, he has inherited the Sword Master of Ten Thousand Ways!

Except for Wandao Sword Sovereign, who in Kunlun Xu now dares to use a sword in front of him!

Hua Ruohuan didn't make a move because he was observing Ye Chen for fear of accidents.

Master confessed kindly, you must be careful of Ye Chen!

She dare not be careless!

Seeing that the sword intent of the two junior brothers was about to swallow Ye Chen, he quickly shot!

The blue spirit sword in his hand is like a dragon flying into the sky, cutting through the sky.

The blue light tore through the space, and the sound of violent cremation was too scary,

The cold wind blew, solidifying the ring and the entire Qianjue Square!

At this moment, the whole world fell into a deadly silence.

This is the Tao of Hua Ruohuan!

For this day, he has been preparing for too long!

"Qingluan Yunyou sword, cut!"

The use of this trick is extremely dazzling!

The powerful breath even made Ye Chen hard to breathe.

Ye Chen found that Hua Ruohuan was stronger than before!

It is obvious that Granny Hua used a secret method to this guy!

Ye Chen felt that his heartbeat, as if swept along with this sword, stopped beating.

This discovery made his heart sink suddenly, and his look became ugly.

The crisis came suddenly.

The breath of death seems to sweep everything in the ring.

For a time, Ye Chenru was stuck in the quagmire, unable to extricate himself.

"Sister, we can give you a helping hand!"

Under the sword intent, the two juniors came directly behind Hua Ruohuan and forced a drop of blood!

Essence and true energy flow away!

The vision is shaking, and the Qingluan Yunyou Sword seems to turn into a Qingluan, his body is constantly growing! Full of fairy spirit!

Qingluan kept approaching Ye Chen, its huge mouth opened, as if it could swallow them together.

Ye Chen is so bad and bad!

"Looking for death!"

In that cold light swept over like a dragon, and wanted to swallow Ye Chen, Ye Chen said coldly when the blood was almost frozen!

The power of the divine thunder originally refined in the body burst out!

His whole body is surrounded by a crazy arc!

This is completely different from the thunder and lightning of the natal talisman! More powerful, even uncontrollable!

Ye Chen's body seemed to form a beam of thunder!

"Thunder breaks nine days!"

This move is part of Duan Leiren's memory, and one of the few treasures left to Ye Chen.

Shen Lei can only exert his full power with Duan Leiren's technique!

Ye Chen carried countless thunder intents, the air burst and opened, and everything changed under one sword. With a sword, the world shook.

"Boom!"

There are cracks in the whole ring, and the formation is about to collapse!

A trace of the spirit of thunder swallowed the sword in his hand, not only that, but the unquenchable fire in the center of his eyebrows burst out!

constitutes thunder fire!

Hua Ruohuan They never thought that Ye Chen would have such power. Under the influence of Divine Thunder and Immortal Fire, blood overflowed from the corners of their mouths!

got a backlash!

Lost at all!

"I still want to resist. In that case, I will let you feel what fear is!"

Ye Chen roared, his eyes were extremely sharp.

At this moment, he is surrounded by thunder and fire! Raising the sword aloft, the thunder and lightning crashed down!

"Crack!"

Qingluan wanders around the sword intent, and breaks directly!

The body of the three of them took a full five or six steps backwards!

is still invincible!

The aura on the ring was too depressing, Hua Ruohuan seemed to feel a storm is coming, and quickly said to the two people around him: "No, leave now!"

"Want to go, have you asked me!"

Ye Chen roared! Thunder burst! The wind howled.

The red thunder light, like a sword intent falling down!

A terrifying momentum descends like a mountain, suppressing all directions.

Qianjue Square is ten miles around, the aura is controlled, the rest of the arena, one after another stopped fighting, they found that their cultivation base seemed to be suppressed!

What kind of power is it!

countless eyes looked at Ye Chen, who was holding thunder and lightning,  
At this moment, it seems that Ye Chen is the master of this world.

It seems that once his sword falls, he will scroll thousands of troops and horses, scroll thousands of star behemoths, unstoppable.

"Fall!"

Finally, that power has fallen!

The formation of the arena bursts apart, it can't carry it!

The blow that fell from the sky seemed to turn into three gangs and blast towards Hua Ruohuan and the other two!

These three people seem to be imprisoned and unable to move!

Who would have thought that Ye Chen could actually provoke thunder and lightning?

Isn't this guy a disciple of the God of Medicine? How come you have cultivated into attributes!

Seeing the sword fall, the smiles on the three people's faces solidified.

Weeping and crying!

They want to block, but how to block it!

is not the same level at all!

his face was horrified, his face was shocked.

Even the two Qingluanzong disciples could no longer withstand the pressure, and they all knelt in front of Ye Chen!

They want to live!

"My lord, please go around us!"

Before the words were spoken, the violent force swallowed Hua Ruohuan and the two of them!

Three bodies, all turned into blood mist!

There are no dead bodies!

The smell of blood is in the air, making the whole world completely quiet...

Chapter 853: I owe you

Qianjue Square has never been as quiet as this moment.

can be heard as if a needle fell on the ground.

Ye Chen killed the outer disciple of Qingluanzong, they might still understand.

even beheading Jiang Huai, they can only accept the facts in front of them.

But Ye Chen faced two genius disciples of Qingluanzong, plus Hua Ruohuan, how could it be so simple to beheaded!

Hua Ruohuan is even a definite candidate to enter the top ten!

is also Qingluanzong's greatest hope to the end!

But at this moment, this hope just turned into a bubble.

Who can accept it!

It took ten seconds for the silent crowd to hear waves of movement!

The movement is getting louder and louder, even becoming noisy.

"Is this really the waste of that medical god? How...how did it become so domineering!"

"Isn't Duan Huaian of the God of Medicine incapable of using martial arts? It was even wiped out by Dao Zong's dantian. How can a waste without dantian teach this kind of apprentice?"

"You speak softly, and you haven't seen what the end of Qingluanzong who has offended the Shenshen Sect? If Ye Chen hears it, maybe he will come and erase you directly!"

Countless people looked at Ye Chen again, only fear and amazement remained in their eyes.

They know very well that if they can kill the three genius disciples of Qingluanzong so calmly, their strength is likely to be above the Saint King Realm or even the Return to Void Realm, and the Saint Realm aura that erupts from Ye Chen is just to paralyze everyone. That's it.

