Chapter 91: Uncontrollable situation!

At this moment, the whole hall was quiet.

fell into deathly silence.

All eyes were focused on Ye Chen and Liu Weicheng.

His eyes were horrified to the extreme.

Liu Weicheng was completely different, his entire mouth was smashed and almost distorted.

This is at the Millennium Hotel anyway, so making trouble, are you looking for death?

Not only that, but I heard that the family behind this auction is an existence that everyone in Jiangcheng must be in awe of!

Isn't this kid really afraid of angering this!

Lu Siyu and others' brains were blank, and they stretched out their hands to cover their mouths, for fear that they would yell out.

lunatic!

Complete lunatic!

They couldn't help being thankful that they talked less, otherwise the result would be the same as Liu Weicheng.

This guy is too cruel.

Not long after, the security forces of the hotel heard all the movement coming.

A total of eleven people, many of them are ancient warriors, but their realm is not high.

"Stop! Leave Shao Liu and squat down with my head! Otherwise, you will be at your own risk!"

A security guard with sharp eyes stopped talking.

Ye Chen didn't even plan to make sense, his eyes still fell on Liu Weicheng, and he sneered: "Take it?"

Liu Weicheng nodded fiercely, his confused consciousness mixed with a leaking voice begged for mercy: "I...I was wrong, I shouldn't have said those things, yes... I'm sorry!"

He really panicked.

Since childhood, how could he be beaten like this.

For a moment, he even felt that the other party dared to kill him in front of so many people!

Ye Chen didn't want to dirty his hands because of this kind of garbage. He stood up, let go of his hands, and took out a wet wipe from the table on one side and wiped it gently.

"Boy, did you hear that, we have called the police! Hold my head and squat down! Otherwise, you will be at your own risk!"

the security guard repeated.

He was aware of the seriousness of the matter. After all, Master Liu was beaten at the Millennium Hotel, so don't think about it!

Ye Chen took a glass of red wine for himself, came to the sofa, turned his back to them, tilted Erlang's legs, and shook the goblet gently.

totally like a okay person!

Everyone present was stunned.

They thought about countless follow-up actions of this kid, running away, surrendering, regretting and so on, but they didn't expect this kid to be in the mood to sit and drink!

Nima! Is this kid a fool?

Still have background?

Lu Siyu was lost in thought, he vaguely remembered Zhu Zixuan calling the man Mr. Ye.

But Jiangcheng doesn't seem to have a Ye family, not even a rich man named Ye.

Since the Ye family annihilated five years ago, the whole Jiangcheng has been too sensitive to the surname Ye. Some surnamed Ye even left Jiangcheng to seek development elsewhere.

Lu Siyu trembled and was a little afraid. She came to Zhu Zixuan's side and whispered: "Zixuan, who is this guy? He provokes the Liu family, isn't he looking for death? Why don't you even listen to your persuasion? ?"

Zhu Zixuan's face was pale, she didn't know how to deal with the current situation, she could only broadcast the phone call from grandpa, but she couldn't get through.

In desperation, he could only call his father: "Dad, something has happened. Mr. Ye beat Liu Weicheng half to death at the Millennium Hotel. Can you help Mr. Ye deal with it..."

Before he finished speaking, an indifferent voice sounded: "Is the Ye Chen mentioned by Grandpa? Zixuan, the Zhu family is like this now, how can I still care about others! Let that guy fend for himself, remember, don't Intervene, don't make enemies for the Zhu family!"

The phone was hung up, Zhu Zixuan bit her lip, her eyes were full of guilt, Ye Chen, their Zhu family really couldn't help.

Lu Siyu vaguely heard something, she looked at Ye Chen helplessly, and muttered: "Even the Zhu family refuses to do anything for you. The Liu family's anger will only make you die miserably, but you still have the mood. Drink, sigh..."

After a short while, there was a commotion from the crowd, and the security forces surrounding Ye Chen gave way, only to see a 30-year-old man slowly appearing.

The man has a decent suit and gold-wire glasses, his face is cold, and his eyes have a hint of pride.

When Lu Siyu saw this man, he felt a little bit in his heart!

He Zheng!

He Zheng, the boss behind the Millennium Hotel, was shocked!

You need to know which of the leaders of the hotel industry is vegetarian, and the ability behind it is extremely powerful!

The He Family is much stronger than the Liu Family, because they are completely black and white in Jiangcheng.

He Zheng took over the family business at such a young age. One can imagine how good the other party is!

The key to Liu Weicheng's mother is from He's family!

If you count the relationship, He Zheng is Liu Weicheng's cousin!

is over, this time is over!

Not only Lu Siyu thought so, but Zhu Zixuan and everyone present at the scene thought so, their gazes at Ye Chen became a little sympathetic.

"What happened?" He Zheng put his hands in his pockets, and his cold voice sounded.

"Mr. He, Shao Liu..." a security guard said hesitantly.

He Zheng's eyes instantly noticed Liu Weicheng who was full of blood on the ground! His eyes shrank slightly, and his fists clenched!

"Who dare to move Liu's people at Lao Tzu's Millennium Hotel!"

He stepped forward and directly helped Liu Weicheng up, and said with concern: "Weicheng, who beat you like this!"

He Zheng's voice was extremely cold, and resounded in the hotel lobby with terrible anger!

Liu Wei looked like a life-saving straw. He quickly pointed to Ye Chen, who was facing away from them, and said with a trembling voice, "Brother Zheng, you...you help me kill him...I want him to die...my mouth ...Was ruined by him~www.ltnovel.com~ tore me his mouth...I want his family to be buried!"

Because his teeth were all broken, he talked lumpyly, but He Zheng heard him clearly.

He Zheng sold Liu Wei to a security guard, and ordered: "Send him to the hospital and give it to me here."

That Anbao was just about to take Liu Weicheng away, but was pushed away by the latter!

"Do not touch me!"

Liu Weicheng gloomily looked at Ye Chen not far away! He wants to see this guy die with his own eyes! He is not going anywhere!

He Zheng walked towards Ye Chen with his hands in his pockets. He wanted to see if anything with no eyes dared to move people in his place.

Zhu Zixuan bit her lips and bleeds, the development of the matter is much more serious than she thought! She has been calling grandpa's phone all the time, and finally-got through!

A tired voice came from the other end of the phone, and Zhu Zixuan hurriedly told about the hotel.

The answer this time was completely different from that of his father. Grandpa said in a loud voice, "Keep Mr. Ye at all costs! Give the call to He Zheng!"

Hearing these words, Zhu Zixuan was overjoyed, and quickly blocked He Zheng's path, handed the phone over, and said, "You can't touch the guests of my Zhu family, this is my grandpa's phone!"

He Zheng glanced at Zhu Zixuan, snorted coldly, and slapped Zhu Zixuan's cell phone: "What is your Zhu family! It's still a question whether it will exist in a few days! Even if Zhu Rende is in front of me, get out of here!"

In the next second, He Zheng had already arrived in front of Ye Chen, and said coldly: "You--"

The sound suddenly stopped! Fortunately, his throat was pinched mercilessly!

He took a step back subconsciously, his eyes were full of horror!

It's like seeing something extremely terrifying!

The man in front of him, he knows!

Chapter 92: Deep fear!

No one understands what kind of stormy waves are set off in He Zheng's heart at this moment!

He stared at the man in front of him, his body even trembled!

Because this guy is that evil god!

He happened to be in the Emperor Banquet Hall of Longhu Hotel!

He watched this evil \*\*\*\* maimed all the bodyguards of the Chen family!

Chen Feng is even more slapped!

This is not the most terrible.

The most terrifying thing is that even when Chen Zhengguo, the head of the Chen family, came, he dared to call him to kneel!

The key is that the other party is really kneeling!

This is Chen Zhengguo indomitable!

That picture almost became a nightmare in his heart.

The Chen family's background in Jiangcheng is stronger than the Liu family and even his family!

Only because the Chen family has a martial arts master!

The martial arts master who everyone is afraid of!

Actually, what happened to the Longhu Hotel that day was not his real fear.

The biggest fear in his heart came after the incident. He thought that Ye Chen would be wiped out by the anger of the Chen family, but the result was just the opposite. Chen Zhengguo and Chen Feng died!

These two figures from the upper reaches of the Jiangcheng circle did not survive even one night! Just die like this!

The methods are extremely cruel, and even now, the murderer has not been caught!

This almost put the entire Jiangcheng under the shadow of death.

Others don't know who did it, so he knows He Zheng! It must be Ye Chen.

Because at the moment Ye Chen left the hotel, he clearly felt the killing intent in the opponent's eyes.

This guy doesn't even care about the Chen family, what does his family do!

What the \*\*\*\* is he and what the \*\*\*\* is he?

He Zheng took a deep breath, he felt fear for the first time.

Gradually, he saw that the young man on the sofa holding the red wine glass raised his head, and the other person's indifferent gaze fell on him, as if he was locked in by death.

