

## Valkyrie 1491

### [Chapter 1491: Breaking the dust](#)

Boom!

The two fought instantly, and in an instant, the power of thunder and lightning filled the entire ruins.

I have to say that Feng Yulei is definitely the top arrogant Qin Chen has ever seen. Although he is only the Martial Emperor at the peak of his early days, his strength is even more terrifying than the ancient eagle elder of the ancient Fangjiao.

In particular, he has the body of the sky thunder, combined with the ancient emperor's sky thunder sword, every sword fell, dissipated the power of destruction, this is the power of thunder skyrocketing.

This kind of power is very special, enough to hurt the Martial Emperor of the late eighth stage, this is also the root of his pride.

Even with talent, he is actually not much different from Ji Ruyue and other Tianjiao.

But the combination of his natural thunder body and the sky thunder sword created a power that was stronger than that exerted by the Ji Ruyue sky sword bloodline and the sealing sword.

Ji Ruyue's strength like Tianjiao relied on his cultivation, while Feng Yulei's strength relied on his talent.

boom!

In the battle between the two, thunder bursts out with every blow, the world changes color, the sun and the moon are shining, and a scene of the doomsday coming, watching the attacking formation and the other Xuanyuan Empire martial emperors change their colors.

Was such a terrible attack really performed by the early Emperor Wu?

Most of them were the mid-term peak Martial Emperor, and the weakest one was also the mid-term Martial Emperor, but in front of Qin Chen and Feng Yulei's fight, he was trembling and didn't dare to approach.

"This stinky boy, has not seen him in a year, has his strength improved so much?" Ji Ruyue also looked at Qin Chen in shock, her eyes shocked.

"Hmph, it seems that Qianxue has a good vision. For the sake of him coming to save me this time, next time in front of Qianxue, I won't scold him a few words." While Ji Ruyue worried about Qin Chen's safety, he hummed. . Chen Sisi also clenched his fists. He was angry and annoyed at Qin Chen touching him, but he was also extremely worried. This kind of worry was not worried that after Qin Chen was defeated, he might encounter danger, but a pure Concern for Qin Chen

.

Even she herself didn't know why she felt this way, but she didn't expect Qin Chen's faint smile that turned a blind eye to herself, and Chen Sisi was itchy again.

The two of them were like this, while they were worried and hurriedly healed their injuries so that they could help Qin Chen.

"boom!"

On the other side, the Skeleton Rudder Master faced the dual attacks of the Skeleton Ghost Elder and the Scary Wu Emperor, but he was not afraid.

"Jie Jie Jie, the two teamed up to deal with this seat. It is really worth it. However, the stronger the two, the more I like it, Jie Jie Jie."

The stronger the Elder Skeleton Ghost and Martial Emperor Mo Wu Huang, the more cultivation level he will improve after swallowing them, can he not be excited?

"Hmph, pretend to be a \*\*\*\* and trick a ghost." The skeleton ghost elder shouted, what he was practicing was the magic power of the sky ghost sect, which can be described as monstrous. The ghostly devil energy released by the skeleton wand in his hand can even swallow the blood of a warrior. , The deceiving soul.

The normal Emperor Wu is extremely afraid of him, but the man in black in front of him seems to have practiced magic, and he releases a monstrous devilish energy on his body, even making him feel the sense of horror, and he is naturally extremely unhappy.

"Dead!" The elder skeleton ghost waved his right hand, and instantly countless black demonic energy swept out, among which countless faces were distorted, screaming, and making ghosts crying and howling. These were the strong men who had been killed by him. Soul sacrificed in his true treasure, eternal life

The world cannot be overborn.

The black mist rolled around, instantly enveloping the Skeleton Rudder Master, and the elder Skeleton was delighted. As long as any Wuhuang was wrapped in his ghosts, he would inevitably lose his mind and eventually become a resentful soul in his true treasure.

"Jie Jie Jie, Little Wawa, this is your must-kill method? Isn't that great? Such a crude soul refining method really makes me laugh."

In the devilish energy, the Skeleton Rudder Master laughed loudly. He sucked hard, ohhh, countless black devilish energy and countless resentful souls were swallowed by him instantly, with a look of enjoyment on his face.

The elder skeleton ghost was already dumbfounded, the man in black actually swallowed all the grievances he had practiced, and still showed such a look of enjoyment, who is this guy?

No, is he human?

puff!

Losing the spirit of sacrifice, the elder skeleton ghost trembled, and his mind was aching, and he instantly vomited a mouthful of blood.

The Skeleton Rudder Master seized the opportunity and killed it forcefully. If it weren't for the Mo Wu Emperor to take a timely action and stop the attack, I am afraid that the elder Skeleton Ghost would have been seriously injured and died here.

"This is weird, ghost, don't be careless."

Sumo Wu Huang shouted, he didn't worry about Emperor Fenglei at all. With the strength of Emperor Fenglei, killing the ants in the next four domains was nothing at all.

The only thing he worried about was the man in black. If he let the other party pass on the news that the Xuanyuan Empire had acted on the Ji family disciples of the Law Enforcement Palace, then the Xuanyuan Empire would be in chaos.

Therefore, the skeleton rudder master must die.

It's just that on the other side, it didn't go as smoothly as Emperor Wu Mo Wu imagined.

Zi Zi Zi!

Countless thunder lights surged, and Feng Yulei fought Qin Chen for hundreds of rounds, but he was still unable to take him down.

This time, Feng Yulei really changed color on his face, and even his scalp began to numb.

He used ultimate means, but he still couldn't suppress Qin Chen.

hiss!

This kid has either had a special adventure, or has got no inheritance to match him.

In particular, the sharp sword in Qin Chen's hand does not know what level it is. It seems ordinary, but in fact it is extremely different. Under his sky thunder sword, there is no wind, but it has a faint suppressing effect on his sky thunder sword. .

He was shocked, but also somewhat surprised.

If he could obtain the sharp sword in Qin Chen's hand, his strength would definitely be able to increase again.

Hum!

A thunder talisman appeared in his hand and stuck it to the center of his eyebrows, and his breath rose suddenly, his pupils even turned into a purple and white color, spraying thunder light, like a thunder electric god.

In an instant, his power was even greater.

Are you desperate?

Qin Chen smiled, it was almost time, he urged the Qinglian Demon Fire, and cast it out the moment the storm came.

Boom, suddenly, a cyan demon fire appeared between the sky and the earth, the flame burned, turned into a lotus flower, and swallowed everything.

"What? This is... Skyfire!"

Feng Yulei was taken aback, this cyan flame was under his thunder, without any fear, besides the sky fire, there was any flame that could not change color under his thunder.

hiss!

He sucked in air-conditioning. What is the origin of this kid? Even the sky fire that countless alchemy masters in Wuyu have dreamed of?

"Alchemist, Array Mage... so talented... and, named Qin Chen!"

The storm shook violently, and he thought of someone inexplicably.

"Brochen Wuhuang— —Qin Chen!"

He subconsciously lost his voice. The words fell, for some reason, his heart was transparent, as if he had touched some amazing secret.

#### [Chapter 1492: Lightning Technique](#)

Yes, it is the Emperor Wuchen!

Although the rumored Pochen Wuhuang has been dead for many years, he is still a well-known name on the mainland.

Especially in the era when the prestige of the lord of the Misty Palace, Shangguan Xi'er and his father, Emperor Xuanyuan, was soaring, this name was also mentioned more frequently.

Three hundred years ago, when Pochen Martial Emperor was alive, Shangguan Xi'er and his father Feng Shaoyu were unknown. Although one founded the Misty Palace and the other founded the Xuanyuan Empire, they have been living in the aura of Pochen Martial Emperor. under.

Now three hundred years later, Misty Palace has become the top sect that almost dominates the mainland, and the Xuanyuan Empire has also become the mainland's first empire, a giant in the martial arts.

If Pochen Martial Emperor is still alive, these three forces will combine to form the honorary elders of Pochen Martial Emperor Pill Pavilion, Device Hall, and Bloodline Holy Land, and the three will unite to rule the entire continent. Fortunately, the Pochen Martial Emperor has fallen. Although everyone regrets it, they often think of luck. Because Pochen Martial Emperor fell behind, the Misty Palace and the Xuanyuan Empire turned against each other. The two powers split instantly, and the current continent was divided. Big power

There is still room for survival.

Otherwise, once the Xuanyuan Empire and Misty Palace unite, it will be more difficult for other major forces to survive.

Even in the Martial Domain, there is still such a saying that it is the fall of the Emperor Breaking Dust, which changed the trend of mainland history. As the son of Emperor Xuanyuan, Feng Yulei naturally knew a lot about Pochen Wuhuang, but I don't know why, whenever Pochen Wuhuang was mentioned, although his father showed grief, Feng Yulei always had a feeling. , The father does not seem to be

As sad as it appears.

This has always been his inner subconscious feeling, but he has never said it to the outside world.

