[Chapter 1591: Horrified Lu Haoran](#)

"Hongyan Emperor Wu, my Xuanyuan Empire and your Misty Palace are not at odds."

The golden body Wuhuang roared, full of golden light soaring into the sky, like a golden **** of war.
puff!

He retracted the golden talisman paper, stopped the fight with the black-clothed leader, and rushed towards the red face Wuhuang like crazy.

The red face Wuhuang was still in a daze, and he didn't understand what the Skeleton Rudder Master meant when he said these words to her. When he saw the golden-body Wuhuang rushing towards her, he didn't dare to be careless.

boom!

The golden body Wuhuang and the red face Wuhuang instantly fought together, the true essence was boiling, and the energy was overwhelming. In the grotto, Gulas is killing all quarters at this moment. Without the golden martial emperor, other nine-day martial emperors such as Long Zhentian can't pose a threat to it at all. He can only hear the screams of many forces. Emperor Wu fell one after another, and

, After Yu Haowen, two other top forces of Nine Heavens Wudi were beheaded by Gulas, blood flew across, and was sucked into the forbidden formations around the grotto.

On the other side, Mokara and Skeleton Rudder also appeared next to Lu Haoran in a devilish manner, stopped at the exit of the passage, and stared at Qin Chen and his party coldly.

In addition, the many alien demons under the command of the black-clothed leader have also stopped the powerhouses of the major forces, and they are all incomparable.

The black-clothed leader completely let go of his heart, there are Mokara, Gulas and its subordinates, it no longer needs to make a move, all it has to do is to activate the forbidden formation and open the seal as soon as possible.

"The essence and blood of Emperor Wutian of Nine Heavens is indeed rich, but it is still two. When two more human Emperor Wu die, he needs the breath of devil..." The black-clothed leader flashed his eyes and quickly waved the flag in his hand. The formation continued to revolve, and the permeating aura permeated, and the screaming sound rang out. The spar island located in the center of the molten lake was constantly shattering, the ruled sacred tree,

They all started to tilt.

An even more heart-pounding horror aura rushed out from under the spar island, and everyone seemed to be stared at by death, with their cold hair standing up, causing countless goose bumps.

"Hahaha, just with you, I want to rush out, stay and wait for death!" Lu Haoran stood beside Mokara and Skeleton Rudder Master, grinning grinningly.

"Qin Chen, what shall we do now?"

Both Situ Zhen and Yue Chaolun, along with the disciples of the two major forces, stopped one after another, their scalps were erected in an instant, and they looked at Qin Chen in horror.

They had seen the horror of Gulas with their own eyes, and in just a moment, they killed Yu Haowen of Gui Yuanzong. The strength was far above them.

And now of the two alien demons they are facing, there seems to be a person who is on the same level as Gulas. Can such a strong person be blocked by a few of them?

It is true that they followed Qin Chen too fast. At present, only the two of them and Qin Chen came to the entrance of the passage. Together, they were only three nine-day martial emperor level combat power. How could it be that? The opponent of the ancient powerhouse of alien demon race?

"Hmph, it's just three alien demons, these guys, I'll stop them, you guys go quickly."

Qin Chen's expression remained unchanged, and he snorted coldly, facing Mokara and other top foreign demons, he didn't retreat but instead rushed up alone.

"Qin Chen!"

"Come back soon!"

"What are you doing?"

"Hurry back!"

Yue Chaolun and Situ really spoke in horror, Ouyang Nana and Jia Yiyi also exclaimed, and the eyes of Ye Mo, Yan Chidao and others were even more rounded.

Qin Chen actually wanted to fight against the powerhouses of these three alien demons with his own power. How was this different from suicide?

If you go up like this, you will definitely die.

"You listen to me, and rush out immediately." But Qin Chen ignored it. After transmitting the sound to Yue Chaolun and Situ Zhen, he blew, his body exploded with monstrous energy, and two groups composed of gas-eating ants and fire-refining insects. The dark clouds, urged by him to come out, turned into a sky, turning him

Fang Tiandi wrapped up.

Yue Chaolun, Situ Zhen and others suddenly lost Qin Chen's perception, and they were only covered by the endless cloud.

On the opposite side, Lu Haoran sneered after seeing this scene.

"Hahaha, just a late Martial Emperor, dare to take the initiative to do it on us?"

It laughed sly, and was overjoyed. It was hurt by Qin Chen before, and it was unwilling to do everything in its heart. Now it was overjoyed to see Qin Chen rushing up by himself.

"Two seniors, please also take action to capture that kid." Lu Haoran respectfully said to Demon Kara.

"no problem."

Mokara grinned, and suddenly stuck out a claw, piercing into Lu Haoran's body for an instant.

Puff! It moves too fast, and Mokara's strength is more than several times stronger than Lu Haoran's. In addition, Lu Haoran never thought Mokara would attack it. When it reacted, it was too late, Mokara.

Claws, straight

Then insert it into its heart, squeezing its heart.

"You!" Lu Haoran looked at Mokara in frustration. He never thought that Mokara would do something to himself. His eyes were full of disbelief and unwillingness. It wanted to get out of its body and regain other people. But Mokara could pinch. While bursting its heart, a burst of

The invisible demon aura has entered its mind, confining its soul, making it impossible for it to get out of its body.

Mokara is an ancient alien monster, and Lu Haoran is just a descendant of alien monsters. There is a huge gap between the two in terms of soul attainments.

In panic, Lu Haoran looked anxiously at Skeleton Rudder Master, his eyes were full of begging, it was begging Skeleton Rudder Master to save himself.

But the Skull Rudder Lord didn't even look at it, but looked at Qin Chen who had turned into two clouds in anger, and roared, "Qin Chen, you dare to kill me from the alien race."

As its voice fell, Qin Chen threw a fist like lightning, and at this moment, Mokara and Skeleton Rudder master quickly backed away, leaving only Lu Haoran being hit firmly by Qin Chen's fist.

"Do not!"

Lu Haoran let out a scream, and then with a bang, his body torn apart, bursting into countless rain of black blood, which was scattered on the ground.

Before dying, it looked at Mokara and Skeleton Rudder in anger, with unwillingness, regret, and disbelief in its eyes.

call!

Then, a terrifying soul swallowing power swept over, absorbing Lu Haoran's soul power in an instant.

It is a parasitic seed.

The parasitic seed throbbed as if it had received a big tonic, and at the same time a pure soul power spread out, making Qin Chen's soul more powerful.

After learning about the collusion between Misty Palace and Alien Demon Race, Qin Chen couldn't care too much. He needed to improve his strength as soon as possible, even if he did not hesitate to borrow the power of Parasitic Seed. At this time, all the talents were attracted by the roar of the Skeleton

Rudder Master, and what they saw happened to be the scene of Qin Chen exploding Lu Haoran with a punch.

[Chapter 1592: The cunning golden figure Wuhuang](#)

"what?"

"This kid?"

"Then Qin Chen actually killed an alien martial emperor?"

"hiss!"

There was an astonishing sound of inhaling air-conditioning on the court, everyone watched this scene in amazement, and their minds couldn't turn around for a while.

And Situ Zhen and Yue Chaolun were also sluggish, and Qin Chen rushed up alone and was enveloped by dark clouds in the sky. Before they could reflect what had happened, a nine-day martial emperor of the alien demons had been beheaded.

This.....

Really hell.

"What are you doing in a daze, don't hurry out."

Qin Chen's stern shout sounded in everyone's ears, and everyone woke up and rushed towards the passage frantically.

"If you want to leave, pass this seat first."

The Skeleton Rudder master roared, holding a wind thunder sword, and rushed over like lightning.

"Little ants, little fire, stop it!"

Qin Chen waved his hand, and the cloud of clouds immediately enveloped the Skeleton Rudder Master.

"What the **** is this?"

The master of skeleton rudder roared in horror, the wind and thunder sword in his hand kept smashing down, smashing, and countless lightning rays spread, but the gas-eater ants and fire-refining insects who had experienced the catastrophe were not afraid, and they wrapped the skeleton rudder in an instant the Lord.

"Damn it! This is the ancient insects, where did so many ancient insects come from!"

The Skeleton Rudder master roared again and again, and there were countless thunder lights and devilish energy swept through, but they couldn't hurt the gas-eater ants and fire-refining insects.