He panicked!

Beads of sweat appeared on his forehead, and the entire shirt and suit were soaked!

Liu Weicheng saw that He Zheng hadn't done anything yet, so he hurried over and reminded him: "Brother Zheng, why are you in a daze? Help me kill him!"

"Snapped!"

He Zheng woke up and slapped Liu Weicheng's face with his backhand.

Liu Weicheng was overturned on the ground.

At this moment, everyone is petrified like a sculpture.

What the \*\*\*\* is this?

He Zheng is the wrong person!

Liu Weicheng also had a blank brain. He finally woke up and said excitedly: "Brother Zheng, what are you doing with me?"

"I'm hitting something short-sighted like you!" He Zheng roared! Like a crazy lion!

Before everyone could respond, he put a smile on his face, half-arched his waist, came to Ye Chen, respectfully said: "Mr. Ye, why are you here too?"

"Boom!" Everyone present seemed to have stopped breathing!

Have they ever seen such a flattering side of the arrogant He Zheng?

The key opponent also beat his cousin in his territory!

Everyone's eyes fell on the young man on the sofa.

They know very well that this person's identity is absolutely extraordinary!

Otherwise, He Zheng would not have such a cautious attitude!

In the distance, Lu Siyu's body trembled lightly, and her beautiful eyes were full of doubt, surprise, and fear.

What is the identity of Mr. Ye who came with Zhu Zixuan?

even the rebellious He Zheng greeted him with such a smile?

Before she could get over, He Zheng dragged Liu Weicheng, who was still bewildered on the ground, over and ordered: "You don't have long eyes, hurry up and apologize to Mr. Ye! Otherwise, your Liu family will be ruined. !"

He Zheng's move is entirely to save the Liu family!

He is sure that if Liu Weicheng does not apologize today, his Liu family will definitely not survive tomorrow morning!

Liu Weicheng stared at He Zheng with wide eyes. Just when he wanted to speak, he noticed the fear in He Zheng's eyes. This was a fear he had never seen before!

No more hesitation, Liu Weicheng hurriedly knelt in front of Ye Chen and said with a trembling voice: "Mr. Ye, I'm sorry!"

He Zheng exhaled, and quickly took out a black card from his pocket, handed it over, and said with a smile: "Mr. Ye, my cousin doesn't have a \*\*\*\* eye. I will definitely discipline him strictly. It's dirty this time. Your hands really shouldn't."

"Go!"

Ye Chen said coldly.

In a single word, one can't help but feel that the young man on the sofa is above everything, overlooking the illusion of beings.

Although Ye Chen didn't know why the other party feared him, it didn't matter.

He does not want to be the focus of the crowd.

He even hates this feeling.

"Yes Yes Yes!"

He Zheng pulled Liu Weicheng out, and then ordered the security and waiter to maintain order around him.

A farce disappears without rushing.

Fortunately, there are not too many people in the banquet hall, otherwise the impact is definitely more terrifying.

Gradually, a strange scene appeared in the entire banquet hall.

With Ye Chen's sofa as the center, no one dared to sit in the circle ten meters away except Zhu Zixuan and Ye Chen.

is like an aura.

"Mr. Ye, you..." Zhu Zixuan realized that Ye Chen was terrible, but she still didn't say what she wanted to say.

I don't know why, she feels that only the young man in front of the Zhu family can make a living.

But why did the other party help her Zhu family?

Not long after, Lu Siyu plucked up the courage to walk over and continued to sit next to Zhu Zixuan.

She bit her red lips and looked at Ye Chen on the opposite side. She still said, "Mr. Ye, the little girl has offended you just now, so she apologizes to you."

Her body leans forward slightly, revealing a fascinating whiteness and fullness, which is the most seductive.

But Ye Chen didn't even look at it, and didn't even plan to pay attention to her.

Lu Siyu slumped after eating, his face was a little ugly, although he was a little angry, he did not dare to attack.

This guy is a handsome man, why doesn't he seem to be interested in himself at all?

Am I not good looking?

Still say ~www.ltnovel.com~ This guy is not interested in women?

It must be the latter. Her appearance can be ranked in the top ten in Jiangcheng. Which man will not fall under her pomegranate skirt?

Just when Lu Siyu was angry, a rather elegant figure came over here quickly!

Seeing this beautiful shadow, Lu Siyu was startled.

Because the other party is far better than oneself in terms of appearance, figure, or temperament.

The key to the cold and arrogant temperament of the opponent is like a winter plum, which can't be defiled.

She suddenly felt ashamed.

"How could Jiangcheng have such a beautiful woman?"

"Snapped!"

That beautiful shadow came directly in front of Ye Chen, and patted Ye Chen's shoulder gently.

"Ye Chen, why are you here too?"

Ye Chen opened his eyes and naturally saw the well-dressed girl in front of him!

Xia Ruoxue!

There are some surprises in his eyes, no murderousness, only gentleness.

"Where did you go this morning, I didn't see you when I woke up?"

Xia Ruoxue saw Ye Chen, obviously in a good mood, and sat down beside Ye Chen.

Close to each other.

She put a hand on Ye Chen's shoulder even more casually: "Hmph, this lady always has to find a way to make some money, whoever asked you not to support me, just received the invitation here before. , Come and see if I can find a way out. How about you, why are you here?"

Just the little money on you, don't tell me you are here to participate in the auction..."

Ye Chen narrowed his eyes and said, "I disappoint you, I really came to participate in the auction."

Chapter 93: A bit awesome!

Lu Siyu naturally heard the conversation between Xia Ruoxue and Ye Chen.

She thought that the woman was just as curious about Ye Chen's identity as herself.

It seems that the two obviously know each other.

And the content of the chat is so ambiguous, it must be a boy and girl friend.

She also finally understood why Ye Chen would be indifferent to her beauty.

joke! There is such a peerless beauty around him, how does he like to look like himself?

I don't know why, Lu Siyu was a little angry and unhappy, stood up, and left with his huge \*\*\*\* directly.

Seeing that Lu Siyu was gone, Zhu Zixuan also felt that she shouldn't sit here as an electric light bulb, so she could only pretend to go to the toilet and disappear.

Soon, only Xia Ruoxue and Ye Chen remained in the rest area.

Xia Ruoxue stretched out, feeling a little boring, and said to Ye Chen: "Are you really going to auction things? This time, how much money did you bring?"

"90 million." Ye Chen said lightly.

He has no idea about money, but it is estimated that these 90 million should be able to shoot a lot of things. It would be best if he could shoot weapons in addition to Danding.

"Ahem!"

Xia Ruoxue, who had just taken a sip of water, almost choked, her chest undulating, quite spectacular.

She glanced at Ye Chen speechlessly, and said: "Ye Chen, do you really don't know or not, you want to participate in this auction with such a small amount of money? I really don't know where your invitation letter came from."

Ye Chen was startled, and said in surprise: "Isn't ninety million not enough?"

Xia Ruoxue shook her head helplessly. At the same time, she took a deep look at Ye Chen, and found that the other person's expression was not pretentious, and she said: "It seems that you really don't know anything, so let me tell you."

"First, the controller behind this auction is an existence you can't provoke at all. If you want to make trouble on the first floor of the hotel, you can, but if you dare to make trouble in the auction above, you will definitely die."

Ye Chen subconsciously said, "Is it because of the four big families in Jiangcheng?"

Xia Ruoxue still shook her head, and even reached Ye Chen's ears, and said mysteriously: "Ye Chen, you are an ordinary person, but I still want to tell you the truth. This world is not only as simple as ordinary people, but also partly special. People. They practice martial arts and are powerful, and they can kill an army with a wave of hands."

"Why are you not surprised?"

Xia Ruoxue was slightly surprised because Ye Chen's performance was too calm.

She didn't know that Ye Chen was a cultivator.

Ye Chen can only pretend to be surprised: "What then?"

Xia Ruoxue has taken Ye Chen's appearance. You are pretending to be too fake. She didn't want to say anything. She continued to introduce: "Secondly, Jiangcheng not only has four big families, but there are actually more terrifying existences. Extremely mysterious martial arts family. It's just that ordinary people have no access to the level of martial arts family.

Of course, the martial arts family will not bother ordinary people. And the man behind the auction was a martial arts family.

These, I only heard my dad accidentally talk about it. "

Ye Chen frowned, he discovered for the first time that Jiang Cheng was not as simple as he thought.

The situation in Jiangcheng that I learned from Zhu Rende last time is obviously on the surface.

is also right, otherwise, why did the big man who destroyed the Ye family choose Jiangcheng?

Seeing Ye Chen's contemplative appearance, Xia Ruoxue knew that the other party's worldview had collapsed. She was delighted and continued: "Back to the topic at the beginning, this auction will be divided into two parts. The first part is naturally antique paintings. Ordinary people. The second thing is about martial arts. It may be a practice secret, or it may be a medicine, a weapon or a medicine pot. The price of any thing is at least hundreds of millions!