But now, a young man named Qin Chen from the Lower Four Realms, but Dan, Array Shuangjue, and possessing sky fire and such terrifying strength, made Feng Yu Lei's heart frightened inexplicably, like thunder and lightning flashed through his mind, suddenly enlightened.

"You are... the Emperor Wuchen!"

He exclaimed, with uncertainty and shock, as if to Qin Chen, and as if to himself.

Qin Chen was astonished. He didn't expect that when he displayed the Qinglian Demon Fire, Feng Yulei would misunderstand him so much.

"It seems that this name can only be used less frequently in the Martial Domain in the future."

Even Feng Yulei could guess these out of thin air. If it were introduced into Shangguan Xier and Feng Shaoyu's ears, the consequences would be...unthinkable.

The above-mentioned Guan Xi'er and Feng Shaoyu's viciousness, even if they were not sure, would send someone to kill him or capture him immediately.

"Out of Guyu Realm, it seems that I have to change my identity."

Thoughts flickered quickly, and Qin Chen smiled frankly, and said: "I didn't expect you to guess it out. That's right, I am the Pochen Wuhuang!"

Storm and thunder startled, what? This Qin Chen is Pochen Wuhuang?

wrong!

He was furious, "You are Pochen Martial Emperor, ridiculous, Pochen Martial Emperor died as early as three hundred years ago, who are you?"

boom!

The thunder light on his body was very strong, and in an instant, his whole body became completely red and white, and the flaming thunder light was dormant in his body, resisting the erosion of the green lotus demon fire.

"I'm really Broken Martial Emperor!" Qin Chen smiled.

Why doesn't this person believe it?

"Emperor Pochen Wu is the eldest brother of the emperor's father. When he sees the emperor, he will love it very much. How can he embarrass the emperor everywhere and say, what is your purpose in pretending to be the emperor of Pochen Wu?"

"Love you?"

Qin Chen almost vomited, too lazy to talk nonsense, spurring the Qinglian demon fire to sweep through, and at the same time, the whole person suddenly plunged into the field of wind, rain and thunder, a sword cut out with lightning, and the sword light was shining, rushing to his head, murderous four overflow.

If Qin Chen used the sky fire to consume him far, he might still be a little jealous, but now Qin Chen dared to approach him, and the corner of his mouth suddenly showed a sneer.

"Thunderbolt!"

Crackling!

Feng Yulei's whole body turned into a sea of thunder and lightning, and at the same time, the lightning flashes on the Sky Thunder Sword in his hand, turning into sky thunder flashes, and slashed towards Qin Chen. At the moment when the Heavenly Thunder Sword was about to strike Qin Chen, Qin Chen smiled at the corner of his mouth, and suddenly urged the mysterious formula obtained in the Demon Sword Tower. A mysterious power spread out, and Feng Yu Lei suddenly felt the Heavenly Thunder Sword in his hand. Uncontrolled, kind

The impulse to go away quickly disappeared from the lightning on the sword.

"What?" Feng Yulei was shocked, how could Tianlei Sword not be under his control? He hurriedly wanted to control the Sky Thunder Sword, but the Thunder Sword in his hand was trembling, unable to stop it at all, and Qin Chen's attack had already swept through.

"No good, transforming thunder tactics!"

The thunder in Feng Yu Lei's body surged, and the sky was swept out by the thunder light, and the body suddenly became transparent, leaving only the thunder light in the human form surging, as if it had become incorporeal.

Puff, the mysterious rust sword struck the wind, rain and thunder, as if pierced into a group of flowing water, completely unable to cut his body.

"Huh, kill the word sword!"

The Killing Word Sword Art was operating, and there was a terrifying killing intent immediately scattered. The astonishing killing intent rose to the sky and rushed into the wind, rain and thunder. He screamed, his body appeared in the void, and the whole person withdrew, blood blooming. .

Tens of meters away, Feng Yulei's figure appeared, and a huge gap appeared on his body, his clothes were stained red with blood, and he looked at Qin Chen in anger.

Qin Chen sneered and killed again. Feng Yulei hurriedly urged the Heavenly Thunder Sword to try to defend, but the Heavenly Thunder Sword in his hand was not at his disposal and could not organize an effective defense.

Puff puff!

Dao Dao Jianguang passed over him, and countless blood spurted out immediately. Feng Yulei quickly added many wounds to his body, and, as the Qinglian demon fire was smelted, Dao Dao flame power penetrated into his body and suffered tragic torture.

"what!"

The wind, rain and thunder screamed, it was too painful, it was almost like torture, countless slaughter sword qi raged in his body, and the terrifying fire and poison filled his body, and his body was burning.

If he hadn't been born with a thunder body, just one blow would have wiped out his ashes and no bones.

"The emperor!"

Seeing the scene here, Emperor Wu Mo was shocked and sweated. He roared and was about to rush towards him.

"Jie Jie Jie, your opponent is me."

The skeleton rudder master grinned, the scarlet halberd appeared, and a large swath of \*\*\*\* demonic energy appeared between the heaven and the earth, wrapping him, the evil Mo Wu Huang, and the skeleton elders in it.

"Do you think I can't kill you? Grievous blood claws!"

Worried about wind, rain and thunder, Emperor Wu Mo could no longer hold back, spurring his essence and blood, burning his true essence, a pitch-black claw protruding out a sharp claw like a dragon, and grabbing at the skeleton rudder master. This blow was too strong, and Wu Huang even fought the bloodline to shatter, and the thought of retreating his cultivation base was shot. The blood-colored hideous claws forcibly pierced the defense of the skeleton rudder master and pierced his body.

#### [Chapter 1493: Is it human?](#)

"Thousand Ghosts Chaozong!"

The elder skeleton ghost seized the opportunity and also smashed his stick. Numerous screams of ghosts sounded, and the black skeleton scepter slammed the skeleton rudder master's chest with a pop, and his chest burst open.

"Success!"

The elders of skeleton ghosts and Emperor Wu Mo Wu immediately rejoiced, Emperor Wu Mo Wu did not care about continuing to take action against the Skeleton Rudder Lord, turned around and rushed towards the Scarlet Devil Qi, wanting to rescue Emperor Feng Lei.

boom! He hit the \*\*\*\* demon energy and was immediately retreated, and the \*\*\*\* demon energy turned into countless tentacles and wrapped towards him. He was suddenly shocked, impossible.

The man in black in front of him was caught by his hideous \*\*\*\* claws, and the blood in his body must burst. What's more, the opponent was hit by the elder of the skeleton ghost, and even his chest exploded. How could he still hold up the \*\*\*\* devilish energy? defense?

He was shocked and turned his head hastily.

Elder Skeleton was also stunned, and subconsciously lifted the Skeleton Scepter and smashed it down again.

But his skeleton scepter just raised a half point, snapping, the black palm has been grabbing the scepter head, the scepter seems to be firmly imprisoned, no matter how hard he exerts it, he can't get it back.

"Quack, you two, wouldn't you take this seat down if you thought it was so simple? It's naive, Jie Jie Jie, hehe hehe."

The skeleton rudder master laughed, and the \*\*\*\* halberd slashed down, and the blood bloomed, the elder skeleton flew out suddenly, a huge gap appeared in his chest, and black blood poured out wildly.

Chi Chi Chi Chi!

The black magic energy constantly seeped into his body.

"Ah!" the elder skeleton ghost screamed, twisting all over, he looked at the skeleton rudder master in anger, his eyes full of disbelief.

At this moment, the Skeleton Rudder Master was pierced by the hideous blood claws, and a big hole burst into his chest. Even if it was a powerful emperor, he was half-struck, but this man in black was like a okay person.

Is that human being?

"You...Are you a human?" The elder skeleton ghost said in horror, his body trembling.

"Jie Jie Jie, what do you think?"

The skeleton rudder master grinned, his core is the mind and soul, and the skeleton body that has been transformed by the demon master's bones. The flesh and blood of his body are only condensed by the blood of the martial emperor powerhouse that was swallowed before.

Not to mention just a big hole in the chest, even if there is only a bone frame left, it is nothing to it.

"Tsk tusk, the two late martial emperors, once this seat is swallowed, what is the loss of this bit of flesh and blood?"

The green eyes of the skeleton rudder master stared at the elders of the skeleton ghost and the emperor Wumo Wu with evil smiles, his tongue stretched out, and his lips were licking. The evil expression made people shudder.

Even the elders of skeleton ghosts and the emperor Wu Mo Wu Huang of the later stages took a breath of cold air, and a chill rushed from the soles of their feet to the top of their heads.

"I care if you are a human or a ghost, die for me!"

Mo Wu Huang was anxious in his heart, madly shot, booming... But no matter how he attacked, the Skeleton Rudder Lord was just like a okay person, fearless at all.

In terms of combat effectiveness, the Skeleton Rudder Lord may be lacking, but in terms of defense and difficulty, the Skeleton Rudder Lord is absolutely top-notch, not to mention the late-stage Martial Emperor of the eighth stage. .

