

Valkyrie 1301

[Chapter 1301: Must bring](#)

"Kang Youming, you are the one who is looking for death!" Pavilion Master Xuan Sheng was full of anger, and shouted: "What are you, what about the Deputy Pavilion Master? This Pavilion Master has tolerated you for a long time. You are the Deputy Pavilion Master of Dan Pavilion. No tolerance for people, selfishness, what qualifications do you have to serve as the deputy head of the Dan Pavilion? From now on,

Your status as deputy pavilion chief has been taken away. "

Pavilion Master Xuan Sheng yelled, completely angered, and his killing intent filled his body, like a **** ocean.

"I..." Kang Youming's face suddenly changed, and there was a fierce glow in his eyes.

Qin Chen was arrogant again, but after all, he was just an outsider, and now he was not even the Saint Child, the weight was not heavy, but Pavilion Master Xuan Sheng was different.

He is the pavilion master appointed by the superior Pill Pavilion of the Martial Domain. He is so powerful that no one can compare him. He wants to get rid of his position as the deputy pavilion leader, and no one in Pill Dao City can restore it. In fright and anger, Kang Youming suddenly shouted: "Pavilion Master Xuan Sheng, you are trying to drag our Pill Dao City into the abyss. Do you know what crime Qin Chen committed? Master Xue Gu, you too I saw that although this Qin Chen was only the King of Martial Arts, his strength was extraordinary enough to kill the King of Martial Arts in half a step.

It is comparable to the general early Wu Huang, and I dare to conclude that this son is the villain who did his hands on Lord Chi Lian and others in Tianlong Lake. "

what?

Everyone was shocked when he said this, and everyone looked at Qin Chen in shock.

A few days ago, the Hall of Law Enforcement held a big fanfare and the movement of apprehending the key criminals spread throughout the Northern Heaven Region. Almost every top force in the Northern Heaven Region received an order from the Hall of Law Enforcement to investigate and apprehend law enforcement in the Hall of Law Enforcement in Tianlong Lake. A squad of murderous villains.

And now, the deputy pavilion master Kang Youming actually said that Qin Chen was the villain, how could that be possible?

Even Pavilion Master Xuan Sheng was shocked when he heard such news, and his heart shook wildly. The reason why he dared to have the courage to challenge the Emperor Xueguwu was because the Emperor Xueguwu was only a casual repair recruited by the Hall of Law Enforcement. It belonged to the lackey of the Hall of Law Enforcement. It was not the core law enforcement team of the Hall of Law Enforcement. Everyone knew that. The core team of the temple is a group of women, and each talent is not

Where.

Second, it is also because of his identity as the master of the Dan Pavilion. No matter how strong the Law Enforcement Hall is, the Dan Pavilion is currently one of the top forces in the mainland. No one dares to provoke him. There are every reason to expel each other.

But now, Kang Youming actually said that Qin Chen was the main criminal caught by the Hall of Law Enforcement. As soon as he said that, the entire square was instantly silent, and everyone was frightened.

Everyone knows what kind of character Ji Hongchen is, the leader of the Northern Heaven Territory Law Enforcement Hall. When she wants to be furious, she will dare to destroy Pill Dao City and will not be merciless.

If Qin Chen is really the main criminal caught by the Hall of Law Enforcement, who dares to protect him?

Whoever protects will die!

Pavilion Master Xuan Sheng trembled and immediately shouted: "Kang Youming, what are you talking about nonsense?" "I'm talking about nonsense?" After Kang Youming went out, he was fearless, and sneered: "If you don't believe it, you just Ask the Wind and Cloud Sword Emperor and the others, this time, I came to Dandao City from the land of a hundred dynasties a few days ago, using Demon Sword City as a transit station, I will inevitably pass through Tianlong Lake, and I will investigate

I learned that when this place passed through Tianlong Lake, it happened to be the time when Master Chilian and the others were attacked, but because this child's cultivation base was weak, he was relieved of suspicion. "But later, this son showed amazing strength in the Demon Sword Inheritance of the Demon Sword Sect. Not only did he kill the seed disciples of the Demon Sword Sect and the Wind Xingzong, but he also blamed Han Li, the disciple of the Demon Sword Sect. Through the foolishness, it can be seen that this child has a deep mind. At that time, the Sword Emperor of the Demon Sword Sect against Qin

Chen expressed his suspicion, so he secretly sent the Sword Emperor Xufeng to follow Qin Chen to investigate the truth. Who knows, the Sword Emperor Xufeng never returned and was beheaded in the mountains outside the Tianluo Dynasty. The murderer was this Qin. dust. "

"This son, on the surface, his cultivation level is not high, but he has the strength to kill Emperor Xufeng Wushu. Therefore, I dare to conclude that this son was the murderer who attacked Lord Chi Lian in the Law Enforcement Hall."

Kang Youming said loudly, with a hideous face.

His fangs were finally exposed, which is why he dared to resist Pavilion Master Xuan Sheng and secretly hooked up with the Emperor Xue Guwu.

It is to drive Qin Chen into **** completely. Once the matter of Qin Chen's sneak attack on the members of the Hall of Law Enforcement is confirmed, then in the anger of the Hall of Law Enforcement, the Master Xuan Sheng will inevitably be questioned by the Dan Pavilion, and it is extremely likely that he will be transferred from the Dan Dao City. At that time, He swears to the Hall of Law Enforcement, and Pavilion Master Xuan Sheng is transferred away again, it is very likely that

He will be in charge of the Beitianyu Pill Pavilion, and at that time, the entire Pill Road City, he will keep his promise.

Hearing Kang Youming's analysis, everyone talked a lot, and they couldn't calm down one by one.

If what Kang Youming said is true, then Dan Dao City will really be out of luck. The murderer who assaulted the members of the Hall of Law Enforcement will be promoted to the holy son. This is a provocation to the Hall of Law Enforcement. style? Dan Dao City will inevitably suffer a catastrophe.

For a while, many of the elders in the Dan Pavilion were shocked, and their cold hair stood up, and a chill rose from the soles of their feet.

"Fuck!"

A crisp applause suddenly sounded, everyone turned their heads in amazement, and saw Qin Chen smiling and applauding gently.

"Okay, that's great, this young master still doesn't know that Deputy Pavilion Master Kang is still a master of storytelling, disrespectful and disrespectful." He smiled, without any panic at all.

"Telling a story?" Kang Youming said angrily: "The old man said, every sentence is true, who will tell you the story."

"Boy, grab it with your hands, come with me back to the Law Enforcement Hall." Emperor Xueguwu went straight to Qin Chen, excited in his heart. Deputy Pavilion Master Kang said he wanted to give himself a big gift. He didn't care about it at first, but now, But my heart was very ecstatic.

The leader was furious and demanded the arrest of the murderer, he naturally knew better, but after so many days, there has been no news.

But if Qin Chen is really the murderer, and he is taken back to the Hall of Law Enforcement, the leader is happy, he will definitely be rewarded, and his status in the Hall of Law Enforcement will also be promoted quickly. How does this make him not excited?

Xuan Shengge took the initiative. He stood in front of Emperor Xue Guwu, otherwise Emperor Xue Guwu would take Qin Chen away. Although his heart was also disturbed, in the end, he stood up.

"Xuegu, this person is the saint son of my Dandao City, not something you can take away if you want to."

Xue Gu's eyes suddenly became cold: "Pavilion Master Xuan Sheng, I respect you as the Pavilion Master of Dandao City, but now, my Law Enforcement Hall is catching the important offender, and I hope you don't hinder my Law Enforcement Hall's work, otherwise, Don't blame my blood loneliness."

"Only you, want to take someone away in front of me?" Pavilion Master Xuan Sheng looked cold and refused to give up.

"is it?"

Xue Gu Wu Huang sneered and banged. The several Wu Emperors behind him each erupted with horrible killing intent. At the same time, crimson flames lit up on the battleship above his head, and a terrifying flame breath spread out. Locked on the master of Pavilion Xuan Sheng.

"Today this person, pavilion Master Xuan Sheng, you can let it go, or if you don't let it go, you have to take it away. If you don't believe it, you can try it."

Xue Guhan said, in the face of such a great accomplishment, even if he upset Pill Dao City, he would have to take Qin Chen away. He must bring this person!

[Chapter 1302: too naive](#)

"You can give it a try, come, and open the Dandao City Guardian Formation. I want to see who dares to take people away from my Dan Pavilion."

Pavilion Master Xuan Sheng was also angry. He gave an order and boomed, and suddenly the entire Dandao City burst out with a terrifying array of light. The bright array of light turned into countless colorful red trainings, wrapping the entire Dandao City inside, and at the same time The battleship from which Emperor Xueguwu was riding was firmly locked.

boom!

The two forces collided and immediately burst out an astonishing roar. This was the aura that erupted from the collision between the Dandao City formation and the floating battleship.

For a moment, the entire Dandao City was trembling, rumbling and roaring, and the splendid light covered everything, but no one felt pleasing to the eye, and everyone felt cold.

This... is the rhythm at which both sides want to fight?

Originally, everyone came here to witness the birth of the new Saint Child of Dandao City, but who would have thought that there would be a collision between Dandao City and the Hall of Law Enforcement, which made everyone's heart tremble, and everyone didn't know. What to do.

One is the law-enforcement hall with a fierce reputation in the mainland, which is in charge of punishments in the world, unmatched, and no one dares to challenge.