What do you think your tens of millions can get here? "

Ye Chen has a headache. According to Xia Ruoxue, Danding must be of great value, and his money is not enough!

Is it to grab?

He is not such a person.

What did he think of, raised his head, grabbed Xia Ruoxue's hand, and said excitedly: "Then can I take my things for auction?"

Xia Ruoxue was taken aback, glanced at Ye Chen's hand, trying to struggle to find that she couldn't get away, she simply gave up.

She naturally guessed what Ye Chen was going to auction, it was nothing more than the pill.

Danfang certainly has a miraculous effect for beauty companies, but if it is put in this auction, it is estimated to be worth tens of millions.

The key is not necessarily someone who will want it. After all, the participants in the auction are all ancient warriors.

But she didn't want to dispel Ye Chen's enthusiasm, so she said: "Of course you have this situation. There should be a temporary auction appraisal center upstairs. You can take that Dan Fang to try your luck, but the other party may not..."

Before Xia Ruoxue finished speaking, she found that Ye Chen had left.

Seeing Ye Chen's somewhat eager back, Xia Ruoxue shook her head helplessly: "Ye Chen, Ye Chen, you may be disappointed. That Danfang was required by the group at the time, so I paid a high price, but for these ancient martial artists, it is fundamental Not worth mentioning, alas."

Ye Chen certainly didn't want to auction the Danfang! He is going to auction the real pill!

Judging from Ying Qing's reaction that day, Jiangcheng and even Huaxia alchemists should not be too many!

Things are rare and expensive! The pill must be very valuable.

Not long after, Ye Chen came to the auction appraisal center that Xia Ruoxue said.

There are not many people inside, only a forty-year-old woman and three old men.

What is even more surprising is that these four people are actually playing mahjong.

"Haha, what a fuck! Give the money soon!"

"I'm so lucky today!"

"One person ten million, one point can not be less, mobile phone transfer....."

An old man said very excitedly. The other three were obviously a little unhappy, but they still transferred the money honestly.

Ye Chen's mouth twitched slightly, this hemp will be really big in the future, ten million...

Seeing that the four of them seemed to be ready to continue again, he quickly knocked on the door.

Soon, all four eyes fell on Ye Chen.

"Brother, what are you doing? To identify things for auction?" the woman said.

Ye Chen nodded and walked in, without turning around, he took out a pill from his pocket: "Can this thing be auctioned?"

The woman glanced at what Ye Chen was holding~[www.ltnovel.com](http://www.ltnovel.com)~ and snorted coldly, "What is this thing, just take a candy to fool my old lady? Go away."

Ye Chen's face was a little angry, just about to have an attack, the old man who had just won the money seemed to have noticed the pill in Ye Chen's hand. As soon as he pushed the card, he ran over and even pulled the woman away! The woman nearly fell to the ground.

"Old man Wu, what are you doing?"

The old man Wu looked at the pill in Ye Chen's hand, breathing a little short, rubbing his hands and said, "Little brother, can you show me this?"

Ye Chen nodded and handed it out.

Old man Wu took the pill, sniffed slightly with the tip of his nose, his face changed a lot, then took out a magnifying glass from his pocket and looked at it carefully.

The others felt that something was wrong, and they surrounded themselves.

Suddenly, Old Man Wu exclaimed, his body trembled and said: "Pill pattern! This is a pattern, this is actually a real medicine!"

When the others heard Dan Wen, their bodies were startled, and they rushed over.

"Old man Wu, show me!"

"This...is this really a pill?"

"My God, although this pill has a normal shape, it has clear lines and a strong fragrance...could it be recently refined!"

"Could it be that the medicine master has come out!"

"hiss——"

All the people present took a deep breath, looked at Ye Chen, and said excitedly: "Little brother, where did you get this thing? Quick! Tell the old man!"

Ye Chen looked at the old faces that were a little red, with a strange expression.

There is no pill master here? not a single one?

Is it true that I am the last pharmacist of Huaxia!

Chapter 94: Tears of the stars!

Seeing Ye Chen's silence, the old men were a little anxious: "Little brother, this matter is extremely important to us. Please tell the truth."

Ye Chen narrowed his eyes, naturally it was impossible to tell this group of people, and said: "Let the people behind you come and talk to me."

After hearing this sentence, everyone realized that they were really anxious. How could such a major event be told to them!

The old man who played mahjong to win money quickly said to Ye Chen: "Little brother, please come with me."

"it is good."

Ye Chen followed the old man up the elevator, stopped on the tenth floor, then got out of the elevator, and came to the entrance of a suite with room number 001.

The old man knocked softly on the door, and there was a lazy female voice.

"Come in."

The old man said to Ye Chen: "Little brother, you can wait outside."

"Ok."

001 in the suite.

Sitting on the sofa is a woman of about 30 years old. The woman is wearing a light pink slim cheongsam, which highlights her slender and symmetrical figure; the pink is very pale and close to white, but it is very charming, like the most on the cheek of a woman Natural but the most attractive blush; the sleeves, front of the breast and the corners of the robe are inlaid with wide edges in plain gold, which is more noble.

Coupled with the charming eyes and \*\*\*\* lips, it reveals all kinds of amorous feelings all the time.

The woman didn't glance at the old man, and said lightly: "What's the matter?"

The old man bowed his body, lowered his head, and cautiously said: "Miss, someone wants to auction something."

"You can do everything about the auction." The woman closed her eyes, and there was a faint air current around her, quite mysterious.

"But miss... the other party... the other party took out a pill..."

As soon as the old man said, the woman's eyes suddenly opened, full of surprises: "Pills? Are you sure?"

The old man hurriedly stepped forward and handed out Ye Chen's pill. The woman's fingers condensed in the air, and the pill was sucked into her hand. Her beautiful eyes swept away, and she exclaimed: "It really is a pill, and according to Judging from the quality, the refining time does not exceed one month."

"Miss, I think so too."

"The owner of this pill is outside? Is it an old man?" the woman asked.

"No, no, the other party is a young man in his twenties."

"Let him in."

"Yes."

.....

After a short while, Ye Chen was invited into the suite, and the old man also retired.

His eyes quickly noticed the cheongsam woman on the sofa, slightly surprised. According to Xia Ruoxue, this woman should be the one behind the auction.

A thirty-year-old woman is actually qualified to control all this?

"Sit." The cheongsam woman said.

Ye Chen sat down, the other party poured him a cup of tea, and then introduced himself: "My name is Jin Lengyan, I don't know what the little brother is called?"

little brother...

Ye Chen shook his head helplessly, and said simply: "Ye Chen."

Jin Lengyan's red lips outline an arc: "Ye Chen... is a good name, but I'm a lot older than you. I'll call you little brother in the future."

After finishing speaking, he even glanced at the position of Ye Chen's crotch intentionally or unintentionally, and then giggled.

Although the woman in front of me was quite charming, Ye Chen was not interested at all, and said directly: "Needless to say nonsense, can my pill be auctioned?"

Jin Lengyan nodded, the slender thighs with Erlang's legs suddenly opened, and the cheongsam revealed a hint of whiteness, quite alluring.

"Of course, I just don't know where did the little brother get this pill?"

Jin Leng Yan's beautiful eyes secretly send autumn waves.

"I don't need to tell you this." Ye Chen said coldly.

Jin Lengyan was startled, and immediately smiled: "That's right, I was abrupt, little brother, how many pills do you plan to auction?"

Ye Chen took out the others from his pocket and put them on Jin Lengyan's table: "Five."

Even though he was prepared, Jin Lengyan's eyes trembled slightly when he saw the five pills.

"Miss Jin, how many do you think these five can be auctioned?" Ye Chen asked curiously.

"At least 1 billion." Jin Lengyan looked at the pill and swallowed her saliva, said, "But things are rare and expensive. If you want to realize the maximum value of the pill, I suggest only taking one."

Ye Chen naturally noticed Jin Lengyan's expression, he smiled, and said: "In that case, the other four pills, Miss Jin make a price."

Jin Lengyan's \*\*\*\* were a little ups and downs, and he was short of breath. He stared at Ye Chen and said, "Mr. Ye, you plan to sell these four to the Jin family alone?"

Unconsciously, even the title has changed.

Ye Chen nodded: "I just don't know if your Jin family can eat it?"

Jin Lengyan quickly took out a bank card from her bag and respectfully said to Ye Chen: "Mr. Ye, this card is one billion yuan, and the code is 256678. It is my existing property and used it to buy Mr. Ye's four pills. Of course this is far from enough, so one more condition is added.

From now on, my Jin family owes Mr. Ye a favor. No matter what happens, our Jin family is willing to settle for you. "

Ye Chen nodded. Originally, the five pill was at least 1 billion, but now they are sold separately. Four 1 billion plus one favor from the Jin family are not too bad.

"That's it. As for the one at auction, you can transfer the money to this card at that time." Ye Chen got up and left, because the auction had almost started.