At this time, Feng Yulei was already covered in blood, and the whole person was embarrassed and terrible. "What are you guys doing in a daze, why don't you go save the emperor?" The Mo Wu Huang defended himself against the bloodless demons, anxiously attacking his heart, facing the original attacking Ji Ruyue and Chen Sisi formations, at this moment Where is the Xuanyuan Empire?

Emperor Wu said angrily.

These people were awakened in an instant. Although they were frightened, they gritted their teeth and rushed towards Qin Chen.

Rumble!

Countless attacks followed, descending on Qin Chen's head.

"Huh." Qin Chen sneered, dismissively, buzzing... Wudao Jian Wan swept out in an instant, turning into five flowing fish, and instantly penetrated the bodies of three of them.

Puff puff!

Three crisp bursts sounded, and the three Xuanyuan Empire Martial Emperors did not even realize what had happened, they burst into pieces, and there was no bones left.

The remaining two people hurriedly backed away in fright, their faces full of horror.

Qin Chen didn't chase after him, but urged the mysterious Rusty Sword and Qinglian Demon Fire to constantly attack Emperor Fenglei and wipe out the true essence in his body.

"What are you two doing?" The Emperor Wu Mo was almost mad, the emperor was in danger, but the two of them were so scared that they didn't dare to step forward. Is this still the Emperor of the Xuanyuan Empire?

"Master Huo Mo, it's not that we didn't go up, but that we went up to death in vain." The two said with horror on their faces.

Who did the death?

"Then what are you guys doing here, why don't you go out to find a rescuer?" The Emperor Wu Mo was furious, these guys are simply useless.

"You should consider yourself."

A cold voice rang in the ears of Emperor Wu Mo Wu, puff, the Skeleton Rudder Master did not know when he had already come to him, taking advantage of his distraction, a halberd on his shoulder, if not for him to avoid in time, half of his body would be Was split in half.

Even so, Emperor Wu Mo Wu was covered with blood and was terrible.

"Ah!" he screamed like a ghost, but he was frightened and terrified in his heart. He didn't dare to be distracted anymore, and dealt with the skeleton rudder master with all his strength.

Whizzing!

Two streamers flew out. It was the two Martial Emperors of the Xuanyuan Empire. They wanted to rush out to find someone for rescue. They fled while watching Qin Chen nervously, for fear that Qin Chen would hit them cruelly.

What puzzled the two of them was that Qin Chen didn't care about their actions at all. This made the two of them overjoyed, speeding up, and seeing that they were about to rush out of the ruins, suddenly two swords of light slashed in front.

"who?"

The two were shocked and saw a woman dressed in white, standing at the door of the ruins, who was actually a young arrogant.

"court death!"

The two were furious, raising their hands to crush the two sword lights, and rushed out at the same time, but when the palms of the two of them touched the sword lights, their faces changed.

Boom!

The sword light contained amazing power, directly smashing the palms of the two of them, and at the same time the sword light violently slashed, instantly passing over the bodies of the two emperors, the fierce sword aura swept across, the two stared with frightened eyes, and instantly disappeared.

"Qianxue!"

Ji Ruyue in the formation was overjoyed, and the person here was You Qianxue.

In fact, she had already come outside the ruins, just staying at the entrance of the ruins.

That's it!

Wu Huang's heart sank, and he felt panic for the first time. Feng Yulei also saw this scene, and his heart sank suddenly.

Am I going to die here?

No, he is Feng Yulei, the emperor of the Xuanyuan Empire, the son of Emperor Xuanyuan Feng Shaoyu, how could he die here?

"Boy, do you think you are going to win? You forced me, I want you to die, all die!"

Feng Yulei roared, unable to hold on anymore, and made a difficult decision. Several space crystals appeared in his hand instantly, and with a click, the space crystal shattered, and a large amount of space power poured into his body in an instant. A palpitating breath filled his body.

[Chapter 1494: Feng Shaoyu is coming](#)

At this critical moment, Feng Yu Lei unexpectedly began a breakthrough.

His original cultivation base has reached the initial peak of the eighth stage, and the power of ten spatial principles is condensed in his body, but now, at the critical moment of life and death, he actually swallows a few spatial crystals in an instant, and wants to break through the eighth peak in one fell swoop from the initial peak of the eighth stage. Mid-stage.

I have to say that Feng Yulei is too bold, and at such a juncture, he has done such crazy things.

However, this is indeed a method. With his talent and strength, as long as he breaks through the middle of the eighth stage, his cultivation will be greatly improved, and it will be easy to turn defeat into victory by then.

"Do you think I will give you a chance to break through?"

After Qin Chen figured out the purpose of Feng Yu Lei, he suddenly sneered and boomed, he shot out, frantically.

"Hahaha, if you want to kill me, let you see how terrible my natural thunder body is. Do you think I'm just breaking through?"

Feng Yulei laughed, he looked up to the sky and screamed, the breath on his body released desperately, and went straight to the sky.

Boom!

In the sky, a black thundercloud appeared at some point in the sky, and the thunder light surged, and the depressive breath made the heart palpating, as if the world was the end of the world.

"Hahaha, come and taste this emperor son's tribulation?"

Feng Yulei laughed, pounced on Qin Chen, rumbling, the suppressed aura in the sky became more and more dense, the sky was gloomy like the night, suddenly, a thunderstorm slashed down, slashing towards the wind, rain and thunder.

At this moment, the entire ruins looked like an ocean turned into thunder. In the sky, thunder fell down, like a pillar of heaven, crazy and terrifying.

This is the catastrophe of wind, rain and thunder!

Normal martial artist breakthroughs, in fact, will not lead to Heavenly Tribulation, Heavenly Tribulation, unless it is a strong Emperor Wu, or the kind of person who is against the sky, it is possible to cause it.

The wind, rain and thunder itself is a natural thunder body, and the stimulus to the sky thunder is naturally far more than the average Tianjiao. For him, the robbery is a way for him to improve his cultivation, but for other warriors, The catastrophe is tantamount to the end of the day.

"Hahaha, Emperor Fenglei is Emperor Fenglei, Lord Emperor, kill!" The Emperor Wu Mo was ecstatic, and his tears were about to shed. This is a catastrophe, all the world, except for Emperor Fenglei who has a natural thunder body. Son, who else can resist? As long as Qin Chen dies, Emperor Fenglei breaks through the mid-term Emperor Wu, all here

People will be beheaded by the emperor.

"Qin Chen!"

"Less dust!"

Ji Ruyue clenched their hands in horror. They never thought that the wind, rain and thunder could provoke the legendary tribulation. They believed that Qin Chen's strength, but the tribulation was the nightmare of all warriors, and Qin Chen could resist it. ?

"Boy, under my catastrophe, let's be wiped out!"

Feng Yulei roared wildly, rushing towards Qin Chen with a proud face.

Rumble! The thunder roared, the world was flooded with endless thunder, and the sky thunder fell down, turning this area into a sea of thunder, You Qianxue and the others, even if they were outside the thunder, they all erected cold hair, deep in their hearts Fear is emerging everywhere

fear.

"Hahaha, haha..."

Feng Yulei laughed wildly, no matter how talented Qin Chen was, he would definitely die under his heavenly thunder.

With a ridiculous smile, there was a suspicious look on his face, because the cyan flame lingering in the catastrophe didn't go out with it, it turned out to be more intense.

What exactly is going on?

Isn't this kid dead?

No, it's impossible, under the thunder, who can live except yourself?

At this moment, a mocking laugh resounded.

"This is the sky thunder you turned over? But so."

In the thunder light, a figure walked out slowly, with a sneer on his mouth, it was Qin Chen.

At this moment, he was standing in the center of the sky full of thunder, and every day thunder struck him, but he didn't realize it.

"The power of thunder is too weak this day? It's just like scratching!" Qin Chen mocked, with a proud look. Compared with the thunder catastrophe he had crossed by himself, the thunder catastrophe crossed by the storm when the storm broke through was indeed the same as scratching. It's like itchy, it can't cause him any harm at all, but the power of the heavens seeps into his body, making him crisp.

Ma Ma, very comfortable.

Impossible, how is this possible?

The smile on Feng Yulei's face solidified, and he was completely stunned. Not only him, but also the elder Skeleton Ghost and Emperor Wumo Wu were also terrified. How could this be?

But Ji Ruyue breathed a sigh of relief, and said, "What a handsome guy, this guy!"

"You... how did you do it?"

Feng Yulei looked at Qin Chen in disbelief, feeling that the whole worldview had collapsed.

"How difficult is this? Do you think that the power of thunder and lightning is only available to you?"

Qin Chen sneered, and the thunderous blood in his body was completely released.

boom!

At this moment, he became a thunder and lightning war \*\*\*\* who was several times more terrifying than the breath of wind, rain and thunder, and he slashed out with one sword.