One is the supreme pill pavilion on the mainland, an indispensable organization in charge of the world's pill.

The two sides are going to collide, what should they do?

All of them were shaking violently, and they were bitter, but they didn't know what to say.

The two major forces, the Hall of Law Enforcement and the Dan Pavilion, no matter which one they are, they cannot be mixed. In case the team is wrong, one will fall down. No matter how powerful the forces are, they will die every minute, so they can only be on the sidelines. Frightened and watched from afar.

Emperor Xueguwu was furious.

Crazy, this Pavilion Master Xuan Sheng is so arrogant that he dared to challenge his law enforcement hall, really thinking that with the title of a pharmacist, he would dare not move him?

How many years has he been in the Hall of Law Enforcement, this is the first time he has seen anyone who dares not give the Hall of Justice face.

But under the anger, the Emperor Xueguwu hesitated. If it were a general force, he would have ordered the action, but the opponent was Dan Dao City, but he was a little jealous.

Not to mention that Pavilion Master Xuan Sheng himself is the Martial Emperor of the late eighth stage, and as the center of the Northern Heaven Domain Pill Road, there are a lot of strong people in Pill Road City. This time he only came with a group of people under his command. Pavilion Master Sheng really wants to stop him, whether he can take Qin Chen away is really unknown.

"Xuan Sheng, you are the master of the Northern Heavenly Domain Dan Pavilion. Are you really going to have trouble with my law enforcement hall for a little kid?" Xue Guwu Huang shouted angrily.

For this plan, he can only borrow the name of the Hall of Law Enforcement.

"Don't tell me this nonsense." Pavilion Master Xuan Sheng was sullen, "Xue Gu, this son is the newly promoted saint son of my Dan Pavilion, can you take it away if you want it? Retreat quickly. I can leave a trace of face, otherwise I would have to see who can take someone away from my Xuan Sheng's hands."

At that time, Zhuo Qingfeng said a word inadvertently and offended Misty Palace and gave the law enforcement hall a chance to stand up. Pavilion Master Xuan Sheng also endured it at that time, and even took off the hat of Xuan Yi Yao Wang's Deputy Pavilion Master.

But this time, the other party wanted to take Qin Chen away directly, so what made him bear?

When it spreads out, Xuan Sheng will completely lose his face and will have no place in the northern sky.

This has nothing to do with Qin Chen's talent and his future prospects, but only with his dignity as a pharmacist. How can a dignified pharmacist tolerate such abuse?

"You..." Emperor Xue Guwu was also furious.

He knows what position he holds in the Hall of Law Enforcement, that is, it is a running dog. If he knows that the main criminal arrested by the Hall of Law Enforcement is here, but because of the identity of Pavilion Master Xuan Sheng, he withdraws and passes it back. The Lord Commander cannot spare him either.

"Where are the people in the Hall of Law Enforcement? Kill the enemy with me, I want to see, who dares to stop me in the Hall of Law Enforcement!"

Xue Gu Wu Huang roared, bang, he took a step forward, and his body broke out with terrible murderous intent. The Wu Huang domain in the late eighth stage quickly dispersed, and everyone was to be wrapped in it.

This action immediately aroused the anger of Pavilion Master Xuan Sheng.

"Where are the people in Dan Pavilion? Surround them, and the old man wants to see who dares to run wild in my Dan Dao city."

Pavilion Master Xuan Sheng also yelled. Pill Dao City is his home court. He was afraid that the Emperor Xue Gu would not succeed?

Huangfu Nan and others stood up in an instant, but there were also many Medicine Kings who looked at Kang Youming and Jin Shengjie, but did not move.

Pavilion Master Xuan Sheng was suddenly anxious, don't these guys even listen to what he said? It seems that I have been in retreat for too long, so people have forgotten their methods.

"You, are you still not from my Dan Pavilion?" Pavilion Master Xuan Sheng glared over. "My Lord Pavilion, why should we fight against the Hall of Law Enforcement for a sinner? Then Qin Chen dares to do something against the Hall of Law Enforcement. That is to blame and seek a dead end. There is no need for us to fight against the Hall of Law Enforcement for such a person? The subordinates think that it is better to hand over that Qin Chen to the Hall of Law Enforcement.

If Qin Chen is innocent, the Hall of Law Enforcement will certainly not wrong an innocent good person. If Qin Chen is indeed a murderer, we shouldn't bother with the Hall of Law Enforcement for such a despicable villain, and ask the Lord Master to think twice. "Jin Shengjie hurried forward and said respectfully.

"Yes, Lord Pavilion Lord, think twice."

"The prestige of the Law Enforcement Hall is outside, is it a long-term plan, there is no need to make you die?"

A group of elders headed by Jin Shengjie said one after another, among them were Elder Wang Yongsheng and others under Kang Youming.

Kang Youming sneered on the sidelines. Does Pavilion Master Xuan Sheng think that he can do whatever he wants by depriving him of his position? Although he is the pavilion owner, but after so many years of management, this Dan Pavilion has long been not just for him.

"Pavilion Master Xuan Sheng, everyone expects it, you see that even so many of your subordinates know the current affairs, why do you have to be a murderer and have trouble with my Law Enforcement Hall?" Emperor Xue Guwu accepts it when he sees it, and comforts him. Tao.

"you guys....."

Pavilion Master Xuan Sheng stared at Jin Shengjie and a group of people, do these guys want to rebel? How does this make him not angry?

"Don't you even listen to the words of the pavilion master?" Pavilion Master Xuan Sheng exclaimed, with endless anger in his voice.

Many Medicine Kings lowered their heads on the spot, not daring to look at the angry gaze of Pavilion Master Xuan Sheng, but a group of people actually followed the Deputy Pavilion Master Jin Shengjie and raised their heads and looked directly at Pavilion Master Xuan Sheng.

As long as Pavilion Master Xuan Sheng fell, this Alchemy City belonged to the Deputy Pavilion Master Kang Youming and Jin Shengjie. When Pavilion Master Xuan Sheng offended the Hall of Law Enforcement, he would definitely be transferred to the North Heaven Territory. How afraid he was.

"Haha, ok, very good." Pavilion Master Xuan Sheng laughed furiously. "You guys, this pavilion master seldom walks in the pill pavilion. You have forgotten the majesty of the pavilion master, have you? It's really good, let me see, the twenty-three elder medicine kings, it's incredible, this Are you going to rebel? The old man tells you, what about the king of medicine? Do you think the old man wants

If you care about the overall situation, won't you punish you? So you all dare to threaten this pavilion master? "These guys are too naive.

[Chapter 1303: Hall of Law Enforcement](#)

Seeing the furious expression of Pavilion Master Xuan Sheng, many Yao Wang's faces changed slightly, and they even wondered if their choice was wrong, but now that it's impossible for them to repent, they can only follow Kang Youming and Jin Shengjie. Go to black.

"As the elders of Alchemy City, you are inferior to pigs and dogs!"

Pavilion Master Xuan Sheng sneered, killing intent in his eyes boiling, making Jin Shengjie and the group of people chills, and only felt that something bad was about to happen. "You think there are too many people, the old man will not punish you? Think too much, since you want to resist the old man, that's good, from today, Jin Shengjie, you, like Kang Youming, will no longer belong to Dan Pavilion. The deputy pavilion master, as well as you, are no longer the elders of the pill pavilion, let me go." Xuan

Pavilion Master Sheng stared at the group of people in front of him, his expression stern.

Before he forbearance, it was entirely for the sake of the overall situation of Pill Road City, the two deputy pavilion masters and many medicine king elders were indeed very important. But now these people are colluding with outsiders to bully their family members for their own selfish desires, that's beyond the limits of Pavilion Master Xuan Sheng.

Think I dare not move you, can't move you?

Naive!

"Don't think about it!" Jin Shengjie jumped up abruptly, pointing at Pavilion Master Xuan Sheng, looking angrily.

If you really want to be expelled from Alchemy City, it will be a shame that cannot be washed away in your life. Everywhere you go, you will be laughed at. More importantly, a pharmacist who has no place in the alchemy pavilion, who will Would care?

The high status of the pharmacist is based on the pill pavilion as the backing. Otherwise, some people will be jealous and even imprison the pharmacist directly to make medicine day and night.

There are not one or two big forces holding this idea. Pavilion Master Xuan Sheng ignored him, but looked at Xuan Yi Yao Wang and the others, saying: "Xuan Yi Yao Wang, you will be the deputy pavilion master of my Dan Dao City again from today. This matter, wait for this matter, I will I will inform the superior Dan Pavilion at the first time, I Xuan Sheng would like to see, who is in this small North Heaven Domain Dan Pavilion

Can also turn over the old man's place. If you are dissatisfied, you can go to the higher-level Dan Pavilion to make a complaint. I don't believe it. My dignified Northern Heaven Domain Dan Pavilion can not cure a few of you. "

His face was covered with frost, domineering, and indescribably domineering.

Who said he can only refine alchemy?

Everyone was robbed of the momentum of Pavilion Master Xuan Sheng, and only felt that their hearts were agitated and their scalp was numb.

The pavilion master Xuan Sheng is really bold, two deputy pavilion masters, and more than 20 elders of the Medicine King, just don't want it.

To know that the entire alchemy pavilion, there are only dozens of Yaowang elders, this time, directly cut off one third of the alchemy elders, how can normal people have such courage?