Situ Zhen, Yue Chaolun and others seized the opportunity and rushed towards the exit frantically.

"Leave me."

Mokara roared and rushed towards it, but just as it moved and buzzed, a mountain-like shadow appeared in the sky. It was Fan Tianyin, which instantly smashed on it.

"Boom!"

The Mokara that Fan Tianyin smashed back again and again, it was furious, and blasted Fan Tianyin away with a punch, but before it was blocked again, Qin Chen appeared in front of it and blasted it with a punch.

"Human brat, I want you to die."

Mokara roared with incomparable anger, as if being irritated by Qin Chen, the pitch-black claws blasted Qin Chen with a monstrous devilish energy.

puff!

Qin Chen was like a kite with a broken line, and was blown out in an instant, spouting a mouthful of blood.

"Qin Chen!"

Situ Zhen and others turned anxiously.

"Go, go!"

Qin Chen roared, his mouth full of blood, and he was already wrapped in Mokara again, and roared: "Don't leave yet, do you want my sacrifice to be wasted?"

"I....."

Situ Zhen, Yue Chaolun and the others looked at Qin Chen in a daze, tears falling from the corners of their eyes.

"go!"

Then, they turned their heads and their eyes became extremely decisive. If they were just one person, they would definitely stay with Qin Chen in a **** battle, even if it turned out to be dead. But now, they represent the Dan Pavilion and the Holy Land of Bloodline, and they are the leaders of the two teams. They must ensure the safety of their disciples, and they also shoulder the heavy responsibility of uncovering the truth, so they can only survive. Must also

Got to survive.

"Qin Chen, you must live."

Situzhen and Yue Chaolun were in grief, but Ouyang Nana and Jiayiyi looked at Qin Chen in shock, tears rolling down, and under the leadership of Situzhen and Yue Chaolun, people from the two major forces rushed in. In the passage, disappeared in the grotto.

"not good!"

Seeing this scene, Emperor Wu Yan was full of horror.

She couldn't think of the fact that the strong men of the ancient alien demon races like Mokara and Skeleton Rudder could have allowed the people of Dan Pavilion and the Holy Land of Blood to escape. Are these two alien demons idiots?

"They must be stopped."

boom!

The red face Wuhuang instantly broke away from the battle with the golden body Wuhuang, and rushed to the entrance of the passage crazily in an instant.

"Hongyan Emperor Wu, you kill my Emperor Fenglei of the Xuanyuan Empire, where do you go."

The Golden Martial Emperor was furious, like crazy. He shaved his head and burned golden light all over his body. Runes lingered on him, rushing towards the red-faced Martial Emperor frantically, as if he would not give up without killing the red-faced Martial Emperor. The red face Wuhuang was extremely furious. The most important thing she did now was to stop Situ Zhen and the others, but the golden martial emperor haunted her, she tried her best to ask, but she couldn't get rid of it, after all, the golden martial emperor is at the same level as her,

Especially his golden talisman paper, even the red face Wuhuang was very jealous and did not dare to treat it lightly.

While the two were fighting, they quickly approached the passage.

The red face Wuhuang was entangled by the golden body Wuhuang, and couldn't take it off at all.

"No, if you continue like this, people who can't catch up with Dan Pavilion and Bloodline Holy Land at all, must kill this golden martial emperor first." Hongyan Wuhuang's heart is cold, and he is extremely anxious. This ancient Yu world is extremely complicated. Yujie has been closed for only two or three months. Once Situ Zhen and the others escape from this ruined palace, in the vast ancient Yujie, they want to find them again.

For everyone, it is almost an impossible task.

Therefore, she must stop Situ Zhen and the others before they leave the ruins palace.

The top priority is to solve the Golden Body Wuhuang first.

Thinking of this, Hongyan Wuhuang's figure stopped abruptly, puff, she directly spouted a sip of blood, in the eyes of her eyes, an endless radiance, an invisible force, diffused from the exquisite ball of seven orifices.

"Golden Martial Emperor, since you want to die, then I will fulfill you."

Hongyan Wuhuang burst into an astonishing aura in an instant, and the whole figure seemed to be a different person, with red hair and an instant whiteness.

This is the forbidden technique of the Misty Palace, once it is used, it will cause huge damage to the warrior, and even burn the life of the warrior.

But at this time, Emperor Wu Yan couldn't manage that much.

She must kill the Golden Martial Emperor first.

boom!

In an instant, the aura on the Qiqiao Linglong ball was strong, and a mighty force swept out.

In the imagination of Emperor Wu Yan, the Emperor Wu Huang wanted to kill himself, but now, if he stops and fights with him, the Emperor Wu Huang will definitely fight her. But what made the beauty Wu Huang never expected was that when she started to use the forbidden technique, the golden body Wu Huang, who was originally crazy and would never give up without killing her, seemed to calm down for an instant. , He turned into a golden light, the whole person

Like lightning, he rushed towards the exit of the passage.

what?

The red face Wuhuang was so shocked that his clothes were about to fall off. Wasn't this golden Wuhuang going to die with her?

Why did you run away suddenly?

The next moment, the red face Wuhuang woke up in an instant. The madness and desperation of the golden figure Wuhuang at the beginning were all pretends, and his real purpose was to escape here. He never killed himself. This guy is too despicable. Up.

"dead!"

The red face Wuhuang was furious, and a terrifying force burst out of the Qiqiao Linglong ball instantly, shooting at the golden body Wuhuang.

As soon as that power appeared, the void was torn apart, making people feel extremely palpitations. This is the terrifying power of Misty Palace's most precious Qiqiao Linglong Ball.

[Chapter 1593: Play chess pieces](#)

"Block me."

Feeling the terrifying power coming from behind, the Golden Martial Emperor shouted angrily. He knew that he had reached the moment of life and death, either to live or die.

Om, an unprecedented terrifying force burst out from the golden talisman paper, violently slashing out towards the rear, and at the same time, a terrible breath revived in his body, and a vast phantom rushed out of his body.

It is the divine mind clone of Emperor Wushang Wu.

boom!

At this time, the aura of the Linglong Ball of Seven Orifices had already descended, and that terrifying power rushed onto the golden rune paper. The original golden rune paper dimmed for an instant and was knocked out.

Immediately afterwards, Emperor Wushang Wu's divine mind clone was also crushed by the terrifying power of the Qiqiao Linglong Ball, but after blocking it, that power was weakened by nine out of ten, leaving only the last strand, which hit the golden body martial arts. On the emperor.

puff!

A mouthful of blood spurted out, and the golden-body Martial Emperor's face was pale and terrifying, but his figure kept rushing into the passage without stopping.

"Beauty Emperor Wu, let me spare your life today, but my Xuanyuan Empire will never let go of your misty palace. The enemy of the emperor will be paid with blood."

A stern roar came from the passage, and the Golden Martial Emperor had already taken this opportunity to escape without a trace, even his golden rune paper was not needed.

"Damn it."

puff!

Hongyan Wuhuang spouted a mouthful of blood, his face was pale, one was backlash, the other was angry.

She had always thought that the Golden Body Martial Emperor madly chased her and killed her in order to avenge Emperor Fenglei's son, but now she came back to her senses. In fact, from the beginning, the other party didn't want to kill her for revenge, but looked around. Just a chance to escape.

It's a pity that he was fooled.

Now, not only the people from Pill Pavilion and Bloodline Holy Land have left, but even the Golden Martial Emperor has fled, and it is almost impossible to stop them.

"It's over!"

Hongyan Wuhuang's heart sank, and his heart was completely desperate.

She didn't understand why the Lady Empress would unite with this alien demons and throw the Misty Palace into a state where it would never be restored, but she didn't understand Gui or not, so she would still resolutely execute Lady Empress's orders.

"What, the Golden Martial Emperor escaped?"

"This is too cunning."

"Despicable."

"It's over, the Golden Martial Emperor is gone, what shall we do?"

Seeing the scene here, all the rest were shocked, and then one by one was shocked and horrified.

Before, they were able to resist for so long, to a large extent, because of the Golden Body Martial Emperor's shots, but now, once the Golden Body Martial Emperor is gone, their combat power is greatly reduced, and then none of them can escape.

"No, you must rush out."

At this moment, Elder Fei and the others were all horrified, especially after seeing the Golden Martial Emperor leaving alone, he ignored the disciples under his command and rushed towards the passage frantically.

boom!