Most of the people present boasted that they did not have the strength of Hua Ruohuan, so naturally they did not dare to speak ill of God of Medicine behind Ye Chen.

This guy is an out-and-out lunatic, and the ghost knows whether he will make a desperate move in the next second.

And at the moment, an old woman on crutches under the ring.

His face full of wrinkles is hideous!

Her body trembled!

An invisible anger swept away!

Hua Ruohuan is dead!

Her favorite apprentice died!

was just beheaded by that little beast.

It was too late for her to make a move!

She regretted herself, and even more hated Ye Chen of the God of Medicine!

It's like a child she raised by herself, being ruined like this!

No one can understand the pain and anger in her heart at this time!

"Snapped!"

She stood up and swept through her powerful energy, and the chair behind her shattered into powder on the spot, and then a terrifying roar resounded throughout Qianjue Square!

"Ye Chen! I'm going to kill you! You little beast, dare to kill my lover! Give me the life of Ruohuan!"

The words fell, Granny Hua couldn't help it anymore, the paint on the walking stick in her hand was completely peeled off, and the silver light was extremely dazzling!

seems to have become a weapon that does not know whether it is a gun or a sword!

Although the origin is unknown, the power contained in this weapon is terrifying!

is not something that people present can stop!

A powerful flame glowed on the crutch, and the flame formed, and the surrounding temperature increased by ten degrees!

Some people approaching, their clothes are even more burnt and deformed!

Seeing that Granny Hua was about to head towards the ring, a beautiful shadow slowly fell, and even stood in front of Granny Hua.

The long sword in Qianying's hand danced, and a wall of tens of feet of ice suddenly appeared.

Flame and ice collide!

is almost the same!

"As the elders of the Qingluanzong, do you treat our referees as air? If you insist on doing this, don't blame me Ji Siqing for being polite!"

The cold voice just fell, revealing the genius girl's undoubtedly.

Ye Chen on the ring saw Ji Siqing making a move for the first time in a real sense. He knew that Ji Siqing was very strong, but he did not expect to be so strong!

The power contained in the cane was blocked like this!

Although Ji Siqing took a small step back, after all, she made a temporary move!

"How is the true strength of this girl?"

Ye Chen murmured.

And at this moment, the mother-in-law Hua saw Ji Siqing actually blocking her, her eyes were cold: "Ji Siqing, are you determined to protect this little beast? In the Land of Killing, I think you have let go of this little beast, but it seems that I was wrong! I should have killed this little beast in the first place!"

"Even if you are a referee, Ye Chen don't want to walk out of Qianjue Square alive today!"

"You can protect him for a while, it is impossible that you can protect him for the rest of your life!"

Although Ji Siqing is very strong, she is not afraid, and no one can stop her from avenging Hua Ruohuan today!

Keeping this kid is always a curse, not to mention that she has already agreed to a battle with Ye Chen, this is just an opportunity.

Ji Siqing had a murderous intent on her body, the wind was rising, her sleeves were dancing, and her hair was floating. Her eyes glanced at Granny Hua, and said: "Can I protect him for the rest of my life? Let's not say, the result just now is tens of thousands. Everyone has seen it, it's obviously that your Qingluanzong disciple has been defeated, and your skills are not as good as humans. Is it because something happens to turn your face?"

If this is the case, then you, the elder of the Qingluanzong, are not so good! "

Granny Hua's face was red and her ears were red. Just about to say something, Taoist Nanming quietly came to Granny Hua's side, patted Granny Hua's shoulder lightly, and gave a gesture: "Give it to me."

Granny Hua hesitated for a few seconds, then nodded and took a step back.

"I hope you are clear that Hua Ruohuan and the other disciples are too important to the sect. If the lord knows the result, it will be furious, and the first object of anger will be you and me! "

Daoist Nanming narrowed his eyes, then looked at Ji Siqing and said, "Miss Ji, you and I are both referees. You should know that this arena is a place for martial artists to compete and stop. But Ye Chen killed four people one after another, and deliberately. Is it a bit too late for this?"

"Also! Since Ye Chen ignoring the rules to kill people just now, the order here has been completely destroyed by him. If this continues, Qianjue Square will only become a battlefield for killing, which violates the Kunlun Xuzongmen genius battle. Original intention."

"For such a murderous guy, I don't think we should let him act recklessly!"

Obviously, Taoist Nanming does not intend to leave Ye Chen!

He must die!

Ji Siqing hadn't spoken yet, but Qiu Laocheng, who was standing next to Wuzong, stood up and supported him: "Siqing, I have observed this young man many times. From the very beginning, this guy's way seems to be killing. I feel that if this guy is left alone, it is definitely Kunlun Xu's nightmare. This unstable factor must be strangled in advance! Otherwise, given 20 years, it will definitely become Kunlun Xu's supremacy!"

Ji Siqing naturally couldn't bother, and said indifferently: "Taoist Nanming, some things are the general trend. What I saw is really true, Ye Chen is not wrong, if it is wrong, it is also your Qingluanzong's problem!"

Hearing these words, Ye Chen on the ring felt warm.

Five or six years have passed, Ji Siqing's personality has become more and more cold, but his feelings about himself have never changed.

Chapter 854: This is the best explanation!

Although I don't know why the other party helped me, it is not important anymore.

He now has the strength to shelter this woman from the wind and rain, and to repay those old favors.

Taoist Nanming knew that Ji Siqing would say this, so he stretched out his hand, pointed at Ye Chen, and said, "Ji Siqing, I don't care about going through, just the result! So many people will die after a long time! If we are eliminated again, I'm afraid Kunlun will be empty. The number of participants will drop sharply!"

Taoist Nanming put his hands behind him, walked a few steps forward, and continued: "In a sense, Ye Chen's behavior has broken the rules! The entire game has become smoky because of him! This kind of person must never stay. !"

"Whether you agree with it or not, and whether you stand in that little beast's position or not, you have no right to object! Six referees can vote when they disagree with a certain matter! The minority obeys the majority! This is Mr. Jingshui proposed! Ji Siqing, do you remember!"

Raid: Shadow Legends! Play Now!

Hearing Mr. Jingshui, Ji Siqing and the other referees' expressions changed completely.

If you want to say that the real authority of this game is Mr. Kagamizu!

One hundred years ago, he personally created this prosperous age, and it continues to this day.

Not only that, Mr. Jingshui's apprentices are famous all over the world, and he is the first Kunlun Xu to abandon the nature of sects and accept them!

The elders in many sects of Kunlun Xu are all apprentices of Mr. Jingshui!