"I'm waiting to support the lord of the pavilion, just a few deputy pavilions, thinking that if I have some people under my command, I can go against the sky?" Huangfu Nan sneered.

He also came from Your Excellency Wu Yudan. He really wanted to start a lawsuit. How could Kang Youming and others win the fight? They think they have won some medicine kings, so they can force the palace? Still too naive.

"I'm waiting to support the Lord Pavilion Lord!"

Other Yaowang elders were agitated, and they also agreed.

Among them, some of them are because they are shocked by the majesty of Pavilion Master Xuan Sheng, but there are still a large number of people who can't understand what Kang Youming did.

At the moment, the enemy is eating out, and even suppressing such a talented medicine king as Qin Chen, he has no words. If such a person controls the Dandao City, what future is there in the Dandao City?

After hearing the crowd's shouts, the onlookers felt their mouths twitched wildly, and they couldn't believe it.

The two deputy pavilion masters and more than 20 Yaowang elders were actually kicked out in just a few words, it was like a child's play!

"Get out!" The master of Pavilion Xuan Sheng pointed to Jin Shengjie and the others. This time he was so angry that he dared to hit himself with his idea, causing the old man to completely explode.

"You can't expel me and wait! I'm the deputy chief of Dan Pavilion!" Jin Shengjie's face was pale and shouted, "You are public revenge! I refuse! I refuse! I refuse!"

"What about dissatisfaction?" Pavilion Master Xuan Sheng said scornfully, "What if this Pavilion Master just avenges private revenge? If there is a kind, you can go to Wuyu Dan Pavilion and ask for injustice. If you can succeed, I will take a high look at you. "

He asked twice in a row, making Jin Shengjie dumb and his face was astonishingly pale. The master of Pavilion Xuan Sheng was released from the Lord Wuyu Dan. Although it was said that he was sent down, there must be a lot of connections in the higher-level Dan pavilion. Just a few of them who had never been to Wuyu Dan wanted to Wuyu Dange defeated Pavilion Master Xuansheng, how could this be possible? What's more, their approach is indeed somewhat different

Tao.

"Pavilion Master Xuan Sheng, if you want to be prestigious, close the door and just go and play, no one will say anything. Now, we are discussing the matter of this son. This son is the main offender of my law enforcement hall. If the truth is found out, I The Hall of Law Enforcement will inevitably go to the Book Pill Pavilion and ask for justice." Xue Guwu Huang interjected.

Emperor Xue Gu Wu has a private transaction with Kang Youming and Jin Shengjie. He will fully support them to become the pavilion master of Dan Dao City. In return, Dan Dao City will be given free or at a very favorable price every year. He and his subordinates have a lot of pills.

Since becoming a person in the Hall of Law Enforcement, Emperor Xue Guwu didn't want to be so mediocre, but had greater revenge.

"My Dange handles the matter, and it is your turn to leave the old man!" Pavilion Master Xuan Sheng shouted.

He really had a killing intent, as long as the Emperor Xueguwu dare to talk nonsense, even if he pierces the sky, he must make a strong move and expel him.

Qin Chen's heart was agitated. It turned out that Pavilion Master Xuan Sheng still has such a domineering side. Although the opponent and himself use each other, but at this time, they can stand up to himself like this. No matter what the purpose of the opponent is, it is worth meeting. .

"You..." Emperor Xue Guwu was anxious, with murderous intent on his body, how could he bear such humiliation? This time I want to do it, but I do not want to do it.

The two goals are facing each other, and the sword is at a stretch, and they can be shot at any time. The atmosphere is freezing and suffocating.

Suddenly, Qin Chen looked surprised, suddenly raised his head and stared at the distant sky.

Immediately afterwards, everyone on the court also looked up, and saw a fairy cloud swept across the sky in the distance.

Rumble!

This celestial cloud was vast, and among them there were huge things floating and sinking, and it was actually a battleship that was larger and vaster than the battleship that the Blood Guwu Emperor was riding.

With a bang, the battleship burst into glare, and landed above Dandao City. On the hull of the ship, the markings of the swords were extremely clear, and the golden light flickered. It was actually the top battleship of the Law Enforcement Palace.

Everyone was shocked. At this time, there was an even more terrifying battleship coming from the Hall of Law Enforcement. What was going on?

Could it be that the Hall of Law Enforcement got the news and is coming to suppress Dandao City? For a time, the atmosphere on the court was extremely frozen.

[Chapter 1304: You Qianxue arrives](#)

Everyone was suffocated, only to have difficulty breathing and trembling all over.

Such a huge battleship, just standing proudly in the sky above Alchemy City, suppressed everyone almost out of breath, and its mighty power was many times stronger than the aura of the Blood Guwu Emperor?

What kind of master is this coming? The complexion of Master Xuan Sheng's pavilion also changed. From his knowledge, he knew that such a battleship was the top battleship of the Hall of Law Enforcement. The person who could control this battleship was definitely not a running dog like Emperor Xueguwu, at least. The core staff of the Hall of Law Enforcement, if the opponent is here to capture Qin Chen,

Can you stop it again?

He was able to hold the power of Emperor Xueguwu, that was because Emperor Xueguwu was just an outsider after all. Even if the running dog of the Law Enforcement Palace was offended, he could deal with him as his own.

But offending the core of the Hall of Law Enforcement will inevitably trigger a conflict between the Dan Pavilion and the Hall of Law Enforcement. At that time, in his capacity, it is absolutely impossible to deal with it. "Qin Chen, if the situation is not good later, I will activate the Dandao City formation to block the action of the Law Enforcement Hall. If you seize the opportunity, you will immediately leave the Dandao City and return to the Martial Domain. I can only do this. Too much!" Turning his head, Pavilion Master Xuan Sheng secretly transmitted to Qin Chen, with helplessness and sigh in his voice.

.

It's hard to see that such a genius can win honor to the North Heaven Domain Pill Pavilion, and even let himself return to the Martial Domain. Who knows, he was involved in such a thing.

Regardless of whether Qin Chen is a murderer or not, as long as he is taken away by the Hall of Law Enforcement, he will lose a layer of skin if he is not dead. He can only do his best to get the Dange headquarters to protect Qin Chen. However, the probability of success is probably only Less than half.

Although he has not tasted the methods of the Hall of Law Enforcement, he has heard too many of them. This is a force that will never come out again after entering. You can let your power and status be amazing, but you can only be slaughtered.

"Pavilion Master, don't worry, I won't be involved in Dan Pavilion, not to mention, the clearer will be self-cleaning." Qin Chen was moved by the voice, but his brow furrowed deeply.

"Hahaha! Xuan Sheng, now my Master of Law Enforcement Hall is here, I want to see if you have any confidence to challenge my Law Enforcement Hall."

The Master Xuan Sheng and others were furious, but the Emperor Xue Gu Wu laughed and was very excited. He waved his hand and said, "Everyone, follow me to welcome the Lord Law Enforcement Hall off the ship!" Only he knew that the appearance of this battleship was not it was he who reported it. It should have been a certain adult who accidentally passed by Dan Dao City and encountered such an incident, but who can call such a large ship, the entire law enforcement hall is under the command of the adult. The two core deputy leaders of

Take it.

No matter which adult comes, as long as he speaks clearly, he will definitely catch Qin Chen. When the time comes, Pavilion Master Xuan Sheng wants to stop, I am afraid that he will die.

He laughed loudly, then his expression instantly became very respectful, knelt on one knee and raised his head to meet the sky.

Hum!

Under the gaze of everyone, a beam of light appeared under the battleship, and a woman in armor walked out of it, looking very powerful.

"This is... the core team of the Hall of Law Enforcement."

Pavilion Master Xuan Sheng's heart sank. In the Hall of Law Enforcement, there is a group of people that must not be provoked, that is, the pro-army of the Hall of Law Enforcement in red armor. This group of people are selected by the Hall of Law from all over the mainland. They are unworldly geniuses, and they are all women.

Their cultivation base may not be too high. Many people are even the Wuwang cultivation base, but they are the core disciples of the Hall of Law Enforcement, and they must not be humiliated.

Even offending the most inconspicuous one is far more terrifying than offending a master like Xue Guwu Emperor.

Rumor has it that it was the last time that such a team was attacked, which provokes the anger of Ji Hongchen, the commander of the Hall of Law Enforcement, and wanted the murderer in the entire Northern Heaven Region.

I saw a team like this coming out, there were five teams, arranged in the front, as if to welcome some important person.

This made everyone even more alarmed. Who is controlling the battleship?

Emperor Xuehu was even more shocked, and lowered his head down, almost humbled to the dust.

"call!"

Under the gaze of everyone, a woman wearing a black armor fell. This was a martial emperor in the early stage of the eighth stage, who was only in her thirties, with amazing talent and beautiful appearance.

She has an arrogant temperament, coldly walks down, her eyes are squinting, although her cultivation is only in the early stage of the eighth stage, but her gaze does not seem to put the entire Alchemy City in her eyes at all, just staring below, as if walking on the ground. In the middle of the square.

"Subordinate Xuegu, I have seen Master Xu!"

When Emperor Xueguwu saw the visitor, he took a breath. The visitor turned out to be Master Xu Yan. So, this time, is Deputy Commander Gong Feng mobilizing the battleship?

In the Northern Tianyu Law Enforcement Hall, Ji Hongchen is the commander, but under the command, there are several deputy commanders. Among them, two deputy commanders are the cronies of Master Ji Hongchen and are also the core deputy commanders, and this deputy commander Gong Feng is One of the two lieutenants.