Many Wudi strong men left together, and the momentum was so great that even if it was as strong as Gulas, it was difficult to completely stop it for a while.

At this time, no one noticed that the golden talisman paper of the Golden Martial Emperor happened to land not far from Qin Chen after being shaken out.

"Come!"

As soon as Qin Chen raised his hand, the golden talisman fell into his hand instantly, and Mokara not far away seemed to have not seen it.

This is natural. Don't look at Mokara's previous fight with Qin Chen. In fact, this is just the acting of the two.

"This talisman is indeed an ancient thing, but this breath is too terrifying." Qin Chen was taken aback when he started with the talisman. Under the impetus of the golden martial emperor, the entire talisman had been With the terrible golden light, Qin Chen had no chance to see clearly. Now that he has fallen into his hands, it is clear that this talisman paper has

How terrible.

There are countless complex runes engraved on it, and each rune contains the atmosphere of a great way, and it is extremely mysterious. Even with Qin Chen's rune attainments, it is difficult to see its mystery for a while.

"This talisman paper is definitely not simple, at least it is also the pinnacle of the Ninth Stage."

Qin Chen took a breath.

The talisman paper that can make him feel this way is extremely rare in the world, at least with the strength of the tool hall, it is absolutely impossible to create, only ancient things can be so terrible.

He subconsciously urged his spiritual power to penetrate into this talisman paper.

boom!

I saw the talisman paper as if it contained a golden scorching sun, even Qin Chen's mental power could not get close, and was quickly melted away, and near that scorching sun, there was still some true vitality aura of the golden body martial emperor.

"This golden martial emperor is really a violent thing."

Qin Chen was speechless. This talisman paper should not be a weapon, but rather a kind of inherited object. Of course, Qin Chen didn't know what it was, but the talisman paper used to record inherited things was very precious.

But the Golden Martial Emperor is not a bloodline master, nor a pharmacist. He doesn't know anything about runes, so he just uses the simplest true essence sacrifice to refine this rune paper sacrifice into one of his true treasures.

This is simply the tortoise chewing barley and spoiling things.

It's like, a civilian has got a handful of magical weapons, but he doesn't know that the magical weapons are very sharp. They just use the hilt to knock people. Isn't this a complete waste?

Of course, now Qin Chen didn't have time to figure out what the golden talisman paper was, and quickly wiped off a drop of essence blood and true vitality aura left by the Golden Martial Emperor, and put it away for the first time.

In the palace of the ruins, the Golden-Body Emperor Wu Cang flew in panic, and suddenly found himself and the golden rune paper completely lost, and he couldn't help but vomit a mouthful of blood.

"Damn, the imprint that the emperor left on the talisman has been erased, the red face Emperor Wu, the emperor and you are not at odds!"

He roared and roared, but his body shape kept on, but he was faster.

boom!

Essence and blood burned, and the Golden Martial Emperor left without looking back, desperately.

Treasures are nothing but things outside of the body. If they are lost, they can still be found. There is only one fate, which is lighter and heavier. Putting away the golden talisman paper, Qin Chen was also a little speechless about the escape of the Golden Body Martial Emperor. To be honest, he would not be pleasing to any warrior of the Xuanyuan Empire, but I have to say that the Golden Body Martial Emperor is a hero, here. In this case, it can actually quickly

Analyzing the situation and finding a chance to escape is definitely not something ordinary people can do.

"Never mind, this golden martial emperor's escape will also help my plan. I want to know how Feng Shaoyu will react when he learns that his son was beheaded by someone from the Misty Palace. "Qin Chen sneered at the corner of his mouth.

The Emperor Wu of the Golden Body didn't know that he had become a chess piece of Qin Chen, and this chess piece would play a vital role in Qin Chen's layout of the Xuanyuan Empire and Misty Palace. At the moment, the battle has reached a very important critical moment. Under the desperate action of Fei Lao and others, puff, and immediately two alien demon martial emperors fell, but at the same time, there were two among the major forces. Emperor Wu fell.

[Chapter 1594: Magic banner](#)

"kill!"

Old Fei and the others were crazy, rushing towards the passage desperately, their auras were unprecedentedly terrifying, they were burning true essence, burning essence and blood, and even burning blood and the origin of the rules.

To survive, everyone went crazy.

"Quin, what the **** do you do now?"

The red face Wuhuang stopped at the exit and said in anger.

Under the frenzied impact of so many people, Wuyan Wuhuang and the others couldn't stop them immediately, because Lao Fei and everyone else were desperately burning their blood, which was a kind of burning jade and stone.

In the case of a stable victory, the people of the alien demons will not be as crazy as Fei Lao and others.

"enough."

The black-clothed leader looked at the forbidden formation pattern above his head with cold eyes, a fierce stern flashed in his eyes, ignored the words of the red face Wuhuang, but fully urged the flag in front of him.

Buzzing!

The **** halos flowed quickly and merged into the forbidden formation, and then the entire grotto was glowing, emitting a **** breath.

"The power of blood sacrifice!"

The black-clothed leader quickly squeezed his handprints with both hands, and **** rays of light quickly merged into the spar island below.

Rumble! The entire grotto swayed suddenly. At the same time, the lava lake was constantly boiling, and a swell of vibrating sky filled the bottom of the lava lake, khaka khaka, and the spar island was swaying rapidly, breaking apart, Originally located

The regular sacred tree on the spar island also shook violently, as if it collapsed.

"what happened?"

"What the **** is there?"

"Get out, get out quickly."

Everyone was terrified, and felt an inexplicable force spreading and recovering in this grotto, which made them horrified and felt fear from the bottom of their hearts.

"No, you have to stop it."

Qin Chen's expression also changed, and after sending a message to Enchanted Kara and Skeleton Rudder, he quickly rushed over.

Mokara and Skeleton Rudder shook their bodies, and suddenly came to the two alien demons who had robbed the top powers of the major forces. Suddenly, they shot strongly.

Puff!

The speed of the two was too fast. In just an instant, two Nine Heavens Martial Emperors of the alien demons were beheaded by the two, bursting into blood mist.

"Senior Mokara, what are you doing?"

Many descendants of the alien demons roared in anger, and Gulas also took his three men, looking in astonishment.

"What are you doing? I want to ask, what exactly is Quinn doing? It dares to release the horrible things imprisoned in this prison, Gulas, have you forgotten my mission?"

Mokara shouted angrily at Gulas: "My mission is to guard this place and prevent the terrible things imprisoned here from being born, but now this Quinn is releasing the monster, how can I wait to help the evildoer??"

"My mission?"

Gulas murmured, as if thinking of something, a fierce light burst into his eyes.

indeed.

As the guardians of this heritage temple, their mission is to guard this place and prevent the terrible things inside from being released, but what Quinn is doing now goes against their mission.

One is a mission that has persisted for tens of thousands of years, and the other is the command of the devil, which makes Gulas instantly confused.

"what?"

"Why did this alien demon kill himself?"

Old Fei and the others watched this scene in shock at first, but then they were overjoyed. The alien demons turned against the water, and they were the most beneficial.

"The best chance!"

"kill!"

They became more and more mad, and without the obstacles of Mokara and Skeleton Rudder, now there was only one person left in front of the passage.

As long as the Confucian Emperor Wuhuang was killed, they could escape.

"rush out."

boom!

A group of people frantically killed the Emperor Wu Yan.

"If you want to escape, don't think about it!"

The red face of Emperor Wu Yan was red, and he was also crazy.

The Golden Body Martial Emperor and the others escaped. The Misty Palace was already troublesome enough, but there were only three forces, at least Misty Palace could deal with it.

But if Lao Fei and the others are all left, the Misty Palace will lose even the opportunity to deal with it.

"Puff!" The red face Wuhuang spouted a mouthful of blood, and his whole body was burning. A terrible force suddenly merged into the Qiqiao Linglong Ball, with a buzzing sound, the Qiqiao Linglong Ball quickly rotated, glowing like the same The sun is generally, hanging

Floating in this grotto, an unprecedented power erupted.

boom!

Void trembling, Hongyan Wuhuang is like a mountain, guarding the entrance of the passage, so that no one can leave.