You can see the light of connections!

Kunlun Xu Few people are willing to offend this wicked, powerful and respected old man!

Ji Siqing's pink fist clenched, her teeth bitten, and he said seriously: "Of course I know what Mr. Jingshui raised! I have no opinion!"

"Okay!" Taoist Nanming cast his gaze at the other four and said directly, "Those who think that Ye Chen shouldn't be dealt with, please raise your hands!"

The words fell, but no one raised their hands!

Except for Ji Siqing's lonely showman!

Except for herself, all the referees are on the side of Taoist Nanming.

Even Mr. Zheng is the same!

He is optimistic about Ye Chen, but Ye Chen's murderous intentions are too serious. Such people are extremely likely to make detours in the future!

The entire Kunlun Xu will be lost at that time!

can't lose big because of small!

Taoist Nanming was very satisfied with the result, and sneered: "Ji Siqing, the result is obvious now, can you stop it?"

Ji Siqing bit her lip lightly. She couldn't possibly cause Ye Chen to have an accident. After hesitating for a few seconds, she pointed her long sword, tapped her toes, and came to the ring.

stood in front of Ye Chen.

"This is your decision, but I still want to protect him, Ji Siqing! If you want to move him, first ask if my sword promises!"

Ji Siqing is very clear that Ye Chen's strength is indeed a lot stronger, and he can even crush the three strong, but if he faces these referees and official power, he will definitely die!

At this time, if she does not stand up to protect Ye Chen, who will protect it!

She can't just watch Ye Chen accident!

Qingluanzong's mother-in-law Hua saw this scene, but she looked at Ye Chen: "Little beast, is it possible that you have to hide behind a woman for the rest of your life? Not to mention, I really look down on your little white face who only depends on women. ."

"Without Ji Siqing, you might have died five years ago. How would you qualify to stand here!"

Ji Siqing just wanted to say something, but a hand was patted on her shoulder.

She was startled.

Put it in the usual way, when someone of the opposite \*\*\*\* touched her shoulder, she had been beheaded with a sword long ago, but she knew it was Ye Chen's hand.

"give it to me."

A magnetic voice sounded.

Then, Ye Chen's body passed her, and even blocked her.

Ji Siqing discovered for the first time that Ye Chen's originally weak shoulders had actually become much wider.

This is no longer the shoulder of a depressed boy, but the shoulder of a man.

The man who stands up and down.

"But their strength, you can't stop it..." Ji Siqing hesitated.

Ye Chen smiled, very gentle: "You have to believe me."

Suddenly, he turned around, his gentle smile no longer! His face instantly became gloomy, and blood suddenly appeared all over his body!

Vaguely, there seemed to be the sound of dragons in the body.

Ye Chen's cold eyes shot at Granny Hua, Taoist Nanming and the others, saying word by word: "You guys that are so good-looking, you want to shoot me, I have no objection, but you have to calculate if you have a written account!"

He paused for a few seconds, and then suddenly stretched out his hand and pointed at the elder Hua Granny of the Qingluanzong!

said word by word: "Old lady, do you remember the previous vows in the Slaughter Land? Now get me up and die!"

The voice shook the sky, like a nine-day profound thunder exploding in everyone's hearts!

Qingluanzong is so stupid!

Nanming Taoist is also dumbfounded!

Qiu Laocheng almost stared out!

Xiaobi of the God of Medicine Covered her mouth!

Ji Lin, who was eating snacks, shook his wrist, all the snacks spilled out!

Everyone present seemed to be stunned by Ye Chen's anger!

No one would have thought that in such a situation, Ye Chen of the God of Medicine Sect actually let an elder of the Zong Sect go up and die?

This is no ordinary Xiaozong!

This is Qingluanzong!

And this elder is still a flower mother!

Granny Hua's reputation in Kunlun is extremely deterrent!

Although not a top powerhouse in Kunlun Xu, it is not a junior who can yell at her so much!

Everyone thinks Ye Chen is crazy!

This is the last struggle of a rubbish!

but did not expect that at this time, Granny Hua smiled grinned sinisterly!

The body that buckled in the next second, with a light footstep, stepped directly onto the ring!

face to face with Ye Chen!

The chill is surging, making the whole world seem to freeze!

This change has come so fast, Granny Hua actually challenged!

A long-standing predecessor has actually taken the challenge of an unknown junior!

With such a huge disparity, why does Granny Hua challenge?

Do you want to kill this Ye Chen to avenge Hua Ruohuan?

This is the best explanation!

Nanming Taoist finally couldn't help but said: "Mrs. Hua, what are you doing, your identity, and you still have to deal with this kid?"

Granny Hua replied: "I met this kid a few days ago, but I had this promise! I thought this kid was in a situation he didn't dare to fight, now it seems that this guy wants to struggle before he died, so I let him understand What is the real fear!"

Nanming Taoist no longer speaks, anyway, he is dead, this little beast died at the hands of the Qingluanzong in the presence of countless sect young talents, this may be more effective than the official execution!

Ji Siqing shook his head, the one who should have come is here.

She can worry about nothing, but she is really worried about this battle.

The difference in strength is too great.

Ye Chen enters the holy realm, even if the power of the peak of the holy king realm or the initial stage of the return to the virtual realm can erupt, it is not enough to face Granny Hua!

Chapter 855: Enough to crush!

Even if she faces Granny Hua, she doesn't necessarily have a chance of winning. m

In addition, Ye Chen's Dantian didn't have much real energy, and this battle was almost a loser.

She looked at Ye Chen with beautiful eyes: "If you should not fight, no one will blame you, after all, you are too far apart from this person."

Ye Chen was touching Xiao Huang in his arms at the moment, and replied: "You can rest assured, isn't it just an old woman with early menopause, she wants to kill me, it's not that simple."

Listening to Ye Chen's so eloquent words, Ji Siqing sighed and left the ring directly and stood in the position of Ji Lin under the stage.

"Sister, what do you say if Ye Chen dies?" Ji Lin asked with some worry.

Although sometimes she looked down on Ye Chen, but no matter what, she and Ye Chen also had some friendship, and she didn't want Ye Chen to have an accident.

Ji Siqing did not speak, but closed his eyes, trying to calm himself down.

She helped this Fangen boy for five years. After all, the two were not the same. She couldn't protect him for the rest of his life.

Since all this is Ye Chen's decision, he should bear it alone.

Life and death are up to fate.