This sword was cut out, the power of thunder between heaven and earth was attracted, concentrated on the mysterious rust sword, and the wind, rain and thunder were smashed out with a puff, his whole body was scorched, his internal organs were burned, and he was miserable. call.

"How could this be?"

Feng Yulei was terrified and wanted to escape here crazily, but how did Qin Chen let him escape? Under the constant attack, Feng Yulei continued to be seriously injured, and his vitality quickly weakened.

Seeing that he was about to die under Qin Chenjian.

Abruptly--

Hum!

A terrifying breath permeated from Feng Yulei's body, which was the will of Emperor Wu.

"Who is it, dare to do something with my son Feng Shaoyu."

A majestic and vast, suppressing eternal breath, diffused out. Under this breath, You Qianxue and others seemed to have been hit by a heavy hammer, suddenly muffled, and blood overflowed from the corners of their mouths.

Click!

A crack also appeared in Qin Chen's formation, trembling constantly, as if it were about to break.

As for the blood black magic energy arranged by the skeleton rudder master, it also vibrated suddenly, revealing cracks.

Just a breath, as if the ancient emperor walked out, everything in the world must be surrendered.

"Feng Shaoyu!"

Qin Chen raised his head and stared at the void figure above his head. The other party's face was not very clear, but the breath was too familiar. Who else could it be if it wasn't Feng Shaoyu?

"Who are you?" The majestic figure stared at Qin Chen, his eyes solidified inexplicably, rumbling, and at the same time, the void of the Foreign Demon Continent was trembling, and the aura on the Void was

actually solidified, a terrifying breath. Power, penetrates time and space forever, actually has to force through the ancient

Yujie and the Continent of Different Demon, descend here.

"Father, help!"

Feng Yulei was ecstatic, and roared to the sky.

"The Great!"

With a look of ecstasy on the face of Mo Wu Huang, he knelt down respectfully.

"Huh? Weird place? Interesting!"

boom!

A terrible force penetrated time and space forever, causing the void to tremble, and the world was about to collapse.

This Feng Shaoyu had to forcefully penetrate the ancient Yu world, causing his own will to descend here.

This is the first time Qin Chen has seen Emperor Wu's will, able to penetrate the ancient Yu world and descend on this alien demon continent.

Three hundred years of vicissitudes of life, Feng Shaoyu's strength has been so strong, at least--

The strength of Emperor Wudi!

As long as Feng Shaoyu's will comes, even the weakest will is enough to kill everyone on the field, this is the peak martial emperor, the power of will, unmatched! Everyone trembled, and the sky was crying!

#### [Chapter 1495: Heavenly Spell](#)

At this moment, everyone was shocked and trembled under Feng Shaoyu's breath.

Puff puff!

Ji Ruyue, Chen Sisi, You Qianxue and others were coughing up blood, and the Skeleton Rudder Master was also shaking.

The will of Emperor Wu, everyone has seen too much, but it is the first time that it can cause such an effect.

Just a breath made the sky tremble and the void collapsed, unable to bear it.

Emperor Xuanyuan!

The supremacy of the Xuanyuan Empire, the top power in the mainland, is too amazing. Its strength is strong enough to easily obliterate the martial emperors of the other major forces.

"Never let the breath of Feng Shaoyu come."

Qin Chen stood up, the sky full of thunder light bloomed on him, turned into Thunder God, and slashed out.

He has a sharp look, his eyes are more solemn than ever, and he roars.

Three hundred years of hatred broke out in one move!

boom!

Feng Shaoyu probed his hand, the palm of nothingness was like a Demon Lord who walked out of the ancient darkness. With just one finger, he stopped Qin Chen's attack. Despite the thunder light roaring like a giant dragon, he was caught by the nothingness Fingers, firmly suppress.

This is just a vain finger, an extremely weak Wu Emperor will, but it can suppress Qin Chen's full blow, which is terrifying.

"Your breath, why is it familiar?"

Feng Shaoyu murmured, and doubts appeared on his face. From the moment his will came, he had always felt that the aura of the young man in front of him was very strange, making him faintly familiar, as if he had seen it somewhere before.

However, he didn't care, the will of terror spread continuously to break through the blockade of Guyu Realm.

"Want to break through the blockade of Guyu Realm?"

Qin Chen squeezed the tactics with both hands, and instantly countless streamers wrapped Xiang Feng Shaoyu, suppressing him, trying to cut off Feng Shaoyu's arrival.

The circulation of complex runes, forming a vast rune, suppressed.

puff!

Feng Yulei trembled, his body split under this force, and blood splashed across it.

"what!"

He screamed, his eyes were cracked, and at the same time he was furious, the father descended, and the power was boundless. This guy was able to shoot under the power of the father, it was terrible.

Ordinary martial emperor strong, I am afraid that the soul will burst long ago and be wiped out in smoke.

"Father, save me!"

Fear of wind, rain and thunder, he yelled in panic, his body torn apart.

"Dare to do it in front of the emperor, die!"

Feng Shaoyu was furious, his eyes burst into divine light, pressing down with a palm, the whole void was trembling, the sky was trembling, and it was about to hit Qin Chen at the bottom of the middle, a black shadow suddenly appeared and stopped Qin Chen. before.

Be the master of skeleton rudder!

boom!

The terrifying power swept through, the skeleton of the rudder master's body burst, blood flew all over, and his body was devastated, as if it had been blown up.

"Hahaha, dare to be rampant in front of the emperor, that is looking for death."

"Great Emperor, punish them all!"

The Mo Wu Huang also spoke in ecstasy, his scalp numb with excitement.

This was Emperor Xuanyuan, even if it was a will that hadn't completely descended, it could easily obliterate the late Martial Emperor, unmatched.

"what?"

But the next moment, their eyes widened, and after the man in black was blown up, he seemed to be okay, and once again rose into the sky, the blood-colored halberd swept out, slashing towards Feng Shaoyu.

"what!"

Feng Shaoyu was surprised, as if he had seen something unbelievable, and took another shot with a palm, and the skeleton rudder master was shaken off again.

This time, it was injured more severely, even revealing the bones inside. The bones were golden, like made of gold, emitting a bright light.

"Alien demon breath?"

Feng Shaoyu said coldly, his eyes became fierce, and he shouted, "Why did you kill my son?"

He was furious, although his face was unclear, but the anger in his expression could not be concealed, as if he had seen something unbelievable.

It seems that the people of the alien demons shouldn't start with wind, rain and thunder.

How could he have such words? The speaker had no intention, the listener had the heart, Qin Chen's heart moved, and he even shouted at the outside of the valley: "Everyone of the Misty Palace, what are you waiting for, don't take action, kill the storm, everyone, don't forget the command of the Lord Palace. The purpose of this trip must not be leaked

, The people of the Xuanyuan Empire are all going to die! "

"People from Misty Palace? Impossible!" Feng Shaoyu yelled coldly, turning to look outside the ruins, his eyes seemed to penetrate the endless void, bursting out, and then his eyes fell on a rock wall outside the ruins. .

There, a figure appeared like a shadow.

"Is this Qin Chen going to kill me? This is Emperor Xuanyuan!"

The man trembled with trepidation in his heart, wishing to unload Qin Chen a lot, not someone else, it was Zhou Zhiwei who had quietly followed Qin Chen all the way. Seeing Emperor Xuanyuan's gaze at this moment, Zhou Zhiwei only felt that her mind was blank. She hurriedly used the secret technique to

cover others. She must not be seen by Emperor Xuanyuan. Otherwise, Emperor Xuanyuan would be furious.

Xuanyuan Empire made a big fight? You will inevitably sacrifice yourself by then.

She used the technique to capture the sky, her figure suddenly became hazy, and at the same time she turned and ran.

"The technique of capturing the sky in the Misty Palace? Impossible..."

Emperor Xuanyuan was frightened. Because of his anger, his body was trembling, the void burst, and the world shook.

"Want to go, leave it to the emperor!"

He yelled, leaning out his palms, booming, and the void burst, Zhou Zhiwei only felt an unrivaled force enveloping herself, breathing became difficult, and her body seemed to be torn apart.

Hum!

Seeing her death, suddenly an astonishing breath filled Zhou Zhiwei's body, it was Emperor Wu of Misty Palace.

"Who is it, dare to do something to my Misty Palace disciple?" The Emperor Wu is obviously far less terrifying than Feng Shaoyu. What is activated is only the power of the will of the Emperor Wu in Zhou Zhiwei's body, rather than the arrival of the will of the Emperor Wu and his language is dull. Extremely, a word fell, directly shot, kill Xiang Feng Shaoyu

.

"Sure enough, they are from Misty Palace!"

Feng Shaoyu seemed to have suffered a huge blow, and the whole person became extremely furious. He raised his hand and blasted directly, Boom, that Emperor Wu's will trembled violently, instantly torn apart and turned into ashes.