"I won't believe it anymore, just a beautiful martial emperor, how can he stop so many of us?" Fei Lao's mental power kept surging, and the Tiankong Ten Thousand Revolving Array was urged, spinning frantically, with brilliant bursts of light. It swept out, collided with the glow of the Qiqiao Linglong Ball, and immediately issued a continuous roar, shaking

Deaf.

The two great treasures collided in the void, and the scene was like the end of the day, changing the color of the world.

However, Fei Lao's cultivation base is not as good as Wuyan Wuhuang after all, and the array of light he displayed has been receding steadily.

"Magic banner!"

The Phantom Wuhuang followed, and displayed a black magic banner, and the magic energy was overwhelming in a moment.

"The body of a real dragon!"

Long Zhentian also roared, with primitive dragon scales appearing all over his body, his body soared in an instant, and he rushed out quickly.

The martial emperors of all major forces have all performed their strongest tricks, to break through the impediments of the red face Wuhuang and rush out here.

At the exit of the passage, there was a shocking explosion. The black-clothed leader turned a deaf ear to all this. It was full of devilish energy. With a wave of his hand, the essence and blood of countless people who died was attracted out one after another, including the previous nine-day martial emperor who fell from the alien demon race. The blood

, Quickly integrated into the prohibition around the grotto.

Click! Click!

At this moment, the entire spar island was completely split, and there were endless gaps, and a heart-palpitating breath quickly permeated, sweeping the entire grotto in an instant.

Puff puff.....

Under the impact of this breath, everyone's body shook violently, and everyone turned pale, and many people couldn't bear it, and immediately spewed a mouthful of blood.

too frightening!

Everyone looked at the spar island in horror, and saw bursts of **** breath suddenly appeared in the cracks of the spar island. The **** breath continued to flow, quickly spreading to the many warriors in the grotto.

A terrifying scene was born. All the major forces that were filled with **** aura, the Martial Emperors did not even have time to scream, they were instantly turned into ashes, and nothing was left.

"What exactly is this?"

Everyone stared in horror at the **** breath that suddenly filled the grotto, one by one showing horror. In the blink of an eye, the hundreds of martial emperors close to the spar island in the entire grotto were all shrouded in blood, disappearing, turning into ashes, with no bones left.

[Chapter 1595: Thinking about danger](#)

Gudong!

Everyone couldn't help but swallowed, and their faces were shocked.

After the blood qi had wiped out many Martial Emperors, they suddenly soared. The many martial emperors who swept into the air caused many Martial Emperors to retreat.

Boom!

At this moment, the spar island was still trembling, and a heart-palpitating breath continued to spread.

"Finally succeeded!"

The black-clothed leader Quinn was trembling with excitement, his face was ecstatic, and amidst the rumbling roar, something like a giant slowly rose from the bottom of the spar island.

The regular sacred tree that was originally located on the spar island quickly withered, and in the end only the crystal-like jade trunk was left, which was actually a vertical horn of the terrifying monster. In addition, countless molten monsters rushed out of the molten lake, but as soon as these monsters appeared, they burst into pieces and turned into red rainbow lights, which were absorbed into the body by the spar-like monsters. , Became its body

a part of.

A palpable force of rules diffused in this void.

This force swept over everyone, and immediately everyone vomited blood. Almost all the Nine Heavens Emperor Wudi who had absorbed the fruits of the rules and broke through, found that the force of the rules in the body quickly rioted, almost beyond their control.

"What exactly is going on?"

"What is the monster under this spar island? That rule sacred tree is actually its tentacles. Then what is the rule fruit that we swallow?"

Everyone expressed their faces, and their hearts were full of fear.

The breath of this terrifying monster is too terrifying. Although I haven't seen the true face yet, the mere trace of breath that escapes has already made everyone discolored and felt unprecedented pressure.

They have a feeling that as long as this terrifying monster is completely released, I am afraid that they can be wiped out with a sigh of breath. This difference in power is like heaven and earth.

But they are all powerhouses of the Nine Heavens Emperor Wudi level? If they were only the first peak Martial Emperor in the later stage, it might not be a big deal to have this feeling in their hearts, but now, each of them has become a powerful Nine Heaven Martial Emperor, but they still have such a small and fragile feeling. heart

How not to shake, how not to fear.

"go!"

"Go!"

Old Fei and the others shouted in anger, with unprecedented panic in their eyes.

These alien demons alone are enough for them to eat a pot. If this terrifying monster is about to be released, can they still live?

Therefore, they worked desperately, and this time, even the old life really did not care about everything.

boom!

The Tiankong Wanzhuan array quickly spins, constantly impacting the red face Wuhuang.

Finally, the red face Wuhuang couldn't stop him, and his figure retreated frequently, revealing the passage.

"Open it, rush out."

Fei Lao rushed to the exit of the passage first.

"Return all to me." The red face Wuhuang burst out blood, his body was full of light, and a terrible force filled the Qiqiao exquisite ball, rushing towards the leader Fei Lao, if he was hit by this force In the middle, even Fei Lao will burst into blood in an instant

fog.

"Sky Control Ten Thousand Turn Array!"

Old Fei roared, and the array above his head burst out with unprecedented radiance, like a scorching sun, instantly enveloped him. However, the power of the Qiqiao Linglong Ball was too strong. With a puff, it instantly blasted on the Tiankong Wanzhuan array. Suddenly, the pitch-black array shook violently, and the light on it quickly melted, and it was blown away in an instant. Go out and expose the bottom

Fei Lao.

"good chance."

At this moment, Fei immediately saw an omission by Emperor Wu Yan, and revealed the exit of the passage.

For this plan, he has two choices, one is to regain the Tiankong Wanzhuan formation and continue to fight, but in this way, the red face Wuhuang will definitely be able to recover, and he may not have this chance if he wants to leave.

There is another, that is to rush out directly, but in this way, his Sky Control Ten Thousand Revolving Array will also be lost, this is a treasure of the Palace of Instruments.

Two thoughts flashed in his mind, and there was almost no hesitation. Fei made a choice in an instant and rushed directly to the exit of the passage.

He chose to flee. Although he would lose the heavy treasure, he could stay behind. The heavy treasure would also be lost, and he would even fall. This abacus, he didn't need to count, he knew clearly.

Whoosh.

Old Fei was in the shape of lightning, swiping into the passage and disappeared.

"Let's go too!"

There were a few people who wanted to leave with Fei, but they were stopped by the red face Wuhuang before they rushed out.

Hongyan Wuhuang's face was pale, and he didn't expect Fei from the Hall of Equipment to rush out again, which was even more troublesome.

On the other side, Qin Chen didn't pay attention to this place at all, just staring at the blood that was boiling ahead.

"No, this monster must never be born."

Qin Chen's eyes were serious and his eyes became cold. Although there was a faint power to attract him in the ground, who could stop this monster once it was born?

I'm afraid everyone will die here.

"The monsters of your ancient alien demons who have worked so hard to seal here are now about to be released. Have you forgotten your mission?"

Qin Chen screamed, and quickly came to the forbidden formation above the grotto, squeezing his handprints one by one with his hands, trying to crack the forbidden formation.

He has a feeling that the monster has not been completely sealed at present, as long as the forbidden formation is destroyed, the opponent can be prevented from lifting the seal and trapping the terrifying monster again.

"Hey, this Human Race kid actually understands the prohibition method of my alien demons?"

At first, the leader of the man in black didn't care about Qin Chen, but as Qin Chen continued to display his handprints, the leader of the man in black was surprised when resistance came from the forbidden formation.

"Stop him!"

He shouted angrily, and someone quickly flew towards Qin Chen.

"roll!"

At this moment, Mokara appeared suddenly and blasted an alien from the alien race away with a punch. The alien from the alien race spurted blood, almost torn apart.

"Senior Mokara, what are you doing." The leader in black shouted angrily, and at the same time said to Gulas, "Senior Gulas, please stop it."

Mokara looked at Gulas coldly, and said angrily: "Gulas, don't be fooled by this person. This person dares to release the monsters imprisoned in the inheritance temple. It is impossible for the demon master to order. "

Gulas's face suddenly showed hesitation.

On one side, Mokara is also the guardian.

On the other side, the leader of the man in black who possessed the Demon Lord's token, he hesitated and was lost.

Whoosh whoosh!

At this time, other alien demons had already madly rushed towards Qin Chen.