"Sister, do you care about Ye Chen?" Ji Lin said.

"I persuaded him at the beginning that he himself wanted to make this vow with Granny Hua. He insisted on seeking death. What shall I do for him!"

Ji Siqing spit out a word, then ignored Ye Chen.

The entire square is extremely noisy.

Everyone is laughing at Ye Chen's irresponsibility!

But one person has extremely serious eyes.

is Wei Ying!

Wei Ying was mixed in the crowd, her posture was cold and cold. There was no one in her five-meter radius.

is this five-meter place. Once it gets close, the cultivator can become an ice sculpture.

This is like a spectacle.

Some people naturally noticed Wei Ying, but no matter how they investigate, they don't know Wei Ying's identity.

It's like suddenly appearing in Kunlun Xu.

At this moment, there was a sneer on Wei Ying's desperate face: "This guy is not superficial, Ji Siqing is so strong, Wei Ying, Wei Ying, if you don't have me, do you think you can capture this man's heart? "

Suddenly, Wei Ying's eyes suddenly changed, as if she had changed.

"I know you are very strong, and we have reached an agreement, please help Mr. Ye! I really beg you!"

Wei Ying's voice was a little bit crying.

The \*\*\*\* cold body shook his head: "Wei Ying, can't you see that this kid is responsible for it? Even Ji Siqing gave up, what can I do, but don't worry, after this kid's death, if no one collects his body, I will help a lot, and it is also a thank you to this kid for taking me to Kunlun Xu."

.....

At the same time, above the central ring.

One old and one young figure, fighting against each other.

This war of disparity seems like a joke!

Although it is a joke, everyone is also curious, what kind of death the kid named Ye Chen would be!

Granny Hua looked at Ye Chen indifferently and proudly, saying every word: "I said that day, little beast, as long as you can survive my three moves, even if I lose, I originally planned to give you a good way to die, but now I changed my attention. Within one move, I will make you worse off than death!"

Ye Chen held Xiao Huang in his arms, Xiao Huang was already awake, stretched out, and climbed onto Ye Chen's shoulders, with his hair straight and staring at Granny Hua!

roared softly, as if rushing out at any time!

"Little waste, your cat is not pleasing to my eyes. In that case, I will also erase it."

The words fell, the wind lady moved!

"Little beast, you can continue with the first trick. This may be your last chance to breathe air!"

"Green virtual palm!"

Under a cold snort, a palm blasted out!

Mother-in-law Hua's skinny hands are surrounded by countless infuriating energy, and all the spiritual energy from heaven and earth moves toward her palm.

The ring is even more shaken!

The cold wind swept across, and a palm print that looked like a substance quickly shot towards Ye Chen.

The palm print is getting bigger and bigger, and the green light is exposed, almost covering the whole ring.

Nan Ming Taoist saw that Granny Hua did not leave her hands, touched his beard and nodded.

This kid named Ye Chen suddenly rose up.

is too weird.

Immediately killing is the key.

Just when the palm print was close to Ye Chen, Ye Chen's long sword was sacrificed, and the sword crashed!

The inextinguishable fire of this sword burst out, and the sword intent slashed on the palm prints with flames.

A crack appears!

Ye Chen was overjoyed. He thought that a move was completely broken by him, but he didn't expect that the split palm print turned into ten thousand ways!

is swept in densely, like a giant beast with a big mouth, wanting to swallow him!

Ye Chen's face changed slightly, his fingers pinched the tactics, and he wanted to stop him, but found that it was too late!

In desperation, he could only put the long sword in his hand horizontally in front of him, and the sword intent continued to cleave!

"Boom!"

The thunder and lightning of the life talisman burst out, and in a blink of an eye, all over the sky, weaving a net of heaven and earth!

stood in front of Ye Chenshen.

"bump!"

When the palm print touched, the Thunder Net and Sword Qi could still block a bit, but when it came to the back, the Thunder Net was torn apart ruthlessly.

The gap is too big!

Although he has the ability to leapfrog battle, but his tan's true energy is the biggest weakness!

can't last so long!

"Wow!"

The palm prints overlapped one after another, and they turned into substance and blasted on Ye Chen's body.

Ye Chen flew out on the spot!

Blood was rising, a trace of blood was exposed at the corner of his mouth, and his body was heavily hit on the ring.

"Little beast, how about this trick? But you are really unexpected. It is very difficult for ordinary juniors to hold on to my life, but you did it. I have to say I was born to you. A hint of curiosity!"

Granny Hua sneered.

In her eyes, Ye Chen is already like a powerful crossbow, as long as there is another hand, he will definitely die!

Ye Chen stood up, staring at Granny Hua stubbornly, but smiled: "This kind of power, are you tickling people?"

Granny Hua's face looked terrifying when she heard these words: "Little beast, death is imminent, and her mouth is hard, I see if you can hold on to the second move!"

The next second, her skinny hand held the cane!

drew a blue rune in the air gently.

The runes flickered, the aura burst out, and Mother Hua came out with a weapon.

"Boom!"

The flame enveloped the ring, and the temperature instantly increased by nearly Baidu!

The gusty wind swept across, the sword energy is vertical and horizontal.

a burst of roar exploded.

exploded with the roar, filled the sky with blue light, floating around.

Once Ye Chen swallows Ye Chen, he will definitely die!

Ye Chen snorted coldly, forcing a drop of blood, and at the same time, a silver needle appeared in his hand!

is Lin Qingxuan's silver needle!

He dare not take it lightly!

Once lost, use this trick to crack!

"Little beast, if you don't die this trick, I will take you!"

Granny Hua has great confidence this time, enough to crush.

Chapter 856: Who can stop!

After all, there is almost no such thing as a weapon that can be sacrificed to her and still alive!

Not to mention a badly injured waste!

Her weapon was made from part of the ancient spirit stone, but the sword in Ye Chen's hand didn't know what it was, how to stop it!

Just when her crutches carried the meaning of heaven and earth and wanted to break everything, she found that the kid closed his eyes. m

"Humph!"

Granny Hua gave a cold snort, condensing her strength to the extreme, and there was a faint vibration in the entire Qianjue Square.

is terrifying.

Seeing that the crutch is about to touch Ye Chen!

Ye Chen opened his eyes, his powerful confidence spread, and he threw away the sword in his hand!

just holding a silver needle that is almost invisible to the naked eye, rushed up.

At this moment, everyone in the audience was dumbfounded.