And Xu Yan, who is also the pro-army of Deputy Commander Gong Feng, has always stayed with Deputy Commander Gong Feng. Now Master Xu Yan is here, then Deputy Commander Gong Feng is still far away? In the Hall of Law Enforcement, the leader of Ji Hongchen rarely appeared. Under normal circumstances, the two core deputy commanders represented the authority of the Hall of Law Enforcement in the Northern Horizons. Many tasks were performed by the two deputy commanders. Xue Gu had no idea that he would be here. When I met Deputy Commander Gong Feng, he was trembling with excitement.

, The head droops increasingly.

"Oh? Xuegu? Why are you here?"

Xu Yan looked at Xue Gu coldly, her eyes revealed doubts, but before Xue Gu answered her eyes, she turned away. Although Xue Gu's cultivation base is stronger than her, but in her eyesight, Xue Gu's casual cultivation is just a law enforcement hall. It's just a dog.

"This, is this the master of Pill Xuan Sheng?" Xu Yan's eyes fell on the master of Xuan Sheng, and she narrowed slightly. Compared with Xue Gu, the identity of Master Xuan Sheng Pill Dao naturally made her respect.

"It's the old man."

Pavilion Master Xuan Sheng nodded, his eyes were puzzled. Hearing Xu Yan's tone, it didn't seem to be someone who came to Xingshi to inquire.

Xu Yan arched her hands, completely ignoring the chaotic scenes. She was too lazy to bother, and said lightly: "Pavilion Master Xuan Sheng, I heard that there is a pharmacist named Qin Chen in your Pill Pavilion. I don't know where is it? Please also Xuan Sheng Pavilion. The Lord shouted out."

The atmosphere that was originally a little relaxed, instantly solidified again.

Qin Chen, is Qin Chen again? Needless to say, this group of people definitely wanted to capture Qin Chen.

Kang Youming and the others were immediately ecstatic, a heart that sank to the bottom, and the heart beat instantly, and the excited blood boiled.

But Pavilion Master Xuan Sheng and other people in the Pill Pavilion narrowed their eyes, only feeling the endless pressure sweeping over them, and their complexion turned pale.

Just when he didn't know how to speak.

"Less dust!"

Suddenly a loud shout of excitement came from the top of the head, but after Xu Yan, a beautiful woman in white came out of the battleship. After seeing Qin Chen in the crowd, she flew down instantly, and then in the crowd. Under the dumbfounded eyes-

He hugged Qin Chen instantly. It is You Qianxue!

[Chapter 1305: Are you Qin Chen?](#)

You Qianxue hugged Qin Chen tightly with tears in her eyes. She looked at Qin Chen excitedly. Although they were separated from Qin Chen for more than a month, the two of them seemed to have never seen each other in a century. It was so long.

Before meeting Qin Chen, You Qianxue had thought about what to say to Qin Chen. There were too many words in her heart to talk to, but when she really saw Qin Chen, she had brewed in her heart countless times. But he couldn't say a word, he just hugged Qin Chen tightly, and his mind was agitated.

"Qianxue!"

Qin Chen stared at You Qianxue, who was holding him tightly, with some surprise in his heart. He touched Qianxue's silky long hair, and his heart, which had been covered in dust for many years, couldn't help but waver, just hugging tightly. Stay with her to respond to You Qianxue's enthusiasm.

The two of them hugged each other tightly under the big crowd. Between the heaven and the earth, it seemed that there were only two of them left, and everything around them had disappeared.

"This....."

Pavilion Master Xuan Sheng's eyes widened, and his mouth was wide open, as if he could fit an egg in.

Others also looked dumbfounded, and the various expressions on their faces changed back and forth, which was wonderful.

As for the Emperor Xueguwu, he was even more dumbfounded.

Damn, what the **** is going on? Didn't Xu Yan come to catch Qin Chen? How come a beautiful woman ran out of the battleship and hugged Qin Chen? This...what the **** is going on?

His head was dizzy, his eyes were black, his heart seemed to be pressed against a boulder, and he couldn't breathe. As for the three Wei Jinzhou on the side, let alone, they all looked at Qin Chen jealously. Qin Chen's attainments on the alchemy path were higher than them. There is actually such a beautiful woman who loves him, and it seems that the other party is still The people in the Hall of Law Enforcement, no matter the good things in the world, are all affected by this

Is this kid all taken up? "Old ancestor, this person is Qin Chen's companion, named You Qianxue. He had also entered the Demon Sword Inheritance at the beginning, and was later introduced to the Law

Enforcement Hall by Hong Ying from the Law Enforcement Hall team. I did not expect that he would be with the top of the Law Enforcement Hall , It seems that it is very likely that the referral has been successful." Yan Jiu knows You

Qianxue immediately whispered in the ear of Fengyun Sword Emperor.

"That's her?" Fengyun Sword Emperor's eyes condensed. He naturally heard the news that a companion of Qin Chen had been introduced into the Hall of Law Enforcement, and even this was one of the two main reasons why he was eager to act towards Qin Chen. .

Another reason was the news that Qin Chen was about to become the Saint Child of Pill Dao City, which made him make up his mind to attack Qin Chen. After all, he had secretly sent Sword Emperor Xufeng to follow Qin Chen, in order to capture Qin Chen without knowing it. Who would have thought that Sword Emperor Xufeng was not only discovered by Qin Chen, but also fell into Qin Chen's hands. Once Qin Chen becomes the Saint Child of Pill Road City, or his companion becomes a member of the Hall of Law Enforcement, he will definitely

Start with the Demon Sword Sect.

Therefore, he can only act first.

It's just never thought that when they were about to take Qin Chen, that You Qianxue also ran out, disrupting their plan.

"Never let the two of them turn over, otherwise it will be their Demon Sword Sect who will die by then." With a cold look, Fengyun Sword Emperor's heart became ruthless, and he roared ferociously.

"Ahem!"

Under the gaze of everyone's eyes, You Qianxue and Qin Chen hugged each other in this way, until a light cough sounded, and You Qianxue instantly awakened.

"Master Xu Yan." You Qianxue hurriedly stood aside and said respectfully to Xu Yan.

"Are you Qin Chen?"

Xu Yan looked at Qin Chen coldly, with scrutiny eyes, her eyes flicking back and forth on Qin Chen.

Her eyes were very naked, with aggression, and at the same time a terrifying pressure fell on Qin Chen.

This is testing Qin Chen!

"The disciple is Qin Chen, I have seen this adult." Qin Chen smiled and arched his hands, not paying attention to Xu Yan's coercion.

A joke, he can resist even the coercion of the blood solitary emperor in the late eighth stage, how can he be frightened by the coercion of an early eighth-stage emperor? If it weren't for taking care of You Qianxue in the Hall of Law Enforcement, he wouldn't even bother to care about the other party.

"It's interesting." Seeing that Qin Chen didn't change his color under her pressure, Xu Yan suddenly said, but her face was still cold without any expression.

The Hall of Law Enforcement is very strict in choosing a spouse for its disciples, especially the Misty Palace, and strictly prohibits its disciples from having ties with ordinary men.

After You Qianxue was introduced to the Hall of Law Enforcement by Ji Ruyue, she was immediately loved by the leader, and she was preparing to be introduced into the Misty Palace. It might be difficult for the two to get together.

This time I specially came to Dan Pavilion, in addition to having important tasks, but also to meet Qin Chen specifically.

"Sister Xu, I said, this kid is crazy, right?" A chuckle sounded, but Ji Ruyue flew by another person from the battleship.

The corner of her mouth smiled, swept down like a fairy, and fell by Xu Yan's side, her clothes fluttering, she looked at Qin Chen with a smile, and looked at You Qianxue teasingly, making You Qianxue blushing. Sorry.

"Ji Ruyue, what are you..." Qin Chen frowned and looked at Ji Ruyue suspiciously. What did Ji Ruyue and the others do in Dandao City? Isn't it true that he came specifically to find himself?

"Several lords of the Hall of Law Enforcement, in the Lower Demon Sword Sect Fengyun Sword Emperor, they have something to say."

Seeing Qin Chen and their atmosphere are extremely harmonious, Fengyun Sword Emperor couldn't help but hurriedly walked out and shouted loudly.

"What are you worthy to bother me waiting?" Xu Yan's face suddenly sank, and she shouted coldly, Demon Sword Sect, what is that? Dare to rush them?

Wow!

Suddenly, a group of members of the Hall of Law Enforcement walked forward with enthusiasm, and firmly surrounded the Sword Emperor of Wind and Cloud, with a strong murderous intent in their eyes.

Most of the women in the Hall of Law Enforcement had their cultivation bases between the late seventh-order Martial King and the half-step martial emperor, but they didn't have any fear in the face of the Fengyun Sword Emperor, who was the peak of the eighth mid-tier Martial King. "I also ask you to forgive me. In the ancestor of the Demon Sword Sect, there is a major incident reported to several adults in the Hall of Law Enforcement. This matter is related to the safety of the Hall of Law Enforcement, so I rashly spoke. I also ask the adults of the Hall of Law Enforcement to forgive me. If you don't bring Qin Chen down this time, then I'm afraid

There will be no more chance, and he will do nothing, and will knock Qin Chen down today.

"presumptuous."

"Didn't you hear what Xu Yan said?"

"What Demon Sword Sect ancestor? Bold!"