"Qin Chen, be careful!" Chen Sisi exclaimed and rushed up instantly.

boom! At this moment, the spar island underneath exploded once again, and the blood in the sky, soaring in an instant, enveloping a powerful emperor, the emperor screamed, and suddenly in the blood. Falling into ashes and disappearing in a flash

Life. Everyone watched this scene in horror, and at this moment, one of the terrifying blood energy wrapped directly towards Chen Sisi not far away. It was so fast that when Chen Sisi reacted, the blood energy had already wrapped her. body.

[Chapter 1596: The master is not dead](#)

"not good!"

Chen Sisi was horrified. She wanted to hide, but it was too late, because there was a palpable breath in that blood, as if her soul was frozen and she couldn't move at all.

"Witch!" The Phantom Martial Emperor exclaimed in anger. In a critical moment, he immediately swept the phantom magic banner out, and the mighty magic energy suddenly enveloped Chen Sisi, and wanted to pull her out. However, the blood energy also followed, and the sound of scornful dissolution sounded. I saw that the magic energy released by the magic flag was instantly wiped out, and the blood energy spread to the magic flag. The streamer rotted in an instant

Then, it became extremely broken, and the rune on it quickly dimmed.

This is the treasure of the Illusory Demon Sect. Under this blood, there is no resistance at all, and it is instantly destroyed.

Everyone showed a look of horror. If such blood envelops them, it is estimated that no one on the field can resist it.

"Do not!"

The Phantom Martial Emperor roared in despair, but he did not dare to step forward. He could only watch the phantom demon banner rotting a little bit, and Chen Sisi was slowly enveloped by endless blood.

"Am I going to die?"

Chen Sisi was in a daze. She looked at Qin Chen with difficulty. Before she died, she seemed to want to brand such a man in her heart.

Just as she turned her head, she saw a figure rushing quickly, it was Qin Chen, his expression was cold, and he rushed desperately.

Qin Chen didn't know why he did this. He didn't even think about it. When Chen Sisi was in danger, he instinctively made such a decision.

"No, don't come over!"

Chen Sisi shouted in pain, but couldn't even make a sound. She knew that she was going to die, but she didn't want to hurt Qin Chen. If Qin Chen was wrapped in that blood, she would definitely die.

But Qin Chen came. At the critical moment, Qin Chen appeared next to Chen Sisi and pushed Chen Sisi out. The next moment, he himself was enveloped by endless blood.

"No!" Chen Sisi yelled desperately, and turned around hurriedly, but only saw the scene of Qin Chen being wrapped in endless blood. Tears flowed in an instant. Chen Sisi's mind went blank, and he rushed towards the place of blood like crazy, but was caught First response

The coming Phantom Emperor Wu hugged all of a sudden.

"Master Phantom, let go!" Chen Sisi struggled fiercely. She would rather die than Qin Chen to save herself. Seeing the scene of Qin Chen being swallowed by the blood, her heart seemed to be broken for an instant. Can't breathe in pain.

She struggled violently, trying to rush into the blood and accompany Qin Chen to death.

"Witch, stop making trouble."

With a bang, Phantom Martial Emperor slapped Chen Sisi's neck with a palm, knocking her out instantly.

Then, Phantom Wuhuang looked at Qin Chen who was swallowed by blood, with incredible expression in his eyes.

She didn't expect Qin Chen to give up his life in order to save Chen Sisi.

"Another silly boy who was bewildered by the witch of the Illusory Demon Sect."

"It's a pity to go to death for others."

"Then Qin Chen still has so many rules and fruits, and the future is boundless, but for a woman, he gave up a great future."

"Illusory Demon Sect, it is really a gathering of demons, and it is not shallow."

Everyone shook their heads and sighed.

It has to be said that Qin Chen is the most influential among so many genius disciples. In order to let the people of Dan Pavilion escape, he even sacrificed his own life and obtained so many regular fruits.

But who knew that such a character would have fallen here for a woman from the Magic Sect.

"the host!"

Mokara, Skeleton Rudder Master, and Ancient Cangwu Emperor all exclaimed in their hearts at this moment, but they were shocked to find that the soul imprint in their minds and Qin Chen's was not destroyed.

The master is not dead!

All three were extremely surprised.

If Qin Chen died, the Soul Extinguishing Seal in their minds would be shattered, but now that the Soul Extinguishing Seal hadn't been broken, it meant that Qin Chen was definitely not dead.

However, now that Qin Chen is in the blood, they don't dare to step forward, just keep making moves, trying to blast the blood away.

But that **** energy seemed to have life, it couldn't blast away at all, instead it was constantly tumbling and boiling, forcing everyone to retreat again and again.

"go!"

Phantom Wuhuang, Long Zhentian and others roared and continued to attack Hongyan Wuhuang, trying to leave here.

But after Mokara and Skeleton Rudder looked at each other, their eyes instantly fell on the leader of the black clothed man. Only by beheading the man can the seal be prevented from breaking, and then can he find a way to rescue the master. '

"kill!"

The two of them shook their bodies, and even slaughtered the black-clothed leader below, while the ancient Cangwu Emperor pretended to be extremely angry and followed.

Boom!

Under the violent action of the three of them, the sky and the earth suddenly fell apart, especially with the presence of a master like Mokara, those ordinary alien demons Nine Heavens Wudi couldn't stop them at all, and they were constantly swept out. "These ancient alien demons are really unreliable." The black-clothed leader's face was livid, and he shouted anxiously at Gulas at the same time: "Senior Gulas, things are not as predecessor Mokara guessed. , Please also block this person

, This seat will definitely give an explanation to several people. "

As the leader of the black clothed spoke, he accelerated the activation of the token, buzzing and buzzing, and the entire grotto suddenly lit up with an astonishing black light. These forbidden formations continued to flicker and quickly continued to swept toward the spar island.

Boom boom boom!

The whole grotto was shaking violently.

And when the outside world fought, Qin Chen was surrounded by a large amount of blood in his blood, and a series of terrifying powers that could destroy everything quickly entered his body.

"what!"

He wanted to roar in pain, but at this time, he couldn't even roar, and the soul in his mind seemed to be imprisoned. He couldn't move at all, and he couldn't even turn a thought, just like a wooden man.

The breath of blood penetrated into his body and quickly tore his body muscles. If he hadn't cultivated the Nine-turned Eucharist and transformed the body into an extremely terrifying spatial Eucharist, his physical body would even be wiped out in an instant.

But even so, his physical body is also breaking down, and it may be completely shattered in the next second.

"Am I going to die?"

Qin Chen's mind was empty, vaguely feeling as if there was a space power flashing by him, and he woke him up all at once.

No, how can I die?

No revenge?

How could he die here easily.

"Roar!" A silent roar rose from the bottom of his heart. The next moment, there was a crackling, and countless thunder light spread quickly on his body, and the blood in his body was actively mobilized.

[Chapter 1597: Big black cat appears](#)

Hum! Thunder light swept across his body. What shocked Qin Chen was that when the power of his blood was swept away, the destructive power contained in his blood was actually like seeing a cat and a mouse, and he retreated in horror. Come, leaving only one strand

Pure energy surged in his body.

I saw a trace of blood still enveloping him, lingering around him, but it couldn't hurt him at all, only that trace of pure power lingered around his body.

"what happened?"

Qin Chen himself was stunned.

He wanted to survive, but he didn't expect that the power of his own blood would circulate actively, and there would be nothing at all.

There is indeed an extremely terrifying power in this blood, which can crush the body of the warrior, but when this power enters his body, it will be eliminated by the thunder blood in his body.

This kind of power that was enough to make ordinary warriors fall instantly did not harm Qin Chen at all, and even gave Qin Chen a warm feeling, as if he was in a hot spring.

"Hey, your kid is not dead!"

At the same time, a puzzled voice rang in Qin Chen's ears.

"Big black cat?"

A look of shock appeared on Qin Chen's face, which turned out to be the voice of the **** cat.

Damn, dare to love this dead cat has been here before.

"Where are you dead cat?"

Qin Chen angrily said, his mental power diffused out in an instant, but in this blood energy, it didn't spread far, and it was completely melted away.

"You don't have to worry about where I am, but your kid is a bit weird. Under the blood essence of the source beast, there is nothing at all, weird, weird!"

The **** cat murmured, seeming to be shocked by Qin Chen's performance.

"Are you saying this is Primal Beast?"

Qin Chen said in shock, he even forgot to accuse the **** cat.