Ji Siqing and Wei Ying have weird expressions. They still know Ye Chen among many people, but this is really hard to understand!

Abandon the sword and resist with the flesh?

What kind of fool is this to make such a decision!

There may have been a chance to have the whole body, so it might turn into a blood mist on the spot.

In the eyes of countless people's doubts, Ye Chen used the power to break through the gods!

A sense of desolation radiated from him!

The power outside the ring seemed to be completely absorbed, and the aura in the air was crazily condensed!

Ok?

Granny Hua feels something is wrong.

There is even a trace of anxiety in her heart, which is faintly formed.

is like something big going to happen.

Suddenly, she noticed that Ye Chen opened her five fingers and shook her crutch frantically.

"Crack!"

Ye Chen could feel that the closer he got, his arms seemed to be all broken!

This power is far beyond what he can bear.

no longer hesitated, the inextinguishable fire between Ye Chen's eyebrows suddenly transferred to his hands.

Flames, lightning and lightning surrounded at the same time, Ye Chen held back the pain in his hand, broke through all obstacles, and directly held one end of the crutch.

"what!"

His veins were violent, and his roar was like a wild beast.

At the same time, take advantage of the power of the gods to thoroughly display.

The power on the crutch is transferred mercilessly!

Take advantage of the situation!

"this is....."

Granny Hua felt something was wrong, and wanted to take back the crutch, but she didn't expect that a terrifying roar burst in her ear!

"Your weapon, I want it!"

"Boom!"

Taking advantage of the power of the gods to break out at a certain moment, the whole sky is like the doomsday!

the ring is even more shocking.

Ye Chen borrowed all the arms that were over the other hand, stepped out one step, and the other hand held the middle of the crutches with monstrous power.

Granny Hua was aware of the crisis, and as soon as she pinched her formula to stop it, an extremely shocking force erupted from Ye Chen's body!

The boundless waves of air are rippling away!

"bump!"

The crutch in the hands of Granny Hua was directly taken away by Ye Chen!

At the same time, an invisible force pushed her away!

She almost fell to the ground!

Wandering to the extreme!

Who would have thought that Ye Chen's attack would have such a destructive power.

The key point, she also found that Ye Chen's power seemed to be the same as hers!

What the \*\*\*\* is this!

It is absolutely impossible for such power to appear in such a waste body!

Granny Hua completely reacted and stepped forward: "Ant, return my weapon to me!"

"Back to you?"

Ye Chen smiled coldly, the violent power on his arm has not dissipated!

His eyes are full of craziness!

"If you want to get it back, you have to get it!"

The words fell, Ye Chen took three steps in one direction, his body was in a javelin posture, and his right arm clutching the cane burst out!

let go!

The energy comes out violently!

The crutch suddenly turned into a meteor, heading towards the ice sword left by the thousand-feeling mysterious girl outside!

The meteorite falling into the earth is not so spectacular!

"boom!"

After ten seconds, under the horrified eyes of countless people, the crutch was inserted in the ice sword!

more than 100 meters, it can even be said to be deep into the clouds!

If it weren't for the distance that a cultivator could stare at with the naked eye, the average person would never find it.

Such a distance, it is very difficult for ordinary cultivators to get it back!

Besides, that great thing is the thing that might have left behind and inserted it, who dares to touch it!

Everyone present was dumbfounded.

They couldn't think that Ye Chen not only withstood the two tricks of Granny Hua, but also embarrassed Granny Hua in the second move!

What kind of genius is this!

The sound of exclamation is like waves rippling through the crowd!

Ji Siqing opened her small mouth slightly, her beautiful eyes are full of confusion, and she never dreamed that this would be the result.

What did this guy go through? For a moment, she even thought that the future achievements of this guy might be the same as that of Ye Jitian who shook Kunlun.

A trace of killing intent flashed through the eyes of Taoist Nanming, and for the first time he had a strong killing intent on Ye Chen.

The key to Ye Chen's existence far exceeds the controllable factors!

stopped hesitating, and said to Granny Hua on the stage: "Hurry up and kill this kid!"

Granny Hua ignored her, she was completely angry! Rushed towards Ye Chen!

"Little beast, you are looking for death!"

Ye Chen smiled coldly, he glanced around, did not fight back, but did not rush to pinch his fingers.

The spirit stone shoots out, the eyes rise, and a masking formation acts on the ring.

In an instant, everything in the ring was not noticed by the outside world.

Ye Xitian's identity cannot be revealed yet, once exposed, only the dead can see it.

And Granny Hua is in his eyes, this is the dead man!

Mother-in-law Hua saw Ye Chen set up an array and sneered again and again: "Ant, are you afraid that everyone knows how miserable you are!"

Her momentum has risen, almost to the extreme!

At this moment, she is even a god!

The \*\*\*\* who crushes everything!

"Ant, kneel down and die!"

Go away with endless pressure! It was completely resolved by Xiao Huang.

Ye Chen played with the silver needle in his hand, raised his head, and said, "Before you die, I will tell you a secretHow about?"

Granny Hua was startled, and subconsciously said: "What?"

Suddenly, Ye Chen moved!

Endless power goes toward the silver needle!

The \*\*\*\* thunder of the body gushes out frantically!

The red \*\*\*\* of thunder surrounds it, like a \*\*\*\* of thunder.

Granny Hua naturally felt the power of the divine thunder, her eyes widened: "How is it possible, this is the power of the divine thunder, you...you are..."

The silver needle in Ye Chen's hand was instantly awakened, with a roar: "I still have another name, Ye Jitian!"

In an instant, it shone brightly and covered it!

"Swish!" Silver Needle broke free of Ye Chen's arm and flew out!

"Boom!"

Killing intent rises, the power of heaven and earth is used! Red God Thunder Package!

The boundless energy condenses, and the small silver needle expands on the spot!

In a blink of an eye, it turned into a crimson long spear!

The spear that surrounds the \*\*\*\* thunder!

Lin Qingxuan's silver needle is already powerful, if it is coupled with the power of the thunder!

Who can stop!

Granny Hua's eyes widened, it was incredible!

There are only three words in her mind, Ye Jitian!

Ye Chen turned out to be Ye Jiantian!

how is this possible!