Many disciples in the Hall of Law Enforcement screamed, qiangqiang, one of them raised their weapons, and they shot them one after another. They saw a terrible aura permeating. These people in the Hall of Law Enforcement obviously did not give the Sword Emperor Fengyun a chance to speak. Kill him on the spot. In the eyes of these law enforcement disciples, what is the Sword Emperor of Wind and Cloud? It was just a small emperor-level ancestor, and it was not in their eyes at all, and only the ancestor of the Northern Heavenly Domain Pill Pavilion like Pavilion Master Xuan Sheng would receive a little attention.

[Chapter 1306: Doubt me](#)

Fengyun Sword Emperor also did not expect that the people in the Hall of Law Enforcement would not give him a chance to speak at all, and hurriedly shouted to Emperor Xuegu Wu: "Master Xuegu, please also ask Master Xuegu to persuade you. It's really a piece of land. The heart of boxing, for the sake of the safety of the law enforcement hall, I also invite a few adults to listen to me

In other words, this Qin Chenlangzi's ambition is not a good person at all, but the important criminal wanted by the law enforcement hall. "

Fengyun Sword Emperor didn't dare to fight back, just dodge and shout.

"What? Is this Qin Chen the most wanted criminal in the Hall of Law Enforcement?" Xu Yan was taken aback, and suddenly looked at her intently.

You Qianxue was startled, and then angrily said: "Master Xu Yan, this Sword Emperor of the Wind and Clouds is talking nonsense, and Master Xu Yan is also asked to investigate carefully, how could Shao Chen be the most wanted criminal in our Law Enforcement Hall? This is impossible!"

The Sword Emperor of Wind and Cloud continued to yell: "There is absolutely no lie in what I say, Master Xuegu from the Hall of Law Enforcement can testify for him, and a few adults are invited to observe it."

"What's the mess?" Xu Yan's face sank.

"Let him say." At this moment, a cold voice sounded from the top of the head. From the battleship, a beautiful woman in a blue armor walked down suddenly. This woman was wearing a blue armor with a azure blue back. The cloak is hunting in the wind, and the body is cultivated up to the late stage of the eighth stage. It seems that there are only more than forty

Years old, giving people a sense of heroism.

Her eyes were cold and indifferent, as soon as she appeared on the square, she exuded a palpitating aura, and she fought against the Master Xuansheng. Other than that, no one could compete with her.

It is Deputy Commander Gong Feng, one of the two core deputy commanders of the Hall of Law Enforcement.

"Subordinate, I have seen Commander Gong."

In an instant, all the members of the Hall of Law Enforcement in the audience bowed and saluted with respect.

"Xuegu, what the **** is going on? Why are you here?" Gong Feng looked at the Emperor Xuegu and shouted coldly.

As soon as Deputy Commander Gong arrived in Dandao City, he felt that the atmosphere of Dandao City was unusual. Moreover, as the staff of the Law Enforcement Hall, Emperor Xueguwu could easily control the battleship to bring people to Dandao City. Saying that Qin Chen was the main criminal caught by the Hall of Law Enforcement, he immediately asked in a deep voice.

With a heartbeat, Xue Gu hurriedly knelt down and said nervously: "Go back to Commander Gong, this is what happened..."

In front of Deputy Commander Gong, he did not dare to conceal the slightest. When it was about to be the day when Dan Dao City selected the Saint Son, and the invitation from Kang Youming and Fengyun Sword Emperor was added. "Deputy Commander Gong, his subordinates were also shocked when they received the news, but this matter is related to the majesty of our Law Enforcement Hall, so I dare not neglect it. But who would have thought that the Lord of Dan Dao City Xuan Sheng Pavilion did not place my Law Enforcement Hall in the slightest. In the eyes, if the deputy commander came, the people in Dandao City would even have to wait for me

Now, it is lawless." Xuegu angrily said.

"Is there anything else?" Deputy Commander Gong looked at Qin Chen instantly.

Hum!

Qin Chen only felt that a terrifying coercion was coming, and his mind seemed to be rolled up, and countless scenes in front of him collapsed, like the destruction of the world, there was a suffocation of death coming.

"This Deputy Commander Gong is so powerful." Qin Chen was taken aback. Although this person's cultivation was almost the same as the Emperor Xue Guwu, in terms of aura, he was more than twice as powerful as Emperor Xue Guwu.

"Deputy Commander Gong, Shao Chen will never be the murderer you are talking about, this must be a misunderstanding!" You Qianxue hurriedly said. When the Sword Emperor Fengyun saw this, he was overjoyed. He naturally wanted to take advantage of the victory and pursued it. He hurriedly said, "Master, if this Qin Chen is really the main criminal of the law enforcement palace, then the problem is serious. This You Qianxue and this Qin Chen are very close. , It may even be a relationship between a couple

She wants to join the law enforcement palace, what is her purpose? I think it goes without saying, the commander, you have to check. "

"You are talking nonsense." You Qianxue turned pale and said in anger.

"Hehe, your Excellency said I was talking nonsense, then I would like to ask your Excellency, when Master Chi Lian was attacked at Tianlong Lake, were you also near Tianlong Lake?" Fengyun Sword Emperor sneered.

You Qianxue's expression changed. At that time, they did meet the law enforcement team of the Law Enforcement Hall, and Qin Chen left alone for a while. Later, it was reported that the law enforcement team of the Law Enforcement Hall was attacked in Tianlong Lake. This incident, You Qianxue and Zhuo Qingfeng themselves had doubts.

Now that Fengyun Sword Emperor asked, she was naturally nervous, because she knew very well that with the terrible law enforcement hall, it couldn't be easier to investigate this.

I was frightened, but snorted coldly: "I did pass by Tianlong Lake at the time, and I also encountered a team of Law Enforcement Hall, but what does this mean? I heard that Master Chi Lian encountered two martial emperors. , In our team, they are all Wu Wang, where are the two Wu Huangs from?" "Hahaha, as long as you admit it, as for Wu Huang? Although this son is only Wu Wang, he has a Wu Huang level cultivation base, otherwise How can I kill the Xufeng Sword Emperor of my Demon Sword Sect. As for the other Martial Emperor, who knows if it's your friend, or you, is also hidden

Strength is not without this possibility. "Sword Emperor Fengyun sneered.

"Nonsense." You Qianxue was shocked and angry. "Commander Gong, his subordinates also think things are strange, so they have to take this son away. In case this son is really a murderer, plus this woman has joined my law enforcement hall, in case there is any ulterior motive, yes. Our Hall of Law Enforcement will definitely have a huge impact. You adults, think about it.

? "

Emperor Xue Guwu knew that the matter had reached this point, he had to drag Qin Chen and You Qianxue into the water, otherwise, it would be him who would turn his head back.

As soon as this statement was made, everyone's expressions changed, and the eyes of many members of the Law Enforcement Hall on the court looking at You Qianxue suddenly changed.

If Qin Chen was really the murderer, and You Qianxue had joined the Hall of Law Enforcement, then the problem would be much more serious.

For a while, the atmosphere on the court changed drastically, and everyone looked at Qin Chen's gaze and became uncomfortable. Pavilion Master Xuan Sheng was pale on the side, but didn't know what to say. If Deputy Commander Gong was determined to catch Qin Chen, he would have no choice but to stop him. It would only trigger a battle between the Hall of Law Enforcement and Dan Dao City. He was alone in blood, he was fearless, but now with Deputy Commander Gong and many

He also had to weigh the consequences of the law enforcement team member.

Qin Chen's fate was fate, but the fate of many medicine kings who supported him in Pill Dao City was also fate.

Xu Yan's expression also changed, and she immediately said, "Master Gong, if what Xue Gu said is true, then I have to guard against it."

Hearing that, Fengyun Sword Emperor, Kang Youming and the others were overjoyed, but they didn't expect things to turn around so much.

"Haha, Sister Xu, I don't care what prisoner you arrest, but this You Qianxue was introduced into the Hall of Law Enforcement. Are you suspicious of my vision?" At this moment, Ji Ruyue suddenly spoke with a smile on her lips. , Said lightly.

[Chapter 1307: False Eye](#)

Ji Ruyue spoke, Xu Yan and the others immediately became suffocated and smiled bitterly. They were too shocked to hear the news just now, and they all forgot for a while. You Qianxue was introduced by Ji Ruyue.

Ji Ruyue is the niece who leads the adults. They really don't give Ji Ruyue face when they talk like this. In case Ji Ruyue feels wronged, they are unfortunate.

Xu Yan hurriedly smiled and said: "Ruyue, we didn't mean to target you, but this matter is too important, so we have to treat it carefully." "Treat it carefully and treat it carefully, don't you need to be so suspicious, right?" Ji Ruyue asked He curled his lips, "Especially this Sword Emperor of Wind and Clouds, who also said that Qin Chen has the strength to kill their Demon Sword Sect Sword Emperor. I know this fact. This man is indeed very talented. He has played against me in the inheritance of Demon Sword.

At that time, it was enough to make a tie with me, and now after the breakthrough in the cultivation base, it is not impossible to kill a martial emperor. "

"But that is now, but before this child entered the Demon Sword Inheritance, he was only at the early stage of the seventh stage before he was promoted in the inheritance? I don't believe it when I go to Chi training captain."