"Mr. Ye, go slowly."

After Ye Chen left, Jin Lengyan fell into deep thought looking at the pill on the palm of his hand.

After a long time, she broadcasted a phone call and said: "Help me investigate a person, his name is Ye Chen, I want all his information, including anyone he has contacted in the past six months!"

.....

When Ye Chen arrived at the auction, he found that it had already started.

He soon saw Xia Ruoxue and Zhu Zixuan, there was an empty seat beside them, UU reading [www.uukanshu.com](http://www.uukanshu.com) is obviously his.

He walked over and sat down.

Xia Ruoxue looked at Ye Chen in surprise, and then smiled: "Is enough money?"

Ye Chen nodded: "I made up a billion, which is not bad."

"Puff!"

was drinking water next to Zhu Zixuan directly sprayed out.

Xia Ruoxue gave Ye Chen a white glance: "I haven't seen you for a while. Your bragging technique has grown a lot, but your prescription can sell for one billion? Look, Zixuan doesn't believe it."

Ye Chen didn't plan to pay attention to Xia Ruoxue, and looked directly at the stage.

At the moment, a famous painting is being auctioned, and the price has reached 40 million yuan. It was finally photographed by a middle-aged man wearing glasses.

"The next lot is the last piece of the first link. It is called Tears of the Stars. It is the last work of Jiangnan Province jewelry master Ding Yuanchang during his lifetime. Unfortunately, it is only a semi-finished product. It is said that Mr. Ding wanted to complete it at the last moment of his life. To his granddaughter.

It's a pity that I wandered around Xianhu before it was finished. This lot has a long history. It was accidentally stolen a few years ago. The last time it appeared in a French auction five years ago, it was contributed by an overseas collector this time. The starting price is 60 million yuan, and each price increase shall not be less than 2 million yuan. "

Ye Chen was not very interested in this thing, but at this moment, he was surprised to find that Xia Ruoxue's body was trembling all the time.

He turned around, but noticed that Xia Ruoxue's eyes were red at this moment, and tears dripped down her cheeks. Her slender fingers stubbornly grasped the handrail, her eyes fixed on the star tears on the stage.

Excited to the extreme.

Ye Chen also looked at the tears of stars on the stage, is it true that the story told by the host population is true?

Xia Ruoxue is Ding Yuanchang's granddaughter!

Chapter 95: Offenders, kill!

"65 million."

a boy in a suit shouted instantly.

Ding Yuanchang is China's top jewelry master. The last piece of his life is worth a high price.

In addition, the work is still unfinished, and the beauty of incompleteness is sometimes far more valuable than a complete necklace in the market.

"68 million."

The famous collector Tao Yuan in Jiangcheng also showed his brand.

"70 million."

Xia Ruoxue bit her red lips as she listened to the sound in her ears.

She hates a bit!

Why broke with the Xia family at this time!

If she replaced the previous one, even if she sold the Huamei Group, she would still win the tears of the stars.

But now, she can't afford to take this thing.

She looked at Ye Chen subconsciously, and originally wanted Ye Chen to help, but when 92 million sounded in her ears, her last hope was shattered.

Now, even Ye Chen is not qualified to take it.

Ye Chen naturally noticed Xia Ruoxue's nervousness. He stood up and said, "I'll go to the bathroom."

"Okay..." Xia Ruoxue was quite lost.

After a short while, Ye Chen found Jin Lengyan, no nonsense, directly asked Jin Lengyan to find an identity to take the tears of the stars.

Jin Lengyan was quite curious, he could see that Ye Chen had some cultivation skills, he should be an ancient martial artist.

But what did the ancient warrior do with this ordinary jewelry?

Is it sending a woman?

"Let's do it, Mr. Ye, hold this mobile phone. If you want to take any photos and it is not convenient to shoot, you can contact me through this mobile phone and I will send someone to help you ask for the price." Jin Lengyan said.

Ye Chen took the phone, but he had a slight affection for Jin Lengyan. It seemed that the family behind her let her control the auction for no reason.

"By the way, Mr. Ye, now the asking price of Tears of the Stars has reached 96 million. What is your bottom line? I think 100 million should end." Jin Lengyan said.

Ye Chen narrowed his eyes, thought for a while, and finally said seriously: "Directly quote 200 million. If there are people who continue to follow the film, add 100 million."

Hearing these words, Jin Lengyan was stunned on the spot.

Although she knows that Ye Chen has at least 1 billion cash flow now, the money is not so wasted!

There is no aura at all in that necklace, why do you want to come like this?

.....

One minute later, the auction house.

Ye Chen has returned to his position.

On the last lot on the field, only two people are bidding, and one of them has calmed down.

The tears of the stars are certainly valuable, but 100 million is a loss-making business.

The host knocked a hammer and said: "98 million, once! Is there anything higher?"

"98 million, twice!"

The tender boy who made the offer has a smile drawn out of his mouth.

If someone is 2 million higher than him, he will continue to shoot. His bottom line is 140 million.

Everyone present thought that the tears of the stars were nothing more than a jewellery necklace, so wrong! Only he knew that the tears of the stars were not only jewelry, but also had a lot to do with the Xia Family in Jiangnan Province!

He even knew that Xia Ruoxue was there.

When the time comes, I will take this photo by myself and give it to Xia Ruoxue. Xia Ruoxue has secretly promised that maybe his family will be able to use the Xia family to rise up!

At this moment, Xia Ruoxue also looked at the girl who called the highest price, her eyebrows frowned slightly.

She has made up her mind that no matter who takes it in the end, she will take it at all costs.

Seeing that no one continued to bid, the host just wanted to hit the hammer. A female voice rang from the auction house's radio: "A gentleman who did not want to be named bid 200 million."

Hearing 200 million, everyone took a breath!

This unfinished tear of the stars, there will be 200 million people!

Is this the \*\*\*\* crazy? Have money and no place to spend?

Xia Ruoxue's beautiful eyes were filled with surprise, and she subconsciously covered her mouth, not letting herself call out.

And at this moment, the man who called the highest price had a pale face to the extreme.

Chen Yaojin shot out halfway, completely interrupting his plan! The key is that he can't continue to bid!

"200 million, the first time!"

"200 million, the second time!"

"200 million, the third time! The deal! Let us congratulate this... uh... unnamed gentleman."

Everyone has weird expressions, but Ye Chen's mouth shows a mysterious smile.

A few days ago, he learned from the chat between Sun Yi and Xia Ruoxue that it seemed that Xia Ruoxue's birthday was approaching.

In that case, use this necklace and give it to her.

At that moment, the dude stood up frantically: "How could someone give out 200 million! It must be the ghost of your auction!"

Before the words were finished, Jin Lengyan wearing a cheongsam appeared at the auction!

An extremely cold voice sounded: "Are you questioning my Jin family?"

When everyone present saw Jin Lengyan, they all shocked!

Because the spokesperson of the Jin family of the Jiangcheng Budo family, finally appeared!

Even though the girl in front of him doesn't know who the woman in front of him is, he understands the reactions of the people around him and quickly said: "No...no..."

Jin Lengyan snorted coldly: "Come on, drag this guy out and break your hands and feet!"

Very domineering!

This is the foundation of the Gu Wujin Family!

Na Wan was taken away by two men in tunic suits in a second.

He struggled wildly, and even shouted: "I am Qiu Mingkai, you can't move me..."

Jin Lengyan's eyes were cold, and he said, "Jiangcheng Qiu family can no longer step into the auction from now on. Offenders, kill!"

Just a few words suppressed the atmosphere on the court.

Jiangcheng general family naturally don't know the identity of Jin Lengyan, only the ancient warriors and the top families know what the word Jin family means in Jiangcheng.

Afterwards, Jin Lengyan glanced at Ye Chen in his seat, and went to the center of the stage: "Next, I announce that the second stage of the auction will begin! But I will give you a reminder that this time the finale~[www.mtlnovel.com](http://www.mtlnovel.com)~ is no longer a Baicao tripod, there is a new lot as the finale!"

As soon as this word came out, some people who were coming for the Baicao Cao changed their colors.

They don't dare to be alone now, since Jin Lengyan said so, the last finale must be more precious than the Baicao Ding!

"The first lot, the gold hazel, starts at 90 million."

.....

"The seventh lot, Mo-style swordsmanship, with a starting price of 150 million yuan."

"160 million!"

"180 million!"

Ye Chen is not interested in other things at all. To him, they are mostly useless things.

The golden robe, or other secrets of exercises, is no different from garbage in his eyes.

But it was snatched by these ancient warriors!

It seems that Huaxia is too far from that place. This group of people thinks that they are superior, but they don't know that they are as small as dust in that place.

Mo-style swordsmanship was finally taken away by a lady, and the price was 280 million.

Jin Lengyan's gaze will fall on Ye Chen's body inadvertently. She discovered that up to now, Ye Chen hasn't overpaid once, is this guy only interested in the tears of the stars?