Chapter 857: Harmless to humans and animals

impossible! Granny Hua denied on the spot! But when he felt the power of the hundred-zhang spear, he had to believe it! How could a waste grow to this point so fast! There is no explanation except Ye Sitian! Ye Xitian likes to wear a mask, and his disguise state shows that no one has seen his true face. m. I only know the existence of Ye Jitian, like a nightmare, once it comes out, it will inevitably lead to the Kunlun virtual earthquake! Ye Xitian controls the divine thunder, flames, and even the path of medicine, which is less than thirty. Everything coincides with the youth in front of you at this moment! At this moment, Granny Hua is completely certain that Ye Chen is Ye Sution! by! How did he provoke this evil \*\*\*\* in the end! The key is that the place where he is stepping on is the place where Qian Jue Xuan Nu warned the world! Ye Xitian is a disciple of Qian Jue Xuan Nu. With such an identity, what right does he have to touch! No matter how she reacted, the hundred-zhang long spear carrying the divine thunder broke through the air! She had no choice, although she was injured, she forced a drop of blood to stop her. The power of essence and blood has not been released yet, the spear broke open! The essence and blood turned into blood mist on the spot! unstoppable! The dazzling fire and thunder flickered, and the earth trembled violently. God Lei violently swallowed Granny Hua's body! "Bang!" Mother Hua couldn't bear it anymore, her body flew out! A mouthful of blood spurted out! Finally smashed into the corner of the ring. She just wanted to stand up, but Ye Chen rushed over, because he used a part of the power of the divine thunder and the silver needle, the power of his dantian had been exhausted a bit. Therefore, Ye Chen must take action when Granny Hua is weakest! Otherwise the consequences would be disastrous! Zhanlongwen Tianjian directly sacrificed! The calm arena was stirred up by the boundless air wave. The wind swept! The waves are huge. Ye Chen raised the Dragon Slashing Question Heaven Sword and cut directly at the head of Granny Hua. Granny Hua's face changed drastically, although she was afraid of Ye Sution, but between life and death, she burst out with a powerful intention to survive! "Even if you are Ye Sution! If I kill you today, I will be famous as Kunlun Xu!" Granny Hua slapped her palm on the ring, and her old body rose into the sky. At the same time, a piece of jade pendant was sacrificed in his hand. The word Qingluan is written on the jade pendant. This is the amulet given to her by the elder Qingluanzong. Once it broke out, it was enough to destroy everything. She originally wanted to use it in the face of the powerhouse of the Void King Realm and Dao Source Realm. But I didn't expect it to be used on Ye Jitian's body! The key is that her original initiative has been completely passive! The Qingluan jade pendant hovered above the ring, and instantly condensed into an imposing momentum.

Overwhelmingly overwhelming! It makes it difficult for people to breathe. Even gradually, a virtual shadow floated above the jade pendant! It was the thought of Qingluan's Supreme Elder! Granny Hua hurriedly knelt down: "The elder, please take action to suppress that kid. This kid has killed several genius disciples of the Qingluan Sect of me! The method is ruthless, I must not stay!" The words fell, and the phantom glanced at Ye Chen. , Faintly said: "The waste in the sacred realm, the dantian aura is exhausted, if you dare to move my Qingluan disciple, then erase it!" The red light flickered, and the phantom turned into a devastating sword intent, ready to face Ye Chen Swallowed away. Granny Hua laughed! This is her chance! Just when the elder phantom condensed the sword intent, Xiao Huang, who had been lying on Ye Chen's shoulder, roared and jumped fiercely! The little furry hand stretched out its paws, and frantically grabbed it towards the blue jade pendant! "A beast, even the authority of the Supreme Elder dares to challenge! I do not live or die!" Just as the words fell, Granny Hua's smile suddenly stiffened! Because she found that the yellow cat actually touched the blue jade pendant, without a trace of injury, but opened her mouth, and directly swallowed the phantom of the Supreme Elder! Swallow thoroughly! She even saw a touch of fear in the phantom eyes! Obviously afraid! This is a strength of the Supreme Elder, how can I be afraid of an ordinary cat! At this moment, Ah Huang's body fell on the ground, and a ray of light flickered. Vaguely, a phantom of a wild beast appeared from his body but soon disappear. "This orange cat is actually an ancient monster, and this bloodline..." Before she finished speaking, Granny Hua noticed a sword intent coming! It is Ye Chen! How can she have the courage to stop now! The person who is against the sky, plus a demon beast against the sky, how can she stop it! With horrified eyes, she could only watch Zhanlongwentianjian scratching across her neck. "Papa!" A head fell directly, and blood spilled out. At the same moment, the shielding formation on the ring could not withstand the impact of the air waves inside, and it broke apart. Everything is clear. Offstage. Countless people were eagerly looking forward to it, because a few minutes passed and there was no movement! The point is, they can't see what happened inside! Ji Siqing closed his eyes indifferently on the surface, but his spiritual consciousness spread. Observe everything. If Ye Chen dies, she will return Ye Chen's corpse as soon as possible, at least for a great burial! This is the only thing she can do for Ye Chen. "Sister, if Ye Chen died, would you cry?" Ji Lin said sentimentally. Ji Siqing still did not speak. Suddenly, there was a voice from the quiet crowd! "Look, you can see the ring again!" "What the \*\*\*\* is wrong, there is blood! Someone has fallen! Haha, it must be the waste of the God of Medicine, the Flower Granny of the Qingluan Sect is simply crushed!" However, soon, the voice of those who said this stopped abruptly. Because a head with disheveled hair rolled off the ring. Extremely hideous. It rolled at the feet of Taoist Nanming. "It's Granny Hua! Granny Hua is dead! She had her head severed! How could it be possible!" "Boom!" The crowd off the court completely exploded! Everyone should see that head and draw coolness from behind! The elder of the Qingluan Sect was actually beheaded by an ordinary disciple of the God of Medicine! how is this possible! The realm gap is so huge! What happened in the ring just now! They wanted to find the answer, but stared at a young figure standing proudly.

Chapter 859: Completely defeated

The appearance of Duan Huaian changed everything and even subverted everyone's cognition.

The situation that was originally controlled by Taoist Nanming has completely changed.

Controlled by Duan Huaian!

Kunlun's virtual reality is that the strong respects the strong, and Duan Huaian's strength at this moment is too terrifying!

Almost crushed Nanming Taoist!

Ye Chen looked at Duan Huaian who was standing in front of him, and let out a long breath: "Master, you are finally here."

Duan Huaian turned around and touched his beard: "Even if I don't come, I believe you will have no problem."

"What's more, today is the first step for our medical sect. How could it not come? I want to see my good disciples and aspire to this genius battle."

The words fell, the four figures all fell!