"As for You Qianxue, let alone her. My aunt has also tested her talent and strength. Although her talent is amazing, she is now close to the Martial Emperor at the beginning of the eighth stage. Before entering the demon sword inheritance, she has eight The strength of Emperor Wuhuang, is everyone an idiot?"

Ji Ruyue smiled faintly, with a look of disapproval.

Qin Chen deliberately showed the enemy's weakness in the inheritance of the Demon Sword, but now it really worked.

"What you said makes sense."

Xu Yan and the others were shocked when they heard this, and the hostility in them disappeared a lot.

Ji Ruyue is the niece of the adult, Xu Yan and the others would naturally not doubt her, since Ji Ruyue had said that Qin Chen would not have the strength of the eighth-order martial emperor at that time, then there would be no mistake.

After all, Ji Ruyue is the arrogant genius of the Wuyu Hidden Family, and now the top genius in the Law Enforcement Palace, her vision is far beyond that of many Martial Emperors, and it is absolutely impossible to make mistakes.

"My lord, don't be deceived by this guy. When this boy was in the inheritance of the demon sword, maybe he was hiding his strength. This boy is cunning and treacherous. It is very possible for the girl to miss his eyes." Fengyun Sword Emperor Hurriedly said.

Seeing that everyone in the Hall of Law Enforcement believed him, but a guy like Ji Ruyue ran out, the Sword Emperor of Wind and Clouds was about to breathe fire in a hurry. If he was hit by this girl two or three times, Qin Chen and You Qianxue's suspicions would be washed away directly. Then it will be them.

"Your Excellency, doubt this girl's eyes?" Ji Ruyue's face sank. "I didn't mean that, I just think that Qin Chen is so cunning, maybe he will confuse the girl, let alone, the girl is You Qianxue's referrer, she was originally a related person, this matter, the girl should not be qualified to talk about it. Dao Si? Or, when Master Chi Lian was attacked, he said

Uncertainty and the girl can't get rid of the relationship, you guys are originally in the same group. "The Sword Emperor Fengyun gritted his teeth and said with hatred.

He didn't know what Ji Ruyue was. At such a young age, he should be just an ordinary member of the Law Enforcement Hall. At most, his identity was a bit special. At the moment of life and death, he didn't care about slandering Ji Ruyue.

Unexpectedly, when he said this, the audience was silent for an instant, and the people in the Hall of Law Enforcement looked over in angrily.

"Bold."

"presumptuous."

"Dare to slander Miss Ji and look for death?"

Many members of the Law Enforcement Hall were furious.

Damn, this guy really dared to say anything. He actually said that Miss Ji and You Qianxue and the Captain Chilian who attacked together.

What's this kidding?

In the entire Hall of Law Enforcement, anyone can be a murderer. Only Ji Ruyue is the least likely to be. She is Commander Ji's favorite niece. If they are not pleasing to the eyes of Captain Chi Lian, with just one sentence, Captain Chi Lian will be punished and imprisoned. Confinement, need such trouble to attack Captain Chilian?

Are you really an idiot?

The Sword Emperor of Wind and Cloud didn't expect that he had only slandered Ji Ruyue, and he had attracted such a big backlash? What is the identity of this woman? Suddenly, he was stubborn and afraid to speak.

In the crowd, Qin Chen laughed: "Everyone, everyone has heard that, in order to slander, this person dares to say anything, and he can say anything. What he said is probably even 10%. I can't believe it." Qin Chen shook his head, sighed, and said: "The younger generation really didn't expect that, when I was passing on the Demon Sword, I just took away the honor that originally belonged to their Demon Sword Sect disciple, and it would have caused this. People are biting like a mad dog, the dignified ancestor of the sword sect, there is only this amount of tolerance, it is really late

I regret it. "Pavilion Master Xuan Sheng also hurriedly stood up at this time and said, "Commander Gong, everyone, Qin Chen is the newly promoted saint son of my Dan Pavilion." Today's incident is a conspiracy by my two deputy patrons, Kang Youming and Jin Shengjie, of the Dan Pavilion. They colluded with the Demon Sword Sect and the Feng Xing Sect for their own interests.

Involved in the Hall of Law Enforcement, here, I apologize to you for Dan Daocheng. I Xuan Sheng promised that the perpetrators will be severely punished and justice will be given to the law enforcement hall. "

"you....."

Fengyun Sword Emperor's face changed slightly, and his anger became frustrated.

The expressions of Kang Youming and Jin Shengjie also changed.

As for the Emperor Gangfeng Wuhuang of the Popular Sect, his face is even more ugly. Damn, I'm just here to make soy sauce, how come I have been targeted? This sale is too bad.

"My lord, what should I do now?" Xu Yan asked from the side.

Deputy Commander Gong's eyes flickered and her face was serious. In the end, she squinted her eyes and said: "This matter is of great importance. I would rather believe it if there is something or not, and I have to guard against it."

"Sister Gong." Ji Ruyue said angrily, Deputy Commander Gong didn't believe him.

"Miss Ji, don't worry, I just do a little investigation just in case, I don't believe you." Deputy Commander Gong smiled bitterly, explained to Ji Ruyue first, then looked at Qin Chen, "You said you It's not a murderer, so good, you can answer me a question now."

Deputy Commander Gong's voice fell, hum, and a deep pupil suddenly appeared above her head. This pupil, floating in the void, immediately diffused an invisible wave of power.

"This is... False Eye?"

Qin Chen was shocked. The Eye of Falsehood is a very magical martial skill that can see through all falsehoods, let the other party fall into mental confusion, and unknowingly tell the secret of his heart. This kind of secret technique needs to be combined with blood to be used. It is not something that ordinary people can have. It belongs to the weakened version of the eyes of the Ji family of the hidden world.

[Chapter 1308: So bold](#)

It's just that for some reason, those black eye pupils give people a very evil feeling, making people feel cold and evil when they look at it.

Under the gaze of the deep black pupils, an invisible force instantly invaded Qin Chen's mind.

Qin Chen only felt that his mind was dizzy, and the whole person was about to fall into a muddle.

Hum!

At this moment, the golden seeds in Qin Chen's mind suddenly emitted a faint golden light, and Qin Chen's originally confused mind suddenly woke up.

"What, I was almost deceived, this is not the False Eye, the False Eye cannot be so strong!" Qin Chen's heart sank.

Although the False Eye is strong, who is Qin Chen? The spiritual power and soul power are so powerful that it is almost impossible to be invaded by this power, but just now, he only felt that a cold power spied on him, and he almost fell into a psychedelic.

If it weren't for the golden seed in his mind to suddenly show off, although he might well wake up at the last moment, it would never be so easy.

"Hey, Master, how come this eye pupil is so similar to my alien demon's magic pupil technique? This cold power? No, it is magic pupil technique. Not enough seems to be a variant of magic pupil technique, with some changes."

When Qin Chen was secretly frightened, a deep voice rang in Qin Chen's mind. It was the Skeleton Rudder Master in the Demon Suppressing Cauldron who noticed the strangeness and murmured in secret.

Although the Skeleton Rudder Master was practicing in retreat in the Calming Cauldron, he could also feel the abnormality in the outside world and was immediately awakened by this cold force.

Qin Chen was taken aback, damn, now he is being spied by people from the Hall of Law Enforcement, this skeleton rudder dared to come out, and even shouted: "Give me to stay obedient, if you are found, you want you to look good."

"Master, don't worry, I was once the demon lord of the alien demon race anyway, and even this mutated magic pupil technique wants to find me? Ha ha, in the next life."

The skeleton rudder said with a confident smile.

Qin Chen was speechless, damn, it's this time, this skeleton rudder master is still so arrogant, is this looking for death? No matter how self-confident it is, if it is discovered, how can he please it, there will be no excuses then.

The Skeleton Rudder Master felt Qin Chen's emotions, and immediately gave a dry smile, then obediently lurked, his breath disappeared completely.

Although Qin Chen was not deceived by the false eye, he deliberately pretended to be deceived, his eyes became dull, and his mind was muddled, letting the opponent raging.

Seeing that Qin Chen was bewildered, Deputy Commander Gong smiled slightly, with a hint of confidence in the corner of her mouth. She coldly said, "Tell me, your name?"

"Qin Chen!"

"Where are you from?"

"The land of a hundred dynasties!"

"What is your purpose in coming to Dandao City?"

"Become the saint son of Alchemy City, enter the Martial Domain, and make yourself stronger!"

Qin Chen said blankly, and under the inquiry of Deputy Commander Gong, he answered stubbornly, as if he had no independent thinking, letting him control it.

hiss!

Everyone in the audience suddenly took a breath, staring blankly at the controlled Qin Chen with a look of horror.

What secret technique is the commander of the Hall of Law Enforcement, so terrible? Controlling the thought of a genius in an instant?

You must know that Qin Chen was a person who was immobile under the aura of Emperor Xue Gu Wu before, but now, he was confused in an instant, without a trace of resistance at all, it was too terrifying!

Everyone on the court looked at the many warriors in the Hall of Law Enforcement, their complexions suddenly changed. No wonder the Hall of Law Enforcement will become one of the most terrifying forces in the world. With such a terrifying secret technique, once captured, what secret can't be found? Who will dare to oppose them in the future?

Everyone only felt that their entire body was erected, and a coolness rose from under their feet, straight to the top of their heads.

After Deputy Commander Gong asked a few simple questions, he went straight to the subject: "Does the affairs of Captain Red Training have anything to do with you?"

As soon as these words came out, everyone stared at Qin Chen, and their breathing became easier.