"Of course this is Yuan Beast, your kid looks very clever, didn't you think of it at all?" The **** cat said with disdain.

In fact, Qin Chen had indeed guessed what the seal was, and of course, he had also guessed whether it was a source beast, but there was no definite answer.

The source beast, in the words of the Skeleton Rudder Lord, is a unique beast in the alien demon continent, and it is also a war-level strategic material. Moreover, its strength is extremely terrible, and it is a powerful person equivalent to the demon master level.

Moreover, the Skull Rudder Lord also said that the source beast is a great tonic for the alien demon race, a living source beast can continuously provide the source beast essence to the alien demon race for healing and training.

"Does the leader of the man in black want to release this ancient source beast because he wants to use the essence of the source beast to heal and practice the many alien demons on the Tianwu Continent?"

Qin Chen suddenly seemed to understand, his eyes sank.

This is indeed possible.

The Skeleton Rudder master once said that if there is enough Source Beast essence, it can restore the peak cultivation level of Dao's previous life within a hundred years, or even a shorter time.

Decades are extremely long for the martial artist, and for the alien demons who have slept in the Tianwu Continent for countless years, it is nothing. If this source beast is really released and enters the Tianwu Continent, then the strength of the alien demons, such as the Skeleton Rudder Lord, who once slept in the ancient war, will quickly recover. At that time, with the present Tianwu University

How can Lu's strength be able to withstand the invasion of the alien demons? In the ancient battle, the strong human race fell to death, but this alien demon race was temporarily blocked from the mainland. Now, the warriors of the Tianwu continent have long lost their glory in the ancient times. If there is another dark turmoil, I am afraid the consequences Unbearable

miss you.

"No, you must stop the other party." Qin Chen blurted out subconsciously.

"Yes, we must stop these alien demons." The voice of the **** cat also came.

Huh!

The black shadow flashed, and it instantly appeared in front of Qin Chen, and the blood lingered around it, even unscathed.

I saw countless blood lingering around the body of the **** cat. As long as it touched the body of the **** cat, he took the initiative to avoid it, as if it could not be touched at all, the **** cat proudly akimbo, in front of Qin Chen Dangling.

Qin Chen squinted at the **** cat, how upset he looked, and said, "When did you come here?"

"Me?" The **** cat pointed to himself, and said, "The emperor was already here, well, before you came, when these guys set up the forbidden formation, the emperor was already there, but he didn't come out. That's it."

The **** cat said with a smile: "But the emperor didn't expect that your kid is very lucky. Except for the previous chick, the remaining two are dealt with so quickly by you. Tsk tsk, Yan Fu is not shallow! "

"Since you are already here, why don't you destroy the arrangements of these alien demons." Qin Chen said angrily.

This guy has been watching the excitement all the time, it's horrible! "Why does the emperor want to take action?" The **** cat looked like it took it for granted, "This emperor is so weak, you let the emperor deal with so many fierce and evil monsters, it is too much, let alone, the emperor destroyed these Good thing guys, what's the

What good is it? "

Qin Chen's face was full of black lines. He only felt that the **** cat became more hateful as he looked at it, and he was ashamed to say weak.

Moreover, this cat is too mad at money, and even asks for benefits at this time.

"If these people are allowed to achieve their goals, the Tianwu Continent will fall into a disaster that will never be restored. At that time, the human race will be in danger." "Well, this is a problem." The **** cat was lost in thought, just as Qin Chen thought it was conscience. When I found out, I saw the **** cat suddenly raising his head and grinning, "Hey, but this emperor is not a human being.

Relationship? "

"you....."

Qin Chen jumped with anger, this dead cat was too shameless.

"Why don't you give it to the emperor all the treasures like the Demon Cauldron you have on you, and the emperor can think about it and make a move." The **** cat stared at Qin Chen and said with a smile.

"Dead cat, get out of here, don't let me see you again."

Qin Chen was so angry that he had never seen such a nasty thing.

"This is what you let the emperor roll, then the emperor will roll."

The **** cat rolled around, completely disappearing in his blood without waiting for Qin Chen to speak, and no matter how much Qin Chen searched, he could not find its trace.

"Really gone? This dead cat is mad at me."

If it weren't for being in this blood, Qin Chen would definitely display the Qinglian Demon Fire and make a whole cat roast to relieve his hatred.

"Go out first." In this **** atmosphere, Qin Chen didn't argue the direction, and couldn't even sense gravity. He could only subconsciously fly in one direction, trying to rush into the **** envelope.

[Chapter 1598: Red Flame Demon Lord](#)

At this moment, in the grotto.

boom! The astonishing roar resounded, everyone had become a mess, and the mighty blood was still erupting, forcing everyone to retreat frantically, and saw the countless blood violently scattered everywhere, even the red face Wuhuang was shocked. Back hurriedly, not dare

Even a trace of contamination.

"good chance!"

Taking advantage of the moment when Hongyan Wuhuang was shocked by a **** spirit, Phantom Wuhuang and others hurriedly seized the opportunity and rushed into the passage in an instant.

Whoosh whoosh!

Almost a dozen people rushed out in an instant.

Among them was the leader of the Long Family, Long Zhentian. He reacted extremely quickly and followed him immediately. He was about to rush into the passage, but suddenly a **** energy swept in and blocked the passage instantly.

"Damn it!"

Long Zhentian was extremely angry, and his luck was too bad. When it was his turn, it happened to be blocked.

Almost, just so little, he can rush out.

But now.

That's it!

Not only Long Zhentian, but other warriors left by the major forces saw this scene, and their eyes also showed despair.

Today's passageway has been shrouded by that horrible blood. If you want to rush out, you must pass through this **** land, but no one dares to do so.

For a moment, all the remaining people were ashamed and desperate.

boom!

But at this moment, Qin Chen just rushed out of his blood.

"What? This kid is not dead?"

"how is this possible?"

"He is still alive?"

Everyone was dumbfounded, looking at Qin Chen, it was like hell.

Before, even a powerful nine-day martial emperor was shrouded in blood and disappeared in an instant, but this Qin Chen, but only the later Emperor Wu, could survive this blood.

How is this done?

Long Zhentian and others were shocked at first, but then overjoyed.

"Qin Chen, quickly get rid of the blood in this tunnel." He hurriedly shouted at Qin Chen.

Others also reacted instantly, now that the entrance of the passage was enveloped by blood, it was difficult for them to get out, but Qin Chen didn't seem to be afraid of the power of blood, if he let him make a move, he might be able to reopen the passage.

Therefore, they put everyone's hope on Qin Chen.

"Where is Sisi?"

But Qin Chen ignored everyone's request. He turned his eyes, but was searching for Chen Sisi's trace.

"Master, the witch of the Illusory Demon Sect, has been taken out by the Illusory Demon Sect and Phantom Martial Emperor, and should be safe." The voice of the Skeleton Rudder master sounded in Qin Chen's mind, and his voice was full of surprises.

Qin Chen breathed a sigh of relief immediately.

Sisi was okay, his heart was immediately let go, and then he stared at the leader in black, Quinn.

"Chang!"

The mysterious rust sword suddenly appeared in his hand, exuding a palpable breath.

By now, he couldn't hide it anymore. The only thought in his mind was to stop the leader in black as soon as possible.

Whoosh!

He turned into a thunder light and rushed towards the leader of the man in black.

"Ok?"

The leader of the man in black saw Qin Chen rushing, his eyes were cold, and with a wave of his hand, the black magic energy swept over in an instant.

"cut!"

Qin Chen shouted sharply, urging Thunder's blood, countless thunder lights swept out immediately, splitting the black magic energy instantly, and at the same time, his figure came straight.

Click!

The sword light lit up, and endless killing intent rushed out. The leader of the black clothed man felt a terrible sword energy rushing into his body, and his body felt an illusion of tearing apart in an instant.

It was suddenly shocked, unbelievable. Looking at Qin Chen, Qin Chen gave it the feeling that it was only stronger than the previous Golden Martial Emperor. How could this be possible?

boom!

The explosion sounded, and the two fought wildly. The leader in black became more and more frightened. Although Qin Chen was young and had a low cultivation base, his strength was so terrifying that he felt threatened.

The most important thing is that under Qin Chen's obstruction, it can no longer urge the forbidden formation in the grotto.