It is the other four referees except Ji Siqing.

As the referee of this game, Taoist Nanming was injured in Qianjue Square. This is a big deal!

One of the old men just wanted to go to Fu Nan Ming Taoist, but was stopped by Nan Ming Taoist.

Taoist Nanming swallowed a pill and stood up, staring at Duan Huaian with his eyes fixedly staring at Duan Huaian, saying every word: "Duan Huaian, do you know what you are doing! This battle of Xuzongmen genius in Kunlun is standing behind it's Mr. Jingshui! You shot the referee, believe it or not, even your medical genius will be wiped out at that time!"

Elder Zheng also opened his mouth and said: "Duan Huaian, you have indeed passed this matter a little bit. It is a big taboo to hurt the referee."

Qiu Laocheng of Jue Wuzong also sacrificed a cold sword, and the sword pointed at Duan Huaian!

In his eyes, Ye Chen was the obstacle between him and Ji Siqing. He thought that Ye Chen would be beheaded by Taoist Nanming, but he didn't expect to kill Duan Huaian halfway.

This section of Huai'an was so ruined, the rules had already been broken, and it was undoubtedly looking for death!

He did not hesitate to stand beside Taoist Nanming and said to Duan Huaian: "Head of Duan, although you don't know when you regained your strength, do you know the rules set by Mr. Jingshui? If any outside force dares to interfere with the game, Dang Zhu!"

"If I were you, I would immediately kneel in front of Daoist Nanming and beg for forgiveness, maybe I will give you a whole body."

After saying these words, Qiu Laocheng looked at Duan Huaian with some pride, now their master and apprentice are completely finished, see how arrogant they are!

Duan Huaian faced everyone's accusations, with his hands behind him, his aura was released, giving people a sense of coercion!

Even most of the people present didn't even know what Duan Huaian was!

"Mr. Jingshui, I naturally respect, but my apprentice, I also want to save! Nanming, an old beast, openly acted on my medical disciple, can I just ignore it?"

"If you think the same as this old beast, and even try to impress my disciple of Duan Huaian, I promise, I will let you understand what kind of character Duan Huaian was like decades ago!"

Threat!

Cold threat!

The faces of several referees changed slightly, just because Duan Huaian was not abolished before the Dantian, that was Kunlun's imaginary powerhouse, and he didn't blink!

If it weren't for the Dao Sect master's move back then, perhaps Duan Huaian had already become the existence that made Kunlun Xuzong gate fearful!

Taoist Nanming naturally did not eat this set. He wiped the blood from the corners of his mouth, and the weapon in his hand pointed directly at Duan Huaian and said one word: "Don't quibble me! Even if you love your disciple, you shouldn't be so presumptuous! Ye Chen killed Qingluan. With so many important people, this competition is meant to compete, but your apprentices are rushing to kill! Shouldn't we take action to suppress such people? Is this fair to others?"

Duan Huaian glanced at Ye Chen indifferently, and replied to everyone: "Kunlun's virtual ring, can't it be life and death? Since you are in the ring, life and death are destined!"

"Or, the entire Kunlun Xu genius, no one deserves to die, only my disciple of the God of Medicine is worthy of death!"

Duan Huaian stepped forward, his voice rippling away like ripples, extremely deterrent!

This is his anger!

The cultivators who were close to the ring suddenly surged in blood, spit out a mouthful of blood!

At the same time, the faces of Nanming Taoist, Zheng Lao and Qiu Laocheng turned pale!

Although they didn't do anything, they felt Duan Huaian's supreme anger with just one word.

The key is what kind of realm can this sonic power reach!

Could it be that this section of Huaian's current strength far exceeds that of the Void King Realm!

In this way, they are helpless!

Taoist Nanming felt that they were a little weaker, and he was so angry that he stretched out his finger to point at Ye Chen: "Since Duan Huaian insists on breaking the rules, then you are preparing to be the enemy of our referee team and Mr. Jingshui, and Kunlun is an enemy of thousands of sects! A trash disciple, is it worth your fate to block the fate of the \*\*\*\* of medicine!"

Before he finished speaking, Duan Huaian disappeared in place.

Suddenly, he appeared in front of Taoist Nanming.

The wind is rolling!

The air waves are overwhelming!

Five fingers gather together, shoot out with one palm!

"Snapped!"

This slap hit Daoist Nan Ming's face without any struggle, and his energy was so strong that even a few teeth flew out.

The powerful force blasted Nanming Taoist away again!

If it weren't for Zheng Lao's use of a spell to block it, the consequences would be disastrous!

"I'll just say it once, my apprentice Duan Huaian, if anyone dares to use the word waste again, he will kill him!"

Duan Huaian stood still after slapped

His eyes were thunderous, standing proudly, extremely domineering.

It was even like a demon king from Shura Hell, with a tyrannical aura permeating his body.

Today is an important battle for Ye Chen's return, and also a battle for his return from Duan Huaian.

If he is unhappy, his master and his apprentice make a fuss, so what!

Everyone in the audience saw this scene and said nothing.

There were even a few of the fiercest people who had just scolded back away, wanting to leave this place early.

When Ye Chen saw this scene, he found that the strength of the master and that day's awakening was completely different, like Nirvana rebirth, unmatched.

Could it be that this is the reason why the master retreats and is late.

But Xiaobi, Old Xue and others in the audience had already burst into tears!

They never thought that the master would have such a side!

Since they entered the gate of medical god, they are destined to be inferior to others!

They have low self-esteem even if others are bullied, they dare not fight back.

Can only bear it.

The disciples of the God of Medicine have lived in depression for a long time.

why?

It is because of the decline of the medical gods! Master Duan Huaian will no longer step into martial arts! Become a waste and a joke!

Today, the strong return of the master is undoubtedly a signal!

Since then, the medical gods are no less than any sect!

And the disciple of the God of Medicine does not lose to anyone!

On the arena, Taoist Nanming was helped by Zheng Lao. He looked at Duan Huaian's beast-like eyes, and his sharp eyes were pierced into his heart like a knife.

He was completely defeated! There is no right to fight back at all.

Chapter 860: Whether it is mirror water or dirty water

Elder Zheng watched this scene, sighed, took out a formation and threw it out, as if determined to say: "This matter is destined to be impossible to end. If this is the case, it is time to use that power, Mr. Jingshui's rules, We can't let people break! The two masters and apprentices of God of Medicine, let's erase them here. It's a pity, that kid is so talented!"

"it is good!"