Zhuo Qingfeng and You Qianxue also shook their hands nervously. They knew very well that Qin Chen did all the things about Captain Chi Lian, but they didn't know how to remind Qin Chen at this time. To the throat.

The Fengyun Sword Emperor and others were equally nervous.

"Captain Chi Lian's matter has nothing to do with the junior. The junior just passed by Tianlong Lake accidentally at the time and didn't know about Captain Chi Lian at all." Qin Chen said blankly.

"boom!"

As soon as this statement came out, the audience was in an uproar, and Pavilion Master Xuan Sheng and the others immediately breathed a sigh of relief, but the Sword Emperor Fengyun's eyes widened and his face turned pale, even the Emperor Xue Guwu couldn't help shaking.

"Are you sure it has nothing to do with you?" Deputy Commander Gong shouted coldly, his eyes condensed, and the power released in the black pupils became stronger.

"It really has nothing to do with the younger generation!" Qin Chen said blankly.

"Commander Gong, you have also seen it. This matter really has nothing to do with Qin Chen. My Dan Dao City is wronged." Pavilion Master Xuan Sheng said immediately.

"Sister Gong, don't you believe it now?" Ji Ruyue also said.

Gong Feng frowned, her body turned, and she immediately looked at You Qianxue, hum, the pupils that had been staring at Qin Chen in an instant, but stared at You Qianxue.

The originally nervous You Qianxue's eyes suddenly became confused and fell into a muddle.

"Sister Gong!" Ji Ruyue was angry, her expression gloomy, Gong Feng's move clearly didn't believe You Qianxue.

"Miss Ji, don't blame me, I am the core deputy commander under the commander. There are some things that I must investigate. Even if Miss Ji goes back to report to the commander, Gong must do it." Gong Feng smiled bitterly.

In fact, Qin Chen's consciousness had been sober, and he immediately pretended to be sober, but his heart was raised instantly.

He was not controlled by relying on the golden spiritual seed, but You Qianxue had only the silver spiritual seed in his mind. If he was controlled, the problem would be serious.

One of his hearts suddenly rose.

"You Qianxue, does the matter of Captain Chi training have anything to do with you?" Gong Feng said coldly.

"Back to Deputy Commander Gong, it has nothing to do with me. I just passed by accidentally when I waited." You Qianxue said dumbly.

"What is your purpose for joining the Hall of Law Enforcement?"

"The juniors joined the Hall of Law Enforcement. It's just a long time that the geniuses of the Hall of Law Enforcement have gathered together. They want to improve themselves and make breakthroughs. In addition, Ruyue's sister wanted to invite. This is not the purpose. In fact, the younger generations want to stay with Chen Shao and accompany him Less." You Qianxue murmured.

Huh?

Qin Chen's eyes flashed, but a smile appeared at the corner of his mouth. He had already guessed that You Qianxue was actually not confused.

This Nizi, who pretended to be really alike, shocked him.

Qin Chen completely let go of his heart.

"It seems that this matter today is that some people want to use my law enforcement hall to achieve his own goals, and they deliberately got into trouble." Gong Feng took back the secret technique, his face suddenly turned pale.

By now, there is nothing left to ask.

"Impossible, this is impossible..." Fengyun Sword Emperor muttered, couldn't believe it, couldn't help but roar.

puff!

Suddenly a palm appeared on the top of his head, and the cover was directly pressed down. With a bang, the dignified ancestor of the demon sword sect, even unable to react, was instantly photographed into a blood mist.

"Use my law enforcement hall, so bold!" Turning slowly, Deputy Commander Gong yelled coldly, like a **** of killing, and the killing intent was filled.

[Chapter 1309: victim](#)

Quiet!

silence!

Deathly silence!

All the people on the field opened their eyes in a daze, staring in amazement at the Sword Emperor Fengyun who was photographed as a blood mist, and the murderous Deputy Commander Gong Feng, each with his mouth wide open, unable to say a word, all of them were dumbfounded. .

Terrible, terrible.

This is the ancestor of the Demon Sword Sect, the power-holder of a middle-level imperial force in the northern sky region, so he was directly photographed into a gray fly, without even asking, it made everyone on the court feel chilled. , The icy coolness ran through the body.

"Old Ancestor!" Yan XIX was dripping with blood. It was the blood of the Sword Emperor Fengyun, splashed all over him. He stood in a daze. After a long while, he came back to his senses and let out a sad low growl.

"Your Excellency is also from the Demon Sword Sect? Very good!" Deputy Commander Gong Feng sneered, her eyes were cold, she raised her hand directly, buzzing, the black Zhenyuan palm appeared, scattered with the chaotic atmosphere, and fell towards the top of Yan XIX's head. .

"Sister Gong, wait a minute, this Demon Sword Sect is just an ant force, how can I have the courage to use my law enforcement hall? There may be hidden secrets in it, and the other party is very likely to be used." Ji Ruyue continued to say.

When she was participating in the inheritance of the Demon Sword, she had also dealt with this Yan Nineteen, and this Yan Nineteen was also respectful to him. The important thing is that this person is quite upright and does not look like a bad person, so Ji Ruyue wanted to plead with others.

Qin Chen glanced at Ji Ruyue unexpectedly. He also felt Ji Ruyue's intentions. He didn't expect that Ji Ruyue had such a benevolent side.

"It is indeed possible." Gong Feng's eyes flashed and stopped the killer. Above his head, a pair of pupils suddenly emitted a misty light, which instantly enveloped Yan nineteen.

Yan Jiu's expression of anger suddenly became dull, and his eyes became dull.

"Say, where does your Demon Sword Sect dare to use the Law Enforcement Hall, let's be honest!" Deputy Commander Gong coldly shouted. "It was our Demon Sword Sect who was contacted by the two deputy chiefs of the Dan Pavilion, Kang Youming and Jin Shengjie. After learning that my Demon Sword Sect and Qin Chen had a grudge, they said that they could contact the people in the Law Enforcement Hall and detain the affairs of Lord Chi Lian. On Qin Chen's head, not only can he deprive Qin Chen of the possibility of becoming a holy son, but also

Its framed up can even trigger a conflict between the Hall of Law Enforcement and the Dan Pavilion, causing the Master Xuan Sheng to lose his prestige in the higher Dan Pavilion. "Yan XIX said blankly.

"Pump!"

Kang Youming and Jin Shengjie directly knelt down, feeling soft and horrified: "No, it's not like that."

Emperor Xueguwu also trembled, his face turned pale, and he knelt down with a thump, it's over, Kang Youming and Jin Shengjie killed them all.

Deputy Commander Gong's face was pale, and he said coldly: "So, the news that the murderer against Chi Lian is Qin Chen, is it a rumor spread by your Demon Sword Sect? What is the purpose of your Demon Sword Sect?" Yan Shi Jiu Dao: "These are all my ancestors' own guesses. The demon sword inheritance of my Demon Sword Sect was opened a few days ago. As a result, my disciple of the Demon Sword Sect failed to get the most reward. Instead, Qin Chen and Ji Ruyue got the inheritance. Opportunity, the ancestors were angry and sent elder Xu Feng to follow Qin Chen, unexpectedly

Elder Xufeng accidentally died in the mountains outside the Tianluo Dynasty. The ancestor suspected that the murderer was Qin Chen. Combining this son's intelligence, he came up with such a guess. "In fact, the ancestors don't have any evidence, they just harbor resentment. In addition, Qin Chen may become the holy son of Alchemy City, and You Qianxue may also join the Hall of Law Enforcement. This was instigated by Kang Youming and Jin Shengjie's deputy pavilion, on the day of the Dandao City Competition

Make trouble on the child. "

"The Deputy Pavilion Master Kang Youming and Jin Shengjie promised that once they control Alchemy City, they will vigorously support my Demon Sword Sect in the future and make my Demon Sword Sect become the top imperial power in the Northern Horizons..."

Under the control of Deputy Commander Gong, Yan Nineteen said everything one to five to ten.

It turned out that all the Demon Sword Sect's accusation against Qin Chen was only Fengyun Sword Emperor's own guess without any evidence. At the same time, it was also because of the promises of Kang Youming and Jin Shengjie, plus the other party's assurance that the law enforcement hall would intervene, and they made up their minds. , Making trouble today.

boom!

Yan Jiu's words came out, and the audience was in an uproar. Everyone looked at Kang Youming and Jin Shengjie angrily. These two people were so despicable, they even deliberately framed Qin Chen for their

own selfish desires, and even wanted to attract the law enforcement hall. Intervene to force Pavilion Master Xuan Sheng away, so sinister intentions.

One by one, they looked over with angry and resentful eyes.

Especially the many elders of Dan Pavilion, can't wait to kill the two quickly.

Kang Youming and Jin Shengjie turned pale and gray, completely limp on the ground, unable to say a word.

"Okay, okay, these guys are so courageous, even my Law Enforcement Hall dare to use it. It seems that my Law Enforcement Hall has not been prosperous for a long time, and I think I am a vegetarian."

Deputy Commander Gong yelled in anger and anger. Before, Captain Chi Lian was attacked. Now it is these guys who are using the Law Enforcement Hall. Without severe punishment, it is really lawless!

"dead!"

With a stern shout, Deputy Commander Gong slapped his palm off sharply, and with a puff, Sect Master Yan Nineteen of the Demon Sword Sect immediately failed to scream, and instantly disappeared into a **** mist.