No longer think about it, she asked the three warriors to fetch a huge box, and when the box opened, it was an ancient bronze tripod!

"This is the original finale lot. It is now the penultimate one. It is an accidental acquisition of my Jin family in Shennong Mountain. This tripod is called Baicao Ding. It can be used for refining medicines and can also be used as a collection. No less than ten million!"

"Boom!"

At this moment, Ye Chen's eyes were filled with blazing heat, and his breathing was rapid!

Because the Baicao Ding on the stage is the Dan Ding he dreams of!

The key rank is not low!

Chapter 96: You did not cherish the opportunity!

Ye Chen's ears have already sounded a series of quotations.

reached 400 million in just five minutes.

It can be seen that most of the people are here for the tripod.

If it weren't for a more important lot later, the scene would only be even more uncontrollable.

Ye Chen narrowed his eyes and directly sent a text message to Jin Lengyan, asking her to take the Baicao Ding.

On the stage, Jin Lengyan who saw the text message outlines an extremely \*\*\*\* smile.

"Finally, it's still a shot. It seems that you are bound to win this Hundred Herbs Cauldron. Could it be that the alchemist behind you made you shoot it?"

Jin Lengyan certainly would not think that Ye Chen was an alchemist.

is so young, how can he understand the science of alchemy?

"430 million!"

"440 million!"

.....

The price is still increasing, but there are not many people asking the price.

At this level, they are all rational people who will analyze their immediate interests.

Jin Lengyan glanced, and when he found the quotation, he was slightly startled, and he was actually from the Jiang family.

There are only three martial arts families in Jiangcheng, except for her Jin family, they are the Jiang family and the Meng family.

And now it is the third son of the Jiang family, Jiang Wenlin.

Jiang Wenlin's reputation is not very good, and his methods are harsh. He will get whatever he wants by any means.

If Ye Chen really takes this thing, something big will happen!

Stop thinking about it, Jin Lengyan quickly sent a text message to Ye Chen to inform the seriousness of the matter.

She thought Ye Chen would give up, but she didn't expect that Ye Chen only replied with one word-shoot!

"I bought your pill for 1 billion, and I took a big advantage, nothing else, let me block it for you when the time comes." Jin Lengyan murmured.

On the field, Jiang Wenlin bid again: "460 million!"

But soon, there was a voice on the radio: "A gentleman who did not want to be named bid 500 million."

The whole conference hall suddenly became quiet.

Everyone thought that the mysterious person who photographed the tears of the stars that day was not from the ancient martial arts world.

But now it seems that it is obviously!

Is this guy crazy?

Must disrupt the rhythm of this auction?

Jiang Wenlin glanced at the radio with a cold gaze, snorted, and quoted: "530 million."

Just after the talk, the broadcast rang again!

"A gentleman who did not want to be named bid 600 million."

Fuck!

This the \*\*\*\* is here to make trouble!

a whole billion plus a billion!

This Baicao Ding has already counted 500 million, but it has started again!

600 million directly this time!

Have a fart!

Jiang Wenlin's face was pale. In his opinion, the person behind this broadcast was undoubtedly provoking his Jiang family!

He stood up directly, glanced at the audience, and unceremoniously threatened: "I don't care who you are, why do you not dare to come out and meet people! If you dare to increase the price, my Jiang family will definitely find you! You regret your actions today!"

Threat!

Naked threat!

Jiang Wenlin sat down and bid again: "610 million."

This is his bottom line.

Suddenly, the radio rang again: "A gentleman who did not want to be named bid 700 million."

The whole conference hall fell into deathly silence.

"Boom!"

Jiang Wenlin slapped a palm on the table in front of him. In an instant, the entire mahogany table was shattered, showing how terrifying this power is!

This represents the anger of his Jiang family!

Jin Lengyan on the stage glanced at the expressionless Ye Chen, shook his head helplessly, and said with a hammer: "700 million, the first time."

"700 million, the second time."

"700 million, the third time, the deal!"

Ye Chen under the stage clenched his fists in excitement, and finally got the Danding.

He naturally noticed Jiang Wenlin.

Others may be jealous of his Jiang family, but Ye Chen wouldn't!

If this Jiang Wenlin really offends himself, he doesn't mind uprooting the so-called Jiang family!

Jin Lengyan didn't want everyone to stay on this matter, clapped his hands, and an old man took a box up cautiously in an instant.

She glanced at the box and said to everyone in the audience: "This item was just obtained by my Jin family. It is not an exaggeration to use it. You might as well guess what it is?"

Countless voices rang out suddenly.

A minute later, Jin Lengyan shook his head: "Everyone guessed wrong."

"Miss Jin, you don't want to betray you, just say it quickly." Someone underneath said anxiously.

Jin Lengyan smiled, opened the box directly, and a strong pill fragrance instantly overflowed! She solved the mystery:

"This thing was personally identified by my Jin Lengyan, it is an out-and-out pill! The starting price is 400 million yuan! Each increase in price is not less than 30 million yuan!"

As soon as these words came out, a dozen people on the court stood up! Shortness of breath! Eyes looked at the pill on the stage!

Pills can not only heal injuries! It can also quickly improve the cultivation level!

This is almost a legend in the Chinese martial arts world!

Damn it, it's actually coming out at auction now!

If someone announces that they may not believe it, but Jin Lengyan personally appraised it, how could it be fake!

After a short silence! More than a dozen people began to cry frantically!

went from 400 million to 500 million instantly, and 500 million to 600 million!

"Ye Chen, is this thing really worth that much money?" Xia Ruoxue was slightly surprised. It was the first time she saw an auction so crazy, "Uh, I forgot that you just touched this level..."

Ye Chen's face on the seat was a little weird.

Although things are rare and expensive, he still feels that the price of the medicine he sold to the Jin family is too low!

But he doesn't care, after all, the higher the price of this medicine, the more favor the Jin family owes him!

After intense anxiety on the field, the pill was finally sold for 800 million.

What makes Ye Chen feel funny is that it was Jiang Wenlin who took it. It is estimated that this guy just asked the family and took several hundred million.

The auction ended successfully.

Next is the hotel dinner.

"Ye Chen, let's not attend the dinner, right? We just go back together." Xia Ruoxue said, "By the way, didn't you say that there were 1 billion? Why didn't you see you photographed something from beginning to end?"

Ye Chen smiled awkwardly: "You talk to Zhu Zixuan first, I'll go to the bathroom."

Xia Ruoxue's beautiful eyes are a little helpless: "Ye Chen, are you not good at your kidneys, you have frequent urination and urgency..."

"Is it okay, if you have the ability, you can feel it yourself at night~www.ltnovel.com~ After saying this, Ye Chen left, leaving only Xia Ruoxue with a reddish cheek.

001 Suite.

Ye Chen saw Jin Lengyan.

Jin Lengyan handed out a card and said seriously: "Mr. Ye, there are 1.5 billion in this card, 800 million is auctioned, and the remaining 700 million is my father asked me to give it to you. Of course, the Jin family's favor is still there. After all, Mr. Ye still suffers."

Ye Chen took the bank card without being polite.

"What about the Baicao Ding?"

Jin Lengyan handed out a piece of paper: "Mr. Ye, for the sake of safety, you write your address and phone number on it, and I will send it to you at night."

"Okay." Ye Chen wrote down the phone number and the address of Tomson Yipin.

"Mr. Ye, will you stay for the dinner? My father wants to invite you to dinner..."

Jin Lengyan hadn't finished speaking, but Ye Chen refused.

"We won't eat dinner anymore. My friend has already prepared the meal, so I'm not used to eating outside."

"By the way, remember to send the items on time at night."

Ye Chen prepared to leave after explaining.

Jin Lengyan's expression is a bit wrong. Who would dare to refuse her father's dinner party?

Countless martial arts powerhouses are eager to have dinner with her father!

It turned out that this kid did well, so he refused!

Did he think that if he took the Baicao Ding, he would be completely finished?

Her father invited him to dinner and he was totally saving him!

"Ye Chen Ye Chen, although you got the Baicao Ding, you still have the qualifications to hold it! You offended the Jiang family, you don't have the protection of a powerful force, you are looking for death. My Jin family has given you a chance. You didn't cherish..."

Chapter 97: Finally here!

The fifth floor of Millennium Hotel, monitoring room.

The three security guards who supervised and monitored have fallen to the ground.

Jiang Wenlin sat with Erlang's legs upright, holding a box carefully in his hand, and a strong medicinal pill lies in the box.

"Today I did not expect to have a pleasant surprise. The fragrance of this pill is extremely pure. It is completely different from the pill that my Jiang family treasures. It is a bit interesting..."

The old man beside Jiang Wenlin also said: "Master, judging from this pill pattern, the accurate refining time of this pill should be within ten days."

"Oh? I don't know where the Jin family got it. The old fox of the Jin family is actually willing to take out such a good pill to shoot? Could it be that the Jin family has control of what elixir channel?" Jiang Wenlin murmured.