The others nodded! Fingers pinch the tactics, and a ray of light lingers in the palm of the hand.

When Ji Siqing in the audience saw this scene, his face changed drastically, and he quickly said, "Be careful!"

But it's too late!

The five essences of blood are forced out, and an ancient rune is condensed.

The rune is suspended in the air, and the formation is formed.

Then, the ground of formation split open, and a huge shadow of a beast suddenly formed!

This is a blood wolf with nine hideous heads.

The eyes are cold, with killing intent!

The fangs are infiltrating, condescendingly overlooking everything.

The crowd exclaimed when they saw the nine blood wolves coming out!

"This is... This is Mr. Jingshui's ancient killing formation, the Nine Dragons Candle Demon Formation! This formation is uniquely created by Mr. Jingshui, and even the elders of the alliance were not opponents back then! That array must be handed over by Mr. Jingshui In the referee's bench, the two men in the medical gods are dead now!"

"No matter how strong Duan Huaian is, it is impossible to resist this Nine Dragon Candle Demon Array!"

Hearing the sounds coming from his ears, Ye Chen narrowed his eyes slightly. Although he had never heard of this formation, from the perspective of its momentum, this formation was definitely not something that the master and him could hold!

He even smelled the same smell from the blood dragons as that of Da Neng in the reincarnation cemetery.

This ancient formation is absolutely unusual and extremely dangerous.

Who is this Mr. Jingshui!

Duan Huaian naturally felt the danger, and said to Ye Chen, "Attendant, since the matter has reached this point, then the number of places in this battle of geniuses is not worth it. Anyway, the sects of Kunlun Xu know that we are back! Right now, we are going to do it. What is left is to leave, I hold these nine beasts, you leave quickly!"

"Also remember to expose your other identity!"

Although Duan Huaian knew that Ye Chen was Ye Jiantian, if Ye Xitian's identity were reported, the situation could definitely be reversed, and it might even be a short-term security.

But all this is only temporary, revealing your identity before you have absolute strength, you will only die faster!

At that time, the \*\*\*\* of medicine has not yet grown, it will be strangled in the cradle.

This is Kunlun Xu's cruel rules.

Ye Chen naturally couldn't leave. He drew out the long sword and said coldly: "Master, since the power of Mr. Jingshui is so powerful, we, the master and the apprentice, might as well learn something!"

Duan Huaian hesitated for a few seconds before nodding and saying, "Okay!"

After the words fell, the two figures rushed out with swords.

But the nine-headed blood wolf shook its hideous fangs and head. With a light tap on the soles of the feet, cracks appeared on the ground.

Visible power.

The crack spread, and went towards Duan Huaian and Ye Chen like a blade.

With a light stroke of the long sword, it broke open naturally.

Duan Huaian's eyes were filled with coldness. He knew the legend of Mr. Jingshui, who was almost a talented person, and countless people admired him.

Even the strength is extremely terrifying!

No sect dare to offend!

This kind of person's strength can't be underestimated, and once it is underestimated, it is death.

He bent his right foot and released his energy, and his body was almost ten meters high. The true energy of his dantian surged above the sword like a tide.

"Ask the Azure Cloud Sea Sword, break!"

With a roar, a hundred feet sword intent suddenly blasted out, directly beheading the head of a nine blood wolf.

"Crack!"

Head cut off! The blood is soaring!

Duan Huaian was overjoyed, just about to cut the second head of the nine blood wolves!

Unexpectedly, that severed head was born again!

His body was startled, but before he fully reacted, the nine blood wolves rushed directly at Duan Huaian with a big mouth.

Duan Huaian wanted to dodge, but found an invisible force seemed to imprison him!

Suddenly, he thought of something, looked down and found that he was already in the formation.

This ancient formation actually has the power to restrain it!

"bump!"

The body of the nine blood wolves slammed directly on Duan Huaian's chest. No matter how strong he was, he couldn't help his blood surge! The body hit the ground fiercely.

A deep pit appeared in the ring instantly, and it was splashed with billowing dust.

"Roar!"

The nine blood wolves roared, and under the hideous head, the cold fangs bit towards Duan Huaian.

Once touched, under the power of the nine heads, it will inevitably tear on the spot.

The other referees smiled coldly when they saw this scene.

Taoist Nanming said grimly: "Duan Huaian, even if you recover your dantian! What you have to face is Mr. Jingshui, Kunlun Xu's top sect has to give Mr. Jingshui a bit of face, which is why so many years ,

Kunlun's battle of imaginary geniuses, the reason for no trouble! And today, you, a trash sect master, really think you can control everything? It's ridiculous!"

"Everyone, let us personally send Duan Huaian on the road!"

Five fingers pinched the Jue, a trace of blood instantly wrapped the nine blood wolves.

The blood wolf's body is getting bigger and bigger, even with a hint of rhyme between the waves!

Just when Fang Huaian was about to touch Duan Huaian, a figure instantly blocked Duan Huaian's front.

"Beast, go back!"

Ye Chen blasted out a sword directly, the blood dragon roared in the body, and the power of the endless blood dragon swallowed out.

The sword intent fell, and the whole body was violent, and the momentum was monstrous!

"Ding!"

Ye Chen's sword smashed on the fangs of the nine blood wolves!

But it has no effect!

Only fierce Mars!

Even if Ye Chen lost most of his true energy in the battle just now, it was impossible!

"Little beast, don't waste your energy. I have to admit that you are among all the geniuses and you are strong enough to rank in the top 20, but this formation is specially designed for the strong by Mr.

Jingshui. Don't bother you master and apprentice. Break open, if I were you, I would kneel on the ring and beg for mercy, maybe so, I will make your death less painful!"

The voice of Taoist Nanming sounded.

At the same time the nine blood wolves were suppressed again!

Ye Chen couldn't take care of everything. He wanted to make the blood dragon rush out of his body, but he discovered that there seemed to be a force preventing the blood dragon from rushing out!

Suppress everything in the formation!

Damn it!

"Kneel, how about? Of course, you can't kneel alone. The old immortal thing behind you also kneel down! Mr. Jingshui is not something that ordinary people can offend!"

Taoist Nanming continued to say!

"I care if he is mirror water or dirty water, if I dare to touch my master, I will kill him too!"

In a word, the momentum is like thunder, dominate the world, no one can resist!

The thunderous roar shook the entire arena, and everyone's eardrums hurt, as if they were about to be torn.

That breath is extremely tyrannical.