"Ugh!"

Qin Chen sighed, facing Yan Nineteen, he didn't feel any bad feelings, wouldn't it be good to be the master of his Demon Sword Sect? Why bother to blend into such a thing. As for the Fengyun Sword Emperor's concern that he would avenge the Demon Sword Sect after becoming a Saint Son, Qin Chen can only say that he thinks too much. As long as the Demon Sword Sect does not provoke him, he will not bother to pay attention to the Demon Sword Sect. Demon Sword Sect, he doesn't look at him at all, let alone in the inheritance of Demon Sword

Get a certain benefit, not the kind of ungrateful person.

But who ever thought that the other party had to kill himself, the murderer would be killed by others, he would undoubtedly seek his own death by doing so.

After killing Yan Nineteen, Deputy Commander Gong's gaze fell on the Emperor Feng Xingzong's Gangfeng Wu Huang.

Flop!

The Emperor Gangfeng Wu's legs were weak, and he could no longer stand, so he knelt down. "My Master is forgiving, and my Lord is forgiving. I was also tempted by the villain. I did not use the mind of the Law Enforcement Hall. I also asked the adults to give a lesson. It was the Demon Sword Sect who told me that Qin Chen killed my seed disciple Yang Ling. In anger, he believed the old thief's nonsense.

It's a victim. "

Before his life and death, the Emperor Gangfeng Wu had no domineering ancestor of the popular ancestor. He knelt down on the ground, like a shrimp, crying for mercy.

"Victim? If it weren't for the benefit trend, would you take such a big risk to avenge a small core disciple of the sect?" Deputy Commander Gong sneered, and the terrifying coercion swept through, the terrible Zhenyuan of the late eighth stage The Emperor Wu of Gangfeng was enveloped in an instant, and in the horrified and desperate eyes of Emperor Wu of Gangfeng, he strangled him to pieces with a pop, leaving only a mottled blood on the ground.

[Chapter 1310: Lord forgiveness](#)

How can Gong Feng be so foolish? Emperor Gangfeng Wu said he was just a victim, how could it be possible?

A core disciple is indeed extraordinary in the sect, and it is different, but how can he let the ancestor of the middle emperor-level power such as Feng Xingzong go out to fight against the Beitianyu Dan Pavilion? In the final analysis, it is profit-driven and embarrassing.

What kind of victim did he say he was? ridiculous!

Deputy Commander Gong made a strong move, instantly beheading the two imperial power ancestors, and instantly shocked everyone. I saw that the crowded square was crowded with people, everyone was silent, and was shocked by the suppressed breath. It seemed to be going crazy, but no one dared to say a word.

After killing Fengyun Sword Emperor and Gang Fengwu Emperor, Deputy Commander Gong's eyes immediately fell on Kang Youming and Jin Shengjie.

Fengyun Sword Emperor and Gang Fengwu Emperor are just two small shrimps. These two people are the masterminds of this incident. They used his law enforcement hall to exert pressure on Pavilion Master Xuan Sheng.

"Spare, my lord spares."

Kang Youming and Jin Shengjie were trembling. They had no thought of resisting at all, they just shouted in horror.

The decisive killing of Deputy Commander Gong has completely frightened the two of them, and they have completely lost the demeanor of the deputy chief of Dan Pavilion.

"Jumping beam clown."

Many medicine kings in the Pill Pavilion looked at the two in disgust, with a look of disdain.

"Forgiveness? You two dared to use my law enforcement hall for unforgivable crimes. You actually dared to beg for mercy and go to death!" Gong Feng sneered, ignoring the two begging for mercy at all, and pressed down with a backhand.

Boom! The pressure of the Martial Emperor in the late eighth stage is like a big mountain pressing on them. Although both are the peak martial emperors in the middle of the eighth stage, they have no courage to resist, and they can't resist at all when they are divided and frightened. , I can only look desperately at the incomparable horror Zhenyuan will bring them

Shrouded, one by one showed despair.

Seeing that it was about to fall, puff, suddenly, someone made a strong move and instantly blasted the attack of Deputy Commander Gong away, preventing her from making a move.

"Xuan Sheng, do you dare to stop me?" Deputy Commander Gong was furious, looking at Pavilion Master Xuan Sheng with cold eyes, and his murderous intent was boiling.

It was Pavilion Master Xuan Sheng of Dan Dao City who made a strong move to stop Deputy Gong leader.

"Pavilion Master, help!"

"We were wrong, and we will never dare to do it again, and ask the Lord Pavilion to save us."

Kang Youming and Jin Shengjie in despair, as if drowning, grabbed the straw and hurriedly called for help.

The sound of Qiang Qiang sounded, but the people in the Hall of Law Enforcement on the side drew out their weapons and looked at Pavilion Master Xuan Sheng murderously. Obviously, as long as Deputy Commander Gong orders them, they would dare to make a strong move and fight the people of Dan Pavilion. "Deputy Commander Gong, the old man is not blocking you, but Kang Youming and Jin Shengjie are members of my pill pavilion. Although the old man has been expelled from the northern heaven pill pavilion, he still has the status of a pharmacist after all, even if he makes a mistake, It should also be handled by the old man." Pavilion Master Xuan Sheng said solemnly, his attitude is not humble or not.

Kang.

"Hehe, it's up to you to handle one, ok, I want to see, how do you handle it?!"

Unexpectedly, Deputy Commander Gong did not go wild directly, but instead smiled in anger, watching with cold eyes, and sketching a mocking smile at the corner of his mouth.

"Kang Youming, Jin Shengjie, Wang Yongsheng..."

Ignoring the ridicule of Deputy Commander Gong, Pavilion Master Xuan Sheng looked at Kang Youming and the others, with a cold expression on his face.

Flop! Flop!

All of a sudden, the court knelt all over the medicine king, and the scene was extremely shocking.

Seven-Rank Medicine King, any imperial power in the Northern Heavens will be respected, but now, like a child who has made a mistake, he kneels all over the ground, making people feel embarrassed.

"My Lord Pavilion, when I know what I was wrong, I also ask Mr. Pavilion Lord to give us a chance to reform."

"As long as the Lord Pavilion saves our lives, from now on, I will do my best to serve Dan Pavilion."

"Yes, since I have been waiting for so many years to make a lot of contributions to Dan Pavilion, Lord Pavilion can spare us our lives."

More than twenty medicine kings turned pale with fright and begged. The master of Xuan Sheng Pavilion looked indifferent, ignoring everyone's begging for mercy, and said coldly: "You wait for your own selfish desires, colluding with foreign enemies, framed my alchemist genius, disrupted the order of my alchemist, and lost the dignity of the alchemist, I Xuan Sheng, As the pavilion master of the Beitianyu Dan Pavilion, he is not strict and guilty. Soon, I will know

Go to the superior Dan Pavilion of the Martial Domain to plead guilty. As for you...violating the rules of the Dan Pavilion, you will not be amnesty! "

"Open people, open the big formation, clear the door."

Pavilion Master Xuan Sheng gave an order, hum, the formation above Alchemy City suddenly emitted a misty light, and countless terrifying arrays of light descended, instantly falling into the more than twenty medicine kings below.

"Do not....."

"My Lord Pavilion, you can't kill me!"

"I am the King of Medicine, and you are only the King of Seven Products. You have no right to kill me!"

"what!"

A screaming scream sounded, and on the square, more than twenty medicine kings were shrouded in countless arrays of light, screaming screams, and then disappeared completely.

More than twenty medicine kings fell at the same time, including the two chief deputy chiefs of the Dan Pavilion. This scene shocked everyone. Everyone on the court turned pale and their bodies trembled.

After a short while, the light dissipated, and there was a mess in the center of the square, and no one survived.

The strong killing intent and **** air filled the air, making people chill.

Deputy Commander Gong glanced at Pavilion Master Xuan Sheng in shock. He didn't expect Pavilion Master Xuan Sheng to be so cruel that he would directly kill more than 20 Medicine Kings in full view. What courage would it take?

Even if he is the pavilion master of the Northern Heavenly Domain Pill Pavilion, if the news goes back to the Wu Yu Pill Pavilion, he will inevitably be punished and cannot escape punishment.

Qin Chen and the other pharmacists also looked at Pavilion Master Xuan Sheng one after another, only to see that his face was gray and his eyes were dull, as if he was ten years old in an instant, lonely.

How much determination and courage is needed to order the killing of more than 20 medicine kings? unimaginable.

"Pavilion Master Xuan Sheng is fair, and Gong admires it." Deputy Commander Gong said lightly, and his dissatisfaction with Pavilion Master Xuan Sheng's previous shots disappeared instantly.

She took a step forward and finally came to the Emperor Xueguwu, and said coldly: "Xuegu, can you convict you?"

"Subordinates are convicted!"

Wu Huang Xuegu turned pale with fright. He knelt on the ground and did not dare to look up. At this moment, Emperor Wu Huang of the eighth stage dignified, shivering like a quail.

"Raise your head." Deputy Commander Gong coldly drank.

Emperor Xue Guwu's heart beat wildly, his mind was blank, and he raised his head blankly.

Snapped!

Suddenly a slap came, and he flew out hundreds of meters, his face quickly became red and swollen, and he opened his mouth to spit out **** teeth. "As a member of the Law Enforcement Hall, you are so brave to be used by others because of your own selfish desires." Deputy Commander Gong screamed, with a violent killing intent.