Only for a moment, Emperor Wu's will of Misty Palace completely collapsed, and it was not an enemy at all.

Feng Shaoyu continued to raise his hand and grabbed Zhou Zhiwei, apparently trying to capture him and torture him.

"No, I can't go on like this."

Qin Chen's eyes were cold, he kept squeezing his hands, but he couldn't stop Feng Shaoyu at all, and Feng Shaoyu's power was still growing a little bit.

Once Feng Shaoyu came, everyone would have to die.

Qin Chen uttered a cruel, poof, a mouthful of blood spit on the mysterious rust sword, and at the same time urged the power in his body, poured it into the mysterious rust sword.

Wow! The mysterious rust sword suddenly lit up, and a terrifying black glow broke out in an instant, and a fierce momentum surged from the sword body, like a cloud rushing into the sky, erupting an unprecedented terror pressure.

#### [Chapter 1496: Rust Sword activation](#)

The sky was trembling. At this moment, it seemed as if a demon from \*\*\*\* had awakened. The mysterious vacation could be overwhelmingly cold and engulf everything in the world.

An amazing swallowing power diffused from the mysterious rust sword, slashing towards Feng Shaoyu.  
what?

Feng Shaoyu snorted coldly, ignoring to catch Zhou Zhiwei, turned around and blasted out with a fist, with a bang, like the sky and the earth, the entire ruined land trembled violently, as if two peerless masters were fighting.

Boom boom boom!

I saw the two forces collide rapidly like waves, and with each blow, a terrifying killing intent erupted, enough to easily obliterate a pinnacle martial emperor.

"It's just a sword, it can actually block the emperor's supernatural power, what kind of divine weapon is this thing?"

Feng Shaoyu said solemnly, revealing annoyance, and even stronger.

call out!

The mysterious rust sword became more and more gloomy, turning into a black ocean, and a cold breath spread out. Qin Chen and others felt dizzy, and they seemed to see the endless sea of corpses and blood in front of them. Into the Jiuyou Hell.

"Jie Jie Jie!"

In the \*\*\*\* sea of corpse mountains, a black figure was yelling crazily, hideous and evil, it danced its hands, the mysterious rusty sword became more and more violent, the endless sword aura spurted from it, and a breath of violent anger spread wildly.

It was angered, it seemed to anger that it was trapped in this space, mad, roaring for nine days.

Hum!

The mysterious rust sword became more and more weird, the true essence in Qin Chen's body was madly flowing, there was no time to replenish the power of the mysterious rust sword, but the power that it erupted became more and more terrifying, the boom, the sword light passed through the sky, and gradually overwhelmed Feng Shaoyu.

Puff puff!

Feng Shaoyu's aura was weakening, being crazily obliterated by the mysterious Rust Sword.

Feng Shaoyu was furious, no matter how he shot, he couldn't resist this force, and the aura on his body was rapidly weakening.

"go!"

He rolled his backhand, Emperor Wu's will to wrap the wind, rain and thunder, to take him away from here.

"The Great!"

The Emperor Wu Mo Wu yelled in horror. He squatted on the ground with a panic expression. What should he do if the emperor leaves here.

"The Universe Jade Plate!"

How could Qin Chen let Feng Shaoyu leave? At this moment, in order to leave Feng Shaoyu behind, he didn't care about anything, and directly urged the universe to make the jade disc, and immediately the power of infinite space spread out, sealing the world.

In the dark, Qin Chen made a jade disc through the universe, as if he heard something in the depths of the alien demon continent calling himself.

what is this?

He was suspicious, but he didn't have time to care too much. He madly urged the universe of good fortune jade discs. This world was instantly imprisoned. The mysterious rust sword and the universe of good fortune jade discs imprisoned Feng Shaoyu's will of Emperor Wu in this piece. In the world.

"I want to stop this emperor, I think too much."

Feng Shaoyu sneered, soaring into the sky, booming, trying to tear open the blockade of heaven and earth. The jade disc of good fortune in the universe trembled, and the power of the space in Qin Chen's body was too weak to urge his strength. Seeing that the jade disc of good fortune in the universe could not hold on, suddenly, buzzing, the space mist above the space pool not far away was like an instant  
Was motivated

In general, craziness flooded into the jade disc of good fortune in the universe.

The Universe's good fortune jade disc shines like a resurrection, and the trembling void instantly stabilizes, indestructible, and even cut off the will power of Feng Shaoyu penetrating the ancient Yu world.

Qin Chen was overjoyed. Unexpectedly, Feng Shaoyu's willpower, which could not even be blocked by the Ancient Yu Realm and the Alien Demon Continent, was instantly blocked by this Universe Fortune Jade Disk, and could not penetrate it at all.

"dead!"

Seizing the opportunity, Qin Chen hurriedly urged the Qinglian Demon Fire, and the sky full of flames quickly swept through the wind, rain and thunder.

"Do not!"

The wind, rain and thunder screamed, screamed in anger, and then the whole person banged, and the burned blast broke apart, and the ashes disappeared.

Without the carrier of wind, rain and thunder, Emperor Wu's will of Feng Shaoyu immediately lost its root cause, and was a little bit obliterated by the mysterious rust sword. In the end, it shattered with a pop.

"Boy, my wind shaoyu will kill you..."

With a roar, the next moment Feng Shaoyu's Wudi will completely shattered and turned into nothingness.

Hum!

The universe of good fortune jade dish immediately calmed down.

"The Emperor Xuanyuan's Wudi will is destroyed."

Everyone was horrified, then ecstatic, weeping with joy.

Just before their surprise fell, they saw Qin Chen's body trembling violently, and the aura on the mysterious rust sword became more and more weird. After losing the target, the black and cold aura turned his head and attacked Qin Chen.

"Jie Jie Jie!"

Between heaven and earth, there seemed to be an evil force grinning and echoing.

"Less dust!"

"Qin Chen!"

You Qianxue, Ji Ruyue and the others suddenly raised the heart that they had put down. They found that Qin Chen's state seemed to be something wrong.

Qin Chen's eyes were red, and his body was extremely cold, as if he had changed.

"No, the master seems to be corroded by some kind of power..."

The Skeleton Rudder came down and said in horror, this force was so cold that it was so terrified that it did not dare to approach.

"What to do then?" You Qianxue and the others are anxious and helpless. Qin Chen is in a very bad state at the moment. His hands holding the mysterious rust sword are trembling, the true essence in his body is chaotic, and a cold force is raging in his mind. It seems to let go of the second heart and let yourself enter

Into.

"Don't worry, there is a parasite in the master's mind..." The master Skull Rudder said halfway, and suddenly stopped and said, "Don't worry, the master will be fine."

The parasitic seed is the birth of the Chaos Demon Nest. Even if the Demon Lord comes to the world, he cannot seize the person who possesses the parasitic seed. Therefore, the Skeleton Rudder Lord does not worry that Qin Chen will be seized.

Its only worry is whether this force is so cold and will cause any harm to the owner.

"go!"

Not far away, the already desperate elders of skeleton ghosts and Wumo Wuhuang saw this scene, and hurriedly seized the opportunity, swish, and the two rose into the sky and rushed directly to the entrance of the ruins, apparently trying to escape from here.

"Where to go!" The skeleton rudder master shook his body, swiftly chased after him, and quickly approached, but the two Wu Mo Wu Huang seized the opportunity very cleverly, and they came to the entrance of the ruins in an instant. Come, Skeleton Rudder wants to stop them,

It is not easy.

Whoosh!

At this moment, a figure flew over from the ruins, and the blood on the opponent condensed, at least a late-stage martial emperor. After seeing the scene here, his face suddenly showed a look of surprise, and said from a distance: " Emperor Wu, what's wrong?"

The visitor was the ancient Cangwu Emperor of the Xuanyuan Empire.

"Emperor Ancient Cangwu, help!"

Seeing the coming, Emperor Wu Mo was ecstatic in his heart, as if a drowning man grabbed the last straw and hurriedly approached.

"Quickly, someone in the ruins killed Emperor Fenglei, wait for me to stop him!" The Mo Wu Huang roared.

"What, someone killed Emperor Fenglei, who was it?" Ancient Cangwu Emperor said angrily.

"Yes..." The Emperor Mo Wu turned around, pointed at the Skeleton Rudder Master, just about to speak, and with a snorted sound, a palm suddenly pierced his chest, turning out to be the Ancient Cangwu Emperor.

#### [Chapter 1497: Wushang Wudi](#)

"Ancient Cangwu Emperor, you..."

The Emperor Wu Mo Wu looked at him in fright, with a face full of disbelief, not understanding why Emperor Wu Cang wanted to kill himself.

Ancient Cangwu Emperor smiled coldly and said, "It is my master who killed Emperor Fenglei!"

boom!

The next moment, he exploded his true essence, and under the horrified and unbelievable gaze of the Mo Wu Emperor, he instantly shattered it.