The old man said again: "The possibility that the young master said is very great. Although Jin Lengyan is a woman, she is much higher than the rest of the Jin family in terms of strength and strategy. The Jin family pushed her to the cusp of the storm. There is a reason. If the Jin family really controls the source of the pill this time, it will inevitably be a big part of the Jiang family."

There was a trace of coldness in Jiang Wenlin's eyes. He immediately turned his head to look at the man who was looking for the surveillance, and asked, "Is there any result of what I asked you to investigate?"

The man nodded and handed the tablet with the documents in his hand to Jiang Wenlin.

Three pictures are displayed on the tablet.

Ye Chen entered Jin Lengyan's suite for the first time.

Ye Chen entered Jin Lengyan's suite again at the auction.

Ye Chen just left the suite.

The man continued: "Master, according to the hotel's monitoring, this guy should be the one who snatched our Baicao Ding, and even the pill may come from this."

Jiang Wenlin stood up immediately, with murderous and fierce eyes: "What! It's all this person? Are you sure?"

The man hesitated, and said: "Baicao Ding and pill are both important events for the Jin family. Jin Lengyan should personally intervene. I called for surveillance. Jin Lengyan only saw this man today, so this man is most suspicious. ."

Jiang Wenlin looked at Ye Chen in the picture and sneered: "Even my Jiang family's things dare to move, I think you really don't know how to write dead words!"

"Go, I want to meet this kid, what does he have to do with my Jiang family!"

After Jiang Wenlin left the monitoring room, Jin Lengyan also came to the monitoring room, preparing to clean up the monitoring data.

In the past, this matter was left to the next person to do, but this time, she decided to do it herself.

But when she saw several security guards lying in the surveillance room, her face changed.

She was obviously late!

And it must be the Jiang family who broke into the monitoring room!

Ye Chen is in danger!

Although Ye Chen refused his father's dinner party, their Jin family took advantage of the pill, and she could not die.

"Golden potential!"

"Miss, I am here." said a middle-aged man.

"Follow Ye Chen and them, if this guy is in danger of life, I will save him once, and it will be regarded as repaying what my Jin family owes him!"

Jin Lengyan ordered.

"Yes, miss!"

.....

In front of the Millennium Hotel.

Ye Chen and Xia Ruoxue walked out together, and Zhu Zixuan followed behind him silently, uneasy.

Ye Chen, who was walking in front, suddenly thought of something. He turned around and looked at Zhu Zixuan and asked, "How are you going back?"

"Mr. Ye, I take a taxi..."

Ye Chen was stunned. According to the Zhu family's background, Zhu Zixuan has a driver waiting for him every time he goes out. Why is he now reduced to a taxi?

Is it possible that what happened to the Zhu family?

When he first came to Jiangcheng, Zhu Rende also helped him a lot. If the Zhu family is in trouble, he will not sit idly by.

"Did something happen at home?" Ye Chen said.

Zhu Zixuan shook her head repeatedly: "Mr. Ye, no...no."

Ye Chen sighed helplessly, and stretched out his hand: "Give me the phone."

Zhu Zixuan did so honestly.

Ye Chen entered the number and returned it to Zhu Zixuan.

"If something really happens, call me this phone, it will help me naturally. That's it, I'll go first."

Zhu Zixuan looked at Ye Chen and Xia Ruoxue's leaving backs, her eyes were red. Not long after, her mobile phone rang. When she saw the caller ID above, her face was extremely pale.

It's time to come.

.....

"Ye Chen, why does the little girl keep calling you Mr. Ye, Wen Jianjian, it's really ugly!" Xia Ruoxue smiled.

"You scream, I feel like an old man."

Ye Chen stood at the intersection and hired a taxi. He was about to sit in with Xia Ruoxue. Suddenly, a chill flashed in his eyes, and he quickly said to the driver: "Master, let's not take a seat, let's go."

The driver suddenly felt that he was being tricked. If you don't take the car, you are a fart!

He just wanted to swear, but when Ye Chen's eyes were scanned, his mouth closed honestly, and he stepped on the accelerator and left directly.

Xia Ruoxue's beautiful eyes flashed with doubts: "Ye Chen, didn't you say to go back? Why don't you leave?"

Ye Chen's murderous intent disappeared immediately, he glanced around, and directly pulled Xia Ruoxue into a Starbucks coffee shop.

"I want to drink coffee all of a sudden, you order me a cup of coffee, and then sit here and wait for me, okay?" Ye Chen ordered.

"I'm sitting here and waiting? Then why are you going?"

Xia Ruoxue's face is quite strange, I don't know why she always feels that Ye Chen is weird today.  
UU reading [www.uukanshu.com](http://www.uukanshu.com)

Ye Chen smiled: "I'm going to the toilet."

Xia Ruoxue was completely convinced, with a black line on her face.

How many times did Ye Chen go to the toilet today? I haven't seen him drink much water!

"Okay, I will give you a coffee first, you come back quickly." Xia Ruoxue whispered.

But before she finished her words, Ye Chen left in a hurry.

"Hey, hey, Ye Chen...! Isn't there a toilet in the coffee shop, why did you go out?"

The door is closed.

Ye Chen disappeared into her sight.

.....

Leaving the coffee shop, the harmless smile on Ye Chen's body completely disappeared.

turned but a cold killing intent.

His indifferent gaze shot into the crowd.

"You should not know my principles. Any threat, I will be strangled in the cradle."

Ye Chen lit a cigarette and headed northwest. There were not many people there, and there was an alley with a few trash cans.

is obviously a garbage disposal station on the street.

not far away.

"Master, that kid seems to have found us?" an old man said.

"Discover? Humph! What about discovering us!" Jiang Wenlin said coldly.

"Master, what about the girl in the coffee shop?"

"This woman is growing well, and I will talk about it when the kid is solved and the secret of the Baicao Ding and the medicine pill is out."

Jiang Wenlin and others soon followed.

After a short while, the three of them came to the alley. They saw a young man leaning against the wall and squeezing out the cigarette in his hand. Then he flicked his finger, and the cigarette \*\*\*\* swept across an arc and directly brushed Jiang Wenlin's cheek!

"After waiting for you one minute and five seconds, I finally came."

Chapter 98: The dead can keep secrets!

Jiang Wenlin subconsciously touched his cheek, and instantly found a faint blood stain, his face changed slightly.

A cigarette \*\*\*\* can shoot this kind of power?

Is that kid a master!

For some reason, from the moment he stepped into this alley, he always felt an invisible aura condensed.

It is as if they have entered the field of that youth.

He waved away the ridiculous thoughts in his mind, and walked towards the young man step by step.

In the whole Jiangcheng, in the martial arts field, apart from the Jin family and the Meng family, only the Jiang family has the right to speak.

He has never seen this kid in front of him, so what strength can he have?

The cigarette \*\*\*\* just now was just a coincidence!

If the opponent is really capable, still need to covertly photograph Baicaoding?

Obviously, the Jiang family did this for fear of offending him.

"Boy, you are the one who photographed Baicao Ding." Jiang Wenlin's tone was a little cold.

"That's right."

Ye Chen admitted without shy.

Hearing these two words, Jiang Wenlin was startled, never expected that the other party would admit it so easily.

"Are you also the one who provided the Jin Family with pill?" Jiang Wenlin tentatively asked.

"Correct."

Ye Chen still admitted.

This time, not only Jiang Wenlin was stunned, but the two Jiang family masters behind him were also stunned.

Such an important secret, most people choose to kill it without admitting it.

After all, what can they do to him?

But the other party just admitted it honestly!

totally exceeded everyone's expectations!

Can't you be a fool?

Doesn't you think you have lived too long?

If this secret is known by the martial arts masters in Jiangcheng and the entire Jiangnan Province, this kid will undoubtedly die!

Jiang Wenlin even doubted the authenticity of the youth in front of him.

"You are the one who photographed Baicao Ding. I'm sure about this, but why do you want to admit that the pill at the auction was also provided by you?"

"Do you know what immortality means in China?"

"I guess your \*\*\*\* doesn't even know what the pill is!"

Jiang Wenlin's voice was a little cold, and when he looked at him, this kid must be playing him!

"is it?"

Ye Chen sketched a smile at the corner of his mouth, and in the next second, he directly took out a handful of pills from his pocket.

a whole handful.

"Then... are these pills enough to prove?"

At this moment, Jiang Wenlin and the other two Jiang family masters were stunned, and the entire alley fell into a deadly silence.

Their eyes stared at the pill in Ye Chen's hand, a lot of pill...

stared firmly.

is like a sculpture!

can't even breathe!

Just because that kid is really a pill! A pill with pill pattern!

After a long while, Jiang Wenlin was relieved, and there was a trace of cold murder in his eyes!

In his opinion, those pills belong to him! This kid is not qualified at all!

Once he gets these, the future position of the head of the Jiang family must be his!