"No, if you continue like this, you will only be passive."

With his eyes flashing, the black-clothed leader suddenly shouted angrily: "Come here, stop this kid for me."

Whizzing!

On the side, two men in black flew over.

One of them had cold eyes and endless killing intent in his eyes. As soon as he raised his hand, a black magical shadow struck Qin Chen directly.

Qin Chen hurriedly stopped, with a ding, the demon shadow was cut and flew out, a flying shuttle, and the flying shuttle quickly returned to the black-clothed man, floating in the air, exuding a heart-palpitating breath.

"Why is this person's breath so familiar?" Qin Chen frowned, feeling that the other party was a little familiar.

"Qin Chen, it's only a few years that you have grown up to this level. It really makes me look at it with admiration." A gloomy voice sounded, and at the same time, the black man's mask shattered, revealing an evil eagle face.

"It's you, magic?"

Qin Chen was taken aback, the man in black turned out to be magical.

In the land of a hundred dynasties, Mo Li disappeared after escaping. Qin Chen was worried for a while, but he did not expect this person to join the law enforcement hall.

But also, as a descendant of the Moli alien race, if you join the Hall of Law Enforcement, it will definitely be even more powerful.

"If this person is Moli, then what about the alien demon in the jade bottle next to Moli?" When Qin Chen was puzzled, he could only hear the sound of Jie Jie, a black suit fighting against the Skeleton Rudder Master. Human, suddenly shattered the mask, revealing a pale face, and at the same time, the aura on its body also rose up crazily.

It spread out quickly, surpassing the other nine-day martial emperors in an instant.

"Chiyan Demon Lord, is it you?"

Skeleton Rudder looked at the man in black on the opposite side in shock, and was stunned. This person was pale and he was clearly a human race, but the Skeleton Rudder master immediately understood that this person must have been taken by the Scarlet Flame Demon and occupied. The body. "Yong Ye, I

can't think of you as the servant of this human race kid, it's quite comfortable to be, but this kid also surprised me. At the beginning, this kid left the soul-killing mark in your mind. I can see through it at a glance. And now, if I hadn't known it

You are in collusion, I am afraid that you would never think that you, a powerful alien of the alien race, has been taken away by a human race kid! "

Demon Chiyan tore off his cloak, burning flames all over his body, and grinning gloomily.

When the two of them showed up, they immediately exposed the identities of Qin Chen and Skeleton Rudder.

"what?"

Has this alien demon race been seized by Qin Chen?

When this statement fell, the audience was shocked. Whether it was the major forces of the human race or the leaders of the people in black, Quinn and Gullas, they all looked over in shock, with a dull expression.

What exactly is going on?

Especially the leader of the man in black, it frowned and looked at Demon Lord Chiyan. There was a pure Demon Lord of the Alien Demon under his command. He had never known before. "Master Quinn, this son, he knows his subordinates, he belongs to a human race in the Northern Heavens, and this Eternal Night Demon Lord is a middle-ranked demon Lord of my clan in the battlefield of the Heavenly Demon, and he is with his subordinates. The battlefield, however, as early as a few years ago, this person has been

To enslavement, became a lackey of this person. "Chiyan Demon Lord pointed at Skeleton Rudder and Qin Chen, with a grinning laugh.

[Chapter 1599: Ancestral Demon Blood Sutra](#)

The Scarlet Flame Demon Lord stood there proudly, talking freely, but in his eyes, a cold and proud killing intent bloomed.

And what it said immediately attracted everyone's attention.

This immediately shocked everyone, and looked at Qin Chen in disbelief, especially Long Zhentian and others, and was shocked. It turned out that Qin Chen had already enslaved an alien demon monarch a few years ago?

However, when Qin Chen first entered the Guyu Realm, his cultivation base was not even the Emperor Wu. A few years ago, he was even a Emperor Wu, capable of enslaving the powerful aliens.

How is it done?

At this moment, everyone's heart was shocked, and they kept surging.

"Chi Yan, what are you saying is true?" The black-clothed leader Quinn's eyes were gloomy. If what Chiyan Demon Lord said is true, then the problem is serious.

Chiyan Demon Lord Jiejie smiled, and said: "My lord, what the subordinates said is naturally true. If the subordinates didn't guess wrong, but this is the Eternal Night Demon Lord, it should be the senior Mokara, and this kid has something Connect."

This statement is even more shocking.

Compared to the Eternal Night Demon Lord, Mokara is obviously more special. It is the ancient alien demons in this heritage temple, how could it be related to Qin Chen?

However, if the Skeleton Rudder Master had been enslaved by Qin Chen, then Mokara's suspicion would naturally rise, after all, Mokara's previous actions were also a bit strange.

"Mokara, what the **** is going on?" Gulas stared at Mokara, his eyes bursting with anger, once the invisible soul fluctuates, it will continue to sweep in.

"Nonsense." Mokara snorted coldly, staring coldly at Demon Chiyan, booming, its figure broke out, and it moved suddenly, turning into a black cloud in an instant, and came to the front of Demon Chiyan with a paw. Come here.

There was only a bang, and the pitch-black claws were like a curtain of sky, covering the Chiyan Demon Lord, actually tearing it apart in one fell swoop.

"Little Demon Lord, dare to tell the truth and seek death."

Five sharp claws, the roots exuded oozing black light, and Taoist magic patterns appeared on them, and they came to the head of the red flame demon in an instant.

Ding!

The Chiyan Demon seemed to expect Mokara to be able to do it, and an ancient jade bottle appeared on his head. The jade bottle became bigger and exuded a misty atmosphere, and the five sharp claws were blocked.

puff!

But the strong demon energy still penetrated, blasting the Chiyan Demon Lord out instantly, spouting a mouthful of blood, and the demonized fruit of Mokara could not be dealt with by it now.

"Why, when I said it was broken, I became irritated? Originally, this seat was still only skeptical. Now I am sure that your Excellency must have some connection with this human race boy." Chi Yan Demon Lord said grimly.

"you wanna die!"

Mokara was even more angry, killing intent boiled, and killed again, but this time, a magical shadow flashed past, and it was Gulas who stopped in front of Mokara.

boom!

The two terrible breaths collided, and a terrible roar erupted, which shocked everyone back and their faces turned pale.

"Mokara, stop." Gulas yelled, coldly looking at Mokara: "If Chi Yan is right, your Excellency is with this Eternal Night Demon for peace? This demon should not be my inheritance temple The magic?"

In its impression, there is no such a demon in the Temple of Inheritance.

"Gulas, don't you believe me?" Mokara roared.

Gulas looked gloomy, but did not speak. In fact, he was a little suspicious, and he didn't know who to believe. "It's very simple to convince Senior Gulas. Since Senior Mokara said that he was wronged, then as long as Senior Mokara and the Eternal Night Demon let go of their souls, let Master Quinn and Senior Gulas feel the two Soul power, see if there is

If there is any difference, if there is no difference, I will believe you later. "Red Flame Demon Lord grinned." "You little middle-ranked demon Lord, you are also worthy of letting my Mokara let go of my soul?" Mokara shouted angrily, and then stared at Gulas, and said angrily: "Gulas, you and I have been guarding here for many years. If you don't believe me Mokara, you believe these people? Let me ask you, if this

These people really obey the orders of Lord Demon Lord, then why would they violate the ancient ban and release the terrifying things here? "

"Let me say, these people clearly don't know where they got the Demon Lord's tokens, fake the orders of the Demon Lord, and want to exterminate my ancient strange demons!"

I have to say that Mokara is still quite clever, and immediately counterattack.

His words also made Gulas hesitate again. Indeed, what Quinn, the leader of the black clothed did, violated the purpose of its ancient alien demons, and it was also the most suspicious place.

The black-clothed leader Quinn snorted coldly, and said, "Okay, you want to explain, right? Since you don't believe in the token of the demon, you won't even believe this thing, right?"

The voice fell, and a **** ancient book suddenly appeared in its hand. As soon as this **** ancient book appeared, the entire void seemed to be imprisoned, and the eyes of all alien demons were attracted.

"My clan's most precious ancestor Demon Blood Scripture is here, who dare not follow it? Now, who else doesn't believe it?"

Quinn shouted angrily and violently.

"It's Ancestral Demon Blood Sutra!"

"It turned out to be the Ancestral Demon Blood Sutra!"