"Your Excellency, if you have something to discuss, as long as you don't kill me, I am willing to be your servant..."

On the other side, the Elder Skeleton Ghost was stopped by the Skeleton Rudder Lord, and suddenly said in horror. "Become my servant? Jie Jie Jie, \*\*\*\* like you, I still look down on this seat." Skeleton rudder master smirked and made a strong shot. Skeleton ghost elder was already seriously injured, there was no way to resist, he was frightened. Was instantly bombarded, turned into blood

.

The Skeleton Rudder master took a deep breath, and the blood of the elder Skeleton Ghost and Emperor Wu Mo Wu instantly was like a whale sucking sea water, dripping into his body.

The Skeleton Rudder sighed, the original broken body healed with naked eyes, and it quickly recovered exactly the same as at the beginning, even more vigorous and restrained.

"Go and see the master!"

The Skeleton Rudder Lord and Ancient Cangwu Emperor put away all the spoils and quickly returned to the ruins.

As soon as the two of them entered, a chill rushed to their faces, icy cold, and then saw Qin Chen's body covered in black mist, his eyes red, and cold power spreading everywhere, freezing the ruins.

"the host!"

The Skeleton Rudder master was shocked. It was the first time that he saw Qin Chen's appearance and shouted nervously.

At this moment, Qin Chen's state was very bad, as if he had been stunned and fell into a state of confusion.

Ji Ruyue and You Qianxue were also very nervous, but they didn't know what to do. The three wanted to get close to Qin Chen, but when they dared to approach, the cold chill almost froze the two of them, their thinking was stagnant, and their bodies couldn't move.

crucial moment.

The Qinglian demon fire filled Qin Chen instantly.

The scorching flame swept through his body, and Qin Chen immediately became sober, and hurriedly began to work hard with the mysterious formula obtained in the Demon Sword Tower.

"The extreme of the sword, against the yin and yang, breaks the sky, the way of the sword, holding on and replenishing it, is not as good as it has been; grasping and sharpening it cannot be maintained; success is retreated, and the way of sword is also..."

Qin Chen muttered each word silently, intermittently at first, and later, it became more and more fluid. In the end, his heart was like Hong Zhongda Lu, buzzing, and the breath of the mysterious rust sword quickly dissipated.

"Jie Jie Jie...One day, I will come out, I will come out again..."

A ferocious voice sounded in Qin Chen's mind, like a ghost crying and howling, and finally disappeared completely, and the mysterious Rusty Sword also calmed down completely, returning to tranquility.

puff!

Qin Chen spouted a mouthful of blood, withered to the ground, his breath was very weak.

"Qin Chen!"

You Qianxue, Ji Ruyue, and Chen Sisi rushed up for the first time and came to Qin Chen's side. You Qianxue hurriedly picked up Qin Chen, while Ji Ruyue and Chen Sisi looked a little embarrassed and stood quietly aside.

"I'm fine!"

Seeing everyone's nervous expressions, Qin Chen smiled slightly. Although his whole body was in pain, he was more relaxed than ever.

After killing Feng Yulei and obliterating Feng Shaoyu's wisp of Wudi's will, the resentment that Qin Chen had buried in his heart for more than three hundred years, seemed to vent a little, suddenly became relaxed, and his whole body was transparent.

But at the same time, he also felt the pressure.

He picked up the mysterious rust sword, his eyes flickering.

At the last moment, the mysterious rust sword exploded and slashed Feng Shaoyu's Wudi's will. He did not expect that Feng Shaoyu's Wudi's will could be passed on in this ancient Yu realm. Come.

"Three hundred years have passed, Feng Shaoyu's strength has been raised to this level."

Qin Chen felt a heavy pressure.

But soon, Qin Chen smiled again. What if Feng Shaoyu is stronger? Just like just now, even though he has gone through dangers, in the end, he didn't kill Feng Shaoyu's Wudi will, even if he used the mysterious rust sword power that he could not control, but he finally

After all, Feng Shaoyu was wiped out.

It's just the evil power in this mysterious rust sword, I don't know what it is? He was almost in danger just now.

Qin Chen also knew that the mysterious rust sword was extremely dangerous, but in the situation just now, he had no other way but to force the mysterious rust sword.

If it weren't for the mysterious formulas that he had obtained in the Demon Sword Tower, it would not be easy to suppress the mysterious Rust Sword, and things would become extremely serious at that time.

But now, Feng Yulei was finally killed, and if Feng Shaoyu knew that the person who killed Feng Yulei was from the Misty Palace, what would he look like?

He smiled slightly and began to heal.

When You Qianxue saw that Qin Chen was okay, they all breathed a sigh of relief. After closing the entrance to the ruins, they began to heal their injuries.

There was too much movement here just now, and if it attracts others, they might be in danger.

At the moment in the remote Wuyu Triple Heaven.

This is a majestic and boundless city, exactly the imperial city of Xuanyuan Empire, known as the first empire of the mainland.

The imperial city is vast, covering a vast area, lingering in immortality, and imposing imperial spirit.

In a palace in the depths of the imperial city, this handsome man sitting cross-legged, his eyes closed tightly, and his breathing, countless heavens and earth's true qi rises and falls, and the void trembles faintly.

He was just sitting here, like the only core of the world, and everything in the world lost its brilliance in front of him.

Hum!

At this moment, he suddenly opened his eyes and boomed, two divine rainbows violently cut out from his eyes, and the sky was suddenly torn open a gap, and there was an amazing effort in those eyes.

Boom!

Over the imperial city of the Xuanyuan Empire, there was a sudden thunder that exploded, and the sky and the earth changed color, as if the end was coming.

The emperor was angry, and the earth broke apart.

This person is the founding emperor of the Xuanyuan Empire, Emperor Xuanyuan-Feng Shaoyu!

His face was full of evil spirits, and the astonishing breath dissipated from him, and there were dark cracks in the surrounding void, which was shocking.

"Who is it, who is it that killed my son?"

Feng Shaoyu roared in his heart.

Feng Yulei is just one of his many sons. To be honest, he doesn't care about one heir, but what he cares about is the frenzy of the other party. He dared to attack Feng Shaoyu's heir. This is provoking his authority.

"Is it really Shangguan Xier?"

"Impossible, how could Shangguan Xier act on my heirs, but one of them is clearly a member of the alien race, besides Shangguan Xier, who else can it be?"

The anger in Feng Shaoyu's heart was like a volcano accumulating, about to erupt.

"Come here." He shouted angrily. Suddenly someone walked in, saluted respectfully and tremblingly, "Great Emperor, what's your order?"

## [Chapter 1498: Subordinate](#)

"Summon Emperor Wushang Wu to me."

Wushang Wudi was a powerful Wudi of the Xuanyuan Empire, and Feng Shaoyu's right-hand man.

Not long after, a middle-aged man wearing a black robe with a gloomy look and a sharp eye in his brow walked in.

The blood qi in this person's body is like an ocean, which makes people afraid to look at him.

"The Great!"

He knelt on one knee, respectfully.

As soon as he entered, he felt a turbulent aura flowing in the hall, and the faint anger, like a volcano before the eruption, made him tight and faintly frightened.

Having known the emperor for so many years, it was the first time he saw the emperor with such a look, and his anger was not suppressed.

"Try it, can you contact the Golden Martial Emperor?" Feng Shaoyu said coldly.

"Golden Martial Emperor?"

Wushang Wudi was taken aback, the golden body Wuhuang was a martial emperor under his command, and was very much loved, but didn't the opponent have led the Xuanyuan Empire's team to Guyu Realm? Why did the emperor suddenly ask him?

Although he was puzzled in his heart, he did not dare to neglect, and tried to contact the Golden Body Martial Emperor for the first time.

call!

Invisible power swept out, trying to connect the will of Emperor Wu he left on the body of the Golden Martial Emperor, but there was a power that blocked his will, which was the barrier of Guyu Realm.

With his strength, he couldn't break through the barrier of Guyu Realm.

"The emperor, the subordinates can't contact the golden body!" Wushang Wudi said, the voice fell, and the atmosphere on the court suddenly became a little cold, scared he hurriedly lowered his head.

"That's the case. You immediately took someone to Guyu Realm. Feng Yulei died in Guyu Realm. It was a boy who killed him, and this person is related to Misty Palace. You must investigate the cause of Feng Yulei's death and find murderer!"

Click!

The star iron floor tiles at Feng Shaoyu's feet cracked and turned into dust.

Emperor Fenglei is dead? Emperor Wushang finally understood why Emperor Xuanyuan was so angry. The son of the Emperor was killed in the Guyu Realm. Is this... is it going to change the sky? Who is so daring to do something to the son of the emperor, is it like the emperor said, it is a misty palace?

People?

"Subordinates take orders!"

Emperor Wushang Wu took the order and quickly assembled the manpower.

Soon, many people were summoned, and the movement was shocking, which caused a lot of attention.