He raised his head, and a penetrating smile appeared at the corner of his mouth: "Boy, you are very enlightened, hand over these pills, and then tell me the source of the pills, you can be the dog next to me Jiang Wenlin, the whole Jiangcheng, no one Dare to move your dog!"

Ye Chen stretched his waist, looked at Jiang Wenlin, and said lightly: "Hey, do you know why I want to tell you this?"

"Why?" Jiang Wenlin subconsciously asked.

"Because only the dead can keep secrets forever."

The voice is extremely cold.

At this moment, this sudden sentence made the atmosphere of the alley suddenly dull.

There is a hint of tension in the air.

Jiang Wenlin's face turned dark, he glanced at the middle-aged man beside him, and said: "Jiang Meng, interrupt this guy's hands and feet and bring it to me."

"Yes, master!"

The words fell, Jiang violently moved, and rushed out like an arrow from the string. At a place three meters away from Ye Chen, he suddenly vacated and stepped on the wall!

With the help of inertia, his body jumped to a height of five meters! Then his body turned, and his leg pressed down against Ye Chen fiercely!

The power of this leg has reached the half-step state! There are hundreds of catties!

The wind bursts!

Once it falls on the body, it is immortal and disabled!

Ye Chen's eyes became more and more murderous, the next moment, he shot directly!

Nothing fancy!

Just like that, the infuriating spirit is running, and he slams a punch to it!

This punch seemed unremarkable, but there was an air explosion!

Even the illusion that the sky will explode!

Jiang Meng, who fell suddenly, noticed a stream of air entwining his fist, and his pupils suddenly enlarged!

Because this airflow is infuriating!

This kid is really angry!

He wanted to take his leg back, but it was too late!

"Boom!"

One punch and one leg suddenly collided!

"Crack!" A sound resounded throughout the alley.

I saw Jiang Meng's right leg almost twisted and hit him in the face with a strange posture!

The strong sense of tear makes him worse than death!

This is not the most terrifying, Jiang Meng also felt a burst of energy at the moment of touching, piercing his internal organs!

He couldn't help it anymore, spit out a mouthful of blood in the air, and then slammed into the wall!

There was another loud noise, and Jiang Meng's bones all over his body seemed to be shattered, lying on the ground softly, vomiting blood constantly in his mouth, extremely painful!

Who would have thought that a stinky kid would severely wound Jiang Meng in half-step transformation with a single punch!

Jiang Wenlin and the other old man seemed to have their hearts twitching at the moment.

They have seen many martial arts, but they have never seen such an overbearing punch.

Before they could react, Ye Chen had already walked towards them step by step.

Jiang Wenlin snorted coldly: "Smelly boy, dare to kill my Jiang family, do you know what it means? Your parents, everyone around you, including the woman in the coffee shop, are going to die! Jiangcheng Budo Family is not like you The \*\*\*\* of the forces can be caused!"

"You talk too much nonsense." Ye Chen's cold voice has appeared in his ears.

Jiang Wenlin's face changed drastically: "Old Min, let's go together, kill this son!"

Both of them are in the realm of masters~www.ltnovel.com~ In Jiang Wenlin's view, once they join forces, they are enough to kill the youth in front of them!

"Yes, master!"

I saw that Lao Min's sleeves flicked, and a sharp short knife appeared in the palm of his hand. When the short knife turned, it was chopped towards Ye Chen's neck along a strange arc!

This knife is extremely accurate! Extremely ruthless!

When the knife falls, it must be bloodthirsty.

And Jiang Wenlin also stepped out one step, the dust rose, and the ground cracked, and at the same time, he shot out with a palm, carrying the rolling energy, and locked Ye Chen!

"Boy, it is also your honor to die under the palm of my Jiang family!"

Ye Chen looked at the two murderous intents and smiled.

Such \*\*\*\* means dare to call the Budo family?

He only stretched out one hand and said lightly: "Kill you, I have enough with one hand."

The words fell, Ye Chen's hand flashed like thunder, and directly clasped Lao Min's wrist, "Crack!" With a sound, Lao Min only felt an invisible air lock him! His wrist twisted and it rotated almost three hundred and sixty degrees!

But the knife was held tightly!

In the next second, a devastating force seemed to control his hand and knife!

folded his backhand and cut directly at Jiang Wenlin's outstretched arm!

"Master! Be careful!"

But it's too late!

Lao Min wanted to withdraw his hand or let go of the short knife, but found that he couldn't do it at all!

The strange man in front of him controls everything!

"Clang!"

The knife fell on the ground.

But the short knife is full of blood.

Jiang Wenlin felt something was wrong, and when he looked down, he found that his entire arm was gone! The blood of the body is constantly flowing!

## Chapter 99

"My hand...my hand!"

At this moment, Jiang Wenlin panicked!

really panicked! His whole body is shaking!

The martial artist has no hands, it is more painful than killing him!

How did this kid do it?

Although he has just entered the realm of a grandmaster, Lao Min has already been a grandmaster for three years!

How can they kill this kid with their hands?

The key is that the opponent only released one hand during the whole process!

Fuck!

Is this kid a \*\*\*\* evildoer!

When did Jiangcheng have such a character!

There are countless fears in his heart. He ran as soon as he wanted to, but in this case, what would he run!

"Master, I will hold him, you run! As long as you run to the auction, he will not dare to move you!"

After finishing speaking, Lao Min carried his energy around and killed Ye Chen!

Jiang Wenlin didn't care about anything, he covered his \*\*\*\* arm and ran out of the alley!

Very fast!

Ye Chen didn't have any plans to chase, and when he moved his toes, he saw that the short knife on the ground seemed to pierce the air and flew out!

"Puff!" pierced Jiang Wenlin's right leg accurately!

Not only that, the powerful energy also made the short knife penetrate the past abruptly!

Jiang Wenlin instantly lost his weight and fell to the ground.

Ye Chen faced Lao Min's shot and slapped the opponent's blow with a palm. At the same time, he buckled his backhand and grabbed his neck directly.

"In the next life, don't mess with me!"

"Crack!" Ye Chen broke Lao Min's neck directly.

He will not keep his hands, nor will he let the tiger go back to the mountain.

Five years ago, he had just arrived there, and his kindness almost killed him.

He gradually understood that in this world, there are not too many children who love them, and there is no such thing as kindness and reward! Only the weak and the strong!

You are strong! Ten thousand surrender!

You shrink! Dogs dare to climb on you and bark!

You are kind to the enemy today! Tomorrow, the enemy will be cruel to you!

Solved Lao Min, Ye Chen came to Jiang Wenlin!

Jiang Wenlin Yu Guang saw the black shadow behind him, his back could not help but feel cold!

The two masters of the Jiang family are dead! The next one is naturally his turn!

"You...you can't kill me! I am the third son of the Jiang family! I am the son of Jiang Yuanli!"

"My dad is No. 514 on the Huaxia Grandmaster List! You kill me and you have offended Jiang Yuanli! Offended the entire Jiang family!"

His voice was almost horrified, and he even wanted to shout very loudly, let someone else rescue him!

Ye Chen frowned slightly.

What is the Huaxia Grandmaster List?

There are 514 more.

China has so many masters?

I remember that Zhu Rende told him that there are 50 grandmasters and 10 top grandmasters on the face of Huaxia Ming.

It seems that there are still many hidden masters in China.

Jiang Wenlin saw that Ye Chen didn't do anything immediately, thinking that the other party was afraid.

is also right, any martial artist in Jiangcheng doesn't know his father!

His fear gradually turned into coldness: "Since you know Jiang Yuanli, why do you even cut off my arm!"

"Through my father's means, I know that you are doing this to me! I promise everyone around you will be cut off by him!"

"My father's strength can at least rank in the top ten in the whole Jiangcheng, what are you fighting against me!"

Jiang Wenlin said more and more! He is venting! Vent crazy!

"Are you finished?" A cold voice interrupted his words.

Jiang Wenlin was startled, but before he could react, another voice fell!

"What kind of thing is Jiang Yuanli, if he dares to hit my mind, he will die if he comes!"

In the next second, Ye Chen directly strangled Jiang Wenlin's neck and abruptly lifted him up!

"Boom!"

even smashed Jiang Wenlin's body on the wall!

and asked him to watch the family around him leave one by one! Haha!

Therefore, he must survive at all costs.

And now, judging from this kid's reaction, there is a play!

Just after his ecstasy, the cold voice sounded again: "Unfortunately, I only want your life."

Jiang Wenlin heard these words, his eyes widened, but before he could react, he felt an invisible energy from his neck penetrate his body!

Very painful!

He is pale! Then suddenly turned green! In the end only a "click!" was heard!

His vitality has completely disappeared!

Jiang Wenlin, the third young master of the Jiang family, must die!

Ye Chen threw Jiang Wenlin's body on the ground with indifferent eyes. He is not a heinous demon, he just wants to protect the people around him.

If these three people do not die, Sun Yi and Xia Ruoxue may both have trouble.

