

URBAN MEDICAL GOD

Chapter 9: Ye Chen's woman, do you dare to move?

Soon, Ye Chen came to the bathroom holding a few clothes, took off all the clothes, and opened the shower to wash his body.

Streams of water dripped across his firm chest, along the chest muscles across the eight-pack abdominal muscles carved like a knife, reflecting a metallic luster in the light. As the breathing slowly rises and falls, it reveals a murderous aura that makes people afraid to approach.

Actually, after Ye Chen was rescued five years ago, he thought he was lucky, but he didn't expect that the nightmare had just begun.

The old man didn't teach him anything at first, but threw him into a huge cage!

Inside the cage is a giant tiger who has been hungry for three days!

One person, one tiger, only one can survive!

No one knows what happened inside, and no one would have thought that a teenager would survive with bare hands.

After this, the old man took him to many places, and Ye Chen survived with the monstrous anger in his heart.

He knew he had to survive, he wanted revenge! He wanted to find everyone who participated in the party at Yunhu Villa!

The picture turned, Ye Chen turned off the shower, and just about to get the clothes, Yu Guang caught a glimpse of a basket in the corner.

Inside the basket is a shirt and a long silk stocking.

The top of stockings is a pair of pink underwear.

Very fragrant.

"This is Sun Yi's...?"

Ye Chen even clearly saw a trace of unidentified liquid glowing in the center of the underwear.

"This won't be that..."

Ye Chen's breathing was a little short. He has been a virgin for so many years. Now that he sees such a private thing, even if he doesn't want to control his mind, he can't do it.

At the same time, Sun Yi outside has been playing music and cutting fruits. Suddenly, she thought of something, her face changed drastically, and her eyes were full of panic!

She usually throws her changed clothes into the bathroom basket, and this time is no exception!

But she is not alone in the house now!

and Ye Chen!

More importantly, Ye Chen is taking a shower inside!

In the car today, Ye Chen touched her thigh, plus the jokes after returning home. I don't know why, her body had already reacted.

If he sees those underwear, how would she be a person!

Sun Yi stopped listening to the sound of the water in the bathroom. It was estimated that Ye Chen had already washed and changed his clothes. He stopped thinking about it, put down the fruit knife in his hand, and rushed over!

"Ye Chen, I take things!"

Sun Yi pushed open the bathroom door, and just about to get the clothes basket, her body stiffened!

She saw Ye Chen, but the other party didn't wear anything, not even underwear!

I've seen it all!

She even glanced down subconsciously, her head went blank for an instant!

"so big....."

Ye Chen was also quite helpless, she even doubted whether Sun Yi deliberately retaliated.

"Are you going out and let me change my clothes..."

When Sun Yi heard it, his face was flushed, and even the neck of her neck was bloody: "I...I...I...I'll go out..."

"bump!"

The door to the bathroom is closed.

Sun Yi trot directly to the bedroom, closed the door, lay on the bed, and covered her face with a pillow.

Her face is too hot, even if the air conditioner is turned on, it won't help.

"I saw nothing... I saw nothing..."

But the more she said it, the more images like that appeared in her head!

She is going crazy!

This is the first time she has seen a man's body!

I don't know how long it took before Sun Yi came over and muttered:
"This guy looks so thin, why is he so good? And the thing under him... so big... so scary..."

Sun Yi didn't even get out of the room this night, but asked Ye Chen to go back to the room to rest early.

Ye Chen didn't think much, he just watched everything, and he didn't suffer.

Then Ye Chen returned to his room, closed the door, and locked it.

No one noticed that Ye Chen seemed to have changed the moment he closed the door.

A light rain gradually started outside the window.

Ye Chen looked out the window with cold eyes: "Rainy night, Killing night. Chen Family, are you ready?"

.....

River City, Mingzhu No. 1 Villa Area.

This was bought by the Chen family ten years ago. It covers an area of more than ten acres and integrates gardens, swimming pools and vacations. The total investment reaches 1 billion yuan, which is extremely luxurious.

But such a luxurious villa, the atmosphere is a bit strange at the moment.

Chen Zhengguo walked back and forth in the living room, his face was blue and his mood was extremely irritable.

Chen Feng, who was sitting on the sofa by the side, couldn't stand it anymore, and said, "Dad, don't leave, you will be fainted by you."

Chen Zhengguo finally stopped and came directly in front of Chen Feng, "pop!" He slapped it over!

"It's you bastard. Old Ming has been seriously injured and has become a useless person. Without the old Ming, the old man is not there. Our Chen family will undoubtedly die!"

Chen Feng disapproved and said: "Dad, you are too unreasonable. Although grandpa is not in Jiangcheng, but he is still alive after all, who dares to find our Chen family to settle accounts? Ming is very strong, but he is not even a fart in front of grandpa! By the way! Dad, or let's go there and invite Grandpa out of the mountain! That kid is so crazy that he made you kneel down. You can bear it!"

Chen Zhengguo was lost in thought, his fists clenched.

He is angry!

He even closes his eyes and the kid's shadow appears!

He is really puzzled, UU reading www.uukanshu.com, he didn't seem to offend this kid, why this kid looked at him like a sea of blood and hatred.

I don't know how long it took, Chen Zhengguo made up his mind and said: "Okay, tomorrow, we will fly to Wuyi Mountain by ourselves! I want this kid to die!"

Chen Feng was ecstatic, and gritted his teeth: "Dad, I'm going to cut this guy's hands and feet with my own hands! Damn, I really thought I was afraid that he would not succeed! And that Sun Yi! I will have to kill him by then. , Dad, let's play with this woman, this woman's figure, I really can't find any better than her in Jiangcheng! It must be a great job!"

Chen Zhengguo also narrowed his eyes. When he went to the banquet hall in the afternoon, he actually noticed the woman.

Such a good figure, it is really good to play.

Just when the Chen family and his son were immersed in joy, a cold voice rang from behind them!

"My Ye Chen's woman, do you dare to move?"

In an instant, the laughter stopped abruptly! Chen Zhengguo and Chen Feng were both startled!

They are so familiar with the sound!

The devil is here!

how is this possible!

Ye Chen strolled in front of the two people leisurely, and even sat on the sofa opposite the two.

This sitting directly scared Chen Zhengguo and Chen Feng!

"You... how did you get in..." "

Ye Chen did not answer. Instead, he slowly made a cup of tea from the tea set in front of him. He sniffed the tea in front of his nose, and then took a sip.

"Wuyishan Dahongpao, I haven't drank it for a long time, it's not bad."

The more Ye Chen is like this, the more frightened the Chen family and his son!

This is the human fear of the unknown!

At this moment, the lives of the two of them are in the hands of the twenty-year-old youth!