Emperor Wushang Wushang of the Xuanyuan Empire was gathering people and seemed to have action.

When the news broke, the entire Xuanyuan Empire was shaken, and even from the news, the Xuanyuan Empire spread out in a very short period of time, expanding to the surrounding area.

Although Emperor Wushang Wu's strength is not the top in the Xuanyuan Empire, its status is extremely special and very important. It is rumored to be the right arm of Emperor Xuanyuan, and an indicator of his intentions.

Many important actions of the Xuanyuan Empire were generally carried out by Emperor Wushang Wu.

Therefore, his every move will attract attention from the outside world, attracting a lot of speculation.

But now, Emperor Wushang Wu was summoning personnel, which immediately triggered speculation from the outside world, and the major forces were paying attention, and they didn't understand what actions the Xuanyuan Empire was preparing to do.

After half a day, Wushang Wudi's team finally set off.

The goal seems to be...Guyu Realm!

"What? Emperor Wushang Wushang of the Xuanyuan Empire took many masters to Guyu Realm?"

"What happened? Could something big happen in Guyu Realm?"

"I heard a piece of news that a major change seems to have taken place in the ancient Yu world, and the birth of a strange treasure can determine the fate of the mainland."

"What nonsense, I really heard that there was a great turmoil in the ancient Yu world, and the major forces merged and blood was flowing."

"No? Why did I hear that Emperor Fengyulei of the Xuanyuan Empire was beheaded in Guyu Realm, and Emperor Xuanyuan was furious and was about to bloodbath Guyu Realm?"

One stone caused a thousand waves!

All kinds of news came out, true and false, and the outside world could not be calm all at once, causing huge waves.

In particular, someone followed the whereabouts of Emperor Wushang Wushang all the way, and found that he was really heading to the ancient Yu world, and was angry and murderous.

At this time, the major forces could not calm down, and they called the strong to discuss.

Although I don't know what happened in the ancient Yu world, Wushang Wudi is the core Wudi of the Xuanyuan Empire. Every time I travel, something big will happen, which makes people have to be vigilant.

So secretly, the major forces sent high-level officials one after another to go outside the ancient Yu boundary.

Among the ruins, Qin Chen naturally did not know all this, but continued to heal his injuries.

Only half a month later did Qin Chen's injuries completely healed. The main reason was that his soul was too severely injured. As for the physical injury, it didn't matter.

call!

He exhaled and stood up.

Weak, still too weak. Qin Chen shook his head. Although he didn't feel much at the beginning, but now that he came back to his senses, he still has some lingering fears. Although he has entered the realm of Emperor Martial Emperor, he is still only the peak cultivation base of Emperor Martial Emperor. Still have

Some deficiencies.

It seems that a breakthrough must be made, otherwise, the next time I encounter this kind of thing, then I will be in danger.

After killing Feng Yulei, Qin Chen's heart was extremely cheerful, and the cultivation base that had reached the initial peak was actually a little loose.

"Little dust, are you all right?"

Seeing Qin Chen stop to heal his injuries, You Qianxue walked over with joy.

"I'm fine, how are you?" Qin Chen asked concerned.

"We are all right," You Qianxue said with a smile.

"Qin Chen, thank you for your previous help. If it weren't for you, we would have been in danger before."

Ji Ruyue stepped up and said.

Although the expression on her face was very calm, she still had some palpitations in her heart, especially when she thought that she almost fell into the hands of wind, rain and thunder, there was a faint fear in her heart.

She knew the virtues of people like Feng Yulei, and her fate would definitely be very miserable.

"You don't have to be polite, I'll do whatever I want to save you." Qin Chen said casually. It's true. His most important purpose is to kill wind, rain and thunder. As for saving Ji Ruyue and Chen Sisi, he did it casually. Of course, it can't be said that it's completely easy, because even if it's the other thing that is wrong to them Warrior, know

Qin Chen, who said they were dangerous, would also save them.

But compared to killing Feng Yu Lei, rescuing the two of them was really easy.

Ji Ruyue was so angry that the roots of her teeth were itchy, so she just left? What do you think of them? She was immediately upset in her heart. She thought that Qin Chen was here to rescue her, and she felt a little happy for some reason. Now that Qin Chen did it casually, she suddenly said: "Hmph, when it was passed down in Demon Sword, I just owe you a life, and now I owe you another life. Don't worry, I will pay you back these two lives. You should consider how you will deal with the anger of the Xuanyuan Empire now."

#### [Chapter 1499: Promise](#)

Speaking of this, the atmosphere on the court immediately became heavy.

Once Feng Yulei died, Xuanyuan Empire would never give up. Once the news leaks, all of them will be in danger.

"Humph, it was the hand that Wind, Rain and Lei used first, so why did Xuanyuan Empire do it to us?" You Qianxue snorted coldly. Ji Ruyue shook her head: "You don't understand the hegemony of the Xuanyuan Empire. On the mainland, apart from Misty Palace, this Xuanyuan Empire is the most domineering. It's okay that you and I come from the Hall of Law Enforcement, but Qin Chen is just a disciple of the Dan Pavilion. And still a slave

The disciples selected from the lower four domains to the Dan Pavilion..."

Speaking of this, Ji Ruyue sighed slightly. Although she didn't say it directly, she meant very clearly, that is, Qin Chen's status in the Dan Pavilion is too low. If it is the son of a major force in the Martial Domain Dan Pavilion, or if he can rely on the background of the Dan Pavilion to deal with it, But Qin Chen is only a member of the four domains

Disciple, once things go wrong, it is very likely that Dan Ge Sheche will take charge of him.

Thinking of this, Ji Ruyue's expression on Qin Chen's expression eased a lot. Although this guy was hateful and didn't speak well, but no matter what, Qin Chen took too much risk in order to save her by killing the emperor of the Xuanyuan Empire. Big.

She put herself in the situation and thought, if people from other forces encountered such a thing, I am afraid they would not dare to attack the people of Xuanyuan Empire. After all, not everyone has the courage to do it against Feng Shaoyu.

"Qin Chen, thank you." Chen Sisi also said, her tone was low. After Feng Yulei died, she wanted to save the elder Phantom, but the elder Phantom failed in the end. Now the entire Magic Sect except her, the rest All of them have fallen, their hearts are lost

One can imagine.

But she also knew that Qin Chen was facing the greatest pressure.

"As long as you don't tell the matter, you'll be fine. Who will know that I killed Feng Yulei." Qin Chen said disapprovingly. "Qin Chen, don't be careless. Didn't you see that Emperor Xuanyuan's Wudi's will came?"

When Emperor Xuanyuan's Wudi's will sees you, he will inevitably get some information. Find you among geniuses

, It is not difficult. "Ji Ruyue said solemnly.

She is the person who knows the terrible Emperor Xuanyuan the most, and that is the terrifying giant that their Ji family ancestors mentioned to be extremely jealous, the top powerhouse in the entire martial arts, no one can ignore him.

"Okay, okay, I know it all, as long as you don't tell the matter, you don't have to worry about the others." Qin Chen didn't want to continue talking about this topic, and turned to the space pool in the ruins.

Ji Ruyue was so angry that her lungs were about to explode. This Qin Chen treated her kindness as donkey liver and lungs, which was too damning.

Whoosh!

She came to Qin Chen, stopped Qin Chen, and said solemnly: "Qin Chen, listen to me...I'm not kidding..."

"You care about me so much, it's not because Ben Shao saved you just now, are you in love with me?" Qin Chen asked in surprise.

"Love you big-headed ghost."

Ji Ruyue was so angry that she couldn't wait to slap Qin Chen in half, and immediately stood aside without speaking.

There is nothing to say with this person.

"Little dust, Ruyue is also for your good." You Qianxue stepped up and said, her expression also a little worried and nervous.

Emperor Xuanyuan, that was the existence that made one's heart palpitating just to mention the name. "Since things have been done, what can we do? The only thing we can do now is to improve our own strength. Only when our own strength is strong is the most important thing. As for other things, we can only take one step at a time." Qin Chen said with a smile

Tao.

It's not that he doesn't know the seriousness of the matter, but he knows that the matter has reached this point, and he can't save it no matter what he thinks. What's more, he cannot kill the wind, rain and thunder. Instead of thinking too much now, it is better to improve his strength as soon as possible.

When urging the universe to make the jade disc before, something seemed to be summoning from the depths of the alien demon continent, but Qin Chen was extremely interested in it.

"Qin Chen, don't worry, this happened because of me, and I won't let you take it alone." Chen Sisi went up and said, the charm disappeared, but the voice was soft and soft.

"Of course, do you want Chen Shao to bear it alone? Xiao Chen killed Feng Yu Lei in order to save you. If you want me to say, even if you promise each other, you can't repay Shao Chen." You Qianxue Snorted.

I have to say that Chen Sisi's figure is very moving, her figure is close to perfect, but it is completely different from Ji Ruyue and You Qianxue.