In the past five years, he has been practicing desperately, but he doesn't want the powerless feeling of five years ago to come to his mind again.

.....

And at this moment, on the roof.

Jin Qian of the Jin family witnessed all this completely.

He originally planned to save Ye Chen when Jiang Wenlin killed Ye Chen. He never thought that the other party would not only need to save them, but also kill the three people easily!

Even the three young masters of the Jiang family will not let go!

This Ye Chen is not only powerful, but also extremely cruel!

When did this kind of decisive genius appear in Jiangcheng?

Is the structure of Jiangcheng going to change completely?

He was trembling~[www.ltnovel.com](http://www.ltnovel.com)~ A fear from the depths of the soul enveloped him.

He even felt that if he was in front of that young man, he would definitely not be able to bear it!

He just wanted to leave, only to find a shadow appeared beside him!

"Have you seen enough?"

Fuck! The evil \*\*\*\* in front of you!

He... when did he come up!

Seeing that Ye Chen was about to make a move, "Pump!" With a sound, Jin Qian knelt down!

"Mr. Ye, don't kill me! I'm from the Jin family, and the lady asked me to come and help you..."

said this, he himself thought it was funny.

How could such a peerless powerhouse need his level of trash to shoot?

He even suspects that according to the style of the young man in front of him, he will inevitably be wiped out!

Cut the grass and root!

"Golden Lengyan?"

"exactly....."

"Oh. Give her a message for me, don't try to interfere in my life, otherwise, the Jin family will be the same."

"Also, dispose of these corpses."

After finishing speaking, Ye Chen jumped directly from the roof, landed steadily, and walked slowly towards the Starbucks coffee shop like an okay person.

left the alley and stepped into the sun.

Ye Chen's murderous intent disappeared completely, no different from ordinary people.

Ye Chen left for a full minute, but Jin Qian did not move.

His clothes are like fished out of the water.

Suddenly, he thought of something, and quickly took out a black mobile phone in his pocket and broadcast a cornet.

The phone is connected.

"Miss, something big happened! Jiang Wenlin, dead!"

Jin Lengyan received the call and soon came to the alley.

When he saw the three cold corpses, his face was extremely pale.

Breath almost freezes.

It was not someone else who died, but the third young master of the Jiang family!

This matter is too big, so big that the entire Jiangcheng may be earthquake!

This is not an ordinary earthquake, and one person can't bear it!

Jin Lengyan knelt down, looked at the injuries of several people, and frowned.

The method of the person who shot was too cruel, and it was simply torture. If the Jiang family knew about it, it would be annoyed!

"Jin Qian, you tell me everything and every detail that happened just now, and you can't miss any point!"

Jin Lengyan is extremely serious.

"Yes, miss! Mr. Ye came to the alley just now..."

When Jin Qian finished all the story, Jin Lengyan's eyes appeared with unprecedented fear.

One hand, one move, let the two masters of the Jiang family break their arms!

One person, a single person, destroyed three martial arts powerhouses!

Cruel heart, killing a master is like killing a chicken!

Such an impossible thing just happened.

The key is to happen to a young man in his twenties!

She didn't know how Ye Chen did it, she only knew that the consequences of this incident were unimaginable!

no longer hesitate, she called her father.

It's not something she can make up his mind at this point.

Hanging up the phone, Jin Lengyan told Jin Qian: "Dispose of the body, and send it to Jiang's house with a clean background! When the person comes back, directly erase all evidence, including the person who sent it."

Jin Qian was startled: "Send to Jiang's house? Doesn't that mean a showdown..."

Jin Lengyan looked at the three corpses with extremely heavy eyes, and muttered: "This is not something that my Jin family can control. If the Jiang family still finds Ye Chen, then we can only stand by and watch what Ye Chen did. , He will bear it!"

"Yes, miss!"

.....

Starbucks coffee shop.

Xia Ruoxue stirred the coffee boredly, and when she saw Ye Chen appear, she sighed.

I don't know why, but I feel a little worried.

When Ye Chen appeared in front of her, the worry in her heart was wiped out. She said in a slightly angry tone: "Ye Chen, why do you spend more and more time in the bathroom? It takes ten minutes, you see, The coffee is cold!"

Ye Chen smiled, very kind, completely different from the murderous intent in the alley just now.

Then, he directly picked up the coffee on the table and drank it in one breath.

Seeing this scene, Xia Ruoxue's eyes widened.

She has lived for so many years, but it is the first time she has seen anyone drink coffee as water.

Ye Chen put down the cup and directly took Xia Ruoxue's hand, and regardless of whether the other party wanted it or not, he walked outside.

He stopped a taxi and said to the driver: "Master, go to Dadu Apartment."

I don't know if there are people from the Jiang family in this place, so it's better to leave first.

While in the car, he also sent a text message to Ye Lingtian, asking him to send a few more people to protect Xia Ruoxue and Sun Yi, and by the way learned about the three major martial arts families in Jiangcheng and the so-called master list from Ye Lingtian.

He found that the Jiang family was more tricky than he thought.

Because Huaxia's ancient martial arts training system has been incomplete since its early days.

is divided into external power, internal power, small internal power, great internal power, peak internal power, half-step transformation, and master of transformation.

In the final analysis, there are three big realms, external strength, internal strength, and transformation. After this big realm, it is divided into several smaller realms.

However, there is no subdivision after the transformation, and they are only collectively called masters.

The strength of grandmasters can be strong or weak. Later, someone established a Huaxia Grandmaster Ranking to distinguish between high and low strength.

This division of realm has caused China's Guwu strength to stagnate.

Really inferior to the realm of self-cultivation, body Tempering Realm, Kaiyuan Realm, Pneumatic Realm, Separation Realm, True Primal Realm, etc. Each realm is divided into nine levels!

clear and clear.

Now he is on the fifth floor of Kaiyuan Realm, and he is about to enter the sixth floor.

If you ranked according to this Huaxia Grandmaster list, there should be no problem before 500.

Instead, he hoped that Jiang Yuanli would find himself, so that he could figure out the gold content of the entire Huaxia Grandmaster Ranking.

After half an hour, the two finally arrived at most apartments.

Sun Yi, who made the food, was a little surprised that the two actually came back together, but didn't think much about it. It is estimated that the two met in the elevator.

When eating, Sun Yi thought of something and joked to Ye Chen: "Xiao Chenzi, our Xia beauty will have her birthday next week. Do you want to give a Bomei a smile?"

Xia Ruoxue also looked at Ye Chen expectantly.

Ye Chen took a bite of the dish and pretended to say: "What kind of gift to give these years? Sending a WeChat red envelope is OK, just as you like."

The words fell, Ye Chen felt that his foot was severely stepped on! Raising her head, she saw sparks almost burst out of Xia Ruoxue's eyes.

"Joke, joke, yes, Sun Yi, what are you giving..." Ye Chen changed the subject.

Sun Yi blinked his eyes, and said to Xia Ruoxue: "Well, when I slept with Ruoxue yesterday, I rubbed the size of a certain part of Ruoxue, women, of course I gave them something suitable for women..."

Ye Chen subconsciously fills in the picture, which is very fragrant.

Xia Ruoxue saw that Sun Yi was bullying herself too, and she was ashamed and embarrassed, so she quickly put down her chopsticks and rushed towards Sun Yi.

"Sun Yi, I will measure your size now."

The second girl started fighting like this~www.ltnovel.com~ It was cheaper than Ye Chen and saw a lot of spring scenery.

Not long after, Ye Chen noticed that the phone was ringing. It was a strange number. He frowned and pressed the answer button.

"Mr. Ye, I am Zixuan, I... I didn't bother you... Can you... Can you save my grandfather? I really can't help it!"

Zhu Zixuan's eager voice came from the other end of the phone, and she cried when she arrived. Helpless to the extreme.

"What the \*\*\*\* happened? Where are you now?"

Ye Chen learned from many people at the auction that there was a problem with the Zhu family, but he didn't expect it to be such a big problem.

Zhu Zixuan's character, she understands that she will never call him unless she is a last resort.

"Mr. Ye, I'm at Zhu's Villa, 211 Jiangning Road, my grandpa..."

Before Zhu Zixuan finished speaking, there was a loud noise. The next second, the phone hung up.

problem occurs!

Ye Chen didn't hesitate anymore, put on his coat quickly, talked to the second girl, and left.

.....

211 Jiangning Road, Jiangjia Villa, brightly lit.

Ye Chen got out of the taxi and found that the entire villa was surrounded by soldiers in camouflage uniforms.

An extremely solemn breath overflowed from the villa.

There are still a few military vehicles parked outside.

When he got out of the car, a dozen breaths locked him.

is extremely cold.

Even Ye Chen felt a sniper rifle pointed at him on the roof.

As long as his behavior is a little abnormal, he will inevitably shoot a headshot.

What happened to the Zhu family? How could it involve the power of the military?

And looking at this posture, the situation has reached an extremely serious point.