"This is the treasure of my alien race, how can it be in its hands?"

Seeing this **** ancient book, Mokara, Gulas, Skeleton Rudder, and others were shocked, all showing awe, and they suffered an unprecedented shock in an instant.

Seeing this thing was even more shocking than seeing the Demon Lord's token before.

"Yong Ye, what exactly is this?" Qin Chen hurriedly said through a voice transmission.

As soon as the ancient book appeared, the world seemed to be imprisoned, and the rich blood soared, and the blood in his body seemed to be uncontrollable, and he was about to be sucked out. "The Ancestral Demon Blood Scripture is the treasure of my alien demon race. It is rumored that it is the alien treasure formed when my alien demon race was born. It belongs to the inheritance of the demon master. Once you master this treasure, you can control all of my alien demon race. Life, as for the specific effect,

The subordinates have never received it before, but they are not clear. However, it is certain that the Ancestral Demon Blood Scripture can only be controlled by the Demon Lord, and even if the ordinary alien demon race obtains it, it will not be able to exert its true power. "The Skeleton Rudder Master said in shock.

"The Ancestral Demon Blood Scripture is here, who dares not believe it now?" Quinn coldly shouted: "Senior Gulas, don't you doubt why this seat opened this seal? It is precisely because the Ancestral Demon Blood Scripture has such a treasure, ancient times. The source beast can be controlled by us, becoming the key to the rise of our clan, and then invading the Tianwu Continent,

Exterminate the human race on the mainland, and complete the glory that our race did not accomplish in ancient times. "

"Now, Senior Mokara, Lord Eternal Night Demon, please let the two unleash their soul power and let this seat explore!"

Quinn stared at Mokara and Skeleton Rudder, with sharp eyes. "Since your Excellency has the Ancestral Demon Blood Sutra, then I will naturally believe in Your Excellency. Do you want to see the soul aura? Then check it out, my Demon Kara is righteous, and I am not afraid of being investigated!" Mo Kara's eyes were extremely gloomy, and he gave a cold snort, thinking about it. The power of the soul suddenly revealed.

[Chapter 1600: Source animal origin](#)

And the Skull Rudder Master also coldly snorted: "If you look at it, you will see. By then, you will naturally know who is the one with ulterior motives."

When the voice fell, it also released its own soul breath.

Haven't these two people been taken away?

The actions of Mokara and the Skeleton Rudder Lord made Quinn couldn't help looking at the Scarlet Flame Demon Lord. If Mokara and the Skeleton Rudder Lord were okay, then the problem must be the Scarlet Flame Demon Lord.

However, as soon as it turned its head and thoughts flashed, it heard a roar.

"Mokara, you..."

boom!

When Gulas subconsciously explored the spirit of Mokara, Mokara moved suddenly, and it blew. It burned with demonic energy and its eyes were ferocious. In an instant, it exploded with unprecedented power, and slapped Gulas with a palm. Chest.

It was too fast, and it shot almost at the moment when everyone relaxed their vigilance. Even with the cultivation base of Gulas, it couldn't react for a while, and it was hit by a palm.

puff!

The black blood splashed, Gulas screamed, and a hole appeared in his chest, but at the critical moment, it operated the alien demon secret arts, quickly evaded, and avoided the result of being pierced by a claw.

But even so, it was seriously injured, the monster was blasted away, screaming and roaring.

"Mokara!" Gulas stared at Mokara, snarling and roaring up to the sky. He didn't expect that the people of his colleagues for many years would be so cruel to it.

"Ah!" On the other side, the Skeleton Rudder Master also moved at the same time. Instead of attacking the Chiyan Demon Lord, it rushed towards a subordinate next to Gulas, flicking the white bone whip, and slamming it. The alien demons wrapped it up, and then the **** halberd stabbed out,

A halberd penetrated the opponent and exploded his head.

The strong devilish energy permeated, and the skeleton rudder master was all sucked into his body, and Jie Jie laughed strangely.

Mokara and the Skeleton Rudder master made their moves too quickly. In just an instant, Gulas was seriously injured, and one of Gulas's men fell, and the strength of the alien demon was greatly reduced.

This sudden scene stunned everyone.

Especially Long Zhentian and the others, the eyes are almost bursting, what's the matter, these alien demons actually killed each other.

"a bunch of idiots!"

Chiyan Demon Lord's face was blue, these guys, he had already reminded them, but they were so unconscious, and could only blame themselves for being too stupid.

"Mokara, why are you?" Gulas roared, looking at Mokara in disbelief. It still doesn't believe that Mokara would do it on itself, which is totally unreasonable.

Even if the Eternal Night Demon Lord was really enslaved by the Human Race kid, but Mokara was an ancient alien demon after all, how could it be because of a Demon Lord that he would do something on himself? It didn't understand.

"Why?" Mokara grinned and swish. It and Skeleton Rudder shook his body and instantly came to Qin Chen. Under the gaze of everyone, under the incredible gaze of everyone, he respectfully saluted Qin Chen and said: "Master, the subordinate failed to complete the task,

Also ask the owner to punish. "

Lord...Master!

Long Zhentian's mouth widened, the red face Wuhuang's mouth widened, Quinn's mouth widened, and Gulas's mouth widened. Even the Scarlet Flame Demon, who had already guessed, was stunned. , Incredible feelings.

It knew that the Skeleton Rudder Master had been enslaved by Qin Chen, so it was just guessing that Mokara and Qin Chen had some sort of collusion, but it never thought that Qin Chen would have enslaved Mokara of the ancient alien demon race.

This is an ancient alien demons much more terrifying than it.

This is simply terrible.

For an instant, a trace of fear emerged in the heart of Demon Chiyan. Is it right or wrong for him to offend Qin Chen so much?

"Everyone, everyone has heard the purpose of the alien demons. It is to exterminate my Tianwu mainland human race. Now, please work together to kill these demons and save the fate of my human race."

Qin Chen coldly shouted at the strong left by the major forces. "Okay, very good, little human race, dare to destroy the plan of this seat, but do you think that enslaving the two clansmen of my alien demons can change everything?" Quinn suddenly sneered. So far, our plan has been completed, regardless of

No one can stop our plan. "

"Blood Sacrifice Great Array!" Quinn screamed, and when he threw the Ancestral Demon Blood Jing into the air, in an instant, scarlet rainbow lights erupted from the Ancestor Demon Blood Jing. The flag in his hand forms a mysterious seal rune, rotating towards that crystal

Suppressed under the stone island, it suddenly sank into the spar island.

boom! The bottom of the spar island suddenly boiled, roaring roar, only heard countless stern roars, but heads of source beast essence monsters rushed out from the ground. These monsters are extremely large, even larger than Qin Chen before. Beheaded beast

Essence is even scary. Some of the source beasts' essence and aura are so strong that they are equivalent to masters of the nine-day martial emperor's level, but after hitting the seal rune, they suddenly screamed and exploded, and then turned into red auras, being sealed by that seal Absorbed into

In the blood of the ancestor demon.

Hum!

The original blood-colored scriptures suddenly shined brighter, and a faint red glow lingered in them, slowly blending into the body of the black-clothed leader Quinn.

Quinn's face suddenly showed a look of enjoyment. After the traces of red light merged into its body, the aura on its body was slowly rising, and a red halo protected it inside, as if it was transforming. general.

"Roar!" Below the spar island, there was a painful roar. It was the ancient source beast, struggling violently, but the rune transformed by the ancestral demon's blood script was suppressed below, and it continued to escape the red aura. , Fused by Ancestral Demon Blood Sutra, turned into pure energy the amount.

In just an instant, the aura on Quinn had soared to the level close to Mokara and Gullas, and the aura on it was still rising.

"I understand."

There was a look of horror in Mokara's eyes, and he suddenly furious: "The purpose of Quinn is not to release the ancient source beast, but to use the blood of the ancestor demon to capture the origin of the legendary source beast."

"The origin of the source beast?" Qin Chen wondered. Mokara said in horror: "The source beast is the rule of the world of my alien demon race. It contains the highest source law of the alien demon continent. For my alien demon race, it is a supreme tonic. Devouring the origin of the source beast is equivalent to smelting

With the supreme source law of the different demon continent, he can leap into a master-level powerhouse in one fell swoop. "The purpose of Quinn is to devour the origin of the source beast and become the demon master of my alien demon race. "