The quiet and lonely snow is cold and arrogant, like a white lotus, leaving the silt without staining, high above it, like an empty valley or an orchid, like a snow-capped white lotus, very pure.

And Ji Ruyue is noble, even a figure from behind will make people admire, and she can't wait to kneel on the ground and lick her toes.

But Chen Sisi was different from the two, she gave people a very enchanting feeling. Chen Sisi's face suddenly blushed. Although she was born with a charming body, it was only a physique, but she was not coquettish. Although it looked a little turbulent on the surface, it was only because of the practice of the magic magic sect. In fact, Inner but

Very conservative.

It's just that her conservative and charming attitude, when combined, makes people have a stronger desire to possess.

This is also the reason why You Qianxue, Ji Ruyue, Murong Bingyun and others are so beautiful and amazing, but Chen Sisi is the only one who makes the wind, rain and thunder never forget.

She is a stunner, enough to attract the eyes of any man. "Why, don't you want to? Do you know how much trouble Young Chen has caused for you? If it weren't for Xiao Chen, you can still stand here safely? I am afraid that you would have been ravaged to death by that wind, rain and thunder. Having said that, with less dust as a person,

Could it be wronged you. "

You Qianxue was aggressive and humane. She had made up her mind a long time ago that she must take Chen Sisi for Qin Chen's capture. If she can soak, she will soak, and if she can't soak, she will force her. How can she not let this natural charm fall into the hands of others.

As for whether Chen Sisi was willing or not, and what he thought, You Qianxue didn't care at all.

puff!

On the side, Ji Ruyue almost vomited blood. Isn't You Qianxue Qin Chen's woman? Why did you pick up girls for Qin Chen?

This... is too sturdy! At the same time, she was a little uncomfortable in her heart. To talk about the relationship, it seems that she and You Qianxue are better, but You Qianxue actually soaked Chen Sisi for Qin Chen instead of her, can this good sister continue to do it?

#### [Chapter 1500: Three women in a play](#)

"Qianxue, you laughed, Qin Chen is your man, how dare Sisi steal it!" Chen Sisi smiled sweetly, thinking You Qianxue was joking, for fear that she would seduce Qin Chen, so she deliberately emphasized.

"Sister!" You Qianxue said unhappily, "Who else is joking with you."

Chen Sisi couldn't help being embarrassed, smiling a little awkwardly, and said: "Sister Qianxue, don't worry, I never meant to grab Qin Chen with you."

She glanced at Qin Chen. If Qin Chen in the past only made her a little curious, then Qin Chen now makes her in awe. This is a man who has saved her.

If it weren't for Qin Chen's shot at the critical moment, she would not dare to imagine what her fate would be like. She admired and admired such a man.

"Didn't you hear it, sister?" You Qianxue said displeased.

"Sister...Sister..."

You Qianxue's aura was so strong that Chen Sisi couldn't help but cried out, but when her sister called out, she shut up quickly, what's wrong with herself?

You Qianxue nodded and said, "Since you have called your sister, you will be from the Qin family in the future. If you are shown to seduce other men, don't blame me as a sister for exercising family law."

Hey hey hey, are you too self-talking?

Chen Sisi hurriedly waved his hand and said, "Miss Qianxue..."

"Sister!" You Qianxue corrected.

Chen Sisi couldn't help being speechless, but immediately suspicious, because she observed for a long time and found that You Qianxue did not seem to be joking.

This is my life, how can I make it so easily.

What's more, let Master know that she will definitely break her leg. Seeing Chen Sisi's unrestrained appearance, You Qianxue suddenly snorted and said: "Do you want you to marry Chen Shao, just wrong you? Although you are the saint of the Illusory Demon Sect, if Shao Chen is willing to accept you, it was you who cultivated in a few lifetimes

Blessing. "

Chen Sisi was startled.

This is really, in terms of talent, Feng Yu Lei can be regarded as the top of the martial arts, right? He is the emperor of the Xuanyuan Empire, the top imperial prince of the mainland, his status is noble, and his talent is unparalleled.

Chen Sisi had also fought Feng Yulei before and knew how terrible the other party was.

But just now, it was defeated by Qin Chen, and even the Emperor Xuanyuan's will of the Emperor Xuanyuan was obliterated by Qin Chen.

How terrible is this talent?

She couldn't help but think of what happened in the Demon Sword Inheritance. At that time, many seed disciples of the Demon Sword Sect rushed through the Demon Sword Inheritance with her, but Qin Chen amazingly activated the Supreme Sword Dao and became the most dazzling figure at the time.

At that time, Chen Sisi began to pay attention to Qin Chen and cared about him.

It was only afterwards that she was brought into the Martial Domain by the Illusory Demon Sect, and she gradually forgot about the Northern Heaven Domain. After seeing the vastness of the Martial Domain, she understood that the Tianjiao who had been in the Northern Heaven Domain was even the lowest level in the Martial Domain. Not on.

But Qin Chen broke her usual concept.

Make her beautiful eyes shine.

The so-called beauty loves heroes, in the martial arts, everyone worships the strong, and no one is exception.

Of course, Chen Sisi also worships the strong.

To be honest, if you want to win her heart, you must at least defeat her in a battle of the same level. At the same time, you will not only appreciate her beauty, but the person who appreciates her, but he wants to do this, too. It's too hard.

She herself is a figure of Tianjiao, and she is also a natural charming body, and has been vigorously cultivated by Illusory Demon Sect. Ling Yi and his ilk, as well as some powerful figures of Tianjiao, can only bow down in front of her.

In addition, Phantom Demon Sect has always used words to solve things without fists, so she rarely has the opportunity to shoot.

Qin Chen was definitely better than her in the first battle of the same rank, and it was not even a star, which naturally caused ripples in her heart.

What's more, Qin Chen was the only man who was not attracted by her beauty among all the men she met.

In addition, Qin Chen rescued her earlier, which naturally made Chen Sisi's heart dark.

If she used to only admire Qin Chen, now she has a trace of love.

She looked at Qin Chen, her eyes flickering, with anticipation, as if waiting for Qin Chen's admission.

Qin Chen laughed and said, "Keep talking, I'm going to see the space pool."

After that, I ran away dingy.

Damn, You Qianxue is too sturdy, so she directly found a woman for her. This... unacceptable!

But he didn't know what to say, so he could only laugh and change the subject quickly.

A trace of loss suddenly flashed in Chen Sisi's eyes.

She doesn't know why she feels this way, shouldn't she be happy? It's just that Qin Chen's ignorance left her empty and extremely uncomfortable.

"Little dust, take a stand, Sisi is a natural charmer, so she can't make others cheaper."

You Qianxue said hurriedly, and she did not cover it up, but said it very loudly, enough for Chen Sisi and Ji Ruyue to hear clearly.

Chen Sisi almost staggered and fell to the ground, her pretty face twitching slightly, she didn't know what to say.

Ji Ruyue was also dumbfounded.

Just now Qian Xue desperately pushed the Saintess of Illusory Demon Sect to Qin Chen, which was the reason?

She suddenly felt strange, as if she had met You Qianxue for the first time.

He even couldn't help saying: "Qianxue, I'm also a prostitute of the Ji family anyway, marrying me, can get the support of the whole Ji family, it seems that it is not worse than her natural charm, right?"

As soon as the words fell, Ji Ruyue's face blushed, how could she say such a thing? Is this... still yourself?

But she was inexplicably expecting, and secretly raised her head, as if she wanted to see the reaction of Qin Chen and You Qianxue.

"Ru Yue, you are a good friend of mine. If Shao Chen likes you, it is not impossible." You Qianxue pondered for a moment before actually replied seriously.

Qin Chen fainted, cold sweat came out of his forehead.

This answer made him overwhelmed.

"Okay, Qianxue, stop talking nonsense." Qin Chen scolded, then Chong Ji Ruyue and Chen Sisi laughed dryly, and took You Qianxue and left.

It is said that there are three women in one drama, which...really true.

He regretted that he had transferred the Ancient Cangwu Emperor and the Skull Rudder Master away, leaving only their three women and one man.

Ji Ruyue's eyes were stern, angry, and stomped with anger. What does this mean, do you look down on herself?

"Rogue!" Chen Sisi couldn't help but sipped.

Is my trouble?

Qin Chen only felt wronged, he had no idea at all, why did he become a hooligan instead?

He didn't argue, and hurried to the space pool.

On the space pool, there was a faint space mist, but this layer of space mist had no harm to man-made, except for the hazy feeling, so Qin Chen did not remove it.

Under the mist, there is the milky white space pool water, rippling slightly, exuding amazing spatial power.

Qin Chen just approached, the power of Dao Ze in the body was a little excited, as if he had seen something tonic.

"Yes, it is indeed a space pool!"

Qin Chen was pleasantly surprised, and then jumped in without any hesitation. The warm pool water poured in, and Qin Chen felt completely comfortable and almost yelled.
